

## Illicit 641

### Chapter 641 - I Will Help You

'Please leave immediately. Please leave immediately. Please leave immediately.'

Ye Xueyin, who was in the bathroom, kept hoping that Liu Ning would leave immediately so that she could return to her room.

"Breakfast will be ready soon." Liu Ning answered instantly.

"I see." Xiao Tian thought breakfast was ready because usually, they woke him up after the food was prepared.

When Xiao Tian remembered that Ye Xueyin was in the bathroom, he suddenly had a wicked idea.

'This will be interesting.'

Xiao Tian's lips curled into a grin.

"Kya..." Liu Ning made a cute reaction when Xiao Tian suddenly carried her in a princess style and entered his room. "Tian'er, what are we going to do now?"

"Of course, we are going to do lewd things in my room." Actually, Xiao Tian had no intention of doing lewd things with Liu Ning.

Ye Xueyin, who was in the bathroom, had a worried face when she learned that Liu Ning was in Xiao Tian's room.

'Tian, what are you doing? Why did you take her to your room?'

From Liu Ning's voice, Ye Xueyin suspected that Xiao Tian was carrying Liu Ning into his room. Previously, she thought Xiao Tian would try to make Liu Ning leave his room, but she was wrong.

Not only did he not try to make Liu Ning leave immediately, he even took her to his room. Of course, Ye Xueyin could not do anything about it and only hoped that Liu Ning would not know anything later.

After Xiao Tian put Liu Ning on the bed, he immediately kissed her lips. Even though his action much surprised her, but Liu Ning instantly welcomed the kiss.

Not only that, she was even more aggressive than him. She tilted her head left and right while exploring his mouth with her tongue.

As they were having a wet kiss, Xiao Tian slowly pushed Liu Ning onto the bed, causing her to fall on her back.

Because she fell on the bed, she didn't feel hurt. Currently, Xiao Tian was on top of her body, and of course, they were still kissing passionately.

"Huft...Huft...Huft..." after having a deep kiss with him for about forty seconds, Liu Ning broke the kiss.

"Tian'er, let's go to the dining room now. I want to help big sister Fei prepare breakfast."

"But, I still want to kiss you passionately." of course, Xiao Tian was lying.

"We can continue again after breakfast." Liu Ning replied. "If you want, we can also do it after breakfast."

"Do it? What do you mean by that?" Xiao Tian pretended as if he didn't understand her words.

Liu Ning instantly pinched his nose and smiled, "The thing you love the most."

"What is the thing I love the most?" Xiao Tian still pretended as if he knew nothing.

"I don't know." Liu Ning then hit Xiao Tian's chest. "Hurry up and wash your face."

"But I'm curious about it now." Xiao Tian remained in the same position.

Like before, Liu Ning hit Xiao Tian's chest again. "Tian'er, hurry up and wash your face. After that, let's help big sister Fei prepare breakfast."

"As you wish, my princess." After saying that, Xiao Tian kissed Liu Ning's forehead and walked toward the bathroom.

Liu Ning's face blossomed into a smile. "This young man..."

As soon as Xiao Tian stepped into the bathroom, he cornered Ye Xueyin against the wall. Like what he did to Liu Ning earlier, Xiao Tian instantly kissed Ye Xueyin passionately.

Because they were standing next to the bathroom door, Ye Xueyin wanted to push Xiao Tian away. However, as soon as Xiao Tian kissed her passionately, she forgot to do that.

The feeling when Xiao Tian intertwined his tongue with hers, made Ye Xueyin forget everything.

'It's dangerous to do this, but...'

Even though her mind kept telling her to stop, but her body refused to listen, and as a result, Ye Xueyin moved her tongue lewdly.

Seconds turned into minutes, and without realizing it, it had been five minutes since Xiao Tian entered the bathroom.

"Tian'er, what took you so long?" because Xiao Tian was still in the washroom, Liu Ning decided to knock on the door.

When Liu Ning was knocking on the door, Ye Xueyin widened her eyes in shock. However, she was not as scared as before and kept kissing Xiao Tian.

'As long as Tian is around, I'm sure everything will be fine.'

With that in mind, Ye Xueyin wrapped her arms around his waist.

Her action much surprised Xiao Tian. Previously, he thought Ye Xueyin would stop the kiss and make a worried face because earlier, she behaved like that.

Of course, this made Xiao Tian happy. "Wait a second, I'm washing my mouth right now."

"Washing your mouth? Do you mean washing your face?" at this moment, Liu Ning was not suspicious and only thought that Xiao Tian had said the wrong words.

"Yes. I'm washing my face right now." after saying that, Xiao Tian kissed Ye Xueyin again.

"Don't wash your face for too long." Liu Ning answered. "It's bad for your facial skin."

Xiao Tian broke the kiss and replied, "Eh! Really? But isn't that, the longer the better?"

Like before, after answering, Xiao Tian and Ye Xueyin had a passionate kiss again. At this moment, Ye Xueyin was even more aggressive than before, as if she had forgotten that Liu Ning was on the other side of the door.

"Who said that?" Liu Ning replied. "It's okay to wash your face often with only water, but washing your face often using a facial wash is bad."

Xiao Tian broke the kiss again before answering. "But it feels good. The feeling of being able to explore every inch of it was amazing. It makes me not want to quit."

"But it can make your face oily later." Liu Ning answered. "You will feel like your face is wet."

[I'm talking nonsense here to fit the context. Don't mind it]

Xiao Tian stopped the kiss again. "Wet? Isn't the wetter the better? I think everyone will agree that the wetter the better because it will make you feel amazing."

At this moment, Ye Xueyin had completely lost herself in lust. She had forgotten that Liu Ning was near them and looked at Xiao Tian lustfully as if she was asking him to continue kissing her passionately.

"What do you mean by that?" Liu Ning still didn't know that they were talking about two different things. "It will make you feel disgusted."

"Feel disgusted?" after stopping the kiss, Xiao Tian placed his right index and middle fingers in front of Ye Xueyin's face. "You are wrong here, Ning'er. And anyway, we also can't stop it because every time we did it, it's bound to get wet."

As if Ye Xueyin could read Xiao Tian's mind, she immediately put his right index and middle fingers into her little mouth.

"Sigh..." Liu Ning sighed. "Tian'er, are you still not done washing your face? Hurry up and finish it so that we can help big sister Fei."

At this moment, Xiao Tian didn't answer because he was focused on seeing Ye Xueyin's lewd expression.

'Oh! The way she licks my fingers is amazing.'

Xiao Tian spoke in his head.

Because Xiao Tian didn't answer, Liu Ning knocked on the door. "Tian'er, why are you still not done washing your face? If you don't know how to wash your face, I will help you."

## **Chapter 642 - Someone Beat Ren Aoxu**

7-8 minutes

---

Xiao Tian immediately broke the kiss and opened the door slightly. "Ning'er, do you really want to help me wash my face?"

"Yes." Liu Ning said as she nodded. "It's because you took a long time just to wash your face."

"If so, hurry up and take off your clothes." Xiao Tian replied. "Let's wash each other's faces."

At this moment, Liu Ning knew that Xiao Tian wanted them to take a bath together. "I will wait for you in the dining room."

"Eh! Ning'er, where are you going?" Xiao Tian asked when he saw Liu Ning walking out of his room.

'Oh! She is angry. Hehe.'

Xiao Tian could not help but laugh when he remembered her expression.

Because Xiao Tian only had a passionate kiss with Ye Xueyin since he entered the bathroom, he immediately washed his face.

At first, Xiao Tian wanted to immediately head to the dining room to help Shi Fei and Liu Ning, but he stopped his footsteps when he saw Ye Xueyin.

"Huft...Huft...Huft..." because Ye Xueyin still felt aroused, she was breathing through her mouth. Her eyes were locked on him as if she was asking him to kiss her again.

\*Gulp...

Xiao Tian could not help but gulp his saliva when he saw Ye Xueyin breathing through her little mouth.

Maybe it was because of her lewd expression or maybe, it was because they had a French kiss earlier. But at that moment, Ye Xueyin looked so alluring.

Like before, Ye Xueyin only looked at Xiao Tian without saying a single word when he grabbed her by the chin. But when she saw his face getting closer to hers, she slowly closed her eyes.

Soon, the two of them drowned in their own world again. This time, they only kissed passionately for about a minute before finally, Xiao Tian headed to the dining room.

Because it was a perfect opportunity to go back to her room, Ye Xueyin wasted no time and headed to the bedroom.

'I didn't expect that we would do something like that earlier.'

Currently, Ye Xueyin was in her bathroom. After washing her face, she looked at herself in the mirror while remembering what she did with Xiao Tian earlier.

As soon as Xiao Tian stepped into the dining room, he immediately walked towards Liu Ning. Without giving her a warning, he embraced her from behind and spoke, "My beautiful love, are you still angry at me?"

Shi Fei, who saw what Xiao Tian was doing, only giggled. Even though she wanted to know about it, but she decided not to ask.

Liu Ning instantly turned around and pinched his nose. "Hehe. I'm not angry at you. Hurry up and help me prepare the breakfast."

"Will I get a reward later?" Xiao Tian inquired.

"No." Liu Ning answered instantly. "But you won't get any food if you don't help me."

The corner of Xiao Tian's lips twitched after hearing her words. "Well, I'm fine with it because I still have you. if I'm hungry later, I can eat you. Hehe."

"Hey! I'm not food." Liu Ning pretended to be angry.

'This boyfriend of mine always thinks of me as his food. Hmf!'

Of course, Liu Ning understood what he meant by that.

"Haha." Shi Fei laughed. "Little brother, if Ning didn't want it, I can be your food."

Upon hearing Shi Fei's words, Xiao Tian stopped hugging Liu Ning and walked towards Shi Fei. Without giving her a warning, he kissed Shi Fei's right cheek and spoke happily, "As expected of my sexy lover, you really understand me well."

"Because I know you are a pervert." Shi Fei answered instantly. "Hehe."

Liu Ning instantly covered her mouth and giggled. "Hehe."

Black lines formed on Xiao Tian's forehead after hearing Shi Fei's words. Previously, he thought Shi Fei would praise him, but he was wrong.

After that, Xiao Tian had breakfast with Liu Ning and the others. Because he didn't work for a few days, Xiao Tian decided to go to Eternal Beauty company to work.

He worked for about two hours before finally traveling to Star Clothes company. Like before, he worked for about two hours before he laid down on the couch.

'I think it's better to practice martial arts with Ren Aoxu now.'

With that in mind, Xiao Tian went to Blue Ice Lotus gang headquarters because usually, Ren Aoxu was there.

After he arrived, he immediately looked for Ren Aoxu. Because he could not find Ren Aoxu, he walked towards Mu Huo and asked, "Where is my junior brother?"

"He still hasn't come here." Mu Huo answered. "I thought he was with you."

Xiao Tian instantly took his smartphone out of his pocket and called Ren Aoxu. However, no matter how many times he called Ren Aoxu, Ren Aoxu didn't pick up the phone.

'Why didn't he pick up my phone? Usually, he always answers my calls.'

Because Ren Aoxu didn't pick up the phone, Xiao Tian went to Ren Aoxu's house. After getting out of the car, Xiao Tian headed to Ren Aoxu's house.

'Oh! He is at home.'

Because the door was open, Xiao Tian guessed that Ren Aoxu was at home.

"Junior broth-"Xiao Tian stopped his words halfway when he saw the guest room in a mess.

'Don't tell me...'

Without waiting for another second, Xiao Tian entered Ren Aoxu's house.

After Xiao Tian stepped into the living room, he saw Ren Aoxu passed out on the floor. "Junior brother."

'Who did this?'

Xiao Tian gritted his teeth.

Ren Aoxu's face was covered in bruises, and there was blood on the corners of his lips and head.

Without waiting for another second, Xiao Tian brought Ren Aoxu to the hospital.

'Who did this to him?'

Currently, Xiao Tian was sitting on a chair in front of the patient room.

When Xiao Tian saw a doctor coming out of the patient room, he rose to his feet and asked, "Doctor, how is his condition?"

"His injuries are quite severe." The doctor answered. "It will take him a week to recover from his injuries."

"I see." Xiao Tian replied. "Thank you, doctor."

After the doctor left, Xiao Tian entered the patient room and sat on the chair, next to Ren Aoxu. "Who did this to you, junior brother?"

Because there was no CCTV at Ren Aoxu's house, Xiao Tian had to wait until Ren Aoxu regained consciousness to find out who was behind it. As Xiao Tian was thinking about it, his phone suddenly rang.

'Zhao Sheng?'

Xiao Tian instantly picked up the phone, "Hello?"

"Yo, Xiao Tian. Where are you right now?" Zhao Sheng spoke.

"I'm at Heart Hospital now." Xiao Tian gave an honest answer.

"Heart Hospital?" Zhao Sheng said in surprise. "Did you get injury?"

"Not me, but my junior brother." Xiao Tian replied. "Why are you calling me?"

"I just want to hang out with you." Zhao Sheng was bored, so he wanted to hang out with Xiao Tian.

"Wait there. I will go to Heart Hospital now."

"All right." After saying that, Xiao Tian hung up the phone.

Not long after that, Zhao Sheng arrived at the Heart Hospital. But what surprised Xiao Tian most was that he came with Lan Ruoxi.

Xiao Tian rose to his seat and spoke, "Lady Lan?"

### **Chapter 643 - Damn You, Zhao Sheng!**

8-10 minutes

---

"What? Am I not welcomed here?" Lan Ruoxi asked jokingly.

"That's not it." At this moment, Xiao Tian knew that Lan Ruoxi was only joking around. "Instead, I'm happy because I can see a beautiful lady here. I thought I would only see a man earlier."

"Damn you, Xiao Tian!" Zhao Sheng spoke after hearing Xiao Tian's words.

"Hehe." Xiao Tian and Lan Ruoxi laughed.

Lan Ruoxi then shifted her gaze from Zhao Sheng to Ren Aoxu, "So, he is your junior martial brother?"

The reason Lan Ruoxi came to the Heart hospital was that she wanted to know Xiao Tian's junior martial brother.

Moon Sword Martial Arts school had been destroyed, and there was no news about them. She thought Xiao Tian was the last disciple, but she was wrong.

"Yes." Xiao Tian gave an honest answer.

"What happened to him?" Zhao Sheng inquired.

"I don't know." Xiao Tian spoke and paused for a second before he continued, "When I arrived at his house, I found him passed out on the floor. Because there is no CCTV at his house, I don't know who did this to him."

"It's easy." Zhao Sheng replied. "You just need to remember who his enemy is?"

"That's the problem. I don't know his enemy." Xiao Tian knew Ren Aoxu for only a few days, so he didn't know who Ren Aoxu's enemy was.

"If you can't remember his enemy, what about yours? Maybe your enemy wants to hurt the people around you." Zhao Sheng dared to say something like that because that was what usually happened.

"My enemy? But I had too many enemies in the past. I have lost count of how many enemies I have had in the past." ever since he took over Xiao Tian's body, he had already made many enemies. He even lost count of them.

"Hehe." Lan Ruoxi giggled after hearing Xiao Tian's words.

"Wait." Xiao Tian suddenly remembered someone. "Recently, I have two enemies."

"Who are they?" Zhao Sheng inquired.

"Zi Yuhan and three disciples of Hakken martial arts school." Xiao Tian suspected that the mastermind was one of them, or maybe all of them because he beat them up a few days ago.

"Zi Yuhan?" Lan Ruoxi said, "Zi Yuhan from the Zi family?"

"Yes." Xiao Tian replied as he nodded his head.

"Hahaha." Zhao Sheng laughed.

"Zhao Sheng, this is a hospital. Be quiet!" Xiao Tian didn't want Zhao Sheng to disturb Ren Aoxu.

"Sorry." Zhao Sheng forgot that they were at the hospital. "Let's talk outside."

Then Zhao Sheng, Xiao Tian, and Lan Ruoxi sat on the chairs in front of the patient room.

"Xiao Tian, I'm amazed by your braveness." Zhao Sheng tapped Xiao Tian's shoulders. "Every time you made enemies, they were always from powerful families. Now I wonder, how can you still be alive until now?"

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words. "Damn you, Zhao Sheng! Do you wish me to die?"

Zhao Sheng didn't answer and only laughed. "Haha."

Lan Ruoxi also agreed with Zhao Sheng's words. Xiao Tian indeed always made enemies from influential families.

But what surprised her most was that Xiao Tian never showed the slightest bit of fear towards his enemies as if he was used to fighting strong people.

"By the way, how come you have enmity with them?" Zhao Sheng inquired.

"It's like this..." Xiao Tian began to tell them everything.

"So, you have enmity with Zi Yuhan because of a woman." Zhao Sheng said after Xiao Tian finished explaining everything. "As expected of a playboy."

Black lines formed on Xiao Tian's forehead after hearing Zhao Sheng's words. He didn't expect that Zhao Sheng would say something like that.

"Young master Zhao, you should not say something like that because you are also a playboy." Lan Ruoxi said what Xiao Tian had in mind.

"But they didn't dare to cause trouble for me." Zhao Sheng said proudly.

'It's because you are from a powerful family!'

Those were the words that appeared in the mind of Xiao Tian and Lan Ruoxi.

"Even if you suspect them, you have no evidence." Zhao Sheng said, "The only way to find out who is behind it is to wait until Ren Aoxu regains consciousness."

"I know." Xiao Tian agreed with Zhao Sheng's words.

They were in the hospital for about an hour before finally, they left. Because Xiao Tian didn't want anything bad to happen to Ren Aoxu, he ordered three of his underlings to guard Ren Aoxu's room.

-----

'Is the mastermind my enemy or Ren Aoxu's enemy?'

Currently, Xiao Tian was lying down on the couch in his office. Earlier, he went straight to Star Clothes company after leaving the hospital.

'I hope Ren Aoxu will regain consciousness tomorrow.'

Xiao Tian then rose to his feet and began to work. That day, he worked until 06:00 pm. Before going home, Xiao Tian traveled to Heart Hospital to see Ren Aoxu's condition.

When he found out that Ren Aoxu was still unconscious, he went home.

-----

As usual, after Xiao Tian arrived home, he took a shower and spent time with his mother and the others. That night, he didn't have sex with his woman and went straight to sleep.

The following morning, Xiao Tian traveled to Eternal Beauty company to work. However, he only worked for about two hours before finally traveling to Heart Hospital.

"How is his condition?" Xiao Tian asked his underlings who were guarding Ren Aoxu's room.

"He has regained consciousness." One of his underlings replied.

"Keep guarding this room." after saying that, Xiao Tian stepped into the patient room.

\*Click.

The sound of him opening the door echoed in the room.

Ren Aoxu, who was sitting on the bed, turned his head towards the door. "Senior brother..."

"How are you feeling?" Xiao Tian asked after sitting on the chair.

"Much better. Thank you for bringing me to the hospital." Previously, Ren Aoxu asked the nurse about the person who took him to the hospital.

From the nurse's answer, Ren Aoxu knew that it was Xiao Tian. He suddenly felt grateful to Xiao Tian because he didn't know what would happen to him if Xiao Tian didn't bring him to the hospital.

"I'm glad to hear that." Xiao Tian answered. "Junior brother, who did this to you?"

"He is a senior disciple of Hakken martial art school." Ren Aoxu answered. "Yesterday, Wuji, Wuja, and Guzuo came to my house with one of their seniors. That senior is more skilled than me in martial arts. That was why I could not beat him."

"What is his name?" Xiao Tian inquired.

"If my memory isn't playing tricks on me, his name is Wuling." Ren Aoxu responded.

"So, the masterminds are Wuji, Wuja, Guzuo, and Wuling." Xiao Tian spoke and paused for a second before he continued, "Where is the location of Hakken martial arts school?"

"Senior brother, what are you going to do?" even though Ren Aoxu had suspected what Xiao Tian wanted to do, he still asked.

"I will teach them a lesson." Xiao Tian gave an honest answer. "Now tell me the location of Hakken martial art school."

At this moment, Ren Aoxu didn't answer immediately because he was afraid that something terrible would happen to Xiao Tian.

Even though Ren Aoxu didn't say a word, Xiao Tian knew what he had in mind. "Don't worry. Nothing will happen to me. Have you forgotten that I have many underlings?"

"In Hozu town, one of the towns in Wanhui district." Ren Aoxu suddenly remembered that Xiao Tian had one hundred and twenty underlings, so he decided to tell Xiao Tian the location of Hakken martial art school.

Xiao Tian rose to his feet and touched Ren Aoxu's shoulders. "You wait here. This senior brother of yours will make them pay for what they had done to you."

At this moment, Ren Aoxu was touched by Xiao Tian's words. Even though they only knew each other for a few days, but Xiao Tian already treated him very well. "Senior brother, be careful."

"Don't worry. Nothing will happen to me." After saying that, Xiao Tian walked out of the patient room.

Ren Aoxu really felt lucky to be able to meet Xiao Tian after his martial arts master died.

'Senior brother, thank you. Whatever happens in the future, I will always support you.'

With that in mind, Ren Aoxu promised to himself that he would practice martial arts harder than before.

## **Chapter 644 - Going To The Hakken Martial Arts School**

7-8 minutes

---

After walking out of the patient room, Xiao Tian spoke to his underlings, "Don't let anything bad happen to him."

Actually, Xiao Tian didn't need to order his underlings to guard Ren Aoxu's room because the Heart Hospital had many security guards.

However, because he didn't want anything bad to happen to Ren Aoxu, he decided to do that.

Xiao Tian had promised to take care of Ren Aoxu in the past, and he had failed to protect Ren Aoxu. That was why he didn't want anything bad to happen to Ren Aoxu again.

"Understood." His underlings answered in unison.

Without waiting for another second, Xiao Tian traveled to Blue Ice Lotus gang headquarters. As usual, after he arrived, he saw his underlings training martial arts.

After getting out of the car, Xiao Tian walked towards Mu Huo and spoke, "Stop the training now."

"All right." Even though Mu Huo didn't know why Xiao Tian suddenly wanted him to stop the training, but he did what he was told.

When all his underlings gathered in front of him, Xiao Tian immediately spoke, "Yesterday, four people beat my junior brother, so I want to teach them a lesson. All of you follow me and bring all your weapons."

"Sir, it's only four people. Do you really want all of us to follow you?" Chun Hua didn't understand why Xiao Tian wanted all of them to follow him.

In her view, Mu Huo or she was enough if Xiao Tian only wanted to beat four people. Maybe, Xiao Tian himself was enough.

"They are disciples of Hakken martial arts school." Actually, Xiao Tian had guessed that one of his underlings would ask that question. "It's better to be safe than sorry."

Xiao Tian didn't know how many disciples and instructors the Hakken martial arts school had, so he decided to bring all his underlings because he didn't want to regret his actions later.

Because he ordered three of his underlings to guard Ren Aoxu's room, they had one hundred and nineteen people, including him.

"I see." Chun Hua and the others finally understood the reason why Xiao Tian wanted them to follow him.

"Ohhh! Are we going to have a war again? My hands are trembling in excitement right now."

"Me too. I can't wait to beat them now."

"It has been a while since we had a war again."

"True, true."

"We will let them know how powerful our gang is."

"And we will make them regret their actions later."

Even though Xiao Tian's underlings knew that their opponents were people from the Hakken martial arts school, they didn't show the slightest fear; instead, they were excited.

At this moment, Xiao Tian didn't know whether he should be happy or not. He knew that they were gang members, but in his view, they loved to fight so much.

'It seems like they have become a battle maniac. Is it because they are stronger than before? Or is it because they want to let the others know how powerful they are now?'

Because Mu Huo had been training them for several months, Xiao Tian knew that they were stronger than before.

Their stamina and battle instincts had improved significantly. Not only that, but they also began to use their heads when they were fighting, not just using muscles.

"Let's not waste time and prepare ourselves. After that, we will go to Hakken martial arts school." Xiao Tian didn't want to waste time because there was still a lot of work to be done.

Without waiting for another second, all of his underlings took their weapons before going to the Hakken martial arts school.

Because the location of Hakken martial arts school was far, it took them more than an hour to reach their destination.

After getting out of the car, Xiao Tian saw two young men about twenty-four years old standing in front of the entrance gate. One of them had a red hair while the other was yellow.

"Who are you?" the red-haired young man inquired.

"What do you want?" the yellow-haired young man asked.

Because Xiao Tian and the others came with weapons in their hands, they knew that Xiao Tian and the others had bad intentions.

"Let's report this." The red-haired young man said.

"Yes." the yellow-haired man agreed.

However, before they could enter the gate, two of Xiao Tian's underlings dashed towards them and attacked them.

Because Xiao Tian's underlings had a lot of experience in fighting and also had become stronger than before, they were able to defeat the two young men instantly.

'So weak!'

Those were the words that appeared in the mind of Xiao Tian's underlings.

\*BANG!

Xiao Tian kicked the gate, causing the gate to open and letting out a loud sound.

After they stepped into the vast front yard, they saw many disciples of Hakken martial arts school practicing martial arts.

'There are ten instructors and about fifty disciples.'

Even though they were ten instructors, Xiao Tian didn't show the slightest fear on his face.

At this moment, all of the disciples stopped practicing martial arts when they saw Xiao Tian and his underlings.

'Who are they?'

When they saw Xiao Tian and his underlings wielding weapons, they knew that Xiao Tian and his underlings had bad intentions.

"Who are you? How dare you cause trouble here?" one of the instructors spoke as he walked towards Xiao Tian.

Even though Xiao Tian and his underlings were wielding weapons, he still had a calm expression as if he didn't put Xiao Tian and his underlings in his eyes.

At this moment, all of the instructors were standing in front of Xiao Tian. They wanted to know why Xiao Tian came to Hakken martial arts school with his underlings.

"I came here to beat Wuji, Wuja, Guzuo and Wuling" Xiao Tian gave an honest answer.

"You want to beat our disciples?" the red-haired instructor was unhappy with Xiao Tian's words.

From how Xiao Tian behaved, he knew that Xiao Tian didn't put the Hakken martial arts school in his eyes, and it was humiliating for them.

Hakken martial arts school was quite famous in the Wanhui district, and many people wanted to learn martial arts there.

Not only the instructors but all disciples were also unhappy. They didn't expect that Xiao Tian would cause trouble in their place.

"That's right." Like before, Xiao Tian answered calmly. "I want to break their arms and legs."

At this moment, Guzuo, Wuji, Wuja, and Wuling had a terrified expression on their faces. They knew that Ren Aoxu had a senior martial brother.

However, they didn't expect that his senior martial brother had so many underlings. At this moment, they began to regret their actions, but they knew that everything was already too late.

Guzuo, Wuji, Wuja, and Wuling looked at each other before nodding their heads as if they agreed on something.

They knew if they didn't leave immediately, something bad would happen to them. That was why they intended to leave in secret.

However, before they could leave, Xiao Tian noticed them.

'You want to run away, huh?'

Xiao Tian then pointed his index finger towards Wuji and the others before speaking, "It's them! Beat them up and bring here."

### **Chapter 645 - Fighting Against The Disciples Of Hakken Martial Arts School**

6-7 minutes

---

Xiao Tian pointed his right index finger towards Wuji, Wuja, Guzuo and Wuling. "It's them! Beat them up and bring them to me."

Without waiting for another second, six of Xiao Tian's underlings dashed towards Wuji, Wuja, Guzuo and Wuling.

Because the instructors didn't want Xiao Tian's underlings to beat their disciples, one of them tried to stop Xiao Tian's underlings.

But Chun Hua suddenly appeared in front of him and threw a high kick. Even though Chun Hua made a surprise attack, but he was able to avoid it by taking a long step back.

So fast! The instructor thought to himself.

"Where do you want to go?" of course, Chun Hua would not let him protect Wuji and the others.

"Don't try to protect them." Xiao Tian had promised Ren Aoxu that he would beat Wuji, Wuja, Guzuo and Wuling, so no matter what happened, he would not let them go.

Actually, Xiao Tian would have left immediately if they didn't stop him from taking Wuji, Wuja, Guzuo, and Wuling to Blue Ice Lotus gang headquarters because he didn't want to add more enemies.

However, because they kept trying to stop him, Xiao Tian decided to turn the Hakken martial arts school upside down.

At this moment, all instructors were looking at Xiao Tian with a flame of fury in their eyes. They were enraged because Xiao Tian dared to cause trouble in their place.

'It seems like that young woman, who is blocking Deming, is their strongest fighter. Maybe I can save Wuji and the others now.'

With that in mind, the blue-haired instructor dashed towards Wuji and the others. However, he also failed to help Wuji and the others because Mu Huo suddenly blocked his path.

Deming, who was standing in front of Chun Hua, turned his head towards Xiao Tian.

'Who is he? Not only does he have many underlings, but it seems like all of them are skilled in martial arts. Even that person can block Cheung's path.'

When Deming saw Mu Huo blocking Cheung's path, he had the feeling that Mu Huo was a martial arts expert.

Because Deming and Cheung could not save Wuji and the others, the other instructors tried to save them.

With them trying to save Wuji and the others at the same time, they were sure that Xiao Tian's underlings could not stop them.

However, they were wrong. They were utterly wrong because Xiao Tian's underlings immediately blocked their paths. Each of the instructors was stopped by four of Xiao Tian's underlings.

Xiao Tian, who saw that, was pleased.

'4 versus 1. Good! It seems like my underlings know what they have to do without waiting for my order. They know their limits.'

Xiao Tian praised his underlings.

Because the instructors were skilled in martial arts, Xiao Tian's underlings knew that they could not beat them in a one-on-one fight like Mu Huo and Chun Hua. That was why they ganged up on the instructors.

Because they were stronger than before, Xiao Tian's underlings believed that they could block the instructors' paths.

At this moment, Xiao Tian's underlings, who were chasing after Wuji and the others, managed to prevent them from escaping.

"Do you think you can run away?" one of Xiao Tian's underlings asked. "Let's beat them!"

Six of Xiao Tian's underlings started to attack Guzuo and the others. Even though Guzuo and the others were skilled in martial arts, they could not beat Xiao Tian's underlings.

Xiao Tian's underlings had more fighting experience than Guzuo and the others, so they could beat Guzuo and the others easily.

Guzuo, who was being beaten up by Xiao Tian's underlings, looked at the other disciples and asked for help. "Brother, please help me."

"Brother, please help us." Wuji and Wuja also asked for help.

They knew that they could not beat Xiao Tian's underlings. If they fought together, they were sure they could defeat Xiao Tian's underlings.

"What should we do? Should we help them?"

"I..I don't know."

"But I don't want to get involved in this."

"Me too."

"But they are beating our friends."

"Maybe we should help them."

"Why?"

"Yes. Why?"

"If we let them beat Wuji and the others in our place, it will be humiliating for us."

"Yes. We will lose face later."

"The instructors are also fighting them. If we didn't do anything, they would be disappointed in us later."

"Yes. Let help them."

Then more than twenty disciples rushed towards Xiao Tian's underlings.

All of Xiao Tian's underlings, who were standing behind Xiao Tian, dashed towards Wuji and the others because they would not let the disciples of Hakken martial arts school beat their friends.

At this moment, ten of Hakken martial arts disciples, fell on their butts. As they saw people fighting around them, the expression of deep fear blossomed on their faces.

They joined the Hakken martial arts school a week ago, so they only learned basic martial arts. They knew that they would get beaten to death if they also joined the fight.

"Agghhhh. My hands!"

"Agghhhh."

"Aghhhh."

"My legs. Agggshhhh."

They were even more terrified when they saw Xiao Tian's underlings beating their friends cruelly. Blood was splattered everywhere, and many people collapsed on the ground. At this moment, they wished that they were at home.

"Agghhh."

Many of the disciples of Hakken martial arts school cried out in pain. Because Xiao Tian's underlings were using weapons in the fight and they were also more experienced in a real fight, they had the upper hand in the fight. Of course, they also managed to injury some of Xiao Tian's underlings too.

When all instructors learned that Xiao Tian's underlings were beating their disciples, they wanted to help them.

However, they could not do that because Xiao Tian's underlings kept blocking their paths.

'We have to save them quickly or else, Shifu will be angry at us later.'

Those were the words that appeared in the mind of the instructors.

At this moment, Xiao Tian still didn't move from his place. His lips curled into a grin when he saw his underlings beating the disciples of Hakken martial arts school.

## Chapter 646 - Beating The Disciples And Instructors Of Hakken Martial Arts School

7-8 minutes

---

In the vast front yard of Hakken martial arts school, blood was splattered everywhere, and many people collapsed on the ground.

The sound of weapons clashing and screams of pain reverberated throughout the entire area. It had been ten minutes since Xiao Tian's underlings fought the disciples of Hakken martial arts school.

[a/n= some of the senior disciples of Hakken martial arts school managed to snatch Xiao Tian's underlings' weapons. That's why there is a sound of weapons clashing.]

"AAAGGGGHHHHH.." Deming let out a furious cry when he saw many of his disciples collapsed on the ground.

But what frustrated him most was that he could not save them because Chun Hua kept blocking him.

"DIE!" Deming threw out his fist towards Chun Hua's head.

He wanted to beat her immediately so that he could save his disciples. That was why he began to lose his temper.

It had been ten minutes since he fought Chun Hua, but not only did he not succeed in beating her up, she even managed to injure him.

He was the third-best instructor and had a lot of fighting experience, so he found it hard to believe when he still could not beat Chun Hua.

'Who is she? How can she be so strong like this?'

Deming didn't know that Chun Hua was the fourth leader of the Blue Ice Lotus gang. Earlier, he thought he would be able to beat Chun Hua easily, but he was wrong. Not only did he fail to beat her up quickly, she even managed to injure him.

When Chun Hua saw Deming starting to lose his temper, she was delighted. Martial artists who lost their temper would not use their heads in battle.

All they had in their minds were only anger and attack. Sometimes, they even didn't bother to block or avoid the attacks and just kept attacking their opponents, hoping to take their enemies down quickly.

'Good! It would be easier to beat him if he lost his temper like this.'

At this moment, Chun Hua was in the defensive position, but at the same time, she waited for the right moment to counter-attack.

As for Mu Huo, he was still fighting Cheung. No. It was not a fight. It was a one-sided fight because Mu Huo kept beating Cheung without getting any injured. In short, Mu Huo was bullying Cheung.

Cheung, who was being beaten by Mu Huo, gritted his teeth.

'Who is he? He is too strong for me.'

Cheung was the second-best instructor of Hakken martial arts school. Previously, he believed that he would be able to beat Mu Huo easily, but the reality was too cruel.

Not only could he not defeat Mu Huo, but ever since they fought, he only managed to land an attack on Mu Huo's body three times.

It really hurt his pride as a martial artist. He had a lot of fighting experience, but here, he was beaten up by an unknown person without being able to fight back.

Because Mu Huo didn't want to waste time anymore, he immediately attacked Cheung seriously. Due to how fast and robust his attacks were, Cheung instantly fell to the ground.

Cheung's face was covered in bruises, and blood was dripping down from his head. Because Mu Huo hit the fatal areas of his body, he could no longer move his body and only stare at Mu Huo.

He could not believe it, and didn't want to admit it. He tried to fight Mu Huo again but could not do that because he could no longer move his body.

"Boss.." Mu Huo didn't help Xiao Tian's underlings and only stood next to Xiao Tian.

"Oh! So, you decided to stop playing with him." Xiao Tian knew that Mu Huo was not serious when he fought Cheung. That was why he said something like that.

"Yes." Mu Huo answered instantly.

At this time, Xiao Tian and Mu Huo were looking at the people who were fighting around them.

"What do you think of my underlings?" Xiao Tian inquired.

"In my view, the reason they can beat the disciples of Hakken martial arts school easily is that their number is half of ours." Mu Huo answered instantly. "If they have the same number, I think it will be a little challenging for them to beat the disciples of Hakken martial arts school."

Xiao Tian turned his head towards Mu Huo and said, "A little challenging?"

"Yes." because Xiao Tian's underlings had a lot of fighting experience, Mu Huo believed that they could still beat the disciples of Hakken martial arts school even though they had the same number.

"Then your job is to make them even stronger than this later." Xiao Tian was pleased after hearing Mu Huo's words because, with this, he would have powerful supporters in the future.

"Don't worry boss. I will make them much stronger in the future." Mu Huo answered. "But you need to help us later."

"Sure. Money is not a problem for me." Xiao Tian understood that Mu Huo was talking about money because they needed money to make themselves stronger. "And I will increase your salary if you manage to make them much stronger later."

"Thank you, boss." Mu Huo was pleased after hearing Xiao Tian's words

If anyone heard their conversation, they would immediately cough up blood. They were in the middle of the fight, but they still could behave and chat normally as if they were alone in the front yard.

Not only that, they even talked about money and salary too. Not everyone dared to act like them in the middle of a fight.

At this moment, almost all of the disciples of Hakken martial arts school collapsed on the ground. Only a few of them could still fight. But all of them were already on the verge of collapsing because their bodies were covered in blood, and they also only had little stamina left in their bodies.

It seems like it will end soon. Xiao Tian thought to himself.

Previously, Xiao Tian thought he would need to fight too. He even brought his katana with him. He just didn't expect that his underlings would be more than enough to deal with the disciples of Hakken martial arts school.

Xiao Tian's underlings, who had beaten the disciples of Hakken martial arts school, dashed towards the instructors because they wanted to help their friends defeat the instructors.

Because Xiao Tian's underlings ganged up on the instructors, they could beat the instructors in less than ten minutes. Of course, Chun Hua managed to beat Deming by herself.

"Leader, what should we do to them?" Four of Xiao Tian's underlings dragged Wuji, Wuja, Guzuo, and Wuling to Xiao Tian.

Their bodies were covered in blood, and they also could no longer move their bodies. At this moment, the expression of deep fear blossomed on their faces.

Because they fell into Xiao Tian's hands, they knew that they were doomed. They were sure that Xiao Tian would torture them later.

"Bring them to our base." Xiao Tian answered. "I will let junior brother torture them after he get better later."

"Understood." Xiao Tian's underlings replied.

Xiao Tian then looked at the instructors and spoke, "None of this would have happened if you didn't try to stop me."

After that, Xiao Tian and the others returned to Blue Ice Lotus gang headquarters.

## **Chapter 647 - Jufan**

7-9 minutes

---

Yushu Hotel, Wuzho Town.

Inside the luxurious hotel room, ten people were sitting on the chairs. In front of them, there was a huge round table with a wide variety of delicious food.

If Xiao Tian were with them, he would immediately recognize the four people who were sitting on the chairs because the four of them were Zhao Sheng, Zhao Chen, Xie Shang, and Xie Ehuang.

"Zhao Chen, is your grandson still lazy to practice martial arts?" a middle-aged man about sixty years old inquired.

"Jufan, you know my grandson, so why are you still asking it?" Zhao Chen replied as he sighed.

Even though Zhao Sheng had been practicing martial arts a lot lately, but Zhao Sheng always complained to him. Zhao Chen even knew that his grandson didn't practice martial arts seriously.

Upon hearing Zhao Chen's words, Jufan turned his head towards Zhao Sheng. "Young master Zhao Sheng, you are very talented person, so why are you so lazy to practice martial arts?"

Zhao Sheng, who was sitting on his grandfather's right side, gave an honest answer. "Because it's boring."

"Haha." Xie Shang laughed after hearing Zhao Sheng's words. "Young master Zhao, your family's martial art is famous. The whole of China knows about Shinmei martial art. Aren't you afraid that you will ruin the good reputation of Shinmei martial arts school?"

"Elder Xie, my laziness to practice martial arts has nothing to do with ruining the good name of Shinmei martial arts school." Zhao Sheng answered calmly. "How could you say something like that?"

"See!" Zhao Chen had tried many ways to get Zhao Sheng to practice martial arts but always failed.

"Young master Zhao, not everyone has talent like you." a middle-aged man about sixty-two years old said abruptly. "Don't waste your talent because you will regret it later."

"Elder Shuren, I would regret it even more if I only spent my days practicing martial arts." Zhao Sheng responded. "Life is short so I want to enjoy it to the fullest."

"Haha." A middle-aged man about sixty-three years old laughed. "Zhao Chen, looks like it's not easy to get your grandson to practice martial arts."

"Yahui, you really don't know what I feel." Zhao Chen sighed again.

At this moment, Jufan's smartphone suddenly rang.

'Deming?'

At first, Jufan didn't pick up the phone, but because Deming kept calling him, he decided to answer it.

Jufan rose to his feet and said, "Sorry, I will pick the phone first. It seems like my disciple has something important to tell me."

"Sure." Xie Shang and the others answered in unison.

After Jufan was outside the hotel room, he immediately picked up the phone, "Didn't I tell you not to disturb me now?"

Jufan was furious. Previously, he had told his disciples not to disturb him because he would meet Zhao Chen and the others. He just didn't expect that one of his disciples still dared to call him.

"I'm sorry, Shifu." Deming instantly apologized. "This is very important so I have no choice but to call you."

"What's wrong?" Jufan wanted to know why his disciple decided to call him.

"Earlier, a group of people suddenly came to our place and caused trouble." Deming answered. "They beat all of us cruelly. Because of it, many of our disciples are seriously injured."

"What?" Jufan gritted his teeth. "Wait there. I will be there soon."

After Jufan hung up the phone, he entered the room again. Even though he tried his best to behave normally, but everyone could tell that he was furious.

"Shifu, what's wrong?" a young man about twenty-three years old asked.

He was Qigang, the first instructor of Hakken martial arts school. Previously, before Jufan went to the Yushu hotel, he took Qigang with him.

"Jufan, is there a problem?" Zhao Chen inquired.

"A group of people came to my place and injured all of my disciples." Jufan gave an honest answer. "Everyone, I'm sorry. I have to go now."

Shuren rose from his seat and spoke, "I will come with you."

"Me too." Yahui said

"I will come with you too." Xie Shang wanted to know which group caused trouble at the Hakken martial arts school.

"Jufan, I will come too." Zhao Chen had the same thought as Xie Shang.

It took Jufan five seconds before answering, "All right."

Then they traveled to Hakken martial arts school.

-----

When Jufan stepped into the front yard, his face flushed with anger. All of his disciples were seriously injured. Some of them were even still unconscious.

When Deming saw Jufan, he immediately walked towards Jufan. "Shifu."

"Who did this?" Jufan tried his best to hold back his anger because Zhao Chen and the others were with him.

"I don't know who they are." Deming answered. "But their leader is Ren Aoxu's senior martial brother."

Deming knew about this from one of the disciples. Two days ago, one of the disciples overheard a conversation between Wuji and the others.

At that time, they were talking about the person who beat them. And the traits of the person they mentioned were the same as Xiao Tian's figure.

Wuji and the others also knew that Xiao Tian was Ren Aoxu's senior brother because of the way they addressed each other.

Not only that, every time Wuji and the others met Ren Aoxu, they always saw Xiao Tian next to him. This made them even sure that Xiao Tian and Ren Aoxu were really from the same martial arts school.

Upon hearing Deming's words, Zhao Sheng brought his face closer towards his grandfather's right ear and whispered. "Grandfather, I think that person is Xiao Tian. Ren Aoxu is his junior martial brother."

Zhao Sheng's words much surprised Zhao Chen, but he didn't show it on his face. He didn't expect that Xiao Tian was the mastermind behind what happened at the Hakken martial arts school.

'So, Xiao Tian isn't the last disciple of Moon Sword Martial Art.'

At his moment, Zhao Chen wanted to ask his grandson many questions but decided against it because he knew it was not the right time.

Jufan tried to remember who Ren Aoxu was. He felt that he had heard that name before.

'Ren Aoxu... Ren Aoxu... Ren Aoxu... Wait! Don't tell me.'

Jufan's eyes widened for a second.

'Moon Sword Martial Art.'

Jufan remembered that Ren Aoxu came to Hakken martial arts school with his master four months ago. At that time, his disciples and Ren Aoxu had a friendly fight.

'But isn't Ren Aoxu the last disciple of Moon Sword Martial Art? Is the information I got all this time wrong?'

Of course, Jufan knew that Ren Aoxu's master had passed away. However, because they didn't have a close relationship, he didn't care about it.

"Tell me. Why did he cause trouble at my place earlier?" Jufan inquired.

"It's like this." Deming began to explain everything.

'It seems like Guzuo did something to Xiao Tian or Ren Aoxu.'

Those were the words that appeared in the mind of Zhao Sheng, Zhao Chen, Xie Shang, and Xie Ehuang after hearing Deming's words.

"I see." Even though Jufan knew that it was his disciples' fault, Xiao Tian's actions were still too much. He didn't accept it and decided to get his revenge later.

## **Chapter 648 - Do You Think It Will Work?**

6-7 minutes

---

"Jufan, do you really want to get involved in junior matters?" Zhao Chen inquired.

Currently, Zhao Chen and the others were in the guest room. The guest room was huge, with many martial arts pictures hanging on the wall.

"Actually, I don't want to get involved in youngster matters, but his action is too much. He has crossed the line." Jufan answered. "If I did nothing to him, my reputation would be tarnished."

"Elder Jufan, you are already at the grandmaster stage. Aren't you afraid that other martial artists will laugh at you later?" Zhao Sheng tried to make Jufan not fight Xiao Tian because it would be dangerous for Xiao Tian. "A grandmaster martial artist wants to beat juniors. Wouldn't this also tarnish your reputation?"

Martial artists were divided into three levels, disciple, master, and grandmaster. Each level was also divided into three classes, low, mid, and high.

Jufan was already at the low-level grandmaster stage while Xiao Tian was at the low a level master stage. If they fought, everyone would know who would win the battle.

'This time, Xiao Tian is really in danger. I have to make this old bastard not fight Xiao Tian. Otherwise, it will be unfair for Xiao Tian later.'

Xiao Tian was his best friend, so Zhao Sheng didn't want to see Jufan beat Xiao Tian.

Xie Shang and Xie Ehuang looked at Zhao Sheng. Of course, they knew the reason why Zhao Sheng tried to make Jufan not interfere.

'It seems like Xiao Tian and Zhao Sheng are good friends. He's even trying to prevent Jufan from beating up Xiao Tian.'

Those were the words that appeared in the mind of Xie Shang and Xie Ehuang.

Not only Xie Shang and Xie Ehuang, but Zhao Chen also stared at his grandson.

'Brat, I hope you won't interfere this time.'

It was not like Zhao Chen was afraid of Jufan. It was because he didn't want to destroy his friendship with Jufan. Zhao Chen was already at the high-level grandmaster stage, so it would be easy for him to defeat Jufan.

"Young master Zhao, like I said earlier, his actions have crossed the line." Of course, Jufan knew that Zhao Sheng was trying to keep him from fighting against a junior martial artist, but he still didn't know that Xiao Tian and Zhao Sheng were friends.

'Why do I feel like young master Zhao is trying to protect Xiao Tian?'

Those were the words that appeared in the mind of Shuren, and Yahui.

Zhao Sheng suddenly found an excellent idea. "Elder Jufan, how about you choose one disciple to fight Ren Aoxu's senior martial brother? We will arrange a fight between them. If he wins, you have to forget everything, but if your disciple loses, you can do anything to him."

Zhao Sheng's words dropped the entire area into a dead silence. They didn't expect that Zhao Sheng would suggest a fight between Xiao Tian and a disciple of Hakken martial arts school.

This brat really cares about Xiao Tian. Zhao Chen thought to himself.

"It's a good idea." Zhao Chen decided to help his grandson. "What do you think of my grandson's idea?"

"It's an excellent idea." Because Xie Shang knew that Xiao Tian and Zhao Sheng were friends, he decided to help Zhao Sheng.

"Agree." Shuren, and Yahui answered in unison.

Of course, Jufan didn't agree with Zhao Sheng's idea because, in his view, it was unfair for him. "I don't"

However, before he had finished his words, Qigang interrupted him. "Shifu, I also agree with young master Zhao's idea. Please let me fight him."

Jufan didn't answer immediately and only stared at Qigang.

'Should I accept it?'

Qigang was his best disciple and martial art prodigy, so Jufan was sure that he could beat Xiao Tian later.

"Elder Jufan, don't tell me you have no confidence in your disciple?" Zhao Sheng said something like this on purpose because it could make Jufan accept his idea.

"Sure. I agree with your idea." Jufan wanted to refuse Zhao Sheng's idea, but if he did that, it would make it look like he had no confidence in his disciple. "But how to do that? I still don't know who he is."

"It's easy. My Zhao family has many connections, so finding someone is an easy thing." After saying that, Zhao Sheng turned his head towards his grandfather. "Isn't that right, grandfather?"

Zhao Chen sighed before answering. "Yes. I will use my family connections to find out who Ren Aoxu's senior brother is. You don't need to do anything."

'Because you are using me to help Xiao Tian, I will make you practice martial arts more often later.'

Zhao Chen decided to make Zhao Sheng practice martial arts more often later. If Zhao Sheng refused, he wouldn't help Xiao Tian later.

"All right." At this moment, Jufan was pleased because, with the Zhao Family's help, it would be easy to find out who Ren Aoxu's martial brother was.

After that, Zhao Sheng and the others left.

When Jufan was alone with Qigang, he immediately said, "Qigang, you have to teach him a lesson later. break his arms and legs. Make him regret his actions."

"Understood, Shifu." Qigang answered as he bowed slightly.

"Brat, you used me before, so you have to practice martial arts for the next two weeks every day. Seven hours per day!" Zhao Chen spoke abruptly.

Currently, they were on their way home. Zhao Sheng and Zhao Chen were sitting in the back seat of the car.

"Old man, that's too much!" of course, Zhao Sheng disagreed with it. "What will happen to my company if I train every day for seven hours?"

"You don't need to worry about it." Zhao Chen answered. "If you don't agree with my condition, I won't help you later. Maybe, I will help Jufan instead."

"Old man, are you not afraid that I will report you to the police?" Zhao Chen said with displeasure. "This is called child abuse."

"Do you think it will work?" Zhao Chen was not afraid of his grandson's threats.

At this moment, Zhao Sheng suddenly thought of something. With that in mind, Zhao Sheng decided to agree with his grandfather's idea. "Fine. But I have one condition."

"What is it?" Zhao Chen inquired.

### **Chapter 649 - Senior Brother Is Really Fearless!**

6-7 minutes

---

"I want to practice martial arts with Xiao Tian." Zhao Sheng gave an honest answer.

"Xiao Tian? Sure. Just bring him to our home." Zhao Chen didn't mind his grandson's terms. As long as Zhao Sheng practiced martial arts, he would accept all the conditions.

"Great!" Zhao Sheng answered happily.

-----

Heart Hospital, Ren Aoxu's patient room.

"Junior brother, I have beaten them earlier." Xiao Tian spoke abruptly. Currently, he was sitting on the chair next to Ren Aoxu.

"Senior brother, did you really go to the Hakken martial arts school?" Ren Aoxu inquired.

"Of course." Xiao Tian answered instantly. "Not only did I beat up all your enemies, but I also beat up all disciples of Hakken martial arts school, including the instructors."

"You beat all of them?!" Ren Aoxu almost could not believe Xiao Tian's words. But after remembering that Xiao Tian had one hundred and twenty underlings, he knew that Xiao Tian could do that.

"Yes. Because they kept trying to stop me, so I decided to turn the Hakken martial arts school upside down." Xiao Tian replied. "Guzuo, Wuji, Wuja and Wuling are in my base right now. You can do whatever you want with them later."

"Thank you, senior brother." Ren Aoxu was touched by Xiao Tian's actions.

For his sake, Xiao Tian even wreaked havoc at the Hakken martial arts school.

'Senior brother is really fearless!'

Ren Aoxu praised Xiao Tian's braveness.

"Senior brother, their Shifu is a martial artist at the grandmaster stage. What if he wants to get revenge later?" the reason why Ren Aoxu knew that Jufan was a martial artist at the grandmaster stage was that his master had told him in the past.

Even though he knew that Xiao Tian was a genius in martial arts, he knew that the current Xiao Tian was not Jufan's opponent.

"You don't need to worry about it." Xiao Tian replied calmly.

'Damn! Should I buy a gun later?'

Xiao Tian added in his head.

"Alright." Because Xiao Tian had a calm expression, Ren Aoxu knew that Xiao Tian already had a plan.

Xiao Tian rose to his feet and spoke, "Junior brother, I have to go now. I still have a lot of work to do."

"Un." Ren Aoxu nodded his head. "Be careful."

Xiao Tian then traveled to Eternal Beauty company to work. He worked until 05:00 pm before going home.

"I'm home." Xiao Tian said happily after stepping into the guest room.

Instead of heading to his room immediately, Xiao Tian went to the family room. When he stepped into the living room, he saw Liu Ning watching TV.

Without waiting for another second, Xiao Tian kissed her left cheek and sat next to her. "I'm home, Ning'er."

"Welcome home." Liu Ning answered as she smiled.

"Where is everybody?" Xiao Tian inquired.

"I think they are still working or on their way home." Liu Ning was home alone before Xiao Tian arrived.

"Why?"

"Nothing. With this, I can lovey-dovey with my beautiful lover." After saying that, Xiao Tian's face broke into a smile.

Liu Ning, who heard it, pinched his nose and replied, "You don't have a dirty mind, right?"

"Now that you said it, how about we have quick sex right now?" of course, Xiao Tian was joking around because he only wanted to spend time with her.

However, Liu Ning had different thoughts. She thought Xiao Tian really wanted to have sex with her. For this reason, she didn't answer and only stared at him.

Of course, she would accept it if he really wanted to do it with her because they had done it many times, and she was also his woman.

"Pfft!" a peal of suppressed laughter burst out. At this moment, Xiao Tian knew what she had in mind.

"Bad boy! You are teasing me again, right?" Liu Ning finally understood that Xiao Tian was not serious when he said he wanted to have sex with her.

"Hahaha." Xiao Tian could not help but burst into waves of laughter after hearing her words.

Liu Ning pinched Xiao Tian's cheeks hard and spoke, "Why did you often tease me?"

"Ahhh." Xiao Tian cried out in pain. "My love, please forgive me. Your handsome lover is only joking."

"Apologize to me now." Liu Ning was still pinching his cheeks hard.

"I'm sorry." Even though Xiao Tian could remove her hands from his cheeks, but he decided not to do that.

"Good!" Liu Ning stopped pinching Xiao Tian's cheeks and smiled happily. "You should not tease m-"

However, before Liu Ning had finished her words, Xiao Tian pushed her, causing her to fall onto the sofa.

'Because you dare to pinch my cheeks, I will punish you.'

With that in mind, Xiao Tian kissed her lips.

Currently, Xiao Tian was on top of her with his hands holding hers.

Even though Xiao Tian's actions surprised Liu Ning, she immediately shut her eyes as if she wanted to feel the kiss.

Soon, the normal kiss turned into a hot kiss where they intertwined their tongues lewdly. After kissing her for several seconds, Xiao Tian broke the kiss.

Because Xiao Tian wanted to lovey-dovey with Liu Ning, he sat on the sofa and made her sit between his legs.

Without waiting for another second, Xiao Tian wrapped his arms around her hips and spoke, "I really love it when I can watch TV while hugging my lover like this."

Liu Ning's face blossomed into a smile after hearing his words because she also loved it when Xiao Tian embraced her. While still being hugged by Xiao Tian from behind, Liu Ning kissed his right cheek.

A soft smile spread across his face when Liu Ning kissed him. Xiao Tian was thrilled and embraced her a little tighter. "Ning'er, I love you. I really do."

Liu Ning put her hands in his and replied, "I love you too."

"I will marry you in the future." Xiao Tian voiced out his true feelings.

"I will be waiting for you to propose to me." Liu Ning could not express her feelings in words. She was delighted when Xiao Tian said he would marry her in the future.

## Chapter 650 - You Are Damn Right!

7-8 minutes

---

As Xiao Tian and Liu Ning were lovey-dovey in the family room, a voice suddenly rang out. "I'm home."

"Oh! Fei is already home." From the voice, Xiao Tian knew that it was Shi Fei.

Unlike Xiao Tian, Shi Fei headed to her room first before going to the family room.

"So envious!" Shi Fei said before sitting on Xiao Tian's right side.

"Big sister Fei, do you want to swap position with me?" she had been lovey-dovey with Xiao Tian for more than twenty minutes, so Liu Ning didn't mind it if Shi Fei wanted to switch place with her. Shi Fei was also Xiao Tian's woman, so Liu Ning could not be selfish.

"No!" Shi Fei replied immediately. "You two can continue lovey-dovey. I'm fine with sitting next to him."

Xiao Tian turned his head towards Shi Fei and spoke, "My sexy lover really understands me very well."

"Because I'm a good lover." Shi Fei replied as she smiled brightly.

Not long after that, Ye Xueyin and Ye Qingyu arrived home. Like Shi Fei, they headed to their rooms first before going to the family room.

When they knew that Xiao Tian was having a good time with his women, they were jealous. Of course, they didn't show it on their faces and only giggled.

That night, they spent time together until 11:16 pm before going to their rooms.

'Lately, I haven't spent time with her. I'm suddenly feeling guilty.'

With that in mind, Xiao Tian headed to Ye Qingyu's room.

\*Click...

'Her door is locked.'

Because her door was locked, Xiao Tian wanted to go back to his room to get his smartphone because the only way to enter her room was to call her and ask her to open the door.

However, when he was about to return to his room, Ye Qingyu suddenly opened the door. "Come in."

Previously, Ye Qingyu was about to sleep, but she immediately got out of the bed when she knew that someone tried to open the door.

There were only two people who always tried to open the door without knocking. The first person was her big sister, and the second was her nephew.

However, because her big sister said she was sleepy, she suspected that the person, who tried to open the door, was her nephew. And what she had guessed was right because after opening the door, she saw Xiao Tian.

Xiao Tian wasted no time and immediately entered her room. Because he wanted to sleep with her, Xiao Tian locked the door.

After carrying her in a princess style and placing her on the bed, Xiao Tian laid down on her right side. "I will sleep with you tonight."

Ye Qingyu was thrilled after hearing his words, but at the same time, she was also worried. "But what if Liu Ning and Shi Fei find out later?"

"I will go back to my room in the morning before everyone wakes up." It would be dangerous if his women knew that he slept with his aunt. "You don't need to worry about it."

It took Ye Qingyu four seconds before answering. "All right."

As usual, Ye Qingyu instantly hugged his left arm. They talked about many things until 1:00 am before finally they slept.

At 04:30 am, Xiao Tian woke up and wanted to go back to his room. Even though he still desired to sleep with Ye Qingyu, but he knew that he could not do that.

\*Kiss.

Xiao Tian kissed Ye Qingyu's forehead.

Currently, Ye Qingyu was still sleeping. However, a few seconds after Xiao Tian kissed her, she suddenly woke up.

"You want to go back to your room now?" Ye Qingyu inquired.

"Yes." Xiao Tian nodded his head.

Ye Qingyu's expression turned sad as if they were going to separate for a long time. She still wanted to sleep with him and desired to feel the warmth of his body. For this reason, Ye Qingyu didn't say a word and only stared at him.

When Xiao Tian saw the expression on her face, he kissed her forehead again. Of course, he knew what she had in mind. "Don't be sad. If I have free time later, let's go on a date."

"Un." Ye Qingyu's face was brimming with happiness after hearing his words.

Then Xiao Tian returned to his room. He slept for an hour and a half before Liu Ning woke him up. After Xiao Tian had breakfast with Ye Qingyu and the others, he traveled to Eternal Beauty company.

Xiao Tian worked for about two hours before he stopped.

'This work is not important. I can still finish it tomorrow.'

With that in mind, Xiao Tian took his phone out of his pocket. He wanted to call Ye Qingyu to ask her out.

However, when he was about to call her, his phone suddenly rang.

'Zhao Sheng?'

Because Xiao Tian wanted to know the reason why Zhao Sheng was calling him, he decided to pick up the phone. "Hello?"

"Xiao Tian, come to Red Flower bar now. I have something important to tell you." Zhao Sheng went straight to the point.

"Something important?" Xiao Tian said, "Why don't you tell me over the phone?"

"It's hard to tell you over the phone. Hurry up and come to Red Flower bar. I'm waiting." After saying that, Zhao Sheng hung up the phone.

The corner of Xiao Tian's lips twitched when Zhao Sheng did that.

'Damn! He always did whatever he wanted. What should I do now?'

At this moment, Xiao Tian wavered whether he should go to Red Flower bar immediately or not.

He really wanted to go on a date with Ye Qingyu, but from Zhao Sheng's voice earlier, he suspected that Zhao Sheng really had something important to tell him.

'Zhao Sheng! will kill you if you lie to me.'

After thinking for several minutes, Xiao Tian decided to travel to Red Flower bar. On his way, Xiao Tian felt guilty.

'Ye Qingyu, I'm sorry.'

After Xiao Tian arrived at Red Flower bar, one of Lan Ruoxi's underlings guided him to a private room. In the private room, he saw Zhao Sheng sitting next to Lan Ruoxi.

Xiao Tian then sat on the opposite side of Zhao Sheng and inquired, "Zhao Sheng, if you lie to me, I will really kill you later."

"Calm down, bruh." Zhao Sheng had no idea as to why Xiao Tian was suddenly angry like that. "Why are you angry anyway?"

"Hehe." Lan Ruoxi giggled. "It seems like young master Xiao was with his women earlier. That's why he is angry."

"Xiao Tian, your life is in danger so stop thinking about woman for now." Zhao Sheng said. "If you die, your family will be sad later."

"What do you mean by that?" because Zhao Sheng didn't tell him in detail, he didn't understand anything.

"Yesterday, you wreaked havoc at Hakken martial arts school, right?" like before, Zhao Sheng didn't tell Xiao Tian the main point.

"That's right." Xiao Tian gave an honest answer. "Wait! Their Shifu wants to get revenge on me, right?"

"You are damn right!" Zhao Sheng answered instantly. "But don't worry. I managed to make him not cause trouble to you for now."

"Oh!" Xiao Tian was surprised by Zhao Sheng's words.

"But in exchange, you must agree to have a fight with his best disciple." Zhao Sheng said.
