

Illicit 431

Chapter 431 - Sweet Time At Shi Fei's House Part 1

Xiao Tian only licked and sucked her left nipple for about four seconds before finally, he stopped what he was doing.

It was not like he didn't want to continue playing with her breasts; instead, he wanted to see her breasts.

Among all his women, not only was she the sexiest, but her breasts were also the most beautiful.

If Shi Fei had a beautiful face like Liu Ning, he was sure that she would earn the title of the goddess of Shanghai.

"Hehe." Shi Fei could not help but giggle when she saw him looking at her breasts intently as if it was the first time for him to see real breasts. "Why are you seeing my breasts like that? Didn't you often see my breasts?"

"Even though I've seen your breasts many times, but I can't help but be amazed by your breasts because, among all my women, your breasts are the prettiest ones." Xiao Tian was not lying when he said that.

Not only did her breasts not saggy, but the size and the softness of her breasts were in a perfect category. Coupled with her pretty pink nipples, it made her breasts even more perfect in his eyes.

Sometimes, Xiao Tian even wondered how she could have such perfect breasts like that? Even though Xiao Tian had seen her breasts many times, but Xiao Tian could not stop praising her breasts every time he saw her bare breasts.

"Really? The prettiest ones?" Shi Fei was thrilled upon hearing his words. "These breasts are yours, you know? You can do whatever you want with my breasts."

"I know." Xiao Tian stopped looking at her breasts and brought his face closer towards hers. "Not only these beautiful breasts but this sexy body of yours is also mine, right?"

"That's right." Shi Fei answered instantly. "So, do whatever you want to me."

"Then, I won't wait anymore and enjoy your sexy body to the fullest." After saying that, Xiao Tian kissed her lips.

And like before, Shi Fei instantly welcomed the kiss. However, this time Shi Fei didn't stay silent when they were having a passionate kiss.

Her long slender arms moved toward his trousers and began to unbutton his trousers. Earlier, when Xiao Tian was staring at her breasts, Shi Fei noticed that his cock was already hard. That was why she suddenly desired to play with his penis.

When Xiao Tian noticed Shi Fei was sliding her right hand into his underwear and playing with his cock, Xiao Tian didn't stop her; instead, he moved his tongue more aggressively and kissed her more wildly.

Because Shi Fei kept rubbing the sensitive part of his cock, the flame of lust within him grew rapidly. Coupled with them having a hot kiss, Xiao Tian was unable to hold back himself anymore.

At first, Xiao Tian wanted to play with her breasts again, but he suddenly changed his mind and moved his hands towards her short jeans.

Because Shi Fei had said that he could do whatever he wanted to her body, Xiao Tian began unbuttoning her jeans and playing with her bare pussy.

As they were playing with their private place, they didn't stop the kiss. They also didn't care even though her short jeans or his trousers were still hanging on their thighs.

All they had in mind was how to give each other pleasure. Seconds turned into minutes, and without realizing it, they had been kissing passionately for about three minutes, but still, none of them showed a sign of stopping.

It was as if they had been drowning in their own world and pleasure. At this moment, the pre-cum kept coming out of the tip of his cock, and of course, her pussy was also wet from her love juices.

When Xiao Tian realized that her pussy was already wet, he suddenly desired to put his fingers into her pussy.

All this time, Xiao Tian only played with her clitoris or labia minora, but since her pussy was already wet, Xiao Tian decided to put one of his fingers into her vagina.

"Ahhh...." even though Shi Fei knew that sooner or later, Xiao Tian would insert his fingers into her pussy, but she was still surprised when he did that, causing her to stop the kiss.

"Huft...Huft...Huft..." the sound of them breathing heavily could be heard in their ears.

Even though Shi Fei had stopped the kiss, but she kept their faces close to each other. Their noses were touching each other, and they also could feel their hot breath.

At this time, they didn't immediately kiss passionately again; instead, they looked at each other in the eyes as if they were communicating through their eyes.

As they were looking at each other, Shi Fei kept playing with his cock. Her right hand was playing with the tip of his cock while her left hand was stroking his shaft.

Like Shi Fei, Xiao Tian also didn't stop playing with her pussy. He kept thrusting his middle finger into her vagina.

While his right hand was busy playing with her pussy, his right left hand was playing with her right breast.

'So tight!'

When her vagina's muscles were squeezing his right middle finger, Xiao Tian felt as if a snake was embracing his middle finger.

Not only did her pussy muscles squeeze his right middle finger tightly, but her pussy was sucking it hard as if her vagina didn't want to let go of his middle finger.

Xiao Tian thought with her wet pussy, it would be easier to thrust his middle finger forward and backward, but he was wrong.

He was utterly wrong because even though her pussy was wet, but her vagina was so tight that it made him think as if she was still a virgin.

After looking at each other in the eyes and playing with their private place for several seconds, the flame of lust in their hearts grew bigger and bigger.

For this reason, they opened their mouths. As if they had planned it before, Xiao Tian and Shi Fei moved their lips closer to each other and instantly kissed hungrily.

However, this time, they only had a passionate kiss for about a minute before finally, Xiao Tian broke the kiss. "Fei, your vagina is so tight. It's as if you want to crush my middle finger with your pussy."

"I can make it tighter if you want." Shi Fei was delighted when Xiao Tian said that her pussy was so tight.

Because they often had sex, Shi Fei was afraid that her vagina was not as tight as before, but it seemed like she was overthinking about it.

For this reason, Shi Fei could not help but smile happily. If Xiao Tian said that her vagina was tight even though he was only inserting his middle finger into her pussy, Shi Fei was sure that he would think that her pussy was very tight when he put his cock into her vagina later.

"Oh! It seems like you intend to suck me dry later." Xiao Tian was also sure that she could make her pussy tighter. That was why he believed her words.

"Of course, because I've to please my future husband, right?" Shi Fei answered instantly. "Hehe, little brother, your cock is so hard and twitching non-stop too."

"It's because my lover is so good at giving me pleasure." Xiao Tian answered.

"If so, then I'll give you more pleasure." Without waiting for his answer, Shi Fei squatted down and began licking his cock.

"Ahhhh." Xiao Tian groaned.

Chapter 432 - Sweet Time At Shi Fei's House Part 2

8-10 minutes

Her actions much surprised Xiao Tian. He didn't expect that she would immediately squat down and lick his cock.

Because his body had been filled with the flame of lust and she was also licking the tip of his cock, Xiao Tian could not help but groan.

When Shi Fei found out that Xiao Tian enjoyed what she was doing, she was thrilled and wanted to give him more pleasure. For this reason, her left hand was playing with his testicles while her right hand was stroking his shaft.

Due to how skilled she was in giving him a blowjob, Xiao Tian's legs turned shaky, and he kept groaning.

'Damn! She is becoming more and more skilled in giving a blowjob. Is it because she often gives me a blowjob and knows my weak spots?'

Her skills in giving a blowjob were much different from when she gave him a blowjob for the first time.

It was as if she knew where his pleasure spots were. Of course, Xiao Tian was delighted by this because he would feel so much pleasure every time she gave him a blowjob in the future.

At first, Xiao Tian let Shi Fei do whatever she wanted, but the longer he saw her sexy lips and small mouth devouring his cock hungrily, the more he desired to rape her mouth.

Because Xiao Tian knew that Shi Fei would let him do whatever he wanted, he didn't think twice and grabbed her head.

Without waiting for another second, Xiao Tian thrust his cock into her mouth deeper until finally, all his cock was in her mouth.

Due to his actions, her throat suddenly turned bigger, and tears formed in her beautiful eyes.

Even though Xiao Tian kept thrusting his huge cock into her mouth, Shi Fei showed no reaction of rejection.

Shi Fei had said that she would let him do whatever he wanted, so she did nothing and only tried her best not to gag.

Seconds turned into minutes, and several minutes had passed since Xiao Tian thrust his cock into her mouth. "Fei, I'm cumming."

Xiao Tian moved his cock faster and deeper until he finally let out all his sperm deep in her throat.

"I'm cumminggg." Xiao Tian shut his eyes, and his body trembled for several seconds.

After Xiao Tian pulled his cock out of her mouth, Shi Fei looked at Xiao Tian and spoke, "What a pity that I can't taste your delicious sperm."

"Don't worry. You can taste it later." Because Xiao Tian wanted to put his cock into her vagina, he made her stand up. "Now, it's time for the main dish."

When Shi Fei saw him taking off her short jeans, she could not help but giggle. "Hehe. Are you unable to hold back the lust within your body anymore?"

After taking off her short jeans and throwing it on the floor, Xiao Tian kissed her wet pussy and spoke, "Yes. I want to immediately taste this delicious wet pussy of yours."

It was rare for Xiao Tian to behave like that, so Shi Fei was pleased because it was a sign that she had managed to make him lose in lust. "I'm waiting."

At first, Xiao Tian wanted to have sex with her on the couch but decided not to do that because, in his view, having sex while standing was not a bad idea.

For this reason, Xiao Tian grabbed her left leg and raised it. Because her back was leaning against the wall, it was much easier for Shi Fei to keep standing.

After placing his cock on her vagina entrance, Xiao Tian didn't immediately thrust it; instead, he looked at her in the eyes and spoke, "I'm putting it, Fei."

Shi Fei didn't answer and only nodded her head, giving him a sign that she was ready to welcome his huge cock.

"Ahhhhh.." Shi Fei's pretty lips instantly opened, and a seductive moan escaped from her little mouth when Xiao Tian's huge cock was spreading her vagina into the size of his penis.

"So tight." Due to how tight her pussy was, Xiao Tian had to try harder to put his huge cock into her vagina.

"Ahhh.... So deep." When Xiao Tian managed to put his penis into her vagina, Shi Fei tilted her head back and shut her eyes.

Because they've had a lot of sex in the past, Shi Fei knew that his cock would reach her womb. However, even though she had prepared herself, Shi Fei was still surprised when his cock hit her womb, causing her saliva to drip down from the corner of her mouth.

At this moment, Xiao Tian didn't immediately move his waist; instead, he looked at her in the eyes and spoke, "Finally, I've put my cock into your slutty vagina. How is it? Is your slutty pussy happy now?"

Xiao Tian really loved having sex with Shi Fei because not only would she always let him do whatever he wanted, but he also could say any vulgar words when he was having sex with her, and her responses always managed to make him hornier too.

"Yes. My slutty pussy is happy right now. Please give my slutty pussy a lot of love today." after saying that, Shi Fei immediately kissed his lips again.

Shi Fei really loved it when he was thrusting his huge cock while kissing him deeply.

As they were kissing hungrily, Xiao Tian began moving his waist, and because her pussy was already wet, every time he thrust his cock, a lewd voice echoed through the guest room.

'Her pussy is becoming tighter again.'

The longer they had sex, the tighter her pussy was. Maybe it was because both of them really loved it, or perhaps it was because they had a passionate kiss, causing her vagina to get tighter unconsciously.

Of course, Xiao Tian loved it because it gave him more pleasure. Even though her pussy was very tight, Xiao Tian kept thrusting his cock faster and faster.

His actions made Shi Fei unable to keep kissing him. For this reason, Shi Fei broke the kiss and started letting out multiple seductive moans.

"Ah...Ah...Ah...Ah...Ah.." Shi Fei cried out in pleasure every time Xiao Tian thrust his cock.

Because Xiao Tian wanted to give her more pleasure, he licked her right earlobe and played with it.

"Ahhhhhhh..." Shi Fei wailed in delighted. She didn't expect that Xiao Tian would lick her right earlobe.

"Hiii..." Xiao Tian was surprised when her pussy suddenly became tighter.

"Ahhh...Ah...Ah....Ah...." because Xiao Tian's cock kept hitting her womb, coupled with him licking her earlobes, her body turned weak.

Luckily her back was leaning against the wall, and Xiao Tian was still holding her left leg; otherwise, she would not be able to stand up anymore.

As if Xiao Tian was a hungry wolf, he continued thrusting his cock non-stop. His movements were even getting faster and faster.

Her love juices dripped down her thighs like flowing water, and the sound of his huge cock spreading her vagina echoed in the guest room, but none of them showed the slightest concern about that.

They had lost themselves in their own world, and their minds were filled with pleasure. All they wanted was pleasure, pleasure, and pleasure.

Because Xiao Tian knew that her body was already weak, he grabbed her other leg without stopping his movements.

"Ahh...Ah....Ah....Ah..." Shi Fei wrapped her long slender arms around his neck and kept letting out seductive moans.

Shi Fei didn't realize that her lewd expression and her seductive moans had awakened the wild beast within him.

"Ahh...Ah...Ah.. little brother...Ah...Ah...Ah.. you are amazing...Ah...Ah..." Shi Fei tried to tell him how amazing he was while still crying out in pleasure. At this moment, her mind was already on cloud nine.

"Of course. Fei, I won't let you sleep tonight." Even though Xiao Tian knew that he could give his lover pleasure, but hearing it from her mouth made Xiao Tian happier.

*Drip...Drip...Drip...

Her love juices fell to the floor like a raindrop.

Seconds turned into minutes, and without realizing it, they had been fucking each other for more than thirty minutes.

Not long after that, both of them finally reached their climax at the same time. "I'm cumminggg..."

*Click

The sound of someone opening the door could be heard in their ears.

"I'm home." Liu Ning spoke.

However, when she was in the guest room, the expression of deep shock emerged on her face when they saw Shi Fei and Xiao Tian.

Chapter 433 - Sweet Time At Shi Fei's House Part 3

8-10 minutes

"Oh! Welcome home, Ning." Shi Fei replied with a fascinating expression.

Because she just had an orgasm and Xiao Tian's huge cock was still in her pussy, Shi Fei's mind was still on cloud nine.

Shi Fei didn't try to hide her fascinating expression because Liu Ning had seen her expression many times. Of course, she also had seen Liu Ning's expression when Liu Ning's mind was on cloud nine.

"Welcome home, Ning'er." because Liu Ning was also his woman, Xiao Tian didn't bother taking his cock out of Shi Fei's pussy and immediately greeted Liu Ning.

When Liu Ning saw the fascinating expression on Shi Fei's face and saliva on the corner of her mouth, Liu Ning knew that Shi Fei enjoyed having sex with Xiao Tian so much, and her mind was still on cloud nine.

"What...what are you doing here?"

"Having sex." Shi Fei answered instantly. "Do you want to join us?"

"No." Liu Ning knew Shi Fei's personality, so she was not surprised with Shi Fei's honest answer. "I mean, why are you having sex in the guest room? What if other people hear your moan or know?"

"Well, it was because little brother suddenly cornered me against the door after he saw me. Not only that, but he even has his way with me after that. That's why we are having sex in the guest room." actually, Shi Fei didn't intend to blame Xiao Tian and only wanted to give an honest answer, but she didn't realize that her response looked like she was blaming Xiao Tian.

Upon hearing Shi Fei's words, Liu Ning instantly looked at Xiao Tian and spoke, "Tian'er, I don't forbid you having sex with her, but at least do it in her room, not in the guest room."

The corner of his lips twitched upon hearing Liu Ning's words. Even though Shi Fei was the one who seduced him first and started everything, but at this moment, it was as if he was the bad person while Shi Fei was the victim.

Of course, he was not angry with Shi Fei. He just wanted to punish her for making him look like a bad person.

While still carrying Shi Fei, Xiao Tian looked at her in the eyes and spoke. "It seems like I have to punish you for making me look like a bad person."

Without waiting for her answer, Xiao Tian began moving his waist again. Even though Liu Ning was behind him, Xiao Tian did whatever he wanted to Shi Fei and didn't hold back himself because Liu Ning was also his woman.

"Ah...Ah....Ah...Ah..." Shi Fei cried out in pleasure again when Xiao Tian began moving his waist.
"Ning...Ah...Ah...Ah...his cock is amazing....Ah....Ah....His penis keeps hitting my womb, and it gives me tremendous pleasure... Ah...Ah...Ning, come and join us...Ah...Ah..."

Liu Ning didn't immediately answer and only looked at Shi Fei's fascinating expression. From the expression on Shi Fei's face, she knew that Shi Fei enjoyed having sex with him so much and felt tremendous pleasure.

Actually, the flame of lust had appeared within her, but Liu Ning tried her best to hold back. However, after seeing Shi Fei's fascinating expression and hearing her moans, Liu Ning suddenly desired to join them.

She wanted Xiao Tian to put his amazing cock in her pussy and cum inside her. When Liu Ning saw what they were doing in front of her, memories where she had sex with Xiao Tian suddenly emerged in her mind.

This made Liu Ning even hornier. However, because she wanted to let them enjoy themselves first, Liu Ning behaved as if she was not in the mood for sex. "You two can have sex here. I want to watch TV."

When Liu Ning was walking toward the living room, Xiao Tian suddenly spoke, "Ning'er, wait there. I will immediately head to the living room after I make her have an orgasm. Let's have a lot of sex today."

Upon hearing his words, Liu Ning stopped her footsteps, and her face instantly turned red. Because she was shy to answer him, Liu Ning walked toward the living room again.

"Ah...Ah...She must be happy...Ah...Ah...hearing it...Ah.." because Xiao Tian kept thrusting his cock, Shi Fei was unable to finish her words without letting out multiple seductive moans.

"I think so too." Xiao Tian answered instantly. "But, I have to punish you first before having sex with her."

"Yes...Ah...Ah...Ah please punish me...Ah...Ah...Ah... until I can't move my body anymore...Ah...Ah..." because his cock kept hitting her womb, it became even more difficult for her to answer.

All she wanted to do was enjoying the sensation of having sex with him and moaning as loud as she pleased.

"That's what I intend to do." After saying that, Xiao Tian moved his waist faster and faster.

The faster he moved his waist, the faster the seductive moans escaped from her little mouth. Xiao Tian kept fucking her for about ten minutes before finally, he stopped moving his waist.

"What's wrong, little brother?" Shi Fei's mind was on cloud nine earlier, so when Xiao Tian suddenly stopped thrusting his cock, she felt as if she was thrown from heaven to hell.

"Fei, let's change position." Because they had been having sex in the same position for several minutes, Xiao Tian suddenly wanted to change position.

"All right." Shi Fei answered instantly. "Do you want to do it from behind?"

"Yes." Xiao Tian also loved doing it from behind because he would be able to see her sexy body and her cute ass hole.

After placing her right hand on the wall, Shi Fei spread her beautiful pussy with her left hand and spoke, "Little brother, I'm ready."

Without waiting for another second, Xiao Tian thrust his huge cock into her vagina. However, this time, Xiao Tian thrust his cock slowly because he wanted to feel the sensation where her vagina's muscles squeezed his cock wildly.

"Ahhhh.." even though Xiao Tian thrust his cock into her pussy slowly, but because his penis was huge, Shi Fei could not help but moan again.

Because Xiao Tian wanted to play with her beautiful breasts, he squeezed her breasts and pinched her nipples.

His actions made Shi Fei moan louder. The feeling of his huge cock spreading her pussy and his hands playing with her breasts was too much for her to handle.

Her body was still weak because, since earlier, Xiao Tian's cock kept hitting her womb. For this reason, Shi Fei's body turned weak in less than five minutes.

At first, Xiao Tian still wanted to play with her beautiful breasts, but when he noticed Shi Fei was about to fall to the floor, he immediately grabbed her hands and pulled it back.

"Ah...Ah...Ah...Ah.." as she was crying out in delighted, her saliva fell to the floor.

From her moans, Xiao Tian knew that her mind was on cloud nine again. That was why Xiao Tian moved his waist faster because he wanted to give her more pleasure.

'Is she about to have an orgasm again?'

From the way her pussy was squeezing his cock, Xiao Tian knew that she was about to have an orgasm again.

And what Xiao Tian had guessed was right because not long after that, Shi Fei had an orgasm.

"Cumming, cumming, I'm cumming...."

Because Xiao Tian wanted to give her time to orgasm, he stopped thrusting his cock and let her finished her orgasm.

Her body shivered for several seconds, and because she had a massive orgasm, the floor was instantly wet with her nectar.

"Little brother, it was great." Because she just had an orgasm, she was still breathing heavily. "Sorry for cumming alone."

"It's fine." Because Shi Fei's body was still too weak, Xiao Tian suddenly thought it was a perfect time to have sex with Liu Ning.

For this reason, Xiao Tian intended to head to the living room. However, because he didn't want to pull his cock out of her pussy, Xiao Tian turned her body and lifted her.

After placing his hands on her buttocks, Xiao Tian walked towards the living room.

"Ah...Ah...Ah...Ah..." because Xiao Tian's cock was still in her pussy, Shi Fei let out seductive moans every time Xiao Tian took a step.

Not only Shi Fei, but Xiao Tian also groaned when he was walking towards the living room because her pussy was squeezing his cock wildly.

Liu Ning, who watched TV in the living room, was surprised when she saw Xiao Tian standing in front of her while carrying Shi Fei. "What are you doing here?"

"Ning'er, it's your time now." Xiao Tian answered instantly.

Chapter 434 - Sweet Time At Shi Fei's House Part 4

7-8 minutes

Liu Ning didn't immediately answer and only stared at Xiao Tian. Actually, she was also already aroused because the sound of them having sex in the guest room could be heard in her ears.

Shi Fei, who was still feeling great pleasure, turned her head towards Liu Ning and spoke, "Ning, can you satisfy him now? I can't move my body anymore right now and need to take a break for several minutes before I can have sex with him again."

"I...I..." Liu Ning was too shy to say that she was ready to have sex with Xiao Tian. That was why she could not finish her words.

"Ahh..." Shi Fei tilted her head back and let out a seductive moan when Xiao Tian suddenly pulled his cock out of her pussy.

Because Xiao Tian desired to have sex with Liu Ning, he put Shi Fei on the couch. At first, he wanted to make Shi Fei sit on the couch, but he suddenly changed his mind and made her lie down on the couch.

Because he wanted to show Liu Ning something, Xiao Tian made Shi Fei's pussy face Liu Ning and widely spread Shi Fei's legs.

Shi Fei, who no longer had the strength, could not do anything when Xiao Tian spread her legs widely.

Like what Xiao Tian had guessed, Liu Ning, who saw his sperm coming out of Shi Fei's pussy, gulped her saliva hard.

Because Liu Ning was already aroused, the flame of lust within her grew bigger when she saw Xiao Tian's sperm in Shi Fei's pussy. Liu Ning unconsciously opened her little mouth and squirmed her legs.

His lips curled into a smirk when he realized that his plan was successful. Of course, Xiao Tian knew that Liu Ning was already aroused because earlier, Shi Fei moaned loudly.

Coupled with him showing his sperm in Shi Fei's pussy, Xiao Tian was sure that the flame of lust had grown bigger within her body.

What he needed to do was show his erect cock in front of her, and he was sure that he would be able to have sex with her in a short amount of time. "Ning'er, how is it? Do you want to do it now?"

Liu Ning moved her gaze from Shi Fei's vagina to Xiao Tian's face upon hearing his words. However, she only stared at his face for about three seconds before finally, her gaze fell on his erect cock.

Liu Ning suddenly felt a twitch deep in her pussy as an itch began to heat her body. An itch that she suspected she knew how to satisfy after looking at his huge erect cock.

But still, Liu Ning said nothing and only stared at his cock. Her heart suddenly beats faster, and like before; she unconsciously opened her mouth.

When Xiao Tian noticed Liu Ning looking at his penis intently, he made his cock throb hard to make her even more aroused.

When Xiao Tian saw her face turning red, he brought his face closer towards hers and kissed her cherry lips because he knew that he had managed to make her aroused.

And like what Xiao Tian had guessed, the moment he pressed his lips against hers, she immediately opened her mouth and was ready to have a passionate kiss with him.

Even though Xiao Tian wanted to have sex with her immediately, he decided to hold back because he wanted to make her even more aroused.

As they were kissing hungrily, Xiao Tian unbuttoned her trousers and slid his right hand into her underwear.

Xiao Tian could not help but laugh in his mind when he found out that her vagina was already wet with her love juices.

Because the position of Xiao Tian's face was higher than hers, his saliva fell down into her mouth as they were having a hot kiss.

It was not the first time for Liu Ning to drink his saliva, so she instantly drank it without thinking twice,

As they were having a passionate kiss, Xiao Tian suddenly found an excellent idea. With this idea in mind, Xiao Tian stopped playing with her pussy and grabbed her right hand.

Liu Ning, who was enjoying the kiss, did nothing when Xiao Tian suddenly held her right hand. However, her eyes widened in surprise when Xiao Tian made her right hand touch his huge cock.

"It's hot."

Not only was she able to feel the hardness of his cock, but she could also feel his hot penis through her right hand.

When Xiao Tian made her stroke his cock with her right hand, Liu looked at him in the eyes. Of course, she didn't stop the kiss because she also loved kissing him.

Because it was not the first time for Liu Ning to give him a handjob, she slowly began stroking his cock with her own will.

While Liu Ning was stroking his cock and kissing him passionately, Xiao Tian decided to unbutton her white shirt.

After he unbuttoned her shirt, Xiao Tian lifted her bra and began squeezing her breasts. His cock instantly became harder when he felt the softness of his breasts.

Seconds turned into minutes, and without realizing it, they had been kissing passionately for about four minutes.

Because Liu Ning had difficulty breathing, she decided to stop the kiss. Even though she broke the kiss, she was still stroking his huge penis.

At first, Xiao Tian wanted to keep squeezing her soft breasts, but he suddenly changed his mind. He stopped playing with her breasts and only stood in front of her because he wanted to enjoy the sensation of her giving him a handjob.

When Liu Ning saw the expression on his face, she could not help but happy. She was not skilled at giving a handjob or blowjob like Shi Fei, so when she noticed Xiao Tian was enjoying her handjob, she suddenly wanted to give him more pleasure.

For this reason, Liu Ning used her left hand to play with the tip of his cock. And what she did was right because the moment Liu Ning played with the tip of his cock and stroked his shaft at the same time, Xiao Tian groaned several times.

Liu Ning was sure if she could keep it up, she could quickly make Xiao Tian have an orgasm.

Because Xiao Tian already had sex with Shi Fei earlier, coupled with Liu Ning giving him a handjob and touching the sensitive parts of his cock, Xiao Tian had reached his limit in less than five minutes.

"Ning'er, open your mouth. I want to cum in your mouth." Xiao Tian gritted his teeth and tried his best not to cum immediately.

Upon hearing his words, Liu Ning instantly lifted her head and looked at Xiao Tian. She was surprised when Xiao Tian said that he wanted to cum in her little mouth.

However, because Xiao Tian was her lover and she wanted to please him, Liu Ning decided to grant his wish. Liu Ning slowly opened her mouth and was ready to take his cum.

Xiao Tian, who was unable to hold back anymore, immediately said, "I'm cumming.."

Because Xiao Tian said that he wanted to cum in her mouth, Liu Ning immediately put the tip of his cock into her mouth.

After Xiao Tian let out all his sperm in her mouth and took his cock out of her mouth, he spoke, "Ning'er open your mouth. I want to see my sperm in your mouth."

Liu Ning did what she was told and opened her mouth.

When Xiao Tian saw his sperm in her mouth, he could not help but smile, "Beautiful!"

Chapter 435 - Sweet Time At Shi Fei's House Part 5

6-7 minutes

Actually, Xiao Tian wanted to take a picture of Liu Ning with his sperm in her mouth, so that he would be able to see it whenever he wanted.

However, he suddenly changed his mind because there was a possibility that other people would see it, and it would be a problem for him in the future.

Liu Ning was his woman, so if he wanted to see her mouth filled with his sperm, he could just do it, and he was sure that she would grant his wish.

"Ning'er, drink it." because his sperm was still in her mouth, Xiao Tian knew that she was wavering whether she should drink his sperm or not.

Liu Ning was different from Shi Fei because she was still not used to drinking his sperm. If it was Shi Fei, Xiao Tian believed that he didn't need to say a word, and she would drink his sperm without thinking twice.

At this moment, Liu Ning didn't immediately drink his sperm and only looked at Xiao Tian. However, because it was not the first time for her to swallow his sperm, Liu Ning closed her mouth and drank it.

*Gulp...

The sound of her drinking his sperm could be heard in her ears.

Xiao Tian was thrilled when she did what she was told. With a smile on his face, Xiao Tian brought his face closer towards hers and kissed her forehead. "How is it? Is it delicious?"

"Yes." Liu Ning replied as she nodded her head.

Her current behavior is much different from when we had sex in front of Feng Ao. Xiao Tian thought to himself.

Even though Xiao Tian knew why Liu Ning behaved wildly when they were having sex in front of Feng Ao, he sometimes hoped that she would act like that again.

Even though Liu Ning was not shy, but she was not wild, either. Of course, Xiao Tian was okay with it because as long as he could have sex with her, Xiao Tian would not complain about her behavior.

"Because you have given me pleasure, it's my time to return the favor." After saying that, Xiao Tian sat in front of her and began taking off her trousers.

"Tian'er, do you want to lick my pussy again?" of course, Liu Ning knew what Xiao Tian wanted to do because almost every time before they had sex, Xiao Tian always licked her pussy.

Xiao Tian stopped what he was doing and looked at her. "Do you not want me to do that?"

"I'm fine with it." because it was not the first time for Xiao Tian to play with her vagina, Liu Ning was fine if Xiao Tian really wanted to do it. "But please don't stare at my vagina too much."

After taking off her trousers, Xiao Tian stared at her vagina carefully, as if he was observing her pussy. "Beautiful."

Even though Xiao Tian had seen her vagina many times, but he could not help from praising it. The pink color and the softness of her pussy was in a perfect category.

When Liu Ning saw what he was doing, she instantly covered her vagina with both of her hands and spoke, "Tian'er, don't stare at my pussy too much."

Xiao Tian removed her hands from her pussy and brought his face closer towards hers. "Don't be shy because your vagina is pretty."

When Xiao Tian wanted to kiss her cherry lips, he suddenly remembered that she just drank his sperm. For this reason, Xiao Tian stopped moving his face before he could kiss her.

"Why did you stop moving your face? Do you not want to kiss my lips? Hehe." Liu Ning covered her mouth and giggled.

Of course, she knew the reason why Xiao Tian suddenly decided not to kiss her lips because every time she drank his sperm, Xiao Tian never kissed her lips until she brushed her teeth.

"I suddenly prefer to kiss your lower lips." After saying that, Xiao Tian kissed her labia minora. Because her pussy was already wet, he immediately licked her love juices and drank it. "Delicious!"

"Pervert!" Liu Ning pinched his cheeks and smiled.

Sometimes, Xiao Tian did or said something that she didn't expect, and of course, it always made her happy.

"This boyfriend of yours is indeed a pervert." Xiao Tian didn't deny it when Liu Ning said that he was a pervert. "A perverted handsome young man. Hehe."

"Oh! It seems like you are happy being called a pervert." At this moment, Liu Ning didn't cover her pussy anymore because she forgot to do that when Xiao Tian talked to her like that.

"Because the one who calls me pervert is my beautiful lover, I will gladly accept it. Ning'er, I didn't know you have shaved your pubic hair." Earlier, Xiao Tian was surprised when he saw her pussy because there was no single pubic hair on her vagina.

The last time he had sex with her, Liu Ning's pussy was covered in public hair. Of course, Xiao Tian was pleased because he preferred a clean vagina than a pussy, which was covered in pubic hair.

"Big sister Fei said that you like a clean vagina, so I shaved it this morning." When Liu Ning found out that Xiao Tian loved a clean pussy, she immediately shaved her pubic hair because she wanted to make him happy.

"You don't have to do that, you know?" Xiao Tian answered instantly. "Whether your pussy is covered in pubic hair or not, I will still love it because it's a pussy that belonged to the woman I love so much."

What the hell am I saying? My words seem weird here. Ah! I don't care. Xiao Tian thought to himself.

Liu Ning immediately giggled after hearing his words. "Hehe. Your words are funny."

"I think so too." Xiao Tian didn't deny that his words were funny.

Because Xiao Tian hadn't licked her pussy, Liu Ning immediately said, "Do you still want to lick my pussy? Or do you only want to talk to me?"

"I'm going to do it now." Without waiting for another second, Xiao Tian opened his mouth and began licking her pussy.

"Hmmm." Liu Ning half-closed her eyes and moaned.

Chapter 436 - Sweet Time At Shi Fei's House Part 6

8-10 minutes

Xiao Tian spread her vagina with his thumbs and began licking her pussy vertically. At first, Xiao Tian only licked her labia minora or urethral opening, but when he noticed her clitoris, Xiao Tian started sucking it.

"Ahhh.." because Xiao Tian was licking one of the most sensitive parts of her pussy, Liu Ning instantly tilted her head back and grabbed his hair.

When her clitoris was in his mouth, Xiao Tian circled it with his tongue or thrust it with the tip of his tongue.

Not only that, as he was licking her clitoris, Xiao Tian put his middle finger into her vagina and began looking for her G-spot.

Because it was not the first time for Xiao Tian to play with her G-spot, he could find it instantly. As Xiao Tian pressed her G-spot gently, he also bit her clitoris.

His actions made Liu Ning cry out in pleasure louder. "Ahhh..."

Because Xiao Tian was touching and licking the most sensitive parts of her pussy, she raised her waist unconsciously.

Her pussy became wetter, and the flame of lust within her grew bigger. Not only that, but the fascinating expression could be seen on her face too.

It was not the first time for Xiao Tian to give her pleasure, so it was effortless for him to make her mind on cloud nine because he had memorized all the sensitive parts of her vagina or how to please her.

In less than five minutes, Liu Ning was unable to hold back the lust within her anymore and wanted him to put his cock into her pussy immediately. "Tian'er, please put it in. I can't hold back anymore."

At first, Xiao Tian wanted to make her cum first before putting his cock into her pussy, but because Liu Ning was unable to hold back anymore, Xiao Tian decided to grant her wish.

"Tian'er, hurry up." when Liu Ning saw his erect cock that was standing mighty and throbbing non-stop, the flame of lust grew even bigger.

Because her body was filled with lust, her pretty vagina was twitching non-stop.

Without waiting for another second, Xiao Tian put his huge erect cock on her vagina entrance and thrust it slowly.

"Ahh.." Liu Ning wailed in delighted when his cock was spreading her pussy to the size of his cock.

"So tight." Like Shi Fei's pussy, Liu Ning's vagina was also tight. Even though her pussy was already wet, it didn't reduce the tightness of her vagina.

"Hiii." Liu Ning's body quivered, and she had a small orgasm when his cock was hitting her womb.

Actually, her body was already filled with lust before Xiao Tian licked her pussy because when Xiao Tian and Shi Fei were having sex in the guest room, she was able to hear Shi Fei's moans from the living room.

With her body already filled with the flame of lust, coupled with him playing with her clitoris and G-stop earlier, the sensitiveness of her body had reached the limit. That was why Liu Ning instantly had a small orgasm when Xiao Tian's cock hit her womb.

Xiao Tian was a little surprised when he noticed that she had a small orgasm. Of course, he knew that her body was already filled with the flame of lust before he thrust his cock into her pussy. He just didn't expect that she would have an orgasm so quickly.

'Is this because she was already aroused before I put my cock into her pussy?'

Because of how loud Shi Fei's moans were, Xiao Tian was sure that Liu Ning could hear Shi Fei's cries from the living room.

Even though he always managed to make her cum quickly, it was the first time for him to make her orgasm that fast.

Because Xiao Tian still hadn't moved his waist, Liu Ning immediately spoke, "Tian'er, why are you still not moving your waist?"

Earlier, Liu Ning thought Xiao Tian would immediately fuck her non-stop, but she was wrong.

'Does he know that I had small orgasms before?'

Liu Ning could not help but think that Xiao Tian found out that she had a small orgasm earlier.

Because it was a perfect time to tease her, Xiao Tian brought his face closer towards her right ear and whispered, "My beautiful lover, did you have an orgasm just now?"

Upon hearing his words, Liu Ning instantly turned her head to the left side and spoke, "Are you going to move your waist or not?"

Xiao Tian could not help but smile when he saw her shy expression. "I'm doing it now."

"Un." Liu Ning nodded her head.

At first, Xiao Tian wanted to quickly thrust his cock, but decided not to do that because her body was still sensitive. It was always better to start slowly and increase the movement later.

Even though Xiao Tian thrust his cock slowly, but because of how sensitive her body was, Liu Ning could not help but moan seductively every time Xiao Tian moved his waist. "Ah...Ah...Ah...Ah..."

Her moans were like a beautiful song in his ears. Coupled with her lewd face, it made the lust within him reach its limit. For this reason, Xiao Tian increased his movements.

As he was thrusting his cock, Xiao Tian's hands were playing with her beautiful breasts; squeezing and pinching her nipples.

*Pakk...Pakkk...Pakk...

The sound of his waist hitting her thighs could be heard in their ears. Soon the living room was filled with her moans.

Seconds turned into minutes, and without realizing it, they had been fucking for about ten minutes. because it was hard for Xiao Tian to continue fucking her in that position, Xiao Tian immediately spoke, "Ning'er, let's change position."

"All right." Liu Ning knew that it was hard for Xiao Tian to fuck her in that position because the couch was not high.

Because Liu Ning wanted to do it from behind, she turned around without taking his cock out of her pussy.

With her knees on the cushion top and her hands on the backrest of the couch, Liu Ning turned her head towards Xiao Tian and spoke, "You can move again now."

Without giving her an answer, Xiao Tian placed his hands on her waist and began thrusting his cock again.

And like before, Liu Ning let out multiple moans when Xiao Tian began moving his waist.

At first, Xiao Tian only thrust his cock, but when he saw her pretty back, he suddenly squeezed her breasts and began kissing her back.

"Ahhh.." Liu Ning was surprised when Xiao Tian suddenly squeezed her breasts and kissed her back.

Not only that but Xiao Tian also suddenly moved his waist faster as if the beast within him had awakened.

At this moment, Shi Fei was looking at them. Even though she wanted to join them, she could only see them because her body was still weak.

When Shi Fei heard Liu Ning's seductive moans and the sound of Xiao Tian's waist hitting Liu Ning's ass, her love juice began coming out of her pussy again.

Shi Fei bit her lower lip and put her index and ring fingers into her wet pussy. As her eyes were locked on Xiao Tian and Liu Ning, Shi Fei thrust her fingers faster and faster as if her fingers were Xiao Tian's huge cock.

Seconds turned into minutes, and without realizing it, Xiao Tian and Liu Ning had been fucking for more than forty minutes. Of course, they had changed their position several times.

Currently, Xiao Tian and Liu Ning were having sex in lap dance position. As Liu Ning was moving her waist, Xiao Tian was playing with her breasts.

However, Liu Ning could only move her body for about five minutes before finally, her body fell on his chest. "Tian'er, I can't move my body anymore."

"Then it's my turn now." Xiao Tian turned her body to face him and placed his hands on her buttocks. Without waiting for another second, Xiao Tian began moving her body up and down.

"Ah...Ah...Ah.." Liu Ning wrapped her long slender arms around his neck and let out multiple moans again.

Because Liu Ning was moaning next to his ears, it made Xiao Tian more aroused. For this reason, he moved his hands faster and faster.

Liu Ning, who had reached the limit, could no longer handle the pleasure when Xiao Tian moved her body up and down quickly. "I'm cumming...I'm cumming..I'm cumminggggggg..."

She tilted her head back and half-closed her eyes. As she was having an orgasm, her body was quivering for several seconds.

Chapter 437 - Sweet Time At Shi Fei's House Part 7

7-8 minutes

"Huft..huft...huft....huft.." Liu Ning was breathing heavily, and her body was quivering.

She was still wrapping her long slender arms around his neck as if she didn't want to be separated from him.

"Can you still do it?" because Xiao Tian still hadn't had an orgasm, he was still unsatisfied and desired to continue having sex with her.

However, because he knew that her body was still frail, he decided to ask first. He didn't mind if she needed to rest because there was still another lady next to him.

"Tian'er, let me take a rest first. We will do it again later." Of course, Liu Ning also desired to continue having sex with him because having sex with him felt so great.

But because she no longer had the strength to move her body, Liu Ning thought she needed to rest for several minutes before doing it with him again.

"All right." Xiao Tian grabbed her waist and placed her on the couch.

"Hmmm." Because his cock was still hard, Liu Ning could not help but cry when Xiao Tian pulled his cock out of her pussy.

"It's your turn again, my slutty lover." Xiao Tian's lips curled into a smirk when he noticed Shi Fei still thrusting her fingers into her vagina. "It seems like this slutty lover of mine is a pervert. She was even masturbating when she saw Liu Ning and I having sex in front of her."

"Little brother, I know you will fuck me again. That's why I'm preparing my slutty pussy for you." at this moment, Shi Fei was still masturbating.

She didn't feel shy and behaved as if she was alone in her room. Her right hand that she used to pleasure herself was wet from her nectar. And not only that, but even the couch was also wet from her love juices.

Xiao Tian grabbed her right hand and showed it to her. "Look at your hand. It's covered with your love juices."

"Yes. It's because my slutty pussy is waiting for your amazing cock." Shi Fei answered instantly. "That's why please put your cock in my pussy again right now."

"It seems like I need to punish your slutty pussy again." because Xiao Tian also desired to have sex with Shi Fei, he immediately placed his cock on her vagina entrance and thrust it in one go.

"Ahhh..." Shi Fei lifted her waist slightly and tilted her head back when Xiao Tian pushed his cock in one go.

At first, Xiao Tian wanted to slowly thrust his cock, but he suddenly remembered that Shi Fei wanted him to punish her until she could no longer move her body.

For this reason, Xiao Tian moved his waist quickly. "You said that you want me to punish you until you can't move your body anymore, right? If so, I won't be gentle to you."

"Ahh.....Ah....So fast....Ah....Ah...So deep...Ah.." of course, Shi Fei was not angry when Xiao Tian thrust his cock quickly; instead, she was thrilled because with him thrusting his cock fast, she was able to feel great pleasure again.

As Xiao Tian was fucking her, Shi Fei wrapped her arms around his back and locked her legs around his waist.

At this moment, it was Liu Ning's turn to see Xiao Tian and Shi Fei having sex. Like what Shi Fei did when she was having sex with Xiao Tian, Liu Ning's eyes were locked on Xiao Tian and Shi Fei.

She wanted to turn her gaze, but the sight of them having sex in front of her and the sound of their adult activities made Liu Ning unable to take her eyes off them.

However, unlike Shi Fei, Liu Ning didn't masturbate and only stared at them.

'Was I make a face like that when I had sex with Tian'er earlier? Did I moan like that too?'

Liu Ning suddenly felt shy when she noticed the fascinating expression on Shi Fei's face. Even though Liu Ning didn't touch her pussy, but her love juices began coming out of her vagina again.

This made Liu Ning suddenly desire to masturbate, but because she just had an orgasm, she was unable to move her body.

Currently, Xiao Tian and Shi Fei were having sex in doggy style. Her beautiful breasts bounced every time Xiao Tian thrust his huge cock.

Not only that, but her love juices also dripped down her thighs. Some of her nectar even fell to the couch. However, Shi Fei didn't care about it because her mind was already on cloud nine.

When Xiao Tian saw her attractive back, he suddenly desired to kiss it, but Xiao Tian decided not to do that when he noticed her cute ass hole twitching non-stop.

He knew that Shi Fei also loved it when he played with her ass hole as he was fucking her. For this reason, Xiao Tian put his right middle finger into her ass hole and stirred it up.

"Hii.." his actions much surprised Shi Fei, but because she loved it when Xiao Tian was playing with her ass hole, she let him do whatever he wanted. "Ahh...Ah...Ah.. my ass hole feels good. Ah..."

"Oh! Does your ass hole feel good? What about your pussy?" Xiao Tian had guessed that Shi Fei would say something like that because every time he played with her ass hole, her pussy suddenly became tighter.

"My pussy also feels good. Ah...Ah..." because Xiao Tian was thrusting his cock and playing with her ass hole, her body suddenly turned weak, causing her head to fall on the couch. "Both my pussy and ass hole feel so good. Ah...Ah....Ah..."

As Xiao Tian was playing with her ass hole, he suddenly remembered the time when he had anal sex with her in her apartment.

This suddenly made Xiao Tian desire to have anal sex again. With that in mind, Xiao Tian stopped moving his waist and pulled his cock out of her pussy.

His actions much surprised Shi Fei. She instantly looked at Xiao Tian in confusion. She wanted to know why Xiao Tian suddenly took his cock out of her pussy.

"Little brother, why did you tak-" before Shi Fei had finished her words, Xiao Tian thrust his cock into her ass hole. This made Shi Fei cry in surprise. "Ah...."

"I really miss this feeling. The tightness of your ass hole is no different than your pussy. I love both your ass hole and pussy." As Xiao Tian was fucking her ass hole, he also played with her clitoris, causing her to moan louder and louder.

Liu Ning was startled when she saw Xiao Tian fucking Shi Fei's ass hole. Every time they had sex together, Xiao Tian only put his cock into their vagina.

It was the first time she saw Xiao Tian and Shi Fei having anal sex. That was why she was shocked. However, from Shi Fei's expression and moans, she knew that Shi Fei loved it.

Liu Ning suddenly wanted to know what it was like to have anal sex? However, because she had never had anal sex, Liu Ning was also afraid at the same time.

Seconds turned into minutes, and without realizing it, it had been more than thirty minutes since Xiao Tian and Shi Fei had anal sex.

Because Xiao Tian was playing with her pussy too, Shi Fei immediately reached her limit. "I'm cumming... I'm cumming... I'm cummingggggg...."

Chapter 438 - Fine! You Win

7-8 minutes

Like usual, Xiao Tian stopped thrusting his cock when Shi Fei was having an orgasm. However, Xiao Tian didn't take his cock out of her ass hole because he intended to continue fucking her ass hole.

After Shi Fei finished having an orgasm, Xiao Tian immediately thrust his cock again. He didn't care whether her body was still weak or not because Shi Fei had said that she wanted him to punish her until she could no longer move her body.

"Ah...Ah....Ah..." at this moment, Shi Fei really no longer had the strength because she just had an orgasm. But still, even though her body was frail and sensitive, she didn't stop Xiao Tian when Xiao Tian thrust his cock again.

Liu Ning, who saw what Xiao Tian was doing, immediately said, "Tian'er, big sister Fei's body is still weak. You should let her rest for a while."

Without stopping his waist or looking at Liu Ning, Xiao Tian answered, "But this is what she wants."

"But.." Liu Ning felt pity when she saw Shi Fei's condition.

"Ah...Ah...Ah...Ning, let him do whatever he wants...Ah...Ah...I indeed said that I want him to punish me until I can no longer move my body...Ah..Ah.." due to how weak her body was, Shi Fei even had no strength to keep raising her waist. For this reason, her waist fell to the couch.

Of course, it didn't make Xiao Tian stop thrusting his cock. He kept fucking her as if it would be the last time he had sex with her.

Shi Fei's eyes turned white, and saliva kept coming out of her mouth. At this moment, she really could not move her body anymore.

She even didn't have the strength to move her fingers. The only thing she could do was moaning and moaning.

Actually, Liu Ning still wanted to stop Xiao Tian, but because Shi Fei said to let him do whatever he wanted, she could only stare at them.

Seconds turned into minutes, and without realizing it, it had been more than twenty minutes since Xiao Tian fucked Shi Fei's ass hole after she had an orgasm.

At this moment, Xiao Tian finally reached his limit. "I'm cummingggggggg.."

After Xiao Tian let all his sperm, he pulled his cock out of her ass hole and sat on the couch. He had sex with two ladies for more than two hours, so he was tired and needed to rest.

Damn! If only I didn't have sex with mother and aunt before coming to their house, I would definitely be up for another round now. Xiao Tian thought to himself.

When Liu Ning saw Xiao Tian, she immediately sat next to him and spoke, "Tian'er, are you tired?"

"Yes. Let me take a rest first. After that, we can continue again." Xiao Tian gave her an honest answer.

"All right." Liu Ning grabbed his head and placed it on her chest.

At this moment, Shi Fei's body was still quivering, and Xiao Tian's white sperm was coming out from both her ass hole and vagina.

When Xiao Tian felt that he could have sex again, he pushed Liu Ning to the couch and immediately licked her breasts.

His actions much surprised Liu Ning. However, because she also desired to have another sex with Xiao Tian, she let him do whatever he wanted.

As Xiao Tian was licking her breasts, his cock slowly returned to its previous state, standing mighty as if his cock was challenging the heaven.

After licking her breasts for several minutes, Xiao Tian looked at her and spoke, "I'm putting it now."

"Un." Liu Ning nodded her head.

Without waiting for another second, Xiao Tian placed his cock on her vagina entrance and thrust it.

"Ahhhh..." Liu Ning cried out in pleasure.

And like that, Xiao Tian and Liu Ning had another sex. After having sex for more than an hour, Xiao Tian stopped having sex with Liu Ning because she could no longer move her body.

Her condition was similar to Shi Fei. Her vagina was filled with his sperm, and her eyes had turned white. Not only that, but she even could not close her little mouth, causing saliva to keep dripping down from the corner of her mouth.

Because none of his women could have another sex with him, Xiao Tian headed to the dining room to drink water.

Actually, his body had turned weak too. He didn't expect that having sex with four ladies would make his body very weak.

Luckily, Xiao Tian was able to make all of them satisfied; otherwise, it would hurt his pride as a man.

It seems like I need to make my body stronger again. Xiao Tian thought to himself.

After drinking water, Xiao Tian returned to the living room. A satisfied smile appeared on his face when he saw the vagina of Shi Fei and Liu Ning full of his sperm, and they could no longer move their bodies.

'They will catch a cold if I let them sleep in the living room.'

Even though it was already 04:00 am, Xiao Tian didn't want to let them sleep on the couch. For this reason, Xiao Tian carried Liu Ning to her room before returning to the living room again.

However, when Xiao Tian was about to carry Shi Fei, his gaze suddenly fell on her vagina.

'Let me check her pussy first.'

After spreading her pussy, Xiao Tian was able to see his white sperm. He could not help but smile proudly after seeing his sperm in her pussy.

'As expected, her pussy becomes more beautiful with my sperm in it. It seems like I have to keep letting out my sperm in her pussy so that her pussy will look beautiful forever.'

As Xiao Tian was checking Shi Fei's vagina, his cock was slowly getting harder again.

'Mmm?'

Xiao Tian's gaze fell on his erect cock.

'Aishh. My little brother is indeed a pervert. You just had sex with her for a few hours, and you want to have sex with her again? Are you still not satisfied? Look! She even can't move her body anymore, so we can't do that now.'

After thinking for a while, Xiao Tian finally found an excellent idea.

'Fine! You win.'

After Xiao Tian carried Shi Fei, he immediately put his cock into her vagina again.

Even though Shi Fei was sleeping, but when Xiao Tian put his cock into her pussy, she still let out a seductive moan. "Ahhh.."

'Did she awake?'

When Xiao Tian saw Shi Fei still closing her eyes, he thought that she was still sleeping. For this reason, Xiao Tian walked towards Liu Ning's room again.

"Ahh...Ah...Ah...Ah..." because his cock was in her pussy, Shi Fei let out seductive moans every time Xiao Tian took a step. For this reason, she immediately opened her eyes. "Ah...Ah...Ah...Ah.."

Of course, Shi Fei said nothing and only cried out in pleasure because whatever Xiao Tian did to her body, she would gladly accept it.

"Oh! Did you awake?" Xiao Tian inquired.

Instead of answering, Shi Fei only cried out in pleasure, "Ah...Ah...Ah...Ah..."

After Xiao Tian stepped into Liu Ning's room, he immediately laid down on the bed. However, because he didn't want to be separated from Shi Fei, Xiao Tian placed her on top of his body without pulling his cock out of her pussy.

"You can sleep again now." Xiao Tian kissed her forehead and smiled.

"Un." Shi Fei then slept on his chest.

Chapter 439 - Ladies, Breakfast Is Ready

6-8 minutes

The following morning, Liu Ning was the first to wake up. The expression of deep shock emerged on her face when she saw Shi Fei sleeping on top of Xiao Tian.

Because Xiao Tian often put his cock into their pussy after they had sex, Liu Ning immediately checked whether Xiao Tian's cock was in Shi Fei's pussy or not.

Liu Ning smiled and shook her head when she found out that Xiao Tian's cock was in Shi Fei's pussy. Of course, she was fine with it because Xiao Tian often did that to them.

Because it was already 06:00 am, Liu Ning wanted to make breakfast for them immediately. However, when she was about to stand up, her pussy suddenly felt sore.

'It hurt!'

Because her vagina was sore, Liu Ning decided to lie down on the bed. Of course, Liu Ning knew that something like this would happen to her. She just didn't expect that it would hurt so much.

Not long after that, Xiao Tian woke up. When he noticed Liu Ning was already awake, he smiled and spoke, "Good morning, Ning'er."

"Good morning." Liu Ning replied as she smiled softly. If anyone saw her expression, they would not know that she was still in pain.

When Xiao Tian saw her soft smile, he could not help but happy. He really loved it when he could see his women after waking up. It was as if he was the luckiest man in the world.

"Oh! It rare for you to still lie down like this. Are you still tired?" usually, Liu Ning immediately made breakfast after waking up. That was why Xiao Tian was a little surprised when he saw Liu Ning lying down on the bed.

"Tian'er, I can't move my body right now. My pussy hurts a lot." because Xiao Tian was her man, Liu Ning didn't lie to him.

Xiao Tian was the reason why she could not move her body. That was why she was telling the truth.

"All right. Let me make breakfast this time." Xiao Tian suddenly felt guilty when he found out that Liu Ning was unable to move her body.

If Liu Ning's pussy hurts a lot, Xiao Tian was sure Shi Fei's vagina hurts more because he had more sex with Shi Fei last night.

"What? You want to cook breakfast?!" Liu Ning said in surprise.

Liu Ning and Shi Fei knew that Xiao Tian could not cook because, in the past, Xiao Tian made food for them, and his food tasted like poison.

"Tian'er, how about you order fast food?" it was not like she didn't want to let Xiao Tian cook breakfast for them, but with their current condition, it would make their condition even worse if they ate a poisonous food.

"Ning'er, believe me. This time, I will make delicious food, not poisonous food again." Xiao Tian was not angry after hearing her words; instead, he wanted to let her know even more that he could cook delicious food now.

After failing more than twenty times, Xiao Tian finally could cook delicious food. Even though it was only a simple soup, Xiao Tian was satisfied with it. At least, now he could cook for his women.

'Right now, I can only make a simple soup, but in the future, I will make a lot of delicious food for my women.'

It was true that Xiao Tian only could cook a simple soup for now, but he was sure that he would be able to cook a lot of delicious food in the future.

In his previous life, Xiao Tian was a young master from the wealthiest family, so it was normal if he could not cook any food, but now he decided to change himself.

"Hehe." Liu Ning could not help but giggle when Xiao Tian said he made poisonous food in the past. "All right. I will let you cook breakfast for us."

Because Xiao Tian insisted on cooking breakfast for them, Liu Ning didn't have the heart to stop him.

Even though she was sure that his food would taste like poison again, Liu Ning still let him cook breakfast.

"Wait here. I will cook breakfast now." After putting Shi Fei on the bed, Xiao Tian headed toward the kitchen.

Liu Ning's face blossomed into a smile after Xiao Tian walked out of her room. With him insisting on wanting to cook breakfast for them, Liu Ning knew that Xiao Tian loved them very much.

At this moment, Shi Fei suddenly opened her eyes. When she could not find Xiao Tian, she looked at Liu Ning and asked, "Ning, where is little brother?"

"He is cooking breakfast in the kitchen." Liu Ning gave Shi Fei an honest answer.

"Really?" Shi Fei said in surprise.

"Yes." Liu Ning replied as she nodded her head. "He said he would make delicious food for us later."

"Well, even though the food will taste like poisonous food, I will still eat it." since the person who was making breakfast for them was Xiao Tian, Shi Fei would still eat it.

She didn't care whether the food would taste like poison again or not. What mattered to her was who made the food for them.

"Yes. I will also eat it." Liu Ning didn't want to hurt Xiao Tian's feelings. That was why she also intended to eat the food later.

"My pussy hurts a lot." Shi Fei looked at her pussy and spread it.

"Me too." Liu Ning answered instantly. "My vagina also hurts a lot. That's why I don't cook breakfast and just lie in bed."

"Little brother is surely amazing. He even can satisfy both of us. I even could no longer move my body last night." When Shi Fei remembered what Xiao Tian did to her last night, she could not help but praise him.

Last night, they had sex for more than three hours until she could no longer move her body. Even though she knew Xiao Tian was a beast, she just didn't expect that both of them were still not his match.

"I also could not move my body last night. Luckily, Tian'er carried us to my room. Otherwise, we would sleep on the couch." When Xiao Tian carried her to her room, Liu Ning was already awake.

However, because she was worn out, she kept closing her eyes and pretending to be asleep.

"Hehe. He even put his cock into my vagina again before walking toward your room as if he still desired to have sex with us again. Hehe." of course, Shi Fei knew about it because she was already awake when Xiao Tian carried her to Liu Ning's room.

"Hehe." Liu Nin giggled. "He is such a beast."

"Yes." Shi Fei answered instantly. "A wild beast."

As Liu Ning and Shi Fei were talking, Xiao Tian was cooking breakfast happily. He was thrilled because the chance to please his women with his cooking skills finally came.

Not long after that, Xiao Tian finished cooking soup. Because he knew that his women could not walk to the dining room, Xiao Tian decided to bring the soup to Liu Ning's room.

As Xiao Tian stepped into the room, he immediately spoke, "Ladies, breakfast is ready."

Upon hearing his words, Liu Ning and Shi Fei turned their heads toward Xiao Tian.

"Here, eat it while it's still warm." Xiao Tian then gave the soup to Liu Ning and Shi Fei.

Chapter 440 - Maybe He Is The King Of Beasts

7-8 minutes

"Woa. It looks delicious." Shi Fei's eyes shone brightly when she saw the soup.

The soup that Xiao Tian cooked did look tasty as if it was cooked by a professional chef.

"Eat it." Xiao Tian smiled happily when he saw Shi Fei's expression.

Xiao Tian suddenly wanted Shi Fei and Liu Ning to taste the soup right away so that he could hear them praise his cooking skills.

"Un." Shi Fei instantly tasted the soup without thinking twice.

While Shi Fei was eating the soup, a complicated expression emerged on Liu Ning's face when she was about to eat the soup.

At this moment, Liu Ning still thought that the soup would taste like poison because every time Xiao Tian cooked something for them, he always failed in cooking tasty food.

However, because she didn't want to hurt his feelings, Liu Ning decided to taste the soup.

'Mm?'

The expression of deep shock emerged on Liu Ning's face when she tasted the soup.

'It's tasty!💎💎'

Liu Ning raised her head to look at Xiao Tian. Earlier, she thought the soup would taste like poison again. She just didn't expect that the soup would taste so good.

"Tian'er, it's tasty." Liu Ning spoke. "I thought the soup would taste like poison again."

The corner of his lips twitched after hearing Liu Ning's words. Of course, Xiao Tian knew that all this time, he always failed in cooking delicious food.

When Liu Ning saw the expression on his face, she suddenly realized that she should not say something like that. "No, I mean, the food th-"

Before Liu Ning had finished her words, Xiao Tian immediately spoke, "It's fine. From now on, I will make a tasty food for both of you. I won't make poisonous food again."

"Little brother, the soup tastes delicious. When did you learn how to cook soup?" like Liu Ning, Shi Fei also thought that the soup would taste like poison earlier.

"Every time I was at my apartment, I learned how to cook soup." Every time Xiao Tian was alone at his apartment, he always learned how to cook a delicious soup. That was why Liu Ning and Shi Fei had no idea that he could make a tasty soup.

Upon hearing his words, Liu Ning and Shi Fei stopped eating and looked at Xiao Tian. Their actions left Xiao Tian dumbfounded.

"Why are you looking at me like that?" Xiao Tian asked curiously.

"I didn't expect that you would learn how to cook for the sake of us." Shi Fei was touched when she found out that Xiao Tian tried his best to cook delicious food for the sake of them.

Xiao Tian worked as CEO in two companies, so she knew how busy he was. She just didn't expect that he still took his time to learn how to cook for the sake of them.

"Both of you are my women, so I will do anything to make you two happy." Xiao Tian answered instantly. "For now, I can only cook a simple soup, but I will make a lot of delicious food in the future."

"Tian'er..." Xiao Tian's words really made Liu Ning happy and glad that she accepted him when he asked her to be his woman.

Even though he was a beast, but Xiao Tian always treated her nicely. He was never mad at her and always did whatever he could to make her happy.

Of course, it also made Xiao Tian delighted because he finally could make his women happy with his cooking skills.

"You will cook a lot of tasty food in the future? Are you planning to be a housemaid? Or maybe you want to change position with us and become our wife instead?" Shi Fei said as she giggled.

When Liu Ning heard what Shi Fei just said, she could not help but giggle too.

"Housewife? I'm fine with it because this way, all I need to do is give both of you pleasure every single day." of course, Xiao Tian was joking around.

He dared to say it because Xiao Tian knew that Shi Fei was also joking around.

"Pervert!" Liu Ning and Shi Fei said in union.

Shi Fei then looked at Liu Ning and spoke, "Ning, our man is indeed a beast."

"Yes." Liu Ning agreed with what Shi Fei had just said. "He is also not a normal beast, but a wild beast."

"Maybe he is the king of beasts." Shi Fei added

"Because both of you said that I'm a beast, then I wi-" before Xiao Tian could finish his words, his smartphone suddenly rang.

"Who is it?" Shi Fei inquired

"It's Lan Ruoxi." Xiao Tian had no idea why Lan Ruoxi called him so early in the morning. Without leaving the room, Xiao Tian picked up the phone. "Lady Lan, it's rare for you to call me so early in the morning. What's up?"

"Young master Xiao, I've caught Tan Fu. If you want him, you can come to my bar later." Lan Ruoxi went straight to the point.

"Tan Fu?" Xiao Tian didn't expect that Lan Ruoxi had captured Tan Fu.

Tan Fu left Shanghai several days ago, so he thought it would take some time for Lan Ruoxi to catch him.

It seems like I still underestimate her connections. Xiao Tian thought to himself.

"All right. I will come to you place later." Because Lan Ruoxi had caught Tan Fu, Xiao Tian decided to go to her bar later.

"I will wait at my bar." Lan Ruoxi said before hanging up the phone.

"Tian'er, what did she say?" Liu Ning asked curiously.

Xiao Tian began explaining everything to them. "Tan Fu is involved in all the problems that occur in my Eternal Beauty company. However, before I could catch him, he had left Shanghai. Several days ago, I asked Lan Ruoxi to find him and just now she said that she has caught him."

"Oh! So, it's about it." Liu Ning replied. "What do you want to do to this Tan Fu guy?"

"Ning'er, it's not like I don't want to tell you, but I think it's better if you don't know about it." Xiao Tian planned to torture Tan Fu along with the Hong family and the Hawk gang, but because Liu Ning and Shi Fei were normal ladies, he thought it would be better if they didn't know what he was about to do to Tan Fu and others.

"All right." because Xiao Tian didn't want to tell her about it, Liu Ning decided not to ask anymore.

"Forget about Tan Fu and Lan Ruoxi. Hurry up and eat the soup so that you two can recover quickly." When he was with his women, Xiao Tian really preferred it if they didn't talk about other people because that would make the atmosphere lifeless.

"Oh! you want us to recover quickly?" Shi Fei answered. "What do you want to do after we recover?"

"Of course, I will eat you two because you said that I'm a beast, right?" after saying that, Xiao Tian behaved as if he wanted to eat them.

However, the moment Xiao Tian opened his mouth and pretended that he wanted to eat them, Liu Ning immediately spoke, "Stay away from us, beast. You have eaten us last night, so you can't eat us again now."

"Last night is last night, and now is now." Xiao Tian replied instantly.

When his face was close to theirs, Shi Fei put her spoon into his mouth. "Here, eat it."

"It's tasty." Xiao Tian said as he ate the soup.

"Haha." Liu Ning and Shi Fei laughed happily
