Chapter 601 - Wild Conversation Part 3

Lin Xing Xue suddenly felt embarrassed. Previously, she thought Yun Xin Er would have the same answer as hers because, from Yun Xin Er's behavior, she knew that Yun Xin Er had feelings for Xiao Tian.

"Hehe." Yun Xin Er giggled. "Little brother, your charm is amazing. Even a beautiful lady like Mrs. Lin would agree to have sex with you if you wanted to do it with her."

"My man is indeed an amazing person." Shi Fei agreed with Yun Xin Er's words. "Isn't that right, Ning?"

"Yes." Liu Ning answered instantly.

"So big sister Yun, do you agree to do it with me later?" Xiao Tian inquired.

"Why are you still asking me the same question?" Yun Xin Er answered instantly. "Wait! Why don't you do it with Mrs. Lin? She said she would accept it if you wanted to have sex with her. Just do it with her. She is a beautiful lady, you know."

"I have had sex with her last night." Xiao Tian gave an honest answer.

His words much surprised Yun Xin Er, Liu Ning, and Shi Fei. Because Xiao Tian didn't tell them that he had sex with Lin Xing Xue last night, Liu Ning and Shi Fei had no idea about it.

Xiao Tian suddenly realized that he made a huge mistake, "Little Xue, sorry. I slip my tongue."

"It's fine." Lin Xing Xue was not angry with him. She was just embarrassed and hoped that Yun Xin Er and the others would not think of her as a bad lady.

"Xue, did you really do it with him last night? Where did you do it?" Shi Fei asked curiously.

Of course, she was not angry with Xiao Tian and Lin Xing Xue; instead, she was pleased because, with this, there was a possibility that they would become sisters in the future.

"Yes. We did it last night." Because Xiao Tian said that they had sex last night, Lin Xing Xue decided to tell the truth. "In...my house."

"Was he able to satisfy you in bed last night?" Yun Xin Er asked curiously.

This time, Lin Xing Xue didn't answer but she nodded her head, giving them a sign that he did satisfy her in bed last night.

Shi Fei then looked at Yun Xin Er and said, "Miss Yun, you should try to have sex with him. I'm sure he will also satisfy you later."

"She is right, Miss Yun." Lin Xing Xue added. "You should try to do it with him. He is very skilled in bed. And also, his thing is big."

Since earlier, they always attacked her with many questions. That was why she said something like that.

'Eh!'

Xiao Tian and the others were surprised after hearing Lin Xing Xue's words. They didn't expect that she would suggest Yun Xin Er to have sex with Xiao Tian immediately.

"I already know that his little brother is big." In the past, when Xiao Tian was staying at her house, Yun Xin Er saw his cock.

Not only that, she even touched it for more than a minute. That was why she knew that Xiao Tian had a big cock.

"Eh!" this time, Lin Xing Xue, Liu Ning, and Shi Fei were the ones who were surprised.

Earlier, Yun Xin Er said that she had never had sex with Xiao Tian so they wondered how could she know that Xiao Tian has a big cock.

"Ops!" Yun Xin Er realized what she had just said. "I slip my tongue."

Liu Ning, Shi Fei, and Lin Xing Xue turned their heads towards Xiao Tian as if they were asking him to explain everything.

Even though they didn't say a word, Xiao Tian knew what they had in mind. "Well, she has seen my cock twice. The first time, it was in my previous company bedroom. And the second time, it was in her room when I was staying the night at her house."

"Did she only look at your cock?" Shi Fei asked curiously.

"The first time, she only looked at my little brother, but.." Xiao Tian spoke and paused for a second before he continued, "The second time when I was staying the night at her house, she touched my cock for more than a minute. At that time, we were lying down on the bed."

"Little brother, didn't you also squeeze my breasts?" Yun Xin Er told the truth. "Not only that, before you went home, you even left a hickey on my breasts."

At this time, they didn't realize that they started to casually tell their secret as if it wasn't an important secret.

"Yes. I did that." Xiao Tian admitted it.

"Miss Yun, even though you still haven't had sex with him, but it seems like you have done many lewd things with him." Lin Xing Xue spoke. "Why don't you do it with him later?"

"Isn't our conversation getting lewder and lewder?" Yun Xin Er didn't expect that their conversation would become lewder like that.

"It's fine." Shi Fei replied. "It's between us so we don't need to hide it."

"Yes." Xiao Tian agreed. "And there is no one here so don't mind it."

"If so, then let's continue." Yun Xin Er spoke. "Miss Shi, it's your turn to tell us everything now. Mrs. Lin and I have told you everything, so it will be unfair if you don't tell us everything too."

"What do you want to know?" Shi Fei didn't mind telling them everything because it could make them closer than before. And with this, there was a high possibility that they would become Xiao Tian's women in the future.

At this moment, Liu Ning knew that they would also ask her many questions later. However, because she already knew their secret, she would tell them everything later.

Xiao Tian suddenly felt grateful that his mother and aunt decided to leave because if they were with them, they would not have such a conversation.

Good! Even though our conversation is getting lewder and lewder, but with this, they are getting closer to each other. Xiao Tian thought to himself.

"What have you done since you become his woman?" Yun Xin Er inquired.

Chapter 602 - Wild Conversation Part 4

6-7 minutes

"We have done many things." Shi Fei answered instantly. "From a normal kiss to sex."

"Did you have sex with him every day?" Lin Xing Xue inquired.

"Not every day, but whenever we are alone together, there is a high possibility that we will have sex." Shi Fei gave an honest answer. "So, if we meet every day, there is a high chance that we will do it every day."

"Wow!" Yun Xin Er looked at Xiao Tian. "Little brother, you are amazing! I know you are a busy person, but you still have time to do it with your women. Now I wonder, how can you have so much stamina?"

"Sometimes, I also want to know about it." Shi Fei answered. "Maybe because he is still young, but still, his stamina is abnormal. We often had a threesome but he always won in the end."

"Really?" Yun Xin Er asked in surprise. "So you often had a threesome with him?"

"Yes. Every time Ning was with us, we always had a threesome." After saying that, Shi Fei looked at Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning admitted it.

"So what kind of sex have you had with him?" Lin Xing Xue asked curiously.

"All kinds of sex." Shi Fei spoke and paused for a second before she continued, "From normal sex to anal sex. Sometimes, he even fucked my little mouth and treated it as if my mouth was my pussy."

Yun Xin Er looked at Xiao Tian and asked, "You also had anal sex with her?"

Yun Xin Er was not a woman who found anal sex disgusting. That was why she was only shocked when she found out that Xiao Tian and Shi Fei also had anal sex.

"I love anal sex." Xiao Tian answered before turning his head towards Lin Xing Xue. "Little Xue, we have done it normally several times, so how about we have anal sex later?"

His words much surprised Lin Xing Xue. She didn't expect that he would ask something like that in front of everyone.

"I never have anal sex before so..." Lin Xing Xue had never had anal sex so she was a little afraid to do that. However, if Xiao Tian insisted on wanting to do anal sex with her, as long as he would accept her, she would agree.

"Little brother, you are so shameless!" Yun Xin Er spoke, "How could you ask something like that in front of us?"

"Well, our conversation is not normal too, so I think it's fine to ask that." Xiao Tian answered. "And big sister, I already have sex with all of them, but still haven't done it with you. How about we do it later?"

Xiao Tian still didn't give up and hoped that she would agree. However, if she didn't agree, he would not mind it because he was sure that they would have sex in the future.

"Miss Yun, he is a pervert and shameless, so it's normal for him to say something like that." after saying that, Shi Fei turned her head towards Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning answered instantly. "Miss Yun, if you get to know him any longer, you will know that he is a pervert young man."

"I already know about it. Hehe." Yun Xin Er responded as she giggled.

Then they talked for another thirty minutes before finally, Yun Xin Er left because she had something to do. When Yun Xin Er left, Lin Xing Xue also decided to go to work. Currently, there were only Xiao Tian, Liu Ning, and Shi Fei on the first floor of the restaurant.

"Little brother, Miss Yun is an interesting lady." Shi Fei spoke abruptly. "You have to make her your woman quickly."

"Fei, you don't know her mother." Xiao Tian replied as he sighed. "Her mother won't let me become her lover if I don't raise my family status to a mid-upper-class family."

"Haven't you already raised your family status to a mid-upper-class family?" Shi Fei knew that his net worth was already more than 500,000,000 Yuan, so it should already make him a mid-upper-class family.

"Have you forgotten that not everyone knows my other identity?" Xiao Tian asked.

"Ah! I forgot about it." Shi Fei replied instantly.

At this moment, Ye Qingyu and Ye Xueyin walked towards them.

"Where are Miss Yun and Mrs. Lin?" Ye Xueyin inquired

"They have left." Xiao Tian suddenly remembered that his mother and aunt would give their answer regarding living together today. "Mother, aunt, come here."

"What's wrong?" Ye Xueyin asked after sitting on the chair.

Currently, she was sitting on Xiao Tian's right side with Ye Qingyu on her right side.

"You promise to give your answer regarding living together after I officially open the restaurant, right?" Xiao Tian spoke and paused for a second before he continued, "Can you tell me your answer now?"

Ye Xueyin didn't answer immediately and turned her head towards her younger sister. She didn't expect that Xiao Tian would ask that question.

At this moment, Shi Fei and Liu Ning didn't say a word and only looked at Ye Xueyin and Ye Qingyu. Of course, they hoped that his mother and aunt would agree to live together with them because with this, they would be able to spend time with Xiao Tian's every day and also could strengthen their relationship with his family.

After Ye Xueyin and Ye Qingyu nodded their heads, Ye Xueyin immediately spoke, "We agree."

"Thank you." Xiao Tian instantly kissed their cheeks.

'Oh, shit!'

Xiao Tian realized that he should not kiss his mother and aunt.

'Luckily, I only kissed their cheeks.'

Because he didn't want to make Shi Fei and Liu Ning suspicious, Xiao Tian behaved normally.

The feeling of deep shock emerged within the hearts of Ye Qingyu and Ye Xueyin. However, they didn't show it on their faces and only stared at Liu Ning and Shi Fei.

'Why did he have to kiss us in front of Miss Shi and Mrs. Liu?'

Ye Qingyu and Ye Xueyin also didn't expect that Xiao Tian would kiss their cheeks earlier.

Chapter 603 - Buying A Mansion

9-11 minutes

"Little brother, it seems like you are very close with your mother and aunt." Shi Fei was not suspicious when Xiao Tian kissed his mother and aunt on the cheeks because it was normal for a family to do that.

"Of course, because they are my only family." Xiao Tian was relieved after hearing her words.

'Luckily, she didn't suspect anything.'

Previously, Xiao Tian was worried that Liu Ning and Shi Fei would be suspicious, but he was relieved when they behaved normally.

Even though he was planning to tell their relationship to Shi Fei and Liu Ning, but it was still not the right time.

At this moment, Xiao Tian suddenly felt guilty. He had promised that he would no longer hide his relationship with his women.

However, telling his secret relationship with his mother and aunt was not an easy thing. First, he needed to prepare to bear the consequences.

And lastly, he had to make the right moment to tell Shi Fei and Liu Ning everything. Otherwise, everything would fall apart again later.

"It's good that you have a close relationship with them." Liu Ning was delighted when she knew that Xiao Tian had a close relationship with his mother and aunt. "Nowadays, almost all young people your age doesn't have close relationships with their families because they are busy with their activities."

Usually, a man who loved their family would not mistreat their woman. That was why Liu Ning was delighted when she learned that Xiao Tian loved his mother and aunt very much.

"I won't do that." Xiao Tian answered. "Whatever happens in the future, I will never leave them because they mean the world to me."

Ye Xueyin and Ye Qingyu were thrilled after hearing his words. They hoped Xiao Tian would keep his promise forever.

Xiao Tian then looked at Shi Fei and Liu Ning. "Of course, you two are also very important to me. You could say that all of you are my life, so I hope we can always be together till death do us part."

"Un." Ye Qingyu, Ye Xueyin, Shi Fei and Liu Ning nodded their heads.

"How about we buy a house today?" Xiao Tian wanted to live together with them immediately. That was why he said something like that.

"All right." Liu Ning and the others spoke in unison.

Then Xiao Tian and the others left to buy a mansion. After talking with a real estate agent for several minutes, Xiao Tian and the others decided to check the mansion, which was located in Shanbei town, Nanli district.

On the way to Shanbei town, Xiao Tian often smiled happily. He was thrilled because his dream to live together with his women would finally come true.

After several minutes of driving, they finally reached their destination. The mansion was huge and luxurious.

The real stated agent named Fudan, immediately spoke, "Mr. Xiao, this mansion is new and has 8,000 square meters. It's also protected by a three-meter high wall fence so that it can help secure the mansion."

"Wow!" Ye Xueyin opened her mouth in amazement. "This mansion is huge and so beautiful!"

After they entered the front yard, they saw four palm trees in front of the house. The palm trees were quite tall. It was about two and a half meters.

"Qingyu, that marble fountain is cute." Ye Xueyin spoke as she pointed her index finger towards the marble fountain.

"Yes. It's cute" Ye Qingyu agreed with her big sister's words.

Xiao Tian, who saw their expression, smiled softly.

'It seems like they love this mansion.'

Xiao Tian turned his head towards the marble fountain, which was located in the middle of the front yard.

An angel holding a flower was perched on top, looking up towards the sky. Water spurted from its other hand, which lay gently out in front of it as if waiting for someone to take it in return.

The water fell gently towards the crystal blue pool beneath it, causing ripples to form and wave out until they were no more.

After Fudan parked the car, they immediately entered the mansion. When they stepped into the house, they saw a huge guest room.

"This is the guest room." Fudan spoke. "This white set fabric sofa is made from one of the best materials. Coupled with stained glass high ceilings, it makes the guest room look even more beautiful."

After Xiao Tian saw the sofa and the ceilings, he turned around to see the purple curtains which covered the huge window.

"Let's head to the family room." Because Fudan had finished explaining everything, he wanted to show the family room to Xiao Tian and the others.

After walking out of the guest room, they saw a stair leading to the second floor on their right and left side.

The stairs were luxuriously designed and met at the end. Because they wanted to see the family room, they didn't go up the stairs and walked forward.

After walking through under the stairs, they reached the family room. The family room was huge, with a red sofa in the middle of it.

"This is the family room. From here, we can also see the backyard." After saying that, Fudan opened the purple curtains, allowing them to see the backyard.

From the family room, they could see a small part of the swimming pool and backyard. This made Xiao Tian a little unhappy.

'So, if I lovey-dovey with my women in the backyard, there is a high possibility that anyone in the family room can see me later.'

Even though he could only see a small part of the backyard, it still made Xiao Tian unhappy. However, he didn't voice it out and turned his head towards his mother and the others.

When he saw their expression, he knew that they liked it. This made Xiao Tian even more unable to voice out his feelings.

Fudan then continued, "On our right side, there is a bedroom with a private bathroom."

Xiao Tian and the others then headed to the bedroom. The bedroom was big, but it only had a bed and a wardrobe inside the room.

"This bedroom is for guests who want to stay overnight." Fudan spoke. "Now let's go to the kitchen."

Because the kitchen was on the left side of the family room, they walked forwards before they finally reached the kitchen.

Oh! So the kitchen is on the left side of the family room while the bedroom for guests is on the other side. Xiao Tian thought to himself.

After they reached the kitchen, Fudan began explaining again. "The kitchen and dining area are in the same room."

The kitchen had chef-grade appliances, high-end finishes and a touch of bling. While designers still embraced the white-on-white look, kitchens were now taking cues from nature, with natural stone and wood elements.

There was also a growing taste for industrial design, with metal cabinetry and stoves with metal strapping and levers.

The cabinetry was mounted on a wall of windows, which provides more natural light as well as views to the garden outside. In front of the kitchen, there was a long table with ten wooden chairs.

Fudan then looked at Xiao Tian and the others, "Let's head to the second floor."

Without waiting for another second, they headed to the second floor.

"On the second, floor there are one private office and ten bedrooms with private bathrooms." Like before, Fudan began to explain everything.

The bedrooms were bigger than the guests bedroom. However, there were only bed and cupboard inside it.

It seems like we need to buy a lot of furniture later. Xiao Tian thought to himself.

After that, they headed to the veranda, which was on the second floor. The veranda was quite huge with a few chairs on it.

On the second floor, there was a single stair leading to the backyard. Because they had finished checking the second floor, they immediately headed to the backyard.

In the backyard, there was a swimming pool with several pool lounge chairs.

'This is also a good place to have a small party.'

Xiao Tian was looking at the empty space next to the swimming pool. Since the backyard was surrounded by high walls, Xiao Tian was satisfied with it.

Xiao Tian then looked at his mother and the others. "How is it? Do you like this house?"

Ye Xueyin and the others instantly nodded their heads. They really loved the mansion. Not only was the mansion beautiful, but it was also close to the malls and other shops.

Because they liked the mansion, Xiao Tian decided to buy it. Even though the mansion price was 15,000,000 Yuan, Xiao Tian didn't mind it.

The money he got from selling the Hong family property was more than 15,000,000 Yuan, so he didn't need to use his money to buy it.

After they were done with everything, Xiao Tian sent Liu Ning and Shi Fei home. They decided to move their belongings tomorrow.

Because Xiao Tian knew that his mother and aunt wanted to spend time with him, he went straight home.

"So, should we sell this house later?" Xiao Tian inquired.

Currently, he was sitting on the couch in the family room. Like usual, his mother and aunt were on both sides of him.

Instead of answering immediately, Ye Xueyin looked at her younger sister and asked, "What do you think, Qingyu?"

"Let's sell it." Ye Qingyu answered instantly.

"let's sell it." Ye Xueyin repeated Ye Qingyu's words.

"All right. I will ask Liang Jun or Shi Fei to sell our house tomorrow." Xiao Tian answered

Chapter 604 - Moving Out To New House

9-11 minutes

"Tian, in our new house later, we will not be able to lovey-dovey often like now. What should I do when I want to lovey-dovey with you?" because Liu Ning and Shi Fei would live with them, Ye Xueyin was afraid that she could no longer lovey-dovey with Xiao Tian.

"Don't worry. I can pretend to be Huang Chen again later." even though Xiao Tian didn't want to hide his relationship anymore, but in his view, it would be unfair for his mother and aunt if he rarely spent time with them later.

"Good!" Ye Xueyin agreed with Xiao Tian's idea.

Liu Ning and Shi Fei didn't know that Xiao Tian had another identity. Even though she didn't want to lie to them, but for the sake of spending time with Xiao Tian, she had no choice but to do that.

Because it was already 05:00 pm, Xiao Tian wanted to take a bath. "I want to take a shower. Do you want to take a bath with me?"

"Yes." Ye Xueyin answered instantly.

It had been more than three weeks since they took a shower together. Even though she knew what he would do to her in the bathroom later, she didn't mind it.

He was her man, and they had done many lewd things together since they became lovers, so doing lewd things with him in the bathroom was a small thing for her. As long as Xiao Tian loved it, she would do whatever he wanted.

Xiao Tian was not surprised after hearing Ye Xueyin's words because he had guessed that she would agree instantly. However, because Ye Qingyu still didn't answer, he asked again, "What about you?"

Even though Ye Qingyu didn't answer, but she nodded her head, giving him a sign that she agreed to take a bath with him.

In their new house later, it would be hard to take a bath with him. That was why she didn't want to let the opportunity to take a shower with him slip away.

Xiao Tian instantly rose to his feet and took off his clothes. "Let's take a bath together."

His actions much surprised Ye Qingyu. In the past, Xiao Tian never did something like that in the living room. However, she didn't say a word and only stared at his naked body.

Like Xiao Tian, Ye Xueyin instantly took off her clothes and threw them on the couch. "Let's take a shower together."

When Ye Xueyin took off her clothes, Ye Qingyu was not surprised because she had guessed that her big sister would do something like that.

Because Ye Qingyu was the only one who still wore clothes, Xiao Tian immediately spoke, "Hurry up and take off your clothes."

"Qingyu, take off your clothes." Ye Xueyin repeated Xiao Tian's words.

Ye Qingyu didn't answer immediately and only stared at them. It was true that she agreed to take a bath with them, but she thought she would take off her clothes when they were in the bathroom.

However, because she knew that they would keep asking her to take off her clothes, she immediately removed her clothes. They had seen her naked body many times, so Ye Qingyu chose to do what she was told.

As Ye Qingyu was taking off her clothes, Xiao Tian was looking at her intently. "You really have a beautiful body, Qingyu?"

"That's right." Ye Xueyin added, "Qingyu really has a perfect body."

"Thank...you." after taking off her clothes, she placed them on the sofa.

When Xiao Tian saw Ye Qingyu's breasts, he instantly brought his face closer towards her breasts and spoke, "These beautiful breasts never fail to amaze me."

At this moment, Ye Qingyu didn't do anything. Even though she knew that Xiao Tian would lick her breasts soon, she didn't try to hide or cover her breasts because Xiao Tian had licked and sucked her breasts many times.

"Let me taste these beautiful breasts first before going to the bathroom." After saying that, Xiao Tian opened his mouth and began licking her nipples.

"Mmm..." Ye Qingyu half-closed her eyes when Xiao Tian bit her right nipple gently.

Because Xiao Tian licked her younger sister's breasts, Ye Xueyin suddenly wanted him to do the same thing to her.

"Tian, what about my breasts?" after saying that, Ye Xueyin touched her breasts and pointed them towards Xiao Tian.

Xiao Tian, who had guessed it, instantly stopped what he was doing and turned around. "Are your breasts also asking for my attention?"

"Yes." Ye Xueyin was pleased after hearing his words because she knew that he would also lick and suck her breasts.

And what she had guessed was right because Xiao Tian instantly licked her nipples. Like what Ye Qingyu did earlier, Ye Xueyin instantly half-closed her eyes.

When Ye Xueyin was enjoying the sensation of him licking and sucking her nipples, Xiao Tian suddenly stopped what he was doing.

"Let's head to the bathroom." Xiao Tian spoke as he smiled.

"What about my other breast?" Ye Xueyin pointed her left breast towards Xiao Tian.

"Let's continue in the bathroom." Xiao Tian knew that Ye Xueyin was not satisfied. That was why he intended to continue what they were doing in the bathroom.

"All right." Ye Xueyin answered happily.

And like that, they took a bath together. Like what Ye Qingyu had guessed, they ended up having sex in the bathroom.

They even didn't stop and continued in his room. As they were having wild sex, Xiao Tian was surprised because Ye Qingyu and Ye Xueyin behaved wildly as if it would be the last time they had sex.

Of course, Xiao Tian knew the reason why they behaved like that. That was why they continued having sex for another two hours.

As if it was a nude day, none of them wore clothes after having sex. They were even still naked when they had dinner together.

The following morning, Xiao Tian went straight to Shi Fei's house after having breakfast with his mother and aunt.

Since they were going to move their belongings to the new house, Xiao Tian told Shi Fei and Liu Ning not to work.

That day, Xiao Tian, Ye Qingyu, Ye Xueyin, Shi Fei, and Liu Ning moved their belongings to their new house. And not only that, but they also bought a lot of furniture for their new home.

"Let's move out tomorrow." Xiao Tian spoke.

Currently, they were in the family room. They just finished decorating everything, from their bedrooms to the living room.

However, they didn't change anything and only put new things. For example, they bought televisions for the family room and their bedrooms.

"All right." Liu Ning and the others agreed with Xiao Tian's idea.

"Shall we have dinner outside now?" It was already 06:30 pm, so Xiao Tian was already hungry.

"All right." Liu Ning and the others answer in unison.

Because their bodies were full of sweat, they took a bath first before going out. At first, they wanted to eat at Xiao Tian's restaurant but decided against it.

For this reason, they had dinner at a small restaurant which had beautiful scenery. That night, they went out until 11:00 pm before finally, Xiao Tian sent Liu Ning and Shi Fei home.

Because Ye Qingyu and Ye Xueyin used their cars, they went home first. Like yesterday, Xiao Tian had wild sex with Ye Qingyu and Ye Xueyin before sleeping. The next day, they finally moved out to their new house.

"Fei, Ning'er, you two don't need to go to work today." Xiao Tian spoke abruptly. "Same goes for you mother, aunt."

Currently, they were in the family room. The reason why Xiao Tian told them not to work was that he wanted them to get closer.

Now that they were living together, it was important to have a close relationship because Xiao Tian didn't want them to have a fight later.

"All right." Shi Fei and the others answer in unison.

"I want to go to my gang first." Xiao Tian spoke. "After that, I will go home immediately. Let's spend time together later."

As Liu Ning and the others were talking in the family room, Xiao Tian traveled to the Blue Ice Lotus gang headquarters. When he arrived, he saw his underlings training martial arts.

"Boss, you have come?" Mu Huo instantly walked towards Xiao Tian when he saw Xiao Tian.

"Did they practice martial arts seriously?" Xiao Tian inquired.

"Yes." Mu Huo answered. "It seems like all of them want to get stronger."

"Good!" Xiao Tian was pleased after hearing Mu Huo's words because, with this, he knew that his underlings would become stronger later.

During the break time, Xiao Tian talked with Chun Hua and Mu Huo because he wanted to know how many new members they had recruited.

Mu Huo and Chun Hua told him that they only managed to recruit 20 people; seven women and thirteen men.

Because Xiao Tian was still not satisfied, he ordered them to recruit new members again. He wanted to have at least one hundred underlings in total. After that, Xiao Tian went straight home.

"I'm home." Xiao Tian spoke when he was in the guest room.

'Where are they?'

Xiao Tian tried to find his mother and the others in the family room or the kitchen, but he still didn't see them.

Because he told them not to work, he was sure that they were at home. For this reason, he headed to their bedrooms, but they were also not in their rooms.

'I'm sure, they are in the backyard right now.'

Xiao Tian wasted no time and headed to the backyard. When he was in the backyard, he saw his mother and the others lying down on the pool lounge chairs.

But what surprised him most was that they were in their bikini.

Chapter 605 - Because I Know Your Personality

7-8 minutes

When Xiao Tian was in front of them, he immediately spoke, "It seems like all of you are enjoying yourself."

Even though he was surprised when he saw them in a bikini, he didn't show it on his face.

"Welcome home, Tian." at first, Ye Xueyin wanted to run toward him and jump into his arms. However, when she remembered that Liu Ning and Shi Fei were with them, she decided against it.

"Welcome home." Shi Fei and the others spoke in unison.

"Is today a bikini day?" Xiao Tian asked jokingly.

"That's right." Shi Fei answered instantly. "Do you like what you see?"

"I love it." Xiao Tian answered without feeling shy.

"Of course, you love it because you can see beautiful ladies in their bikini." Liu Ning had guessed that Xiao Tian would say something like that.

After Xiao Tian laid down on Liu Ning's pool lounge chair, he replied, "My Ning'er really knows what's on my mind."

"Because I know your personality. Hehe." Liu Ning instantly placed her head on his right arm when Xiao Tian laid down on her pool lounge chair.

Even though his mother and aunt were with them, she didn't mind it because Xiao Tian also didn't care about it.

Liu Ning was also sure that Ye Qingyu and Ye Xueyin would not stop them because they were lovers.

"Oh, right! Isn't today a nude day?" Xiao Tian said jokingly again. "Why are you wearing a bikini?"

"Little brother, there is no such thing as a nude day." Shi Fei answered instantly. "You said something like this because you want to see us naked, right?"

"Hehe." Liu Ning and the others giggled after hearing his words.

"Eh, really?" Xiao Tian pretended to be surprised. "But when I was searching something on the internet earlier, it stated that today is a nude day."

"Really?" of course, Liu Ning didn't believe his words because it was the first time she heard something like that. "Can you show it to me now?"

"Well, about it..." because Xiao Tian was lying to them, he could not show it.

"Hehe." Liu Ning and the others laughed when they knew that Xiao Tian was lying.

"Tian, if you want to do it with your women, you don't need to lie like that." Ye Xueyin spoke. "Just go to your room and have your way with them there."

Even though Ye Xueyin also desired to lovey-dovey with him, but she didn't show it on her face and behaved normally.

Upon hearing his mother's words, Xiao Tian looked at Shi Fei and Liu Ning, "Ning'er, Fei, did you hear that? Let's go to my room and have fun there."

As if Liu Ning and Shi Fei had decided the answer beforehand, they immediately spoke in unison. "I don't want to. Hehe."

Ye Xueyin and Ye Qingyu could not help but giggle when Shi Fei and Liu Ning refused to have sex with Xiao Tian. "Hehe."

"Tian, how do you feel when your woman refuses to do it with you??" Ye Qingyu asked jokingly. "Does it hurt?"

"Yes. It hurt a lot." Xiao Tian said jokingly. "Ning'er, let me kiss you so that I can forget my pain."

After saying that, Xiao Tian immediately kissed Liu Ning's cheeks. Even though his mother and aunt were with them, he didn't care and still kissed her.

"Haha." Ye Qingyu, Ye Xueyin, and Shi Fei laughed after seeing his behavior.

As for Liu Ning, she pinched his nose and smiled, "You always take advantage of the situation, huh?"

"Hehe." Xiao Tian only laughed. "Oh right. Do you want me to hire maids?"

"You don't need to do that." Ye Qingyu replied. "We agreed that we would take care of the house together later."

Earlier, they discussed whether they should hire maids or not. However, because they would not be able to do lewd things with Xiao Tian whenever they wanted if they hired maids, they decided against it.

Even though their house was huge, but because there were four of them, they believed that they could take care of the house later.

And if they didn't have time to clean the house later, they would order a cleaning service so that they didn't need to hire anyone.

"Good!" Xiao Tian agreed with their idea.

Actually, he also had the same thought as them. That was why he was pleased after hearing it. After that, they spent the whole day together at home.

Time went by quickly and without realizing it, it was already one month since Xiao Tian bought a new house.

In that one month, Chun Hua and Mu Huo managed to recruit many new members. In total, Xiao Tian now had one hundred and twenty underlings; seventy members of the Blue Ice Lotus gang, and fifty male members.

Among the fifty male members, almost half of them were from small gangs that had decided to join them.

Because Xiao Tian could not put them in the same group as his female underlings, he put them in a new group. The group was called 'Shadow gang.'

Not only did he get more underlings, but Xiao Tian's Star Clothes company was also growing rapidly. The result of the business collaboration with the Golden Bag company was a great success.

Both his company and Golden Bag company earned big profit from it. For this reason, they decided to extend the contract.

Of course, Xiao Tian's relationship with Yun Xin Er had gotten closer too. Even though he still didn't have a close relationship with her mother, but Yun Xin Er was already quite close to his family and women.

His restaurant also became more famous and many well-known people ate there. Not only did his business grow rapidly, but he also didn't have a single problem as if the goddess of luck was always with him.

As for his relationship with Lin Xing Xue, he still hadn't accepted her love but they were closer than before now.

'It has been a year since I took over Xiao Tian's body. Time sure goes by quickly.'

Currently, Xiao Tian was lying down on the pool lounge chair, alone. Because it was Sunday, Xiao Tian could relax at home.

"What are you thinking?" Liu Ning's voice rang out from his right side.

Xiao Tian instantly turned his head towards her and replied, "Oh! It's you, Ning'er. Come here and lie next to me."

After she laid down on his pool lounge chair, she asked again, "Why are you here alone? Everyone is in the family room now."

"I want to be alone." At this moment, Xiao Tian was telling the truth.

The reason why he was in the backyard alone was that he wanted to be alone. Even though spending time with his family or women was the thing he loved the most, but there were times where he wanted to be alone.

"Is that so? Should I leave now?" from his expression, Liu Ning knew that Xiao Tian was not lying to her.

Although she wanted to spend time with him, but if Xiao Tian wanted to be alone, she would not disturb him.

"Just stay here with me." Xiao Tian, who was on her left side, placed her head on his right arm and held her right hand with his left hand.

Xiao Tian knew that Liu Ning desired to spend time with him, so he didn't want to make her sad by telling her to leave.

*Kiss...

Liu Ning was pleased after hearing his words and instantly kissed his right cheek. "Thank you, Tian'er."

Chapter 606 - What Do You Think?

6-7 minutes

Actually, Xiao Tian didn't expect that she would kiss him. Of course, it made him happy. That was why he looked at her happily.

However, Liu Ning misunderstood him. When Xiao Tian was staring at her, she thought he was asking her to kiss his lips because usually, every time she kissed him, he would ask her to kiss his lips too.

Because they were alone in the backyard, Liu Ning cupped his face and kissed his lips.

Her actions much surprised him. It was rare for her to kiss his lips without him asking it. Because she was the one who started it, Xiao Tian didn't let the opportunity slip away and instantly kissed her passionately.

Liu Ning, who had guessed that Xiao Tian would kiss her passionately, instantly welcomed the kiss. Like what Xiao Tian did, she also moved her tongue lewdly. They had a passionate kiss for about a minute before finally, they stopped.

"What is this? Is this the reason why you came here? Hehe." it was a perfect time to tease her, so Xiao Tian decided to do that.

Liu Ning pinched his nose and smiled before answering, "You were the one who kissed me passionately and I only welcomed the kiss, so who could you behave as if I was the one who started it?"

"I would not do that if you didn't kiss me first." Xiao Tian tried to defend himself.

"Really?" Liu Ning then played with her lips, licking and biting. Because Xiao Tian said something like that, she decided to seduce him by making her lips so sexy and kissable. "Tian'er, would you really not kiss me if I didn't kiss you first?"

Liu Ning was a shy person so he didn't expect that she would do something like that.

'Damn! She is so sexy! Where did she learn that?'

Even though Liu Ning looked so sexy and made him desire to kiss her passionately again, but Xiao Tian was still able to hold back himself. However, he could not take his eyes off her.

Liu Ning was surprised when Xiao Tian still didn't do anything because usually, it was easy to make him kiss her.

'It seems like the female host is lying.'

Yesterday, Liu Ning saw a female TV channel. On the TV channel, the female host stated that it was easy to make any man desire to kiss them.

All they had to do was play with their lips and look at the man in the eyes. The female host stated that it would work one hundred percent.

However, when Liu Ning tried to seduce Xiao Tian with the same move earlier, the result was different. That was why she thought the female host was lying.

What Liu Ning didn't know was that she had managed to seduce Xiao Tian. If it was another man, Xiao Tian was sure that they would kiss her immediately.

"Ning'er, where did you learn that?" Xiao Tian inquired.

"On the female TV channel." Liu Ning gave an honest answer. "I happened to see it on TV yesterday. I tried to seduce you with the same move but failed. It seems like they are lying."

"So, you only saw it once and immediately tried to copy it?" Xiao Tian inquired.

"Yes." Liu Ning answered as she nodded her head.

At this moment, Xiao Tian had no idea whether he should be happy or not.

'Holy moly. My Ning'er is so talented, but it seems like she didn't know about it.'

Liu Ning only saw it once and already could copy it perfectly. The way she was licking and biting her tongue, the way she was looking at him, almost made him go crazy over her.

"So, do you want to have a passionate kiss with me again?" Xiao Tian inquired.

Instead of answering immediately, Liu Ning giggled. "Hehe."

'It seems like the female host is not lying.'

Because Xiao Tian asked something like that, Liu Ning suddenly thought that she had successfully seduced him earlier.

"It seemed like I managed to seduce you earlier." At this moment, Liu Ning was sure that Xiao Tian would deny it.

And what she had guessed was right because Xiao Tian instantly denied shamelessly. "What are you talking about? It's because I don't want to make you sad. Don't worry, as long as you don't give up, I'm sure you'll be good at seducing me later. Hehe."

"Hehe." Liu Ning giggled after hearing his words.

"So, do you want to do it or not?" Xiao Tian inquired.

Instead of answering, Liu Ning asked him. "What do you think?"

"You want it." After saying that, Xiao Tian instantly kissed her passionately again.

As they were having a deep kiss, his smartphone suddenly rang. At first, Xiao Tian ignored it, but because his smartphone kept ringing, Xiao Tian decided to stop the kiss.

'Zhao Sheng?'

When Xiao Tian knew it was Zhao Sheng, he picked up the phone. "Hello?"

"Yo, Xiao Tian. What are you doing now?" Zhao Sheng inquired.

"I'm having fun with my woman now." After saying that, Xiao Tian kissed Liu Ning's cheeks again.

Liu Ning only smiled and pinched his cheeks when Xiao Tian suddenly kissed her.

"Having fun?" Zhao Sheng spoke. "Are you having sex with your woman now? Or is she giving you a handjob or a blowjob now?"

Zhao Sheng's definition of having fun was different. He thought Xiao Tian was doing lewd things with his woman.

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words. "So, why are you calling me?"

"Do you want to see an interesting show?" Zhao Sheng inquired.

"An interesting show?" Xiao Tian was suddenly curious about it. "Sure. But not today. Let's see it tomorrow."

"All right. I will call you again tomorrow." Zhao Sheng spoke. "Don't forget to take a rest. It's bad for your health if you do it continuously. Haha."

After saying that, Zhao Sheng hung up the phone.

Xiao Tian instantly looked at Liu Ning and spoke, "Let's continue what we were doing before."

"All right." Liu Ning nodded her head.

After that, they had a passionate kiss again. That day, Xiao Tian went on a date with Liu Ning until 10:00 pm before finally, they went home.

Chapter 607 - Both Of You Are Like Husband And Wife

9-11 minutes

"Thank you, Tian'er." Liu Ning spoke abruptly. "I'm so happy today."

Currently, Liu Ning and Xiao Tian were in his room. Earlier, after returning home, they immediately headed to his room.

At first, Liu Ning wanted to go to her room, but Xiao Tian suddenly asked her to sleep with him in his bedroom. Because she still desired to spend time with him, she instantly agreed.

After decorating the bedroom, Xiao Tian's room changed a little. Apart from a bed and cupboard, there was a huge TV in front of his bed and an air conditioner above the TV.

There was a small wooden table with a night lamp on the left side of his bed. On the other side, there was a door to the bathroom.

"I'm also happy." After saying that, Xiao Tian kissed her forehead. "Especially right now because I can sleep with you in my arms later."

Currently, Liu Ning was on his left side with her head on his left arm. Her left hand was holding his right hand as if they could not be separated from each other.

"Let's sleep now" Xiao Tian was already sleepy. That was why he wanted them to sleep immediately.

"Un." Liu Ning nodded her head.

The following morning at 06:10 am.

Knock...knock...knock...

"Little brother, breakfast is ready." Shi Fei's voice rang out from the opposite side of the door.

At this moment, Liu Ning and Xiao Tian were still sleeping soundly. However, because Shi Fei kept knocking on the door, Liu Ning finally woke up.

Liu Ning instantly tapped Xiao Tian's chest gently with her left hand and spoke. "Tian'er, wake up. It's already 06:10 am now."

Instead of waking up immediately, Xiao Tian pulled Liu Ning into his embrace and said, "Let me sleep for another five minutes."

Liu Ning's face broke into a smile when she saw his behavior. At this moment, she wavered whether she should let him sleep for another five minutes or not.

*Click...

Because Xiao Tian didn't answer, Shi Fei opened the door.

"Little brother, wake u-" Shi Fei stopped her words halfway when she saw Liu Ning in Xiao Tian's embrace.

Earlier, Shi Fei also went to Liu Ning's bedroom, but she was not in her room. Shi Fei thought Liu Ning was in the backyard or veranda.

She just didn't expect that she would see Liu Ning in Xiao Tian's room. "Ning, did you sleep in his room last night?"

Last night, Shi Fei, Ye Qingyu, and Ye Xueyin slept early, so they didn't know when Xiao Tian and Liu Ning arrived home.

"Yes." Liu Ning gave an honest answer. "Tian'er told me to sleep with him in his room last night."

"I see." Shi Fei was not jealous because Liu Ning was also Xiao Tian's woman. "Little brother, your mother and aunt are waiting in the dining room. Let's go to the dining room and have breakfast together."

Even though Xiao Tian still wanted to go back to sleep, he immediately opened his eyes because he didn't want to make his mother and aunt wait. "Alright."

"I will wait there." Shi Fei said before heading to the dining room.

Xiao Tian instantly kissed Liu Ning's forehead and smiled softly. "Good morning, my beautiful woman."

Liu Ning's face blossomed into a smile after hearing his words. "Good morning, my handsome man."

After that, Xiao Tian got out of bed. At first, he wanted to tell her to go to the dining room immediately. However, he suddenly found an excellent idea. With this idea in mind, Xiao Tian carried her in princess style.

"Kya..." Liu Ning was surprised when Xiao Tian suddenly carried her in princess style. "Tian'er, do you want to carry me to the dining room?"

"Yes." Xiao Tian answered instantly. "Let's head to the dining room now."

"Un." even though Liu Ning would be embarrassed when his mother and aunt saw them later, but she didn't tell him to put her down because being carried by him in the morning made her happy.

It was as if they were on their honeymoon vacation. That was why her smile never left her face.

When they reached the dining room, Shi Fei, who saw them, immediately spoke, "So sweet!"

Ye Qingyu, Ye Xueyin, and Shi Fei didn't expect that Xiao Tian would carry Liu Ning to the dining room.

"After seeing you two like this, it seems like both of you are already like husband and wife." Ye Qingyu spoke before turning her head towards her big sister. "Isn't that right, big sis?"

"Yes." Ye Xueyin answered as she nodded her head.

"Of course, because I'm going to marry her in the future." Xiao Tian really wanted to live with Liu Ning, so he intended to marry her in the future. "Ning'er, you will accept my proposal right?"

"Yes." Liu Ning's face broke into a smile after hearing his words. Even though she didn't know what would happen to them in the future, but hearing his words already made her thrilled.

At this moment, she suddenly wanted him to propose to her immediately. However, when she remembered that Xiao Tian was still nineteen years old, she knew that it was impossible.

"Little brother, what about me?" Shi Fei inquired.

"I will marry you too." Shi Fei was the woman he loved the most, so of course, he would marry her too.

Even though Ye Qingyu and Ye Xueyin smiled happily, but they were a little jealous.

'What about me?'

That was a question they also wanted to ask him. However, because their relationship was taboo, they could not ask that and only smiled. They just hoped that Liu Ning and Shi Fei would accept their relationship in the future.

After that, they had breakfast together. Because Xiao Tian promised to hang out with Zhao Sheng, he immediately called Zhao Sheng.

They agreed to meet at Wuzho town, one of the towns in the Wanhui district. After Xiao Tian arrived at Wuzho town, he immediately entered the Tea shop.

To his surprise, when Xiao Tian stepped into the shop, he saw Zhao Sheng and Dandan. Earlier, Xiao Tian thought Zhao Sheng would come alone. He didn't expect that Zhao Sheng would bring Dandan along with him.

"Xiao Tian, here." Zhao Sheng spoke as he waved his right hand.

After Xiao Tian sat on the chair, Dandan greeted Xiao Tian. "Hello, Xiao Tian."

"You are Dandan, right?" Xiao Tian said, "I didn't expect to meet you here."

"Yes. I'm Dandan. Young master Zhao invited me earlier." Dandan replied.

Xiao Tian then looked at Zhao Sheng and asked curiously, "So, what kind of interesting show are you talking about?"

Xiao Tian still didn't know what kind of interesting show Zhao Sheng was talking about because Zhao Sheng still didn't want to tell him about it.

"You will know later." like before, Zhao Sheng still didn't want to tell Xiao Tian about it. "After drinking tea, I will take you to that place."

"Sure." Xiao Tian replied.

They talked in the Tea shop for about forty minutes before finally, they left.

"The place we are going to visit is located on Jishi street." Zhao Sheng spoke and paused for a second before he continued, "Wuzho town is separated into ten streets and Jishi street is one of the streets."

After driving for about ten minutes, they finally reached their destination.

'Are we going to drink coffee now?'

Because they stopped in front of the coffee shop, Xiao Tian thought they would drink a coffee.

When Zhao Sheng saw the expression on Xiao Tian's face, he knew what Xiao Tian had in mind. "We are not going to drink coffee now. Follow me."

Zhao Sheng then walked into a small alley right beside the coffee shop. After walking for about thirty seconds, they finally reached their destination.

'So, there is a secret place here.'

When Xiao Tian saw two people guarding a door, he knew that there was a secret place. This made Xiao Tian excited and curious at the same time.

When the guards saw Zhao Sheng, they spoke in unison. "Good morning, young master Zhao."

"Good morning." Zhao Sheng replied as he smiled. "They are with me."

Upon hearing Zhao Sheng's words, the guards immediately made way for them to enter the room. "I hope you will have fun later."

The Zhao family is indeed amazing. Xiao Tian thought to himself.

Actually, Xiao Tian didn't expect that the guards would treat Zhao Sheng like that. However, when he remembered that the Zhao family was a well-known family in the whole of China, he thought it was normal.

"If you don't come with me, they'll ask you to pay an entrance fee." Zhao Sheng spoke.

"I see." Xiao Tian was not surprised after hearing Zhao Sheng's words.

As soon as they stepped into the room, they saw a stair leading to the basement. After that, they saw another door.

"The interesting show is on the opposite side of this door." After saying that, Zhao Sheng opened the door.

"Wooo"

"Kick his head!"

"Don't use your fists, use your elbow."

"Beat him!"

The sound of many people shouting echoed in the vast room.

'So this is an interesting show he is talking about.'

In front of him, Xiao Tian saw two people fighting in the ring. The ring was circular and quite huge. Next to the people who were fighting, a middle-aged man wearing white clothes was paying attention to the match closely.

From his appearance, anyone could tell that he was a referee. As soon as Zhao Sheng and the others stepped into the arena, a voice rang out. "Oh! Isn't this young master Zhao?"

Chapter 608 - Ren Aoxu

8-10 minutes

Zhao Sheng and the others instantly turned their heads towards the source of the sound.

When Zhao Sheng saw the person who spoke to him, he immediately said, "Elder Xie Shang, I didn't expect to meet you here."

"Where is your grandfather?" Xie Shang was Zhao Chen's friend. They had known each other for more than twenty years.

Not only were they the same age, but both of them were also experts in martial arts. It could be said that Xie Shang and Zhao Chen were rivals.

"My grandfather is at home. I came here with my friends." When Zhao Sheng saw a young lady about eighteen-year-old standing next to Xie Shang, he immediately smiled, "Xie Ehuang, it has been a while. How have you been?"

"I've been doing good." Xie Ehuang replied. "It's rare for you to come here without your grandfather."

The corner of Zhao Sheng's lips twitched after hearing her words. From her words, it sounded like he was always with his grandfather.

When Xie Shang saw Xiao Tian, he was curious who Xiao Tian was, "And he is..."

Xiao Tian instantly introduced himself, "Hello, elder Xie. I'm Xiao Tian."

At this moment, Xiao Tian realized that not everyone knew him.

'It seems like I have to work harder so that everyone in the whole of China know me later.'

With this in mind, Xiao Tian decided that he would work harder until one day, he didn't need to introduce himself anymore.

Without giving a warning, Xie Shang grabbed Xiao Tian's shoulders and arms. "Oh! You have good body. It seems like you are also a martial artist."

"I only know a little martial art." Xie Shang's actions much surprised him. Xiao Tian didn't expect that Xie Shang would do something like that.

'I almost attacked him earlier.'

At this moment, Xiao Tian realized that the old man in front of him was a martial arts expert. Even though he was already sixty-years old, but Xiao Tian could still see that his body was still in good condition.

At the same point in time, one of the waitresses marched towards them. "Young master Zhao, elder Xie, let me take you to your room."

"All right." Zhao Sheng replied.

Because they were heading to the VIP room, they went to the second floor. After they reached the second floor, Xiao Tian saw a lot of rooms about 4X4 meters.

Inside the room, there was a red couch with a small wooden table in front of it. After they sat on the sofa, the waitress didn't leave the room and stood on their right side.

Previously, Zhao Sheng and Xie Shang wanted to take a different room but decided against it because, in their view, the more, the merrier. Because there was nothing in front of them, they could see the match clearly.

"Oh! I didn't expect to see him here." A young man, who wore a mask, spoke abruptly when he saw Xiao Tian.

The young man was also in the VIP room, or more precisely, his room was right in front of Xiao Tian's room.

The middle-aged man, who was standing beside the young man, immediately spoke, "Young master, should we get someone to beat him up later?"

The middle-aged man was the person who gave the video of Xiao Tian and Yun Xin Er kissing passionately to Hong Jun.

It could be said that they were involved in all the troubles that befell Xiao Tian or his family. However, because they had never caused trouble to Xiao Tian directly, Xiao Tian didn't know about them.

"Let him have fun first." The young man clenched his right, and his lips curled into a grin. "After that, we will give him a trouble again later."

"Understood." The middle-aged man, who was about fifty-five years old, responded politely.

In the ring, the match was already over with a young man about twenty-four years old lying on the floor.

His face was full of bruises, and blood was dripping down from his head. Even though he was still conscious, but he could no longer move his body.

"Huuuuuuuuuu." The bald young man about twenty-six years old, shouted.

After defeating his opponent, he made a pose as if he was invincible.

The medics rushed into the ring to take the young man out of the ring and treat his wounds.

"The winner of the match is Tiger!" the referee spoke. "Is there anyone who wants to challenge him again? Anyone who can defeat him will get 100,000 Yuan."

"Me!" a young man about eighteen years old, spoke.

Everyone instantly turned their head towards the young man. When they saw the person who just spoke, they began to laugh one by one.

"Hahaha."

"Kid, you want to challenge Tiger? Are you still sleeping now?"

"Kid, this is not a playground. What are you doing here anyway?"

"That's right. Go home and play with people your age."

"Haha."

"Do you think you can beat Tiger with you small body?"

They didn't expect that a young man would dare to challenge Tiger. Even though Tiger was not the strongest, but he was skilled in martial arts.

Although everyone was laughing and making fun of him, the young man ignored them and walked towards the ring.

On his right hand, there was a white sword with beautiful craft on its scabbard. From its appearance, anyone could tell that it was no ordinary sword.

Like everyone, Xiao Tian was also startled when the young man wanted to challenge Tiger. "Interesting."

"Hahaha." Zhao Sheng laughed. "I told you this place is very interesting."

"I'm amazed by his braveness." Xie Shang spoke abruptly. "A martial artist should behave like him. If they were afraid of anyone, they would never get stronger."

Xie Ehuang only stared at the young man without saying anything.

After the young man entered the ring, the referee asked, "What is your name, young man?"

"Ren Aoxu." Ren Aoxu replied.

"Are you sure you want to challenge Tiger?" the referee inquired.

"Yes." From his eyes, anyone could tell that Ren Aoxu was not joking around.

When the referee noticed that Ren Aoxu was holding a real sword, he immediately spoke, "Because this is not a death match, you are not allowed to use a real sword. Please give me your sword, I will return it to you later."

"How can I fight him if I don't have a sword?" Ren Aoxu was a sword martial artist, so he needed a sword to fight.

Upon hearing his words, the audience began to speak again.

"Haha. He even didn't know the rules."

"This kid is sure interesting. He didn't know the rules but still dares to challenge Tiger."

"I bet he will lose later."

"I'm sure about it."

"Look at his body! He is so small. I'm sure Tiger only need one punch to defeat him."

"I think so too."

Several audiences were sure that Tiger would defeat Ren Aoxu easily later.

"We'll give you a wooden sword in exchange." The referee answered. "You don't need to worry about the quality of the wooden sword. It's a very good wooden sword and is made of very hard wood. How is it? Do you still want to challenge him?"

After thinking for several seconds, Ren Aoxu agreed. "All right."

The referee immediately took Ren Aoxu's sword and gave him a wooden sword.

At this moment, Tiger spoke abruptly. "Kid, I will crush you later."

However, Ren Aoxu ignored him.

The referee then looked at Ren Aoxu and Tiger before speaking, "This match is a freestyle match. You can use hands or feet to attack your opponent. However, because this is not a death match, when I say stop, you have to stop. Do you understand?"

"I understand." Ren Aoxu replied as he nodded his head.

As for Tiger, he didn't answer and only nodded his head.

At the same time, Xiao Tian's eyes were focused on Ren Aoxu.

'I want to know how skilled he is in martial arts and why did he want to challenge Tiger?'

Of course, Xiao Tian didn't underestimate Ren Aoxu's skills in martial arts.

"Xiao Tian, in your view, how high is the possibility of him winning the match?" Zhao Sheng inquired.

"I can't answer it before seeing how he fights." Xiao Tian replied instantly. "But it seems like he is skilled in martial arts."

"I think so too." Zhao Sheng replied.

"Are you ready?" the referee said as he looked at Tiger and Ren Aoxu. After they were ready, he continued his words, "Fight!"

Chapter 609 - Ren Aoxu Versus Tiger

6-7 minutes

Tiger didn't attack Ren Aoxu immediately. "Come here kid. I will let you attack me first. I don't want everyone to think I'm bullying a kid later."

"Haha."

"Kid, he is kind enough. Attack him!"

"It seems like Tiger didn't put him in his eyes."

"Of course, because he is not his opponent."

"How could he is his opponent? He is still a kid, you know."

several audiences began to underestimate Ren Aoxu again. In their eyes, Ren Aoxu was not as skilled as Tiger in martial arts.

At first, Ren Aoxu could hold back his anger, but because the audience and Tiger kept underestimating him, he started to lose his temper.

For this reason, he dashed towards Tiger and attacked Tiger with his wooden sword. Even though the wooden sword was strong, Tiger didn't avoid the attack and only blocked it because it was not a real sword.

Tiger was confident in his body strength. As long as he could block the fatal areas, he would be fine.

And like what he had guessed, even though Ren Aoxu's attacks were quite fast, but because he could avoid the fatal areas, Tiger was fine. "Your attacks are nod bad. But it's still not enough to defeat me."

"It seems like Tiger has the upper hand." Xiao Tian spoke, "If this continue, Ren Aoxu will lose for sure."

"You are right." Zhao Sheng replied. "His attacks have no effect on Tiger."

"But that kid's attacks are quite fast." Xie Shang said. "It's a pity that his attacks didn't have enough power to defeat Tiger."

"He have to attack Tiger's fatal areas if he wants to win against Tiger." Xie Ehuang spoke and paused for a second before she continued, "But Tiger is an experienced fighter so it will be difficult to attack his fatal areas."

Zhao Sheng then turned his head towards Dandan and inquired, "If you fight against Tiger, do you think you can win?"

"I don't know because he is skilled in martial arts." Dandan really didn't know whether he could win against Tiger or not.

Even though he was the best disciple of the younger generation in the Zhao family's martial school, but Tiger was a master of martial arts.

"In your view, how high is the percentage you will win against him?" Zhao Sheng inquired.

"Fifty percent." Dandan gave an honest answer.

"I have let you attack me several times earlier." Tiger spoke and paused for a second before he continued, "Now it's my turn to attack you, kid."

After saying that, Tiger began to attack Ren Aoxu. He threw out his kick and fist towards Ren Aoxu. Even though Ren Aoxu could block his attacks, but he didn't have the chance to counterattack.

At this moment, Ren Aoxu was still trying to find a way to counterattack.

'It will be dangerous if this situation continues.'

Ren Aoxu knew that he could lose the fight if he couldn't counterattack. However, Tiger didn't give him time to do that.

He tried to put some distance between them, but Tiger immediately closed the distance as if Tiger knew what he would do later.

Even though Tiger's attacks were not fast, but because he continued attacking him, Ren Aoxu finally failed to block Tiger's attacks.

*Aukkk...

Due to how strong Tiger's attacks were, Ren Aoxu was forced to take three steps back after being hit in the face by Tiger.

'His punch is so heavy. It would be bad if I got hit often.'

Ren Aoxu felt his face hurt a lot after being hit by Tiger. Even blood dripped down from the corner of his lips.

"Beat him, Tiger!"

"Attack him with your elbow!"

"Kid, how is it?"

"Kid, does it hurt?"

Several audiences began to shout again when Tiger managed to hit Ren Aoxu's face.

However, Ren Aoxu realized that Tiger didn't attack him again and only looked at him with a smirk on his face.

'This is a good chance to attack him!'

With this idea in mind, Ren Aoxu's eyes were locked on Tiger, and he was ready to attack him.

"Oh! Interesting!" Xie Shang could tell that the aura around Ren Aoxu had changed. "It seems like he still has a trump card!"

Xie Ehuang, Zhao Sheng, and Dandan looked at Ren Aoxu intently. They wanted to know what Ren Aoxu wanted to do.

As for Xiao Tian, his eyes widened in surprise when he saw Ren Aoxu.

'Don't tell me...'

Ren Aoxu's pose and how he wielded his wooden sword before attacking were the same as him when he wanted to use his secret technique. This made Xiao Tian pay close attention to Ren Aoxu.

At this moment, Ren Aoxu was ready to attack Tiger.

'Moon style sword of drawing techniques- first ceremony...Mountain Splitter.'

Ren Aoxu moved zig-zag four times before finally changing it into an 'X' pattern. He used the first secret technique of Moon Sword Martial Arts to attack Tiger.

"Xiao Tian, these movements are..." when Xiao Tian fought Dandan, he also used the same technique. That was why Zhao Sheng looked at Xiao Tian instantly.

Like Zhao Sheng, Dandan was also staring at Xiao Tian.

'They are from the same martial arts school?!'

A few days ago, Xiao Tian used the same technique to defeat him. Since then, he had been practicing martial arts harder than before because he wanted to become much stronger.

"Moon Sword Martial Arts?!" Xiao Tian muttered.

At this moment, Xiao Tian was thrilled because finally, he found someone from the same martial arts school as him.

'I will meet him later.'

Xiao Tian didn't want to practice martial arts alone anymore, so he would meet Ren Aoxu later.

"Oh! So he is learning ancient martial arts. I didn't expect this." Like Zhao Chen, Xie Shang also knew Moon Sword Martial Arts. That was why he was a little surprised.

"Is this the reason why he dared to challenge Tiger?" Xie Ehuang spoke abruptly. "But it's a pity that he is using a wooden sword now."

Tiger, who was being attacked by Ren Aoxu, could only defend himself.

'What kind of technique is this?'

Due to how fast Ren Aoxu's attacks were, Tiger was unable to block all of his attacks. That was why he only focused on protecting his fatal areas.

After using his secret technique, Ren Aoxu was standing behind Tiger, back to back. "Impossible!"

He thought he could defeat Tiger with his secret technique, but he was wrong because Tiger was still standing.

Chapter 610 - Ren Aoxu, You Should Give Up!

9-11 minutes

"Oh! He failed to defeat Tiger." Zhao Sheng thought Ren Aoxu would be able to defeat Tiger, but he was wrong.

The expression of deep shock emerged on Dandan's face.

'He is still standing?!'

Dandan thought Ren Aoxu would be able to defeat Tiger with his secret technique because he believed that he was as strong as Tiger.

'Does that mean Tiger is stronger than me?! I need to get stronger fast.'

With this in mind, Dandan decided that he would practice martial arts even harder because he realized that he was still weak.

Like Dandan, Xiao Tian was also startled when Tiger was still standing.

'From how Tiger blocked his attacks earlier, I think he needs to use the second secret technique to defeat Tiger.'

At this moment, Xiao Tian believed that Tiger was as strong as Jin Yimu, the leader of the Hawk gang.

He also failed to defeat Jin Yimu with the first secret technique in the past, but when he used the second secret technique, he could beat Jin Yimu.

"If that child used a real sword, I believed Tiger would have been heavily wounded by now." Xie Shang said, "It's a pity that he is using a wooden sword."

"Because it's one of the rules." Xie Ehuang agreed with her grandfather's words.

Even though it was still not enough to defeat Tiger instantly, but at least Tiger would have been heavily injured if Ren Aoxu used a real sword.

"Your attacks are good!" Tiger said as he looked at Ren Aoxu. "But it's still not enough to defeat me."

After saying that, Tiger began to attack Ren Aoxu again.

Like before, as soon as Tiger attacked him, Ren Aoxu could only defend himself.

'It seems like I have to use the second secret technique to defeat him, but..'

Ren Aoxu still hadn't mastered the second secret technique, so he wavered whether he should try to use it or not.

He had been trying to master the second secret technique for more than three weeks but to no avail. If he used it, there was a possibility that Tiger could break the rhythm of his movements and counterattack.

"Xiao Tian, Moon Sword Martial Arts has eight secret moves, right?" Zhao Sheng whispered.

"Yes." Xiao Tian gave an honest answer.

"Because he can't defeat Tiger with the first secret technique, why don't he immediately use the second secret move?" Zhao Sheng knew that Ren Aoxu used the first secret technique earlier because it was the same technique that Xiao Tian used to defeat Dandan.

At this moment, Zhao Sheng wanted to know why Ren Aoxu didn't use the other secret techniques. Earlier, Ren Aoxu had the opportunity to do that once, but instead of using his secret technique, he only attacked Tiger with a normal attack.

"It seems like he still hasn't mastered the other secret techniques." Xie Shang could see the hesitation in Ren Aoxu's eyes when Ren Aoxu had the chance to use another secret technique earlier.

"Mastering secret techniques is not an easy thing." Xie Ehuang said, "He is still eighteen-years-old, so even though he has only mastered one secret technique, it can be said that he is quite talented in martial arts."

"You are right." Xiao Tian agreed with Xie Ehuang's words.

The reason why Xiao Tian could master the first and second secret techniques in such a short amount of time was that he had mastered it in his previous life, so it was easier for him to do that.

Because they were focused on the match between Tiger and Ren Aoxu, Zhao Sheng and Dandan forgot to ask whether Xiao Tian knew Ren Aoxu or not. All they knew was that Xiao Tian and Ren Aoxu learned the same martial arts.

Like before, Tiger attacked Ren Aoxu continuously. It had been more than ten minutes since they fought, so Tiger wanted to finish the match as soon as possible.

Even though he was not the strongest fighter, but he would still lose face if he took a long time to beat a kid. That was why he didn't give Ren Aoxu time to counter-attack.

At this moment, Ren Aoxu began to regret that he didn't use the secret technique again when he had the chance.

'This is bad!'

As he was defending himself, Ren Aoxu was thinking of a way to counter-attack because he wanted to use the secret technique again.

However, to do that, he had to put some distance between them. And because Tiger kept attacking him, it wasn't easy to do that.

After thinking for several seconds, he finally found a way of how to put some distance between them.

'I hope this will work.'

With this idea in mind, Ren Aoxu let himself be kicked in his chest and threw himself back so that he could put some distance between them.

'Good, it worked! Even though I don't know what will happen later, but I have to do this. Otherwise, I won't be able to defeat him later.'

Ren Aoxu began to focus because he wanted to use the second secret move.

"Oh! He wants to use a secret technique again!" from Ren Aoxu's fighting pose, Zhao Sheng knew that Ren Aoxu intended to use a secret technique again. "Now I wonder, will he use the same secret technique or the other secret technique?"

"It's not a good idea to use the same technique because he failed to beat Tiger with the first secret move earlier." Xiao Tian said. "I think he will use the second secret technique because that technique is enough to defeat Tiger."

"Second secret technique, huh?" Zhao Sheng was really curious about the second secret technique of the Moon Sword Martial Arts.

When Tiger realized that Ren Aoxu wanted to use a secret technique, he dashed towards Ren Aoxu and threw out his fist.

Earlier, he was in a position of danger when Ren Aoxu attacked him with a secret move. Luckily he could protect his fatal areas.

Otherwise, it would be fatal for him. That was why Tiger would not let Ren Aoxu use the secret technique again.

However, when Tiger realized that he was already too late to attack Ren Aoxu, he changed his strategy from attacking to defending.

To his surprise, Ren Aoxu's attacks were not as dangerous as before. His movements were in a mess, and his attacks were also easy to read. For this reason, Tiger could break the rhythm of Ren Aoxu's movements easily.

"Haha. Your technique is so bad! I was worried for nothing earlier." after breaking the rhythm of Ren Aoxu's attacks, Tiger began to attack him.

"So the reason for his hesitate earlier is that he still hasn't mastered the other secret techniques." Xie Shang finally understood why Ren Aoxu hesitated to use the other secret techniques earlier.

"Why is he using a technique he hasn't mastered yet?" Xie Ehuang inquired.

"It seems like he has no other choice." Xiao Tian replied. "But still, he made a huge mistake by using the secret technique that he hasn't mastered because it's easy for his opponent to break the rhythm of his attacks."

At this moment, Tiger managed to hit Ren Aoxu several times. There were many bruises on his face, and blood dripped down from the corner of his lips again. However, Ren Aoxu still didn't give up and kept fighting Tiger.

Xiao Tian, who could not bear to see that, rose to his feet and shouted, "Ren Aoxu, you should give up! By now, you should know that you are not his opponent."

*Silent...

Xiao Tian's words turned the entire area into a dead silence.

No one expected that Xiao Tian would be shouting something like that. Like the audiences, Zhao Sheng and the others instantly turned their heads towards Xiao Tian.

Even though Zhao Sheng and Dandan knew why Xiao Tian said something like that, but Xie Shang and Xie Ehuang had no idea about it.

At this moment, Tiger stopped attacking Ren Aoxu and spoke, "He is right. It would be best if you gave up because you are not my opponent. I don't want everyone to think that I'm bullying a kid today."

"Kid, just give up!"

"Yes. Hurry up and give up!"

"You will only hurt yourself if you keep fighting Tiger."

"Yes. Look at your face now! There are already many bruises on your face. You'd better take that person's advice and give up."

"You are still young. You don't want something bad to happen to your body, right?"

"I admit that I underestimated your abilities before. You are skilled enough for your age, but Tiger is not your opponent."

"Yes. I admit my mistake too. You can come back here again when you are already an adult."

"Don't make choices that you will regret in the future."

Even though some of the audiences still underestimated Ren Aoxu, but several of them also began to admire him.

For his age, it could be said that Ren Aoxu was already an expert. The reason why Tiger was stronger than him was that Tiger practiced martial art longer than him.

If they were at the same age, they didn't know who would win the fight. That was why they told Ren Aoxu to give up because there was no point in continuing the fight.

Ren Aoxu gritted his teeth. "Shut up!"

The reason why Ren Aoxu wanted to win the fight was that he needed the prize money. That was why he didn't want to give up. Whatever happened, he had to return home with money in his hands.

Actually, Ren Aoxu also didn't want to come to that place, but he had no other choice. "And who are you? I don't know you, so why are you asking me to give up when we don't know each other?"

"You want to know why I'm telling you to give up?" Xiao Tian spoke and paused for a second before he continued, "The answer is simple. It's because I'm your senior martial brother. We are from the same martial arts school."
