Chapter 551 - It's None Of Your Business

Shu found it hard to believe what he was hearing. Even though Shu knew that Ye Qingyu had a lover, he didn't expect her lover to have more than one woman.

Not only that, but Xiao Tian's other lover was also a MILF. Of course, Shu had no idea that Xiao Tian was their family because Ye Qingyu and Ye Xueyin had made over his face.

"So, your lover has another woman besides you?" it was not ancient times where a man could have more than one lover without any problems, so Shu had no idea why Ye Qingyu accepted her lover to have another woman.

Even though rich people could have several mistresses, but Shu believed that Xiao Tian was not a wealthy person because he had never seen him before.

Ye Qingyu was a goddess in Golden Bag company, and all men took a fancy to her, so Shu didn't know why she would let her lover have another woman.

"It's none of your business." Ye Qingyu really hoped that Shu would leave soon because he was intruding on their precious time.

Shu had been chasing her since she returned to Shanghai. He even didn't care and kept chasing her when he knew that she had a lover.

That was why she was unhappy every time they met because he always pissed her off.

"Wait! Don't tell me. He is threatening you?" because Shu could not find another reason why Ye Qingyu let her lover have another woman, he suddenly thought that Xiao Tian must have threatened her. "He must have threatened you, right?"

Xiao Tian was unhappy when Shu slandered him. For this reason, he rose to his feet and spoke, "What do you mean by that? I have never threatened my lover and will never do that."

"If you don't threaten her, then tell he how you can get her to accept your decision to have another woman?" of course, Shu still thought that Xiao Tian had threatened Ye Qingyu.

"It's easy." Xiao Tian spoke and paused for a second before he continued, "It's because I'm the only one who can make her happy."

"Haha." Shu Laughed after hearing Xiao Tian's words. "The only person who can make her happy?! There are billions of men in this world who can treat her better than you. How dare you say something like that while you also have another woman as your girlfriend? I'm sure she is just pretending to be happy because no woman wants their lover to have another woman."

"What he said is right." Ye Qingyu spoke, "He is the only one who can make me happy and I also don't mind if he has another woman."

Shu widened his eyes in surprise.

'What?! Am I hearing it right?'

Because he wanted to make sure that he didn't hear it wrong, he asked, "What did you say?"

"I don't mind if he has another woman." Ye Qingyu repeated her words.

At this time, Xiao Tian's lips curled into a smirk. He was satisfied with his aunt's words. "That's the different between you and me!"

"Why don't you break up with him and be mine?" Shu still hoped that she would accept his love. "I promise to treat you better."

"Stop disturbing us and leave!" Xiao Tian spoke coldly.

He could no longer hold back his anger because Shu really disturbed their precious time. Every second he spent with his mother and aunt was precious, so Xiao Tian didn't want anyone to bother them.

Shu was unhappy with Xiao Tian's tone, but he ignored Xiao Tian. "Just give me one chance."

At this moment, Shu wanted to hold her hands, but Xiao Tian suddenly grabbed his hands, causing him to fail to hold her hands.

"Don't touch my woman!" Xiao Tian really wanted to hit Shu's face.

"Let go of my hands!" Shu shook his hands to free himself from Xiao Tian's grasp, but to no avail

'It hurts.'

Because Xiao Tian was gripping his hands tightly, Shu felt pain. After trying his best, he was finally able to free himself from Xiao Tian's grasp. Of course, it was because Xiao Tian let him go.

With this, he was sure that Xiao Tian was a martial artist because there was no way ordinary people could do that.

"You should leave now! Do you know that you are disturbing our time?" Ye Xueyin spoke abruptly.

Shu turned his head towards Ye Xueyin and spoke, "Lady, you are so pretty, but why do you let your lover have another woman? Aren't you mad at him?"

Before answering, Ye Xueyin's hugged Xiao Tian's right arm and spoke, "Thank you for calling me pretty, but my heart already belongs to him."

Shu was at a loss for words after hearing Ye Xueyin's words. He had no intention of seducing her, but it seemed like he was trying to seduce her earlier from her words.

Xiao Tian's anger reduced a lot after hearing her words and seeing her cute behavior. He smiled at his mother before returning his attention to Shu. "Leave now! I don't want to cause trouble here. As you said earlier, there are billions of women in this world, so why are you still chasing a woman who already has a lover?"

Shu went silent for a few seconds. He didn't expect that Xiao Tian would use his words to attack him.

"You should give up on Qingyu because I know she won't like you." Ye Xueyin spoke and paused for a second before she continued, "Instead of wasting your time chasing her, you should try to find someone who can love you completely."

"Who are you to dare to say something like that?" of course, Shu didn't know that Ye Xueyin was Ye Qingyu's older sister because all this time, Ye Qingyu had always forbidden him to come to her house, and he also had never seen Ye Qingyu with Ye Xueyin before.

"Don't raise your tone when you talk to her!" Ye Qingyu was furious when Shu raised his tone when he spoke to her big sister.

"Dude, I will give you a final warning!" Xiao Tian spoke and paused for a second before he continued, "If you are still here when I finish counting to three, you will regret it."

Upon hearing Xiao Tian's words, Shu immediately spoke, "As I thought, you are a bad person! There's no way a person who has two women to be a good person. Since I saw you, I knew that you are a bad per- "

Before Shu had finished his words, Ye Qingyu and Ye Xueyin slapped him in the face. Ye Qingyu slapped his left cheek while Ye Xueyin slapped his other cheek.

*Slap...Slap...

Due to how hard they slapped him in the face, the sound of him being slapped by Ye Qingyu and Ye Xueyin echoed throughout the entire area.

"You!" Shu was furious when they slapped him in the face. For this reason, he raised his right hand and wanted to slap Ye Xueyin's face.

However, before Shu could slap her face, Xiao Tian kicked his mid-torso.

*Uakk...

Shu was sent flying two meters back before landing on the ground.

"I tried my best to hold back my anger since you appeared before us, but you still tried to annoy me. You even dared to try to hit my woman? Leave now! Otherwise, I will make you regret it later." Xiao Tian spoke coldly

Chapter 552 - False Rumors

6-7 minutes

Everyone turned their heads towards Shu when they heard someone falling to the ground. However, none of them tried to help him because they didn't know who he was.

When they saw the person who kicked Shu, it made them even more unwilling to help Shu because they didn't want to get involved in their problem.

"You!" Shu instantly rose to his feet.

His eyes were filled with flames of fury as he stared at Xiao Tian. He didn't expect Xiao Tian to kick him suddenly like that.

Of course, he wanted to fight back, but when he thought that Xiao Tian might be a martial artist, the feeling of fear arose within him.

He had never learned martial arts, so he knew the outcome if he tried to attack Xiao Tian.

"I have told you to leave several times but you didn't listen to me." Xiao Tian was not afraid when he noticed the flame of fury in Shu's eyes. "Don't blame me for this. Blame yourself!"

"What happened?"

"I don't know."

"Why are they fighting?"

"It seems like they are fighting over a woman."

One by one, the people around them voiced out their curiosity. They wanted to know why Xiao Tian kicked Shu earlier.

When Shu noticed everyone staring at him, he gritted his teeth. He didn't expect that someone would humiliate him in public.

Since he knew that he couldn't do anything to Xiao Tian and didn't want to irritate Ye Qingyu even more, he decided to leave.

After Shu left, Xiao Tian looked at his mother and aunt. "Sorry for ruining the mood and losing control like that. My body moved by itself earlier."

"No." Ye Xueyin shook her head. "You were cool earlier."

"Yes." Ye Qingyu added. "But you were not a badass enough!"

The corner of his lips twitched after hearing her words.

'It's because I don't know how to act like badass. Should I call all my underlings to scare him earlier? But if I did that, my underlings would know our relationship later.'

Xiao Tian replied in his head.

Because they no longer wanted to stay in Shanghai River, they immediately went to another place. When it was time for dinner, Xiao Tian brought them to a luxurious restaurant.

Even though Ye Xueyin was pleased by his actions, but Ye Qingyu was not as happy as her big sister. She knew that Xiao Tian was rich now, but she still didn't like it when he wasted his money like that.

By the time they arrived home, it was already 11:00 pm. For this reason, they instantly headed to Xiao Tian's room and slept.

The following morning, Xiao Tian went straight to Eternal Beauty company after having breakfast with his mother and aunt.

'What should I do to make my companies grow again?'

Currently, Xiao Tian was sitting on his chair in his office. Even though his companies were growing rapidly, Xiao Tian was still not satisfied and wanted to make it grow bigger because his dream was to become the richest person in the whole of China.

As Xiao Tian was thinking about how to make his companies bigger, something big happened at the Golden Bag Company.

"Hey, look! It's her!"

"I didn't expect her to be someone like that."

"I also didn't expect it because all this time, she has always been cold towards all the men in the company."

"Looks like it's just her mask to make her look like a good woman!"

When Ye Qingyu stepped into the company, one by one, her co-workers spoke ill of her. Ye Qingyu, who had no idea what was going on, only stared at them in confusion.

She wanted to know why all her co-workers bad-mouthed her like that. She remembered that she never did anything bad in the company.

When Ye Qingyu noticed her co-workers speaking ill of her while looking at their phones, she immediately took her smartphone out of her pocket and opened the company's chat group.

She gritted her teeth and dashed to Shu's office after reading the chat about her. The company's chat group stated that Ye Qingyu was a mistress of a rich person.

There was even a picture of her and the rich man sleeping naked together. Of course, it was a fake photo because she had never done anything like that.

She was sure someone had edited her photo or replaced someone else's face with hers because all this time, she had only had sex with Xiao Tian.

*Bang!

The door was thrown open roughly.

Ye Qingyu was enraged. All of her fingers dug into her palm as she stared at Shu coldly. "Manager Shu, why are you spreading false rumors about me in the company's chat group? Are you still angry with what happened last night?"

"Qingyu, it's not me." Shu rose to his feet and walked toward her. "I also didn't know something like this would happen. Even though your lover embarrassed me and made me angry last night, but I would never do something like this to you because my feelings for you are real. "

"Don't lie!" of course, Ye Qingyu didn't believe his words. "Why are you doing this to me?"

"Qingyu, please believe me. It's really not me." Shu tried to tell her that he was not the mastermind behind what had happened to her.

Earlier, when he opened the chat group, he was also surprised. He didn't expect that someone would post something bad about Ye Qingyu.

That was why he started investigating everything. However, it was hard to find the mastermind because the messages were sent from a new number.

Of course, he tried his best to find the mastermind, but before he found anything, Ye Qingyu slammed his door and was angry at him.

Due to how angry she was, she even didn't behave like usual.

"Qingyu, calm down." Of course, Shu knew her feelings. "This is not like you. Don't lose yourself in anger. We won't be able to solve the problem later."

Upon hearing his words, Ye Qingyu took a deep breath to calm herself. What he said was right. She should not lose herself in anger like that.

Eternal Beauty Company, Xiao Tian's office.

Xiao Tian, who was working, suddenly felt uneasy. "What is this feeling?"

Chapter 553 - Going To Golden Bag Company

8-9 minutes

Xiao Tian had no idea as to why he suddenly felt uneasy like that.

'Will someone gets me into trouble again?'

Since God had given him a second chance to live, it seemed like God always give him a warning by making him feel uneasy every time something bad would happen to him or someone close to him.

'Will that person get me into trouble later?'

Xiao Tian suddenly thought of Shu because last night he had publicly humiliated Shu.

'Don't tell me....'

Xiao Tian's eyes widened, and without waiting for another second, he traveled to Golden Bag company. On the way, Xiao Tian ordered Chun Hua to come to Golden company too.

Golden Bag Company.

A gorgeous lady about twenty-seven years old was stepping into the company elegantly. Every step she took was enough to make any man glance at her.

Even though she was wearing a formal dress, anyone could tell that she had a nice body. Not only that, but she also had a beautiful face. That lady was none other than Su Jinyu, Su Lique's older sister.

Su Jinyu came to Shanghai because her father asked her to take care of the Golden Bag company, located in Shanghai.

Even though the company was growing steadily but the Su family was not satisfied with it. That was why her father sent her to take care of the company because she was talented in the business.

"Who is she?"

"I don't know."

"Maybe she is a new employee."

"But from her appearance and clothes, she didn't look like an ordinary employee."

"Maybe she will replace one of the higher-ups."

Several employees wanted to know who Su Jinyu was when they saw her. Since it was the first time she had come to her family's company in Shanghai, only the higher-ups knew her.

At the same time, Xiao Tian and Chun Hua arrived at Golden Bag company. Xiao Tian was not using his fake identity, and Chun Hua also was not wearing a mask.

As they were walking to the reception area, a voice suddenly rang out, "Xiao Tian?"

Xiao Tian and Chun Hua turned their heads towards the source of the sound reflexively.

"Su Jinyu?" Xiao Tian was surprised when he saw Su Jinyu.

'When did she come to Shanghai?'

Of course, Xiao Tian knew that the Su family owned the Golden Bag company. However, he didn't expect to meet her in Shanghai.

He thought that he would not meet the Su family members anymore after returning to Shanghai, but he was wrong.

When Su Jinyu was in front of him, she asked curiously, "What are you doing here?"

Of course, she also didn't expect to meet Xiao Tian at her company. Even though Xiao Tian had a fight with Su Juncai when he was at her house, she was not angry with him because she knew that he was not the one who was at fault.

"I want to see my aunt." Xiao Tian gave an honest answer.

Because he wanted to know about his aunt's condition, Xiao Tian had no intention of making small talk with her.

Of course, Su Jinyu knew that Ye Qingyu was Xiao Tian's maternal aunt because Ye Qingyu worked in her family's business before being transferred to Shanghai.

"I didn't expect manager Ye to be someone like that."

"I was also surprised when I knew it."

"She even slept with a middle-aged man."

"Well, that person is rich, so I can understand it. But still, sleeping with someone because of money is too much."

Suddenly, two employees, who were walking past them, talked about the recent rumors about Ye Qingyu that were spreading in the company.

Upon hearing their words, Xiao Tian dashed towards them and spoke, "What did you just say? Tell me about it."

"Xiao Tian?!" the employees were surprised when they saw Xiao Tian.

Because Xiao Tian was famous, they knew that Ye Qingyu was his maternal aunt. This made them waver whether they should tell him the truth or not.

Xiao Tian was unhappy when they said nothing. "Hey, I ask you. What did you just say? Did something happen to my aunt?"

Because it was related to the person who was important to him, Xiao Tian started to lose himself in anger.

At this moment, Su Jinyu and Chun Hua were standing next to him. When the employees still didn't want to say anything, Su Jinyu spoke, "Tell me what is going on?"

"Who are you?" one of the employees asked as she stared at Su Jinyu.

They had never seen Su Jinyu, so they had no idea who she was.

"I'm Su Jinyu. This company is owned by my family." Su Jinyu gave an honest answer. "Now tell me what is going on in this company?"

The employees were startled after hearing Su Jinyu's words. They didn't expect that the big boss would appear in front of them.

"There are rumors spreading around the company." One of the employees replied. "That rumor is about manager Ye."

Xiao Tian gritted his teeth. He did not expect that the uneasy feeling he felt earlier was because something bad was happening to his aunt. "Where is her office? Tell me now!"

"I will bring you to her office now." One of the employees replied.

Golden Bag company, Ye Qingyu's office.

"Who has spread false rumors about me?" at this moment, Ye Qingyu was sitting on the sofa.

Even though she was furious but she tried to calm down so that she could solve the problem quickly. As she was thinking about how to solve the problem, suddenly the sound of someone opening the door could be heard in her ears.

"Aunt, are you alright?" because he was worried about her, he entered her office without knocking on the door.

"Tian?!" Ye Qingyu was surprised when she saw Xiao Tian.

'How did he know something happened to me?'

Ye Qingyu didn't inform him about what had happened to her, so she was startled when Xiao Tian entered her office with a worried face.

Her surprise didn't stop there when she saw Su Jinyu. "Director Su?"

When she was working at the Golden Bag company headquarters, located in Beijing, Su Jinyu was her boss.

She was not surprised when she saw Chun Hua because Xiao Tian had told her that Chun Hua was one of his underlings.

"Tell me what is happening to you?" Xiao Tian asked.

Ye Qingyu gave her smartphone to Xiao Tian. "You can read it yourself."

When Xiao Tian finished reading about the false rumors, he was enraged. However, he tried his best to keep calm. "Call someone who is a professional at identifying a fake photo and ask to investigate the image."

Xiao Tian didn't ask whether the picture was Ye Qingyu or not, because he believed that his aunt would not do something like that.

At first, Xiao Tian wanted to call Liang Jun and ask him to find someone who was a professional at identifying the photo, but because he was using his real identity, he could not do that in front of Su Jinyu.

Even though his family knew that Qing Feng was him, Su Jinyu had no idea about it.

"Good idea." Su Jinyu agreed with Xiao Tian's idea because with that, they could tell whether the person in the picture was really Ye Qingyu or not.

Xiao Tian then whispered to Chun Hua, "Go to Eternal Beauty company and find someone who is a professional at identifying a fake photo with Liang Jun."

"Yes, Sir." Chun Hua wasted no time and went straight to Eternal Beauty company.

"Aunt, please be patient. She will come with someone who can identify a fake picture." Xiao Tian tried to make his aunt calm down.

"All right." Even though her good name was tarnished but because Xiao Tian was by her side, Ye Qingyu suddenly felt calm.

Eternal Beauty company, Liang Jun's office.

Click...

Chun Hua opened the door without knocking.

At first, Liang Jun wanted to get angry at someone who dared to open his door without knocking, but when he found out it was Chun Hua, he didn't say anything because he knew that she was Xiao Tian's underling. "What is wrong?"

"Leader wants us to find someone who is a professional at identifying a fake photo. We need to find that person as quickly as possible" Chun Hua went straight to the point.

"All right." Liang Jun replied.

Chapter 554 - Solving The Problem

6-7 minutes

"Wait! Let me ask my subordinates first." Liang Jun thought it was better to ask his subordinates first because they didn't need to find someone, who was skilled at identifying fake photos, aimlessly.

"Good idea." Chun Hua agreed with his idea.

Coincidentally, one of Liang Jun's subordinates knew someone who was skilled at identifying fake photos. Chun Hua and Liang Jun wasted no time and immediately left to meet that person.

The name of the person, who was skilled at identifying fake photos, was Xua. He was a young man about thirty-one years old.

At first, Liang Jun wanted to go with Chun Hua and Xua to Golden Bag company, but Chun Hua told him that Xiao Tian was using his real identity.

Because it could raise suspicion if he traveled with them to Golden Bag company, Liang Jun returned to the company to work again.

"Sir, he is the person who is skilled at identifying fake photos." Chun Hua introduced Xua to Xiao Tian.

Xua was surprised when he saw Xiao Tian. He didn't expect that the one who needed his help was a young man who was talented in business and also famous recently.

Of course, he didn't show it on his face. Even though he didn't know why Xiao Tian was at Golden Bag company, he didn't ask about it.

"Mr. Xiao, did someone slander you again?" Xua inquired.

"Not me, but my aunt." Xiao Tian gave his aunt's smartphone to Xua. "Please identify this photo."

Xua took the smartphone and saw the picture. Of course, he also read the rumor because it could help him solve the problem.

"How long will it take you to finish identifying this image?" Xiao Tian inquired.

"This photo is easy to identify. I can finish identifying this picture in one-two hours." Xua had been working for more than ten years so he could tell whether the photo was real or not in a short time.

"Good." Xiao Tian spoke before turning his head towards Chun Hua. "You go with him and help him if he needs something. If anything happens to you later, don't forget to inform me."

"Understood." Chun Hua replied.

Then Xua and Chun Hua left.

"Director Su, my aunt is not feeling well now. Can I take her home?" Xiao Tian didn't want his aunt to work in a bad condition because it was not good for her body and mind.

"Yes." Su Jinyu replied.

Xiao Tian looked at his aunt and spoke in a soft voice, "Aunt, let's go home."

"Un." Ye Qingyu nodded her head.

"Aunt, don't worry. I will solve your problem as quickly as possible." Xiao Tian spoke softly as he stared at her in the eyes. "And I will also find the mastermind and teach the mastermind a lesson later. I will make the mastermind regret for daring to do this to you."

Currently, they were sitting on the bed in Ye Qingyu's room. Xiao Tian didn't return to his companies because his aunt was more important than his companies.

"What is this?" Ye Qingyu giggled as she pinched his cheeks. "Don't worry. I'm fine. I won't be depressed only by something like this. And I know that you will help me solve the problem later."

"Good!" Xiao Tian was pleased after hearing her words.

After Xua arrived home, he immediately headed to his office.

"You can sit here," Xua spoke as he gave a chair to Chun Hua.

Chun Hua didn't reply and only sat on the chair.

Without waiting for another second, Xua began to work. At first, he checked the quality of the photo because usually, a fake picture had low quality.

After checking the quality of the picture, Xua analyzed the shadows because they were hard to make physically consistent in a fake photo. After analyzing the photo, Xua already knew that the photo was fake.

In order to complete the evidence he found, Xua also used a reverse image search engine because usually these images could be found on the internet.

'Great!'

Xua was pleased when he found a photo of the woman on the internet. With this, he could prove to people that the woman in the picture was one hundred percent another woman, not Ye Qingyu

After Xua finished gathering evidence, he told Chun Hua to call Xiao Tian.

Chun Hua wasted no time and called Xiao Tian. "Sir, we already have evidence that it is a fake photo."

"Great!" Xiao Tian was delighted after hearing Chun Hua's words because with this, he was able to prove to everyone that the woman in the picture was not Ye Qingyu. "Bring Xua to my house. We will go to Golden Bag company together later."

Because Xiao Tian wanted to solve the problem as quickly as possible, he intended to go to Golden Bag company again.

"Understood." Chun Hua replied before hanging up the phone.

Xiao Tian, who was still in his aunt's room, immediately spoke, "Aunt, they already have evidence that the woman in the picture isn't you."

"I'm glad to hear that." Ye Qingyu was happy that she was finally able to clear her bad reputation

"Let's go to Golden Bag company together later." Xiao Tian thought it was better to bring his aunt to Golden Bag company because she could also help them clear her bad reputation.

Forty minutes later, Chun Hua and Xua arrived at their home. They wasted no time and went straight to Golden Bag company to clarify that the woman in the picture was not Ye Qingyu. Of course, Xiao Tian also posted the proof in the Golden Bag company's chat group.

After giving everyone proof that the woman in the picture was not Ye Qingyu, they finally managed to clear her bad reputation. Since they had no other business in the Golden Bag company, they immediately left.

'Who is the mastermind? And what is the purpose? Does the mastermind have a problem with my aunt?'

Currently, Xiao Tian was lying on the bed in his room. He really wanted to know how was the mastermind.

Chapter 555 - Meeting Zhao Sheng

9-11 minutes

Even though he had solved the problem, Xiao Tian still hadn't found the mastermind behind everything that happened to his aunt.

It was hard to find the mastermind because the mastermind used the new number to send messages to the Golden Bag company's chat group.

Of course, Xiao Tian still suspected Shu because there was a possibility that he was the mastermind. That was why he ordered two of his underlings to follow Shu.

Xiao Tian got out of bed and turned on his laptop. He intended to find the mastermind on social media first because usually many people used their phone number when they registered on social media.

However, after searching for more than one hour, he found nothing. He then tried installing several tracking apps, but still, his efforts were in vain. Xiao Tian even believed that all the apps he just installed were fake tracking apps.

'Sigh.'

Xiao Tian tilted his head back and sighed.

'Damn! It's hard to track someone only using their phone number. All those ads are fake and full of bullshit!'

But, Xiao Tian didn't give up and opened YouTube. However, the result was the same. He still could not track someone using their phone number.

'Fuck!'

Xiao Tian began to run out of patience.

"If others said to never judge a book by its cover, then, in this case, I should say, never judge YouTube videos by its titles, because it's chock full of clickbait." Xiao Tian had no idea what to do. "Should I ask lady Lan to help me?"

Because Xiao Tian had no idea what to do anymore, he suddenly wanted to ask Lan Ruoxi for help.

'Sigh. I always went to see her whenever I needed help. Should I ask Liang Jun to find someone to track down the mastermind?'

As Xiao Tian was wavering whether he should ask Lan Ruoxi for help or not, suddenly his smartphone rang.

"Yo, Xiao Tian. Where are you right now?" Zhao Sheng's voice rang out through his smartphone.

"I'm in my room now." Xiao Tian answered. "Oh! So, you have finished training martial arts with your grandfather?"

"Yes. That damn old man didn't let me go out since three weeks ago. Let's hang out now." Because he had been training martial arts non-stop for three weeks, Zhao Shen wanted to hang out with Xiao Tian.

"Sure. Where should we meet?" Even though Xiao Tian still wanted to find the mastermind behind what had happened to his aunt, he could not refuse when Zhai Sheng wished to hang out with him.

Not only had Zhao Sheng helped him many times, but there was a possibility that Zhao Sheng would help him solve the problem again.

"How about we take a walk at Shanghai River?" Zhao Sheng suddenly wanted to go to Shanghai River.

"Sure. Let's meet at 04:00 pm." Xiao Tian replied.

"Alright." Zhao Sheng replied before hanging up the phone.

Because it was still 01:00 pm, Xiao Tian traveled to Star Clothes company because there was something important he wanted to ask Shi Fei to do. As soon as he entered his office, Xiao Tian immediately called Shi Fei.

As usual, when Shi Fei stepped into his office, she spoke with a smile on her face, "Little brother, do you miss me?"

Instead of answering, Xiao Tian asked her to sit on the couch. "Come and sit next to me."

"What's wrong?" Shi Fei asked after sitting on his right side.

"Fei, find people who want to buy Hong's family properties like cars, houses and the other." Xiao Tian went straight to the point.

At first, Xiao Tian wanted to ask Liang Jun to do that, but because Liang Jun had no idea that Xiao Tian took over the Hong family's wealth by force, he decided to ask Shi Fei to do that.

"All right." Since she became director, Shi Fei gained more connections so it would be easy for her to sell the Hong family's properties.

"Prepare fake identities for four people as well." Xiao Tian began to explain why he needed four fake identities.

In order to avoid suspicion, Yanmo and the others had to go abroad. That was why Xiao Tian asked her to make four fake identities so that Yanmo and the others could come back with another identity.

"All right." Even though it was challenging to make four fake identities, Shi Fei believed that she could do that.

"You can return to your desk now." Xiao Tian intended to work before going to Shanghai River to meet Zhao Sheng.

"Eh!" Shi Fei spoke in surprised. "You don't want to lovey-dovey with me?"

"Not now, Fei. I have to go to my other company now." There was an important work that he had to finish quickly. That was why he didn't want to lovey-dovey with her.

Of course, it was not like he preferred his companies over his woman, but he could lovey-dovey with her whenever they wanted, and Xiao Tian was also sure that Shi Fei would not mind it.

"All right." Even though Shi Fei was a little disappointed, she didn't ask Xiao Tian to spend time with her. After kissing his cheeks, Shi Fei walked out of his office. "I will return to my office now."

After Shi Fei left, Xiao Tian wasted no time and went straight to Eternal Beauty company. Xiao Tian worked until 03:30 pm before finally, he changed his clothes and traveled to Shanghai River to meet Zhao Sheng.

To his surprise, Zhao Sheng was already at Shanghai River when he arrived. They wasted no time and took a walk together.

"Finally, I feel alive again!" Zhao Sheng shut his eyes and tilted his head back. "I heard you went to Beijing with big sister Ruoxi. What were you doing in Beijing?"

Upon hearing Zhao Sheng's words, Xiao Tian immediately replied. "I only accompanied lady Lan to the banquet."

Xiao Tian then explained Zhao Sheng everything. However, he didn't tell Zhao Sheng what he did to Lan Ruoxi in Beijing because he knew it would be better if Zhao Sheng didn't know about it.

"So, when will your new underling come to Shanghai?" Zhao Sheng inquired.

"I don't know." Xiao Tian replied instantly. "But he said he would come to Shanghai soon."

"You have his phone number, right?" Zhao Sheng spoke.

"Of course, I have his phone number." Xiao Tian didn't know when Mu Huo would come to Shanghai because he didn't ask Mu Huo about it.

He was so busy after returning to Shanghai. That was why he forgot to ask Mu Huo about it.

"Why do yo-" Xiao Tian stopped his words halfway when his smartphone suddenly rang. When he knew it was his underling, he immediately spoke, "How is it?"

"Boss, the target is meeting someone at Bamboo Restaurant right now." Xiao Tian's underling replied.

"Go order food and drink." Xiao Tian spoke and paused for a second before he continued, "Sit close to them but remember not to get too close because it can raise suspicion. After that, follow them and report to me later."

"Understood." His underlings replied before hanging up the phone.

"Did something happen to you again?" Zhao Sheng inquired.

"Not to me, but my aunt." Xiao Tian gave an honest answer.

"What happened?" Zhao Sheng asked again.

"It's like this.." Xiao Tian began telling everything to Zhao Sheng.

"I see. So, you still haven't found the mastermind, huh?" Zhao Sheng spoke after Xiao Tian finished explaining everything to him.

"It's hard to trace someone using only their phone number." After saying that, Xiao Tian sighed helplessly.

"I know someone who can track people using only their phone number." In the past, his family often asked that person to track someone.

"Really?" Xiao Tian said happily. With Zhao Sheng's help, Xiao Tian was sure that he could solve the problem easily. "Can you introduce that person to me?"

"Let's go to his house tomorrow morning." Zhao Sheng spoke.

"Sure." Xiao Tian answered as he nodded his head.

Xiao Tian and Zhao Sheng spent time at Shanghai River until 06:00 pm before finally, they returned home.

"I'm ho-" Xiao Tian stopped his words halfway when he saw his mother talking with his aunt seriously.

"Qingyu, don't worry. Tian will find the mastermind quickly." Earlier, she was enraged when she found out that someone spread a false rumor about Ye Qingyu.

Luckily, Xiao Tian could solve the problem quickly. Otherwise, she believed that Ye Qingyu would have depressed.

"That's right, aunt. In less than two days, I will find the mastermind." Xiao Tian spoke as he sat next to his aunt.

Xiao Tian dared to say something like that because Zhao Sheng would help him later. And it seemed like his underlings also found evidence earlier.

"Tian, welcome home." because she had a serious conversation with her younger sister, Ye Xueyin didn't notice that her son had returned home.

"I'm home." Xiao Tian spoke as he kissed his mother's cheeks.

Ye Xueyin returned her attention to her younger sister and spoke, "Did you hear that, Qingyu?"

"Un." Ye Qingyu nodded her head.

She had no idea why her big sister kept thinking that she was still sad even though she said she was fine.

Of course, she didn't hate it because, with this, she knew that her elder sister cared about her so much. Her big sister even never stopped comforting her since she returned home.

After Xiao Tian took a bath and had dinner together with his mother and aunt, he immediately headed to his room. As usual, his aunt and mother followed him to his room.

Chapter 556 - As I Thought, He Is The Mastermind

9-11 minutes

As Xiao Tian was talking with his mother and aunt, two of his underlings were still on their mission.

Currently, Shu was having dinner with a pretty lady at Autumn Restaurant. Not far from them, two of Xiao Tian's underlings were drinking red wine and eating slowly.

Even though they were having dinner, but their ears were focused on the conversation between Shu and the pretty lady.

"She didn't know anything about it or hate you, right?" the gorgeous lady inquired.

"Hehe. Shungguan, my acting was perfect so I believed she didn't know that I lied to her when I said I was not the mastermind." Shu replied proudly.

Upon hearing their words, one of Xiao Tian's underlings took her smartphone out of her pocket and began recording their conversation and secretly taking a picture of them.

Because it was difficult to take a video of them and it could also raise suspicions, Xiao Tian's underlings decided to only record their conversation and take a photo of them.

Xiao Tian's underlings believed that recording their conversations and taking a picture of them was already good enough as evidence.

"Even though I didn't expect her nephew to solve the problem quickly, but everything is still going according to my plan." Shungguan's lips curled into a smirk. "Her reputation is not as good as before and with my next plan, she will lose her good name or maybe she will resign from the company. With this, I will get my previous title as the goddess of Golden Bag company."

Shungguan hated Ye Qingyu to the bone. Previously, because she was the prettiest woman at Golden Bag company, everyone called her goddess Shungguan.

All men always paid attention to her and treated her nicely. Not only that but her boss also often gave her gifts and bonuses every month.

Whenever she wanted to take a day off from work, her boss always agreed without asking a question. It was as if she was a queen in Golden Bag company.

However, everything changed since Ye Qingyu was transferred to Shanghai. Not only was Ye Qingyu prettier than her, but Ye Qingyu was also smarter and hardworking than her.

In less than three days after Ye Qingyu was transferred to Shanghai, everyone already treated her nicely. All women and men liked Ye Qingyu.

People, who always treated her nicely and gave her a gift, began to ignore her. Ye Qingyu even snatched her title as the goddess of the Golden Bag company.

That was why she wanted to ruin Ye Qingyu's good reputation and make her resign from the company.

"I hope you will only ruin her reputation and not injure her body." Shu's feelings for Ye Qingyu was also real. That was why he hoped Shungguan would not injure Ye Qingyu's body.

"Don't worry," Shungguan replied. "After I have succeeded in getting my previous title as the goddess of the Golden Bag company, I will keep my promise. I promise that Ye Qingyu will be your woman later."

"I'm glad you still remember your promise but.." his gaze shifted from her pretty face to her beautiful breasts. "I hope you can give me a reward after dinner."

Even though Shungguan was not as pretty as Ye Qingyu, but she was still an attractive lady. He used to dream of sleeping with her before Ye Qingyu was transferred to Golden bag company. That was why he hoped he could sleep with her after dinner.

"Hmm?" Shungguan looked at her breasts after knowing that Shu was staring at her beautiful boobs.

Of course, she knew what he had in mind because Shu used to adore her in the past. The reason she asked Shu to help her ruin Ye Qingyu's good reputation was that she knew that he would not refuse if she asked him for help.

"Sure. Let's go to the hotel after dinner. I will make you never forget tonight for the rest of your life." She was not a virgin anymore so she didn't mind if Shu wanted to have sex with her because it could help her control him even more.

In the past, she had had sex with her bosses several times, so having sex with her co-worker was not a big problem for her.

"Good!" Shu was thrilled after hearing her words because his dream to have sex with her since two years ago would finally come true. "But this will not be the last, right? I can still sleep with you again, right?"

"I will reward you again after Ye Qingyu resigns from the company or I get my previous title as the goddess of the Golden Bag company." Actually, she knew that Shu would not be satisfied having sex with her just once. That was why she intended to reward him again after they succeeded in executing her plan.

Of course, she would only sleep with him twice because she had no intention of having sex with him more than twice.

Even though Shu was rich, but he was not rich enough for her. She wanted a lover who was much richer than him.

She wanted to have luxurious cars, big houses, and branded clothes. With her pretty face, she was sure that she could get what she wanted in the future.

"Really?" the smile on his face grew bigger when he knew that he would be able to have sex with her again in the future.

"I won't lie to you," Shungguan replied instantly. "That's why I hope you will succeed in carrying out your mission later."

"I will do my best." Shu's eyes were filled with the flames of ambition.

Shungguan could not help but giggle when she saw his expression.

'Men are so simple. All they have in mind is only sex and sex. All I need to do to make them do whatever I want or make them my slaves is just sleep with them. With my pretty face, all men are destined to be my servants.'

Of course, Shungguan only said it in her mind.

'What a slut!'

Xiao Tian's underlings spoke in their minds. Even though they were members of a gang, but they never sold their bodies for money.

At that moment, they thought they were much better than Shungguan. Because they had enough evidence, Xiao Tian's underlings stopped recording their conversation.

'We will take them to our base later.'

Xiao Tian's underlings stared at each other and nodded their heads as if they could communicate through their eyes.

Not long after that, Shungguan and Shu finished talking. When they headed to the parking lot, Xiao Tian's underlings immediately followed them.

Coincidentally, they were only three people in the parking lot. Because they were far from them, Xiao Tian's underlings immediately began their mission.

*Faint...

Xiao Tian's underlings instantly hit the back side of their necks, causing Shungguan and Shu to faint. Without waiting for another second, they immediately put them into the car.

Currently, Xiao Tian was still talking with his aunt and mother in his room. Suddenly, his underling called him.

Because he knew that they wanted to report the results of their investigation to him, he immediately picked up the phone. "How is it?"

Even though his mother and aunt were next to him, Xiao Tian behaved normally because they knew that Xiao Tian was a leader of a gang.

"Boss, we have found the masterminds. Not only that, but we also have evidence that they are the masterminds." Xiao Tian's underlings replied instantly. "We are taking them to base right now."

"Good! I will be there soon." Xiao Tian was pleased after hearing her words.

Because they had found the masterminds, he didn't need to meet someone who could track people using the phone number anymore.

"Alright." His underling answered before hanging up the phone.

Xiao Tian's instantly turned his head towards his aunt and spoke, "Aunt, my underlings have found the masterminds. Currently, they are taking the masterminds to Blue Ice Lotus gang headquarters. I have to go now."

"I will come with you." Ye Qingyu really wanted to know who was the mastermind behind what happened to her.

"It's already 11:30 pm now. If you want to see the masterminds, you can come with me to Blue Ice Lotus gang headquarters tomorrow." It was not like Xiao Tian didn't want to bring his aunt to his gang base. It was almost midnight so Xiao Tian thought it would be better for her to see the mastermind tomorrow.

"Tian is right, Qingyu." Ye Xueyin spoke abruptly. "I know what you feel, but I think it's better to see the mastermind tomorrow."

Because her nephew and big sister said so, Ye Qingyu had no choice but to agree. "All right."

Xiao Tian kissed his aunt's forehead and spoke, "I promise to take you to see them later, but not now."

"Un." Ye Qingyu nodded her head.

Xiao Tian then got out of bed and spoke, "I'm off."

Then Xiao Tian traveled to Blue Ice Lotus gang headquarters.

"Boss."

"Boss"

"Boss."

As usual, his underlings greeted him when they saw him. Of course, they knew the reason why he came to their base. Because it was almost midnight, there were only about twenty people on the base.

"Where are they?" Xiao Tian inquired.

"They are in an underground jail." Even though Xiao Tian didn't explain to them directly, but his underlings understood what he meant.

Without waiting for another second, Xiao Tian headed to the underground jail. After walking for several seconds, he finally arrived at the prison where Shu and Shungguan were being held.

'As I thought, he is the mastermind.'

Xiao Tian said in his head after seeing Shu.

Chapter 557 - Slap Their Faces!

6-7 minutes

"Open the prison." Xiao Tian wanted to see their faces from close.

Without waiting for another second, one of his underlings opened the jail. Currently, Shu and Shungguan were still unconscious.

They were sitting on the floor with their backs leaning against the wall. Their heads were hanging low as if they were already dead.

"Wake them up!" because Xiao Tian wanted to talk with them, he ordered his underlings to wake them up.

"Bring water here." One of his underlings spoke.

"You don't need to bring water!" Xiao Tian spoke and paused for a second before he continued, "Just slap their faces until they regain consciousness."

Shu and Shungguan dared to spread false rumors about his aunt, so Xiao Tian wanted his underlings to wake them up in a cruel way.

Because Xiao Tian said so, two of his underlings wasted no time and instantly slapped their faces.

They knew how cruel Xiao Tian was, so they were not surprised after hearing his words. They even believed that Xiao Tian would torture Shu and Shungguan later because they dared to cause trouble to his family.

*Slap...

Due to how hard Xiao Tian's underlings slapped their faces, the sound of Shungguan and Shu being slapped by his underlings in the faces echoed throughout the underground jail.

Yi Yi, who was in prison not far from them, was able to hear it. "Is...is he torturing someone right now?"

Her body suddenly trembled in fear when she heard the sound of someone being slapped hard.

"It seems so." Hong Duan was also able to hear it.

Of course, he also thought that Xiao Tian was torturing someone. He just didn't expect that Xiao Tian would torture someone in the middle of the night.

"He is a demon!" Yi Yi was afraid of Xiao Tian because he was so cruel to her. He didn't care whether it was a woman or a man. As long as they dared to cause trouble for him or his family, he would torture them. "No.. He is the king of demon."

What Yi Yi didn't know was that Xiao Tian was not cruel enough because his past life father was much crueler than him.

Because Shungguan and Shu were still unconscious after being slapped once, his underlings continued slapping their faces.

The Hong family members and the members of Hawk gang were trembling in fear upon hearing it. At that moment, they believed that Xiao Tian ordered his underlings to whip someone.

Soon red marks from being slapped could be seen on their faces. After being slapped more than ten times, Shu and Shungguan finally regained consciousness.

"It hurts." Shu and Shungguan felt pain on their faces after regaining consciousness.

The expression of deep shock blossomed on their faces when they knew that they were in jail.

"Oh! They have regained consciousness, boss." Xiao Tian's underlings stopped slapping their faces and returned to their previous positions.

"Xiao Tian?!" Shu and Shungguan spoke in unison.

Of course, they knew who Xiao Tian was because Xiao Tian was famous and also Ye Qingyu's nephew.

One of Xiao Tian's underlings placed a chair next to him. "Boss, please sit down."

After Xiao Tian sat on the chair, he spoke coldly, "Do you know why you are here?"

Shungguan and Shu widened their eyes after hearing his words.

'Don't tell me..'

At this moment, Shungguan and Shu thought Xiao Tian already knew everything. Because their hands and feet were not tied, Shu and Shungguan rose to their feet and tried to run away.

Of course, Xiao Tian didn't do anything and only stared at them because he was sure that his underlings would not let them run away.

And what Xiao Tian had guessed was right because his underlings instantly paralyzed them before they could even get out of prison.

His underlings then dragged Shu and Shungguan in front of Xiao Tian again. Because they didn't want Shu and Shungguan to try to run away again, Xiao Tian's underlings stood behind them while also grabbing their hands and hair.

"You want to run away, huh?" Xiao Tian said calmly as if he was not angry with them.

"Xiao Tian, what did we do to you?" of course, Shu pretended as if he had no idea the reason why Xiao Tian put him in the underground jail. "I have never done anything bad to you or your family. Why are you imprisoning me?"

Xiao Tian was at a loss for words after hearing it.

'I'm sure this person doesn't have a good memory. There are two things that he has done to my aunt and me. And he still dares to say something like that?!'

Xiao Tian didn't answer because it was useless.

"Xiao Tian, what did I do to you?" Shungguan also pretended as if she didn't know anything. "This is our first meeting, so I don't know why are you imprisoning me too?"

At this moment, Shu and Shungguan hid their fear. From their appearance, they knew that the people in front of them were gang members.

And because one of them referred Xiao Tian as their boss, they were sure that Xiao Tian was the gang leader. They just didn't expect that the person they knew as a genius in the business world was actually the gang leader.

Because of this, they suddenly thought that the reason Xiao Tian could become a successful person in such a short time was that he used dirty methods. He was a gang leader, so it was easy for him to earn money in a short amount of time.

While still looking at Shu and Shungguan, Xiao Tian spoke, "Give it to me."

Even though Xiao Tian didn't tell them directly what he wanted, his underlings understood what he meant.

One of Xiao Tian's underlings gave evidence of their crimes to him. "Boss. This is the evidence."

Without waiting for another second, Xiao Tian played the voice recorder. All the conversation between them at the Autumn Restaurant was revealed right away.

'Shit!'

Shu cursed in his head. With this, he knew that Xiao Tian would torture him for daring to cause trouble to his aunt.

Chapter 558 - You Will Do Whatever I Want?!

6-7 minutes

Shu didn't expect that something bad would happen to him. Earlier, he was thrilled because Shungguan agreed to have sex with him after dinner.

Now that Xiao Tian knew everything and had put them in prison, he knew that he would not be able to have sex with Shungguan later.

"Do you know the reason why I imprisoned you?" Xiao Tian inquired.

Shungguan and Shu didn't say anything because whatever they said, it would be useless.

Because Shungguan didn't want Xiao Tian to torture her later, she decided to say something unexpected, "Xiao Tian, can you release me, please? I know I was wrong. If you want me to apologize to your aunt, I will do that. No. I will do whatever you want. I can even satisfy you in bed if you want."

"Slut!"

"What a slut!"

"She is really a slut"

One by one, Xiao Tian's underlings spoke ill of Shungguan. It was their first time to hear something like that. Of course, they understood why Shungguan said something like that.

"Oh! You will do whatever I want?!" at this moment, Xiao Tian behaved as if he was pleased after hearing her words.

"Yes. Anything you want. I even don't mind if you want me to satisfy you in bed right now." Shungguan was delighted because, from his expression, she knew that Xiao Tian was attracted to her body.

'Hmf! I know he will agree to sleep with me. With my pretty face, every man is destined to become my slave, including him.'

Shungguan didn't mind satisfying him in bed because as long as he promised to let her go, she would do anything.

'Wait! I think I will make him addicted to having sex with me later. He is the perfect candidate to be my lover. Not only is he handsome and young, but he has managed to become a successful person at a young age. I'm sure he will be much richer in the future. Even though I know he is using a dirty way to get rich, but I don't care.'

Shungguan believed that with her skills in bed, she would be able to make Xiao Tian her slave because until now, every man who had slept with her, was immediately addicted to her body or her skills in bed.

That was why she also believed that she could make Xiao Tian addicted to having sex with her later.

"Someone, slap her face hard!" even though Xiao Tian admitted that Shungguan was an attractive lady, but he was not interested in sleeping with her. "It seems like she is still sleeping now."

*Slap...

Without waiting for another second, one of his underlings slapped Shungguan in the face very hard.

"Agghhh.." Shungguan cried out in pain.

Earlier, she believed that Xiao Tian would immediately take her to bed and have sex with her, but she was wrong.

Not only did he not take her to bed, but he even ordered one of his underlings to slap her face again. Because of how beautiful she was, not a single man turned her down when she offered to sleep with them.

Xiao Tian was the first man to reject her. That was why she found it hard to believe what she was hearing.

"Again!" Xiao Tian ordered one of his underlings to slap her face again.

*slap...

One of his underlings slapped Shungguan's face harder than before.

"Agghhhh.." like before, Shungguan cried out in pain.

"He is torturing a woman... the demon lord is torturing a woman." Yi Yi and the other prisoners said in their heads.

"Stop!" Xiao Tian spoke and paused for a second before he continued, "Do you think I will agree to sleep with you? I admit that you are an attractive lady, but after hearing your words earlier, I'm sure you are a slut."

Shungguan gritted her teeth. It was the first time a man called her a slut. Usually, every man always tried their best to get her attention.

Not only did Xiao Tian have no interest in her body, he even called her a whore. Even though she was furious that Xiao Tian stepped on her pride, but she tried her best to hold back her anger because she wanted him to release her.

"What do you mean by that? How can you think of me as a whore when we haven't met before?" of course, Shungguan pretended to be a good woman because she wanted to change his mind.

"Instinct." Xiao Tian replied instantly. "Until now, my instinct has always been right. That's why I believe that you are a slut. Only a slut would offer their bodies in order to be freed."

"I agree with you, boss. I even felt disgusted when I brought her here earlier." Xiao Tian's underling, who took Shungguan to the base, spoke abruptly.

"I also believe that she is a whore."

"After hearing the voice recording earlier, I already know that she is a slut."

"That's right."

Xiao Tian's underlings voice out their feelings.

Because they kept saying that she was a slut, Shungguan could not hold back her anger anymore. "Shut up!"

*Slap...

what she got from shouting was a slap from one of Xiao Tian's underlings.

"I'm different from him." Xiao Tian spoke as he pointed his index finger towards Shu. "And also, my women are much prettier than you."

Xiao Tian preferred to have sex with his women rather than with Shungguan.

"But I'm sure that I'm much skilled in bed than your women." Shungguan still didn't give up because it was the only way to escape from prison. "I'm sure you won't regret it later."

Xiao Tian wore a disgusted face after hearing her words. Of course, he knew the reason why she kept trying to sleep with him.

Because it was already 02:00 am, Xiao Tian rose to his feet and spoke, "I will come back again tomorrow morning. I will also torture you tomorrow, Shu."

There was no point in talking with them, so Xiao Tian decided to go home.

"Understood." His underlings answered in unison.

"Xiao Tian, release me!" Shungguan shouted.

After Xiao Tian arrived home, he immediately headed to his room. He was surprised when he saw his mother and aunt lying on his bed.

"Why are you still awake?" Xiao Tian crawled into bed and laid down between them.

"We are waiting for you." Ye Xueyin replied instantly.

After sighing, Xiao Tian kissed their foreheads and spoke, "Let's sleep now."

"Un." Ye Qingyu and Ye Xueyin nodded their heads.

Chapter 559 - Going To Blue Ice Lotus Gang Headquarters

7-9 minutes

The following morning, Xiao Tian, his mother, and aunt traveled to Blue Ice Lotus gang headquarters. At first, he only wanted to bring his aunt, but because his mother insisted on coming too, Xiao Tian had no choice but to take her with them.

When they arrived at Blue Ice Lotus gang headquarters, Ye Qingyu and Ye Xueyin opened their mouths in surprise.

"Is this really a gang headquarters?" Ye Xueyin spoke abruptly. "It look like the house of a rich person."

"Did you buy this house?" Ye Qingyu suddenly thought that Xiao Tian bought it because it was almost impossible for the gang to have a luxurious place as their headquarters.

"No." Xiao Tian answered instantly. "You know how I become their leader, right?"

"So it seems like several rich families support them in the past." Because their headquarters was luxurious, Ye Qingyu believed that rich families supported them in the past.

'I wonder, how come her instincts are often right?'

Xiao Tian had no idea why his aunt was often right in guessing something. It seemed like God had given her something special too.

As usual, when Xiao Tian entered his gang base, one by one, his underlings greeted him.

"Boss."

"Good morning, leader."

"Boss."

"Morning, leader."

"Who are the people beside our leader?"

"I don't know."

"I also want to know."

"This is my first time seeing them."

"They are his family."

"Really?"

"Yes."

In the past, Xiao Tian only ordered ten of his underlings to guard Ye Qingyu, and Ye Xueyin in secret, so more than half of them had no idea who they were.

Xiao Tian stopped his footsteps and introduced his mother and aunt to his underlings, "They are my mother and aunt. Remember their faces and help them if they face problems in the future."

"Understood, leader." His underlings replied in unison.

"I wonder, why are all of your underlings female?" because Ye Qingyu had no idea that it was indeed a female gang, she was curious when she knew that all of his underlings were female.

Ye Xueyin grabbed Xiao Tian's right hand and asked, "Are they your women too?"

The corner of his lips twitched after hearing his mother's words.

'How can she always say something unexpected like this?'

Xiao Tian asked in his head.

"No. they are only my underlings. Well, because it's a female gang." In the past, Xiao Tian only told them that he had become the leader of a gang.

He didn't explain to them that all of his underlings were female because he thought it was not important. That was why they had no idea about it.

"I see." Ye Qingyu didn't ask anymore.

"Let's head to underground prison." Because their main purpose in coming to his gang base was to see Shungguan and Shu, Xiao Tian wanted to immediately bring them to the underground prison.

As usual, some of his underlings followed them when Xiao Tian and the others headed to the underground prison.

When they arrived at the prison where Shungguan and Shu were being held, one of his underlings immediately opened the prison.

Ye Qingyu was furious when she saw Shu. Yesterday, he said that he was not the mastermind, but because her nephew imprisoned him, it meant he lied to her yesterday.

When Shungguan and Shu saw Ye Qingyu, they immediately spoke, "Qingyu, I was wrong. Please ask your nephew to release us."

They had no idea why Shungguan and Shu were scared like that. He then turned his head towards his underlings and spoke, "What happened to them after I left?"

"Several members were furious over something so they took their anger out on them." One of his underlings replied.

"I see." Because Xiao Tian also intended to torture them, he didn't mind when he found out that his underlings beat Shungguan and Shu after he left last night.

"Are they really the masterminds?" Ye Qingyu inquired.

Xiao Tian gave his aunt the evidence and spoke, "You can hear their conversation at Autumn Restaurant."

After hearing their conversation, Ye Qingyu and Ye Xueyin were enraged. They even didn't feel pity when they saw Shungguan's and Shu's faces were covered in bruises.

Ye Qingyu stared at Shu and asked, "Why are you doing this to me?"

She was not surprised when she learned that Shungguan was also the mastermind because she knew that Shungguan hated her to the bone.

What she wanted to know was why Shu helped Shungguan to ruin her reputation. She never did something bad to him, and he also always tried to get her attention.

"Qingyu, I'm sorry. I was wrong." After saying that, he tried to grab her legs.

However, before Shu could grab his aunt's legs, Xiao Tian placed his right foot on Shu's face. "What are you trying to do?"

Of course, Xiao Tian would not let Shu touch his aunt because, in his view, Shu didn't deserve to touch her.

Even though Ye Qingyu said nothing, but her eyes were filled with flames of fury. She then shifted her gaze from Shu to Shungguan.

When Xiao Tian saw the expression on her face, he knew that she was enraged. "Do you want me to torture them now?"

Xiao Tian would do anything to make his aunt happy. Torturing Shu and Shungguan was only a small thing for him because he used to torture people in his previous life.

After staring at Shu and Shungguan for several seconds, Ye Qingyu said something unexpected, "Tian, let's go home."

"Huh?!" the expression of deep shock emerged on his face.

Earlier, he thought his aunt would ask him to torture them. Not only did she not ask him to torture them, but she even wanted to go home.

He still found it hard to believe what he was hearing. He knew that she was furious, but he didn't understand why she didn't want to torture them.

Shu and SHungguan had tried to ruin her reputation. If he didn't solve the problem quickly, it could even be fatal for her.

That was why Xiao Tian didn't get her train of thought. "Why? Do you really want to go home without doing anything to them first?"

"From their appearance, I know that your underlings had beaten them up last night, so I don't want to hurt them again." Even though Ye Qingyu was still furious, but she didn't want to do anything to them.

Her nephew had solved the problem, and his underlings had beaten them last night, so there was no point in hurting them again.

Shu and Shungguan were pleased after hearing her words. Earlier, they thought she would ask Xiao Tian to torture them.

That was why they admitted their mistake when they saw Ye Qingyu earlier because they were afraid that Xiao Tian's underlings would torture them again like last night.

Of course, Xiao Tian would not accept it. "But they are the one who tri- "

Before Xiao Tian had finished his words, Ye Qingyu spoke, "Forget it. Let's go home."

"All right." Because his aunt said so, Xiao Tian had no choice but to pretend to agree.

'It's true that my aunt has forgiven you, but I will still torture you.'

Xiao Tian then walked towards one of his underlings and whispered, "Teach them a lesson after I leave. As long as they are alive, you can do whatever you want."

His underlings didn't answer and only nodded her head.

Chapter 560 - I Really Love Hugging My Woman Like This

5-7 minutes

"What are you whispering about?" Ye Qingyu asked curiously.

"Nothing." Of course, Xiao Tian would not tell his aunt that he asked his underlings to torture Shu and Shungguan later. "Let's go home."

"Un." Ye Xueyin and Ye Qingyu nodded their heads.

"By the way, are you off work today?" Xiao Tian wanted to know why his aunt didn't go to work.

Currently, they were sitting on the couch in the living room. At first, Xiao Tian thought his aunt would immediately go to work after arriving home, but he was wrong.

"And why are you still at home, mother? Are you also not going to work?" Xiao Tian asked again.

"I don't want to work today." Ye Xueyin was the shop owner, so she could do whatever she wanted. At that moment, she really didn't want to go to work. That was why she said something like that.

Xiao Tian then turned his head towards his aunt and asked, "What about you, aunt?"

"I think.." Ye Qingyu spoke and paused for a second before she continued, "I will resign from the company."

"Really?" Xiao Tian was pleasantly surprised after hearing her words.

He had asked her to resign from the Golden Bag company since a few months ago, but she always refused. He didn't expect that she would say something like that.

"Eeh! You want to resign?!" Ye Xueyin was also startled after hearing her words.

"Yes." Ye Qingyu replied before turning her head towards Xiao Tian. "Tian, can I work at your company?"

Ye Qingyu thought it would be better to work at his company because she could help him develop his company.

"You don't need to work, aunt. I will give you money every month later." Xiao Tian had a lot of money, so he could cover her daily expenses.

"No." Ye Qingyu shook her head. "My life will be boring if I have nothing to do every day."

Because she said so, Xiao Tian suddenly found an excellent idea. "How about I open a restaurant and you will be the one running it?"

"Good idea, Tian." Ye Xueyin agreed with his idea. "Qingyu, hurry up and accept it."

Xiao Tian pinched his mother's cheeks and spoke, "You should let someone manage your shop too. How about you run a restaurant with aunt?"

"I agree. Big sis, let's manage the restaurant together." Ye Qingyu believed that running a restaurant with her big sister would be better than managing it alone. That was why she hoped her big sister would agree to run the restaurant with her.

"All right." Ye Xueyin answered as she nodded her head.

"Good! I will ask Liang Jun to find a good place to open a restaurant later." because Xiao Tian had a lot of money, he intended to open a luxurious restaurant.

He already had a name in Shanghai, so it would be easy to attract people to his restaurant later. Of course, he would also invite several people so that more people would know about it.

Not long after that, Zhao Sheng called him, asking when he wanted to meet the person who could track people.

Xiao Tian then told Zhao Sheng that he had solved the problem, so he didn't need to meet that person.

Because Xiao Tian had to go to work, he immediately traveled to Star Clothes company. Of course, he had a passionate kiss with Ye Qingyu and Ye Xueyin before going to his company because it could make him more enthusiastic later.

After working for about three hours, Xiao Tian called Shi Fei to his office. Unlike usual, Shi Fei entered his office with a tired expression.

When Shi Fei saw Xiao Tian sitting on the couch, she immediately lay down on the sofa and placed her head on his lap.

"You look so tired?" Xiao Tian spoke as he stroked her hair gently.

"Un. I'm exhausted." Shi Fei was worn out from work.

Because Shi Fei was tired, he didn't ask about the fake identity. "Let me send you home."

"All right." Shi Fei really wanted to rest because her mind and body were tired.

"Wait a second. I need to call Liang Jun first." Without waiting for another second, Xiao Tian called Liang Jun.

He told Liang Jun to find a strategic place for his restaurant later. After that, Xiao Tian called Liu Ning to come to his office.

They wasted no time and went straight to Shi Fei's house. Because Shi Fei was tired, they immediately headed to her room.

"You can sleep if you are tired," Xiao Tian spoke softly.

They were currently lying down on the bed with Shi Fei and Liu Ning on both sides of him.

"Un." Upon hearing his words, Shi Fei immediately shut her eyes.

Because she was worn out, she fell asleep in less than ten minutes.

Xiao Tian then turned his head towards Liu Ning and spoke in a low voice, "Let's go to the living room."

Xiao Tian didn't want to disturb her. That was why he asked Liu Ning to head to the living room with him.

Liu Ning didn't answer and only nodded her head. Then they got out of bed carefully and headed to the living room.

After Xiao Tian sat on the sofa, he immediately spoke, "Come here and sit between my legs."

"Why do you want me to sit between your legs? Do you want to lovey-dovey with me?" Liu Ning smiled as she pinched his nose.

"Yes." Of course, Xiao Tian wanted to lovey-dovey with her because it was a perfect time to do that.

After Liu Ning sat between his legs, Xiao Tian wrapped his arms around her waist. He really loved embracing her like that.

Not only was he able to feel the warmth of her body, but embracing her like that also could make his mind calm as if a heavy burden lifted off his shoulders.

'I really love hugging my woman like this.'

As Shi Fei was sleeping deeply in her room, Xiao Tian and Liu Ning were lovey-dovey in the living room.
