Chapter 471 - Another Beautiful Lady

The lady, who was being hugged by Xiao Tian, was shocked. She didn't expect someone would suddenly hug her. At first, she wanted to push Xiao Tian away, but after hearing his words, she decided not to do that.

However, two people in black, who were hiding not far from them, had different thoughts. They wanted to come out of their hiding place and beat Xiao Tian for daring to hug their young lady.

But when they were about to do that, the lady gave them a signal to stop with her right hand.

Even though they still wanted to beat Xiao Tian, but because their young lady ordered them not to do anything, they didn't come out of their hiding.

When the lady noticed Wen walking closer towards them, she immediately wrapped her long slender arms around Xiao Tian's waist.

Even though her actions surprised him, but Xiao Tian didn't show it on his face.

'Her perfume smells good.'

Because they were hugging each other, Xiao Tian was able to smell her fragrance.

However, he didn't say a word about it because his mind was filled with ways to hide his trace.

"He is walking closer toward us." The lady whispered, giving Xiao Tian a warning.

When Wen was behind Xiao Tian, he noticed how beautiful she was. Wen had no idea that the young man who was hugging a lady in front of him was none other than Xiao Tian was because he was facing Xiao Tian back.

'What a lucky bastard!'

Wen was a little envy when he saw her face.

Wen kept walking until finally, he was far from them.

"He is already left." The lady said when she didn't see Wen anymore.

Upon hearing her words, Xiao Tian stopped the hug and spoke, "Thank you for helping.....me."

The feeling of deep shock emerged in his heart when he saw her face. Earlier, before hugging her, Xiao Tian didn't see her face because he only wanted to hide his trace. He just didn't expect that the lady, who he had just hugged, was such a beautiful woman

'Does a goddess descend from heaven?'

It was the first words that appeared in his head when he saw her. Due to how beautiful she was, Xiao Tian was unable to take his eyes off her and he even forgot to blink.

'She is as beautiful as Mei Xing.'

Xiao Tian suddenly remembered Mei Xing because the lady who was standing in front of him was as beautiful as her.

Even though he had seen many beautiful women, but none of them were as beautiful as Mei Xing, the cold beauty from his past life. Sometimes he even regretted that he died before he could bed her.

However, when he saw the lady in front of him, he finally found a lady who was as perfect as Mei Xing.

She was about twenty two years old, and had pink eyes and hair. Her hair descended to her waist like a waterfall. Because of how beautiful she was, Xiao Tian felt as if the world had dimmed.

He was sure if anyone saw her pretty face, they would not be able to take their eyes off her and they would also realize that calling someone a Goddess was not a description any longer because she was like a goddess who descended from the highest heaven.

Xiao Tian suddenly realized it was not the time to praise her beauty because he had to tell Lan Ruoxi, Bai Zhenya, and Bai Wenliang that someone wanted to hurt them

"Lady, once again, thank you for helping me. I have to leave now." Because Xiao Tian didn't want Wen to find him again, he instantly left without waiting for her answer.

The lady only looked at Xiao Tian's back without answering him.

'Isn't he Xiao Tian? It seems like his life is not easy.'

The lady suddenly wanted to know what had happened to Xiao Tian earlier. "Find out the identity of the man who chased him earlier. I want to know why that person wants to kill him and what is he doing in Beijing?"

"Understood." One of the bodyguards took his smartphone and called someone.

Currently, Xiao Tian was in front of Bai Zhenya's house. He was wavering whether he should knock on the door or not.

Because he took off his silicon head mask earlier, Bai Zhenya would know that he was Xiao Tian.

'What should I do? Should I meet Bai Zhenya with my real identity?'

Xiao Tian knew that Bai Zhenya, Lan Ruoxi, and Bai Wenliang were in danger, but he didn't want to reveal his true identity to them too.

'Maybe, I should return to the hotel first.'

Because Xiao Tian didn't want to reveal his true identity to Bai Zhenya, he decided to go to the hotel.

Currently, Xiao Tian was in his hotel. Because he wanted to tell Lan Ruoxi that someone wanted to hurt them, he grabbed his smartphone and called her.

"What is it, Yang?" Lan Ruoxi spoke after picking up the phone.

"Jiwu has paid a hitman to harm us." Xiao Tian went straight to the point. "And that person is very skilled in martial arts."

"Did you fight against the hitman earlier?" even though Lan Ruoxi had guessed that Jiwu would send someone to hurt them, she didn't expect that it would be that fast.

"Yes." Xiao Tian gave her an honest answer.

"Where are you right now? Are you hurt?" from his words, Lan Ruoxi could tell that Xiao Tian lost the fight against the hitman.

"I'm at the hotel right now. I'm fine. You don't need to worry about me. Just stay by Bai Zhenya's side because I'm afraid that person will hurt her later." Xiao Tian suddenly remembered that Bai Zhenya's older sister was in the hospital. "Wait! Bai Wenliang is also in danger because we don't know who will be his next target."

"Don't worry. I will ask someone to protect her." Lan Ruoxi didn't want something bad happens to Bai Wenliang, so she would ask someone to protect Bai Wenliang later. "Are you really unharmed?"

Lan Ruoxi was worried about Xiao Tian's condition. Because Xiao Tian was unable to beat the hitman, she believed that the hitman was very strong.

"Ask someone to help you protect Bai Zhenya too." Even though Xiao Tian knew that Lan Ruoxi was a master martial arts, but he didn't know how strong she was.

It was not that she thought Lan Ruoxi was weaker than Wen, but in his view, it was better to be safe than sorry.

"All right." Lan Ruoxi agreed to his idea. "What do you want to do now?"

"I will try to find a way to solve this problem." Xiao Tian answered instantly.

"All right. Let me know if you need anything." Lan Ruoxi replied.

"Alright." Xiao Tian responded before hanging up the phone.

'What should I do?'

Xiao Tian suddenly remembered Mu Huo. Mu Huo was also skilled in martial arts, so without waiting for another second, he called Mu Huo and asked Mu Huo to meet him at the hotel.

After arriving at the hotel and entering Xiao Tian's room, Mu Huo asked Xiao Tian why Xiao Tian suddenly needed his help.

"I see." Mu Huo spoke after Xiao Tian finished explaining everything. "So you want us to fight that person together?"

"Yes." Even though Xiao Tian knew that Mu Huo was strong, but with them fighting Wen together, it would be easier to beat Wen.

"All right." Mu Huo agreed to Xiao Tian's idea.

Chapter 472 - My Love, Are You Alright?

6-8 minutes

"So, should we go to Bai Zhenya's house or the hospital?" because Bai Wenliang and Bai Zhenya were one of Wen's targets, Mu Huo knew that Wen would come to her home or hospital.

"Let's go to Bai Zhenya's house." Xiao Tian was sure that Wen would go to Bai Zhenya's house first because Wen had no idea where Lan Ruoxi and Xiao Tian lived.

The other reason was that Xiao Tian believed that Wen had no idea where Bai Wenliang was being treated.

For this reason, Xiao Tian was sure that Wen would come to Bai Zhenya's house first because it was easier to find her.

then Xiao Tian and Mu Huo went to Bai Zhenya's house.

The expression of deep shock emerged on Xiao Tian's face when he arrived at Bai Zhenya's house.

'What?! What is this?'

In front of him, Wen was lying on the ground with blood dripping down from the corner of his mouth.

Not only that, but his face was also full of bruises. It was as if his mother was beating him for daring to steal her money.

And the person, who was standing in front of Wen, was a beautiful lady with a sexy body. That lady was none other than Lan Ruoxi.

'Lan Ruoxi?!'

Even though Xiao Tian knew that Lan Ruoxi was skilled in martial arts, but he didn't expect her to be that strong.

Earlier, Xiao Tian thought Lan Ruoxi was weaker than Wen, or at least, she was as strong as Wen.

However, he was wrong. He was utterly wrong because, from Wen's injuries, he knew that it was not a fight, or rather, Lan Ruoxi was bullying Wen. After all, Lan Ruoxi didn't have the slightest injury.

'She is that strong?!'

Xiao Tian still found it hard to believe that Lan Ruoxi had no injuries while Wen's face was covered with bruises.

Even though he knew that Lan Ruoxi was skilled in martial arts, but all this time, Xiao Tian thought that Lan Ruoxi was only slightly stronger than him.

But, after seeing Wen lying on the ground with many injuries while Lan Ruoxi didn't have the slightest wound, he finally knew that Lan Ruoxi was much stronger than him.

"Boss, is that person the hitman?" Mu Huo asked as he pointed his index finger towards Wen.

"Yes." Xiao Tian replied as he nodded his head.

"It seems like we are not needed because the problem has been solved." actually, Mu Huo was shocked when he saw Lan Ruoxi.

He didn't expect that she was a martial artist because he thought she was a lady who only knew how to use her sexy body and pretty face for her own benefit.

The expression of disbelief also emerged on Wen's face. He didn't expect that Lan Ruoxi was a martial artist. Not only was she a woman, but she was also stronger and younger than him.

"That bastard Jiwu didn't tell me that she was a martial arts expert!"

If he knew that one of his targets was stronger than him, he would bring his friend with him, but now it was too late.

"Why are you still lying on the ground? Didn't you say you want to beat me up earlier?" Lan Ruoxi's voice was still as seductive as usual. It was as if she wanted to seduce Wen with her voice.

Wen gritted his teeth. At this moment, he knew if he didn't run away, Lan Ruoxi would bring him to the police station later.

For this reason, Wen rose to his feet and immediately ran away because he knew that he would not be able to win the fight against Lan Ruoxi.

'What?! She didn't chase me?!'

Wen found it hard to believe that Lan Ruoxi didn't chase him and only looked at him.

Even though Wen had no idea as to why Lan Ruoxi didn't chase him, but he was happy about it because he could run away if she only looked at him.

The reason why Lan Ruoxi didn't chase Wen was that Wen was running towards where Xiao Tian and Mu Huo were.

She believed that they would not let Wen run away. That was why she didn't chase Wen and only looked at him because earlier, she noticed that Xiao Tian and Mu Huo were close to her.

When Xiao Tian noticed Wen running away, he immediately spoke, "Mu Huo, stop him!"

"All right." Mu Huo dashed towards Wen, and without waiting for another second, he kicked Wen's head.

*Uakkk...

Blood splashed out of Wen's mouth and due to how strong Mu Huo's kick was, he was sent flying one meter before falling to the ground.

"Who are you?" Wen didn't expect an unknown person to kick him in the head. He had no problem with Mu Huo, and he also didn't know who Mu Huo was, so he wanted to know why Mu Huo suddenly kicked his head?

This made Wen grit his teeth again. He had to run away from that place and here, a young man suddenly kicked his head.

What surprised him most was that the young man, who just kicked him, was also a martial artist.

Mu Huo didn't answer and only stared at Wen. His eyes were focused on Wen because he didn't want to let Wen run away again.

"Yo, we meet again." Xiao Tian spoke as he walked towards Wen.

"It's you?!" Wen didn't expect Xiao Tian to appear before him. Not only that, but Xiao Tian also brought a martial arts expert with him.

Wen suddenly widened his eyes when he realized something.

'Is this the reason why that woman didn't chase me earlier? Did she already know they were here before?'

The feeling of worry began to appear on his face. With Xiao Tian and Mu Huo appearing in front of him, Wen knew that the chances of him escaping from that place were slim.

However, Wen didn't give up and still tried to run away. Like before, Mu Huo instantly stopped him from running away.

"Paralyze him and bring him to Bai Zhenya's house." Xiao Tian wanted to bring Wen to the police station later because, with this, he could solve the problem and make Jiwu in prison longer.

After seeing Mu Huo paralyze Wen, Lan Ruoxi walked towards Xiao Tian and asked, "Are you not going to ask me if I'm fine or not?"

The corner of Xiao Tian's lips twitched after hearing her words. He didn't expect Lan Ruoxi would say something like that.

When Xiao Tian said nothing and only stared at her, Lan Ruoxi immediately spoke, "How heartless. Your lover just had a fight with someone and you, as her boyfriend, didn't show the slightest concern. "

black lines formed on Xiao Tian's forehead.

'It's not a fight. You are clearly bullying him.'

Xiao Tian replied in his head.

Because Lan Ruoxi was still in the mood to joke around, Xiao Tian decided to play along. "My love, are you alright?"

"My face hurt a lot. Earlier, he hit my face hard." Lan Ruoxi pointed her index finger towards Wen before touching her left cheek. "What if I'm not beautiful anymore because of this."

'Liar! Your face is clearly fine. It's the assassin's face that has a lot of bruises.'

Xiao Tian shouted in his head.

Chapter 473 - Are You Planning To Do Something To Me?

7-9 minutes

Xiao Tian had no idea what to say after hearing her words. Her face was clearly fine and she dared to say that she was afraid it could make her not beautiful anymore.

'This foxy lady is really something. It's clear that the hitman is the one who has multiple wounds on his face. How can she say something like that? You won't be beautiful anymore just because someone hit you in the face? What kind of nonsense is that?'

Xiao Tian wanted to say it but decided not to do that because he knew that he should not say it.

Lan Ruoxi grabbed Xiao Tian's right hand and put it on her left cheek. "He hit my left cheek earlier. See! You can feel it, right?"

Yes, you're right. I can feel your soft and smooth cheeks. Xiao Tian thought to himself.

"Not only my face, but my legs too. He kicked my legs too earlier." Lan Ruoxi spoke as she touched her left leg.

Even though Xiao Tian had no idea why Lan Ruoxi suddenly acted like that, but he knew that he had to act like a loving lover or else she would keep behaving like that.

Suddenly an exciting idea emerged in his mind. With this idea, Xiao Tian rubbed her left cheek gently and spoke, "Pain, pain, go away."

After saying that, Xiao Tian kissed her left cheek. Even though Lan Ruoxi was stronger than him, Xiao Tian didn't care about it.

She was the one who started it, so he would blame her later if she dared to do something to him,

Lan Ruoxi widened her eyes in surprise. She knew Xiao Tian always took advantage of the situation, but she didn't expect that he would still dare to do that in front of Mu Huo.

When Lan Ruoxi wanted to say something to Xiao Tian, he instantly carried her in a princess style without giving her any warning.

"Because my lover said that her legs hurt, I, as her lover, will carry her to Bai Zhenya's home. How is it, my love? Are you happy?" actually, the reason Xiao Tian carried her was that he wanted to distract her attention so that she didn't talk about what he had just done.

What exactly is their relationship? Mu Huo thought to himself

Because Xiao Tian was walking towards Bai Zhenya's house, he followed Xiao Tian from behind, and of course, he dragged Wen with him.

After they entered the house, Bai Zhenya, who saw them, immediately spoke, "Big sister Ruoxi, are you alright?"

Because Xiao Tian was carrying Lan Ruoxi, Bai Zhenya thought Lan Ruoxi was injured.

"Put me down." Lan Ruoxi looked at Xiao Tian before turning her head towards Bai Zhenya. "Don't worry, I'm fine."

"Really?" Bai Zhenya then checked Lan Ruoxi's condition because she wanted to make sure that Lan Ruoxi was really fine. When she found out Lan Ruoxi had no injuries, she was relieved.

When Xiao Tian only saw Bai Zhenya, he turned his head towards Lan Ruoxi and asked, "Didn't you say you would ask someone to help you protect her? Why don't I see anyone here? "

"Earlier, when I was about to call someone, I noticed the hitman was around the house." Lan Ruoxi replied instantly. "And because I fought him, I didn't have time to call someone to protect her and only told her to hide in the house."

Upon hearing her words, Xiao Tian stared at Lan Ruoxi intently

'Damn! This woman is too careless. Luckily there is only one hitman.'

Xiao Tian didn't expect that Lan Ruoxi would be reckless. If there was more than one hitman, he was sure that Lan Ruoxi would be at a disadvantage earlier.

"Don't look at me like that. Nothing happened to her, right?" of course, Lan Ruoxi knew what Xiao Tian had in mind because she also realized that she was too reckless earlier.

"Let's bring him to the police station so that we can solve the problem immediately." Xiao Tian wanted to solve the problem quickly. That was why he wanted to bring Wen to the police station immediately.

"All right." they agreed with Xiao Tian's idea because there was no point keeping Wen at Bai Zhenya's house.

Then they traveled to the police station together.

At the police station, they met Su Lique and Chen Yueli. They were startled when Xiao Tian and others came to the police station.

What surprised them most was that Xiao Tian and the others came with someone who had several injuries on his body.

After Lan Ruoxi explained everything, Su Lique and Chen Yueli finally understood why Xiao Tian and the others came to the police station with Wen.

Su Lique and Chen Yueli hated Jiwu even more when they found out the truth. With this, Su Lique intended to imprison Jiwu for a very long time using her power.

She would make Jiwu die in prison or at least, he would become a very old person when he got out of prison later.

After that, Su Lique invited Xiao Tian and the others to eat at a famous restaurant.

They talked about a lot of things and of course, Xiao Tian was pleased by this because he could have a closer relationship with Su Lique.

They chatted for about an hour before finally, they went home. Because Lan Ruoxi still wanted to accompany Bai Zhenya, Xiao Tian traveled to the hotel alone.

"Sigh. Why is my life so hard? It's as if God always wants to test me." currently, Xiao Tian was lying on the bed. "Is it because I've never had problems in my previous life?"

Xiao Tian suddenly missed his past life because in his past life, he was able to get whatever he wanted and no one dared to cause trouble to him

'Forget it! I just need to make no one else dare to trouble me in the future.'

Xiao Tian rose to his feet and marched towards the bathroom to take a shower. This time, Xiao Tian took a bath longer than usual because he was soaking in hot water.

"Ahh. I feel refreshed after taking a shower." Currently, Xiao Tian was still wearing a bathrobe.

He didn't immediately put his clothes on after bathing; instead, he watched TV. Not long after that, his smartphone suddenly rang.

'Lan Ruoxi?'

When Xiao Tian learned Lan Ruoxi was the one who called him, he instantly picked up the phone, "Lady Lan, do you need anything?"

"I'm in front of your room right now." Lan Ruoxi responded. "Open the door."

Xiao Tian was astonished when he found out that Lan Ruoxi was in front of his room.

'Didn't she say she would sleep at Bai Zhenya's house? Why is she in front of my room? Does she need anything?'

countless questions appeared on his head.

"All right. Wait a minute." Without changing his bathrobe into clothes, Xiao Tian hung up the phone and walked to the door.

Even though he was wearing a bathrobe, he didn't care about it because at least, he was not naked.

*Click...

Xiao Tian opened the door. "Come in."

"What is this? Why are you wearing a bathrobe? Are you planning to do something to me?" Lan Ruoxi was startled when she found out Xiao Tian only wearing a bathrobe.

Xiao Tian brought his face closer towards her right ear and whispered, "Yes. Because I have the intention to seduce my pretty and sexy lover and have sex with her later."

Without waiting for her answer, Xiao Tian closed the door and carried her in princess style.

"I'm ready for it." Lan Ruoxi looked at his face and giggled.

Chapter 474 - Kissing Lan Ruoxi When She Is On The Phone

7-8 minutes

Because Lan Ruoxi said something like that, Xiao Tian marched towards his bedroom and put her on the bed. He wanted to know what she would do or say later because, at that time, they were alone in the room.

Currently, Lan Ruoxi was lying on the bed with her legs hanging on the edge of the bed. The hem of her white T-shirt was slightly raised, allowing Xiao Tian to see her perfect flat navel.

Xiao Tian, who was standing in front of her, could not help but be stunned when he saw her flawless body.

'She really has a sexy body. If I didn't have a lot of experience with pretty and sexy women, I would have gone crazy right now.'

Even though Lan Ruoxi was in her early thirties, but he was sure her sexy body could seduce any man. Because Xiao Tian wanted to tease her, he lowered his body, making his body on top of hers.

His hands were on both sides of her head, and the distance between their bodies was less than thirty centimeters.

Instead of feeling afraid when she realized that she could not escape from him, Lan Ruoxi looked at him in the eyes and giggled, "Hehe. Are you going to have your way with me now?"

"Of course." Xiao Tian responded instantly. "My lover is so beautiful and sexy, so there is no way I can hold back the flame of lust in my body."

Like before, Xiao Tian lowered his body again, making the distance between them closer again.

'I want to know if she will stop me or not?'

With that in mind, Xiao Tian kept lowering his body until their faces were close to each other. Because of how closely their faces were, they could feel each other's breath.

Like before, Lan Ruoxi still behaved normally. She even giggled when Xiao Tian looked her in the eyes.

"What is this? Is the playboy, who has many women, really unable to control himself? Are you going to kiss me again? Hehe."

When Xiao Tian saw her behavior, he was a little unhappy.

'Don't think that I don't dare to kiss you just because you are stronger than me.'

As his eyes were focused on hers, Xiao Tian brought his face closer towards hers again. However, before he could kiss her lips, her smartphone suddenly rang. Xiao Tian instantly stopped what he was doing reflexively.

Lan Ruoxi took her smartphone out of her pocket, and without looking who was calling her, she immediately picked up the phone, "Hello."

At this moment, the distance between their lips was still close to each other, causing Xiao Tian to be able to smell her mouth fragrance when she was talking.

'Her mouth fragrance smells good. Damn! I'm like a pervert here.'

"Big sister Ruoxi, are you on your way to my house right now?" Bai Zhenya inquired.

"No." Lan Ruoxi answered instantly. "I'm still at the hotel."

Because Xiao Tian was able to smell her mouth fragrance when she was talking to Bai Zhenya, his desire to kiss her lips grew bigger and bigger.

For this reason, Xiao Tian pressed his lips against hers. Xiao Tian knew his actions could make her angry, but at this moment, he didn't care about it.

Lan Ruoxi widened her eyes in surprise when Xiao Tian suddenly kissed her. Even though she knew that he would kiss her, but she didn't expect him to still kiss her when he knew that she was on the phone.

"Can you please to go my house quickly?" Bai Zhenya was still terrified of what had happened to her before. That was why she hoped Lan Ruoxi would come to her house immediately.

Because Lan Ruoxi had to answer Bai Zhenya's question, she pushed Xiao Tian's face with her right hand. "I will be there soon."

Xiao Tian didn't fight back when Lan Ruoxi was pushing his head because he knew she had to answer Bai Zhenya. Suddenly a good idea appeared in his mind.

With this idea, he snatched her smartphone and turned on the speaker mode so that Lan Ruoxi didn't need to keep holding her smartphone. Xiao Tian then placed her smartphone on her right side.

Even though his actions much surprised her, but Lan Ruoxi did nothing when Xiao Tian did it. At least, Xiao Tian didn't end the call.

"What are you doing right now?" Bai Zhenya inquired.

Because Lan Ruoxi's smartphone was on speaker mode, Xiao Tian was able to hear it too.

'I'm pushing her down on the bed and we are having a good time right now.'

Xiao Tian answered in his head.

"I'm looking for my bag." Because Lan Ruoxi didn't want Bai Zhenya to know what she was doing with Xiao Tian, she decided to lie. "I forget where I put it before."

Because Lan Ruoxi had finished answering Bai Zhenya's question, Xiao Tian pressed his lips against hers again. He didn't want to let the chance to kiss her slip away.

This time, Lan Ruoxi acted normally because she knew Xiao Tian would kiss her again.

This young man really didn't let the opportunity slip away. He immediately kisses me as soon as I finish answering. Lan Ruoxi thought to herself.

"Are you sure you put it in your hotel earlier?" Bai Zhenya replied, "Don't tell me your bag is still in my house."

Like before, because Lan Ruoxi had to answer it, Xiao Tian stopped the kiss.

"Yes." Lan Ruoxi kept lying to Bai Zhenya. "Because I remember that I was carrying my bag when I walked into the hotel earlier."

Without waiting for another second, Xiao Tian kissed Lan Ruoxi's lips again. Her soft lips and mouth fragrance made Xiao Tian unable to hold back anymore. For this reason, Xiao Tian didn't waste time and instantly kissed her.

'If she keeps letting me kiss her, I can be addicted to kissing her later.'

Even though he thought something like that, Xiao Tian didn't care about it. In his view, only a fool wouldn't want to kiss her.

Xiao Tian was sure any man would dream of being in his place. Who wouldn't want to kiss an attractive lady like Lan Ruoxi?

"Oh." Because Lan Ruoxi said something like that, Bai Zhenya thought Lan Ruoxi's bag was really in the hotel. "Have you been looking for your bag on the sofa or bed?"

Usually, women put their bags on the sofa or bed after arriving home. That was why Bai Zhenya said something like that.

Like before Xiao Tian stopped the kiss again.

"Yes. I have." Lan Ruoxi replied.

However, this time, when Xiao Tian was about to kiss her again, Lan Ruoxi put her index finger on his lips to stop him.

Of course, Xiao Tian instantly removed her index finger from his lips and kissed her again. Not only was he able to take advantage of the situation, but he could tease her too. That was why Xiao Tian didn't want to stop kissing her.

This time, when his lips were pressing against hers, Xiao Tian tried to put his tongue in her mouth. Her soft lips and mouth fragrance made Xiao Tian desire to have a passionate kiss with her.

'What?!'

Lan Ruoxi widened her eyes in surprise. She didn't expect that he wanted to kiss her passionately.

Chapter 475 - Shameless!

7-8 minutes

Because she always let him kiss her lips, Lan Ruoxi knew that sooner or later Xiao Tian would try to kiss her passionately. However, she didn't expect him to do that when she was on the phone.

'This young man is really something! He still wants to kiss me passionately even though he knows I'm on the phone right now. Where did he get the courage? Is it because I always let him kiss me? Interesting.'

Lan Ruoxi still didn't open her mouth and only stared at him intently.

She pushed his head away and whispered in his right ear, "Yang, do you want to have a French kiss with an old lady like me? If so, I would gladly welcome it because it's not every day for an old lady like me to be able to have a passionate kiss with a good-looking and talented young man like you. Come here. Let us enjoy ourselves now. Let me test how skilled you are in a French kiss."

Xiao Tian was a little unhappy upon hearing her words. It was as if everything was under her control. That was why Xiao Tian grabbed both of her hands so that he could control her easier. "Lady Lan, I will let you know what it feels like to have a passionate kiss with me. I won't take responsibility if you get addicted later."

"I'm ready." Even though Lan Ruoxi had no idea how skilled he was in a French kiss, but she believed that she would not get addicted later.

Because Lan Ruoxi said something like that, Xiao Tian instantly kissed her lips again and tried to put his tongue in her mouth.

Even though she was still on the phone with Bai Zhenya, Xiao Tian didn't care about it. Bai Zhenya knew that they were lovers, so he was sure that she would understand his actions later.

"How is it? Have you found it?" Bai Zhenya inquired.

However, Lan Ruoxi didn't answer it because she was having a passionate kiss with Xiao Tian.

'Oh! He is more skilled than I expected. This is dangerous.'

Even though she only had a french kiss with him, but because of how skilled he was, the flame of lust within her began to appear.

She didn't expect that she would begin to lose herself in lust just by having a passionate kiss with him. She even no longer cared that she was still on the phone with Bai Zhenya.

Because Lan Ruoxi still hadn't answered her, Bai Zhenya asked again. "Big sister Ruoxi, are you there? Have you found your bag?"

Even though Lan Ruoxi heard Bai Zhenya's voice, but she continued having a hot kiss with Xiao Tian.

When Xiao Tian noticed Lan Ruoxi was enjoying the kiss, he could not help but feel proud. It was the first time for him to see her lewd expression.

Usually, every time they met, she always wore a serious or seductive expression. That was why when Xiao Tian saw her lustful face, he felt as if he had won something big.

"Big sister Ruoxi, are you there?" because Lan Ruoxi was still silent, Bai Zhenya asked again.

Because Xiao Tian knew that the flame of lust had started to appear on Lan Ruoxi's body, he became braver. In his view, Lan Ruoxi would let him do whatever he wanted. For this reason, Xiao Tian squeezed her right breast and pinched her nipples.

"Ahhh." Lan Ruoxi broke the kiss and let out a seductive moan.

"Eh! What is that sound?" because Lan Ruoxi moaned loudly, Bai Zhenya was able to hear it. "Are you alright? What was that sound just now?"

At this moment, Lan Ruoxi knew that she had to answer it. "Nothing. I'm still looking for my bag right now.."

Because Xiao Tian squeezed her breasts and kissed her neck, Lan Ruoxi wailed again before she could finish her words.

Bai Zhenya began to suspect that Lan Ruoxi was doing something with someone. It was impossible to moan like that if she was looking for her bag. "What are you doing? Why are you moaning like that?"

Of course, Bai Zhenya knew what kind of sound it was, because she was a woman too. It was the sound when two people were doing adult things or when they were pleasuring themselves.

"Zhenya, I will call you again later. Let's end the call for now." Since Lan Ruoxi didn't want Bai Zhenya to hear her wailing again, she tried to end the call.

"Why?" Bai Zhenya inquired.

Lan Ruoxi didn't answer immediately. She was wavering whether she should tell the truth or not.

However, because she knew that Bai Zhenya had suspected that she was doing adult things with someone, she immediately said, "My boyfriend is horny right now, so he is kissing me passionately and squeezing my breasts. I told him to wait until night, but he ignored my words."

Lan Ruoxi managed to make Bai Wenliang think that Xiao Tian was a pervert, so she also wanted to make Bai Zhenya think that Xiao Tian was a pervert. After saying that, Lan Ruoxi stared at Xiao Tian and giggled.

Of course, Xiao Tian knew what she had in mind.

'This woman is really evil! She wants to destroy my pride again. She wants me to lost face when I meet Bai Zhenya or Bai Wenliang later.'

Because Lan Ruoxi intended to make him look like a pervert, Xiao Tian decided to behave like a pervert. Without giving her a warning, Xiao Tian pinched her nipples again.

"Ahh.." Lan Ruoxi cried out in pleasure.

Bai Zhenya, who was sitting on the couch, blushed after hearing Lan Ruoxi's moan.

'This Xue Yang is really a pervert! How could he do that to big sister Ruoxi?'

At this moment, Bai Zhenya believed what Lan Ruoxi just said. She was even sure that Xiao Tian was having his way with Lan Ruoxi.

"Xue Yang, you should not do that? I know big sister Ruoxi is pretty and sexy, but you have to control yourself." Because Xiao Tian was having his way with Lan Ruoxi, Bai Zhenya knew that Xiao Tian would be able to hear her voice.

Because his pride had been destroyed, Xiao Tian didn't care about it anymore and immediately spoke, "Well, as you said, my lover is beautiful and sexy, so there is no way I can control myself when we are alone. Lady Bai, do you want to join us?"

Bai Zhenya found it hard to believe what she just heard. She didn't expect Xiao Tian would say something like that. "Shameless! You are really a pervert! How could you say something like that? Big sister Ruoxi, you should beat him up."

Lan Ruoxi could not help but giggle after hearing Bai Zhenya's words. She then brought her face closer to his left ear and whispered, "Congratulation, one more woman called you a pervert! Hehe."

The corner of his lips twitched after hearing her words. Because they had called him a pervert, Xiao Tian pressed Lan Ruoxi's pussy with his right knee. Not only that, but he also began to kiss her neck and squeeze her breasts.

Because the flame of lust had appeared within her, his actions made Lan Ruoxi moan again. "Ahhh..."

"Shameless!" Bai Zhenya hung up the phone.

Chapter 476 - You Look Drop Dead Gorgeous

"Hehehe." Lan Ruoxi could not help but giggle after hearing Bai Zhenya's words. "My dear lover, your pride as a man is ruined again. Now two of my friends think you are a pervert. Hehe."

'And all of it is because of your doing.'

Xiao Tian replied in his head instantly.

"Well, they have no idea that I'm Xiao Tian, so I'm fine with it." Because Bai Zhenya and Bai Wenliang didn't know his real identity, Xiao Tian didn't care about it. He even believed that he would not meet them again in the future.

"Ah! You're right." Lan Ruoxi suddenly realized that he was not using his real identity. "Well, at least when you meet them later, they will think of you as a pervert."

Xiao Tian laid next to her and spoke, "And they will also think of you as a weird person because you chose a pervert to be your boyfriend."

Lan Ruoxi could not defend herself after hearing his words. Because Xiao Tian was lying down next to her and didn't try to kiss her again, she immediately asked, "Are you not going to kiss me again?"

"I'm not in the mood for it anymore." Xiao Tian responded instantly.

"What a pity!" earlier, Lan Ruoxi thought Xiao Tian would kiss her again after Bai Zhenya hung up the phone.

Even though she would stop him if he tried to have sex with her, but having a hot kiss with him was fine.

It was only a kiss, and it felt so good having a French kiss with him, so she didn't mind it if he wanted to have a passionate kiss with her again.

However, because Xiao Tian no longer desired to have a deep kiss with her, she didn't force him to do so.

"What's wrong?" Xiao Tian inquired. "Don't tell me you're addicted to it. It feels good having a passionate kiss with me, right?"

"I'm not gonna lie, you are indeed skilled at a French kiss. I must say, as expected of a playboy. It seems like you have a passionate kiss your girlfriends every day." Because Xiao Tian was skilled at a hot kiss, she was sure it was the result of him having a deep kiss with his girlfriends every day because it was impossible for him to be good at passionate kiss if he didn't often do that.

"Of course. Because my girlfriends are pretty and sexy." Because he was talking with Lan Ruoxi, Xiao Tian gave her an honest answer.

Lan Ruoxi then got out of bed and tidied up her clothes.

"Lady Lan, where do you want to go?" Xiao Tian inquired.

"I want to go to Bai Zhenya's house again." Lan Ruoxi knew that Bai Zhenya really needed her to be by her side. "Do you want to go to her house with me?"

"No, thanks." Xiao Tian refused instantly.

"All right." Of course, Lan Ruoxi knew the reason why Xiao Tian didn't want to go to Bai Zhenya's house. "I will be back tomorrow morning. Don't forget, we will go to the banquet tomorrow afternoon."

"All right." Xiao Tian replied.

Then Lan Ruoxi traveled to Bai Zhenya's house.

The following morning, Xiao Tian took a bath after waking up. Because Lan Ruoxi was still at Bai Zhenya's house, he only watched TV in his room.

Not long after that, Lan Ruoxi arrived at the hotel. After she took a shower, they went out for breakfast.

After that, Xiao Tian and Lan Ruoxi rented a car to make it easier for them to go to the banquet. Actually, they wanted to rent a car since two days ago, but because they had many problems, they didn't have time to do that.

That was why they decided to rent a car when they had free time because it would be embarrassing to go to the banquet using a taxi. After seeing all the cars on display, they decided to rent a white BMW 3 series.

"So, where will the banquet be held?" until now, Lan Ruoxi still hadn't told him where the banquet would be, and he also forgot to ask it. All he knew was that the banquet would be held in Beijing.

Currently, Lan Ruoxi and Xiao Tian were in her room. After renting a car, they decided to return to the hotel.

"The banquet will be held in Hongdu town." Lan Ruoxi replied.

"Hongdu town?" because Xiao Tian only came to Beijing twice, he had no idea where the Hongdu town was.

When Lan Ruoxi saw the expression on Xiao Tian's face, she knew that Xiao Tian didn't know where the Hongdu town was.

For this reason, she began to explain everything to him. "In Beijing, there are four districts. Ximeng district which is located in West. In the East, there is Shui district. Tongyi district is in the north, and Heipo district is located in south. Currently we are at Heipo district. Heipo district has twenty towns and fifty villages. Hongdu town is one of the towns in the Heipo district."

"Is Hongdu town far from here?" Xiao Tian inquired.

"Yes." Lan Ruoxi answered instantly. "Hongdu town is located in the South part of Heipo district. It's a quite famous town because the air is still fresh and the scenery is also breathtaking. This was one of the reasons why the Qing family chose to hold a banquet in Hongdu town."

Upon hearing her words, Xiao Tian suddenly wanted to go to the Hongdu town immediately because he wanted to know how good the scenery was. "Your words make me want to go to Hongdu town immediately."

"You will like the scenery there." Because of how beautiful the scenery was, Lan Ruoxi believed Xiao Tian would like it later.

They talked for about an hour before finally, Xiao Tian returned to his room because he wanted to prepare himself.

"This suit is good." Currently, Xiao Tian was looking at himself in the mirror.

The grey suit he was wearing fit his body so well. Even though it didn't make him look more handsome, but he looked more mature and elegant.

Because he was satisfied with his suit, he immediately went to Lan Ruoxi's room. Coincidentally, when Xiao Tian was in front of her room, Lan Ruoxi opened the door.

Xiao Tian forgot to blink and could not take his eyes off her when he saw Lan Ruoxi. He knew she was pretty and had a perfect body, but she looked stunning when he saw her wearing a strapless long grey dress.

"...." Due to how beautiful she was, Xiao Tian was unable to say any word.

The hem of her dress covered her legs, and because she was wearing a strapless dress, he could see her beautiful shoulder and neck.

The color and size of her dress fit her body and skin color perfectly. Coupled with her hair, which was styled in a sparkly side bun, Lan Ruoxi looked drop-dead gorgeous.

Lan Ruoxi could not help but giggle when she saw his expression. Without giving him a warning, she brought her face closer towards his right ear and whispered, "My dear boyfriend, am I pretty?"

Xiao Tian instantly came to his senses upon hearing her words. "You look drop dead gorgeous."

Lan Ruoxi was pleased when Xiao Tian praised her like that. Without giving him a warning, she kissed his left cheek and spoke, "This is the reward for praising me."

Because Lan Ruoxi kissed his left cheek, Xiao Tian touched his right cheek with his index finger and spoke, "What about my right cheek? It will be unfair if you only kissed my left cheek."

"Next time, honey. It will be boring if you get everything now." Lan Ruoxi closed the door and walked away.

Seeing that, Xiao Tian ran after her, and when he was next to her, he immediately spoke, "How about hooking arms with me?"

"Sure." Lan Ruoxi answered after locking arms with him.

Like what Xiao Tian had guessed, when they were walking in the hotel, all men looked at Lan Ruoxi when they saw her.

Of course, Xiao Tian understood their feeling because earlier, he also felt the same. "Looks like I'll be the enemy of all men at the banquet later."

"But isn't it great to go to the banquet with a gorgeous lady like me? Because you can show off too." Lan Ruoxi replied.

"You are right." Xiao Tian responded.

Then Lan Ruoxi and Xiao Tian traveled to the banquet.

Chapter 477 - Going To The Banquet

7-8 minutes

On the way to the banquet, Xiao Tian was amazed by the scenery. Many trees and hills decorated both sides of the road.

Not only that, but Xiao Tian was also able to see several mountains from small mountains to big and high mountains. The closer they were to their destination, the less often they saw the cars on the road.

Even though several people still used cars and motorcycles, but many people also used bicycles as a means of transportation. He even often saw people walking on the road.

'No wonder the air here is still fresh. They prefer to use bicycles as a means of transportation.'

After seeing his surroundings, Xiao Tian believed that he would be able to see stars at night in many places because there was almost no pollution in Hongdu town.

"The scenery is good, right?" Lan Ruoxi spoke abruptly.

"Yes." Xiao Tian responded as he nodded his head.

"It will be more beautiful at dawn and night." The reason Lan Ruoxi knew about it was that she had visited the Hongdu town in the past.

"I think so too." Xiao Tian agreed with Lan Ruoxi's words "Did you often come to his town in the past?"

"I came to this town several times in the past." Lan Ruoxi suddenly remembered the time when she enjoyed the beautiful scenery with her friends in the past.

"What did you do in this town?" Xiao Tian asked curiously.

"Secret." Lan Ruoxi replied as she winked her left eye.

The corner of his lips twitched after hearing her words. Because she didn't want to tell him about it, Xiao Tian decided not to ask again.

When they arrived at their destination, Xiao Tian saw a huge and luxurious villa. The iron fence was as high as three meters with two people in black standing on either both side of the entrance gate.

The words 'Phoenix Villa' decorated the entrance gate with its beauty. Coupled with the decoration of Phoenix that spread its wings above the 'Phoenix Villa' words, made everyone know that Phoenix Villa was a luxurious villa.

After Xiao Tian parked the car, Lan Ruoxi and he marched toward the villa. Like usual, before they entered the villa, two people in black stopped them.

One of them immediately spoke, "Please show me the invitation card."

Lan Ruoxi showed them the invitation card and spoke, "This is my invitation card. He came here as my date."

"Please come in, miss." The guards knew that people who got invited were allowed to bring one person with them.

Because Lan Ruoxi was the person who got invited, the guards ignored Xiao Tian. Usually, the people who came as partners were not important.

That was why they ignored Xiao Tian. Because they had never seen Xiao Tian, they were even sure that Xiao Tian was nobody.

Xiao Tian had guessed that the guards would ignore him like that, but he didn't care about it. He didn't want to waste his time with the guards because it was not worth it.

As soon as Xiao Tian stepped into the villa, he saw Su Lique and Chen Yueli.

They are also invited?! It seems they are quite influential in Beijing. Xiao Tian thought to himself.

When Su Lique saw Xiao Tian and Lan Ruoxi, she immediately walked towards them "Oh you two also got invited by the Qing family?"

Actually, Su Lique was surprised when she noticed Xiao Tian and Lan Ruoxi. They were not from Beijing, so she didn't expect the Qing family would invite them too. She thought Xiao Tian and Lan Ruoxi came to Beijing for a vacation.

"We meet again, Director Su." Xiao Tian spoke as he smiled. "My lover is the one who got invited by the Qing family. I only came to accompany her."

When everyone saw Su Lique talking to Xiao Tian, they started to wonder who he was.

"Who is he? Why have I never seen him before?"

"I also don't know him. It seems like he is nobody."

"How come he talks to director Su?"

"I don't know. I also want to know about it."

"Did he come with that woman?"

"Whoa! Who is that woman next to him? She has a pretty face and a sexy body."

"What did he do to make him her date?"

"I also want to know about it."

"I start to envy him. Not only did he know director Su, but his date is beautiful and sexy too."

When they saw Lan Ruoxi, they began to praise her beauty. They found it hard to believe that Xiao Tian could become a partner of a pretty lady like Lan Ruoxi.

Xiao Tian could only sigh when they began to talk about him.

'Sigh. Why am I always become the center of attention?'

Xiao Tian started to hate elite families because they always looked at people based on their wealth or influence.

"Oh!" Su Lique was startled after hearing Xiao Tian's words. Because Lan Ruoxi was invited by the Qing family, Su Luque knew that Lan Ruoxi was an influential or wealthy person.

She suddenly wanted to know what Lan Ruoxi did for living because she had never heard of Lan Ruoxi's name before.

"Yang, wait here. I want to go to the restroom first." Lan Ruoxi spoke abruptly

"All right." Xiao Tian replied instantly.

As Lan Ruoxi was in the restroom, Xiao Tian was talking with Su Lique and Chen Yueli. The longer they talked, the closer they became.

Of course, it made Xiao Tian happy because he would need Su Lique's help him develop his businesses which were located in Beijing.

'Why isn't she back yet?'

It had been fifteen minutes since Lan Ruoxi went to the restroom.

Because Xiao Tian wanted to know what happened to Lan Ruoxi, he immediately spoke, "Lady Su, Lady Chen, I want to find Ruoxi first. I want to know why she hasn't come back yet?"

"All right." Su Lique replied.

Without waiting for another second, Xiao Tian walked towards the woman's restroom. Because the washrooms for women and men were next to each other, Xiao Tian didn't feel embarrassed when he was standing in front of the toilet.

'Why hasn't she come out of the restroom yet?'

At first, Xiao Tian wanted to call her but decided not to do that.

'The banquet will start in ten minutes. If she's still in the toilet, we'll be late later. Wait! Did something happen to her?'

Xiao Tian began to think that something bad happened to Lan Ruoxi. He wanted to enter the women's washroom to check her condition, but he was afraid of the consequences later. For this reason, Xiao Tian kept waiting in front of the restroom.

"Kyaa.." suddenly a female voice that was similar to Lan Ruoxi's voice could be heard in his ears.

Because Xiao Tian thought it was Lan Ruoxi's voice, he immediately dashed to the women's restroom. He no longer cared about the consequences because Lan Ruoxi's condition was more important.

"Ruoxi, are you alright?" Xiao Tian said worriedly.

However, he didn't see Lan Ruoxi in the restroom; instead, he saw a familiar figure in the washroom. That figure was none other than Yi Wenxin, an officer who almost killed him once.

Chapter 478 - This Is Villa, Not Love Hotel

7-8 minutes

"It's you?! What are you doing here? Do you know that this is a women's toilet?" Yi Wenxin asked furiously.

The hatred she had for him grew bigger when she saw Xiao Tian in the women's washroom. To her, Xiao Tian was a bad boy who needed to be disciplined.

That was why she wanted to bring him to the police station several times because she wanted to discipline him.

The expression of deep shock emerged on Xiao Tian's face when he saw Yi Wenxin.

'Shit! It's that crazy officer again. Out of billion people in the world, why should it be her? Is this world too small?'

Xiao Tian could not help but curse in his heart. He didn't expect to meet her again so quickly. Not only that, but they also met in the women's washroom.

"Why did you enter the women's restroom? Are you planning to do something evil?" Yi Wenxin asked angrily. "As I thought, someone like you needs to be disciplined. I will teach you a lesson so that you will never do something like this again."

At this moment, Yi Wenxin thought that Xiao Tian wanted to peek at women or place a hidden camera in the women's washroom.

"Listen to my explanation first." At this moment, Xiao Tian knew that he had to explain everything to Yi Wenxin, or else, she would cause trouble to him again later. "My lover is here and just now, I heard her voice. That was why I entered the women's washroom."

"Don't lie to me!" of course, Yi Wenxin didn't believe his words. "You want to peek at women, right?"

"Why do you always suspect me? Why do you always think badly of me?" Xiao Tian started to lose control after hearing her words. "As I said before, my lover is here. I heard her voice just now and because I was afraid something bad might have happened to her, I entered the women's restroom without a second thought. "

Like before, Yi Wenxin didn't believe his words. "Bullshit! Follow me to the police station now!"

"You are too unreasonable! I don't want to waste my time with you." Xiao Tian turned around and began to look for Lan Ruoxi again. "Ruoxi, where are you?"

Yi Wenxin was unhappy with his actions. She grabbed his right shoulder and spoke, "I said follow me to the police station right now! People like you need to be disciplined so that you won't cause trouble to other people again in the future."

Because Yi Wenxin behaved rudely, Xiao Tian did the same. He instantly removed her hands from his shoulders and began to look for Lan Ruoxi again.

His actions irritated Yi Wenxin. Without giving him a warning, she threw a kick towards his head.

Even though Yi Wenxin suddenly attacked him from behind, but Xiao Tian could sense it. That was why he immediately blocked her kick with his hands. "Crazy officer, can't you use your head before doing something. As I said, I'm looking for my lover right now! Stop attacking me!"

Yi Wenxin was startled when Xiao Tian blocked her kick. She kicked him from behind, and it was also a sudden kick, so she didn't expect Xiao Tian to block it.

Of course, she didn't show it on her face and attacked Xiao Tian again because she really wanted to teach him a lesson.

"Alright, alright. I will get out now!" Xiao Tian said irritably. "But you have to help me find my woman. She is in this restroom."

"How do you know she is in this washroom?" Yi Wenxin inquired.

"I asked one of the waitress on the way here earlier." Xiao Tian replied instantly.

At the same time, Lan Ruoxi appeared from behind Xiao Tian, "Yang, what are you doing here?"

Xiao Tian instantly turned around and replied, "Are you hurt? What was that sound just now?"

"Sound?" Lan Ruoxi had no idea what Xiao Tian just said.

"Let's get out of here." Xiao Tian didn't want to stay in women's washroom anymore.

Not only would Yi Wenxin keep giving him trouble, but he also would lose face if another woman saw him there.

'Luckily, there is only that crazy officer in the washroom.'

Xiao Tian didn't want to imagine what would happen to him if the washroom was full of women. Earlier, because he was worried about Lan Ruoxi's condition, he didn't think twice before entering the women's restroom.

Xiao Tian then returned his attention to Yi Wenxin and spoke, "I've found my lover. I hope we will never meet again."

After saying that, Xiao Tian dragged Lan Ruoxi out of the washroom.

"You!" Yi Wenxin gritted her teeth when she saw Xiao Tian and Lan Ruoxi walking out of the washroom.

When Xiao Tian dragged her, Lan Ruoxi only followed him silently while also looking at him instantly.

When Xiao Tian saw her expression, he knew Lan Ruoxi wanted to know what had happened earlier. For this reason, Xiao Tian began to explain everything to her.

"Hehe. So that's what happened earlier." Lan Ruoxi could not help but giggle after hearing his words. "I didn't know my lover is so caring. You even didn't care about the consequences when you entered the women's washroom. As expected of my lover, you are not afraid of anything. Hehe."

Xiao Tian didn't answer immediately and only stared at her. He didn't expect she would giggle like that. "It's not funny, you know?"

"Hehe." After laughing, Lan Ruoxi kissed Xiao Tian's right cheek. "There. I've kissed your right cheek. Earlier, you asked me to kiss your right cheek, right? Now that I've kissed you, are you happy now?"

Actually, her actions much surprised him. He didn't expect she would kiss his right cheek. Because she kissed him and said something like that, Xiao Tian cornered her against the wall and spoke, "What if I want something more than that?"

"Like what?" Lan Ruoxi did nothing when he cornered her against the wall.

Xiao Tian grabbed her by the chin and looked at her in the eyes before shifting his gaze from her eyes to her pretty lips. "For example, I want a kiss on the lips."

"Oh! It seems like you are addicted to kissing my lips." Like before, Lan Ruoxi let him do whatever he wanted because no one was around them.

"Of course." At this moment, Xiao Tian still looked at her lips. "Because every time I see your pretty lips, I always want to kiss it."

"If so, what are you waiting for?" actually, since Xiao Tian kissed her passionately yesterday, Lan Ruoxi kept remembering it.

The feeling when they were having a hot kiss was something she could not forget too. They had done it once, so in her view, adding one more was fine.

Even though Lan Ruoxi always behaved seductively around him, but he didn't expect her to say something like that.

'Really? You don't mind it?'

Earlier, he thought Lan Ruoxi would stop him. But because she said something like that, Xiao Tian didn't waste his time anymore.

Without waiting for another second, he brought his face closer towards hers.

However, when their lips were close to each other, suddenly a voice rang out, "What are you two doing? This is villa, not love hotel!"

Chapter 479 - Qing Xiulan And Qing Feng

7-9 minutes

Xiao Tian stopped what he was doing reflexively. He then turned his head toward the source of the sound. When he saw a familiar figure, he instantly cursed in his head.

'Fuck! This woman again?!'

Xiao Tian was annoyed when Yi Wenxin disturbed his good time with Lan Ruoxi. He had never hated a woman like he hated Yi Wenxin.

Not only did she nearly kill him once, but she always caused trouble to him. What annoyed him most was that they met each other so often.

'I just said I hope we never see each other again in the future and here, we meet again a few minutes after I said it. There are a few paths to get to the main hall. Why did she choose this path?'

Lan Ruoxi also turned her head towards the source of the sound. When she saw Yi Wenxin, she immediately looked at Xiao Tian and spoke, "It seems like she hates you even more now."

"I don't care. I also hate her even more now." Because Xiao Tian wanted to annoy Yi Wenxin even more, he instantly kissed Lan Ruoxi's lips while looking at Yi Wenxin.

I will make her angrier. Xiao Tian thought to himself

His actions much surprised Lan Ruoxi. Earlier, she thought Xiao Tian would not kiss her because Yi Wenxin was next to them.

'Oh! This young man still decides to kiss me even though Yi Wenxin is standing next to us?'

When Lan Ruoxi recalled the grudge between Xiao Tian and Yi Wenxin, she understood why Xiao Tian decided to kiss her.

Yi Wenxin gritted her teeth when Xiao Tian ignored her words. She then marched toward them, and as she walked past them, she spoke, "Go get a room, pervert!"

Upon hearing her words, Xiao Tian stopped the kissed and spoke, "Go get yourself a lover, crazy woman!"

Yi Wenxin instantly stopped her footsteps and turned around, "What did you say?"

"You are single, right? That's why you are annoyed when I kissed my lover." It was the right time to insult Yi Wenxin. That was why Xiao Tian said something like that.

Until now, Yi Wenxin was the one who always insulted or caused trouble to him, so Xiao Tian wanted to take his revenge.

"You!" Yi Wenxin was enraged after hearing his words. It was true that she was single. That was why she could not talk back. "So what if I'm single. At least, I'm not a pervert!"

"What?! So you called me pervert just because I kissed my lover?! What kind of nonsense is that?" Xiao Tian replied, "I'm sure the reason why you are still single is that no one wants to be your lover."

Yi Wenxin's face turned red because of anger. She was furious because Xiao Tian kept insulting her. "As for information, there are many men who desire to be my lover! The reason why I'm still single is that I want to focus on my carrier."

"Focus on carrier my ass!" Xiao Tian responded with a mocking face. "It's because they don't want a crazy woman like you to be their girlfriend."

"I dare you to say it again!" Yi Wenxin retorted as she pointed her index finger towards his face.

"You are a crazy woman! No one will ever want to make you their girlfriend." Xiao Tian was not afraid of her. That was why he repeated his words.

At this moment, Lan Ruoxi only stared at them. She was stunned when Xiao Tian lost control.

When many people bad-mouthed him, he treated them like air and said they were not worth his time.

And here, he was out of control when he was facing Yi Wenxin. However, Lan Ruoxi knew the reason why Xiao Tian behaved like that. It was because Yi Wenxin almost killed him once a few days ago.

Yi Wenxin didn't know what to say to Xiao Tian anymore. Whatever she said, Xiao Tian could talk back. Because the banquet was about to start, Yi Wenxin decided to leave.

She didn't want to talk to Xiao Tian anymore. "Huft! Talking to people like you is only a waste of time. Next time, if you dare to cause trouble again, I will drag you to the police station."

Without waiting for his replied, Yi Wenxin left.

"You are really cruel to her, you know?" Lan Ruoxi spoke abruptly.

"What do you mean by that? If she were a man, I would have hit her in the face earlier." Xiao Tian would really hit her in the face if she were a man because she was so annoying.

"Hehe. You really can't control your emotions when the two of you meet." Lan Ruoxi responded as she giggled.

"I can't stand a woman like her." Xiao Tian replied instantly. "Now that she has already left, let's continue what we were doing before."

"The banquet is about to start." Lan Ruoxi walked away. "Let's go, or else we will be late later."

Even though Xiao Tian could not kiss her, but he didn't mind it because he was sure that he would be able to kiss her again in the future.

When Xiao Tian and Lan Ruoxi stepped into the main hall, Su Lique and Chen Yueli marched towards them.

"What took you so long?" Su Lique asked curiously.

"There was a little problem earlier." Xiao Tian didn't want to explain it to Su Lique because he was still annoyed by what just had happened to him.

Because Xiao Tian said something like that, Su Lique looked at Lan Ruoxi and inquired, "Are you alright?"

"I'm fine." Lan Ruoxi answered as she smiled.

Not long after that, four people entered the main hall, two middle-aged people, and two young people.

"Look! Members of the Qing family has appeared."

"Ah. You're right."

"Whoa! Qing Xiulan is so pretty."

"You're right."

"As expected of our goddess, there is no woman as beautiful as her."

"Just seeing her has made my day brighter."

"I don't mind if my life is reduced by ten years if I can spend time with her for a day."

"Me too."

"What a perfect lady!"

One by one, all men expressed their feeling when they saw Qing Xiulan. Once they looked at Qing Xiulan, they were unable to take their eyes off her as if they were witnessing a goddess of beauty in front of them.

When all men were praising Qing Xiulan's beauty, the expression of deep shock emerged on Xiao Tian's face.

'Isn't she.....'

Xiao Tian found it hard to believe what he was seeing. Qing Xiulan, who all men praised, was none other than the woman he embraced when Wen was chasing him.

'She is from the Qing family?!'

Xiao Tian didn't expect that she was from a well-known family. He was once again surprised when all the women praised the young man who was standing next to Qing Xiulan.

"Whoa! Qing Feng is so handsome."

"Yes. You're right."

"He is my ideal man. I really want to have a baby with him."

"Yes. Me too. If only he is my lover, I'm sure I will smile in my sleep."

"Not only is he good-looking, but he is also from a famous family. How could someone so perfect like him appear in this world?"

"Don't forget, he is also kind and always smile."

"What a perfect man!"

"Yes. I agree."

Xiao Tian almost could not believe what he was hearing.

'What?! Qing Feng?!'

His other identity name was also Qing Feng. He just didn't expect that his other identity name was the same as the name of a young man from a famous family.

'How can this be? In the past, I said that my name is Qing Feng and I'm from Beijing. Don't tell me the reason they were shocked when they heard it was that they thought I was the young master of the Qing family.'

Xiao Tian found it hard to believe that such a coincidence happened to him. The reason he chose Qing Feng as his name for his other identity was that it was a combination of the names of his martial arts masters from his previous life.

As Xiao Tian was looking at Qing Feng, coincidentally, Qing Feng was also looking at Xiao Tian. Not only that, but when their eyes met, Qing Feng smiled at him.

'Why is he smiling at me?'

Xiao Tian asked in his head.

Chapter 480 - Because I Already Have A Sexy And Pretty Girlfriend

7-8 minutes

Xiao Tian had no idea why Qing Feng smiled at him. Not only were they not friends, but they also had never met before.

Even though they were many people in the main hall, but Xiao Tian was sure that Qing Feng smiled at him. This made Xiao Tian want to know the reason why Qing Feng smiled at him.

'Wait! Don't tell me Qing Xiulan told her brother what I did to her before.'

It was the first words that appeared in his mind. However, because he met her using his real identity, Xiao Tian was sure that they didn't know who he was because currently, he was wearing a silicon head mask.

When Lan Ruoxi saw Xiao Tian's expression, she looked at him and spoke, "She is beautiful, right?"

Because Qing Feng was standing next to Qing Xiulan, Lan Ruoxi thought Xiao Tian was looking at Qing Xiulan.

Xiao Tian turned his head towards her and replied, "What? Beautiful?"

Because earlier Xiao Tian was looking at Qing Feng, he was surprised when Lan Ruoxi said something like that.

"Don't play dumb with me. I know you were looking at her earlier, right?" Lan Ruoxi thought Xiao Tian wanted to pretend that he didn't look at Qing Xiulan earlier.

"But I was looking at Qing Feng earlier, and now I want to know why did he smile at me?" Even though he stared at Qing Xiulan too, but when Lan Ruoxi spoke to him, he was looking at Qing Feng.

"Do you think I will believe your words?" Lan Ruoxi stared at Xiao Tian intently. "It's impossible for a playboy like you to choose to look at a man when there is a beautiful woman in front of you. And what do you mean by Qing Feng smiling at you? Have you met him before?"

"I have never met him before, but he indeed smiled at me earlier. This is why I want to know the reason why did he smile at me?" Xiao Tian still tried to tell her that he was looking at Qing Feng earlier.

"Don't try to fool me because I won't believe your words. You were looking at her earlier and didn't want to admit it, right?" of course, Lan Ruoxi still didn't believe his words. "But I understand it. I'm sure all men here are looking at her right now."

Xiao Tian could only sigh when Lan Ruoxi didn't believe his words.

"Do you know that almost all men in Beijing desire to be her lover? Many people said she is the most beautiful woman in Beijing." Lan Ruoxi spoke and paused for a second before she continued. "Due to how beautiful she is, everyone calls her goddess Xiulan. Not only is she pretty, but she is also from a well-known family. Because of her pretty face and family background, everyone said she is the most perfect lady."

She is still talking about her? Xiao Tian thought to himself.

"Well, we can't deny it because she has everything, from appearance to wealth." Xiao Tian agreed that Qing Xiulan was the most perfect lady in his current life.

Lan Ruoxi brought her face closer towards his right ear and whispered, "Are you going to seduce her too later?"

"No." even though Qing Xiulan was the most beautiful woman he had ever met in his second life, but he had no intention to seduce her.

There were many reasons for it. First, he already had four women. Second, he wanted to focus on developing his business so that he would be richer.

[the relationship between Xiao Tian and Yun Xin Er is a bit complicated, but she is not his lover yet.]

Third, he was sure if he tried to seduce her, many people would cause trouble to him because he believed that many young men had tried to seduce her and they would not like it if he tried to get close to her too.

And the last was, it would be hard to get close to a woman like her. Xiao Tian was sure that not just any man could meet her.

Because she was from a well-known family, Xiao Tian believed that her family would forbid her to make friends with just anyone.

He was even sure that her family knew what she did or who she met every day. For people like them, reputation was the most important thing.

"Oh! Why?" Lan Ruoxi didn't expect Xiao Tian to say that.

Xiao Tian cupped Lan Ruoxi's face and spoke in a soft loving voice, "Because I already have a sexy and pretty girlfriend."

Xiao Tian didn't bother to explain it because he was too lazy to do that.

"So sweet." Lan Ruoxi replied as she giggled. "If so, you should make me happier and bring me to a good place later."

Even though she knew that she was not as beautiful as Qing Xiulan, but after hearing his words, Lan Ruoxi could not help but feel happy.

"What a coincidence because I also plan to bring you to a good place later." Actually, Xiao Tian was lying when he said that. He even never thought about asking her to go on a date.

"Oh! I'm looking forward to it." Even though Lan Ruoxi said something like that, but she was fine if he didn't bring her to a romantic place.

After the Qing family finished their speech, all people began to talk to each other because it was a perfect time to make friends or connections.

At this moment, Xiao Tian wanted to talk to Su Lique, but suddenly a mature man about forty years old walked towards Lan Ruoxi and him.

From the expression on his face, Xiao Tian knew that he wanted to talk to Lan Ruoxi. And what he had guessed was right because the mature man stopped his footsteps in front of Lan Ruoxi.

"Lady Lan, long time no see." the mature man spoke abruptly. "If my memory isn't playing tricks on me, it's been a year since we last met, right?"

Because the mature man was talking to Lan Ruoxi, Xiao Tian decided to stay with her. Not only would it be disrespectful to Lan Ruoxi if he left, but it would also make him seem like he didn't care about his lover.

"Oh, Mr Dong Chang. It's been a long time. How have you been?" Lan Ruoxi inquired.

"I've been doing well." Dong Chang replied before turning his head towards Xiao Tian. "And who is this young man?"

Lan Ruoxi instantly embraced Xiao Tian's left arm and smiled, "He is my lover. He came here to accompany me."

"Hello, Mr Shao. I'm Xue Yang." Xiao Tian introduced himself immediately after Lan Ruoxi said that he was her lover.

"Hello, young man. I'm Dong Chang." Dong Chang replied before returning his attention to Lan Ruoxi. "It seems like lady Lan likes younger men. Haha."

"Because younger men are better. Hehe." Lan Ruoxi covered her mouth and giggled.

"Because they have more stamina, right? Haha." Dong Chang replied as he laughed.

The corner of Xiao Tian's lips twitched after hearing their words. Many people were around them, but they still talked like that without feeling shy.

As they were talking, Lan Ruoxi and Dong Chang often laughed. They chatted for about ten minutes before finally, a voice rang out. "Lady Lan, long time no see. How have you been?"
