Chapter 441 - I Really Love Hearing That Words

After Shi Fei and Liu Ning finished eating the soup, they immediately gave the bowls to Xiao Tian.

"Little brother, you are the reason why we can't move our bodies, so you have to do whatever we want for today." because she was unable to move her body, Shi Fei wanted to take advantage of the situation.

"Yes. Put the bowls in the sink." Liu Ning added

"As you wish, my queens." Xiao Tian behaved as if he was talking to the queens. After saying that, Xiao Tian put the dishes on the sink and returned to Liu Ning's room. "Do you want to take a bath? I'll help you take a shower if you want."

After saying that, Xiao Tian's lips curled into a smirk. Even though he knew that he could not have sex with them for now, but he could play with their breasts. That was why Xiao Tian wanted to help them take a bath.

Liu Ning and Shi Fei looked at each other before finally answering in unison, "No."

Of course, Liu Ning and Shi Fei knew what was on his mind. It was not like they didn't want to let Xiao Tian play with their bodies, but it was because they could not move their bodies.

Every time they moved their bodies, they felt so much pain, so they only wanted to sit on the bed and talk to each other.

"Why? Didn't you want me to be your servant for today? If so, then I should help you take a shower." actually, Xiao Tian was fine if they wanted to take a shower by themselves. "Don't worry. I won't take advantage of the situation later."

"I'm sure, you will take advantage of the situation later." Every time they took a shower together, Xiao Tian always took advantage of the situation. That was why Liu Ning said something like that.

"Yes." Shi Fei said as she nodded her head. "Every time we took a bath together, we always ended up having sex because you could not hold back your lust whenever you saw our naked bodies."

Of course, Shi Fei was delighted that Xiao Tian always desired to have sex with them whenever he saw their naked bodies because with this, they knew that their bodies were attractive in his eyes.

"Well, you can't blame me for that. Both of you are so attractive, so it's normal if I can't hold back after seeing your naked body. It means that I'm a healthy young man." it was true that they always ended up having sex every time they took a shower together, but it was because they also teased him or responded to whatever he did to them. That was why Xiao Tian decided to defend himself.

"If you want to take a bath, you can do that alone. Didn't you want to meet Lan Ruoxi?" Shi Fei said before turning her head towards Liu Ning. "We still want to talk, right?"

"Yes." Liu Ning answered as she nodded her head.

"All right." after saying that, Xiao Tian took a quick bath. At first, Xiao Tian wanted to go to the Red Flower bar immediately, but he suddenly wanted to say something to Liu Ning and Shi Fei. For this

reason, he headed towards Liu Ning's room. "Oh right, both of you don't need to go to work today. You two should focus on recovering first."

"We understand, husband." Liu Ning and Shi Fei said in unison.

Xiao Tian, who was about to walk out of the room, marched closer towards them and spoke, "What did you say? Can you repeat it again?"

"We understand, husband." Shi Fei and Liu Ning said in unison again.

"I really love hearing that words. It makes me want to marry both of you as quickly as possible." Xiao Tian's mood instantly turned brighter when Liu Ning and Shi Fei called him husband.

"We will be waiting for that day." Shi Fei and Liu Ning said in unison.

"My wives, I, your husband, will go now, but we will spend time together again later." Xiao Tian then kissed the forehead of Liu Ning and Shi Fei. "If you need anything, just call me."

"Un." Liu Ning and Shi Fei nodded their heads.

After that, Xiao Tian traveled to the Red Flower bar.

When Xiao Tian stepped into the bar, one of Lan Ruoxi's people, who had been waiting for his arrival, immediately spoke, "Young master Xiao, our boss is waiting in the private room. Let me take you there."

"All right." Xiao Tian replied.

After walking for several seconds, they finally arrived at the private room. When Xiao Tian stepped into the private room, a seductive voice rang out. "Young master Xiao, I've been waiting for you."

Like usual, Lan Ruoxi was sitting on the couch with her legs crossed. Because she was wearing a short skirt, her sexy white left thigh was visible to his eyes.

Xiao Tian then sat in front of her and spoke, "Where is Tan Fu?"

"Oh! Went straight to the point, huh? Don't you want to chat with me first?" after saying that, Lan Ruoxi played with her legs, showing Xiao Tian her sexy white thighs.

"Lady Lan, there is something that I have to do later, so I can't stay long." Xiao Tian intended to torture the Hong family later, so he wanted to go to Blue Ice Lotus gang headquarters.

"Really? You don't want to chat with me?" like before, Lan Ruoxi played with her legs. However, this time, she showed her thighs more until Xiao Tian almost could see her underwear.

This foxy lady really needs to be punished. Xiao Tian thought to himself.

However, because Xiao Tian wanted to torture the Hong family as quickly as possible, he still behaved as if he saw nothing.

Lan Ruoxi could only sigh when Xiao Tian insisted on wanting to see Tan Fu quickly. For this reason, she rose to her feet and spoke, "It seems like you really want to see Tan Fu as quickly as possible. Alright, follow me."

After that, Xiao Tian and Lan Ruoxi headed to the room where Tan Fu was being held.

Chapter 442 - Are You Fucking Kidding Me?

7-8 minutes

After Xiao Tian entered the room where Tan Fu was being held, he saw Tan Fu was being tied to a chair.

When Tan Fu saw Xiao Tian, the expression of deep shock emerged on his face because he finally knew who kidnapped him.

Yesterday, he was enjoying himself with beautiful women at the bar, but suddenly three people beat him until he finally passed out.

When he regained consciousness, he was tied to a chair in a familiar room with two people standing next to him.

"Hmmm. Hmmm. Hmmm." Because there was black tape on his mouth, Tan Fu was unable to say anything.

Of course, he knew who Xiao Tian was. He just didn't expect that Xiao Tian would manage to find him.

"I will take him to my base." Xiao Tian didn't want to waste time talking to Tan Fu because he wanted to torture him and the Hong family members immediately.

"All right." actually, Lan Ruoxi had guessed that Xiao Tian would immediately bring Tan Fu to Blue Ice Lotus gang headquarters. That was why she didn't stop him.

Then Xiao Tian brought Tan Fu to Blue Ice Lotus gang headquarters.

When Xiao Tian stepped into his base, he threw Tan Fu to the floor and spoke, "Bring the Hong family members and him to the torture room."

"Yes, boss." His underlings immediately brought Tan Fu to the torture room.

Because they knew Xiao Tian wanted to torture Tan Fu and the Hong family members, they immediately prepared everything.

As his underlings were preparing everything, Xiao Tian sat on the couch and sighed. Because he didn't see Chun Hua, he immediately asked his underlings, "Where is Chun Hua?"

"She is checking out the bar." One of his underlings answered instantly

"Checking bar?" Xiao Tian believed that the Blue Ice Lotus gang didn't have a bar, so he was curious whose bar she was checking out.

Because his underlings knew that Xiao Tian was confused, she immediately explained it to him. "It's a bar owned by the Hawk gang. Because it's our bar now, she is checking and removing everything related to the Hawk gang."

"Ah! I see." After they won the war against the hawk gang, Xiao Tian had indeed ordered his underlings to take everything that belonged to the Hawk gang.

Since he had no interest in their possession, he never asked his underlings about it. He just didn't expect that the Hawk gang owned a bar.

Not long after that, one of Xiao Tian's underlings walked toward him and spoke, "Boss, everything is ready."

"It's time to teach them a lesson." Xiao Tian rose to his feet and walked toward the torture room.

The torture room was located in the corner of the basement prison. When Xiao Tian stepped into the torture room, he saw the Hong family members and Tan Fu tied to an X-shaped wood.

The torture room was huge, with many tools for torturing hanging on the walls or lying on the floor. In the middle of the room, there was a chair with a small table next to it.

After Xiao Tian sat on the chair, he immediately spoke, "Yo! Hong family. Today, you have new friend. How is it? Are you happy?"

"Xiao Tian, please let us go. We promise we won't cause trouble to you again." Hong Duan knew that Xiao Tian wanted to torture them.

Because he was born from an upper-class family, he was showered with money and praise since he was little. That was why Hong Duan began to feel scared when he learned that Xiao Tian intended to torture them.

"Let you go? Hahaha." Xiao Tian laughed loudly. "In the past, I let you go but what happened after that? You caused trouble to me again. Not only did you pay the Hawk gang to deal with me, but you also caused trouble to my Eternal Beauty company. Do you know how much money I spend on healing the faces of my customers? And you still dare to ask me to let you go? Are you fucking kidding me?"

"We will compensate all your losses." Hong Duan answered instantly. "Not only that, but we will also give you more money."

"Funny! Your words are fucking funny!" Xiao Tian knew why Hong Duan said something like that. "Do you think I can't take all of your family's wealth?"

Hong Duan gritted his teeth. Of course, he knew that Xiao Tian could take all their family's wealth easily because his friends were Lan Ruoxi and Zhao Sheng.

He was sure with the help of Lan Ruoxi and Zhao Sheng, it would be effortless to take all their wealth.

"Oh! Did you think I will ask Lan Ruoxi or Zhao Sheng for help? No, no, no. You got it wrong. I don't need their help to take your family's wealth because I can do that myself." Of course, Xiao Tian knew what was on Hong Duan's mind.

"Xiao Tian, all of this starts with us." Hong Jun said abruptly. "Please let my family go. You can do anything to me later."

Hong Jun knew that Xiao Tian would often torture them in the future. Because he was the source of the problem, he didn't want to drag his family along with him.

"What is this? Is this love between family members? I'm deeply moved by your words." Xiao Tian then looked at his underlings. "Whip them all!"

His underlings, who were standing on both of his sides, immediately grabbed the whip and whipped all of them.

"Agghh..."

"Aaaghhh..."

"Aggghhh..."

"Agggh.."

"Aghhh..."

Hong Jun, Hong Guan Ji, Hong Duan, Yi Yi, and Tan Fu cried out in pain every time Xiao Tian's underlings whipped them.

Suddenly one of Xiao Tian's underlings entered the torture room and spoke, "Boss, your tea."

Xiao Tian grabbed the tea and took a sip of his tea. "Hmm. This tea tastes delicious."

After Xiao Tian put the tea on the table, he gave a signal to his underlings. Even though Xiao Tian didn't say anything, his underlings understood what he wanted. For this reason, his underlings stopped whipping the Hong family members and Tan Fu.

"Hong Jun, because you have shown me what family love is, it's only natural that I decided to whip all of you. You should have known that family members should have to share the burden together, right? That's why my underlings whip you and your family because if my underlings only whip you, it would be unfair to your family." Xiao Tian suddenly realized something. "Oh, wait! I forgot that Tan Fu is not your family. Ah, doesn't matter, because you are the one who hire him in the first place. Just treat him like your family. Haha."

At this moment, the Hong family members realized that Xiao Tian was not a normal young man. He was a crazy young man who pretended to be kind and innocent.

"Why are you looking at me like that? Do you want to be whipped again? Fine. Because I'm a kind person, I will grant you wish." Xiao Tian then looked at his underlings again. "Whip them!"

"Agghhh..."

"Aaagghhh..."

"Aaggghhh.."

"Aaagghhh.."

"Aagghh.."

The Hong family members and Tan Fu began crying in pain again.

Like before, as his underlings were whipping the Hong family members and Tan Fu, Xiao Tian took a sip of his tea again as if he was watching TV, not torturing people.

Chapter 443 - Whip His Wife Harder!

7-9 minutes

As Xiao Tian watching his underlings whipping the Hong family members and Tan Fu, he immediately spoke. "All of you should be grateful that I only order my underlings to whip you. if my fathe-"

Xiao Tian stopped his words halfway when he realized that he almost said forbidden things.

Xiao Tian then cleared his throat and continued, "Ehm. I mean, if my friend is here, I'm sure your body would have covered in blood."

In his past life, he puked many times when he saw his father torturing his enemies. His past life father was callous to his enemies as if he was a demon king.

Even though his past life father always treated him nicely, but sometimes, he was afraid of his father because the expression on his father's face when he was torturing his enemies was too terrifying.

It was as if his father was not a human being, but a demon in disguise. If people labeled him as a demon, then they never saw what a real devil looks like.

"Xiao Tian, please stop." Hong Jun felt his body hurt so much.

Instead of granting Hong Jun's wish, Xiao Tian did the opposite. "Whip them harder!"

"Ahhggghhh" like before, all of them cried out in pain.

Every time the whip hit their bodies, they felt as if someone was slicing a knife into their bodies. Even though there was no blood coming out of their bodies, but they were sure their bodies were covered in whip marks.

"Aagghhh." Tears fell down her cheeks when Yi Yi felt her body hurt so much.

It was the first time someone tortures her like that. In the past, a lot of people praised her because she was from an upper-class family or due to her beauty.

However, all of that was useless in front of Xiao Tian, because he didn't care about it.

When Hong Guan Ji saw her wife, he immediately begged. "Xiao Tian, please let my wife go. You can whip me as you please but please stop hurting my wife. Please."

"Oh! You love her so much, huh?" after saying that, Xiao Tian's lips curled into a smirk. "Whip his wife harder."

"Agghhh." Yi Yi cried out in pain louder.

Hong Guan Ji didn't expect that Xiao Tian would order Xiao Tian's underling to whip his wife harder. This made him grit his teeth. "Xiao Tian, you are devil!"

"Harder! Whip his wife harder!" Because Hong Guan Ji said that he was a devil, Xiao Tian decided to behave like a devil.

"Aagghhhh." Yi Yi cried out in pain.

"XIAO TIAN!" Hong Guan Ji shouted angrily

"Shut up!" Xiao Tian's underlings, who whipped Hong Guan Ji, decided to whip his face when Hong Guan Ju roared angrily.

"How do you feel when you see your sons and wife being tortured?" Xiao Tian inquired. "You can't blame me for this because the one who cause all of this is your son. Blame your son instead. Oh wait! I think, you should blame yourself because you fail in educating your son."

Of course, Hong Guan Ji knew what Xiao Tian just said was indeed true. If he forbade his sons to take revenge on Xiao Tian, none of this would have happened to them.

He was blinded with anger and could not think straight. Because Xiao Tian was young and from a middle-class family, he thought they could get revenge on Xiao Tian.

However, he was wrong. He was utterly wrong because not only did they manage to get their revenge, but they were even tortured by Xiao Tian.

Xiao Tian's gaze shifted from Hong Guan Ji to Tan Fu, and spoke, "How do you feel now, Tan Fu? If you weren't involved in this mess, you wouldn't be tormented like this. Did you regret it?"

Tan Fu didn't answer and only stared at Xiao Tian. He gritted his teeth, and his eyes were filled with the flame of fury.

However, because he was tied to the wood, he could not do anything to Xiao Tian. All he could do was stare at Xiao Tian angrily.

When Xiao Tian noticed the expression on Tan Fu's face, he immediately spoke, "Hey, hey, hey! Stop looking at me like that. Your expression is scary, you know. If you keep looking at me with that expression, you will scare me later. If I get scared, my body would be tremble later. Do you know what I usually do when my body is trembling? Let me tell you about it. If my body is trembling, I usually stab someone with a knife, you know. You don't want me to stab your body with a knife, right?"

Xiao Tian's underlings, who were standing on both of his sides, could not help but giggle after hearing his words. They didn't expect Xiao Tian to still joke around at such a time.

*Whip...Whip... Whip...

Xiao Tian's underlings didn't stop whipping them.

"Aagghhh.."

"Aaagghh.."

"Aaagghhh.."

"Aagghh..."

"Aaghh.."

Like before, the Hong family members and Tan Fu cried out in pain. Because Yi Yi was unable to hold back the pain, she instantly fainted.

"Oh! She fainted?" Xiao Tian then looked at his underling. "Wake her up!"

Xiao Tian's underlings, who whipped Yi Yi earlier, walked closer towards Yi Yi. When she was close to Yi Yi, she instantly slapped Yi Yi's face right and left. "Hey, wake up! wake up!"

When Hong Guan Ji saw Xiao Tian's underling slapping his wife non-stop, he immediately said, "Stop it!"

"Keep slapping her face until she wakes up." Xiao Tian didn't care about Yi Yi, so he told his underling to keep slapping Yi Yi's face.

"Xiao Tian, my wife has fainted. Can't you stop torturing her?" Hong Guan Ji didn't expect that Xiao Tian would still order Xiao Tian's underling to torture his wife even though his wife had fainted.

"Like I said before, family members should share the burden together, so it would be unfair if she didn't get torture along with you." Xiao Tian answered instantly. "Isn't that right, Hong Guan Ji?"

At this moment, Hong Guan Ji knew it was useless to talk to Xiao Tian because whatever he said, Xiao Tian would not listen to his words.

After slapping Yi Yi's face for more than ten times, Yi Yi finally regained consciousness.

When Xiao Tian noticed that, he immediately said, "Oh! she regained consciousness. Whip her again!"

"Understood, boss." Xiao Tian underling immediately whipped Yi Yi again. However, because her body was so weak, she fainted again.

Xiao Tian could only sigh when Yi Yi fainted again. "Sigh. She fainted again? She is so weak."

'Huft. This is boring. I think, it's enough for today.'

Xiao Tian put the tea on the table and rose to his feet.

"It's enough for today. Put them back in prison." After saying that, Xiao Tian walked out of the torture room.

"Understood, boss." Xiao Tian's underlings replied in unison.

Currently, Xiao Tian was sitting on the couch while tilting his head back. Not long after that, his smartphone suddenly rang.

"What's up, lady Lan?" Xiao Tian said after picking up the phone.

"Young master Xiao, let's go to Beijing today." Lan Ruoxi went straight to the point.

"What? Today? Do you mean right now?" Xiao Tian was surprised after hearing her words.

"Yes. My friend has a car accident, so I want to visit her." Lan Ruoxi said.

"All right. I will tell my women about this first. After that, I will come to your place." Xiao Tian replied.

"Okay." Lan Ruoxi said before hanging up the phone.

Chapter 444 - Before Going To Beijing

10-13 minutes

Because Lan Ruoxi said that she wanted to go to Beijing as quickly as possible, Xiao Tian traveled to Liu Ning's house to tell her and Shi Fei about it.

"I'm home." Xiao Tian said after he entered their home.

"Tian'er, we are in my room." when Liu Ning found out that Xiao Tian had returned home, she immediately answered.

Actually, Liu Ning and Shi Fei wanted to welcome him, but because they still could not move their bodies, they kept staying in Liu Ning's room.

'What? They are still in her room?'

When Xiao Tian learned that Shi Fei and Liu Ning were still in Liu Ning's bedroom, Xiao Tian walked towards her room.

At this moment, Xiao Tian didn't knock on the door and immediately entered her room. The expression of deep shock emerged on his face when he saw Liu Ning and Shi Fei still wearing the same clothes.

'Why are they still wearing the same clothes? Have they still not showered?'

Liu Ning and Shi Fei always changed their clothes after taking a bath. That was why Xiao Tian was surprised when he found out that Shi Fei and Liu Ning were still wearing the same clothes.

When Xiao Tian was standing in front of them, Shi Fei and Liu Ning made a space for him because they wanted Xiao Tian to sit between them.

"Little brother, sit between us." Shi Fei spoke while patting the bed on her right side.

After Xiao Tian sat between them, he immediately inquired, "Why are you still wearing the same clothes? Haven't you showered yet?"

Instead of answering, Liu Ning asked him, "What do you think?"

Xiao Tian didn't immediately reply and only stared at them. Suddenly an excellent idea appeared on his head.

With that idea, Xiao Tian looked at Liu Ning and replied, "Let me kiss you first so that I can find out whether you have showered or not."

"You just want to kiss me, right? Hehe." Liu Ning could not help but giggle when Xiao Tian said that he wanted to kiss her just to know whether she had taken a shower or not.

"That's one of the reasons." Xiao Tian didn't deny it because it was the truth.

After saying that, Xiao Tian cupped her face and kissed her lips. At first, it was only a normal kiss, but it only lasted for about three seconds before finally turning into a lewd kiss where they lewdly intertwined their tongues and drank each other's saliva.

Xiao Tian had a passionate kiss with Liu Ning for about two minutes before finally, he broke the kiss.

Shi Fei, who was seeing them, only smiled happily. She didn't feel jealous because not only was Liu Ning one of his women, but she was sure that Xiao Tian would kiss her too later.

And what she had guessed was right because after kissing Liu Ning, Xiao Tian kissed her lips too. Like what Xiao Tian did with Liu Ning, Xiao Tian and Shi Fei instantly had a hot kiss too.

After Xiao Tian broke the kiss, he immediately said, "It seems like both of you still haven't bathed because you two smell sour. Hehe."

Upon hearing his words, Liu Ning pinched his cheeks and spoke, "Hoh? You still dare to say something like that after kissing us passionately, huh?"

Instead of stopping her from pinching his cheeks, Xiao Tian smiled brightly and spoke, "But it's the truth."

"Tian'er, I suddenly want to have a passionate kiss with you again." Liu Ning made a shy expression as she stared at Xiao Tian. "Do you want to do that again?"

Without thinking twice, Xiao Tian answered instantly. "Alright. Let do that."

However, instead of kissing him, Liu Ning giggled and spoke, "Didn't you say we smelled sour? Why do you still want to kiss me?"

"I only said you smell sour." Xiao Tian answered, "I never said I dislike it or hate it."

"Ning, I'm sure he will still kiss or have sex with us even if we don't shower for three days, so you don't have to pay attention to his words." Shi Fei had guessed that Xiao Tian would say something like that because he always did it.

"Un, un." Xiao Tian didn't deny it and nodded his head. "But I think you should take a bath at least two times per day because if you don't take a bath or only shower once a day, it will reduce your beauty."

"Hehe. Oh right. Why did you come home so early?" Liu Ning thought Xiao Tian would come home at night because he was so busy with work.

"Lan Ruoxi called me earlier, saying that she wants to go to Beijing today. She told me that her friend has a car accident and she wants to visit her friend. I came home early because I want to tell you about

it." actually, Xiao Tian planned to spend time with Shi Fei and Liu Ning for the whole day after torturing the Hong family and Tan Fu. He just didn't expect that Lan Ruoxi wanted to go to Beijing today.

"What time will you go?" Liu Ning inquired

"I will inform my mother and aunt first. After that, I will go to Beijing with Lan Ruoxi." Xiao Tian replied.

"So, you are going to Beijing now?" Liu Ning's expression turned sad when she learned that Xiao Tian would go to Beijing immediately.

Not only Liu Ning, but Shi Fei was also sad when she found out that they would be separated from him for a few days.

"Yes." of course, Xiao Tian knew that Shi Fei and Liu Ning were sad. However, he could not do anything about it. "After I return to Shanghai, let's spend time for the whole day."

"Promise?" Liu Ning raised her pinky to Xiao Tian.

"Promise." Xiao Tian linked his pinky with hers. "Alright, I have to prepare everything now."

"Let us help you." Shi Fei spoke abruptly

"Both of you still can't move your body, right? Just stay here." because Shi Fei and Liu Ning hadn't bathed, Xiao Tian suspected that they still could not move their bodies. That was why he wanted to prepare everything alone.

"All right." Shi Fei replied.

Then Xiao Tian prepared everything. Because he only wanted to accompany Lan Ruoxi, he only brought five clothes and a new silicon head mask that he bought several days ago.

After he had prepared everything, Xiao Tian returned to Liu Ning's room while carrying his bag in his right hand.

When Liu Ning and Shi Fei saw Xiao Tian, sad expressions appeared on their faces again.

Xiao Tian could only sigh after seeing their expression. Xiao Tian dropped his bag on the floor and walked closer toward Shi Fei.

"Little brother.." Shi Fei said as she looked at him with a sad expression.

"Do you want a kiss again?" Xiao Tian hoped his kiss would make her less sad.

"Un." Shi Fei nodded her head.

At first, Xiao Tian only kissed her forehead, but when he was about to kiss Liu Ning's forehead, Shi Fei pulled him towards her, causing him to fall on the bed.

Without waiting for another second, Shi Fei lay on top of his body and kissed him passionately. Her actions greatly surprised Xiao Tian. However, because Shi Fei desired to have another passionate kiss, Xiao Tian welcomed it happily.

At first, Shi Fei was on top of his body, but as the flame of lust began to appear within him, Xiao Tian turned their bodies, causing him to be on top of her.

And like before, they were still kissing passionately. As they were enjoying the kiss, Shi Fei wrapped her long slender arms around his back while locking her legs around his waist.

They had a passionate kiss for about three minutes before finally, Xiao Tian broke the kiss. Because he wanted to know whether Liu Ning also desired to have a passionate kiss with him or not, he looked at her without saying a word.

As if Liu Ning knew what was on his mind, she immediately laid down on the bed and waited for Xiao Tian to lie on top of her body.

The corner of his lips twitched when he saw what Liu Ning was doing. He thought she only desired a kiss. He just didn't expect that she wanted to do the same thing he and Shi Fei did just now.

Because he didn't want to disappoint her, Xiao Tian instantly lay on top of her body and kissed her cherry lips.

Like what Shi Fei did to him, Liu Ning also wrapped her arms around his back and locked her legs around his waist.

Maybe because she would not be able to see him for several days later, Liu Ning didn't want to stop the kiss.

She only stopped the kiss when she was out of breath, and it only lasted for about two seconds before finally, she kissed him again. They even had a passionate kiss much longer than the time when he had a French kiss with Shi Fei.

Shi Fei, who was seeing them, could not help but giggle when Liu Ning didn't want to stop kissing him.

After they kissed hungrily for another three minutes, Liu Ning broke the kiss. But she still wrapped her arms around his back. "Tian'er..."

"Don't be sad. I will return as quickly as possible." after saying that, Xiao Tian kissed her forehead and smiled softly. "I have to go now because I want to say goodbye to my mother and aunt too."

"Un." Liu Ning stopped wrapping her arms and sat on the bed.

After Xiao Tian grabbed his bag, he immediately spoke, "I'm leaving now."

"Little brother, Tian'er." Liu Ning and Shi Fei spoke in unison. After that, they rose to their feet. "it hurts."

Because last night they had wild sex with Xiao Tian for several hours, they still felt so much pain when they stood up.

"You don't need to see me off." Xiao Tian knew that they wanted to see him off, but because their bodies were unwell, he told them not to see him off.

Xiao Tian was already happy when he found out that Liu Ning and Shi Fei wanted to see him off despite their unwell condition.

"We want to send you off." because they would not be able to see Xiao Tian for several days later, Liu Ning and Shi Fei insisted on wanting to see him off.

Every second they spent with Xiao Tian was important for them. That was why they wanted to be with him as long as possible.

When Xiao Tian noticed that they were in pain, he said worriedly. "You don't nee-"

However, before Xiao Tian had finished his words, Liu Ning and Shi Fei said in unison. "We're fine."

"All right." Liu Ning and Shi Fei didn't notice that their simple action made Xiao Tian fall in love with them deeper than before.

When Shi Fei and Liu Ning were walking to the terrace, they could only take baby steps because they felt so much pain every time they took a step.

Of course, Xiao Tian didn't complain about it; instead, he was pleased by their action because with this, he knew that they loved him very much.

When they reached the terrace, Xiao Tian immediately spoke, "I'm leaving now."

"Take care of yourself." Liu Ning and Shi Fei said in unison.

When Xiao Tian was about to get into the car, he dashed towards Shi Fei and Liu Ning and embraced them tightly. "I love you two very much."

"We also love you so much." Liu Ning and Shi Fei said in unison. Liu Ning and Shi Fei were thrilled when Xiao Tian said that he loved them before leaving.

After that, Xiao Tian stopped the hug and got into the car. "I'm leaving, my wives."

"Take care of yourself, husband." Liu Ning and Shi Fei said in unison.

Xiao Tian smiled before driving his car toward his mother's coffee shop.

Chapter 445 - I Came To Say Goodbye

6-7 minutes

After Xiao Tian entered Stars Coffee shop, he saw his mother sitting on the chair. His face broke into a smile when he noticed many people drinking and chatting happily.

Xiao Tian marched towards his mother and spoke, "Mother..."

It had been a long time since he was in her coffee shop, so Xiao Tian could not help but remember the last time he helped her serve customers.

When Ye Xueyin saw her son carrying a bag, she knew that he was about to go to Beijing. For this reason, she dragged him to her room.

After they entered the room, she instantly spoke, "Are you going to Beijing now?"

"Yes. Lan Ruoxi suddenly wants us to go to Beijing now." Xiao Tian replied instantly. "I came to say goodbye."

Like what Shi Fei did to Xiao Tian, Ye Xueyin instantly embraced him tightly. Of course, Xiao Tian let her hugged him because he knew her feelings.

"Tian.." Ye Xueyi looked at Xiao Tian with teary eyes.

Upon seeing her expression, Xiao Tian cupped her face and spoke in a soft loving voice, "Don't be sad. I will go back as quickly as possible."

At first, Xiao Tian wanted to kiss her forehead, but when he was about to do that, she instantly kissed his lips.

Not only that but when their lips met, she immediately tried to put her soft tongue in his mouth. Because his mother desired to have a hot kiss with him, Xiao Tian opened his mouth and welcomed the kiss.

They had a French kiss for about five minutes before finally, she broke the kiss.

At this moment, Xiao Tian thought she wanted to embrace him again, but he was wrong. He was utterly wrong because what his mother did was something that greatly surprised him.

"Mother, we can't do that." because his mother took off her shirt, Xiao Tian thought she desired to have quick sex.

"I know." after taking off her shirt, she dropped it on the floor. "Tian, please give me a hickey on my breasts so that I can feel like you are always by my side."

Because they were alone in her room, Xiao Tian immediately sucked her breasts hard and gave a hickey on both of her breasts.

After that, Xiao Tian spoke, "I can't stay long. I have to go now."

"All right." Ye Xueyin understood that she could not make her son stay with her longer. That was why she didn't force him to stay with her longer.

After kissing her forehead, Xiao Tian traveled to Golden Bag company. When he was in front of the company, he sent a message to his aunt.

Ye Qingyu, who was working in her office, instantly grabbed her smartphone when her smartphone suddenly rang.

[Aunt, I'm in front of the Golden Bag company. Can you come out now? I want to meet you before traveling to Beijing.]

Without waiting for another second, Ye Qingyu rose to her feet and walked out of her office.

"Manager Ye."

"Manager Ye."

"Manager Ye."

Because Ye Qingyu's mind was filled with Xiao Tian, she didn't notice when her subordinates greeted her.

"Why is she in such a hurry? Did something happen?"

"I don't know."

"Maybe there is something urgent."

"I think so too."

After Ye Qingyu was in front of the Golden Bag company, she scanned her surroundings to find her nephew.

*Beep..Beep...

Xiao Tian pressed the vehicle horn when he saw his aunt.

When she noticed his car, she immediately got into the car and spoke, "Are you going to Beijing now?"

"Yes." Xiao Tian replied instantly.

"I see." Ye Qingyu said as she lowered her head. Like his other women, Ye Qingyu was sad because she knew that she would not be able to see him for several days later, but she also could not stop him from leaving.

"I came to say goodbye." Xiao Tian then tapped his thighs. "Come here and sit on my lap. Let me embrace you before leaving."

Actually, Ye Qingyu was worried when he told her to sit on his lap because they were in front of the Golden Bag company.

However, because she would not be able to see him for several days later, she immediately did what she was told.

At first, they only embraced each other, but it only lasted for about ten seconds before finally, they kissed wildly as if tomorrow was the end of the world.

Because he gave his mother hickies on her breasts, Xiao Tian suddenly wanted to give his aunt a hickey too. For this reason, he unbuttoned her shirt one by one and spoke, "Let me give you a hickey before leaving."

Ye Qingyu didn't answer or stop him. Her beautiful dark grey eyes were focused on his hands which were unbuttoning her shirt.

After Xiao Tin unbuttoned her shirt, he lifted her bra and stared at her breasts.

Beautiful. Xiao Tian thought to himself.

Because Xiao Tian knew that he didn't have much time to enjoy her beautiful breasts, he immediately gave her a hickey on her breasts.

After that, Xiao Tian tidied up her shirt again. "I have to go now."

Like before, Ye Qingyu didn't answer and only stared at him. However, when Xiao Tian was about to say something, she suddenly kissed his forehead.

Ye Qingyu kissed his forehead for quite a while before finally, she stopped the kiss. "Take care of yourself."

"Un." Xiao Tian nodded his head.

After Ye Qingyu got out of the car, she looked at him and spoke, "I will be waiting for your return."

"I'm leaving." after saying that, Xiao Tian traveled to the Red Flower bar.

When Xiao Tian stepped into the bar, one of Lan Ruoxi's people took him to the private room.

Not long after that, Lan Ruoxi entered the private room with one of her underlings. When she saw Xiao Tian, she brought her face towards Xiao Tian's clothes and spoke, "I smell several women's fragrance on your body. Did you do something dirty before coming to my bar?"

"I want to do that, but because you suddenly called and said that you want us to go to Beijing now, I can't do that." Xiao Tian answered instantly.

"Oh! I suddenly feel bad for your women." Lan Ruoxi replied. "Let's go to the airport now."

Then Xiao Tian and Lan Ruoxi went to the airport.

Chapter 446 - That Name Suits You So Much Because You Are Evil

6-7 minutes

Mingzo Airport, Beijing.

After Xiao Tian and Lan Ruoxi walked out of the airport, Xiao Tian suddenly spoke, "Lady Lan, I need to go to the restroom. Can you wait for a moment?"

"All right." Lan Ruoxi pointed her index finger toward the public seating. "I will wait over there."

Xiao Tian marched towards the toilet after Lan Ruoxi sat on the public seating. Because he wanted to wear a silicon head mask, he immediately entered one of the cubicle toilets.

After wearing the silicon head mask, Xiao Tian looked at his face in the mirror.

'Not bad!'

Xiao Tian nodded his face in satisfaction.

Even though his current face was not as handsome as his real face, but with his brown hair and messy shaggy hairstyle, he looked more mature.

His bangs, which covered his brows and the side hair that almost covered his ears completely, made his youthful aura radiate brightly.

'Perfect!'

Xiao Tian walked out of the washroom and headed towards Lan Ruoxi. When he was in front of her, he immediately spoke, "Lady Lan, let's go."

Instead of giving him an answer, Lan Ruoxi stared at Xiao Tian intently. Because Xiao Tian was wearing a silicon head mask, she had no idea who he was. 'Who are you?'

"It's me." Xiao Tian responded as he pointed his index finger towards his face. "Have you forgotten my voice?"

Upon hearing his words, Lan Ruoxi spoke, "Young master Xiao?"

"Yes. It's me." Xiao Tian had guessed that Lan Ruoxi wouldn't recognize him because he looked like a completely different person.

Lan Ruoxi instantly rose to her feet and touched his face. "Are you wearing a silicone head mask?"

Earlier, Lan Ruoxi thought that the person who was standing in front of her was Xiao Tian because she was familiar with his voice.

However, when she saw his face, she suddenly thought that they were different people with the same voice. She just didn't expect that he was Xiao Tian.

"Yes." Xiao Tian gave an honest answer.

"Why are you wearing a silicon head mask? Don't tell me, you are embarrassed to attend the banquet with me?" Lan Ruoxi had no idea why Xiao Tian decided to wear a silicon head mask. That was why she asked him about it.

"No. it's the opposite." Xiao Tian had never thought about something like that because even though Lan Ruoxi was in her early thirties, but with her pretty face and sexy body, he was sure that any man would do anything just to spend time with her. "You are attractive, so I'm sure there will be a few people who dislike me later. With me wearing a silicone head mask, they won't know my real identity."

"What? Are you afraid of the problem?" Lan Ruoxi inquired

"That's not it. I just don't want to bring a problem to Shanghai." With him hiding his true identity, he hoped all the problems would end in Beijing if he had a problem later. "You don't mind, right?"

Xiao Tian didn't know why he had a feeling that he would face a problem later. That was why he decided to buy a silicon head mask before going to Beijing.

Actually, he didn't want to accompany her to attend the banquet, but because she had helped him many times, he had no choice but to accompany her.

"I'm fine with it. As long as you accompany me, you can do whatever you want." Lan Ruoxi behaved normally when she discovered that Xiao Tian was wearing a silicon head mask because he was still Xiao Tian. He just had a different face now. "So, what should I call you now?"

"Xue Yang." Xiao Tian didn't think carefully about the name he would use for his secret identity because he would not use it again after he returned to Shanghai.

"Oh! That name suits you so much because you are an evil person." Lan Ruoxi said as she giggled

[Xue is the top half of another character of Nie, which means sin or evil]

The corner of Xiao Tian's lips twitched upon hearing her words. He didn't expect that she would say something like that.

After that, they traveled to a hotel. Previously, Lan Ruoxi had booked two rooms at Hanu Hotel. Even though it was not the best hotel, but it was still a luxurious hotel because Hanu hotel was a five-star hotel.

When Lan Ruoxi and Xiao Tian arrived at the reception, she immediately said to the receptionist that she had booked two rooms earlier.

After the receptionist was sure that Lan Ruoxi had booked two rooms, she immediately gave two key cards to her.

Lan Ruoxi gave one of the hotel key cards to Xiao Tian and spoke, "This is your key card."

Xiao Tian took the key card without saying anything.

When Lan Ruoxi noticed Xiao Tian didn't say a word, she thought it was a perfect time to tease him. For this reason, Lan Ruoxi brought her face closer towards his left ear and whispered, "Are you disappointed that I booked two rooms?"

Xiao Tian had no idea why Lan Ruoxi liked teasing him. "It's fine because your room is next to mine, so if I want to do something later, I can just come to your room."

"Hehe." Lan Ruoxi giggled after hearing his words.

Her behavior is similar to Yun Xin Er's behavior. Xiao Tian thought to himself.

When Lan Ruoxi and Xiao Tian were about to enter the room, Lan Ruoxi immediately said, "Young master Xia- I mean, young master Xue, let's go to the hospital after we put our belongings."

"All right." Xiao Tian replied.

After Lan Ruoxi and Xiao Tian put their belongings and changed their clothes, they traveled to the hospital where Lan Ruoxi's friend was being treated.

However, when Xiao Tian and Lan Ruoxi were walking towards the patient room, Xiao Tian saw a blue-haired young man about twenty-five years old talking with a doctor.

"Doctor, I will immediately pay off the payment. Can't you do the surgery now?" the red-haired young man spoke.

"I'm sorry, Mr. Mu. We can't do surgery if you still haven't paid the surgery fee." The doctor replied, "Mr. Mu, you should pay off the surgery fee immediately because your younger brother needs surgery as soon as possible."

When Lan Ruoxi noticed Xiao Tian was not next to her, she turned around and spoke, "What are you doing? Let's go."

"All right." Xiao Tian replied.

Chapter 447 - Pretending To Be A Couple

6-7 minutes

After walking for several seconds, Lan Ruoxi and Xiao Tian arrived at the patient room where her friend was being treated.

Click...

Lan Ruoxi opened the door.

Upon hearing the sound of someone opening the door, a lady in her early thirties turned her head towards the source of the sound.

"Ruoxi, you came to visit me?" the lady was surprised when she saw Lan Ruoxi.

This morning, she was startled when Lan Ruoxi suddenly called her and knew that she had a car accident.

But what surprised her most was that she came from Shanghai to Beijing only to visit her. She didn't expect that Lan Ruoxi would come to visit her because the distance between Shanghai and Beijing was so far.

"Bai Wenliang, how are you feeling now?" Lan Ruoxi grabbed a chair and placed it next to Bai Wenliang before finally sitting on it.

"I'm fine because I have no serious injuries." Bai Wenliang answered instantly. "I didn't expect that you would come to visit me."

"I got invited to the banquet the day after tomorrow, so when I know you have a car accident, I immediately came to Beijing to visit you because I also have a business in Beijing." Lan Ruoxi gave an honest answer.

"Is that the banquet that will be held by the Qing family?" Bai Wenliang inquired.

"Yes." Lan Ruoxi answered as she nodded her head.

"As expected of you, even the Qing family invite you to their banquet." Bai Wenliang knew that Lan Ruoxi had a lot of connections so she was not surprised when she found out that Lan Ruoxi was invited to the banquet by the famous Qing family.

Xiao Tian was surprised upon hearing Bai Wenliang's words. From her words, he knew that the Qing family was a well-known family in Beijing.

'I didn't expect that the Qing family is famous in Beijing. Is this the reason why many people are shocked when I say my name is Qing Feng and I'm from Beijing? Did they think that I'm from the well-known Qing family?'

Because Xiao Tian only came to Beijing twice and never paid attention to the famous families in Beijing, he had no idea that the Qing family was famous in Beijing.

"By the way.." Bai Wenliang turned her head towards Xiao Tian and asked curiously. "Who is he? Is he your lover?"

"Oh! He is.." at this moment, Lan Ruoxi wanted to tell Bai Wenliang that Xiao Tian was a young man who would accompany her to attend the banquet later.

However, before Lan Ruoxi had finished her words, Xiao Tian instantly said, "My name is Xue Yang and yes, Lan Ruoxi and I are a couple. She is my sweetheart."

Because Lan Ruoxi often teased him, Xiao Tian thought it was a perfect time to get his revenge. That was why he said that she was his girlfriend.

The only person who knew his real identity was only Lan Ruoxi, so Xiao Tian didn't care when he lied to Bai Wenliang.

In order to make Bai Wenliang believed that Lan Ruoxi and he were a couple, Xiao Tian smiled softly to Lan Ruoxi and said in a soft loving voice, "Isn't that right, Ruoxi?"

At this moment, Lan Ruoxi looked at him and blinked several times. His words much surprised her. But of course, she was not angry with him; instead, she smiled dazzlingly as if she was thrilled when Xiao Tian stated that they were a couple.

Bai Wenliang found it hard to believe what she was hearing. Earlier, she was only joking when she asked whether Xiao Tian and Lan Ruoxi were a couple or not because she knew that the age difference between them was quite huge.

Lan Ruoxi and she were the same age so she knew how old Lan Ruoxi was. And from his appearance, Xiao Tian was about twenty-five or twenty-six years old, so it was almost impossible for them to be a couple.

She didn't expect that Xiao Tian would say that Lan Ruoxi was his girlfriend. This made her turn her head towards Lan Ruoxi, "Really? He is really your lover?"

Because Xiao Tian wanted to pretend to be her lover, Lan Ruoxi decided to play along. "Yes. We are a couple."

Even though she had no idea why Xiao Tian suddenly said that she was his lover, but because she thought it would be interesting to pretend to be his lover, she didn't deny it.

"Ruoxi, I didn't expect you like a younger man. Is this the reason why you have been single for many years in the past?" because Lan Ruoxi and she were friends, she knew how many men desired to be Lan Ruoxi's lover but none of them could make it.

The last time Lan Ruoxi had a lover was when she was in university. After that, Bai Wenliang had never seen Lan Ruoxi being intimate with a man again.

Of course, Bai Wenliang knew that Lan Ruoxi often behaved seductively, but she also knew that Lan Ruoxi had never let any man touch her body.

Bai Wenliang even knew that in Lan Ruoxi's eyes, every man was trash who only thought with their lower part.

In the past, several men, who had a crush on her, tried to have their way with her, but because Lan Ruoxi was skilled in martial arts, she could beat all of them.

Of course, they had also tried to use their family's influence. However, when they learned her background, none of them dared to force her to be their lover anymore.

"Because the younger man is better than an older man." Lan Ruoxi knew that her words could cause misunderstanding, but she didn't care about it.

Since Bai Wenliang still doubted that Xiao Tian and Lan Ruoxi were a couple, she wanted proof. "If so, can you prove it to me?"

Upon hearing Bai Wenliang's words, Xiao Tian's lips curled into a smirk. Xiao Tian knew that Lan Ruoxi would not do anything to him later because she agreed to pretend to be his lover.

For this reason, Xiao Tian wanted to take advantage of the situation again.

"What do yo-" before Lan Ruoxi had finished her words, Xiao Tian grabbed her by the chin and kissed her cherry lips.

Due to how surprised she was, Lan Ruoxi widened her eyes. Not only Lan Ruoxi, but Bai Wenliang also widened her eyes in surprise. Bai Wenliang didn't expect that Xiao Tian would kiss Lan Ruoxi in front of her.

Chapter 448 - This World Is So Unfair!

8-10 minutes

Xiao Tian's actions much surprised Lan Ruoxi. However, because she said that she was his lover and it was not the first time for Xiao Tian to kiss her lips, she did nothing and only stared at him in the eyes.

'I didn't expect that he would kiss my lips in front of my friend. For now, I will let him do whatever he wants, but I will make him pay for it later. Hehe.'

Even though Lan Ruoxi was not angry with Xiao Tian, but because he was kissing her in front of her friend, Lan Ruoxi planned to make Xiao Tian pay for it later.

Of course, Xiao Tian also thought that Lan Ruoxi would do something to him later, but he didn't care about it because the most important thing was to punish her for always teasing him.

At this moment, Bai Wenliang covered her mouth and forgot to blink. Because Lan Ruoxi did nothing when Xiao Tian was kissing her, Bai Wenliang was sure that they were a couple.

"All right, I believe it, so stop it now!" even though she was in her early thirties, but Bai Wenliang was still shy when she saw them kissing in front of her.

After Xiao Tian stopped the kiss, he brought his face closer towards Lan Ruoxi's ears and whispered, "This is the punishment for always teasing me. Next time, it won't end with only a kiss on the lips."

Instead of feeling shy or afraid, Lan Ruoxi challenged him.

"I'm waiting, my lo-ver." Lan Ruoxi whispered back.

Of course, Xiao Tian had guessed that Lan Ruoxi would say something like that because she always teased him.

Lan Ruoxi then looked at Bai Wenliang and asked, "How is it? Do you believe it now?"

"Both of you don't need to do that in front of me, you know?" Bai Wenliang made an angry expression. "Are you making fun of me?"

When Lan Ruoxi saw the expression on Bai Wenliang's face, she could not help but giggle. "Don't tell me, you are still single now?"

Xiao Tian could not help from laughing when he saw Lan Ruoxi and Bai Wenliang. With this, he knew that Lan Ruoxi and Bai Wenliang were close friends.

"So what!" Bai Wenliang then turned her head towards Xiao Tian. "Xue Yang, let me tell you something. Even though Ruoxi is beautiful and sexy, but she can't cook or do laundry. I'm even sure she can't do any housework. Do you still want to be with her?"

Even though Bai Wenliang's words were a little harsh, but Lan Ruoxi was not angry with Bai Wenliang because she was used to Bai Wenliang's personality.

One of the reasons why Lan Ruoxi was still friends with Bai Wenliang was that Bai Wenliang was always loyal to her friend.

Not only did Bai Wenliang always say whatever she had in mind, but Bai Wenliang had never said any bad words behind her back.

"I know." Xiao Tian pretended as if he knew all about it.

'What?! So she can't do any housework?'

Even though Xiao Tian had suspected that Lan Ruoxi could not do any housework, but he was still surprised when Bai Wenliang said it.

"You already know about it?!" Bai Wenliang thought Xiao Tian didn't know that Lan Ruoxi could not do housework. That was why she was startled upon hearing his words. "This is unfair! Ruoxi, how could good things always come to you? Your lover even didn't complain when he learns that you can't do housework."

"Hehe." Lan Ruoxi laughed happily. "It seems like the goddess of luck never left my side."

"This world is so unfair!" At this moment, Bai Wenliang had forgotten that she was injured.

Since she talked with Xiao Tian and Lan Ruoxi, Bai Wenliang's mood turned better.

"Do you want me to introduce you to someone?" Lan Ruoxi inquired

"No." Bai Wenliang said as she shook her head. "I'm sure I will meet my future husband soon."

"That was what you said ten years ago." Lan Ruoxi said as she laughed.

"Ruoxi, you only have a lover, not a husband. So don't behave as if you are better than me." Since Lan Ruoxi was still not married, Bai Wenliang thought that their status was the same.

"Fine." Lan Ruoxi didn't want to tease Bai Wenliang again so she decided to stop. "By the way, where is your younger sister?"

"She is still working now." Bai Wenliang answered instantly. "Earlier, she wanted to visit me, but I said she could visit me after she came home from work. I don't have serious injuries, so I don't want to disturb her work."

"I see." Because visiting hours were over, Lan Ruoxi thought that Xiao Tian and she should leave.

"Visiting hours are over. I will come again tomorrow morning."

"All right." Bai Wenliang replied.

Because she pretended to be Xiao Tian's lover, Lan Ruoxi rose to her feet and hugged his right arm.

"Yang, let's go."

"All right." Xiao Tian then turned his head towards Bai Wenliang. "We are leaving."

"Hurry up and leave!" Bai Wenliang was annoyed when Xiao Tian and Lan Ruoxi behaved lovey-dovey in front of her.

"Hehe." Lan Ruoxi and Xiao Tian laughed after hearing Bai Wenliang's words.

Even though Bai Wenliang was in her early thirties, he didn't expect that she still behaved like a child.

After walking out of the patient room, Xiao Tian immediately said, "Your friend is interesting."

"Oh! Are you going to seduce my friend later?" Lan Ruoxi inquired.

Lan Ruoxi was only joking when she asked that. Even though she knew that Xiao Tian was a playboy, but she was sure that Xiao Tian would not seduce her friend because she believed that her friend was not his type.

"Why should I seduce another woman when I have a sexy and gorgeous lady like you." Xiao Tian replied instantly. "I'd rather spend time with you than seduce other women."

"Hehe." Lan Ruoxi could not help but laugh after hearing his words. "I'm sure if you see a prettier woman, you will forget what you just said."

"What are you talking about? Of course, I won't forget it because I'm not a playboy, you know?" Xiao Tian behaved as if he was not a playboy and only loyal to one woman.

"Hehe." Lan Ruoxi didn't expect that Xiao Tian still dared to say something like that. "Oh! I just remember that we still haven't had lunch. Shall we get something to eat?"

"All right." Actually, Xiao Tian was also hungry. "Do you want to eat at a restaurant?"

"No. Let's eat at the street vendor." At this moment, Lan Ruoxi didn't want to eat at the restaurant. That was why she said that she wanted to eat at a street vendor.

Even though Xiao Tian was surprised, but he didn't show it on his face. "All right."

Then Lan Ruoxi and Xiao Tian looked for street vendors around the hospital. After walking for about fifteen minutes, they finally found a street vendor that had many customers

Even though the place was outdoor, but because there were several trees around the street vendor, it made the customers feel relaxed.

"What do you want to eat?" Xiao Tian inquired.

"I want black pepper chicken and lemon tea" Lan Ruoxi replied.

"All right. Wait here. I will return after ordering the food and drinks." Because the customer had to give their order to the cashier, Xiao Tian walked towards the cashier after writing their orders.

Because of how beautiful and sexy she was, all men in the street vendor looked at Lan Ruoxi. They didn't expect that a lady like her would eat at a street vendor.

Of course, Lan Ruoxi knew that all men were staring at her, but she behaved as if they were air.

At this moment, two people, who just arrived, suddenly smiled evilly when they saw Lan Ruoxi. Their eyes were filled with lust when they saw her sexy body.

"Brother, look at that woman!" The blue-haired man said as he pointed his index finger towards Lan Ruoxi. "Not only is she pretty, but her body is so sexy."

"I know." The red-haired man replied as she nodded his head. "It seems like today is our lucky day. Hehe."

"Yes." The blue-haired man replied. "Let's sit with her."

After that, a blue-haired guy and red-haired man sat in front of Lan Ruoxi. After sitting, a red-haired man immediately spoke, "Beautiful lady, because you are alone, let us accompany you."

"That's right. Haha." The blue-haired man added.

At this moment, Lan Ruoxi's face darkened. She was furious because two people suddenly sat in front of her.

Chapter 449 - Honey, I'm Scared. Beat Them To Death!

7-8 minutes

"Who are you? Why are you sitting here?" Lan Ruoxi really wanted to beat the people who were sitting in front of her, but she still tried her best to hold back her anger.

From their expression, Lan Ruoxi suspected that they had bad intentions. Lan Ruoxi felt disgusted when she noticed their lustful eyes.

"Calm down, beauty. We don't have bad intentions. Because you are sitting alone, we just want to accompany you." The red-haired man said before turning his head towards his brother. "Isn't that right, brother Gui?"

"Yes," Gui replied as he nodded his head. "What brother Jinhai said is right. We only want to accompany you."

"It's them again."

"Yes. Those people always harass beautiful women."

"What are the police doing? Letting people like them do whatever they want."

"Don't ask me. I'm not a cop."

"What should we do? Should we help her?"

"She came with her boyfriend, so let her boyfriend handle it. I want to know whether her boyfriend will protect her or not."

"Good idea!"

"I also want to know about it."

"If her boyfriend doesn't protect her, we will protect her later. With this, we will win her heart and she will hate her boyfriend. It's like killing two birds with one stone."

"Brilliant!"

All the men, who were at the street vendors, decided not to help Lan Ruoxi right away because they wanted to know whether Xiao Tian would protect her or not.

When Lan Ruoxi noticed that they kept looking at her breasts, she could not hold back her anger anymore.

However, she suddenly remembered of Xiao Tian. Her lips curled into a smirk because she thought it was a perfect time to make Xiao Tian pay for kissing her in front of her friend earlier.

For this reason, Lan Ruoxi pretended to be a weak girl. "Leave me alone! Otherwise, my boyfriend will beat you all."

"Haha." Gui and Jinhai were not afraid when Lan Ruoxi was threatening them.

At this moment, Xiao Tian, who just returned from ordering food and drinks, said coldly. "Who are you?"

Xiao Tian was furious when those two people had bad intentions towards Lan Ruoxi. It was not like he was jealous or something like that.

With those two people having bad intentions towards Lan Ruoxi, Xiao Tian knew that they would not be able to eat peacefully.

He was starving because he hadn't had lunch and here, they wanted to disturb them.

"Her boyfriend has returned."

"This will be interesting."

"I want to know whether he will be able to protect her or not."

"We will know about it later."

When all men noticed Xiao Tian, they wanted to know what Xiao Tian would do when Xiao Tian learned that Gui and Jinhai were having bad intentions towards Lan Ruoxi.

Xiao Tian was annoyed when he noticed all men staring at him. Because none of them helped Lan Ruoxi and they also didn't show any expressions of fear towards Gui and Jinhai, he knew what they were thinking.

'I see! So all of you want to take advantage of the situation later, huh?'

Even though Xiao Tian was angry because none of them helped Lan Ruoxi, but he could not yell at them. They were strangers and had no relationship with him, so if he yelled at them, they would be angry with him.

When Lan Ruoxi saw Xiao Tian, she instantly rose to her feet and dashed towards Xiao Tian.

"Honey, they want to do bad things to me. Beat them to death!" Lan Ruoxi pointed her index finger towards Gui and Jinhai.

Since she decided to pretend to be a weak woman, Lan Ruoxi made a terrified expression as if she had just seen a ghost.

Her body was trembling and tears formed in her beautiful eyes. Because of how perfect her acting was, none of them knew that Lan Ruoxi was a martial arts expert.

Xiao Tian shifted his gaze from Gui to Lan Ruoxi.

'Hey, hey, hey! What is this? Aren't you a martial arts expert? They are only a delinquent. I'm sure you can beat them easily, so why are you pretending to be terrified like this?'

At first, Xiao Tian had no idea why Lan Ruoxi was pretending to be a weak woman. However, when he remembered what he did to her in the hospital earlier, he finally understood why she didn't beat Gui and Jinhai.

"Beauty, just forget him because we are much better than him. Look at him! His body looks so weak and he also has no muscles. We are one hundred times better than him." Gui said before turning his head towards Jinhai. "Isn't that right, brother Jinhai?"

"That's right," Jinhai answered instantly. "Not only are we more manly than your boyfriend, but I'm sure we're also much better in bed than your lover."

"Yes. Just forget him and become our woman. We will make you happy every day. Haha." Gui was sure that Xiao Tian would not dare to do anything to them because, in his eyes, Xiao Tian was a coward.

"Ho-honey, I'm scared. Beat them to death!" Lan Ruoxi grabbed his shirt and hid behind him as if she was really scared of Jinhai and Gui.

"What?! Beauty, did you think that your boyfriend can beat us? It's funny. Haha." because Xiao Tian looked like a weak man, Jinhai thought Xiao Tian would not dare to do anything to them.

"I'm sure your lover is scared right now but pretending to be brave because you are beside him," Gui added.

"My lover is strong." Lan Ruoxi answered instantly. "You two will regret it later."

'Why haven't those two fools attacked young master Xiao yet? What should I do to make them attack him?'

Because Lan Ruoxi wanted to take revenge on Xiao Tian, she was unhappy when Gui and Jinhai were just talking and still hadn't attacked Xiao Tian.

"Strong? Did I hear it correctly?" Gui said before turning his head towards Jinhai. "Brother, did you hear what she just said?"

"Beauty, how could you say that your lover is strong. Look at his body! I'm sure it only took me one hit to knock him out." Jinhai decided to humiliate Xiao Tian so that Xiao Tian would lose face in front of his lover.

"Honey, he is humiliating you. Hurry up and beat them to death!" Even though Lan Ruoxi wanted Xiao Tian to fight Gui and Jinhai, but she would still help Xiao Tian if Xiao Tian could not beat Gui and Jinhai later.

She only wanted to make Xiao Tian fight Gui and Jinhai as a punishment for kissing her in front of her friend earlier.

"Leave now! Don't disturb us. I'm not in good mood now." Xiao Tian said coldly.

"Eh! What is this? Do you think you can beat us?" Jinhai found it hard to believe what he was hearing.

All this time, Xiao Tian was silent like a coward, so when Xiao Tian suddenly behaved like a hero, Jinhai thought Xiao Tian didn't want to lose face in front of his lover.

"I will count to three. If you are still here, don't blame me for beating you two later." Because his reputation was on the line, Xiao Tian knew that he had to fight them.

"Haha. Brother, let's beat him!" Jinhai was unhappy when Xiao Tian was acting like a hero.

Without waiting for another second, Jinhai and Gui threw their fists towards Xiao Tian's face.

Chapter 450 - Fighting Jinhai And Gui At Street Vendor

9-11 minutes

As Jinhai and Gui were throwing their fists towards Xiao Tian's face, Xiao Tian didn't move, not even by an inch. At this moment, everyone, who saw Xiao Tian, thought that Xiao Tian was too scared to move his body.

But they were wrong. They were utterly wrong because before Jinhai and Gui could hit Xiao Tian's face, Xiao Tian caught their punch with his hands.

*Silent.

The entire area dropped into silence.

Xiao Tian's actions much surprised everyone. Because Xiao Tian looked like a weak young man, they didn't expect Xiao Tian was able to catch the punch of Jinhai and Gui.

Not only that, but Xiao Tian still had a calm expression as if the ones who wanted to hit him were children.

They didn't expect that the young man, who they thought weak and a coward, did something unexpected in front of them.

The expression of deep shock emerged on the faces of Jinhai and Gui. They also found it hard to believe that Xiao Tian was able to catch their punch. Catching a punch was extremely difficult and dangerous because they needed power and speed to do that.

If their movement were slower than their opponent's move, they would get hit before they could catch their fist, and if their strength were weaker, it would be pointless to catch their punch because they would still get hit.

That was why only people, who were skilled in martial arts and believed that they were stronger than their opponent, dared to do that.

'How could this be?'

Because Xiao Tian looked like someone who had never learned martial arts, Jinhai and Gui still could not believe what was happening.

Their bodies were bigger than Xiao Tian's body, and they didn't see any muscles on Xiao Tian's body, so they thought Xiao Tian was much weaker than them.

However, because Xiao Tian could catch their punch with a calm expression, they knew that Xiao Tian's strength was stronger than theirs.

Due to how strong Xiao Tian grasps were, Jinhai and Gui were unable to free their hands from his grasp.

After catching their fist, Xiao Tian kicked their chins. Because of how fast his kicks were, Jinhai and Gui were unable to block or dodge it.

Not only did Xiao Tian kick their chins, but when they were thrown into mid-air, he also kicked their mid-torso.

*Bruak...

Jinhai and Gui were thrown back two meters and landed on the table before finally falling to the floor.

Due to how strong Xiao Tian's kicks were, blood dripped down from the corner of their mouths. Of course, Jinhai and Gui rose to their feet immediately and attacked Xiao Tian again.

Because it was street fighting, Jinhai didn't care about fighting fairly. He immediately grabbed a stool and threw it towards Xiao Tian.

Xiao Tian had guessed that Jinhai and Gui would use anything in the fight, so he was not surprised when Jinhai threw a stool towards him.

Because Lan Ruoxi was pretending to be a weak woman, Xiao Tian knew that she would not defend herself, and he had to protect her.

Xiao Tian was sure if something happened to her, her friend or everyone at the street vendor would blame him.

Even though Xiao Tian was annoyed by her actions, he had to protect her because, at that time, everyone thought that she was his lover, so as her boyfriend, he needed to protect her.

Because Lan Ruoxi was standing behind him, Xiao Tian knew that she would get hit by the stool if he dodged it.

For this reason, Xiao Tian grabbed her waist with his right hand and moved to the right side to avoid the stool.

When Jinhai and Gui learned that Xiao Tian was fighting them while protecting Lan Ruoxi, their mouths suddenly curved up into a sinister grin.

They knew it was hard to fight while protecting someone, so they wanted to take advantage of the situation.

Lan Ruoxi had pissed them off several times, so they didn't care about her. Their main purpose was to sleep with her, so as long as she was still alive, they didn't care whether she would get hurt by them or not.

And like before, Jinhai grabbed a stool again. However, this time, he didn't throw it; instead, he used it as a weapon.

When Gui noticed a stick near him, he immediately grabbed it. Without waiting for another second, Gui swung the rod vertically.

In order to avoid Gui's attack, Xiao Tian grabbed Lan Ruoxi's waist and dragged her to the left side. After that, Xiao Tian kicked Gui's right arm, causing the stick to fly high into the air.

Because Xiao Tian thought it was a perfect time to attack Gui, Xiao Tian threw a kick towards Gui's mid-torso.

However, Gui noticed it and immediately placed both of his hands in front of his mid-torso to block Xiao Tian's attack.

Before Xiao Tian's kick landed on Gui's mid-torso, he changed his aim to Gui's face because Gui would be able to block his kick if he still attacked Gui's mid-torso.

Because Gui thought Xiao Tian would attack his mid-torso, he didn't have time to block or dodge when Xiao Tian threw a kick towards his face.

*Uaakk.

Blood splashed out of his mouth when Gui was sent flying by Xiao Tian's kick.

At this moment, Lan Ruoxi was surprised when she noticed that Xiao Tian could change his aim when he was attacking.

Changing attack patterns was challenging to do, and not all martial artists were able to do it because they had to have sharp eyesight and quick reflexes to do that.

Usually, only people, who were genius in martial arts or experienced martial artists who've fought countless times, could do something like that.

Because Xiao Tian was still young, Lan Ruoxi was sure that he was a martial arts genius. She didn't expect that she would meet two geniuses in martial arts in her lifetime.

With this, Lan Ruoxi wondered who was the more genius between Xiao Tian and Zhao Sheng in martial arts.

As Gui was lying on the ground, Jinhai attacked Xiao Tian with a stool. And like before, Xiao Tian grabbed Lan Ruoxi's waist to avoid the attack.

At that time, the stick that was thrown into the mid-air fell in front of Xiao Tian. Because Xiao Tian was grabbing Lan Ruoxi's waist with his right hand, he caught the stick with his left hand and attacked Jinhai's head with it.

At first, Jinhai could block Xiao Tian's attack with the stool. However, because of how fast Xiao Tian's attacks were, Jinhai began to get hit by Xiao Tian's attacks.

It was not only his head that was hit by the stick, but the stick also hit his hands, waist, and mid-torso. Because Xiao Tian didn't stop attacking him, Jinhai's head was covered in blood.

*Fall....

Because Jinhai felt so much pain and Xiao Tian was still attacking him, he fell to the ground. At this moment, Jinhai could no longer move his body and only stare at Xiao Tian.

"Die!" Gui roared as he was throwing his fist towards Xiao Tian.

Even though Gui suddenly attacked him from behind, Xiao Tian didn't panic; instead, he lifted Lan Ruoxi and spun her around.

Because Lan Ruoxi was a master martial artist, she knew what Xiao Tian had in mind. For this reason, when Xiao Tian was spinning her, Lan Ruoxi threw a kick towards Gui's head.

*Bruak...

Gui instantly fell to the ground after getting hit on the head by Lan Ruoxi.

The expression of deep shock emerged on the faces of everyone. Because Xiao Tian looked like a weak young man, they thought Jinhai and Gui would beat Xiao Tian instantly.

However, they were wrong because the ones, who were lying on the ground, was not Xiao Tian, but Jinhai and Gui.

Not only that but from how Xiao Tian fought Jinhai and Gui, they knew that Xiao Tian was good at fighting. This made them not dare to provoke Xiao Tian anymore.

When Xiao Tian saw the place was in a mess because of him, he suddenly felt guilty to the owner. He turned around to see the owner of the street vendor.

The street vendor owner, who was already in his sixties, was sitting on the floor with his body trembling non-stop.

Xiao Tian could only sigh after seeing him. He shifted his gaze from the street vendor owner to Lan Ruoxi.

"Honey, why are you looking at me like that?" of course, Lan Ruoxi knew what Xiao Tian had in mind, but because she didn't want to be blamed, she pretended as if she didn't know anything.

Xiao Tian brought his face closer towards her right ear and whispered, "Lady Lan, because of your bad behavior, I have to take responsibility now. Don't think that I will let you free after this."

Like usual, Lan Ruoxi was not afraid of his threats and whispered back. "This is the price for kissing me in front of my friend."

Xiao Tian then grabbed Gui and placed him next to Jinhai.

"What is he doing?"

"I don't know."

"Does he still want to beat them up?"

"Maybe he is still furious."

"But those people can no longer move their bodies. Isn't it too cruel to beat them at that state?"

"Yes. I think so too."

Everyone at the street vendor was curious about what Xiao Tian wanted to do to Gui and Jinhai. The expression of deep shock emerged on their faces when they saw what Xiao Tian did to Jinhai and Gui.
