Chapter 561 - Spending Time With Liu Ning

Seconds turned into minutes, and without realizing it, it had been one hour since Shi Fei fell asleep. Currently, Xiao Tian and Liu Ning were still in the living room and the same position.

None of them moved from their position as if they didn't want to be separated from each other. Because Xiao Tian only wanted to embrace her, he didn't do anything to her.

Actually, this surprised Liu Ning a little because earlier, she thought Xiao Tian would squeeze her breasts or do lewd things to her.

However, all he did was only kiss her cheeks or neck. He even didn't try to kiss her passionately. Of course, this also made her happy because it was not a bad idea to cuddle like that.

Because Xiao Tian felt calm when he was hugging her, he suddenly felt sleepy. For this reason, he placed his head on her right shoulder and shut his eyes.

At first, Liu Ning had no idea that Xiao Tian was sleepy, but because he didn't say a word for more than ten minutes, she stared at him. "Tian'er, are you sleepy?"

"It feels good to hug you like this. That's why I suddenly feel sleepy." Xiao Tian replied without opening his eyes.

"Let's sleep together in my room." Because Xiao Tian was sleepy, she suggested sleeping together in her room.

Upon hearing her words, Xiao Tian opened his eyes and spoke, "What? Ning'er, you want to have sex with me now?!"

Of course, Xiao Tian was joking around because he knew what she meant.

"That's not what I mean." Liu Ning smiled as she pinched his nose.

She found it funny that he still could joke around even though he was sleepy.

Without giving a warning, Xiao Tian carried her in a princess style and walked towards her room. "All right. Because I'm a good lover, I will grant your wish. Let's have a lot of sex in your room."

Liu Ning didn't answer and only giggled. Of course, she would welcome it if he really wanted to have sex with her because he was her lover.

After Xiao Tian put her on the bed, he immediately laid down next to her. As usual, he pulled her towards him and embraced her again. "I want to sleep while embracing you."

Her face blossomed into a smile when she saw his face. When she saw Xiao Tian closing his eyes, Liu Ning also shut her eyes.

Soon, they fell asleep.

Several hours later, Shi Fei woke up.

'Where are they?'

Because she could not find Xiao Tian and Liu Ning in her room, she immediately headed to the living room.

'They are not in the living room. Are they in her room?'

Shi Fei immediately headed to Liu Ning's room. A soft smile spread across her face when she saw Xiao Tian and Liu Ning sleeping while hugging each other.

Because it was already 05:00 pm, Shi Fei decided to take a shower because she had to cook for dinner later.

"Huaa.. I feel refreshed." Shi Fei spoke after taking a shower. "Now I just need to cook for dinner."

Without waiting for another second, Shi Fei headed to the kitchen to cook for dinner.

At the same time, Xiao Tian, who just woke up, heard the sound of someone cooking in the kitchen.

'Is she cooking for dinner?'

Xiao Tian turned his head towards Liu Ning. When he knew that she was still sleeping, he got out of bed carefully and headed to the kitchen.

"What are you cooking?" Xiao Tian asked curiously after entering the kitchen.

Shi Fei instantly turned her head towards Xiao Tian and smiled, "Little brother, you are already awake?"

"I just woke up." Xiao Tian answered instantly. "Did you sleep well?"

"Yes. I don't feel tired anymore now." After sleeping for several hours, Shi Fei felt refreshed.

"Tian'er, where are you?" Liu Ning, who just woke up, shouted when she didn't see Xiao Tian in her room.

"Go to her room. She is looking for you." Shi Fei wanted to continue cooking. That was why she told him to head to Liu Ning's room.

"All right." After kissing her cheeks, Xiao Tian headed to Liu Ning's room.

Click...

Xiao Tian opened the door.

"My princess, are you looking for me?" Xiao Tian asked after he stepped into her room.

"Where were you just now?" Liu Ning inquired.

"I was in the kitchen." Xiao Tian gave an honest answer. "Fei is cooking for dinner right now."

"Oh!" Liu Ning suddenly realized that it was already 05:20 pm. "I will take a bath first. After that, I will help her cook for dinner."

Upon hearing her words, Xiao Tian's lips curled into a smirk, "Ning'er, how about we take a shower together? Coincidentally, I haven't taken a bath either."

Liu Ning covered her mouth and giggled, "Sure."

Actually, she had guessed that Xiao Tian would say something like that because he often said it when she was about to take a shower.

Xiao Tian didn't expect her to agree so quickly. Of course, it made him pleased. For this reason, he carried her in a princess style and headed to the bathroom. "If so, let's take a shower together."

And like what Liu Ning had guessed, when they were taking a bath together, Xiao Tian did many lewd things to her.

Not only did he kiss her passionately, but he also kissed her neck, ears, breasts, and stomach. He even kissed her vagina, too, as if he wanted to mark her body with a kiss.

At first, Liu Ning thought Xiao Tian would put his erect cock in her vagina after kissing her pussy, but she was wrong.

She was utterly wrong because he asked her to clean his huge cock. Of course, Liu Ning did what she was told.

She even cleaned his penis lewdly as if she wanted to make him lose in lust. Soon, both of them lost themselves in lust and had sex in the bathroom.

"Those two.." Shi Fei only smiled when she heard Liu Ning's moan.

After they were satisfied, they stopped immediately. Because Liu Ning's body was still weak, Xiao Tian carried her to her room again.

When Xiao Tian saw Liu Ning only lying down on the bed, he laughed and spoke, "What is this? Do you want to eat while being naked like this?"

"Bully!" Liu Ning's body was still weak. That was why she kept lying down on the bed. "Bring my clothes here."

"As you wish, my princes." Xiao Tian suddenly found an excellent idea. With this idea in mind, he was immediately looking for sexy or revealing clothes. However, Liu Ning didn't have any of these types of dresses.

"What took you so long?" Liu Ning asked curiously.

"What a second. I'm still choosing clothes for you." Of course, Xiao Tian didn't give up and still tried his best to find sexy or revealing clothes.

When Liu Ning saw what he was doing, she suddenly understood what he had in mind. "I don't have sexy or revealing clothes."

"What a pity." Xiao Tian let out a sigh. "How about I give you several sexy and revealing clothes?"

"No. thank you." Liu Ning answered instantly.

After Xiao Tian finished choosing clothes for her, he immediately sat next to her. "Why? You only need to show it to me. I also don't want you to wear sexy or revealing clothes outside."

"I'm shy to wear that kind of clothes." Even though she only needed to show it to him, she was still shy because she had never worn sexy or revealing clothes.

"Don't worry. I will also wear sexy clothes, so that you won't feel shy later." For the sake of seeing her wearing sexy or revealing clothes, Xiao Tian would do anything. That was why he didn't mind if he had to wear sexy clothes too.

"Hehe." Liu Ning giggled as she pinched his nose after hearing his words. "It seems like you really want to see me wear sexy or revealing clothes."

"Of course." Xiao Tian answered instantly. "Who doesn't want to see a gorgeous lady wearing sexy or revealing clothes."

"I will think about it in the future." Liu Ning then took her clothes and wore them. "Let's head to the kitchen."

"Sure." Xiao Tian was pleased because there was a chance that she would wear sexy or revealing clothes in the future.

When Xiao Tian and Liu Ning stepped into the kitchen, Shi Fei immediately spoke, "I have cooked for dinner. Bring it to the dining room so that we can have dinner immediately."

After they finished taking all the food to the dining room, they immediately ate together.

"Did you enjoy having sex in the bathroom?" Shi Fei asked as she giggled.

While Liu Ning was blushing, Xiao Tian gave an honest answer. "Yes. We enjoyed it. Isn't that right, Ning'er?"

Liu Ning didn't answer and only hit Xiao Tian's shoulders. Even though Shi Fei was also his woman, she was still shy when they talked about sex.

"Haha." Shi Fei and Xiao Tian laughed.

After they had diner together, Xiao Tian kissed their foreheads and went straight home.

"I'm home." Xiao Tian spoke when he was in the living room.

'Where are they?'

Xiao Tian thought his mother and aunt were in the living room, but he was wrong.

'I want to relax first.'

Xiao Tian headed to his room and laid down on the bed. As he was relaxing in his room, his smartphone suddenly rang.

When he saw it was Chun Hua, he immediately picked up the phone, "What's wrong?"

"Sir, what do you want to do with Shu and Shungguan?" Chun Hua went straight to the point.

After thinking for several seconds, he immediately spoke, "Cut their arms and throw them somewhere."

"No!" a voice suddenly rang out.

Chapter 562 - Are You Really My Nephew?

6-8 minutes

Xiao Tian instantly turned around after hearing his aunt's voice. "Aunt, mother, what are you doing here?"

Even though Xiao Tian knew that his mother and aunt heard his words, he didn't panic; instead, he behaved normally as if cutting off someone's arms was a normal thing.

"Why do you want to cut off their arms?" Ye Qingyu inquired.

She knew that Shu and Shungguan had tried to ruin her good reputation, but in her view, cutting off their arms was too much.

Not only would he destroy their life, but there was also a high chance that Shu and Shungguan would commit suicide after his underlings cut off their arms.

"Because they had tried to ruin your reputation before." Xiao Tian answered calmly as if he was trying to help her. "We have to teach a lesson to people who try to cause trouble to us so that other people will not dare to do the same. I'm already kind enough to only cut off their arms. Previously, I even want to kill them."

"What?" Ye Qingyu widened her eyes in surprise.

She found it hard to believe what she was hearing. She didn't expect him to say something like that easily as if he had killed many people before.

Even though she lived in Beijing before, but she knew that her nephew was not a cruel person like that. If she didn't hear it with her own ears, she would not have believed that he could say something so cruel like that so easily.

'Is he really my nephew? I have never heard him say something like this before. What happened to him when I was in Beijing? What made him change drastically like this?'

Because his behavior was different than usual, Ye Qingyu began to wonder whether he was really her nephew or not.

There were so many things about him that changed drastically. First, he suddenly became a genius in business. Second, he suddenly became a playboy even though he used to be a shy person.

Third, he suddenly became the gang leader and the last but not the last; she felt that he had become crueler than before.

Of course, she still believed that he was her nephew because nothing had changed with his body. She was only surprised by his drastic change in behavior.

"Tian, what did you just say?" Ye Xueyin wanted to make sure that she heard it right.

Like Ye Qingyu, she was also startled after hearing his words. It was the first time she had heard her son say something cruel like that.

In the past, he was always kind to everyone. He even never said something like that before. Now, not only did he say cruel things, but he even said about killing so easily.

At this moment, Xiao Tian realized that he had made a huge mistake. However, because he didn't want to pretend to be someone else, he decided to continue behaving like himself.

"If we are soft to people who cause trouble to us, other people will continue causing problems for us in the future." Xiao Tian tried to explain the reason why he wanted to cut off the arms of Shu and Shungguan. "We should teach them a lesson so that other people will think twice if they want to cause trouble for us."

Even though Ye Qingyu and Ye Xueyin agreed with his words, but in their view, it was still too cruel to cut off someone's arms just because they had tried to ruin their reputation.

"Can you just let them go? Your underlings had beaten them up before, right? And before we left earlier, you whispered something to one of your underlings. I'm sure you ordered them to beat Shu and Shunguan again, right?" it was not like Ye Qingyu had forgiven Shu and Shunguan. It was because she didn't want the police to arrest him later.

'How come her instincts are always right?'

At this moment, Xiao Tian was a little annoyed.

"Tian, just let them go. They already got what they deserved. You don't need to make them suffer anymore." Ye Xueyin didn't want her son to become a criminal. That was why she asked him not to cut off Shunguan's and Shu's arms.

"No! We have to teach them a lesson! This is what they got for daring to cause trouble to aunt." Xiao Tian insisted on cutting off Shunguan and Shu's arms because, in his view, he was already kind enough not to kill them.

'They are too soft to their enemies.'

His past life father's words kept ringing in his mind whenever someone dared to cause trouble for himself or his family. That was why Xiao Tian didn't want to forgive Shu and Shunguan easily.

"Are you really my nephew?" even though Ye Qingyu knew that he was her nephew, but because his behavior was different than usual, she wanted to make sure that he was really her nephew.

Xiao Tian widened his eyes in surprise. There was no way he would say to them that he was not Xiao Tian because it would cause trouble for him later.

For this reason, he thought of a way to lie to them. "Aunt, I'm no longer the naive kid I was in the past. I know that this world is a cruel place for everyone. If we are not strong, someone will play with our life. If we don't want anyone to cause trouble to us, we have to be strong and make them know the price for messing with us."

Ye Qingyu and Ye Xueyin were at a loss for words.

'What happened to him? Why did he change like this? Did the Xiao family cause trouble for him? Or did other families always give him trouble?'

Countless questions emerged in Ye Qingyu's and Ye Xueyin's minds. Of course, they still didn't want him to order his underlings to cut off the arms of Shu and Shungguan.

"But still, it's too much to cut off their arms." Ye Qingyu spoke. "Can you let them go?"

Xiao Tian didn't answer and only stared at his aunt.

Ye Xueyin grabbed his hands and stared at him in the eyes. "Tian, just let them go."

Like before, Xiao Tian didn't answer and only stared at them.

"Tian.." Ye Qingyu and Ye Xueyin spoke in unison.

Xiao Tian gave a sigh and gave in. "Fine. I will ask my underlings to release them."

Even though he hadn't forgiven Shu and Shungguan, but because his mother and aunt wanted him to release them, he had no choice but to agree with their words because he didn't want to make them sad.

Of course, Xiao Tian would give Shu and Shungguan the last lesson. He would make them lose their jobs and could not find good jobs in Shanghai anymore.

He already had a name in Shanghai. And with the help of Zhao Sheng and Lan Ruoxi, he was sure that he could make Shu and Shungguan could not find good jobs anymore later.

"Thank you." Ye Qingyu knew that Xiao Tian still hadn't forgiven Shu and Shungguan. That was why she was glad that he was still listening to their words.

Chapter 563 - I Will Meet Her Later

6-7 minutes

"I will release them tomorrow." Xiao Tian didn't want to release Shu and Shungguan immediately because it could ruin his plan later. There were still a few things that he needed to do before releasing them later.

"All right." Ye Qingyu and Ye Xueyin didn't mind it. As long as Xiao Tian agreed to release Shu and Shungguan, they even didn't care if he would release them tomorrow or the day after tomorrow.

"But please don't ask whether I'm your nephew or not again?" Xiao Tian pinched his aunt's cheeks gently. "Whatever happens in the future, you two will always be my family and women."

"Un." Ye Qingyu nodded her head.

She suddenly felt guilty after hearing his words because she knew that her words earlier must have hurt his feelings a lot.

Without giving her a warning, Xiao Tian carried his aunt in a princess style and walked towards his bed before finally, putting her on the bed gently.

After Xiao Tian laid down on Ye Qingyu's left side, he stared at his mother and spoke, "Mother, come here and lie down beside me."

With a smile on her face, Ye Xueyin did what she was told. Not only that, she even instantly hugged his left arm after laying down on the bed.

"By the way, director Su wants to meet you." Earlier, when she gave her resignation letter, Su Jinyu told her that Su Jinyu wanted to see Xiao Tian.

"Why does she want to see me?" Xiao Tian had no idea why Su Jinyu wanted to see him.

"She wants to do a partnership with your Star Clothes company." Ye Qingyu gave an honest answer.

"I will meet her later." Xiao Tian was pleased after hearing her words because with this, there was a huge chance that his Star Clothes company would grow again.

Golden Bag company already had a name in the whole of China, so he was sure the collaboration between his company and Golden Bag company would benefit him a lot later.

"I will give you her phone number later." previously, Su Jinyu gave Ye Qingyu her phone number. Even though she was curious as to why Su Jinyu suddenly wanted to do a partnership with Xiao Tian's company, but she didn't ask anything.

That night, they talked until 10:00 pm before finally, they fell asleep.

The following morning, Xiao Tian went straight to Eternal Beauty company. There were two reasons why he decided to go to Eternal Beauty company.

First, there was still some work that needed to be done. And secondly, he wanted to ask Liang Jun whether he had found a place for his restaurant or not. After working for about two hours, he called Liang Jun to his office.

Knock...knock...knock...

Liang Jun knocked on the door.

"Come in." Xiao Tian spoke.

After Liang Jun was in front of Xiao Tian, he immediately said, "Sir, do you need anything?"

"Have you found a place for my restaurant?" Xiao Tian went straight to the point.

"Yes, sir." Liang Jun replied instantly. "But the price is quite expensive."

"How much is the price?" Xiao Tian inquired.

"The price for the building is 3,000,000 Yuan." Because Xiao Tian said he wanted to open a fancy restaurant, Liang Jun looked for a luxurious building yesterday.

"Oh!" Xiao Tian was not surprised because he told Liang Jun to find a luxurious place for his restaurant later. "Let's see the restaurant tomorrow."

Xiao Tian wanted to see whether the building was worth 3,000,000 Yuan or not. If he were satisfied with the building, he would buy it right away.

And the reason why he didn't see the restaurant immediately was that there were many things that he had to do. "You can return to your desk now."

"All right." Liang Jun bowed slightly before walking out of his office.

After Liang Jun left, Xiao Tian traveled to Star Clothes company. When he was in his office, he immediately called Shi Fei.

As usual, she entered his office without knocking on the door. At this moment, Xiao Tian could only sigh because no matter how many times he told her to knock before entering, she always forgot to do that.

"Fei, have you found the people who will buy the Hong family's properties?" Xiao Tian inquired.

Currently, they were sitting on the couch. And Shi Fei was sitting on his left side.

"Yes." Shi Fei replied instantly. "And I have made four fake identities too."

"Good!" Xiao Tian was delighted after hearing her words.

Yesterday, he didn't ask her about it because she was worn out. Actually, he didn't expect her to finish her job so quickly. This made Xiao Tian think that she was a capable woman.

"Can you help me sell it? And give me that fake identities." Xiao Tian was too busy to sell it himself. That was why he asked her to do that.

"All right." Shi Fei replied. "Do you want it now?"

"Yes." Xiao Tian replied.

"I will bring it now." Shi Fei immediately headed to her office. Several seconds later, she returned to his office and gave fake identities to him. "Here."

"You can return to your desk. I want to go now." Xiao Tian wanted to give the fake identities to Yanmo and the others so that they could go abroad immediately.

"All right." Shi Fei then returned to her office.

After Shi Fei left, Xiao Tian traveled to his apartment to change his car and wear his mark because he had to pretend to be Qing Feng.

After arriving at Lan Ruoxi's bar, Xiao Tian called Chun Hua and ordered her to come with Yanmo and the others.

Chun Hua wasted no time and immediately did what she was told. Forty minutes later, Chun Hua and the others arrived at Red Flower bar.

At first, Yanmo and the others were curious why Xiao Tian suddenly called them. However, when they knew that they had completed their mission, a dazzling smile appeared on their faces.

They were thrilled when they received payment from Xiao Tian. Xiao Tian even stated that they could stay abroad for three days without spending money to stay at the villa and eat.

After Xiao Tian gave the fake identities and stated that they could go abroad tomorrow, he ordered them to return to the Hong family's house to prepare themselves.

Chapter 564 - Can You Fire Them?

9-11 minutes

After Chun Hua and the others left, Xiao Tian asked Lan Ruoxi to help him make Shu and Shungguan unable to find any good jobs later.

Of course, he also asked Zhao Sheng for help because his family had a lot of influence. Even though he was already famous, he still didn't have enough power to do whatever he wanted.

At first, Xiao Tian wanted to make a fake resignation letter and send it to the Golden Bag company.

He wanted to make it as if it was a letter written by Shu and Shungguan, but after remembering that he was going to meet Su Jinyu, he decided against it because he could ask her to fire them directly later.

After that, Xiao Tian called Su Jinyu and told her that he could meet her. Then they decided to meet at the Bamboo restaurant at 02:00 pm.

Because it was still 09:30 am, Xiao Tian went to Star Clothes company to work.

'It's time to work.'

Currently, Xiao Tian was in his office. Even though he didn't have a lot of work, Xiao Tian was still enthusiastic about working.

'My eyes hurt a lot.'

Because he worked on the computer for three hours straight, his eyes hurt a lot. For this reason, he took a break and laid down on the couch.

'I will rest for several minutes before going to the Bamboo restaurant.'

Xiao Tian then shut his eyes.

At 01:40 pm, Xiao Tian traveled to the Bamboo restaurant. Because it was still 01:55 pm when he arrived, Xiao Tian thought he would wait about five minutes to meet with Su Jinyu, but he was wrong because she was already at the Bamboo restaurant.

"Director Su, you arrived earlier than our agreed time." Xiao Tian smiled as he sat on the opposite side of her.

Xiao Tian was not surprised when he saw her at the Bamboo restaurant because successful people were always disciplined in everything, including time.

"I'm just arrived." actually, Su Jinyu had been waiting for about ten minutes, but she decided to lie to him.

'So, this is his real face. He is more attractive than in magazines or on TV.'

Even though she knew that he was a handsome young man, but he was more attractive in person. Of course, she was not in love at first sight.

She was just amazed by the young man who was sitting in front of her. Not only was he young and successful, but he also had a handsome face.

"Now that I remember, this is our first time talking face to face like this." When he was staying at her house, Xiao Tian only spoke a few sentences to her, and at that time, they were not alone either.

"That's true." Su Jinyu also thought they would never see each other again after he and Lan Ruoxi suddenly left her house.

She even didn't expect her father would send her to Shanghai to take care of their company.

Actually, she never thought of partnering with him. But after remembering that he could be a successful person in a short time, she knew that partnering with him would be profitable for her company later.

"I was pleasantly surprised when my aunt said you wanted to do a partnership with me. I never thought the famous Golden Bag company would choose to collaborate with my company." At this moment, Xiao Tian was telling the truth.

He had never thought that she would choose to do a partnership with him. Even though it could be said that they had the same status in everything, but in everyone's eyes, their company was not equal because they had no idea that Qing Feng was his other identity.

"You don't need to be humble like this with me. I know that Qing Feng is your other identity. If you add up all your wealth, we are equal in everything." His father had told her that Qing Feng was Xiao Tian, so she knew that Xiao Tian had raised his family's status to a mid-upper-class family.

"Oh!" Xiao Tian was not surprised after hearing her words because he had guessed that she also knew that Qing Feng was his other identity.

"This is the cooperation contract." Su Jinyu gave the documents to Xiao Tian.

Without waiting for another second, Xiao Tian immediately read it.

"I'm fine with the contract." Xiao Tian spoke after he finished reading the documents.

'As expected of a huge company, the cooperation contract is so detail.'

In the cooperation contract, everything was written in detail. Because of this, Xiao Tian could understand everything easily.

The contract stated that they would be making limited edition bags and clothing under their brands' combination. They would also sell some clothes and bags in one package, for example, a cocktail dress and envelope clutch bag in one package.

"I'm glad to hear it." Su Jinyu replied as she smiled, "I will send a representative to your company later."

"All right." Xiao Tian answered. "Director Su, can you help me with something?"

"What is it?" Su Jinyu asked curiously.

"Can you fire Shu and Shungguan? They are the masterminds behind what happened to my aunt, so I want you to help me teach them a lesson." Of course, Xiao Tian didn't tell her that he had imprisoned them.

Su Jinyu didn't answer immediately. She didn't mind firing Shungguan because she knew how Shungguan behaved at the company.

However, firing Shu was another thing because he was a manager. Of course, Su Jinyu knew that Xiao Tian hated Shu and Shungguan to the bone.

Because Su Jinyu didn't say anything, Xiao Tian immediately spoke, "If you don't want to fire them, it seems like we have to cancel our partnership because I don't want to work with the people I hate the most. Director Su, I know my companies are not big now, but I'm sure you won't regret partnering with me later."

'And if you still disagree to fire them, I will make them disappear using my way.'

Xiao Tian added in his mind.

After thinking for several minutes, Su Jinyu decided to grant his wish, "All right. I will fire them later."

"Thank you." Xiao Tian was pleased after hearing her words.

Then they talked about business for another thirty minutes before finally, they left.

At first, Xiao Tian wanted to return to his company, but he suddenly missed his aunt. His aunt had resigned from the Golden Bag company, so he knew that she was at home.

After arriving home, Xiao Tian dashed to the living room. And when he didn't see his aunt, he headed to her room.

"Aunt.." Xiao Tian opened the door without knocking.

"You have returned home?" Ye Qingyu was surprised when she saw Xiao Tian.

She thought she would be home alone until 06:00 pm. She didn't expect him to come home so quickly.

Xiao Tian then laid down next to her and smiled, "What were you doing earlier?"

"I was thinking about you. Hehe." Ye Qingyu replied as she giggled.

Actually, she was watching YouTube earlier, but she suddenly wanted to tease him. That was why she said something like that.

Her words much surprised him. Since he took over Xiao Tian's body, his aunt almost never teased him.

He was the only one who always teased her. That was why he was startled. "What a coincident. Earlier, I was also thinking about you. It seems like we are meant to be a couple. We even thought of each other at the same time. Hehe."

Ye Qingyu only giggled and said nothing because she knew that he would say something like that.

"By the way, Liang Jun said he had found a good place for your restaurant later." Xiao Tian said.

"Tomorrow, I will see that place and if I'm satisfied, I will buy it right away. After that, I will bring you and mother to see it."

"Is that so?" Ye Qingyu answered. "How much is the price?"

At this moment, Xiao Tian wavered whether he should tell the truth or not.

Because Xiao Tian didn't answer immediately, Ye Qingyu suddenly suspected that the price was very high. "Be honest with me. How much is the price?"

"...300,000 Yuan." Xiao Tian answered awkwardly.

"Really?" of course, Ye Qingyu didn't believe his words easily because, from his expression, she suspected that he was lying to her.

Because her face was close to his and she looked at him in the eyes, Xiao Tian suddenly felt even more awkward.

For this reason, he decided to tell the truth. "Well, add one more 'zero' at the end."

"3,000,000 Yuan?!" Ye Qingyu said in surprise.

She knew he was rich but trying to buy a building that costs 3,000,000 Yuan was a waste of money.

"Aunt, I want to open a fancy restaurant." Xiao Tian replied instantly. "With this, other people won't look down on you anymore. I want them to know that we are different from what we were before."

'And it's also my predecessor's biggest dream, so whatever happens, I will open a fancy restaurant for you.'

Xiao Tian added in his mind.

Of course, Ye Qingyu knew his good intention, but in her view, it was still too much. "But still, buying a bui--"

Before Ye Qingyu had finished her words, she was interrupted by Xiao Tian. "No but! You know my dream, right?"

Of course, she knew his dream. For this reason, she didn't say anything and only stared at him.

Xiao Tian pulled her towards him and embraced her. "Let's stop talking about this."

"All right." Because Xiao Tian didn't want to talk about it anymore, Ye Qingyu decided not to say anything.

Not long after that, Ye Xueyin entered Ye Qingyu's room. "Qingyu, is Tian here?"

Chapter 565 - It's Downpour

6-7 minutes

Ye Qingyu and Xiao Tian instantly turned their heads towards the source of the sound.

"Big sis.." Ye Qingyu was surprised when she saw her big sister because she thought Ye Xueyin would return home at 06:00 pm.

'Is today a special day?'

Ye Qingyu suddenly wanted to know whether her nephew and big sister had agreed to go home early for today. Of course, it made her happy because spending time with them was the most important thing for her.

"Mother..." like Ye Qingyu, Xiao Tian was also startled when he saw his mother. "How come you are here?"

"My instincts told me that you were at home." At this moment, Ye Xueyin was telling the truth.

Earlier, when she was working, she suddenly thought that Xiao Tian was at home. Even though she knew that it was only her instinct, she decided to go home because it was rare for her to get an instinct like that.

What?! Instinct! How come they have good instincts. Xiao Tian thought to himself.

Without waiting for another second, Ye Xueyin laid down next to him and giggled, "Hehe."

She was glad she decided to go home because she could spend time with him.

"Tian, have you released Shu and Shungguan?" Ye Qingyu inquired

Xiao Tian had promised that he would release them today. That was why she wanted to know whether he had kept his word or not.

Upon hearing her words, Xiao Tian took his smartphone out of his pocket and called Chun Hua.

"Do you need anything, sir?" Chun Hua asked after picking up the phone.

"Release Shu and Shungguan now." Xiao Tian went straight to the point.

Upon hearing his words, Ye Qingyu and Ye Xueyin smiled because he finally kept his word.

"What?" Chun Hua said in surprise.

She found it hard to believe what she was hearing. Until now, Xiao Tian never forgave the people who caused trouble for him or his family.

Even the members of the Hawk gang and the Hong family were still in prison. And now he suddenly ordered her to release Shu and Shungguan.

Not only that, he even didn't order her to do anything before releasing them.

"You can release them now." Xiao Tian repeated his words.

"Do you want me to cut off their arms first before releasing them?" Chu Hua inquired.

"No need. Just release them." His mother and aunt were beside him, so if he ordered her to cut off the arms of Shu and Shungguan, they would not like it.

"Why?" Chun Hua was curious as to why Xiao Tian's behavior had suddenly taken such a drastic change. "Can you tell me the reason, sir?"

At this moment, Xiao Tian wanted to tell her that Shu and Shungguan would not be able to find any good jobs anymore in Shanghai, but decided against it because his mother and aunt would not like it. "I will tell you the reason later."

"All right." Because Xiao Tian wanted to release Shu and Shungguan immediately, she had no choice but to agree.

Even though she was still curious, but she didn't ask anymore because he would tell her the reason later.

After Xiao Tian hung up the phone, he stared at his mother and aunt. "I have kept my promise."

"Good." Ye Qingyu and Ye Xueyin spoke in unison.

At first, they only talked about his companies, but it only lasted for about twenty minutes before finally, they did shake-shake-ah-ah things in Ye Qingyu's room. They did forbidden stuff for about two hours before finally deciding to stop.

"Having a threesome is great." Currently, Xiao Tian was lying on the bed with Ye Qingyu on top of his body.

At this moment, his penis was still in Ye Qingyu's pussy. Earlier, after letting out his sperm inside Ye Qingyu's vagina, Xiao Tian didn't take his cock out of her pussy.

Ye Qingyu also didn't say a word and only laid prone on top of his body. Her eyes were closed, and she was still trying to catch her breath.

Ye Xueyin, who was lying down on his right side, smiled happily. "Yes. You are right. Having a threesome is indeed great."

Like what he did to Ye Qingyu, Xiao Tian also cummed inside her vagina earlier. His sperm was even still coming out of her pussy.

Of course, Ye Xueyin didn't mind it; instead, she was thrilled because, with this, she knew that her vagina could satisfy him.

Because Ye Qingyu didn't say anything, Xiao Tian stroked her hair gently and spoke, "Are you sleepy?"

"Yes." Ye Qingyu replied without opening her eyes.

She felt comfortable when she was naked on top of him because she was able to feel the warmth of his body.

With his cock still inside her pussy and his left arm around her waist made Ye Qingyu suddenly feel drowsy.

Xiao Tian stared at his mother and spoke, "Do you want to sleep too?"

"Yes." Ye Xueyin replied instantly.

*Drip-drop.... Pitter-patter...

The sound of rain pitter-patter on the rooftop could be heard in their ears

'It's pouring.'

At that moment, Xiao Tian thought it was a perfect time to sleep. "It's downpour. Let's sleep now."

Ye Xueyin immediately grabbed the blanket and covered them so they wouldn't catch a cold because they were too lazy to wear clothes.

Because it was a good time to sleep, they slept from 03:10 pm to 03:00 am. None of them took a bath or had dinner because they slept soundly.

Currently, they were still lying down on the bed. Of course, they were still naked. Because it was still raining, none of them wanted to get out of bed.

"It seems like the rain won't stop anytime soon." Xiao Tian spoke abruptly.

Even though it was no longer a downpour, but it was also not a light rain. Xiao Tian did not expect the rain to last long like that.

"It seems so." Ye Xueyin also thought that the rain would not stop anytime soon.

"Kya." Ye Qingyu was surprised when Xiao Tian suddenly turned his body, causing her to lie on her back with him on top of her.

"Because it's still raining. Let's continue our activities yesterday." Because his cock was still in her pussy and already erect, Xiao Tian immediately moved his waist.

"Ahhh..." Ye Qingyu cried out seductively.

Then Ye Qingyu's room was filled with her moans again.

Chapter 566 - Boss, You Have So Many Identities

6-7 minutes

After having sex with Ye Qingyu and Ye Xueyin for about two hours, they decided to stop. And like before, it was still raining.

'Sigh. When will the rain stop?'

Xiao Tian didn't mind if it rained at night, but in his view, rain in the morning or afternoon was not good. "Let's sleep again."

"All right." Ye Qingyu and Ye Xueyin answered in unison.

At first, they wanted to cook for breakfast, but because it was still raining, they decided to sleep again.

At 06:00 am, Ye Qingyu and Ye Xueyin woke up. Because they didn't eat anything since yesterday afternoon, they were starving.

However, when they were about to cook, almost all of the vegetables were used up, causing them to cook fried rice.

Xiao Tian went straight to Eternal Beauty company after having breakfast with his mother and aunt because he wanted to see the place for his restaurant.

After working for about two hours, Xiao Tian decided to call Liang Jun. "Liang Jun, let's go see the restaurant."

"Yes, sir." Liang Jun replied.

"Where is the location of the restaurant?" Xiao Tian inquired.

Currently, they were in the car. Of course, Liang Jun was the one who drove the car.

"In Xinmo town, sir." Liang Jun replied instantly.

Xinmo town was located in the Nanli district. In the Nanli district, there were thirty towns and fifteen villages.

It took about fifteen minutes to reach the Xinmo town from the Eternal Beauty company. After they reached their destination, they immediately got out of the car.

'Is he the owner?'

After Xiao Tian got out of the car, he saw a middle-aged man standing in front of the luxurious building.

"He is the owner of the building, sir." Previously, Liang Jun had informed the owner of the building that he would come with Xiao Tian. That was why the owner was waiting for their arrival.

"I see." Xiao Tian replied.

Then they began to see the building. As he thought, the building was luxurious with a huge parking lot in front of it.

The building had two floors and was designed in a greenhouse, so they could see what was inside the building.

On the first floor, there was a large empty room with several toilets for women and men. Many luxurious designs also decorated the room. Xiao Tian thought it was a good place for ordinary customers later.

On his left and right sides, there were stairs that led to the second floor. Because he had checked the first floor, Xiao Tian immediately headed to the second floor.

Like on the first floor, the second floor also had a huge room with a few washrooms for women and men. However, what distinguishes the two was that there were two offices and one bedroom on the second floor.

'This building is good for my restaurant later.'

Xiao Tian then walked towards the window. From behind the window, Xiao Tian was able to see a small artificial lake. The artificial lake had blue water with several small trees around it.

'The scenery behind the building is also good.'

Xiao Tian suddenly had a good idea of how to design the restaurant later.

After checking everything, Xiao Tian decided to buy it. The owner was pleased with his decision because he was in need of money.

Since their business was finished, Xiao Tian and Liang Jun returned to Eternal Beauty company. However, when Xiao Tian was about to work, Mu Huo suddenly called him.

'Oh! He is calling me? Is he already in Shanghai or is he going to Shanghai today?'

Xiao Tian was pleasantly surprised when Mu Huo suddenly called him. With this, he would have another underling who was skilled in martial arts.

"Hello?" Xiao Tian spoke after picking up the phone.

"Boss, I'm already in Shanghai. Can you please ask someone to pick me up? I don't know how to find you." Currently, Mu Huo was with his younger brother. Because they were going to live in Shanghai, they were carrying a lot of luggage. "I'm at Ho airport right now."

"Wait there. I will send someone to pick you up." Xiao Tian replied before hanging the phone.

'Should I order Liang Jun to pick him up?'

After thinking for several seconds, he decided to call Liang Jun.

"Sir, do you need anything?" Liang Jun asked after picking up the phone.

"Send someone to pick up Mu Huo at Ho airport now." Xiao Tian went straight to the point.

"Understood." Liang Jun replied.

One hour later, someone knocked on his door.

Knock...knock...knock...

"Sir, Mr. Mu and his younger brother has arrived." Liang Jun spoke after knocking on the door.

"Bring them to my office now." Xiao Tian replied instantly.

Not long after that, Liang Jun entered his office with Mu Huo and his younger brother.

"Boss, is that you?" because Xiao Tian didn't tell him about his other identity, Mu Huo had no idea that Qing Feng was Xiao Tian.

"It's me." Xiao Tian took off his golden mask for several seconds before wearing it again.

"Boss, you have so many identities. It makes me confuse." Mu Huo didn't expect that Xiao Tian had another identity besides Xue Yang.

"There is a reason for this." Xiao Tian didn't bother to explain why he had many identities because he was too lazy to do that.

"So, he is your younger brother?" Xiao Tian spoke as he looked at a young man about seventeen years old.

"That's right, boss." After saying that, Mu Huo stared at his younger brother. "Introduce yourself."

"Hello, I'm Mu Shuo." Mu Shuo spoke as he bowed slightly.

Because Xiao Tian was his big brother's boss, he had to polite to Xiao Tian. That was why he bowed slightly after introducing himself.

"You don't need to bow to me in the future." After saying that, Xiao Tian looked at Liang Jun. "Find an apartment for them."

"Understood, sir." Liang Jun replied.

"Please find the ordinary one, not the luxurious one." Even though his salary was high, Mu Huo didn't want to live in a luxurious apartment because he had to save money for his younger brother's education.

"All right." Liang Jun answered before walking out of Xiao Tian's office.

Chapter 567 - Bringing Mu Huo To Blue Ice Lotus Gang Headquarters

6-8 minutes

As Liang Jun was looking for an apartment, Xiao Tian, Mu Huo, and Mu Shuo ate at the Bamboo Restaurant.

They were talking about Mu Huo's job in Shanghai later. Xiao Tian also told Mu Huo that he would help Mu Huo enroll his younger brother in a better school later.

Not long after that, Liang Jun called Xiao Tian, saying that he had found a good apartment for Mu Huo and Mu Shuo.

Xiao Tian, Mu Huo, and Mu Shuo wasted no time and traveled to the apartment after Liang Jun sent the location.

Coincidentally, the apartment was located not far from the building that Xiao Tian had just bought for his restaurant later.

Even though the apartment was not big but it was comfortable. There was even a gym and a swimming pool for everyone.

Not only that, but there was also a garden in front of the apartment. After asking the price and checking the apartment, Mu Huo decided to buy it.

After they placed his belongings in the apartment, Xiao Tian and Mu Huo traveled to Blue Ice Lotus gang headquarters.

Like when Xiao Tian first came to his base, Mu Huo was startled when he saw Blue Ice Lotus gang headquarters because it was like a house of rich people.

However, what surprised Mu Huo most was that all of Xiao Tian's underlings were female.

'I thought all of his underlings were male. I didn't expect that all this time I was wrong.'

Actually, Mu Huo wanted to ask why all of Xiao Tian's underlings were female but decided against it because it was none of his business.

"Get everyone to the front yard." Xiao Tian spoke to one of his underlings.

Five minutes later, all of Xiao Tian's underlings were standing in the front yard. All of them were curious as to why Xiao Tian suddenly ordered them to the front yard.

They also wanted to know who Mu Huo was because it was their first time to see him with Xiao Tian. But none of them asked a question because they knew it was related to why Xiao Tian ordered them to the front yard.

Currently, Xiao Tian was standing in front of his underlings with Mu Huo and Chun Hua on both sides of him.

"I have several things that I want to tell you all." Xiao Tian spoke and paused for a second before he continued, "But first, let me introduce him to all of you. He is Mu Huo, and he will work under me from now on."

"Hello, I'm Mu Huo." Mu Huo introduced himself after Xiao Tian gave him a sign to do that. "As boss said, I will work under him from now on. Let's get along well."

The corner of his lips twitched when none of Xiao Tian's underlings said a word to him. Of course, he didn't mind it because he had guessed something like that would happen.

"The reason why I brought him here is that he will teach all of you martial arts later." Xiao Tian explained to them the reason why he introduced Mu Huo to them. "He is very skilled in martial arts and I have tested his skills. If any of you doubt it, you can test his abilities now. You don't mind it right, Mu Huo?"

"Sure." Mu Huo knew that Xiao Tian's underlings must be doubting his abilities. That was why he didn't mind if they wanted to test his skills in martial arts.

Xiao Tian then turned his head towards Chun Hua and spoke, "Chun Hua, you can also test his skills in martial arts if you want."

"Sure." Chun Hua wanted to know Mu Huo's skills in martial arts.

"Mu Huo, don't hurt her." Xiao Tian spoke to Mu Huo.

"Understood, boss." Mu Huo replied instantly.

Then Mu Huo and Chun Hua stood facing each other. Without waiting for another second, Chun Hua began to attack Mu Huo.

She threw her kick and fist towards Mu Huo many times, but none of them landed on his body.

"Your strength is great and your speed is not bad too." Mu Huo spoke as he dodged all of her attacks.

At this moment, Mu Huo still hadn't attacked her and only dodged because he wanted to know her skills.

Like before, Chun Hua attacked Mu Huo again, but still, she didn't manage to hit Mu Huo. At this moment, Chun Hua suddenly remembered the time where she fought Shi Fei.

At that time, Shi Fei also could avoid all of her attacks easily. This made her realize that Mu Huo was indeed skilled in martial arts.

"I will end it here." After saying that, Mu Huo began to attack Chun Hua.

Chun Hua, who was less skilled in martial arts than him, had a hard time avoiding his attacks.

When Mu Huo's kick was about to hit her face, he stopped it. "You are talented in martial arts. As long as you practice hard, you will be a very strong martial artist in the future."

"I lose." Chun Hua admitted defeat.

"So, is there anyone who wants to test his skills?" Xiao Tian inquired.

However, none of his underlings wanted to fight Mu Huo. Chun Hua was stronger than them, so if she could not win against him, they would also lose to him.

"So, all of you agree to let him teach you martial arts, right?" Xiao Tian spoke as he stared at his underlings.

"Yes, leader." His underlings spoke in unison.

"Next is, I want to increase the number of members." Xiao Tian then turned his head towards Chun Hua. "Chun Hua, you will be in charge of finding new members with Mu Huo. You can also bring a few members with you later."

The reason why Xiao Tian wanted to increase the number of his underlings was that he thought his underlings were too little.

"Understood." Chun Hua answered instantly.

At this moment, some of his underlings began to whisper. Of course, Xiao Tian knew the reason why they did that. "Don't worry. The Blue Ice Lotus gang will remain the gang for women. Not only do I want to increase the number of Blue Ice Lotus gang members, but I also want to make a new gang. In the future, the new gang and Blue Ice Lotus gang will be like brother and sister."

Xiao Tian's underlings were pleased after hearing his words. Even though they could not do anything if Xiao Tian wanted to make it a mixed gang, but they wanted the Blue Ice Lotus gang to remain a gang for women.

"Lastly, I will give you money to buy training tools to make you stronger." Xiao Tian knew that investing in his gang was important because they would be his supporters in the future.

After that, Xiao Tian and Mu Huo left.

When Xiao Tian arrived at his Star Clothes company, he called Shi Fei to his office because he wanted to know whether the Hong family's properties had been sold or not.

Xiao Tian was pleasantly surprised when he knew that Shi Fei had managed to sell it. Shi Fei said that she would transfer the money to his bank account in a few hours.

Because Xiao Tian wanted to bring his mother and aunt to see the building for their restaurant later, he went straight home.

Chapter 568 - Talking With Lin Xing Xue

6-7 minutes

After Xiao Tian arrived home, he immediately traveled to Star Coffee with his aunt because his mother was still working.

Then they wasted no time and went straight to Xinmo town to see the building. Like Xiao Tian, Ye Qingyu and Ye Xueyin were satisfied with the building.

Xiao Tian was pleased when he learned that his mother and aunt were happy with it. He then told them his idea of how to design the restaurant later.

Of course, Xiao Tian would let them decide whether they chose to design a restaurant based on his idea or not because he would let them handle everything later.

Because Xiao Tian had to work again, he immediately returned to Eternal Beauty company after sending them home.

After he was in his office, he wasted no time and immediately worked. He worked for about three hours before finally he stopped.

'I suddenly want to drink green tea.'

Xiao Tian then traveled to the green tea house near his company. Since the shop had both indoor and outdoor seating, Xiao Tian decided to sit outdoors.

As he was enjoying the tea, a voice suddenly rang out, "Mr Qing Feng..?"

Xiao Tian instantly turned his head towards the source of the sound. When he knew it was Lin Xing Xue, he almost called her little Xue like he used to. "Lady Lin, do you want to drink green tea too?"

Xiao Tian didn't expect to meet her at the green tea shop. That was why he was startled when he knew that Lin Xing Xue was in front of him.

"I was about to return to the company after meeting a client." Lin Xing Xue replied instantly. "And when I saw you, I decided to greet you."

At this moment, Lin Xing Xue was telling the truth. Because Xiao Tian had saved her life once, she still considered him as his savior.

"Oh!" Xiao Tian pretended to be surprise. "Please sit."

After sitting on the chair, Lin Xing Xue asked, "Are you alone?"

"Yes." Xiao Tian replied instantly. "I suddenly want to drink green tea. That's why I came to this green tea house."

After ordering green tea, Lin Xing Xue said, "Congratulations. It seems like your company is getting bigger now."

She knew that Xiao Tian had bought the Hong family's business. That was why she said something like that.

"Thank you." Xiao Tian only smiled at her. "So, are you still working at Star Clothes company?"

"Yes." Lin Xing Xue gave an honest answer. "I like working at Star Clothes company."

"I see. But didn't you already break up with your boss? Why are you still working there? Wouldn't that make you feel uncomfortable working there?" Xiao Tian asked her a lot of questions.

Lin Xing Xue's expression turned sad after hearing his words. "Yes. I have broken up with him. Now he is happy with his women and it seems like he has forgotten me."

At this moment, Xiao Tian thought it was the right time to find out her real feelings. "Do you still love him?"

Lin Xing Xue didn't answer immediately and only stared at him. Of course, she still loved Xiao Tian because he had done many things for her in the past. "Yes. I still love him."

"Lady Lin, you are still pretty. Why don't you look for a new lover?" Xiao Tian inquired.

"Because I still can't forget him." Lin Xing Xue had tried to forget Xiao Tian but the more she tried to do that, the more she could not forget him.

Xiao Tian suddenly found an excellent idea to test her feelings. "How about you become my woman? I'm still single now. Don't worry, I will treat you well later."

"What?!" his words much surprised her. She didn't expect him to say something like that.

It was true that he had saved her life once, but she only considered him as a friend or savior, nothing more than that.

"I know Xiao Tian is handsome and rich, but I'm also rich. Maybe I'm even richer than him." Xiao Tian tried to tell her that Qing Feng was better than Xiao Tian.

"I'm sorry, Mr Qing. But I only see you as my friend, nothing more than that." At this moment, Lin Xing Xue was afraid that Xiao Tian would be offended by her words. Deep inside her, she really wanted to be friends with him.

"Why? Xiao Tian has many women, right? A man who has many women is not a good man." Xiao Tian really wanted to know what her reaction would be after hearing his words.

Actually, his feelings for her had decreased drastically because ever since they broke up, they almost never talked again. That was why he didn't mind if they didn't end up together in the future.

"Please don't speak ill of him!" Lin Xing Xue raised her voice.

Even though she had broken up with Xiao Tian, she still loved him. That was why she was furious when he spoke ill of Xiao Tian.

"I didn't speak ill of him. It's the truth!" at this moment, Xiao Tian was pleased.

Because Lin Xing Xue was enraged when he spoke ill of himself, that meant she still loved him.

"Mr Qing. Please stop it! Otherwise, I will be mad at you later." Lin Xing Xue warned him not to bad-mouth Xiao Tian.

At this moment, Xiao Tian was smiling in his head.

'Everything I have done for her in the past is not in vain.'

Since they had broken up, Xiao Tian thought that everything he had done for her was meaningless.

"Why? He has many women, right? Don't tell me. You hope to get back with him? Are you willing to share him?" like before, Xiao Tian asked many questions.

"I...I..." Lin Xing Xue was unable to finish her words.

It was true that she still loved Xiao Tian, but she still didn't know whether she could share him with another woman or not.

"You can't answer it, right?" Xiao Tian spoke, "Xiao Tian is a bad person, so you shoul-"

*Bang...

Lin Xing Xue slammed the table.

Chapter 569 - What Is So Good About Him?

6-7 minutes

Her actions much surprised him. Ever since he knew her, she had never behaved like that. It was the first time he had seen her lose control like that. "What is so good about him to the point you can't forget him? You even get angry when I said bad things about him."

Except for the fact that Xiao Tian was a playboy, Lin Xing Xue had always thought of him as a good young man. The reason she hated him in the past was that he cheated on her behind her back.

Because Lin Xing Xue didn't want to have a fight with Xiao Tian, she thought it would be better if she left.

Otherwise, it could destroy their friendship. "Mr. Qing, I have to go back to the company now. There is still a lot of work to be done."

"But you still haven't had your tea, right?" Xiao Tian didn't expect that she would leave so quickly. "Why don't you have some tea before you go? I'm sure your boss won't mind it. "

Lin Xing Xue bowed slightly and spoke, "I'm sorry, Mr. Qing. I have to go back now."

"All right." Because she insisted on returning to the company, Xiao Tian didn't try to stop her anymore.

After Lin Xing Xue left, Xiao Tian went to Eternal Beauty company.

Nanli District, Star Clothes Company.

After Lin Xing Xue arrived at the company, she immediately worked. When she was working, what Xiao Tian said to her before kept ringing in her head.

'Will I be able to share him with other women?'

Even though Lin Xing Xue hoped that she could get back with him, but she wavered whether she could share him with other women or not.

Because she kept thinking about him, she suddenly desired to see him. For this reason, she rose to her feet and walked towards Xiao Tian's office.

Knock...knock...knock...

Lin Xing Xue knocked on the door after she reached his office.

'Is he not in his office again?'

Because Xiao Tian still didn't answer even though she had knocked on the door several times, Lin Xing Xue suddenly thought that he wasn't in his office.

'Why is it so hard to meet him now?'

Lin Xing Xue had no idea as to why Xiao Tian was rarely in the company. In the past, it was easy to meet him because he was always in his office.

Of course, Lin Xing Xue had no idea that Xiao Tian had another company besides Star Clothes company because Xiao Tian never told her about it.

Lin Xing Xue didn't give up because she still desired to meet him. That was why she kept knocking on the door.

At this moment, Lin Xing Xue took her smartphone out of her pocket. However, when she was about to call Xiao Tian, she suddenly wavered.

She didn't know what to say after calling him later. For this reason, she only stared at her smartphone, or more precisely, she was looking at his contact name.

All she needed to do was press the call button and she would be able to hear his voice. Like before, she felt as if she was unable to move her fingers.

'Sigh.'

Lin Xing Xue sighed before putting her smartphone back in her pocket.

Eternal Beauty Company, Xiao Tian's office.

'Oh right! I have to find waitresses, waiters, and chefs for my restaurant later.'

With this in his mind, Xiao Tian decided to call Shi Fei. At first, he wanted to call Liang Jun but decided against it.

"Little brother, do you need anything?" Shi Fei spoke after picking up the phone.

"Fei, find waitress, waitresses, and chefs for my restaurant later." Xiao Tian went straight to the point.

"How many waiters, waitresses, and chefs do you need?" Shi Fei inquired.

At this moment, Xiao Tian had no idea how many waiters, waitresses, and chefs he needed for his restaurant later.

"Well, it's like this." Xiao Tian began to explain how big his restaurant was. He also told her that he wanted to open a fancy restaurant and had a goal of becoming one of the best restaurants in Shanghai.

"Well, your mother and aunt can become a general manager and assistant manager later." Shi Fei responded after he finished explaining everything. "What you need next is executive chef, sous chef, pastry chef, kitchen manager, food and beverage manager, line cook, fast food cook, short-order cook, prep cook, sommelier, server, runner, host and hostess, bartender, cashier, and dishwasher."

'What is that?'

Xiao Tian had no idea most of it.

"Well, I will let you handle everything." Because Xiao Tian didn't know anything about it, he decided to let her handle everything.

Shi Fei was a capable woman so he believed that she could handle it later.

"All right." Shi Fei replied instantly.

After Xiao Tian hung up the phone, he began to work again. That day, he only worked at Eternal Beauty company.

At 06:00 pm, Xiao Tian decided to go home. He spent time with his mother and aunt until 11:40 pm before finally, they slept. Of course, they had sex first before sleeping.

The following morning, Xiao Tian didn't have breakfast with his mother and aunt. However, he had a morning sex with Ye Qingyu in the bathroom.

Because of it, he arrived at the Eternal Beauty company at 09:00 am. After working for about four hours, he called Mu Huo.

"Boss, do you need anything?" Mu Huo spoke after picking up the phone.

"Let's have lunch together now. After that, we will go to my gang." Xiao Tian went straight to the point. "You will train my underlings from today."

"All right." Mu Huo replied.

After that, they ate at Bamboo Restaurant before finally traveling to Blue Ice Lotus gang headquarters.

Because they didn't have training tools such as a wooden pole, punching bags, grappling dummy, heavy bag, and the other pieces of training tools, Chun Hua and Mu Huo left to buy them.

By the time they arrived at their base, it was already 03:00 pm. Because it was a perfect time to practice martial arts, they began to train martial arts.

Chapter 570 - Training Martial Arts With Underlings

6-8 minutes

Currently, Xiao Tian's underlings were running around the front yard of Blue Ice Lotus gang headquarters, including Chun Hua.

Because Chun Hua desired to become a much stronger martial artist, she was taking part in training. At this moment, Xiao Tian and Mu Huo were only staring at him.

Of course, Xiao Tian would also practice martial arts later because since he went to Beijing, he hadn't practiced martial arts.

Previously, Mu Huo told Xiao Tian's underlings to run around the front yard for thirty laps after they finished warming up.

Even though they were members of a gang, some of them started to breathe heavily before they even finished running around the front yard for thirty laps.

This made Mu Huo shake his head. With this, he knew that he had to increase their stamina first in the future because stamina was very important to martial artists.

When Xiao Tian saw Mu Huo shaking his head, he knew what Mu Huo had in mind. "I want to practice martial arts too. I will leave them to you."

"Understood." Mu Huo replied instantly.

After Xiao Tian finished warming up, he took a wooden sword and swung it vertically. He kept swinging the wooden sword vertically for more than ten minutes.

At this moment, Mu Huo stole glances at Xiao Tian several times. Not only Mu Huo, but Xiao Tian's underlings, who were still running around the front yard, also stole glances at him.

They wanted to know why Xiao Tian kept doing the same move. It was as if Xiao Tian was not practicing martial arts.

Seconds turned into minutes and without realizing it, it had been fifty minutes since Xiao Tian started practicing martial arts.

At this moment, it was a break time for Xiao Tian's underlings. That was why they were looking at Xiao Tian.

"Leader is still doing the same thing!"

"Yes. He is only swinging his wooden swords vertically since earlier."

"Why did he do that?"

"I don't know."

"But you know how skilled he is in martial arts, right?"

"I know."

One by one, Xiao Tian's underlings voiced out their curiosity. They wanted to know why Xiao Tian only swung his wooden sword vertically.

He even didn't do another move such as thrusting as if he knew nothing but swinging his wooden sword vertically. For this reason, several of his subordinates walked towards him.

"Leader, why are you only swinging your wooden sword vertically?" one of Xiao Tian's underlings asked curiously.

"Even though this move is only a basic move, but it's important for a sword martial artist like me." Xiao Tian answered while still swinging his wooden swords vertically.

Ten of Xiao Tian's underlings, who were also using swords as weapons, spoke in unison, "Leader, can we join you?"

"Sure." Xiao Tian answered instantly. "Just do what I'm doing."

Without waiting for another second, they swung their swords vertically.

"All right. Break time is over." Mu Huo spoke abruptly. "Let's continue again."

"We want to practice with the leader." Xiao Tian's underlings, who were swinging their swords, spoke in unison.

"All right." Mu Huo allowed them to practice with Xiao Tian because as long as they practiced martial arts, he didn't mind it.

After twenty minutes of swinging their swords vertically, Xiao Tian's underlings felt their arms starting to hurt. Now they began to understand that what Xiao Tian had been doing was not easy.

Even though it was only a basic move, but the longer they did that, they found it more difficult to swing the sword vertically.

They felt as if their swords were getting heavier every second, making it difficult for them to swing their swords.

Of course, they didn't give up and still tried their best to keep swinging their swords vertically because they wanted to become strong martial artists.

When Xiao Tian noticed it, he smiled. Previously, he thought his underlings would stop after swinging their swords for fifteen minutes, but he was wrong. "Let's swing our swords for another one hundred times after that, we will take a break for five minutes."

"Understood." His underlings were pleased after hearing his words.

Even though he said that they would only rest for five minutes later, but it was enough for them.

"Let's count together." Xiao Tian spoke, "1..2...3..."

"4...5...6...7..." his underlings began to count with him.

The reason why Xiao Tian asked them to count with him was that it could help them forget that they were tired.

"99..100." Xiao Tian stopped swinging his wooden sword. "All right. Let's take a break for five minutes."

"Huft..." Xiao Tian's underlings immediately sat on the ground.

At that moment, they could no longer feel their arms. Due to how sore their arms were, they even felt pain when they moved their hands.

They suddenly remembered that Xiao Tian had swung his wooden sword much longer than them. Because they wanted to know whether he was fine or not, they instantly turned their heads toward him.

When Xiao Tian noticed his underlings staring at him, he immediately spoke, "What is it?"

"Leader, do your arms not sore?" because they could not hold back the curiosity they had, they asked in unison.

"Of course, my arms are sore." Earlier, Xiao Tian swung his wooden swords for more than an hour, so of course, his arms felt sore too.

However, it was nothing compared to the training he had with his masters in his previous life

"But you behave normally as if you are fine." One of his underlings said.

"Because I'm used to this." Xiao Tian gave an honest answer.

"Leader, will you bring your martial arts master here in the future?" one of his underlings asked, "We want to be strong martial artists like you so we hope your master can teach us too someday."

At this moment, Xiao Tian could only sigh. Even though his martial arts masters often forced him to practice martial arts until he could no longer stand up, but he also wished they could teach him martial arts again.

There were still many things he needed to learn from them. He had never even won a fight against them. In the past, one of his dreams was to defeat his martial arts masters. "It's already five minutes. Let's practice martial arts again."
