Chapter 461 - I Accept It

However, when Xiao Tian's lips were close to hers, Lan Ruoxi put her index finger on his lips to stop him. "Are you going to kiss me in a public place again?"

"But didn't you say that we are lovers? Isn't kissing something normal for lovers?" Xiao Tian shamelessly said that. At this moment, their faces were still close.

"Hehe. It seems like you want to take advantage of the situation again, huh?" even though they were pretending to be a couple, but Lan Ruoxi would not let Xiao Tian kiss her as he pleased, especially in the public places.

Because Lan Ruoxi stopped him from kissing her, Xiao Tian didn't try to kiss her again. "Well, even though I failed to kiss you just now, but I will kiss you again if you dare to tease me."

"You should kiss your girlfriends instead." Lan Ruoxi replied.

"How could I do that? They are in Shanghai and I'm in Beijing right now." Xiao Tian responded instantly. "If they were here with me, I would have kissed them."

Xiao Tian didn't feel shy when he said it because Lan Ruoxi knew that he had several women.

"You have their pictures, right?" Lan Ruoxi spoke and paused for a second before she continued, "If so, you can kiss their pictures. Isn't it the same?"

The corner of his lips twitched after hearing her words. "It's not the same because I can't feel their soft lips or cheeks."

Of course, kissing their pictures was different than kissing them because if he kissed their pictures, he felt nothing.

"Hehe." Lan Ruoxi laughed when she saw his expression.

Xiao Tian and Lan Ruoxi enjoyed the beauty of Beijing until 10:00 pm before finally, they returned to the hotel.

Currently, Xiao Tian was in his room alone. After they arrived at the hotel, Lan Ruoxi immediately went to her room because she was tired.

'Today, a lot of things happened. Well, luckily nothing bad happened to me.'

As Xiao Tian was lying on the bed, he remembered that a lot of things happened to him in a day. From he fought Jinhai and Gui at the street vendor because of Lan Ruoxi, many people chased him when he kissed Lan Ruoxi in a public place until Yi Wenxin almost killed him with her gun.

Several bad things happened in a day. But of course, there were also good things that happened to him.

'I hope that person will find me tomorrow.'

Xiao Tian really wanted to hire the person who could dodge all his attacks. With the help of that person, he was sure that his path to becoming the richest person would be easier.

When Xiao Tian remembered the person he wanted to hire, he suddenly recalled the lady that he had helped.

'I forgot to ask Lan Ruoxi about that lady.'

At first, Xiao Tian wanted to head to Lan Ruoxi's room to ask her about the lady's identity but decided not to do that because earlier, Lan Ruoxi said that she wanted to sleep because she was tired.

Xiao Tian didn't want to disturb her time. That was why Xiao Tian intended to ask her tomorrow. Because Xiao Tian was bored, he decided to watch TV in his room.

He watched TV until 11:50 pm before finally, he slept.

The following morning, Xiao Tian immediately took a shower after waking up. Because he still wanted to relax, Xiao Tian watched TV again.

Not long after that, the receptionist informed him that someone was looking for him. This made Xiao Tian happy because he knew it was the person that he wanted to recruit.

Without waiting for another second, Xiao Tian headed to the lobby. And what Xiao Tian had guessed was right because when he stepped into the lobby, he saw the person he wanted to hire.

When Xiao Tian was in front of that person, he immediately spoke, "Hey, I'm glad you came to find me."

The young man instantly rose to his feet when he saw Xiao Tian. "I want to know the job that you were talking about yesterday."

"Went straight to the point, huh?" Xiao Tian spoke and paused for a second before he continued, "Let's head to my room. This is not a good place to talk."

Because Xiao Tian thought the lobby was not a good place to talk about it, he wanted to bring the young man to his room,

The young man was surprised upon hearing Xiao Tian's words. They only wanted to talk about the job, so why did Xiao Tian say that the lobby was not a good place to talk about the job?

This made the young man think that Xiao Tian would give him a dirty job.

"Why do you want to talk in your room? Is it a dirty job?" The young man said in a low voice because he didn't want other people to hear it.

Upon hearing the young man's words, Xiao Tian stopped his footsteps and looked at the young man.

"No! You don't need to worry about it. I'm not doing dirty business."

"So what is it?" the young man was still curious and wanted to know because it would be his future job.

"You will know the reason later." Xiao Tian didn't want to explain it because he didn't want other people to hear it.

Because Xiao Tian didn't want to explain it, the young man had no choice but to follow Xiao Tian. If he didn't like the job later, he could refuse it, so there was nothing to lose about it.

After they entered Xiao Tian's room, they sat on the couch.

"So, what is the job you were talking about yesterday?" the young man asked again.

The corner of Xiao Tian's lips twitched after hearing the young man's words. "Should not you introduce yourself first?"

"I'm Mu Huo." Mu Huo replied. "So, can you tell me about the job now?"

Xiao Tian could only sigh after seeing Mu Huo's behavior.

"As I said yesterday, my name is Xue Yang." At this moment, Xiao Tian still didn't want to tell his true identity to Mu Huo because he wanted to make sure that Mu Huo accepted the job first before telling his real identity to Mu Huo. "Your job is to teach my underlings martial arts and help me if I have a problem."

"Teach your underlings martial arts? Are you a leader of a gang?" after hearing Xiao Tian's words, Mu Huo suddenly thought that Xiao Tian was a leader of a gang.

"Yes." Xiao Tian gave him an honest answer. "The name of my gang is Blue Ice Lotus gang."

"Blue Ice Lotus gang?" Mu Huo tried to remember all the names of the gangs in Beijing. But still, he didn't remember a gang with a name like that. "I never heard that."

"You won't know about it because I'm from Shanghai." Xiao Tian had guessed that Mu Huo would say something like that.

"So, you're from Shanghai." Mu Huo finally understood why he had never heard of the Blue Ice Lotus gang. "Wait! So, you want me to go to Shanghai too?"

"Yes." Xiao Tian answered instantly. "How is it?"

At this moment, Mu Huo didn't answer immediately because he had to think about it carefully. After thinking for about five minutes, he suddenly wanted to know about the salary. "How about the salary?"

"7,000 Yuan per month. As for information, the average salary in Shanghai is 2000-3000 Yuan per month so your salary is twice as high as the average salary." With Mu Huo's skill in martial arts, paying him twice the average salary was worth it in Xiao Tian's eyes.

Xiao Tian was even sure if other people knew Mu Huo's skill in martial arts, they would pay higher than that because actually, that price was not equal with Mu Huo's skill in martial arts.

Of course, Xiao Tian would raise Mu Huo's salary if Mu Huo wanted it. But Xiao Tian would not say it if Mu Huo didn't say it.

After knowing the salary, Mu Huo suddenly wanted to accept the job because the payment was good. It was hard to find such a high paying job.

"How is it?" Xiao Tian inquired

Mu Huo didn't answer immediately and still thought about it. He was wavering whether he should accept it or not.

But after thinking carefully, Mu Huo decided to accept the job. "I accept it."

"Perfect!" Xiao Tian was pleased after hearing Mu Huo's words. Because Mu Huo had accepted the job, he took off his silicon head mask and introduced himself again. "Let me introduce myself again. My name is Xiao Tian."

Chapter 462 - Going To The Hospital With Lan Ruoxi Again

6-7 minutes

The expression of deep shock emerged on Mu Huo's face when he found out the person who was sitting in front of him was Xiao Tian.

Of course, he knew who Xiao Tian was because Xiao Tian was a famous young man who could raise his family status from the lower-class to the middle-class in a short amount of time.

Even though Xiao Tian had a scandal not long ago, but it was because the Hong family manipulated everything. That was why Xiao Tian's reputation was still good in everyone's eyes.

Actually, Mu Huo was also curious about Xiao Tian when he first saw Xiao Tian in the magazine because Xiao Tian was one of the fastest successful people. Not only that, but Xiao Tian built his company from scratch.

Mu Huo just didn't expect the person who offered him the job was Xiao Tian. "Xiao Tian?"

"Yes. I'm Xiao Tian." Xiao Tian had guessed that Mu Huo would be surprised when Mu Huo found out about his true identity.

"Why did you wear a silicone head mask earlier?" Mu Huo asked curiously. "Does someone want to harm you?"

The reason Mu Huo thought someone wanted to harm Xiao Tian was that something similar had happened to Xiao Tian or some other famous people.

"No." Xiao Tian answered instantly. "The reason I wear a silicone head mask is to avoid unnecessary trouble."

"Unnecessary problem?" Mu Huo had no idea what Xiao Tian meant by the unnecessary problem.

"Well, it's like this." Xiao Tian began to explain everything to Mu Huo.

"I see." After Xiao Tian finished telling everything, Mu Huo understood why Xiao Tian decided to hide his identity.

"Because you agreed to work under me, give me your phone number so that I can call you if I need you later." Xiao Tian had the feeling that he would get into a problem again because of Lan Ruoxi.

With him having Mu Huo's phone number, it would be easy for him to contact Mu Huo if he needed Mu Huo's help.

Without waiting for another second, they exchanged phone numbers. "Oh, right, I will go to Shanghai after my younger brother recover. I hope you are fine with it."

Currently, his younger brother was still in the hospital, so he wanted his younger brother to recover first before they went to Shanghai.

"I'm fine with it." Xiao Tian understood Mu Huo's situation. That was why he didn't want to make it hard for Mu Huo.

As Xiao Tian and Mu Huo were talking, suddenly someone knocked on the door. "Yang, open the door."

"Wait here. I want to open the door first." From the voice, Xiao Tian knew it was Lan Ruoxi. That was why Xiao Tian wanted to open the door.

"All right." At this moment, Mu Huo was curious about Lan Ruoxi. What kind of woman would give Xiao Tian a problem later?

When Lan Ruoxi entered the room, she was startled when she saw Mu Huo. "Who is he?"

"He is a martial arts expert who will work under me." Xiao Tian gave her an honest answer. "He will teach my gang martial arts later."

"Hello, Miss. My name is Mu Huo." Mu Huo immediately introduced himself when he saw Lan Ruoxi.

'Now I know why my boss said that he would get a problem at the banquet later.'

Even though Mu Huo knew that Lan Ruoxi was older than him, but with her pretty face and sexy body, he was sure that many men desired to make her their girlfriend.

"Hello. I'm Lan Ruoxi." Lan Ruoxi introduced herself.

She didn't say that she was Xiao Tian's lover because she knew that Xiao Tian had told Mu Huo everything.

She just didn't expect that Xiao Tian would find a martial arts expert when they were in Beijing. Even though she had no idea how skilled Mu Huo was in martial arts, but she didn't say anything about it because Xiao Tian had hired Mu Huo to work under him.

Lan Ruoxi believed that Xiao Tian would not hire just anyone. She was even sure that Xiao Tian had tested Mu Huo's skill in martial arts.

Lan Ruoxi then returned her attention to Xiao Tian and spoke, "Yang, let's go to the hospital."

The reason Lan Ruoxi came to his room was that she wanted to take Xiao Tian to the hospital. She was pretending to be his lover, so if she came to the hospital alone, her friend would be suspicious of her later. In order to avoid that, Lan Ruoxi wanted to go to the hospital with Xiao Tian.

"All right." Even though Lan Ruoxi didn't say the reason why she wanted to go to the hospital with him, but Xiao Tian could guess it. Xiao Tian then looked at Mu Huo and spoke, "Mu Huo, I will contact you if I need your help. I want to go to the hospital now."

"All right." Mu Huo replied.

As Xiao Tian and Lan Ruoxi went to the hospital, Mu Huo traveled to his home because there was something that he wanted to do.

"Yang, where did you find a martial arts expert?" Lan Ruoxi asked curiously

Currently, Lan Ruoxi and Xiao Tian were in a taxi.

"Well, it's like this." Xiao Tian began to explain everything to Lan Ruoxi.

"So, the reason why you took so long to go to the restroom was because of that?" Lan Ruoxi replied.

"Yes." Xiao Tian responded as he nodded his head. "Ruoxi, how about we rent a car later?"

Xiao Tian thought it would be better to rent a car rather than take a taxi every time they wanted to go somewhere.

Traveling by taxi was so expensive so with renting a car, not only could they save money, but it would be easier to go to any places they wanted.

"All right." Lan Ruoxi also had the same thought as Xiao Tian.

Not long after that, Lan Ruoxi and Xiao Tian arrived at the hospital. Without waiting for another second, they headed toward Bai Wenliang's room.

After opening the door, Lan Ruoxi immediately spoke, "Wenliang, I've come to visit you."

Chapter 463 - He Is Indeed A Pervert

7-8 minutes

Bai Wenliang was pleasantly surprised when Lan Ruoxi and Xiao Tian visited her again. "Ruoxi, Xue Yang, I'm happy you two came to visit me again. Come and sit."

Because there was only one chair, Lan Ruoxi made Xiao Tian sit on the chair. Her actions much surprised Bai Wenliang and Xiao Tian.

"Ruoxi, you can sit on the cha-" because they were pretending to be a couple, he had to treat Lan Ruoxi special. That was why Xiao Tian wanted to let her sit on the chair.

However, before Xiao Tian had finished his words, Lan Ruoxi sat on his lap and spoke, "There is only one chair here, so I will sit on your lap."

"Good idea!" Even though her actions much surprised him, Xiao Tian didn't show it on his face and behaved as if Lan Ruoxi always sat on his lap. They were pretending to be a couple, so Xiao Tian had to act naturally.

At this moment, Bai Wenliang stared at Xiao Tian and Lan Ruoxi intently. The smile on her face froze when Lan Ruoxi suddenly sat on Xiao Tian's lap.

"Ruoxi, are you making fun of me again?" Bai Wenliang thought Lan Ruoxi wanted to tease her. That was why she was unhappy when she saw them.

When Lan Ruoxi saw the expression on Bai Wenliang's face, she could not help but giggle. "Hehe. Please don't blame me. There is only one chair in this room."

Bai Wenliang became even more annoyed when he noticed Xiao Tian wrapping his arms around Lan Ruoxi's waist.

"You two, stop being intimate right now!" Bai Wenliang said with an angry face. "Hmf! I suddenly want to sleep. You two can go home now."

"Yang, she said she wants to sleep. Let's leave now." Lan Ruoxi knew that Bai Wenliang would stop them from leaving. That was why Lan Ruoxi dared to say something like that.

At this moment, Xiao Tian didn't understand what she was thinking. But because Lan Ruoxi said something like that, he immediately replied, "All right. Lady Bai, we are leaving now. Please eat the fruit so that you can get well soon."

And what Lan Ruoxi had guessed was right because when Xiao Tian and Lan Ruoxi were about to leave, Bai Wenliang stopped them. "Wait! I suddenly don't want to sleep. You two can stay here. But can both of you not lovey-dovey in front of me?"

"What are you talking about?" Lan Ruoxi replied. "We are not lovey-dovey. It's just there is only one chair in this room."

"Yes." Of course, Xiao Tian didn't mind it because he could take advantage of the situation later.

Because there was only one chair and Bai Wenliang didn't want to see Xiao Tian and Lan Ruoxi lovey-dovey again, she immediately spoke, "Ruoxi, you can sit on the bed with me."

"Wenliang, the bed is reserved for the patient, not for the visitor." Lan Ruoxi replied instantly. "Doctors will scold me if they find out I will sit on the bed later."

At this moment, Xiao Tian had sat on the chair. Because he wanted to make Lan Ruoxi sit on his lap again, he grabbed her right hand and pulled her towards him.

Even though his actions surprised her, but Lan Ruoxi only smiled. "Yang, you are indeed a bad boy!"

"Hmf!" Bai Wenliang crossed her arms over her chest and turned her head to the left side.

"Hehe." When Xiao Tian and Lan Ruoxi saw Bai Wenliang's behavior, they could not help but laugh.

Even though Bai Wenliang was unhappy when she saw Lan Ruoxi sitting on Xiao Tian's lap, but this time, she said nothing about it. "I didn't expect that you two would come so early in the morning."

"Well, because I want to know about your condition." Lan Ruoxi replied instantly

Upon hearing Lan Ruoxi's words, Bai Wenliang was touched, "Ruoxi...."

Even though Lan Ruoxi often teased her, but Lan Ruoxi also cared about her. That was why Bai Wenliang was pleased when she could see Lan Ruoxi again.

At this moment, Xiao Tian was wrapping his arms around Lan Ruoxi's waist again. Because she was sitting on his lap, Xiao Tian could smell her fragrance.

This made Xiao Tian want to take advantage of the situation again. That was why he placed his head on her left shoulder so that he could smell her hair.

Of course, Xiao Tian knew that he was behaving like a pervert, but he didn't care about it because he wanted to take revenge on her for making him nearly went to jail yesterday.

'This is your punishment for causing trouble to me yesterday.'

Even though Lan Ruoxi knew that Xiao Tian would take advantage of the situation, she didn't expect that he would do that quickly.

'Hehe. This young man really never let a good chance slip by. Even though he has several women, he still dares to do this to me.'

Actually, Lan Ruoxi wanted to stop him from taking advantage of the situation, but because they were pretending to be a couple, she decided not to do that.

Of course, she would get her revenge on him later. But at that time, all she could do was be patient.

When Bai Wenliang saw what Xiao Tian was doing, she immediately looked at Lan Ruoxi and spoke, "It seems like your lover is a pervert!"

"Yes. He is indeed a pervert!" instead of defending Xiao Tian, Lan Ruoxi agreed to Bai Wenliang's words.

Upon hearing their words, Xiao Tian cleared his throat and spoke, "Ehm. What do you mean by that, ladies?"

"We only said that you are a pervert." Bai Wenliang replied. "Even your lover agrees with me."

Like before, Lan Ruoxi didn't defend Xiao Tian and only giggled. Even though she could not get her revenge on him at that time, but at least Bai Wenliang was humiliating him by saying that he was a pervert.

"Ruoxi, don't tell me that your lover always wants to have sex with you every day." Because she thought Xiao Tian was a pervert, Bai Wenliang suddenly suspected that Xiao Tian always wanted to have sex with Lan Ruoxi every day.

Upon hearing Bai Wenliang's words, Lan Ruoxi's lips curled into a smirk. She thought it was a perfect time to make Xiao Tian more embarrassing.

For this reason, Lan Ruoxi immediately spoke, "Yes. You are right. He always wants to have sex with me. Even last night, he keeps fucking me until my vagina hurt so much. You know what? When we come out

of our room this morning, everyone keeps telling him that he is a pervert. He even tries to have his way with me in the lobby hotel."

Even though they didn't do anything last night because Lan Ruoxi wanted to embarrass him, she pretended as if they had wild sex last night.

"What? Really?" Bai Wenliang thought what Lan Ruoxi just said was the truth.

"Yes." Lan Ruoxi replied as she nodded her head.

At this moment, his value as a man dropped significantly in Bai Wenliang's eyes. She even thought that the reason Xiao Tian made Lan Ruoxi his woman was that he wanted to enjoy Lan Ruoxi's body every day.

"No. lady Bai, what my lover said is a lie. I didn't do that." Xiao Tian tried to defend himself because it was related to his pride.

However, Bai Wenliang didn't believe his words. "Do you think I will believe your words?"

Lan Ruoxi whispered in his ears. "This is the punishment for daring to take advantage of the situation."

Chapter 464 - I Really Like This Type Of Ass

6-8 minutes

The corner of his lips twitched upon hearing Lan Ruoxi's words. Because she had said something like that, Xiao Tian decided to play along. "Ruoxi, my love. Didn't you say that you also like having sex with me? You even said that I'm the most skilled one and the first person ever to satisfy you in bed."

Bai Wenliang returned her gaze to Lan Ruoxi and asked, "What? You said something like that?"

At this moment, Lan Ruoxi wanted to deny it, but she had no idea how to do that. She was sure whatever she said, Xiao Tian would be able to counter it.

Even though she knew Xiao Tian was a playboy, but she didn't expect that he was also so shameless. He even said something like that with a straight face as if it was a normal thing. Lan Ruoxi suddenly thought that she made the wrong move.

Because Lan Ruoxi was still silent, Bai Wenliang thought what Xiao Tian just said was the truth. "I didn't expect that you are also a pervert, Ruoxi."

Lan Ruoxi wanted to find a way to embarrass Xiao Tian again but to no avail. For this reason, she only stared at him and sighed.

This made Xiao Tian laugh in his head.

'Who told you to do this to me? Haha'

Xiao Tian was pleased when he noticed Lan Ruoxi's hopeless expression. Even though he was still a pervert in Bai Wenliang's eyes, but at least Lan Ruoxi was also a pervert.

*Golden Bag company headquarters.

Inside a company, two people were talking in one of the offices; an adult man and a young woman.

The man was sitting on a work chair, and a beautiful woman was standing in front of him.

"Manager Jiwu, these are documents that are requiring your signature." The gorgeous lady placed the documents on the desk.

However, instead of checking the documents immediately, Jiwu stared at the gorgeous lady who was standing in front of him.

Her pretty face and smooth skin made Jiwu desire to spend the night with her. For this reason, he rose from his seat and walked towards the pretty lady.

As he was walking towards her, his lustful eyes never left her body, and the smile on his face grew bigger when he saw her big breasts.

Because he was her supervisor, he didn't hide his lustful expression. He was even sure that he could bed her later.

That was why, when he was next to her, Jiwu instantly grabbed her sexy ass and fondled it. "Bai Zhenya, you really have a sexy ass. It's so soft and big. I really like this type of ass."

"Manager Jiwu, please stop it." Bai Zhenya instantly tried to make him stop fondling her ass.

However, Jiwu kept fondling her ass. Not only that, he even tried to squeeze her breasts too. He believed that Bai Zhenya would not dare to say anything later. That was why Jiwu dared to do something like that.

Because she was only an employee with low status, and Jiwu was the Golden Bag company manager, Bai Zhenya only tried to stop him.

She didn't scream or ask for help because she knew that other employees would not dare to help her.

That was why Bai Zhenya only wanted to get out of his office, "Manager Jiwu, I still have work, so I want to return to my desk now."

"Miss Bai, why do you want to return to your desk immediately? I still need you here. You still haven't explained what I should do, right?" of course, Jiwu would not let Bai Zhenya go easily.

He had his eyes on Bai Zhenya since he first saw her. Because it was a perfect time to take advantage of the situation and bed her, he would not let the chance slip by easily.

His actions disgusted Bai Zhenya. He was in his early forties, but he still dared to do something like that.

'It seems like he only thinks with his lower part. I'm sure this is the reason why he is still single until now.'

Everyone in the company knew that Jiwu was still single despite already forty years old. Not only that, but all his subordinates knew that he was a pervert and had frequently used his status to harass his subordinates.

Bai Zhenya was not the first female he tried to harass because many women had been victims of his lust before her.

Due to his behavior, some of his subordinates resigned from their jobs, but of course, some of them chose to satisfy him.

Jiwu was a manager at a well-known company, so they benefited from satisfying him in bed. That was why he still dared to harass his subordinates because, until now, none of his subordinates dared to report his behavior to a higher-up.

All the women who became victims chose between resigning from the company or satisfying him. Because Bai Zhenya had no strong family background and only a low-status employee, Jiwu was sure that she would not say anything about him.

And if she reported him, he could use his status to protect him and fire Bai Zhenya. This made Jiwu bolder than before.

"Miss Bai, how about we have dinner together tonight?" even though Jiwu's words looked like he invited her to dinner in a good manner, but from his expression, anyone could tell that he had ulterior motives.

"Sorry, manager Jiwu, I can't do that. I have to visit my sister in the hospital later." Of course, Bai Zhenya knew that Jiwu had ulterior motives because his expression and behavior were like a pervert.

"Don't worry. Before having dinner, we can visit your sister together later." At this moment, Jiwu was still fondling her ass.

Of course, Jiwu knew who her sister was because her sister was as gorgeous as her. That was why he said something like that because he hoped that he could bed her sister too.

It would be thrilling to bed two women who were siblings. For this reason, the smile on his face grew bigger again. "How is it?"

"No, sir. I have to return to my desk." Because Bai Zhenya knew it would be dangerous to stay in his office, she wanted to immediately return to her desk.

However, when she was about to leave, Jiwu grabbed her right hand and spoke, "Where are you going? We're still not done talking. Is this how you behave with your supervisor? I can deduct your salary for this month, you know?"

Even though Jiwu threatened her, Bai Zhenya didn't care about it and still tried to leave his office. At this moment, she was still struggling to free herself from Jiwu.

Currently, Xiao Tian and Lan Ruoxi were at the Golden Bag company. Earlier, Bai Wenliang asked them to come to the Golden Bag company to give something to her younger sister.

They immediately head to the reception desk to inform the receptionist the reason why they came to the Golden Bag company.

However, before Xiao Tian and Lan Ruoxi could ask the receptionist to call Bai Zhenya to come to the lobby, they saw Bai Zhenya walking with tears in her eyes.

Chapter 465 - Please Be Careful With Your Words

7-8 minutes

The expression of deep worry emerged on Lan Ruoxi's face when she saw Bai Zhenya walking with tears in her eyes.

Because Xiao Tian had never met Bai Zhenya, he had no idea who she was. That was why when he noticed Lan Ruoxi walking towards a young lady, he immediately followed her.

"Zhenya, what's wrong?" Lan Ruoxi grabbed Bai Zhenya's shoulders and asked worriedly. Because Bai Zhenya was crying, she knew that something had happened to Bai Zhenya.

"Big sister Ruoxi." The tears in Bai Zhenya's eyes fell again when she saw Lan Ruoxi.

Earlier, Jiwu had harassed her in his office. Luckily she managed to escape. However, the things that had just happened made her very scared.

At this moment, Xiao Tian only stood next to Lan Ruoxi. He himself was also curious about what had happened to Bai Zhenya.

However, because Bai Zhenya was still crying in Lan Ruoxi's embrace, Xiao Tian could only stand next to them.

"Tell me what happened to you?" Lan Ruoxi really wanted to know what had happened to Bai Zhenya.

Because Bai Zhenya was crying, she knew that something bad had happened to Bai Zhenya. Bai Zhenya was Bai Wenliang's younger sister, so Lan Ruoxi would not forgive anyone who dared to make Bai Zhenya cry like that.

When Bai Zhenya was about to tell Lan Ruoxi everything, a voice rang out. "Oh! Here you are Miss Bai. I'm looking for you."

Because he failed to have his way with Bai Zhenya in his office and she also ran away from his office while crying, Jiwu decided to run after her because he didn't want her to create trouble or spread a rumor about him later.

Bai Zhenya instantly stood behind Lan Ruoxi when she saw Jiwu. She was afraid of him because he almost tarnished her in his office earlier.

Even though Bai Zhenya said nothing, but Lan Ruoxi and Xiao Tian could understand that Jiwu was the reason why Bai Zhenya was crying.

"What are you doing to her?" Lan Ruoxi asked angrily.

Jiwu's eyes turned lustful when he saw Lan Ruoxi.

'Oh! What a perfect lady! I wonder what it feels like to have her under me in bed.'

Even though Bai Zhenya was pretty, but compared to Lan Ruoxi's beautiful face and sexy body, the difference between them was quite big.

That was why Jiwu suddenly wanted to bed Lan Ruoxi the moment he saw her because she was the most perfect lady he had ever seen. "Beautiful lady, I think there is a misunderstanding between Miss Bai and me earlier. That was why I ran after her because I want to solve the problem."

At this moment, Jiwu no longer had the intention to bed Bai Zhenya because Lan Ruoxi was much better than her. For this reason, he behaved nicely to Lan Ruoxi, hoping that he could get close to her later.

However, Lan Ruoxi didn't care about it and asked angrily again. "I asked you, what did you do to her earlier?"

Because Jiwu didn't want to ruin his image in front of Lan Ruoxi, he suddenly thought of a way to make him look like an innocent person, and the reason why Bai Zhenya was crying was because of misunderstanding.

"Lady, I did nothing to her. Like I said, it's misunderstanding." Jiwu answered instantly. "Isn't that right, Miss Bai?"

Because Jiwu didn't want to tell her, Lan Ruoxi looked at Bai Zhenya and asked, "Zhenya, tell me what happened to you? Don't be afraid. It's fine because I will protect you."

Bai Zhenya pointed her index finger towards Jiwu and spoke, "Earlier, he harassed me! He squeezed my breasts and ass. He tried to have his way with me in his office!"

"But nothing had happened to you, right?" actually, Lan Ruoxi had guessed that something like this had happened to Bai Zhenya.

"No." Bai Zhenya shook her head. "I managed to escape earlier."

At this moment, Xiao Tian only stared at Jiwu. Even though he was not a good man, but Xiao Tian hated a man who tried to rape a woman because it ruined the image of many men.

As a man, Xiao Tian felt that someone like Jiwu didn't deserve to be a man because they only ruined the image of many men.

"Miss Bai, what are you talking about?" of course, Jiwu tried to defend himself. "Please be careful with your words. Otherwise, it can ruin your life."

"I'm not lying!" Bai Zhenya replied instantly. "You had harassed me in your office earlier!"

Upon hearing Bai Zhenya's words, Lan Ruoxi's face darkened. However, because they were at the Golden Bag company, she tried to hold back her anger.

"Do you have any evidence that I harassed you in my office earlier? Don't spread lies because I can report you to the police later." Jiwu was furious when Bai Zhenya said that he had harassed her before.

He didn't expect that she dared to say something like that. Not only that, but she also said it in the company lobby.

Bai Zhenya was unable to answer because she had no evidence that he had harassed her in his office. Actually, she could record their conversation with her smartphone earlier.

However, because he kept harassing her, and her mind was filled with finding a way to escape from his office, she forgot to do that. That was why she had no proof that he had harassed her earlier.

When Bai Zhenya said nothing, Jiwu was thrilled. "See? She has no proof that I harassed her earlier."

One by one, the employees, who saw them, walked toward them because they wanted to know what was going on.

"It's Bai Zhenya and manager Jiwu."

"What is going on?"

"I don't know."

"It seems like they are fighting over something."

"But who are these two people?"

"I don't know. But it seems like they are Bai Zhenya's friends."

Jiwu began to worry when he noticed many employees surrounding them. However, he didn't show it on his face because it could be dangerous for him.

At this moment, Lan Ruoxi and Xiao Tian could do nothing because they had no proof that Jiwu had harassed Bai Zhenya.

Because Bai Zhenya tried to embarrass him in public, Jiwu decided to lie to everyone.

"Everyone, Bai Zhenya tries to spread false rumors about me. She said that I've harassed her in my office, but the truth is no. I did nothing to her." Jiwu then turned his head toward Bai Zhenya. "Bai Zhenya, what are you planning to do by doing this? Do you want to blackmail me?"

Upon hearing his words, Bai Zhenya began to feel afraid again because she knew everyone would not believe her.

Not only did she not have evidence that Jiwu had harassed her in his office, but Jiwu's status in the company was higher than her.

She was sure that everyone would defend him because they didn't dare to cause trouble to Jiwu, who was a manager in the company.

When Bai Zhenya said nothing, Jiwu's lips curled into a smirk. He knew that whatever happened later, Bai Zhenya would be the wrong one.

'You're the one who started this. Don't blame me for getting you fired later.'

When Jiwu was sure that he could teach Bai Zhenya a lesson, a voice rang out. "What's going on here?"

Chapter 466 - I'm Not Lying

6-7 minutes

Everyone instantly turned their heads toward the source of the sound. When they saw a lady walking towards them, one by one, the employees greeted her.

"Director Su Lique."

"Director Su."

"Director Su."

When Su Lique was standing next to Jiwu, she immediately asked, "Manager Jiwu, what's going on? Why are all gathered here? This is a lobby, not a park."

Because Jiwu thought it was a perfect time to blame Bai Zhenya, he immediately pointed his index finger towards her and spoke, "Bai Zhenya is accusing me of doing despicable things to her. But the truth is I did nothing to her. Earlier, we just had a conversation in my office. Nothing more than that."

At this moment, the expression of deep shock emerged on Xiao Tian's face when he saw Su Lique.

'Isn't she the lady I helped yesterday?'

Xiao Tian didn't expect that he would meet the lady he had helped in the park yesterday. This made him happy because, actually, he also wanted to know about her identity.

'As I thought, she is from a rich family. She is even works as a director at a well-known company at such a young age. Don't tell me, Golden Bag company is her family business.'

Not only Xiao Tian, but Su Lique was also shocked when she noticed Xiao Tian. "You are that person, right? What are you doing here?"

Su Lique's words much surprised everyone. They didn't expect Su Lique to know Xiao Tian.

"Hi. I didn't expect to meet you here." Xiao Tian smiled awkwardly. "I came here to accompany my lover to meet her friend's younger sister."

"Accompany your lover?" Su Lique shifted her gaze from Xiao Tian to Lan Ruoxi.

When she saw Lan Ruoxi, she suddenly felt envy. It was not because she liked Xiao Tian or something like that, but it was because Lan Ruoxi was prettier and sexier than her.

Actually, she thought the reason Xiao Tian helped her was that he wanted to get close to her, but when she saw Lan Ruoxi, she didn't think like that anymore.

If Xiao Tian wanted to get close to her, he would not say that Lan Ruoxi was his lover when he was in front of her. And from Lan Ruoxi's appearance, she could tell that Lan Ruoxi was a rich person.

Lan Ruoxi and Bai Zhenya were shocked when Xiao Tian knew who Su Lique was. This made Lan Ruoxi curious and whispered, "How come you know her? When did you meet her?"

Xiao Tian had guessed that Lan Ruoxi would ask him something like that. That was why he immediately whispered back. "She is the lady I helped yesterday."

"I see." Lan Ruoxi didn't expect the woman he had helped was a director at a famous company.

"Tell me what's happening here?" Su Lique changed the topic because she wanted to solve the problem quickly.

Without waiting for another second, Jiwu immediately said, "Director Su, she is spreading false rumors about me. She said I've harassed her in my office, but I didn't do that. I'm sure she did it because she wants to blackmail me."

"He is lying! He indeed harassed me in his office earlier." Of course, Bai Zhenya defended herself because it was the truth.

"You have no proof that I've harassed you, right?" Jiwu asked, "Director Su, she is trying to destroy my good image. I want to report her to the police on the charges of defamation."

His words made Bai Zhenya afraid. Because she had no proof that he had harassed her, she could end up in jail later.

When Lan Ruoxi noticed Bai Zhenya was terrified, she immediately spoke, "Don't worry. I will protect you."

Upon hearing Lan Ruoxi's words, the fear within Bai Zhenya reduced significantly. She knew who Lan Ruoxi was, so she believed that Lan Ruoxi could help her later.

At this moment, two security guards came and stood next to Su Lique. They were waiting for Su Lique's order.

Currently, Xiao Tian and Lan Ruoxi were thinking of a way to help Bai Zhenya. They were sure that Bai Zhenya didn't lie to them.

However, because they had no evidence that Jiwu had harassed Bai Zhenya, they had a hard time proving that Bai Zhenya was not lying.

They also had to think about it carefully because if they made the wrong move, it could be dangerous to them later.

Xiao Tian was sure that CCTV in Jiwu's office had been deleted or edited, so he could not use that way.

'How can I prove that he has harassed her?'

Even though Xiao Tian had no relationship with Bai Zhenya, but he wanted to help her because she was Lan Ruoxi's friend.

"See that, director Su? She has no proof about what she just said." Jiwu was thrilled when Bai Zhenya said nothing.

Su Lique then looked at Bai Zhenya and asked, "Miss Bai, you are not lying, right? I have no choice but to report you to the police if you are lying to us because this is something serious."

Jiwu could not help but laugh in his head. With this, he was sure that Bai Zhenya would be sent to the police station, and he also could still keep his good images.

I will make you regret your action. Jiwu thought to himself.

"No, director Su." Bai Zhenya replied instantly. "I'm not lying."

"Let me ask you one more time." Su Lique spoke and paused for a second before she continued, "Do you have any evidence of what you just said?"

Bai Zhenya lowered her head and spoke, "I don't have."

At this moment, Lan Ruoxi and Xiao Tian knew that they had to do something, or else Su Lique would bring Bai Zhenya to the police station.

However, they still hadn't found the best way to prove that Bai Zhenya didn't lie to them.

'What should I do now?'

Xiao Tian and Lan Ruoxi asked in their minds. Because they were at Golden Bag company, they were sure that Jiwu would not allow them to enter his office.

As Xiao Tian and Lan Ruoxi were thinking, suddenly, a voice rang out, "I have proof that Miss Bai is not lying to us."

Chapter 467 - Chen Yueli Solved The Problem

7-8 minutes

Everyone instantly turned their heads toward the source of the sound. When they found out the one who spoke was an office girl, one by one, the employees began to speak ill of her.

Because office girl was one of the lowest jobs in the company, they didn't put the office girl in their eyes.

Jiwu was instantly furious when the office girl said something like that. "Don't lie to us! Who are you? Why have I never seen you before?"

Not only Jiwu, but all the employees were also curious about the office girl because they had never seen her before.

"I'm Chen Yueli." Chen Yueli answered instantly. "The reason why all of you have never seen me before is that I just got to work at the company today."

Xiao Tian looked at Chen Yueli intently.

'This woman is so brave.'

Usually, people who had a job like Chen Yueli, didn't have a personality like that. They preferred to stay out of trouble because their job was not important in the company.

'But this is good! With this, we have proof that Bai Zhenya didn't lie to us.'

Xiao Tian was pleased because Chen Yueli dared to tell the truth.

"Miss, can you show us the evidence that Jiwu has harassed Miss Bai Zhenya?" Xiao Tian didn't want to let the chance slip away. "Don't worry. Nothing will happen to you later."

If Chen Yueli lost her job because of this, he would give her a job later. He really liked honest people because nowadays, honest people were rare.

Usually, they only cared about status or money and would prefer to stay out of trouble.

Everyone was shocked upon hearing his words. They didn't expect Xiao Tian to dare to say that nothing would happen to her later.

They were at Golden Bag company, so Xiao Tian, who was only a visitor, had no status at the company. However, for him to dare to say something like that meant that he was an important person in Beijing.

Su Lique and Chen Yueli stared at Xiao Tian intently. At this time, Xiao Tian didn't say a word. However, when Chen Yueli said that she had evidence that Bai Zhenya was not lying to them, he immediately said something like that.

This made Su Lique and Chen Yueli think who Xiao Tian was. However, they didn't remember an important person like him in Beijing.

Jiwu instantly looked at Xiao Tian and said, "Who are you? How dare you say something like that?"

At this moment, Jiwu began to feel afraid. He was afraid that Chen Yueli indeed had the proof that he had harassed Bai Zhenya.

Instead of answering Jiwu, Xiao Tian ignored Jiwu and stared at Chen Yueli. "Miss, can you prove it to us?"

Because Xiao Tian said something like that, Chen Yueli began to explain everything. "Earlier, when I walked past manager Jiwu's office, I heard their conversation. Because from their conversation manager Jiwu was doing something immoral to Miss Bai, I decided to eavesdrop their conversation."

"How dare you eavesdrop on our conversation!" Jiwu was furious after hearing Chen Yueli's words. "Do you know you were doing something immoral?"

Jiwu tried his best to make Chen Yueli stop what she was doing because if she kept telling the truth, everyone would know what he did to Bai Zhenya.

"Manger Jiwu, shut up!" Su Lique spoke abruptly before turning her head towards Chen Yueli, "You can continue now."

"From their conversation, manager Jiwu tried to have his way with Miss Bai." Chen Yueli spoke and paused for a second before she continued, "Not only that, but he also intends to do something to Miss Bai's older sister."

At this moment, Jiwu knew if he didn't do something to Chen Yueli, he would end up in jail. That was why he thought of a way to make everyone disbelieve her words. "Chen Yueli, don't lie to us! If you only say something like this without proof, anyone can do that too. Because you have no evidence, we don't know whether we should believe your words or not."

Upon hearing Jiwu's words, one by one, the employees began to think that his words made sense.

"Yes. Manager Jiwu is right. If she has no evidence, we don't know whether she is lying to us or not."

"Maybe she is lying to us."

"Saying anything without proof is easy because anyone can do that."

"Yes. You're right."

When Jiwu noticed that the employees agreed with him, his lips curled into a grin. As long as Chen Yueli had no evidence, he could always defend himself. He even could send Chen Yueli to jail too.

"Miss, do you have evidence?" Lan Ruoxi inquired.

She knew that they would not be able to defend Bai Zhenya if they had no proof. That was why she hoped that Chen Yueli had evidence that Jiwu had harassed Bai Zhenya.

"I have the proof." Chen Yueli took her smartphone out of her pocket. "Earlier, I recorded the video of manager Jiwu doing something immoral to Miss Bai."

When Jiwu knew that Chen Yueli had a video of him harassing Bai Zhenya, he immediately tried to snatch her smartphone from Chen Yueli's hands.

Xiao Tian, who knew that Jiwu would try to snatch her smartphone, immediately stopped Jiwu. "What do you want to do?"

"Let me go, dammit! I just want to know whether the video is real or not." Jiwu tried to free his hands from Xiao Tian's grasp but to no avail.

He didn't expect that Xiao Tian was so strong. If Xiao Tian kept grasping his hands, he would not be able to escape when they knew the truth later.

Of course, Xiao Tian didn't intend to let Jiwu go. He even made sure that Jiwu would not be able to free himself.

"Let me see it." Lan Ruoxi took Chen Yueli's smartphone and played the video.

In the video, Jiwu was harassing Bai Zhenya. His hands were fondling her ass, and his lustful eyes were focused on her breasts.

In the video, Jiwu also invited Bai Zhenya to dinner and spend the night at the hotel. From his expression, Lan Ruoxi knew what he had in mind.

After watching the video, Lan Ruoxi gave it to Su Lique and spoke, "Here. You can see it too."

Su Lique gritted her teeth when she was watching the video. From her expression, anyone could tell that she was furious at Jiwu.

She didn't expect that her subordinates dared to do something like that in her company. Without waiting for another second, Su Lique called the police because she wanted to send him to jail.

Not only did Jiwu insult the dignity of women, but he also damaged the reputation of the company. That was why she would not forgive him.

Of course, Jiwu tried to run away when everyone found out what he had done to Bai Zhenya, but he could not do that because Xiao Tian paralyzed his movements.

At this moment, Bai Zhenya was relieved. Tears fell down her soft cheeks. She felt grateful to Chen Yueli because if it was not for Chen Yueli, she could not prove that she was not lying.

Not long after that, the police arrived at the Golden Bag company.

Chapter 468 - Problem Solved

6-8 minutes

"Miss Su, where is he?" one of the police spoke when they were in front of Su Lique.

"There he is." Su Lique pointed her index finger towards Jiwu.

"Release me!" Jiwu shouted angrily and tried to free himself when the police wanted to bring him to the police station. "I will make you all regret later!"

Jiwu didn't expect that his actions would make him end up in jail. If he knew something like this would happen to him, he would not harass Bai Zhenya.

However, it was already too late. Now what left in his heart was only hatred. A deep hatred towards Bai Zhenya, Chen Yueli, Su Lique, Lan Ruoxi, and Xiao Tian.

He promised that he would make them pay for making him end up in jail.

"Bring him to the police station." One of the police spoke before turning his head towards Su Lique.

"Miss Su, we will take him to the police station now."

"Thank you, officer. This is the evidence." Su Lique sent the video to his smartphone. "I will come to the police station later."

"All right." The police then left.

"All of you disband now!" Su Lique told all the employees to disband before looking at Xiao Tian, Lan Ruoxi, Bai Zhenya, and Chen Yueli. "Come to my office."

Xiao Tian and Lan Ruoxi were surprised when Su Lique told them to come to her office. They had no idea what she wanted to do to them, but they still followed her to her office.

After they entered her office, they sat on the couch. At this moment, Chen Yueli was sitting next to Su Lique.

This surprised Xiao Tian, Lan Ruoxi, and Bai Zhenya. Chen Yueli was an office girl, so how could she dare to sit next to Su Lique, who was a director in the company. Not only that, Su Lique even didn't mind it as if it was a normal thing.

Because Su Lique knew that Xiao Tian, Lan Ruoxi, and Bai Zhenya were curious as to why Chen Yueli dared to sit next to her, she immediately spoke, "She is my childhood friend as well as my assistant."

Xiao Tian, Lan Ruoxi, and Bai Zhenya were surprised upon hearing Su Lique's words. They immediately understood that Chen Yueli was disguised herself as an office girl.

Chen Yueli took off the silicon head mask and introduced herself. "Hello, my name is Chen Yueli, and I'm Lique's childhood friend."

When Bai Zhenya realized something, she immediately spoke, "Thank you for helping me."

"Don't mind it." Chen Yueli replied as she smiled.

"Actually, we were investigating Jiwu because rumor said he was the cause of many employees resigned from the company." Su Lique spoke and paused for a second before she continued, "That was why I asked Yueli to disguised herself as an office girl so that she could investigate it. We are sorry for what happened to you, Miss Bai."

"It's fine. At least, he will end up in jail later." Even though Bai Zhenya was still terrified when she remembered what Jiwu had done to her, but at least he would end up in jail later.

"Yes. I will make sure he will be jailed for a long time later." Su Lique hated Jiwu so much. Not only did he harass a woman in her company, but because of him, they lost many talented employees.

That was why she wanted to imprison Jiwu for a long time later. She wanted him to pay for what he had done to her company and employees.

Su Lique then looked at Xiao Tian and spoke, "Sir, once again, thank you for helping me yesterday."

This time, Chen Yueli and Bai Zhenya were the ones who were shocked. They didn't expect Su Lique to thank Xiao Tian.

This made Bai Zhenya and Chen Yueli wants to know what Xiao Tian had done to Su Lique yesterday.

"It's fine. Don't mind it." Actually, Xiao Tian was also shocked when Su Lique thank him. But he didn't show it on his face. "Actually, that man was in need of money because his younger brother needed surgery, and he did not have money to pay for the surgery."

Because Xiao Tian didn't want her to misunderstand if she saw Mu Huo with him later, Xiao Tian decided to explain it to her.

"What?" Su Lique said in surprise. "So that was why he didn't hurt me at all. How did you know?"

"Actually, when Ruoxi and I went to the hospital, I saw him talking with a doctor. They were talking about surgery. That was why I knew about it." Xiao Tian gave her an honest answer.

"I see." Su Lique said as she nodded her head. "So, why did you come to my company? Do you need anything?"

At this moment, Xiao Tian wanted to use Su Lique to develop his businesses, which were located in Beijing but decided not to do that because it was not the right time. "Earlier, we went to the hospital to visit Miss Bai's older sister. But before we left, she asked us to go to the Golden Bag company to give something to Miss Bai. That was why we came to Golden Bag company."

Lan Ruoxi then gave Bai Zhenya something which was wrapped in a large envelope. "Here, take this."

"Thank you." Bai Zhenya accepted it. Even though she was curious about what was inside the envelope, but she didn't open it because it was not the right place to open it.

"Director Su, because we have given it to Miss Bai, we will take our leave now." Xiao Tian didn't want Su Lique to think that he was trying to get close to her because it was not the right time to take advantage of the situation.

If he made the wrong move, all his efforts would have been in vain. That was why Xiao Tian wanted to leave.

And what Xiao Tian did was indeed right because after hearing his words, Su Lique thought Xiao Tian had no ulterior motive when he helped her yesterday.

Then Lan Ruoxi and Xiao Tian left the Golden Bag company. When they were in the taxi, Lan Ruoxi suddenly spoke, "Yang, I thought you would take advantage of Su Lique to make your business develop again. But I was wrong about it. Why did you not do that?"

Lan Ruoxi knew that Xiao Tian always took all the opportunities before him to make him richer. That was why she was surprised when Xiao Tian wanted them to leave earlier.

"It's not the right time." Because he was talking with Lan Ruoxi, Xiao Tian didn't lie. "When the time is right, I will use her to make me richer."

"Haha." Lan Ruoxi could not help but laugh after hearing his words. "As expected, you are indeed a devil. You don't care whether it's a woman or a man. As long as they are useful to you, you will use to as you wish."

Prison visiting room.

"Don't worry. I will make them pay for this." A man about thirty-two years old said.

"Thank you, brother Wen." Jiwu's lips curled into a smirk when Wen promised that he would get revenge on them.

All of you will regret it later. Jiwu thought to himself.

Chapter 469 - Fighting Wen At The Park

6-8 minutes

Golden Bag company, Su Lique's office.

"Miss Bai, you can go home now. I know you need time to calm yourself. I'll take care of the rest." Su Lique knew that Bai Zhenya was not in good condition to work. That was why she wanted Bai Zhenya to go home to calm herself.

"Thank you, director Su." Bai Zhenya agreed to go home because she really needed that. She needed to calm herself.

After Bai Zhenya left, Su Lique and Chen Yueli went to the police station.

Currently, Xiao Tian and Lan Ruoxi were in his room. They were sitting on the couch while talking seriously.

"Are you sure you don't want to see Bai Zhenya?" Xiao Tian believed Bai Zhenya needed someone to help her calm herself.

Earlier, Jiwu had harassed her, so it would be better if Lan Ruoxi accompanied her because what had just happened to Bai Zhenya was something that definitely traumatized all women.

At this moment, Lan Ruoxi also had the same thought as him. "All right. I will call her now."

Lan Ruoxi immediately called Bai Zhenya because she wanted to know where Bai Zhenya was. When she learned that Bai Zhenya was in her house, she immediately rose from the couch.

"I will go now." Lan Ruoxi said, "She is in her home alone."

Xiao Tian rose to his feet and spoke, "Let me send you to her home."

"You don't need to. I can go to her house alone." Even though it had been a long time since she was in Beijing again, but she still remembered all locations in Beijing.

She knew where Bai Zhenya's house was, so she thought she could go to Bai Zhenya's home alone.

Xiao Tian cupped her face and spoke in a soft loving voice, "Ruoxi, you are my lover now, so I have to make sure that you are fine. What if something bad happens to you?"

"Ahh, touché." Lan Ruoxi covered her mouth and giggled. "Alright, let's go now."

"Un." Xiao Tian nodded his head before grabbing his blue jacket.

Then Xiao Tian and Lan Ruoxi went to Bai Zhenya's house. Because he knew that he was not needed in Bai Zhenya's house and he wanted to make them have a private time alone, Xiao Tian went out for a walk.

At this moment, Wen, who coincidentally saw Xiao Tian, began following him. At first, he wanted to teach Bai Zhenya a lesson first, but when he saw Xiao Tian, he suddenly changed his mind.

Jiwu had said that Xiao Tian was one of the people who put him in prison. That was why he wanted to beat Xiao Tian because, in his eyes, Xiao Tian was a weak young man.

Wen kept following Xiao Tian and didn't attack Xiao Tian immediately because he thought it was not the right place to beat Xiao Tian.

There were still many people around them, so Wen waited patiently until there was no one around them before beating Xiao Tian.

Because Wen was a martial arts expert and had been doing the same job for years, Xiao Tian didn't realize that Wen was following him.

'Forest park?'

Xiao Tian was surprised when he noticed 'Forest Park' words. It was the first time for him to see such a weird name for a park.

However, when he entered Forest Park, he knew why it was called Forest Park. It was because the park was surrounded by trees as if he was in a forest.

Even though there were lots of wooden benches and a playground, but almost all places had trees. Of course, the park had been taken care of very well because all the places were clean and good for a picnic.

'This park is a good place to relax.'

Almost all places in Forest Park was cool and shady because it was sheltered from the bright sunlight.

When Wen noticed that no one was around them and they were surrounded by trees, he thought it was a perfect time to beat Xiao Tian.

For this reason, Wen walked closer towards Xiao Tian because he didn't want to let the chance to beat Xiao Tian slip away.

Xiao Tian, who suddenly noticed someone was following him, turned around and spoke, "Come out!"

"Not bad, not bad!" Wen came out from behind a tree and walked towards Xiao Tian. "Your instinct is good when I'm close to you. Too bad you didn't notice me when I was far from you earlier."

"Why are you following me?" Xiao Tian inquired.

He wanted to know the reason why Wen was following him. Xiao Tian remembered that he had never met Wen or caused trouble to Wen.

"To teach you a lesson." Wen didn't tell Xiao Tian that he wanted to help Jiwu beat Xiao Tian because, in his view, he didn't need to tell it to Xiao Tian.

Xiao Tian had guessed that Wen had bad intentions towards him. That was why he was not surprised when Wen said that Wen wanted to beat him.

'Who asked him to do this?'

Xiao Tian began to think of the person who sent Wen to beat him. Since he was in Beijing, he had only been involved in three problems.

First, it was Gui and Jinhai, second, it was Yi Wenxin, and the third it was Jiwu. Even though Yi Wenxin was a crazy lady, but knowing that she was a policewoman, it was almost impossible for her to send Wen to beat him.

Of course, he knew that she hated him very much. However, Xiao Tian was sure that Yi Wenxin would come to him alone if she wanted to beat him.

'Is it Jinhai and Gui or Jiwu?'

Xiao Tian knew that he was one of the people who put them in prison. That was why Xiao Tian thought that the one who sent Wen to beat him was either Jinhai and Gui or Jiwu.

However, after thinking for several seconds, Xiao Tian suddenly had a feeling that Jiwu was the one who sent Wen to beat him. "It's Jiwu, right?"

"Oh, smart! I didn't expect you to find out about it." Wen didn't hide the fact that Jiwu was the person who asked him to beat Xiao Tian because, in his eyes, Xiao Tian was already a dead man.

It was true that he wanted to beat Xiao Tian, but after meeting Xiao Tian, he felt that if he didn't kill Xiao Tian, he would be a threat to him in the future.

At this moment, Xiao Tian's instinct told him that Wen was not an ordinary martial artist.

'I'm sure he is at least a master martial artist.'

He could tell that Wen was stronger than Jin Yimu, the leader of the Hawk gang.

'He is strong.'

For the current him, Xiao Tian was not sure if he could beat Wen. If his strength was the same as his strength in his past life, he was one hundred percent sure that he could beat Wen, but not with his current him because his current strength was still too weak.

"Oh! You're not trying to run away from me?" Wen was surprised when Xiao Tian only stood still in front of him.

Even though he could tell that Xiao Tian was a martial artist like him, but Wen was sure that Xiao Tian was weaker than him.

"If so, then die for me!" Wen dashed towards Xiao Tian as he raised his right hand, wanting to punch Xiao Tian.

Chapter 470 - Please Help Me.

9-11 minutes

Xiao Tian was calm when he saw Wen attacking him because his masters from his past life always told him to stay calm when fighting against someone.

When Wen's fist was about to hit his head, Xiao Tian tilted his head to the right to avoid it and instantly counter-attacked.

He took one step forward and raised his right fist to Wen's chin from below, aiming to hit Wen's chin.

However, before Xiao Tian could hit his chin, Wen caught Xiao Tian's fist with his left hand. Without waiting for another second, Wen attacked Xiao Tian's mid-torso with his right knee.

Xiao Tian, who had guessed it, was able to block Wen's attack by placing both of his palms in front of his mid-torso.

In order to avoid Wen's next attack, Xiao Tian took two steps back as he blocked Wen's right knee.

'His attacks are fast and strong!'

From a few exchanged attacks, Xiao Tian knew that Wen's attacks were strong and fast.

"Not bad!" Wen spoke abruptly before attacking Xiao Tian again. "Try block or avoid this!"

Wen threw his fist towards Xiao Tian's mid-torso. However, before it landed on Xiao Tian's mid-torso, Wen changed his attack pattern. He immediately raised his fist, aiming to hit Xiao Tian's chin.

Xiao Tian, who had put his hands in front of his chest and was ready to block Wen's attack, instantly tilted his head back when he noticed Wen changed his attack pattern.

Even though Wen was surprised when Xiao Tian was able to dodge his attack, he didn't show it on his face.

Wen was focused on attacking Xiao Tian because he didn't want to give Xiao Tian time to counter-attack.

Wen immediately raised his left leg and kicked the right side of Xiao Tian's head. Because he had continuously attacked Xiao Tian, Wen was sure that Xiao Tian would not be able to block or dodge it.

However, he was wrong because before his kick landed on Xiao Tian's head, Xiao Tian put his right hand on the right side of his head.

Even though Xiao Tian was able to block Wen's kick, but due to how strong Wen's kick was, he was sent flying one meter to the left before falling to the ground.

"Oh! It looks like you have a lot of fighting experience." Because Xiao Tian could block his attack, Wen was sure that Xiao Tian had a lot of fighting experience.

Xiao Tian instantly rose to his feet and attacked Wen. He threw his left fist towards Wen's head. Because he knew that Wen would be able to block or dodge his attack, he intended to attack Wen with his right hand too later.

Like what he had guessed, Wen caught Xiao Tian's left fist with Wen's right hand. Because Xiao Tian didn't want to give Wen a chance to counter-attack, he immediately threw his right elbow to Wen's head.

Even though Xiao Tian's attack was fast, but Wen could block it with his left hand. Wen didn't remain silent. He instantly threw his right elbow to Xiao Tian's head too.

Like what Wen did when he attacked Wen with his elbow, Xiao Tian also blocked Wen's attack with his left hand.

The two of them exchanged attacks over fifteen times and the two of them were able to block or dodge each other's attacks.

However, because Wen was more skilled in martial arts than Xiao Tian, Wen was finally able to land an attack on Xiao Tian's right cheek.

And like before, because of how strong Wen's attack was, Xiao Tian fell to the ground again.

*Uakkk.

Blood dripped down from the corner of Xiao Tian's lips and he felt his right cheek was in pain.

'What should I do? It seems like I can't win fighting against him. He is too strong for the current me.'

Because they had exchanged several strikes and Xiao Tian never managed to land an attack on Wen's body, he knew that he would not be able to win the fight against Wen.

At this moment, suddenly a flash memory from his past life emerged in his head.

"Master, what should I do when my opponent is stronger than me?" Huang Chen, who was sitting in front of his master, asked.

"The answer is simple." His master spoke and paused for a second before he continued, "Run! Run as if your life depends on it."

"Run?" the corner of his lips twitched after hearing his master's words. "Isn't that what a coward does?"

"Coward?" his master didn't agree with what Huang Chen just said. "It's not a coward. Only fools continue to fight opponents they know they can't beat. Remember this Chen. Above heaven, there are still heavens."

"Oh! You mean there are always bigger mountains, right?" Huang Chen began to understand what his master said.

"That's right." His master replied. "Don't think of yourself as the best person in the world because there must be someone better than you out there."

"Un, un." Huang Chen nodded his head.

"If you know that you can't win the fight, run!" his master repeated his words. "There is no word 'too late' in getting revenge. Run for your life and make yourself stronger. If you want to get revenge, make

sure you can beat your opponent, or at least, you know how to beat your opponent. Remember this Chen. Don't make stupid decisions. "

After remembering his master's words, Xiao Tian took a lump of earth and threw it to Wen's face.

Wen, who knew it, instantly covered his eyes with his right hand. "You also use a dirty way, huh?"

At this moment, Wen thought Xiao Tian would attack him immediately, but he was wrong. He was utterly wrong because he saw Xiao Tian running away from him.

"You want to run away, huh? It seems you know that you are not going to win this fight. Smart move, but don't think that you will manage to escape from me." Wen instantly ran after Xiao Tian.

Since Xiao Tian knew it would be dangerous to run aimlessly, he thought of a way to get rid of his tracks.

Xiao Tian suddenly remembered that he was still using a silicon head mask. Since he had bought several silicone head masks and brought it to Beijing, Xiao Tian had intended to remove them so he could get rid of his traces. For this reason, Xiao Tian ran towards a place that had tall bushes.

'It's a good place to take off my silicon head mask.'

After Xiao Tian hid in the tall bush, he realized that Wen would still be able to recognize him from his clothes. For this reason, Xiao Tian intended to throw his blue jacket.

'It's a pity that I have to throw this jacket away because it's the newest product from my company. Not only that, but this jacket is also expensive.'

Even though Xiao Tian didn't want to throw away his jacket, he had no choice but to do that because it could help him get rid of his traces.

For this reason, Xiao Tian ran towards young people who were walking together. Without waiting for another second, he threw his jacket towards one of the young people and spoke, "This is for you."

The young man, who caught the jacket, was surprised by Xiao Tian's actions. He didn't expect someone would throw a jacket at him.

"Thanks, dude." Even though the young man had no idea as to why Xiao Tian gave him a jacket, he didn't ask it.

"Hey, isn't this the newest jacket from Stars Clothes company?"

"Oh, right."

"Wow, look at this jacket. It's so good."

"I remember this jacket! The price of this jacket is so expensive."

"Really?"

"Yes. You can check it on their website if you don't believe me."

The young man's friends began to talk about the jacket which Xiao Tian threw earlier. They didn't expect it was an expensive jacket.

They began to wonder why Xiao Tian threw away an expensive jacket. Was not it a waste of money?

"Lucky." The young man spoke happily when he found out what kind of jacket he just got. The smile on his face grew bigger when he learned it was a jacket from Stars Clothes company. Without waiting for another second, he wore the jacket.

However, the happiness he felt instantly disappeared when Wen suddenly kicked him from behind.

"Who are you? Why did you kick me?" the young man said angrily.

It's not him. Wen thought to himself.

"Where is the young man who gave you the jacket? Which way did he run?" Wen asked coldly. "Answer me or else you will regret it."

Because the young man had no idea that Wen was a master martial arts, he dashed towards Wen and threw his fist to Wen's head. "Die!"

Of course, Wen easily caught the young man's fist. "Answer me!"

Because Wen attacked their friends, the young man's friends attacked Wen too. However, Wen could defeat them easily.

"He ran to that way." They knew that Wen would beat them up again if they didn't tell him.

Because Wen didn't want to waste time, he instantly left and looked for Xiao Tian again.

At this moment, Xiao Tian thought Wen had lost track of him but he was wrong because Wen was walking towards him.

'What should I do?'

Xiao Tian suddenly found a good way to erase his traces when he saw a woman standing in front of a wooden bench.

Without waiting for another second, Xiao Tian walked towards the lady and embraced her.

"Please help me. The man wearing green clothes is an a hit man who wants to kill me." Xiao Tian whispered and described Wen's clothes.
