

## Illicit 511

### Chapter 511 - Come Here And Sit On My Right Side

Like what Ye Xueyin did earlier, when Xiao Tian and Ye Xueyin were having a passionate kiss, Ye Qingyu only stared at them.

As Xiao Tian was having a deep kiss with Ye Xueyin, he was a little shocked because she was so aggressive.

Not only did Ye Xueyin move her tongue lewdly or suck his tongue hungrily, but she also wrung his hair.

It was as if her body had been consumed by the flame of lust. Not only Xiao Tian, but Ye Qingyu was also startled by Ye Xueyin's actions.

Due to her actions, Xiao Tian suddenly desired to do more than kissing. For this reason, he walked forwards without stopping the kiss.

Ye Xueyin walked backwards reflexively when Xiao Tian did that. Even though she had no idea as to why Xiao Tian suddenly walked forward, she didn't care about it.

What she had in mind was that she wanted to keep kissing him. Because Ye Xueyin kept walking backwards, she ended up standing right behind the edge of the bed.

Of course, she had no idea about it and kept kissing him. She broke the kiss right away when she realized that she was falling.

"Kya..." Ye Xueyin let out a cute voice and instantly wrapped her arms around his neck.

At that moment, she thought she was falling to the floor. She just realized that she fell on the bed when she didn't feel any pain. "I wa-"

Ye Xueyin wanted to tell him that she was surprised earlier, but before she had finished her words, Xiao Tian pressed his lips against hers again.

Of course, she welcomed it happily. She ran her arms from his neck to his back and wrapped it again.

When they fell onto the bed earlier, the towel, which was wrapping around his waist, fell to the floor. However, he didn't show the slightest care for it.

Like Ye Xueyin, what Xiao Tian had in mind was that he wanted to enjoy the feeling of having a passionate kiss with her.

Even though Xiao Tian had no intentions to have sex with them, but because Ye Xueyin kissed him lewdly, the flame of lust grew faster within him. For this reason, his little brother slowly woke up from his slumber.

After kissing for several seconds, Ye Xueyin broke the kiss and smiled at him happily. She was pleased when she felt something hard between her thighs.

At this moment, Xiao Tian desired to kiss Ye Xueyin again, but he realized that Ye Qingyu's face was red from blushing.

He knew that he had a passionate kiss with Ye Xueyin for quite a long time earlier. For this reason, he sat on the edge of the bed and spoke to his aunt, "Come here and sit on my right side."

Of course, Ye Qingyu knew what he wanted to do to her. However, because she also desired to have a hot kiss with him, she walked closer towards him without thinking twice.

Without waiting for another second, Xiao Tian kissed Ye Qingyu's lips instantly. He didn't want to waste time because one second was important.

As Xiao Tian and Ye Qingyu were kissing deeply, Ye Xueyin sat next to them. Her body was hot, and her mind was still filled with lust.

Earlier, she wanted to push Xiao Tian and kiss him again, but because he chose to have a French kiss with her younger sister, she had no choice but to wait for her turn again.

However, she was unable to control the flame of lust within her. For this reason, her gaze landed on his erect cock.

\*Gulp...

Ye Xueyin could not help from gulping her saliva when she saw his amazing erect cock. The pink color of his glans, coupled with the pre-cum on the tip of his cock, made his cock look so delicious in her eyes.

"Huft....Huft...Huft..." Ye Xueyin started breathing heavily, and without realizing it, she opened her little mouth.

Not only that, but she also unconsciously ran her right hand to his erect cock. At that moment, the desire to touch his cock was so big, causing her unable to hold back anymore.

Even though Xiao Tian had guessed that something like that would happen, but he didn't expect it to happen so quickly.

Of course, Xiao Tian let Ye Xueyin do whatever she wanted because receiving a handjob while having a passionate kiss was not a bad idea.

Even though Ye Xueyin had seen and touched his cock many times, but his cock never failed to make her horny.

'It's hot!'

It had been several days since she touched his cock again. That was why she didn't move her right hand and only grasped it.

However, it only lasted for about five seconds before finally, she moved her right hand up and down slowly.

As she was giving him a handjob, Ye Xueyin was unable to take her eyes off his cock, or more precisely, the pre-cum on the tip of his cock.

When Ye Qingyu noticed what her big sister was doing, she broke the kiss and stared at her big sister. However, when she was about to say something to her big sister, Xiao Tian turned her head towards him and kissed her lips again.

It felt so good when Ye Xueyin gave him a handjob while he was having a passionate kiss with Ye Qingyu. That was why he didn't want to end it.

Because his body was already filled with the flame of lust, Xiao Tian moved his left hand and began squeezing Ye Qingyu's right breast.

Of course, Ye Qingyu did nothing because she had guessed that he would do something like that to her.

After wrapping his right arm around Ye Qingyu's neck, Xiao Tian moved his left hand under her T-shirt and squeezed her bare breasts.

"Mmmm." Because she was having a deep kiss with Xiao Tian, Ye Qingyu was unable to moan when Xiao Tian pinched her right nipple.

At this moment, Ye Xueyin was unable to hold back anymore and instantly sat in front of Xiao Tian.

### **Chapter 512 - I Love You, Ning'er**

8-9 minutes

---

At first, Ye Xueyin only gave him a handjob, but when the pre-cum dripped down from the tip of his cock, she unconsciously stuck out her pink tongue and started licking it.

Even though Xiao Tian knew that his mother would suck his cock, but he still felt as if electricity was flowing through his body when she was sucking the tip of his cock. For this reason, Xiao Tian stopped the kiss and looked at his mother.

Like Xiao Tian, Ye Qingyu also stared at her big sister, who was currently giving a blowjob.

Because Ye Xueyin was focused on giving a blowjob, she had no idea that Xiao Tian and Ye Qingyu were gazing at her.

The pre-cum and the smell of his cock made Ye Xueyin forget everything. It had been several days since she could taste his cock again. That was why she ignored everything and only focused on sucking his cock.

Xiao Tian, who was receiving a blowjob from Ye Xueyin, could not hold back the lust within him. For this reason, he returned his attention to his aunt.

Because earlier he had squeezed his aunt's breasts, Xiao Tian suddenly desired to suck it directly. That was why he grabbed the hem of her T-shirt and lifted it, intending to take off her T-shirt.

Even though his actions surprised her a little, Ye Qingyu said nothing and instantly raised her arms high so that it would be easier for Xiao Tian to take off her T-shirt.

After taking off her T-shirt and bra, Xiao Tian didn't suck her breasts immediately; instead, he looked at her in the eyes.

Xiao Tian and Ye Qingyu looked at each other for about five seconds before finally having a deep kiss again.

This time, Xiao Tian only had a hot kiss with Ye Qingyu for about fifteen seconds. It was not like he didn't want to continue having a passionate kiss with her, but he desired to suck her breasts.

That was why, after kissing her lips, Xiao Tian kissed her neck before finally making his way down to her pretty breasts.

"Ahhh.." Ye Qingyu cried out seductively when Xiao Tian licked her left nipple and squeezed her right breast.

Ye Xueyin, who was giving a blowjob, stopped what she was doing after hearing Ye Qingyu's moan. However, she sucked his cock again when she knew that Xiao Tian was licking Ye Qingyu's breasts.

Because she often sucked his cock, Ye Xueyin knew the most sensitive part of his cock or how to make him reach orgasm quickly.

That was why after sucking, licking, and playing with his cock for several minutes, she was able to make Xiao Tian reach orgasm.

Xiao Tian, who was sucking Ye Qingyu's right nipple, stopped what he was doing when he reached orgasm. "I'm cumming..."

Because it had been a long time since she tasted his sperm, Ye Xueyin instantly put the tip of his cock into her mouth after hearing his words.

After having an orgasm, he lifted Ye Xueyin's head and spoke, "Open your mouth."

It was not the first time for Xiao Tian to want to see his sperm in her mouth. That was why she opened her mouth immediately.

After Xiao Tian was satisfied seeing his sperm in her mouth, he spoke. "You can drink it now."

Because she also desired to drink his sperm since she saw his cock earlier, Ye Xueyin drank it without thinking twice.

Xiao Tian instantly kissed his mother's forehead and smiled, "Do you like it?"

"I love it." Ye Xueyin answered as she smiled.

It had been several days since she could taste his sperm. That was why she was pleased.

"All right. Let's stop here." Because he wanted to go to Shi Fei's house, Xiao Tian decided to stop after having an orgasm in Ye Xueyin's mouth.

"But, mother desires to have sex with you now." The flame of lust had consumed her body since she gave him a blowjob earlier. That was why Ye Xueyin desired to have sex with him.

"We will do that later." It was not like he didn't want to have sex with them, but if they had sex, it would take a long time to finish.

"All right." Ye Xueyin agreed.

Xiao Tian then turned his head towards his aunt and spoke, "We will continue later."

"Un." Ye Qingyu nodded her head

After that, Xiao Tian wore clothes and traveled to Shi Fei's house.

-----

After Xiao Tian arrived at Liu Ning's house, he immediately knocked on the door.

\*Knock...Knock...Knock...

Xiao Tian was sure Liu Ning and Shi Fei were already home because work hours had ended. And what he had guessed was right because not long after that, someone opened the door.

When Xiao Tian found out the one who opened the door was Liu Ning, he smiled happily. "Ning'er, I came to see you."

Liu Ning was pleasantly surprised when she saw Xiao Tian. "You have returned?"

"Yes." Xiao Tian replied instantly

Liu Ning grabbed his right hand and spoke, "Come in."

They headed to the living room and sat on the couch. When Xiao Tian noticed the TV was still on, he knew that she was watching TV earlier. "Where is Fei?"

"She said she would be home late." Earlier, she wanted to go home with Shi Fei, but Shi Fei told her that she still had work. That was why she returned home alone.

Even though Xiao Tian was a little disappointed when he found out that Shi Fei was still in the company, he didn't show it on his face.

"Oh! You bought lots of souvenirs?" Liu Ning asked while looking at the souvenirs.

"This is typical food in Beijing." Xiao Tian suddenly took a small blue box and gave it to her. "I also have something for you."

"I see." She said as she took the box. "And what is this?"

Instead of giving her an answer, Xiao Tian spoke, "Open it."

Liu Ning pinched his cheeks and smiled, "You want to give me a surprise, huh?"

This time, Xiao Tian didn't answer and only smiled at her.

Because she was curious, Liu Ning immediately opened the box. When she saw the gift that was in the box, she looked at Xiao Tian and spoke, "Tian'er...."

Xiao Tian's face broke into a soft smile. "Do you like it?"

"Un." Liu Ning nodded her head. "I love it."

The gift Xiao Tian gave to Liu Ning was a bracelet, or more precisely, a platinum-plated bracelet. This platinum-plated bracelet was in a crisscross design with small circles and was beautifully studded with a

heart shape in the middle of it, which made it more stunning and gave a fantastic look. There were small words, 'T&N' stuck to the heart shape.

"I'm glad you like it. The words 'T&N' stand for Tian and Ning." Xiao Tian explained it to Liu Ning. "That means, Tian loves Ning."

Actually, Xiao Tian wanted to give Liu Ning and Shi Fei a necklace like the one he gave to his mother and aunt but decided not to do that.

If they got the same gift, it would raise suspicion from Liu Ning and Shi Fei. Xiao Tian wasn't ready to tell them the relationship he had with his mother and aunt because it was such a complicated matter.

"Thank you." Liu Ning hugged Xiao Tian.

She really loved the gift Xiao Tian gave her. Not only was Xiao Tian the one who gave her the gift, but the bracelet was also stunning.

After Liu Ning stopped the hug, Xiao Tian spoke, "Let me help you put it on."

"Un." Even though she could put it on by herself, but she could not refuse his wish. She also thought it would be more romantic if Xiao Tian were the one who put the bracelet around her wrist.

Without waiting for another second, Xiao Tian grabbed her right hand and put on the bracelet around her wrist. After that, Xiao Tian kissed her hands gently before looking at her in the eyes. "I love you, Ning'er."

Her face blossomed into a smile after hearing his words. "I love you too."

After saying that, Liu Ning kissed his forehead, a kiss full of love.

Xiao Tian touched his lips and spoke, "What about here?"

"I don't want to. Hehe." Liu Ning said as she giggled.

Xiao Tian pinched her left cheek gently and smiled.

At the same time, Shi Fei arrived home.

"Ning, I'm ho-" Shi Fei stopped her words halfway when she saw Xiao Tian sitting on the sofa. "Little brother, you have returned?"

### **Chapter 513 - Good Moment At Shi Fei's House**

6-8 minutes

---

"Fei?" Xiao Tian instantly rose to his feet and marched towards her.

When Shi Fei saw Xiao Tian walking towards her, she dashed to him and jumped into his arms. It had been several days since she last saw him.

That was why she was thrilled when she found out that Xiao Tian was in her house. Like Liu Ning, she also missed him so much.

For this reason, she cupped his face and raised it before finally she kissed his lips. After pressing her lips against his for about three seconds, Shi Fei broke the kiss and spoke, "I miss you so much, little brother."

"Me too." Xiao Tian replied

After Xiao Tian put Shi Fei on the couch next to Liu Ning, he took a small box and gave it to her.

"For me?" Shi Fei spoke as she pointed her index finger towards her face.

"Yes." Xiao Tian answered.

Shi Fei's face blossomed into a smile when she saw a platinum-plated bracelet. The smile on her face grew bigger when she noticed the words 'T&F' stuck to the heart shape. Of course, he knew the meaning of the words 'T&F'.

Even though he loved Shi Fei more than Liu Ning, but Xiao Tian gave them the same gift so that Liu Ning would think that he loved them equally.

"It's so pretty!" Shi Fei spoke before turning her head to Liu Ning. "Ning, what gift did he give you?"

"He gave me a platinum-plated bracelet too." Liu Ning responded as she showed her bracelet to Shi Fei.

"It seems like our place in his heart is equal." Shi Fei didn't care who Xiao Tian loved the most because as long as he loved her, she was fine with it.

"Un." Liu Ning agreed with Shi Fei's words.

Because Xiao Tian gave them the same gift, Liu Ning thought he loved them equally. This made her thrilled.

Xiao Tian embraced both of them and spoke, "Both of you are so important to me, so I will try to make you two happy from now on."

"Me too." Shi Fei and Liu Ning replied in unison.

After Xiao Tian stopped the hug, he helped Shi Fei put the bracelet around her wrist. Like what he did to Liu Ning, Xiao Tian also kissed her hands.

"Little brother...." Shi Fei, who was deeply moved after seeing his romantic behavior, pushed him, causing him to fall onto the sofa. Without waiting for another second, Shi Fei laid prone on top of his body and kissed his lips.

When Liu Ning saw Xiao Tian and Shi Fei kissing, her face broke into a smile. Even though she also desired to kiss his lips, but she only smiled while staring at them.

Shi Fei only pressed her lips against his. At that time, she had no intention of having a deep kiss with him. She just wanted to express the happiness she was feeling through the kiss.

Even though her actions much surprised him, Xiao Tian only smiled softly after Shi Fei broke the kiss. "Do you want to eat the food now?"

"Un." Shi Fei nodded her head before sitting on the couch.

"Earlier, I talked with my mother and aunt about living together. I really want you two to live together with my family and me." Xiao Tian turned his head towards Liu Ning and Shi Fei. "if my mother and aunt agree, you two will also agree to live together with me, right?"

"I agree." Shi Fei replied without thinking twice.

She loved Xiao Tian, so of course, she would agree to live together with him. With them living together, not only would she be able to see him every day, but she could also get along with his family.

Xiao Tian had guessed that Shi Fei would agree with his idea. That was why he was not surprised after hearing her words.

At this moment, Liu Ning didn't answer immediately and kept silent.

Because Liu Ning didn't say a word, Xiao Tian asked, "Ning'er, you don't want to live together with me?"

"It's not like that. It's just..." it was not like she didn't want to live together with Xiao Tian and his family. It was just that she was afraid his family would not like her later.

She loved Xiao Tian and desired to be with him forever, so she was really afraid of their opinion of her. If they didn't like her and asked Xiao Tian to break up with her, she didn't know what would happen to her in the future.

Xiao Tian meant the world to her, so she didn't want to lose him. Not only was he always there for her every time she was down, but she also felt happier ever since she became his woman.

"So, what is it?" Xiao Tian really wanted to know what she had in mind.

Shi Fei glanced at Liu Ning and spoke, "Ning, just tell him."

"Yes. Tell me." Xiao Tian added.

"It's like this.." Liu Ning began to tell them the reason why she was silent earlier.

"Haha." Xiao Tian laughed after hearing her words.

"Why are you laughing?" Liu Ning had no idea why Xiao Tian suddenly laughed. "This is a serious problem."

Xiao Tian pinched her left cheek and spoke, "You don't need to worry about it. My mother and aunt are not like that. And I don't want to break up with you too. If my mother and aunt don't like you, I will make them like you."

After saying that, Xiao Tian suddenly realized something important. His mother and aunt had never spent time together with his women.

For this reason, he immediately spoke, "How about you two meet my mother and aunt tomorrow?"

With them spending time together, Xiao Tian hoped they could get along quickly. Not only would he be able to help them build a good relationship with each other, but he would also be able to increase the possibility of them living together. It was like killing two birds with one stone.

"I agree." Shi Fei thought it was a good idea. That was why she agreed with it.

Like before, Liu Ning didn't answer immediately. She really needed to prepare herself before meeting his family.

Upon seeing her expression, Xiao Tian pulled her towards him and embraced her. "Ning'er, don't worry. I will make sure my family will accept our relationship later."

After hearing his words, the fear within her reduced significantly. "All right."

Xiao Tian suddenly had a good idea. "How about we have a little party together?"

Xiao Tian thought it would be easier for them to get along if they had a small party together because a formal meeting would make the situation awkward later.

"Good idea!" like before, Shi Fei answered cheerfully.

"Un." This time, Liu Ning agreed and nodded her head.

"So where should we have a party?" Xiao Tian inquired.

"Up to you." Shi Fei replied.

"Yes." Liu Ning added. "You can choose where we will have a party."

Xiao Tian started thinking about the best place for them to have a small party.

'Should we go to the beach and have a party at night or at my house?'

After thinking for several seconds, Xiao Tian asked, "How about we have a party at my house?"

#### **Chapter 514 - Giving A Punishment To Shi Fei And Liu Ning**

"All right." Shi Fei and Liu Ning spoke in unison.

Earlier, they said they would let Xiao Tian choose the place. Since Xiao Tian wanted to have a party at his house, they immediately agreed.

"I will inform my mother and aunt later." Xiao Tian stated.

Xiao Tian really hoped that they would get along well later because it could significantly impact their relationship later.

After they finished eating the food, they headed to Shi Fei's room. As usual, they sat on the bed with Shi Fei and Liu Ning seated on both sides of him.

Shi Fei and Liu Ning began to ask him what he did in Beijing and many other things. When Xiao Tian told them about Yi Wenxin, they laughed.

"Oh! Both of you dare to laugh at my misfortune, huh? It seems like I have to punish you two right now. Who should I punish first?" Xiao Tian stared at Liu Ning and Shi Fei.

Of course, Xiao Tian would not hurt them. He only wanted to kiss them as punishment. Because earlier Shi Fei had kissed his lips and hadn't done it with Liu Ning, Xiao Tian turned his head towards Liu Ning.

"I will punish you first." After saying that, Xiao Tian cupped Liu Ning's face and kissed her lips.

As usual, Liu Ning instantly welcomed the kiss. She even shut her eyes immediately as if she had been waiting for him to kiss her for a long time.

At first, it was only a normal kiss, but it only lasted for three seconds before finally, it turned into a hot kiss where they intertwined their tongues lewdly.

Not only that, but they also tilted their heads to the left and right to make the kiss hotter for both of them.

Saliva began to drip down from the corner of their mouths, but none of them showed the slightest concern for it. It was as if they had drowned in their own world.

"Hehe." Shi Fei giggled after seeing what they were doing. "Looks like the beast within him has awakened."

Upon hearing her words, Xiao Tian stopped the kiss and turned his head towards Shi Fei. "That's right. This beast will eat you too."

After saying that, Xiao Tian pushed Shi Fei, causing her to fall onto the bed. Without waiting for another second, Xiao Tian kissed her lips.

This time, Xiao Tian immediately kissed Shi Fei passionately. His tongue explored every inch of her mouth before finally intertwining his tongue with hers.

Like what Xiao Tian was doing, Shi Fei also intertwined her tongue lewdly. She even sucked his tongue before finally pulling on it gently.

"It seems like my lover is getting sluttier and sluttier." Xiao Tian spoke as he pinched Shi Fei's nose.

"But you like it, right?" Shi Fei didn't mind his words because almost every time they had sex, they talked about vulgar or dirty words.

"I love it." Xiao Tian gave an honest answer.

Upon hearing his words, Shi Fei stared at Liu Ning and spoke, "Ning, did you hear that? He said he loves a slut."

"Hehe." Liu Ning covered her mouth and giggled.

Black lines formed on his forehead after hearing Shi Fei's words. "It seems like I have to punish you again."

"Yes. Please, punish me again!" after saying that, Shi Fei pouted her lips because she thought Xiao Tian would kiss her lips again.

However, she was wrong because what Xiao Tian did next was not like what she expected.

"Ahhh." Shi Fei's small mouth opened, letting out a seductive moan.

Actually, Xiao Tian wanted to kiss her lips again as a punishment, but when he saw her pouting her lips, he decided to change his mind.

Instead of kissing her lips, Xiao Tian squeezed her right breast and pinched her left nipple through her shirt.

Xiao Tian stopped what he was doing and spoke, "How is it? Do you want me to punish you again?"

"No. please punish Ning instead." Actually, Shi Fei didn't mind it if Xiao Tian wanted to punish her again, but at that moment, she wanted Xiao Tian to squeeze Liu Ning's breasts too. That was why she said something like that.

"No. Please don't punish me." Liu Ning replied as she laughed.

Of course, she didn't mind it if Xiao Tian wanted to punish her again because she knew he would not hurt her.

However, Xiao Tian ignored Liu Ning's words and sat up again. This time, Xiao Tian didn't kiss her; instead, he tickled her.

"Hahaa." Liu Ning laughed when Xiao Tian was tickling her waist. "Please stop. Haha."

Because Xiao Tian didn't want to make her stomach hurt from laughing, he stopped after tickling her for about six seconds.

After leaning his back against the headboard, Xiao Tian pulled Liu Ning's head to him and placed it on his chest.

Because Liu Ning was on his left side, Xiao Tian embraced her with his left hand before finally kissing her forehead. "Then let me embrace you in exchange for punishment."

Liu Ning's face blossomed into a smile when Xiao Tian was hugging her. The warmth of his body made her feel comfortable because being embraced by him was one of the many things she loved the most.

When Shi Fei saw what they were doing, she immediately placed her head on his thighs. "You must be happy to have us as your women, right?"

"That's right." Xiao Tian smiled as he pinched Shi Fei's nose with his right hand.

Shi Fei and Liu Ning always supported him and never caused trouble for him. Not only that, but they also understood him so well.

"For you to have both of us as your women, you must have done good deeds in your past life." Liu Ning spoke abruptly.

'Yes. You're right. I indeed have done a lot of good seeds in my past life.'

Xiao Tian answered in his head.

Of course, he would not say what he had done in his past life because he was sure they would not believe it.

"Maybe in my past life, I was a monk." Xiao Tian replied. "That's why I have more than one girlfriend."

"I highly doubt it." Shi Fei and Liu Ning spoke in unison.

## Chapter 515 - Sweet Moment With Ye Xueyin

7-8 minutes

---

"Amitabha. Ladies, why don't you believe my words?" Xiao Tian suddenly behaved as if he was a monk.

"Haha." Liu Ning and Shi Fei laughed after seeing his behavior.

"If you were the reincarnation of a monk, you would not have a sweet tongue or many women like this." Shi Fei suddenly thought that he was also a playboy in his past life.

"It's because God loves me so much." Xiao Tian spoke nonsense.

"Yes. To the point you are overconfident about yourself, right?" Shi Fei spoke jokingly.

"Take this...take this..." Xiao Tian tickled Shi Fei's waist after saying that.

"Haha." Shi Fei laughed when Xiao Tian was tickling her.

And like that, they chatted happily in Shi Fei's room. Xiao Tian was at their house for about three hours before finally going home.

Even though he still desired to spend time with Shi Fei and Liu Ning, he promised his mother and aunt that he would return home. By the time he was home, it was already 09:00 pm.

"I'm home." Xiao Tian spoke when he was in the living room.

'Where are they?'

Xiao Tian began to look for his mother and aunt.

Because they were not in the living room, Xiao Tian headed to the kitchen. And like what he had guessed, Xiao Tian found his mother alone in the kitchen.

At that time, she was wearing a loose T-shirt and short skirt. Without waiting for another second, Xiao Tian walked towards her before finally embracing her from behind. "What are you doing?"

"I'm about to boil water." Even though his actions surprised her, Ye Xueyin didn't say it to him.

She was thrilled when she knew that his son had come home. Not only that, but he was even hugging her from behind. Earlier, she thought he would be home late.

"Where is aunt?" because Xiao Tian didn't see his aunt in the kitchen, he immediately asked.

"She is in her room." After answering, she put her hand in his.

\*Kiss...

Because Xiao Tian was placing his head on her right shoulder, she was able to kiss his left cheek.

Her face blossomed into a smile after kissing him. Because he was embracing her, Ye Xueyin forgot to boil water.

"Why are you wearing a short skirt and a loose T-shirt?" Xiao Tian inquired.

"Because we are going to have sex later, right?" Ye Xueyin answered without feeling shy. "That's why I'm wearing this kind of clothes."

"Oh!" her words surprised Xiao Tian a little. He didn't expect that she was looking forward to it so much. "If so, let me feel your soft breasts."

Without waiting for her answer, Xiao Tian ran his right hand underneath her T-shirt and immediately squeezed her left breast.

When Xiao Tian realized that Ye Xueyin was not wearing a bra, he whispered in her right ear. "It seems like you really want to have sex with me. You are even not wearing a bra."

"Hmmm." Instead of answering, Ye Xueyin half-closed her eyes and let out a seductive moan.

Her breasts were one of the most sensitive parts of her body. Coupled with her keep thinking about having sex with him all along made Ye Xueyin's body instantly fill with lust.

For this reason, she grabbed his cock with her right hand. Even though she could not feel his cock directly because Xiao Tian was not naked, it still made Ye Xueyin hornier.

She desired to have sex with him even more after feeling his cock through his trousers.

Xiao Tian, who was squeezing her left breast, was a little shocked when Ye Xueyin suddenly grabbed his cock with her right hand.

'It seems like she is so horny right now.'

Because Ye Xueyin was grabbing his cock through his trousers, Xiao Tian decided to play with her pussy.

The expression of deep shock emerged on his face when his left middle and index fingers could touch her vagina directly.

'Don't tell me. She is wearing...'

Xiao Tian suddenly remembered the time when he asked his mother to buy crotchless lingerie in the past. But because he was too busy and she never wore it, he forgot about it.

He just didn't expect that she would wear it. Of course, it made him happy because it would be easier for him to play with her pussy. "What is this? I didn't expect that you would wear crotchless lingerie. It seems like you have become a slut, mother."

"Mmmm." Like before, Ye Xueyin didn't answer and only moaned.

Actually, she never planned to wear crotchless lingerie earlier. However, when she was looking for clothes in the closet earlier, she suddenly saw her crotchless lingerie.

Because she knew that Xiao Tian would be happy if she wore crotchless lingerie, she decided to wear it.

As Xiao Tian was playing with her breasts and vagina, he kissed her neck lewdly. He wanted to make her hornier and hornier until finally, she would not be able to hold back the flame of lust within her anymore.

And what Xiao Tian did to her really made Ye Xueyin even more aroused. She was no longer satisfied with just gripping his cock through his trousers.

She desired to feel it directly. For this reason, she moved her right hand underneath his trousers so that she could feel his cock directly.

\*Bite...

She bit her lower lip when her right hand was touching his cock.

'Ahh. I really want this cock in my pussy now.'

The flame of lust grew bigger when she felt his hot and huge cock. Due to how horny she was, her love juices came out of her vagina like flowing water.

"Ahhhh..." Ye Xueyin cried out in pleasure when Xiao Tian inserted his left middle finger into her vagina.

"Your pussy is so wet." At that moment, Xiao Tian left hand was covered in her love juices.

"It's because I desire to have sex with you so much." Because she was talking with her lover, she didn't feel shy and told him the truth.

Because Xiao Tian was playing with her pussy and breasts simultaneously, Ye Xueyin was unable to play with his cock.

When Xiao Tian noticed saliva dripping down from the corner of her mouth, he suddenly desired to kiss her passionately.

She looked so hot when she was moaning while her saliva dripping down from the corner of her mouth. For this reason, Xiao Tian grabbed her head and kissed her lips.

Of course, Ye Xueyin welcomed the kiss happily. It even made her happier when Xiao Tian decided to kiss her.

As they were having a deep kiss, Xiao Tian only played with her left breast. His left hand, which touched and felt her pussy, became wetter from her love juices.

After Ye Xueyin broke the kiss, she immediately spoke, "Tian, can you pull down your trousers."

Of course, Xiao Tian knew the reason why she asked him to pull down his trousers. Without giving her an answer, Xiao Tian did what he was told.

Ye Xueyin instantly stroked his cock with her right hand gently. At that moment, her right hand was also wet from his pre-cum.

They kept pleasuring each other for several minutes before finally, both of them could not hold back the lust in their bodies anymore.

Because she was wearing a short skirt and crotchless lingerie, Xiao Tian only lifted her skirt before finally placing his erect cock on her vagina entrance. "I'm going to put it now."

"Un." Ye Xueyin replied

## **Chapter 516 - Sweet Moment With Ye Xueyin Part 2**

6-7 minutes

---

"Ahh...Ah...Ahh..." the kitchen was filled with Ye Xueyin's seductive moans.

Currently, Ye Xueyin was standing behind the kitchen table cabinet. Her hands were on the table, and multiple moans escaped from her little mouth without stopping.

Behind her, Xiao Tian was grabbing her waist with both of his hands while also thrusting his cock fast. The sound of his waist hitting her butt repeatedly added to the lively sound in the kitchen.

The fascinating expression blossomed on their faces as if it was their first time having sex as lovers. None of them cared about their surroundings because what they had in mind were pleasure and pleasure.

At this moment, Ye Qingyu, who was in her room, could not help but blush. The flame of lust slowly consumed her body, causing her to desire to have sex with Xiao Tian as well.

However, she wavered whether she should go to the kitchen or not. It was true that she desired to have sex with him, but at the same time, she also wanted to let Xiao Tian and Ye Xueyin have some time alone.

Because she believed that Xiao Tian would have sex with her later, Ye Qingyu decided to stay in her room.

"Ahh...Ah...Ah...Ah..." Ye Xueyin's moans turned faster when Xiao Tian thrust his cock more quickly. She turned her head to look at him and spoke, "Tian...Ah...Ahh....Ah...Ah..."

Even though she didn't tell him directly what she wanted, but Xiao Tian was able to understand it. For this reason, Xiao Tian brought his face closer towards hers and kissed her lips.

Of course, he didn't stop moving his waist. It was just that he could not thrust his cock into her pussy as fast as before because he was kissing her.

At this moment, Ye Xueyin became hornier when Xiao Tian kissed her passionately while still thrusting his cock. She even unconsciously moved her hips in rhythm with his movements.

After Xiao Tian broke the kiss, Ye Xueyin kept staring at him. Her lewd expression and seductive moans made Xiao Tian hornier.

He wanted to move his waist faster and thrust his cock deeper into her vagina. However, because they were near the stove, Xiao Tian dragged her away from it.

Xiao Tian didn't want anything bad to happen to them when they were having sex. At this moment, Xiao Tian suddenly wanted to put her on the table so that he could fuck her faster.

However, because there were upper cabinets, he could not do that. For this reason, he pulled his cock out of her vagina and spoke, "Let's move to another place."

Even though Ye Xueyin had no idea as to why Xiao Tian suddenly wanted to move to another place, she decided to follow him. "All right. But please put your cock back into my pussy. I still want to feel your cock in my pussy."

Without waiting for another second, Xiao Tian carried her and walked out of the kitchen.

When Xiao Tian was carrying her, Ye Xueyin wrapped her long slender arms around his neck. Because they were facing each other, Ye Xueyin grabbed his face and kissed him passionately again.

They kissed passionately for several seconds before finally, she broke the kiss. "Tian, hurry up and put you cock back into my vagina."

Ye Xueyin was so horny and could not control the lust within her anymore. That was why she wanted him to put his cock back into her pussy.

"All right." Because she wanted him to put his cock into her pussy again, Xiao Tian stopped his footsteps and lifted her.

"Ahhh.." Ye Xueyin wailed in delight when his cock was slowly entering her pussy.

Like before, Ye Xueyin kissed him passionately again when he put all his cock into her vagina.

"Mmm...Mmmm....Mmmm." when Xiao Tian walked again, his cock, which was inside her pussy, also moved. However, because she was kissing him, she could not moan clearly.

At this moment, Xiao Tian remembered that the dining table was the only table suitable for them to have sex.

For this reason, Xiao Tian headed to the dining room. As usual, when Xiao Tian was walking to the dining room, her pussy was squeezing his cock wildly.

This made Xiao Tian walk slower than usual. He really wanted to stop his footsteps and fuck her immediately.

However, he tried his best to hold back the flame of lust within him. That was why he kept walking to the dining room.

As soon as they were in the dining room, Xiao Tian immediately put her on the table. After that, he positioned her on the edge of the table so that it would be easier for him to fuck her.

As if Ye Xueyin knew what he had in mind. When Xiao Tian put her on the table, she immediately got her legs in the 'M' position and spread them as wide as possible.

Because the lust had consumed his body, Xiao Tian grabbed her knees and thrust his cock into her vagina in one go.

"Ahh....Ah....Ah..." Ye Xueyin cried out seductively.

And soon, the dining room was filled with her moans. But like before, none of them showed the slightest care for it.

As she was letting out multiple moans, Ye Xueyin put both hands behind her body to support her so that she didn't fall onto the table.

However, it only lasted for several seconds before finally, her body turned weak, and as a result, she fell onto the table.

Seconds turned into minutes, and without realizing it, they had been fucking for more than thirty minutes since they were in the dining room.

Because his cock kept hitting her womb, Ye Xueyin reached her orgasm not long after that.

"Cumming...cumming... I'm cumming..."

Because Xiao Tian also almost had an orgasm, he immediately moved his waist faster after hearing her words. He wanted to have an orgasm at the same time.

That was why he did something like that. Not long after that, they reached orgasm at the same time.

"Cumming..." Xiao Tian and Ye Xueyin spoke in unison.

### **Chapter 517 - Sweet Moment**

8-10 minutes

---

After Xiao Tian had an orgasm, he dropped his body on top of hers and spoke, "It was amazing. Having sex with you indeed does feel good."

"Un. I also love having sex with you. You always managed to make me feel as if I was on cloud nine."

Because Xiao Tian cummed inside her, Ye Xueyin could feel his sperm.

It was her safe day, so she didn't mind it when Xiao Tian let out his sperm in her vagina. Her face broke into a smile as she stroked his hair.

Due to how happy she was, she felt as if she was flying into the sky. She was already in her mid-thirties, and Xiao Tian also had several women who were much younger than her, so when Xiao Tian said that it was amazing having sex with her, his words really made her happy.

Because Xiao Tian wanted to see his sperm in her pussy, he lifted his body and pulled his cock out of her pussy.

\*Drip....

As soon as Xiao Tian pulled his cock out of her pussy, his sperm came out of her vagina. He could not help but nod his head in satisfaction when he saw his white sperm coming out of her cunt.

Her vagina opening, which was slowly closing on its own. Coupled with his sperm that came out of her pussy, made her cunt look so pretty in his eyes.

Xiao Tian also had no idea as to why he suddenly behaved like that. Usually, he immediately had sex with her again as soon as he finished having an orgasm.

But at that time, he suddenly wanted to see his sperm in her pussy. As Xiao Tian was looking at her vagina, his gaze suddenly landed on her cute ass hole.

From the cleanliness of her ass hole, Xiao Tian knew that his mother always kept her ass hole clean. There was not a single strand of hair in it until it made Xiao Tian able to see her ass hole clearly.

\*Gulp...

'Her ass hole is throbbing cutely.'

At that moment, her ass hole looked so delicious in his eyes.

He suddenly remembered the time when he had anal sex with Shi Fei. Because he had never had anal sex with Ye Xueyin, he suddenly desired to do it.

"Ahh.." Ye Xueyin cried out seductively when Xiao Tian put his left middle finger into her ass hole.

Even though his actions much surprised her, she didn't ask him to stop. Earlier, she thought Xiao Tian would fuck her pussy again, but she was wrong.

He didn't touch her pussy; instead, he was playing with her ass hole. Of course, she let him do whatever he wanted because she wanted to make her lover happy.

She also always cleaned her ass hole, so she wasn't worried about the cleanliness of her ass hole.

His desire to have anal sex with her grew bigger when her butt muscles were squeezing his left middle finger wildly.

For this reason, he shifted his gaze from her ass hole to her face, "How about we have anal sex?"

At this moment, Xiao Tian really hoped that she would accept it because he desired to have anal sex. However, if she refused, he would not force her because not all women wanted to have anal sex.

Some women found anal sex disgusting. That was why they never had anal sex and always refused if their lover or husband wanted to do it.

"All right." Ye Xueyin knew that sooner or later he would ask for anal sex. That was why she always cleaned her ass hole. "But I don't want to do it here."

Her words much surprised him. He didn't expect that she would agree so quickly.

Of course, this made Xiao Tian happy. Until now, he could only have anal sex with Shi Fei, so if his mother agreed to have anal sex with him, he would not have to look for Shi Fei if he wanted to have anal sex. "Let's have anal sex in aunt's room."

The reason why Xiao Tian chose to have anal sex with his mother in his aunt's room was that he wanted to create an opportunity to have anal sex with his aunt too.

There was a high possibility that his aunt would also desire to have anal sex if she saw them having anal sex.

"All right. But before having anal sex, I want to suck your cock first." Earlier, she didn't have a chance to suck his cock. That was why she wanted to taste his cock first.

Even though Xiao Tian wanted to have anal sex immediately, but he decided to grant her wish. "Oh! Then what are you waiting for? You can suck my penis now, you know."

At first, Xiao Tian thought she would sit on the table before sucking his cock, but he was wrong. Not only did she not get up from the table, but she only changed her position so that she could suck his cock while still lying down.

Currently, Ye Xueyin was lying on the table with her head right in front of his cock. She didn't use her hands when she licked the tip of his dick because his cock was already half soft.

At first, she licked his shaft with her pink tongue, but it only lasted for about three seconds before finally, she began to lick his glans.

As she was licking the tip of his cock, she was still able to taste his sperm because there was still sperm left on his glans.

"Ohhh💎💎" Because she kept licking the sensitive part of his penis, Xiao Tian could not help but groan.

'She is getting more and more skilled at giving a blowjob.'

At this moment, Xiao Tian just stared at her face while enjoying the sensation of her mouth sucking his cock.

Because Xiao Tian's cock was completely erect, Ye Xueyin had no choice but to use her left hand so that she could continue sucking the tip of his cock.

When his glans was inside her mouth, she twirled her tongue skillfully. She licked the right side of his glans before finally pressing her tongue against his external urethral opening.

Her actions made Xiao Tian hornier and desire to thrust his cock deeper into her mouth.

'I want to deep-throating her.'

Xiao Tian spoke in his head.

Due to how horny he was, Xiao Tian grabbed her head and positioned it on the edge of the table. Currently, his mother's head was hanging on the edge of the table.

"Can I put my cock deeper into your mouth?" Xiao Tian didn't want to force his way with her. That was why he asked her.

At that moment, Ye Xueyin didn't answer and only stared at him in the eyes. However, she opened her mouth as wide as possible, as if she was giving him a sign to do whatever he wanted.

When Xiao Tian noticed it, he thrust his penis deeper into her mouth. Because he didn't want to hurt her, he slowly pushed his cock deeper into her mouth.

As he was thrusting his cock deeper into her mouth, her neck turned bigger, and tears suddenly emerged in her eyes.

Because she said nothing, Xiao Tian didn't stop and kept thrusting his penis. When he noticed that she was about to gag, Xiao Tian pulled back his cock.

Xiao Tian knew that his mother was not used to deep throat. That was why he didn't put all his cock in her mouth.

At first, he only thrust his cock into her mouth slowly, but when he noticed that she was starting to get used to it, he moved faster.

Even though he could not put all his cock in her mouth, Xiao Tian was not disappointed because he was sure that she would be able to take all his cock in her mouth in the future.

As Xiao Tian was thrusting his cock into her mouth, Ye Xueyin did nothing. She let him do whatever he wanted and only tried her best not to gag because she wanted to give him pleasure.

Seconds turned into minutes, and without realizing it, Xiao Tian had been fucking her mouth for several minutes.

Because Xiao Tian kept thrusting his penis deep into her mouth, her eyes were covered in tears. But like before, she didn't try to stop him or say anything.

When his eyes landed on her beautiful breasts, he immediately squeezed it. Of course, he didn't stop thrusting his cock into her mouth.

'It feels so good to fuck her mouth while playing with her breasts.'

Because her erect nipples seemed to invite him to play with it, Xiao Tian wasted no time and started playing with her nipples.

"Ooogh...oogh...ogh..." when Xiao Tian was playing with her nipples, she moaned again.

However, because Xiao Tian was thrusting his cock deep into her mouth, she could not moan clearly.

She could no longer hold back the lust within her when Xiao Tian pinched her nipples. For this reason, she reached orgasm again.

"Hmmm....hmmm...." she unconsciously raised her waist slightly as she had a massive orgasm.

After having an orgasm, her body quivered for several seconds, and her eyes turned white.

Because Xiao Tian was also about to have an orgasm, he didn't stop and moved his waist a little faster.

Not long after that, he reached his limit and spoke. "I'm cumming..."

Because Xiao Tian still wanted to kiss her lips later, he immediately pulled his cock out of her mouth and let out his sperm over her breasts.

## **Chapter 518 - Let's Head To Aunt's Room**

7-8 minutes

---

"Huft...Huft...Huft..." because Xiao Tian had pulled his cock out of her mouth, Ye Xueyin was finally able to breathe normally. "How is it?"

"Amazing!" Xiao Tian replied as he smiled. "Your pussy and mouth are amazing. Now I wonder, how does it feel to have anal sex with you?"

"You will know later." Ye Xueyin was pleased after hearing his words. Then she grabbed his penis and started cleaning it using her mouth.

"Ohhh.." because his cock was still sensitive, Xiao Tian groaned when she was cleaning his cock.

Ye Xueyin gave him a blowjob for several seconds before finally, pulling his cock out of her mouth. "It's clean now."

"Let's head to aunt's room." Xiao Tian was looking forward to having anal sex with her. That was why he wanted to head to his aunt's room immediately.

"Un." Ye Xueyin nodded her head. "But you have to put your cock in my pussy now because my vagina feels empty without your penis."

The corner of his lips twitched after hearing her words. He didn't expect she would say something like that again.

One of the reasons why Ye Xueyin wanted him to put his cock into her pussy again was that she wanted to make him always horny.

She wanted to make him could not live without her body anymore; or more precisely, without her pussy.

She believed that they would get closer if they often had sex. That was why she wanted to make him always horny for her.

After Xiao Tian made her sit on the edge of the table, he immediately placed his penis on her vagina entrance. "I'm going to put it in now."

"Un." Ye Xueyin stared at his cock intently. At this moment, she really wanted to see his cock disappear in her pussy.

Even though her pussy was still wet, but Xiao Tian didn't thrust his cock into her pussy in one go. He knew what she had in mind. That was why he thrust his cock into her vagina slowly.

"Ahhh..." Ye Xueyin wailed in delight when his huge cock slowly spread her vagina into the size of his dick.

After Xiao Tian put all his cock into her pussy, he immediately lifted her body before finally placing his hands on her butt.

Even though he suddenly wanted to fuck her again when he was heading towards his aunt's room, but Xiao Tian was able to hold back his lust.

\*Click...

Because his hands were on her butt, Xiao Tian could not open the door. For this reason, Ye Xueyin was the one who opened the door.

"Qingyu, we decided to have sex in your room. It's fine, right?" Ye Xueyin went straight to the point.

"It's fine." Ye Qingyu was okay if they wanted to have sex in her room because it was not the first time for them to have sex in her room.

At this moment, Ye Qingyu's eyes were focused on Ye Xueyin's butt.

'As I thought, his cock is in her vagina.'

Ye Qingyu was not surprised when she found out that Xiao Tian's cock was in Ye Xueyin's vagina. Xiao Tian and Ye Xueyin loved sex so much, so it was normal for them to do that.

"Qingyu, hurry up and take off your clothes so that you can join us immediately. We are going to have sex again now." Ye Xueyin suddenly wanted to have a threesome.

They had a threesome several times in the past, and it helped them get closer than ever. That was why she wanted her younger sister to join them too.

"All right." Actually, Ye Qingyu was pleased when Xiao Tian entered her room because she desired to have sex with him immediately after hearing their moans earlier.

Even though Xiao Tian had guessed that his aunt would allow them to have sex in her room, but after hearing her words, he could not help but smile happily.

Currently, Xiao Tian was standing in front of Ye Qingyu. Of course, he was still carrying his mother. Because he wanted to see his aunt take off her clothes, he didn't move from his place.

His eyes were focused on his aunt. Even though he had seen her naked body many times, but at that moment, Xiao Tian hoped that his aunt would immediately take off her clothes so that he could see her perfect body.

Ye Qingyu stopped taking off her clothes when she noticed Xiao Tian staring at her intently. "Please don't look at me now."

"Why?" Xiao Tian inquired. "I have seen your naked body many times and I will also be able to see your naked body again later, so why can't I look at you?"

Actually, the reason Xiao Tian stared at her intently was that his aunt looked so hot when she was taking off her clothes. Of course, he would not let the chance to see his aunt take off her clothes slip by.

Because Ye Qingyu knew that Xiao Tian would not listen to her words, she had no choice but to take off her clothes in front of him.

When Ye Xueyin noticed her son staring at her younger sister, she immediately asked, "Tian, is Qingyu beautiful?"

"Beautiful." Xiao Tian answered instantly without looking at his mother.

"What about me?" Ye Xueyin asked again.

Xiao Tian shifted his gaze from his aunt to his mother and smiled softly. "You are also pretty."

"Hehehe." Ye Xueyin giggled.

"Ohhhh.." When Ye Xueyin was giggling, her pussy suddenly squeezed his cock tighter. This made Xiao Tian groan and desire to fuck her again. For this reason, Xiao Tian moved his waist forward and backwards.

"Ahh...Ah....Ah..." Ye Xueyin cried out seductively when Xiao Tian thrust his cock again.

Ye Qingyu, who had taken off her clothes, stared at them intently. The flame of lust within her grew bigger after hearing Ye Xueyin's moans.

Not only that, but her pussy also became wetter. She really wanted him to fuck her too. However, she said nothing and only looked at them.

"Ahhh....Ah...Ah..." a fascinating expression blossomed on Ye Xueyin's face.

"Ooohh...." Xiao Tian had no idea as to why her pussy suddenly became much tighter than before.

When he wanted to say something to her, Xiao Tian, who saw her lewd expression and heard her seductive moans, decided to say nothing and immediately kissed her pretty lips.

As Xiao Tian and Ye Xueyin were kissing passionately, Ye Qingyu, who saw them, bit her lower lip. Even though she had seen her nephew and big sister have sex in front of her several times, but it never failed to arouse her. She slowly moved her right hand to her vagina and began rubbing her clitoris.

"Hmmm..." Ye Qingyu tried her best not to moan but failed.

Xiao Tian, who noticed that his aunt was pleasuring herself, could not help but laugh in his head.

'Good. Keep pleasuring yourself. Don't worry. I will reward you later.'

In order to make Ye Qingyu hornier, Xiao Tian broke the kiss and placed his mother next to his aunt.

At this moment, Ye Xueyin knew that he wanted to fuck her ass. After Xiao Tian was behind her, Ye Xueyin raised her ass as high as possible.

Without waiting for another second, she grabbed her ass cheeks and spread it as wide as possible. "Tian, you can fuck my ass now."

'What?!'

Ye Qingyu shouted in her head.

**Chapter 519 - Don't Worry. Just Relax**

7-8 minutes

---

Ye Qingyu found it hard to believe what she was hearing. All this time, they only had normal sex. They had never had anal sex. That was why Ye Xueyin's words much surprised her.

Even though Xiao Tian had played with their ass holes, none of them ever said they wanted to have anal sex.

'Is she the one who wants anal sex?'

Ye Qingyu didn't say anything and only stared at her big sister before turning her gaze to her nephew.

Of course, she didn't mind it if they wanted to have anal sex. She wasn't the woman who found anal sex disgusting either.

Because Ye Xueyin was ready to have anal sex, Xiao Tian took her love juices from her vagina and placed it on her butt hole.

In order to make her ass hole relax, Xiao Tian inserted his left middle finger into her butt hole and slowly stirred it up.

"Hmmm..." Ye Xueyin cried out seductively when Xiao Tian was playing with her butt hole.

When Xiao Tian thought she was ready to have anal sex, he pulled his middle finger out of her ass hole and immediately positioned himself.

However, when he was about to thrust his cock into her ass hole, Ye Xueyin immediately spoke, "Tian, please be gentle. I never have anal sex before."

"Don't worry. Just relax." Because it would be the first time for her to have anal sex, Xiao Tian thrust his cock into her ass hole slowly. He wanted to make sure that she would not feel pain later or at least lessen the pain.

At this moment, Ye Qingyu unconsciously opened her mouth. Her nephew and her big sister were about to have anal sex in front of her. Not only that, but the distance between them was only a meter.

"Hiiii.." Ye Xueyin cried out in pain when Xiao Tian thrust his cock deeper into her ass hole.

When Xiao Tian noticed it, he stopped and asked, "Just relax. Loosen up your butt hole. It will reduce the pain."

"Un." Ye Xueyin grabbed a pillow and buried her face on it.

Xiao Tian could not help but smile when he saw what his mother was doing. Because he wanted to help her relax, he stopped thrusting his cock into her ass hole and played with her clitoris and pussy.

"Ahh...Ah....Ah..." Ye Xueyin didn't expect that Xiao Tian would play with her clitoris and pussy.

Earlier, she had prepared herself to endure the pain because she thought Xiao Tian would thrust his cock even deeper into her ass hole.

Xiao Tian then lowered his upper body so that he could kiss her back. Xiao Tian played with her pussy and kissed her back for several seconds before finally he thrust his cock deeper into her ass hole again when he noticed that she had loosened up her ass hole.

Even though Ye Xueyin still felt pain, but it was not as painful as before. And what Xiao Tian did to her indeed helped her reduce the pain.

Xiao Tian slowly thrust his cock deeper into her butt hole until finally, all his cock was already in her ass hole.

Xiao Tian didn't immediately move his waist because he wanted her to get used to it first. He waited patiently until she was ready for him to move his waist.

"Does it hurt, big sister?" Ye Qingyu inquired.

Ye Xueyin looked at Ye Qingyu and answered. "A little."

At first, Ye Qingyu had intended to try anal sex with him, but after hearing Ye Xueyin's words, she suddenly felt scared.

Ye Qingyu suddenly remembered her first time. At that time, she felt so much pain. However, she didn't blame Xiao Tian for hurting her because she knew that Xiao Tian also had no idea that she was a virgin.

When Ye Xueyin thought she was ready, she stared at Xiao Tian and spoke, "Tian, you can move now."

"All right." Xiao Tian began to move his waist slowly.

Even though he was thrusting his cock slowly, but Xiao Tian still felt immense pleasure. Maybe because it was her first time having anal sex, so her ass hole was so tight, and her muscles were squeezing his penis wildly.

When Xiao Tian moved his waist faster, seductive moans escaped from Ye Xueyin's little mouth. "Ahh...Ah...Ah...Ah..."

Soon the pain that she felt earlier turned into pleasure. The longer Xiao Tian fucked her ass hole, the faster her moans were.

When Ye Qingyu saw the expression on Ye Xueyin's face, she knew that Ye Xueyin no longer felt pain; instead, she was feeling pleasure.

Ye Qingyu shifted her gaze from her big sister's fascinating expression to Xiao Tian's face. Like Ye Xueyin, Xiao Tian also had a fascinating expression as if having anal sex with Ye Xueyin was his dream since a long time ago.

After looking at her nephew's face for about five seconds, Ye Qingyu's gaze landed on his cock, which was in and out of Ye Xueyin's ass hole.

This made the lust within her grew again. For this reason, she inserted her right middle finger into her vagina and imagined that her finger was Xiao Tian's penis.

Even though she had imagined that her middle finger was Xiao Tian's cock, she still felt dissatisfied because her middle finger was different from his penis, and her middle finger could not give so much pleasure like his cock.

Although Ye Qingyu had put another finger into her pussy, but still, she was not satisfied. She really wanted his cock in her pussy, but she knew that he could not do that because he was fucking her big sister's ass hole.

When Xiao Tian noticed the expression on his aunt's face, he suddenly felt bad for her. Of course, he knew what she had in mind.

However, because Xiao Tian wanted to cum in Ye Xueyin's ass hole, he kept fucking her. "Aunt, lie down next to mother."

Ye Qingyu instantly did what she was told. Because she knew what he wanted to do to her, Ye Qingyu spread her legs widely after lying down next to Ye Xueyin.

"Ah..." Ye Qingyu was startled when Xiao Tian suddenly put two fingers into her vagina.

She thought he would start with one finger, but she was wrong. Of course, she didn't say anything and let him do whatever he wanted.

"Ah...Ah...Ah..." even though Xiao Tian only played with her pussy using two of his fingers, Ye Qingyu felt so much pleasure.

'Why is it so different? Earlier I also played with my pussy using my fingers, but I didn't feel so much pleasure as this. Is it because I love him?'

Earlier, she also put two of her fingers into her vagina, but she didn't feel as much pleasure as when Xiao Tian played with her pussy using his fingers.

"Ah...Ah...Ah..." Ye Qingyu moaned louder when Xiao Tian was playing with her G-spot.

Earlier, her room was only filled with Ye Xueyin's moans, but this time, her room was filled with the moans of her and Ye Xueyin.

"Ah...Ah...Ah...Qingyu, come closer to me." Ye Xueyin spoke as she looked at Ye Qingyu.

Ye Qingyu wasted no time and immediately did what she was told. When their faces were close, they looked at each other's eyes for about three seconds before finally, they opened their mouths and had a passionate kiss.

## **Chapter 520 - Why**

6-7 minutes

---

When Xiao Tian saw Ye Xueyin and Ye Qingyu kissing passionately, he could not help but smile. It had been a long time since he saw them kissing passionately like that.

They looked so hot when they had a deep kiss. It was a rare sight to see sisters having a French kiss. He could only see them having a passionate kiss when they had a threesome.

As Xiao Tian kept thrusting his cock into Ye Xueyin's ass hole, he also moved his middle and index fingers forward and backward into Ye Qingyu's pussy.

When Ye Qingyu and Ye Xueyin stopped the kiss, seductive moans escaped from their mouths. Soon, the room was filled with their moans.

"Ah.....Ah....Ah...." Ye Xueyin cried out faster when Xiao Tian moved his waist faster.

Earlier, she wanted to kiss her younger sister again, but because Xiao Tian moved his waist so fast, she could not do that, and as a result, all she could do was moaning and moaning.

Even though it was her first time having anal sex, but at that moment, she felt so much pleasure. She even started to regret that they didn't have anal sex in the past.

The feeling when his penis was spreading her ass hole muscles was incredible. She could not describe it in words. Even though normal sex felt amazing, but anal sex also felt great.

She even had no idea which one she loved the most. In her view, both normal sex and anal sex were amazing.

She believed that she would get addicted if they kept having anal sex. "Ah...Ah...Ah...Ah..."

Because currently, Ye Xueyin's head was on the pillow, the pillow was wet from her saliva. Because she could not close her mouth when Xiao Tian was fucking her ass hole, her saliva kept dripping down from the corner of her mouth. As usual, she didn't care about it and kept moaning.

"Ahhh..." Ye Qingyu moaned louder when Xiao Tian suddenly rubbed her clitoris.

Not only did he play with her clitoris, but he also touched her G-spot. His actions made her body hot.

However, she wanted to feel more. She desired more pleasure. Because she knew that Xiao Tian could not play with her breasts, Ye Qingyu moved her hands and squeezed her breasts.

As Xiao Tian was pleasuring both Ye Xueyin and Ye Qingyu, Ye Xueyin, who was moaning non-stop, finally reached her limit.

With a weak voice, she spoke, "Cumming...Cummingg... I'm... cummingg..."

Xiao Tian instantly stopped moving his waist when Ye Xueyin's body suddenly quivered.

Because Xiao Tian didn't hold her waist and her body also had turned so weak, Ye Xueyin's ass, which she raised high since earlier, dropped to Xiao Tian's left side, causing his cock to come out of her ass hole.

At first, Xiao Tian wanted to raise Ye Xueyin's ass and have anal sex with her again, but he suddenly changed his mind when he saw Ye Qingyu.

Since earlier, he kept fucking Ye Xueyin, so he thought it was time to have sex with Ye Qingyu. For this reason, Xiao Tian moved to his aunt and placed his cock on her vagina entrance.

However, when Xiao Tian was about to thrust his cock into her pussy, Ye Qingyu stopped him. "Tian, wait!"

"What's wrong?" Xiao Tian had no idea why Ye Qingyu suddenly stopped him.

He knew that she was horny and desired to have sex with him, but when he was about to fuck her, she suddenly stopped him.

"Earlier you..." Ye Qingyu wanted to tell him that he just had anal sex with Ye Xueyin, so in her view, his cock was dirty.

She didn't want him to put his cock into her pussy after having anal sex with Ye Xueyin because she was afraid that it could be bad for her later.

"What is it?" at this moment, Xiao Tian still had no idea what she had in mind.

He really wanted to know why she stopped him from thrusting his cock into her vagina because he was sure that she also desired to have sex with him.

"It's...." like before, Ye Qingyu didn't finish her words.

She was afraid that her nephew would misunderstand her words later. That was why she still didn't finish her words.

Xiao Tian suddenly realized that he just had anal sex with Ye Xueyin, so he began to understand why his aunt suddenly stopped him from thrusting his cock into her pussy.

"I see. So how about we have anal sex now?" because he could not put his cock in her vagina, Xiao Tian suggested them to have anal sex. With that, she didn't need to worry about the cleanliness of her pussy.

Ye Qingyu didn't answer immediately and only stared at him in the eyes. Actually, she had guessed that he would ask that.

"Can we do that next time? I need to clean my ass hole first if you want to have anal sex with me." It was not like she didn't want to have anal sex with him, but she needed to clean her ass hole first.

She didn't want something unexpected to happen to them when they were having anal sex. That was why she said something like that.

"Promise?" Xiao Tian replied.

"Promise." Ye Qingyu answered as she nodded her head.

"All right." Even though he could not have anal sex with his aunt, but he was pleased because she promised that they would have anal sex in the future. "So, you want me to clean my cock first before having sex with you, right?"

"Yes." Even though she desired to have sex with him as quickly as possible, but he had to clean his cock first before having sex with her.

Although it was troublesome, Xiao Tian decided to grant her wishes. For the sake of having sex with her, Xiao Tian would do anything for her.

"Wait here." When Xiao Tian was about to head to the bathroom, he suddenly found a good idea. "How about we go to the bathroom together?"

"Why?" Ye Qingyu had no idea why Xiao Tian wanted to go to the restroom with her.

Xiao Tian brought his face closer towards hers and whispered, "Because I want you to help me clean my cook later."
