

## Illicit 621

### Chapter 621 - Did You Do Something Lewd With Little Brother Earlier?

Currently, Xiao Tian and Yun Xin Er were having a deep kiss. Since they began kissing passionately, none of them wanted to stop.

They only stopped when they were short of breath. But in less than five seconds, they continued having a deep kiss again. It was as if they were addicted to kissing passionately.

As Yun Xin Er was moving her pink tongue lewdly, she looked into his black eyes and placed her right arm around his waist.

'Kissing with him feels so good! It seems like he kisses his women every day. The way he moves his tongue is amazing as if he already knows what he has to do.'

At this moment, Yun Xin Er forgot that they were at his house. All she had in mind was only a kiss and a kiss.

Actually, Xiao Tian wanted to place her on top of his body because it would be easier to have a deep kiss.

However, because they were lying down on the same pool lounge chair and the chair was also wavy, Xiao Tian decided against it because it would make it more difficult for them to have a passionate kiss.

Because Xiao Tian and Yun Xin Er were having a deep kiss, they didn't realize that Liu Ning was walking towards them.

"Tian'er, wha-" Liu Ning stopped her words halfway when she saw Xiao Tian having a hot kiss with Yun Xin Er.

Upon hearing Liu Ning's voice, Yun Xin Er instantly broke the kiss and pushed Xiao Tian away.

'Did she see us kissing passionately earlier?'

Currently, Yun Xin Er was sitting upright on the pool lounge chair. She really wanted to know whether Liu Ning saw them having a deep kiss or not.

It was true that Liu Ning and Shi Fei would agree if she also became Xiao Tian's woman, but still, being caught having a passionate kiss with him when they were still not lovers made Yun Xin Er embarrassed.

Previously, no one was at his house. And because the working hours were still not over, Yun Xin Er thought his women or family would not go home, but she was wrong.

Not only had one of his women returned home, but there was even a high possibility that she saw what they had done in the pool.

Even though Yun Xin Er didn't say a word and only stared at Liu Ning, but at that moment, her heart was beating fast.

"Ning'er, you have return home?" Xiao Tian still behaved normally as if he didn't do anything lewd with Yun Xin Er earlier. He didn't panic and was still lying down on the same pool lounge chair as Yun Xin Er.

"Hello, Mrs. Liu." It would be even more awkward and rude if Yun Xin Er didn't greet Liu Ning because she was at their house.

"Oh! So, it's you, Miss Yun." Earlier, when Liu Ning arrived home, she saw a luxurious car parked next to Xiao Tian's car.

At first, she thought it was Zhao Sheng's car because the car parked next to Xiao Tian's car was BMW i8.

"Yes." Yun Xin Er answered. "I have free time today, so I want to see his house."

Actually, Yun Xin Er wanted to ask whether Liu Ning saw them kissing passionately or not. However, when she was about to do that, she felt as if the words were stuck in her throat.

"I see." Even though Liu Ning saw them having a deep kiss earlier, she was not angry and still behaved as if she didn't see anything because she knew that Xiao Tian and Yun Xin Er had a special relationship.

"Ning'er, did you come home alone? Where is Fei?" Xiao Tian inquired.

"Yes. She said she would be home soon." Previously, Liu Ning wanted to go home with Shi Fei, but Shi Fei said she still had something to do. That was why she returned home alone.

"I see." After saying that, Xiao Tian tapped his thighs. "Come here and sit on my lap."

Upon hearing his words, Liu Ning instantly walked towards him. However, instead of sitting on his lap, she sat on the pool lounge chair next to him.

The corner of his lips twitched when he saw it. "Ning'er, why are you sitting there?"

'Is she jealous?'

Xiao Tian was sure that Liu Ning saw what he did with Yun Xin Er earlier.

"Because I want to. Hehe." The reason why Liu Ning didn't sit on his lap was that he already sat on the same pool lounge chair as Yun Xin Er.

Of course, she was not angry. She just thought it would be uncomfortable if the three of them sat on one pool lounge chair.

Xiao Tian rose to his feet and instantly laid down on Liu Ning's pool lounge chair.

After making her lie down with him and placing her head on his right arm, Xiao Tian immediately spoke, "Bad lady, the working hours are still not over, but you have returned home. Is it because your lover is the owner of the company?"

Actually, Xiao Tian didn't care whether she returned home faster than the other employees or not. He even would not mind it if Liu Ning didn't go to work.

Instead of answering, Liu Ning asked, "What do you think?"

After pretending to think about the answer, Xiao Tian replied, "It must be because you miss me, right? That was why you went home early so that you could spend time together with me, right?"

Even though Yun Xin Er was beside them, Xiao Tian didn't care and still teased Liu Ning. Yun Xin Er already knew that Liu Ning was his woman, so he said whatever he wanted.

"You are wrong. The reason why I came home early is that I wanted to sleep. I'm worn out and can't work anymore. That was why I decided to go home." Actually, Xiao Tian was right, but because she didn't want him to know the truth, she decided to lie.

"Oh! You are exhausted? How about we sleep now?" at this moment, Xiao Tian didn't know that Liu Ning was lying to him. He thought Liu Ning was really tired.

"What about Miss Yun?" Liu Ning inquired.

"I will go hom-" before Yun Xin Er had finished her words, she was interrupted by Xiao Tian.

"Big sister Yun, how about you also sleep with us? We can sleep together in my room later. Don't worry, my bed is big enough for three people." Even though Xiao Tian knew that Yun Xin Er would refuse, but he still said it.

Instead of answering, Yun Xin Er giggled. "Hehe."

Yun Xin Er knew that Xiao Tian was a playboy, but she still didn't expect him to ask another woman to sleep with him in front of his lover. He even wanted to sleep with both his woman and her.

Liu Ning pinched his cheeks and smiled, "You are really a bad boy!"

"But you love your bad boyfriend, right?" Xiao Tian didn't deny when Liu Ning said that he was a bad young man.

"Little brother, Ning." Shi Fei's voice rang out. When she saw Yun Xin Er, she was shocked, "Oh! Miss Yun also here?"

"Yes." Yun Xin Er replied. "I came here because I want to see his house."

"She was already here when I arrived home." Liu Ning added.

"Oh!" Shi Fei was shocked. "So, you two were alone earlier. Miss Yun, did you do something lewd with little brother earlier? Hehe."

## **Chapter 622 - Why Is My Life Like This?**

7-8 minutes

---

Shi Fei's words much surprised Yun Xin Er. She didn't expect that Shi Fei would ask something like that. For this reason, Yun Xin Er didn't answer immediately.

'Should I tell the truth?'

Yun Xin Er knew that Liu Ning and Shi Fei would not mind even if they knew the truth because when they talked together at his restaurant last time, Liu Ning and Shi Fei told her to become Xiao Tian's woman quickly.

They even talked about what they had done with Xiao Tian as if it was an ordinary thing.

Because Yun Xin Er still hadn't answered, Xiao Tian told the truth. "Yes. We did lewd things because big sister Yun seduced me earlier. Maybe it's because she has never seen a young man as attractive as me before. That was why she seduced me."

Upon hearing his words, Liu Ning and Shi Fei stared at him. Their expression told him that they didn't believe his words.

'I'm sure he is the one who seduces her.'

Shi Fei and Liu Ning knew Xiao Tian's personality, so they were sure, it was Xiao Tian who seduced Yun Xin Er earlier, not the other way around.

"Hahaha." Yun Xin Er laughed after seeing the expression on the faces of Liu Ning and Shi Fei. "Little brother, it seems like your women doesn't believe your words. Haha. I even didn't say anything but they already know the truth."

"Sigh.." Xiao Tian made a sad face. "My love, why don't you believe your boyfriend's words? It hurt me so much, you know?"

As if Liu Ning and Shi Fei had agreed on what they were going to answer, they immediately replied in unison. "Because we know your personality."

"Haha." Yun Xin Er laughed even louder than before. "Little brother, you can't fool your women."

Not long after that, Ye Xueyin and Ye Qingyu returned home. After that, they talked until 07:00 pm before finally, Yun Xin Er returned home.

-----

As soon as Yun Xin Er stepped into the family room, she saw her mother sitting on the couch. Yun Xin Er's face instantly darkened because she knew what her mother would say to her later.

When Nalan Jiangge saw her daughter, she immediately said, "Xin Er, where have you been? Did meet Xiao Tian again?"

"Yes. I went to his house." Yun Xin Er gave an honest answer.

"I have told you to stop meeting him. Why did you still meet him?" Nalan Jiangge raised her tone. She was furious because her daughter still met Xiao Tian.

"It's none of your business! Mother, I'm already an adult, so stop controlling my life. Don't tell me what to do or not to do because I don't like it. This is my life and I can do whatever I want with it." Yun Xin Er really hated it when her mother told her what to do or not to do.

And this was also the main reason why they often fought or why she didn't have a close relationship with her mother.

Nalan Jiangge was enraged upon hearing her daughter's words. For this reason, she rose to her feet and slapped Yun Xin Er in the face.

\*Slap...

The sound of Nalan Jiangge slapping Yun Xin Er in the face echoed in the family room.

"How dare you say something like that to me?" Nalan Jiangge retorted as she pointed her index finger towards Yun Xin Er. "I'm your mother, so you have to listen to my words. I did all of this for the sake of your happiness too."

"It's not for my happiness, but yours." Yun Xin Er became even angrier after her mother slapped her face. "Why do you always see people base on their wealth?"

"Shut up! From now on, stop meeting Xiao Tian and apologize to Zi Yuhan tomorrow!" Earlier, Zi Yuhan called her, saying what had happened to him earlier.

Of course, he also made up a story and made it as if Yun Xin Er and Xiao Tian did something terrible to him. For this reason, Nalan Jiangge went to her daughter's house because she wanted her daughter to apologize to Zi Yuhan.

"I did nothing wrong so why should I apologize to him?" at this moment, Yun Xin Er finally understood that Zi Yuhan told her mother of what had happened to him today.

"I don't care!" Nalan Jiangge answered. "I want you to meet him and apologize to him tomorrow! Do you know that you can make us lose a lot of money later? Zi company gave me a big project two days ago and we can earn at least 100,000,000 yuan if this project is successful. If you make Zi family angry, there is a chance that they will cancel the project. Do you know it?"

"Money, money, money and money. All you have in mind is only money." Yun Xin Er answered. "We won't bring our wealth with us when we die later, so why do you care so much about money?"

"Can you eat if you don't have money? Can you wear good clothes if you don't have money? What can you do if you don't have money? Tell me now! Tell me!" Nalan Jiangge disagreed when many people said money was not everything or money could not give happiness because, in her view, they could not do anything if they didn't have money.

Not only could they not buy anything, but everyone would bully or underestimate them if they didn't have money.

"Don't we have enough money already? Why are you so greedy?" Yun Xin Er answered. "Are you really going to sell your only child for money?"

"What do you know?!" Nalan Jiangge replied. "I don't care! I want you to meet Zi Yuhan tomorrow."

"I don't want to! Why don't you meet him yourself?" Yun Xin Er walked towards her room after saying that.

"Where are you going?! I'm still not done talking to you." Nalan Jiangge followed her daughter.

\*Bang...

Yun Xin Er closed her door and locked it because she didn't want her mother to enter her room.

\*Bang...Bang...Bang...

Nalan Jiangge hit the door hard. "Xin Er, open the door!"

However, Yun Xin Er didn't answer because she didn't want to argue with her mother anymore.

'Why do you have to treat me like this?'

Yun Xin Er fell on her knees and tears fell down her soft cheeks.

'Am I no longer important to you? Am I a tool for you now?'

Yun Xin Er, who sat on the floor with her back leaning against the door, tried not to cry. She was really sad because her mother wanted to use her to get more money.

Because Yun Xin Er didn't answer, Nalan Jiangge hit the door again. "Xin Er, open the door!"

Like before, Yun Xin Er didn't answer. Yun Xin Er was sure that they would argue again if she opened the door.

She was tired because almost every time she met her mother, they always argued about something.

"If you don't meet Zi Yuhan and apologize to him tomorrow, I won't think of you as my daughter anymore." After saying that, Nalan Jiangge left.

\*Sob...Sob...Sob...

After hearing her mother's words, Yun Xin Er instantly cried.

"Mother, why did you treat me like this?" even though she always argued with her mother, but Yun Xin Er still thought of her as her mother, so after hearing her mother's words, Yun Xin Er felt very sad.

'Why is my life like this?'

Because Yun Xin Er needed someone, she immediately called Xiao Tian.

"Hello, big sister Yun? Do you miss me?" Xiao Tian said after picking up the phone.

"Little brother, can you come to my house now?" Yun Xin Er said

### **Chapter 623 - Tell Me Everything That's Led Up To This**

8-11 minutes

---

"I will come to your house now. Wait there." Xiao Tian, who was sitting on the chair, instantly rose to his feet and dashed to his car.

From Yun Xin Er's voice, he knew that something bad had happened to her. Earlier, he didn't ask anything on purpose because it would be better to ask it when he was at her house.

'What happened to her? Did someone cause trouble for her?'

Currently, Xiao Tian was on his way to her house.

'Wait! Don't tell me, Zi Yuhan is the one who causes trouble for her?'

The reason why Xiao Tian suspected Zi Yuhan was that he had humiliated Zi Yuhan earlier. Because Xiao Tian wanted to get to her house as quickly as possible, he drove his car faster.

After Xiao Tian parked his car and entered her house, he immediately knocked on the door. "Big sister Yun, it's me Xiao Tian."

\*Click...

Yun Xin Er immediately opened the door when she knew it was Xiao Tian. Without saying anything, she instantly embraced him.

"It's fine. I'm here now." Xiao Tian said as he tapped her back gently.

Instead of stopping the hug, Yun Xin Er embraced him tighter because it could calm her down when she was hugging him.

Even though Xiao Tian wanted to ask what had happened to her immediately, he decided to remain silent and continued to pat her on the back gently.

He knew what she needed the most was that the warmth of his embrace. That was why he let her hug him a little longer.

After Yun Xin Er stopped the hug, Xiao Tian cupped her face and looked into her eyes. "Did someone hurt you?"

'Who did this to her?'

From Yun Xin Er's red eyes, Xiao Tian knew that she cried in her room earlier.

At this moment, Yun Xin Er didn't answer immediately and only looked at him in the eyes.

She wanted to tell him that the person who hurt her feelings was her mother, but she didn't want to speak ill of her mother because even though she disliked her mother, she was still her mother.

Because Yun Xin Er remained silent, Xiao Tian wanted to know even more. However, he could not force her to tell him everything. "Let's sit on the bed first."

Like before, Yun Xin Er didn't answer, but this time, she nodded her head, giving him a sign that she agreed.

After they entered her room, Xiao Tian closed the door. Currently, Xiao Tian and Yun Xin Er were sitting on the bed.

Xiao Tian, who was on her left side, immediately spoke, "If you don't want to tell me about it, it's fine. I won't force you. But you have to remember that I will always be there for you and will do whatever I can to help you."

\*Drip...

Tears fell down her soft cheeks after hearing his words. At this moment, she didn't behave as usual. Her seductive behavior disappeared without a trace. She only looked like a weak girl who was hurt by someone.

"If you don't see Zi Yuhan and apologize to him tomorrow, I won't think of you as my daughter anymore."

"I won't think of you as my daughter anymore."

"I won't think of you as my daughter anymore."

Her mother's words kept ringing in Yun Xin Er's head. Even though she often argued with her mother, it was the first time her mother said something like that.

It hurt her so much. She didn't expect that there would be a day when her mother would say something like that to her.

Xiao Tian instantly wiped her tears away with his thumb and embraced her. "It's fine. Everything will be alright."

'Who made her like this?'

It was Xiao Tian first time seeing Yun Xin Er like that. When the video of them having a passionate kiss spread on the internet, she still behaved normally.

With this, Xiao Tian knew that someone had hurt her feelings. It hurt her feelings so much to the point her eyes were red from crying.

When Xiao Tian placed her head on his chest, Yun Xin Er instantly wrapped her arms around his waist again.

Even though she was not sobbing, but tears kept falling down her soft cheeks. "Little brother, why is my life like this? What did I do wrong?"

At this moment, Xiao Tian didn't know what to say because he still didn't understand anything. For this reason, he only said whatever he had in mind.

"I know you are having a hard time right now. In the past, I also blamed my life several times. But I knew that I had to keep strong. if I can do it, you can also do it." Xiao Tian then stopped the hug and looked at her in the eyes. "Now tell me everything that's led up to this. Help me understand more about what you're feeling."

After looking at his black eyes for about three seconds, Yun Xin Er began to tell everything. "It's like this..."

"I see." Xiao Tian finally understood the reason why Yun Xin Er was sad.

'It's her mother again. How could she do that to my Xin Er?'

At this moment, Xiao Tian was furious and wanted to teach her mother a lesson. However, because he knew that Yun Xin Er would be sad if he did that, he decided against it.

"I can help you solve the problem." Xiao Tian didn't want to see her sad anymore, so he tried to help her solve it.

"How?" Yun Xin Er inquired.

"There are two ways to solve this problem. Because the second method is too extreme, let's use the first method. If it fails, I will tell you the other way to solve the problem." Xiao Tian began to tell her how to solve the problem.

"Let's use it." Yun Xin Er agreed with his idea.

Yun Xin Er and Xiao Tian then laid down on the bed. Currently, she was lying down on his left side with her head on his left arm.

That night, Xiao Tian managed to calm her down. Because Xiao Tian knew that she was still sad, he decided to stay over at her house.

The next day, after Xiao Tian worked at Star Clothes company for about two hours, he traveled to Yun Xin Er's house because they wanted to carry out their plan.

They wasted no time and immediately went to the places Zi Yuhan often visits. Because they wanted to destroy Zi Yuhan's reputation in Nalan Jiangge's eyes, they wanted to take a picture of him hanging out with women.

When they saw Zi Yuhan lovey-dovey with three women, they immediately took several pictures of them. After that, they went to Yun Xin Er's house.

Because they wanted to show these pictures to her mother, Yun Xin Er immediately called her.

"Big sister Yun, I will leave now. It will be bad if your mother sees me later." Xiao Tian didn't want Yun Xin Er to fight with her mother. That was why he decided to leave immediately. "Call me if you need anything."

"Un." Yun Xin Er nodded her head.

Fifteen minutes after Xiao Tian left, Nalan Jiangge arrived at Yun Xin Er's house.

When she saw her daughter in the family room, she immediately asked, "Have you met Zi Yuhan and apologized to him?"

"Earlier, I went out to meet him but I saw him hanging out with three women." Yun Xin Er then showed the pictures to her mother. "These are the photos where he is flirting with three women."

At this moment, Yun Xin Er hoped that her mother would be angry and disappointed by Zi Yuhan's behavior.

To her surprise, her mother tore all the pictures. "You don't need to care about them. They are just lowly women who hope to become rich by marrying Zi Yuhan or becoming his mistresses."

Nalan Jiangge then continued, "Instead of showing these pictures to me, you should try to win his heart. You are more beautiful and popular than them, so it will be easy for you to become his lover. If you two become lovers, ask him to stop meeting these sluts and don't let him have a mistress too."

"What?! After seeing these pictures, you still want me to become his lover?" Yun Xin Er found it hard to believe what she was hearing.

Not only did she not succeed in making her mother angry at Zi Yuhan, her mother even told her to try harder to win him over.

"It's normal for rich young men to have fun with women." Nalan Jiangge answered. "All you need to do is win his heart and make him only love you. With this, not only will he stop meeting these sluts, you will even be able to control him later. isn't this a good plan?"

"I don't want to become his woman!" Like yesterday, Yun Xin Er dashed to her room and locked the door.

"What? You lock yourself in your room again?" actually, Nalan Jiangge knew that Yun Xin Er would lock herself again. "I will give you one more day to apologize to him. Remember, I only want to hear good news."

Because there was no point in staying at her daughter's house, Nalan Jiangge left.

-----

Currently, Xiao Tian and Ren Aoxu were drinking green tea. And as usual, they sat in the outer seats.

"Senior martial brother, why do you keep looking at your phone?" Ren Aoxu inquired.

Since they met, Xiao Tian always checked his smartphone. He even checked his phone every three seconds, as if he was waiting for a message or call from someone.

At this moment, Zi Yuhan, who noticed them, instantly walked towards Xiao Tian and Ren Aoxu. They had humiliated him yesterday, so he wanted to teach them a lesson.

### **Chapter 624 - Meeting Zi Yuhan Again**

7-8 minutes

---

"Guzuo, Wuji, Wuja, I want you to beat two people for me." Zi Yuhan spoke as he looked at Guzuo, Wuji and Wuja.

"Don't worry, Mr Zi. We will beat anyone who cause trouble for you." Guzuo spoke arrogantly. "We will make them beg for your forgiveness later."

"Good!" Zi Yuhan was pleased after hearing Guzuo's words.

Because Guzuo, Wuji and Wuja were the best disciples of Hakken martial arts school, Zi Yuhan was sure that they could beat Xiao Tian and Ren Aoxu later.

'Haha. Xiao Tian, Ren Aoxu, I will make kneel before me later.'

Zi Yuhan could not help but laugh in his head when he imagined Xiao Tian and Ren Aoxu begging for his forgiveness.

"Xiao Tian, Ren Aoxu, we meet again." Zi Yuhan spoke when he was in front of them. "Today, I will make you pay for your actions yesterday. I will make you beg for my forgiveness."

"Oh! It's you?!" Xiao Tian still behaved normally when he saw Zi Yuhan, Wuji, Wuja and Guzuo.

Like Xiao Tian, Ren Aoxu also had a calm expression. He even sipped his tea slowly as if Zi Yuhan and the others were not in front of him.

Unlike Xiao Tian and Ren Aoxu, the expression of fear instantly blossomed on the faces of Wuji, Wuja and Guzuo.

When they saw Xiao Tian and Ren Aoxu, the memory of Xiao Tian and Ren Aoxu beating them cruelly in the Donhu garden appeared in their minds.

Actually, they hadn't fully recovered from the injuries they got when Xiao Tian and Ren Aoxu beat them cruelly. Some parts of their bodies were still injured like their waists or chest.

'Why them of all people?'

These were the words that emerged to the minds of Wuji, Wuja and Guzuo.

Previously, they thought the people who Zi Yuhan wanted them to beat were not Xiao Tian and Ren Aoxu.

For this reason, they kept lowering their heads and didn't dare to look at Xiao Tian and Ren Aoxu in the eyes. They still could not forget how Xiao Tian and Ren Aoxu beat them cruelly yesterday.

"Yes. It's me." Zi Yuhan answered. "Today, I will get my revenge!"

"Hahaha. They are the ones you brought to beat us up?!" after saying that, Xiao Tian looked at Ren Aoxu. "Junior martial brother, aren't these people quite familiar? It seems like we met them yesterday."

"Yes." Ren Aoxu replied instantly. "We met them at the garden yesterday."

"Hmf! You can laugh now but you will beg for my forgiveness later! Wuji, Wuja, Guzuo, beat them for me." Zi Yuhan said as he pointed his index finger towards Xiao Tian and Ren Aoxu.

However, Wuji and the others didn't move from their places and kept lowering their heads. The difference between their martial arts skills was too big, so they knew that Xiao Tian and Ren Aoxu would beat them again if they fought.

When Wuji and the others didn't move from their places, Zi Yuhan was furious. "What are you doing? Hurry up and beat them! Why are you lowering your head like that?"

"Hahaha." Xiao Tian laughed when he saw the behavior of Wuji, Wuja and Guzuo. "Junior martial brother, look at them! They are like..."

"A coward!" Ren Aoxu finished his words.

"True. Haha." Xiao Tian laughed again.

"Why are you still not doing anything?!" Zi Yuhan was enraged because Wuji and the others did nothing when Xiao Tian and Ren Aoxu insulted them again. "They are calling us cowards and you still didn't do anything?! Hurry up and beat them!"

At this moment, Zi Yuhan still didn't know the reason why Wuji and the others still did nothing despite hearing Ren Aoxu's words.

"Mr. Zi, I'm sorry. I suddenly remember that I need to help my parents today. I will leave now." without waiting for Zi Yuhans's answer, Guzuo immediately left because he didn't want Xiao Tian and Ren Aoxu to beat him again.

"Mr. Zi, we also need to help our parents. They are already old so we need to help them." Wuji and Wuja spoke in unison.

Because Guzuo ran away, Wuji and Wuja decided to do the same because they also didn't want Xiao Tian and Ren Aoxu to beat them again.

"Bastard! Come back here!" Zi Yuhan didn't expect that Wuji and the others would run away like that.

"Haha." Xiao Tian found it funny when Wuji, Wuja and Guzuo ran away as if a ghost was chasing them.

Because Wuji and the others ran away, Zi Yuhan turned around and was about to do the same. There was no way he could beat Xiao Tian and Ren Aoxu because he had never learned martial arts before.

When Xiao Tian noticed it, he instantly rose from his seat and stopped Zi Yuhan. "Where do you want to go? Didn't you want to beat me up earlier?"

"Xiao Tian, let me go! I.. I was only kidding earlier." At this moment, Zi Yuhan was afraid that Xiao Tian would beat him up later.

"Don't worry, I won't hurt your face." After saying that, Xiao Tian raised his right arm, preparing to punch Zi Yuhan's mid-torso.

However, something unexpected happened when Xiao Tian was about to hit Zi Yuhan.

His smartphone was ringing!

When Xiao Tian found out the one who called him was Yun Xin Er, he immediately picked up the phone, "Hello, big sister Yun? How is it?"

"Little brother, can you come to my house now?" Yun Xin Er thought it would be better to tell him in person, not over the phone like that.

"Alright. I will be there soon." After Xiao Tian hung up the phone, he returned his attention to Zi Yuhan. "You are lucky today."

Actually, Xiao Tian wanted to beat Zi Yuhan until he could no longer move his body, but because Yun Xin Er wanted him to come to her house immediately, he decided against it.

Xiao Tian then looked at Ren Aoxu and spoke, "Junior martial brother, I have to go now."

"All right." Ren Aoxu replied.

Before Xiao Tian went to Yun Xin Er's house, he kicked Zi Yuhan's mid-torso.

\*Uakkk...

Zi Yuhan fell on his knees after Xiao Tian kicked his mid-torso.

After Xiao Tian left, Ren Aoxu rose to his feet and walked towards Zi Yuhan. "How dare you try to cause trouble for us?"

Like what Xiao Tian did earlier, Ren Aoxu also kicked Zi Yuhan before leaving.

-----

"So, how is it?" Xiao Tian inquired.

Currently, Xiao Tian and Yun Xin Er were sitting on the bed in her room.

"My mother still wants me to become Zi Yuhan's woman." Yun Xin Er gave an honest answer. "She even tore the pictures, saying it was normal for rich young men to play around with women."

Upon hearing her words, Xiao Tian was happy and sad at the same time. He was delighted because as long as he had a lot of money, her mother would agree with their relationship even though he had more than one woman.

And the reason he was sad was that her mother still wanted to match Yun Xin Er with Zi Yuhan.

'It seems like we have to use the second method.'

"Big sister Yun, I have another method to solve your problem." Xiao Tian spoke,

"What is it?" Yun Xin Er inquired.

## **Chapter 625 - In My Eyes, You Are Like An Angel And A Goddess**

5-7 minutes

---

"This time, my method is quite extreme." Xiao Tian gave an honest answer.

Yun Xin Er became even more curious after hearing his words. "Tell me about it."

Xiao Tian then brought his face closer towards her right ear and whispered. "My method is like this..."

Yun Xin Er instantly pinched Xiao Tian's cheeks after Xiao Tian finished explaining his plan. "What is this? You want to take advantage of this pretty big sister, huh? You are really a bad boy! How could you have such an idea like this?"

"What are you talking about? This is a good method to solve your problem. I'm sure this plan will work for sure." Xiao Tian didn't deny when Yun Xin Er said that he wanted to take advantage of the situation later. "How is it? Do you want to use this method?"

Yun Xin Er didn't answer immediately because his plan was too extreme. Of course, she also thought that his plan would definitely be successful, but she had to think about it carefully before agreeing with his idea.

"If you think you can't do well later, we can practice first now. Hehe." Xiao Tian said. "Don't worry, we are in your room now, so no one will know what we will do here."

"You really want to take advantage of me, huh? Fine. I will close my eyes and will let you do whatever you want with me. Here. Do it!" After saying that, Yun Xin Er shut her eyes.

At first, Xiao Tian wanted to do what he would do in his plan, but after thinking for several seconds, he decided against it. For this reason, Xiao Tian only kissed her forehead.

After Xiao Tian kissed her forehead, Yun Xin Er opened her eyes and giggled. "Hehe. Why did you only kiss my forehead? Didn't you say you wanted to do what you would do in your plan?"

"Because your forehead is so beautiful. That was why I kissed it." Xiao Tian lied to her.

Upon hearing his words, Yun Xin Er pinched his cheeks again. "Are you saying that my forehead is big?"

"What are you talking about, big sister Yun? I didn't lie to you when I said your forehead is beautiful." Xiao Tian answered. "Due to how beautiful your forehead is, I even want to always kiss it. If you allow me, I will even kiss your forehead more than ten times every day."

"Really?" Yun Xin Er then placed her forehead in front of his face. "If you want to kiss my forehead again, you can do it, you know?"

"Sure." instead of kissing her forehead, Xiao Tian kissed her cherry lips.

Yun Xin Er widened her eyes for a second when Xiao Tian pressed his lips against hers. However, she didn't push him and only looked into his black eyes.

This time, Xiao Tian didn't kiss her passionately and only pressed his lips against hers. He even broke the kiss after kissing her for about three seconds.

"I said you can kiss my forehead. Why did you kiss my lips?" Yun Xin Er said as she hit Xiao Tian's chest gently.

Of course, she was not angry at Xiao Tian because they had done it many times. They even kissed passionately many times until she lost count, so kissing on the lips was not a big deal for her.

"Because your lips are pretty too." As usual, Xiao Tian immediately made an excuse. "Not only your forehead and lips, in my eyes, you are so beautiful and perfect. I even thought of you as an angel who descended from the highest heaven when I saw you for the first time."

'I'm glad that she is behaving as usual again.'

Xiao Tian was thrilled because Yun Xin Er was not as sad as yesterday.

"Really?" even though Yun Xin Er knew that Xiao Tian was only using his sweet words, it still made her delighted.

"Yes." Xiao Tian answered as he nodded his head.

At this moment, Yun Xin Er suddenly remembered something. "Wait. Didn't you always say that I was your goddess of luck? Why are you saying that I'm an angel now?"

"In my eyes, you are like an angel and a goddess." In the past, Xiao Tian often called her the goddess of luck because she often helped him. "You are so perfect to the point I doubt whether you are really human or not."

"Hehe. Because I like your words, you can kiss my lips again." After saying that, Yun Xin Er pouted her lips.

Even though Xiao Tian had no intention of kissing her lips again, but because she said so, he immediately kissed her pretty lips. There was no way he would refuse if an attractive lady asked him to kiss her lips.

"So, how is it? Do you agree to use my plan?" because Yun Xin Er didn't answer earlier, Xiao Tian decided to ask again.

"Yes." Yun Xin Er replied. "I agree."

"Good! Let's prepare ourselves first. After we are ready, we will carry out our plan." Xiao Tian immediately called Chun Hua and told her to follow Zi Yuhan's mother.

Xiao Tian also ordered Chun Hua to bring Mu Huo and Ren Aoxu because he would need them later.

Xiao Tian and Yun Xin Er then prepared themselves for about two hours because they were finally ready. At this moment, Chun Hua and the others were following Zi Yuhan's mother.

Xiao Tian took his smartphone out of his pocket and called Chun Hua. "Where is the target?"

"The target is at Honlum Café. She is drinking coffee alone now." Chun Hua answered instantly. "Currently, we are sitting not far from her."

"Good!" Xiao Tian was thrilled when he learned that Zi Yuhan's mother was alone because it would make his plans even more perfect later. "Send me the location now."

"All right." After Chun Hua hung up the phone, she sent her location to Xiao Tian.

Not long after that, Xiao Tian and Yun Xin Er arrived at Honlum café.

"Are you ready?" Xiao Tian inquired.

"Yes." Yun Xin Er answered.

## **Chapter 626 - Carrying Out Their Plan**

8-10 minutes

---

"Wait! Let me call Chun Hua and the others first." Xiao Tian then took his phone out of his pocket and called Chun Hua.

Chun Hua and the others instantly walked out of the Honlum Café to meet Xiao Tian and Yun Xin Er.

"Sir, what is your plan?" Chun Hua asked when she was in front of Xiao Tian.

"Let me explain what you should do later." because his plan was too extreme and dangerous, Xiao Tian didn't want to make a single mistake because the consequences would be fatal for both Xiao Tian and Yun Xin Er later.

Xiao Tian told Ren Aoxu that he should sit not far from them later. His job was to monitor his surroundings and make sure that no one took a picture or made a video of them later.

As for Mu Huo and Chun Hua, they needed to monitor everything from outside. Their job was like Ren Aoxu's job, but Xiao Tian gave them an extra job.

And that was to drive out anyone who wanted to enter the Honlum Café because the fewer people in the room were, the better for his plans.

After Xiao Tian told them everything, he looked at Yun Xin Er and spoke, "Big sister Yun, let's go."

"Yes." Yun Xin Er answered instantly.

Xiao Tian and Yun Xin Er wasted no time and immediately entered the Honlum Café.

'This café is not bad!'

After entering the face, Xiao Tian saw ten people enjoying themselves.

The room was quite big, and the walls were beautifully designed. On their right side, several Windsor chairs were neatly arranged and each table had four Windsor chairs.

While on their right side, there were several sofas arranged facing each other with a wooden table in the middle of it.

'Oh! So, she is Zi Yuhan's mother, Han Ai.'

On the way to Honlum Café, Yun Xin Er showed the picture of Zi Yuhan's mother and told him her name.

Because Xiao Tian and Yun Xin Er wanted to sit behind Han Ai, they headed to the sofa area. Coincidentally, the sofa behind Han Ai was empty, so they immediately sat there.

Currently, Yun Xin Er was sitting on the couch right behind Han Ai with her back facing Han Ai's back. As for Xiao Tian, he was sitting in front of Yun Xin Er. Because the sofa was quite high, Xiao Tian could only see the back side of Han Ai's head and neck.

Because Yun Xin Er was wearing a face mask when she walked past Han Hai, Han Ai didn't know that Yun Xin Er was sitting behind her.

After Yun Xin Er took off her jacket and mask, she placed it on the couch. "Honey, how is this café? Do you like it?"

Because she had taken off her jacket, she was currently wearing blue T-shirt and gray skirt. At this moment, Yun Xin Er's heart was beating faster every second.

'I can do it.'

Yun Xin Er hoped that she would not ruin their plan later.

In their plan, Yun Xin Er would pretend to be Xiao Tian's girlfriend, and they would talk about lewd things.

Not only that, but they would also pretend as if they were doing lewd things in the Honlum Café later. And Yun Xin Er would behave as if she was a slut who loved sex.

Because they failed to make Nalan Jiangge dislike Zi Yuhan, they would make Han Ai hate Yun Xin Er and think of her as a dirty woman.

With this, they were sure that Han Ai would tell her son not to meet Yun Xin Er anymore because reputation was very important for rich people.

Han Ai, who was checking her smartphone, stopped what she was doing after hearing Yun Xin Er's voice.

'Why do I feel so familiar with this voice?'

Han Ai then turned her head towards Yun Xin Er to check whether she knew the person who just spoke or not.

However, because they sat with their backs facing each other, Han Ai could not see Yun Xin Er's face. That was why she returned her attention to her smartphone again.

"Yes. I like it." Xiao Tian answered. "How do you know this place?"

"From internet." Yun Xin Er pretended as if she knew Honlum Café from the internet.

At this moment, the waitress walked towards them. After Xiao Tian and Yun Xin Er gave their orders, the waitress left.

This time, Xiao Tian and Yun Xin Er didn't order food because they were still full. Five minutes later, the waitress put their orders on the table and left. Previously, Xiao Tian ordered lemon tea while Yun Xin Er asked for a vanilla milkshake.

"Why are you looking at me like that?" Xiao Tian behaved as if he noticed Yun Xin Er looking at him lustfully. "Are you thinking about dirty thing again?"

"I suddenly remember what we did earlier." Yun Xin Er answered instantly. "You were so great earlier."

Even though Xiao Tian and Yun Xin Er said in low voices, but they made sure that Han Ai could still hear them.

That was why after hearing their words, Han Ai could not help but shake her head.

'Young couples nowadays really have no shame.'

At this moment, Han Ai was sure that Xiao Tian and Yun Xin Er had had sex before going to Honlum Café.

"What is this? Are you horny again?" Xiao Tian inquired. "Didn't we just have sex before coming here? You even sucked my cock in the car earlier. Is that still not enough?"

"Honey, you can't blame me on this because you are so good in bed." Yun Xin Er answered. "Not only is your cock big, you even know how to use it. Every time we had sex, you always managed to satisfy me."

Yun Xin Er then continued, "You are the first man who can satisfy me in bed. All my ex-boyfriends never satisfied me in bed and they also always cummed so fast. That's why I'm so happy to have a boyfriend like you. How about we have sex again after this?"

Han Ai found it hard to believe what she was hearing.

'What a slut! It seems like she loves sex so much.'

It was the first time she heard a woman speak vulgar words without feeling embarrassed.

"You want to do it again?!" Xiao Tian asked in surprise. "Didn't you say your vagina is sore right now?"

"That's right." Yun Xin Er answered. "I think we can't have normal sex for today but we can have anal sex. How is it? Do you want to have anal sex with me later?"

"Sure." Xiao Tian wore an excited expression.

At this moment, Xiao Tian hoped that they would really have anal sex later because he also loved anal sex. However, he knew that Yun Xin Er would refuse to have sex with him for now.

"Great!" Yun Xin Er answered cheerfully as if she was thrilled after hearing his words. "You can let out your sperm inside me later because I don't have to worry about pregnancy if we have anal sex."

"Don't worry. I will fill your ass with my sperm later." Xiao Tian didn't expect that Yun Xin Er could behave like a slut.

Actually, Xiao Tian was worried earlier because Yun Xin Er was a singer, not an actress. However, after seeing her behavior and hearing her words, he was sure that Han Ai would think of her as a slut.

And what Xiao Tian had guessed was right because Han Ai called Yun Xin Er a slut again in her mind.

"Slut! I'm sure her vagina isn't tight anymore now.'

Because Yun Xin Er behaved as if she liked sex so much, Han Ai was sure that Yun Xin Er's vagina was already loose.

"Honey, I suddenly want to suck your cock now." Yun Xin Er said lustfully. "What should I do? Can I suck your penis now?"

The expression of deep shock blossomed on Han Ai's face.

'What? She wants to suck his cock here? Is she crazy?'

Like before, Han Ai turned her head towards Yun Xin Er because she wanted to know who the woman behind her was.

"What?" Xiao Tian said in surprise. "We can't do that here. There are several people around us. What if they know later?"

"Then, what should I do? I really want to suck your huge cock." Yun Xin Er pretended as if she found an excellent idea. "How about I play with your cock using my feet? With this, no one will know about it. Oh! You can also play with my pussy later. I'm wearing a short skirt now so it will be easy for you to play with my vagina later. Honey, let's give each other a pleasure now."

"My love, you are crazy! We can't do that now." Xiao Tian pretended to be afraid.

'Damn! If only this is not an acting.'

If it was not acting, Xiao Tian would immediately accept it because doing lewd things in secret was so exciting.

The last time he did lewd things in secret was when he ate at the restaurant with Shi Fei. At that time, they had sex under the table.

When Xiao Tian remembered the time where he had sex with Shi Fei under the table, the aroused feeling within him suddenly appeared.

"Honey, don't worry. No one will know." Yun Xin Er then spread her legs widely. "Here, I have spread my legs. You can use your feet to play with my pussy now."

"Sure." Xiao Tian answered. "But you have to be careful."

Because they were acting, Xiao Tian was sure that Yun Xin Er would not do that. But to his surprise, Yun Xin Er really rubbed Xiao Tian's cock with her feet.

## **Chapter 627 - What?! They Are Famous People?**

7-9 minutes

---

Her actions much surprised Xiao Tian. Because they were acting, Xiao Tian thought Yun Xin Er would not rub his cock using her feet, but he was wrong.

Even though Xiao Tian had no idea as to why Yun Xin Er decided to do something like that, it made Xiao Tian pleased because, with this, he could rub her vagina with his feet too.

Since he knew her, Xiao Tian never played with her vagina. He had kissed her passionately and left a hickey on her breasts.

However, he never played with her pussy or sucked her breasts. Because there was a chance to play with her vagina, of course, Xiao Tian would not let the opportunity slip away.

Xiao Tian then shifted his gaze from her face to her feet, which were rubbing his cock through his trousers.

'It seems like she is enjoying herself. She is even rubbing my cock with her feet.'

Previously, Yun Xin Er always said that Xiao Tian would take advantage of the situation later, but now, it was the other way around. She was the one who took advantage of the situation and rubbed his cock with her feet.

"Honey, why don't you rub my pussy with your feet now?" Yun Xin Er inquired. "Don't worry. No one will know about this. Hurry up and play with my vagina because I have spread my legs widely now."

Upon hearing Yun Xin Er's words, Han Ai covered her mouth with her hands.

'What?! They are really doing it?!'

At this moment, Han Ai wanted to turn her head towards Yun Xin Er again but decided against it because she was afraid that they would know that she had been eavesdropping their conversation.

'I can't believe it! The young couple behind me is pervert lovers.'

Because Xiao Tian and Yun Xin Er were doing lewd things in a public place, Han Ai was really surprised by their braveness. No, it was not a braveness. It was because they were a perverted couple.

"Honey, hurry up and play with my pussy." Yun Xin Er repeated her words.

Even though Xiao Tian knew that Yun Xin Er was not serious when she told him to play with her vagina, but because she was rubbing his cock with her feet, Xiao Tian decided to do the same.

"Ah.." Yun Xin Er was surprised when Xiao Tian suddenly rubbed her vagina with his right foot.

'What?! He is really rubbing my pussy?'

Previously, Yun Xin Er thought Xiao Tian knew that she was not serious when she told him to rub her pussy.

She didn't expect that he would really do that. For this reason, Yun Xin Er looked at him in the eyes as if she was telling him to stop.

'Little brother, stop it! What are you doing? Stop rubbing my vagina with your right foot!'

Yun Xin Er said in her head.

Han Ai widened her eyes in shock after hearing Yun Xin Er's moan. Even though she had watched porn before, but it was her first time hearing a woman's moan in person.

When Xiao Tian noticed Yun Xin Er staring at him, he knew that she was asking him to stop. However, because she was still rubbing his cock with her feet, Xiao Tian pretended as if he didn't understand it.

'Her vagina is so soft!'

Currently, Xiao Tian was rubbing her pussy with the big toe of his right foot. He moved his toe vertically and slowly.

"Mmm." Yun Xin Er instantly covered her mouth with her hands when Xiao Tian suddenly thrust his big toe into her pussy through her underwear.

'Little brother, stop it!'

Yun Xin Er said in her head.

Of course, Xiao Tian behaved as if he didn't know that Yun Xin Er wanted him to stop.

'You are still rubbing my cock with your feet and you want me to stop? Dream on!'

Xiao Tian would not stop what he was doing if Yun Xin Er kept rubbing his cock with her feet.

Even though Yun Xin Er wanted him to stop what he was doing, she kept her acting because she had to behave like a slut. "Honey, this is exciting! It's so exciting to the point it makes me pussy wet. You know that my underwear is already wet, right?"

At this moment, Yun Xin Er was telling the truth. Because Xiao Tian kept rubbing her vagina with his big toe, her pussy was wet in no time.

"Yes." Xiao Tian replied as he nodded his head.

Because it would be dangerous if Xiao Tian kept rubbing her vagina, Yun Xin Er removed his right foot from her pussy. "Honey, I'm so horny now. Please, let me suck your huge cock now."

"Hey, not here!" because Yun Xin Er removed his right foot from her pussy, he also did the same thing.

The expression of disappointment blossomed on her face when Xiao Tian removed her feet from his cock because she still wanted to rub his penis through his trousers.

"How about we go to the washroom and let me suck your cock there?" even though the table was quite high, but everyone would know if she sat between his legs.

Han Ai shook her head again after hearing Yun Xin Er's words.

'This woman is really a slut! It seems like she can't live without a man's cock anymore. How could she insist on sucking his cock in a public place like this?'

Since Yun Xin Er insisted on sucking Xiao Tian's cock, Han Ai was sure that Yun Xin Er could not live without a man's cock anymore.

'But why do I feel so familiar with her voice? Where do I hear it?'

At this moment, Han Ai still didn't know that the woman she called a slut was none other than Yun Xin Er.

Because Xiao Tian didn't answer, Yun Xin Er spoke again, "If you don't want me to suck your cock, how about you lick my vagina?"

"Big sister Yun, you are a famous singer but your behavior is really bad." Xiao Tian spoke and paused for a second before he continued, "Now I wonder, what your fans reaction would be if they found out that their idol is a slut."

At this moment, Han Ai paid attention to Xiao Tian's words carefully.

'Yun? Famous singer? I didn't expect that the woman behind me is a famous singer. But who is she?'

Because there were many famous singers with Yun's name, Han Ai still didn't know that it was Yun Xin Er.

"What's wrong with that?" Yun Xin Er inquired. "You are also quite famous but you are a pervert like me. When you appeared on TV, you behaved like a gentleman and kind young man, but what they saw on TV was not your true personality. We are the same so don't behave as if I'm the only bad person here."

Han Ai widened her eyes again after hearing Yun Xin Er's words.

'What?! Both of them are famous people?!'

At this moment, Han Ai wanted to look at them again, but she was afraid. Earlier, because Xiao Tian was sitting right in front of Yun Xin Er, she could not clearly see his face. That was why she didn't know who he was.

"But I'm not as famous as you." Xiao Tian replied. "I think they also didn't care about it."

"I don't care!" Yun Xin Er replied. "So, how is it? Do you want to lick my pussy or not?"

Xiao Tian didn't answer and only stared at her. He pretended as if he was thinking about it.

Because Xiao Tian kept silent, Yun Xin Er said, "Little brother, didn't you say my pussy is beautiful and delicious? Didn't you say you will lick my vagina every day? Was it a lie?"

At this moment, Yun Xin Er wore a sad expression as if Xiao Tian had hurt her feelings. She even pretended as if she was crying.

"Xin Er, don't cry here." Xiao Tian wore a worried face. "Alright, alright. I will lick your vagina later."

Han Ai was shocked.

'Wait! Earlier, he called her Yun and now he addressed her as Xin Er. She is a famous singer. Yun...Xin...Er. don't tell me.'

Han Ai instantly rose to her feet and turned around to look at the people behind her. She wanted to make sure whether her guess was right or wrong.

When Han Ai saw the people sitting behind her, the expression of deep shock emerged on her face. "Xin Er? It's you?!"

## **Chapter 628 - I Will Change My Attitude Later**

6-7 minutes

---

Han Ai didn't expect that the woman who behaved like a slut was none other than Yun Xin Er. All this time, she always thought of her as a good woman because Yun Xin Er always showed good behavior every time they met.

However, after hearing her conversation with Xiao Tian earlier, Han Ai changed her mind. Yun Xin Er was not a good woman, but a slut. A slut who pretended to be a good woman.

When Han Ai remembered Yun Xin Er's words earlier, she suddenly wanted to call Yun Xin Er a slut.

In their conversation earlier, Yun Xin Er kept asking to suck Xiao Tian's cock as if she could not live without his cock anymore.

Not only that, she even told him to lick her vagina or do lewd things in the washroom.

'She really hides her true personality very well. If I didn't coincidentally hear their conversation earlier, I would not know her true personality now.'

At this moment, Han Ai believed that Yun Xin Er was a slut who pretended to be a good girl.

Yun Xin Er pretended to be shocked. She instantly rose from the couch and greeted Han Ai. "Auntie Han, I didn't expect to meet you here. Did you come here alone?"

"You don't need to pretend to be a good girl anymore." Han Ai replied as she looked at Yun Xin Er. "Now I already know your true personality. I didn't expect that all this time you have been hiding your real personality from me."

"Auntie, what do you mean by that? I don't get it." Yun Xin Er pretended as if she didn't understand why Han Ai said something like that to her.

Previously, Xiao Tian told her to behave like a good girl and deny everything if Han Ai said bad things about her because it could make Han Ai hate her even more.

"Earlier, I was sitting behind you so I could hear your conversation with him." Han Ai told the truth. "I didn't expect you to be...sigh! I'm disappointed in you, Xin Er. Previously, I really liked your behavior and hoped we could become a family later, but now, I change my mind."

"You...Did you hear everything?" Yun Xin Er inquired.

"Yes." Han Ai gave an honest answer. "I heard everything. No wonder I felt familiar with the voice earlier. It turns out that the voice belongs to you."

In order to make her acting even more perfect, Yun Xin Er made a complicated expression.

"Auntie, you got it wrong. I'm not that kind of woman. Earlier, I was only acting because I was offered to play in a movie." After saying that, Yun Xin Er looked at Xiao Tian, "Isn't that right, honey? No, I mean, Xiao Tian."

"Honey?! Why did you still call him honey? Is he really your lover?" previously, Nalan Jiangge told her that Yun Xin Er had no lover, so Han Ai was furious when Yun Xin Er called Xiao Tian honey.

With this, there were two possibilities. First, Xiao Tian and Yun Xin Er were really a couple. And second, Xiao Tian was Yun Xin Er's toy-boy.

However, based on their previous conversation, it seemed like Yun Xin Er was treating Xiao Tian as a living dildo, not a boyfriend.

"We were only acting earlier." In order to make Han Ai even angrier, Xiao Tian decided to lie too.

"You don't need to lie too." Han Ai replied as she stared at Xiao Tian. "I know the difference between people who are acting and people who are not acting. And from your conversation earlier, I'm sure that both of you were not acting."

"Auntie, I'm really not that kind of girl. I...I..." Yun Xin Er pretended as if she could not finish her words.

"Xin Er, I've told you, there is no point in lying anymore." Even though Han Ai was disappointed with Yun Xin Er, she could still control herself. "I was just startled after knowing your real personality. I'm not your mother so I won't be mad at you, because it's your life. You can do whatever you want with your life. However, I think you should change yourself and become a better woman. It's still not too late to change now."

At this moment, Yun Xin Er was pleased because, from Han Ai's words, she knew that their plan was successful. "Yes. Auntie."

"Honey, auntie is right. I think you have to change your attitude now. It's fine if you want to have sex with me when we are alone, but not in a public place like this." Xiao Tian added. "To be honest, I always want you to change your attitude because your sex drive is too big. You always desire to have sex with me every time we meet and it's also a little troublesome for me."

"It's because you are so good in bed. Ops!" Yun Xin Er instantly covered her mouth and turned her head towards Han Ai.

"Sigh!" Han Ai sighed before shaking her head.

'Luckily, she is still not my son's lover. Otherwise, I don't know what will happen to my son later.'

Because Yun Xin Er's sex drive was so big, Han Ai was sure that Yun Xin Er would cheat on her son if her son could not satisfy Yun Xin Er in bed.

With a complicated face, Yun Xin Er grabbed Han Ai's hands and spoke, "Auntie, can...can you keep this a secret? I don't want my career to be ruined because of this. I promise I will change later."

"Fine. I won't tell anyone about this." Han Ai replied instantly. "I hope you will really change later."

Han Ai's words much surprised Xiao Tian.

'What?! She won't tell anyone about this?'

Previously, Xiao Tian thought Han Ai would threaten them, but he was wrong. Not only did she not threaten them, but she even said she would not tell anyone about it.

'She is really different from her son. The difference between them is like heaven and earth.'

At this moment, Xiao Tian realized that not all rich people were bad people.

Of course, Xiao Tian would still send people to follow Han Ai in secret later, because even though she said that she would not tell anyone about it, Xiao Tian still didn't believe her words one hundred percent.

"Thank you, auntie." Yun Xin Er pretended to be happy.

## **Chapter 629 - Don't Go Anywhere!**

8-10 minutes

---

After Han Ai left, Yun Xin Er beamed. "With this, I'm sure auntie Han will tell Zi Yuhan not to chase me anymore. I'm so happy now."

"Is that so?" Xiao Tian was also pleased because he could help her solve the problem. "How about you kiss me as a reward?"

"Little brother, your junior martial brother is looking at us right now and you still want me to kiss you?" of course, Yun Xin Er didn't mind kissing him but doing that in front of Ren Aoxu was out of option.

Xiao Tian then brought his face closer towards Yun Xin Er's right ear and whispered, "Then kiss me when we are alone. Oh! And I don't want a normal kiss. At least, it has to be a passionate kiss."

"It seems like you always can't hold back yourself every time you are with me." Yun Xin Er spoke and paused for a second before she continued, "Sure. I will let you kiss me passionately later. Not only that, I even will let you do whatever you want. How is it? Are you happy now?"

When Yun Xin Er said that she would let him do whatever he wanted, she was not serious and only wanted to tease him.

Of course, Xiao Tian knew what she had in mind because she often behaved like that. However, Xiao Tian acted as if she would really let him do whatever he wanted later. "Good! Let's continue what we were doing later."

This time, Yun Xin Er didn't answer and only giggled. Actually, she had guessed that Xiao Tian would say something like that because she knew his personality very well.

Xiao Tian then looked at Ren Aoxu and spoke, "Junior brother, come here."

Ren Aoxu instantly rose to his feet and marched towards Xiao Tian. "Don't worry. No one took a picture or a made video of you two earlier."

Ren Aoxu knew the reason why Xiao Tian called him. That was why he immediately informed Xiao Tian that no one took a picture or made a video of them earlier.

"Good!" Xiao Tian was pleased after hearing Ren Aoxu's words. "Let's meet Mu Huo and Chun Hua."

Xiao Tian and the others then walked out of the café.

When Xiao Tian was in front of Chun Hua and Mu Huo, he inquired, "How is it? Did someone take a picture or make a video of us earlier?"

"No." Chun Hua and Mu Huo responded in unison.

"Good!" Xiao Tian said. "Mu Huo, Chun Hua, I want you two to follow Han Ai now. I don't want her to tell anyone about what had happened earlier. If something happens later, report it to me immediately."

"Understood." Mu Huo and Chun Hua immediately left.

After that, Xiao Tian sent Yun Xin Er and Ren Aoxu home before traveling to Star Clothes company to work.

After working for about two hours, Xiao Tian stopped working and laid down on the couch.

'Should I go to Star Restaurant to meet my mother and aunt now?'

Xiao Tian was not in the mood to work. That was why he suddenly wanted to meet his mother and aunt.

-----

Wanhui district, Zi family house.

Currently, two people were sitting on the couch in the family room. These people were none other than Han Ai and her son, Zi Yuhan.

"Son, I want you to stop meeting Yun Xin Er from now on." Han Ai went straight to the point.

"What?!" Zi Yuhan said in surprise. "Why? Didn't you want her to be my lover too? What made you change your mind?"

Zi Yuhan had no idea as to why his mother suddenly told him not to meet Yun Xin Er anymore. Previously, she even told him to make Yun Xin Er his woman as quickly as possible because she liked Yun Xin Er's behavior.

"She is not good enough for you." Han Ai answered instantly. "I'm saying this because I really care about you. I don't want you to get hurt later."

Upon hearing his mother's words, Zi Yuhan didn't understand even more. "Mom, why are you saying she is not good enough for me? I really don't get it. You know her family background, right? Not only is she pretty, but she is also famous singer and from rich family. Due to how perfect she is, do you know how many men want her to be their lover?"

"I know she is gorgeous and famous, but her personality is not good. If she becomes your lover, there is a high chance that she will cheat on you later." at this moment, Han Ai wavered whether she should tell the truth or not.

Yun Xin Er's sex drive was too big, and there was a high chance that her son would not be able to satisfy her in bed later. Han Ai didn't want to see him sad, so she decided to make her son stop meeting Yun Xin Er.

"Cheat on me? What do you mean by that? How can you be sure that she will cheat on me if we become lovers?" Zi Yuhan asked many questions at once.

At this moment, Han Ai knew that Zi Yuhan would not believe her words if she didn't tell the truth. "It's like this..."

"She....she is that kind of woman?!" Zi Yuhan said in disbelief.

All this time, Yun Xin Er looked like a good girl who had a pure heart and a kind soul. That was why he found it hard to believe what he was hearing.

However, Zi Yuhan knew that his mother would not lie to him because her mother loved him very much.

They had a close relationship, and she also always supported him in everything. There was no time where she didn't want the best thing for him.

"I know that it's hard for you to believe it, but that's the truth." Han Ai knew that her son was sad after hearing the truth. "Don't worry. I have chosen a good woman for you. She is as beautiful and famous as Yun Xin Er and I'm sure, she has a good personality too."

"Who is she?" Zi Yuhan asked curiously.

"Kei Zen Yi." Han Ai answered instantly. "Even though she is not from an upper-class family, but her family background is good."

"Kei Zen Yi?" Zi Yuhan was startled after hearing his mother's words. "The famous actress Kei Zen Yi?"

"Yes." Han Ai was pleased when she knew that Zi Yuhan seemed to be interested in Kei Zen Yi. "If you stop meeting Yun Xin Er, I'll arrange a time for the two of you to meet. How is it?"

"Alright." Kei Zen Yi was also famous and beautiful like Yun Xin Er, so Zi Yuhan instantly agreed. "I want to meet her today."

"Good. Leave it to me. But can you promise me not to meet Yun Xin Er anymore?" Han Ai wanted to make sure that her son would not meet Yun Xin Er anymore because she didn't want to see Yun Xin Er again.

"I promise." Zi Yuhan responded.

-----

Wanhui district, Nalan Jiangge's house.

In the family room, an elegant lady was sitting on the couch. That person was none other than Nalan Jiangge. Currently, she was talking with someone on the phone.

"What? Mrs. Han, why do you suddenly want to cancel our cooperation? Did I do something wrong?" Nalan Jiangge had no idea as to why Han Ai suddenly wanted to cancel the project.

"No. You didn't do anything wrong. Oh right. I don't want to match our children anymore. I think our children is not suite for each other. That's why I have decided to cancel our children's matchmaking." after saying that, Han Ai hung up the phone.

Nalan Jiangge instantly rose to her feet. Her face was red because of her anger. At this moment, she was sure that Yun Xin Er did something to the Zi family. "Xin Er..."

Without waiting for another second, Nalan Jiangge went to her daughter's house.

-----

'I'm sure mother and aunt will be happy when they see me later.'

Currently, Xiao Tian was on his way to his restaurant. However, he suddenly felt uneasy.

'What is this feeling? Why do I suddenly feel uneasy like this?'

At this moment, Xiao Tian was sure that someone would cause trouble for him or the people he loved.

'Don't tell me....'

Xiao Tian suddenly realized something. For this reason, he took his smartphone and changed his destination from his restaurant to Yun Xin Er's house.

"Little brother, why did you call me?" Yun Xin Er said after picking up the phone. "Hehe. Do you miss me already?" Didn't we just meet two hours ago?"

Yun Xin Er was pleased when Xiao Tian suddenly called her. Since Xiao Tian helped her solve problems, she fell even deeper in love with him.

"Where are you right now?" Xiao Tian was not in the mood to flirt.

Since God had given him a second chance to live, every time he felt uneasy, something bad would happen to him or the people he loved.

Because recently, Yun Xin Er had trouble, Xiao Tian was sure that something bad would happen to her later.

"I'm at home now. What's wrong?" Yun Xin Er had no idea why Xiao Tian suddenly behaved like that. He even acted as if something terrible would happen to her later.

"Don't go anywhere. I'm on my way to your house now." Xiao Tian drove his car faster so that he could reach her house quickly.

"Alright. I will wait." Yun Xin Er replied as she smiled.

As soon as Yun Xin Er hung up the phone, her mother's voice rang out. "Xin Er, WHERE ARE YOU? WHAT DID YOU DO TO THE ZI FAMILY?"

### **Chapter 630 - Thank You For Appearing In My Life, Honey.**

8-10 minutes

---

The expression of deep shock emerged on Yun Xin Er's face. Even though she knew that her mother would find out what she had done earlier, she didn't expect it to be that fast.

\*Slap...

As soon as Nalan Jiangge was in front of her daughter, she instantly slapped her daughter in the face.

She was enraged because Yun Xin Er had destroyed her plan to earn a lot of money. "TELL ME WHAT DID YOU DO TO THE ZI FAMILY?"

"Do you really want to sell your daughter for money?" Yun Xin Er could no longer hold back her anger.

Every time she argued with her mother, Yun Xin Er always tried her best not to fight back. However, her mother kept doing whatever she wanted.

"Shut up! Who taught you to talk back to your mother like this?" Nalan Jiangge said as she pointed her index finger towards Yun Xin Er's face.

"I won't behave like this if you don't try to control my life." Yun Xin Er voiced out her feelings. "Why do you always want to sell your daughter to rich people? Aren't we already rich enough?"

"I did this for our family." Nalan Jiangge replied. "You, as my daughter, should help me, not destroy my plan like this. Now tell me, what did you do to the Zi family?"

"I pretended to be a slut in front of Mrs. Han Ai." Yun Xin Er gave an honest answer. "I pretended to be a dirty woman who could not live without a man's cock. A slut who wanted sex every day."

"You!" Nalan Jiangge raised her right arm, intending to slap her daughter's face again.

She found it hard to believe what she was hearing. For rich families, reputation was everything. If they lost their reputation, other families would speak ill of them.

Now that Yun Xin Er had pretended to be a slut, who could not live without a man's cock, in front of Han Ai, Nalan Jiangge was sure that other families would bad-mouth them later.

Not only would they lose their reputation, but she could not matchmaking her daughter with other rich families anymore.

When Yun Xin Er knew that her mother wanted to slap her face again, she instantly shut her eyes. She decided not to fight back because Nalan Jiangge was her mother.

However, before Nalan Jiangge could slap her daughter in the face, someone suddenly grabbed her right hand, causing her to be unable to slap her daughter.

Nalan Jiangge was furious when someone dared to stop her from slapping her daughter. When she turned her head to see the person who stopped her from slapping her daughter, she was even angrier. "It's you again?!"

Nalan Jiangge didn't expect to see Xiao Tian in her daughter's house. Not only that, he even dared to stop her from disciplining her daughter's behavior.

"I know that you are her mother, but your actions have crossed the line!" at this moment, Xiao Tian grabbed her right hand tighter and looked at her coldly.

Like Yun Xin Er, Xiao Tian also always tried his best to hold back his anger every time he argued with Nalan Jiangge. Even though her behavior was terrible, but she was still Yun Xin Er's mother.

However, when Xiao Tian knew that she wanted to hurt Yun Xin Er, he could not remain silent anymore.

Yun Xin Er was the woman he loved, so he would not let anyone hurt her, including her family.

When Yun Xin Er heard Xiao Tian's voice, she opened her eyes and spoke, "Little brother..."

Yun Xin Er had no idea as to why she suddenly felt at ease when she knew that Xiao Tian was beside her as if everything would be fine later.

Because Xiao Tian was grabbing her right hand tightly, Nalan Jiangge felt pain. "Let me go!"

At first, Xiao Tian wanted to release her right hand immediately. However, when he saw the red slap mark on Yun Xin Er's pretty cheeks, he grabbed Nalan Jiangge's right hands tighter. "Did you slap your daughter earlier?"

"It's none of your business!" Nalan Jiangge tried her best to free her right hand from his grasp. However, because of the difference in strength, her efforts were in vain. "I said let me go!"

At this moment, Xiao Tian really wanted to slap Nalan Jiangge in the face so she would know how much it hurt when someone was slapped in the face.

Because Xiao Tian still didn't release her right hand, Nalan Jiangge looked at Yun Xin Er and spoke, "Xin Er, ask him to release my hands."

Xiao Tian loved Yun Xin Er so Nalan Jiangge was sure that he would listen to Yun Xin Er's words.

Upon hearing Nalan Jiangge's words, Xiao Tian turned his head towards Yun Xin Er.

"Little brother, stop it. Don't hurt my mother anymore." Yun Xin Er knew that Xiao Tian's grip was hurting her mother's right hand.

Earlier, Xiao Tian could make Zi Yuhan feel pain when he grabbed Zi Yuhan's right hand. Her mother was weaker than Zi Yuhan, so she was sure that her mother felt it more.

Because Yun Xin Er said so, Xiao Tian decided to release Nalan Jiangge's right hand. "You see this! Even though you keep hurting her feelings, but she still thinks about you. She doesn't want to see anyone hurt you so you should stop treating your daughter as a tool."

"Unfilial daughter!" after saying that, Nalan Jiangge left.

With the appearance of Xiao Tian, Nalan Jiangge was sure that he would interfere with everything. Earlier, Xiao Tian had hurt her right hand so she was sure he would do that again if she did something to Yun Xin Er.

Nalan Jiangge didn't want Xiao Tian to hurt her again. That was why she left.

After Nalan Jiangge left, Xiao Tian spoke in a soft voice, "Does it still hurt?"

Yun Xin Er instantly embraced Xiao Tian. "Little brother..."

Xiao Tian hugged her too and answered, "It's fine. I'm here now."

Even though Yun Xin Er didn't say it, Xiao Tian understood her feelings.

After embracing him for several seconds, Yun Xin Er stopped the hug and said, "Let's head to my room."

To her surprise, Xiao Tian instantly grabbed her ass and lifted her. When Xiao Tian suddenly carried her, Yun Xin Er instantly wrapped her legs around his waist.

Even though she was surprised, Yun Xin Er didn't say anything and because they were facing each other, Yun Xin Er could see his face.

When Yun Xin Er was staring at him intently, Xiao Tian smiled and spoke, "Are you surprised?"

At this moment, Yun Xin Er didn't answer and only nodded her head, giving him a sign that his actions surprised her earlier.

"Let's head to your room now." when Xiao Tian was about to walk towards her room, Yun Xin Er suddenly cupped his face. "What's wrong?"

Without saying anything, Yun Xin Er gave him a peck on the lips before wrapping her arms around his neck. "Thank you, little brother."

Xiao Tian's face broke into a smile after Yun Xin Er kissed him. Even though Xiao Tian wanted to tease her, but he decided not to do that and immediately walked towards her room.

After they stepped into her room, Xiao Tian closed the door using his right foot. However, when Xiao Tian wanted to put Yun Xin Er on the bed, she kept wrapping her legs around his waist as if she was telling him that she didn't want to be separated from him for even a second.

For this reason, Xiao Tian tried to lie down on the bed while still carrying her. Currently, Xiao Tian was lying on his back with Yun Xin Er on top of his body. It was Yun Xin Er's first time acting like that, so Xiao Tian decided to do whatever she wanted.

One minute...two minutes...three minutes... four minutes... five minutes...

Without realizing it, it had been five minutes since they stepped into her room. However, none of them said a word.

The large and luxurious room turned into a quiet and lonely room because the two people in the room didn't say a word as if they were statues.

'Little brother, thank you for everything you have done for me until now.'

Even though Yun Xin Er didn't say anything, but she voiced out her feelings in her head.

'Since I got to know you, my life has become more colorful. You turn my boring life into a joyful life. Your teasing, smile, and hugs always manage to make this cruel world become a fun world. Whenever I'm with you, I feel as if I become a little bird where I can fly wherever I want without caring about this cruel world.'

Since Yun Xin Er became a successful person, her life became boring. All she did was work, work, and work.

Even though she had many fans, she often felt lonely because she didn't have someone to share her troubles or joke with her.

At this moment, the memory where she met Xiao Tian for the first time emerged on her head. At that time, she only saw him as a handsome young man who participated in the piano competition.

She just didn't expect the young man who she met in the piano competition would become someone special to her.

Someone who could make her happy and a someone who could make the cruel world into a joyful world.

'Thank you for appearing in my life, honey. I love you.'
