Chapter 581 - It Hurt Me A Lot...and It's Driving Me Crazy

Xiao Tian instantly turned his head towards the source of the sound. Actually, he didn't need to turn his head because he was familiar with the voice.

It was the voice that could calm his heart in the past. The voice that could make him smile instantly after hearing it.

That voice belonged to Lin Xin Xue.

At this moment, Lin Xin Xue didn't know what to say to Xiao Tian. Earlier, when she saw Xiao Tian, she called him reflexively because she really missed him.

'He is in front of me. What are you waiting for, Xue? Hurry up and talk to him, or else, you will regret it later.'

Currently, the distance between Lin Xin Xue and Xiao Tian was about five meters. Of course, she wanted to walk towards him, but she suddenly felt her legs become heavy, causing her not to move from her place.

'I need to walk closer to him.'

Lin Xing Xue tried to move her legs, but still, she could not move them.

Because Lin Xing Xue didn't walk closer towards him or talk again, Xiao Tian smiled, "Do you need anything, lady Lin?"

*Crack...Crack...Crack...

Lin Xing Xue's heart was shattered into pieces upon hearing his words.

'Lady Lin? Lady...Lin? Lin?'

Xiao Tian always addressed her with little Xue, so his words much surprised her. Now, not only did he not call her little Xue anymore, but he even addressed her by her family name.

'Am I no longer important in your heart?'

Even though he was smiling at her and using the same voice, the way he called her was different.

Lin Xing Xue felt as if someone was stabbing her heart with a knife.

'I should have guessed that his behavior would change after breaking up with me, but why do I still hope him to treat me like before?'

Lin Xing Xue bit her lower lip and lowered her head.

When Xiao Tian saw her expression, he walked towards her and spoke in a gentle voice, "Are you alright?"

Of course, Xiao Tian knew what she had in mind. However, he would not beg for her love again. Even though she was the first woman he met after taking over Xiao Tian's body, but she was not as special as before.

There were many beautiful ladies in the world, so he would not ask her to love him anymore. Of course, he didn't mind if she wanted to get back with him, but she had to win his heart first.

At this moment, Lin Xing Xue didn't answer immediately and only looked at him in the eyes. When Xiao Tian spoke in a gentle voice, several memories emerged in her mind. And it made her even sadder.

"I...I...I." Lin Xing Xue wanted to say that she was not fine, but she felt as if the words were stuck in her throat.

"I? I what?" Xiao Tian pretended as if he knew nothing.

"Nothing..." after saying that, Lin Xing Xue ran away.

As Xiao Tian was looking at Lin Xing Xue's back, he muttered, "Our relationship will depend on your behavior. If you want to get back with me, you have to try your best to win my heart again. Otherwise, I will forget you forever."

Xiao Tian then entered his office. However, when he was about to work, someone suddenly knocked on his door.

"Come in." Xiao Tian spoke.

To his surprise, the person who entered his office was none other than Lin Xing Xue.

'What are you going to do now?'

Xiao Tian wanted to know what Lin Xing Xue would do or say to him.

"I...I...I'm not fine." After trying her best, Lin Xing Xue finally managed to voice out her feelings. "Tian, I still love you. It hurt me a lot when I see your behavior change towards me. It hurt me a lot when you call me lady Lin. It hurt me a lot...and it's driving me crazy."

*Bruakk...

After saying that, Lin Xing Xue fell to her knees, and her eyes were covered in tears. However, she felt relieved because she finally managed to voice out her true feelings.

Xiao Tian rose to his feet and walked towards her. "Let's sit on the sofa first."

Actually, her words much surprised him. He didn't expect that she would voice out her true feelings like that. He thought she would not that.

After they sat on the couch, Lin Xing Xue grabbed his hands and looked at him in the eyes. "Tian, please call me little Xue again. Please let me hear it again."

In the past, she asked him not to call her little Xue several times, but now, she desired to hear him call her little Xue.

Because Xiao Tian said nothing and only stared at her, Lin Xing Xue begged again. "Tian, please.. let me hear it again."

"Little Xue.." as Xiao Tian was calling her nickname, his voice was so gentle, and a soft smile spread across his face. It was as if she was the woman he loved the most.

*Drip...

Due to how happy she was, tears fell down her soft cheeks.

"Don't cry." Xiao Tian wiped away her tears with his thumb. "It will reduce your beauty later."

"Un." Lin Xing Xue nodded her head.

She really missed it. She missed his gentle voice, gentle attitude, and a warm smile. She was really grateful that she decided to voice out her feelings.

Otherwise, their relationship will remain the same as before. Even though she still didn't get back with him, but at least there was good progress in their relationship.

"Can...can I hug you?" Lin Xing Xue suddenly desired to embrace him. That was why she asked whether she could hug him or not.

"Sure." Xiao Tian replied as he smiled.

Upon hearing his words, Lin Xing Xue wasted no time and instantly embraced him.

'I really miss this.'

As she was hugging Xiao Tian, she shut her eyes. It had been more than a month since she could feel the warmth of his body again.

That was why Lin Xing Xue could not put her feelings in words when she was embracing him.

Chapter 582 - Just Be Honest With Me. You Miss Me, Right?

6-8 minutes

As Lin Xing Xue was embracing Xiao Tian, someone suddenly knocked on the door. Upon hearing it, Lin Xing Xue stopped the hug reflexively and sat next to him.

The expression of disappointment emerged on her face for a second because, actually, she still desired to embrace him.

However, because she didn't want to ruin his reputation, she had no choice but to stop hugging him.

"Come in." at this moment, Xiao Tian thought it was Shi Fei.

"Tian'er, are you fr-." Liu Ning stopped her words halfway when she saw Lin Xing Xue, "Manager Lin?"

Lin Xing Xue was not surprised when Liu Ning called Xiao Tian by the nickname Tian'er, because she knew that Liu Ning was his woman. "Lady Liu, do you have any business with him?"

"Well, it's..." at this moment, Liu Ning didn't know whether she should tell the truth or not. The reason she came to his office was that she suddenly missed him.

In the past, Xiao Tian told her that she could meet him whenever she wanted. That was why she came to his office.

However, it would seem like she wasn't working professionally if she said that she came to his office because she desired to spend time with him.

Even though Liu Ning didn't say anything, Xiao Tian knew what she had in mind. For this reason, his face broke into a smile, and he spoke in a gentle voice, "Ning'er, come here."

Without waiting for another second, Liu Ning sat on his right side. However, because Lin Xing Xue was with them, Liu Ning didn't do anything because she didn't want to lovey-dovey with him in front of Lin Xing Xue.

Of course, Liu Ning knew that Lin Xing Xue was his ex-girlfriend because Xiao Tian had told her everything in the past. She even knew the reason why they broke up.

Even though Liu Ning didn't want to lovey-dovey with him in front of Lin Xing Xue, but Xiao Tian was different.

He didn't care whether Lin Xing Xue was with them or not because what mattered to him was that he could spend time with Liu Ning. "Ning'er, why did you come to my office? Don't tell me, you miss me?"

"No." Liu Ning denied shamelessly.

"Don't lie to me. You miss me, right?" at this moment, Xiao Tian placed his right arm around her waist and pulled her towards him. "You don't need to be shy because I miss you too. It seems like we are destined to be a couple. We even thought of each other at the same time."

Liu Ning pinched his nose and smiled, "But I don't miss you so how can you say something like that?"

"Then, why did you come to my office?" Xiao Tian inquired. "Just be honest with me. You miss me, right?"

"I..I.." at this moment, Liu Ning knew that she had to think of a way to make an excuse.

However, before she found a good excuse, Xiao Tian laughed. "Haha. I knew it! Our hearts are connected to each other so I know what is on your mind. Come here. Let me hug you."

Before Xiao Tian could embrace her, Liu Ning pushed his face away from her. "Tian'er, stop it! Not now."

"Not now?" of course, Xiao Tian knew the reason why Liu Ning behaved like that. "Then, let's go to the hotel later."

"Why do we have to go to the hotel? What are we going to do?" at this moment, Liu Ning thought Xiao Tian desired to have sex with her at the hotel.

However, because Lin Xing Xue was with them, she pretended as if she didn't know anything.

"So that we can lovey-dovey later." Xiao Tian replied as he smiled.

"I don't want to." Of course, Liu Ning was lying. If Xiao Tian really wanted to take her to the hotel, she would immediately accept it.

At this moment, Lin Xing Xue, who was looking at them, suddenly felt jealous. In the past, Xiao Tian always treated her nicely or behaved like that when he was with her, but now, not only did he not do that, he was even flirting with his woman in front of her.

"How about we go to the hotel now?" Xiao Tian inquired.

"I don't want to. Hehe." Like before, Liu Ning pretended to refuse.

Because Lin Xing Xue felt like she was the third wheel, and also didn't want to disturb their time, she rose to her feet, "Sir, because my business here is over, I will return to my desk now."

Xiao Tian turned his head towards Lin Xing Xue and spoke, "All right."

Lin Xing Xue stared at Xiao Tian for about three seconds before finally, walking out of his office.

After Lin Xing Xue left, Liu Ning immediately spoke, "You were so cruel to her."

"Is that so?" of course, Xiao Tian knew that he was so cruel to Lin Xing Xue earlier.

However, if she wanted to get back with him, she had to get used to seeing him lovey-dovey with another woman. That was why he did something like that.

"So, why did she come to your office?" Liu Ning believed that Lin Xing Xue didn't come to his office to talk about business.

"She confessed her feelings for me." Because Xiao Tian didn't want to lie to Liu Ning, he began to tell everything.

"You are really a bad young man!" Liu Ning pinched his cheeks a little harder. "You should have treated her better earlier."

As a woman, Liu Ning understood Lin Xing Xue's feelings. Even though she could not force Xiao Tian to love Lin Xing Xue like before again, but at least, she wanted him to treat Lin Xing Xue better in the future.

"Because my lover said so, I will treat her better later." Xiao Tian spoke and paused for a second before finally, he continued, "By the way, how about we go to my apartment now?"

"What are we going to do at your apartment?" Liu Ning asked curiously.

"Lovey-dovey." Xiao Tian grabbed her right hand and dragged her out of his office.

"Hihi. Pervert!" Liu Ning covered her mouth and giggled. Of course, she knew what he would do to her at his apartment later.

As Xiao Tian and Liu Ning were walking towards the parking lot, Lin Xing Xue, who was seeing them, bit her lower lip.

At this moment, she hoped that Liu Ning was her, but she knew that their relationship was not like before.

'I need to do my best.'

When Xiao Tian and Liu Ning entered the elevator, Lin Xing Xue returned to her office.

At his apartment, Xiao Tian and Liu Ning talked for about one hour before finally having wild sex.

"How about we go for a walk now?" Xiao Tian inquired.

Currently, they were lying down on the bed, naked. Because it was already 03:30 pm, Xiao Tian thought it was a perfect time to take a walk on the beach.

"Let's rest for a bit." Earlier, they had wild sex, and her pussy was still sore because of it.

"All right." Because Liu Ning said so, Xiao Tian placed her head on his chest and embraced her.

Chapter 583 - I Didn't Expect To Meet You Here

6-7 minutes

As Xiao Tian was talking with Liu Ning, his smartphone suddenly rang.

'Who is calling me at this moment?'

When he knew it was Shi Fei, Xiao Tian immediately picked up the phone. "Hello?"

"Little brother, where are you right now?" currently, Shi Fei was in front of his office.

Because Xiao Tian didn't answer even though she had knocked on the door several times, she decided to call him.

"I'm in my apartment now." Xiao Tian gave an honest answer. "What's wrong?"

"Are you with Ning?" before coming to his office, Shi Fei looked for Liu Ning but couldn't find her.

"Yes. She is with me." Xiao Tian answered instantly. "Come to my apartment and let's spend time together."

"Sure. I will be there soon." Shi Fei wasted no time and traveled to his apartment.

Xiao Tian returned his attention to Liu Ning and spoke, "She will be here soon."

"Un." Liu Ning nodded her head.

Because Shi Fei was also his woman, Xiao Tian and Liu Ning didn't bother wearing clothes and remained in the same position.

Twenty minutes later, Shi Fei arrived at his apartment. Because Xiao Tian had told her the password for his apartment door, she could easily enter his apartment.

"Little brother, Ning, where are you?" Shi Fei asked after closing the door.

"In my room." Xiao Tian shouted.

Shi Fei wasted no time and dashed to his room. When she stepped into his room, she giggled when she saw them lying on the bed, naked, "Did you just finish having sex?"

"Yes." Xiao Tian gave an honest answer.

"Little brother, I want to have sex with you too." because Shi Fei knew that Xiao Tian would not refuse her wish, she instantly took off her clothes and jumped into bed.

"Sure." Even though he had sex with Liu Ning before, he still had enough stamina to have sex with Shi Fei.

For this reason, Xiao Tian kissed her lips before making his way down to her neck, breasts, stomach, and vagina.

This time, Liu Ning didn't join them because her pussy was still sore. She was afraid if she joined them, she would not be able to walk later.

After Xiao Tian finished having sex with Shi Fei, the three of them had a bath together. Because they wanted to take a walk, they took a quick shower.

As usual, when Xiao Tian walked with his women hand in hand, all the men envied him. However, Xiao Tian, Liu Ning, and Shi Fei ignored them and treated them as air.

When the sun was setting, they sat on the public seating and enjoyed the beautiful scenery in front of them.

At 06:30 pm, they decided to go to Liu Ning's house. After taking a shower, they chatted in the living room. Xiao Tian spent time at their house until 10:00 pm before finally going home.

'Are they sleeping?'

Because Xiao Tian didn't see his mother and aunt in the living room, he headed to his room. To his surprise, when he stepped into his room, he saw his mother and aunt sitting on the bed.

"Tian.." Ye Xueyin smiled happily when she saw him.

After Xiao Tian changed his clothes, he crawled into bed and spoke, "What were you talking about?"

"Nothing." Ye Xueyin replied instantly.

At this moment, Ye Xueyin and Ye Qingyu didn't ask why he came home late because they already knew the answer. That night, they talked until 11:50 pm before finally sleeping.

The next day, Xiao Tian, Liu Ning, Shi Fei, Ye Xueyin, and Ye Qingyu spent the whole day setting up the restaurant.

Because Ye Qingyu and Ye Xueyin had bought a lot of furniture for his restaurant before, they could finish setting up the restaurant at 07:00 pm.

After that, Xiao Tian told his employees that tomorrow was a big day for him, so he didn't want them to make a single mistake.

He had invited a few famous people and several reporters, so making a mistake is the same as embarrassing himself. For this reason, Xiao Tian told them that he would fire anyone who made a mistake.

After sending Shi Fei and Liu Ning home, Xiao Tian immediately took a shower.

'Where are mother and aunt?'

Because his mother and aunt used their cars, Xiao Tian didn't go home with them. He thought they would already be home when he got home, but he was wrong.

'Well, maybe they went somewhere.'

Because he was alone at home, Xiao Tian decided to take a walk. His face broke into a smile when he saw many people on the sidewalk.

They were talking and laughing happily. From their expressions, he could tell that they were happy.

As Xiao Tian was enjoying himself, a familiar voice suddenly rang out. "Tian..."

Xiao Tian instantly turned his head towards the source of the sound.

'Lin Xing Xue?'

Xiao Tian didn't expect to meet her when he was taking a walk. "Oh! Are you on your way home?"

"Yes." Lin Xing Xue replied instantly. "I didn't expect to meet you here."

"Are you alone?" Xiao Tian inquired. "Where is your daughter?"

"She is at home." Earlier, Lin Xing Xue wanted to bring her daughter, but her daughter said she didn't want to go. "What are you doing here?"

"Enjoying the night." Xiao Tian gave an honest answer.

"I heard tomorrow is your restaurant opening day." Even though Xiao Tian never told her about it, Lin Xing Xue knew that tomorrow was his restaurant's opening day.

"Yes." At this moment, Xiao Tian suddenly remembered that he still hadn't invited her. "Come to the opening of my restaurant at 08:00 am if you have free time tomorrow."

Xiao Tian was sure that Lin Xing Xue knew the location of his restaurant. That was why he didn't tell her the location of his restaurant.

Upon hearing his words, Lin Xing Xue was thrilled. Actually, she was sad before because Xiao Tian didn't invite her.

She thought he didn't invite her on purpose. "If you want, I will come."

"I will be waiting." Xiao Tian spoke as he smiled.

Chapter 584 - Meeting The Old Man Again

7-8 minutes

As Xiao Tian and Lin Xing Xue were strolling, they suddenly saw a wooden bench. For this reason, she pointed her index finger towards the wooden bench and spoke, "Tian, let's sit on the wooden bench."

Her words much surprised him. "Are you sure? But your daughter is alone at home. Are you not worried?"

Xiao Tian didn't mind if Lin Xing Xue wanted to spend time with him, but he didn't want to let her daughter alone at home for a long time because she would feel lonely later and no one could help her if she needed anything.

If something bad happened to her daughter later, Xiao Tian would feel guilty. That was why he said something like that.

"Let's sit for five minutes." Lin Xing Xue desired to spend time with Xiao Tian. That was why she wanted to sit on the wooden bench with him.

Of course, she knew that her daughter was alone at home, but she was sure that her daughter would not mind it if she sat on the wooden bench with Xiao Tian for five minutes.

Xiao Tian didn't immediately answer. "...Sure."

Her face blossomed into a smile when Xiao Tian agreed to sit on the wooden bench with her. Without giving him a warning, she grabbed his right hand and spoke, "Let's sit."

Xiao Tian stared at his right hand, which was being held by her.

'She is really trying her best to win my heart, huh?'

In the past, Lin Xing Xue had never behaved like that. It was the first time he saw her acting aggressively like that.

'She is very aggressive now.'

Lin Xing Xue was still holding his right hand even though they were already sitting on the wooden bench. And not only that but a beautiful smile also never left her face. It was as if she was a teenager who had fallen in love for the first time.

"Tian, how many women do you have now?" even though Lin Xing Xue knew that Xiao Tian had several women, but she didn't know the exact number.

"Currently, I have four women, and maybe I will have one more girlfriend later. However, two of them are not in Shanghai." Xiao Tian gave an honest answer.

He had learned from his previous mistakes that hiding his relationship was not the right choice because it would cause trouble for him in the future.

"Can you tell me who they are?" Lin Xing Xue only knew two of them, so she wanted to know the rest.

At this moment, Xiao Tian had no idea how to answer her question. He didn't mind telling her that Shi Fei and Liu Ning were his women, but telling her that Ye Qingyu and Ye Xueyin were also his women was not an easy thing for him.

Their relationship was considered taboo and would be fatal if everyone knew about it. "You will know sooner or later."

They had broken up, so Xiao Tian didn't need to tell her everything.

"I see." Lin Xing Xue didn't force him to say who they were because she didn't want to upset him.

"Oh! Are you the lovers I met here a few months ago?" an old man, who was around sixty years old, spoke abruptly when he saw Xiao Tian and Lin Xing Xue.

Xiao Tian instantly turned his head towards the source of the sound.

'Isn't he the old man who gave us his blessing a few months ago?'

He met that old man after taking over Xiao Tian's body. At that time, he was spending time with Lin Xing Xue, and the old man suddenly appeared in front of them and gave his blessing to their relationship.

"Elder, we met again." Lin Xing Xue didn't expect to meet the old man again.

Not only that, she even met that old man when she was with Xiao Tian again. This suddenly made her remember the old man's words at that time.

"Good! It seems like you two are still together." The old man didn't know that Xiao Tian and Lin Xing Xue had broken up. That was why he thought Xiao Tian and Lin Xing Xue were still lovers.

Because Xiao Tian didn't want to lie to the old man, he tried to tell the truth. "Elder, we have brok-

However, before Xiao Tian had finished his words, he was interrupted by Lin Xing Xue. "Yes. It's thanks to your blessing, elder."

When Lin Xing Xue was lying to the old man, she held Xiao Tian's right hand tighter.

Her words much surprised Xiao Tian. He didn't expect that she would lie to the old man. However, Xiao Tian didn't say a word and only stared at her.

"Young girl, you should treat your boyfriend well, or else you will regret it later. From his behavior and appearance, I'm sure he will be an extraordinary person in the future." In the past, the old man gave advice to Xiao Tian to treat Lin Xing Xue well, but this time, he did the opposite.

You are a damn right, old man! I, Huang Chen, no I mean, I, Xiao Tian, will become an extraordinary person in the future. Xiao Tian thought to himself.

"Thank you, elder. I will keep your words in mind." Like Xiao Tian, Lin Xing Xue was also surprised after hearing his words. She didn't expect him to say something like that.

"Even though the age difference between the two of you is quite big, but you don't need to mind it." The old man gave another advice. "There are many people like you in the world. As long as you two continue loving each other, nothing can stop you. Even the world can't stop you."

'Good words, old man! Good words!'

Xiao Tian nodded his head in agreement.

"Alright. I will leave now because my wife is waiting for me at home." The old man spoke, "Like you, I also want to lovey-dovey with her."

"Please be careful on your way home, elder." Lin Xing Xue spoke politely.

"Oh! You don't need to worry about it because I'm still young and strong." Even though he knew that he was already old, but he pretended as if he was still young.

"Hehe. Yes, you are still young." Lin Xing Xue covered her mouth and giggled.

'Damn! This old man is so shameless, but he is also so cool.'

Xiao Tian said in his head.

After the old man left, Xiao Tian returned his attention to Lin Xing Xue and asked, "Why did you lie to him?"

Upon hearing his words, Lin Xing Xue instantly lowered her head. "I'm sorry."

Xiao Tian could only sigh when he saw her expression. "You don't need to apologize to me. But if you want to get back with me, you must learn to share me with other women."

"I know." Lin Xing Xue knew that Xiao Tian would not leave his women for her. "Tian, am I no longer important to you?"

"You are still important to me, but not as important as before." Xiao Tian gave an honest answer.

"I'm glad to hear it." Even though her place in his heart was not as important as before, but Lin Xing Xue was still relieved because she knew that Xiao Tian still had feelings for her. "Do you want to go to my place?"

"Sure." Xiao Tian answered instantly.

Then they walked towards her house. After walking for several minutes, they finally arrived at her home.

"Come in." Lin Xing Xue spoke after opening the door.

"Mother.." Feng Yu dashed to the guest room when she heard someone opening the door. However, when she saw Xiao Tian, the expression of deep shock emerged on her face. "Xiao Tian?!"

Chapter 585 - Do You Love My Mother?

6-7 minutes

Feng Yu didn't expect that her mother would go home with Xiao Tian. Of course, she knew what had happened between them.

"Long time no see, Feng Yu." From her expression, Xiao Tian knew that she was surprised. "Your mother is the one who invited me to your house?"

"Really?" after saying that, Feng Yu turned her head towards her mother. "Did you invite him?"

"Yes." Lin Xing Xue replied as she nodded her head. "Yu'er, please don't be rude to him."

Lin Xing Xue was afraid that Xiao Tian would leave immediately if her daughter treated him rudely.

"All right." Even though Feng Yu still disliked Xiao Tian, she would try her best not to be rude to Xiao Tian because her mother said so.

Lin Xing Xue was pleased when her daughter listened to her. Like before, she grabbed Xiao Tian's right hand and spoke, "Tian, let's head to the living room."

When Lin Xing Xue was dragging him to the living room, Xiao Tian stared at Feng Yu because he wanted to know her reaction.

'Oh! She is a good girl now!'

Actually, Xiao Tian was a little surprised when Feng Yu didn't look at him with a hateful expression. He thought she would make an annoyed expression when her mother was dragging him to the living room.

After Feng Yu closed the door, she headed to the living room.

"Xiao Tian, come with me! I have something to say to you." After saying that, Feng Yu looked at her mother, "Mother, wait here. Don't follow us."

"All right." Lin Xing Xue nodded her head. "But remember my words earlier."

"I know." Feng Yu replied before returning her attention to Xiao Tian. "Follow me!"

At this moment, Xiao Tian was curious about what she wanted to say to him.

When they were in her room, Feng Yu instantly closed the door because she didn't want her mother to disturb them. "Xiao Tian, do you love my mother?"

"Now, my feelings for her are not as big as before." Xiao Tian gave an honest answer. "But I still love her."

"Good!" Feng Yu was relieved after hearing his words. "I want you to get back with my mother now."

"Why? Didn't you dislike me?" Xiao Tian had no idea as to why Feng Yu told him to get back with her mother.

In the past, she really hated it when she saw him alone with her mother. She even did many things to make him unable to spend time with her mother.

"I still dislike you, but my mother loves you." Since her mother broke up with him, Feng Yu often saw her mother sad.

Her mother often stared at the window with flat eyes. Not only did she often feel sad, but sometimes, she even cried.

Even though her mother always smiled and pretended to be strong in front of her, Feng Yu knew that her mother was sad.

In the past, she was thrilled when she found out that her mother had broken up with Xiao Tian. However, when she saw her mother's sad expression, she knew that her mother needed Xiao Tian.

Even though Feng Yu still disliked Xiao Tian, but for the sake of her mother, she would do anything. Her mother was her only family in this world, so she didn't want to see her mother sad every day.

It hurt her a lot when she saw her mother's sad expression or when she saw her mother crying in the middle of the night.

That was why she would try to make her mother happy. If her mother chose Xiao Tian to be her lover, Feng Yu would try her best to accept it.

"Let me tell you something. I have four women now." Xiao Tian wanted to test her by telling the truth.

"I don't care." Feng Yu replied instantly. "As long as my mother is happy, you can have as many women as she allows you."

"Are you sure you won't regret this in the future?" Xiao Tian inquired.

"I won't regret my decision now or in the future." Her mother meant the world to her, so if she could make her mother happy, she would not regret her decision.

Lin Xing Xue, who was standing behind the door and eavesdropping on their conversation, covered her mouth with her hands.

*Drip...

Tears fell down her soft cheeks. She didn't expect that her daughter would do something like that for her sake.

'Yu'er...'

She knew that her daughter disliked Xiao Tian a lot, but for the sake of her happiness, her daughter decided to make Xiao Tian get back with her.

At this moment, Lin Xing Xue was grateful because she had such a good daughter. A daughter who always thought of her and her happiness.

"I hope you can get back with my mother quickly." Feng Yu spoke, "Let's return to the living room. I don't want to make mother wait long."

*Click...

When Feng Yu opened the door, she saw her mother. "Mother? What are you doing here?"

Without saying a word, Lin Xing Xue embraced her daughter and spoke, "Thank you, Yu'er. Thank you."

Feng Yu tapped her mother's back with her little hands gently. "I just want you to be happy forever because I don't want to see you sad again. This is all I can do for you. "

At this moment, Xiao Tian only looked at them without saying a single word.

'Is she really a ten-year-old kid?'

Xiao Tian was amazed by her actions. The way she behaved or thought was not like a ten-year-old child. In fact, she was more mature than people who were much older than her.

Feng Yu stopped the hug and spoke, "Don't cry anymore. Let's head to the living room."

"Un." Lin Xing Xue nodded her head.

As Lin Xing Xue and Feng Yu were heading to the living room, Xiao Tian followed them quietly. Then they talked for about an hour before finally, Feng Yu spoke, "I want to sleep first. I have a school tomorrow."

After Feng Yu laid down on the bed, she muttered, "Mother, I hope he can give you all the happiness the world could possibly give."

"Tian.." Lin Xing Xue looked at Xiao Tian in the eyes. "I love you. Will you be my boyfriend?"

Chapter 586 - Are You Sure You Want To Do This?

8-10 minutes

The expression of deep shock emerged on Xiao Tian's face. Lin Xing Xue was a shy person, so he found it hard to believe what he was hearing.

'Did I hear it right? Isn't she a shy person?'

Yesterday, she told him that she was not fine after breaking up with him, and now, she asked him to become his lover again.

Her courage made Xiao Tian speechless. For this reason, he only stared at her without saying a single word.

At this moment, Lin Xing Xue misunderstood him. She thought he didn't want to get back with her.

"Tian, I know that I'm the one who decided to end our relationship, but I really want to get back with you. I realized that I made a huge mistake by breaking up with you. You have done many things for me. You even helped me take my daughter back. But I...I left you when you had a lot of troubles. I left you when you were down and needed a support. I....really regret it now."

What Lin Xing Xue said was true. The reason why she was not as important as before was that she left him when he was down. She left him when he needed her the most. And she left him when he needed her warm embrace to calm himself down.

This was the reason why Shi Fei and Liu Ning were the most important people in his heart because they were there to support him when he was down.

When everyone spoke ill of him or avoided him, Liu Ning and Shi Fei were the only ones who supported him.

They embraced him when he needed a hug. They were always by his side when he was down. And they always supported him when everyone left him.

If Lin Xing Xue gave him a second chance and supported him, her place in his heart would be more important than before.

Of course, Xiao Tian would not blame her because he knew his past actions were also wrong.

"Can you give me a second chance?" Lin Xing Xu wanted to correct her mistakes. If he agreed to get back with her, she would always be there for him and support him.

At this moment, Xiao Tian wavered whether he should accept her immediately or not. It was true that he still loved her, but at the same time, he was still disappointed with her actions because she left him when he needed her the most.

"Can you let me thin-" Xiao Tian stopped his words halfway when several memories suddenly appeared in his head.

"Xiao Tian, do you love my mother?" Feng Yu inquired.

"Xiao Tian, I want you to get back with my mother now." Feng Yu spoke as she looked at him.

"Xiao Tian, I don't want to see my mother sad anymore." Feng Yu said. "I hope you will get back with my mother quickly."

"I won't regret my decision now or in the future." Feng Yu stated.

Those memories made Xiao Tian want to accept her feelings instantly. It was true that after breaking up with her, Xiao Tian wanted to get back with her.

However, after not spending time with her for more than three weeks, his feelings faded away. He was even fine if they didn't end up together later.

Now that Lin Xing Xue desired to get back with him again, he was wavering. For this reason, Xiao Tian could only sigh.

"I see. It's already too late, right?" at this moment, Lin Xing Xue thought Xiao Tian didn't want to get back with her.

*Drips...

Tears fell down her soft cheeks. She was sad when she thought that she could not get back with Xiao Tian.

'If only I gave him a second chance and didn't break up with him immediately, everything would not end up like this.'

At this moment, Lin Xing Xue wished she could turn back time so that she could correct her mistakes.

When Xiao Tian saw her tears, he knew what she had in mind. "Don't cry."

Instead of stopping, her tears fell even faster.

*Sob...Sob...

"Tian..." Lin Xing Xue was unable to hold back her tears, causing it to fall down her cheeks non-stop.

"Don't cry. Your daughter will be sad if she finds out you are crying." after saying that, Xiao Tian placed her head on his chest, hoping it could help her calm down.

However, she was still crying. Even though Xiao Tian was embracing her, but she was still sad because she thought it was already too late to get back with him.

"Can you give me a few days to think about it?" because Xiao Tian was still wavering whether he wanted to get back with her or not, he said something like that.

Lin Xing Xue raised her head to look at his face and spoke, "All right."

'I have to try harder!'

Because there was still a chance to get back with him, Lin Xing Xue decided to try harder later. In the next few days, she would try her best to make him fall in love with her. She would not give up until she became her man again.

At this moment, a wild idea suddenly emerged on her mind.

'Many people say that sex can make people fall in love quickly. I have to try this.'

In order to get back with him, Lin Xing Xue would do anything. They had sex several times in the past, so having sex with him again was not a problem for her.

As long as she could get back with him, she didn't mind having sex with him.

'I hope Yu'er is already sleeping by now.'

Without giving him a warning, Lin Xing Xue cupped his face and kissed his lips.

Her actions much surprised him. Earlier, she was crying on his chest, but now, she suddenly kissed his lips.

'Don't tell me...'

At this moment, Xiao Tian knew that Lin Xing Xue wanted to use sex to get back with him.

'Was Shi Fei the one who suggested doing this?'

In the past, Shi Fei also used sex to make him fall in love with her. That was why he suddenly thought that Shi Fei was the one who suggested it.

Lin Xing Xue was a shy person, so it was almost impossible for her to have a wild idea like this.

When Lin Xing Xue pressed her lips against his, her eyes were focused on his black eyes.

'It has been more than three weeks since I can kiss his lips again. I miss this feeling.'

Six seconds after that, Lin Xing Xue tried to put her tongue in his mouth. If she wanted to have sex with him, she had to make him horny first, and kissing passionately was one of the things that could turn any guy on.

At this moment, Xiao Tian opened his mouth and let her do whatever she wanted. He even allowed her to dominate the kiss.

Even though Lin Xing Xue never took the lead in sex, but she tried her best to make Xiao Tian horny as quickly as possible.

As she was kissing Xiao Tian hungrily, Lin Xing Xue slowly moved her right hand to Xiao Tian's cock. She knew that she could make him feel aroused faster if she kissed him passionately while also playing with his cock.

'Should I play with his cock directly?'

When Lin Xing Xue's right hand was on his trousers, she wavered whether she should play with his cock directly or not.

After thinking for about three seconds, she decided to play with his cock directly. For this reason, she began to unzip his trousers.

*Zzzttt...

The sound of her unzipping his trousers could be heard in their ears.

When Lin Xing Xue wanted to take his cock out of his trousers, Xiao Tian broke the kiss and grabbed her right hand. "Are you sure you want to do this?"

Of course, Xiao Tian would not refuse if she really wanted to have sex with him. However, he had to make sure that she would not regret it later.

At that time, they were not alone because her daughter was in her room. The distance between the living room and her room was not far so Xiao Tian was sure that Feng Yu would be able to hear her moan if they decided to have sex later.

Actually, Xiao Tian was really excited because it would be fun to have sex with her in the living room while her daughter was sleeping in her room.

However, he didn't want to destroy her relationship with her daughter. If her daughter knew that they were having sex in the living room, Xiao Tian didn't know what she would say to Lin Xing Xue later.

"...Yes." it took Lin Xing Xue more than four seconds to answer it.

Of course, Lin Xing Xue knew there was a high chance that her daughter would know what they were doing later.

However, since her daughter had decided to support her decision, Lin Xing Xue was sure that Feng Yu would not be angry with her if she found out that she had sex with Xiao Tian later.

Lin Xing Xue believed that her daughter would understand her actions because she was a clever girl.

"Are you sure?" Xiao Tian wanted to make sure that she was telling the truth.

This time, Lin Xing Xue didn't answer, but she nodded her head, telling him that she would not regret her actions later.

"If so, then let's continue." Xiao Tian answered instantly.

'I hope, you can hold back your moan later, so that your daughter won't know what we are doing.'

Xiao Tian added in his head.

Chapter 587 - One Second...Two Seconds... Three Seconds.

7-8 minutes

When Xiao Tian was about to kiss her lips again, Lin Xing Xue pressed her lips against his first. Not only did she kiss him passionately, but her right hand was also taking his cock out of his trousers.

Because they had sex several times when they were lovers, Lin Xing Xue still remembered the sensitive parts of his cock.

She used her right index finger to play with the tip of his cock. With her kissing him passionately and playing with his cock, Lin Xing Xue was sure Xiao Tian would be aroused soon.

And what she had guessed was right because not long after that, his cock slowly started getting erect.

'His cock is starting to erect.'

Lin Xing Xue was pleased when she realized that his cock was already erect because, with this, the first step went according to the plan.

"Huft...huft...huft..." at first, she wanted to kiss him passionately for more than a minute.

However, because she was out of breath after kissing him for about forty seconds, she had no choice but to stop the kiss.

Because she wanted to keep making him feel aroused, Lin Xing Xue kept the distance between their faces closes. As her eyes were locked on his black eyes, she deliberately let out a hot breath into his mouth and nose.

She is getting skilled at seducing a man. Xiao Tian thought to himself.

In the past, Lin Xing Xue was always passive when they were having sex. Even though she always let him do whatever he wanted, she never took the lead in sex.

Now, not only did she stroke his cock slowly, but she even stared at his eyes lustfully and let out a hot breath.

With her beautiful face, Xiao Tian was sure any man would go crazy if she did the same thing to them. However, Xiao Tian was different.

Even though Lin Xing Xue managed to ignite the flame of lust within him, Xiao Tian could still control himself.

*Gulp...

After staring at his beautiful black eyes, Lin Xing Xue's gaze fell on his lips. The longer she stared at his lips, the more she wanted to kiss him passionately.

One second...two seconds... three seconds.

Lin Xing Xue could only hold back herself for three seconds before finally kissing him hungrily again. Not only did she kiss him more aggressively, she even stroked his cock faster.

Until now, Xiao Tian let her do whatever she wanted and didn't touch her body. However, when Lin Xing Xue stroked his cock faster, his desire to play with her vagina suddenly appeared.

Because she was wearing a skirt, Xiao Tian was able to touch her pussy easily. He didn't take off her skirt and instantly ran his left hand to her underwear.

'It's already wet.'

Actually, Xiao Tian had guessed that her underwear was already wet. Lin Xing Xue was a sensitive lady, so it was easy to make her horny.

At this moment, Xiao Tian didn't play with her pussy directly and only rubbed her vagina through the underwear.

However, because her underwear was already wet and stuck closely with her pussy, he felt as if he was rubbing her vagina directly.

"Mm.." Lin Xing Xue stopped moving her tongue and immediately shut her eyes when Xiao Tian thrust his middle finger into her vagina through her underwear.

Like before, when Lin Xing Xue broke the kiss, she let out a hot breath and stroked his cock faster. She wanted to make Xiao Tian have an orgasm as soon as possible.

However, her efforts were in vain because no matter how fast or long she stroked his cock, there was no sign of him having an orgasm soon.

'Should I give him a blowjob?'

Because Xiao Tian still didn't have an orgasm, Lin Xing Xue suddenly thought of giving him a blowjob.

"Aa-mm" Lin Xing Xue instantly covered her mouth when she was moaning.

She was surprised when Xiao Tian suddenly slid her underwear to the other side and thrust his middle finger into her vagina.

"Be careful or else your daughter will hear it later." earlier, Xiao Tian was also startled when Lin Xing Xue suddenly moaned like that.

Lin Xing Xue didn't answer and only nodded. At this moment, Lin Xing Xue unconsciously spread her legs wider as if she wanted to make it easier for Xiao Tian to play with her vagina.

And because she was covering her mouth with both of her hands, she could no longer stroke his cock. However, when she noticed his cock throbbing non-stop, her desire to play with his cock suddenly appeared again.

'It seems as if his cock is asking for attention.'

Lin Xing Xue could not take her eyes off his cock.

'Why do I feel like his cock suddenly looks so delicious?'

When Lin Xing Xue noticed the pre-cum on the top of his cock, she suddenly wanted to lick it.

*Gulp...

Once again, Lin Xing Xue gulped her saliva.

When Xiao Tian noticed her lewd expression, he laughed in his head.

'Look at her! It's as if she has never seen my cock before.'

At this moment, Xiao Tian was sure that Lin Xing Xue would give him a blowjob soon.

And what he had guessed was right because not long after that, Lin Xing Xue bent over and started licking the tip of his cock.

Even though Xiao Tian could no longer play with her vagina, he didn't mind it. Getting a blowjob from her was not a bad idea compared to playing with her pussy.

'Damn! Am I a genius in everything? Did I also manage to make her skilled at giving a blowjob?'

The way Lin Xing Xue moved her tongue was very skillful. She ran her tongue from his shaft to the tip of his cock.

And after circling her tongue around the tip of his cock, Lin Xing Xue thrust his external urethral opening with the tip of her tongue before finally putting his cock into her mouth.

Like before, she licked the tip of his cock skillfully for several seconds before finally letting his cock out of his small mouth.

At this moment, Lin Xing Xue didn't lick his cock again; instead, she looked at him in the eyes. Because the flame of lust had consumed her body, her lewd expression was so alluring.

'Her expression is so lewd!'

When Xiao Tian was staring at her lewd expression, Lin Xing Xue suddenly kissed his lips.

Like before, when she was kissing him hungrily, she began stroking his cock again. However, this time was different.

Previously, she only used one hand, but now, she used both of her hands. As her left hand was stroking his shaft slowly, her other hand was playing with the tip of his cock.

"Huft...Huft...Huft..." after kissing him for several seconds, Lin Xing Xue stopped giving him a handjob and stared at him.

Lin Xing Xue, who desired to have sex with Xiao Tian immediately, laid down on the couch while also spreading her legs widely.

Even though she didn't say it directly, Xiao Tian knew what she had in mind. Because previously Xiao Tian had slid her underwear to the other side, he could immediately place his cock on her vagina entrance. "I'm putting it now."

"Un." Lin Xing Xue nodded her head.

Chapter 588 - I'm So Happy Right Now

5-7 minutes

Currently, Xiao Tian's trousers were hanging on his legs. Previously, he only lowered her trousers slightly and put his cock into her pussy.

They didn't want Feng Yu to know what they were doing. That was why they didn't take off their clothes.

At this moment, Lin Xing Xue was afraid and excited at the same time. She was worried her daughter would find out that she was having sex with Xiao Tian in the living room. And she was excited because she finally could have sex with him after several weeks.

In order not to moan, Lin Xing Xue covered her mouth with her hands. She shut her eyes when Xiao Tian was slowly thrusting his cock into her vagina.

There were two reasons why she decided to close her eyes. First, she wanted to feel his cock with her pussy. Second, with her closing her eyes, it could help her not to moan.

Xiao Tian's face broke into a soft smile when he noticed Lin Xing Xue closing her eyes. Of course, he knew why she decided to do that.

That was why he was thrusting his cock into her vagina slowly. Actually, Xiao Tian wanted to thrust his cock into her pussy in one go because her vagina was already wet.

Xiao Tian was sure that he would not hurt her if he did that, but because Xiao Tian knew that she would moan loudly later, he decided against it.

'I really miss this feeling.'

Because it had been more than three weeks since he had sex with Lin Xing Xue, Xiao Tian was happy when he was thrusting his cock into her pussy.

The sensation when the tip of his cock spreading her vagina muscles made the flame of lust within him grow bigger.

'Was her pussy always so tight like this? Or is it because we are having sex when her daughter is sleeping not far from us?'

The deeper Xiao Tian's thrust his cock, the tighter her vagina was. At that time, Xiao Tian wanted to fuck her roughly and treated her like his personal cumdump.

*Hit...

When the tip of his cock was hitting her womb, Lin Xing Xue instantly opened her eyes.

"Mm." even though Lin Xing Xue knew that his cock would reach her womb, she was still startled when his penis hit one of the most sensitive parts of her vagina. Luckily, she still managed to hold back her moan.

"Tian, please move slowly." Lin Xing Xue said in a low voice.

Xiao Tian didn't answer and only nodded his head. He knew that she would not be able to hold back her moan if he thrust his cock roughly.

As Xiao Tian was moving his waist slowly, Lin Xing Xue looked at him in the eyes. Previously, she never thought that she would have sex with Xiao Tian in her house when she met him on the road.

The reason why she invited him to her house was that she wanted to spend time with him. Of course, she didn't hate it; instead, she was thrilled because she felt closer to him when they were having sex.

Even though Xiao Tian was thrusting his cock slowly, Lin Xing Xue still felt immense pleasure.

"Tian, kiss me. Seal my mouth with your lips." Lin Xing Xue knew that she would moan later. That was why she asked him to kiss her.

When Xiao Tian kissed her passionately, Lin Xing Xue instantly wrapped her long slender arms around his back.

At this moment, Lin Xing Xue could not put her feelings into words. His huge cock, which was moving in and out of her vagina, and his tongue, which was dancing lewdly with hers, made Lin Xing Xue feel delighted.

Several days after breaking up with Xiao Tian, Lin Xing Xue often dreamed of him. In her dream, they were hugging, holding hands, chatting, and laughing happily.

Because of that, Lin Xing Xue started missing him. She wanted to do all the things they did in her dream. Now, not only could she embrace him, but they were even connected to each other.

*Drips...

Because his cock kept hitting her womb, her love juices came out of her vagina like flowing water. The sofa even became wet because of her love juices.

*Fall...

Tears suddenly fell down from the corner of her eyes.

When Xiao Tian noticed it, he instantly stopped moving his waist and broke the kiss. "What's wrong? Did I hurt you?"

Xiao Tian had no idea as to why her eyes were suddenly covered in tears. He had made sure that he didn't hurt her. That was why he wanted to know why she cried like that.

"I'm so happy right now." Lin Xing Xue voiced out her feelings.

She didn't wipe away her tears and only smiled softly. Even though she was much older than him, she was not shy crying in front of him.

After kissing her forehead, Xiao Tian smiled softly. "Can I move again?"

"Yes." Lin Xing Xue answered as she nodded her head.

Like before, Xiao Tian thrust his cock slowly.

"You can move a little faster now." Lin Xing Xue knew that Xiao Tian wanted to move his waist fast since earlier. "But seal my mouth first."

As long as Xiao Tian kissed her and didn't move his waist very fast, Lin Xing Xue was sure that she could hold back her moan.

Without waiting for another second, Xiao Tian did what he was told. Because Lin Xing Xue said that he could thrust his cock faster, he moved his waist more quickly.

*Slick...Slick...Slick...

The sound of his huge cock spreading her vagina could be heard in their ears.

At the same time, Feng Yu, who was sleeping soundly, suddenly woke up. Because she was thirsty, she immediately got out of bed.

*Click...

The sound of her opening the door could be heard in her ears.

After walking out of her room, the expression of deep shock emerged on her face, "What are you doing?"

Chapter 589 - Stop Sitting On His Lap And Sit Next To Him!

6-7 minutes

"Yu'er, what are you doing here? Why are you not sleeping?" Lin Xing Xue inquired.

Currently, Lin Xing Xue was sitting on Xiao Tian's lap, facing him. She placed her legs on both sides of his legs so that it could help cover his trousers. Of course, his huge cock was still in her vagina.

Because they were still wearing clothes, and her skirt was covering her ass, it looked like Lin Xing Xue was only sitting on Xiao Tian's lap.

Lin Xing Xue didn't move her body and only turned her head towards her daughter because she was sure if she moved her body, her daughter would know what she was doing with Xiao Tian.

*Thump...Thump....Thump...

Lin Xing Xue's heart was beating faster and faster every second. She was afraid Feng Yu would notice that she was having sex with Xiao Tian in the living room.

'Yu'e, please go back to sleep now.'

Because Xiao Tian's huge cock was still in her vagina, there was a high chance that she would moan later. That was why she wanted her daughter to go back to sleep immediately.

At this moment, Xiao Tian behaved normally. There were two reasons why he didn't panic. First, if he panicked, it would raise suspicion, and there was a possibility that Feng Yu would know what they were doing.

Second, he didn't care even if Feng Yu knew that he was having sex with Lin Xing Xue in the living room. Earlier, Xiao Tian had asked Lin Xing Xue whether she really wanted to have sex with him or not.

And because she said that she wanted to do it with him despite knowing that her daughter was sleeping not far from them, Xiao Tian no longer cared about the consequences.

'Oh! Her pussy is getting tighter and tighter every second.'

Of course, Xiao Tian knew the reason why Lin Xing Xue's pussy suddenly became much tighter. However, because Feng Yu was not far from them, he didn't say a word and only stared at Lin Xing Xue.

*Squeeze...Squeeze...Squeeze...

Her vagina muscles kept squeezing his cock as if her pussy wanted to crush his penis.

'This is so exciting. It has been a long time since I feel a sensation like this.'

In his past life, he often had sex with women when their husbands were around or when their children were not far from them.

In his view, having sex secretly was exciting because it could make his blood boil. The fluttering feeling at the thought of them being caught made it even more thrilling.

At this moment, Xiao Tian really wanted to move his waist or move her body up and down. However, he knew it was not a good idea because Feng Yu was not far from them.

Even though he didn't mind if Feng Yu found out that he was having sex with her mother, Xiao Tian knew that Lin Xing Xue didn't want her daughter to know what they were doing.

"I'm thirsty so I want to head to the dining room to drink water." Feng Yu gave an honest answer.

At this moment, she didn't know that her mother was having sex with Xiao Tian in front of her. What she knew was that her mother was sitting on Xiao Tian's lap.

"I see." Lin Xing Xue tried to behave normally. "Please go back to sleep immediately after drinking. You have a school tomorrow, right?"

"I know." After saying that, Feng Yu headed to the dining room.

When Xiao Tian didn't see Feng Yu anymore, his lips curled into a grin. Without waiting for another second, Xiao Tian placed his hands on Lin Xing Xue's butt and moved her body up and down.

"Mmm." Lin Xing Xue instantly wrapped her slender arms around his neck and also hid her head on his neck.

She didn't expect that Xiao Tian would move her body up and down like that. Even though he only moved her body slowly, but still, the sensation of his cock spreading her vagina made her want to moan.

"Tian, not now. Please wait until my daughter return to her room." although she said something like that, Lin Xing Xue didn't try to resist when Xiao Tian was moving her body up and down. It was as if she also wanted to continue having sex with him.

"Don't worry. I will stop immediately when I see your daughter later." It was so thrilling to have sex with her in secret like that. That was why Xiao Tian kept moving her body up and down slowly. "Just try not to moan."

Lin Xing Xue knew that she could not change his mind. That was why she tried her best not to moan. Of course, she also thought it was thrilling.

When Xiao Tian saw Feng Yu, he immediately stopped what he was doing. Like before, Xiao Tian instantly looked at Feng Yu.

Lin Xing Xue instantly turned her head towards her daughter again. Because Xiao Tian stopped moving her body, she knew that her daughter was behind her. "Yu'er, have you finished drinking water?"

"Yes." Feng Yu answered before looking at Xiao Tian. "Xiao Tian, did you get back with my mother?"

"No." even though Feng Yu was still a child, he didn't want to lie.

"Then, what are you doing to my mother now?" Feng Yu inquired.

She thought her mother would sit next to Xiao Tian before she returned to her room, but she was wrong.

Not only was she still sitting on his lap, but she even seemed like she wanted to continue sitting on his lap.

"Hugging your mother." After saying that, Xiao Tian wrapped his arms around Lin Xing Xue's waist. Like before, he behaved normally and answered calmly. It was as if what he was doing was normal for everyone.

When her daughter was staring at her, Lin Xing Xue immediately spoke, "Yu'er, don't blame him. I'm the one who want to sit on his lap."

At this moment, Lin Xing Xue thought that her daughter didn't like seeing her lovey-dovey with Xiao Tian.

"I know that you want to get back with him, but you should not let him take advantage of you." At this moment, Feng Yu believed that Xiao Tian was taking advantage of her mother. "Stop sitting on his lap and sit next to him!"

"You...you don't want to see me sitting on his lap?" Lin Xing Xue inquired.

"Yes." Feng Yu replied instantly. "Hurry up and sit next to him."

Chapter 590 - Did He Agree To Get Back With You?

6-8 minutes

At this moment, Lin Xing Xue had no idea what to do. She didn't want to make her daughter angry, but if she slid from Xiao Tian's lap, her daughter would know that she was having sex with Xiao Tian in the living room. "Yu'er, this is...."

"Why did you say something like that? Didn't you want your mother to get back with me?" of course, Xiao Tian knew that Lin Xing Xue had no idea what to do. That was why he decided to help her.

"Xiao Tian, I know that I want you to get back with my mother, but I don't like it when you take advantage of my mother like this." Feng Yu still thought that Xiao Tian was taking advantage of her mother.

"What do you mean by that? Your mother is only sitting on my lap and we are not doing any lewd thing here." Xiao Tian didn't get her train of thought.

'Calm down, Xiao Tian. She is only ten years old.'

Xiao Tian added in his head.

"Yu'er, I'm the one who want to sit on his lap." Lin Xing Xue repeated her words. "Please, don't say bad thing to him."

"Did he agree to get back with you?" Feng Yu inquired.

"Not yet." Lin Xing Xue gave an honest answer.

"Not yet?!" Feng Yu sighed after hearing her mother's words. "You are much older than him, but it seems like you are under his control. If you are still a passive and let him do whatever he wants, it will be hard to win his heart. Think of ways to win his heart. Sigh. How can you be useless like this?"

Upon hearing her daughter's words, Lin Xing Xue lowered her head. "I'm sorry."

When Xiao Tian saw Lin Xing Xue's expression, he immediately spoke, "Hey! You should not say something like that to your mother. Your words are rude, you know? I know that you are clever and mature despite still ten years old, but you should remember that she is your mother."

"Tian, please don't be angry at Yu'er." Lin Xing Xue knew what her daughter said was true. "She didn't mean it that way."

Xiao Tian could only sigh after hearing Lin Xing Xue's words.

"Alright. I don't want to disturb your time anymore. I want to sleep." After saying that, Feng Yu entered her room.

Xiao Tian then returned his attention to Lin Xing Xue and spoke, "Let's continue."

However, Lin Xing Xue didn't answer and only lowered her head. Her daughter's words were ringing in her head.

Lin Xing Xue knew that she was trying to win his heart through sex, but now she wondered if she did the right thing or not.

Xiao Tian could only sigh. Of course, he knew what she had in mind. In order to make her happy, Xiao Tian decided to lie. "Don't mind it. Do you know that I like you more now?"

Upon hearing his words, Lin Xing Xue raised her head and asked, "Really?"

"Yes." Xiao Tian nodded his head and smiled.

"I love you, Tian." Lin Xing Xue voiced out her feelings again.

Even though she had no idea whether he told her the truth or not, but she was pleased after hearing his words.

"Do you want to continue having sex here or in another room?" Xiao Tian inquired.

"I have one spare room. Let's do it there." Because Xiao Tian said that he liked her more than before, she decided to continue having sex with him.

However, because she was afraid that her daughter would come to the living room again, she chose to continue having sex with him in the spare room.

"All right." Without taking his cock out of her pussy, Xiao Tian placed his hands on her butt and rose to his feet.

*Drop...

Xiao Tian's trousers were dropped onto his feet.

Because it would be hard to walk with his trousers around his ankles, Xiao Tian decided to take them off. After taking off his trousers, he gave it to Lin Xing Xue, "Please, take my trousers."

The expression of deep shock emerged on her face. She didn't expect that Xiao Tian would take off his trousers.

"It will be hard to walk with my trousers around my ankles." Xiao Tian explained the reason why he decided to take off his trousers.

Even though Lin Xing Xue didn't answer him, she still took his trousers with her right hand. Like before, she was still locking her arms around his neck while her legs were wrapping around his waist.

'He really has no intention of taking his cock out of my pussy.'

Actually, Lin Xing Xue had guessed that Xiao Tian would not take his cock out of her pussy. That was why she was not surprised when he suddenly carried her.

At this moment, Lin Xing Xue suddenly remembered the first time they had sex. That time, Xiao Tian also carried her to her room with his cock still in her pussy.

Not only that, Xiao Tian even fuck her roughly before they reached her room. When she was remembering it, her vagina muscles suddenly squeezed Xiao Tian's cock wildly.

This made Xiao Tian instantly stop his footsteps. Even though he knew that her pussy would squeeze his cock wildly, it still surprised him.

At this moment, Lin Xing Xue stared at his face without saying a single word. Of course, she knew what he had in mind.

However, she remained silent and only looked at him in the eyes, as if she would let him do whatever he wanted.

One second...two seconds...three seconds...four seconds...five seconds...six seconds...

In six seconds, they still didn't say a word and only looked at each other. It was as if they were communicating through their eyes.

In the seventh second, Xiao Tian suddenly nodded his head.

Even though Xiao Tian didn't say a word and only nodded his head, Lin Xing Xue understood what he wanted.

After looking at his black eyes for another three seconds, Lin Xing Xue also nodded her head, giving him a sign that he could do whatever he wanted.

Xiao Tian wasted no time and immediately moved his waist slowly. As he was fucking her slowly, he instantly kissed her passionately.

At first, Lin Xing Xue wanted to cover her mouth with his trousers so that she could hold back her moan. However, because Xiao Tian was kissing her hungrily, she decided not to do that.

Every three steps, Xiao Tian stopped and thrust his cock five times. He did the same thing until they reached the spare room.

The room was quite big, but there were only a bed and a cupboard. At first, Lin Xing Xue thought Xiao Tian would put her on the bed and fuck her immediately, but she was wrong.

She was utterly wrong because after they stepped into the room, Xiao Tian only stood in front of the bed.

At this moment, Lin Xing Xue had no idea why he was still carrying her. "What's wrong?"

Instead of answering, Xiao Tian kissed her passionately and moved his waist again.

"Mmm...mmm...mmm..." even though they were kissing passionately, but because Xiao Tian was fucking her, Lin Xing Xue still moaned. However, her moans were not clear.
