Chapter 61 - Are You Trying To Seduce Me Again?

In the bedroom, a handsome young man was lying on the bed, there was something unusual about that young man, the young man's stomach was as large as a pregnant woman's stomach and he continued to gently hit his stomach using his hands.

I'm very full. I'll really die if they treat me like this every day. Other people die of starving but I can die from overeating. Xiao Tian thought to himself.

After he had breakfast with his aunt and mother, he immediately headed to his bedroom and lied down on the bed.

"At first, I just want to take a shower and immediately head to my company but look like I have to keep lying down for a few more minutes. I really can't move my body right now." thirty minutes later his stomach shrank and almost like his normal stomach, flat stomach. Feeling that he could move his body like usual, he stood up and immediately headed to the bathroom.

After bathing, he went to the company and headed to the company bedroom to rest for a while. The bedroom is around 5x5 meters, there is only a bed and wardrobe in the room.

Lying down on the bed, he suddenly heard the sound of the door opened by someone. He turned his head to the source of the sound and saw Shi Fei coming out of the bathroom.

At that moment, he was a little surprised when he saw Shi Fei naked. She didn't put a towel to cover herself and walked naked as if it was her room.

"Ah little brother, you came early?!" she was surprised when she saw him lying in bed.

Hearing her words, he immediately sat down on the bed. "Why did you come out of the bathroom naked? "

"Well, the one who uses this bedroom is only Xue, you and me. you've seen my naked body before so why should I bother covering myself..... and naked after bathing is feel good, you know ?" she said

Because she was naked at that time, he could see her perfect body clearly, her big breast that has a beautiful pink nipple, her slender waist with a perfectly flat stomach, slim navel, and her clean vulva or mons pubis that didn't have any hair.

When she saw him examining her body from head to toe, a seductive smile appeared on her face. Raising her head slightly, she bit her lips and half-closed her eyes, her hands squeezed her hair over her ears and she put one leg out to the other side. After she made a sexy pose, she said teasingly "What do you think about my body, little brother?"

"Perfect! " he said as he smiled. When she made a sexy pose, she looks so sexy, making him couldn't turn his gaze and forget to blink.

Hearing his words, a satisfied smile appeared on her face. walking closer to him, she kissed his lips for two seconds and said, "I'm glad to hear that" and then she lied on her back next to him

"Why don't you just wear clothes instead of lying on the bed?" he asked her.

"What is it, little brother? Are you got turned on by seeing my naked body?" she asked, looking at him with a seductive smile.

"Let alone your naked body, even if you wear any clothes, any male will still be aroused to see your sexy body." he said.

Even combined with my past life, your body is in the top three, he thought to himself

Sometimes he wondered, how could she has such a perfect body, because since he first met her until now, he had never seen her exercise and she also often eats fried chicken when they make dresses.

After she spread her legs, she squeezed her breast using her hands and said, "If you get turned on and want to have sex with me, I'm fine with it. You can do anything with my body, you know?"

"What is it? are you trying to seduce me again?" he isn't a saint, so when she spread and squeezed her breast, coupled with biting her sexy lips, he was turned on, after all, he is a healthy young man. seeing a sexy lady did that to him, there was no way he wasn't turned on but he could hold himself and not turn into a beast.

When she saw his face, she knew that he got turned on by seeing her body. Intending to seduce him more, using her two fingers, she spread her pussy and said, "Little brother, look, my pussy is getting wet."

Hearing her words, he looked at her pussy, because she spread her pussy using her fingers, he could see her pussy hole and love juice dripping from her pussy.

"Ahh..." she moaned when she felt one of his finger in her pussy, moving wildly

"Wow, your pussy muscles squeezing my finger wildly like it won't let go my finger." he felt her pussy muscles squeezing his middle finger wildly as he moved his finger in her vagina.

"Do you like i---ahhh..." her moans became louder when he touched her G-spot using his finger, playing with it skillfully.

Because G-spot is part of the clitoris, her body was quivering the moment he played with her G-spot, and at that moment, she felt like her clitoris was stimulated by him.

Seeing her reaction, he was smiled and continued playing with her G spot gently. Using his other hand, he pressed the outside of her tummy, around her mons pubis, intending to give her more pleasure.

"Ahhh.." she moaned louder when he did that. her love juice started dripping faster from her genital area and some of her love juice also dripped on his hand.

"Do you like it Fei?" he asked, kissing her tummy gently

Using her hands, she rubbed his hair and haft-closed her eyes. "Yes. I love it. It's amazing. You're very good at this." she felt like she was in ninth cloud, making her bite her lips

"I'll make you feel better." he said as he began licking her clitoris while playing with her G-spot at the same time.

"Ahh... little brother,.ahhh it feels so good....ahhh...little brother...." she raised her head slightly while her hands squeezing the bed sheet, making the bed sheet become tangle.

She kept moaning louder and louder, no longer concerned with the employees who heard her moaned. Well because they had heard her moans yesterday so she no longer cared about their opinion.

As she moaned, she moved her head left and right. the feeling when he gently caressing her G spot and licking her clitoris at the same time was something that she couldn't describe with the word. She felt like she was in heaven, making her addicted to that feeling.

Because the pleasure she feels was too great, she couldn't hold it anymore and almost reached a climax

"Little brother, I'm cumming, I'm cumming, I'm cummingggggg " she screamed in ecstasy as she lifted her hips in a shape of an arc.

Chapter 62 - Sure. I Don't Mind It.

"Huft,huft,huft,huft." the sound of her breathing could be heard after she had climaxed.

"Little brother, you're the best. It feels so good. It felt like I was having an orgasm running up my spine," she stated ",now let me taste your huge dick too."

Saying that, she started taking off his clothes, at that moment, when she was taking off his clothes, she felt her hands moving slowly, making her want to rip his clothes off so she could see his perfect body and his huge dick quickly.

Hurry up, hurry up, hurry up, she said in her mind as she moved her hands faster, and when she was taking off his trousers, her hands suddenly stopped moving, her eyes widened and her mouth opened wide when she saw his erect dick.

What if this huge dick penetrates me roughly. she thought to herself.

Rising her head slightly, she gulped and said, "Little brother, lay down above me, I want you to put your huge dick in my mouth and move your waist, feel free to get rough as you like, just think about my mouth as if it's my pussy."

"Do you really want to do it rough?" he didn't mind it if she wanted to do it roughly but he wanted to make sure first because not all woman likes to be treated roughly.

"Sure. I don't mind it. I like rough sex too" she said.

Hearing her words, he immediately hover her on all fours with his knees by her ears.

After he hovers her on all fours, she immediately started licking and kissing the tip of his dick, "Ahh. Mr. huge dick, welcome back to my little mouth, feel free to penetrate my mouth roughly"

Hearing her words, the corner of his lips twitched, "You really like talking with my dick, huh?"

"Yes." she said "Because your dick is a part of your body and it always gives me a pleasure."

"It looks like you can't live without my dick anymore, huh?" he said jokingly

"Yes, your dick is huge and you know how to use your dick. I never feel so much pleasure in sex in the past, it makes me love your dick more and more. I think I can't live without you and your dick anymore, so because of that, I'll make you can't live without my body too." every time she had sex with him, she felt so much pleasure, it's the first time she felt pleasure like that, making her want to have sex with him every day. That's why she always seduced him, to make him have sex with her every day.

Because of that, not only she feels pleasure, she also can make him addicted to her body. It feels like hitting two birds using one stone, it's a big win for her.

"Hehe, looks like my dick already conquered your body. It makes m—ooh" he groaned when he felt that she suddenly started licking and sucking his most sensitive part of his dick.

Knowing that she started licking his dick, using both of his hands, he spread her legs and started licking her pussy too.

"Ahhh... " she moaned when she felt that he was licking her clitoris while playing with her pussy too.

She started playing with his testicle using her left hand while the tip of his dick in her little mouth and used her tongue skillfully to stimulate his dick.

He kept licking in light motion across her sensitive part. His movement was light and unpredictable like he wanted to tease her.

"Ahhh.....ah...." she let out soft moans

Not long after that, he started moving his waist, thrusting his huge dick deep inside her throat. When he thrust his dick inside her mouth, she lifted her head slightly, making his dick to easily get deep inside her throat.

Because his dick is huge and long, not long after he thrust his dick deep in her throat, she started having a hard time to breathe but she didn't intend to stop him from moving his dick.

She let him do as he wanted with her mouth and only closed her eyes. As he moved his hip, her hands which already on the bed were in a sharp angle, and her big and beautiful pair of breasts moved up and down as he thrust his dick.

Saliva already dripped from her mouth, and unconsciously she started moving her hip up and down.

Because she was lifting her head, her tears fell down her ears, at this time, he knew that she needs to breathe badly so he stopped moving his waist and looked at her.

Using her right hand, she took out his dick from her mouth and said, "Why did you stop moving your hip?"

"Because you need to breathe right? you seem to have a hard time breathing." he knew she was having a hard time breathing because he heard that, she was like, wanting to puke and there was a tear in her eyes.

"I didn't know that you paid attention to me too, even though you seem busy licking my pussy earlier," she thought that he wouldn't stop until he cums in her throat when she said that he could do what he wants with her earlier so, she was shocked when he suddenly stopped moving his hip and let her take her breath.

"Well, I don't want something bad to happen to you," sure he liked rough sex too but not to the point of hurting his partner that's why he stopped moving his hip when he knew that she needs to breathe.

"I'm fine now, you can move your hip again," she said as she put his huge dick in her mouth again.

"Alright," he said as he started moving his hip again, making his dick deep inside her throat again.

This time, she moved her head up and down, following his rhythm. Not long after that, he felt like he was about to climax so he moved his hip faster and faster.

"Ah...ah...ah...." she couldn't move her head again and closed her eyes when he moved his hip faster.

"Cumminngggggg." he said as he thrust his whole dick in her throat.

She opened her eyes when she felt that his sperm was running down in her throat. When he finished ejaculating, he started taking out his dick from her mouth slowly.

When he started taking his dick from her mouth slowly, using her tongue, she started cleaning his dick and made it clean.

GULP GULP

The sound of her drinking his sperm when she cleaned his dick could be heard.

"Ahh. It's already clean, little brother." she said after she finished cleaning his dick. "And your dick is still going strong. Do you want to immediately have sex with me?"

"Sure" he said

Chapter 63 - It's A Secret

Hearing his words, she smiled and said, "Little brother, let me be on top this time."

"Sure," he said as he laid on his back

Using her left hand, she placed his dick in her vagina entrance. After rubbing his dick in her vagina entrance several times, she lowered her body slowly.

"Ahhhhh" she moaned when his dick hits the entrance of her womb.

After his dick entered her pussy, with the help of her both hands which she placed on his chest, she started moving her hip up and down.

Moans escape from her mouth, and her beautiful breast swayed every time she was moving her hips.

Seeing her breasts which were swaying every time she moves, using both of his hands, he squeezed her breast and started playing with her nipples.

"Ahhh." she moaned louder when he's pinching and pulling her nipples.

Looking at him lustfully, she lowered her upper body and opened her mouth while still moving her hips. Seeing her like that, he knew that she was asking for a kiss so he stopped his hands which were playing with her nipples and wrapped it around her back as he kissed her.

As they kissed, using both hands, she touched his cheeks, wanting to become the dominant side in the kiss while still moving her hips. Knowing she's still moving her hips, his hands that were wrapping around her back moved to her hips, intending to help her move her hips.

"Mmmhh" she let out soft moans.

When he helped her with moving her hips, his dick which is already deep inside pussy, entered deeper again, making half of the tip of his dick penetrate her cervix.

They kissed around two minutes before she finally broke the kiss and stopped moving her hips
"Hehehe,"

"What is it? why are you laughing?" he asked her curiously. Seconds ago, she let out multiple moans and now she suddenly stopped moving her hip and laughed, making him curious about what was in her mind.

"Nothing, I'm just happy right now." she said as she smiled. At that moment, she was really happy because, when they were having sex and became one, she could feel his warmth, making her feel like she was the closest and most important person to him.

She knew that in his heart, even though he treated her nicely, she still hasn't gotten a special place in his heart, their relationship is only in physical contact, that's why, when they were having sex at that moment, she felt like he is hers and she is his important woman.

"Why?" he asked again.

Did she really like having sex with me? added him on his head.

"It's a secret" she winked.

"Oh! Now you dare to play mysterious to me, huh?" he said as he pinched her nose

"Hehe. Of course, if you were curious about me, you will think about me and won't forget about me." she said as she giggled "Alright, let's continue."

Saying that, she slowly leaned right backward, supporting herself on the bed with her hands behind her back.

Once she was in that position, she started grinding on him by thrusting her hips forward and backward.

"Ohhh." he groaned when suddenly she changed her movement from grinding on him to the rotation.

She kept changing from grinding to the rotation for a few minutes before she suddenly stopped moving her hips and asked, "Little brother, does it feel good?"

"Yes, you're very skilled at this." he said, touching her clitoris using his right hand

"Ahhh... I'm glad you like it....ah...." she moaned as she raised her head when he rubs his thumb up and down gently on her clitoris.

"I'll drain up your sperm today." she said as she turned around, making her sit with her back facing him.

Leaning forward, she placed her hands on the bed and started moving her hips again. Immediately, multiple moans escape from her mouth, her love juice was also dripping on her thighs and the sound of her pussy being spread open by his huge dick echoed in the room.

After a few minutes of moving her hips, Xiao Tian raised his upper body and stood on his knees.

"Kyaa!" she was surprised when he suddenly stood up on his knees, making her head fell on the bed.

"Aaah... so fast....ah....it feels so good...ahh..." she let out multiple moans

As he kept moving his hips, at that position, he could see her ass hole. When he saw her cute ass hole, a smile appeared on his face.

"Ahhhhh..... it feels good...ah... it felt good when little brother is playing with my ass hole while thrusting your dick deep in my pussy...ah..... more.... Ahhh... play with my ass hole more...ah.... " she moaned louder when she felt that he was playing with her ass hole using his thumb.

"So you like it when I played with your ass hole while thrusting my dick deep in your pussy, huh Fei?" he asked as he teased her

"Ah...yes... I like it very much....ah.... it feels so good....ah... more...ah..." at that time, the sheet was already soaked from her saliva and some of it touched her left cheek but she didn't mind it because she already lost herself in pleasure.

Seeing her like that, he suddenly stopped moving his hip and pulled out his dick. Feeling him pulling out his dick out, she turned her head and wanted to ask why did he stop but, before she could ask him, she suddenly felt his dick going inside her ass hole.

"Ahhhhhhhh." she moaned when he thrust his dick in her ass hole in one thrust "Ahh...ah...ah ...ah...."

"Which one do you like more? when my dick in your pussy or your ass hole." he asked, squeezing her ass and sometimes stretching her ass

"Both...it feels so good when little brother's dick is in my pussy or ass hole...ah..... it makes me addicted to this pleasure...addicted to your dick too....a..h...ahhh...little brother..ah...ah...." at that time, she felt so good every time he was thrusting his dick in her ass hole.

Because after she had anal sex with him under the table at the restaurant, she felt as if the dildo couldn't satisfy her anymore, and she also hopes that he would fuck her on her ass hole again.

So when he thrust his dick in her ass hole again, she was so happy because she could feel that amazing feeling again, a feeling where a great pleasure runs through every inch of her body whenever he thrust his dick in her ass hole.

Lowering her upper body, he moved his hand and squeezed her breast

"Ahhhhh.... " she raised her head a little when he squeezed his breast.

As he kept thrusting his dick deep in her ass hole, she kept opening her mouth and let out her tongue while sometimes moving her tongue like she was licking something

Several minutes later, he felt like he was about to cum so he grabbed her ass again and moved his hips faster, making her moaned faster too

"I'm cummingggg....." he said as he cum inside her ass hole.

After he finished cumming inside her ass hole, he pulled out his dick and lied on his back next to her.

"It feels good Fei," he said as he looked at her

"Yes. it felt good for me too" she said as she smiled

Saying that, she immediately prone on top of him. after prone on top of him, using her right hand, she grabbed his dick and put it inside her pussy again.

"Hmmm." she let out a soft moan. Even though his dick is already shrinking a little, but she could still feel it when she put his dick inside her pussy.

"What is it? Do you want to continue?" he asked when he saw her putting his dick inside her pussy again.

"I want to talk with you while still being connected like this." she said "Also, I'm fine if little brother wants to continue to have sex again."

"Oh, I thought you wanted to have sex again" he said as he smiled

"I feel so close with you, little brother if we talk while still connected like this." she happily said. Even though they didn't move their bodies, but with his dick deep inside her pussy, she could feel the closeness of their body.

Chapter 64 - You're No Match For Me

7-9 minutes

After Xiao Tian and Shi Fei had sex, they immediately put their clothes on and headed to his office room to discuss their plans. Not long after that, the sound of someone knocking on the door could be heard.

KNOCK KNOCK

The employee knocked on the door, asking for permission to enter the room

"Come in," he said after hearing a knock on the door.

"Sir Xiao, your mother, and aunt came to visit you." the employee said politely.

"Thank you," he said as he smiled "You can leave now."

hearing his words, the employee immediately left the room.

"Mother, aunt. Why didn't you tell me beforehand if you all wanted to visit my company?" Xiao Tian asked as he smiled. "Come here, sit next to me."

Xiao Tian was surprised when his mother and aunt suddenly visited him.

luckily, they came after I finished having sex with Shi Fei, he thought to himself.

After Ye Qingyu and Ye Xueyin sat on Xiao Tian left and right side, Ye Qingyu, who sat on his right side, looked at Shi Fei, who sat not far from her. After seeing Shi Fei's sexy body from head to toe, Ye Qingyu looked at Xiao Tian and said, "Oh, now I know why you're enthusiastic to go to work so, this is the reason huh?"

Hearing his aunt's words, the corner of Xiao Tian's lips twitched. He then brought his face closer to her right ear and whispered, "What is it? Are you jealous?"

"No" Ye Qingyu said as she turned her head to another side, trying to hide her jealous face.

Seeing Ye Qingyu's cute reaction when she denied it, he whispered again "You look so cute when you act like this"

"Tian, stop it. your employee is watching us." whispered Ye Qingyu.

"You don't need to worry about Shi Fei." Xiao Tian whispered.

Seeing that, Ye Xueyin grabbed Xiao Tian's left hand and said, "Tian, what are you talking about?"

"Nothing." Xiao Tian said as he smiled

"Stop whispering! it's unfair because mother, doesn't know what you're talking about!" Ye Xueyin said, shaking his left hand.

Seeing his mother's reaction, Xiao Tian smiled and stroked her hair "Alright, alright. I won't whisper anymore."

"Good!" said Ye Xueyin as she smiled

Seeing how intimate they were, Shi Fei opened her mouth and said, "Wow, you're so close to your family, CEO Xiao."

"Yes, we are very close, isn't that right mother, aunt?" Xiao Tian asked, looking at his mother and aunt

Hearing his word, Ye Xueyin nodded and smiled while Ye Qingyu lowered her head and looked at the other side. Ye Qingyu knew what he means when he says ' they're very close ', that why she refused to answer and only lowered her head

"Fei, get my mother and aunt a cup of green tea and biscuit." Xiao Tian asked abruptly

hearing his words, Shi Fei immediately headed to the kitchen.

"So why did you two come here?" Xiao Tian asked curiously

"Nothing because we have nothing to do at home, we decided to see your company." Ye Xueyin said before she stopped talking for a moment and continued "Hehehe. ' Stars Clothes ', Not bad Tian, not bad."

When Xiao Tian heard his mother say 'star clothes', he wanted to dig a hole and hid there forever but, because he had used the name ' Stars Clothes ' as his company name, clearing his throat first, he looked at his mother and said " ehm.. mother, the reason I used the name ' Stars Clothes ' is that I want to make your coffee shop more famous. Ehm, you know, when people hear ' Stars Clothes ', they will remember your coffee shop so, mother coffee shop will become more famous and get more cosumers, with that, you'll happy, right? I'll do anything to make mother happy, including naming my small company with the same name as mother coffee shop's name."

"Is that so?" asked Ye Xueyin as she giggled.

Ye Xueyin didn't mind her son named his company ' Stars Clothes '. She was happy when she knew that Xiao Tian's company name is Stars Clothes but, at that time, she just wanted to tease her son.

After her son came home with Lin Xing Xue, he was changed, making it difficult to tease him again because, he always knows how to answer, unlike her son in the past, who always blushed every time she teased. That why, when there was a chance to tease him, without a second thought, she would tease him.

But when Ye Xueyin heard his words, she was disappointed because as usual, he always knows how to answer everything.

Using his left hand, Xiao Tian touched his mother's cheek and smiled beautifully "Of course. You mean the world to m—no, honestly I can't describe how important you are to me. if I were to write how important mother to me, I'll die before I finish it."

hiihi. My bastar—no, no, my ass—bah, I mean, my previous father had taught me how to handle in this kind of situation. You're no match for me, mother, he thought to himself.

Hearing his words, Ye Xueyin was stunned for a few seconds before she hugged him and said, "Tian, you're very very very veryyyyyyyyyy important to mother too. Mother wants to spend time with Tian forever and ever."

Ye Qingyu who saw them like that smile beautifully, she was happy when she saw her big sister happy.

"Oh right, in a few days, I want to go to central Shanghai. I want to find a strategic location to open my first offline shop. Do you two want to go with me?" Xiao Tian changed the topic.

"Tian, why do you want to open the shop so quickly? and you want to open your first shop in central Shanghai too? is not that very expensive? Do you have money for that?" Ye Qingyu asked worriedly

Ye Qingyu knew, that he got a lot of orders on his online shop but, she thought, it was too soon for him to open his first offline shop because he only started his business in a few days.

Ye Qingyu knew, that he made a fortune within a few days after he started his business but, she thought, it'd be wiser if he used the profit money for buying the material for the clothes or hiring more employees than using the money to open the shop.

Hearing his aunt long question, Xiao Tian only smiled. He knew that his aunt was worried, and didn't want him to waste his profit money to immediately open his shop.

"I know you worried but, believe me, I know what I have to do, and in my online shop, there are a lot of people who ask me about the offline shop. They want to look at the clothes directly and try it on." Xiao Tian said seriously as he looked at her eyes.

"But, why do you have to open it in central Shanghai? why not open it near here?" Ye Qingyu asked

"That's right, Tian. Just open your shop near here?" added Ye Xueyin, agreeing to her little sister's suggestion

"Don't worry, central Shanghai is not far from here, only takes thirty minutes," Xiao Tian said

"But – " before Ye Xueyin had finished her words, she was interrupted by him

"If I open my first shop in strategies place, a lot of customers will come to my shop because it's easy to find, and if I give a discount for a few days after I open my shop, it will attract more people to my shop," Xiao Tian explained it to his mother "And I'll also promote it on my online shop. I also want to add a few features in my online shop to attract more people to buy my clothes. mother, success is already in my hands, I only need to hold it tightly."

"So, do you two want to go with me?" Xiao Tian asked again

"Un" Ye Xueyin and Ye Qingyu nodded at the same time.

Chapter 65 - Anything For You, Mother

5-7 minutes

"Really?" Xiao Tian asked them. he was happy upon hearing they agree to accompany him later.

"Yes" Ye Qingyu and Ye Xueyin answered in unison.

Shi Fei knocked on the door before she entered the room. after placing the green tea on the table, she sat on the couch and said, "Sorry for late introducing myself, my name is Shi Fei and I work as a manager on this company. It is a pleasure to have met you."

"Hello, my name is Ye Xueyin. I'm Xiao Tian's mother. It is a pleasure to have met you" Ye Xueyin said

"Hello my name is Ye Qingyu. I'm Xiao Tian's maternal aunt. It is a pleasure to have met you" Ye Qingyu said

"After seeing your mother and maternal aunt, now I know why CEO Xiao is handsome. It seems like it flowed from family" actually, Shi Fei was shocked when she saw Xiao Tian's mother and aunt. Xiao Tian's aunt is so beautiful, Xiao Tian's aunt is like a model while Xiao Tian's mother, even though she is a mother of a nineteen years old young man, she is like beautiful like a rich mother who spends all her time taking care of her appearance.

"Thank you" Ye Xueyin said

"So you're the one who helped my son when he made dresses and built his online shop" Ye Xueyin asked

"Yes. I'm happy because I can participate in makes the beautiful dresses and built an online shop for lit—I mean for Sir Xiao" Shi Fei almost called him little brother again because, she used to call it but, at that time she was wondered, was it alright to call him little brother in front of his mother and aunt when they were at the office. Shi Fei didn't want to look like an unprofessional person who call her big boss by his name.

"I hope you feel comfortable working with my son," Ye Xueyin said as she smiled

"I'm comfortable working with CEO Tian, he always cares for his employees and make his employee feel happy working under him," Shi Fei said

"Oh, he cares for his employee?" Ye Qingyu asked abruptly

"Yes, CEO Xiao care for his employees." Shi Fei said as she nodded

"What is it, aunt? Did you think I'll treat my employees badly?" Xiao Tian said, looking at his aunt.

"Well, you're still young so, aunt thought, you'll be a selfish boss, and not thinking about the feeling of your employees," actually, that was the one that worried Ye Qingyu the most. Xiao Tian was still young and that is his first time running a business too, so Ye Qingyu thought, he wouldn't know how to treat his employees well and manage everything.

Ye Qingyu was surprised hearing Shi Fei say that Xiao Tian treated his employees well, making Ye Qingyu had a hard time believing it.

It's not that Ye Qingyu thinks badly about her nephew but usually, a young man around his age is selfish and only thinking about himself.

"Well, mother, actually has the same feeling with Qingyu," Ye Xueyin said honestly

Hearing his mother's words, Xiao Tian turned his head toward his mother and said "What? mother think like that too?"

Shi Fei who saw Ye Qingyu and Ye Xueyin treating Xiao Tian like that, holding herself to not laugh. Shi Fei had no idea that Xiao Tian's family would think badly about him.

"Un" Ye Xueyin said as she nodded

Seeing his mother nodding her head, the corner of Xiao Tian's lips twitched. He sighed and said, "Mother, aunt. I know how to treat my employees. I'm not as bad as what you think you know!"

"Good if you know how to treat your employees," Ye Qingyu said

"Tian, sorry. it's not like mother think badly about you, it jus—" before Ye Xueyin had finished her words, she was interrupted by him

"It's alright mother, I know what you mean." Xiao Tian said as he looked at his mother lovingly.

After that, they talked about many things before finally, Shi Fei's smartphone ringing.

"Excuse me. I want to accept this call." said Shi Fei before she left his office room.

Not long after that, Shi Fei returned to his office again and said, "Lit- CEO Xiao. Please read the document on the table. That's all the information you asked me before. I have to go to meet a client right now."

"Alright, I'll read it. be careful." he said

"Un." Shi Fei nodded "I'll leave first Miss Ye Xueyin, Miss Ye Qingyu."

"Be careful." said Ye Xueyin and Ye Qingyu at the same time.

"I want to read this document first, so just sit over there. If you need something, you can tell me." Xiao Tian said as he sat on the work chair.

After Xiao Tian read a document for a few minutes, suddenly Ye Xueyin walking toward him. using her right hand, she raised his left hand and sat on his lap.

When his mother sat on his lap, Xiao Tian wrapped his hands around her waist and leaned his head and her shoulder "What is it, mother?"

Ye Xueyin holding his arms that wrapped on her waist and said, "No. Mother just wants to sit on Tian's lap. Tian, you're only reading this document right? So, mother think, it's fine if mother sit on your lap while you're reading this document"

He kissed her right cheek and said, "anything for you mother"

After he kissed her right cheek, she touched her right cheek that he just kissed using her right hand. Turning her head, she smiled and kissed his left cheek.

After she kissed his left cheek, he smiled and kissed her right cheek again. After he kissed her right cheek again, she kissed his right cheek again. they did it several times.

Ye Qungyu who saw that don't know whatever she wants to laugh or cry before finally, she decided to ignore them.

Chapter 66 - WOW

Yesterday, after Xiao Tian finished his work, he went straight home with his mother and aunt. Because it was already 07.00 p.m, when they get home, they immediately had dinner together in the living room.

after they had dinner, they headed to Xiao Tian's bedroom to do SHAKE-SHAKE-AHH-AHH thing for several hours, before finally, Ye Qingyu and Ye Xueyin headed to their bedroom, because they didn't want to disturb Xiao Tian who was working after they finished having sex.

In the morning.

ZZTTT.....ZZTTT....ZZTTT...

Xiao Tian's smartphone, which was on the bed, vibrated, as a sign of someone called him.

"Ahhhh. Who is calling me this early?" Xiao Tian was angry upon hearing his smartphone vibrated.

still in a state of closing his eyes, Xiao Tian searched for his smartphone that was in bed using his right hand.

After finding his smartphone, without seeing who called him on the smartphone's screen, Xiao Tian received the call and said with the sleepy tone, "Who is this?"

"Little brother, are you still sleeping now?" a melodic voice rang out through his smartphone.

Hearing the melodic voice, Xiao Tian knew who call him. still with a sleepy voice, he answered "Oh, big sister Yun. What's up?"

"Today, my work schedule is empty so, I want to go to your company. I'll come to your house first so, we can go to your company together," Yun Xin Er said.

"Alright, I'll wait," Xiao Tian said with a sleepy voice

"Hurry up and wake up, after that, take a shower so, when I get to your house, we can go straight to your company," Yun Xin Er said when she still heard his sleepy voice.

From his voice, she thought, he would go back to sleep after she hung up, which was why she told him to get up quickly and take a shower.

Gosh. Who are you to tell me to take a shower right away? are you my wife? I'm still sleepy now because I only slept for two hours. He thought to himself but ...

"All right. I'll get up and take a shower. I'll wait for big sister Yun in my house," Xiao Tian said

"Good. This big sister likes it when younger brother hears this big sister's words," Yun Xin Er was satisfied upon hearing his words, "Okay, I'll hang up first"

"Okay," he said with a sleepy voice

TUT

She hung up the phone. After she hanging up, he threw his smartphone on the bed and said, "I don't care, I want to sleep again, I'm still sleepy"

One hour later-----

KNOCK KNOCK

Hearing someone knock on the door, Ye Xueyin immediately headed to the guest room to open the door.

CLICK

When Ye Xueyin opened the door, she was stunned, because the person she saw was Yun Xin Er.

What is this? why did Miss Yun come to my house this early? Ye Xueyin thought to herself

When Yun Xin Er saw Ye Xueyin who was stunned and did not say a single word, Yun Xin Er decided to say something first, "Good morning, Miss Ye. I want to meet little brother Xiao Tian."

Ye Xueyin immediately came to her senses upon hearing Yun Xin Er's words. With a smile on her face, Ye Xueyin said, "Good morning Miss Yun. Please come in."

"Thank you," Yun Xin Er said as she smiled

After Yun Xin Er sat on the couch in the guest room, Ye Xueyin smiled and said, "Please wait a moment, I will make you a cup of tea and bring some biscuits."

"There's no need Miss Ye because I won't be here long. I came here because I wanted to see little brother's company and go to his company together with him," Yun Xin Er said

"But Tian is still sleeping now," Ye Xueyin said

"What?" Yun Xin Er said in surprise.

Hearing Ye Xueyin's words, Yun Xin Er wanted to head to Xiao Tian's bedroom and pinch his cheek.

Little brother, you told this big sister that you would wake up and take a shower after this big sister hung up but, your mother told me that you are still sleeping now. You dare lie to this big sister, huh, it looks like this big sister has to teach you a lesson later, Yun Xin Er thought to herself.

"Last night he helped me and Qingyu with something, after helping us, he immediately worked on something," Ye Xueyin explained everything to Yun Xin Er.

"Helping miss Ye with something?" Yun Xin Er asked

So, last night, he helped his mother and aunt... alright, because this big sister has a big chest, this time, big sister will forgive little brother for lying, thought Yun Xin Er to herself

[it should be ' big heart' but, I want to make it look like a joke so, I wrote it as ' big chest ']

"Yes, Tian helped us with something," Ye Xueyinsaid . Suddenly a flash of memory of her having sex with her son popped into her head, making her face beet-red like a tomato. shaking her head, she changed the topic "Please wait a moment, I will wake him"

"There's no need, Miss Ye, just let him sleep a little more, I'm fine waiting a little more. My work schedule is empty so, I have free time," Yun Xin Er said .

Hearing Yun Xin Er's words, Ye Xueyin immediately said, "Alright then. I'll make a cup of tea and bring some biscuits. please wait a minute."

"Sorry to bother you, Miss Ye" at that time, she was in an awkward position, because when Ye Xueyin wanted to serve tea and biscuits to her earlier, she refused but, now she had no choice but to accept because Xiao Tian was still sleeping

"It's okay," Ye Xueyin said before she headed to the kitchen.

After serving tea and biscuits, Ye Xueyin headed to the kitchen because, at that time, she was cooking for breakfast. that day, she woke up late, that why, she hasn't finished cooking for breakfast.

Thirty minutes had passed since Yun Xin Er arrived and sat on the couch but he was still sleeping.

"Aaaaaa .." Stretching out both hands, Xiao Tian finally woke up. at that time, he was only wearing shorts pants

After waking up, he immediately headed to the dining room because he was thirsty, at the same time, Yun Xin Er headed to the living room, because she wanted to ask something to Ye Xueyin.

When Yun Xin Er was heading to the living room, Xiao Tian also headed to the living room after he finished drinking water. Not long after that, they met in the living room.

When they met, they looked at each other for a few seconds before finally, Yun Xin Er lowered her head, looking at his bare chest.

His muscles are perfect and very attractive. because he was shirtless, his natural charm was immediately revealed.

"Wow," said Yun Xin Er upon seeing his perfect upper body

Chapter 67 - Yes, This Big Sister Likes It

6-7 minutes

Xiao Tian was surprised upon seeing Yun Xin Er in the living room, suddenly, flashes of memories appeared in his head, flashes of memories where Yun Xin Er called him in the morning and told him that she would come to his house to see his company with him.

Remembering that, the corner of Xiao Tian's lips twitched. this morning, he told her that, he would be ready when she arrived at his house later but, not only was he not ready but, he had also just woken up.

"Good morning big sister Yun." Xiao Tian said as he smiled beautifully.

although Xiao Tian knew that he was wrong because he had made Yun Xin Er wait for him, he still acted calmly as usual and did not rush to explain everything to Yun Xin Er, he even acted as if he had done nothing wrong.

"Good morning, my ass?! Huu huu... I remember, someone telling me that he would be ready when I arrived at his home later but, it seems that person is lying to me. It makes me sad" Yun Xin Er said as she pretended to cry and wiped her eyes using her sleeve, even though there were no tears in her eyes.

Hearing her words, Xiao Tian wanted to give her an excuse "Big sister Yun, actually I-----"

But before he had finished his words, he was interrupted by Yun Xin Er "You don't need to lie, your mother told me that you were still sleeping when I came here."

Actually, Xiao Tian had prepared an excuse but because she knew the truth, he could only smile awkwardly.

"But because this big sister has a big breast, I will forgive you" Yun Xin Er said as she smiled. walking closer to him, she touched his stomach before working her way to his chest and continued "By the way little brother, I don't know that little brother has a good body."

When Xiao Tian felt her touch on his left chest, he grabbed her hips using his right hand and pulled her to him, making their body touches each other. After that, he brought his face closer to her face and smiled, "Do you like my body, big sister Yun?"

When he did that, she didn't try to let go of his hug or did anything to him, she even looked back into his eyes and smiled seductively "Yes, this big sister likes it."

She wasn't shy when they were in that position even though at that time they were at his home, which meant, his mother or aunt could suddenly appear and see what they did in the living room.

hearing her words, he brought his face to her left ear and said, "Wow, big sister Yun, you admit it?! I thought, big sister Yun won't admit it."

"This big sister has been like this since this big sister was born. I'm not going to lie to something that I like." she said seductively and paused for three seconds, before she continued, "More importantly, are you sure you still want to continue talking in this position? What if your aunt or mother sees us?"

"Ohhhh. don't tell me, big sister Yun is afraid that my family sees us in this position?" he said, teasing her.

But it seems Xiao Tian underestimated Yun Xin Er, because what she said after that was something he had never thought of.

"Sure. Let's continue talking in this kind of position. In this position, this big sister can feel little brother's perfect body directly." she said, making a circle on his left chest using her right hand.

Interesting. Let's see how far she will continue behaving like this, Xiao Tian thought to himself

Suddenly he brought his face closer to her face, he wanted to know, will she stop him if he wanted to kiss her. inch by inch his lips were coming closer to her lips but when his lips were around two centimeters from her lips, using her index finger, she stopped him from kissing her.

"It's too fast for little brother to kiss this big sister's lips." she said as she smiled.

He was dumbfounded by her words and he looked at her with disbelief.

Too fast? So she doesn't mind if it's in the future? what the hell is wrong with this woman? Usually for women, when a man they just meet wants to kiss them, they will slap them. I was even ready to get slapped but not only she didn't slap me, she even says it's too fast. Is she really like my song that much and want to get a song from me again? He thought to himself.

"Too fast?" he said. using his other hand, after he moved her index finger from his lips, he touched her chin and raised slightly "So, I can kiss big sister's lips in the future?!"

"Who knows, it depends on how little brother makes this big sister happy." she said as she smiled.

Knowing her character, he knew that she only said it half true and half lie but.....

Using his thumb, he rubbed her beautiful pink lips gently and said, "I can't wait for that moment to come. I want to know, how do big sister's beautiful pink lips feel like."

"If little brother wants to kiss my lips, little brother has to give your best to make me happy, maybe I'll allow Little brother to kiss my lips someday." she said as she smiled.

"How about I compose five songs for big sister and one song for free, Can I kiss big sister's lips after that?" he whispered in her ear

"Maybe" she said

Even though you will pay me 500,000 RMB later, but what you will earn is worth millions of RMB, so does she mean, one kiss on her lips is worth a million RMB? Xiao Tian thought to himself

Xiao Tian suddenly let go of his hug and said, "Alright big sister, I'll take a shower first, after that we can go to my company together."

"Don't take a long time when you take a shower, understand?" she said as she winked her left eyes.

Hearing her words, he bowed a little and said, "As you command, my princess."

Seeing him act like that, she covered her mouth and giggled.

This Yun Xin Er is sure interesting. mmmffff. should I make her mine too? He thought to himself.

Chapter 68 - No, He Is Ugly, Fat And Smell Bad

8-10 minutes

After bathing, Xiao Tian, who dressed neatly, headed to the guest room. At that time, he didn't eat breakfast, because Ye Xueyin still hadn't finished cooking breakfast.

After Yun Xin Er bid farewell to Ye Xueyin, Xiao Tian and Yun Xin Er went to Xiao Tian's company by driving Yun Xin Er's BMW 8i.

Upon arriving at Xiao Tian's company, the employees, who happened to be in the company yard, stopped what they were doing when they saw the BMW 8i parked in the company yard.

Curiosity suddenly arose in the hearts of employees as soon as they see a luxury car parked in the company yard.

The employees continued looking at the BMW 8i, waiting for the person inside the car to come out.

After the person inside the car got out, the employees were shocked and widened their eyes in disbelief.

They rubbed their eyes several times to ensure, that the person they saw was really the famous singer Yun Xin Er.

After the employees were sure that the one in front of them was Yun Xin Er, they immediately surrounded her. Xiao Tian, who was standing nearby was immediately pushed back by his employees.

The corner of Xiao Tian's lips twitched when he saw his employees surrounding Yun Xin Er, while at the same time, Yun Xin Er had a worried face.

Although Yun Xin Er covered most of her face with a scarf, the employees still recognized her.

Seeing Yun Xin Er in a difficult situation, Xiao Tian cleared his throat and said, "Okay everyone, please stop that. You scared Miss Yun with your actions. If you want an autograph from Miss Yun, you can get it later. Miss Yun has an important business in our company so please don't make Ms. Yun afraid or she will not come to our company again."

Upon hearing Xiao Tian's words, one of the employees said, "Really? so, in the future, can we meet Miss Yun Xin Er again?"

"Of course. That's why, don't make Miss Yun frightened by your attitude. If you keep behaving like this to Miss Yun, there is a possibility that Miss Yun won't come to our company anymore, and you won't be able to see your beautiful idol anymore. all of you don't want that to happen, right?" Xiao Tian wanted to make sure that the employees would leave Yun Xin Er alone because he felt pity seeing Yun Xin Er's face when she was surrounded by his employees.

Hearing Xiao Tian's words, the employees started returning to work one by one before finally, all the employees returned to work.

Although they still wanted to be with Yun Xin Er and ask many questions or ask for an autograph, they withhold their intentions because their boss told them that Yun Xin Er would come again in the future, so there was still time to ask for an autograph or something like that.

"Huft. How can they still know me? I have covered most of my face with a scarf but they still recognize me." Yun Xin Er was relieved when the employees returned to work. She had no idea that the employees would still recognize her even though she had covered her face.

"As expected of big sister Yun. You're really popular. Even though you are covering most of your face with a scarf, they still recognize you" Xiao Tian laughed loudly when he remembered Yun Xin Er's expression when she was surrounded by his employees. At that time, Yun Xin Er was not like her usual self, who liked to seduce, but like a little girl, who gets lost in a crowd.

"Hmf! Let's go to your office." Yun Xin Er was unhappy upon seeing his behavior.

"Alright." he said as he laughed

With a pouting face, she followed him to his office. After they were in his office room, she immediately sat on the couch.

Not long after that, one of Xiao Tian's office boys knocked on the door. After Xiao Tian gave permission to enter, the office boy immediately entered his office, and after office boy placed the tea on the table, the office boy immediately left Xiao Tian's office.

"Please enjoy the tea. After that, I'll accompany you to see my company." he said as he smiled

After they talked for about ten minutes, someone knocked on the door again.

"Come in." said Xiao Tian, giving permission to enter his office.

CLICK

The sound of the door being opened by someone could be heard. After the door was opened, a beautiful mature lady and a sexy lady entered Xiao Tian's office.

"Good morning, little brother." Shi Fei said as she smiled

"Good morning, Tian." Lin Xing Xue said as she smiled

"Little Xue, Fei," when he saw Lin Xing Xue in his office, he could not help but smile.

While at the same time, Shi Fei and Lin Xing Xue were stunned when they saw Yun Xin Er sitting on the couch.

"Hello." Yun Xin Er said as she smiled

"Hello," Lin Xing Xue said and Shi Fei in unison.

"Not bad, little brother. Not bad," Yun Xin Er said, hitting Xiao Tian's chest using her right hand.

Yun Xin Er was surprised when she saw Lin Xing Xue. They had met once when she pretended to be his girlfriend. She had no idea that Li Xing Xue worked under him too.

And when Yun Xin Er looked at Shi Fei, suddenly for the first time in her life, she was jealous of how perfect Shi Fei's body was.

Even though Yun Xin Er's body was perfect, but compared to Shi Fei's body, her body was slightly inferior to Shi Fei's body. Yun Xin Er had never seen a perfect body like Shi Fei's body before. That was why when she saw Shi Fei's body, a feeling of envy suddenly erupted in her heart.

Upon seeing Yun Xin Er and Xiao Tian sat on the couch that's arranged in 'L' shape, Lin Xing Xue and Shi Fei decided to sit on Xiao Tian's right and left side.

"What brings you come here, Miss Yun?" Shi Fei asked abruptly.

Like all of the employees when they saw Yun Xin Er, Shi Fei was also surprised when she saw Yun Xin Er in Xiao Tian's office.

"Nothing. I just want to see his company." Yun Xin Er said as she smiled

"Wow! You're lucky, little brother." Shi Fei said

"You're right, Fei." Lin Xing Xue said, "Oh... Miss Yun, congratulation. Your album is a big hit."

"Thank you," Yun Xin Er said as she smiled.

"Miss Yun, I really like your song called 'illusion'. That song is a masterpiece. Even young people to old people know about the song." Lin Xing Xue really liked that song. That was why when she met with the singer of the song, she couldn't help but say it.

After hearing Lin Xing Xue's words, Yun Xin Er immediately looked at Xiao Tian. She giggled because she knew that he couldn't tell his lover that he was the composer of the song. Upon thinking about it, Yun Xin Er almost could barely contain herself from laughing and began pitying him.

When Xiao Tian saw Lin Xing Xue's behavior, he gave a cough and said, "Cough. Little Xue, you want to know about the composer of the song you like, right?"

"Un" Lin Xing Xue nodded her head

"I'll prove to you that what I said to you is the truth," he spoke and paused for a second. then he turned his head toward Yun Xin Er and continued, "Big sister Yun, the composer of the song called illusion is handsome, kind, popular, cool, respected by everyone, humble, polite, always helping people in need and the most important thing is he diligently saving his money, isn't that right?"

'Little Xue, even though I can't tell you that I'm the composer of the song you like the most, at least I will feel happy when you know how perfect I am. Hehehe.'

Xiao Tian smiled and laughed in his head.

Yun Xin Er shook her head and said jokingly "No, he is ugly, fat, smell bad, his room is a mess, to put it in short, he is never taking care of his body or his room."

Hearing Yun Xin Er's words, the smiled was frozen on his face.

Noooooooooooo, don't ruin my good image in front of Ling Xing Xue..... He shouted in his head.

Suddenly he remembered something.

Wait a minute. they didn't know that I am the composer of the song, so my good image is still not tarnished. thanks God. Sigh. Looks like this woman needs to be punished. if she ruins my good image again, I will beat her ass until she begs for mercy, he thought to himself

Chapter 69 - What A Pity

7-8 minutes

"Really?" Shi Fei and Lin Xing Xue asked in surprise

They were surprised by Yun Xin Er's words. They thought the composer of the song was a handsome young man or at least a normal young man.

Yun Xin Er, who saw their reaction, laughed in her head. She turned her head to see Xiao Tian's reaction. after looking at Xiao Tian, who was sitting like a statue, she touched her stomach and could barely contain her laughter.

"Miss Yun, is there something funny?" she was dumbfounded when she saw Yun Xin Er trying not to laugh. She was curious why Yun Xin Er suddenly wanted to laugh.

"Nothing, nothing. suddenly, I remembered something funny." Yun Xin Er said, giving an excuse.

Xiao Tian, who couldn't accept his image was tarnished by Yun Xin Er, immediately said "Fei, little Xue. Don't believe in big sister Yun's words. There is no way the composer of the song is that kind of person."

Hearing his words, Shi Fei and Lin Xing Xue turned their heads and looked at him

"How do you know the composer is not someone like that?" Lin Xing Xue asked

"That's right, little brother. You don't even know the composer. Miss Yun is the only one here who knows the composer" Shi Fei said

"Un. Un. I'm the only one who knows the composer between us" Yun Xin Er added. And after seeing Xiao Tian's reaction, she couldn't help but want to tease him even more.

"Little Xue, Fei. Let me tell you something. If the composer is that kind of person, there is no way he can create a masterpiece like that. isn't that right?" he said to Lin Xing Xue and Shi Fei, trying his best to make his image good again.

When they heard his words, they immediately nodded their heads. they thought if the composer didn't take care of himself and his place, the composer would have a hard time creating a masterpiece like that.

Xiao Tian was satisfied when he saw Lin Xing Xue and Shi Fei nodding their heads. He thought he managed to make his image good again while at the same time, Yun Xin Er stopped laughing and thinking about something.

"Tian, why are you trying so hard to make the composer have a good image?" Lin Xing Xue asked curiously. "You're not even the composer of the song?"

'Little Xue, I'm the composer of the song that you like so much. It's your lover who composed that song.'

He wanted to voice it out but he couldn't do it and could only sigh.

Suddenly Xiao Tian's smartphone rang and when he saw the person who sent him a message, he was dumbfounded. He was curious why Yun Xin Er sent him a message when she was in front of him.

When he opened the message and read it, his eyes twitched. the contents of Yun Xin Er's message was 'hahahahahhahahahaha'.

At that time, Lin Xing Xue and Shi Fei didn't know that he was reading a message because he opened it in secret.

Like an expert who memories all places on his smartphone, he replied to her message without looking at his smartphone and wrote it secretly.

"Well, because I think the composer is not that kind of person" Xiao Tian replied.

At the same time, Yun Xin Er got a new message from him. she immediately read his message

'Big sister, how can you do that to me? I'll make you pay for it later. Hehehehe.'

After reading his message she immediately replied.

'Ehhh, little brother, do you want to bully me? Hehe. This big sister wants to know what kind of bully you want to do to me later. Hehe. This big sister is looking forward to it.'

After Yun Xin Er replied to his message, Xiao Tian's smartphone immediately rang. when he read the message, an evil smile appeared on his face.

He didn't reply her message and put his smartphone on the table. After that, they were talking for about half an hour before finally Shi Fei and Lin Xing Xue returned to their office.

"Alright, let me accompany you to see my small company." he said.

"Alright." Yun Xin Er nodded

After Shi Fei and Lin Xing Xue left, she kept covering her mouth and laughing.

"Why are you laughing, big sister Yun?" Xiao Tian was curious why she kept laughing after they left his office room, no, more precisely after Lin Xing Xue and She Fei left his office.

"Hehe. Nothing. hehehe. I just remembered when you tried your best to make you have a good image in front of them. Even though in the end they believed me when I told them that the composer is ugly, fat, smell bad, his room is a mess or like he never takes care of his body or his room" Yun Xin Er touched her stomach and laughed out loud

"It's because of you, big sister Yun. Now, they thought I'm ugly, fat and smell bad." he tried his best to make Lin Xing Xue and Shi Fei believed that the composer of the song was not a person like Yun Xin Er had described, but in the end, they didn't believe his words and believed in Yun Xin Er's words.

"Hahaha." every time she remembered his reactions or how hard he tried to make the composer have a good image or in other words, to make him have a good image, she couldn't help but laugh.

At that time, she really wanted to take a picture of him or make a video of him when he tried his best to make the composer have a good image.

"Ahh. What a pity, what a pity" Yun Xin Er shook her head.

She thought if she took a picture or made a video of him, she could tease him in the future.

"What do you mean by that?" he asked her.

"Do you want to know?" she asked, giving him seductive smile.

"Yes" he said

"Like, do you really really want to know?" she said again.

"Stop with really really and tell me" prodded him.

"It's secret." she said as she winked her left eyes.

Xiao Tian was a little unhappy by that, so he cornered her against a wall using his arms "Tell me!"

When Xiao Tian cornered her against a wall using his arms, she immediately said, "Oh! what is this? Is this the famous kabe-don from Japan?"

Using his left hand, he touched her chin and raised her head slightly "Yes, this is the famous kabe-don, so tell me now?"

"Hehe, I don't want to. This big sister is curious about what little brother wants to do to this big sister?" she said as she refused to give in. She wanted to know how far he dared to do something to her.

"Hoo, what if I want this?" he said as he looked at her beautiful pink lips while rubbing her lips using his left thumb gently.

When he rubbed her lips, he could feel her tender lips from his thumb. After rubbing her lips several times, he looked at her eyes and said "Remember this big sister Yun. You're like prey to me now!"

At that time, she let him rub her tender lips. She didn't try to make him stop or something like that.

Looking at his eyes, she smiled and said, "Prey? Hehe. Little brother, do you really want to kiss my lips that much? Earlier at your house, you also tried to kiss my lips and now you want to kiss my lips again. Is my lips so beautiful until it makes you want to kiss my lips?"

Chapter 70 - You Are So Dazzling

5-6 minutes

"Yes. Big sister, your lips are so beautiful. It makes me want to kiss your lips every time I see your pretty lips." Xiao Tian whispered in Yun Xin Er's left ear.

Xiao Tian didn't say it seriously, he just wanted to tease her. Since he first met her, Yun Xin Er always teased him whenever she had a chance, that was why, when he had a chance, he also wanted to tease her back.

Unfortunately, Yun Xin Er had a different thought. She thought all the words that come out from his mouth were true.

Yun Xin Er assumed, Xiao Tian was mesmerized by her beauty. Thinking about that, her face blossomed into a smile. "Little brother, so all this time, you always think like that every time you see me?"

Xiao Tian ignored her question and brought his face closer to hers. Upon seeing his face coming closer to hers, unconsciously, little by little Yun Xin Er opened her mouth.

Despite knowing what he was about to do, Yun Xin Er didn't move to avoid it. It was as if she was actually waiting for it.

When Xiao Tian saw what she was doing, Xiao Tian stopped moving his face when his lips were so close to her lips, so close until they could feel their mouths' fragrance and breathe.

At that time, Yun Xin Er's eyes were locked into his eyes. She didn't know why suddenly she opened her mouth, she felt as if she was hypnotized by him.

After turning around, Xiao Tian walked forward and said, "Big sister, what are you standing there for? Didn't you say you want to see my small company?"

After hearing his words, Yun Xin Er immediately came to her senses.

Hateful! How dare he teases me! But..... why did I open my mouth when he was about to kiss me earlier? Why did I do that? Yun Xin Er thought to herself.

Yun Xin Er was still standing like a statue while thinking about the reason. After noticing that Yun Xin Er was still standing and not chasing after him, Xiao Tian stopped his footsteps and turned around.

When Xiao Tian saw Yun Xin Er standing like a statue, Xiao Tian walked closer to her. After he was in front of her, he grabbed her slender hands and smiled beautifully "Let's go"

When Xiao Tian dragged her, Yun Xin Er only followed him quietly while looking at him intently. She didn't know why she was suddenly mesmerized by his beautiful smile. Her heart was suddenly beating faster and faster. At that time, he looked like a special human being who was surrounded by stars, making him more dazzling in her eyes.

Feeling Yun Xin Er was looking at him intently, Xiao Tian turned his head and asked "What is it?"

"You're so dazzling." Yun Xin Er said unconsciously.

Yun Xin Er was still mesmerized by him, so when she said he was dazzling, she said it from her heart, not teasing him like she usually did.

After hearing Yun Xin Er's words, Xiao Tian immediately stopped his footsteps. After letting go of Yun Xin Er's hands, he cupped her face and looked at her lovingly "And so are you"

Yun Xin Er's face blossomed into a smile upon hearing his words. She was thrilled when he praised her and looked at her lovingly like that.

Little by little, Yun Xin Er edged her right hand toward his left hand until she felt his fingertips brush her hand. After that, she slipped her finger into his finger and squeezed it, making her could feel the warmth of his palm pressed against her own

When Yun Xin Er slipped her fingers into his fingers, Xiao Tian lowered his head and looked at his hands which were squeezed by Yun Xin Er's hands.

Xiao Tian raised his head again and looked at her. When Xiao Tian was looking at her, a soft smile spread across her face.

Xiao Tian was dumbfounded by that.

'What is this? Has she fallen for me? But I still haven't seduced her?!'

Xiao Tian was dumbfounded and asked many questions in his head.

When Xiao Tian tried to find the answer for Yun Xin Er's sudden change in behavior, a melodic voice rang out in his ears "Let's go, little brother,"

After saying that, Yun Xin Er dragged him with her. This time it was Xiao Tian's turn looking at her intently. He was still thinking about her attitude which was suddenly changed.

Wait. Don't tell me I've conquered this woman before I even seduce her. But I only teased her and still haven't done anything special yet. Xiao Tian thought to himself.

Because Xiao Tian couldn't find the answer, he assumed Yun Xin Er was in love with him.

'Un. Un. As expected of myself. It seems like my charm is too great that it makes the beautiful and famous singer Yun Xin Er fall in love with me even without me needing to seduce her.'

Xiao Tian praised himself nonstop in his head.

Xiao Tian immediately squeezed her hand back and said, "Eh! What is this big sister Yun? Why did you suddenly want to hold my hands?"

This was a big chance to tease her, so of course, he would not let it slide. He was curious about what her answer would be.

"Nothing. This big sister only thinks that if this big sister doesn't hold little brother's hands, little brother will get lost later" Yun Xin Er said as she smiled.

Big sister, we're at my company. There is no way that I'm going to get lost here. I should be the one who says that to you, not you. Xiao Tian shouted in his head.
