

Illicit 531

Chapter 531 - I'm Looking Forward To It

"Why are you pouting your lips? Did I say I want to kiss your lips?" at first, Xiao Tian indeed wanted to kiss her lips, but when he saw her pouting her lips, he decided to tease her.

"What? I thought kissing my lips was the punishment. So what are you going to do to me now?" usually, Xiao Tian always kissed her as the punishment. That was why she pouted her lips earlier.

After thinking for several seconds, Xiao Tian found an excellent idea to tease her. With this idea in mind, Xiao Tian whispered in her right ear. "Give me a blowjob now."

His words much surprised her. She found it hard to believe what she was hearing.

She didn't expect he would say something like that. "You want me to give you a blowjob here?"

If he had said it at her house, she didn't mind it and would have granted his wish immediately, but they were at his home.

"Yes." Of course, Xiao Tian was joking around because he only wanted to tease her.

He wanted to know what her reaction would be after hearing his words.

"But..." at this moment, Liu Ning had no idea whether she should give him a blowjob or not.

It was true that she had given him a blowjob several times, but at that moment, she really didn't know what she should do.

They were at his house, and there was a high chance his family would catch them later. It was the first time she had come to his house and met his family, so she didn't want them to have a bad impression of her.

Even though they managed to hide it from his family later, but it would raise suspicion because it always took him a long time to have an orgasm.

But she didn't want to disappoint him by rejecting his wish. At this moment, she really had no idea what to do.

When Xiao Tian saw the expression on her face, he could not help but laugh. "Hahaha... Ning'er, you should see your expression in the mirror. Haha."

"Bad boy!" Liu Ning hit his chest. Because Xiao Tian was laughing, she knew that he was teasing her earlier. "You always tease me."

"Hahaha." Xiao Tian could not stop laughing when he recalled her complicated expression.

'I suddenly want to live together with them as soon as possible because with that, I can do lots of exciting things.'

Xiao Tian really hoped that his mother and aunt would immediately agree to live with his women. With them living together, he would be able to do a lot of exciting things, like having sex secretly near his mother and aunt or vice versa.

After placing the plastic table on top of the wooden table, Xiao Tian immediately spoke, "Let's bring the tables to the backyard."

"Un." Liu Ning replied.

Then Xiao Tian and Liu Ning brought the tables to the backyard.

When he was in the backyard, he saw Shi Fei grilling chicken wings and thighs, sausages, and corns. At the same time, his mother and aunt were threading the vegetable on the double skewer.

After placing the tables, Xiao Tian walked towards Shi Fei and spoke, "Let me do it."

"You don't need to." Shi Fei replied instantly. "If you have nothing to do, you can help your mother and aunt put the vegetable on the double skewer."

"Ning'er will help them later." Xiao Tian stood behind Shi Fei and flipped the skewers. "Let's grill together."

As Shi Fei was flipping the skewers, she spoke without looking at him. "You just want to embrace me from behind, right?"

"Oh! That's a brilliant idea." After saying that, Xiao Tian hugged her from behind and placed his head on her right shoulder.

At first, he didn't intend to hug her, but because she said something like that, Xiao Tian decided to embrace her.

"Are you not shy to hug me in front of your family?" when Xiao Tian embraced her, she did nothing because it was not a bad idea to grill while being hugged by him.

"They know that we are a couple, so I don't need to feel shy." After saying that, Xiao Tian flipped one of the skewers.

Ye Xueyin, who noticed her son embracing Shi Fei, giggled and spoke, "Tian, it seems like you can't separate from your woman. You even can't let her grill in peace."

Xiao Tian turned his head to his mother and replied, "She is the one who told me to embrace her."

"It's a lie. Hehe." Shi Fei replied instantly. "I never asked him to hug me."

"She said you are lying." Ye Xueyin spoke as she laughed.

Seeing that, Liu Ning and Ye Qingyu also laughed.

"Lady Shi, if he is disturbing you, you can hit him." Ye Qingyu spoke abruptly.

"Aunt, how could you say that?" Xiao Tian pretended to be sad after hearing her words. "Please stop teaching my woman a weird thing."

"You deserve it because you are a bad boy!" After saying that, Ye Qingyu turned her head towards Liu Ning. "Did he do something to you earlier?"

"Yes. He wanted to do something to me earlier, but I refused." Liu Ning spoke as she giggled. Because Xiao Tian teased her earlier, she decided to say it as her revenge.

"See? You are indeed a bad boy!" after hearing Liu Ning's words, Ye Qingyu suddenly felt jealous, but she didn't show it on her face.

The corner of his lips twitched after hearing their words.

'Damn! They are becoming braver and braver. They even dare to bully me now. Is it because they are not alone?'

Of course, Xiao Tian was not angry at them. As long as it was his women who bullied him, he didn't mind it because he could punish them when they were alone.

"Hehe. They are bullying you." Shi Fei, who heard their words, could not help but laugh. "How does it feel to be bullied by your woman and family?"

Usually, Xiao Tian was the one who always bullied them. That was why she laughed when his aunt and Liu Ning bullied him.

"It makes me want to punish you." After saying that, Xiao Tian kissed her right cheek.

"If you kiss me, it's called a reward, not punishment." Shi Fei had no idea as to why Xiao Tian always called it punishment when all he did was only kiss them.

Of course, she knew the reason why he did that. She believed it was because he didn't want to hurt them.

"Oh! So what kind of treatment falls into the category of punishment?" Xiao Tian inquired.

Shi Fei brought her face closer to his left ear and whispered, "If you treat me like your personal cum dumpster, fucking my mouth, vagina and ass hole roughly until I can't move my body anymore. then, it's called punishment."

"It seems like my lover has turned into a slut. Then I will do that later." Xiao Tian was not surprised by her words because he often heard them.

Among his women, Shi Fei was the wildest one. Of course, he didn't hate it; instead, he loved it because he could do many things every time they had sex.

He could treat her like a slut. He could say vulgar words and many other things.

"I'm looking forward to it." Shi Fei replied as she smiled.

Chapter 532 - Little Brother Is An Amazing Person

8-11 minutes

Without realizing it, it was already dawn. Because it was getting dark and they could barely see anything, Xiao Tian intended to bring some electric lights. "I will bring the electric light first."

After saying that, Xiao Tian walked into the house to bring some electric lamps to the backyard. Even though he brought several electric lights alone, he was able to get all of them to the backyard at once.

He placed the electric lamps in strategic places, allowing the backyard to light up with the light.

Seconds became minutes, and minutes turned into hours. At 06:30 pm, they finished grilling all the food. However, when they were about to eat in the backyard, suddenly it rained.

"Bring all the food to the living room. Let's eat there." Xiao Tian thought it would be better to eat in the living room because they could watch TV together.

"All right." Liu Ning and the others agreed to his words.

After they brought everything into the house, they immediately sat on the couch in the living room.

"What a pity! It would be a great night if it didn't rain." Xiao Tian showed a disappointed expression.

Earlier, he thought they could eat in the backyard together, and he was sure it would be a fantastic night. However, because it was raining, they had no choice but to eat inside the house.

"Well, it can't be helped." Ye Qingyu spoke while also showing a disappointed face.

Of course, she also had the same thought as Xiao Tian. But watching TV together was not a bad idea too. At least, they were still together.

As they were eating, they chatted happily. Because they watched a comedy movie, they laughed a lot.

"Oh right! How did you two meet Xiao Tian?" Ye Xueyin asked curiously.

Because Ye Qingyu and Ye Xueyin never asked Xiao Tian about it, they didn't know how he met Shi Fei and Liu Ning.

"Xue introduced him to me." Shi Fei gave an honest answer. "At that time, he needed a tailor. That was why Xue brought him to my apartment."

"I see." Ye Xueyin answered before turning her head to Liu Ning. "How did you meet him, Miss Liu?"

"At that time, there were two thugs who tried to harass me and Tian'er was the one who helped me." Liu Ning suddenly remembered the time where Xiao Tian helped her from thugs.

Until now, she was really grateful that Xiao Tian decided to help her. Otherwise, she had no idea what would happen to her at that time.

Of course, she still didn't know that it was Xiao Tian who asked those thugs to harass her. What she knew was that Xiao Tian was the one who helped her.

"Really?" Ye Qingyu was surprised after hearing Liu Ning's words.

In the past, Xiao Tian saved Lin Xing Xue from the thugs, and now, Liu Ning said that Xiao Tian also helped her from the thugs.

"Yes." Liu Ning replied as she nodded her head.

"As expected of my son, you are sure amazing." Ye Xueyin spoke proudly as if she was the one who helped Liu Ning from the thugs.

"Yes. Little brother is an amazing person." Because Shi Fei was sitting on his left side, she immediately embraced his left arm and looked at him with a smile on her face.

Xiao Tian, who was sitting on Liu Ning's left side, turned her head towards him and kissed her forehead. "I'm thrilled every time I remember that I decided to help you at that time. Otherwise, our relationship would not be like this."

"Me too." Liu Ning was also delighted because since they were going out, her life became more colorful.

Sometimes, she even thought that Xiao Tian was too perfect for her. Not only was he young, but he was also a good-looking and successful person.

She was sure it would be easy for a young man like him to find a girlfriend because he was such an ideal man for women.

Even though he had another woman beside her, she didn't mind it because he always tried to make her happy and never hurt her feelings. Liu Ning really hoped that their relationship would last forever.

"Yes, yes. I know both of you are in love with each other but you two don't need to lovey-dovey in front of me, you know?" Even though Ye Xueyin was jealous, but she didn't show it on her face and spoke as if she was joking around.

"Hehe." Xiao Tian and Liu Ning laughed after hearing Ye Xueyin's words.

"This food is delicious." Xiao Tian spoke. "Let's have a party like this more often in the future."

"Good idea." Ye Xueyin replied instantly.

Even though she was still not used to seeing Xiao Tian lovey-dovey with Liu Ning and Shi Fei, but spending time with them was not a bad idea.

From their behavior, she was sure that Liu Ning and Shi Fei were good people, so she didn't mind if they had another party like that.

"Agree." Liu Ning and Shi Fei spoke in unison.

"I hope it will not rain again next time." Ye Qingyu really wanted to have a party while also looking at the beautiful night.

"I hope so too." Xiao Tian answered.

They chatted until 10:00 pm before finally, Liu Ning spoke, "Tian'er, can you send us home now? It's already 10:00 pm."

Even though she still wanted to chat with his family, Liu Ning wanted to go home because it was already 10:00 pm.

She didn't want to disturb his family's night time anymore. Otherwise, his family would have a bad impression on her and Shi Fei later.

"I didn't know it's already 10:00 pm." Because they were having a good time, Shi Fei had no idea that it was already 10:00 pm.

"All right." Xiao Tian knew what they had in mind. That was why he immediately agreed. He then looked at his mother and aunt. "Mother, aunt, I want to send them home now."

"All right." Ye Xueyin and Ye Qingyu replied in unison.

Ye Qingyu and Ye Xueyin sent them to the terrace.

"Mrs. Ye Xueyin, Miss Ye Qingyu, thank you for the hospitality." Liu Ning spoke as she bowed slightly.

"Thank you. We really enjoy the party." Shi Fei also bowed slightly.

"Come and visit us again in the future." Ye Qingyu and Ye Xueyin spoke in unison.

Because it was still raining, Xiao Tian took an umbrella so that they would not get wet when they walked to the car.

Not long after that, they reached Liu Ning's house. Xiao Tian only sent them to the terrace before finally, he spoke, "I have to go back immediately."

"You want to return home immediately?" Liu Ning thought Xiao Tian would stay for several minutes. That was why she was a little sad after hearing his words.

At this moment, Shi Fei didn't say anything and only stared at him. Of course, she had the same thought as Liu Ning. However, if Xiao Tian wanted to go back immediately, she would allow him.

"Ning'er, I promise. I will come to your house again tomorrow, but I have to go back immediately now." It was not like he didn't want to spend time with Liu Ning and Shi Fei, but he had to comfort his mother and aunt.

"All right." Even though she was still sad, Liu Ning could not do anything when Xiao Tian insisted on going home.

Xiao Tian immediately embraced her, and after stopping the hug, he kissed her forehead. "Don't be sad."

To his surprise, after saying that, Liu Ning cupped his face and pressed her lips against his. She did that for several seconds before finally, she broke the kiss.

At first, Xiao Tian only wanted to kiss her forehead, but because she suddenly kissed his lips, he desired to have a passionate kiss with her. For this reason, he kissed her lips and tried to put his tongue in her mouth.

As usual, Liu Ning immediately welcomed the kiss. Even though they were still on the terrace, she didn't care about it.

Shi Fei, who saw them having a passionate kiss, covered her mouth and giggled. Actually, she had guessed that they would have a deep kiss before he returned home. She even knew that Xiao Tian would kiss her passionately later.

As he had a hot kiss with Liu Ning, he didn't squeeze her breasts like usual. He only placed his hands on her hips and explored every inch of her mouth with his tongue.

And like what Shi Fei had guessed, after Xiao Tian broke the kiss, he immediately kissed her passionately.

Shi Fei, who had been waiting for her turn, returned the kiss happily. She intertwined her tongue with his. Not only that, but she also sucked his tongue hungrily, causing Xiao Tian to be a little surprised.

Xiao Tian had a passionate kiss with Shi Fei for several seconds before finally, he returned home.

"I'm home." Xiao Tian spoke when he was in the living room.

'Where are they?'

Xiao Tian thought his mother and aunt were in the living room, but he was wrong because no one was there.

However, when he stepped into his room, he saw his mother and aunt lying down on his bed.

A soft smile spread across his face when he saw his mother and aunt. "I'm home."

"Welcome home." Ye Qingyu and Ye Xueyin spoke in unison.

"Tian, come here and lie down between us." Ye Xueyin spoke as she tapped the bed next to her.

Xiao Tian wasted no time and laid down between his mother and aunt.

Chapter 533 - She Is Really Cute

6-8 minutes

As soon as Xiao Tian laid down between them, Ye Qingyu and Ye Xueyin embraced his arms tightly.

Of course, Xiao Tian knew why they did that. "Thank you for keeping your promise. How is it? They are good people, right?"

"Yes." Ye Qingyu and Ye Xueyin replied in unison.

Xiao Tian kissed their foreheads and smiled, "I know it was hard for both of you earlier, but you two did a good job. I'm sure they still don't know about our relationship now."

Before bringing Shi Fei and Liu Ning to his house, Xiao Tian was worried about his mother's behavior when she met them.

She was a clingy and jealous person, so he thought she would not welcome Shi Fei and Liu Ning or she would hate them.

However, he was glad that it was just his thought. She even behaved like a normal mother who loved her son as a family.

As for his aunt, he believed that she would not do anything stupid or suspicious in front of Shi Fei and Liu Ning. That was why he was not worried that she would cause trouble to Shi Fei and Liu Ning.

"Tian, can we spend time together for the whole day tomorrow?" because earlier, Xiao Tian always treated Liu Ning and Shi Fei special, Ye Xueyin thought Xiao Tian had to treat her and Ye Qingyu special too.

"Mother, can we do that another day? I have a lot of work tomorrow and need to finish it as quickly as possible." Of course, Xiao Tian also wanted to spend the whole day with his aunt and mother, but because he had a lot of work to do and also Shi Fei asked him to finish it as quickly as possible, he had no choice but to reject her.

"Can't you postpone your work?" he was the owner of the company, so Ye Xueyin believed he could postpone his work or ask his subordinate to do that.

Xiao Tian sighed softly. He suddenly felt sorry after seeing the expression on his mother's face. However, because he could not postpone his work, he had no idea what to say to her.

Earlier, she had tried her best to get along with Shi Fei and Liu Ning or hide her jealousy. Now when she only wanted to spend time with him for the whole day, he could not grant her wish.

"Big sister, please stop it. We have to understand that he also has a job. Have you forgotten that he wants to be a successful person?" Ye Qingyu knew that Xiao Tian didn't want to hurt her big sister's feelings, but at the same time, he also could not ignore his work.

"I'm sorry." Ye Xueyin embraced his right arm tightly and lowered her face.

"No. it's me who should say sorry to you." Xiao Tian raised her head to look at her eyes. "I will try to return home early tomorrow, but please don't blame me if I come home late. I went to Beijing for a week and because of that, I have a lot of work to do now."

Actually, Xiao Tian wanted to bring them to his company tomorrow, but after thinking for several seconds, he decided not to do that because it would make him work slower.

Ye Xueyin stopped hugging his arms and kissed his forehead. As she was pressing her lips against his forehead, she slowly shut her eyes.

She didn't immediately stop the kiss; instead, she kissed his forehead for several seconds. It was as if she wanted to tell him through a kiss that she loved him so much.

After his mother stopped the kiss, Xiao Tian looked at her and asked, "Do you still want to talk or sleep?"

"I don't want to sleep now. I still want to talk to you." Ye Xueyin voiced out her feelings.

"All right." Because his mother still wanted to talk with him, Xiao Tian immediately agreed.

At first, Xiao Tian thought his mother and aunt would only talk with him until 11:00 pm, but he was wrong.

He was utterly wrong because that night, his mother and aunt kept talking to him. Even though Xiao Tian was already sleepy, but he tried his best not to fall asleep.

At 02:00 am, Xiao Tian could no longer hold back his drowsiness and fell asleep.

Even though Ye Qingyu and Ye Xueyin still wanted to talk to him, but when they noticed Xiao Tian was already sleeping, they decided to sleep too.

The following morning, Xiao Tian woke up at 06:30 am. He was a little shocked when he saw his mother and aunt still sleeping.

Usually, they were already in the kitchen, preparing breakfast. Because he had to go to his companies, Xiao Tian got out of the bed carefully so that he didn't wake them.

He wasted no time and immediately headed to the bathroom. To his surprise, when he returned to his room, his mother and aunt were still sleeping.

'Are they not going to work today?'

At this moment, Xiao Tian wavered whether he should wake them up or not.

Because they were sleeping soundly, Xiao Tian decided not to wake them up. After wearing clothes, Xiao Tian headed to the kitchen to cook breakfast.

Because Xiao Tian could only cook simple food, he decided to cook fried rice. Of course, he also cooked for his mother and aunt.

After finished cooking, he returned to his room to check whether his mother and aunt were still sleeping or already awake.

When he saw they were still sleeping, Xiao Tian ate fried rice alone in the dining room.

'Huft. It's lonely to eat alone.'

Because they usually ate together, Xiao Tian suddenly felt lonely when he was eating alone.

After finished eating, Xiao Tian brought the food to his room and put the fried rice on his study table. However, when he was about to go to work, his mother and aunt suddenly woke up.

"Tian.." Ye Xueyin spoke after waking up.

A soft smile spread across his face when he saw his aunt and mother. "Good morning. I have cooked breakfast. You can eat it after washing your face later."

"You want to go to work now?" Ye Qingyu inquired.

Because they just woke up, they had no idea that it was already 07:00 am. They thought it was still 06:00 am.

"Yes." Xiao Tian replied as he took his bag. Then he walked towards his mother and aunt. "It's already 07:00 am now, so I have to go to work. Are you two not going to work today?"

"I have a day off today." The reason why Ye Qingyu woke up late was that she had a day off.

"I will go to work later." Ye Xueyin was the owner of the shop, so she could go whenever she wanted.

Xiao Tian kissed their foreheads and spoke, "Don't forget to eat breakfast. Alright. I'm off to work now."

"Fighting!" Ye Xueyin said as she made a cute pose.

"Un." Xiao Tian could not help but smile when he saw his mother.

'She is really cute.'

Then Xiao Tian went to work. At first, Xiao Tian wanted to go to Stars Clothes company, but because he didn't go to Eternal Beauty company yesterday, he changed his mind.

Because he had to change his car and wear a mask, Xiao Tian traveled to his apartment before going to Eternal Beauty company.

Chapter 534 - A Plan To Take The Hong Family Properties And Companies

6-7 minutes

"Good morning, Sir."

"Good morning, boss."

"Good morning, CEO Qing."

As Xiao Tian stepped into the company, all of his subordinates greeted him. He only smiled and immediately headed to his office. Coincidentally, when Xiao Tian was heading to his office, he saw Liang Jun.

"Good morning, Sir." Liang Jun greeted him.

Xiao Tian stopped his footsteps and looked at Liang Jun. "Good morning. Let's go to my office. I want to know about the development of the company since I went to Beijing."

"All right." Liang Jun followed Xiao Tian to his office.

After they stepped into Xiao Tian's office, they sat on the couch. Because Xiao Tian wanted to know about the development of the company, Liang Jun began to tell everything to him.

Xiao Tian couldn't help but smile when he learned that his company was growing steadily. Even though the development of the company was not as significant as Stars Clothes company, but still, Xiao Tian was pleased by it. At least, his two companies were growing steadily.

The smile on Xiao Tian's face grew even bigger when he found out that Liang Jun had taken care of everything. "Well done, Liang Jun. Well done."

Because Liang Jun had taken care of everything, Xiao Tian only had a little work to do. This made Xiao Tian think that hiring Liang Jun as a director was not a wrong decision.

"Thank you, sir." Liang Jun was thrilled when Xiao Tian praised him.

In the past, because of his carelessness, the company lost a lot. That was why he worked very hard so that the company would not go bankrupt. And his efforts paid off. The company grew steadily every day.

As Xiao Tian was talking to Liang Jun, his smartphone suddenly rang. When he found out it was Chun Hua who called him, he immediately spoke, "You can return to your desk now."

"All right." Liang Jun immediately left.

"Do you have anything you want to tell me?" Xiao Tian spoke after picking up the phone.

"Sir, everyone is starting to notice that the Hong family is missing." Chun Hua went straight to the point.

Xiao Tian had guessed that something like this would happen. That was why he was not surprised after hearing her words. "Come to Eternal Beauty company. Let's discuss it in my office."

"Yes, Sir." Chun Hua hung up the phone.

Fifteen minutes later, Chun Hua arrived at Eternal Beauty company. When she entered the company, no one stopped her because everyone knew that she was Xiao Tian's bodyguard.

Knock...knock...knock...

After knocking on the door, Chun Hua spoke, "Sir, It's me."

"Come in." Xiao Tian instantly replied when he found out it was Chun Hua.

She sat on the sofa after entering his office. After Xiao Tian sat on the couch, she immediately asked, "Sir, do you have a way to solve this problem?"

"Easy." Xiao Tian replied instantly. "Find people who have the same posture and voices as the Hong family. After that, ask them to wear a silicon head mask or make up their faces."

"I see." Chun Hua thought his idea was good.

Xiao Tian suddenly remembered something important. For this reason, his lips curled up into a grin.

"Make them announce to the public that they have sold their companies to me. Don't forget to also sell all the Hong family properties like houses, cars and the other things."

Xiao Tian would need a lot of money to buy a mansion later, so with them selling the Hong family properties, it could help him save a lot of money later.

"Sell their properties?" Chun Hua had no idea how to do that.

Even though she was able to find people who could pretend to be the Hong family, but selling their properties was something that was difficult for her to do.

"Alright, let me handle it later. You only need to find people who can pretend to be the Hong family member and announce to the public that they have sold their companies and properties to me." Xiao Tian spoke and paused for a second before he continued, "Tell the public that they want to live abroad."

"Understood." After saying that, Chun Hua left.

Xiao Tian worked at Eternal Beauty company for two hours before finally, traveling to Stars Clothes company.

Because he had a lot of work to do, he wasted no time and began to work. Seconds became minutes and minutes turned into hours. Without realizing it, it was already 03:00 pm.

'It's already 03:00 pm and there is still so many work to be done.'

Because Xiao Tian could not keep his promise to Shi Fei and Liu Ning later, he took his smartphone and called them, telling them to come to his office.

"Little brother, do you miss us?" Shi Fei spoke when she was in his office.

"Tian'er, do you need anything?" Liu Ning inquired.

Xiao Tian rose to his feet and walked towards them. "Sit on the sofa first. There is something I want to tell you."

Liu Ning and Shi Fei stared at each other before nodding their heads and sitting on the couch.

"What is it?" Liu Ning asked curiously.

"My mother and aunt wants to bring me somewhere, so I can't come to your house later." Xiao Tian went straight to the point.

Upon hearing his words, Liu Ning's expression turned sad. "Is that so?"

"That's why I called you two to come to my office." Xiao Tian knew they would be sad after hearing that.

"I want to bring you two somewhere now. Do you want to go now?"

"Sure." Shi Fei answered cheerfully.

"Un." The sad expression on Liu Ning's face instantly disappeared without a trace.

Even though Xiao Tian would not come to her house later, but at least, they would spend time together now.

"Let's go." Xiao Tian was pleased after seeing their happy expression.

Then Xiao Tian, Liu Ning and Shi Fei went to Rainbow Garden to enjoy the beautiful scenery. They spent time at Rainbow Garden for about forty minutes before finally, they traveled to Autumn Restaurant, the most famous restaurant in Shanghai.

By the time Xiao Tian arrived home, it was already 04:40 pm. "Mother, aunt, I'm home."

Chapter 535 - Tian, Where Are We Going?

6-7 minutes

"Where is mother?" Xiao Tian asked when he only saw his aunt in the living room.

"Big sister is still in her shop." Ye Qingyu replied instantly. "I didn't expect you would return home so early. Didn't you say you have a lot of work to do?"

"Well, both of you said that you wanted to spend time with me, so I decided to go home early. I also plan to bring both of you somewhere now." Xiao Tian gave an honest answer.

"Really? Good!" Ye Qingyu was delighted after hearing his words. She then took her smartphone out of her pocket and called her big sister.

"Hello?" Ye Xueyin spoke after picking up the phone.

"Big sister, Tian has returned home. He also said he wants to bring us somewhere now." Ye Qingyu informed her big sister that Xiao Tian wanted to bring them somewhere.

Xiao Tian's face broke into a smile after hearing his aunt's words because, from her voice and expression, anyone could tell that she was excited.

"Really?" Ye Xueyin was pleasantly surprised after hearing Ye Qingyu's words. "I will go home now."

"Un." Ye Qingyu then hung up the phone.

Because the distance between her shop and her home was only two hundred meters. It only took Ye Xueyin less than five minutes to arrive home.

"Tian, Qingyu, I'm home." Ye Xueyin said happily when she stepped into the living room.

Xiao Tian and Ye Qingyu turned their heads towards Ye Xueyin and spoke in unison, "Welcome home."

When she saw her son and younger sister sitting on the sofa, she immediately sat next to him. "Tian, where are we going?"

"Up to you." Because Xiao Tian wanted to make them happy, he let his mother and aunt decide where they would go. Of course, Xiao Tian had a place he wanted to go to in his mind but he chose not to say it.

Ye Xueyin then looked at Ye Qingyu and asked, "Qingyu, do you have any place in mind?"

Ye Qingyu touched her chin and began to think about good places to visit. After thinking for several seconds, she found good places to visit. "Big sister, come here."

Ye Xueyin rose to her feet and immediately sat next to her younger sister.

Without waiting for another second, Ye Qingyu whispered to Ye Xueyin the places they should visit.

The corner of Xiao Tian's lips twitched when he saw his aunt whispering something to his mother.

'What is this? Why are you whispering?'

Xiao Tian had no idea as to why his aunt had to whisper. It was as if they didn't want him to know about it.

"That's a brilliant idea." Ye Xueyin spoke happily. "Let's go to that place."

"Where is it?" Xiao Tian asked curiously.

Because he could not hear what his aunt said to his mother, Xiao Tian had no idea the places they wanted to visit.

Ye Qingyu and Ye Xueyin stared at each other before speaking in unison. "You will know later. Hehe."

Black lines formed on his forehead after hearing their words. Because they didn't want to tell him, Xiao Tian didn't ask anymore because he would know about it later.

Ye Qingyu and Ye Xueyin rose from the couch and spoke, "We are going to take a bath first. Wait here."

"All right." Because they only had two bathrooms, Xiao Tian had no choice but to wait until his aunt finished showering.

As Ye Qingyu and Ye Xueyin were taking a bath, Xiao Tian watched TV because he knew it would take them a long time to finish showering.

After Ye Qingyu finished bathing, she immediately said, "Tian, you can take a shower now."

Xiao Tian wasted no time and immediately headed to the washroom. As usual, it took him less than ten minutes to finish showering.

To his surprise, when he returned to the living room, he saw his aunt and mother sitting on the couch.

'What?! They finished dressing up?'

Xiao Tian thought that his mother and aunt would need a few minutes to get dressed because usually, he had to wait more than thirty minutes every time they wanted to go out.

When they were about to leave, Xiao Tian suddenly remembered something important. "Mother, Aunt, can you two makeover me? Make me look like a completely different person."

"Why?" Ye Qingyu had no idea as to why Xiao Tian suddenly wanted them to makeover his face.

He was an attractive young man so he didn't need to put any makeup on. Even though he didn't wear any make-up, his natural face was enough to make any woman desire to be his lover.

"Yes. Why?" Ye Xueyin also wanted to know the reason why Xiao Tian suddenly wanted to wear make-up.

"Well, we will go on a date and I want to lovey-dovey with you two later, so if someone takes a picture or video of us and puts it on the internet, it will give us..." Xiao Tian didn't finish his words because he knew his mother and aunt understood what he meant.

In the past, the video of him kissing passionately with Yun Xin Er caused huge trouble for him and Yun Xin Er. Not only that, his company even almost went bankrupt because of that.

If anyone posted a picture or video of them being lovey-dovey, Xiao Tian knew that would be fatal for them. Not only could his company go bankrupt immediately, but everyone would speak-ill of them later.

There was even a high chance that they could no longer live in Shanghai. That was why he said something like that.

As Xiao Tian had guessed, even though Xiao Tian didn't finish his words, Ye Qingyu and Ye Xueyin understood what he meant.

Ye Qingyu and Ye Xueyin stared at each other before nodding their heads. "All right. Leave it to us."

They also didn't want anything bad to happen to them. That was why they agreed to his idea.

"Great!" Xiao Tian replied.

"Let's go to my room." Ye Xueyin said. "We will make over you so that you will look like a different person."

"All right." Xiao Tian answered as he nodded his head.

Then they headed to Ye Xueyin's room.

Chapter 536 - Love Letter Shop

6-7 minutes

After several minutes, Ye Qingyu and Ye Xueyin finished making over him.

"Done." Ye Qingyu spoke as she nodded her head in satisfaction.

Currently, Xiao Tian was sitting on a chair with his mother and aunt standing on either side of him. Because he said that he wanted them to makeover him, Ye Xueyin brought him to her make-up table.

"Whoa! Tian, you are much more handsome than usual." Ye Xueyin spoke as she covered her mouth with both of her hands.

At that moment, she behaved as if she was seeing the most handsome man in the world.

After checking his face from every angle, Xiao Tian nodded his head in satisfaction

'As expected of myself, I'm indeed an attractive young man.'

Because his natural face was already handsome, he became even more attractive after his mother and aunt finished making over him.

Even though his current face looked like he was twenty-nine years old, but it didn't reduce his charm; instead, he had the kind of face that would stop all women in their tracks.

Even though Ye Qingyu and Ye Xueyin knew that Xiao Tian would become very attractive after they finished making over him, but still, it was beyond their expectations.

Due to how handsome he was, Ye Qingyu and Ye Xueyin could not take their eyes off him. It was as if there was a magnet between their eyes and his face.

"You can call me Huang Chen when we go on a date later." since Xiao Tian decided to pretend to be someone else, he needed to change his name too.

At first, he wanted to use 'Fu Ming' as his name, but after thinking for several seconds, he decided not to do that.

He preferred to use his real name in his previous life because ever since he took over Xiao Tian's body, no one had called him Huang Chen.

"All right." Ye Qingyu and Ye Xueyin spoke in unison.

They had guessed that Xiao Tian would use a fake name. That was why they were not surprised after hearing his words.

"From now on, every time we go on a date, I will use this face and name." after saying that, Xiao Tian held their hands and stared at them. "Let's go."

"Un." Ye Xueyin and Ye Qingyu nodded their heads.

When they were on the terrace, Xiao Tian immediately spoke, "Qingyu, let's use your car."

There were two reasons why Xiao Tian wanted to use his aunt's car. First, his mother's car only had two seats so it was impossible to use her car.

Second, it would raise suspicion if they used his car. That was why Xiao Tian suggested using Ye Qingyu's car.

"All right." Ye Qingyu replied.

After they got into the car, Xiao Tian asked again, "So, where are we going?"

"Just follow my directions." Ye Qingyu replied.

Ye Qingyu and Ye Xueyin still didn't want to tell him the place they wanted to visit.

After driving for several minutes, they finally arrived at their destination.

"Love Letter shop?" Xiao Tian had never visited the Love Letter shop, so he had no idea what kind of shop it was.

"Let's get out of the car and enter the shop." Ye Xueyin spoke cheerfully.

Even though Xiao Tian still wanted to know what kind of shop it was, he chose to remain silent and only followed his mother and aunt.

When they entered the shop, one of the waitresses greeted them. "Welcome to Love Letter shop."

When the waitress saw Xiao Tian, she could not help but keep stealing glances.

'What an attractive man!'

Ever since she worked at the Love Letter shop, Xiao Tian was one of the most attractive men she had ever seen.

That was why she kept stealing glances at him. She even didn't notice that he came with two gorgeous ladies.

After Ye Xueyin, Ye Qingyu and Xiao Tian walked past the waitress, Ye Xueyin giggled and spoke in a low voice, "Chen, she keeps stealing glances at you. It seems like she is attracted to you."

"Is that so? Should I seduce her now?" of course, Xiao Tian was joking around.

He only wanted to know what their reaction would be after hearing his words.

"No!" Ye Xueyin hugged his right arm tightly. "You are not allowed to seduce any woman!"

"Hehe." Xiao Tian could not help but laugh after seeing her cute behavior.

Even though Ye Qingyu said nothing, but she immediately held his left hand. It was as if she also wanted to tell him that he was not allowed to seduce any woman.

"So can you tell me what we are going to do in this shop?" Xiao Tian asked, "What kind of shop is this?"

"It's a shop for lovers." Ye Xueyin replied instantly.

"I see." Xiao Tian was not surprised after hearing her words because he had guessed that they would bring him to a romantic place. He just didn't expect it would be the Love Letter shop.

When they entered the room, Xiao Tian saw several couples talking with their lovers. The room was huge with many tables neatly arranged.

"Let's sit over there." Xiao Tian spoke as he pointed his middle finger at an empty chair.

"Alright." Ye Xueyin and Ye Qingyu answered in unison.

Due to how handsome he was, when Xiao Tian was walking to an empty chair, almost all the women stopped talking with their boyfriends and stared at him.

Of course, Xiao Tian knew about it, but he pretended as if he saw nothing. He didn't want to make his mother and aunt jealous by looking at them.

Ye Xueyin and Ye Qingyu, who noticed that almost all women were staring at Xiao Tian, did not feel jealous; Instead, they felt proud that their man could make them forget their boyfriends.

At first, almost all men wanted to curse Xiao Tian for making their girlfriends forget them, but when they saw Ye Qingyu and Ye Xueyin, they forgot to do that and only stared at them.

'They are so pretty!'

All men who saw Ye Qingyu and Ye Xueyin said in their heads.

'What a handsome man!'

All women who saw Xiao Tian spoke in their minds.

At that time, Xiao Tian, Ye Qingyu, and Ye Xueyin were like angels who descended from heaven.

Chapter 537 - Love Letter

7-8 minutes

Currently, Xiao Tian, Ye Qingyu and Ye Xueyin were sitting on the chairs. Like before, almost everyone kept glancing at them, but they behaved as if they knew nothing about it.

Not long after that, one of the waitresses walked over to their table and handed them the menu. Xiao Tian was shocked when he noticed that there were only drinks on the menu.

'Oh! There is no food on the menu? What a surprise!'

Of course, Xiao Tian didn't show it on his face and instantly ordered one of the drinks on the menu. After they finished ordering, the waitress immediately left.

Fifteen minutes later, the waitress came with their orders. After putting their orders on the table, the waiter gave them three pieces of paper and three pens.

"Please write a love letter on these papers for your lover before you leave." The waitress then pointed her index finger at the white foam board hanging on the wall. "If your love letter is memorable and interesting, we'll stick it on the white foam board over there. Not only that, you will also get a discount coupon from us that can be used immediately."

Upon hearing the waitress' words, Xiao Tian turned his head towards the white foam board she was pointing at.

On his right side, he saw a huge foam board shaped like a heart hanging on the wall. Half of the white foam board had a few love letters stuck to it.

"I see." Xiao Tian replied. "Thank you."

Because they didn't need anything anymore, the waitress left.

'Damn! Those men keep stealing glances at my women! Hey, stop it dude! Don't you have a lover too? Why are you still looking at my women? I know my women are more beautiful than yours, but they are mine.'

Even though Xiao Tian was annoyed because they kept stealing glances at his women, but he could do nothing about it.

His aunt and mother were attractive ladies, so it was normal if they kept stealing glances at them.

Ye Qingyu and Ye Xueyin, who saw his expression, could not help but giggle. Although Xiao Tian didn't say a word, but from his expression, Ye Qingyu and Ye Xueyin knew that he was unhappy when almost all men kept stealing glances at them.

This made them thrilled because it was rare for him to behave like that. Of course, they also knew that many women kept stealing glances at him, but they didn't care about it because they could only stare at him while Ye Qingyu and Ye Xueyin could do more than that.

'Damn! He came to this shop with two gorgeous ladies!'

'If only those two pretty ladies were my women. I would be smiling in my sleep.'

'They are so attractive! How could he have two beautiful women as his lover?'

'Are those two lovely ladies his women?'

'Damn! It makes me so envy of him.'

All men, who kept stealing glances at Ye Qingyu and Ye Xueyin, were envious of Xiao Tian's luck in women.

Not only were his women stunning, but he also had two good-looking women. They even wondered why his women were not angry at him for having more than one woman.

While almost all men were jealous of Xiao Tian's luck in women, all the women were also jealous of Ye Qingyu and Ye Xueyin.

'What a handsome man!'

'If only he is my man. I can show off to all my friends.'

'Ahh.. He is so attractive! I don't mind if he wants me to be his mistress too.'

'He is much more handsome than my lover.'

'Those two ladies are sure lucky.'

'Ah...look at his face! He is so dazzling!'

'How could there be such a perfect man in this world?'

Since Xiao Tian, Ye Qingyu and Ye Xueyin appeared at the Love Letter shop, almost all couples were unable to focus on their lover.

Some of them were jealous of Xiao Tian, while others were envious of Ye Qingyu and Ye Xueyin.

On the flip side, Xiao Tian, Ye Qingyu and Ye Xueyin were talking happily. They were joking, laughing and flirting with each other, causing the other couple to become even more jealous.

After talking for more than thirty minutes, Xiao Tian, Ye Xueyin and Ye Qingyu began to write love letter.

'What should I write?'

Ye Qingyu and Ye Xueyin could not describe their feelings in words. Even though there was a time where they had a fight with Xiao Tian, but since Xiao Tian became their boyfriend, they felt their life had become more colorful.

Xiao Tian, on the other hand, kept staring at them. Of course, he knew what they were thinking. For this reason, his smile never disappeared from his face.

After writing for more than thirty minutes, Ye Qingyu and Ye Xueyin finally finished writing their love letters.

Because they had to give their love letters to the waitress, Ye Qingyu called one of the waitresses.

When the waitress was in front of them, she immediately spoke, "Is there anything I can help?"

"We have finished writing love letter." Ye Xueyin replied instantly. "Here is my love letter."

Ye Qingyu and Xiao Tian immediately gave their love letters to the waitress too. As usual, the waitress read it right away to determine whether their love letters were attractive or not.

First, the waitress read Ye Xueyin's love letter.

"Dear....

I want you to know that no one can replace you....

My life becomes more colorful since I met you....

I never knew how joyous life could be until I met you....

Before I met you, I didn't believe it was possible to love someone so deeply and completely....

You are like a sun in my life....

Thank you for the late-night laughs and the early morning kisses...

Thank you for holding my hands throughout this life...

And thank you for appearing in my life and loving me....

Love you forever and always..."

The waitress nodded her head in satisfaction.

'This is a good love letter, but it's not outstanding enough.'

Then the waitress read Ye Qingyu's love letter.

"Darling...

As I am writing this letter, I have thousands of thoughts running through my mind....

Through this letter, I wanted to express my love for you that is honestly hard to put into words....

There isn't a day that goes by when my mind isn't thinking of you....

I want to give you all of the happiness the world could possibly give...

I want you to know that I love you so much...

To the point, I don't know what will happen to me if you are not by my side...

I haven't regretted a moment in your company, and that is how I know that I am lucky to have found you...

I love you Today, Tomorrow, Forever ...

I'll never stop loving you..."

The waitress nodded her head in satisfaction again.

'They are good at writing a love letter.'

The waitress stared at Ye Qingyu and Ye Xueyin.

When Ye Qingyu and Ye Xueyin noticed the waitress nodding her head, they could not help but smile.

From the waitress' expression, they knew that their love letters were good. They suddenly wished their love letter was good enough to be pinned on a white foam board so that anyone could tell how much they loved their boyfriend.

When the waitress saw Xiao Tian's love letter, the expression of deep shock emerged on her face.

'What?!'

Chapter 538 - Chen, What Did You Write?

6-7 minutes

The waitress immediately stared at Xiao Tian and asked, "This is..."

The waitress was at a loss for words when she saw Xiao Tian's love letter. Ever since she worked at the Love Letter shop, she had never experienced anything like it.

"Hmm? What's wrong?" Xiao Tian inquired.

When Ye Qingyu and Ye Xueyin saw the expression on the waitress' face, they suddenly wanted to know the reason why the waitress stared at Xiao Tian like that.

"Chen, what did you write?" Ye Qingyu spoke abruptly.

"I wrote nothing." Xiao Tian gave an honest answer.

"You didn't write anything?!" his words much surprised Ye Qingyu.

Ye Qingyu finally understood the reason why the waitress was surprised after looking at his love letter.

Not only Ye Qingyu and the waitress who were shocked, but Ye Xueyin was also startled. "Chen, we have to write a love letter before leaving. You know about it too, right?"

"I know." Xiao Tian replied calmly.

"So why didn't you write anything? Don't tell me. You have no feelings for us?" Ye Xueyin showed a sad expression because she thought she and her younger sister were no longer important in his heart.

She knew that they had a big fight not long ago, but she didn't expect their place in his heart to drop drastically.

Not only Ye Xueyin, but Ye Qingyu also wore a sad face. At that moment, she also thought that she had no place in his heart.

When Xiao Tian saw the expression on their faces, he began to explain why he didn't write anything. "The reason I don't write anything is not because I don't love you; instead, it's the opposite."

Upon hearing his words, Ye Qingyu and Ye Xueyin stared at Xiao Tian intently.

Xiao Tian then continued, "My feelings for both of you, the happiness I have felt since I met you two or how much important both of you are to me. I can't describe it in words. That's why I didn't write anything because words are not enough to describe my feelings."

"Chen.." Ye Xueyin stared at Xiao Tian and held his right hand.

Due to how happy she was after hearing his words, tears formed in her eyes. Like Ye Xueyin, Ye Qingyu also instantly held his left hand.

The feeling of sadness that she felt before instantly disappeared without a trace. Not only that, but a beautiful smile suddenly arose on her face.

"I see." The waitress suddenly understood the reason why Xiao Tian didn't write anything.

Even though no one had ever done what Xiao Tian did, but after hearing his explanation, the waitress could accept it.

She even thought that his explanation made sense and was also amazed by it. For this reason, she wanted to tell her boss so that they could decide whether they should pin his love letter or not. "Please wait a moment. I will be back."

"Sure." Xiao Tian replied as he smiled.

"Why did she suddenly leave?" Ye Xueyin asked curiously.

"I don't know." Xiao Tian had no idea as to why the waitress suddenly left like that.

"Maybe one of our love letters is good enough to be pinned on the white foam board." Ye Qingyu replied.

"Make sense." Ye Xueyin and Xiao Tian answered in unison.

After discussing with her boss for about five minutes, the waitress returned.

She then gave Xiao Tian a discount coupon and spoke, "Congratulation. Even though you didn't write anything, your love letter has been selected to be pinned on a white foam board. This is a 50% discount coupon. You can use it immediately."

"Thank you." Xiao Tian took the discount coupon as he smiled at the waitress.

"Chen, you are amazing." Even though her love letter was not chosen, Ye Xueyin was delighted because Xiao Tian's love letter would be pinned on the white foam board.

"I didn't expect your love letter would be pinned on the white foam board despite the fact that you didn't write anything." Ye Qingyu was not disappointed when she knew that her love letter was not chosen to be pinned on the white foam board.

"I'm just lucky." Xiao Tian also didn't expect that his love letter would be chosen to be pinned on the white foam board. "Alright. Let's pay for the drinks and go to our next destination."

"Un." Ye Xueyin and Ye Qingyu answered as they rose from their chairs.

After paying for the drinks, they immediately left. What they didn't know was that several people looked at Xiao Tian's love letter when they noticed the waitress pinning his love letter on the white foam board.

"What? He wrote nothing and still get chosen to be pinned on the white foam board?! How could it be?"

"What the hell is this?"

"How could his love letter get chosen when he didn't write anything?"

Several people voiced out their feelings. They found it hard to believe that Xiao Tian's love letter was chosen to be pinned on the white foam board despite the fact that he wrote nothing.

When the waitress saw the uproar in front of the white foam board, she immediately explained, "The reason he wrote nothing was not because he didn't know what to write. It's because he couldn't describe his feelings in words."

"If I knew I could give an empty paper, I would have done it in the past."

"So, this is the reason why he didn't write anything."

"Make sense."

"I see."

One by one, they began to understand why the waitress pinned Xiao Tian's love letter on the white foam board.

Earlier, when they wrote a love letter, they chose their words carefully or tried their best to make their words as beautiful as possible so that their love letter could be chosen to be pinned on the white foam board.

They finally realized they were making simple things complicated. Since then, Xiao Tian became famous in the Love Letter shop because despite the fact that he wrote nothing, his love letter was pinned on the white foam board.

"So, where are we going next?" Xiao Tian asked.

Chapter 539 - Going To A Drive-in Movie

7-8 minutes

"Let's go to a drive-in movie." This time, Ye Qingyu told him where the next place they wanted to visit.

"Drive-in movie?" he suddenly remembered the time where he went to a drive-in movie with one of his women in his past life.

At that time, they had a hot moment when they were watching a movie. Of course, they didn't have sex because it was impossible to do that. They only had a passionate kiss and did a little more than that.

"Yes." Ye Xueyin answered abruptly. "Let's buy popcorn first before going to a drive-in movie."

"Sure." Xiao Tian agreed with her idea because eating popcorn while watching a movie was a good idea.

"Let's go." Ye Xueyin spoke cheerfully as she pointed her index finger forward.

Xiao Tian and Ye Qingyu, who saw her behavior, could not help but laugh. Even though Ye Xueyin was already in her mid-thirties, but she often acted like a teenager.

Of course, in his eyes, her behavior was cute and adorable. "By the way, what is the name of the movie that will be shown? Will there be an adult scene later?"

Ye Xueyin and Ye Qingyu stared at each other before finally laughing together. "Hahaha..."

"Why are you laughing?" Xiao Tian inquired.

"You are getting more and more perverted." Ye Qingyu and Ye Xueyin answered in unison.

Of course, they knew what he had in mind. They even believed that he would do something lewd to them later.

The corner of his lips twitched after hearing their words. Not only did they not give him an answer, but they even stated that he had gotten even more perverted.

"What do you mean by that, ladies? I'm a gentleman, so it's impossible for me to be a pervert." Xiao Tian pretended as if he was a gentleman and not a pervert.

"If you are a gentleman, why did you fuck your mother and aunt?" Ye Xueyin spoke and paused for a second before she continued, "Not only that but you even often had sex with us and asked us to buy a crotchless lingerie."

'But you two were the ones who started it!'

Xiao Tian shouted in his head.

"Big sis, I'm even sure he will do something lewd to us later. For example, like kissing us passionately." Ye Qingyu stated.

"I think so too." Ye Xueyin also believed that Xiao Tian would do something lewd to them when they were watching TV later.

However, because he was her man and they had had sex many times, she would not mind it. As long as he didn't ask for sex when they were watching TV, she would let him do whatever he wanted. Of course, she would not say it because it would make him bolder later.

"Ladies, how could you say something like that?" Even though what they said was true, Xiao Tian behaved as if he had no intention of doing adult things with them later.

"Are you sure you don't plan to do something lewd to us later?" Ye Qingyu inquired.

"Yes. I promise." Xiao Tian replied.

'..to do lewd things to you two later.'

He added in his head.

Ye Qingyu turned her head towards her big sister and spoke, "Big sis, if he wants to kiss us or do lewd things to us later, we should stop him because he has promised not to do anything to us."

"Un." Ye Xueyin nodded her head. "Don't let him do anything to us later."

Is that so? We will see about it later. Xiao Tian thought to himself.

After buying popcorn, they immediately bought a ticket. Because they arrived early, there were only a few cars in the field.

The place was huge, with a giant TV in the front corner of the field. Because of how vast the field was, it was enough to hold two hundred cars.

There were also car park signs so that anyone could not park their vehicle carelessly. The distance between cars was at least two meters, with the distance from front to back was at least three meters.

'Hm. Where should I park the car?'

Because Xiao Tian wanted to avoid the slow-moving caravan after the double feature, he decided to park the car near the exit.

After parking the car, Xiao Tian and Ye Xueyin moved to the back seats. They didn't get out of the car because no one was allowed to do that.

Because the front seats disturbed their vision of the TV screen, they decided to lower the seat cushion.

Seconds turned into minutes, and without realizing it, they had been waiting for about thirty minutes. Not long after that, the movie was started.

Of course, Xiao Tian was sitting between his mother and aunt because it was his favorite place. "The movie is already started."

As they were watching a movie, Ye Qingyu and Ye Xueyin focused on the TV screen, causing Xiao Tian to pinch their cheeks.

"Chen, why are you pinching my cheeks?" Ye Qingyu and Ye Xueyin asked in unison.

"Ladies, I know the movie is interesting, but aren't you forgetting me, your beloved lover?" Xiao Tian then placed his right arm around his aunt's neck while the other arm around his mother's neck.

"Because the movie is more interesting. Hehe." Ye Xueyin spoke before turning her head to her younger sister. "Isn't that right, Qingyu?"

"Yes. Hehe." Ye Qingyu answered as she giggled.

"You dare t-" before Xiao Tian had finished his words, suddenly it rained. "Oh! It's raining."

Because it was only light rain, the drive-in movie was not stopped.

"Chen, turn on the wiper. I can't see the movie." Even though it was only light rain, it still made Ye Xueyin unable to see the movie.

"All right." Xiao Tian turned on the car wiper before sitting between them again. Coincidentally, it was a kissing scene. This made Xiao Tian desire to copy the scene. "Oh! It's a kissing scene. Let's copy it."

However, when he was about to kiss his aunt, Ye Qingyu stopped him. "Didn't you say you would not do anything to us earlier?"

"Eh! Did I say something like that? I believe I didn't say anything like that." Xiao Tian denied shamelessly.

"You did say it." Ye Qingyu then turned her head to her big sister. "Isn't that right, big sis?"

"Yes." Ye Xueyin replied instantly. "Chen, you are not allowed to do anything lewd to us. You have to keep your promise."

Even though she said something like that, but if Xiao Tian still desired to kiss her, she would let him do that.

"Forget what I said earlier. My women are so attractive, so it's impossible for me not to kiss them. And the atmosphere is also perfect for a kiss." Of course, Xiao Tian would not take no for an answer.

Because earlier, his aunt stopped him from kissing her, Xiao Tian turned his head to Ye Xueyin and kissed her lips.

Xiao Tian was sure that she would accept it because she loved kissing him. And what he had guessed was right because when he pressed his lips against hers, she immediately welcomed the kiss.

Because the actress and actor in the movie were having a deep kiss, Xiao Tian also kissed her passionately.

Chapter 540 - I Was Joking, You Know

6-7 minutes

As Xiao Tian and Ye Xueyin were having a hot kiss, Ye Qingyu only stared at them. Actually, she had guessed that her big sister would allow him to kiss her passionately.

After having a deep kiss with Ye Xueyin for several seconds, Xiao Tian broke the kiss and wiped away his saliva from his lips, "I'm full. Thanks for the meal. It's a pity that I can't have my dessert now."

"Ho, so you think of me as a dessert, huh?" Ye Qingyu spoke as she pinched his cheeks.

Instead of defending himself, Xiao Tian only laughed, "Hehe. You are indeed my dessert because, without you, I will die from starvation."

"If we are your meal and dessert, then what are you?" Ye Qingyu wanted to know what he would say after hearing her words.

"I'm..." Xiao Tian touched his chin for three seconds before answering, "I'm the one who will eat you. Hehe."

"That's not fair!" Ye Xueyin spoke abruptly. "If we are a meal and dessert, then you are also our food."

"Sure." Xiao Tian suddenly had an exciting idea to tease them. "If so, then do you want to eat my sausage?"

Of course, Xiao Tian was joking around, but if they wanted to give him a handjob or blowjob, he would not refuse it.

It was raining outside, so as long as they didn't make a sound, no one would know what they were doing.

This time, Ye Qingyu pinched his ears and spoke, "It seems like since we are going out, your mind has gotten dirtier and dirtier. You even always want to do lewd things with us."

Of course, Ye Qingyu knew what he meant by sausage because every man was born with one sausage.

Like before, Xiao Tian only smiled after hearing her words. "Hehe."

"Yes. I want to eat sausage now." Ye Xueyin then stretched out her right hand. "Give your sausage to me."

"Eh!" Xiao Tian and Ye Qingyu turned their heads towards Ye Xueyin reflexively.

'Wait! Don't tell me. She doesn't understand what I mean by sausage?!'

At that moment, Xiao Tian suddenly wondered whether she was pretending not to know what he meant or she really didn't get it.

"Big sis, you want to eat his sausage here?" Ye Qingyu looked at her big sister in disbelief.

"Why?" Ye Xueyin wore an innocent expression. "Is there something wrong with it?"

"Of course not." Xiao Tian's lips curled into a grin.

However, when Xiao Tian was about to unzip his trousers, Ye Qingyu hit his hands and spoke, "Don't do that! There are a lot of people around us now."

"What's wrong, Qingyu?" Ye Xueyin inquired.

Because her big sister seemed like she didn't get it, she began explaining. "Big sis, what he means by sausage is his cock."

"Eh! His cock?!" the expression of deep shock blossomed on Ye Xueyin's face after hearing Ye Qingyu's words. "I'm fine if you want to have sex with me, but not here. There are a lot of people around us now. But if you can't hold back anymore, we can have a passionate kiss again."

At that moment, Ye Xueyin thought Xiao Tian desired to have sex with them in the car.

"Haha." Xiao Tian laughed awkwardly. "I was joking, you know."

'If she were Shi Fei, I'm sure she would have given me a handjob or blowjob by now.'

Xiao Tian suddenly remembered Shi Fei.

"Let's watch the movie again." Xiao Tian spoke.

To his surprise, Ye Qingyu suddenly kissed his cheeks. When Xiao Tian turned his head towards her, she immediately spoke, "Please wait a little longer. After we arrive home, we can do that."

Xiao Tian pinched her nose and smiled, "Sure. Hehe."

Like before, they watched the movie again.

'It seems like they always think of me as a pervert.'

With what he had been doing to them, Xiao Tian was not surprised when he found out that they always thought of him as a pervert.

As they were watching TV, Xiao Tian held their hands tightly. With their heads leaning on his shoulders, coupled with the sound of a raindrop on the roof of the car, Xiao Tian felt as if they were in heaven.

At that time, they hoped that they could stop time so that they could enjoy their great night forever. Without realizing it, the movie was ended.

"So, do you still want to go somewhere or go home?" Xiao Tian inquired.

"Let's go home." Because it was still raining, Ye Xueyin thought it was better to go home.

"Yes. Let's go home." Ye Qingyu added.

"All right." Because their car was near the exit, they could leave immediately.

Because they still hadn't eaten anything, Xiao Tian decided to buy some food and drink before going home.

After arriving home, they immediately ate dinner together. At first, they wanted to watch TV together in the living room, but because it suddenly rained heavily, they changed their minds.

"Luckily, we have arrived home." Xiao Tian spoke abruptly.

He was currently lying down on the bed with his mother and aunt on both of his sides.

"But because of the rain, we have to go home." There were still places she wanted to visit. That was why Ye Xueyin showed a sad expression when she said that.

"Don't worry. There is still another time." Xiao Tian answered. "And I think spending time at home is not a bad idea too. At least we can still enjoy our time together now."

"You are right." Ye Xueyin replied cheerfully.

"I will try my best to finish my job as quickly as possible so that we can go out again." Xiao Tian knew that there were still places that his mother and aunt wanted to visit.

That was why he would try his best to finish his job as soon as possible so that he could go out again.

"Promise?" Ye Xueyin spoke as she raised her pinky

"Promise." Xiao Tian intertwined his pinky with hers.

Ye Xueyin smiled happily when Xiao Tian promised to bring them somewhere again.
