Chapter 611 - Xiao Tian Versus Tiger

Once again, Xiao Tian's words dropped the entire area into a dead silence.

Not only the audiences but Xie Shang and Xie Ehuang were also startled. Moon Sword Martial Art was an ancient martial art and had been disappeared five years ago.

Since then, there was no news about Moon Sword Martial Art school anymore. Earlier, they were already shocked when they found out that Ren Aoxu was a disciple of the Moon Sword Martial arts school.

They thought they would never see a martial artist from the Moon Sword Martial Arts school again, but they were wrong.

Not only did they run into one Moon Sword Martial Arts school disciple, they even met two of their disciples. However, Xie Shang and Xie Ehuang still didn't believe Xiao Tian's words one hundred percent.

In order to make sure that Xiao Tian was not lying, Xie Shang looked at Zhao Sheng and asked, "Young master Zhao, is he really a disciple of Moon Sword Martial Arts school?"

"Yes." Zhao Sheng replied before pointing his index finger towards Dandan. "When Xiao Tian came to my house, he defeated Dandan using the secret technique of Moon Sword Martial Arts school."

"Really?" Xie Ehuang said in surprise, "So, does your grandfather know about it?"

"Not only my grandfather, but my father, mother, and big brother also know it." Zhao Sheng gave an honest answer.

"What did they say when they knew that he is a disciple of Moon Sword Martial Arts school?" Xie Shang inquired.

"They asked him many things, such as what was the name of his martial arts master, what happened to Moon Sword Martial Arts school, and many other things." Zhao Sheng gave an honest answer. "And he is also as talented as me in martial arts. Hehe. Even father asked him to learn our martial arts too."

"I see." Xie Shang was not surprised after hearing Zhao Sheng's words.

When he grabbed Xiao Tian's shoulders and arms before, he knew that Xiao Tian had a good body, the body of a martial artist.

The expression of deep shock emerged on Ren Aoxu's face. He found it hard to believe what he was hearing.

That was why he didn't believe Xiao Tian's words easily. "Bullshit! My master told me that I'm the last disciple of Moon Sword Martial Arts school. How dare you lie to me?"

"That was what my master martial arts told me too. Do you know what happened to our martial arts school?" of course, Xiao Tian was lying because, in his current world, he didn't have a martial arts master.

Even though Ren Aoxu didn't know in detail what had happened to the Moon Sword Martial Arts school, but he knew that there was a group of martial artists who came and destroyed the Moon Sword Martial Arts school five years ago.

'Don't tell me, master is not the only one who survived in that disaster?!'

However, Ren Aoxu wanted to make sure that Xiao Tian was not lying to him. "Prove it to me!"

"How do you want me to prove it to you?" Xiao Tian inquired.

Ren Aoxu pointed his index finger towards Tiger and spoke, "Defeat him! Defeat him using the secret technique of Moon Sword Martial Arts school."

"Sure." Xiao Tian was sure that Moon Sword Martial Arts school's second secret technique was enough to defeat Tiger.

Xiao Tian's words much surprised Zhao Sheng. He didn't expect that Xiao Tian would agree to fight Tiger.

"Xiao Tian, are you sure you want to fight Tiger?"

"Of course." Xiao Tian answered instantly. "I can't let everyone bully my junior martial brother, can I?"

After saying that, Xiao Tian walked out of the VIP room and headed to the ring.

Dandan, Xie Shang, and Xie Ehuang only stared at Xiao Tian without saying anything.

"Wait for me, Xiao Tian." Xiao Tian was his best friend, so Zhao Sheng didn't want anything bad to happen to him.

That was why he instantly followed Xiao Tian so he could save Xiao Tian if his life were in danger later.

After Xiao Tian and Zhao Sheng reached the first floor, several audiences began to speak.

"Who is he?"

"I don't know. I have never seen him before."

"Is he really going to challenge Tiger now?"

"It seems so."

"But look at this body! It looks like he doesn't have any muscles in his body."

"It seems like he is not a martial artist either."

"But how could he befriend with the young master of the Zhao family?"

"I also want to know about it."

One by one, the audiences began to express their curiosity. They wanted to know how Xiao Tian could befriend Zhao Sheng.

After Xiao Tian entered the ring, he stretched out his right hand and said, "Give me your wooden sword."

The referee instantly spoke, "You are not allowed to be here. The match is still not over."

After taking the wooden sword, Xiao Tian looked at Tiger and spoke, "You don't mind changing your opponent, right? After all, he is not your opponent."

"Sure. You can replace him. After all, there is no different between you and him." From Xiao Tian's body, Tiger was sure that he could also defeat Xiao Tian later.

"You can watch the fight outside the ring." after saying that to Ren Aoxu, Xiao Tian returned his attention to Tiger. "Do you want to take a break first?"

"No need." Tiger was sure that he still had enough stamina to defeat Xiao Tian. That was why he thought he didn't need to take a rest.

"Are you sure?" Xiao Tian inquired. "I don't want everyone to think that I take advantage of your weak condition later. After all, you had been fighting him for more than ten minutes earlier. I, Xiao Tian, have always fought fairly and squarely."

If his underlings heard his words, they would immediately say 'bullshit' because Xiao Tian would do anything to achieve whatever his goals.

"You don't need to worry about it." Tiger was unhappy after hearing Xiao Tian's words. "Referee, let's start the match."

"Alright." After saying that, the referee looked at Ren Aoxu. "Please get out of the ring now."

Ren Aoxu did what he was told and looked at Xiao Tian from outside the ring.

Zhao Sheng tapped Ren Aoxu's shoulders and smiled, "Don't worry. You will know how skilled your senior martial brother is."

"Ready.." the referee looked at Tiger before staring at Xiao Tian "Fight!"

Because Xiao Tian claimed that he was from the same martial arts school as Ren Aoxu, Tiger didn't underestimate him and instantly attacked Xiao Tian.

However, when Tiger was in front of Xiao Tian, Xiao Tian, with a calm expression, threw out his kick towards Tiger's mid-torso.

Tiger, who saw it, instantly changed into a defensive pose. Because he knew that Xiao Tian wanted to kick his mid-torso, he immediately placed his hands in front of his chest, making his arms into an 'X' pose.

At this moment, Tiger was sure that he had managed to block Xiao Tian's kick, but he was wrong. He was utterly wrong because Xiao Tian suddenly changed his kick pattern from his mid-torso to his chin.

Due to how fast Xiao Tian's kick was, Tiger was unable to block or avoid it. And as a result, he was sent flying one meter back before falling to the ground.

"Oh! He is not bad!" Xie Shang was surprised when Xiao Tian could change his attack pattern easily.

"It was a good kick!" Xie Ehuang added.

When Zhao Sheng saw Tiger lying on the ground, he immediately. "See! Your senior martial brother is good at fighting. I'm sure Xiao Tian can defeat Tiger easily because he is as talented as me. Haha."

At this moment, Ren Aoxu only looked at Zhao Sheng without saying a word. Even though it was his first time meeting Zhao Sheng, he knew that Zhao Sheng was talented in martial arts. Even the Zhao family declared that Zhao Sheng was the most talented person in the Zhao family.

Because Xiao Tian didn't want to waste time, he instantly used the second secret technique.

'Moon style sword of drawing technique- second ceremony...Earth Breaker.'

As soon as Tiger rose to his feet, Xiao Tian immediately attacked Tiger with the second secret technique.

Xiao Tian moved zig-zag five times before finally he changed his movements to an 'X' pattern and finished it with an 'O' pattern.

Unlike Ren Aoxu's movements earlier, Xiao Tian's moves were different. Xiao Tian's attacks were fast, strong, and in rhythm.

All of Tiger's fatal body parts were hit by Xiao Tian's attacks. Head, chest, legs, arms were all hit by Xiao Tian's attacks.

Ren Aoxu, who saw it, forgot to blink.

'This is the perfect version of the second secret technique! So, he didn't lie when he said that we are from the same martial arts school.'

At this moment, Ren Aoxu finally believed Xiao Tian's words.

After he finished using the second secret technique, Xiao Tian was standing behind Tiger, back to back.

*Fall...

Because Xiao Tian hit all the fatal areas of his body, Tiger instantly fell to the ground.

*Silent...

Like before, Xiao Tian's actions dropped the entire area into a dead silence.

All the audiences didn't expect that Xiao Tian would defeat Tiger so quickly. Previously, they believed that Tiger would win the fight, but they were wrong.

They were utterly wrong because the one who won the fight was not Tiger, but Xiao Tian. Not only that, Xiao Tian even could defeat Tiger so easily and quickly.

"Oh! It seems like he is talented in martial arts too." Like the audiences, Xie Shang also didn't expect that Xiao Tian would defeat Tiger so quickly. "It looks like the Moon Sword Martial Arts school will rise again in the future."

Xiao Tian then looked at Ren Aoxu and spoke, "This is what happens to him if you attack him with the perfect version of the secret technique earlier."

Chapter 612 - Going To Ren Aoxu's House

6-7 minutes

Currently, Tiger was still lying down on the ground. Even though he was still conscious, but he could no longer move his body.

At this moment, he suddenly felt grateful that Xiao Tian was only using a wooden sword because if Xiao Tian used a real sword, he would have been dead by now.

Because Tiger could no longer continue the fight, the referee immediately spoke, "The winner of this match is Xiao Tian."

"I could not believe it."

"Me too."

"Am I dreaming right now?"

"Dude, you are not dreaming."

All the audiences found it hard to believe what they were seeing. Even though Tiger was not the strongest fighter, but he was still skilled in martial arts.

Trouncing Tiger meant that Xiao Tian was at least a master of martial arts.

"Do you believe my words now?" Xiao Tian asked as he looked at Ren Aoxu.

"Yes." Ren Aoxu replied instantly. "Thank you, senior martial brother."

Because the fight was over, Xiao Tian instantly got out of the ring.

"Let's go back to the VIP room." after saying that to Zhao Sheng, Xiao Tian looked at Ren Aoxu, "Follow us! There is something I want to ask you."

"All right." Ren Aoxu also wanted to ask him many things.

That was why he agreed. Ren Aoxu instantly took his sword back before following Xiao Tian and Zhao Sheng.

After Xiao Tian and the others returned to the VIP room, Xie Shang immediately spoke, "Xiao Tian, it was a good fight."

"Thank you." Xiao Tian replied before sitting on the couch.

After sitting on the sofa, Ren Aoxu asked, "Senior martial brother, do you know any other disciples from our martial arts school?"

"No. Like you, I also thought I was the last disciple of our martial arts school." Because Xiao Tian could not tell the truth, he decided to lie.

"I see." Previously, Ren Aoxu hoped that Xiao Tian would say that he knew other Moon Sword Martial Arts school disciples. But because Xiao Tian didn't know either, Ren Aoxu was a little sad.

"Why did you come here? And why did you decide to fight Tiger earlier?" Xiao Tian asked two questions at once.

"Because I need money." Ren Aoxu gave an honest answer.

"Need money?" actually, Xiao Tian had guessed about it. "For what?"

Upon hearing Xiao Tian's words, Ren Aoxu instantly wore a sad face. "To bury my master. He has passed away a week ago, but because I have no money, I still can't bury him."

"Your master has passed away?" Ren Aoxu's words much surprised Xiao Tian. He didn't expect that Ren Aoxu's martial art master had passed away.

Zhao Sheng and the others were also startled. Even though Moon Sword Martial Arts school produced two talented disciples, but their fate was so cruel.

"Yes." Ren Aoxu answered as he nodded. "What about your master?"

"My master also has passed away." Xiao Tian lied again.

Xie Shang and Xie Ehuang could only sigh after hearing their words.

'The fate of their martial arts school is so cruel.'

Xie Shang and Xie Ehuang said in their minds.

"I see." Ren Aoxu became even sadder after hearing Xiao Tian's words.

"Zhao Sheng, do you mind if we go to his house now?" because Ren Aoxu's martial arts master had passed away, it would be best to bury him immediately.

"Sure." After saying that, Zhao Sheng looked at Xie Shang and Xie Ehuang." Elder Xie, younger sister Ehuang, we will leave now."

"See you elder Xie, young lady Xie. I hope our paths cross again." After saying that, Xiao Tian walked out of the VIP room.

Then they traveled to Ren Aoxu's house. His house was located in Lushi village, one of the villages in the Nanli district.

Because it was located in the southeast part of the Nanli district, it took them more than thirty minutes to reach his house.

His house was small, with one big tree in front of the house. After they got out of the car, they instantly headed to Ren Aoxu's room.

Because his martial arts master had passed away a week ago, Ren Aoxu's house smelled terrible.

"Master, I'm back." Ren Aoxu instantly sat on the chair next to the middle-aged man who was lying down on the bed. "Master, do you know that I came home with senior martial brother? Do you know that I'm not the last disciple of our martial arts school?"

From his voice, Xiao Tian and the others knew that Ren Aoxu was still saddened by the death of his martial art master.

"Do you live alone with your master?" Xiao Tian inquired.

"Yes." Ren Aoxu replied instantly. "When I was a baby, my parents put me in front of the orphanage. I lived in the orphanage until I was twelve years old before the orphanage closed because they didn't have money anymore."

Ren Aoxu then continued, "After that, I lived on the street for about six months before finally master took me with him. I was down when master passed away because he is the only family I have in this world."

Xiao Tian then tapped Ren Aoxu's shoulders and spoke, "You are my junior martial brother, so you are not alone anymore because from now on, I will be your family."

Ren Aoxu instantly turned his head towards Xiao Tian and replied, "Thank you, senior martial brother."

"Ren Aoxu, Xiao Tian is my best friend so I will also be your family from now on." Zhao Sheng spoke. "If anyone dare to bully you in the future, you can call me and I will beat that person immediately. Hehe."

"If you want, I can also be your family from now on." Dandan added.

"Thank you." Ren Aoxu was pleased after hearing their words.

After that, they buried Ren Aoxu's master together. Currently, Xiao Tian and the others were standing in front of the gravestone.

"Master, thank you for taking care of me all this time." Tears fell down Ren Aoxu's cheeks. "I will always remember you."

"Senior, don't worry. I will take care of junior martial brother from now on, so you can rest in peace now." Even though Xiao Tian didn't know who he was, he respected him a lot because they were from the same martial arts school.

"Rest in peace." Zhao Sheng and Dandan spoke in unison.

After that, they returned to Ren Aoxu's house again.

Chapter 613 - Is My Man Handsome?

8-11 minutes

After that, they ate at Xiao Tian's restaurant. Because Ren Aoxu had never eaten at a fancy restaurant before, he was pleased.

Even though he didn't say anything, Xiao Tian and the others knew that he was delighted. Because Xiao Tian promised that he would take care of Ren Aoxu, he gave Ren Aoxu a job.

Ren Aoxu's job was to be his bodyguard, but because Ren Aoxu was still young and he was also Xiao Tian's junior martial brother, Xiao Tian told him that he didn't need to keep following him.

However, Xiao Tian told him to go to Blue Ice Lotus gang headquarters if Xiao Tian didn't need him so that Ren Aoxu could practice martial art.

Xiao Tian wanted Ren Aoxu to become stronger quickly. That was why Xiao Tian told him to often practice martial arts.

Of course, Xiao Tian would practice with him if he had free time because Xiao Tian knew that practicing martial arts alone was boring.

Because it was already 05:00 pm, Xiao Tian sent Ren Aoxu home before finally going home.

"I'm home." Xiao Tian spoke when he was in the guest room.

Upon hearing Xiao Tian's words, Ye Xueyin, who was watching TV in the family room, dashed to the guest room.

As usual, when she was in front of Xiao Tian, she immediately jumped into his arms. "Tian, welcome home."

"Are Fei and Ning'er not at home?" Xiao Tian inquired.

"No." the reason why Ye Xueyin dared to jump into his arms was that she was home alone. "Mother is home alone and lonely too."

"Do you want to go on a date?" because in the last few days he could not lovey-dovey with Ye Xueyin, Xiao Tian suddenly wanted to do that.

"Yes. Let's go on a date." Ye Xueyin said cheerfully. She was pleased after hearing his words because she desired to lovey-dovey with him.

They wasted no time and took a shower. After making over Xiao Tian's face, Ye Xueyin nodded her head in satisfaction.

"Done!" Ye Xueyin spoke, "Now I should call you Huang Chen, right?"

"Yes, my beautiful lover." After saying that, Xiao Tian carried her in a princess style. "Let's go on a date using your car."

"Alright." Ye Xueyin knew the reason why Xiao Tian told her to use her car. That was why she immediately agreed. "Are you going to carry me to my car?"

"Do you want me to put you down?" Xiao Tian inquired.

"No!" Ye Xueyin instantly wrapped her left arm around his neck. "Carry me to my car, honey."

"My lover is so spoiled." Actually, Xiao Tian knew that she would say something like that. That was why he walked towards her car.

To his surprise, when he walked down the stairs, he saw Liu Ning. Because he was pretending to be someone else, he didn't greet her.

The expression of deep shock emerged on Liu Ning's face. She didn't expect to see Ye Xueyin being carried by a man.

All this time, Liu Ning thought that Ye Xueyin had no lover, but when she saw them, she knew that she was wrong. "Mrs. Ye, are you going somewhere?"

Because Ye Xueyin knew that Liu Ning didn't notice anything, she behaved normally. "Yes. I will go on a date with my man."

Ye Xueyin's words much surprised Xiao Tian and Liu Ning. They didn't expect that she would give an honest answer.

Not only did she not feel shy when she gave an honest answer, but she looked happy when she told Liu Ning that the person who was carrying her was none other than her lover.

"Is Tian home?" Liu Ning inquired. "I saw his car in front of the house earlier."

"He went somewhere with Zhao Sheng earlier. They used Zhao Sheng's car. That's why his car is at home." Because she could not tell Liu Ning that the person, who carried her, was Xiao Tian, she decided to lie.

At this moment, Xiao Tian looked at Ye Xueyin.

'I didn't know that she is good at lying.'

Previously, Xiao Tian thought Ye Xueyin would have a hard time answering it, but he was wrong.

Liu Ning was a little sad after hearing Ye Xueyin's words. Because Ye Xueyin answered it naturally, she didn't know that Ye Xueyin was lying to her.

Actually, Liu Ning was pleased when she saw his car earlier. With Ye Xueyin going on a date with her lover, there would be no one at home.

With this, not only could she lovey-dovey with Xiao Tian, but they would also be able to do whatever they wanted. But it was a pity that Xiao Tian went somewhere with Zhao Sheng.

Xiao Tian, who noticed her expression, could only see her.

'I'm sorry Ning'er, but I can't spend time with you right now because I have to treat all my women equally.'

Actually, Xiao Tian also desired to lovey-dovey with Liu Ning, but because he had promised to go on a date with Ye Xueyin, he could not do that.

Liu Ning then shifted her gaze from Ye Xueyin to Xiao Tian.

'Her lover is much younger than her, so it turns out we are the same. I didn't expect that we have the same taste, no, I mean, I didn't expect that our boyfriends are younger than us. And not only that, but her lover is also very attractive. Did she fall for him because of his handsome face?'

Actually, Liu Ning was a little surprised when she found out that Ye Xueyin's lover was much younger than Ye Xueyin.

Even though Xiao Tian looked much older, but from his appearance, Liu Ning believed that he was in his mid-twenties.

'But my Tian'er is more attractive than him.'

When she saw him, she was only amazed by his good looks and did not fall in love at first sight because, in her eyes, Xiao Tian was better than any man in the world.

Xiao Tian, who noticed Liu Ning staring at her, smiled softly. Like before, he didn't say anything.

Liu Ning was stunned when she saw his beautiful smile.

'Why do I feel so familiar with his smile?'

Liu Ning felt like his smile was the same as her lover's smile.

'It must be my imagination.'

Liu Ning shifted her gaze from Xiao Tian to Ye Xueyin again because she didn't want Ye Xueyin to think that she was trying to seduce Ye Xueyin's man.

Actually, Xiao Tian was a little worried because he forgot to put his smartphone on silent mode.

If Liu Ning called him, she would instantly know that he was Xiao Tian. However, he behaved normally because if he panicked, it would raise suspicion later.

"Miss Ning, is my man handsome?" Ye Xueyin inquired.

"Yes. He is good-looking." Liu Ning gave an honest answer.

'But my Tian'er is more attractive than him.'

Liu Ning added in her mind.

"Chen, she said you are handsome." Ye Xueyin had guessed that Liu Ning would say something like that because Xiao Tian became even more attractive after she made over his face. "Are you happy to have been praised by a gorgeous woman like her?"

Before answering, Xiao Tian changed his voice so that Liu Ning would not know that he was Xiao Tian.

"Thank you."

Because Ye Xueyin wanted to go on a date with Xiao Tian immediately, she returned her attention to Liu Ning and spoke, "We will leave now."

"Un. Have fun." Liu Ning replied instantly.

After that, Xiao Tian and Ye Xueyin headed to her car. When they were in the car, Xiao Tian immediately spoke, "I didn't expect that you would say something like that."

"Hehe. Were you afraid earlier?" Ye Xueyin inquired.

"No." Xiao Tian replied instantly. "If she were to know me earlier, we only need to explain everything."

"So, where are we going?" Ye Xueyin asked.

"Secret." A few days ago, Xiao Tian found a good place for dating on the internet. That was why he would bring her to that place.

"Let's go now." Ye Xueyin spoke cheerfully as she pointed her index finger forward.

A soft smile spread across his face when he saw her cute behavior.

'Now I suddenly wonder, did she have the same attitude when she was a teenager?'

Ye Xueyin was already in her mid-thirties but her behavior was still like a child. That was why Xiao Tian suddenly wanted to know her behavior when she was a teenager.

On the way to their destination, Xiao Tian's smartphone suddenly rang.

"Who is it?" Ye Xueyin inquired.

"It's Ning'er." Xiao Tian gave an honest answer. "Please be quiet for a moment."

Ye Xueyin didn't answer and only nodded her head.

"Hello, Ning'er?" Xiao Tian spoke after picking up the phone.

"Tian'er, where are you now?" Liu Ning asked curiously.

"I'm in Shanghai River with Zhao Sheng right now." Because Ye Xueyin said that he went somewhere with Zhao Sheng, he decided to say something like that. "What's wrong?"

"Nothing. When will you go home?" actually, Liu Ning wanted to ask him to go home immediately but decided against it because she was afraid that Xiao Tian would be angry later.

She knew that Xiao Tian also needed to hang out with his friends, but still, she hoped he would choose to spend time with her over his friends.

"It seems like I will be home late later." Xiao Tian answered

"I see." From her voice, anyone could tell that Liu Ning was sad after hearing his words.

"What's wrong?" Xiao Tian repeated his question.

"I'm home alone." Liu Ning gave an honest answer. "I'm lonely."

Chapter 614 - Bringing Ren Aoxu To The Blue Ice Lotus Gang Headquarters

9-11 minutes

Xiao Tian didn't expect that Liu Ning would say something like that. When she said she was home alone and lonely, it was as if she was telling him to come home immediately and have sex with her.

However, Xiao Tian knew that was not what she meant. "Ning'er, are you feeling horny right now? Hehe."

"Tian'er stop it! That's not it." Liu Ning suddenly realized that she should not say something like that to him.

"Haha." Xiao Tian laughed. "If you want, we can do it after I return home later."

"You are really a bad boy!" of course, Liu Ning knew that Xiao Tian was only teasing her.

"I'm indeed a bad boy! Alright, Zhao Sheng is angry right now. We can spend time together later." even though Xiao Tian wanted to keep chatting with Liu Ning, but he had to stop it.

He was with Ye Xueyin so he should not ignore her for a long time. Otherwise, he would make her sad later.

"All right. Please come home quickly." Because Liu Ning didn't want to disturb his time with his friends, she decided to stop chatting with him.

"Yes, my love. Please prepare yourself because we will have a passionate night later. Hehe." Xiao Tian was joking around again.

"I'm waiting." After saying that, Liu Ning hung up the phone.

"Are you going to have sex with Liu Ning later?" Ye Xueyin inquired.

"Why are you suddenly asking something like that?" Xiao Tian asked, "Do you want to do it with me too?"

"Yes. Let's have sex later." Ye Xueyin loved having sex with Xiao Tian. That was why she immediately agreed.

"But aren't we going on a date now?" Xiao Tian didn't mind having sex with her because she was one of his women.

"We can do it before going home or now, you know?" Actually, Ye Xueyin had no intention of having sex with him, but she suddenly wanted to do it after hearing his words.

"Haha. My lover is so naughty. To be honest, I have no intention of having sex with Ning'er. Today, I will only sleep with her, nothing more." There were times where Xiao Tian only wanted to cuddle or talk with his women. That was why he would not have sex with Liu Ning later.

"I see." Ye Xueyin replied. "So, do you want to do it or not?"

"Let's do it next time." Xiao Tian answered instantly. "Today, I only want to spend time with you."

"All right." Even though Ye Xueyin was a little disappointed, she didn't force him to have sex with her because spending time with him also made her happy.

That night, they went to many places. Both Xiao Tian and Ye Xueyin were thrilled and smiles never left their faces.

They were chatting, laughing, holding hands, sharing food and of course, kissing each other. Due to how happy they were, they even didn't realize that it was already 11:50 pm.

Even though they still wanted to hang out, they decided to go home because they had to work tomorrow.

When they arrived home, it was already 12:40 am. Although they knew that Shi Fei and the others were already sleeping, Xiao Tian still pretended to send Ye Xueyin home and left.

Several minutes later, Xiao Tian returned home. After washing his face, he headed to Liu Ning's room because he promised to sleep with her.

When Xiao Tian saw Liu Ning sleeping on the bed, he suddenly felt guilty.

'I'm sorry, Ning'er.'

Without waiting for another second, Xiao Tian crawled onto the bed.

However, when he laid down next to her, Liu Ning suddenly woke up. "Tian'er, you have arrived home?"

"Yes. Sorry, Zhao Sheng brought me to many places earlier." Xiao Tian lied to her before finally he placed her head on his right arm.

"It's fine." Even though Xiao Tian came home late, but at least, he kept his promise.

Because Liu Ning was still sleepy, she went back to sleep.

"Good night, my love." After saying that, Xiao Tian kissed her forehead.

The following morning, Xiao Tian went straight to Ren Aoxu's house after having breakfast with his mother and the others.

Because he didn't have time to introduce Ren Aoxu to his underlings yesterday, he decided to bring Ren Aoxu to Blue Ice Lotus gang.

When they reached their destination, Ren Aoxu was amazed when he saw the Blue Ice Lotus gang headquarters. However, he didn't say a word.

'Are they senior martial brother's underlings?'

After getting out of the car, Ren Aoxu saw many people training martial arts.

"Let's go." Xiao Tian spoke.

Currently, Xiao Tian's underlings were running around the front yard.

"Who is he?"

"I don't know but he seems close to our leader."

"Is he also a new member?"

"Maybe."

"But isn't he too young to be a gang member?"

"What do you mean by that? We also have members who are as young as him."

"Ops! I forgot."

Xiao Tian's underlings wanted to know who Ren Aoxu was. However, because they were still running around the front yard, they could not ask Xiao Tian.

"Boss, you came?" Mu Huo instantly walked towards Xiao Tian.

"Yes." Xiao Tian answered. "Stop the training for a moment. I want to introduce him to them."

Mu Huo then looked at Ren Aoxu and said, "He is..."

Since it was Mu Huo's first time seeing Ren Aoxu, he didn't know who Ren Aoxu was.

"He is Ren Aoxu, my junior martial brother." Xiao Tian introduced Ren Aoxu to Mu Huo.

"I see." Even though Mu Huo still had questions, but he didn't ask anymore. "Everyone, stop running and come here. Your leader wants to say something to you."

All of Xiao Tian's underlings instantly gathered in front of Xiao Tian.

"The reason why I came today is that I want to introduce someone to all of you. His name is Ren Aoxu and he is my junior martial brother." After saying that, Xiao Tian looked at Ren Aoxu, giving him a sign to introduce himself.

Even though Xiao Tian didn't say a word, Ren Aoxu understood it. "Hello, I'm Ren Aoxu."

Xiao Tian's underlings were surprised when they learned that Ren Aoxu was Xiao Tian's junior martial brother.

"Oh! So, he is our leader's junior martial brother."

"I thought he was a new member earlier."

"Me too."

"So, is he a strong martial artist like our leader?"

"I don't know."

Because Ren Aoxu was Xiao Tian's junior martial brother, Xiao Tian's underlings suddenly wanted to know how strong Ren Aoxu was.

"All right. That's all. Go back to training. After that, we will have a small party here later." Xiao Tian had to treat his underlings nicely so that they would be loyal to him later.

"Really?" one of his underlings asked. From her expression, anyone could tell that she was pleased after hearing his words.

"Yes." Xiao Tian answered as he nodded his head. "Mu Huo, train them for another hour after that they can stop for today."

"Understood." Because Xiao Tian said so, Mu Huo instantly agreed.

As Xiao Tian's underlings were training martial arts again, Xiao Tian and Ren Aoxu stared at them.

At this moment, Ren Aoxu suddenly wanted to practice martial arts too. "Senior martial brother, I want to practice martial arts too."

"All right. Let's practice together then." Xiao Tian was delighted after hearing Ren Aoxu's words.

After warming up, Xiao Tian took two wooden swords and gave one of them to Ren Aoxu.

At this moment, Ren Aoxu suddenly remembered his martial arts master. In the past, he always practiced martial arts with his master.

His master also always forbade him to use a real sword when they practiced martial arts. The first time Ren Aoxu used a real sword was when his martial arts master passed away.

That was why when he practiced martial arts with Xiao Tian using a wooden sword, he suddenly remembered his master.

"Let's swing our swords vertically one thousand times." Xiao Tian spoke abruptly.

At this moment, Xiao Tian was thrilled because he finally could practice martial arts with a disciple from the same martial arts school.

All this time, he always practiced alone and felt lonely when he was training martial arts. That was why he was delighted.

"All right." In the past, Ren Aoxu's master always told him to swing his sword vertically after warming up.

Even though it was a basic move, but it was very important for sword martial artists like them because it could help them strengthen their foundations.

After swinging their wooden swords vertically a thousand times, Xiao Tian and Ren Aoxu decided to spar.

Because Xiao Tian was more skilled in martial arts, he always won the fight. However, every time they fought, Ren Aoxu got better and better.

With this, Xiao Tian knew that Ren Aoxu was also a genius in martial arts. Of course, this made Xiao Tian happy because he would get another strong martial artist as his support, in the future.

As they had planned earlier, after they finished training martial arts, they had a small party. Xiao Tian's underlings were thrilled when they could eat together.

Without realizing it, Xiao Tian value in their hearts grew significantly. They became even more loyal to him, and Xiao Tian slowly replaced Shi Fei in their hearts.

In the past, they also saw Shi Fei as their leader because Shi Fei was the founder of the Blue Ice Lotus gang. Now, Xiao Tian's place in their eyes was higher than her.

Chapter 615 - Fighting In The Garden

7-9 minutes

After having a small party with his underlings, Xiao Tian took Ren Aoxu to hangout places. Since Ren Aoxu was a baby, he never enjoyed the beauty of a big city.

Every time Ren Aoxu and his master traveled to a big city, they only went to buy something and immediately returned home as if his martial arts master avoided a big city or crowded place.

Currently, Xiao Tian and Ren Aoxu were sitting under a big tree in the garden. After traveling to many places, they decided to take a break at Donhu garden.

Donhu garden was located in Fuzo town, one of the towns in Nanli district. As they were talking under the big tree, three people suddenly walked towards them.

When Ren Aoxu noticed them, his expression darkened. "Tch! It's them again."

Upon hearing Ren Aoxu's words, Xiao Tian immediately looked at them. At this moment, Xiao Tian suddenly felt that they had bad intentions towards them.

"Oh! Isn't this Ren Aoxu?" a blue-haired young man about nineteen-year-old spoke. "It has been four months since we last met, isn't it?"

"Who is he?" Xiao Tian inquired.

"Guzuo, a disciple of Hakken martial arts school." Ren Aoxu gave an honest answer.

"Hakken martial art school?" it was Xiao Tian's first time hearing about Hakken martial arts school, so he didn't know about it.

Ren Aoxu started explaining everything to Xiao Tian. "Since I learned martial arts, I always practiced alone with my master. But, four months ago, my master took me somewhere to spar with disciples from another martial arts school for the first time and that place was Hakken martial arts school."

Then he continued, "At that time, Guzuo was the best disciple in the younger generation but he still lost to me easily. I think he is still angry and wants to take revenge."

"Haha." Xiao Tian laughed. "Good job, good job! You didn't ruin the name of our martial arts school."

Guzuo was unhappy and gritted his teeth. "It was four months ago! Don't think that you are still better than me. If you dare, let's have a fight again now."

Ren Aoxu rose to his feet and spoke, "Sure."

"Good! I will show you that I'm better than you now." After saying that, he looked at the two people who were standing on both sides of him. "Wuji, Wuja step back. I want to show him that he is nothing to me now."

Wuji and Wuja didn't answer, but they did what they were told.

'This Ren Aoxu will regret it later.'

Those were the words that appeared in the mind of Wuji and Wuja.

"Wait!" Xiao Tian stopped them when they were about to fight. "Don't fight here or else, you two will attract everyone's attention later. Let's find a quiet place."

There were several people around them, so Xiao Tian suggested not to fight there because it could cause trouble for them later.

"Fine!" Guzuo didn't care where they would fight because, in his view, there was no difference whether they fought in a quiet place or not.

After looking for a quiet place for about five minutes, they finally found a good place to fight. The site was still in the Donhu garden, or more precisely, they were in the eastern part of the Donhu garden. There were a few big trees around them, so it was a good place to fight.

Xiao Tian, Wuji, and Wuja made space for Ren Aoxu and Guzuo. Currently, Xiao Tian was behind Ren Aoxu while Wuji and Wuja were behind Guzuo.

"Ren Aoxu, I will let you go if you beg me now." At this moment, Guzuo behaved as if Ren Aoxu was weaker than him. "All you need to do is kneel before me and admit that I'm better than you in martial arts."

Xiao Tian crossed his arms over his chest and stared at Guzuo intently.

'Why are there so many arrogant people like him in this world? Does he think he is the best martial artist in the world? I really don't get his train of thought.'

Xiao Tian had no idea why Guzuo behaved arrogantly as if Ren Aoxu was nothing for Guzuo.

"You really talk a lot!" Ren Aoxu replied. "Stop talking nonsense and let's have a fight."

"You ask for it!" after saying that, Guzuo dashed towards Ren Aoxu and raised his right arm before finally throwing out his fist.

However, before Guzuo's fist landed on Ren Aoxu's face, Ren Aoxu deflected it to the right side with his left hand.

And at the same time, Ren Aoxu took one step forward and counterattacked. He threw out his right fist towards Guzuo's mid-torso.

Guzuo, who saw Ren Aoxu's attack, was able to block it with his left hand. After catching Ren Aoxu's fist, he spoke, "Not bad!"

Ren Aoxu then attacked Guzuo with his left elbow. However, Guzuo managed to avoid it by taking two steps back.

"Junior martial brother, hurry up and finish it. I suddenly want to drink green tea now." Xiao Tian believed that Ren Aoxu could defeat Guzuo quickly.

He knew that Guzuo was skilled in martial arts because, in his view, Ren Aoxu was much skilled than Guzuo.

"All right." After saying that, Ren Aoxu dashed towards Guzuo and when he was in front of Guzuo, he raised his right knee.

At this moment, Guzuo instantly placed his hands in front of his chest and was ready to block his attack because he thought Ren Aoxu would do a front kick.

However, Ren Aoxu suddenly changed his attack pattern when he got Guzuo's attention. Ren Aoxu twisted his body all the way around and kicked the right side of Guzuo's head.

*fall...

Due to how fast and robust Ren Aoxu's kick was, Guzuo didn't have the chance to block or avoid it, and as a result, he fell to the ground.

Xiao Tian, who saw it, nodded his head.

'His roundhouse kick is good!'

At this moment, Xiao Tian was sure that Guzuo felt dizzy.

And what had guessed was right because Guzuo didn't stand up immediately and kept touching his head.

"It seems like you are still weaker than me." After saying that, Ren Aoxu kicked Guzuo's stomach.

"How dare you!" Wuji and Wuja dashed towards Ren Aoxu when Guzuo was sent flying one meter back by Ren Aoxu's kick.

However, before they could attack Ren Aoxu, Xiao Tian stood in front of Ren Aoxu and kicked their heads.

*Uakk...

Xiao Tian's kicks were too fast for Wuji and Wuja. As a result, their heads were hit by Xiao Tian's kick before they even had time to react.

'He is too strong for us!'

Wuji and Wuja were still lying down on the ground. They didn't expect Xiao Tian to be so skilled in martial arts.

Xiao Tian then stood in front of Wuji and Wuja and spoke, "Hey! Why did you try to attack my junior martial brother earlier? You two even wanted to gang up on him. Isn't this a fight between my junior martial brother and him?"

"Senior martial brother, you don't need to get involved." Ren Aoxu said. "I can take care all of them."

"It's fine. Your opponent is him, so let me take care of them." After saying that, Xiao Tian began beating Wuji and Wuja.

After seeing Xiao Tian, Ren Aoxu also began beating Guzuo. Xiao Tian and Ren Aoxu kept beating them until they begged for forgiveness.

"Junior brother, let's go to green tea shop. There is no point in wasting our time with them." Xiao Tian spoke.

"All right." Ren Aoxu replied as he nodded his head.

Then Xiao Tian and Ren Aoxu left.

Chapter 616 - Can You Win Against Ten People?

"This green tea is delicious!" Xiao Tian spoke abruptly.

Currently, Xiao Tian and Ren Aoxu were at Doza Green Tea shop. As usual, they sat outdoors because the atmosphere was good.

"Yes. This green tea is good." Ren Aoxu agreed with Xiao Tian's words.

As Xiao Tian and Ren Aoxu were enjoying their tea, a voice suddenly rang out. "Little brother, you are here?"

Xiao Tian and Ren Aoxu instantly turned their heads towards the source of the sound. Because Yun Xin Er was wearing a face mask, Ren Aoxu didn't know who she was.

As for Xiao Tian, he could instantly know who she was because he was familiar with her voice. "Big sister Yun, what are you doing here?"

"I just finished shooting a TV show. The Independent Woman TV show invited me as their guest star earlier. I didn't expect to meet you here." previously, Yun Xin Er wanted to go to a restaurant, but she changed her mind when she saw Xiao Tian.

"Even though I also didn't expect to meet you here, but it still makes me happy because I can meet a gorgeous woman." Although Ren Aoxu was with them, Xiao Tian didn't care and still used his honeyed words.

"How do you know that I'm gorgeous when I'm wearing a face mask now?" At this moment, Yun Xin Er pretended as if Xiao Tian had never seen her face before.

"Because your beautiful face is already painted on my mind." As usual, Xiao Tian used his sweet words.

At this moment, Ren Aoxu didn't say anything and only looked at Xiao Tian and Yun Xin Er.

"Hehe. Even though there is someone next to you, you still dare to seduce me, huh?" after saying that, Yun Xin Er glanced at Ren Aoxu. "By the way, who is he?"

"Why don't you ask yourself?" Xiao Tian replied. "Don't worry he is a good person. He won't bite you. Hehe."

"I know. I even believe that he is better than you. Hehe." Yun Xin Er then shifted her gaze from Xiao Tian to Ren Aoxu. "What is your name?"

Before Ren Aoxu could answer, Xiao Tian immediately spoke, "Hey, should not you introduce yourself first before asking his name?"

After hitting Xiao Tian's right hand, Yun Xin Er introduced herself. "I'm Yun Xin Er. What is your name?"

Like before, Xiao Tian immediately spoke before Ren Aoxu could answer. "How can you think he will believe your words if you are still wearing a face mask."

Ren Aoxu smiled after hearing Xiao Tian's words. With this, he knew that Xiao Tian had a good relationship with the woman who was sitting in front of him.

"Little brother, shut up! I'm asking his name right now so don't say anything anymore." Yun Xin Er then pulled down her face mask, allowing Xiao Tian and Ren Aoxu to see her face. "What is your name?"

"I'm Ren Aoxu." Ren Aoxu introduced himself.

Actually, he was shocked when he found out that the woman, who was sitting in front of him, was really the famous singer Yun Xin Er.

'I didn't expect senior martial brother to know someone like her.'

Previously, he thought she was joking around when she introduced herself as Yun Xin Er.

"Ren Aoxu, you should be careful with him." Yun Xin Er said as she pointed her index finger towards Xiao Tian's face. "Even though he looks like a good person, but he is actually a bad person. I don't want you to be like him so you should stop hanging out with him."

The corner of Xiao Tian's lips twitched after hearing her words. Of course, Xiao Tian knew that Yun Xin Er was joking around. It was impossible for her to say something like that seriously.

At this moment, Ren Aoxu didn't answer immediately and turned his head towards Xiao Tian.

"Big sister Yun, stop joking around. How could you say something like that to my junior martial brother?" Xiao Tian pretended to be sad.

"Junior martial brother?" Yun Xin Er said in surprise.

"Yes." Xiao Tian answered instantly. "He is my junior martial brother."

When Yun Xin Er looked at him, Ren Aoxu knew what she had in mind. "Yes. He is my senior martial brother."

"What is the name of your martial arts school?" all this time, Yun Xin Er thought Xiao Tian was not a martial artist.

'I didn't know he can do self-defense.'

Now Yun Xin Er understood why Xiao Tian had such a good body.

"Moon Sword Martial Art." Xiao Tian gave an honest answer.

At this moment, Xiao Tian suddenly wanted to tell her that he also had underlings, but decided against it because, in his view, it was not the right time to tell her about it.

Xiao Tian promised that he would tell her everything, but she had to be his lover first.

"Are you skilled in martial arts? Can you win against ten people?" Yun Xin Er asked two questions at once.

"It depends. If they don't know martial arts or weak martial artists, I'm sure I can defeat them. However, if they are expert martial artists, I think I will run for my life." At this moment, Xiao Tian was telling the truth.

Xiao Tian knew that he was still weak, so if ten martial arts experts ganged up on him, he would run away because it would be impossible for the current him to fight against ten martial arts experts at the same time.

His martial arts master had also told him that running away from the fight was not cowardly. Only fools kept fighting opponents they could not beat.

"Haha." Yun Xin Er didn't expect that he would give an honest answer because previously, she thought Xiao Tian would say that he could defeat ten martial arts experts.

"Hey, running away from the fight is not cowardly. Only fool keep fighting opponent they can't defeat. Big sister Yun, there is no word 'too late' in getting revenge. If I lose today, I will run away and make myself stronger. When I'm sure I can defeat my opponent, I will get my revenge." Xiao Tian then turned his head towards Ren Aoxu. "Isn't that right, junior martial brother?"

"Yes. That's right." Ren Aoxu's martial arts master also said the same thing in the past. His martial arts master had always told Ren Aoxu to never feel proud because there were always bigger mountains out there.

"So, what will you do if ten martial arts experts kidnap me?" Yun Xin Er spoke and paused for a second before she continued, "Will you fight them or will you run away?"

"Of course, I will run away." Xiao Tian answered instantly.

"Little brother, I don't want to meet you anymore." At this moment, Yun Xin Er had no idea whether Xiao Tian was telling the truth or not.

"Haha." Xiao Tian could not help but laugh after seeing her expression. "I was joking, you know. Of course, I will fight them because I won't let anyone hurt my precious big sister."

Yun Xin Er's face blossomed into a smile after hearing his words. "Good! You should remember your words. Don't forget it."

As they were talking, a voice suddenly rang out, "Xin Er, you are here?"

Chapter 617 - I Always Put You First

6-8 minutes

Yun Xin Er and the others instantly turned their heads towards the source of the sound. The person who just spoke was a young lady about twenty-seven years old.

She was wearing a formal dress with glasses on her face. Her black shoulder-length hair was styled in a messy braided bun.

Even though she didn't belong to the category of beautiful women, but from her appearance, anyone would agree to put her in the category of smart people.

When Yun Xin Er saw the person who just called her name, she immediately spoke, "Manager Fu Rou, it's you?! Are you looking for me?"

"Of course," Fu Rou answered instantly. "You suddenly disappeared on me like that. Do you know how panicked I was when you suddenly disappeared without telling me anything?"

"Sorry. Hehe." Yun Xin Er laughed and behaved as if she didn't do anything wrong.

Fu Rou could only sigh after seeing Yun Xin Er's behavior. It was not the first time Yun Xin Er suddenly disappeared like that, so Fu Rou was already used to it.

At this moment, Xiao Tian was staring at Fu Rou. Because Xiao Tian had never met Fu Rou before, he was startled when he found out that she was Yun Xin Er's manager.

When Fu Rou noticed Xiao Tian, she immediately said, "You are Xiao Tian, right?"

Since several months ago, Fu Rou often saw Yun Xin Er talking to Xiao Tian on the phone. Not only that but she also often disappeared only to meet him.

Even though she had warned Yun Xin Er many times, but still, Yun Xin Er never listened to her. It was as if she was talking to the wall, not a human being.

"Yes." Xiao Tian gave an honest answer.

"Sigh." Fu Rou sighed. "Can you not meet Xin Er too often? Or if you want to meet her, can you at least wait until she finishes her work first? I don't forbid you to meet her, but because she always put you first, she always postpones her job every time you two want to meet."

Since Yun Xin Er knew Xiao Tian, she always put him first. She even didn't care about her work. For this reason, Fu Rou's job as her manager became tougher.

In the past, several companies were furious at Yun Xin Er because she suddenly postponed the schedule or disappeared before the event was over.

Actually, several companies wanted to do something to her because lately, she often did whatever she wanted.

However, when they remembered that Li Wen and the young miss of the Li family always supported her, they didn't dare to do anything to her.

Otherwise, Fu Rou didn't know what would happen to Yun Xin Er. Of course, she knew the reason why Yun Xin Er did something like that, but still, it was her job, so she had to do her best.

Xiao Tian didn't immediately answer and turned his head towards Yun Xin Er. He really had no idea that Yun Xin Er would do something like that.

In the past, Yun Xin Er often complained about her job to him, saying that she didn't have free time every day and always worked more than ten hours per day. That was why she often disappeared from her work or postponed her schedules.

When Yun Xin Er noticed Xiao Tian staring at her, she immediately spoke, "Why are you looking at me like that? I know you are deeply in love with me, but you don't need to look at me like this. If my fans see you, they will beat you later, you know? Hehe."

"Is what your manager said true?" Xiao Tian wanted to make sure that Fu Rou didn't lie to him.

"Yes." Yun Xin Er admitted it. "Are you happy knowing that I always put you first? Are you in love with me more deeply now? Hehe. Don't tell me. You already can't live without me now?"

"Of course, I'm happy. But you should not do that." even though Xiao Tian was pleased after hearing her words, but at the same time, he was also worried.

If Yun Xin Er kept doing that, it would be dangerous for her career later. Not only could she get into trouble, but it could also tarnish her reputation.

For a famous singer like her, reputation was crucial because once she made a mistake, there was a possibility that it could ruin her career.

Xiao Tian didn't want something bad to happen to her because it also hurt him every time he saw her sad expression.

"Did you hear that, Xin Er?" previously, Fu Rou thought Xiao Tian would not give advice to Yun Xin Er, but she was wrong.

Of course, his words made her happy. She even hoped that Yun Xin Er would listen to his words later.

"Little brother, you don't want to often see me now?" At this moment, Yun Xin Er made a sad expression as if his words hurt her feelings.

"Of course, I want to. But you shou-" Xiao Tian stopped his words halfway when he noticed two ladies staring at Yun Xin Er intently.

One of the ladies looked like twenty-three years old while the other was twenty-eight-years old. Like Yun Xin Er, the twenty-three-years old lady had a beautiful face and long legs.

Even though Yun Xin Er was prettier than her, but she was still an attractive lady. If Yun Xin Er got a score of ten out of ten, it could be said that she was 9.5.

'Who are they? Why are they looking at Xin Er like that?'

At this moment, Xiao Tian knew that those ladies didn't like Yun Xin Er.

"Why did you stop your words halfway?" because Xiao Tian stopped his words halfway, she immediately turned her head towards the person Xiao Tian was looking at. "Oh! It's her?!"

Like Yun Xin Er, Fu Rou also stared at the person Xiao Tian was looking at. "I didn't expect to see them here."

"Who are they?" Xiao Tian inquired. "It seems like they don't like you."

Before Yun Xin Er could answer, Fu Rou spoke, "She is Wu Nuan and her manager, Ju Su. Wu Nuan is a famous singer like Xin Er. However, she always lost to Xin Er in everything."

Fu Rou then continued, "Not only does everyone like Xin Er more than her, but Xin Er's songs always rank higher on the China's song lists. Almost everyone on the internet even start calling her 'the second.' Because of this, she always wants to prove to everyone that she is better than Xin Er but never succeeded until now. This is the reason why she dislikes Xin Er."

"I see." Because Xiao Tian rarely watched TV, he had no idea who Wu Nuan was.

At this moment, Xiao Tian didn't hate Wu Nuan; instead, he felt sorry for her. He was sure the reason why she disliked Yun Xin Er was that everyone called her 'the second'.

Of course, Xiao Tian would not forgive her if she dared to do a bad thing to Yun Xin Er. However, from her gaze, she only disliked Yun Xin Er and had no intention of hurting Yun Xin Er.

"Little brother, I really dislike her. Can you beat her for me now?" Yun Xin Er inquired.

Chapter 618 - You Are Really A Bad Lady!

6-8 minutes

The expression of deep shock emerged on Xiao Tian's face. He didn't expect that she would say something like that.

Not only Xiao Tian, but Fu Rou and Ren Aoxu were also startled. They found it hard to believe what they were hearing.

"Xin Er, what did you say? You want him to beat her?!" all this time, Yun Xin Er always ignored Wu Nuan. That was why Fu Rou was shocked after hearing Yun Xin Er's words.

At this moment, Yun Xin Er didn't answer and kept staring at Xiao Tian as if she was asking him to answer her question immediately.

Instead of answering, Xiao Tian asked, "Why do you want me to beat her? Tell me in detail."

When Yun Xin Er saw the expression on Xiao Tian's face, she could not help but laugh. "Hahaha."

Fu Rou was relieved when she saw Yun Xin Er laughing because that meant Yun Xin Er was only joking around.

"Big sister Yun, you are really a bad lady!" Xiao Tian finally knew that Yun Xin Er was not serious when she asked him to beat Wu Nuan.

Ren Aoxu, on the flip side, kept staring at Yun Xin Er.

'Her joke is bad!'

Previously, if Xiao Tian agreed, he would also help Xiao Tian beat Wu Nuan because they were martial arts brothers.

Ren Aoxu then shifted his gaze from Yun Xin Er to Wu Nuan. Because Wu Nuan was quite far from them, she didn't hear Yun Xin Er's words.

Five seconds since Ren Aoxu looked at Wu Nuan, she stopped looking at Yun Xin Er and left with her manager.

"Xin Er, you are here?" a voice suddenly rang out.

When Yun Xin Er knew that the voice belonged to a young man about twenty-six-year-old, she immediately said irritably. "Zi Yuhan, don't call me by my birth name. Call me by my full name or my family name."

"How could you say something like that, Xin Er?" Zi Yuhan didn't listen to her. "Didn't we meet at Bamboo restaurant yesterday? Your mother even said that she would agree if you became my woman."

"Little brother, we were not alone at the restaurant yesterday. My mother was with us and it was my first time meeting him yesterday. He is the person my mother introduced to me." Yun Xin Er didn't want Xiao Tian to misunderstand her relationship with Zi Yuhan. That was why she immediately explained everything.

"I see." Xiao Tian replied.

"Who is he? Why are you explaining everything to him?" Zi Yuhan had no idea as to why Yun Xin Er explained their relationship to Xiao Tian.

Yesterday, her mother told him that Yun Xin Er had no lover, so he suddenly wanted to know about Xiao Tian's relationship with Yun Xin Er.

At this moment, Yun Xin Er didn't answer, but she did something unexpected. She held Xiao Tian's right hand and looked at him in a loving expression.

Not only that, but the smile on her face was also beautiful. It was so beautiful to the point they felt as if the world was dimmed because of her smile.

Even though Xiao Tian knew that Yun Xin Er was using him as a tool to drive Zi Yuhan away, Xiao Tian didn't mind it.

Because Xiao Tian knew her intention, he also smiled softly to make it as if they were deeply in love with each other.

And their plan was successful because Zi Yuhan was unhappy and gritted his teeth when he saw them.

"Xin Er, what is the meaning of this? Is he your lover?" after saying that, Zi Yuhan shifted his gaze from Yun Xin Er to Xiao Tian. "And you, stop holding her hands right now!"

Of course, Xiao Tian and Yun Xin Er ignored his words. They even behaved as if they didn't hear anything.

"Xin Er, do you know what your mother will do if she knows about this?" Zi Yuhan was sure that her mother would support his actions because he knew that her mother only saw people based on their wealth.

"Zi Yuhan, I've told you that I don't like you, so stop bothering me." Yun Xin Er was not afraid of his threats. "And also, stop calling me by my birth name!"

Because Yun Xin Er didn't want to listen to him, Zi Yuhan spoke to Xiao Tian. "I said stop holding her hands! Why are you still holding her hands? Did you know that you don't deserve to be her boyfriend?"

Xiao Tian had guessed that Zi Yuhan would try to piss him off. That was why Xiao Tian kept ignoring his words, "Xin Er, do you want to have dinner together later?"

"Yes. Let's have dinner together later." Even though Yun Xin Er knew the reason why Xiao Tian invited her to dinner, but at this moment, she hoped that they would have dinner together later.

"Good! Do you want to eat at my restaurant or at another restaurant?" Xiao Tian asked again.

"Little brother, let's eat at your restaurant next time." Yun Xin Er replied. "Let's eat at Doozuo restaurant. I heard Doozuo restaurant has a great view at night, so I want to know whether it's true or not."

"Sure." Xiao Tian agreed instantly.

*Bang...

The sound of Zi Yuhan slamming the table could be heard in their ears.

Zi Yuhan was furious because Yun Xin Er and Xiao Tian kept ignoring him. Of course, he blamed Xiao Tian because, in his view, if it were not for Xiao Tian, Yun Xin Er would not ignore him. "You! Who do you think you are? Do you know who I am? A lowly person like you should know your place!"

Ren Aoxu was enraged after hearing Zi Yuhan's words. He could not accept it and instantly rose to his feet. "Stop speaking ill of my senior martial brother! I even don't know who you are. Do you think you are a great person?"

Xiao Tian looked at Ren Aoxu and spoke, "Junior martial brother, you should ignore him. If a dog is barking, you don't need to pay attention to it because it will only waste your time."

Fu Rou was shocked after hearing Xiao Tian's words.

'Oh! He dares to call Zi Yuhan a dog?!'

At this moment, she suddenly wanted to know whether Xiao Tian really didn't know Zi Yuhan or not.

Zi Yuhan was the only son of the Zi family, one of the upper-class-families in Shanghai. Because of this, his family spoiled him so much.

"Ppft!" Ren Aoxu almost laughed after hearing Xiao Tian's words. He didn't expect that Xiao Tian would say something like that.

Previously, he wondered why Xiao Tian did nothing when Zi Yuhan spoke ill of him. He kept waiting because he wanted to know what Xiao Tian would do.

However, Xiao Tian still didn't do anything to Zi Yuhan. And because Ren Aoxu could no longer control his anger, he took action first.

"Haha." Yun Xin Er laughed after hearing his words.

Like Ren Aoxu, she also didn't expect that Xiao Tian would insult Zi Yuhan. But after knowing his personality, Yun Xin Er thought his behavior was normal.

"Big sister Yun, what do you think?" Xiao Tian asked, "Do you agree with my words?"

Chapter 619 - He Is So Evil

7-8 minutes

Yun Xin Er didn't answer Xiao Tian's question and only giggled.

'As I thoughts, little brother is sure an interesting person. I have never get bored every time I'm with him.'

Yun Xin Er was pleased when Xiao Tian insulted Zi Yuhan because she also didn't like Zi Yuhan. Since Zi Yuhan appeared in front of her, she always wished that he would leave immediately.

However, not only did he not leave immediately, he even kept speaking ill of Xiao Tian.

At this moment, Fu Rou didn't say a word and only stared at Zi Yuhan because she wanted to know what he would do to Xiao Tian.

"What did you say?" Zi Yuhan was furious.

Since he was a child, no one dared to call him a dog. Because he was from a wealthy family, everyone always tried to befriend him. That was why he found it hard to believe what he was hearing.

"It seems like he didn't hear it." After saying that, Xiao Tian turned his head towards Ren Aoxu. "Junior martial brother, did you hear my words?"

"Yes." Ren Aoxu replied before shifting his gaze from Xiao Tian to Zi Yuhan. "My senior martial brother said you are a dog!"

"How dare you!" after saying that, Zi Yuhan threw out his right fist towards Xiao Tian's face.

"Little brother..." Yun Xin Er was panicked when Zi Yuhan suddenly attacked Xiao Tian.

The distance between Xiao Tian and Zi Yuhan was close, so she thought Xiao Tian would get hit by Zi Yuhan's attack.

However, she was wrong because Xiao Tian could avoid Zi Yuhan's attack easily. With a calm expression, Xiao Tian brought his head back to avoid it.

At this moment, Ren Aoxu also had a calm face. Zi Yuhan's attack was so slow so he believed that Xiao Tian could avoid it easily.

After avoiding Zi Yuhan's fist, Xiao Tian grabbed Zi Yuhan's right hand and squeezed it hard. Since Zi Yuhan appeared in front of them, Xiao Tian didn't do anything to Zi Yuhan.

However, because Zi Yuhan attacked him first, of course, Xiao Tian would fight back.

"Junior brother, it seems like dogs can also throw out a fist nowadays." As Xiao Tian was looking at Ren Aoxu, he squeezed Zi Yuhan's right hand harder.

"Let me go!" because Zi Yuhan had never learned martial arts, he was unable to free himself from Xiao Tian's grasp.

'It hurt!'

Because Yun Xin Er was in front of him, Zi Yuhan tried his best not to cry out in pain.

"Huh? Did you say something?" Xiao Tian pretended as if he didn't hear Zi Yuhan's words.

"Let...me go!" Zi Yuhan repeated his words.

'How can he have so much strength when he's younger than me?'

Zi Yuhan added in his head.

"Alright. Because I'm a good person, I will let you go." Xiao Tian spoke and paused for a second before he continued, "However, you have to answer my question first. Don't worry. it's only one question and I won't ask you to do anything bad."

Because Zi Yuhan spoke ill of him earlier, of course, he would not let Zi Yuhan go easily. He wanted to humiliate Zi Yuhan first before letting him go.

"What is it?" due to how hard Xiao Tian's grasp was, Zi Yuhan felt as if his right arm was about to break.

"Who are you?" Xiao Tian inquired.

"I'm Zi Yuhan from the Zi family." Zi Yuhan answered instantly.

"Sigh! It seems like you don't get my question." Xiao Tian said as he shook his head. "Let me repeat my question. Who are you?"

"I have answered it already. My name is Zi Yuhan. Everyone in Shanghai know who I am." At this moment, Zi Yuhan thought Xiao Tian pretended as if he didn't hear it.

"Sigh! It seems like you still don't get it." Xiao Tian said before turning his head towards Ren Aoxu.

"Junior brother, do you know who he is?"

At first, Ren Aoxu also didn't understand. However, after remembering Xiao Tian's words earlier, he finally understood Xiao Tian's intention. "I know."

"Oh! Then please tell him who he is." Xiao Tian answered. "It seems like he doesn't know who he is."

Upon hearing Xiao Tian's words, Ren Aoxu turned his head towards Zi Yuhan and spoke, "You are not Zi Yuhan, but a dog."

"Oh! As expected of my junior martial brother, you really have a good memory." Xiao Tian praised Ren Aoxu as if Ren Aoxu did something remarkable.

"You!" Zi Yuhan was enraged when Ren Aoxu also called him a dog!

Previously, he only wanted to make his relationship with Yun Xin Er closer. However, not only did he fail to do that, even two people kept insulting him.

"Now I will ask you again." Xiao Tian said. "Who are you?"

"I'm Zi Yuhan." of course, Zi Yuan would not say it because it would embarrass him if he said he was a dog.

"Huh? I didn't hear it. Can you repeat your answer?" Xiao Tian grabbed Zi Yuhan's right hand even harder.

"Agghh!" Zi Yuhan could no longer endure the pain he felt. That was why he cried out in pain.

Actually, he could attack Xiao Tian with his left hand. However, because of the pain he felt, he forgot about it. All he had in mind was how to free himself from Xiao Tian's grasp.

"Hey! Are you sure you remember it correctly?" Xiao Tian inquired.

"Hehe." Yun Xin Er, who saw it, could no longer hold back her laughter.

'Little brother is so evil.'

Yun Xin Er added in her mind.

"I...I..." Zi Yuhan didn't want to say what Xiao Tian wanted him to say, but at the same time, he could no longer endure the pain he felt.

"I?" Xiao Tian was waiting for Zi Yuhan to say it.

"I...I... I'm...a dog." Even though Yun Xin Er was next to him, Zi Yuhan had no other choice but to say it. Otherwise, Xiao Tian would keep squeezing his right arm.

"Good!" because Zi Yuhan did what he was told, Xiao Tian released his hands.

"Just you wait! I will make you pay for your actions later." after saying that, Zi Yuhan left because Xiao Tian had embarrassed him in front of Yun Xin Er.

"Senior martial brother, should we catch him and beat him?" from Zi Yuhan's words, Ren Aoxu was sure that Zi Yuhan would cause trouble for them later.

"Forget it! I have promised to release him earlier. If he dares to cause trouble again, I will make him regret it later." Xiao Tian then looked at Yun Xin Er. "Big sister Yun, did you enjoy the show?"

"Yes." Yun Xin Er answered instantly. "I enjoyed it. But are you sure you're not afraid of what he might do to you later?"

"What is there to be afraid of?" Xiao Tian was used to getting into trouble, so adding one more problem was no big deal.

Not only did he have more underlings now, but Xiao Tian also had a lot of support who were also martial artists like Mu Huo, Lan Ruoxi, or Zhao Sheng.

With them, Xiao Tian was sure that he could solve any problem. All he had to do was make himself stronger.

"Senior martial brother, if he dares to cause trouble later, I will help you teach him a lesson." Ren Aoxu spoke.

"Good! I really have a good junior martial brother." Xiao Tian replied as he smiled.

Chapter 620 - Because I Won't Take No For An Answer

6-7 minutes

"It seems like you really have a good junior martial brother." Yun Xin Er was a little shocked after hearing Ren Aoxu's words.

Usually, anyone would avoid trouble, but Ren Aoxu was different. For this reason, Yun Xin Er considered Ren Aoxu to be a good young man.

Xiao Tian didn't answer and only smiled. Although he only knew Ren Aoxu for a few days, but in his view, Ren Aoxu was indeed a good young man.

"Little brother, you have free time, right? Let's go to your house." even though Yun Xin Er knew that Xiao Tian had bought a mansion, but she still hadn't visited his house. That was why she wanted to go to his house.

"Sure." actually, Xiao Tian wanted to go to work after drinking tea, but because Yun Xin Er wished to see his house, he changed his mind.

Currently, his mother, aunt, Shi Fei, and Liu Ning were working, so he would be alone with her at his house later.

"Good!" after saying that, Yun Xin Er looked at Fu Rou. "Manager Fu, didn't you say you want to go shopping? Why don't you go now?"

Yun Xin Er didn't want Fu Rou to come with them because she was afraid that Fu Rou would disturb their time later.

"Fine! You can go to his house alone." Fu Rou could only sigh after hearing Yun Xin Er's words.

Of course, she knew what Yun Xin Er had in mind. She also preferred to go shopping rather than seeing Xiao Tian and Yun Xin Er lovey-dovey in front of her.

"Senior martial brother, can you send me home? I want to practice martial arts now." Ren Aoxu knew that Yun Xin Er wanted to spend time alone with Xiao Tian. That was why he asked Xiao Tian to send him home.

"Sure." Xiao Tian answered instantly.

'My junior martial brother understands me well.'

Actually, Xiao Tian also desired to spend time alone with Yun Xin Er. After sending Ren Aoxu home, Xiao Tian and Yun Xin Er traveled to his house.

"Your house is so huge and beautiful!" Yun Xin Er spoke abruptly.

Currently, Xiao Tian and Yun Xin Er were in the front yard of his house. After getting out of their cars, they didn't immediately enter his home because Yun Xin Er wanted to see his beautiful front yard and his mansion from the front.

"You seem to really like my house." From her expression, Xiao Tian could tell that she really loved his house.

"Yes." Yun Xin Er gave an honest answer.

"Don't worry, this house will also be your house in the future." Xiao Tian said.

"My house?" Yun Xin Er had no idea why Xiao Tian said something like that. "Are you going to give your house to me in the future?"

"That's not what I mean, my beautiful Xin Er." Xiao Tian smiled as he pinched her cheeks. "In the future, you will be my wife, so this house will be your hou- no, I mean, this house will be ours later."

"How do you know that I will be your wife in the future? Are you sure I will accept your marriage proposal later?" even though she said something like that, but a beautiful smile appeared on her pretty face.

She was delighted after hearing his words because, with this, she knew that he really loved her and wanted to live with her forever.

"Because I won't take no for an answer." After saying that, Xiao Tian carried her in a princess style.

Yun Xin Er, who was surprised by his sudden actions, instantly wrapped her slender arms around his neck. "What is this? Why are you suddenly carrying me like this? Hehe."

"Because I want to." Xiao Tian entered his house and took her to see his mansion.

After seeing everything, Xiao Tian and Yun Xin Er decided to go to the backyard.

"How about you live here with me?" Xiao Tian asked abruptly.

Currently, Xiao Tian and Yun Xin Er were lying down on one of the pool lounge chairs. She was on his right side with her head on his right arm.

"I don't want to. Hehe." After saying that, Yun Xin Er laughed.

Yun Xin Er was sure that Xiao Tian would try to make her agree to live with him. But instead of trying to get her to agree to live with him, Xiao Tian didn't say a word and only looked at her.

Because Xiao Tian kept looking at her in the eyes, Yun Xin Er stopped laughing. At that moment, none of them said a word, and they only looked into each other's eyes as if they were communicating through their eyes.

When Yun Xin Er saw Xiao Tian's face getting closer to hers, she slowly shut her eyes because she knew what he was about to do.

And what she had guessed was right because three seconds after she closed her eyes, she could feel his lips on hers.

At this moment, Yun Xin Er was even sure that Xiao Tian would kiss her passionately. But she was wrong because Xiao Tian only pressed his lips against hers.

For this reason, Yun Xin Er opened her eyes and looked at his black eyes as if she was asking him why he didn't kiss her passionately.

Xiao Tian, who knew what she had in mind, instantly put his tongue into her mouth because he also desired to kiss her passionately since they arrived at his house.

At the same time, Liu Ning, who had just arrived home, went straight to the family room after seeing Xiao Tian's car in front of their house.

However, there was no one in the family room. Because she thought Xiao Tian was in his room, she immediately headed to his bedroom.

Knock...knock...knock...

Liu Ning knocked on the door. "Tian'er.."

Because Xiao Tian still didn't answer, Liu Ning opened the door.

'Where is he?'

Liu Ning closed the door again when she knew that Xiao Tian was not in his room.

'Maybe he is in the backyard.'

With that in mind, Liu Ning headed to the backyard. At this moment, Xiao Tian and Yun Xin Er were still having a deep kiss as if they would die if they stopped the kiss.
