

## Illicit 521

### Chapter 521 - It's A Normal Reaction

His words much surprised her. She knew that she was the one who asked him to clean his cock, but she didn't expect him to say something like that. "What?"

"Help me clean my cock." Xiao Tian repeated his words.

Because Ye Qingyu was his lover and she had sucked or licked his cock before, he didn't feel shy when he said something like that.

At this moment, Ye Qingyu was at a loss for words. She didn't know what to say to him anymore.

"Mother can't help me do that because her body is so weak right now." Xiao Tian looked at his mother before returning his attention to his aunt. "So, you are the only one who can help me clean my cock."

Ye Qingyu really had no idea why her nephew became more and more pervert every day. "Sigh. You can clean your co- kya."

Before she had finished her words, Xiao Tian carried her in princess style and walked to the bathroom.

"Sigh.." Ye Qingyu stared at him for about three seconds before she sighed again.

At this moment, she knew whatever she said, he would still make her clean his cock later.

"What?! Are you so happy to be able to clean my cock later?" even though Xiao Tian knew that she had a helpless expression, but at that time, Xiao Tian pretended as if she had a happy expression.

Ye Qingyu rolled her eyes after hearing his words.

'How could you be so shameless like this?'

Sometimes, Ye Qingyu's missed her nephew's previous personality. He was so cute in the past. Now, not only did he not feel shy when he asked her to do something lewd, but he even teased her all the time.

After they stepped into the bathroom, he immediately put her down and grabbed a small stool. After placing it near the bathtub, Xiao Tian sat on it and smiled, "Hurry up and help me clean my cock."

Xiao Tian was really looking forward to it. Not only would it be her first time to clean his cock, but there was a high possibility that they would have sex in the bathroom later.

At this moment, Ye Qingyu still didn't do anything and only stared at him. She sighed again when she saw the smile on his face.

'It seems like he really wants me to clean his cock.'

Because her lover wanted her to clean his cock, she had no choice but to do that.

The smile on his face grew bigger when Ye Qingyu took the showerhead and began showering his penis. Xiao Tian was thrilled because it had been a long time since a woman cleaned his penis again.

Xiao Tian stroked her hair and spoke, "You are indeed an ideal lover. Not only are you beautiful, but you are also so kind to me."

"I'm sure you said something like that because I'm cleaning your cock, right?" After saying that, Ye Xueyin dispensed a generous amount of liquid soap into her palm and began cleaning his cock.

Currently, Xiao Tian's cock was only half soft. However, it only lasted for about ten seconds before finally, his cock slowly got erect.

At first, Ye Qingyu felt nothing when she was cleaning his penis, but the longer she cleaned his cock, the flame of lust within her appeared again.

Her mind went dirty, and she could not take her eyes off his cock. Not only that, but the way she cleaned his cock became lewder as if she was giving him a handjob.

\*Gulp...

When Xiao Tian's cock was fully erect, she could not help gulping her saliva.

She was cleaning his amazing cock. The cock which always made her mind on cloud nine every time they had sex. The cock that took her first time.

The cock which never failed to make her have an orgasm every time they had sex and the cock that would also take her anal virginity in the future.

His lips curled into a grin when Xiao Tian noticed her staring at his cock intently. Of course, he knew that her body was starting to feel hot.

'It seems like everything will go according to my plan.'

In order to make her hornier, Xiao Tian made his cock throb.

Ye Qingyu stopped cleaning his cock when she felt his cock throbbing. She raised her head slightly to look at him.

She only stared at him for about three seconds before finally, she returned her attention to his cock and cleaned his penis again.

"Oohhh..." Xiao Tian groaned when Ye Qingyu suddenly cleaned the tip of his cock.

Because she was cleaning the sensitive part of his cock, his shaft hardened and pulsed reflexively.

"Can you not make your cock throb?" when she said that, her gaze never left his cock as if it was her first time seeing a real cock.

"I can't help it because it's a normal reaction." Xiao Tian replied. "My beautiful lover is the one who cleans my penis. Not only that, but you are cleaning the most sensitive part of my cock right now, so it's normal if my cock suddenly throbbed. Instead of asking me not to throb my cock, you should be happy that my cock is still reacting to your touch because that means, you are still attractive to me."

Ye Qingyu didn't reply because what he just said made sense. After cleaning his cock for several seconds, she took the showerhead and showered it again.

She could not help but gulp her saliva again when his penis was already clean. Earlier, when his cock was still covered in soap, his penis managed to make her body feel hot. Now that she could see his cock clearly, his cock was making her even hornier.

She really could not control her lust when she saw his huge erect cock. Coupled with his beautiful pink glans clearly visible before her eyes, made his cock look so delicious to her eyes.

This made Ye Qingyu keep staring at his cock, and she unconsciously grabbed his cock again.

Of course, Xiao Tian let her do whatever she wanted.

'It seems like her body has been consumed by lust.'

Xiao Tian grabbed her chin and pulled her head towards his before finally kissing her cherry lips. As soon as he pressed his lips against hers, he immediately put his tongue into her mouth.

Because the lust within her had almost consumed her body, Ye Qingyu welcomed the kiss by wrapping her tongue with his lewdly.

At this moment, she was still grabbing his cock as if she always wanted to feel his huge cock. When their kiss was getting lewder, she unconsciously stroked his cock with her right hand.

This made Xiao Tian almost groan. At first, Xiao Tian only kissed her lewdly, but because she was giving him a handjob, he ran his right hand to her breasts and began to squeeze it.

Ye Qingyu moved her right hand up and down faster when Xiao Tian was squeezing her left breast.

None of them wanted to stop the kiss, and they also moved their heads to the left and right to make it more pleasurable for both of them.

Because it was a bit difficult to kiss her passionately in that position, Xiao Tian grabbed her butt and made her sit on his lap without stopping the kiss.

## **Chapter 522 - I Will Treat Both You And Mother Better From Now On**

7-8 minutes

---

Actually, Xiao Tian wanted to keep squeezing her breasts, but he suddenly desired to play with her vagina.

For this reason, Xiao Tian stopped squeezing her breasts and moved his right hand to her pussy.

"Hmmm.." even though she knew that he would play with her vagina, but Ye Qingyu was still surprised and widened her eyes for a second when Xiao Tian suddenly rubbed her pussy lips.

Currently, Ye Qingyu was sitting on his lap, near his knees. Because Xiao Tian didn't close his legs together, her pussy was between his legs.

This made it easier for Xiao Tian to play with her pussy, so he kept playing with her vagina while also kissing her passionately.

"Ahhh...." Ye Qingyu broke the kiss when Xiao Tian suddenly put his middle finger into her vagina.

Not only did she stop the kiss, but she also stopped giving him a handjob. Even though she didn't stroke his cock again, but she was still holding his penis.

"Ah...Ah...Ah..." A fascinating expression blossomed on her face when Xiao Tian thrust his middle finger into her pussy faster.

When Xiao Tian saw her expression, he could not help but move his middle finger faster and faster. Her expression really made him want to mess up her pussy.

Even though it was not the first time he saw her fascinating expression, but her expression never failed to make him hornier.

Due to this, his cock throbbed again and the desire to put his dick in her pussy suddenly grew bigger.

For this reason, Xiao Tian pulled his middle finger out of her pussy and looked at her in the eyes.

Even though Xiao Tian didn't say a word, Ye Qingyu understood what he had in mind. Without waiting for another second, Ye Qingyu positioned her vagina above his cock.

"Ahh..." Ye Qingyu cried out in delight when Xiao Tian's cock slowly entered her pussy.

As soon as his cock was inside her pussy, Xiao Tian grabbed her butt because he really wanted to fuck her vagina.

However, when he was about to move her body up and down, Ye Qingyu immediately spoke, "Tian, wait! Let us stay like this first."

It had been several days since she could feel the warmth of his body with his cock deep inside her pussy. That was why she embraced him and placed his head on her chest.

"All right." Even though Xiao Tian desired to fuck her as soon as possible, but he decided to grant her wish.

It was not a bad idea to stay in that position because he could smell her fragrance. Not only was he able to feel the warmth of her body, but he was still able to feel pleasure because her pussy muscles were squeezing his cock wildly.

"Tian, do you love your aunt?" Ye Qingyu inquired.

Her words much surprised him. He had no idea as to why she suddenly asked him whether he loved her or not.

"Of course, I do. I do love you, aunt." After saying that, he wrapped his arms around her waist and embraced her gently. "Why are you asking this question?"

"Because your behavior towards me has changed." Ye Qingyu answered instantly. "Not only to me, but to big sister too."

Xiao Tian raised his head to look at her face. "It's just your feelings."

"No. I'm sure of it." Ye Qingyu shook her head. "Big sister also thinks so."

Xiao Tian wanted to tell her that they were the reason why his behavior towards them had changed. However, he knew that it was not a good idea.

"Can we go back to the way we used before?" Ye Qingyu really wanted their relationship back to how it was before.

Even though she was happy with their current relationship, but it was not as good as their previous relationship.

"Don't worry. I will treat both you and mother better from now on." Xiao Tian replied. "Can we start now?"

"Un." Ye Qingyu placed her hands on his shoulders so that it would be easier for her to move later.

Because she agreed, Xiao Tian wasted no time and immediately placed his hands on her butt before finally, he lifted her body up and down.

"Ah...Ah...Ah..." Ye Qingyu's small mouth opened, letting out a seductive moan.

Because her pussy was wet, the sound of their illicit activities could be heard in their ears. Soon, the washroom was filled with her moans. Of course, they didn't show the slightest concern for it and only enjoyed their forbidden activities.

Xiao Tian moved her body up and down for several seconds before finally, he stopped. The sight of her beautiful breasts bouncing before his eyes, made him desire to play with it. It was as if her breasts were asking for attention.

As Xiao Tian was playing with her breasts, Ye Qingyu grinded her waist backward and forward.

"Ah...Ah...Ah..."

Ye Qingyu half-closed her eyes and tilted her head back when Xiao Tian suddenly bit her right nipple.

After Xiao Tian bit her nipples, she looked at him in the eyes as if she was telling him to kiss her lips.

Xiao Tian wasted no time and kissed her lips. Soon they had a deep kiss again.

After Xiao Tian broke the kiss, Ye Qingyu spoke, "Tian, let's change position."

"Sure." Xiao Tian was pleased after hearing her words because usually, he was the one who always suggested changing positions. "But what kind of position do you want?"

"Can you lie on the floor?" Ye Qingyu replied. "I want to be on top right now."

"As you wish my lady." Xiao Tian instantly laid down on the floor. Of course, he didn't take his cock out of her pussy because he wanted them to stay connected.

Ye Qingyu then placed her hands on his chest and began moving her body up and down again.

"Ah...Ah...Ah.."

At this moment, Xiao Tian did nothing and only enjoyed the sensation of his cock being wrapped by her tight pussy.

When Xiao Tian was looking at her breasts, which were bouncing up and down, Ye Qingyu suddenly lowered her upper body and kissed him again.

It was as if she got addicted to kissing him and wanted to kiss him forever. Of course, she didn't stop moving her waist.

However, it only lasted for several seconds before finally, she stopped moving her waist.

After she was satisfied kissing him, Ye Qingyu lifted her upper body again. At first, she wanted to move her hips up and down again but decided to change her mind.

Without telling him, Ye Qingyu turned around, causing her back to face Xiao Tian. She immediately moved her hips up and down again after placing her hands on his legs.

When Xiao Tian saw her sexy ass hitting his waist repeatedly, the desire to fuck her fast suddenly appeared in his mind. For this reason, he grabbed her hips and sat up.

Because Ye Qingyu knew that he wanted to fuck her from behind, she removed her hands from his legs and positioned herself.

"Ahh...Ah...Ah...Ah..." multiple moans escaped from her mouth when Xiao Tian thrust his cock fast.

Because his cock kept hitting her womb, her hands could no longer support her, causing her head to fall to the floor.

However, Xiao Tian didn't care about it; instead, he moved his waist faster and faster.

Because the pleasure he gave was too great, Ye Qingyu immediately reached her limit. "Cumming...Cumming...!m cumming..."

### **Chapter 523 - Wow!**

7-8 minutes

---

Currently, Ye Qingyu was unable to move her body. Her body was so weak because earlier, she had a massive orgasm.

Even though she could not move her body, but a fascinating expression blossomed on her face. It was as if she just experienced the greatest pleasure.

While Xiao Tian, on the flip side, did nothing and only stared at her. Because she had an orgasm earlier, he stopped moving his waist to let orgasm.

Of course, he didn't pull his cock out of her pussy because he intended to continue having sex with her. It had been several days since they had sex again.

That was why he wanted to keep fucking her and let out his sperm in her tight pussy.

When Xiao Tian noticed that her body was no longer quivered, he wasted no time and immediately thrust his cock again.

"Ahh...Ah...Ah..." because her body was still weak, Ye Qingyu could only moan.

She knew that Xiao Tian would continue fucking her after she finished having an orgasm. That was why she was not surprised by his actions.

Even though her body was still sensitive and weak, she didn't tell him to stop. As long as she could satisfy him, she would let him do whatever he wanted with her body.

Seconds turned into minutes, and without realizing it, they had been fucking for several minutes since she had her first orgasm.

However, there was no sign of him reaching his limit; instead, she was the one who almost had an orgasm again.

Because her body was still sensitive and weak, coupled with his cock hitting her womb every time he moved his waist, Ye Qingyu finally reached her limit.

"Cumming...Cumming... I'm cumming..." since she had no more strength, she could only say it in her mind.

\*Splash.....

Once again, she had a massive orgasm to the point the floor was wet because of it.

"Oh you have a massive orgasm again?" Like before, Xiao Tian stopped thrusting his cock when she was having an orgasm.

"Yes." Even though she managed to answer him, but her voice was tiny. Even Xiao Tian almost could not hear it.

Because he wanted to see her face, Xiao Tian turned her body, making her lie on her back.

When Xiao Tian saw the expression on her face, he could not help but feel proud. If anyone saw her expression, they would immediately know that she just experienced great pleasure.

'Look at her face! I'm sure anyone would have gone crazy if they knew the person who just gave her so much pleasure was none other than her nephew.'

Even though saliva kept dripping down from the corner of her mouth, Xiao Tian didn't feel disgusted; instead, she looked so delicious to his eyes. For this reason, he lowered his body and kissed her lips.

Ye Qingyu instantly wrapped her long slender arms around his back when Xiao Tian suddenly kissed her. Even though she could not move her body, but she was still able to move her tongue.

As Xiao Tian was kissing her, he began to move his waist again. He didn't want to waste time because every second was important.

At this moment, Ye Qingyu's mind was already on cloud nine. She really loved having sex with him because he had never failed to make her feel immense pleasure.

Not long after that, Xiao Tian finally reached his limit. However, he didn't stop the kiss and kept fucking her tight pussy.

"Cumming..." Xiao Tian shouted in his mind.

Because he wanted to fill up her pussy with his sperm, he didn't take his cock out of her pussy when he was having an orgasm.

He knew that his aunt would allow him to cum inside her. That was why he didn't ask for her permission and immediately let out his white sperm deep in her vagina.

After letting out all his sperm deep in her pussy, Xiao Tian pulled his cock out of her vagina and sat next to her.

It was not like he didn't want to continue having sex with her, but he wanted to see his sperm in her pussy.

"Huft...huft...Huft..." Ye Qingyu did nothing when Xiao Tian was spreading her vagina using his fingers. "How is it? Was it great?"

"It was amazing." Xiao Tian replied. "Is today your safe day?"

"Don't worry. I will take birth control pill later." Because Xiao Tian always let out his sperm inside her vagina, Ye Qingyu bought a lot of birth control pills.

Not only her, but her big sister also bought a lot of birth control pills. When they learned that they would have sex with him again, they immediately bought many birth control pills earlier.

They knew it was not one hundred percent safe, but at least, it could reduce her worries from pregnancy.

When Xiao Tian heard her words, he immediately made her sit on the floor with her back leaning against the bathtub.

Because she helped him clean his cock earlier, Xiao Tian wanted to do the same. Without telling her, he grabbed the showerhead and began cleaning her vagina.

Even though his actions much surprised her, Ye Qingyu did nothing. Her body was still weak, so she was happy when Xiao Tian wanted to clean her pussy.

"Hmmm..." Ye Qingyu could not help but cry out in delight when Xiao Tian was cleaning her pussy because when he was doing that, he put his middle finger into her vagina.

When he saw his white sperm coming out of her pussy, he immediately spoke, "Wow! I let out a lot of sperm in your pussy earlier."

"Yes. I can feel it too." Ye Qingyu slowly regained her strength. Because she also wanted to see his sperm in her pussy, she lowered her head. "You cummed a lot."

Xiao Tian kissed her lips before answering. "It's because your pussy feels amazing."

"I'm glad my pussy can satisfy you." Ye Qingyu replied as she smiled. "It's already clean. You can stop now."

Xiao Tian stopped cleaning her pussy and spoke, "Let's head to your room now."

"Un." Ye Qingyu nodded her head

When Ye Qingyu was about to get up, Xiao Tian immediately carried her in a princess style.

This made Ye Qingyu wrap her right arm around his neck and smile softly. Even though she could walk to her room, but she preferred to be carried by him.

When they stepped into her room, they saw Ye Xueyin lying down on the bed. "Did you enjoy having sex in bathroom?"

Earlier, she could hear Ye Qingyu's moan. That was why she knew that Xiao Tian and Ye Qingyu had sex in the washroom.

"Yes." Xiao Tian gave an honest answer.

"Then, let's have sex again now." Ye Xueyin spoke. "Let's have a threesome again."

She wanted to have a lot of sex with Xiao Tian. That was why she said something like that.

"Sure." Xiao Tian replied before looking at his aunt. "You agree too, right?"

"Un." Even though Ye Qingyu wanted to take a rest for several minutes before having sex with him again, but because they wanted to have a threesome, she decided to agree.

"Good." Xiao Tian replied.

Then they had a threesome again. They had sex for more than an hour before finally, they stopped.

## **Chapter 524 - Please Understand My Position Here**

7-8 minutes

---

"It was great." Xiao Tian spoke with a happy expression on his face. "I really love having a threesome."

Currently, they were lying down on the bed, naked. As usual, he was lying down between Ye Qingyu and Ye Xueyin. Ye Qingyu was on his left side while Ye Xueyin was on the other side.

"Of course you like it because with having a threesome, you can fuck two women at the same time." Ye Qingyu also loved having a threesome.

Not only could she feel pleasure, but their relationship could also get closer by having a threesome.

"I love having a threesome too." Ye Xueyin spoke before embracing Xiao Tian's right arms. "Let's do threesomes often in the future."

"Sure." Xiao Tian replied instantly

'Not only will I have a threesome, but I will also have an orgy in the future.'

Xiao Tian could not help but smile happily when he knew there was a high chance that he could have an orgy in the future.

"Aunt, mother, how about we have a small party tomorrow afternoon?" Xiao Tian changed the topic.

"Sure. Mother loves party." Ye Xueyin answered cheerfully.

In the past, they often had a small party in the backyard, and they also had a good time every time they did that. That was why Ye Xueyin was thrilled when Xiao Tian wanted to have a small party again.

"Why do you suddenly want to have a small party?" Ye Qingyu asked curiously.

"Well, it has been a long time since we have a small party, right?" Xiao Tian replied.

"Sure. Let's have a small party tomorrow." Ye Qingyu loved to have a small party with her big sister and nephew because it could make their relationship closer than before.

"Perfect! Let's have a small party in the backyard tomorrow." Xiao Tian smiled happily when they agreed to have a small party. "Oh right. How about we invite a few people this time? It will be more fun later. the more the merrier, right?"

Upon hearing his words, Ye Xueyin and Ye Qingyu didn't answer immediately and stared at each other. They suddenly had the feeling that Xiao Tian wanted to bring his other women to their party later.

It was not like they didn't want to have a party with his other women, but they only wanted to have a party with him. However, they knew that Xiao Tian would be disappointed with them if they said that.

"Do you want to invite your other girlfriends too?" Ye Qingyu decided to ask to confirm whether her guess was correct or not.

"Yes." Xiao Tian gave an honest answer.

Ye Qingyu and Ye Xueyin instantly lowered their heads.

Xiao Tian could only sigh when he saw his mother and aunt. "Don't be like this. They are also my women. I know this is hard for both of you, but why don't you give it a try. Maybe you two will like them later."

After being silent for a few seconds, Ye Xueyin and Ye Qingyu replied in unison. "All right."

Xiao Tian embraced them and spoke, "You two should remember that all of you are my women so of course, I want to make my women happy. Please understand my position here."

"Un." It was not like Ye Qingyu and Ye Xueyin didn't want to meet Shi Fei and Liu Ning, but it was too sudden. They were still not ready to see Xiao Tian lovey-dovey with his other women.

Xiao Tian kissed their foreheads and spoke, "My love for you two is not fake, but my love for them is also real. I really hope we can get along well in the future."

"We understand." Ye Qingyu and Ye Xueyin spoke in unison.

"I will treat you two better from now on." Even though Xiao Tian had said the same thing to his aunt earlier, but he repeated his words because he wanted his mother to know that he would treat her better later.

"Promise?" Ye Xueyin looked at him in the eyes.

"Promise." Xiao Tian replied as he nodded his head.

"I will try my best to get along with your other women later." because Xiao Tian had promised to treat her better from now on, Ye Xueyin wanted to make him happier too. That was why she would try her best to get along with his other women later.

Xiao Tian then turned his head towards his aunt and asked, "What about you, aunt?"

"Me too." Ye Qingyu replied. "I will do that too."

Xiao Tian was delighted after hearing their words. Even though he had no idea whether they could get along or not, but at least, they would try it later.

As long as they had the will to do that, Xiao Tian was sure that his women could get along later.

After that, they talked for about two hours before finally, they fell asleep.

-----

The following morning, Ye Qingyu and Ye Xueyin immediately headed to the kitchen after waking up.

At 05:55 am, Xiao Tian woke up. The corner of his lips twitched when he realized that his aunt and mother were not beside him.

However, when he heard a noise in the kitchen, he knew that his mother and aunt were cooking breakfast.

For this reason, he immediately headed to the kitchen. Even though he was still naked, he didn't care about it.

His face broke into a soft smile when he saw his mother and aunt in the kitchen. Without waiting for another second, Xiao Tian walked towards his mother and kissed her left cheek. "Good morning, mother."

Ye Xueyin, who was cutting a carrot, stopped what she was doing and kissed his cheeks too.

"Good morning, Tian." She spoke with a happy expression on her face.

She loved it when Xiao Tian kissed her in the morning after saying 'good morning' to her.

After that, Xiao Tian walked towards his aunt and kissed her cheeks too. "Good morning, aunt."

"Good morning." Ye Qingyu didn't kiss him back because she was cooking soup.

Even though Xiao Tian hoped that she would kiss him back, he didn't mind it when she didn't do that because he knew that she was busy cooking breakfast.

Xiao Tian then stood behind her and embraced her from behind. "It looks delicious."

Even though Ye Qingyu was pleased when he was hugging her from behind, she didn't show it on her face and behaved normally. "Why don't you take a bath now? Today, you will go to work, right? Breakfast will be ready when you finish your shower."

Because he didn't want to disturb them, Xiao Tian agreed. "All right."

After saying that, Xiao Tian kissed her lips before walking to the bathroom. Just like what Ye Qingyu said, when he finished taking a shower, breakfast was ready. Then they had breakfast together before Xiao Tian finally traveled to Star Clothes company.

To his surprise, when he almost reached his office, he saw Shi Fei standing in front of his office. "Fei, what are you doing?"

Shi Fei turned her head toward him and replied. "I just finished putting the documents on your desk."

"Oh! Let's come in." Xiao Tian spoke.

Then Xiao Tian and Shi Fei entered his office. The corner of his lips twitched when he saw a mountain of papers on his desk. Because there were so many documents on his desk, he almost could not see his office chair.

## **Chapter 525 - Sweet Moment With Shi Fei**

6-8 minutes

---

Xiao Tian knew that he didn't come to Star Clothes company headquarters for more than a week. However, he didn't expect that his work would be so much more than he thought. "This is..."

"Your work." Shi Fei replied instantly. "And please finish it in three days because we need those documents as quickly as possible."

'What?! Do you want me to die from exhaustion? Why don't you kill me directly now?'

When Xiao Tian remembered that he had another company, he suddenly had a cold sweat. He was sure that he also had a lot of work at Eternal Beautiful company. However, Xiao Tian didn't complain and only sighed.

Because his company was growing again, it was normal for his work to become much more. He was even happy because, with this, he was one step closer to his predecessor's dream.

After sitting on the couch, Xiao Tian asked, "How is the company?"

Because he didn't come to the company for more than a week, Xiao Tian had no idea about his company's developments.

"The company is doing very well." Shi Fei replied after sitting on his right side. "We managed to sell a lot of clothes. The clothes that were once less popular are now selling well."

"It seems like promoting you as a director is not a wrong decision." Xiao Tian was thrilled when he knew that his company was doing very well.

"Hehe. I will do my best to make the company grow bigger in the future." Shi Fei was delighted after hearing his words.

In order to make him happy, she always tried her best to make the company grow every day. Sometimes, she even checked the development of the stores herself because she wanted to make sure that everything was going well.

"As expected of my lover. Not only are you sexy, but you are also clever." Xiao Tian indeed felt lucky to have Shi Fei as his lover because she never caused trouble for him and always helped him.

Since he built his company, she had helped him a lot. She always understood him and never asked anything from him. What she wanted all this time was to stay by his side.

Her face broke into a smile when she saw his happy expression. Without giving him a warning, Shi Fei sat on his lap and spoke, "If you think that I did a good job, please reward me. I really want a reward right now."

At that time, they were facing each other, so he could see her happy expression when he praised her. Because Shi Fei said that she wanted a reward, he instantly cupped her face and kissed her lips.

At first, Xiao Tian wanted to stop the kiss after pressing his lips against hers for three seconds. However, when he was about to do that, Shi Fei suddenly tried to put her tongue in his mouth.

Because he didn't want to disappoint her, he welcomed the kiss by opening his mouth and wrapping his tongue with hers.

They had a hot kiss for several seconds before finally, Shi Fei broke the kiss. However, after stopping the kiss, Shi Fei looked at his eyes with a fascinating expression.

Because their faces were closer to each other, they were able to feel their hot breath. This made them feel more aroused.

Actually, Xiao Tian didn't want to do lewd things with her because it was still morning and he had a lot of work to do.

However, her fascinating expression and sexy body made him want to do the opposite. It was as if her body was asking for attention.

Because they hadn't had sex for more than a week, her fascinating expression and sexy body made Xiao Tian could not hold back the lust within him. "Fei, lock the door."

"Alright." Shi Fei wasted no time and immediately locked the door.

Of course, Shi Fei knew the reason why Xiao Tian wanted her to lock the door. Like before, after locking the door, Shi Fei sat on his lap while facing him.

"It seems like my lover is horny. You even locked the door immediately after I asked you to do so." Xiao Tian teased her.

"But weren't you the one who asked me to do that?" Shi Fei replied. "Does this mean you feel aroused too?"

"Of course." Xiao Tian didn't feel shy when he admitted that he was also feeling horny. "My sexy lover is sitting on my lap with a lewd expression. I'm sure any man would feel aroused if they saw your current expression."

"It seems like you've gotten even more perverted since we become lovers." Shi Fei spoke and paused for a second before she continued, "Your ability to hold back your lust gets destroyed more easily. I can easily make you feel aroused now."

"It's because I'm a pervert since the beginning." Xiao Tian admitted that he was a pervert. He also realized that he felt aroused easily when he was with his women. "And you are one of the reasons why I become like this."

"Hehe." Shi Fei giggled after hearing his words. "I'm glad I can make you even more perverted."

At this moment, Shi Fei behaved as if turning him even more pervert was something to be proud of.

"Then you should take responsibility now." After saying that, Xiao Tian unbuttoned her shirt one by one.

When Xiao Tian was unbuttoning her shirt, Shi Fei stared at him while giggling. However, because Xiao Tian was focused on unbuttoning her shirt, he didn't notice it.

At first, Shi Fei thought he would immediately take off her shirt, but she was wrong because Xiao Tian stopped unbuttoning her shirt when there were still two buttons left.

Because Xiao Tian wanted to suck her breasts, he grabbed the yoke of her shirt and dropped her shirt to her hips.

When he saw her sexy purple bra, Xiao Tian immediately spoke, "What is this? Why are you wearing a sexy bra? Don't tell me. You planned to seduce me earlier."

"No. because I want to wear it." At this moment, Shi Fei was telling the truth.

She really had no intention to seduce him. However, the reason why she wore a sexy purple bra was that she didn't want to feel shy when Xiao Tian suddenly wanted to do lewd things with her.

At first, Xiao Tian wanted to lift her bra so that he could suck her breasts easily. However, when he noticed it was a front hook bra, he immediately unhooked her bra. Xiao Tian wasted no time and immediately put her nipples into his mouth.

Like before, when Xiao Tian was licking her nipples, Shi Fei only stared at him. And due to how skilled he was in licking and sucking her left nipple, her nipples were erect in no time.

Not only that, but it also made her even more aroused, causing her to moans. "Hmm...Hmm...."

Her seductive moans made Xiao Tian lick her nipples more lewdly. It had been several days since he could hear her sexy moan. That was why he tried his best to give her more pleasure so that he could hear her seductive moan even more.

"Ah.." Shi Fei cried out when Xiao Tian suddenly bit her right nipple.

## Chapter 526 - Sweet Moment With Shi Fei Part 2

7-8 minutes

---

Even though she knew that he would bite her nipples, she was still surprised when he did that. Of course, she didn't hate it; instead, she loved it so much. She even hoped that he would do the same to her other nipple.

As if Xiao Tian was able to read her mind, he immediately licked her left nipple and bit it. At this moment, Xiao Tian's cock was already erect.

It made him uncomfortable because he was wearing tight trousers. However, he kept licking and sucking her breasts because he wanted to give her more pleasure.

Seconds turned into minutes, and without realizing it, Xiao Tian had been licking and sucking her breasts for several minutes.

However, his office was not filled with her moans because she was biting her index finger while trying her best not to moan.

After giving her a hickey on both of her breasts, Xiao Tian stopped what he was doing and spoke, "Fei, it's your turn to return the favor."

Shi Fei immediately slid from his lap and sat between his legs. Without waiting for another second, Shi Fei unzipped his trousers and pulled out his huge cock.

Shi Fei smiled happily when she saw his huge penis. "Mr. Huge Cock, it has been more than a week since the last time I saw you."

Even though he often heard Shi Fei talking to his cock, Xiao Tian still could not help smiling every time she did that. "You are right. Mr. Huge Cock misses your small mouth so much, so please make him happy now."

"Sure. Hehe." Shi Fei didn't expect Xiao Tian would say something like that. Usually, he never behaved like that every time she talked to his cock. That was why she giggled upon hearing his words.

Shi Fei then opened her little mouth and stuck out her soft pink tongue. Even though she desired to suck his glans immediately, but Shi Fei didn't do that; instead, she licked his lower shaft and made her way up to his glans.

Because it had been several days since she tasted his huge cock again, the flame of lust within her grew bigger the moment she put his glans into her little mouth.

She didn't lick his glans like usual; instead, she put his cock into her mouth as deep as possible because he knew that Xiao Tian loved deep-throating.

And what she had guessed was right because when she put all his cock into her mouth, Xiao Tian tilted his head back and groaned. "Ahh... Fei, you are indeed the best."

Upon hearing his words, Shi Fei wanted to give him even more pleasure. She twirled her soft tongue on his glans several times before finally, she put all his cock deep into her mouth again.

This time, she moved her head forward and backward fast. Even though she often put all his cock into her mouth, but due to how big his cock was, she was still almost gag.

Of course, she tried her best not to gag because she wanted to make Xiao Tian hornier.

When Xiao Tian saw her lewd face as she was giving a blowjob, the desire to fuck her small mouth suddenly appeared in his mind.

Xiao Tian knew that Shi Fei would let him do whatever he wanted. For this reason, he grabbed her head and rose to his feet. He wasted no time and immediately thrust his cock deep into his mouth fast.

Even though his actions much surprised her, Shi Fei did nothing when Xiao Tian was treating her mouth as if her mouth was her pussy. She even squeezed her breasts and pinched her nipples.

"Oghhh.." Xiao Tian felt immense pleasure every time his cock entered her throat, causing him to groan in delight.

He really loved it when he had sex with Shi Fei because every time they had sex, he could behave as wild as he wanted.

Without realizing it, Xiao Tian had been fucking her little mouth for several minutes. However, he showed no sign of stopping until finally, he reached his limit. "I'm cumming....."

Xiao Tian didn't pull his cock out of her mouth, and because his penis was deep in her mouth, his sperm directly reached her throat, skipping her mouth.

What Xiao Tian didn't realize was that Shi Fei also had a small orgasm when he let out his sperm in her throat.

However, because her mouth was full of his huge penis, she could not moan or say anything.

After pulling his cock out of her mouth, Xiao Tian grabbed her waist and made her stand up. "Let me taste your pussy this time."

Without waiting for her answer, Xiao Tian took off her trousers. However, when he was about to remove her panties, he noticed that her underwear was already wet.

"Oh! Your underwear is already wet." Xiao Tian kissed her pussy through her panties before taking it off.

Because Shi Fei knew that Xiao Tian wanted to lick her pussy, she spread her legs as wide as possible so that it would be easier for him to taste her pussy.

"No matter how many times I see your vagina, your pussy always looks so delicious in my eyes." when he saw her beautiful vagina covered in her love juices, Xiao Tian spread her pussy and began enjoying her cunt.

\*Slurp...

Xiao Tian licked her pussy for about three seconds before finally drinking her nectar.

Because it had been more than a week since he tasted it, he found her nectar more delicious than usual.

After drinking her nectar, Xiao Tian looked at her and spoke, "Delicious!"

"Hehe." Shi Fei could not help but giggle after seeing him. "If so, you can drink it more."

"That what I intend to do." After saying that, Xiao Tian licked her pussy and drank her nectar again.

"Hmmm..." Shi Fei bit her lower lip and tilted her head back.

She really missed the feeling where his soft tongue licked her pussy. The feeling when he put his tongue into her vagina hole or the feeling when he bit her clitoris gently. It was the feeling she missed the most since he went to Beijing.

After licking her pussy vertically several times, Xiao Tian put her clitoris into his mouth and began licking it.

He twirled his tongue around it for a few seconds before finally, he bit her clitoris gently. His actions made her moans louder and faster.

Because the pleasure she received was too great, her legs turned weak. For this reason, she grabbed his head to help her keep standing.

As Xiao Tian was licking and sucking her pussy, Shi Fei unconsciously moved her hips forwards and backward as if she wanted him to thrust his tongue into her vagina as deep as possible. "Ah...Ah...Ah.."

\*Gulp...Gulp....Gulp...

The sound of him drinking her nectar could be heard in their ears.

The more he drank her nectar, the hornier he was. For this reason, his cock throbbed repeatedly, and pre-cum dripped down from the tip of his cock like flowing water.

Because he was unable to hold back the lust within him, Xiao Tian stopped what he was doing and took off his trousers.

After sitting on the couch, he immediately spoke, "Come here."

Shi Fei wasted no time and immediately did what she was told. After positioning her wet vagina above his erect cock, she lowered her body. "Ahhh..."

## **Chapter 527 - Do You Need Anything Else?**

8-11 minutes

---

"Ah.." Shi Fei felt her pussy was full when his cock was inside her vagina. "My pussy misses this feeling so much."

"My cock also misses your vagina so much." Maybe because they hadn't had sex for more than a week, Xiao Tian felt that her pussy was much tighter than usual.

The way her pussy muscles squeezed his cock was wilder than usual. It was as if her pussy had been waiting for his cock the entire time.

At this moment, none of them moved their bodies. They still wanted to enjoy the sensation of their bodies being connected.

Xiao Tian put his right middle and index fingers in front of her face and spoke, "Lick it."

Because Xiao Tian wanted her to lick his fingers, Shi Fei immediately did what she was told. She opened her small mouth and put his middle and index fingers into her wet mouth.

Shi Fei skillfully licked his fingers and treated it as if his middle and index fingers were the most delicious candy in the world.

At first, Xiao Tian only stared at her face when she was licking and sucking his fingers. However, her lewd expression made him want to do something more to her.

For this reason, Xiao Tian played with her breasts and pinched her nipples using his left hand. When he did that, her pussy suddenly squeezed his cock tightly as if her vagina wanted to crush his penis.

This made Xiao Tian desire to fuck her as fast as possible. For this reason, he pulled his fingers out of her mouth and grabbed her hips.

Shi Fei, who knew what Xiao Tian wanted to do, smiled happily. She really wanted him to mess up her pussy and fill up her vagina with his sperm. She even placed her hands on his shoulders so that she could move her body in rhythm with his move later.

However, when Xiao Tian was about to move her body up and down, something unexpected happened.

Someone knocked on his door.

'Fuck!'

Xiao Tian cursed in his head.

It had been several days since the last time he had sex with Shi Fei. But when they were about to have sex again, someone suddenly disturbed them.

Of course, Xiao Tian was annoyed by this, but he didn't show it on his face.

Xiao Tian and Shi Fei, who were ready to enjoy their sweet time together, stopped what they were doing and stared at each other.

However, none of them showed a worried expression because earlier, Shi Fei had locked the door. They only wanted to know who was the person that disturbed their time.

"Sir, I have several documents that require your signature." Lin Xing Xue's voice could be heard from the opposite side of the door.

Earlier, her co-worker said that Xiao Tian was in his office. Because it had been more than ten days since she saw him, Lin Xing Xue, who desired to see him, immediately headed to his office.

Even though she stated, some documents were requiring his signature, but it was only an excuse to meet him.

Because Xiao Tian didn't answer, she knocked on the door again. "Sir, it's me Lin Xing Xue. May I enter your office?"

"What should we do?" Shi Fei inquired.

Shi Fei would do whatever he wanted. If he wanted to continue having sex, she would happily follow his wish.

But if he wanted to stop, she was also fine with it because they could have sex whenever they wanted.

Even though Xiao Tian wanted to continue having sex with her, he decided to stop after thinking for several seconds.

It was not like he wanted to see Lin Xing Xue, but he thought the documents Lin Xing Xue brought were very important.

Shi Fei was his lover. If he suddenly wanted to have sex with her, he could go to her house or bring her somewhere. "Let's stop here."

"All right." Even though Shi Fei was a little disappointed, but she agreed to stop having sex.

"Sir, are you there?" Lin Xing Xue asked again.

After Shi Fei took his cock out of her pussy, they immediately wore their clothes.

In order to make Lin Xing Xue not to think that they had sex in his office, she took some documents and sat on the couch.

After Xiao Tian opened the door, he immediately smiled, "Come in."

Lin Xing Xue's face blossomed into a smile when she saw him. It had been several days since she could see his handsome face.

She really missed his voice, smile and his beautiful black eyes. When she thought that she would be able to spend time with him for several minutes, the smile on her face grew bigger.

However, the smile on her face froze when she stepped into his office. She didn't expect that she would meet Shi Fei in his office. Of course, she didn't show it on her face and behaved normally.

"Good morning, Xue." Shi Fei smiled when she saw Lin Xing Xue entering Xiao Tian's office.

"Morning." Lin Xing Xue also smiled. "What are you doing here?"

"We are having an important meeting right now." Because she could not tell Lin Xing Xue that they were having sex earlier, she decided to lie.

"I apologize if I interrupt your meeting." Lin Xing Xue then sat next to Shi Fei.

At this moment, Lin Xing Xue was not suspicious of what Xiao Tian and Shi Fei did earlier because Xiao Tian's office didn't smell like sex.

"Let me see the documents." Xiao Tian spoke after sitting on the couch.

"Here." Lin Xing Xue gave the documents to Xiao Tian.

After Xiao Tian skimmed the documents, he immediately spoke, "Alright. I will sign it later."

"Un." Lin Xing Xue nodded her head.

\*Silent...

His office dropped into a dead silence when none of them spoke again. They didn't talk for about ten seconds.

"Do you need anything else? Or maybe, there is still something you want to inform me?" Xiao Tian thought Lin Xing Xue would immediately leave after giving the documents because until now, she didn't want to talk to him if it had nothing to do with work.

That was why Xiao Tian was curious as to why she was still in his office.

The feeling of deep shock emerged in Lin Xing Xue's heart.

'Am I no longer important in your heart? Has your love for me completely disappeared?'

Lin Xing Xue wanted to ask that, but she felt the word stuck in her throat when she was about to do that.

She knew that they were already broke up, but she didn't expect that his behavior towards her would also change so quickly.

For this reason, Lin Xing Xue rose to her feet and spoke, "Then, I will return to my office first."

"Un." Xiao Tian replied.

After Lin Xing Xue left, Shi Fei turned her head towards him and spoke, "You were so mean to her earlier. You know she wants to spend time with you, right?"

"I know." Of course, Xiao Tian knew about it.

"Sigh." Shi Fei suddenly felt sorry for Lin Xing Xue. "So, what do you want to do now?"

"How is Cai Yazhu doing? Did she do a good job?" Xiao Tian changed the topic.

"She did a good job." Shi Fei replied instantly. "I think she is in the studio right now because she has a photo session today."

"Let's meet her." Because Xiao Tian knew that Cai Yazhu wanted to see him so badly, he decided to grant her wish as a reward for her hard work.

"Oh! You want to see her?!" his words much surprised her. In the past, Xiao Tian didn't want to meet Cai Yazhu using his real identity. That was why she was surprised.

"This is her reward for her hard work." Xiao Tian gave her an honest answer.

"Alright. Let's head to the studio now." Shi Fei replied.

"Un." Xiao Tian nodded his head.

Several days ago, they rented a room for their studio. It was not far from the company. It only took them three minutes to reach the studio on foot.

And like what Shi Fei just said, Cai Yazhu was doing a photo session. When she saw Xiao Tian, her face blossomed into a smile.

She was happy because she finally could see the person she idolized so much. However, because she was still working, she didn't immediately walk towards him.

"Boss, director Shi."

"Good morning, boss. Good morning, director Shi."

Everyone was surprised when they saw Xiao Tian and Shi Fei because until now, they had never visited the video.

Not only did their director come to visit them, but the owner of the company also came to the studio.

One of the photographer's assistants immediately took two chairs and placed them in front of Xiao Tian and Shi Fei. "Boss, director Shi, please sit."

"Thank you." Xiao Tian and Shi Fei spoke in unison before sitting on the chair.

"You are welcome." The photographer's assistant smiled happily after hearing their words.

"Don't mind us. You can go back to work." Xiao Tian spoke.

"All right." The photographer's assistant returned to his work.

Xiao Tian and Shi Fei then looked at them carefully.

"What do you think? Is she doing a good job?" Shi Fei inquired.

"Yes. She is doing a good job." Xiao Tian replied instantly. "Her expression is natural and she also poses based on the clothes she is wearing."

Xiao Tian was not surprised when Cai Yazhu did an excellent job because she was a rising model before.

"I think so too." Shi Fei replied.

## **Chapter 528 - Talking With Cai Yazhu**

7-8 minutes

---

Not long after that, the photo session was over. Cai Yazhu wasted no time and immediately walked towards Xiao Tian.

When she was in front of him, she bowed slightly and spoke, "Nice to meet you, Mr Xiao. I'm Cai Yazhu."

"Nice to meet you too. I'm Xiao Tian." Xiao Tian replied as he smiled. "I heard Qing Feng was the one who recommended you to work at my company. How is it? Do you like working with us?"

"Yes." Cai Yazhu answered. "I love working here. Everyone here is kind and friendly."

"I'm glad to hear that." When Xiao Tian saw Cai Yazhu's happy expression, he smiled softly, "There is a tea shop nearby. Shi Fei and I are planning to go there. Do you want to go there with us?"

Even though Xiao Tian never planned to go to the teahouse with Shi Fei before, he decided to lie to her because he knew that Cai Yazhu would be happy to continue chatting with him.

At this moment, Shi Fei, who knew what he had in mind, immediately spoke, "Miss Cai, let's drink tea together."

Without thinking twice, Cai Yazhu responded, "Sure."

She really wanted to meet and talk with Xiao Tian, so of course, she would agree to go to the teahouse with them.

Then Xiao Tian, Cai Yazhu, and Shi Fei went to a nearby tea shop. Even though the shop was not big and luxurious, but the shop was nice and had two floors.

They headed to the second floor after ordering tea because the seats on the first floor were already full.

When they reached the second floor, they only saw a few people enjoying their tea. The room was not big, but it was a comfortable place for everyone to relax.

There were several sofas arranged facing each other on their left side, with a wooden table in the middle of it.

While on their right side, several wooden tables were neatly arranged. Each table had four Windsor chairs.

Because they wanted to sit by the window, Xiao Tian and the others decided to sit on the Windsor chair.

Ten minutes later, the clerk came with their orders, and after placing the tea on the table, the clerk immediately left. Previously, they ordered green tea because it was the most popular tea in the shop.

After sipping the tea, Cai Yazhu looked at Xiao Tian and asked, "When did you return to Shanghai, Mr Xiao?"

"I returned to Shanghai yesterday morning. How did you know Qing Feng?" even though Xiao Tian knew about it, he pretended as if he didn't know anything because currently, he was using his real identity.

"It's like this.." Cai Yazhu began to explain everything to Xiao Tian. Because Qing Feng said that Xiao Tian was his friend, she was careful with her words. She didn't want Xiao Tian to think that she was bad-mouthing Qing Feng.

"I see." Xiao Tian spoke after she finished explaining everything to him. "I'm sorry about the tragedy that you experienced last month."

"Don't worry about it." Cai Yazhu replied. "My skin disease has healed so I don't care about it anymore. By the way, I really idolize you, Mr Xiao."

"That's right, sir." Shi Fei behaved like his subordinate, not his lover. "She often asked me when you would return to Shanghai. It seems like you have a new fan now. Hehe."

"Director Shi, please stop it." Cai Yazhu suddenly felt shy after hearing Shi Fei's words. Because she often met Shi Fei, their relationship had gotten closer.

"Oh really?" even though Xiao Tian didn't care about it, but he pretended as if he was pleasantly surprised. "Why do you idolize me?"

"You are still young and have become a successful person. You even built your company from scratch and managed to become one of the successful young men in no time." Cai Yazhu told him the reason why she became his fan. "In this world, only a few people can do that."

"I'm just lucky." Xiao Tian had heard the same words many times, so he felt nothing when she praised him.

"Oh! Just lucky? I really hope I can get your luck in the future. Hehe." Cai Yazhu was eager to achieve success like him. Not only did he build his business without help from his family, but he also managed to become a successful person at a young age.

And seeing the development of his company, she was sure that Xiao Tian would be even richer in the future. She even believed there was a high chance that Xiao Tian would raise his family's status to an upper-class family.

"As long as there is a will, I'm sure everyone can become a successful person. That includes you, Miss Cai." Xiao Tian responded. "If you want to become more successful, discipline is the key. Don't be afraid to fail and ignore the haters. As long as you don't give up, I'm sure you can become even more successful in the future."

"Yes. I will do that from now on." Cai Yazhu spoke and paused for a second before she continued, "I hope I can become a successful person too in the future."

"I hope you can achieve your dreams in the future." Xiao Tian answered as he smiled.

"Oh right, it seems like Mr Xiao has a close relationship with director Shi. Are you two friends?" when she talked to Shi Fei, Shi Fei knew many things about Xiao Tian. From that, she was sure that their relationship was more than subordinate and boss.

Before Xiao Tian could answer her, Shi Fei spoke, "Yes. I helped him build his company. That's why we have a closer relationship."

At this moment, Shi Fei didn't tell Cai Yazhu that she was his lover. She only told Cai Yazhu that she had a close relationship with him.

Xiao Tian only stared at Shi Fei. Actually, he wanted to tell Cai Yazhu that Shi Fei was his lover. However, because Shi Fei had said something like that, he chose not to explain his relationship with Shi Fei. "Yes. She has helped me many times. You can say the reason I can become a successful person is because of her help too."

"What a pity. If only I met Mr Xiao Tian before you built your company, I would have become a director like her now." Cai Yazhu said jokingly.

"Haha." Shi Fei and Xiao Tian laughed after hearing her words. Of course, they knew that Cai Yazhu was only joking around. That was why they were laughing.

They talked at the tea shop for about thirty minutes before finally, they left. Because Xiao Tian had a lot of work to do, he immediately returned to his office.

Xiao Tian worked for several hours before finally he stopped.

'Oh right, today we are going to have a small party at my house. I think It's better to buy the ingredient for the party now.'

Because it was already 3:00 pm, Xiao Tian decided to buy the ingredient for the party.

At first, he wanted to go alone, but after thinking for several seconds, he decided to bring Liu Ning and Shi Fei with him.

For this reason, Xiao Tian called Shi Fei and Liu Ning and asked them to come to his office. Shi Fei and Liu Ning wasted no time and immediately walked to his office.

#### **Chapter 529 - Ye Qingyu And Ye Xueyin Met Xiao Tian's Women**

7-8 minutes

---

After Shi Fei and Liu Ning stepped into his office, Shi Fei immediately asked, "Little brother, do you need anything?"

"My mother and aunt agreed to have a small party at my house later." Xiao Tian went straight to the point. "Let's buy ingredients for the party now."

"Sure." Shi Fei was pleased after hearing his words because with this, there was a high chance that they could get along with his family later.

At this moment, Liu Ning didn't say anything. It was true that she was happy after hearing his words, but at the same time, she was also worried because she would meet his family later.

Xiao Tian rose to his feet and walked towards Liu Ning. "Ning'er, don't worry. My aunt and mother have promised that they will try to get along with you two later. I'm sure both you and Shi Fei will like them because my mother and aunt are kind and friendly."

Shi Fei tapped Liu Ning's right shoulder and spoke, "That's right, Ning. Don't worry about it. Little brother is with us so I'm sure everything will be fine."

"That's right." Xiao Tian added.

"Un." Liu Ning nodded her head.

"Let's go." Xiao Tian spoke.

Then Xiao Tian, Liu Ning and Shi Fei went to the supermarket. Because they were going to have a barbeque party, they bought sausages, burgers, chicken wings and thighs, cheese, salads, meat skewers, corn and many other things.

Because it was already 03:40 pm, they didn't return to the company. At first, Xiao Tian advised them to go to his house immediately, but Shi Fei and Liu Ning refused, saying that they wanted to take a bath and prepare themselves first.

For this reason, they traveled to Shi Fei's house. After Shi Fei and Liu Ning finished taking a shower, they went straight to his house.

\*Thump...Thump

On the way to his house, Liu Ning's heartbeat became faster and faster. She kept thinking about what his family's reaction would be after meeting her.

Not only was she older than Xiao Tian, but she had also failed in keeping her household once. She was really afraid that his family would think of her as a bad woman because of that.

Usually, everyone would have a bad impression on a woman who failed to keep their family. That was why she kept feeling anxious.

Xiao Tian, who noticed Liu Ning's expression, could only sigh. No matter how many times he told her not to worry about his family's reaction to her later, Liu Ning kept thinking about it.

Of course, Xiao Tian understood her situation. He suddenly felt guilty, too because one of the reasons why she failed to keep her family was because of him.

Not long after that, they reached his house. Xiao Tian immediately held their hands and smiled, "Don't worry. I'm here."

Coincidentally, when they were on the terrace, Ye Qingyu opened the door. When Xiao Tian saw his mother and aunt, he smiled and spoke, "Mother, aunt, I'm home."

"Welcome home." Ye Qingyu and Ye Xueyin spoke in unison.

"They are my women. She is Shi Fei. You two have met her in the past." After introducing Shi Fei, Xiao Tian turned his head to Liu Ning. "And she is Liu Ning."

"Hello, Mrs Ye Xueyin. Hello, Miss Ye Qingyu. We meet again." Shi Fei spoke cheerfully.

From her voice and expression, anyone could tell that she was not nervous at all. She even behaved as if she had known Ye Qingyu and Ye Xueyin for a long time.

"Hello. Miss Shi Fei." Ye Qingyu and Ye Xueyin spoke in unison.

"Hello Mrs Ye Xueyin. Hello Miss Ye Qingyu. I'm Liu Ning." Because she was talking with her lover's family, Liu Ning could not speak naturally.

She was different from Shi Fei. Even though she had tried her best to behave normally, but she was still nervous when she was in front of his family.

"Hello Miss Liu Ning." Ye Qingyu and Ye Xueyin spoke in unison.

Ye Xueyin covered her mouth and giggled. "Hehe. As expected of my son, you are sure amazing. Not only do you have two women, but your girlfriends are pretty and sexy. If any man saw your women, I'm sure they would die of envy."

Ye Qingyu pinched Xiao Tian's left cheek and spoke, "Brat, I didn't expect you to bring home two women. I had no idea that my nephew is a playboy."

"Aunt, please don't pinch my cheeks in front of my women. It's embarrassing." Xiao Tian was surprised when he saw the behavior of his mother and aunt.

There was not a shred of jealousy on their faces. They behaved as if they were not his women, but his family.

Previously, Xiao Tian thought his mother and aunt would not welcome Shi Fei and Liu Ning wholeheartedly, or they would look at Shi Fei and Liu Ning with jealous eyes, but he was wrong.

Not only did they behave like a normal family, but they also didn't make the situation awkward.

'Thank you for keeping your promise.'

Xiao Tian was pleased when his mother and aunt kept their promise.

"Hahaha." Shi Fei, Liu Ning, Ye Qingyu and Ye Xueyin laughed after hearing his words.

"Let's head to the living room and talk over there." Because they were still on the terrace, Ye Qingyu suggested that they talk in the living room.

"All right." Shi Fei and Liu Ning said in unison.

Ye Qingyu and Ye Xueyin dragged Shi Fei and Liu Ning to the living room without saying anything to Xiao Tian.

The corner of his lips twitched when he was standing on the terraces alone.

'What is this? Why did they leave me alone here?'

After Xiao Tian closed the door, he immediately headed to the living room. His face broke into a smile when he saw his women talking to each other. "Ladies, what are you talking about?"

Upon hearing Xiao Tian's words, Ye Qingyu immediately replied, "This is girl talk. Hehe."

"Yes." Shi Fei added. "This is girl talk. Little brother, don't disturb us."

"By the way, did Tian treat you two well?" Ye Qingyu inquired.

"Aunt, why are you asking this question? I'm a good young man, so of course, I always treat them nicely because they are my women." Xiao Tian then looked at Shi Fei and Liu Ning, "Isn't that right?"

"Yes." Liu Ning and Shi Fei replied in unison.

"Did you hear that?" Xiao Tian had a big smile on his face when Shi Fei and Liu Ning agreed with his words.

"You didn't threaten them earlier, right?" Ye Qingyu inquired.

"What do you mean by that?" Xiao Tian had no idea as to why his aunt behaved like that. She was not like her usual self.

Is she angry? Xiao Tian thought to himself.

Ye Qingyu returned her attention to Shi Fei and Liu Ning and spoke, "If he did something to you two, just hit him. Don't worry, I won't get mad at you later."

"Yes." Ye Xueyin added. "As his mother, I allow you to hit him if he did something bad to you."

"Sure." Shi Fei and Liu Ning giggled after hearing their words.

'Mother, aunt please don't teach them weird things!'

Xiao Tian shouted in his head.

### **Chapter 530 - You Can Punish Me Now**

7-8 minutes

---

"Little brother, your mother and aunt said we could hit you if you did something to us." Shi Fei spoke and paused for a second before she continued, "So, make sure to treat us better or else, we will hit you later."

"Sure. You can hit me, but don't blame me if I punish you until you can no longer move your body later." Even though Xiao Tian didn't explain to her directly what he meant by that, but he was sure Shi Fei understood it.

"Miss Qingyu, did you hear that?" Shi Fei asked as she looked at Ye Qingyu. "He always punished us if we did something to him."

"Did he do something to you earlier? If so, you can hit him now. Don't worry, with me here, he will not dare to do anything to you." Even though Xiao Tian also punished her every time she bullied him, but she pretended as if Xiao Tian would not dare to do something to her.

Black lines formed on his forehead after hearing their words.

'Just you wait. I will punish all of you later.'

Xiao Tian decided to punish all of them if the opportunity arose.

"I will hit his chest later." after saying that, Shi Fei stared at Xiao Tian as if she was challenging him to punish her later.

When Xiao Tian saw her expression, he suddenly wanted to punish her even more. "Ladies, why don't we start the party now?"

"Sure." Ye Xueyin replied as she nodded her head.

While Shi Fei, Liu Ning and Ye Xueyin headed to the backyard, Xiao Tian and his aunt went to the kitchen to bring the grilling equipment.

When Ye Qingyu was about to grab grill planks, Xiao Tian suddenly embraced her from behind and spoke, "Thank you for keeping your promise."

Ye Qingyu didn't immediately answer and only stood still. Actually, she was jealous of Shi Fei and Liu Ning because they could tell anyone that Xiao Tian was their boyfriend, but she could not do that.

Her relationship with him was taboo, and everyone would bad-mouth them if they learned about their relationship.

Ye Qingyu turned around and looked at him in the eyes. Like before, she didn't say anything to him. It was as if her mouth was sealed by something.

After looking at her eyes for several seconds, Xiao Tian kissed her forehead gently, a kiss full of love. "Please, don't make a sad expression. It really hurts me to see you like this."

Xiao Tian knew what she had in mind, but they could not do anything about it. Their problem was something that was nearly impossible to solve.

Ye Qingyu placed her head on his chest before wrapping her long slender arms around his waist and hugging him tightly.

"I envy them so much." Ye Qingyu voiced out her true feeling. "I also want everyone to know that we are lovers."

Suddenly tears rolled down her pretty face. She knew that their relationship was forbidden and everyone would not accept their relationship, but still, deep inside her, she desired to act like a normal couple.

Xiao Tian cupped her face and wiped away her tears with his thumbs. With a gentle expression, he spoke in a soft voice. "Even though I can't announce our relationship to everyone, but one day, I will make my women accept our relationship. I promise."

"Un." The jealousy in her heart reduced after hearing his words.

After looking at her beautiful eyes, Xiao Tian brought his face closer to hers.

When Ye Qingyu noticed that Xiao Tian was about to kiss her, she slowly shut her eyes. She really needed a kiss from him to make her heart calm down, or else she could go crazy from jealousy later.

At that time, Xiao Tian only pressed his lips against hers. He had no intention of having a deep kiss with her. It was not like he didn't want to do that, but he wanted to show her that she was always in his heart.

After stopping the kiss, Xiao Tian spoke, "Let's head to the backyard now or else, it will raise suspicion later."

"All right." Ye Qingyu agreed with his words.

After taking the grilling equipment, Xiao Tian and Ye Qingyu went to the backyard.

"The grilling equipment is here." Ye Qingyu said cheerfully. There was not a shred of sadness or jealousy shown on her face as if she didn't cry earlier.

Xiao Tian sighed softly when he saw the expression on her face.

'You are really a strong woman, aunt.'

Xiao Tian was amazed by his aunt's behavior. Even though she was sad and full of jealousy, she didn't show it on her face.

Xiao Tian shifted his gaze from his aunt to his mother. He knew that his mother also felt the same way.

"Tian, clean the grill first, so that we can use it immediately." Ye Xueyin said when she saw Xiao Tian.

"Sure." Xiao Tian replied.

As Xiao Tian was cleaning the grill, Ye Qingyu and the others prepared the ingredients.

After cleaning and heating the grill, Xiao Tian immediately spoke, "The grill is ready. What should we grill first?"

"Little brother, can you bring two tables first." Shi Fei spoke abruptly.

"All right." After saying that, Xiao Tian walked over to his house to take two tables.

Because Liu Ning thought Xiao Tian would need help later, she immediately spoke, "Tian'er, let me help you."

Upon hearing her words, Xiao Tian stopped his footsteps and turned around. With a smile on his face, he answered, "Sure."

When Liu Ning was next to him, Xiao Tian immediately carried her in princess style without giving her any warning.

"Kya.." his actions much surprised her. She didn't expect him to carry her. "You are really a bad boy!"

"A handsome bad boy!" Xiao Tian then walked into his house.

Xiao Tian remembered that there was a medium-sized wooden and plastic table in the kitchen.

When they were in the kitchen, Xiao Tian put her down and spoke, "How is it? My mother and aunt are kind and friendly, right?"

"Yes. They are nice people." Liu Ning was pleased because his family was not like what she thought.

They did not ask about personal matters and also treated her nicely. She even regretted having bad thoughts on them earlier.

"I'm sure you can get along well with my family later." Xiao Tian spoke and paused for a second before finally, he continued, "Don't think about weird things and just talk to them. I believe you can get along with them in no time."

"Thank you for introducing me to your family." With him introducing her to his family, Liu Ning could tell that Xiao Tian was serious with their relationship. That was why she was thrilled.

"It's because I want to live with you forever, but..." Xiao Tian grabbed her chin and rubbed her lips with his right thumb. "I still need to punish you for what you said earlier."

Liu Ning could not help but giggle when Xiao Tian rubbed her lips. At that time, she thought Xiao Tian would kiss her lips again.

"Sure. You can punish me now." After saying that, Liu Ning pouted her lips.
