Chapter 491 - Su Family

When those people were near Xiao Tian and the others, one of them spoke, "Young lady, we finally found you."

Because Su Lique hadn't returned home, her parents sent their bodyguards to look for her. Earlier, they went to the Phoenix villa because they thought she was still in the villa.

However, one of the bodyguards of the Qing family said that no one was in the villa anymore. They wanted to call her, but they had difficulty getting a signal in Hongdu town because Hongdu town was close to a village.

Su Lique and the others instantly turned their heads towards the source of the sound.

When Su Lique saw her father's six bodyguards, she was pleased, "Oh! You have arrived?"

"Young lady, let's go home now." One of the bodyguards spoke to her.

They were relieved when they found Su Lique. Earlier, her father was worried and asked them to find her. He even said that they were not allowed to return if they didn't find her.

Luckily, they found her, or else, they had to look for her for the entire night.

"All right. There are six thugs in this tire repair shop, and they had bad intentions towards us earlier. Luckily Mr. Xue and Mrs. Lan helped us. Take them to the police station so that something like this won't happen again." Of course, Su Lique had no intention of letting those thugs get away so easily.

"What?!" the bodyguards were furious after hearing her words. "Don't worry. We will take care of them later."

Su Lique then turned her head towards Xiao Tian and Lan Ruoxi. "Let's leave. Don't worry about the car, they will take care of it later."

"All right." Lan Ruoxi and Xiao Tian replied in unison.

Then they left.

After driving for several minutes, they finally arrived at Su Lique's house. No, it was not a house; it was a mansion.

'I know she is from a rich family, but it seems like her family is richer than I thought. Just how many companies do they own?'

When Xiao Tian saw her residence, he was sure that she was much richer than what he thought earlier.

'Maybe I should look up information about her family on the internet later.'

Even though the information on the internet was not one hundred percent accurate, but at least, he would know how rich they were or how many companies they owned.

'It seems like I better not use my previous plans. It would be bad if something bad happened to her because of me.'

Because his previous plan would put her in danger, Xiao Tian decided to change his plan after knowing how rich she was.

From their house, Xiao Tian knew that her family was much richer than the Hong family. Of course, it was not because he was afraid of them.

When Lan Ruoxi saw the expression on Xiao Tian's face, she immediately spoke, "What are you thinking?"

"I need to change my plan." Xiao Tian said in a low voice. Because he was talking with Lan Ruoxi, he didn't need to lie.

"Why don't you talk to her nicely? You have helped her twice, so I think she will help you." Because Xiao Tian had helped Su Lique twice, Lan Ruoxi was sure that Su Lique would not refuse if Xiao Tian asked for her help. "Don't worry. I will help you talk to her later."

Upon hearing her words, Xiao Tian grabbed her hands and smiled at her, "My love, you understand me so well. I really love you."

"Hehe." Lan Ruoxi giggled after seeing his behavior. "You are really a playboy. How can you say something like that so easily? Did you say it to any woman who helped you?"

"Of course not." Xiao Tian denied shamelessly. "I only said it to you."

'And Shi Fei, Lin Xing Xue, and Yun Xin Er.'

Xiao Tian added in his head.

Lan Ruoxi stared at Xiao Tian intently. Of course, she didn't believe his words. He was a playboy, so she was sure that he often said something like that to a woman.

After they got out of the car, Xiao Tian saw six people walking towards them.

"Lique." A woman around forty-five years old instantly embraced Su Lique after seeing her.

"Mother, I'm home." Su Lique hugged her mother too.

After Su Lique and her mother stopped embracing each other, a man about fifty-three years old spoke, "Thank God nothing happened to you. Father was worried earlier."

"I'm fine, father." Su Lique held her father's hands and replied.

"Sigh!" a young lady, about twenty-seven years old sighed. She was so beautiful. She even prettier than Su Lique. "You really like worrying mother and father."

"Are you worried too, big sister?" Su Lique inquired.

The young lady pinched Su Lique's nose and responded, "Of course. My beautiful younger sister was suddenly out of contact and still hadn't returned. How could I not worry about you?"

"Hehe." Su Lique giggled.

Oh! It seems like her family loves her so much. Xiao Tian thought to himself.

"And who are these two people?" a mature man about forty-three years old said when he noticed Xiao Tian and Lan Ruoxi.

Chen Yueli often came to their house, so he knew who she was. However, because he never met Xiao Tian and Lan Ruoxi before, he decided to ask.

"Uncle Su Kun, He is Xue Yang, and she is his lover, Mrs Lan Ruoxi." Su Lique introduced Xiao Tian and Lan Ruoxi to her uncle. "They are the ones who helped us earlier."

Su Lique began to explain everything to her family. She also told them that it was hard to get a signal in Hongdu town. That was why they could not call her earlier.

After hearing Su Lique's words, Su Kun immediately spoke, "Are you sure they really helped you? Don't tell me, they are just pretending to help you and are actually part of that thugs."

Of course, Su Kun was suspicious of Xiao Tian and Lan Ruoxi. They were rich, so many people wanted to befriend them or take advantage of them.

"That's right, husband. I think so too." The woman around thirty-five years old spoke abruptly.

"Aunt Ding Lei, uncle Su Kun, how could you possibly think like that?" Su Lique was furious when Su Kun and Ding Lei said something disrespectful about Xiao Tian.

Xiao Tian had helped her twice, and she didn't know what would have happened to them if Xiao Tian and Lan Ruoxi didn't appear in the tire repair shop earlier. That was why she was angry with the behavior of her uncle and aunt.

Of course, Xiao Tian and Lan Ruoxi had guessed something like this would happen to them. It was normal for rich people to behave like that.

If the poor helped them, it was either they would be suspicious, or they would give money to their benefactor.

"Su Kun, Ding Lei, stop it!" Su Lique's father spoke, "We should be thankful to them. Because of them, nothing happened to Lique."

"Su Zedong, you are still as naïve as usual." Su Kun replied. "How can you believe it so easily?"

"Brother-in-law, what my husband said is right." Su Lique's mother spoke, "We should not be suspicious of them."

"Xie Zexi, you are the same as your husband." Su Kun replied. "Sooner or later, someone will take advantage of you later."

"What my father said is right, uncle." Su Kun's son, who was about twenty years old, said abruptly.

"Cousin Su Juncai, if you dare say bad things about them again, I will hit you later." Su Lique didn't get along with Su Juncai because she didn't like his behavior.

"Stop, stop!" Su Zedong spoke before turning his head towards Lan Ruoxi and Xiao Tian. "Please forgive their rude behavior. Actually, they didn't mean it."

Of course, Xiao Tian and Lan Ruoxi knew that Su Juncai, Su Kun, and Ding Lei didn't like them. However, because Su Lique's father said something like that, they decided not to mind it.

"It's fine." Xiao Tian and Lan Ruoxi spoke in unison.

"Thank you for saving my daughter." Su Zedong showed his gratitude to Xiao Tian and Lan Ruoxi.

"Don't mind it." Xiao Tian replied instantly.

At this moment, Su Kun, his wife, and son looked at Xiao Tian intently. They really didn't like it when Su Zedong treated Xiao Tian and Lan Ruoxi nicely like that.

Because Su Zedong knew that Xiao Tian and the others still hadn't eaten dinner, he immediately spoke, "How about you two come in and have dinner with us? You two still haven't eaten anything, right? You too, Yueli. Come in."

"What?" Su Kun spoke in surprise.

Chapter 492 - Xiao Tian's Perfect Acting In Front Of The Su Family

7-9 minutes

Su Kun found it hard to believe what he was hearing. Not only did his brother not hear his advice, but he even invited Xiao Tian and Lan Ruoxi to have dinner with them.

"Mr. Su, maybe next time. It's already late." The reason Xiao Tian refused was that he knew that Su Kun would cause trouble to him later.

It was not like he was afraid of Su Kun, but if he had a fight with Su Kun, it would put his relationship with Su Lique at risk.

Xiao Tian still needed her help to develop his businesses. That was why he didn't want his relationship with Su Lique to go bad.

"Xue Yang, don't mind them. Let's have dinner together." Su Lique really disliked her uncle's behavior because he was always suspicious of anyone.

Not only her uncle but her sister-in-law and cousin also had the same behavior. That was why she could not get along with them.

"What Lique said is right. You can take it as our gratitude for saving Lique." Su Lique's elder sister spoke abruptly. "By the way, my name is Su Jinyu."

"My name is Xue Yang." Xiao Tian introduced himself with his fake identity before grabbing Lan Ruoxi's waist with his left hand. "She is my lover, Lan Ruoxi."

"Hello." Lan Ruoxi spoke as she smiled.

At that moment, Lan Ruoxi was a little happy because it had been a long time since someone introduced herself as their lover.

Of course, Lan Ruoxi still had no feelings for Xiao Tian. She just felt as if she was in her twenties again.

"Oh! It seems like you have a thing for an older woman." Su Jinyu spoke and paused for a second before she continued, "But I can understand it. Your lover is so pretty and sexy. Hehe. I'm sure many men want to snatch her from you."

'You are damn right! Since I arrived in Beijing, I had a lot of troubles, and all of it was because of her.'

Xiao Tian replied in his head instantly.

Of course, Xiao Tian didn't say it and only smiled at Su Jinyu. "You are right. Many men want to snatch her from me. Sometimes, I even wonder whether all of this is a dream or not because I didn't expect to have a lover like her."

At this moment, Lan Ruoxi stared at Xiao Tian. When they were at the banquet earlier, he said that he didn't know whether he was happy pretending to be her lover or not because she always caused trouble to him.

But now Xiao Tian said that he was happy to have her as his lover. Even though Lan Ruoxi knew Xiao Tian was lying to Su Jinyu, but she was still pleased with his words.

'As expected of a playboy, you really know what to say when you are with your lover. Even though we are only pretending to be lovers, you still praise me in front of others.'

Lan Ruoxi could not help but praise his acting. Not only did Xiao Tian praise her beauty, but he also looked like he loved her very much.

"So, do you want to have dinner with us?" Su Lique asked Xiao Tian again.

"All right." Because Su Lique, her big sister and father really wanted to have dinner with Lan Ruoxi and him, Xiao Tian thought it would be rude to refuse them again.

He no longer cared whether Su Kun would cause trouble to him or not. Even though Xiao Tian hoped that he could get close to Su Lique's family, but if Su Kun caused trouble to him later, Xiao Tian would not stay silent.

Su Kun and his wife gritted their teeth when Su Zedong brought Xiao Tian and Lan Ruoxi to the dining room. However, they could not do anything about it and only followed them.

The dining room was huge, with lots of luxurious items adorning the room. In the middle of the dining room, there was a rectangular table with various types of food on it.

Not only that, but there were also several kinds of fruit on the table. With this, everyone, who saw the food and fruit on the dining table, would know that the Su family was an upper-class family.

Because in his past life he was a young master of the wealthiest family, Xiao Tian didn't show any reaction when he saw the food and fruit on the dining table.

Su Kun, who was next to them, stared at Xiao Tian.

'Hmf! Look at him! I'm sure he is pretending to be calm. I'm one hundred percent sure he never sees food and fruit like this in his life.'

At this moment, Su Kun believed that Xiao Tian was from a lower-class family, or at least from a middle-class family.

"Please sit down." Su Zedong said before sitting on the chair.

Because Xiao Tian and Lan Ruoxi were guests and pretending to be lovers, they sat next to each other. Su Lique, Chen Yueli, and Su Jinyu were sitting on Lan Ruoxi's left side while Su Zedong, Su Kun, Ding Lei, Su Juncai, Xie Zexi sat opposite them.

"Don't be shy. Please eat a lot." Because Xie Zexi thought Xiao Tian and Lan Ruxi would be shy, she decided to say that.

Xiao Tian was the benefactor of her daughter, so she wanted to treat Xiao Tian and Lan Ruoxi nicely.

"You should eat a lot because I'm sure you will never eat something delicious like this again in the future." Su Kun spoke as he stared at Xiao Tian.

"Su Kun, stop it!" Su Zedong raised his voice. Since earlier, he tried to hold back his anger because Su Kun was his younger brother.

Xiao Tian gazed at Su Kun while trying his best to hold back his anger.

'Even though your Su family is rich, but compared to my father's wealth, your Su family's wealth is nothing. You think I will never eat something like this again in the future? Hmph! This kind of food will mean nothing to me in the future because I will be the richest person in the whole of China.'

Xiao Tian tried his best to hold back his anger because there was no point in wasting his time arguing with Su Kun.

For this reason, Xiao Tian ignored Su Kun and turned his head towards Lan Ruoxi and asked, "You should eat more vegetables so that you will be healthy every day."

When Xiao Tian said that, his expression was full of love. It was as if he really loved Lan Ruoxi. Even Lan Ruoxi was a little shocked when Xiao Tian behaved like that.

"Un." Lan Ruoxi smiled as she nodded her head.

"Hehe." Xie Zexi covered her mouth and giggled. "It seems like Mr. Xue really loves Mrs. Lan."

At this moment, Su Juncai never took his eyes off Lan Ruoxi. However, he said nothing and only stared at her.

He wondered how a poor person like Xiao Tian could have a beautiful and sexy lady like Lan Ruoxi as a girlfriend?

Usually, only rich people had such privileges like that. That was why he wanted to know what Xiao Tian did to win her heart.

'What did he do to her in the past?'

In his eyes, all women loved money because no one could live without money.

"Yes. I do love her. Ever since we become lovers, I always feel happy every day. That's why I want to give her happiness too." After saying that, a soft smile spread across Xiao Tian's face.

At this moment, if everyone saw his expression, they would not believe that Xiao Tian and Lan Ruoxi were only pretending to be lovers because when Xiao Tian said it, he looked at Lan Ruoxi as if she was the most important person in the world.

His expression, voice, and act were perfect. It was to the point that everyone was staring intently at Xiao Tian after hearing his words.

When Lan Ruoxi saw Xiao Tian, her face blossomed into a smile. It was as if both of them were deeply in love with each other.

"Haha. Seeing both of you reminds me of my younger self and my wife." Su Zedong then turned his head towards Xie Zexi, "Isn't that right, my wife?"

"That's right." Xie Zexi replied before holding her husband's hands.

"Father, mother, both of you are already old. Can you two stop it?" Su Lique spoke abruptly when she saw her parents behaving lovey-dovey.

Chapter 493 - Staying The Night At Su Lique's House

7-8 minutes

"What are you talking about, Lique? Your father and mother are still young and healthy." Su Zedong then looked at Xiao Tian. "Isn't that right, Mr. Xue?"

"That's right." Xiao Tian replied instantly. "Director Su, your parents are still young. You should not say something like that,"

"Did you hear that, Lique? Mr. Xue even agrees that we are still young." Su Zedong was pleased after hearing Xiao Tian's words.

Even though he knew that he was already old, but after hearing Xiao Tian's words, he felt as if he had returned to his younger self.

Xie Zexi's face broke into a smile when she saw her husband's smile. As Xie Zexi and Su Zedong were smiling happily, Su Kun, on the flip side, only stared at Xiao Tian.

He was unhappy when Xiao Tian became closer to his brother and sister-in-law because he still thought that Xiao Tian had hidden intentions. Not long after that, they finished eating.

"Mr. Xue, lady Lan, how about you two stay the night here? It's already late. You can return to the hotel tomorrow morning." Because it was already 11:00 pm, Su Lique asked Lan Ruoxi and Xiao Tian to stay the night at her house. "We have a few spare rooms here."

"That's right." Xie Zexi added. "It's dangerous to go back to the hotel now."

When Xie Zexi and Su Lique wanted Xiao Tian and Lan Ruoxi to stay the night, Su Kun immediately spoke, "What are you saying? Why did yo-

However, before Su Kun had finished his words, he was interrupted by Su Zedong, "Kun, shut up!"

Su Kun instantly gritted his teeth. He really disliked his older brother for being too kind to other people.

At this moment, Xiao Tian didn't answer immediately and looked at Lan Ruoxi because he wanted to know about her opinion, "What do you think? Should we stay the night here or return to the hotel?"

"Up to you." Lan Ruoxi didn't care whether they stayed at Su Lique's house or return to the hotel.

"Where do you stay?" Su Zedong inquired

"We are staying at Hanu hotel." Xiao Tian gave him an honest answer.

"Hanu hotel?" Su Zedong tried to remember where the Hanu hotel was. "Oh, I remember it. If my memory isn't playing tricks on me, it will take about twenty minutes to reach the Hanu hotel from our house. It's 11:00 pm now, so I think it will be better to return to the hotel tomorrow."

Because Xiao Tian didn't know about it, he looked at Lan Ruoxi and asked, "Is that true?"

Lan Ruoxi lived in Beijing before, and she said that she still remembered all the locations in Beijing. That was why Xiao Tian asked her.

"Yes." Lan Ruoxi replied instantly.

I didn't expect it will take twenty minutes to reach Hanu hotel. Xiao Tian thought to himself.

"Just stay the night at my house." Su Lique repeated her words before turning her head towards Chen Yueli. "You will also stay the night at my house, right?"

"All right." Chen Yueli responded instantly. "But I need to call my parents first."

"Don't worry, Yueli. Aunt will call your parents later." Xie Zexi spoke abruptly.

"Yes. My mother will call your parents later, so you don't need to worry." Su Lique was sure that Chen Yueli's parents would let Chen Yueli stay the night at her house if her mother called them later.

"Thank you, aunt." Chen Yueli answered

After Chen Yueli agreed to stay the night at her house, Su Lique stared at Xiao Tian again, "So?"

Like before, Xiao Tian looked at Lan Ruoxi again. However, she still didn't say a word and let him decide.

"All right." Because it took twenty minutes to reach the hotel, Xiao Tian decided to stay the night at her house.

Even though Su Kun and her wife didn't like Xiao Tian and Lan Ruoxi staying at their house, but they said nothing because they knew if they asked Xiao Tian and Lan Ruoxi to leave again, Su Zedong would be angry with them.

"Good." Su Zedong said before turning his head towards his daughter. "Lique, bring them to their room."

"All right." Su Lique rose to her feet and spoke, "Let me bring you to your room."

Xiao Tian and Lan Ruoxi rose from their seats and nodded their heads, "Un."

After walking for a few seconds, they arrived at one of the spare rooms.

Because Xiao Tian thought he would share the room with Lan Ruoxi, he grabbed her hands without thinking twice.

"My love, let's rest now. I'm tired." After saying that to Lan Ruoxi, Xiao Tian looked at Su Lique, "Thank you, director Su."

However, when Xiao Tian and Lan Ruoxi were about to enter the room, Su Lique immediately spoke, "Stop!"

Xiao Tian and Lan Ruoxi stopped their footsteps reflexively. They didn't know why Su Lique suddenly told them to stop.

"What's wrong?" Xiao Tian asked curiously.

"I know you two are lovers, but both of you can't sleep in the same room." After saying that, Su Lique grabbed Lan Ruoxi's right hand and spoke, "Mrs. Lan, I will bring you to your room now."

"Director Su, you don't need to do that. We are lovers, so it's fine to sleep in the same room." Of course, Xiao Tian wanted to sleep with Lan Ruoxi in the same room because with that, he could do anything to her later.

"No." Su Lique answered instantly. "Because you two are lovers that makes me not want both of you to sleep in the same room. I don't want you two to do something lewd in my house. "

"What are you saying?" Xiao Tian asked. "Of course, we will not do something like that in your house. We know what we shouldn't do, you know? I just don't want to be separated from my lover."

"No." Su Lique didn't believe his words. She was sure if Xiao Tian and Lan Ruoxi slept in the same room, he would do something lewd to Lan Ruoxi later. "I don't believe you. Mrs. Lan, let's head to your room."

"All right." Lan Ruoxi replied before looking at Xiao Tian and giggling. "Hehe."

Because Lan Ruoxi and Su Lique had left, Xiao Tian stepped into the bedroom. The room was huge, with luxurious items adorning the room.

On both sides of the bed, sea and mountain paintings were hanging on the wall. And in front of the bed, there was a window with a red curtain.

Because Xiao Tian was tired, he immediately laid down on the bed.

'Huft! Finally, I can relax.'

Actually, Xiao Tian wanted to watch TV, but because there was no TV in the room, he decided to sleep.

The following morning, Xiao Tian woke up at 04:30 am and headed to the washroom.

'Luckily, this bedroom has a private bathroom.'

Because Xiao Tian wanted to wash his face, he took off his silicon head mask and put it on the bed. Without waiting for another second, he headed to the washroom to wash his face.

After returning to the bedroom, Xiao Tian instantly lay down on the bed again. Because he suddenly felt sleepy, Xiao Tian slept again. At this moment, he forgot to wear the silicon head mask.

At 05:55 am, someone knocked on the door. Upon hearing that, Xiao Tian got out of the bed and spoke, "Wait a minute."

Chapter 494 - Another Mistake

7-8 minutes

Because Xiao Tian still wasn't fully awake, he forgot to put on a silicone head mask and immediately opened the door. "Do you need anything?"

The expression of deep shock emerged on the faces of Su Lique and Chen Yueli.

"Xiao Tian?!" Su Lique and Chen Yueli spoke in unison.

Of course, they knew who Xiao Tian was because they saw him on TV and in magazines several times. What they wanted to know was how did Xiao Tian appear at Su Lique's house?

They remembered that they never invited Xiao Tian to Su Lique's house. They had never even met before. This dumbfounded them.

Upon hearing their words, Xiao Tian instantly fully woke up.

'Fuck! I forgot to wear a silicon head mask!'

Xiao Tian realized that he had made a huge mistake.

Earlier, because he was still sleepy, he went to sleep again and forgot to wear a silicon head mask after washing his face.

Now that Su Lique and Chen Yueli had seen his real face, he dragged them into the room.

"How come you are in my house? Where is Xue Yang? Did you do something to him?" Su Lique asked him a lot of questions.

Earlier, Su Lique and Chen Yueli headed to Xiao Tian's room because they wanted to know where Lan Ruoxi was because Lan Ruoxi was not in her room.

Fuck! This is going to be troublesome. Xiao Tian thought to himself.

Xiao Tian sighed before answering. "First, you have to calm do-"

However, Chen Yueli and Su Lique ignored him and began to look for Xue Yang. "Xue Yang, where are you? Are you here?"

When Su Lique saw a silicon head mask on the bed, she grabbed it and spoke, "This silicon head mask...don't tell me...you are Xue Yang?!"

Because the silicon head mask had the same face as Xue Yang's face, Su Lique suspected that Xiao Tian and Xue Yang were the same person.

Because they had seen his real face and found the silicon head mask, he sighed again, "Alright. I wi-"

However, before Xiao Tian had finished his words, he was interrupted by Su Lique, "Why are you pretending to be someone else? Do you have ulterior motives for my family and me?"

Xiao Tian was unhappy when Su Lique always cut his words.

'This woman is so damn annoying! She always didn't let me finish my words and kept shouting at me.'

Xiao Tian tried his best to calm down.

"I do this because I want to avoid unnecessary problems." Xiao Tian replied calmly. "I have no ill intentions to both of you or your family"

'I'm sure she won't believe my words.'

Xiao Tian added in his head.

"How could we possibly believe your words so easily. Prove it to us!" Of course, Su Lique didn't believe his words.

Because Su Lique kept shouting, Su Zedong and Xie Zexy walked towards them.

"What's going on here?" Su Zedong asked. "It's still early, so don't shout inside the house."

When Xiao Tian heard Su Zedong's voice, he cursed again.

'Sigh! Another problem.'

At this moment, Xiao Tian he started not to care anymore.

"You are Xiao Tian, right? How come you are in my house?" Su Zedong remembered that he only invited Xue Yang, Lan Ruoxi, and Chen Yueli to stay the night at his house.

"Father, Xue Yang is Xiao Tian. He pretended to be someone else before." Su Lique said after seeing her father. She thought Xiao Tian wanted to fool her and her family. That was why she was furious.

At this moment, she forgot that Xiao Tian had saved her life twice. What she had in mind was that Xiao Tian had the hidden intention of being friends with her. Otherwise, he would not pretend to be someone else.

Xiao Tian was annoyed because they didn't want to hear his explanation. "Mr. Su, your daughter never let me finish my words and it's kind of annoying."

"What are you going to say now? You want to cover up your lies?" Su Lique said

"Lique, stop it!" Su Zedong spoke. "Let us hear it first."

"But father, he is lying to us. I feel betrayed now." Su Lique replied. "I thought he is a good person, but now, I doubt it."

"Lique, remember. He has saved your life twice." Xie Zexi tried to calm her daughter down. "Let's give him a chance to explain first."

"All right." Su Lique had no choice but to let Xiao Tian explain everything because her parents said so.

Xiao Tian then told them that he had many troubles lately. That was why he decided to pretend to be someone else when he was in Beijing because he didn't want to bring trouble when he returned to Shanghai.

Xiao Tian told them everything, but he didn't tell them that he was pretending to be Lan Ruoxi's lover because she would lose face if they knew about it.

If Lan Ruoxi's friends found out that she lied to them, they would be angry with her. Xiao Tian didn't want Lan Ruoxi to fight with her friends. That was why he decided not to tell them about it.

Of course, he knew the consequences if they learned the truth. However, because he had to protect Lan Ruoxi, he didn't care about it.

"I see." Su Zedong spoke after Xiao Tian finished explaining everything to them.

"I really have no ill intentions to all of you." Xiao Tian repeated his words. "The reason I went to Beijing is that the Qing family invited my lover, and I want to accompany her."

'Sigh! Now I can't ask them to help me develop my business.'

Xiao Tian could not ask them to help him develop his business because he had said something like that.

At the same time, in the garden, Lan Ruoxi was sitting on a wooden bench under a tree. It was still 06:10 am, so she wanted to feel some fresh air.

Not long after that, a young man around twenty years old walked towards her. That young man was none other than Su Juncai, Su Kun's son.

"Oh! I didn't expect to meet lady Lan here." Su Juncai spoke when he was in front of Lan Ruoxi.

Even though Lan Ruoxi disliked Su Juncai, she could not ignore him because she was in his house. "Young master Su. What are you doing here?"

"I just want to enjoy the fresh air. I didn't expect to meet a beautiful lady here." Actually, Su Juncai was interested in Lan Ruoxi.

Even though he knew that she was much older than him, but he still liked her because she was pretty and had a sexy body.

He had slept with many women, but none of them was as perfect as Lan Ruoxi. That was why he desired to bed her too.

Because Lan Ruoxi didn't want to have a fight with Su Juncai, she rose to her feet and spoke, "I see. Young master Su can sit on this wooden bench. I want to return to my room."

However, when Lan Ruoxi was about to leave, Su Juncai grabbed her right hand and spoke, "Why don't we sit together? It would be more enjoyable if we sat together, right?"

Lan Ruoxi's face darkened. She hated it when Su Juncai grabbed her hands, but she still tried her best to hold back her anger.

Because she was a master of martial arts, it was effortless for her to free her hands from his grasp. "Sorry, young master Su, I can't do that. I don't want to create a rumor, and I'm afraid my lover will misunderstand if he were to see us sitting together."

"Oh! Your poor lover?" Su Juncai spoke. "Why don't you leave him and be my lover?"

Chapter 495 - That Amount Of Money Is Nothing To Me.

8-10 minutes

Lan Ruoxi had guessed that Su Juncai just wanted to seduce her. She even knew that he only wanted to bed her, and after that, he would toss her away. "Sorry. I can't do that because I love him so much."

Of course, she was lying when she said she loved Xiao Tian. However, because she was pretending to be his lover, she had to behave as if she was in love with him.

"I know." Su Juncai replied instantly. "But can you live only with love? I heard he is only a lowly employee of a small company. Now think about it! Can he make you happy later? Can he cover all your daily expenses later?"

'Of course, he can!'

Lan Ruoxi replied in her head.

However, because Xiao Tian was pretending to be someone else, Lan Ruoxi could not answer him. Xiao Tian was pretending to be nobody who worked at a small company. That was why Lan Ruoxi only stared at Su Juncai.

"He can't, right?" because Lan Ruoxi said nothing, Su Juncai thought she agreed with his words. "But I can. Not only that, but I can even make you live in a luxurious house and eat delicious food every day. That's why just break up with him and be mine."

"I know you are richer than my lover, but I don't love you." Lan Ruoxi disliked Su Juncai even more after hearing his words. "Whether I will be happy or not later, I don't care about it. As long as he continues to love me, I will not leave him for another man."

Su Juncai gritted his teeth. He didn't expect it would be so difficult to bed her. Usually, any woman would instantly become his lover when he promised them that he would give them a better life.

'This woman! Is she just playing hard to get?'

At this moment, Su Juncai suddenly thought that Lan Ruoxi was only playing hard to get. Several women did that to him in the past, but after he gave them money, they immediately fell into his embrace.

For this reason, Su Juncai showed his credit card and spoke, "On this credit card, there is 200,000 Yuan. If you agree to be my lover, I will give you this credit card."

Su Juncai was sure that Lan Ruoxi would immediately accept it because until now, no woman had refused it when he did that.

"I'm not interested in your money." Lan Ruoxi stated.

Not only was it only 200,000 Yuan, but she was sure it was his father's money.

Su Juncai was unhappy with her behavior. He took another credit card and spoke, "I will give you two credit cards. In total, there are 450,000 Yuan on these credit cards. So how is it?"

"Not interested." Lan Ruoxi wanted to leave again because she would lose control if she stayed in the same place as him.

Like before, when Lan Ruoxi was about to leave, Su Juncai grabbed her right hand. "Why? Is this still not enough? Can your lover give you this much money?"

"Let go of my hand." Lan Ruoxi shouted and freed her right hand from his grasp

Of course, Su Juncai didn't intend to let her go and immediately grabbed her hands again. "What is so good about him? I'm much better than him."

'This woman. How dare she reject me like this! Just you wait. If you agree to be mine, I will toss you away after I'm satisfied with your body.'

Su Juncai only wanted to bed her, so he intended to throw her away after he was satisfied with her body.

At the same time, Xiao Tian coincidentally saw what Su Juncai was doing. "What are you doing to my lover?"

When Lan Ruoxi saw Xiao Tian, she immediately freed herself from Su Juncai and dashed to Xiao Tian. "Yang.."

"Why did you allow him to do this to you? Why didn't you just beat him up earlier?" because Xiao Tian didn't want Su Juncai to hear it, he said in a low voice.

"I wanted to do that too earlier, but didn't you say you wanted to ask the Su family to help you develop your business." Lan Ruoxi replied in a low voice. "If I beat him, the Su family won't help you later."

Her words much surprised Xiao Tian. He didn't expect that Lan Ruoxi would be willing to be bothered by Su Juncai for his sake. "I won't ask the Su family to help me develop my business anymore."

"Eh?! Why is that?" Lan Ruoxi found it hard to believe what she was hearing. In the past two days, Xiao Tian had always wanted to use Su Lique to help him develop his business. That was why she was shocked when Xiao Tian suddenly said something like that.

"I will explain it later." Because it was not the right time to explain it to her, Xiao Tian didn't want to tell her about what had just happened to him.

"What are you whispering about?" because Xiao Tian and Lan Ruoxi talked in a low voice, Su Juncai thought they were talking about him.

"Let's return to the hotel now. There is no point in staying at Su Lique's house anymore." Because everything was already in a mess, Xiao Tian wanted to return to the hotel.

"All right." Lan Ruoxi agreed with his idea.

When Xiao Tian and Lan Ruoxi were about to leave, Su Juncai immediately spoke, "Where are you going? Have I allowed you to leave?"

Xiao Tian and Lan Ruoxi instantly stopped their footsteps and turned around.

Because Xiao Tian didn't want to waste his time on Su Juncai, he spoke coldly, "I didn't do anything to you because you are Su Lique's cousin so don't test my patience. Otherwise, you will regret it."

Su Juncai was unhappy with Xiao Tian's tone. "What did you say? Lan Ruoxi, did you see that? Not only is he poor, but he also has a bad personality. Why do you still want to be with him? Just be my lover!"

Xiao Tian's face darkened. He was furious. He had tried his best to hold back his anger because he didn't want to cause trouble anymore.

However, Su Juncai kept to provoke him. In order to annoy Su Juncai, Xiao Tian grabbed Lan Ruoxi's waist with his right hand and spoke, "Of course, my lover will still choose me because I'm much better than you."

"What? You are much better than me?! Haha." Su Juncai laughed after hearing Xiao Tian's words. "These cards have 450,000 Yuan on it. Can you give her this much money?"

"Tch! It's only 450,000 Yuan, and you seem proud of that?" Xiao Tian had several million Yuan in his bank account, so 450,000 Yuan was nothing to him.

"Only 450,000 Yuan? Can you give your lover 450,000 Yuan now?" of course, Su Juncai thought Xiao Tian only wanted to brag.

From his appearance, Su Juncai knew that Xiao Tian was from a lower-class family, so he was sure Xiao Tian didn't have that much money in his bank account.

"Of course, I can." After saying that, Xiao Tian looked at Lan Ruoxi. "My love, do you need money? Why didn't you tell me about it? Wait a second. I will transfer it to your bank account now."

"Send it now. I want to know if you are just bragging or not." Su Juncai was sure that Xiao Tian would not send money to Lan Ruoxi's bank account because he knew that Xiao Tian was a poor man.

At this moment, Lan Ruoxi only stared at Xiao Tian without saying a single word. Not long after that, her smartphone rang, indicating she received a new message.

"Done. I just sent money to your bank account." Xiao Tian spoke as he smiled. "You can see it now."

In the past, Xiao Tian had asked for her bank account number and saved it. That was why he could send money without asking for her bank account number.

Without waiting for another second, Lan Ruoxi took her smartphone out of her pocket and opened the message.

Before Lan Ruoxi could read the message, Su Juncai snatched her smartphone because he wanted to know whether Xiao Tian was lying or not.

The expression of deep shock emerged on his face when he read the message. The message stated that Lan Ruoxi had just received 1 million Yuan.

Su Juncai found it hard to believe what he was seeing. Because he thought his eyes were playing tricks on him, he rubbed his eyes and reread the message.

However, nothing changed in the message.

'How could this be?'

Due to how shock he was, Su Juncai fell to the ground. Su Juncai didn't expect Xiao Tian to send 1 million Yuan to Lan Ruoxi.

Xiao Tian snatched Lan Ruoxi's smartphone from Su Juncai's hands and gave it to Lan Ruoxi. After that, he stared at Su Juncai and spoke, "It's only 450,000 Yuan. That amount of money is nothing to me."

Chapter 496 - Forget It!

7-8 minutes

Su Juncai could not believe what he was hearing. Even though he often gave many things to his women, but the amount of money he spent never reached one million Yuan.

Even though he was from an upper-class family, but his father didn't give him much money because his father was not the one who controlled the Su family business.

The head of the Su family was Su Zedong, so his father didn't have as much money as Su Zedong. Of course, he had more than one million Yuan in his bank account, but he needed to think twice if he wanted to give a woman one million Yuan.

He just didn't expect Xiao Tian would give one million Yuan to Lan Ruoxi without thinking twice. Of course, he knew that Xiao Tian and Lan Ruoxi were lovers, but they would not necessarily get married in the future.

Xiao Tian looked at Lan Ruoxi and spoke, "Let's go."

"Stop right there!" A voice suddenly rang out.

'Fuck! What is it again now?!'

Xiao Tian cursed venomously in his head.

Not long after that, Su Kun and his wife appeared in front of Xiao Tian and Lan Ruoxi.

When Su Kun saw his son sitting on the ground, he immediately said, "What did you do to my son?"

Ding Lei dashed to her son and helped him get up. "Son, are you alright?"

At this moment, Su Juncai thought it was a perfect time to teach Xiao Tian a lesson. For this reason, he lied to his parents. "He hit me in the face earlier."

"What?" Su Kun and Ding Lei spoke in unison

Xiao Tian clenched his fists and stared at Su Kun coldly.

'So you want to slander me, huh?'

Xiao Tian still did nothing and only stared at Su Kun.

"You dare to hit my son's face?! Security guard!" Su Kun shouted. After two security guards arrived, he pointed his index finger towards Xiao Tian. "He hit my son's face. I want you to beat him now!"

Xiao Tian was enraged. He was fine if his women bullied him, but he would not accept it if other people bullied him.

Two security guards dashed towards Xiao Tian and threw their fists. Even though they were skilled in martial arts, but their skills were inferior to Xiao Tian's skill.

For this reason, Xiao Tian could avoid their fists and instantly counter-attacked.

*Uakk...

The security guards fell to the ground.

*Silent

The entire area dropped into a silent

They knew that Xiao Tian had saved Su Lique and Chen Yueli from the thugs, but they didn't expect Xiao Tian to be so skilled in martial arts.

One of the requirements to become a security guard in the Su family was that they had to be skilled in martial arts. Su Kun believed that their security guards could also easily beat the thugs who tried to do something to Su Lique.

However, he didn't expect the security guards to lose to Xiao Tian so easily.

'I didn't know he is so skilled in martial arts.'

Su Kun thought the security guards would easily beat Xiao Tian, but he was wrong.

When Su Juncai noticed Xiao Tian walking closer towards him, he said in terror, "What are you going to do?"

"You!" Ding Lei tried to protect her son. "Don't you dare hit my son again!"

"Because you said that I hit you in the face, it would be unfair for me if I didn't hit your face now because earlier, I didn't do anything to you." After saying that, Xiao Tian threw his fist at Su Juncai's face.

*Uakk...

Because Su Juncai didn't know any martial arts, he could not block or avoid Xiao Tian's fist, and as a result, he was sent flying one meter back.

"My son!" Su Kun and Ding Lei dashed towards Su Juncai.

"How dare you hit my son?!" Su Kun retorted.

"There is nothing that I fear in this world." Xiao Tian replied calmly. "Oh! You should blame your son for this. As I said, I did nothing to him earlier, but he still dared to slander me. Not only that, but he also tried to seduce my lover earlier, so don't blame me for teaching him a lesson."

"You!" Su Kun pointed his index finger towards Xiao Tian and spoke angrily

"What's going on here?" a voice rang out.

Not long after that, Su Lique, her parents, and Chen Yueli appeared in front of them. When they saw security guards lying on the ground, they were surprised.

"Tell me, what happened here?" Su Zedong wanted to know what had happened to the security guards.

At this moment, Su Kun thought it was a perfect time to make Su Zedong hate Xiao Tian. That was why he pointed his index finger towards Xiao Tian and spoke, "It's him! He is the one who cause trouble here. Not only that, but he also hit my son's face."

Su Zedong turned his head towards Xiao Tian and asked, "Is that true?"

"That's right." Xiao Tian answered calmly. He was not afraid of them. Because the Su family would not help him develop his business, he no longer cared about his image in their eyes. "But he is the source of the problem. Not only did he try to seduce my lover, but he also slandered me. So, tell me. Should I do nothing about this?"

Su Zedong looked at Su Juncai and asked, "Is what he said true?"

"No. he is lying!" Of course, Su Juncai lied to them because it was impossible for him to tell the truth.

"He is lying to you but I know that you will believe his words because he is your family." Xiao Tian spoke and paused for a second before he continued, "I just want to tell you one thing. Previously, I wanted to be friends with the Su family, but I know it's impossible now. Thank you for the hospitality. We will return to the hotel now."

After saying that, Xiao Tian dragged Lan Ruoxi away from there.

"Wait!" Su Kun still hoped that Su Zedong would teach Xiao Tian a lesson. That was why he tried to keep Xiao Tian there. "Where are you going? Brother, you let them go just like that?! Does our family reputation no longer important to you? Why don't you do anything to them?"

Su Kun gave Su Zedong countless questions. He found it hard to believe that Su Zedong let Xiao Tian and Lan Ruoxi go easily like that.

"Forget it!" Su Zedong spoke as he shook his head.

"What?" Su Kun said in surprise. "What do you mean by that? He hit your nephew and you want to let them go just like that?"

"That's right, brother-in-law. He hit my son. I want you to teach them a lesson." Ding Lei also had the same thought as Su Kun. She didn't accept it when the people, who hurt her son, could easily go like that. "What if other people know about this? They will think that our Su family is easy to bully. Brother-in-law, you have to teach them a lesson. Otherwise, we will be the ones to do it."

Su Zedong didn't answer immediately and only stared at them. At this moment, he was sure that Su Juncai was the wrong one.

However, because Su Juncai was his nephew, he didn't punish him. "Don't try to cause trouble for them. Let me warn you, they are not ordinary people, especially Lan Ruoxi."

"What?" Su Kun spoke in surprise

Chapter 497 - Why Do I Often Meet You?

8-10 minutes

"What do you mean by that, brother? What is so special about them?" Su Kun wanted to know why his brother said something like that.

In his view, Lan Ruoxi and Xiao Tian were nobody who they could kill anytime. That was why he didn't understand his brother's words.

"Let me tell you something. He is not Xue Yang, but Xiao Tian." Su Zedong told them Xiao Tian's real identity. "Don't mess with him, or else you will regret it."

"What? Xiao Tian?" because earlier Su Kun and his wife were in their room, they had no idea the real identity of Xue Yang. "That Xiao Tian?"

"Yes. That Xiao Tian." Su Zedong spoke and paused for a second before he continued, "He is Xiao Tian who is famous recently. That Xiao Tian who is from Xiao family."

"Xiao family from Shanghai?" Su Kun inquired

"Yes. That's right." Su Zedong responded instantly.

"But I have never seen him every time the Xiao family appeared on TV or in a magazine." Because Xiao Tian had never performed every time the Xiao family appeared on TV, Su Kun had no idea who Xiao Tian was.

"His family history is complicated." Actually, Su Zedong also had no idea what had happened to the Xiao family in the past. However, he knew that Xiao Tian was from the Xiao family.

"What about that woman?" because they could not touch Xiao Tian, Su Kun wanted to teach Lan Ruoxi a lesson.

Lan Ruoxi was Xiao Tian's lover, so hurting her was the same as hurting him.

"You know that it wasn't Xiao Tian who was invited by the Qing family, but Lan Ruoxi, right?" Su Zedong didn't answer his brother's question immediately.

"Yes. Why?" Su Kun had no idea why his brother suddenly told him that.

"Do you remember that there was a young lady who suddenly appeared in Beijing and became famous and influential in a short amount of time?" Su Zedong asked his brother a question again.

"Yes." Su Kun responded as he nodded his head.

"That lady is Lan Ruoxi." Actually, Su Zedong also had no idea who Lan Ruoxi was last night. However, after collecting all the information together, he suspected that Lan Ruoxi was an influential person; otherwise, the Qing family would not invite her to their banquet.

"What?!" Su Zedong's words much surprised Su Kun. "But their faces and names are different, so how come that person is her?"

Of course, Su Kun didn't believe his brother's words easily.

"Because in the past, she wore a silicon head mask and changed her name." Su Zedong answered instantly. "Her real face is what you saw today. Neither of them is ordinary people, so don't cause trouble for them."

"So I can't get revenge on them?!" Su Kun knew the reason his brother told him all about it was that his brother didn't want him to cause trouble to Xiao Tian and Lan Ruoxi.

"Yes. It's not like we are afraid of them, but if we cause trouble to them, there is a high chance that our family will be destroyed in their hands later." Su Zedong responded instantly. "And you should educate your son well. Don't let him embarrass our family again in the future. I'm sure he is the source of the problem earlier."

Upon hearing Se Zedong's words, Su Kun glanced at his son and spoke, "Tell me the truth now!"

"Sorry for ruining your plan." Lan Ruoxi still thought that she was the source of why Xiao Tian would not be able to ask Su Lique to help him develop his business. "I have sent back your money."

Currently, Xiao Tian and Lan Ruoxi were on the way to the hotel. Earlier, after having a fight with Su Juncai, Xiao Tian and Lan Ruoxi left by taxi because there was no point in staying at Su family house anymore.

"As I said, you didn't ruin my plans." Xiao Tian replied. "I was the one who destroyed my plan. I made a mistake this morning."

"What mistake?" because earlier Xiao Tian didn't tell her about it, she knew nothing.

"It's like this." Xiao Tian began to explain everything to her.

"I see." Lan Ruoxi spoke after Xiao Tian finished explaining everything. "So, what should we do now?"

"Let's return to Shanghai tomorrow." Because there was no point in staying in Beijing, Xiao Tian wanted to return to Shanghai immediately.

He missed his women and desired to see them immediately. That was why he said something like that.

"Can we stay in Beijing for one or two more days? I want to hang out with my friend first before returning to Shanghai. It has been a long time since I hang out with them." Because she had no idea when she would meet her friends again, Lan Ruoxi wanted to hang out with them before returning to Shanghai.

Xiao Tian didn't answer immediately. It was true that he missed his women, but he had to think about her feelings too.

After thinking for several seconds, Xiao Tian agreed. "All right. We will return to Shanghai after you hang out with your friends."

"Thank you." Actually, Lan Ruoxi was startled when Xiao Tian agreed with her words easily.

Earlier, she thought Xiao Tian would refuse, or at least, she needed to do something to get him to agree.

She didn't expect him to agree just like that. Of course, this made Lan Ruoxi happy because, with this, she could hang out with her friends later.

"Un." Xiao Tian smiled as he nodded his head. "Because I will do anything for my lover. Hehe."

"Oh! You still want to pretend to be my lover?" Lan Ruoxi thought they would not pretend to be lovers anymore.

"Of course. Even though we only pretend to be lovers, but at least, I can show off my pretty and sexy fake lover." Because they would stay in Beijing for one or two more days, of course, Xiao Tian wanted to continue pretending to be her lover.

"We can continue pretending to be a couple but on one condition." Actually, Lan Ruoxi didn't care whether they decided to continue pretending to be lovers or not. She just wanted to tease him.

"What is it?" Xiao Tian inquired

"You have to use your real identity." Lan Ruoxi responded instantly.

"If so, then the answer is no." even though several people already knew his real identity, but he didn't want everyone to know who he was.

"Hehe." Lan Ruoxi giggled.

Not long after that, they arrived at the hotel. Without waiting for another second, they headed to their room and took a shower.

After taking a bath, Lan Ruoxi went out to meet her friends. At first, she invited Xiao Tian to go with her, but Xiao Tian refused because he didn't want to disturb her time with her friends.

Because Xiao Tian had nothing to do, he called Mu Huo, saying that he wanted to visit Mu Huo's younger brother.

Mu Huo was pleasantly surprised when Xiao Tian suddenly called him and said something like that. But of course, he was pleased by it.

Without waiting for another second, they went to the hospital where Mu Huo's younger brother was being treated.

Xiao Tian visited Mu Huo's younger brother for about ten minutes before finally, Xiao Tian left. Because Mu Huo wanted to stay in the hospital, Xiao Tian left alone.

He kept walking aimlessly before finally he stopped in the garden.

'Ah. Even though spending time alone in the garden is boring, but at least, no one causes trouble for me now.'

Currently, Xiao Tian was sitting on a wooden bench while tilting his head back. Seconds became minutes, and minutes turned into hours.

Without realizing it, Xiao Tian had been in the garden for several hours.

'What?! It's already 03:30 pm?'

Xiao Tian didn't expect that it was already afternoon. However, because Xiao Tian had nothing to do and Lan Ruoxi also went out with her friends, he kept sitting on the wooden bench.

Not long after that, he suddenly saw a woman he hated the most.

'It's that crazy officer again?! Why do I often meet her?'

Xiao Tian was unhappy when he saw Yi Wenxin. Because he knew that she would cause trouble to him again, Xiao Tian rose to his feet and wanted to leave.

However, Yi Wenxin noticed him when Xiao Tian was about to leave. "It's you again?! Why are you here?"

"This is a park, and anyone can come here." Xiao Tian replied instantly.

"Why do I always meet you?" Yi Wenxin also had no idea why she often met Xiao Tian. That was why she said something like that.

"Do you think I like meeting you?" Xiao Tian replied irritably.

"You! What's wrong with your tone?" Yi Wenxin was enraged after hearing his tone.

As Xiao Tian and Yi Wenxin were arguing, a childish voice suddenly rang out, "Big brother, do you want to buy roses?"

Chapter 497 - Why Do I Often Meet You?

As Xiao Tian and Yi Wenxin were arguing, a childish voice suddenly rang out, "Big brother, do you want to buy roses?"

Chapter 499 - This Officer Is Useless!

7-8 minutes

Upon hearing the young man's words, the little girl stopped her footsteps and turned around. With a smile on her face, she asked, "Really? Big brother, do you really want to buy all the roses?"

"Yes." The young man replied, "How much?"

"There are seven roses in the basket, so it will be 70 Yuan." The little girl answered with a big smile on her face.

Her words much surprised the young man. However, he didn't show it on his face.

'Holy moly. 70 Yuan?! So expensive!'

However, because he had said that he wanted to buy all the roses, the young man could not take back his words.

Xiao Tian gave him 100 Yuan, so it was enough to buy all the roses.

"Un. I want to buy all the roses." The young man gave the money to the little girl. "Here is the money."

The little girl immediately gave all the roses to the young man. After giving the change, the little girl spoke, "Thank you, big brother."

"Un." The young man smiled awkwardly.

'Well, even though I only get 30 Yuan, but money is still money.'

The young man was happy because he still got money from it.

Because she had sold all the roses, the little girl left. Without waiting for another second, Xiao Tian and Yi Wenxin followed the little girl again.

At first, they thought the little girl would return home, but they were wrong. They were utterly wrong because she was walking to the abandoned house.

This made Xiao Tian curious and want to know the reason why she went to the abandoned house.

Xiao Tian and Yi Wenxin immediately looked for a strategic place to see what was going on inside the abandoned house.

As the little girl entered the abandoned house, Xiao Tian and Yi Wenxin, who was peeking through the window, saw a mature man around thirty years old sitting on the old couch.

"Oh! You have returned." The mature man spoke when he saw the little girl.

"Boss Kui. I have sold all the roses." The little girl told the grown man the reason why she had returned.

"Good! Give me the money now!" Kui rose from the sofa and walked closer toward the little girl.

The little girl instantly gave all the money to Kui. "Please give me a portion of food. I haven't eaten anything since morning."

"Take this food." Kui threw Meat Bun to the little girl while laughing happily. "Haha. Good. If you can sell all roses every day, you will never starve again."

"This is..." Xiao Tian, who was peeking through the window, realized that Kui forced the little girl to earn money for him.

"Bastard! I will beat him and bring him to the police station now!" Yi Wenxin was furious with Kui's behavior. She didn't expect Kui to make a little girl work for him.

However, when she was about to beat Kui, Xiao Tian grabbed her shoulders and spoke, "Wait! Don't do that now. Let's wait for a few more minutes."

"What do you mean by that? Why do we have to wait? A trash man like him needs to be jailed." Yi Wenxin had no idea as to why Xiao Tian stopped her from entering the abandoned house.

"I know what you feel, but you have to wait a little longer." Xiao Tian spoke and paused for a second before he continued, "First, we need to record what he is doing so that we will have evidence later. Second, I'm sure there are still many children working for him. We need to wait so that we can help them later."

Yi Wenxin realized what Xiao Tian just said made sense. For this reason, she took her smartphone and began recording what Kui was doing.

And what Xiao Tian had guessed was right because not long after that, another ten children entered the abandoned building.

However, none of them managed to sell all the roses. When Kui knew they only earned a little, he was furious. "What the hell is this? Why are you all making so little money today?"

"Boss, today is not a special day like Valentine's Day, so it's hard to sell roses." The little guy, about twelve years old, spoke abruptly.

"Shut up! Don't talk back to me!" Kui kicked the little guy's mid-torso, causing the little guy to fall to the ground.

"I have got enough evidence now." When Yi Wenxin saw Kui kicking the little guy, she was unable to hold back her anger anymore.

For this reason, she stopped recording and dashed to Kui. At this moment, what she had in mind was that she wanted to beat Kui to death and bring him to the police station.

"Police, don't move!" Yi Wenxin pointed her gun at Kui and spoke.

Kui was surprised when he noticed a cop in his place. Because Yi Wenxin was pointing her gun at him, he began to panic.

Of course, Kui tried not to show it on his face. "What is a cop doing here? What did I do wrong?"

"Don't try to fool me!" Yi Wenxin shouted. "I know what you are doing. Follow me to the police station and don't do anything suspicious, or I'll shoot you in the head later."

Because he would end up in jail if he didn't run away from the abandoned house, Kui began to think of a way to escape from Yi Wenxin.

Coincidentally, there was a little girl close to him. Without waiting for another second, he grabbed the little girl and spoke, "If you try to do something to me, I will kill this little girl!"

Yi Wenxin gritted her teeth. She wanted to shoot Kui, but she was afraid that she would put the little girl in a dangerous situation.

At this moment, Yi Wenxin had no idea what to do. She didn't want to let Kui escape, but she also didn't want to put the little girl in a dangerous situation.

For this reason, Yi Wenxin tried to scare Kui. "Release her or else I will shoot you now!"

"Do it if you dare!" Of course, Kui knew that Yi Wenxin would not dare to shoot him because he had a hostage. "Put your gun on the ground now or I will kill her!"

Kui choked the little girl's neck even harder.

At this moment, all the children were scared and put their hands on their heads. All of them were squatting because they were afraid Yi Wenxin would shoot them too.

Xiao Tian, who was about to enter the abandoned house, stopped his footsteps when he noticed what was going on.

'Shit! This officer is useless! How could she enter the abandoned house without thinking twice? Did she realize that she was already at a disadvantage when she entered the building without making a plan?'

Because they were many children in the abandoned house, Xiao Tian knew that Kui would take one of them as a hostage.

For this reason, Xiao Tian entered the abandoned building from the back door so that he could attack Kui from behind.

"All right. Release that little girl now." Because the little girl's life was in danger, Yi Wenxin put her gun on the ground. "Don't hurt her."

"Good." Kui was pleased when he saw it because with this, he was sure that he would be able to run away later. "Move away from your gun!"

Yi Wenxin clenched her fists and moved away from her gun. At the same time, Xiao Tian appeared from behind Kui and was ready to give a surprise attack.

Chapter 500 - Lady Lan Is So Mean To Me!

7-8 minutes

Yi Wenxin could not help but feel relieved when she noticed Xiao Tian standing behind Kui. Because she knew that Xiao Tian wanted to give a surprise attack, she tried to keep Kui's attention on her.

When Xiao Tian found a chance to save the little girl, he dashed towards Kui and grabbed Kui's right hand, which was grasping the neck of the little girl. After that, Xiao Tian threw his left fist to Kui's head.

Yi Wenxin, who saw the chance to save the little girl, dashed toward Kui and snatched the little girl from him. She was relieved that Xiao Tian managed to land a surprise attack on Kui.

"Who are you?" Kui, who was lying on the ground, asked angrily.

He didn't expect there would be another person in the abandoned house.

'What's wrong with this day?'

Kui was furious. Not only did he not earn as much money as usual, but two people suddenly attacked him too.

Xiao Tian didn't answer and beat Kui again. Of course, Kui tried to fight back, but because Xiao Tian was more skilled in martial arts, Kui was unable to beat Xiao Tian.

For this reason, Kui was lying down on the ground with many bruises and blood all over his body. Because Xiao Tian beat him severely, Kui was no longer able to move his body.

When Yi Wenxin saw that all the children were scared, she immediately spoke, "Please don't be afraid. Big sister came here to help all of you."

Yi Wenxin tried to calm all the children. She was relieved when all the children began to calm down after hearing her words.

At this moment, Xiao Tian noticed something on Kui's face.

'Hmm? His face is...'

Because Xiao Tian felt that there was something wrong with Kui, he immediately grabbed Kui's face.

"Don't beat him again!" Yi Wenxin, who was walking towards Xiao Tian, spoke abruptly.

She thought Xiao Tian still wanted to beat Kui. That was why she said something like that.

"What do you want to do?" Kui also thought Xiao Tian wanted to beat him again.

Xiao Tian turned his head towards her for a second before looking at Kui again.

'As I thought, he is wearing a silicon head mask.'

Xiao Tian instantly took off Kui's silicon head mask.

The expression of deep shock emerged on Yi Wenxin's face when he saw Kui's real face. "Long Di?!"

When Xiao Tian noticed that Yi Wenxin knew Kui's real identity, he immediately asked, "Do you know him?"

"I know him!" Yi Wenxin began to explain who Long Di was. "He escaped from prison five years ago and still on the wanted list. In the past, he was involved in drug, theft, and fraud. However, five years ago, somehow he managed to escape from jail."

At this moment, Yi Wenxin was thrilled. Long Di was on the wanted list for a long time, so if she could bring him to the police station, there was a high chance that she would get a promotion.

'I didn't expect today would be my lucky day. Even though I met this pervert bastard, but because of him, there is a chance that I will get a promotion later. Hehe.'

Yi Wenxin laughed happily in her head. She suddenly wanted to bring Long Di to the police station immediately.

"I see." Xiao Tian then threw Long Di to Yi Wenxin. "Bring him to the police station."

After that, they went to the police station to put Long Di in prison and look for the identities of the children.

When Xiao Tian and Yi Wenxin found out that all of the children had no parents, they could only sigh. After thinking for several minutes, they decided to take them to an orphanage.

Because Xiao Tian had no more business at the police station, he decided to return to the hotel.

"Huft. Lady Lan is so mean to me!" currently, Xiao Tian was lying on the couch.

Earlier, after he took a shower, he headed to Lan Ruoxi's room, but because she didn't answer him, he decided to call her.

Xiao Tian entered his room again when he found out that Lan Ruoxi was still hanging out with her friends.

Xiao Tian thought she would already be in her room when he arrived at the hotel, but he was wrong.

'It seems like she really enjoys hanging out with her friends.'

Xiao Tian could not blame her because he knew that it had been a long time since she met her friends. And after they returned to Shanghai later, she had no idea when they would meet again. That was why Xiao Tian didn't disturb her.

Because he was still tired, Xiao Tian decided to watch TV. As Xiao Tian was watching TV, his smartphone suddenly rang.

'Liu Ning?'

When he learned it was his woman who called him, Xiao Tian instantly picked up the phone, "Ning'er, do you miss me?"

Instead of answering, Liu Ning asked him, "Tian'er, what are you doing now?"

"I'm watching TV alone right now." Xiao Tian answered instantly. "Lady Lan is hanging out with her friends since morning and still hasn't returned to the hotel. She is really mean. She knows that I have no friend here and still leave me alone. sigh."

"Hehe." Instead of feeling sorry for him, Liu Ning laughed. "Is your business in Beijing finished? When will you come back to Shanghai?"

"It seems like I will return to Shanghai the day after tomorrow." Since they still hadn't prepared anything, he knew the chances of them returning to Shanghai tomorrow were very slim. "Where is Fei?"

"She is in the living room now." Currently, Liu Ning was sitting on the bed in her room. That was why Shi Fei was not next to her. "Do you want me to call her?"

"Un. Please call her." It had been several days since he had heard their voices. That was why he wanted her to call Shi Fei.

However, before Liu Ning got out of the bed, Shi Fei entered her room and spoke, "Little brother, do you miss me?"

"Oh! She is here." Liu Ning spoke when she saw Shi Fei.

"Yes. I miss both of you so much." Xiao Tian really did miss them. Even though he had a lot of fun spending time together with Lan Ruoxi, but he preferred spending time with his women. "What about you? Do you two miss me too?"

Because Shi Fei was sitting next to her, Liu Ning put the speaker mode on.

"We also miss you." Shi Fei spoke before turning her head towards Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning answered instantly. "We do miss you."

"Aish. I really want to embrace you two now." Xiao Tian suddenly wanted to hug them after hearing their voices. However, because he was in Beijing, he could not do that.

"You can hug us later." Shi Fei replied. "Do you really just want to embrace us?"

The corner of his lips twitched after hearing Shi Fei's words. Of course, Xiao Tian understood what she meant by that. "Of course, I want to do other things too."

"Pervert!" Liu Ning replied.

"Haha." Xiao Tian and Shi Fei laughed at the same time.

That night, they chatted until 09:00 pm before finally, there was another incoming call.
