Chapter 591 - I'm Satisfied

After fucking her for about a minute, Xiao Tian put her down on the bed. Currently, Lin Xing Xue was lying on her back.

Because she knew that Xiao Tian would fuck her immediately, Lin Xing Xue spread her legs as wide as possible.

To her surprise, Xiao Tian didn't immediately thrust his cock into her pussy; instead, he bent over and started licking her pussy.

"Mm.." Lin Xing Xue shut her eyes and wailed in delighted.

Because she was afraid that she would moan loudly, she took a pillow and placed it on her face so that it could help her reduce her moan.

*Lick...Lick...Lick...

Because her body had been consumed by the flame of lust, when Xiao Tian was licking her vagina, she unconsciously raised her hips.

Even though her actions much surprised him, Xiao Tian didn't stop licking her pussy. Earlier, they skipped the foreplay and immediately had sex.

That was why he wanted to take his time to taste her pussy first. It had been more than three weeks since he tasted her pussy.

That was why Xiao Tian drank all her love juices. "Delicious!"

Upon hearing his word, Lin Xing Xue removed the pillow from her face and giggled, "Hehe."

She didn't expect him to say something like that.

Xiao Tian then grabbed his cock with his right hand and spoke, "Do you want to taste my cock again?"

This time, Lin Xing Xue didn't answer and only stared at him. Even though she wanted to lick and suck his cock, but she wanted to enjoy the sensation of him licking her pussy because it had been a long time since he licked her vagina again.

As if he could read her mind, Xiao Tian instantly licked her pussy again. As usual, he licked her pussy vertically several times before making his way up to her clitoris.

"Mmm.." Lin Xing Xue instantly covered her face with a pillow again when Xiao Tian licked and sucked her clitoris.

Seconds turned into minutes, and without realizing it, Xiao Tian had been sucking and licking her vagina for more than ten minutes.

"Cumming...cumming...cummingggg.." because the lust had consumed her body before they entered the room, it only took her ten minutes to reach an orgasm.

As she was having an orgasm, Lin Xing Xue unconsciously raised her waist. And because she had a massive orgasm, her nectar was hitting Xiao Tian's face.

When her nectar was hitting his face, Xiao Tian didn't move and only shut his eyes. After Lin Xing Xue finished having an orgasm, Xiao Tian licked his lips and spoke, "Your nectar is also tasty."

"Sorry." Since she broke up with Xiao Tian, she never had sex with any man. That was why she had a massive orgasm.

"Why are you apologizing?" Xiao Tian inquired. "I even don't mind if you want to hit my face with your nectar again."

"Hehe." Lin Xing Xue could not help but giggle after hearing his words. "You are funny."

Earlier, she was afraid that Xiao Tian would get angry with her. However, after hearing his words, she was relieved.

"Let's continue." After saying that, Xiao Tian turned her body and raised her ass.

Because he wanted to have sex in a doggy style, he stood on his knees behind her and placed his cock on her vagina entrance.

Even though her body was still sensitive, Lin Xing Xue let him do whatever he wanted. "Please do it slowly again."

"As you wish my princess." Like what she wanted, Xiao Tian thrust his cock into her vagina slowly.

Maybe because her pussy was still sensitive, the way her vagina muscles squeezing his cock was much different than before.

"Mmm.." Like before, Lin Xing Xue tried her best to hold back her moan.

Xiao Tian and Lin Xing Xue had sex for about an hour before finally, they stopped.

"Do you want to spend the night at my house?" Lin Xing Xue inquired.

Currently, they were lying on the bed, naked. Because they had sex for more than an hour, their bodies were drenched in sweat. However, none of them cared about it.

"Sorry, I can't spend the night at your house." actually, Xiao Tian was surprised after hearing her words.

Ever since Lin Xing Xue lived with her daughter, she never invited him to stay the night at her house.

"I see." the reason why Lin Xing Xue invited him to spend the night at her house was that she didn't want to separate from him.

However, because Xiao Tian refused, she didn't force him because she knew that tomorrow was a big day for him.

"Tian, are you...satisfied having sex with me?" after saying that, Lin Xing Xue's face turned red.

Even though she was shy to asked that question, but because she wanted to know whether she could satisfy him or not, she decided to ask.

"I'm satisfied." Xiao Tian gave an honest answer. "It felt so good having sex with you because your vagina is still tight. Especially when we were having sex in the living room. no, I mean, when your daughter almost found out that we were having sex in the living room."

At this moment, Xiao Tian was telling the truth. When her daughter almost caught them having sex in the living room, her pussy was much tighter than ever.

Even though he didn't move his waist, but the way her vagina muscles squeezing his cock was so fantastic.

It was the first time her vagina squeezed his cock like that. Of course, he knew the reason why her pussy muscles were so wild like that.

Lin Xing Xue was pleased after hearing his words. She was almost thirty years old, so she was delighted that she could still satisfy a young man like him.

"Let's have sex again in the future." Xiao Tian said as he smiled.

"...Un." Lin Xing Xue didn't mind having sex with him again in the future.

Not only did it feel good, but she could get closer to him by having sex with him.

"Good!" even though her answer much surprised him, but Xiao Tian didn't show it on his face and only smiled.

Then they were talking for about thirty minutes before finally, Xiao Tian went home.

Chapter 592 - She Is So Cute

6-7 minutes

"I'm home." Xiao Tian spoke when he was in the living room.

As usual, when Xiao Tian saw his mother and aunt, he kissed their cheeks and sat between them.

"Tian, where did you go earlier?" Ye Xueyin inquired.

Before Xiao Tian could answer Ye Xueyin's question, Ye Qingyu smelled his body scent and spoke, "Your body has the scent of woman perfume."

The corner of his lips twitched after hearing his aunt's words because, in the past, she never did something like that. "Well, I met Lin Xing Xue when I was taking a walk earlier. And because she invited me to her house, I spent time at her house for a few hours."

Because Xiao Tian didn't want to lie to them, he decided to tell the truth. He knew that it could make them jealous or hurt their feelings, but in his view, it was better than lying to them.

"Did you...have sex with her?" because his body had Lin Xing Xue's perfume, Ye Qingyu knew that her nephew did something with Lin Xing Xue.

Xiao Tian stared at his aunt for about three seconds before answering. "Do you want to know the truth?"

"Yes." Ye Qingyu replied as she nodded her head.

"Yes." Xiao Tian gave an honest answer. "At first, I had no intention of having sex with her, but she kept seducing me. That was why we had sex in her house earlier."

Upon hearing his words, a sign of jealousy emerged on their faces. Of course, they were not angry with him.

"Because she seduced you?" Ye Qingyu asked, "Don't tell me. You will have sex with all women who seduce you?"

"No." Xiao Tian answered instantly. "Aunt, you know that she is my ex-girlfriend, right?"

In the past, Xiao Tian told his mother and aunt everything. That was why they knew that Lin Xing Xue was Xiao Tian's ex-lover.

Xiao Tian began to explain. "Earlier, Feng Yu asked me to get back with her mother. Feng Yu said that her mother was always sad after breaking up with me and today in my office, Lin Xing Xue also voiced out her feelings to me."

"Did you get back with her?" Ye Xueyin inquired.

"No." Xiao Tian gave an honest answer. "I'm still disappointed with her because she left me when I was down. If she wants to get back with me, she has to try even harder. Just because we had sex earlier doesn't mean I'll accept her love right away."

"So, the reason why you still haven't accepted her love is that she left you when you were down?" Ye Qingyu didn't expect that Lin Xing Xue wanted to get back with her nephew so badly. Lin Xing Xue even used sex as a way to get back with him.

"Yes." Xiao Tian answered as he nodded his head.

"Sorry." Ye Qingyu lowered her head and apologized.

In the past, she also left him when he was down. After hearing his words, she knew that Xiao Tian was still disappointed by what happened to him in the past.

"Tian, I'm sorry." Ye Xueyin also apologized to her son.

At this moment, Ye Qingyu and Ye Xueyin understood that if they were not his family, he would not accept their love easily.

When Xiao Tian saw the expression on their faces, he smiled softly and embraced them. "Why are you apologizing to me?"

"Sorry for leaving you when you were down." Ye Qingyu told him the reason why she apologized to him earlier.

"It's fine." Of course, Xiao Tian knew what they had in mind. "Let's sleep now. Tomorrow is the opening day of our restaurant, right? We have to sleep early so that our condition will be optimal tomorrow."

"Un." Ye Qingyu and Ye Xueyin nodded their heads.

Without waiting for another second, Xiao Tian carried his mother and spoke, "Wait here, aunt."

"All right." At this moment, Ye Qingyu knew that her nephew would also carry her to his room later.

"Let's head to my room." Xiao Tian spoke to his mother before walking to his room.

As Xiao Tian was walking to his room, Ye Xueyin smiled happily. She was delighted because Xiao Tian was carrying her to his room.

After Xiao Tian put his mother on the bed, he immediately returned to the living room. "I will also carry you but you have to kiss me first. How is it? Will you kiss me or not?"

Of course, Xiao Tian was only joking around. Even though she didn't want to kiss him later, he would still carry her to his room. He only wanted to tease her. That was why he said something like that.

Ye Qingyu didn't answer and only stared at her nephew. Of course, she did not mind if he wanted to kiss her.

She would even welcome it happily if he wanted to kiss her passionately because they had done it so many times since they became lovers.

Actually, Xiao Tian had guessed that his aunt would not say a word. That was why he bent over and brought his face closer towards hers.

When Ye Qingyu saw his face getting closer towards hers, she immediately shut her eyes and prepared to welcome the kiss.

*Shock...

Ye Qingyu instantly opened her eyes when Xiao Tian only kissed her forehead. Earlier, she was sure that he would kiss her lips because he loved kissing her lips.

When Xiao Tian saw the expression on her face, he could not help but laugh. "Haha. Why are you looking at me like that? Did you think I would kiss your lips? Are you disappointed now?"

"No." Ye Qingyu denied shamelessly. "I knew you would kiss my forehead."

"I see." Xiao Tian tried to hold back his laughter. "Do you want to have a passionate kiss with me?"

At first, Xiao Tian thought his aunt would not answer like before, but he was wrong. After nodding her head, she shut her eyes and pouted her lips, giving him a sign to kiss her lips.

'She is so cute.'

Instead of kissing her lips immediately, Xiao Tian pushed her until she fell on the couch. Without waiting for another second, Xiao Tian laid prone on top of her body and kissed her lips.

Chapter 593 - I Know He Is Lying

6-8 minutes

At first, Xiao Tian only pressed his lips against hers. But it only lasted for about three seconds before finally, he put his tongue into her mouth.

Even though Ye Qingyu was still closing her eyes, but she welcomed the kiss very well. As soon as Xiao Tian's tongue was in her mouth, she immediately intertwined her tongue with his.

The way she used her tongue or the sweet smell of her mouth made Xiao Tian feel aroused.

'Fuck!'

Xiao Tian cursed venomously in his head.

'Why am I so easily aroused by my women now? Am I more pervert than before now?'

As he was having a deep kiss with Ye Qingyu, Xiao Tian's cock started to erect.

'Little brother, you just had fun with Lin Xing Xue earlier and now you want to have fun again?'

Usually, he would not get an erection quickly every time he had a passionate kiss with his women. That was why he was startled.

'But she is getting more skilled at this. The way she uses her tongue is really amazing.'

Because all his women were getting skilled at doing lewd things, Xiao Tian didn't know whether he should be happy by it or not.

First, it was Yun Xin Er then, it was Lin Xing Xue, and now, Ye Qingyu was also getting more skilled at kissing passionately.

Of course, he knew the reason why they were getting skilled at doing lewd things.

'It seems like I have to have sex with them more often so that they will become more skilled in sex.'

With that in mind, Xiao Tian decided to have sex with his women more often in the future.

"Tian..." Ye Xueyin shouted.

Because Xiao Tian and Ye Qingyu still didn't come to his room, Ye Xueyin shouted.

Upon hearing Ye Xueyin's words, Xiao Tian and Ye Qingyu instantly stopped the kiss and stared at each other.

"Let's head to my room." Xiao Tian knew that Ye Xueyin didn't want to be in his room alone. Even though Xiao Tian still wanted to kiss Ye Qingyu passionately, but he decided against it.

"Un." Ye Qingyu nodded her head.

After Xiao Tian rose to his feet, he immediately carried Ye Qingyu and headed to his room.

"What took you so long?" Ye Xueyin asked when she saw Xiao Tian and Ye Qingyu.

After putting Ye Qingyu on the bed, Xiao Tian laid down between them and replied, "Well, I had a passionate kiss with my attractive lady earlier."

Upon hearing his words, Ye Xueyin instantly turned her head towards her younger sister, as if she was asking whether he was telling the truth or not.

"Yes. We had a passionate kiss just now." Ye Qingyu answered instantly. "Big sis, do you want to hear something interesting?"

"What is it?" Ye Xueyin asked curiously.

"When we were having a deep kiss earlier, his cock was erect. Hehe." Because earlier Xiao Tian was lying prone on top of her body, she could feel it when his penis was erect.

Earlier, she was focused on kissing him. That was why she didn't say anything to him.

"What are you talking about?" Xiao Tian denied shamelessly. "My little brother is sleeping soundly now."

At first, Xiao Tian wanted to tell the truth, but he suddenly decided to lie because he was sure his mother and aunt would say he was a pervert if they knew the truth.

"Is that so? Then let me check it now" after saying that, Ye Xueyin instantly sat up.

Because she wanted to know whether Xiao Tian was telling the truth or not, she immediately unbuttoned his trousers and lowered it to his knees.

The expression of deep shock emerged on his face when Ye Xueyin took his erect cock out of his underwear. He didn't expect that she would do something like that.

Ye Xueyin instantly turned her head towards her younger sister and spoke, "Qingyu, you are right. Look! His cock is already erect."

"I know he is lying." Ye Qingyu replied. "Because I could feel his hard cock between my thighs earlier."

At this moment, Xiao Tian had no idea what to say to them.

'Damn! I didn't know that she would do something like this to me.'

If Xiao Tian knew that Ye Xueyin would immediately take his cock out of his underwear, he would not lie to them earlier.

"Didn't you just have sex with Mrs. Lin earlier?" Ye Qingyu inquired. "Why is your cock erect again now?"

"Well, because I had a passionate kiss with my gorgeous lady earlier." This time, Xiao Tian didn't lie to them because he knew that they would not believe his words.

"Oh, so you admit it now?" Ye Qingyu thought Xiao Tian would make an excuse again, but she was wrong.

Xiao Tian then returned his attention to Ye Xueyin and spoke, "Can you put it back?"

Even though his cock was already erect, Xiao Tian had no intention of having sex with Ye Xueyin and Ye Qingyu because they had to wake up early tomorrow.

Ye Xueyin, who was staring at his cock, didn't hear his words.

*Gulp...

Instead of putting his cock back in his underwear, Ye Xueyin opened her little mouth and stuck out her pink tongue.

Even though she often saw his cock, but his cock still looked so delicious every time she saw it. For this reason, Ye Xueyin held his shaft with her right hand and began licking the tip of his cock.

"Ohh." Xiao Tian groaned.

He thought Ye Xueyin would listen to him, but he was wrong. At this moment, he knew that he could not stop her.

That was why Xiao Tian turned his head towards Ye Qingyu and spoke, "Let's have a French kiss again."

Because Ye Xueyin was giving him a blowjob, Xiao Tian suddenly desired to have a passionate kiss with Ye Qingyu again.

At first, Xiao Tian thought Ye Qingyu would only look at him, but he was wrong. He was utterly wrong because Ye Qingyu instantly kissed him passionately.

At this moment, Xiao Tian was sure that Ye Qingyu and Ye Xueyin were jealous when they found out that he had sex with Lin Xing Xue earlier.

Even though he had no intention of having sex with them earlier, he decided to change his mind because they did something like that to him.

He was a healthy young man, so if two gorgeous ladies desired to have sex with him, he would not refuse them. As Xiao Tian was having a deep kiss with Ye Qingyu, his left hand was squeezing her breasts.

Ye Qingyu didn't do anything or stop the kiss because she knew that he would squeeze her breasts. Every time they had a deep kiss, Xiao Tian often squeezed her breasts. That was why she was not surprised by his actions.

At this moment, Ye Xueyin, who was licking and sucking his cock, could no longer hold back the lust within her.

For this reason, she took off her clothes and stood on her knees. After placing Xiao Tian's cock on her vagina entrance, she lowered her body slowly. "Ahhhh.."

Soon his room was filled with their moans.

Chapter 594 - It Seems Like She Is Having A Good Dream Now

6-7 minutes

"Ahh. It was great." Xiao Tian spoke abruptly.

He was currently lying down on the bed with Ye Qingyu and Ye Xueyin on both of his sides. Of course, they were naked because earlier they had wild sex.

"Yes. It was amazing." Ye Xueyin agreed with Xiao Tian's words because every time they had sex, it was fantastic.

Because tomorrow was a big day for them, Xiao Tian immediately said, "Let's sleep now because tomorrow is the opening day of our restaurant."

Upon hearing his words, Ye Xueyin, who was lying down on his left side, instantly laid prone on top of his body.

Ye Xueyin's actions much surprised Xiao Tian. However, he only smiled softly. "Do you want to sleep on top of me?"

"Yes." Ye Xueyin answered before turning her head towards her younger sister. "Qingyu, in the last few days, you always slept on top of him, so it's my turn now. You don't mind, right?"

In the last few days, Ye Qingyu was the only one who always slept on top of Xiao Tian. That was why Ye Xueyin said something like that.

"Yes." Ye Qingyu didn't mind if her big sister wanted to sleep on top of her nephew because what mattered to her was that she could sleep with both Xiao Tian and Ye Xueyin.

Because her younger sister agreed with her words, Ye Xueyin returned her attention to Xiao Tian. "Do you want to sleep while being connected with me?"

"Connected? Aren't we already connected?" at this moment, Xiao Tian thought she wanted to sleep while embracing each other. For this reason, he wrapped his arms around her waist and smiled.

"Not like this." Earlier, Ye Xueyin thought Xiao Tian would understand her words, but because he was embracing her, she knew that he didn't get it.

'He didn't get it?! Is it because he had sex with three women today? It's unusual for his mind not to work like this.'

Because Xiao Tian didn't understand her words, Ye Xueyin began to explain it. "What I mean by connecting is that sleeping with your cock inside me. Do you want to sleep with your penis in my pussy?"

"No." Xiao Tian finally understood her words.

"Really?" Ye Xueyin inquired.

"Yes." Xiao Tian answered as he nodded his head.

"But I want to sleep while being connected with you." In the last few days, every time Ye Qingyu slept on top of his body, his cock was always inside her vagina. That was why Ye Xueyin wanted to do the same thing.

At this moment, Xiao Tian only smiled. "Alright."

Upon hearing his words, Ye Xueyin smiled happily. Without waiting for another second, she looked at her younger sister and spoke, "Qingyu, can you make his cock erect now?"

Her words much surprised Ye Qingyu. She didn't expect that her big sister would say something like that to her.

Not only Ye Qingyu, but Xiao Tian was also startled. Earlier, he thought Ye Xueyin would immediately give him a handjob or blowjob, but he was wrong. He was utterly wrong because Ye Xueyin asked her younger sister to make his cock erect.

Ye Xueyin then laid down on the bed again, but her head was still on Xiao Tian's chest. "Qingyu, you don't want to?"

Because Ye Qingyu didn't want to make her big sister sad, she did what she was told. She instantly sat up and held Xiao Tian's cock with her right hand.

At first, Ye Qingyu wondered whether she should give him a handjob or blowjob. However, when she remembered that she could make his cock erect faster by giving him a blowjob, she decided to do that.

As Ye Qingyu was giving him a blowjob, Ye Xueyin and Xiao Tian were looking at her intently. Both of them were shocked. They didn't expect that Ye Qingyu would give him a blowjob immediately.

Because Ye Qingyu was much more skilled at giving a blowjob than before, it took her less than five minutes to make Xiao Tian's cock fully erect.

After Xiao Tian's cock was fully erect, Ye Qingyu stopped giving a blowjob and sat next to Xiao Tian.

Without waiting for another second, Ye Xueyin stood on her knees above Xiao Tian's cock. She then grabbed his cock with her right hand and placed it on her vagina entrance before finally lowering her body.

"Ahhh..." Ye Xueyin shut her eyes and cried out seductively. After Xiao Tian's cock was in her pussy, she stared at her younger sister. "Qingyu, come here and let me kiss you as a token of gratitude."

Upon hearing her big sister's words, Ye Qingyu brought her face closer towards Ye Xueyin's face. They were sisters, so it was normal to kiss each other.

When they were having sex with Xiao Tian, they even sometimes had a passionate kiss, so it was no big deal to get a kiss from her big sister.

Ye Xueyin instantly cupped Ye Qingyu's face and kissed her forehead and cheeks. "Mmmuuch. Thank you, Qingyu."

"Un." Ye Qingyu replied as she nodded her head.

"What about me?" Xiao Tian asked as he pointed his index finger toward his face.

Ye Qingyu and Ye Xueyin could not help but giggle after hearing his words. "Hehe."

The corner of his lips twitched when Ye Xueyin and Ye Qingyu ignored his words.

Ye Xueyin then dropped her body on his body and spoke, "Let's sleep now."

"All right." Xiao Tian replied before turning his head towards Ye Qingyu. "Why are you still sitting there? Let's sleep now."

"All right." After saying that, Ye Qingyu laid down on his right side.

Then they slept.

The following morning, Xiao Tian was the first to wake up. His face broke into a smile when he saw Ye Xueyin's sleeping face.

'It seems like she is having a good dream now.'

The smile on his face grew bigger when he saw Ye Qingyu's sleeping face.

'Both of them are so beautiful. Even they still look pretty when they are sleeping.'

Because it was still 05:00 am, Xiao Tian kept looking at the faces of Ye Qingyu and Ye Xueyin.

"Tian, you have awake?" ye Xueyin spoke.

Chapter 595 - You Are Also The Most Handsome Young Man I Have Ever Seen

7-8 minutes

"Oh! You are already awake?" Xiao Tian was startled after hearing Ye Xueyin's words. "Let's sleep again. It's still 05:00 am now."

"All right." Ye Xueyin then shut her eyes again.

At 06:30 am, Xiao Tian, his mother, and aunt went straight to their restaurant. He didn't go to his company because it was the opening day of his restaurant. When Xiao Tian was at his restaurant, he immediately called Chun Hua.

"Do you need anything, sir?" Chun Hua asked after picking up the phone.

"Bring twenty-five people to my restaurant now. Today is the opening day of my restaurant so I want you to help me secure my restaurant later." Xiao Tian went straight to the point. "Wear a formal clothes and don't bring any weapons. I will send the location of my restaurant later."

The reason why Xiao Tian told her not to bring any weapons was that it could scare off guests later. Even though they didn't have any weapons later, Xiao Tian was sure that they would be able to control everything later.

"Understood." Chun Hua replied instantly.

"Oh! Don't forget to bring Mu Huo too." Mu Huo was skilled in martial arts. That was why he told her to bring Mu Huo too.

After hanging up the phone, Chun Hua went straight to Blue Ice Lotus gang headquarters.

At this moment, Xiao Tian remembered that Liu Ning and Shi Fei didn't have a car. "Mother, aunt, I forget that Shi Fei and Liu Ning doesn't have a car, so I have to go to their house now."

"All right." Ye Qingyu and Ye Xueyin replied in unison.

Xiao Tian wasted no time and went straight to Shi Fei's house. After arriving at her home, he immediately knocked on the door.

"Tian'er..." actually, Liu Ning had guessed that Xiao Tian would come to her house because it was the opening day of his restaurant.

At this moment, Xiao Tian didn't answer and only looked at her. He was staring from toe to head. Even though she was wearing a business dress, but it didn't reduce her beauty.

Because Xiao Tian didn't say a word, Liu Ning immediately asked, "Tian'er, is there something on my face?"

Liu Ning had no idea as to why Xiao Tian was staring at her intently like that. She believed that she didn't wear weird clothes.

'Are my clothes weird?'

Because it was a big day for Xiao Tian, Liu Ning was wearing a new dress. She bought a new outfit specifically for the opening day of his restaurant.

'I don't want to embarrass him, so I bought a new dress, but it seems like this dress looks weird on me.'

Xiao Tian had changed and didn't want to hide their relationship anymore, so Liu Ning was sure that he would introduce her as his woman if other people asked who she was. That was why she decided to buy a new dress.

Like before, Xiao Tian didn't answer. However, Xiao Tian grabbed her right hand and pulled her towards him. After wrapping his left arm around her waist, Xiao Tian instantly kissed her cherry lips.

Even though they were still on the terrace, Xiao Tian didn't care. If other people wanted to see what they were doing, he would gladly let them see it.

He was also sure that Liu Ning would not mind it too. And what he had guessed was right because when he put his tongue into her mouth, she instantly welcomed it by intertwining her tongue with his.

As Xiao Tian and Liu Ning were having a deep kiss, a voice suddenly rang out.

"Little brother, you ar- " Shi Fei stopped her words halfway when she saw Xiao Tian and Liu Ning kissing passionately. "Hehe. What is this? You two are so bold! Both of you are even having a hot kiss on the terrace."

Upon hearing Shi Fei's words, Xiao Tian and Liu Ning stopped the kiss. Of course, they behaved normally because Shi Fei was also his woman.

Instead of answering, Xiao Tian walked towards Shi Fei and kissed her. Like what he did to Liu Ning, Xiao Tian also kissed her passionately.

Of course, Shi Fei welcomed the kiss happily because she loved having a deep kiss with him. They had a hot kiss for about thirty seconds before Xiao Tian finally stopped the kiss.

After Xiao Tian broke the kiss, Shi Fei inquired, "So, why did you suddenly kiss us passionately? You even kissed Ning on the terrace."

"Well, Ning'er is so pretty in her dress. That was why I suddenly desired to kiss her." Xiao Tian gave an honest answer.

Upon hearing his words, Liu Ning's face broke into a smile, "Thank you."

Liu Ning finally understood the reason why Xiao Tian didn't say a word when he was staring at her earlier. She thought the dress looked weird on her, but it turned out that her dress suited her so well.

'I'm glad he thinks the dress suit me well. I'm so happy right now.'

Before buying a new dress, Liu Ning spent a lot of time choosing which one to buy because she didn't want to embarrass him by choosing the wrong dress.

"Because you also kissed me passionately, does that mean I also look pretty and sexy in my dress?" Shi Fei wanted to know what his answer would be after hearing her question.

"Of course," Xiao Tian answered instantly. "You are the sexiest woman I have ever seen in my life."

At this moment, Xiao Tian was telling the truth because Shi Fei was indeed the sexiest woman he had ever seen.

'In my second life.'

Xiao Tian added in his head.

"You are also the most handsome young man I have ever seen." After saying that, Shi Fei turned her head towards Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning also thought that Xiao Tian was the most attractive young man she had ever seen.

Even though she had seen many good-looking young men, but in her view, Xiao Tian was the most attractive one.

"Really?" usually, Xiao Tian didn't care when other people praised him, but since his women were the ones who praised him, it made him delighted.

"Yes." Shi Fei nodded her head. "But you are also the most pervert young man I have ever seen. Hehe."

Shi Fei wanted to tease Xiao Tian. That was why she said something like that.

"You are right, big sister Fei." Liu Ning added. "He is getting more and more pervert every day."

Because Liu Ning knew that Shi Fei was teasing Xiao Tian, she decided to do that too.

"True...True.." Shi Fei agreed with Liu Ning's words.

The corner of Xiao Tian's lips twitched after hearing their words. He didn't expect that they would say something like that. "What is this? Do you want me to kiss you passionately again?"

"Sure." Shi Fei answered without thinking twice.

"See! You even want to kiss us passionately again." Of course, Liu Ning didn't mind even if Xiao Tian became much more perverted than before because no matter what happened, she would still love him.

Without saying anything, Xiao Tian walked towards Liu Ning and kissed her passionately again. And like before, she welcomed it happily.

Chapter 596 - She Is So Pretty

8-10 minutes

After having a passionate kiss with Liu Ning for several seconds, Xiao Tian broke the kiss and spoke, "Let's go to my restaurant."

Even though Xiao Tian wanted to kiss them passionately or spend time with them, he could not do that because they had to go to his restaurant. It was a big day for him so he could not come late to his restaurant.

"All right." Liu Ning and Shi Fei answered in unison.

Because Shi Fei and Liu Ning had prepared themselves before he arrived at their house, they could immediately go to his restaurant. After driving for several minutes, they finally arrived at their destination.

They wasted no time and immediately entered the restaurant. After they stepped into the restaurant, they saw many round tables, which were neatly arranged.

Each table had a white tablecloth and six chairs. In front of the tables, there was a small podium with many aphorisms hanging on the wall.

However, there was one thing that was different in the room. There was one huge table with fifteen chairs near the podium. It was the table that Xiao Tian had specially prepared for Zhao Chen and the others.

"Hello, Mrs Ye Xueyin. Hello, Miss Ye Qingyu." Shi Fei spoke politely when she saw Ye Qingyu and Ye Xueyin.

Like Shi Fei, Liu Ning also instantly greeted them politely. "Hello, Mrs. Ye Xueyin. Hello, Miss Ye Qingyu."

They were Xiao Tian's family, so Liu Ning had to behave politely because they were still not close yet.

"Hello, Miss Shi. Hello, Miss, Liu." Ye Xueyin and Ye Qingyu spoke in unison.

At this moment, Mu Huo and Chun Hua arrived at the restaurant. When Xiao Tian noticed them, he immediately spoke, "Oh! You two have arrived?"

"Good morning, boss." Mu Huo greeted Xiao Tian before greeting Ye Qingyu and the others. "Good morning, ladies."

"Good morning, sir." Chun Hua spoke before greeting the others. "Good morning, Misses."

"Chun Hua, Mu Huo, I'll be counting on you if something bad happens later." Xiao Tian said, "But you can also enjoy yourself later."

"Understood." Chun Hua and Mu Huo replied in unison before checking the restaurant.

At this moment, one by one, Xiao Tian's employees arrived. Xiao Tian told Shi Fei to invite a few of his employees to his restaurant yesterday. In total, she invited twenty of his employees.

Not long after that, ten reporters arrived. From their expression, anyone could tell that they were happy.

Xiao Tian was famous, and his business snowballed, so they were sure the news of him opening a restaurant would sell well later.

"Welcome to my restaurant." Xiao Tian walked towards them with a smile on his face.

"Hello, Mr Xiao." the reporters said in unison. "Thank you for inviting us."

"No, no. it should be me who said that. Thank you for coming to the opening day of my restaurant." Xiao Tian spoke and paused for a second before he continued, "You all can write any news later but please don't ruin my reputation."

"We promise that we will only write a good news later." one of the reporters spoke as he smiled.

"I'm glad to hear that." Xiao Tian replied. "Please sit down first."

"Thank you." The reporters spoke in unison before sitting on the chairs.

Not long after that, Lin Xing Xue arrived. Because she would go to work immediately after his restaurant opening ceremony was over, she wore a business dress like Liu Ning or, more precisely, a purple business dress.

From her appearance, anyone could tell that she really prepared herself before coming to Xiao Tian's restaurant.

"Little Xue, you have come?" because Lin Xing Xue didn't want him to call her lady Lin, he decided to call her little Xue like when they were still a couple.

"Yes. I'm glad I'm not late." Lin Xing Xue was pleased, and a soft smile emerged on her face when Xiao Tian called her little Xue like usual.

It seems like our relationship is a little closer than before now. Lin Xing Xue thought to herself.

When Shi Fei and the others saw Lin Xing Xue, they immediately walked towards her and greeted her. Of course, they knew that she would come because Xiao Tian had told them that he also invited Lin Xing Xue.

"Xue, you have arrived?" Shi Fei spoke when she was in front of Lin Xing Xue.

"Yes." After answering, Lin Xing Xue greeted the others. "Hello."

After that, they sat on the chairs and talked.

"Eh! Isn't that Miss Yun Xin Er?"

"Yes. It's her."

"Did Mr Xiao invite her too?"

"Don't tell me, the rumors are true."

"I don't know."

"She is so pretty."

"Of course. Not only is she beautiful, but she is also a good singer."

"True, true."

The reporters were surprised when they saw Yun Xin Er. They didn't expect to see her on the opening day of Xiao Tian's restaurant.

Not only the reporters but Xiao Tian's employees were also startled. At that moment, they wanted to surround her immediately but decided against it because they didn't want to make their boss angry.

Xiao Tian was their boss, and it would be a bad idea to make him angry because they could lose their job later. For this reason, they only stared at her from their chairs.

"Little brother..." Yun Xin Er knew that there were ten reporters in the room, but she didn't care and walked towards Xiao Tian with a smile on her face.

Upon hearing her words, Xiao Tian rose to his feet and walked towards her. Like Yun Xin Er, Xiao Tian also had a smile on his face. "Big sister Yun, you have arrived?"

'Little brother? Big sister Yun?'

The reporters and Xiao Tian's employees were shocked after hearing their words. Even though there was a scandal about them in the past, but because no one knew whether it was them or not, they didn't know how close their relationship was.

"Big sister Yun, please sit here." Xiao Tian smiled as he prepared her seat.

"Thank you." After saying that, Yun Xin Er sat on the chair. "Hello, everyone."

At this moment, Lin Xing Xue was staring at Yun Xin Er.

'Tian said that he has a special relationship with Miss Yun. From the way he treats her, it seems like their relationship is closer than I thought.'

A trace of jealousy emerged on Lin Xing Xue's face. Earlier, Xiao Tian didn't help her sit on the chair, but when Yun Xin Er was about to sit, he helped her sit.

'She is so attractive and still young so I can understand it. If only he also treats me like the way he treats her.'

Because she was almost thirty years old and Yun Xin Er was only twenty-three years old, Lin Xing Xue felt that she was not equal to Yun Xin Er.

At the same time, Yun Xin Er was looking Shi Fei and Liu Ning.

'Little brother told me that he has two women now. Their names are Shi Fei and Liu Ning. I have met Shi Fei before so I know her, but...'

Because Yun Xin Er had never met Liu Ning before, she had no idea who Liu Ning was. She had met Xiao Tian's family and Lin Xing Xue before, so she knew who they were.

'Is she Liu Ning?'

Yun Xin Er looked at the woman who was sitting on Shi Fei's left side.

'My instincts told me that she is Liu Ning. She is so pretty.'

Yun Xin Er shifted her gaze from Liu Ning to Shi Fei. Even though it could be said that she was as beautiful as Liu Ning, but she was not as sexy as Shi Fei.

This made Yun Xin Er feel a little jealous. Although Xiao Tian never said that he liked a sexy woman the most, but it still made her a little sad.

When Xiao Tian noticed Yun Xin Er staring at Shi Fei and Liu Ning, he immediately introduced them. "Big sister Yun, they are Shi Fei and Liu Ning. I have told you about them before. They are my women."

After Xiao Tian introduced her, Liu Ning smiled and spoke, "Hello, Miss Yun."

"It has been a long time since we last met, Miss Yun. How have you been?" Shi Fei inquired.

"Hello, Miss Liu." Yun Xin Er spoke. "I've been doing great. What about you, Miss Shi?"

"Me too." Shi Fei answered instantly.

At the same time, Ye Qingyu, Ye Xueyin, and Lin Xing Xue felt jealous.

Chapter 597 - Little Brother, You Are Amazing!

7-8 minutes

Ye Qingyu, Ye Xueyin and Lin Xing Xue were jealous when Xiao Tian introduced Shi Fei and Liu Ning as his women.

They also wanted him to introduce them as his women, but they knew it was impossible now. Lin Xing Xue had broken up with Xiao Tian and even though they had sex last night, but he still hadn't accepted her love.

While Ye Qingyu and Ye Xueyin were his families. If Xiao Tian introduced them as his women, there would be fatal consequences later. There was even a high chance that they would not be able to live in Shanghai anymore.

At this moment, Xiao Tian noticed the expression on the faces of his mother and aunt. Even though he knew what they had in mind, but he could not do anything about it.

'I'm sorry, mother, aunt. I know what you have in mind, but I can't do what you want now. I hope you two understand it.'

Because Xiao Tian also wanted to know Lin Xing Xue's reaction, he shifted his gaze from his aunt to her. And like his mother and aunt, there was a trace of jealousy on her face.

'Just because we had sex last night doesn't mean I will introduce you as my woman. You have to try harder to get back with me.'

After looking at Lin Xing Xue for three seconds, Xiao Tian returned his attention to Yun Xin Er.

At first, Xiao Tian thought Yun Xin Er would be jealous too, but he was wrong because she still behaved normally as if she had no special relationship with him.

"Little brother, you are amazing!" Yun Xin Er spoke. "Having two gorgeous ladies as your women, I'm sure you must be happy every day."

"I will be happier if you become my woman too." His mother and the others knew that he had a special relationship with Yun Xin Er, so he was not shy when he said something like that.

"You are really a playboy. Hehe." Yun Xin Er answered as she giggled. "It seems like you want all beautiful women to be yours."

"Of course." Xiao Tian replied instantly. "Who doesn't want to have lots of beautiful ladies as their women? I'm sure all men in the world want it."

At this moment, the reporters and Xiao Tian's employees thought Xiao Tian was only joking around.

"Isn't that Miss Su Jinyu and Miss Lan Ruoxi?"

"Ah, that's right. It's them."

"But, how come Miss Su Jinyu here? Did she come from Beijing?"

"I don't know."

The reporters were surprised when they saw Su Jinyu. Su Jinyu was the Su family's daughter from Beijing, so they wanted to know if she came to Shanghai from Beijing or not.

Because Su Jinyu arrived in Shanghai a few days ago, they didn't know that her father asked her to take care of their business in Shanghai.

Like before, Xiao Tian instantly greeted them. "Welcome Lady Lan, lady Su."

Xiao Tian didn't expect that Lan Ruoxi would come together with Su Jinyu.

'Did they come together? Or did they meet here?'

Xiao Tian suddenly wanted to know whether Lan Ruoxi came together with Su Jinyu or not.

"Yo, Xiao Tian. We have arrived too." Zhao Sheng spoke as he waved his right hand.

On his right side, an old man, who wore a black traditional Chinese clothing, walked with a soft smile on his face. From his appearance, anyone could tell that he was Zhao Chen, the Zhao family's head.

"Welcome, elder Zhao." Xiao Tian greeted Zhao Chen politely.

"Damn you, Xiao Tian!" Zhao Sheng pretended to be angry. "Why don't you welcome me too?"

"We are friends, so I don't need to do that." Xiao Tian answered instantly.

"Ah, true." Zhao Sheng agreed with Xiao Tian's words

The expression of deep shock emerged on the faces of the reporters. First, it was Yun Xin Er, then it was Lan Ruoxi and Su Jinyu, and now, it was Zhao Sheng and Zhao Chen.

They didn't expect that Zhao Chen would come to the opening day of Xiao Tian's restaurant. Everyone knew that Zhao Chen was a famous figure, and not everyone could invite him.

In the past, many famous families invited him to their banquets, but Zhao Chen only accepted a few of them.

'Mr. Xiao is amazing. Not only is he talented in business, but he also has a good relationship with many famous people.'

All the reporters instantly knew what they had to write later.

'I'm sure the newspapers will sell well later.'

The reporters started taking their pictures and writing news.

Not only the reporters, but Xiao Tian's employees were also startled. Even though they knew that Xiao Tian and Zhao Sheng were friends, it was still challenging to invite a famous figure like Zhao Chen.

'My boss is awesome!'

Xiao Tian's employees instantly praised Xiao Tian.

As if God still wanted to surprise the reporters and Xiao Tian's employees, a few seconds after Zhao Chen and Zhao Sheng entered the room, Li Wen, the director of Li Entertainment, stepped into the room, "Hello, young Xiao. I hope I'm not late."

"What?!"

"Even director Li Wen also came?!"

"Mr Xiao is amazing. He has managed to invite famous people."

"You are right."

"Boss is the best!"

"As expected of our boss, he is indeed extraordinary."

The reporters and Xiao Tian's employees praised Xiao Tian when they knew that he managed to invite famous people like Zhao Chen, Li Wen and the others.

"No. You are not late, director Li." Xiao Tian replied as he smiled.

"I'm glad to hear that." at this moment, Li Wen suddenly noticed Zhao Chen. "Elder Zhao, you are here too?"

Zhao Chen instantly turned his head towards Li Wen and answered, "Oh! Director Li, I didn't expect to meet you here. Yes. Xiao Tian invited me to the opening day of his restaurant two days ago."

"I see." After answering, Li Wen looked at Xiao Tian.

He didn't expect that Xiao Tian would manage to invite Zhao Chen. Previously, he never thought Xiao Tian would be able to invite Zhao Chen, but he was wrong.

What did he do to make elder Zhao agree to come to the opening day of his restaurant? Li Wen thought to himself.

And not long after that, the opening ceremony of his restaurant began. As usual, Xiao Tian expressed his gratitude to the guests for taking their time to come to his restaurant.

Like before, the reporters took pictures of Xiao Tian when he was giving a speech. Xiao Tian said that he would name the restaurant 'Star Restaurant.'

He named it 'Star Restaurant' because he was too lazy to find another name. And with him naming it that way, everyone would know that the restaurant belonged to him.

After the ribbon-cutting ceremony was over, Xiao Tian asked his waiters and waitresses to prepare food so he could eat together with guests.

His primary purpose was simple. It was for an advertisement. He hoped that after the guests left, they would tell their friends or family how good the food at his restaurant was.

After Xiao Tian gave another short speech, everyone started to enjoy their meal.

Chapter 598 - Little Brother, How Close Are We?

6-7 minutes

As Xiao Tian and the others were eating, Li Wen inquired, "Young Xiao, if I may know. Why did you decide to open a restaurant?"

There were many kinds of businesses, so Li Wen wanted to know why Xiao Tian chose a restaurant.

"Director Li, to be honest, I really want to open a restaurant since a long time ago." Xiao Tian lied to Li Wen. "However, opening a restaurant has a high risk of bankruptcy if you don't have a lot of money. There is a lot of food that can't last more than a day so if we can't sell it, we have to throw it away."

Xiao Tian told them the reason why he didn't open a restaurant in the past. "In the past, I only had 200,000 Yuan, so I decided to open a clothing shop. Of course, I know that I can open a small restaurant, but with that, it would be hard to make a lot of money in a short amount of time."

"Yes. You are right." Li Wen also agreed with Xiao Tian's words.

"Why don't you open a hotel?" Zhao Chen inquired.

"I will open a hotel in the future, but not now because I want to make my company grow bigger first." Xiao Tian indeed intended to open a hotel in the future because the hotel was also a profitable business.

"Xiao Tian, just open it now. If you need money, I can lend you. Don't worry, I'll only be taking 100 percent interest per month. Haha." Zhao Sheng said jokingly.

"Haha." Everyone laughed after hearing Zhao Sheng's words. Of course, they knew that Zhao Sheng was only joking around.

"Young Xiao, you are indeed a talented in business. In the past, you only had 200,000 Yuan but now, you have several million Yuan. You are even still nineteen years old." Li Wen praised Xiao Tian. "Now I wonder, what your future will be?"

"I'm just lucky." Xiao Tian replied as he smiled.

"Haha. Humble as usual, huh?" Li Wen answered instantly. "I just hope you won't open entertainment industry in the future. Otherwise, I will make less profit later. Haha."

"Haha." Xiao Tian and the others laughed after hearing Li Wen's words.

After eating, Li Wen, Zhao Chen, and the others immediately left because they had something to do. Because his restaurant opening ceremony was over, there were only seven people in the room.

Those people were Xiao Tian, Yun Xin Er, Shi Fei, Liu Ning, Lin Xing Xue, Ye Qingyu, and Ye Xueyin. Previously, Lin Xing Xue wanted to go to Star Clothes company, but Shi Fei told her to stay. For this reason, they continued talking.

"Miss Shi, Mrs Liu, can I ask you a question?" Yun Xin Er inquired.

"What is it?" at this moment, Shi Fei was sure that Yun Xin Er would ask about her relationship with Xiao Tian.

Like Shi Fei, Liu Ning also had the same thought. "Yes. You can ask anything."

"Why did you accept his polygamous relationship?" Yun Xin Er really wanted to know what their answer would be after hearing her question.

"Because I love him." Shi Fei answered without thinking twice.

"Yes. Because I love him." Liu Ning added.

"That's all?" Yun Xin Er found it hard to believe what she was hearing.

Of course, she knew that love could make anyone do anything. But still, she could not accept their answer.

"Yes." Shi Fei replied as she nodded her head.

"We love him and don't want to be separated from him. That's why we accept his polygamous relationship. And until now, he has been treating us well and equally. Neither of us regretted accepting his polygamous relationship." After saying that, Liu Ning turned her head towards Shi Fei. "Isn't that right, big sister Fei?"

"Yes." Shi Fei didn't regret accepting his polygamous relationship because for her, as long as he loved her, she didn't mind it. "By the way, Miss Yun. Little brother said he has a close relationship with you. How close is your relationship with him?"

"Really? He said that? He is lying to you because I don't have a close relationship with him. I even don't know who he is. Hehe." Yun Xin Er covered her mouth and giggled. From the way she behaved, anyone could tell that she was joking around.

"Is that so? Now I wonder.." Xiao Tian spoke and paused for a second before he continued, "..who is the pretty lady who embraced me tightly at Rainbow Garden a few days ago? What is her name again? If my memory isn't playing tricks on me, her name is Yun something."

"Yun?" Yun Xin Er pretended as if she didn't know anything. "Don't tell me, it's the famous actress Yun Ying Jing. Wow! Little brother, you are amazing!"

The corner of his lips twitched after hearing her words.

'Who is Yun Ying Jing again?'

Xiao Tian really had no idea who Yun Ying Jing was.

"No. You are wrong." Xiao Tian answered instantly. "Even though I don't remember her full name, but I know everything about her."

"Like what?" Yun Xin Er inquired.

"She is a young lady about twenty-three years old." Xiao Tian spoke and paused for a second before he continued, "Not only is she beautiful, but she is also a famous singer. Oh! And one more thing. She often teases people and behaves like experienced woman, but the truth is, she is inexperienced in that field."

Everyone knew that Xiao Tian was talking about Yun Xin Er.

"Little brother, you are right. It's true that I'm indeed beautiful and famous, but what do you mean by often teasing people and not having experience in that field?" Yun Xin Er inquired.

"See! She admitted it." Xiao Tian spoke as he laughed.

"Hehehe." Liu Ning and the others giggled.

"So, how close is your relationship with him?" because Yun Xin Er didn't answer earlier, Shi Fei repeated her question.

Instead of answering immediately, Yun Xin Er looked at Xiao Tian and asked, "Little brother, how close are we?"

"Very close." Xiao Tian gave an honest answer.

"Very close." Yun Xin Er repeated Xiao Tian's words.

"Very close?" Shi Fei said. "Have you ever kissed or had sex with him before?"

"We have kissed before and we still haven't had sex yet." Yun Xin Er replied instantly

"Not yet?" Liu Ning and the others said in surprise.

Chapter 599 - Wild Conversation

6-7 minutes

The expression of deep shock emerged on the faces of Liu Ning, Lin Xing Xue, Ye Qingyu, and Ye Xueyin. They didn't expect that Yun Xin Er would say something like that. Because they were still not close to Yun Xin Er, they didn't know her personality.

As for Shi Fei, she only giggled. "Hehe."

'Little brother is amazing. It seems like he can do anything.'

From Yun Xin Er's behavior, Shi Fei knew that Xiao Tian had won Yun Xin Er's heart. Even though she had no idea as to why Yun Xin Er still didn't agree to be his woman, but Shi Fei was sure that sooner or later, Yun Xin Er would fall into his embrace.

"Ops!" Yun Xin Er covered her mouth. She just realized what she had just said. However, she didn't try to correct her words and only covered her mouth.

"You have done it?! Is it a normal kiss or a passionate kiss?" Shi Fei asked curiously.

"Are you sure you want to ask this question in front of his mother and aunt?" Yun Xin Er didn't mind answering Shi Fei's question, but because their conversation was getting lewder and lewder, Yun Xin Er wavered whether his mother and aunt wanted to hear it or not.

"Ops!" Shi Fei suddenly remembered that Xiao Tian's mother and aunt were still beside them.

Upon hearing Yun Xin Er's words, Ye Xueyin rose to her feet and spoke, "You can continue talking. I want to check the restaurant with Qingyu first."

Even though Ye Xueyin was also curious, she knew that they would not talk freely with her and Ye Qinyu around them.

'I will ask Tian about it later.'

Ye Xueyin then looked at her younger sister and spoke, "Qingyu, let's head to the second floor."

"All right." Ye Qingyu rose from her seat.

After Ye Qingyu and Ye Xueyin left, Shi Fei repeated her question, "So, have you had a passionate kiss with him?"

At this moment, Xiao Tian only stared at them. He didn't expect that they would talk about it casually.

Like Xiao Tian, Lin Xing Xue was also looking at Yun Xin Er. She wanted to know what Xiao Tian had been doing with Yun Xin Er all this time.

Instead of answering, Yen Xin Er asked, "What do you think?"

"You have done it?" From the behavior of Xiao Tian and Yun Xin Er, Shi Fei was sure that they had kissed passionately before.

"You are right. Mrs Liu, Miss Shi, your man is a bad boy!" Yun Xin Er spoke and paused for a second before she continued, "In the past, because he had helped me, I told him that he could kiss my forehead or cheeks. But instead of kissing my forehead or cheeks, he kissed my lips. Did he tell you about this?"

"No." Shi Fei only knew about his relationship with Yun Xin Er recently because, in the past, Xiao Tian always hid his relationship.

After glancing at Xiao Tian for a second, Yun Xin Er continued, "Not only that, but he even put his tongue into my mouth and kissed me passionately. It was our first kiss, but he immediately kissed me passionately. Can you believe it?"

Actually, their first kiss was in a small restaurant, and at that time, Xiao Tian only pressed his lips against hers. However, because she wanted to make him look like a bad boy, Yun Xin Er decided to lie.

Black lines suddenly formed on Xiao Tian's forehead after hearing Yun Xin Er's words.

'This lady wants to make me look like a bad boy, huh?'

Of course, Xiao Tian was not angry with Yun Xin Er.

Xiao Tian suddenly found an excellent idea to tease Yun Xin Er. "But Big sister Yun, didn't you instantly welcome the kiss? You were even more aggressive than me, as if you wanted to devour me."

"Do you remember it correctly? Was not it you who kissed me aggressively?" of course, Yun Xin Er would not let Xiao Tian embarrass her. That was why she said something like that.

"Of course because I have good memory." Xiao Tian replied instantly. "At that time, when we were having a deep kiss, you even wrapped your long slender arms around my neck."

"No. You didn't remember correctly." Yun Xin Er denied. "You were the one who wrapped your arms around my waist, not me."

"Hehe." Shi Fei, Liu Ning, and Lin Xing Xue could not help but giggle after hearing their words.

"By the way, little brother. Are you sure you want to make me your woman too?" Yun Xin Er inquired, "Are you sure you can satisfy us in bed later?"

Xiao Tian, who already knew her personality, was not surprised after hearing her words. However, Liu Ning, Lin Xing Xue, and Shi Fei were different. Even though they didn't say anything, but they were startled.

Miss Yun is sure an interesting woman. Shi Fei thought to herself.

Shi Fei was sure it would be more lively if Yun Xin Er became Xiao Tian's woman too. With her personality, the atmosphere would not be boring.

"Of course, I can." Xiao Tian said confidently. "If you don't believe my skills, you can ask my women now."

Yun Xin Er instantly looked at Liu Ning and Shi Fei and asked, "Is he really that good in bed?"

"Yes. He is really good in bed. He can always satisfy us in bed." Shi Fei gave an honest answer. "Isn't that right, Ning?"

Because Liu Ning was a shy person, it took her three seconds before answering. "..Yes."

Every time they had sex, Xiao Tian always could satisfy them. There was no time where they didn't have an orgasm when they had sex with Xiao Tian. Sometimes, they even wondered how he could have so much stamina.

"Did you hear that?" Xiao Tian was pleased after hearing their words.

"Of course, they will say good thing about you because they are your women." Yun Xin Er suddenly remembered that Lin Xing Xue was Xiao Tian's ex-girlfriend. "Mrs. Lin, when you two were still lovers, have you had sex with him? If so, was he always able to satisfy you?"

Chapter 600 - Wild Conversation Part 2

5-7 minutes

The expression of deep shock emerged on Lin Xing Xue's face. She didn't expect that Yun Xin Er would ask something like that to her.

It was true that Xiao Tian always could satisfy her in bed, but because she was a shy person like Liu Ning, she didn't know what to say to Yun Xin Er.

What should I say? Lin Xing Xue thought to herself.

"Why didn't you say anything?" because Lin Xing Xue didn't say anything, Yun Xin Er immediately said, "Don't worry. He won't do anything to you. Just tell me the truth."

"Well...we.." Lin Xing Xue could not finish her words and shifted her gaze from Yun Xin Er to Xiao Tian.

At this moment, Xiao Tian didn't say a word because he wanted to know whether she would tell the truth or not.

"Don't tell me. You still haven't done it with him?" since Lin Xing Xue could not finish her words, Yun Xin Er suddenly thought that Xiao Tian still hadn't had sex with Lin Xing Xue.

"Xue, you still haven't had sex with him?" Shi Fei wanted to know the truth.

In the past, Xiao Tian and Lin Xing Xue were often lovey-dovey in front of her, and because they were lovers for a few months, Shi Fei thought they had done it.

Like before, Lin Xing Xue could not answer their question. At this moment, she really wanted to run away so that she could avoid their question.

Shi Fei then turned her head towards Xiao Tian and asked, "Little brother, have you done it with Xue?"

Like before, Xiao Tian didn't answer as if he didn't hear anything.

'If you lie to them, I won't accept your love.'

Xiao Tian decided that he would not accept her love if she lied to them because that meant she denied everything. She denied what he had done for her or what they had done together.

"Xue, don't be afraid. We won't tell anyone about it." Shi Fei believed that Lin Xing Xue was too afraid to answer their question. "It will be our little secret. If you're still afraid, I don't mind telling you what I have done with little brother."

"Miss Shi, have you done it with him?" Yun Xin Er inquired.

"Yes." Shi Fei gave an honest answer. "We have done it a lot."

"Wow!" Yun Xin Er said, "Little brother, you are awesome. Hehe."

Xiao Tian knew Shi Fei's personality, so he was not surprised after hearing her words.

"Xue, I have told you about it. Now it's your turn." Shi Fei spoke.

"We..." Lin Xing Xue stopped her words and paused for about three seconds before she continued, "...have done it."

"Is he so good in bed like what they say?" Yun Xin Er inquired.

Lin Xing Xue stared at Xiao Tian for about two seconds before lowering her gaze. "...Yes. He is....amazing in bed."

"I never lied to you. And if you still doubt my skills in bed, how about we test it later?" Xiao Tian spoke, "I'm sure you will like it later. Hehe."

Upon hearing his words, Yun Xin Er looked at Shi Fei and Liu Ning, "Did you hear that? He asks me to do it with him later. He is really a bad boy! He even dares to say something like this in front of his women."

"Miss Yun, I don't mind if you want to do it with him later." After saying that, Shi Fei looked at Liu Ning, "You don't mind too, right?"

"Yes." Liu Ning answered as she nodded her head.

Their words much surprised Yun Xin Er. "Little brother, what did you do to them? How can they support you like this?"

"I did nothing to them. It's because they understand me very well." Xiao Tian replied instantly. "That's why they support my polygamous relationship. So, how about it? Do you want to do it with me later?"

Instead of answering, Yun Xin Er looked at Lin Xing Xue and spoke, "How is it Mrs. Lin? Do you want to do it with him?"

"Eh!" Xiao Tian was asking Yun Xin Er, not her, so she didn't understand why Yun Xin Er behaved as if Xiao Tian was asking her.

Of course, Lin Xing Xue would accept it if Xiao Tian wanted to have sex with her again, but she would not say it easily.

"Big sister Yun, I'm asking you, not her." At this moment, Xiao Tian knew that Yun Xin Er wanted to avoid the question.

"Xue, if little brother wants to have sex with you, will you accept it?" even though Shi Fei had guessed the answer, but she still asked because she wanted to hear the response from Lin Xing Xue herself.

"Why are you suddenly asking a question like this to me?" Lin Xing Xue had no idea as to why Shi Fei suddenly asked something like that.

'Does she still not know that I have had sex with him?'

Lin Xing Xue suddenly thought that Shi Fei still didn't know that she had had sex with Xiao Tian last night.

"I just want to know." Shi Fei gave an honest answer.

'Of course, she will accept it. She even seduced me to have sex with her last night.'

Xiao Tian answered in his head.

"I will answer after Miss Yun answer Tian's question." Lin Xing Xue replied.

"What is his question again?" Yun Xin Er pretended as if she didn't remember Xiao Tian's question.

"He asked you if you want to do it with him or not?" Lin Xing Xue said instantly.

Xiao Tian was pleased after hearing Lin Xing Xue's words because he also wanted to know the answer.

'Good job, little Xue. Good job!'

Xiao Tian said in his head.

"Ah! That question?! How about we answer at the same time?" it would be less embarrassing if they answered at the same time. That was why Yun Xin Er suggested it.

"All right." Lin Xing Xue had the same thought as her.

At this moment, Xiao Tian, Liu Ning, and Shi Fei looked at Lin Xing Xue and Yun Xin Er.

Yun Xin Er then started counting. "1...2...3."

"I will accept it." Lin Xing Xue answered.

"I need to think about it first." Yun Xin Er replied.
