Chapter 571 - Meeting Yun Xin Er Again

After that, Xiao Tian practiced martial arts with his underlings again. They practiced martial arts until 05:00 pm before finally, they stopped.

At first, Xiao Tian wanted to return to his company but after remembering that it was already 05:00 pm, he decided to go home.

As usual, Xiao Tian spent time with Ye Qingyu and Ye Xueyin until 11:00 pm before finally, they slept. That night, they didn't have sex because they only talked about living together with his women before sleeping.

Ye Qingyu and Ye Xueyin promised that they would give their answer after Xiao Tian officially opened the restaurant. This made Xiao Tian wanted to open the restaurant as soon as possible.

The following morning, Xiao Tian went to Star Clothes company after having breakfast with his mother and aunt.

Because he talked with his mother and aunt in the dining room for more than fifteen minutes, it was already 08:30 am when he arrived at his company.

To his surprise, when Xiao Tian entered the company, he saw Su Jinyu standing in front of the reception area. She was not alone because a young lady about twenty-seven years old was standing next to her.

Without waiting for another second, he walked towards her. "Director Su?"

Su Jinyu instantly turned her head towards the source of the sound. "Mr. Xiao Tian.."

"What brings you to my company? Is it to discuss clothes and bag designs?" Xiao Tian inquired.

"Yes." Su Jinyu brought one of the best designers of her company so they wouldn't be disappointed with the results later.

He had no idea as to why Su Jinyu came to his company herself. Usually, a company only needed to send a representative to discuss business.

Su Jinyu was the daughter of the company owner and she was also the director of the Golden Bag company so Xiao Tian didn't expect that she would handle the job herself.

Xiao Tian instantly called Shi Fei and his company designers. Then they started designing clothes and bags together.

When they were designing clothes and bags, Su Jinyu and the others were amazed by Xiao Tian's skills. Not only was he able to design clothes and bags in no time, but the designs were also amazing.

This made Su Jinyu and the others realize that Xiao Tian was indeed a talented young man. Not only that, but his ideas were also wonderful and creative.

Su Jinyu even believed that their products would be popular after being promoted. After Su Jinyu left, Shi Fei told Xiao Tian that she had recruited fifty people for his restaurant later.

Xiao Tian smiled happily and kissed her cheeks after hearing her words. He didn't expect that she could finish her job so quickly.

Without waiting for another second, they left to see the people Shi Fei had just recruited. As usual, Xiao Tian gave a short speech to his new employees before finally returning to Star Clothes company.

"With this, I only need to invite several people and reporters." Currently, Xiao Tian was sitting on the couch in his office.

At this moment, Xiao Tian suddenly remembered Yun Xin Er. It had been a long time since he met her. Since he had a lot of problems, he didn't have time to meet her.

Now that he had free time, he thought it was a perfect time to meet her. Without waiting for another second, Xiao Tian took his smartphone out of his pocket and called her.

"Hello?" Yun Xin Er's beautiful voice rang out through his smartphone.

Without realizing it, Xiao Tian's face broke into a smile. It had been several days since he heard her voice. That was why a soft smile instantly appeared on his face after hearing her voice. "Big sister Yun, how are you?"

Instead of answering, Yun Xin Er asked, "Who is this? Do we know each other?"

The corner of his lips twitched after hearing her words.

'What is this? Why do I feel like deja vu?'

In the past, Yun Xin Er responded in the same way when he had not called or seen her for several days.

"Big sist-" before Xiao Tian had finished his words, Yun Xin Er hung up the phone.

'Sigh! This woman..'

Previously, Xiao Tian had already prepared a good excuse but Yun Xin Er hung up the phone before he could say anything.

Xiao Tian immediately called her again, but she didn't pick up the phone. This made Xiao Tian sigh again. After trying to call her more than ten times, he suddenly received a message from Yun Xin Er.

Without waiting for another second, Xiao Tian opened the message.

[Meet me at Rainbow Garden at 04:00 pm. If you are even a second late, I will be furious later.]

When Xiao Tian realized that it was already 03:30 pm, he dashed to the parking lot and went straight to Rainbow Garden.

Because Rainbow Garden was not far from Star Clothes company headquarters, it only took him fifteen minutes to reach there.

'It's still 03:45 pm.'

Even though it was still 3:45 pm, Xiao Tian immediately walked to the place where they used to meet. To his surprise, when he reached the place they used to meet, he saw Yun Xin Er sitting on the floor with her back leaning against the wooden wall.

"Oh! You have arrived?" Yun Xin Er didn't expect Xiao Tian to come so fast.

Without waiting for another second, Xiao Tian sat next to her and smiled, "Have you been waiting long?"

"Yes." Yun Xin Er answered instantly. "I have been waiting for ten minutes."

The corner of his lips twitched after hearing her words.

'It seems like she is angry now.'

"Is your work done for today?" Xiao Tian inquired.

Instead of answering, Yun Xin Er asked, "Little brother, do you love me?"

Her words much surprised him. He didn't expect her to say something like that. "Yes. I love you."

"Then let's meet my parents and tell them that we are a couple." Yun Xin Er answered instantly.

Xiao Tian had no idea as to why Yun Xin Er suddenly behaved like that. "I don't mind meeting your parents, but I also want to tell you something."

"What is it?" she inquired.

"I have two girlfriends right now." Xiao Tian gave an honest answer.

Chapter 572 - They Are Living Together Now

5-7 minutes

Xiao Tian didn't want to hide everything anymore because it could cause trouble for him in the future. He knew that he could hide his relationship from her, but he was sure that she would know the truth sooner or later.

Rather than hurting her feeling later, Xiao Tian decided to tell the truth. He didn't want to make the same mistake like what he did to Lin Xing Xue.

Not only could it hurt her feelings later, but it could destroy everything too. He loved her and didn't want to hurt her feelings. That was why he decided to tell the truth.

Whatever her answer was later, he would accept it. Of course, Xiao Tian hoped that she could accept his polyamorous relationship because he didn't want to lose her.

At this moment, Yun Xin Er didn't answer immediately and only stared at him. Actually, she had guessed that he had a lover.

He was young, successful, and handsome, so it was impossible for a perfect young man like him not to have a lover.

But she didn't expect him to have more than one woman. "Do they know you have two women?"

"They are living together now." Xiao Tian gave an honest answer.

"What?!" the expression of deep shock emerged on her face.

It was a modern era, so she found it hard to believe what she was hearing. Until now, she thought no woman would want their boyfriends to have another woman.

She knew that Xiao Tian was a perfect man to be a lover, but still, she could not believe his words easily. "Really? And they are fine with it?"

"Yes. They are fine with it." In the past, Liu Ning accepted his polyamorous relationship so easily. She even said nothing about it.

"Do I know them?" Yun Xin Er inquired.

"You have met one of them." Xiao Tian replied instantly. "Their names are Shi Fei and Liu Ning."

"Shi Fei?" Yun Xin Er suddenly thought of a woman who had a body like a supermodel. It was the first time she was jealous of another woman because Shi Fei was much sexier than her.

"Yes." Xiao Tian answered as he nodded his head.

Of course, Yun Xin Er felt as if someone was stabbing her heart with a knife. However, when she remembered that he loved her, the pain she felt drastically reduced. "I see."

Xiao Tian cupped her face and looked at her in the eyes. "But my feelings for you are real too."

"...Let me think about it first." It was true that Yun Xin Er loved him, but she still needed time to accept his polyamorous relationship.

Not all women could accept it right away like Liu Ning. That was why Yun Xin Er wanted to think about it carefully.

Xiao Tian placed her head on his chest and embraced her gently. "No matter how long it takes, I'll wait for your answer."

Yun Xin Er slowly wrapped her long slender arms around his waist. It had been more than two weeks since they hugged each other like that.

"Do you want to meet my women?" Xiao Tian thought it could help her accept his polyamorous relationship if she could get along with his women.

"Will they get angry at me later?" Yun Xin Er inquired.

"I'm sure they won't get angry at you." Xiao Tian was sure his women would not get angry at her if he introduced her to them.

"All right." Yun Xin Er agreed to meet Xiao Tian's women. "I will meet them later."

Xiao Tian stopped the hug and spoke, "Oh right, big sister Yun. I will open a restaurant in a few days. Can you come later?"

"You want to open a restaurant?" Yun Xin Er said in surprise.

"Yes." Xiao Tian answered instantly. "My mother and aunt will be the ones who run it later."

"I will come." Yun Xin Er didn't expect Xiao Tian to open another business. With this, she knew he was richer than before.

"Good." Xiao Tian smiled happily. "Oh right! If we become a couple later, I will tell you my biggest secret."

Actually, Xiao Tian wanted to tell her that Qing Feng was his other identity. However, because they were still not a couple, he decided against it.

"What is it?" Yun Xin Er asked curiously.

"I can't tell you unless you agree to be my woman." Xiao Tian replied as he smiled.

"Ho, you dare to play a secret with this big sister, huh?" Yun Xin Er pinched Xiao Tian's cheeks, "Tell me now."

"I don't want to. Hehe." At this moment, Xiao Tian didn't try to remove her hands and let her pinch his cheeks.

"Tell me now, or else.." Yun Xin Er spoke and paused for a second before she continued, "I will pinch your cheeks harder later."

"I don't want to." Like before, Xiao Tian let her do whatever she wanted and only laughed.

Yun Xin Er hit his chest and spoke, "Little brother, tell me now. I want to know about it."

"I don't want to. Hehe." Xiao Tian repeated his words.

Yun Xin Er stared at his face and spoke, "Little brother, I really want to know. Can you tell me your secret?"

"Big sister Yun, it's not like I don't want to tell you about it, but this secret of mine is very important." Xiao Tian answered. "There is a possibility that this secret can destroy my life if everyone know about it."

At this moment, Xiao Tian was telling the truth. If everyone knew that Qing Feng was his other identity, there was a possibility that it could ruin his life.

Because Xiao Tian said so, Yun Xin Er decided not to ask anymore. She raised her little finger and spoke, "Promise?"

Xiao Tian intertwined his pinky with hers. "Promise."

"Good!" Yun Xin Er was pleased after hearing his words.

Because she still wanted to feel the warmth of his body, she immediately embraced him again. Of course, Xiao Tian also hugged her because he also felt the same.

Chapter 573 - Sexy!

7-9 minutes

As she was embracing Xiao Tian, Yun Xin Er inquired, "Where have you been these days? Why didn't you call me or meet me?"

"I had a lot of troubles lately." Xiao Tian replied instantly. "And I just returned to Shanghai. I'm sorry for not calling or meeting you in several days. It's because I don't want you to have a fight with your mother."

Yun Xin Er's mother didn't like Xiao Tian because he was from a middle-class family. In her view, Xiao Tian didn't deserve Yun Xin Er.

"You have to work harder so that your family status can become an upper-class family in the future." Her mother said that she would agree with their relationship if Xiao Tian managed to raise his family status to a mid-upper-class family.

Of course, Yun Xin Er knew that raising family status was difficult. Not only that, but he needed to have a net worth of at least 500,000,000 Yuan to get into a mid-upper-class family.

500,000,000 Yuan was a lot of money, and not everyone could earn that. However, because Xiao Tian was still young and could raise his family status from lower class to middle-class in no time, she believed that he could raise his family status to a mid-upper-class family in the future.

"Don't worry. I will work hard." Xiao Tian could not tell her that he had raised his family status to a mid-upper-class family because he had to tell his secret if he wanted to do that.

Even though they loved each other, but she was still not his woman, so he didn't want to tell his secret. He would wait until she accepted him before telling everything to her.

Yun Xin Er stopped the hug and looked at him in the eyes. After looking at his black eyes for about five seconds, she cupped his face and pressed her lips against his.

Because it was their first kiss in a long time, she kissed his lips for more than seven seconds.

Unlike usual, Yun Xin Er didn't close her eyes; instead, she kept looking at him as if he would disappear if she didn't stare at him.

After she stopped the kiss, Yun Xin Er sat next to him again. However, when she was about to lean her back against the wooden wall, Xiao Tian grabbed her waist and placed her on his lap.

Currently, she was sitting on his lap with her body facing his right side. Yun Xin Er didn't say a word when he placed her on his lap because he often did that in the past.

She only stared at his face for about five seconds before finally wrapping her right arm around his waist and leaning her head on his left shoulder.

*Drip...Drop...

The sound of raindrops hitting the rooftop could be heard in their ears.

At this moment, they suddenly remembered the first time they spent time at the Rainbow Garden.

That day, it was also raining, and they were embracing each other. However, they didn't sleep this time; instead, they kept talking while hugging each other.

At 05:30 pm, the rain stopped. Even though they still wanted to spend time together, they decided to leave because it was already dusk.

When Xiao Tian was about to get into his car, Yun Xin Er said something unexpected, "Do you want to spend the night at my house?"

"Wouldn't your mother be mad at you if she saw me in your house later?" it was not like Xiao Tian was afraid of her mother, but he didn't want to make them fight because of him.

Even though her mother only judged people based on their wealth, but she was still her mother, and if he wanted to be her lover, he shouldn't have any problem with her mother.

Otherwise, her mother would not accept their relationship later. Even though they could run away from her mother, but Xiao Tian still hoped that her mother would agree with their relationship.

Without her mother, there would not be Yun Xin Er in this world. That was why Xiao Tian would keep trying to get her mother to accept his relationship with Yun Xin Er.

"They are not in Shanghai right now." Her parents told her that they had gone to Beijing this morning. "They will return to Shanghai in three days. And also, they don't live in my house."

"All right." Xiao Tian answered.

Then, they traveled to her house.

"Are you sleepy?" Xiao Tian inquired.

Currently, they were lying down on the bed in her room. Previously, they ate dinner together before traveling to her house. And because it was still raining, they immediately headed to her room and watched TV.

"No." even though she was sleepy, Yun Xin Er didn't say it. "Little brother, can you tell me how you met your women?"

Xiao Tian had no idea as to why Yun Xin Er suddenly wanted to know about it. However, Xiao Tian still told her everything because he didn't want to lie to her. "Well, it's like this..."

Of course, he didn't tell her the bad things he did to Liu Ning.

"I see." Yun Xin Er spoke after Xiao Tian finished talking. "So you love them so much, huh?"

"Yes." Xiao Tian replied. "But I also love you."

"I love you too. But I still need to think about our relationship first." After saying that, Yun Xin Er placed her right hand on his chest. "Please wait a little. I promise, it won't be long."

Yun Xin Er would accept him immediately if he didn't have another woman because she was in love with him.

However, because he had two women, she needed to think about it carefully because their relationship would be related to her future.

Not only that, maybe even her career could be ruined if she accepted him and everyone knew about it. That was why she needed to prepare herself to accept the consequences of her choice later.

"I know." Xiao Tian then took the remote and turned off the TV. "Let's sleep now."

Because it was still raining, Xiao Tian wanted to sleep. He knew that she was sleepy.

"Un." Yun Xin Er nodded her head.

Because they slept at 07:30 pm, they were awake at 04:00 am. Instead of sleeping again, they watched TV and talked.

At 06:00 am, Xiao Tian returned home. Of course, he kissed her passionately before going home. Because it was Sunday, Xiao Tian didn't go to work.

For this reason, he traveled to Liu Ning's house after spending time with his mother and aunt for three hours.

Knock...knock...knock...

Xiao Tian immediately knocked on the door after he arrived at Liu Ning's house.

"Tian'er.." Liu Ning spoke after opening the door.

Without waiting for another second, Xiao Tian carried her in a princess style before closing the door with his right foot.

As Xiao Tian was walking toward the living room, he asked, "Were you thinking about me earlier?"

"No." Liu Ning replied as she giggled, "I was watching TV."

After Xiao Tian sat on the couch, he placed her on his lap. "Where is Fei?"

"She is taking a shower-" before Liu Ning had finished her words, Shi Fei appeared beside them.

"Little brother..." currently, Shi Fei was only wearing a towel. From her appearance, anyone could tell that she had just finished taking a bath.

"Sexy!" Xiao Tian spoke instantly after looking at her. "Come here and give me a kiss."

Because the towel, which covered her breast and vagina, was not big, Xiao Tian could almost see her pussy.

"Do you want to kiss my lips or..." Shi Fei lowered her towel, allowing Xiao Tian to see her beautiful breasts, "my breasts?"

Chapter 574 - You Only Want To Kiss Me, Right?

6-7 minutes

"Big sister Fei, stop it!" Liu Ning was startled when Shi Fei showed her breasts to Xiao Tian.

Unlike Liu Ning, Xiao Tian behaved normally because he knew her personality. He was even happy when Shi Fei suddenly showed her breasts. "Come here and let me kiss your breasts."

Liu Ning returned her attention to Xiao Tian. However, she said nothing and only stared at him.

"Here." Shi Fei stood in front of him and bent over slightly, making her left breasts right in front of his face.

Instead of kissing her breasts, Xiao Tian licked her left nipple before finally putting it into his mouth.

"Hmm..." Shi Fei closed her eyes when Xiao Tian suddenly licked her nipples and bit them gently.

Like before, Liu Ning only stared at him. She didn't try to stop them because they were lovers.

After biting her nipples gently, Xiao Tian kissed her breasts and spoke, "Delicious!"

"Hehe." Shi Fei covered her mouth and giggled.

When Xiao Tian noticed Liu Ning staring at him intently, he immediately spoke, "Don't be jealous. Come here and let's have a passionate kiss."

Liu Ning instantly giggled after hearing his words. "You only want to kiss me, right?"

"That's right." Xiao Tian admitted it.

Shi Fei looked at Liu Ning and spoke, "Ning, have you forgotten that he is a pervert too?"

"Oh, I forgot!" Of course, Liu Ning knew that Shi Fei only wanted to tease him. That was why she immediately agreed with her words.

"Yes. Your handsome boyfriend is indeed a pervert." After saying that, Xiao Tian cupped Liu Ning's face and kissed her lips, but he didn't kiss her passionately like what he just said.

As usual, Shi Fei only giggled when Xiao Tian suddenly kissed Liu Ning. "Alright. I want to wear clothes first."

Upon hearing her words, Xiao Tian instantly broke the kiss and spoke, "You don't need to wear clothes. Just sit here. And it would be better if you sat naked. Hehe."

"Good idea!" Even though she knew that Xiao Tian was only joking around, Shi Fei still did what she was told.

She put her towel on the couch and sat next to him, naked. Because Liu Ning was also his woman, she didn't feel shy.

Like before, Xiao Tian was not surprised when she did what she told. "But I can't see anything from this position. Turn around and face me. After that, spread your pussy so that I can see your beautiful vagina clearly."

At this moment, Liu Ning only sighed. Even though she often saw them doing lewd things, she still found it hard to believe that they could behave normally.

Upon hearing his words, Shi Fei turned her body to face him. Because Xiao Tian said that he desired to see her pussy, she spread her vagina widely with his fingers. "How is it? Do you like it?"

"I love it! Your vagina is beautiful!" Xiao Tian responded instantly. "I love seeing your pussy very much."

"Of course, you like it because you can see her beautiful pussy." Liu Ning spoke as she pinched Xiao Tian's cheeks.

"Hehe." Xiao Tian only laughed and stared at Liu Ning. "Ning'er, how about you show me your vagina too?"

Because Xiao Tian just saw Shi Fei's vagina, he suddenly desired to see Liu Ning's pussy. He didn't feel shy and said what he had in mind because they were his women.

"I don't want to." Even though Liu Ning would welcome it if he wanted to have sex with her, but at that moment, she only wanted to lovey-dovey with him.

As if Xiao Tian could read her mind, he immediately spoke, "What a pity! Because you don't want to show it to me, let's just lovey-dovey now."

"Little brother, what about me?" at this moment, Shi Fei was still spreading her pussy. "Are you not going to play with my pussy?"

"Let's do that later." Xiao Tian replied instantly. "You should wear clothes now so that we can watch TV together."

"All right." Because Xiao Tian said so, Shi Fei immediately headed to her room to wear clothes. After that, she returned to the living room and sat next to him.

"Oh right. My mother and aunt will give their answers regarding living together after I officially open my restaurant." Xiao Tian spoke as he stared at Shi Fei and Liu Ning. "And from their behavior, it seems like they will agree later."

"Really?" Shi Fei said in surprise. "It's good then."

"Yes." Xiao Tian nodded his head as he smiled. "With this, we can spend time together every day later."

"I can't wait to live together with you and your family." Shi Fei spoke cheerfully. "Have you decided who the people you will invite to the opening of your restaurant later?"

"Yes." Xiao Tian replied instantly. "Or right! I have invited Yun Xin Er too."

"Yun Xin Er? That famous singer?" Liu Ning inquired.

Yun Xin Er was famous in the whole of China, so Liu Ning knew who she was.

"Yes." Xiao Tian answered. "I also have a special relationship with her."

Because Xiao Tian didn't want to lie to his women anymore, he decided to tell about his relationship with Yun Xin Er.

"Is she your woman now?" Liu Ning inquired.

"Well, she said she is thinking about it." Xiao Tian gave an honest answer. "We would have been a couple by now if I had chosen to hide our relationship. But I told her that I have two women now. That's why she is thinking about it."

"I see." At this moment, Liu Ning was pleased because Xiao Tian finally knew that hiding a relationship was not a good choice.

"As expected of little brother, you can even make a famous singer like her fall for you." Shi Fei praised Xiao Tian for having a special relationship with a famous singer like Yun Xin Er. "Don't worry. We will help you get her later."

"I hope you will continue treating us equally later." Liu Ning didn't mind if Xiao Tian had another woman because she knew that something like this would happen sooner or later. She only hoped that he could treat them equally later.

"Don't worry. I will try my best to treat all of you equally later." Xiao Tian answered.

Chapter 575 - Going To Zhao Sheng's House

7-8 minutes

After spending time with Liu Ning and Shi Fei until 06:00 pm, Xiao Tian went straight home. As usual, Xiao Tian talked with his mother and aunt until 11:00 pm before finally, they slept.

The following morning, Xiao Tian went straight to Star Clothes company after having breakfast with his mother and aunt.

'Oh right, the day after tomorrow is the opening day for my restaurant. It would be better if I invited Lan Ruoxi and Zhao Sheng now.'

With that in mind, Xiao Tian went straight to Red Flower bar.

As usual, when Xiao Tian entered the bar, Lan Ruoxi's underlings brought him to a private room.

To his surprise, when Xiao Tian stepped into the private room, he saw Lan Ruoxi talking with Zhao Sheng.

"Young master Xiao, what brings you here?" Lan Ruoxi inquired.

"Yo, Xiao Tian." Zhao Sheng spoke as he waved his right hand.

After Xiao Tian sat in front of Lan Ruoxi, he looked at Zhao Sheng. "I didn't expect to see you here."

"I was bored so I came here." Zhao Sheng gave an honest answer. "What brings you here? Did someone trouble you again?"

Upon hearing Zhao Sheng's words, the corner of Xiao Tian's lips twitched. "I want to invite both of you to the opening of my restaurant. Coincidentally, you are here, so I don't need to call you."

"Oh, you want to open a restaurant?" Zhao Sheng said in surprise.

"Yes." Xiao Tian answered as he nodded his head. "I also want to invite your grandfather."

In the past, Zhao Sheng's grandfather told him to come to his home, but Xiao Tian forgot about it. That was why he thought it was a perfect time to go to Zhao Sheng's house.

Zhao Sheng's grandfather was famous in the whole of China, so if Xiao Tian could invite him, his restaurant would be even more famous later.

"But you have to invite him yourself." Xiao Tian never came to his house. That was why Zhao Sheng said something like that.

"Sure." Even though he could send an invitation letter to Zhao Sheng's grandfather, Xiao Tian thought it would be better to invite Zhao Sheng's grandfather himself.

With that, Zhao Sheng's grandfather would feel his sincerity, and the possibility of Zhao Sheng's grandfather to accept his invitation would be higher.

"So, what are you waiting for?" Zhao Sheng rose to his feet. "Let's go to my house."

"Lady Lan, do you want to come with us?" Xiao Tian inquired.

"Sure." Lan Ruoxi had nothing to do at her bar, so she thought going to Zhao Sheng's house with them was not a bad idea.

Then they traveled to Zhao Sheng's house. Zhao Sheng's home was located in Hobu town, one of the towns in the Wanhui district.

It only took them fifteen minutes to reach Zhao Sheng's house from Red Flower bar. As Xiao Tian expected, Zhao Sheng's house was huge.

However, his house was not modern; instead, it was a traditional house. An enclosed square made up the manor. Before they stepped into the main entrance, two middle-aged men greeted Zhao Sheng.

From their clothes, Xiao Tian was sure that they were at least master martial artists. At first, Xiao Tian thought they would see Zhao Sheng's house after entering the main gate, but he was wrong because there was another small entrance before they could see Zhao Sheng's house.

His house's front yard was huge, with a big tree in every corner of the yard.

"Young master Zhao."

"Young master Zhao."

"Young master Zhao."

"Young master Zhao."

Everyone, who practiced martial arts in the front yard, instantly stopped what they were doing and greeted Zhao Sheng the moment they saw Zhao Sheng.

"They are lady Lan and Xiao Tian, right?"

"Yes."

"What are they doing here?"

"I don't know."

"I'm curious now."

Because Lan Ruoxi had already come to Zhao Sheng's house several times, they knew her. And because Xiao Tian was famous recently, they also knew who he was.

They didn't know why Xiao Tian and Lan Ruoxi came to Zhao Sheng's house.

After they entered the guest room, Xiao Tian felt as if he had returned to ancient times. Even though the guest room was big, but there was no modern furniture.

From the chairs, tables, and walls. Everything was made of wood. Even the floor was made of wood. It was the first time Xiao Tian knew that an upper-class family still used a traditional house.

"Wait here, I will call my grandfather first." After saying that, Zhao Sheng headed to the backyard because usually, his grandfather was there.

Not long after that, Zhao Sheng's grandfather, Zhao Chen, entered the guest room with Zhao Sheng.

"Oh! Isn't this Xiao Tian and Lan Ruoxi?" Zhao Chen was surprised when his grandson said that Xiao Tian and Lan Ruoxi came to his house.

"Greeting, elder Zhao." Xiao Tian and Lan Ruoxi rose from their chairs and spoke in unison.

"You don't need to behave politely like this." Zhao Chen spoke as he smiled, "So, what brings you to my house?"

"I only came to accompany young master Xiao." Lan Ruoxi replied politely.

"The reason I came here is to invite you to the opening of my restaurant." Like Lan Ruoxi, Xiao Tian also spoke politely.

"Oh! You want to open a restaurant, huh?" at this moment, Zhao Chen knew why Xiao Tian wanted to invite him.

First, Xiao Tian wanted everyone to know that he had a good relationship with the Zhao family. Second, with him appearing in the opening of his restaurant, the possibility of Xiao Tian's restaurant becoming instantly famous would be higher later.

And the last, everyone maybe would think that the Zhao family supported him. Of course, Zhao Chen didn't mind accepting his invitation because Xiao Tian was his grandson's good friend.

Zhao Chen knew that Zhao Sheng would be mad at him if he refused Xiao Tian's invitation. However, he would not accept it quickly because there was something he wanted to know about Xiao Tian.

Zhao Sheng said that Xiao Tian was a martial artist, so he wanted to know how skilled Xiao Tian was in martial arts.

When his grandfather didn't answer immediately, Zhao Sheng turned his head towards his grandfather, "Old man, why don't you accept his invitation immediately? What are you thinking about?"

"Shut up, brat!" Zhao Chen had guessed that his grandson would ask him to accept the invitation immediately. That was why he raised his right arm and dropped in instantly, hitting Zhao Sheng's head from above.

"Hehe." Lan Ruoxi could not help but giggle when she saw it.

Almost everyone in the whole of China knew that Zhao Sheng had a good relationship with his grandfather.

And even though Zhao Chen was an expert in martial arts, he was neither arrogant nor considered himself above everyone else.

"Agh." Zhao Sheng cried out in pain. "Old man, stop hitting me in front of my friends. You are destroying my good image!"

At this moment, Xiao Tian tried his best not to laugh.

They really have a good relationship, and it makes me envy them. Xiao Tian thought to himself.

"Oh! Isn't this Xiao Tian and Lan Ruoxi?" a voice suddenly rang out.

Chapter 576 - Fighting Against The Zhao's Family Disciples

8-10 minutes

Xiao Tian and the others immediately turned their heads towards the source of the sound. The person who just spoke was a middle-aged man who was around forty-one years old.

On the middle-aged man's left side, a beautiful lady around forty years old was standing elegantly. And on the left side of the pretty lady, a young man around twenty years old was smiling softly.

"Mother, father, big brother." Zhao Sheng spoke when they saw them.

"You are Xiao Tian, right? What brings you to my house?" even though it was the first time that the middle-aged man met Xiao Tian, but he had already disliked Xiao Tian.

There was a reason why he disliked Xiao Tian. It was because Zhao Sheng would rather hang out with Xiao Tian than practice martial arts.

Other than going to his company, Zhao Sheng only wanted to spend time with Xiao Tian and his friends. That was why he disliked Xiao Tian.

"Zhao Xun, you should not behave rudely like this! He is my guest." Zhao Chen was unhappy when his son spoke to Xiao Tian in a harsh tone.

"Father, he is one of the reasons why Sheng often doesn't practice martial arts." Zhao Xun told his father, the reason why he disliked Xiao Tian.

"Dear, please don't be rude to our guest. Otherwise, your father will be angry later." the beautiful lady tried to calm Zhao Xun down.

"Lang Yaling, you are also too soft to our son." Zhao Xun spoke as he stared at his wife. "You know that he is talented in martial arts, but you never forbid him when he wanted to go to his company."

At this moment, Xiao Tian was unhappy. Of course, he knew the reason why Zhao Xun disliked him. However, he never forced Zhao Sheng to hang out with him.

But, because Xiao Tian wanted to invite Zhao Chen to the opening of his restaurant, he tried his best to hold back his anger.

"Father, please calm down." The young man, who was standing next to Lang Yaling, spoke abruptly.

Zhao Xun turned his head toward his eldest son and spoke, "Zhao Luoyang, you should stop supporting your younger brother too."

"Father, stop it!" Zhao Sheng raised his tone. "We are in front of my friends now. Can't you behave like a good father?"

Zhao Xun was unhappy after hearing his son's words, "What do you mea-"

However, before Zhao Xun had finished his words, Zhao Chen stared at him coldly. "Xun, if you still behave rudely like this, don't blame me if I punish you later."

At first, Zhao Xun wanted to say something to Zhao Sheng, but after hearing his father's words, he instantly fell silent.

At this moment, Xiao Tian suddenly felt as if the temperature in the guest room had turned cold. Not only Xiao Tian but Lan Ruoxi also felt the same.

Even though she was skilled in martial arts, but in front of someone like Zhao Chen, she was like a child who just learned martial arts.

Zhao Sheng then turned his head towards Xiao Tian and spoke, "Xiao Tian, sorry. It seems like I made a mistake inviting you to my house."

"Don't mind it." Xiao Tian replied as he smiled.

Zhao Chen returned his attention to Xiao Tian and spoke, "Xiao Tian, I will accept your invitation on one condition."

"Please do tell me, elder Zhao. As long as it's within my reach, I'll do it." Even though Zhao Chen said he would accept his invitation on one condition, it still made Xiao Tian happy.

Actually, he knew that he had to do something to make Zhao Chen accept his invitation. That was why he was not surprised after hearing Zhao Chen's words.

"Have a friendly fight with three of my martial arts disciples." Zhao Sheng told him that Xiao Tian was also a martial artist. That was why Zhao Chen wanted to know his skills in martial arts.

"I agree." Zhao Xun agreed with the condition.

Even though he knew that Xiao Tian was a martial artist, but in his view, Xiao Tian was a weak martial artist.

He could not teach Xiao Tian a lesson, so with this, he hoped his disciples could beat Xiao Tian later.

"I agree." Xiao Tian didn't expect that he only needed to fight three martial arts disciples.

Even though he knew that the Zhao family's martial arts were unique and deadly, he didn't mind because Zhao Chen didn't say that he had to win the fight.

"Oh! I forget something." Zhao Chen spoke and paused for a second before he continued, "Whether I will accept your invitation or not depends on your performance later."

'Fuck!'

Xiao Tian cursed venomously in his head after hearing Zhao Chen's words. With this, he knew that there was a possibility that Zhao Chen would refuse his invitation later.

"I understand." Xiao Tian had no choice but to agree.

I have to do my best later. Xiao Tian thought to himself.

At this moment, Zhao Sheng didn't say a word because he also wanted to know how skilled Xiao Tian was in martial arts.

Like Zhao Sheng, Lan Ruoxi was also curious about Xiao Tian's skills in martial arts. She had never seen Xiao Tian fight someone before, so she suddenly wanted to watch his match against three martial arts disciples immediately.

Zhao Chen rose to his feet and spoke, "Let's head to the front yard then."

Zhao Chen and the others immediately headed to the front yard. Everyone, who was in the front yard, wanted to know why the Zhao family members suddenly came to the front yard together like that.

All the martial arts disciples and trainers immediately stood up and gathered. When Zhao Chen was in front of them, he spoke, "Everyone, today Xiao Tian came to my house because he wanted to know

about our martial arts, so anyone below a martial arts master can challenge him. He will fight three disciples later. "

"So the reason he came here is that he wants to test our martial arts skills."

"Isn't he a businessman? Why does he want to challenge us?"

"I don't know."

"Who does he think he is? How dare he challenge us?"

"Does he not know about the Zhao family's martial arts?"

"I think he is looking to die."

"He will regret it later."

Some disciples were displeased when they found out that Xiao Tian wanted to challenge them.

At this moment, Xiao Tian could only sigh. From Zhao Chen's words, it was as if he was the one who challenged them.

Zhao Chen turned his head towards Xiao Tian and spoke, "Xiao Tian, step forward."

Without waiting for another second, Xiao Tian did what he was told. "I'm Xiao Tian."

Zhao Chen then looked at his disciples and asked, "Who want to challenge him?"

"Me." A young man, about twenty years old, stepped forwards. "Don't think just because you have learned martial arts, you can challenge anyone as you want. I will let you know the result for challenging a real martial arts artist. "

He was Ziji. Even though he was not the best disciple, but his skills were in the top ten among all disciples.

He was unhappy when he knew that Xiao Tian was challenging them. He believed Xiao Tian thought of himself as an expert in martial arts.

One of the trainers instantly stepped forward to become a referee.

"Are you ready?" the referee spoke as he looked at Xiao Tian and Ziji.

Xiao Tian and Ziji immediately made a fighting pose.

"Fight." The referee spoke.

Upon hearing the referee's words, Xiao Tian dashed towards Ziji and threw his kick towards Ziji's head.

*Faint...

Due to how fast Xiao Tian's kick was, Ziji was unable to avoid it, causing him to be kicked by Xiao Tian and fainted.

*Silent...

The entire area turned into a dead silence.

They knew that Ziji was one of the best disciples, but they didn't expect that it would only take Xiao Tian a few seconds to defeat him.

"What? What happened just now? Why did Ziji pass out?"

"I also don't know."

"He could defeat Ziji so quickly?!"

"What did he do to Ziji?"

Due to how fast Xiao Tian's kick was, some of the disciples could not see his attack.

"Ho! Not bad, not bad." Zhao Chen spoke as he touched his chin.

At this moment, Zhao Xun was unhappy. He also did not expect Xiao Tian to beat Ziji so quickly.

"The first match. The winner is Xiao Tian." The referee announced.

Chapter 577 - Old Man, That's Unfair!

9-11 minutes

'His movements are so fast. It seems like he wants to finish the battle as quickly as possible. Well, I can understand it because he has to fight against three Zhao's family disciples.'

Actually, Lan Ruoxi was also surprised because Xiao Tian was much stronger than she thought.

"Haha." Zhao Sheng laughed loudly. "Beat them, Xiao Tian. Beat them!"

Upon hearing his grandson's words, Zhao Chen hit his grandson's head again. "Brat, which side are you on? Why did you say something like that in front of us?"

Of course, Zhao Chen was not angry with his grandson because, actually, he didn't care whether the disciple of the Zhao family won or not. He only wanted to know Xiao Tian's skills in martial arts.

"Grandfather, you should know by now that some of them think highly of themselves because they are learning our martial arts." Zhao Sheng answered instantly. "Some of them even become arrogant because of it. They don't know that as long as you practice martial arts seriously, any martial arts can become a deadly martial art. You only need to put your heart into practicing martial arts and the possibility of you becoming the strongest martial artist will be high."

Zhao Sheng had seen some of their disciplines become arrogant just because they had learned his family martial arts.

Even though many of them were from the younger disciples, it could still affect his family's reputation.

"Ho! Good words, good words." Zhao Chen was satisfied after hearing his grandson's words.

Actually, Zhao Chen was also worried that his grandson would become an arrogant person because he was talented in martial arts and business.

But after hearing his words, Zhao Chen was sure that his grandson would become a great person in the future.

Lan Ruoxi and the others also nodded their heads because they agreed with Zhao Sheng's words.

The referee stared at Xiao Tian and spoke, "You don't mind continuing the fight, right?"

Because Xiao Tian defeated Ziji so quickly, the referee thought Xiao Tian didn't need to rest before continuing the fight.

"Yes. Let's continue the fight." Xiao Tian's stamina was still full, so he didn't mind continuing the fight.

"For the second match. Who wants to challenge him?" the referee stared at the Zhao family's disciples.

"Me." A young man, about nineteen years old, stepped forward.

"It's Dandan."

"I didn't expect Dandan to challenge Xiao Tian so quickly like this."

"Me too."

"I thought he would challenge Xiao Tian later."

"I'm also surprise with his decision."

Because Dandan was the best among the younger disciples, the other disciples were startled when Dandan decided to challenge Xiao Tian so quickly like that.

They thought Dandan would be the last person to challenge Xiao Tian because Dandan was the best disciple among them.

Dandan put his hands together and bowed slightly. "Let's have a fair fight and give it our best."

Xiao Tian did the same things and spoke, "Alright. Let's have a fair fight."

Actually, Xiao Tian was a little surprised after hearing Dandan's words. He thought Dandan would behave arrogantly like Ziji, but he was wrong.

From his words and behavior, Xiao Tian was sure that Dandan was not an arrogant person like Ziji.

"Yes. Yes. I like his behavior. A martial artist should behave like Dandan." Zhao Sheng nodded his head after seeing Dandan's behavior. "Even though he is the best among the younger disciples, he is not arrogant and also hardworking. Not like a trash like Ziji!"

"Brat, what do you mean by trash?" Zhao Chen asked, "Even though his behavior is bad, but his skills in martial arts are among the top ten in the younger generation."

"What's so good about the top ten? I can even defeat him in less than five seconds." Even though Ziji's skills were among the top ten in the younger generation, but comparing to Zhao Sheng, Ziji was nothing.

At this moment, Zhao Chen didn't say anything because he also believed that his grandson could defeat Ziji in less than five seconds.

Zhao Sheng was the most talented person in the Zhao family. It was a pity that he only focused on his business.

"Ready.." the referee stared at Xiao Tian and Dandan for about three seconds. "Fight."

Because Dandan knew that Xiao Tian was skilled in martial arts, he didn't underestimate Xiao Tian and immediately attacked Xiao Tian seriously.

When he was close to Xiao Tian, Dandan instantly threw a high kick towards Xiao Tian's head.

Even though his movements were fast, but Xiao Tian was able to see them. That was why he could avoid Dandan's kick by lowering his body.

Not only that, but Xiao Tian also counter-attacked. He threw a low kick towards Dandan's left leg.

Dandan, who saw it, immediately jumped backward. However, when he was about to attack Xiao Tian, Xiao Tian was already in front of him and was throwing a fist towards his face. Luckily, Dandan still had time to avoid it.

"What? Xiao Tian can fight against Dandan equally?!"

"I thought Dandan would have the upper hand in this fight, but I was wrong."

"That Xiao Tian is talented in martial arts."

"Damn! I begin to envy him. Not only is he talented in business, but he is also talented in martial arts. With his handsome face, isn't he like a perfect young man?"

"Now I wonder what is the name of martial art he learned? And who is his master?"

"I also want to know about it. I've never seen a martial arts move like this."

All disciples suddenly wanted to know the name of martial arts Xiao Tian had learned.

"He is not bad, but I'm sure, Dandan will win later." Zhao Xun spoke confidently as if he could already see the winner.

"I agree with you, father. Even though Xiao Tian is skilled in martial arts but Dandan is more skilled." It was not like Zhao Luoyang underestimated Xiao Tian, but he knew Dandan's ability in martial arts.

"You two are wrong. Xiao Tian will win this match for sure." After saying that, Zhao Sheng turned his head towards his grandfather. "What about you, grandfather? Who do you think will win in this match?"

"I think they are equal in technique." Zhao Chen answered instantly. "This will be the fight of stamina. The one with more stamina will be the winner later."

At this moment, Xiao Tian and Dandan were indeed equal in technique. They had exchanged attacks more than twenty times, but neither of them had managed to land a hit on the opponent's body.

"Old man, do you dare to bet with me?" Zhao Sheng spoke as he stared at his grandfather. "I bet Xiao Tian will win later. Hehe. how is it? I'm game."

"Bet? Sure." Zhao Chen replied instantly. "What do you want to stake as a bet?"

"If Xiao Tian wins later, you can't force me to practice martial arts anymore. I can train martial arts whenever I want. If Dandan wins, I will do whatever you want. I even won't complain if you want me to train martial arts every day without stopping." Zhao Sheng was sure that Xiao Tian would win the fight one hundred percent. That was why he dared to say something like that.

"I'm in." it was an excellent opportunity to get Zhao Sheng to practice martial arts every day, so Zhao Xun would not let the chance slip away. "If Xiao Tian wins the match, I won't stop you from hanging out with him anymore."

Zhao Xun knew Dandan's martial arts skills, and he was sure that Dandan would win the fight later.

"You can't take back your word later, father." After saying that, Zhao Sheng looked at his grandfather. "So, do you dare to bet or not?"

At this moment, Zhao Chen didn't answer immediately and only stared at his grandson. He really wanted to know why his grandson was confident that Xiao Tian would win the match.

Zhao Chen only knew that Xiao Tian was from the Xiao family. He had no idea how skilled Xiao Tian was in martial arts.

Even though Zhao Chen was interested in the bet, but he could not take the bet lightly. If Xiao Tian won, he was sure that Zhao Sheng would not practice martial arts anymore.

Zhao Chen didn't want that because Zhao Sheng was the most talented person in his family. He didn't want Zhao Sheng's talent in martial arts to be buried like that. "I'm in. but I will change the conditions. If Xiao Tian wins later, you can skip practicing martial arts for three days. And if he loses, you have to train martial arts every day. Six hours per day."

"Old man, that's unfair!" of course, Zhao Sheng was unhappy with it because it was unfair for him. "A week off training martial arts."

"Four days off training martial arts." Zhao Chen replied instantly.

"Five days!" Zhao Sheng spoke.

"Fine! Five days off training martial arts." Zhao Chen answered.

Zhao Sheng was pleased after hearing his grandfather's words. Even though it was only five days, but for him, it was like a gift from heaven.

"Father, you can't do this." Zhao Xun didn't agree with his father's words.

"Shut Up!" Zhao Chen spoke as he stared at his son.

Zhao Sheng then turned his head towards Zhao Luoyang and asked, "What about you, big brother?"

"I don't want to participate in it." Zhao Luoyang answered instantly.

"I hope you won't take back your words later." after saying that, Zhao Sheng took a wooden sword and threw it to Xiao Tian. "Xiao Tian, catch this."

"Why did you throw a wooden sword at Xiao Tian?" Zhao Chen asked curiously.

Zhao Sheng's lips curled into a grin. "Because Xiao Tian is a sword martial artist."

Chapter 578 - Who Is Your Master?

6-7 minutes

"What?" Zhao Xun said in surprise. "He is a sword martial artist?!"

"That's right." Zhao Sheng replied instantly. "Father, I hope you won't take back your words after knowing the truth."

'Fuck!'

Zhao Xun cursed venomously in his heart. If Xiao Tian was a sword martial artist and could fight Dandan equally without using a sword, then that meant Xiao Tian was more skilled than Dandan in martial arts.

This made Zhao Xun sudden regret accepting the bet. With this, he knew that the chances of Dandan losing the fight were very high.

"Sigh." Zhao Chen sighed after knowing the truth. "Brat, you dare to fool me, huh?"

"Hahaha." Zhao Sheng laughed happily.

Xiao Tian, who was fighting Dandan, instantly caught the wooden sword. Because he was focused on fighting Dandan, he didn't know about the bet.

After that, Xiao Tian instantly took two steps back to make some distance between him and Dandan. "I will finish this fight with this move."

'Moon style sword of drawing techniques- first ceremony...'

Xiao Tian began to focus, and his eyes were locked on Dandan.

"Oh! His aura suddenly changed?! Interesting." At this moment, Zhao Chen could feel that the aura around Xiao Tian had changed.

"Dandan, attack him quickly!" Zhao Xun still hoped that Dandan could beat Xiao Tian.

Even though he had no idea what Xiao Tian would do later, but he knew that it would be dangerous for Dandan.

Upon hearing Zhao Xun's words, Dandan dashed towards Xiao Tian. Actually, he also felt as if Xiao Tian had turned into a different person since he wielded the wooden sword.

'Mountain Splitter.'

Before Dandan could attack Xiao Tian, Xiao Tian already used his secret move.

Xiao Tian moved zig-zag four times before finally changing it into an 'X' pattern. Due to how fast and deadly his movements were, Dandan was unable to block or avoid it.

His legs, stomach, arms, neck, head were hit by Xiao Tian's attacks. If Xiao Tian used a katana, Dandan was sure that he would have died.

In each movement, Xiao Tian swung his swords three times, so when he finished his secret move, Xiao Tian had swung his swords twenty-one times.

"This movement are..." Zhao Chen and Zhao Xun were shocked after seeing Xiao Tian's secret move.

"What is that move? Is that a secret move?"

"His movements are scary!"

"Will Dandan be alright?"

"He is..."

One by one, the Zhao family's disciples were shocked when they saw Xiao Tian's secret move. Earlier, they were startled when Xiao Tian suddenly used a wooden sword.

Now, they were shocked when Xiao Tian suddenly used deadly attacks. They didn't expect Xiao Tian to be so skilled in martial arts.

By the time Xiao Tian finished his secret move, Dandan was lying on the ground and couldn't get up.

When the referee noticed that Dandan was unable to continue the fight, he immediately spoke, "The winner for this mat-"

However, before he had finished his words, Zhao Xun dashed towards Xiao Tian and grabbed his shoulders. "Tell me, what is the name of martial arts you learned? What is the name of your movement earlier? And who is your master?"

Xiao Tian was startled when Zhao Xun suddenly grabbed his shoulders and behaved like that. He had no idea as to why Zhao Xun suddenly wanted to know about the name of martial arts he was learning.

"Xiao Tian, can you tell me the name of martial arts you learned?" like his son, Zhao Chen, was also curious about it.

"...Moon Sword Martial Arts." Xiao Tian didn't mind telling them the name of martial arts he learned.

"Moon Sword Martial Art?!" Zhao Xun was even more surprised after hearing Xiao Tian's words. "Father, don't tell me..."

"I'm sure about it." Zhao Chen nodded his head. "Xiao Tian, what you used before was one of the secret moves of Moon Sword Martial Art, right? If my memory isn't playing tricks on me, it's the first secret move and it's called Mountain Splitter, right?"

"How...how come you know about it?" the expression of deep shock emerged on Xiao Tian's face after hearing Zhao Chen's words.

Every time Xiao Tian used a secret move, he never said the name of the move. He only said it in his head.

That was why Xiao Tian wanted to know how Zhao Chen knew about the name of the secret move he had just used.

'Don't tell me, there is a Moon Sword Martial Arts school in this world?!

In the past, Xiao Tian had tried to find Moon Sword Martial Arts on the internet but to no avail. That was why he believed there were no Moon Sword Martial Arts in his current world.

However, after hearing their words, Xiao Tian was sure that there was a Moon Sword Martial Art in his current world because it would be impossible for them to know the name of the secret move if they had never known about the Moon Sword Martial Arts.

"As I thought, it's really Moon Sword Martial Arts." Zhao Xun spoke. "Tell me your master's name?"

At this moment, Xiao Tian wavered whether he should tell the truth or not.

When Zhao Chen noticed Xiao Tian was wavering, he immediately spoke, "Don't worry. We have no ill intentions. In the past, Moon Sword Martial Arts and our martial art had a close relationship."

Upon hearing Zhao Chen's words, Xiao Tian decided to tell the truth. "Lin Feng."

"Lin Feng?" Zhao Xun remembered that there wasn't a person named Lin Feng in the Moon Sword Arts school. "Do you remember it correctly?"

"Yes." Xiao Tian answered instantly. "He said his name was Lin Feng."

Xiao Tian had guessed that they would not know who Lin Feng was because he was his master from his previous life.

"It seemed like he didn't use his real name." Zhao Chen suddenly thought that Xiao Tian's master didn't tell Xiao Tian his real name.

"I thought so too." Zhao Xun agreed with his father's words.

"Do you know where the location of Moon Sword Martial Arts school?" Xiao Tian inquired.

Chapter 579 - Meeting Yun Xin ER At The Pool

9-11 minutes

"We don't know the location of Moon Sword Martial Arts." Zhao Chen answered instantly. "Five years ago, the Moon Sword Martial Arts suddenly disappeared without a trace. No one knows where they are or the reason why they suddenly disappeared like that."

Xiao Tian's expression turned sad. His hopes of practicing martial arts with disciples from the same martial arts school were shattered into pieces.

Zhao Chen could only sigh when he saw Xiao Tian's expression. "Why don't you ask your master?"

"My master had passed away." Xiao Tian had no choice but to lie because it was impossible to tell them that his martial arts master was in a different world.

"What?! Passed away?" Zhao Xun and Zhao Chen could only sigh after hearing Xiao Tian's words.

Earlier, they thought they could meet the people from Moon Sword Martial Arts again, but it seemed like it was impossible because Xiao Tian's martial arts master had passed away.

"Moon Sword Martial Arts?" Zhao Sheng spoke as he touched his chin. "Father, is that the famous ancient martial art that you often mention?"

"Yes." Zhao Xun replied instantly. "In the past, our martial arts were famous in the whole of China. It's a pity that there is no news about Moon Sword Martial Arts now."

"Young master Xiao, are you your master's only disciple?" Lan Ruoxi asked curiously.

Actually, Lan Ruoxi was startled. She didn't expect that the martial art Xiao Tian learned was ancient martial art.

All ancient martial arts were unique and deadly. Almost all people who learned ancient martial arts were strong martial artists.

No wonder he is strong despite still nineteen years old, so he has been learning ancient martial arts. Lan Ruoxi thought to herself.

"Yes." In the past, he was Lin Feng's only disciple because Lin Feng didn't want to take a disciple.

The reason why Lin Feng taught Xiao Tian martial arts was that his father saved his life when he was dying.

"Out of eight secret moves, what level have you mastered?" Zhao Chen knew that Moon Sword Martial Arts had eight secret moves. That was why he wanted to know about it.

At this moment, Xiao Tian didn't answer and only stared at Zhao Chen. His secret moves were his trump card, so telling Zhao Chen about it was the same as revealing his trump card.

Zhao Chen suddenly realized his mistake. "If you don't want to tell me about it, it's fine."

Zhao Chen knew that he could not force Xiao Tian to reveal his trump card. That was why he said something like that.

"Xiao Tian, you are talented in martial arts. You should forget about your business and focus on your martial arts." From the fight between Xiao Tian and Dandan earlier, Zhao Xun knew that Xiao Tian was talented in martial arts. "If you want, you can learn our martial arts too."

The corner of his lips twitched after hearing Zhao Xun's words. Xiao Tian didn't expect that Zhao Xun would say something like that.

"I'm sorry, but I have to refuse because I want to be a businessman." He had promised to his predecessor that he would become the wealthiest person in the whole of China.

In his view, the only way to make his dream come true was by doing business. That was why Xiao Tian would not abandon his business.

"I didn't expect that you are as stupid as my son." Zhao Xun spoke as he stared at Zhao Sheng. "Both of you are talented in martial arts, but why did you choose to bury your talents by doing something stupid like a business."

"Xiao Tian, even though you only fought twice, but because you defeated Dandan, you don't need to fight anymore." Zhao Chen knew that there was no point in making Xiao Tian fight other disciples because all of them were weaker than Dandan.

"Then did you accept my invitation?" actually, Xiao Tian didn't mind having to fight one more time because he still had enough stamina.

With a wooden sword in his right hand, Xiao Tian was sure that he could finish the fight quickly.

"Sure. I will come to the opening of your restaurant later." Zhao Chen replied instantly. "Let's talk about it in the guest room."

"All right." Xiao Tian was thrilled after hearing Zhao Chen's words.

They talked about it for two hours before finally Xiao Tian and Lan Ruoxi left.

"So, who is the person you want to invite again?" Lan Ruoxi inquired.

Currently, Xiao Tian and Lan Ruoxi were in a private room. Because Zhao Sheng had some urgent business at his company, he didn't come to Red Flower Bar with Xiao Tian and Lan Ruoxi.

"I think I have invited all people I know-" before Xiao Tian had finished his words, he suddenly remembered someone. "Oh, I haven't invited Li Wen."

"Li Wen?! You want to invite him too?" Lan Ruoxi was a little surprised when Xiao Tian said that he wanted to invite Li Wen.

"Yes." Xiao Tian managed to invite Zhao Chen, if he could invite Li Wen too, he was sure the news about him opening a restaurant would be on the newspaper's front page. "Lady Lan, I have to go first."

It was still 11:30 am, so there was still time to invite Li Wen. Even though he could invite Li Wen tomorrow, but Xiao Tian chose to invite Li Wen immediately.

"All right." Lan Ruoxi replied.

Without waiting for another second, Xiao Tian left.

'But how to meet Li Wen? I'm sure he is a busy person, so if I want to meet him without making an appointment first, it will be hard to meet him.'

Xiao Tian didn't have Li Wen's phone number, so he could not call Li Wen.

'What should I do?'

Xiao Tian suddenly remembered Yun Xin Er. She worked at Li Wen's company so he was sure that she could help him. With this in mind, Xiao Tian decided to call Yun Xin Er.

"Hello, little brother?" Yun Xin Er spoke after picking up the phone.

"Big sister Yun, where are you right now?" Xiao Tian inquired.

"I'm at the Green Hotel." Yun Xin Er answered instantly. "What's wrong?"

"Can we meet now?" Xiao Tian didn't tell her directly why he suddenly wanted to meet her.

"Come to the Green Hotel. I'm at the pool now." Even though Yun Xin Er was curious why Xiao Tian suddenly wanted to meet her, she didn't ask because she would know about it later.

"Swimming pool? All right, I will be there soon." At this moment, Xiao Tian hoped that he could see Yun Xin Er in a swimsuit later because until now, he never saw her in a swimsuit.

"Hehe." From his voice, Yun Xin Er knew what Xiao Tian had in mind. "Come here quickly. This big sister is lonely now. Hehe."

After Xiao Tian hung up the phone, he drove faster. Twenty minutes later, Xiao Tian arrived at the Green Hotel.

Because Xiao Tian never came to Green Hotel, he asked one of the employees where the swimming pool was.

The employee immediately brought Xiao Tian to the pool when Xiao Tian said Yun Xin Er was waiting for him in the swimming pool.

As Xiao Tian stepped into the swimming pool, Xiao Tian saw Yun Xin Er lying down on the pool lounge chair. A small table made of rattan with a candle on top of it could be seen on her left side.

Even though it was an indoor swimming pool, Xiao Tian could still see the clouds and trees outside because it was designed in the Greenhouse style.

'Did she book the whole swimming pool?'

Because Yun Xin Er was the only person in the swimming pool, Xiao Tian suddenly thought Yun Xin Er booked the whole swimming pool.

After Xiao Tian sat on the pool lounge chair, he immediately spoke, "Sexy!"

Currently, Yun Xin Er was wearing a black swimsuit. Her perfect flat stomach was visible to his eyes. Not only that, but her c-cup breasts also looked so alluring in her black swimsuit.

At this moment, Xiao Tian suddenly remembered the time where he left a hickey on her breasts when he was at her house. Of course, Xiao Tian did not have dirty thoughts. He only admired her perfect body.

"Do you like what you see?" Yun Xin Er knew that Xiao Tian was looking at her body, but she didn't mind it.

"I love it." Xiao Tian gave an honest answer because he was talking with Yun Xin Er. "Did you book the whole swimming pool?"

"That's right." Actually, Yun Xin Er wanted to relax in the swimming pool earlier. That was why she booked the whole swimming pool.

"Oh! Don't tell me, you're planning on seducing me in the pool?" of course, Xiao Tian was joking around.

"That's right." Yun Xin Er knew that Xiao Tian wanted to tease her. That was why she said that she planned to seduce him.

Upon hearing her words, Xiao Tian sat next to her and touched her chin. After raising her head slightly, Xiao Tian immediately spoke, "I'm here now, so why don't you try to seduce me?"

"I decided not to do that because you have been seduced by me." Yun Xin Er answered instantly. "The flame of lust has appeared within you after seeing my body, right?"

Upon hearing her words, Xiao Tian brought his face closer towards her left ear and whispered, "That's right. That's why you have to take responsibility now."

Without giving a warning, Xiao Tian pressed his lips against hers.

Chapter 580 - Well, Because I'm Different From Them

7-8 minutes

Yun Xin Er widened her eyes for a second when Xiao Tian suddenly kissed her lips. However, because it was not the first time he kissed her lips, Yun Xin Er didn't try to stop him; instead, she shut her eyes and wrapped her long slender arms around his neck.

Because the employee had left, they were the only people in the pool. At first, she thought Xiao Tian would only press his lips against hers, but she was wrong.

She was utterly wrong because not long after their lips met, Xiao Tian put his tongue into her mouth. When his tongue was exploring every inch of her mouth, the flame of lust began to appear within her.

For this reason, Yun Xin Er placed her arms around his back and embraced him tightly. Not only that, but she also began to move her tongue lewdly as if she was a naughty lady.

The longer they kissed passionately, the bigger the flame of lust within her.

'He is really skilled in deep kiss.'

Yun Xin Er opened her eyes and began to tilt her head to the left and right.

After having a hot kiss with Yun Xin Er for about a minute, Xiao Tian broke the kiss and spoke, "Big sister Yun, you are getting more and more skilled in passionate kiss. Now I wonder who taught you deep kiss?"

"Really? Then you should be proud of yourself because you have succeeded in making me skilled in deep kiss." At this moment, Yun Xin Er was telling the truth.

Since Xiao Tian often kissed her passionately, Yun Xin Er was getting more skilled in a hot kiss.

"Then you should reward me because I have managed to make you skilled in passionate kiss." The reason Xiao Tian asked her to reward him was that he wanted to kiss her passionately again.

Even though he believed that she would not refuse if he immediately kissed her hungrily, but he would not do that because he wanted to know what she would say after hearing his words.

Yun Xin Er pinched his nose and smiled, "You should be grateful that you can kiss me passionately. Do you know how many men can only dream of kissing me?"

Xiao Tian then laid down on her pool lounge chair and spoke, "Well, because I'm different from them."

"You are right." Yun Xin Er replied instantly. "You are indeed different from them. You are more perverted than them. Hehe."

"Because you said I'm more perverted than other men, then I will do pervert things to you." After saying that, Xiao Tian kissed her passionately again.

This time, they kissed hungrily much longer than before. It was as if they had lost themselves in lust.

"So, why do you want to meet me?" currently, Yun Xin Er was lying down next to Xiao Tian with her head on his right arm.

"Because I miss you so much." As usual, Xiao Tian used his smooth tongue.

Yun Xin Er pinched his right cheek and spoke, "Don't lie to me. You need my help, right?"

"But I'm not lying to you. The reason I met you is that I miss you so much." At this moment, Xiao Tian still hadn't told her the truth.

"If so, then I won't help you." Of course, Yun Xin Er was lying when she said she would not help Xiao Tian.

Helping Xiao Tian was something that could make her happy because, with this, she knew that she was useful to him.

Even though she was in love with him, she didn't want to rely on him and hoped that she could always help him.

Xiao Tian gave a cough before speaking, "Cough. Big sister Yun, how could you say something like that? As fellow humans, we should help each other. Isn't it what God wants from us?"

"Hehe." Yun Xin Er covered her mouth and giggled. "Now tell me, what help do you need from me?"

"Well, I want you to help me meet Li Wen." This time, Xiao Tian gave an honest answer because he was afraid that Yun Xin Er really would not help him if he lied to her again. "I want to invite him to the opening of my restaurant."

"You want to invite him? Sure. I can help you." Yun Xin Er was the most famous singer in Li Wen's company. Coupled with her relationship with the young lady of the Li family, it was easy for her to meet Li Wen.

"Really?" Xiao Tian was pleased after hearing her words. With this, he was sure that he could meet Li Wen without making an appointment first. "You are indeed the best. As a reward, I will kiss you passionately again now."

"Haha." Yun Xin Er found his words funny. "How could you say that kissing me passionately is a reward from you. Isn't it the other way around?"

"Haish. Don't mind my words, young lady. Don't mind it." After saying that, Xiao Tian kissed Yun Xin Er hungrily again.

Like before, Yun Xin Er instantly welcomed the kiss. After Xiao Tian broke the kiss, Yun Xin Er immediately asked, "So, who are the people you have invited?"

"Lan Ruoxi, Zhao Sheng, Su Jinyu, and Zhao Chen." Xiao Tian gave an honest answer.

"Zhao Chen?!" Yun Xin Er said in surprise.

"Yes." Of course, Xiao Tian knew the reason why Yun Xin Er was surprised when she learned that he had managed to invite Zhao Chen.

"Good!" Yun Xin Er was happy for Xiao Tian. "If you manage to invite director Li too, I'm sure the news of you opening a restaurant will be on the front pages of newspapers. You are indeed a genius in business."

Inviting famous people could really help Xiao Tian's restaurant later. That was why Yun Xin Er would try her best to make Xiao Tian meet Li Wen later.

"Well, I have to work hard because you want me to become an upper-class family quickly, right?" Xiao Tian answered instantly.

'Even though I have raised my family status to an upper-class family.'

Xiao Tian added in his mind.

Everyone thought Xiao Tian was still a middle-class family, or more precisely, a high-middle-class family. A month ago, a famous business magazine stated that Xiao Tian's net worth was only 70,000,000 Yuan.

That was why they believed that Xiao Tian was only a middle-class family because they thought he still needed to have another 80,000,000 Yuan to raise his family status to become an upper-class family.

What they didn't know was that Eternal Beauty company was also his company, so they didn't add Eternal Beauty company as his wealth.

"It's good you still remember my words." Yun Xin Er replied as she smiled happily. "If you can raise your family status to a mid-upper-class family, my mother won't say anything about our relationship later."

At this moment, Xiao Tian laughed in his head. "I will do my best for my beautiful and famous lady."

"Good!" Yun Xin Er was pleased after hearing his words.

They talked for about two hours before finally, Yun Xin Er called Li Wen. Coincidentally, Li Wen was at the Bamboo Restaurant and also had free time.

Xiao Tian and Yun Xin Er wasted no time and traveled to Bamboo Restaurant. This time, Xiao Tian managed to invite Li Wen easily.

Xiao Tian talked with Li Wen for about an hour before finally, he traveled to Star Clothes company. However, when he was about to enter his office, a voice suddenly rang out. "Xiao Tian..."
