Chapter 501 - I Miss You Too

'Aunt?'

Xiao Tian was a little surprised when he found out that the one who called him was his aunt.

'Isn't this too coincidence?'

At this moment, Xiao Tian hesitated whether he should end the call with Shi Fei and Liu Ning or not. It was true that his mother and aunt were also his women, but at that time, Xiao Tian still wanted to hear the voices of Shi Fei and Liu Ning.

'What should I do? Should I end the call or not?'

Because they were his women, Xiao Tian decided to tell Shi Fei and Liu Ning that his aunt was calling him too.

"Ning'er, Fei, my aunt is calling me right now." Actually, Xiao Tian felt bad when he said it. It was as if he wanted to end the call when another woman was calling him.

"Oh! Your aunt?" Liu Ning replied. "You can accept her call. We will call you again later."

"That's right, little brother. Don't worry about us." Shi Fei added

Because his aunt was calling him, Liu Ning and Shi Fei thought it would be better to end the call. Xiao Tian was their boyfriend, so they had to understand him.

"I will call you again later. I love you." Xiao Tian was pleased when both Shi Fei and Liu Ning allowed him to accept a call from his aunt.

However, at the same time, he also felt guilty because they often understood his situation while he could not spend as much time with them as they wanted.

"I love you too." Shi Fei and Liu Ning replied in unison before hanging up the phone.

"Hello, aunt." Xiao Tian spoke after picking up a call from his aunt.

"Tian, what are you doing now?" Ye Qingyu really missed her nephew. That was why she decided to call him.

"I'm thinking about you." Xiao Tian used his sweet words.

"Glib tongue." Even though she said something like that, but she was delighted after hearing his words.

"I miss you so much, aunt. Do you miss me?" although his love for his aunt was not as big as before, but he still cared about her and tried to make their relationship like the way it used before.

"Yes. I miss you too." Ye Qingyu gave an honest answer.

"Where are you right now? Are you alone? Is mother near you?" Xiao Tian gave his aunt several questions.

Usually, his mother and aunt were like one packet. If they were not working, they often spent time together.

That was why Xiao Tian wanted to know where she was and why he didn't hear his mother's voice.

"I'm in my room alone right now. Earlier, big sister went out to buy groceries." Because she was home alone, Ye Qingyu suddenly thought of her nephew and desired to hear his voice.

It had been several days since she had heard his voice. That was why she could not hold back her desire to hear his voice.

"I see." Xiao Tian replied.

Fifteen minutes since Ye Qingyu called Xiao Tian, Ye Xueyin arrived home. She immediately put the groceries in the kitchen and sat in the living room.

However, when she found out that her younger sister was calling her son, she dashed towards Ye Qingyu's room and spoke, "Tian...."

After saying that, she looked at Ye Qingyu and spoke, "You are calling Tian, right?"

"Yes." Ye Qingyu replied as she nodded her head.

"Put it on the speaker mode." Because she also wanted to talk to her son, Ye Xueyin asked her younger sister to put her smartphone on the speaker mode so that they could hear his voice and speak to him together.

Ye Qingyu didn't answer and instantly put the speaker mode on.

"Mother, how are you?" because he heard their voices earlier, Xiao Tian knew that his aunt had put her smartphone on the speaker mode.

"I'm good. But I miss you so much." Ye Xueyin gave an honest answer.

Since her son went to Beijing, she often thought of him. It was only a few days since they made up, but they had to separate again because he had to go to Beijing.

She missed his voice, praises, sweet words, and embraces. That was why she often could not focus on her job.

"Me too." Xiao Tian replied. "I also miss you so much."

"Tian, hurry up and return to Shanghai. Mother wants to spend time with you and hug you." Ye Xueyin felt that she could go crazy from missing him if they separated for such a long time.

"I will go back the day after tomorrow." At this moment, Xiao Tian really wanted to go back immediately because all his women missed him so much.

However, he could not do that because he had to think about Lan Ruoxi's feelings too, and he still hadn't bought any souvenirs.

"Good." Ye Xueyin was thrilled when she found out that her son would return to Shanghai soon.

At that time, Xiao Tian chatted with his aunt and mother for about an hour before finally he hung up the phone and called Shi Fei and Liu Ning.

The following morning, Xiao Tian took a bath after waking up. Because he thought Lan Ruoxi was still in her room, he headed to her room and called her.

"Yang, do you need anything?" Lan Ruoxi said in a sleepy voice.

"Are you still in bed?" from her voice, Xiao Tian knew that Lan Ruoxi was still in bed.

'What time did she return last night? It seems like she is still sleepy.'

Xiao Tian was sure that Lan Ruoxi was still sleeping when he called her earlier.

"Yes. I'm still in bed right now." Because she was talking with Xiao Tian, Lan Ruoxi didn't feel shy when he learned that she was still in bed. "Do you need anything?"

"No." Xiao Tian answered instantly. "Earlier, I want to bring you to go somewhere, but because you are still sleepy, I think I will go alone."

"Sorry, can you go alone? I still want to sleep now." Because she returned to the hotel at 03:00 am, Lan Ruoxi still wanted to sleep.

"All right." Xiao Tian had no choice but to take a walk alone.

'Sigh.'

Xiao Tian sighed after hanging up the phone.

"Alone... I'm walking alone in this big city. No one is accompanying me. It's so lonely..."

Xiao Tian sang a song after walking out of the hotel. Since the car he had rented had already been returned, Xiao Tian enjoyed the morning scenery on foot.

Because it was still early, he saw many people going to work or school. He went to the park, but only a few people were there.

Xiao Tian spent at the park for about an hour before he left to buy coffee. At this moment, he still hadn't eaten breakfast because he was not in the mood to eat anything.

As Xiao Tian was walking, he suddenly saw a bicycle rental place. Since it was better to enjoy the city morning by bicycle than on foot, Xiao Tian decided to rent it for the whole day.

'It's so relaxing enjoying the morning on a bike.'

As Xiao Tian was enjoying himself, he suddenly heard a siren sound.

"You, the young man who is using blue bike. Stop right there!" a female officer said.

Chapter 502 - Meeting A Crazy Officer Again

6-8 minutes

Xiao Tian had no idea as to why the female officer wanted him to stop because he was sure that he didn't break any rules. For this reason, Xiao Tian didn't stop and kept on pedaling his bicycle.

Because Xiao Tian didn't stop, the female officer put her head out of the window car and shouted, "Stop! Otherwise, I will shoot your head."

Xiao Tian suddenly felt something familiar after hearing her voice.

'Wait! Don't tell me...'

Xiao Tian turned his head towards the police car to make sure whether his guess was correct or not. When he found out that the person who chased him was Yi Wenxin, he pedaled his bike faster because he was sure that she wanted to cause trouble for him again.

Yi Wenxin gritted her teeth when Xiao Tian didn't do what he was told. For this reason, she pointed her gun at the sky and shot it.

*Bang...

After firing her gun, Yi Wenxin shouted again. "Stop right now! Otherwise, I will shoot your head next."

Xiao Tian instantly stopped his bike.

'Fuck! This woman is acting like a crazy person again.'

At this moment, Xiao Tian was sure if he didn't stop his bike, she would shoot his head.

For this reason, Xiao Tian turned around and shouted back. "What are you doing? Why did you fire the gun again? Didn't I help you catch the fugitive yesterday?"

Even though Xiao Tian knew that Yi Wenxin was a crazy officer, but he thought she would no longer fire her gun at him after he helped her yesterday.

But he was wrong. He was utterly wrong because her behavior was still the same. It was as if he didn't help her yesterday.

After Yi Wenxin got out of the car, she walked towards Xiao Tian and spoke, "Get in the car now!"

"What?!" Xiao Tian said in surprise. "You want to bring me to the police station again?! What did I do wrong this time? I don't break any rules and you still want to bring me to the police station?"

"Who said I wanted to take you to the police station?! Don't ask anymore and get in the car now!" Yi Wenxin didn't bother to explain why she wanted Xiao Tian to get into her car.

Of course, Xiao Tian refused because he was sure that she wanted to bring him to the police station. "No. I don't want to."

After saying that, Xiao Tian pedaled his bike again because he didn't want to be in the same place as her. It would drive him crazy later.

*Bang...

Yi Wenxin fired her gun towards his left side.

Xiao Tian instantly stopped his bike and walked towards Yi Wenxin. When he was in front of her, he shouted furiously. "Crazy woman, do you know what you did just now? You can kill innocent people with your reckless behavior, you know? How could someone like you get accepted to be a police? Did you use backdoor?"

"Shut up!" Yi Wenxin was not afraid of Xiao Tian. That was why she shouted back. "Get in or else, I will shoot again!"

Xiao Tian gritted his teeth. "What about my bike?"

"You can leave it here. No one will steal it." Yi Wenxin said without thinking twice.

"Are you fucking kidding me? How can you be sure that no one will steal my bike?" Xiao Tian found it hard to believe what he was hearing. He was renting the bicycle, so if he lost the bike, he had to pay the fine later.

Even though the amount of the fine was not much to him, but Xiao Tian didn't want to waste his money for nothing.

Because Xiao Tian didn't want to leave his bike, Yi Wenxin put his folding bicycle into the rear trunk and said, "Done. Now get in the car!"

With an angry expression, Xiao Tian got into the car. When they were in the car, Xiao Tian asked, "Where do you want to take me?"

"You will know later." Like before, Yi Wenxin didn't bother explaining to Xiao Tian where she intended to take him.

"Tch!" Xiao Tian crossed his arms over his chest.

'Why am I so unlucky today?'

Xiao Tian still thought it was his unlucky day because of her. He was sure that she would cause trouble for him again later.

After driving for several minutes, Yi Wenxin parked her car in front of the noodle shop. "We have arrived! Get out of the car now!"

Xiao Tian had no idea as to why Yi Wenxin stopped the car in front of the noodle shop. "Why did you stop the car in front of the noodle shop?"

"Because we are going to eat noodle." Yi Wenxin replied instantly. "Let's get in. I will treat you to a meal."

"What?! The reason you almost killed me earlier is that you want to treat me to noodles?" Xiao Tian didn't expect that he almost got killed by her just because she wanted to treat him to a noodle. "If you want to treat me to noodles, can't you say it nicely? You don't need to fire your gun like earlier, you know? What would happen if you killed me earlier?"

Xiao Tian really had no idea her train of thought. It was the first time for him to experience something like that.

Usually, people would speak nicely if they wanted to treat someone to a meal, but Yi Wenxin was different. Instead of speaking nicely like everyone else, she even fired her gun at the person she wanted to treat to eat.

'Fuck! Now I'm sure someone hit her head when she was a little.'

Xiao Tian would really hit her head if she were not a girl. Whenever he was with her, it was as if she wanted to test his patience.

"But you are still alive, right?" Yi Wenxin replied as if she did nothing wrong to him earlier. "Why are you still sitting here? Hurry up and get out of the car!"

Because Yi Wenxin always caused trouble for him, Xiao Tian suddenly thought that she had hidden intentions. "Wait!! Don't tell me, you want to poison me using noodles. You want to do that, right?"

"How could you say something like that? Why do I want to poison you? There is no benefit for me to do that. Do you think I'm a wicked person like that?" Yi Wenxin didn't expect Xiao Tian would say something like that.

"Yes. You are a wicked person!" Xiao Tian replied instantly. "Not only that, but you are also a crazy woman."

She had good intentions, but Xiao Tian kept to suspect her. For this reason, she pointed her gun at Xiao Tian's head and spoke, "Shut up! Otherwise, I will shoot your head now."

"Fine, fine, fine!" Xiao Tian shouted furiously.

'This woman keeps saying the same words over and over! Shooting my head, shooting my head. Do you think my head is something you can shoot whenever you want? Luckily I will return to Shanghai soon. Otherwise, I would go crazy if I met her every day.'

Xiao Tian suddenly wanted to leave Beijing as soon as possible because he didn't want to meet Yi Wenxin anymore.

"Hmf! You should be grateful that I invited you to eat breakfast with me." Yi Wenxin spoke.

Chapter 503 - Who Wants To Meet You?!

6-8 minutes

'Do you think I'm happy because you invited me to have breakfast with you? I'm sure no one will be happy when you invite them because they could lose their lives.'

Xiao Tian shouted in his head.

He found it hard to believe what he was hearing. However, because he knew that she would point her gun at his head again if he said something like that, Xiao Tian didn't say a word and only stared at her.

After they got out of the car, Yi Wenxin spoke, "Don't try to run away!"

Even though Xiao Tian was still unwilling to eat with a crazy lady like her, but he still followed her.

Then Xiao Tian and Yi Wenxin entered the noodle shop. The shop was not big or luxurious. It was only a small noodle shop with only several tables and chairs inside it.

When Xiao Tian and Yi Wenxin entered the shop, a middle-aged man walked towards them and spoke, "Officer Yi, you came again?"

"Yes." Yi Wenxin replied instantly.

"Oh! Who is he? Is he your boyfriend or friend?" the middle-aged man inquired.

"We ar-" before Yi Wenxin had finished her words, she was interrupted by Xiao Tian.

"I'm not her boyfriend or friend. We don't know each other." Xiao Tian didn't want the shop owner to misunderstand his relationship with Yi Wenxin. That was why he said something like that.

Of course, Xiao Tian knew that his words were rude, but he didn't care about it.

"You!" Yi Wenxin pointed her index finger at Xiao Tian's face and looked at him angrily.

"Haha." The middle-aged man laughed when he saw Xiao Tian and Yi Wenxin fighting. From their behavior, he knew that they were not friends. "Young man, even though she is rude, but she is a good girl. It's just that her behavior is like that. If you know her long enough, I'm sure you will also think of her as a good woman."

Xiao Tian found it hard to believe what he was hearing.

'Old man, you said that she is a good woman? Are you kidding me? If she is a good woman, then all other women are saints.'

Xiao Tian disagreed with the middle-aged man's words. He even believed that he would hate her even more if he'd known her any longer.

"Like usual, right?" the middle-aged man said as he walked to the kitchen.

"Yes." Yi Wenxin replied instantly.

At this moment, Xiao Tian stared at her intently.

'Why does she suddenly want to treat me to a meal?'

Xiao Tian had no idea as to why she suddenly wanted to treat him to a meal. He knew that she hated him so much.

"Why do you suddenly want to treat me to a meal?" because Xiao Tian could not hold back the curiosity he had, he decided to ask.

Like before, she didn't bother to tell him about it. "You don't need to know."

Because she didn't want to tell him about it, Xiao Tian tried to remember what had happened to them before.

'Yesterday, we met at the garden and a little girl suddenly appeared in front of us.'

When Xiao Tian tried to remember what had happened to them yesterday, he suddenly thought of something.

'Wait! Don't tell me...'

Xiao Tian remembered that they brought the wanted criminal to the police station yesterday.

This made Xiao Tian suspect something. "You got a reward or promotion, right?"

"That's right. I got a reward and I'm a sergeant now." Yi Wenxin gave an honest answer. "Since you helped me get promotion and catch the wanted criminal, I decided to treat you to a meal."

"What? So the reason you brought me here is that I helped you get promotion?" Xiao Tian replied.

"That's right." Yi Wenxin answered instantly

"You got a reward from your supervisor and now a sergeant, but you only treat me to a noodle?! Are you kidding me? At least bring me to a luxurious restaurant." Xiao Tian thought it was unfair for him.

"Don't complain!" Yi Wenxin replied. "At least, I still remember your contribution and want to treat you to noodle."

"Do you realize that you wouldn't be able to catch him if it weren't for me?" actually, Xiao Tian didn't care about the reward. He did this to annoy her because he was still mad at her.

"You!" Yi Wenxin pointed her index finger at Xiao Tian. "How could you behave like this to a lady?"

"What?! Lady? Haha." Xiao Tian could not help but laugh after hearing her words. "A lady is not a suitable word for a crazy woman like you!"

Yi Wenxin gritted her teeth. Since earlier, Xiao Tian always called her crazy woman. This made her unable to hold back her anger.

However, before she could yell at Xiao Tian, the shop owner spoke. "Haish.. Don't fight. Both of you are already grown up. Are you not embarrassed when others see you like this?"

Yi Wenxin turned her head to the other side and crossed her arms over her chest. "Hmf!"

After the owner of the shop put two noodles on the table, he spoke, "Here. Eat the noodles while it's still warm."

Because the noodles were already in front of them, Xiao Tian and Yi Wenxin stopped fighting and began to eat it.

As they were eating, they didn't talk to each other. The shop owner could only sigh when he saw them behaving like that.

After Xiao Tian finished eating the noodles, he rose from his chair and spoke, "I've finished eating. I want to go back to the hotel now. Don't forget to pay."

"You! You want to leave now?!" Yi Wenxin knew that they hated each other, but she didn't expect that Xiao Tian would want to return to the hotel as soon as he finished eating.

"I'm a busy person. There are many things I have to do. You only want to treat me to noodles, right? Now that I have finished eating it, there is no point for me to stay with you." Of course, Xiao Tian lied to her when he said that he was busy.

Lan Ruoxi was still sleeping in her room, and he had no friend in Beijing, so all he did was stay in his room or take a walk.

However, because he didn't want to be in the same place as her, he said that he was busy.

Even though Yi Wenxin still hadn't finished eating the noodles, she rose to her feet and spoke, "Uncle, we are done eating. The money is on the table. You can take the change."

"What?! Done?" usually, Yi Wenxin never ate so fast like that. That was why he was surprised when she said that they had done eating.

However, when he saw them, he sighed again.

'Sigh. It seems like they really hate each other.'

The shop owner immediately took the plates and money before walking toward the kitchen again.

After Xiao Tian and Yi Wenxin were near her car, he immediately spoke, "Hurry up and unlock the car door."

With an angry face, Yi Wenxin unlocked the car door. She stared at him angrily but said nothing.

"I hope we won't meet again in the future." After saying that, Xiao Tian pedaled his bike.

"Who wants to meet you?!" Yi Wnxin shouted angrily

Chapter 504 - It Seemed Like You Were Lonely Yesterday

8-9 minutes

After Xiao Tian returned the bike, he went straight to the hotel. He was not in the mood for taking a walk anymore because he was still mad.

"Just because you have treated me to a meal, don't think that I will change my opinion about you." Currently, Xiao Tian was lying on the bed in his room.

Even though Yi Wenxin had treated him to a meal earlier, Xiao Tian still hated her. He even hated her even more because earlier, she almost killed him again.

Not long after that, his smartphone suddenly rang. Without checking who called him, he immediately picked up the phone, "Hello."

"Where are you right now?" Lan Ruoxi's beautiful voice rang out in Xiao Tian's ears.

Even though Xiao Tian didn't see the name of the person who was calling him, but from the voice, he knew it was Lan Ruoxi. "I'm in my room. What's wrong?"

"Oh!" Lan Ruoxi didn't expect him to be in his room. Because earlier Xiao Tian went out for a walk, she thought Xiao Tian was still not in the hotel. "Do you want to go somewhere with me?"

"I just arrived at the hotel. How about later?" it was not like Xiao Tian didn't want to accompany her. It was because Xiao Tian was still not in the mood for it.

He wanted to relax in his room so that his mood would be better later.

"All right." Lan Ruoxi replied instantly. "I will head to your room now."

Xiao Tian got out of the bed and answered. "All right. I will open the door now."

After Lan Ruoxi entered his room, they sat on the couch in the living room.

"Where did you go earlier?" Lan Ruoxi knew that Xiao Tian had no friends in Beijing. That was why she asked it.

Xiao Tian turned on the TV before answering. "I went to the park earlier, but suddenly I met that crazy officer again."

When Lan Ruoxi heard the words 'crazy officer,' she knew that Xiao Tian was talking about Yi Wenxin. "Oh! What did she do to you this time?"

"She almost killed me again." Xiao Tian answered instantly.

"How come?" Lan Ruoxi inquired

"She wanted to treat me to a meal, but instead of inviting me nicely, she fired her gun at me." Xiao Tian explained to her what had happened between him and Yi Wenxin earlier. "This is the first time I know someone with a weird behavior like her. What if she kills me accidentally earlier?"

In his two lives, it was the first time he had experienced something like that. He even wondered what her brain was made of.

"Hehe." Lan Ruoxi giggled. "So, she did that to you? Did you eat breakfast with her?"

"Yes because if I refused, she would fire her gun at my head again." Xiao Tian was still furious whenever he remembered what Yi Wenxin did to him. "Yesterday, I had helped her catch the wanted criminal, and because of that, she was rewarded by her supervisor and got promotion to sergeant. Not only did she not thank me, but she only treated me to noodles and she even almost killed me again. Do you believe that??!"

"Haha." Lan Ruoxi could not help but laugh. She didn't expect Xiao Tian to have a temper like that too.

Since he met Yi Wenxin, he was always unable to control himself. He even behaved like a child who snatched to his mother after having a fight with Yi Wenxin.

"Sigh. Forget it. I don't want to remember her anymore. It makes me angrier. The reason I return to the hotel is that I want to relax." Xiao Tian spoke and paused for a second before he continued, "By the way, where do you want to go?"

"Mall. I want to go shopping." Lan Ruoxi replied. "Tomorrow we will return to Shanghai so I want to buy souvenirs for myself. You should buy something for your women too."

"I intend to buy something for them later." Xiao Tian did plan to buy something for his women later because he didn't want to return empty-handed.

Even though he knew that his women would not mind it if he didn't buy anything for them, but Xiao Tian planned to buy something for them.

Not only would he be able to make them happy, but he would also be able to make their relationship closer than before.

"Are you not going to hang out with your friends again today?" Xiao Tian thought Lan Ruoxi would hang out with her friends again. That was why he was a little surprised when she invited him to go somewhere earlier.

"No." yesterday, she was out with her friends for the whole day, so she decided not to hang out with them again.

Tomorrow she would return to Shanghai, so she wanted to buy many things for herself today.

"Good. Let's go somewhere after shopping later." Since yesterday, Xiao Tian always went out alone. That was why he was pleased when he could spend time with Lan Ruoxi later.

"It seemed like you were lonely yesterday." Lan Ruoxi teased him. "You should have taken off the silicon head mask yesterday. I'm sure many women would accompany you happily."

Because Xiao Tian was wearing a silicon head mask, his current face was not as handsome as his real face. That was why she said something like that.

Of course, Xiao Tian knew it would be easy for him to get a woman with his real face. However, he was trying to be a better man for his women.

That was why Xiao Tian didn't try to hang out with other girls. "It's fine because I will not be lonely again later."

"Hehe." Lan Ruoxi giggled after hearing his words.

Xiao Tian and Lan Ruoxi talked for about thirty minutes before finally, Xiao Tian felt sleepy. For this reason, they headed to his room and lay on the bed.

Like usual, Lan Ruoxi was not afraid and immediately agreed when Xiao Tian invited her to his bed. Even though they had kissed several times, but she was sure that he would not do anything more than that.

And like what she had guessed, when they were lying on the bed, Xiao Tian didn't do anything to her. He only talked to her for five minutes before finally, he fell asleep.

At first, Lan Ruoxi wanted to return to her room, but she felt comfortable lying on his bed. For this reason, she continued lying on the bed. Not long after that, she also fell asleep.

Seconds became minutes and minutes turned into hours. Without realizing it, they had been sleeping for more than three hours.

Currently, it was 03:00 pm. Because they were sleeping, they didn't feel hungry.

Not long after that, Xiao Tian opened his eyes.

'Oh! So, she is sleeping on my bed too.'

Previously, Xiao Tian thought Lan Ruoxi would return to her room after he fell asleep. He just didn't expect she would sleep next to him.

'She really has a pretty face and perfect body.'

Because Lan Ruoxi was sleeping on his right side, Xiao Tian turned to the right so that he could see Lan Ruoxi more clearly.

Even though she only wore light make-up, but it didn't reduce her beauty. Her skin was smooth like a baby's skin, and her red dress suited her skin and body perfectly.

At that time, Lan Ruoxi was like a sleeping princess. Even though Xiao Tian had no feelings for her, but the longer he saw her face and body, the desire to touch her soft cheeks grew bigger in his heart.

Of course, Xiao Tian did nothing and only stared at her because he was afraid that he would wake her up if he did that.

'Why do I want to touch her so badly? Is it because my women are far away from me? Or is it because I can't forget my old self? Have I really become a pervert?'

In his previous life, he used to change women two times or more in a day. It was even normal for him to go on dates with more than two women. That was why he blamed his old self when he wanted to touch Lan Ruoxi's cheeks so badly.

'Well, I have kissed her lips several times so touching her cheeks is not a problem.'

Because of how beautiful she was, Xiao Tian could not hold back his desire to touch her cheeks. For this reason, he touched her left cheek and rubbed it with his thumb.

As he was rubbing her cheeks, Lan Ruoxi woke up and spoke, "It seems like you can't hold back yourself whenever you are with a pretty lady."

Chapter 505 - Failed To Tease Lan Ruoxi

Her words much surprised Xiao Tian, causing him to remove his hands from her cheeks reflexively. "Good afternoon, lady Lan. Did you sleep well?"

Instead of answering, Lan Ruoxi asked, "Did you enjoy it?"

Actually, Lan Ruoxi was also surprised. She didn't expect Xiao Tian would rub her cheeks when she was sleeping. Of course, she didn't show it on her face.

Of course, Xiao Tian knew what she meant by it. "Yes. I enjoyed it."

Xiao Tian decided not to lie because he knew that Lan Ruoxi would not mind it when she learned that he rubbed her cheeks earlier.

And what he had guessed was right when she whispered in his ears. "Why did you only rub my cheeks? Because I was sleeping, you could do many things, you know? For example, rubbing my lips, kissing me, or other things."

Because Xiao Tian took advantage of her when she was sleeping, Lan Ruoxi decided to tease him.

Damn! This foxy woman is really dangerous. Xiao Tian thought to himself.

Xiao Tian was sure if other men heard what she just said, they would kiss her or have their way with her immediately.

'This foxy lady really is not afraid of anything. She even still dared say such things to the person who just took advantage of her when she was sleeping.'

Xiao Tian was sure if it were another woman, they would immediately scream or slap him because earlier, he behaved like a pervert.

Actually Xiao Tian was ready to be slapped earlier, and he would not do anything to her if she really hit him because he knew what he did before was wrong.

When Lan Ruoxi noticed Xiao Tian only staring at her, she was a little surprised. Earlier, she thought he would kiss her or do something like that, but she was wrong.

"Why are you not saying anything?" Lan Ruoxi asked curiously. "This is not like you. Are you not Xiao Tian? Hehe."

Because Xiao Tian knew it could be dangerous if he let her continue teasing him, he got out of the bed and spoke, "I will take a bath first. After that, let's go shopping."

Earlier, they planned to go shopping together. And because it was already afternoon, Xiao Tian thought it was the right time to go shopping.

The sooner they finished shopping, the sooner they could spend time together later.

"Good idea." Lan Ruoxi replied instantly.

Even though Lan Ruoxi still wanted to tease him, but because he said something like that, she decided not to tease him anymore.

Xiao Tian then headed towards the bathroom to take a shower. Like usual, it only took him ten minutes to finish taking a bath.

'Ah. I feel refreshed. Taking a bath indeed can make me feel refreshed.'

"Why are you still lying on the bed?" Xiao Tian asked curiously.

"Because I'm waiting for you to finish taking a bath." Lan Ruoxi replied calmly as if she did nothing wrong. Currently, she was still lying on the bed.

"Are you not going to take a shower?" Xiao Tian thought Lan Ruoxi would go back to her room and take a bath immediately because usually, all women would take a shower first and make sure they looked pretty before going somewhere.

"I will take a bath after you put on your clothes." Like before, Lan Ruoxi answered calmly

"Sigh!" Xiao Tian could only sigh after hearing her words. "Why are you still here? I want to wear clothes. Can you come out for a second?"

Currently, Xiao Tian was only wearing a bathrobe. Because Lan Ruoxi was lying on his bed, Xiao Tian asked her to come out because he wanted to wear clothes.

"Why? Don't mind me. Just think of myself as air." Lan Ruoxi behaved as if she didn't want to let the chance to see his naked body slip away.

Xiao Tian found it hard to believe what he was hearing. However, because he thought Lan Ruoxi was teasing him, Xiao Tian immediately asked, "Are you sure?"

"Oh course." Lan Ruoxi then sat on the bed with her back leaned against the headboard.

Because Lan Ruoxi said something like that, Xiao Tian turned around to face her. Without waiting for another second, Xiao Tian began untying his bathrobe.

After Xiao Tian untied the belt of the bathrobe, Xiao Tian didn't take off his bathrobe instantly; instead, he only showed his upper body to Lan Ruoxi.

"Wow! You really have a good body." Lan Ruoxi covered her mouth and spoke when she saw his upper body.

Because Xiao Tian practiced martial arts almost every day, his body was much better than before. His muscles were perfect and very attractive. Because his upper body was not covered in anything, his natural charm was immediately revealed.

Xiao Tian didn't expect that Lan Ruoxi would still behave normally like that. Earlier, he thought she would be embarrassed when she saw his upper body, but he was wrong.

'It seems like I underestimated her before.'

Since Lan Ruoxi was looking at him as if she was challenging him to do more, Xiao Tian lowered his bathrobe until his pubic hair was exposed.

"Oh! I can see your pubic hair." Lan Ruoxi spoke and paused for a second before she continued, "It seems like your pubic hair is still growing."

Xiao Tian was at a loss for a word. He had no idea what to say to her.

'As expected of succubus, she really is something. Now I want to know what her reaction would be if she saw my naked body.'

With that in mind, Xiao Tian lowered his bathrobe until a small part of his cock was revealed.

"It seems like you are talented at stripping or flirting with someone." when Lan Ruoxi saw a small part of his cock, she was still able to control her lust.

She even didn't ask Xiao Tian to show his entire cock to her immediately as if she would wait patiently.

At this moment, Xiao Tian stopped what he was doing and stared at her intently.

'Should I continue teasing her or not?'

Because her reaction was not like what he expected, Xiao Tian suddenly wavered whether he should continue teasing Lan Ruoxi or not.

Lan Ruoxi was different from the other girls, so Xiao Tian suspected that she would still behave normally even if he showed his naked body to her.

When Lan Ruoxi noticed Xiao Tian not lowering his bathrobe anymore, she immediately spoke, "Why did you stop lowering your bathrobe? Are you done teasing me?"

Even though Lan Ruoxi still desired to see his body, but she didn't show it on her face. If she did that, she was sure that Xiao Tian would be happy and began to tease her later.

When Xiao Tian saw the expression on her face, he felt as if she was telling him that it was boring. For this reason, Xiao Tian walked over to her until he finally stood near the edge of the bed.

At this moment, Lan Ruoxi was curious whether Xiao Tian would actually take off his bathrobe or not.

After standing right in front of her, Xiao Tian immediately dropped his bathrobe, showing his naked body to Lan Ruoxi.

Chapter 506 - It's Amazing, Right?

5-7 minutes

When Xiao Tian dropped his bathrobe on the floor, Lan Ruoxi showed no reaction of surprise. Because Xiao Tian was naked in front of her, she shifted her gaze from his charm chest to his cock.

"Wow! Your cock is huge." Lan Ruoxi covered her mouth as she spoke, "I didn't expect a young man like you to have a huge cock."

"It's amazing, right?" Xiao Tian said proudly.

Until now, all the women, who saw his cock, told him how amazing his cock was. That was why he believed that Lan Ruoxi would say the same thing.

"I'm not gonna lie, your cock is indeed amazing. It's the biggest cock I've ever seen." Xiao Tian's cock was indeed the biggest cock she had ever seen. She even could hardly believe that a young man like him

could have a huge cock like that. "Now I know why you said that you can satisfy all your women at the same time. It's because you have a big cock."

When they went out after arriving in Beijing, Xiao Tian said that he could satisfy his women at the same time.

At that time, Lan Ruoxi thought he was only bragging. However, after seeing how big his cock was, she began to think that maybe he didn't lie to her.

'He has a big cock and because he often practices martial arts, I'm sure his stamina is also good. It seems like he was born to be a playboy.'

Lan Ruoxi began to think that he was born to be a playboy because not only did he have a big cock, but he was born with a handsome face.

It was rare for a man to have both a handsome face and a big cock. Not only that, but he was even a genius in doing business.

"How about I let you know how amazing my cock is right now?" because Lan Ruoxi had seen his cock, Xiao Tian didn't care anymore and said whatever he had in mind.

Even though he knew that he would not be able to have his way with her because she was stronger than him, but Xiao Tian didn't give up.

Because Xiao Tian was not wearing a silicon head mask, his real face made his charm even more impressive.

With his perfect body, huge cock, and handsome face, Xiao Tian was sure there was a high possibility that he could have sex with her later.

However, he was wrong. He was utterly wrong because after she was satisfied seeing his cock, Lan Ruoxi got out of the bed and spoke, "I will take a bath first."

"Eh!?" because everything was not like what he expected, Xiao Tian was dumbfounded.

Not only did he fail to have sex with her, but Xiao Tian even didn't see the flame of lust in her eyes.

'Sigh! Even though she always behaved like a succubus whenever she was with me, but she always left every time we almost had sex. It seems like she really cherishes her body.'

Because he didn't have sex with Lan Ruoxi, Xiao Tian immediately put on the clothes and headed to her room.

At first, Xiao Tian thought Lan Ruoxi would not open the door, but he was wrong because she instantly opened the door after he said that he was in front of her room.

'It seems like she wants to pretend as if nothing happened between us earlier.'

Xiao Tian immediately sat on the couch after entering her room.

"Wait here. I want to take a shower first." Without waiting for his answer, Lan Ruoxi headed to the bathroom.

Because Xiao Tian was alone in the living room, he turned on the TV. Seconds turned into minutes, and without realizing it, it was already forty minutes.

'Sigh! Even though she is a martial arts expert, but she is still a woman.'

Because Lan Ruoxi was a martial arts expert, Xiao Tian thought it would not take a long time for her to finish bathing and preparing herself, but he was wrong.

Fifteen minutes later, Lan Ruoxi stepped into the living room.

Xiao Tian instantly turned his head towards her and nodded.

'As expected of a perfect lady. Whatever she wears, all the clothes look great on her.'

At that time, Lan Ruoxi was wearing black jeans and a pink pintuck blouse. Because she was wearing quite tight clothes, Xiao Tian was able to see her perfect body shape.

Her straight hair fell down her back, and the black boots she wore made her look taller and sexier.

'I suddenly miss Shi Fei.'

Because Shi Fei was the one woman who was sexier than Lan Ruoxi, Xiao Tian suddenly wanted to see her.

When Xiao Tian only stared at her without saying a word, Lan Ruoxi immediately spoke, "Are you not going to praise me? Am I not pretty or sexy?"

"What are you talking about, lady Lan?" Xiao Tian rose to his feet and walked towards her. "The reason I didn't say anything before is that I don't know the right words to describe your beauty. You are so pretty and sexy in my eyes. I'm sure everyone will agree with my words if they see you now."

Even though Lan Ruoxi knew that Xiao Tian would say something like that, but she was still delighted after hearing his words. "Hehe. Let's go."

"Un." Xiao Tian nodded his head.

Then Lan Ruoxi and Xiao Tian went shopping.

"What do you want to buy now?" Xiao Tian inquired

Currently, Xiao Tian and Lan Ruoxi were in one of the most famous malls.

"I want to buy clothes first." Even though she had many clothes in her closet, Lan Ruoxi wanted to buy it again.

"All right." Xiao Tian had guessed that she would buy clothes later. He even believed that she would also purchase a bag and shoes later.

Lan Ruoxi and Xiao Tian then headed to the third floor because all the branded clothes were on the third floor.

After they arrived on the third floor, Lan Ruoxi saw the brand of clothing she liked the most. For this reason, she grabbed his right hand and said, "Let's go to that shop."

Chapter 507 - Going Back To Shanghai

7-8 minutes

As Xiao Tian and Lan Ruoxi entered the clothing store, he suddenly remembered the time where his mother and aunt dragged him into the clothing shop.

At that time, he felt embarrassed because not only did he walk into a clothing store with his mother and aunt, but it was also his first time walking into a women's clothing shop.

But now, he entered a women's clothing shop with a calm expression because he came with Lan Ruoxi, and it was not the first time he had entered a women's clothing store either.

This time, Xiao Tian was not the only man in the shop because several men were accompanying their lover.

Because Lan Ruoxi was not his woman, Xiao Tian didn't help her choose clothes and just walked beside her.

"Lady Lan, why don't I give you several clothes? With this, you don't need to spend money on the clothes." Xiao Tian spoke in a low voice.

Lan Ruoxi stopped choosing the clothes and turned her head toward Xiao Tian. "How many clothes are you going to give me?"

"As many as you want." Lan Ruoxi had helped him several times, so he didn't mind giving her some clothes.

Even though Xiao Tian said that he would give her as many clothes as she wanted, Xiao Tian was sure that she would not ask for many clothes. He even believed that at most, she would only ask for five clothes.

"Well, maybe I will ask you to give me clothes in the future, but not now." It was not like she didn't want Xiao Tian to give her clothes, but there were some clothes that she wanted to buy.

"All right." Because Lan Ruoxi said something like that, Xiao Tian didn't say anything anymore and only stood by her side.

However, when Xiao Tian saw a pink mini skirt and white short T-shirt, he pointed his index finger towards it and spoke, "Why don't you buy that mini skirt and short T-shirt. I'm sure you will look sexier?"

Because they had no special relationship, Xiao Tian could only say it. If he were with his women, he would have grabbed it and asked them to wear it.

Lan Ruoxi shifted her gaze from the clothes in her hands to the clothes that Xiao Tian pointed at. She could not help but giggle when she knew what kind of clothes he chose. "Do you want me to wear those clothes and show them to you?"

"Yes." Xiao Tian gave an honest answer.

Lan Ruoxi brought her face to Xiao Tian's ears and whispered, "Why don't you ask me to wear lingerie instead?"

"Oh! That's a brilliant idea." Xiao Tian replied instantly.

"Why not just be honest with me? You just want me to wear a revealing clothes so that you can see my sexy body, right?" Lan Ruoxi knew what Xiao Tian had in mind.

"You are right." Xiao Tian responded. "Earlier, you saw my naked body, so it's normal for me to ask you to wear a revealing clothes. I even didn't ask you to get naked in front of me."

"I never asked you to be naked in front of me. You did it yourself. Hehe." after saying that, Lan Ruoxi started looking for clothes again.

Xiao Tian then ran after her and spoke, "But it's unfair to me."

"You should blame yourself for it." Lan Ruoxi spoke without looking at him.

The corner of his lips twitched after hearing her words. It was true that Lan Ruoxi never asked him to get naked in front of her. That was why Xiao Tian had no idea what to say to her anymore.

Xiao Tian didn't say a word anymore because he was sure that Lan Ruoxi would show him the clothes she chose in the fitting room later.

With that in mind, Xiao Tian only followed her. However, the reality was not like what he expected because even though he was waiting in front of the fitting room for several minutes, Lan Ruoxi didn't show him the clothes she chose.

"Let's go." Lan Ruoxi spoke after getting out of the fitting room.

"What?" earlier, when Lan Ruoxi opened the curtain, he thought she would show him the clothes she chose, but he was wrong. "Why didn't you show me the clothes you chose? Are you not going to ask for my opinion?"

"No." Lan Ruoxi had guessed that Xiao Tian would say something like that.

"But we are lovers, right?" Xiao Tian replied. "You should ask for my opinion on the clothes you chose."

"Fake lovers." Lan Ruoxi stated

Black lines formed on his forehead.

'Sigh. Because we have no special relationship, she didn't want show it to me. Well, it can't be helped.'

Even though Xiao Tian was disappointed, he didn't mind it because he knew they had no special relationship.

After that, Xiao Tian and Lan Ruoxi continued shopping again. They shopped for about two hours before finally, they returned to the hotel.

Of course, Xiao Tian also bought something for his women. He was even sure that his women would like his present later.

Xiao Tian and Lan Ruoxi stayed at the hotel for about two hours before finally, they went out for dinner. Even though earlier Xiao Tian was disappointed because Lan Ruoxi didn't show him the clothes she chose, but all of it disappeared when they had dinner together.

Xiao Tian and Lan Ruoxi had a good time that night. Because of that, they returned to the hotel at midnight.

The following morning, Xiao Tian and Lan Ruoxi visited Bai Zhenya and Bai Wenliang before returning to Shanghai. Of course, Xiao Tian also visited Mu Huo because he wanted to know when they would come to Shanghai.

After that, Lan Ruoxi and Xiao Tian traveled to the airport. And after spending two hours on the plane, they finally arrived in Shanghai.

"I have returned." Xiao Tian spoke as he smiled.

After being in Beijing for a few days, Xiao Tian would finally be able to see his women again. After they walked out of the airport, Xiao Tian saw Lan Ruoxi's underlings waiting for their arrival.

"Are you happy because you will be able to see your women again?" Lan Ruoxi inquired

Currently, they were on their way to her bar. Because Xiao Tian left his car in her place, he had to go to the bar first before going home.

"Of course." Xiao Tian replied instantly. "Not only will I be able to see my women again, but I will never see that crazy officer again."

One of the reasons why Xiao Tian was pleased was that he would not meet Yi Wenxin again.

No one would point a gun at his head again, and he would be able to spend time with his women without anyone disturbing them.

"Hehe." Lan Ruoxi could not help but laugh when Xiao Tian suddenly brought Yi Wenxin's name. "But didn't your life become more colorful because of her?"

"Colorful? What do you mean by that?" Xiao Tian inquired. "My life became more stressful because of her. Every time we met, she always wanted to bring me to the police station or pointed her gun at my head."

"Maybe I should point a gun at your head too." Lan Ruoxi spoke as she laughed.

"If you are the one who point a gun at my head, then I won't be angry with you." Xiao Tian replied instantly

"Hehe." Lan Ruoxi laughed

Chapter 508 - Meeting Ye Xueyin Again

6-8 minutes

After they arrived at Red Flower bar, Xiao Tian immediately left.

'Should I go home first or go to Shi Fei's house?'

At this moment, Xiao Tian was wavering whether he should go home or go to Shi Fei's house.

It was true that Shi Fei and Liu Ning were the people he loved the most now, but Ye Qingyu and Ye Xueyin were his only family in his current life.

After thinking for about two minutes, Xiao Tian decided to go home first. The moment Xiao Tian decided to go home, his smartphone suddenly rang.

'Mother?'

When Xiao Tian found out it was his mother who called him, he immediately picked up the phone.

"Hello mother."

"Tian, where are you now?" because her son said that he would return to Shanghai today, Ye Xueyin called him.

"I'm on my way home." Xiao Tian gave her an honest answer.

Ye Xueyin was thrilled after hearing his words. "Good. I'll be waiting for you at home."

After saying that, she hung up the phone without giving him a warning.

The corner of his lips twitched when his mother suddenly ended the call.

'Sigh. Why did she suddenly hang up the phone like this? Did she not want to chat with me?'

Because his mother had hung up the phone, Xiao Tian focused on driving again. Not long after that, he arrived home.

Xiao Tian was a little surprised when he saw his aunt's car.

'Today is working day, but why is her car at home? Does she not go to work or she go to work without using her car?'

Several questions appeared in his head when he saw his aunt's car. However, he kept walking to his house because he would know the answer later.

When Xiao Tian was about to enter the living room, he immediately spoke, "Mother, I'm home."

To his surprise, as soon as he stepped into the living room, his mother, who was sitting on the couch, dashed to him, and when she was in front of him, she jumped into his arms. "Tian, welcome home."

A soft smile spread across his face. "I'm home."

Even though her actions much surprised him, Xiao Tian was able to catch her in time. The smile on his face grew bigger when he saw her happy expression.

Since his mother knew that he had cheated on her, she never jumped into his arms again. Usually, every time he arrived home, his mother always did that.

That was why the smile never left his face when his mother jumped into his arms again. It was as if their relationship was back to the way it used before.

Because Xiao Tian also bought souvenirs from Beijing, he placed his right hand on her ass while his left hand was picking up the souvenir so that she would not fall to the floor.

After Xiao Tian put his mother on the sofa, he asked, "Is aunt home? I saw her car in front of house earlier."

"Yes." Ye Xueyin replied as she nodded her head. "She is in the bathroom now."

"I see." Xiao Tian then took a small black box and gave it to his mother. "Mother, I have something for you."

"What is this?" Ye Xueyin was pleasantly surprised when he gave a small box to her.

Without waiting for another second, she opened it. Due to how happy she was, tears covered her eyes when she saw the gift Xiao Tian gave her.

It was a silver necklace.

It was not an ordinary necklace but a luxurious one.

Dramatic frames featuring tranquil teardrop and classic round white rhinestones delicately connected below the collar for a showstopping look.

A heart locket picture hung from the center, creating a luxurious feel, and adding to the beauty of the necklace.

"Tian..." Ye Xueyin instantly embraced her son.

Of course, Xiao Tian welcomed it by hugging her too. After she stopped the hug, he looked at her in the eyes and smiled gently. "Do you like it?"

"I love it." Ye Xueyin nodded her head. She really loved it when she saw the gift she had just received.

Xiao Tian touched the heart locket picture and spoke, "Even though we can't tell anyone about our relationship, but you can put our picture here."

"Un." Ye Xueyin intended to find the best picture to put in it later.

With her wearing the necklace every day, she would feel as if he was always by her side.

"Let me help you put it on." Xiao Tian spoke as he smiled.

Without waiting for another second, Ye Xueyin turned around, making her back face Xiao Tian. She lifted the ends of her hair so that he could put the necklace easily.

However, when Xiao Tian saw her beautiful neck, he forgot to put on the necklace and only stared at it.

"What's wrong?" because Xiao Tian still hadn't put on the necklace, Ye Xueyin asked curiously.

Upon hearing her words, Xiao Tian came to his senses and immediately put on the necklace around her neck. However, he was still unable to take his eyes off her beautiful neck.

The longer he stared at her neck, the bigger his desire to kiss it. Because Xiao Tian knew that she would not mind it if he did that, Xiao Tian kissed her neck.

His kiss was gentle and full of love. As he pressed his lips against her neck, Xiao Tian shut his eyes. When Xiao Tian was kissing her neck, he unconsciously ran his arms around her waist and embraced her gently.

Even though his actions much surprised her, Ye Xueyin was pleased when he did that to her. She was thrilled because, from his action, she knew that he loved her so much.

Of course, Xiao Tian was also delighted because he finally could embrace one of his women. Even though he was only hugging her from behind, but he felt immense happiness when he did that. He even could not describe it in words.

Even though Xiao Tian had been kissing her neck for several seconds, Ye Xueyin didn't ask him to stop.

She let him do whatever he wanted because she hoped that her position in his heart would increase by doing so.

When Xiao Tian stopped the kiss, she instantly turned around and pushed him, causing Xiao Tian to fall to the couch.

Ye Xueyin didn't waste time and instantly laid prone on top of his body. Her beautiful black eyes were focused on his.

They said nothing and only stared at each other. However, it only lasted for five seconds before finally, their lips met.

Even though the flame of lust had appeared within them, but they only pressed their lips together while still looking at each other. It was as if all they wanted to do was feel each other's lips.

After she pressed her lips against his for several seconds, Ye Xueyin slowly shut her eyes because she wanted to feel the kiss.

It had been several days since she could kiss him again. That was why she wanted to take her time and feel the sensation when their lips met.

When Xiao Tian saw his mother closing her eyes, Xiao Tian wrapped his arms around her waist and closed his eyes too.

However, not long after that, his aunt spoke, "Oh! You have returned?"

Chapter 509 - Meeting Ye Qingyu Again

6-8 minutes

Xiao Tian and Ye Xueyin instantly opened their eyes upon hearing Ye Qingyu's words.

Because Ye Xueyin knew that he wanted to hug and give her younger sister a gift, she sat on the sofa.

And what she had guessed was right because after Xiao Tian rose to his feet, he embraced her younger sister without giving her young sister a warning.

"I'm home, aunt." Xiao Tian spoke as he hugged her.

"Welcome home." Ye Qingyu replied

Xiao Tian only embraced her for several seconds before finally, he stopped and gave a small box to his aunt. "This is for you."

After seeing the small box in her right hand, Ye Qingyu asked curiously, "What is this?"

"Just open it." Xiao Tian didn't want to tell her what it was because it would be less surprising later.

"Open it, Qingyu." At this moment, Ye Xueyin guessed that her son also gave her little sister a necklace.

And what she had guessed was right when she saw the same necklace as hers in her younger sister's right hand.

For this reason, Ye Xueyin rose from the couch and showed her necklace to her younger sister. "We have the same necklace, Qingyu."

"Because both of you are sisters, I thought it would be better to give you the same gift." Because of his mother's personality, Xiao Tian decided to give them the same gift. He was afraid that his mother would not be happy if he gave them a different gift.

Even though the necklace he gave to his aunt had the same motif as the necklace he gave to his mother, but there was a slight difference between their necklaces.

The color of the heart locket picture on his mother's necklace was silver, while on his aunt's necklace was gold.

"Thank you, Tian." Ye Qingyu spoke before embracing him.

Like his mother, his aunt was also pleased when Xiao Tian gave him a necklace.

"Let me help you put it on." Because earlier Xiao Tian put on the necklace around his mother's neck, he wanted to do the same to his aunt.

"Un." Like what Ye Xueyin did earlier, Ye Qingyu turned around and lifted the ends of her hair so that he could put on the necklace easily.

This time, Xiao Tian didn't kiss his aunt's neck like what he did to his mother. Of course, it didn't mean that her neck was not as attractive as his mother's neck.

It was because he was afraid that he would not be able to control his lust later. It was their first meeting after being apart for several days.

That was why Xiao Tian didn't want to destroy the mood by asking to have sex with them. After they sat on the sofa, Xiao Tian opened the souvenirs.

Yesterday, Xiao Tian bought a lot of typical food in Beijing. There was even still a lot of food in his car. He prepared it for Shi Fei and Liu Ning.

Ye Xueyin's eyes shone brightly when she saw a lot of food. It had been a long time for her to eat Beijing's specialty. That was why she was pleased.

As for Ye Qingyu, when she saw the food, she suddenly remembered the time when she lived in Beijing. Of course, she was also delighted. It was just the food brings back good memories of where she ate it with her friends.

Then they ate the food happily. Because Xiao Tian bought a lot of food, they could finish it.

After that, Xiao Tian entered his room and placed his stuff. Because he sat more than two hours on the plane before, Xiao Tian lay down on the bed to relax his waist.

Not long after that, his aunt entered his room and spoke, "Do you want hot tea?"

"No." after saying that, Xiao Tian tapped the bed, giving her a sign to lay down on his left side. "Come here and lay down on my left side."

Even though the reason she entered his room was to offer him hot tea, but because Xiao Tian desired to lie on the bed with her, she immediately did what she was told.

Ye Qingyu instantly lay down on the bed with her head on his left arm. However, she didn't say anything and only placed her left hand on his chest.

Xiao Tian stroked her head three times before kissing her forehead. "Why don't you go to work?"

"Because you said that you would return today." At this moment, Ye Qingyu was telling the truth.

Yesterday, Xiao Tian said that he would return to Shanghai in the morning. That was why she decided not to go to work.

"Really?" Xiao Tian was a little shocked after hearing her words. Of course, he was pleased with it. "I didn't expect you would do something like this."

Ye Qingyu embraced Xiao Tian with her left hand and buried her face on his body. "I miss you so much, Tian."

His face broke into a soft smile after hearing her words. Usually, his aunt rarely voiced out her real feeling, and when she wanted something from him, she just kept quiet and stared at him.

Of course, Xiao Tian was thrilled by this. For this reason, Xiao Tian lifted her head and kissed her forehead again. "I miss you too. There was not a day that I didn't think about you when I was in Beijing. Do you know how happy I am when I can meet you and mother again? I'm so happy that I can't describe it in words."

Ye Qingyu didn't answer immediately and only stared at him in the eyes. After looking at him for several seconds, she said something that surprised him. "Kiss me in the lips now."

Even though Xiao Tian had no idea as to why Ye Qingyu suddenly asked him to kiss her lips, but he did what he was told.

He kissed her lips gently, a kiss full of love. After pressing his lips against hers for several seconds, Xiao Tian stopped the kiss and spoke, "How is it? Do you want another kiss?"

Like before, Ye Qingyu didn't answer him. Actually, she would do whatever he wanted, but because she was shy to say it, she only stared at him.

Of course, Xiao Tian knew what she had in mind because he knew her personality. "Do you want to do a passionate kiss?"

At this moment, Xiao Tian was sure that his aunt would not answer him.

However, to his surprise, she nodded her head and replied. "Yes."

They then had a hot kiss for several minutes before finally, they talked again. They chatted for about fifteen minutes before they finally fell asleep.

Not long after they fell asleep, Ye Xueyin entered his room. When she saw her younger sister sleeping deeply with her head on her son's left arm, her face blossomed into a smile.

At first, she wanted to leave and let them sleep in peace. However, when she saw her younger sister's face that looked like she was having a sweet dream, she suddenly desired to sleep with them too.

For this reason, she laid down on his right side and embraced his right arm. That morning, the three of them slept soundly in his room.

Chapter 510 - What's Wrong?

7-8 minutes

Seconds became minutes, and minutes turned into hours. Without realizing it, it was already 03:30 pm. Currently, they were still sleeping, but not long after that, Xiao Tian opened his eyes.

His face broke into a smile when he saw his mother sleeping on his right side. Because he didn't want to wake them, Xiao Tian only stared at their sleeping faces.

However, not long after that, Ye Xueyin woke up. Her face blossomed into a smile when she noticed Xiao Tian looking at her. "How long have you been up?"

"A few minutes ago." Xiao Tian replied.

Ye Xueyin embraced his right arm tighter and smiled happily. "Mother likes it when we sleep together like this."

"Me too." After saying that, Xiao Tian kissed her forehead.

"You two have woken up?" Ye Qingyu spoke after waking up.

Upon hearing her words, Xiao Tian and Ye Xueyin turned their heads towards Ye Qingyu.

"Qingyu, did you have a good sleep?" Ye Xueyin inquired.

"Yes." Ye Qingyu nodded his head.

Instead of getting out of the bed, they kept lying on the bed and talked happily.

They talked for about an hour before Xiao Tian finally spoke, "Let's get out of bed. I need to take a shower now because I have to go later."

"Are you going to your other woman's house?" Ye Xueyin inquired.

They only spent time together for a few hours together after being apart for several days, so Ye Xueyin was sad after hearing his words.

"Yes. I want to go to Shi Fei's house." Because they knew that he had other women, Xiao Tian didn't lie to them.

"Are you going to sleep at her house later?" Ye Qingyu asked.

She was fine if Xiao Tian only wanted to meet them, but she hoped he would return home later because she still desired to spend time with him.

"I don't know." Xiao Tian really had no idea whether he would sleep at Shi Fei's house or not.

"Can you come back home later?" Ye Qingyu didn't forbid him to spend time with his other women, but it had been a long time since they had a good time together.

Xiao Tian didn't immediately answer and only stared at his aunt's face. He looked at her for about five seconds before shifting his gaze from his aunt to his mother.

Like Ye Qingyu, Ye Xueyin also hoped that she could spend more time with Xiao Tian. Because they were his only family and also his women, Xiao Tian agreed to their words. "All right. I will return home later, but I don't know what time I will be home."

"It's fine." They were already happy when Xiao Tian decided to agree to their request, so they didn't force him to go home quickly because it could make him angry later.

Xiao Tian suddenly remembered something important. For this reason, he immediately asked, "So have both of you decided whether you agree to live together with my other women or not? If you two agree, I will start looking for a big house. We can sell this house later."

Ye Xueyin and Ye Qingyu kept silent for several seconds after hearing his words. They had been thinking and discussing it ever since Xiao Tian went to Beijing.

It was true that they would be able to see him or spend time together with him every day if they lived together with his other women, but it would also be difficult for them to lovey-dovey with him.

Xiao Tian shifted his gaze from his aunt to his mother. "So?"

"Can you give us a few more days to think about it?" because it was an important decision, Ye Qingyu wanted to think about it more carefully.

'Again?'

Xiao Tian replied in his head.

Because Xiao Tian could not force them to make a decision quickly, he could only agree to his aunt's words. "All right. But please don't take too long."

"Un." Ye Qingyu nodded her head.

"I will take a bath first." After saying that, Xiao Tian headed to the bathroom.

As usual, it only took him about ten minutes to finish taking a shower. When he entered his room, he saw his aunt and mother still sitting on the bed.

Currently, Xiao Tian was only wearing a towel, which was wrapped around his waist. When Xiao Tian noticed his mother and aunt staring at him, his face broke into a smile, and he walked towards them before finally kissing their foreheads.

After kissing them, Xiao Tian walked towards the cupboard and began to choose the clothes he would wear.

Even though he wanted to wear clothes, Xiao Tian didn't ask his mother and aunt to leave because they had seen his naked body many times. "Why are you staring at me like that? Is there something you want to say to me?"

After saying that, Xiao Tian began to choose clothes to wear again. Because his mother and aunt didn't answer him, Xiao Tian turned his head towards them for two seconds before finally choosing clothes again.

Xiao Tian stopped what he was doing when his aunt suddenly embraced him from behind. "What's wrong?"

Instead of answering, Ye Qingyu hugged him tighter.

"Don't worry. I promise, I will go home later." At this moment, Xiao Tian thought his aunt didn't want to be separated from him.

Even though Xiao Tian had chosen the clothes he would wear, but he didn't put on the clothes because his aunt was still hugging him from behind.

After embracing him for several seconds, Ye Qingyu stopped the hug. And like before, she didn't say anything.

His aunt's weird behavior made Xiao Tian turn around. He looked at her in the eyes for several seconds before finally, he pulled her towards him. Without waiting for another second, Xiao Tian pressed his lips against hers.

Because Ye Qingyu knew that Xiao Tian would kiss her lips, his actions didn't surprise her.

At first, Xiao Tian had no intentions to have a passionate kiss with her, but the moment he could feel her soft lips, the desire to have a French kiss with her appeared within him. For this reason, Xiao Tian tried to put his tongue in her mouth.

Of course, Ye Qingyu welcomed it gladly. Not only did she open her mouth immediately when Xiao Tian tried to put his tongue in her mouth, but as soon as his tongue was in her mouth, she welcomed it by wrapping her tongue with his.

As Xiao Tian and Ye Qingyu were having a deep kiss, Ye Xueyin stared at them intently. Of course, she also desired to have a hot kiss with him, but because he was having a French kiss with her young sister, she decided not to disturb them.

However, the longer she saw them kissing passionately, the desire to have a deep kiss with him grew bigger.

For this reason, she got out of the bed and stood next to them, waiting for her turn to kiss him.

When Xiao Tian noticed his mother standing next to them, he knew what she had in mind. For this reason, he broke the kiss and looked at his mother, "Mother, come here."

Without waiting for another second, Ye Xueyin walked closer towards him and kissed his lips.
