Chapter 541 - Plans To Take Over The Hong Family's Wealth

The following morning, Xiao Tian went straight to Star Clothes company after having breakfast with his mother and aunt.

Because he had a lot of work to do, he wasted no time and immediately worked. As he was working, his smartphone suddenly rang.

When he knew it was Chun Hua, he immediately picked up the phone. "Hello?"

"Sir, we have found people who can pretend to be the Hong family." Chun Hua went straight to the point.

Xiao Tian was pleasantly surprised after hearing her words. He thought it would take several days for her to find people who could pretend to be the Hong family. "Do they know your real identity?"

"No, Sir. I wore a mask when I met them." Chun Hua knew that she had to hide her identity. That was why she wore a mask when she was looking for people who would pretend to be the Hong family.

"Good. Let's meet at...." Because it was an important meeting, Xiao Tian thought they had to meet in a private place so that no one would know about it. "I will send you the location in a few minutes."

At first, he wanted them to meet at Blue Ice Lotus gang headquarters, but after thinking for several seconds, he suddenly thought it was a bad choice. That was why he changed his mind.

"All right." Chun Hua then hung up the phone.

Where is a good place to meet? Xiao Tian thought to himself.

Xiao Tian suddenly remembered Lan Ruoxi. She had a private room in her bar. For this reason, he immediately called her.

"Young master Xiao, do you need anything?" Lan Ruoxi asked after picking up the phone.

"Can I use your private room later?" Xiao Tian began to explain the reason why he needed a private room.

"I see." Lan Ruoxi replied after he finished explaining everything. "You can use it. When will you come?"

"Right now." Because he had a lot of work to do, he wanted to finish it as soon as possible.

"Alright. You can come to my bar now." Lan Ruoxi answered.

"Perfect! I will ask Chun Hua to bring them to your place now." After saying that, Xiao Tian hung up the phone.

Because Xiao Tian needed to hide his identity, he traveled to his apartment to change his car and wear his golden mask.

On the way to Red Flower Bar, Xiao Tian informed Chun Hua to bring them to Lan Ruoxi's bar.

Because Xiao Tian was wearing a mask, Lan Ruoxi's underlings didn't know that it was Xiao Tian. For this reason, they stopped him when he was about to head to the second floor.

"Who are you?" one of Lan Ruoxi's underlings spoke. "Why do you want to go to the second floor?"

The second floor was not open to everyone. For this reason, they wanted to know who Xiao Tian was or why did he want to go to the second floor?

However, when Xiao Tian was about to speak, Lan Ruoxi appeared from behind her underlings. "Let him in."

Because she guessed that Xiao Tian would come with his other identity, she knew that her underlings would stop him. That was why she headed to the first floor.

"Big sister Lan." Her underlings immediately greeted her when they knew that Lan Ruoxi was behind them.

"From now on, whenever he comes to my bar, let him in." Lan Ruoxi spoke to her underlings.

"Understood." Her underlings spoke in unison.

Lan Ruoxi turned her head towards Xiao Tian and spoke, "Let's head to the second floor."

"All right." Xiao Tian then followed her to the second floor.

After they reached the second floor, they immediately headed to the private room.

"How do you plan to take over their wealth after this?" Lan Ruoxi inquired.

Currently, they were sitting on the couch, facing each other.

"First, I need to find someone who can copy their signatures." Xiao Tian gave an honest answer. "After that, it will be easy for me to take over their wealth with the help of fake Hong family members."

"Someone who can copy signatures?" Lan Ruoxi touched her chin. "I think I know someone who can do it. He can copy any signature perfectly in no time."

"Really?" Xiao Tian was pleased after hearing her words. "Can you introduce that person to me?"

"Sure." Lan Ruoxi answered as she smiled, "But what will you give me in return?"

"How about a limited edition clothing design from my company?" Xiao Tian had no idea what she needed at that moment, so he offered to give her a limited edition clothing design.

"But I already have a lot of clothes." Lan Ruoxi replied instantly.

"How about money?" Xiao Tian asked again.

"I'm not in short of money now." Lan Ruoxi rejected again.

Because she declined his offer twice, Xiao Tian immediately asked, "So, what do you want? As long as it's within my reach, I will do it."

"Haha." Lan Ruoxi covered her mouth and giggled, "I was joking, you know. I don't want anything from you. Think of it as a friend helping you."

"Oh! Well, if you want me to accompany you somewhere again, just tell me. Think of this as a gratitude from me." Lan Ruoxi had helped him many times, so he also wanted to do something for her because he didn't like being indebted to others.

"You just want to pretend to be my lover and take advantage of me again, right?" Lan Ruoxi thought Xiao Tian wanted to take advantage of her again. That was why she said something like that.

"Oh! You can read my mind?!" Xiao Tian pretended to be surprised.

Actually, Xiao Tian didn't have such thoughts, but since he had taken advantage of her when they were in Beijing, he pretended as if he would take advantage of her again.

"I know what a playboy like you has in mind. Maybe I should tell your women what you did to me in Beijing later." of course, Lan Ruoxi was joking around. She said that because she wanted to tease him.

"Sure. Go ahead. Maybe they will be happy because they will get a sexy and mature sister like you." Xiao Tian was not afraid if she told his women about what he had done to her in Beijing, because he was sure that his women would not mind it.

"It looks like your women are under your control now." Previously, Lan Ruoxi thought Xiao Tian would tell her not to do that because she thought it would ruin his relationship with his women again.

"Well, I don't know about it, but what I do know is they will not be angry with me." Xiao Tian was slowly able to control all his women. That was why he managed to make his mother and aunt meet his women.

"As expected of playboy, you are sure amazing." Lan Ruoxi replied as she giggled. "You truly have the same personality as young master Zhao Sheng."

"Oh! By the way, where is he?" Xiao Tian inquired.

"He is training martial arts with his grandfather." The reason why Lan Ruoxi knew that Zhao Sheng was training martial arts with his grandfather was that he told her about it.

"I see." Xiao Tian replied.

Not long after that, Chun Hua informed him that she was already at Red Flower bar.

Chapter 542 - Plan

6-7 minutes

"Has she arrived at my bar?" Lan Ruoxi inquired.

"Yes. Can you tell your underling not to stop them later?" Xiao Tian was too lazy to walk to the first floor. That was why he intended to tell Chun Hua to go to the second floor.

"Sure." Lan Ruoxi rose from the couch and walked out of the room because she was not needed there.

After Lan Ruoxi left, Xiao Tian called Chun Hua and told her to head to the private room.

Knock...Knock...Knock...

"Sir, it's me." Chun Hua spoke after knocking on the door.

"Come in." Xiao Tian replied.

After Xiao Tian gave permission to enter, Chun Hua and four other people entered the room.

When Chun Hua was in front of Xiao Tian, she immediately spoke, "They are the ones who are willing to pretend to be a member of the Hong family."

"Please sit down." Xiao Tian spoke as he smiled.

"Thank you." After saying that, they sat on the couch.

"I'm Qing Feng, the owner of Eternal Beauty company." Xiao Tian introduced himself. "Can you tell me your name?"

A mature man, who had the same posture as Hong Guan Ji, spoke, "My name is Yanmo."

"I'm Emy." A mature woman, who had the same posture as Yi Yi, introduced herself.

"My name is Yaozu." A young man, who had the same appearance as Hong Duan, spoke.

"I'm Quan." A young man, who had the same posture as Hong Jun, introduced himself.

Xiao Tian became even happier after hearing their voices because their voices were almost the same as the voice of the Hong family members.

'Not only do they have the same posture as the Hong family members, but they also have the same voice. We only need to makeover their faces, and I'm sure no one will know that they are not the Hong family members.'

Xiao Tian was satisfied with her work. He didn't expect Chun Hua to find people like them so quickly.

Xiao Tian then looked at them and spoke, "All of you know that you will pretend to be a member of the Hong family for several days, right?"

"Yes." Yaozu and the others answered in unison.

"First, I want to inform you that I will give each of you 400,000 Yuan after you complete your mission." Xiao Tian spoke and paused for a second before he continued, "You don't need to worry about your safety when you pretend to be the member of the Hong family because my underlings will protect you later."

Xiao Tian didn't mind giving each of them 400,000 Yuan because after he took over the Hong family's wealth, he would get more than forty million Yuan.

Not only would he get a lot of money, but he would also get the Hong family business. It was as if he had won the lottery.

Yaozu and the others were thrilled when they knew that Xiao Tian would give each of them 400,000 Yuan because, for them, 400,000 Yuan was a lot of money.

"But if any of you dare to tell anyone about this..." Xiao Tian spoke and paused for a second before he continued, "I will make that person disappear from this world."

"Don't worry, Sir. We won't tell anyone about this." Yanmo knew that it was a risky job and he could lose his life because of it. However, for the sake of money, he would do anything.

"Yes. We won't tell anyone about this." Emy really needed money for her family.

"Yes. We promise we won't tell anyone about this." Quan and Yaozu spoke in unison.

"Good." Xiao Tian was satisfied after hearing their answer. "In the future, if you buy something from my company, I will give you a discount."

"Thank you, sir." Emy and the others replied in unison.

"We will begin our mission the day after tomorrow, so prepare yourself well. Remember, I don't want any of you to make a mistake later, because it will ruin my plans." The reason Xiao Tian didn't carry out his plans immediately was that he wanted them to prepare themselves first.

It was an important mission, so he didn't want the slightest mistake to happen. Otherwise, it would backfire him later.

"All right." Quan and the others replied in unison.

Xiao Tian then turned his head towards Chun Hua and spoke, "Send ten people to protect them in secret."

"Understood." Chun Hua replied as she nodded her head.

"You can leave now." Because there was nothing to discuss anymore, Xiao Tian wanted to return to his company so that he could work again. "Remember what I said earlier."

"Yes, sir." Chun Hua and the others then left.

After they left, Lan Ruoxi entered the room. "Oh! Already finish?"

"Yes." Xiao Tian answered as he rose from the couch. "Thank you."

"Do you want to return to your company now?" Lan Ruoxi inquired.

"Yes. I still have a lot of work." Xiao Tian could not waste his time because he had promised his mother and aunt that he would finish his work as quickly as possible.

"All right." Lan Ruoxi answered.

"I'm leaving." Xiao Tian then walked out of the private room.

After Xiao Tian reached his office, he wasted no time and immediately worked. He worked until 08:30 pm before finally going home.

"I'm home." Xiao Tian spoke when he was in the living room. From his voice, anyone could tell that he was tired.

"Welcome home." Actually, Ye Xueyin wanted to jump into his arms, but when she noticed his tired expression, she decided not to do that. "Tian, you look very tired."

"Yes. I'm really tired." Xiao Tian replied instantly. "I want to take a bath first."

"Un." Ye Xueyin nodded her head.

After taking a shower, Xiao Tian laid prone on his bed.

'Sigh. I'm tired. My mind is tired.'

Earlier, Xiao Tian brought his work home so that he could work again.

When Ye Xueyin entered his room and saw him lying prone on the bed, she immediately sat next to him. "Tian, are you alright?"

Xiao Tian laid on his back and pulled her towards him, causing her to fall on top of his body. Without waiting for another second, Xiao Tian embraced her, "Let me hug you."

Chapter 543 - I Hope Everything Will Go According To My Plan Later

7-8 minutes

Xiao Tian's mind was calm when he laid down on the bed with Ye Xueyin in his embrace. For this reason, he slowly shut his eyes.

Her fragrance and the warmth of her body made Xiao Tian feel as if he was under a cherry blossom tree with a gentle breeze hitting his body.

At first, he only wanted to sleep for fifteen minutes before working again. But due to how tired he was, he ended up sleeping for more than fifteen minutes.

Ye Xueyin, who noticed it, only stared at his face. She really loved sleeping on top of his body with his arms wrapping around her waist.

It was as if his embrace was the most comfortable and safest place for her. As she was looking at his sleeping face, her face blossomed into a smile.

Due to how beautiful her smile was, anyone, who saw it, would think that the world had dimmed at that moment. It was a pity that no one saw her beautiful smile.

Seconds turned into minutes, and without realizing it, Xiao Tian had been sleeping for about three hours.

Currently, Ye Xueyin was still lying prone on top of his body. However, she no longer stared at his face because, at that moment, she had fallen asleep.

On Xiao Tian's right side, another beauty was sleeping soundly. That person was none other than his aunt, Ye Qingyu.

Earlier, after arriving home, she saw no one in the living room or kitchen. However, when she entered her nephew's room, she saw her big sister and nephew sleeping on the bed.

At first, Ye Qingyu watched TV in the living room because she didn't want to disturb them. But since no one accompanied her, she felt bored.

For this reason, she headed to her nephew's room and laid down next to him. Like her big sister, she also fell asleep after lying down on the bed for several minutes.

At 11:00 pm, Xiao Tian slowly opened his eyes. A soft smile spread across his face when he saw his mother's face.

The smile on his face grew bigger when he noticed his aunt sleeping on his right side. At first, Xiao Tian wanted to work immediately, but he changed his mind when he saw his mother's sleeping face.

'Well, staying like this for another five minutes isn't a bad idea too.'

Xiao Tian continued hugging his mother for another five minutes before finally putting her on the bed. Because he didn't want to wake his mother and aunt, he carefully got out of bed.

*Growling...Growling...

Because Xiao Tian hadn't eaten anything since afternoon, the worms in his stomach were doing a concert.

'I will eat instant noodles first before working.'

Xiao Tian immediately headed to the kitchen to make instant noodles. After eating, Xiao Tian returned to his room to work. Even though he was still sleepy, Xiao Tian forced himself to keep working.

'I have to finish this job as quickly as possible so that I can keep my promise to my mother and aunt.'

With that in mind, Xiao Tian continued working. However, at 03:00 am, Xiao Tian felt sleepy again.

In order to help him stay awake, Xiao Tian washed his face and made a coffee.

'My eyes hurt a lot.'

Because he worked on his laptop for several hours, Xiao Tian felt that his eyes hurt a lot. For this reason, he took a rest for ten minutes before finally working again.

Seconds turned into minutes, and minutes became hours. Without realizing it, it was already 05:15 am.

Due to how tired he was, Xiao Tian fell asleep again. He was sleeping on his chair with his head on the laptop.

At 05:30 am, Ye Xueyin and Ye Qingyu woke up. They sighed softly when they saw Xiao Tian sleeping on his chair.

'For the sake of his dream, he really works so hard.'

Ye Xueyin and Ye Qingyu got out of bed and walked towards him. Because they knew that he was worn out, they didn't wake him.

Ye Qingyu then grabbed his jacket and placed it on his back so that he would not catch a cold.

"Big sis, let's cook breakfast now." Ye Qingyu spoke in a low voice.

"Un." Ye Xueyin nodded her head.

Then they headed to the kitchen to cook breakfast.

At 06:20 am, Xiao Tian woke up. When he didn't see his mother and aunt in his room, Xiao Tian headed to the bathroom to take a shower because he had to go to his company again.

After taking a bath, Xiao Tian had breakfast with his mother and aunt before going to Star Clothes company.

Xiao Tian worked at Star Clothes company until 01:00 pm before finally traveling to Eternal Beauty company.

Like yesterday, Xiao Tian worked at his office until 09:00 pm. On the way to his home, he sighed in sadness because he could not spend time with his women.

Xiao Tian spent time with his mother and aunt for about two hours before finally heading to his room and working again.

At 05:00 am, Xiao Tian finally finished his job. Even though he only finished his work that needed to be done quickly, it still made him happy. In order to make him feel refreshed again, Xiao Tian took a bath.

'I feel refreshed again!💎💎💎'

After wearing clothes, Xiao Tian headed to the living room to watch TV. Because it was still 05:10 am, his mother and aunt were still sleeping.

'It's boring. There are no interesting films.'

Currently, it was already 05:30 am.

"Tian, you are already awake?" Ye Xueyin spoke when she saw Xiao Tian.

"I thought you were still sleeping." Ye Qingyu added.

Yesterday, they didn't sleep in his room because they knew that Xiao Tian would work again.

Xiao Tian rose to his feet and walked towards his mother.

"Good morning, my beautiful mother." After kissing his mother's cheeks, Xiao Tian did the same to his aunt. "Good morning, my gorgeous aunt."

"We will make breakfast first." Ye Qingyu and Ye Xueyin then headed to the kitchen.

After having breakfast with them, Xiao Tian traveled to Eternal Beauty company. Xiao Tian wasted no time and began to work.

However, he only worked for about thirty minutes before he remembered something important.

'Oh, right! We are going to carry out our plan today.'

Xiao Tian rose to his feet and left. At first, he wanted to go to Red Flower bar immediately, but he suddenly remembered that he needed to give documents to Shi Fei.

For this reason, Xiao Tian traveled to Star Clothes company. After changing his car and wearing a mask, Xiao Tian went to Red Flower bar.

When Xiao Tian entered the bar, he walked towards one of Lan Ruoxi's underlings and spoke, "Please let lady Lan know that I request to see her now."

"All right." Lan Ruoxi's underling answered. "Let me guide you to the waiting room."

After they reached the waiting room, Lan Ruoxi's underling left to inform her that Xiao Tian was waiting for her.

'I hope everything will go according to my plan later.'

Currently, Xiao Tian was sitting on the couch. Not long after that, the sound of someone opening the door could be heard in his ears.

As she was walking towards Xiao Tian, Lan Ruoxi spoke, "What brings you to my place so early in the morning?"

Chapter 544 - Before Carrying The Plan

7-8 minutes

After Lan Ruoxi sat next to him, she turned her head towards him and spoke. "I didn't expect that you would come to see me in the morning."

"Can you introduce me to the person who can copy any signature now?" Xiao Tian went straight to the point. "I will carry out my plans today."

"Now?" Lan Ruoxi didn't expect that he wanted to meet the person who could copy any signature so quickly. She thought Xiao Tian wanted to meet him in a few days.

"Yes." Xiao Tian replied as he nodded his head.

"All right. Let me change my clothes first." After saying that, Lan Ruoxi walked out of the waiting room.

Because Xiao Tian insisted on wanting to meet that person, she decided to agree.

After Lan Ruoxi changed her clothes, they went straight to Mosu town. In Wanhui district, there were twenty-five towns and twenty villages. Mosu town was one of the towns, which was located in the east part of the Wanhui district.

At first, Xiao Tian thought the person, who could copy any signature, had a luxurious house, but he was wrong.

His house was ordinary with a one-meter high iron fence. The front yard was not big, and there was a mango tree in front of his home.

Knock...knock...knock...

Lan Ruoxi knocked on the door.

Not long after that, a middle-aged man about forty-six years old opened the door. "Oh! Lady Lan, what brings you to my house?"

"Mr. Yu, we came to your house because we need your help." Lan Ruoxi answered as she smiled.

"I see." Then Yu turned his head towards Xiao Tian. "Oh! Isn't this Mr Qing Feng?"

"Hello, Mr Yu." Xiao Tian was not surprised when Yu knew about his other identity because his other identity was quite famous in Shanghai.

"He is the one who needs your help." Lan Ruoxi gave an honest answer.

"I see." Yu thought Lan Ruoxi was the one who needed his help. That was why he was a little shocked after hearing her words. Of course, he didn't show it on his face. "Please come in."

Then they headed to the guest room. The guest room was not big. There were only a blue sofa and two ocean paintings hanging on the wall.

After they sat on the couch, Yu immediately asked, "So, what kind of help do you need, Mr Qing?"

Actually, Yu was curious about Xiao Tian relationship with Lan Ruoxi. Ever since he knew her, she had never come to his house with a man other than her underlings.

However, he decided not to ask because it was rude to ask that in their first meeting.

Instead of answering Yu's question, Xiao Tian stared at Lan Ruoxi. He wavered whether he should tell the truth or not.

As if Lan Ruoxi could read his mind, she immediately spoke, "Don't worry. He won't tell anyone about it, and I also know him very well."

Because Lan Ruoxi said something like that, Xiao Tian began to explain everything. "Well, it's like this..."

Even though Xiao Tian told Yu the truth, but he also made up a story, saying that the Hong family had destroyed his business and family.

Lan Ruoxi, on the flip side, was amazed by Xiao Tian's story.

'He is so good at lying!'

Lan Ruoxi didn't expect that Xiao Tian was good at making up stories. It was as if Xiao Tian had prepared the story before coming to Yu's home.

"I see." Yu spoke after Xiao Tian finished telling him everything. "Because you are lady Lan's friend, I will only charge you 300,000 Yuan. Don't worry. It takes me two hours at most to perfectly copy their signature."

Xiao Tian almost cursed in his heart after hearing Yu's words. Even though 300,000 Yuan was nothing for him, but he didn't expect it would be that expensive.

"Alright. I accept it." If Xiao Tian asked Yu to lower the price, Lan Ruoxi would lose face. That was why he immediately agreed.

"When do you want me to copy their signature?" Yu inquired.

"Today." Xiao Tian answered instantly. "I will give you their signature later. I hope you can finish your job today."

"Sure. I will be waiting then." Yu replied instantly.

Because they had finished their business, Xiao Tian and Lan Ruoxi returned to her bar.

"Be careful later." Lan Ruoxi spoke. "Once you make a mistake, it can be fatal for you and your family."

Currently, they were sitting on the couch in the private room.

"I know." Xiao Tian agreed with her words because if the public knew that he wanted to take over the Hong family's properties, his life and companies would be in danger.

"Why don't you call the people who will pretend to be the member of the Hong family here?" Lan Ruoxi spoke and paused for a second before she continued, "You have to make sure that they are ready before executing your plan."

"All right." Xiao Tian then called Chun Hua to come to Red Flower bar with Emy and the others.

Thirty minutes later, Chun Hua and the others arrived at Lan Ruoxi's bar. They wasted no time and immediately headed to the private room.

"Sir, it's me." Chun Hua spoke after knocking on the door.

"Come in." Xiao Tian answered instantly.

This time, Lan Ruoxi was still sitting next to him. Previously, she wanted to leave, but Xiao Tian said it was fine if she wanted to stay. That was why she didn't leave the private room.

Chun Hua and the others were a little surprised when they saw Lan Ruoxi. They thought Xiao Tian was alone like the last time they met.

They didn't expect that Lan Ruoxi was also in the private room. Because Emy and the others were from lower-class families, they had no idea who she was.

After they sat on the sofa, Xiao Tian immediately spoke, "Are you ready?"

"Yes. We are ready, sir." Emy and the others replied in unison.

Xiao Tian then looked at Yanmo and said, "Yanmo, because you will pretend to be Hong Guan Ji, your role will be very important later."

"Don't worry, sir. I have memories everything." Yanmo replied confidently.

Two days ago, Chun Hua gave Yanmo and the others, documents about the Hong family, so that it could help them answer the reporters' questions later.

"If you are not sure about something, don't answer. Don't worry, I will be there too. And we're only going to invite two reporters later." At first, Xiao Tian wanted to invite many reporters, but after thinking carefully, he decided only to invite two reporters.

Yanmo and the others were delighted when they knew that Xiao Tian would come with them because, with this, he could help them if they could not answer the question or anything bad to happen to them.

"First, tell the reporters that you want to live abroad." Xiao Tian spoke and paused for a second before he continued, "After that, tell them that you have sold your properties to me."

"We understood, sir." Yanmo and the others replied in unison.

Xiao Tian then turned his head to Lan Ruoxi and asked, "Lady Lan, do you want to come with us?"

Chapter 545 - Inviting Reporters To The Company

6-7 minutes

His words much surprised her. Lan Ruoxi didn't expect Xiao Tian to invite her to come with them.

Not only Lan Ruoxi, but Yanmo and the others were also startled. Of course, they didn't say anything because Xiao Tian was their boss.

If Xiao Tian wanted to bring Lan Ruoxi with them, whatever they said, Xiao Tian would not listen to them.

There was even a high chance that Xiao Tian would get angry with them if they forbade him to bring her.

"Are you sure?" Lan Ruoxi wanted to make sure that Xiao Tian was not joking around.

"Yes." Xiao Tian answered as he nodded his head.

"Sure. I will come with you." Because Xiao Tian was not joking, Lan Ruoxi immediately accepted.

"But we can't let you appear in front of reporters later." Xiao Tian thought it would be dangerous if Lan Ruoxi appeared in front of reporters because it would raise suspicion.

"I know." Of course, Lan Ruoxi knew that she should not appear in front of reporters.

She had no close relationship with the Hong family, so if she suddenly appeared with them without a good reason, the reporters would ask her many questions later. Xiao Tian was different because the Hong family would sell their properties to him.

Xiao Tian rose from the sofa and spoke, "Let's go."

Then they went straight to the Hong family company headquarters. The company building was huge and had more than ten floors. After they parked the car, they entered the company.

"Good morning, sir"

"Good morning, madam."

"Good morning, young masters Hong."

One by one, the employees greeted Emy and the others when the employees saw them. Even though they wanted to know why they came to the company with Qing Feng and Lan Ruoxi, no one of them dared to ask that.

Of course, they were delighted when they knew that their boss had returned to the company because their boss disappeared for several days without information before.

Because Yanmo and the others had makeover their faces before coming to Lan Ruoxi's bar, none of the employees knew that they were not the real Hong family members.

Not long after that, they reached Hong Guan Ji's office. The office was big and luxurious.

Several paintings were hanging on the wall. In front of the workbench, a red sofa from a well-known brand added to the luxury of his workspace. If anyone saw Hong Guan Ji's office, they would know that he was a rich person.

After they sat on the sofa, Yanmo immediately spoke, "Should I call the secretary here?"

"You don't need to call him. You can inform him later." Xiao Tian didn't want Yanmo to call the secretary because the secretary would ask many questions to Yanmo later.

"All right." Yanmo replied instantly.

"And remember not to behave like this later. I'm Qing Feng, not your boss." Xiao Tian didn't want Yanmo to treat him like his boss because it could raise suspicion.

"Understood." Yanmo realized that he treated Xiao Tian like his boss earlier. He was pretending to be Hong Guan Ji and they were also in his office, so he should not do anything suspicious.

"After you are ready, you can ask your secretary to invite two reporters here." Xiao Tian wanted to give them time to prepare themselves before carrying out their plan.

"Un" Yanmo nodded his head.

Fifteen minutes later, Yanmo called his secretary and asked him to invite two reporters to the company.

Even though Yanmo didn't tell him the reason why Yanmo wanted him to invite reporters to the company, his secretary still did as he was told.

Thirty minutes later, the secretary informed Yanmo that the reporters were already in the auditorium.

Without waiting for another second, Xiao Tian and the others headed to the auditorium. Because Lan Ruoxi could not appear in front of reporters, she didn't enter with them.

At first, she wanted to wait for them in the company, but she suddenly changed her mind.

'I will wait for them at the coffee shop.'

Lan Ruoxi immediately headed to the coffee shop near the company.

"Thank you for coming," Yanmo spoke as he smiled. "The reason why I invited you is that I have some information for the public."

Currently, Yanmo and the others were sitting on the chairs. In front of them, two female reporters were also sitting on the chairs, a red-haired lady and a blue-haired woman.

At that time, Xiao Tian was sitting on Yanmo's left side while Emy and the others were sitting on his other side.

"Mr. Hong, can you tell us the reason why Mr. Qing is here?" a red-haired reporter wanted to know why Xiao Tian was with the Hong family.

"I will explain it later," Yanmo replied instantly. "That question is one of the reasons why I invited you to my company."

"Mr. Hong, there were rumors that you and your family suddenly disappeared without a trace a few days ago," blue-haired reporter said abruptly. "They even had no idea where you were or what you were doing. You and your family suddenly disappeared and could not be reached. Can you explain to us about this?"

"I was on a vacation with my family. Because we didn't want to be disturbed, we turned off our phones. That was why no one could reach us." Previously, Xiao Tian had told him there was a high chance that the reporters would ask it.

Because Xiao Tian had told him how to answer it, Yanmo could reply calmly.

"I see." The blue-haired reporter nodded her head.

Because Yanmo's answer made sense, the blue-haired reporter had no idea that he was lying to them.

"Why did you do that, Mr. Hong?" the red-haired reporter inquired. "Wouldn't doing that put your company in a dangerous situation?"

"I knew what I did was dangerous for my companies, but at that time, I really needed to calm my mind," Yanmo replied immediately. "Otherwise, it would be bad for my health. You do know that my mood and condition can affect the development of my companies, right?"

"That's true." The red-haired reporter nodded her head.

"All right. Now let me tell you the main reason why I invited you to my company." Yanmo spoke.

Chapter 546 - The First Step Went According To Plan

6-7 minutes

The reporters instantly paid attention to Yanmo carefully because they didn't want to miss a single word from him.

"First, I want to tell you that we are going to live abroad." Yanmo said calmly.

His words much surprised the reporters. They found it hard to believe what they were hearing. The Hong family was a well-known upper-class family, so they had no idea as to why the Hong family suddenly wanted to live abroad.

"You are going to live abroad?" the blue-haired reporter asked in disbelief. "Can you tell us the reason?"

"Yes. We want to know why you decide to live abroad." the red-haired reporter added.

"Actually, I have been discussing this with my family since two months ago." Yanmo spoke and paused for a second before he continued, "I have been working hard every day for more than twenty years and because of this, I rarely spend time with my family. We only live once and we are also getting older every day, so I don't want to die in regret later."

"What my husband said is right." Emy spoke abruptly. "We have saved up enough money, so now we want to enjoy ourselves. Spending time with my sons and husband every day is my only wish now."

The red-haired reporter then stared at Yaozu and Quan. "What do you think about this, young masters Hong?"

"I support their decisions." Yaozu, who pretended to be Hong Duan replied. "Every day, I always saw my father come home with a tired expression. My heart ached a lot every time I saw his tired face. That's why I will always support their decisions."

"Me too." Quan, who pretended to be Hong Jun, added. "I really want to see them enjoying themselves now. As long as they are happy, I, as their son, will always support their decisions."

At this moment, Quan and Yaozu were pretending to be good sons.

The reporters were touched by their words. Nowadays, every young people wanted to live in luxury. None of them wanted to abandon it.

But Quan and Yaozu were different. That was why the reporters considered them as filial children to their parents.

"If you all want to live abroad, then who is going to take care of your business?" the blue-haired reporter inquired.

Yanmo tapped Xiao Tian shoulders gently and replied, "We are going to sell our companies to Mr. Qing Feng."

Once again, his words much surprised the reporters. However, they understood why Yanmo wanted to sell their companies.

"Why did you choose to sell your companies to Mr. Qing?" the red-haired reporter inquired. "Is he your friend? Or because he will buy your companies with a good price?"

"We have known each other for quite a while now." Yanmo replied instantly. "Mr. Qing is a good person. When I told him my decision, not only did he support my idea, but he also offered to help me by buying my companies at a high price."

The blue-haired reporter turned her head towards Xiao Tian and asked, "Mr. Qing, why did you decide to buy the Hong family companies? Besides the two of you already know each other, is there another reason?"

"Mr. Hong has built good companies." Xiao Tian answered instantly. "I don't think I made the wrong decision because everyone in china knows their companies."

Then they continued for another thirty minutes before Yanmo ended it. After that, Xiao Tian and the others walked out of the auditorium.

When Xiao Tian didn't see Lan Ruoxi, he immediately sent a message to her, asking where she was. Lan Ruoxi immediately informed him that she would be waiting at the coffee shop near the company.

Then Xiao Tian and the others went straight to Hong Guan Ji's office. Because Yanmo had to inform his secretary that he was going to sell the company to Xiao Tian, he called his secretary.

The expression of deep shock emerged on the secretary's face when he learned that Yanmo was going to sell the company to Xiao Tian

However, because he was only his secretary, he could do nothing about it. Yanmo then introduced Xiao Tian to the other employees as the future owner of the company.

Of course, his words much surprised the employees. However, they didn't say anything and only greeted Xiao Tian because he would be their boss in the future. After taking important documents, they went to the coffee shop to meet Lan Ruoxi.

Xiao Tian told Yanmo to live at the Hong family's house for several days so that it would not raise suspicion. Xiao Tian didn't want any trouble to arise before he could take over the Hong family's properties completely.

They talked at the coffee shop for about twenty minutes before finally, they left. Because Xiao Tian knew that Yanmo didn't understand anything about the Hong family's companies, he told Yanmo not to return to the company and just stay at home.

Xiao Tian and Lan Ruoxi went straight to Yu's house so that he could immediately learn to imitate the signatures of the Hong family members. After that, they traveled to the Red Flower bar.

"I don't know what everyone's reaction will be if they know that Xiao Tian and Qing Feng are the same person. You started your business in less than a year and managed to raise your family's status from a lower-class family to a middle-class family. Now if you add up all your wealth with the Hong family's wealth, your family status can go straight to mid-upper-class family." Currently, Lan Ruoxi was sitting on

the couch in the private room. "Even though you are also using dirty methods, I think only you can manage to raise the family status from a lower-class family to an upper-class family in less than a year."

"And I will be even richer in the future." Xiao Tian spoke as he smiled.

His predecessor desired to be a rich person. Even though he was already rich, but he would make himself the richest person in the whole of China as a token of gratitude for letting him take over his body.

My predecessor, just you wait. Someday I will make everyone label you as the wealthiest person in the whole of China. Xiao Tian thought to himself.

Chapter 547 - Well, Because I'm Not Your Son

6-7 minutes

Xiao Tian talked with Lan Ruoxi for about thirty minutes before finally, he returned to Star Clothes company.

Even though he was tired from working non-stop since three days ago, he still tried his best to work.

However, at 03:00 pm, Xiao Tian was unable to hold back the tiredness he felt. For this reason, he went home and slept in his room.

Two hours since Xiao Tian slept in his room, Ye Qingyu arrived home.

'What? Tian has returned home?'

Ye Qingyu was startled when she saw Xiao Tian's car. It was still 05:00 pm, so she thought she would be home alone because usually, her big sister and nephew returned home between 05:30 pm - 06:00 pm.

Of course, this made her delighted because she could spend time with her nephew. With a smile on her pretty face, Ye Qingyu entered her home.

"I'm home." Ye Qingyu spoke when she stepped into the living room.

'Where is he?'

Ye Qingyu thought Xiao Tian would be in the living room, but she was wrong.

'Is he in his room? Don't tell me. He is working again?'

At first, Ye Qingyu wanted to head to his room immediately, but she changed her mind. She was still wearing formal clothes, so she wanted to change them first.

After changing her clothes, Ye Qingyu headed to his room. When she opened the door and saw Xiao Tian sleeping on his bed, she was a little disappointed.

'Well, he has been working very hard since three days ago, so I know that he will be worn out.'

Ye Qingyu closed the door carefully so that she would not wake him up. Because she had nothing to do, she watched TV with a low volume.

Of course, she felt bored, but she could do nothing about it. Her nephew was sleeping in his room while her big sister was still in her shop.

She just hoped that her big sister would come home soon so that she would not be alone anymore. As if God was on her side, five minutes later, Ye Xueyin arrived home.

"I'm home." Ye Xueyin spoke when she was in the living room. "Qingyu, is Tian at home? I saw his car in front of the house just now."

"He is sleeping in his room." Ye Qingyu replied instantly. "It seems like he is exhausted."

"You know what he did in the last three days, right? So it's normal that he is weary." Xiao Tian had worked very hard, so Ye Xueyin knew that he would feel fatigued later. "I know that you desire to spend time with him, but we should let him rest first."

"I know." Ye Qingyu replied.

After taking a bath, they watched TV together in the living room. When it was dinner time, Xiao Tian was still sleeping soundly. This left Ye Qingyu and Ye Xueyin at a loss for what to do.

Ye Qingyu stared at Ye Xueyin and asked, "Big sis, should we wake him up?"

Ye Xueyin didn't answer immediately because she herself also wavered whether she should wake him up or not.

However, when she remembered that he was worn out, she decided not to wake him. "Let him continue sleeping."

After eating together in the dining room, Ye Xueyin and Ye Qingyu headed to Ye Xueyin's room and chatted on the bed.

Because they talked happily, they didn't notice that it was already 10:00 pm. As they were laughing together, suddenly, the sound of someone opening the door could be heard in their ears.

*Click...

Ye Qingyu and Ye Xueyin turned their heads towards the source of the sound reflexively. When they found out that it was Xiao Tian, their faces blossomed into a smile.

"Tian..." Ye Xueyin instantly got out of the bed and walked towards him. "Since when did you wake up?"

"Just now." At first, Xiao Tian wanted to take a bath, but after hearing their laughter, Xiao Tian decided to enter his mother's room. "What were you talking about? If I heard correctly, you brought my name in your conversation earlier."

"We were talking about you when you were still a child and cute." Ye Xueyin gave an honest answer.

"When I was a child?" Xiao Tian suddenly became interested in listening to their conversation because there was no memory of his predecessor when he was a child.

Actually, he always wanted to ask about his predecessor's past since he took over Xiao Tian's body, but he always forgot to ask whenever he was with his mother.

Now that it was a perfect time to know about his predecessor's past, of course, he would not let the opportunity slip away.

"Kya.." Ye Xueyin was surprised when Xiao Tian suddenly carried her in a princess style. "Bad boy! You always did something without warning."

"Hehe." After putting his mother on the bed, Xiao Tian sat between his mother and aunt. "You can continue talking again now. I also want to know about my past."

"You don't remember anything?" Ye Xueyin asked in disbelief.

'Well, because I'm not your son.'

He replied in his head instantly.

Of course, he would not say it because it would cause trouble if he did that. "No. I don't remember anything about my past."

"You know. You were so cute when you were a child. Every time you saw me, you always ran towards me while shouting 'mother, mother.' Not only that, but you also smile every time you did that." Ye Xueyin spoke and paused for a second before she continued, "You were so clingy to me as if you could not live without me for even a second."

'And now, you are the one who is clingy and always run toward me every time I we meet.'

Xiao Tian said in his head.

Ye Xueyin turned her head towards Ye Qingyu and asked, "Isn't that right, Qingyu?"

"Yes." Ye Qingyu replied as she nodded her head. "But now, he has turned into a perverted beast."

"Hehe." Ye Xueyin laughed after hearing Ye Qingyu's words.

While Xiao Tian, on the other hand, twitched his lips. "So, what happened between you and father in the past? Where is he now? And why doesn't he ever visit us even once? He is still alive, right?"

Chapter 548 - Meeting The Hong Family Again

7-9 minutes

Ye Xueyin instantly lowered her head and played with her fingers. "Your father is still alive."

"Where is he now?" Xiao Tian repeated his question.

"I don't know." Like before, Ye Xueyin was still lowering her head.

"Can you tell me what happened between the two of you in the past?" Xiao Tian wanted to know why they got divorced

"It's..." Ye Xueyin couldn't finish her words as if her words were stuck in her throat. She then grabbed his hands and looked at him in the eyes. "Tian, even though we have divorced, you should not hate your father. There is a reason why he never visits us."

"Can you tell me the reason why he never visits us?" Xiao Tian asked. "You know the reason, right?"

"One of the reasons why he never visits us is that he wants to protect us." Ye Xueyin gave an honest answer.

"Protect us? Wait! Don't tell me. I'm indeed from the famous Xiao family?! Is he the reason why I can't change my surname?" in the past, his predecessor had tried to change his surname but was always rejected.

"Yes." Ye Xueyin answered instantly. "He used his influence to forbid you to change your surname. Even though we have divorced, but he wants you to keep using his family name, so that you will always remember that you have a father."

"Isn't he selfish? He never visits me, but he also doesn't allow me to change my family name. What kind of father is that?" he felt sorry for his predecessor. That was why he was furious.

"Tian, don't hate him!" Ye Xueyin raised her voice. "It was his last wish before we divorced. He is a good person and has never hurt me. If you want to blame someone, blame his family!"

"What is this? Why are you defending him like this? Do you still have feelings for him?" her actions much surprised him. He didn't expect his mother to behave like that when he was speaking ill of his father.

"No." Ye Xueyin answered instantly. "I no longer have feelings for him. But I don't want you to hate him because he is a good person. You don't know what he did to protect us in the past. In order to protect us, he sacrificed everything. He also desires to meet you, but he can't meet you because if his family knows about it, we will be in danger again."

Xiao Tian wanted to know even more after hearing her words. "What did h-"

However, before Xiao Tian had finished his words, Ye Xueyin laid down on the bed and spoke, "Tian, mother is sleepy. Mother wants to sleep now."

"Can you answer my questions first?" of course, Xiao Tian still wanted to know the answer.

"Tian, stop it!" Ye Qingyu spoke abruptly.

Xiao Tian could only sigh. Even though he really wanted to know about it, he decided not to ask anymore because he didn't want to make his mother sad.

Xiao Tian then laid down too. After that, he pulled his mother towards him and embraced her. "I'm sorry, mother."

"Un." Ye Xueyin replied.

'It should be me who apologizes to you, Tian.'

Ye Xueyin added in her mind.

That night, Xiao Tian forgot to take a shower or eat, because he fell asleep while embracing his mother.

The following morning, Xiao Tian was the first to wake up. After kissing the foreheads of his mother and aunt, Xiao Tian got out of the bed carefully and headed to the bathroom to take a shower.

Because yesterday he didn't take a bath, he took a shower longer than usual. When he was in his room, his mother and aunt were cooking breakfast in the kitchen.

After wearing clothes, Xiao Tian headed to the kitchen. When he saw his mother and aunt, he walked closer towards them with a smile on his face.

"Good morning, mother." Xiao Tian spoke after kissing his mother's cheeks.

"Morning." Ye Xueyin really loved it when he kissed her in the morning.

Her expression returned to normal as if nothing had happened last night.

Then Xiao Tian walked towards his aunt who was washing vegetables. At first, he also wanted to kiss her cheeks, but he suddenly changed his mind. Without giving a warning, Xiao Tian grabbed her face and kissed her lips.

Ye Qingyu, who was startled, stopped washing the vegetables. Of course, she let him do whatever he wanted.

After Xiao Tian stopped the kiss, Xiao immediately spoke, "Good morning, aunt."

At this moment, Ye Xueyin, who saw what he was doing, only giggled.

Ye Qingyu immediately replied, "Good morn-"

However, before she had finished her words, Xiao Tian kissed her lips again. His actions much surprised her.

Usually, Xiao Tian only kissed their cheeks in the morning. Of course, she immediately welcomed the kiss because having a passionate kiss in the morning was not a bad idea too.

After having a deep kiss with her for several seconds, Xiao Tian stopped the kiss and walked out of the kitchen. "I will wait in the living room."

Ye Qingyu only smiled when she saw him walking out of the kitchen.

He always did whatever he wanted. She thought to herself.

Thirty minutes later, they finished cooking breakfast. They wasted no time and immediately had breakfast together.

After Xiao Tian finished eating, he gave the good news to his mother and aunt. "Mother, aunt, I have finished my work. Let's go somewhere later."

"Really?" Ye Xueyin was pleased after hearing his words.

"Yes." Xiao Tian answered as he nodded his head.

Ye Xueyin turned her head towards her younger sister and spoke, "Qingyu, what time will you be home today?"

"I will be home at 05:00 pm later." Ye Qingyu answered instantly.

"Great!" Ye Xueyin spoke cheerfully. "Let's go somewhere after Qingyu arrives home."

"All right." Xiao Tian and Ye Qingyu answered in unison.

After eating, Xiao Tian went straight to Star Clothes company. He wasted no time and immediately worked.

He worked for about two hours before finally, he took a rest. When his gaze fell on the newspaper on his desk, he immediately took it.

When he read the news on the front page, his lips curled into a grin. Without waiting for another second, Xiao Tian rose to his feet and traveled to Blue Ice Lotus gang headquarters.

"Good morning, boss."

"Good morning, boss."

"Good morning, boss."

One by one, his underlings greeted him when they saw Xiao Tian. Some of them were surprised when they saw him because they thought Xiao Tian was still in Beijing.

"Do you need anything, boss?" one of his underlings asked.

"No." Xiao Tian answered instantly. "I only want to see the Hong family members."

When Xiao Tian walked to the underground jail, some of his underlings followed him. Even though they were curious why Xiao Tian suddenly wanted to see the Hong family members, but none of them asked questions.

When Xiao Tian was in front of the prison where the Hong family members were being held, he spoke cheerfully as if he was their friend. "Yo, the Hong family. I'm back."

The expression of deep fear blossomed on Yi Yi's face when she saw Xiao Tian. She still remembered the time when he asked one of his underlings to whip her until she fainted.

When Xiao Tian saw her expression, he immediately spoke, "Don't be afraid. I won't torture you today. I came because I have good news for you."

After saying that, Xiao Tian threw the newspaper to them. The expression of deep shock emerged on their faces when he read the headlines on the front page.

Chapter 549 - I Hope You Can Finish It Today

7-8 minutes

In the newspaper, it was stated that the Hong family would live abroad and also sell their properties to Qing Feng.

Of course, they knew who Qing Feng was because Hong Guan Ji had told them that Qing Feng was Xiao Tian.

When Xiao Tian kept them in prison, they hoped someone would be aware that they didn't appear in public for a few days.

With this, there was a possibility that someone or his subordinates would try to find them. They didn't expect Xiao Tian to make fake Hong family members.

*Fall...

Hong Guan Ji fell on his knees. His body became weak and his face suddenly turned white.

He didn't want to believe what he was reading, but every time he tried to think that everything was a dream or fake, his mind kept telling him that it was real.

He didn't expect that he would lose everything. The wealth of his family that was obtained from the hard work of him, his father, and his grandfather all this time now fell into Xiao Tian's hands.

If he knew that he would lose everything, he would not choose to offend Xiao Tian. However, it was already too late.

He knew that whatever he said, Xiao Tian would not forgive them or return their family's wealth to them.

'If only...if only....'

Hong Guan Ji wished that he could turn back time so that he could avoid all the calamities that befall his family. However, he knew that he would not be able to do that because he was only a normal human being.

*Fall...

Because she couldn't accept the reality that happened to her family, Yi Yi fell to the ground and passed out. All this time, she had been trying to endure everything because she knew that her husband's subordinates would save them.

Now that there was no hope for them to leave that hell place, her mind could no longer bear everything. That was why she passed out right away.

"Mother!" Hong Duan, who saw his mother suddenly fainted, immediately raised her head and placed it on his lap.

Of course, he knew the reason why his mother suddenly passed out because he also almost could not bear everything.

Like his father, Hong Jun also fell to his knees and said nothing. He didn't have the strength to get angry at Xiao Tian and only lowered his head.

'If only I didn't cause trouble for him...if only...'

He was the main reason why Xiao Tian decided to destroy his family. In the past, he believed that he could toy with Xiao Tian's life because he was from an upper-class family while Xiao Tian was from a middle-class family.

But he was wrong. He was utterly wrong. Even though Xiao Tian was younger than him and from a middle-class family, Xiao Tian was still able to destroy his family.

When Xiao Tian saw them, his lips curled into a grin.

'This is the result for daring to cause trouble for me.'

In the past, Xiao Tian had forgiven them once, so he would not forgive them again.

Because it was no longer interesting to see their expressions, Xiao Tian chose to leave. "Don't let them commit suicide."

"Understood, boss." His underlings replied in unison.

At first, Xiao Tian wanted to return to Star Clothes company, but he suddenly decided to travel to Yu's house because he wanted to know whether he could already copy the Hong family members' signatures perfectly or not.

'Wait! I need to change my car and wear a mask first.'

With that in mind, Xiao Tian went to his apartment to change his car and wear his golden mask.

Knock...knock...knock...

Xiao Tian immediately knocked on the door after he arrived at Yu's house.

Not long after that, Yu opened the door. "Oh Mr, Qing. Please come in."

Even though Yu knew that Xiao Tian would come to his house, he didn't expect that Xiao Tian would come alone. After they stepped into the guest room, they immediately sat on the couch.

Yu turned his head towards Xiao Tian and asked, "Did you come to my house because you wanted to know if I could already perfectly imitate the Hong family members' signatures or not?"

"Yes." Xiao Tian gave a short answer.

He had no intention of making small talk with Yu because he didn't want to waste his time. There was still a lot of work to be done and he had also promised to take his aunt and mother somewhere later, so he wanted to finish everything as quickly as possible.

"I've been able to imitate their signature perfectly since yesterday." Yu immediately answered. "Do you want me to sign the documents now?"

"Yes." Xiao Tian answered. "If you have free time, let's go to Red Flower bar now. I want to finish everything as quickly as possible because I still have many things to do."

"Sure. Let me change my clothes first." After saying that, he headed to his room to change his clothes.

After that, they traveled to Red Flower bar.

"I will ask Chun Hua to bring all the documents needed to take over the Hong family's properties." Xiao Tian spoke abruptly.

Currently, they were sitting on the couch in the private room. Yu was sitting on his right side while Lan Ruoxi was sitting on his other side.

After receiving orders from Xiao Tian, Chun Hua wasted no time and immediately went to the Hong family's house to see Yanmo.

Because Xiao Tian wanted them to bring the documents to him quickly, Chun Hua and Yanmo went to the company.

After they gave the documents to Xiao Tian, Chun Hua sent Yanmo to the Hong family's house before returning to Red Flower bar.

"I hope you can finish it today." Xiao Tian gave the documents to Yu.

"You don't need to worry about it," Yu replied instantly. "But it will take several hours to finish all of these documents."

"As long as you can finish it today, I'm fine waiting a few hours." Xiao Tian didn't return to his company because he wanted to see Yu finish his job.

Even though Lan Ruoxi said that she knew Yu well, but Xiao Tian didn't trust Yu one hundred percent. That was why he had no intention of leaving.

By the time Yu finished his job, it was already 04:40 pm. After giving money to Yu, Xiao Tian asked Chun Hua to send Yu home.

'With this, the Hong family's properties are already mine.'

Xiao Tian's lips curled into a grin with he saw the documents in his hands.

"Now, you have officially become a mid-upper-class family." Lan Ruoxi spoke abruptly. Currently, there were only her and Xiao Tian in the private room.

"You are right." Xiao Tian answered instantly. "But, I won't be satisfied with just this."

"I knew you would say something like that." Lan Ruoxi had guessed that Xiao Tian would say something like that because she knew that he wanted to be the richest person in the whole of China.

"Lady Lan, I'm leaving first." Xiao Tian rose to his feet. "There are still many things I need to do."

"All right." Lan Ruoxi replied.

After that, Xiao Tian went straight home because he wanted to take his mother and aunt somewhere.

Chapter 550 - Because I'm Also His Woman

6-7 minutes

"I'm home." Xiao Tian spoke when he stepped into the living room.

As usual, Ye Xueyin instantly rose to her feet and dashed to Xiao Tian. Of course, Xiao Tian knew that his mother would jump into his arms.

"Welcome home, Tian." Ye Xueyin spoke cheerfully after jumping into his arms.

"Mother, give me a welcome home kiss." Xiao Tian suddenly wanted a kiss from his mother. That was why he said something like that.

Upon hearing his words, Ye Xueyin instantly cupped his face and kissed his lips. "Mmmucchh."

She pressed her lips against his for about five seconds before finally she stopped the kiss.

"Hehe." Xiao Tian and Ye Xueyin laughed happily after kissing.

After Xiao Tian put his mother on the couch, he kissed his aunt's cheeks and spoke, "I'm home, aunt."

"Welcome home." Ye Qingyu replied as she smiled beautifully.

"Do you want to go on a date now?" Xiao Tian inquired.

"Yes." Ye Xueyin answered instantly. "Let's go on a date now."

"Have you taken a bath?" Xiao Tian asked again.

"We have taken a shower earlier." Ye Qingyu replied.

Xiao Tian was pleased after hearing her words because he didn't have to wait for them to take a shower.

"I will take a bath first."

As Xiao Tian was taking a shower, Ye Qingyu and Ye Xueyin prepared themselves. Because they wanted to go on a date as soon as possible, they only put light make-up.

However, because they had natural beauty, Ye Xueyin and Ye Qingyu still looked pretty even though they only wore light make-up.

After Xiao Tian finished taking a shower, he asked his mother and aunt to makeover his face again so that no one would know his real identity.

Fifteen minutes later, Ye Qingyu and Ye Xueyin finished making over his face. They wasted no time and immediately left.

"So, where are we going?" Xiao Tian inquired.

Currently, they were in the car. As usual, it was Xiao Tian who drove the car.

"Let's go to Shanghai River." Ye Qingyu replied. "I want us to take a walk there."

"Sure." It was rare for his aunt to immediately suggest going somewhere like that. That was why Xiao Tian instantly agreed. "You don't mind it right, mother?"

"Shanghai River is a good place. I like that place." Shanghai River was a good place, so Ye Xueyin didn't mind if her younger sister wanted them to go there.

By the time they reached the Shanghai River, it was already 06:30 pm, so they could not see the sunset. However, they didn't mind it because the most important thing for them was that they could spend time together.

As usual, when Xiao Tian was walking hand in hand with his mother and aunt, every man who saw them wore an envious expression.

'Damn! What a lucky guy!'

'His women are so pretty.'

"I really want to be like him.'

Even though they were jealous of Xiao Tian, but none of them voiced out their feelings.

"Chen, are you not jealous?" Ye Xueyin wanted to know why Xiao Tian behaved normally when every man was staring at his women.

"Why should I be jealous?" Xiao Tian answered instantly. "Instead of being jealous, I should be proud of myself because I have two gorgeous ladies as my women. And they can't do anything except from glancing at you two."

"That's true." Ye Xueyin agreed with his words because what he just said made sense.

"Ignore them and let's enjoy ourselves." Xiao Tian didn't want Ye Xueyin and Ye Qingyu to focus on them because there was no point in doing that.

"All right. Let's enjoy ourselves." Ye Xueyin spoke cheerfully.

Like before, they always became the center of attention, but this time, none of them cared and behaved as if they were air.

"Let's sit over there." Xiao Tian suggested sitting on the public seating because they had been walking for several minutes.

"All right." Ye Qingyu and Ye Xueyin replied in unison.

"Hehe." Ye Xueyin laughed happily.

"Why are you laughing? Is there something funny?" Xiao Tian had no idea why Ye Xueyin suddenly laughed like that.

"It's because I'm thrilled right now." Ye Xueyin told him the reason why she laughed earlier.

"I'm also delighted right now." Xiao Tian spoke as he laughed.

"Of course, you are pleased, because you are spending time with two gorgeous ladies right now." Ye Qingyu spoke abruptly

As they were chatting happily, suddenly a voice rang out. "Qingyu, you also came to Shanghai River?"

Xiao Tian, Ye Qingyu, and Ye Xueyin turned their heads towards the source of the sound reflexively.

Is he her co-worker? Xiao Tian thought to himself.

In front of them, a young man about twenty-nine years old was walking towards them elegantly. Even though he was not good-looking, but he was wearing well-known brand clothes.

"Manager Shu, please don't call me Qingyu. Please call me Ye Qingyu. We are not close enough for you to call me Qingyu." Ye Qingyu was unhappy when Shu called her by her birth name.

She was with her boyfriend, so she didn't want to make him jealous or something like that.

Xiao Tian turned his head towards Ye Qingyu and asked, "Do you know each other?"

"He is my co-worker." From Ye Qingyu's expression, anyone could tell that she was unhappy.

Even though Ye Qingyu always treated him coldly, Shu didn't mind it. "Qingyu, what ar-"

However, before Shu had finished his words, he was interrupted by Ye Qingyu, "Manager Shu. As I said before, please call me Ye Qingyu, not Qingyu."

At this moment, Xiao Tian was looking at Shu.

'So, he likes my woman, huh?'

From Shu's behavior, Xiao Tian could tell that Shu liked Ye Qingyu. Because he wanted Shu to know that Ye Qingyu was his woman, he immediately held her right hand.

When Shu saw Xiao Tian holding Ye Qingyu's hands, he immediately asked, "Who is he? Why are you letting him hold your hands?"

"He is my boyfriend!" Ye Qingyu gave an honest answer.

When Shu noticed that Xiao Tian was also holding Ye Xueyin's hands, he pointed his index finger towards her, "What?! But he is holding her hands!"

"Because I'm also his woman." Ye Xueyin spoke abruptly

"What?!" Shu said in disbelief.
