

## Illicit 651

### Chapter 651 - Wicked Plan

"Fight his best disciple?! Didn't I beat up all of his disciples yesterday? He can still fight?" Xiao Tian was sure that his underlings had beaten up all the Hakken martial arts disciples, so he was a little surprised after hearing Zhao Sheng's words.

"When you wreaked havoc at Hakken martial arts school, he was with his Shifu." Zhao Sheng answered instantly. "The name of his best disciple is Qigang. He is twenty-three years old and has been practicing martial arts since ten years old."

"But still, why do I have to fight him? It's troublesome." Of course, Xiao Tian was not afraid of Qigang. "Even though their Shifu is a martial artist at the grandmaster stage, I'm not afraid of him. I can still kill him using a gun. No matter how skilled he is in martial arts, I'm sure he will still die if I shoot him with a gun."

"Do you have a gun?" Zhao Sheng inquired.

"No." Xiao Tian replied instantly. "I will ask you to lend me your gun."

Zhao Sheng was from an upper-class family, so Xiao Tian was sure that Zhao Sheng had a gun.

Zhao Sheng had guessed that Xiao Tian didn't have a gun. "Damn it, Xiao Tian! My family is a martial art family, so w-"

Before Zhao Sheng had finished his words, he was interrupted by Xiao Tian, "What?! So, your family members don't have a gun?"

"Of course, we have." Zhao Sheng gave an honest answer.

Lan Ruoxi, who was hearing their conversation, could not help but giggle.

'Every time they are together, they always make the atmosphere interesting. It seems like their personalities match each other.'

One of the reasons why Lan Ruoxi was often together with Xiao Tian and Zhao Sheng was that they always managed to make her happy.

The way they behaved, talked, cursed at each other, and argued always made Lan Ruoxi smile. Sometimes, she even wondered how they could be so interesting.

"Good!" Xiao Tian spoke, "Now lend me your gun. Don't worry, I will immediately give it back to you after I kill their Shifu."

"Sure." Zhao Sheng answered. "You can ask my grandfather or father if you want it because they are the only ones who have a gun."

Upon hearing Zhao Sheng's words, Xiao Tian's expression changed as if he was telling Zhao Sheng through his expression that Zhao Sheng was useless and pitiful.

"Fuck you, Xiao Tian!" even though Xiao Tian didn't say a word, Zhao Sheng could understand what Xiao Tian had in mind.

"Haha." Lan Ruoxi couldn't help but burst into waves of laughter after hearing Zhao Sheng's remarks

"So, how skilled is his best disciple in martial art?" Xiao Tian changed the topic.

"He is a martial artist at the high-level master stage." Zhao Sheng knew about this because his family had information about Qigang.

This time, it was Xiao Tian's turned to curse at Zhao Sheng. "Fuck you, Zhao Sheng!"

He was a martial artist at the low-level master stage, so it would be hard to defeat Qigang. The only way for him to defeat Qigang with his current strength was to use the fourth or fifth secret technique.

The problem was Xiao Tian still hadn't mastered them. He even still hadn't mastered the third secret technique.

"Haha." Lan Ruoxi laughed again.

"Even though I can't lend you a gun, but you don't need to worry." Zhao Sheng then took poison powder out of his pocket and placed it on the table. "This is Xushi poison. This poison is not deadly because it is made to weaken the opponent."

"Oh!" Xiao Tian was interested in Xushi poison. "Tell me more about it."

Not only Xiao Tian, but Lan Ruoxi was also interested in it. Previously, she thought Zhao Sheng only wanted to hang out with Xiao Tian in her place, but she was wrong.

Zhao Sheng began to explain, "This Xushi poison is colorless and tasteless so you won't notice it if you drink this poison. After someone drinks this poison, it will immediately attack that person's thyroid gland."

"In the first three days, that person will experience low thyroid hormone levels, causing fatigue, limp, lethargy, and memory problems." Zhao Sheng said, "On the fourth to sixth days, that person will experience high thyroid hormone levels, causing a fast heart rate, irritability, and muscle weakness. On the seventh day, his strength would decrease significantly. Because Qigang is a martial artist at the high-level master stage, his strength will decrease to a low-level master stage or maybe even weaker than this."

"Muscle weakness?" Xiao Tian said, "So the person who drinks this poison will have no strength later?"

"That's right." Zhao Sheng answered. "Not only that, but it will also be easy for you to injure him later. If you attack him with a power of ten, he will feel pain as if your attack has the power of twenty."

"Really?" Xiao Tian asked

"Yes." Zhao Sheng nodded his head.

"Hehehe." Zhao Sheng and Xiao Tian laughed evilly.

Black lines formed on Lan Ruoxi's forehead.

'These two young men are really evil. As long as it helps them achieve their goals, they don't care whether they use a dirty way or not.'

Because Zhao Sheng brought poison with him, Lan Ruoxi was sure that they would poison Qigang later. For some reason, she suddenly felt sorry for Qigang.

"After we poison him, I will accept the challenge and fight him in a week." With Qigang already poisoned, Xiao Tian was sure that he could beat Qigang later.

"don't forget to make a bet before fighting." Zhao Sheng said. "Make them regret and cry blood later."

"Brilliant idea!" Xiao Tian agreed with Zhao Sheng's idea.

"Don't forget that half of the money will belong to me later." Of course, Zhao Sheng wanted the money too.

Xiao Tian didn't answer and only stared at Zhao Sheng.

"Hey! Don't look at me like that!" Zhao Sheng shouted.

"Don't you already have a lot of money?" Xiao Tian asked.

"It's different." Zhao Sheng replied. "So, will you give me half the money or not later?"

"Fine." Xiao Tian agreed.

"For money!" Zhao Sheng stretched out his right arm as if he was asking for arm wrestling

"For money!" Xiao Tian gripped Zhao Sheng's right palm.

"Hehe." Once again, evil smiles appeared on their faces.

## **Chapter 652 - Making A Plan To Poison Qigang**

7-8 minutes

---

"Now the problem is how to poison him." Xiao Tian didn't have any information about Qigang, so he didn't know all the places Qigang frequently visited.

"You don't need to worry about it. Earlier, I have sent two of my underlings to follow him and I also know all the places he often visits." Before going to the Red Flower bar, Zhao Sheng sent two of his underlings to follow Qigang because he needed to know where Qigang was before poisoning him.

"Perfect!" Xiao Tian didn't expect that Zhao Sheng had made his move. "Now let's discuss the plan. Tell me about Qigang first so that we can make plans based on his personality."

Zhao Sheng then told Xiao Tian and Lan Ruoxi about Qigang's personality, the places he often visited, and many other things.

After hearing everything, they began to think of the best plan to poison Qigang. It took Xiao Tian and Zhao Sheng less than a minute to find an excellent idea.

"I have found a good idea!" Xiao Tian and Zhao Sheng said in unison.

Lan Ruoxi was surprised when she knew that Xiao Tian and Zhao Sheng had found an idea to poison Qigang.

'They have found an idea to poison Qigang?! So fast!'

Lan Ruoxi didn't expect that Xiao Tian and Zhao Sheng would find an idea to poison Qigang so quickly. She was even still thinking about it earlier.

'No wonder they can become successful people at such a young age.'

At this moment, Lan Ruoxi thought that God favored Xiao Tian and Zhao Sheng too much. Not only were they attractive, but they were even clever and always lucky too.

"Are you thinking what I think?" Zhao Sheng inquired.

"It seems so." Xiao Tian answered. "How about we say it at the same time?"

"Sure. 1..2...3..." Zhao Sheng started counting to three.

"Woman!" Xiao Tian and Zhao Sheng said in unison.

Black lines formed on Lan Ruoxi's forehead after hearing their words.

'Woman?! You two want to use a woman again?!'

Lan Ruoxi shouted in her head.

"I think it's not a good idea. Qigang is different from the two of you. He is not a playboy like both of you." Lan Ruoxi thought it would be better to use another idea because Qigang was not a playboy like Xiao Tian and Zhao Sheng.

"Lady Lan, how could you say something like that before even hearing our ideas?" Xiao Tian was sure that his idea was good.

"That's right." Zhao Sheng added.

"You want to use the same method like what we did to Feng Ao, right?" at this moment, Lan Ruoxi thought they were going to get a woman to pretend to have sex with Qigang and would take advantage of him later.

"You are wrong there, attractive lady!" After saying that, Zhao Sheng turned his head towards Xiao Tian. "Isn't that right, Xiao Tian?"

"Yes." Xiao Tian answered instantly. "This time, our idea is different."

"Different? Tell me about it." Lan Ruoxi wanted to know what their idea was.

"It's like this." Xiao Tian and Zhao Sheng began to explain their ideas to Lan Ruoxi.

"How is it? It's a good idea, right?" Zhao Sheng inquired.

"It's indeed a good idea." Lan Ruoxi admitted that their idea was good. "But there is a possibility that your idea will fail later."

"With his personality, ninety-nine percent our ideas will work." Xiao Tian was sure that his idea would not fail later.

"So who is the woman that you will ask to carry out your plans later?" Lan Ruoxi inquired.

Xiao Tian and Zhao Sheng didn't answer, but they turned their heads towards Lan Ruoxi.

Lan Ruoxi pointed her right index finger towards her face and spoke, "You want to use me again?"

"Zhao Sheng, maybe we should choose another woman." Xiao Tian had used Lan Ruoxi before, so he changed his mind.

"Agreed." Zhao Sheng responded. "I think it's better to choose a younger woman. A pretty young lady."

Xiao Tian, who heard Zhao Sheng's words, instantly stared at Lan Ruoxi for a second before returning his attention to Zhao Sheng.

'Zhao Sheng, you are throwing a bomb at us!'

Women were always sensitive about their age, so Xiao Tian believed that Lan Ruoxi was unhappy after hearing Zhao Sheng's words.

"Ops!" Zhao Sheng realized that he had made a huge mistake.

Because they were close with Lan Ruoxi, Zhao Sheng didn't think twice before saying that.

"Young master Zhao, what did you say? Do you mean I'm an old woman?" Lan Ruoxi said as she smiled.

Even though the smile on her face was beautiful, but Xiao Tian and Zhao Sheng felt as if grim reaper was smiling at them.

'Beautiful women are indeed one of the most terrifying creatures in the world!'

Those were the words that appeared in the mind of Xiao Tian and Zhao Sheng.

Of course, Xiao Tian and Zhao Sheng didn't make frightened expressions. But at that time, they smiled at Lan Ruoxi awkwardly.

"I will do it!" Lan Ruoxi decided to change her mind because she wanted to prove to them that she was still attractive and could make any man drool for her.

"Lady Lan, are you sure?" Xiao Tian inquired. "You don't need to mind this bastard's words because he often says something without thinking twice."

"Damn you, Xiao Tian!" Zhao Sheng cursed at Xiao Tian again. "I just slipped my tongue! What do you mean I often say something without thinking first?"

"Well, it's the truth!" Xiao Tian answered instantly.

"When?" Zhao Sheng said.

"Before we destroyed Feng Ao's company, when we were at Shanghai River or when you came to my gang." Xiao Tian answered. "There were so many times where you said something without thinking first."

"You don't remember it correctly because I always think before saying anything." Of course, Zhao Sheng didn't want to admit it.

"Of course, you won't admit it." Xiao Tian replied. "I'm sure no one will admit it too."

"All right, you two. Stop fighting!" Lan Ruoxi rose to her feet. "I have decided to do that. Both of you don't need to argue anymore! I will change my clothes first."

After saying that, Lan Ruoxi headed to her room to change her clothes because she needed to wear good clothes.

When Xiao Tian and Zhao Sheng were alone in the private room, their lips curled into a grin.

Zhao Sheng placed his right fist in front of Xiao Tian and spoke, "Hehe. It's so easy to trick her."

Xiao Tian hit Zhao Sheng's right fist with his slowly and replied, "Hehe. With this, we don't need to find another woman."

"Hehe." The evil grin on their faces grew bigger.

Previously, they pretended to argue to make Lan Ruoxi change her mind because it was troublesome to find another woman to help them in their plan.

This time, what Lan Ruoxi needed to do was simple. She also didn't need to touch Qigang or let Qigang touch her.

All she needed to do was use sweet words. After that, Xiao Tian and Zhao Sheng would take care of everything.

"I didn't expect you to know my intentions so quickly." Zhao Sheng was surprised when Xiao Tian played along with his acting earlier.

"It's easy for me to know your intention." Xiao Tian answered.

### **Chapter 653 - The Mission Begins**

6-7 minutes

---

Twenty minutes had passed since Lan Ruoxi went to her room. Currently, Xiao Tian and Zhao Sheng were discussing their plan.

Because they didn't want their plan to fail, they made their plan as perfect as possible. Not only that, but they also made backup plans.

\*Click.

The sound of someone opening the door could be heard in their ears.

Xiao Tian and Zhao Sheng instantly stopped talking and turned their heads towards the source of the sound.

'Beautiful!'

That was the word that appeared in their minds when they saw Lan Ruoxi. Lan Ruoxi was wearing a black sweater and black jeans.

A beautiful and elegant small bag was hanging on her right arm. Even though she only had light makeup on her face, it already greatly enhanced her beauty.

'With this, I'm sure our plan will work.'

Due to how beautiful she was, Xiao Tian and Zhao Sheng believed that their plan would not fail later.

"Why are you looking at me like that?" Lan Ruoxi was pleased after seeing their expressions.

She was already in her thirties, but her beauty could still make two handsome young men mesmerized.

"You are breathtaking." Zhao Sheng answered. "Isn't that right, Xiao Tian?"

"Yes." Xiao Tian admitted that Lan Ruoxi was prettier than usual. "You look drop dead gorgeous."

"Thank you." it made Lan Ruox happy to be praised by two attractive young men. "Shall we go now?"

"Wait. Let me call one of my underlings first." Zhao Sheng then took his phone out of his pocket and called one of his underlings who was following Qigang.

After they knew where Qigang was, they immediately left. It took them thirty minutes to reach their destination.

Currently, they were in front of Hozu Restaurant. Hozu Restaurant was located in Xinmo town, one of the towns in Nanli district.

Without waiting for another second, Zhao Sheng called one of his subordinates to meet them.

"How is the situation?" Zhao Sheng asked when his underling was in front of him.

"Everything is under control." His underling answered. "And there are only ten people inside the restaurant."

"Good!" Zhao Sheng answered.

At this moment, one of Xiao Tian's underlings from the Shadow gang arrived. "Leader, do you need anything?"

"Mizu, I need you to do something for me later." previously, when Xiao Tian was on his way to Hozu Restaurant, he called one of his underlings to meet him at Hozu Restaurant. "This is what you have to do later."

"Understood." Mizu said after Xiao Tian finished telling him what he had to do later.

"Big sister Ruoxi, this is the poison." Zhao Sheng gave the poison to Lan Ruoxi.

"All right. Leave it to me." Lan Ruoxi then put the poison in her bag. "I will enter the restaurant now."

"Un." Xiao Tian and Zhao Sheng nodded their heads.

After Lan Ruoxi left, Xiao Tian looked at Mizu and spoke, "Give me the hats and face masks."

"Here." Mizu gave Xiao Tian two hats and two face masks.

Xiao Tian then gave Zhao Sheng one hat and one face mask. After Xiao Tian put on the hat and face mask, he told Mizu to wait outside. Then Xiao Tian and Zhao Sheng entered the restaurant.

The restaurant was quite big with lots of red sofas arranged neatly. Because they didn't want Qigang to notice them, Xiao Tian and Zhao Sheng sat on the couch, which was quite far from him.

Currently, Lan Ruoxi was drinking lemon tea. She didn't buy food because she was still full.

So, he is Qigang. Good! He is alone now. Lan Ruoxi thought to herself.

When Zhao Sheng told them about Qigang earlier, Zhao Sheng also showed them a photo of Qigang.

'I will start now.'

Lan Ruoxi rose to her feet and walked towards Qigang.

'The mission begins.'

Those were the words that appeared in the mind of Xiao Tian and Zhao Sheng when they saw Lan Ruoxi walking towards Qigang.

When Lan Ruoxi was in front of Qigang, she immediately said, "Excuse me. I'm Mei Zhu. You are totally my ideal type so can I get your number?"

Lan Ruoxi decided not to use her real name because it would be better to use a fake name.

"Me?" Qigang was surprised when a gorgeous lady suddenly appeared before him and asked for his number.

He then turned his head to the right and left to make sure that the beautiful woman in front of him was talking to him.

"Yes. Can I get your number?" Lan Ruoxi repeated her words.

"You want to ask for my number?" Qigang found it hard to believe what he was hearing.

Even though he knew that Lan Ruoxi was older than him, but she was still an attractive lady. He was even sure that many men wanted to make her their lover. And here, she was asking for his number.

"Yes." Lan Ruoxi nodded her head. "I know this situation is a little awkward, but you are really my type, so I don't want to regret it later."

Upon hearing her words, his mind flew to cloud nine. Because Lan Ruoxi said that he was her ideal type, there was a high possibility that they could become lovers later.

'Today is my lucky day!'

Without waiting for another second, Qigang took his smartphone out of his pocket and said, "Sure."

Xiao Tian and Zhao Sheng, who saw Qigang, could not help but laugh.

'So easy! As expected of Lan Ruoxi, no man can resist her beauty.'

Xiao Tian and Zhao Sheng were pleased because the first step of their plan went smoothly.

After Lan Ruoxi and Qigang exchanged their phone numbers, Lan Ruoxi immediately said, "If you don't mind, can I sit with you?"

"Sure." Qigang answered instantly.

'I would be a fool if I rejected a beauty like her.'

Qigang added in his head.

"I will take my drink first." Lan Ruoxi said

This time, Qigang didn't answer, but he nodded his head.

After Lan Ruoxi took her drink, she placed it on his table and sat on a chair. "Thank you for letting me sit with you."

## **Chapter 654 - Carrying Out The Plan**

7-8 minutes

---

"Mr. Qigang, did you come here alone?" Lan Ruoxi inquired.

"Miss Mei, you don't need to call me using honorifics. Just call me Qigang." Even though Qigang behaved normally, but deep inside, he was thrilled because a gorgeous lady was accompanying him. "Yes, I came here alone. What about you? Did you come alone too? Or are you waiting for your friend?"

"No. I also came alone." Lan Ruoxi replied. "Today I have free time so I decided to come to this restaurant. I didn't expect to meet you here. I suddenly feel glad that I decided to come here or else, I would not meet you today."

Since Lan Ruoxi had to pretend to like Qigang, she behaved shyly. In her view, it would be better not to use her real personality or else, Qigang would think of her as a bad lady later.

"It seems like Miss Mei is a busy person." The smile on his face grew bigger when he learned that Lan Ruoxi came to the restaurant alone because, with this, no one would disturb them later.

'It looks like I'm really her ideal type. Look at her! she behaves like a girl in love. It seems like I will have an attractive lover soon.'

From Lan Ruoxi's behavior, Qigang was sure that he could make Lan Ruoxi his woman soon. Actually, he wanted to ask her to be his woman immediately but decided against it because it would make him look like an easy young man.

He decided to act like a gentleman and mature young man because it could make Lan Ruoxi like him even more later.

At this moment, Xiao Tian was still looking at them.

'It's time to carry out the next plan.'

With that in mind, Xiao Tian took his smartphone out of his pocket and sent a message to Mizu, telling him to make his move immediately.

Without waiting for another second, Mizu entered the restaurant.

'Oh! They are over there!'

Mizu then walked towards Lan Ruoxi and stopped next to her.

"Wow! I didn't expect to meet an attractive lady here. Beautiful lady, do you mind if I sit next to you?" Mizu said with lustful eyes.

Previously, Xiao Tian ordered him to pretend to be a delinquent. His job was to cause trouble for Qigang so that Lan Ruoxi would have the opportunity to put poison in Qigang's drink. Because Qigang was with Lan Ruoxi, Mizu was sure that Qigang would try to protect her later.

"No. Please leave me alone." Lan Ruoxi pretended to be a weak girl.

At this moment, Qigang was annoyed by Mizu's behavior. His eyes were filled with a flame of fury. He was furious because Mizu disturbed his good time with Lan Ruoxi.

'Damn it! Who is this bastard?'

Qigang was enraged and wanted to beat Mizu immediately.

"But I want to sit here with you." Mizu answered. "Sitting with a gorgeous lady is much better than sitting alone."

In order to annoy Qigang, Mizu tried to grab Lan Ruoxi's hands.

'I'm sure, he will protect her now.'

Those were the words that appeared in Mizu's mind.

And what he had guessed was right because before Mizu could grab Lan Ruoxi's right hand, Qigang stopped him. "Stop it! Didn't you hear what she said earlier?"

"Who are you? Are you her lover?" Mizu wore an annoyed expression and retorted.

'Good!'

Deep inside, Mizu was pleased because he managed to annoy Qigang. What he had to do next was fight Qigang so that Lan Ruoxi would have a chance to do her job.

"Yes, I'm her lover!" Qigang pretended to be Lan Ruoxi's lover. Because he was her ideal type, Qigang was sure that Lan Ruoxi would not take his words into account. "Now leave!"

"PPffft!" a peal of suppressed laughter burst out.

Xiao Tian and Zhao Sheng covered their mouths. They didn't expect that Qigang would say something like that.

'He's acting as if he's a white knight in a shining armor!'

Those were the words that appeared in the mind of Xiao Tian and Zhao Sheng.

"Hmf! Just because you are her lover doesn't mean you can stop me from trying to make her mine!" of course, Mizu would not leave because he still hadn't finished his mission. "Let go of my hands now!"

"Please don't fight." Because Lan Ruoxi pretended to be a weak girl, she wore a terrified expression.

"Miss Mei, you don't need to be afraid. I will take care of everything." After saying that, Qigang returned his attention to Mizu. "This is the last warning. Leave now!"

"What if I don't want to? You want to beat me? Do you think I'm afraid of you?" Mizu made an expression as if he was looking down on Qigang.

Even though Qigang was furious, he still tried his best to hold back his anger because he wanted to make a good impression in front of Lan Ruoxi. "Don't make me repeat my words!"

"You talk too much!" after saying that, Mizu threw out his right fist at Qigang's head.

"Kya..." Lan Ruoxi grabbed her head and pretended to be scared.

Of course, Qigang could block Mizu's attack easily. When he noticed that Lan Ruoxi was terrified, he could no longer hold back his anger, causing him to fight back immediately.

\*Bang!

Due to how strong Qigang's attack was, Mizu was thrown one meter back.

Qigang instantly rose to his feet and walked towards Mizu. "I have told you to leave earlier but you keep trying to bother us. Don't blame me for this."

As Qigang was fighting Mizu, Lan Ruoxi, who noticed that it was the perfect time to make her move, took the poison out of her bag and put it in Qigang's drink.

'Don't blame for this.'

Lan Ruoxi then looked at Mizu, giving him a sign that she had finished her task.

Because Qigang was focused on fighting Mizu, he didn't know that Lan Ruoxi had put poison in his drink.

"Bastard! This is not over!" because Lan Ruoxi had put poison in Qigang's drink, there was no point in continuing to fight Qigang. That was why Mizu decided to leave.

Qigang then returned to his seat and spoke, "Miss Mei, everything is fine now. You don't need to be afraid anymore. He has already left."

'I'm sure she likes me even more now.'

Because he had saved her from a delinquent, Qigang was sure that Lan Ruoxi would like him even more.

"Thank...you, Qigang." Like before, Lan Ruoxi still had a terrified expression. "I don't know what would have happened to me if you didn't protect me earlier."

"You don't need to mind it." Qigang smiled. "You are so beautiful so I'm not surprised by his behavior."

"Thank you." Lan Ruoxi's face turned red. "It makes me happy to be praised by you."

'Now, I only need to make him drink his lemon tea.'

Like Lan Ruoxi, Qigang also ordered lemon tea earlier.

When Qigang saw Lan Ruoxi blushing, he turned his head to the right and blushed too.

'Damn! She is so beautiful!'

At this moment, Qigang wanted to make Lan Ruoxi his woman even more. In his eyes, Lan Ruoxi had become a perfect woman in the world.

'I have to make her mine. I can't let this chance slip away.'

Qigang added in his head.

## **Chapter 655 - Going To Shanghai River With Zhao Sheng And Lan Ruoxi**

7-9 minutes

---

Because Lan Ruoxi still had a terrified expression, Qigang immediately said, "Drink your lemon tea first. It can help calm your mind."

At this moment, Lan Ruoxi realized that it was a perfect opportunity to make him drink his lemon tea too.

After Lan Ruoxi drank her lemon tea, she immediately said, "Why don't you drink your lemon tea too?"

"Sure." Because Lan Ruoxi said so, Qigang immediately drank it.

Because the poison was colorless and tasteless, he had no idea that Lan Ruoxi had mixed his drink with poison.

When Xiao Tian and Zhao Sheng saw Qigang drinking his lemon tea, they were pleased.

'He is drinking it!'

Because their mission had been successful, Xiao Tian and Zhao Sheng walked out of the Hozu Restaurant.

When Xiao Tian was in front of Mizu, he gave Mizu money and spoke, "Go to hospital and treat your wound."

"Thank you, leader." Mizu took the money and went to Heart Hospital.

"Xiao Tian, call her now." Zhao Sheng spoke abruptly.

In his view, Lan Ruoxi no longer needed to talk to Qigang because her mission was already finished.

"All right." Xiao Tian took his smartphone and called Lan Ruoxi.

Lan Ruoxi, who was talking with Qigang, was pleased when Xiao Tian suddenly called her.

'Finally, I don't need to talk with him anymore.'

Actually, Lan Ruoxi hoped that Xiao Tian would call her immediately because talking with Qigang was boring.

Lan Ruoxi then rose from her seat and spoke, "Qigang, my friend is calling me. I will pick up the phone first."

"Sure." Qigang replied as he smiled.

Lan Ruoxi wasted no time and headed to the bathroom. When she was in front of the washroom, she immediately picked up the phone. "Can I leave now?"

"Haha." Xiao Tian laughed after hearing her words. "Lady Lan, it seems like talking with him is boring."

"Very boring." Lan Ruoxi answered instantly. "Luckily, the phone number I gave him just now is not mine."

"Alright, you can go now. We'll be waiting in the parking lot." Xiao Tian also didn't want Lan Ruoxi to continue talking to Qigang because it made him angry.

"Good." after hanging up the phone, Lan Ruoxi returned to her seat.

"Oh! You finished talking to your friend?" It had only been a minute since Lan Ruoxi had gone to the restroom, so Qigang was surprised when Lan Ruoxi returned.

"Yes." Lan Ruoxi grabbed her bag. "Qigang, I have to go now. My friend is sick and want me to send her to the hospital."

"It's fine." A trace of disappointment blossomed on his face. However, it was only for a second. "I hope your friend gets well soon."

Actually, he didn't want Lan Ruoxi to leave because he still desired to spend time with her.

'Well, I can still meet her again later.'

Since they had exchanged phone numbers before, Qigang thought it would be easy for them to meet again. All he had to do was call or message her.

Of course, he didn't know that Lan Ruoxi had intentionally given the wrong phone number. Previously, they only exchanged phone numbers by telling each other their phone numbers, not calling them directly.

"I hope we can meet again soon." without waiting for another second, Lan Ruoxi went to the parking lot.

After Lan Ruoxi left, Qigang looked at his smartphone, or more precisely, he stared at Lan Ruoxi's phone number.

"Finally, it's over." Lan Ruoxi said after she got into the car.

"Thanks for the hard work." from her words and behavior, Xiao Tian knew that Lan Ruoxi felt uncomfortable when she was with Qigang. "Since you two have helped me, I'll buy you a meal. How is it?"

"I'm still full so I can't eat anything now." Lan Ruoxi responded. "How about we go to Shanghai River?"

Instead of answering immediately, Xiao Tian asked Zhao Sheng, "How is it? Shall we go to Shanghai River?"

"Sure." Zhao Sheng agreed without thinking twice. "But I think, you have to make a letter first so that my underlings can immediately send it to the Hakken martial arts school."

"You are right." Xiao Tian agreed with Zhao Sheng's idea.

After Xiao Tian wrote it, he gave the letter to one of Zhao Sheng's underlings. Then, they traveled to the Shanghai River.

-----

"Un, un. The weather is good." Zhao Sheng said as he nodded his head.

Currently, Xiao Tian, Zhao Sheng and Lan Ruoxi were on the Shanghai River. Because it was already 03:15 pm, the atmosphere was good.

The weather was not hot, and they could also feel a gentle breeze hitting their bodies. Coupled with many people on the Shanghai River, it made the atmosphere perfect for them to take a walk.

As usual, because they were good-looking, many people often stole glances at them.

"Look at them! They are good-looking!"

"Yes. You are right."

"Those two young men are so attractive!"

"That lady is also pretty."

"But who is that pretty lady? She is so lucky to be able to spend time with two handsome young men."

"I don't know."

"If only I were that lady."

"Don't tell me, these two young man are her boyfriends."

"She is so lucky to have such attractive young men as her harem."

Several women who saw them began to voice out their jealousy.

At this moment, Lan Ruoxi almost laughed. She didn't expect that they would say something like that. Of course, Xiao Tian and Zhao Sheng also heard it, but they behaved as if they didn't hear anything.

"Now that I remember it, this is the first time the thee of us taking a walk together like this." Since Xiao Tian knew Lan Ruoxi and Zhao Sheng, they always met at the Red Flower bar.

"You are right." Lan Ruoxi replied. "It's the first time we take a walk together like this."

"How about we take a picture together now?" Zhao Sheng inquired.

"Good idea!" After saying that, Xiao Tian turned his head towards Lan Ruoxi, "What do you think?"

"Sure." Lan Ruoxi agreed immediately.

They then chose the good places to take pictures together. They didn't only take one picture, but more than ten photos. They even plan to take more pictures at sunset later.

"Wow, it's good!" Zhao Sheng nodded his head in satisfaction when he saw the pictures of them.

Because all of them were good-looking, and the places were also good, the photos' results were amazing.

"Yes." Xiao Tian agreed. "Lady Lan, you look so beautiful in these photos."

Upon hearing Xiao Tian's words, Lan Ruoxi giggled, "What is this? Are you trying to seduce me now?"

The corner of Xiao Tian's lips twitched after hearing her words. He was only praising her beauty and had no intention of seducing her, but in her eyes, his words looked like he was trying to seduce her.

'Is it because I'm a playboy?'

Xiao Tian asked in his head.

"Damn you, Xiao Tian!" Zhao Sheng said, "Did you forget our rules?"

"What rules? Do we have something like that?" Xiao Tian didn't understand Zhao Sheng's words.

"The rule that states we are not allowed to have a special relationship between us!" Zhao Sheng answered.

"When did we make that rule?" Xiao Tian found it hard to believe what he was hearing. He believed that they had never made such a rule before.

"Just now!" Zhao Sheng answered.

"Huh?" Xiao Tian said.

"Haha." Lan Ruoxi laughed after seeing them.

## Chapter 656 - I Will Sleep With You Tonight

9-11 minutes

---

"Xiao Tian, come to my house tomorrow." Zhao Sheng spoke abruptly.

Currently, Zhao Sheng, Xiao Tian, and Lan Ruoxi were sitting in public seating. They didn't take a picture anymore because they were waiting for the sun to set.

"Why?" Xiao Tian had no idea why Zhao Sheng suddenly wanted him to come to Zhao Sheng's house. "Do you need my help?"

"Let's practice martial arts together." Zhao Sheng answered. "I know you can beat Qigang easily later, but let's practice martial arts together at my house."

"No. Thank you." Xiao Tian refused instantly

"Damn you, Xiao Tian! In order to help you, I asked my grandfather for help and as a result, I have to practice martial arts for the next two weeks with him every day. Seven hours per day." Zhao Sheng told Xiao Tian the reason why he wanted Xiao Tian to practice martial arts with him.

Xiao Tian didn't answer immediately and only stared at Zhao Sheng. He knew that Zhao Sheng had helped him, but he didn't know that his grandfather would force Zhao Sheng to practice martial arts later.

Of course, Xiao Tian knew that Zhao Sheng didn't like practice martial arts. Actually, he also disliked it because, in his view, it was better to spend time with his women than practice martial arts.

However, Xiao Tian knew if he were weak, everyone would bully him later. He was different from Zhao Sheng.

He didn't have an influential family background or people to depend on like Zhao Sheng. That was why Xiao Tian kept training martial arts.

"Young master Xiao, I think you should grant his wish." Lan Ruoxi said abruptly. "He only wants to practice martial arts with you, nothing more. And the reason his grandfather forced him to train martial arts was also because of you."

"Un, un. You should hear her words." Zhao Sheng nodded his head. "Aren't we best friends?"

Xiao Tian sighed before answering. "Fine."

Actually, Xiao Tian wanted to refuse, but after remembering that Zhao Sheng had helped him many times, he changed his mind. They would only practice martial arts, so it was not a bad thing.

"Don't worry. I will ask my grandfather to train us later." his grandfather was the strongest person in his family, so Zhao Sheng thought Xiao Tian would like it later.

However, he was wrong because Xiao Tian didn't care about it. "I don't care!"

After that, they talk about many things again. Like what they had planned before, when the sun was setting, they enjoyed it together, and of course, they also took many pictures again.

At 06:00 pm, they went home.

-----

"I'm home." Xiao Tian said when he stepped into the guest room.

'Haaa. As I thought, house is the best place in the world.'

With a smile on his face, Xiao Tian headed to the family room.

"What are you watching?" Xiao Tian inquired.

There were Shi Fei, Liu Ning, his mother, and his aunt in the family room. All of them were focused on watching TV. That was why Xiao Tian wanted to know what they were watching because they seemed to enjoy it a lot.

When Xiao Tian noticed they were watching a movie for women, he immediately walked out of the family room. "I will take a shower first."

"Where are you going?" Shi Fei knew the reason why Xiao Tian didn't want to watch TV with them.

"Hehe." Ye Xueying, Liu Ning, and Ye Qingyu giggled. Like Shi Fei, they also knew why Xiao Tian immediately headed to his room.

After Xiao Tian took a bath, he laid down on his bed. That night, Xiao Tian didn't spend time with his women because they were focused on watching TV.

-----

Because last night Xiao Tian went to bed early, he already woke up when it was still 05:00 am. Xiao Tian was pleasantly surprised when he saw Liu Ning and Shi Fei sleeping on either side of him.

'Too bad I didn't notice when they walked into my room last night.'

At this moment, Xiao Tian wanted to wake them up but decided against it when he saw them sleeping soundly.

Because Xiao Tian was thirsty, he got out of the bed and headed to the dining room. To his surprise, he saw his beautiful aunt standing in front of the fridge.

Without waiting for another second, Xiao Tian walked towards her and embraced her from behind.

Ye Qingyu instantly widened her eyes. She was surprised when someone suddenly hugged her from behind.

When she knew it was Xiao Tian, her expression turned worried. "Tian, what are you doing? Stop hugging me right now! What if your women see us later?"

"But you are my woman too." Xiao Tian ignored her words and kept embracing her.

Hugging a family member was commonplace, so Xiao Tian didn't show the slightest expression of fear.

However, Ye Qingyu was different. "I mean, Shi Fei and Liu Ning."

"You don't need to worry about them." Xiao Tian replied. "There are sleeping soundly right now."

"Oh! They are sleeping in your room?" a trace of jealousy blossomed on her face.

Since they lived with Shi Fei and Liu Ning, she could no longer sleep in his room every night. Sometimes, it saddened her to the point that she hoped Shi Fei and Liu Ning would leave and not come home for two weeks.

When Xiao Tian noticed it, he stopped the hug and turned her body to face him. "Tonight, I will sleep with you so don't lock the door later."

Ye Qingyu didn't answer, but she nodded her head. One of the things she liked the most about Xiao Tian was that he could understand what she wanted.

Because Xiao Tian wanted to tease her, he brought his face closer towards her right ear and whispered, "Let's sleep naked today. Oh! I also want to sleep with my cock in your vagina later. You don't mind it, right?"

"I want to sleep alone tonight." Ye Qingyu replied instantly. "You can sleep with Liu Ning or Shi Fei again later."

"Haha." Xiao Tian laughed after seeing her expression. "Why? Don't you want to sleep with me?"

"No." of course, Ye Qingyu was lying because she desired to sleep with him.

However, it was dangerous to sleep with him naked. He even wanted to put his cock in her vagina. She was afraid that she would feel aroused and desire to have sex with him later.

Having sex with him in the house was a big no for her because she knew that she would not be able to hold back her moan later. Of course, she didn't mind it if they were alone.

The corner of his lips twitched when Ye Qingyu refused him instantly. "I'm very sad right now. My heart is bleeding. It seems like I'm going to die now."

Ye Qingyu smiled softly when Xiao Tian pretended to be sad, "Let's sleep together tonight, but we won't sleep naked later."

"My lover really understands me very well." After saying that, Xiao Tian cupped her face.

When Ye Qingyu saw his face getting closer towards hers, she slowly closed her eyes. However, before their lips met, the sound of someone talking happily could be heard in their ears.

This made Ye Qingyu instantly open her eyes and push Xiao Tian away. Not only that, she even walked away from him.

"Little brother, you are here?" Shi Fei said when she saw Xiao Tian.

"Oh! You are already awake?" at this moment, Xiao Tian was a little disappointed because he could not kiss Ye Qingyu. "Come here and let me give you a good morning kiss."

Because he could not kiss Ye Qingyu, Xiao Tian decided to kiss Shi Fei and Liu Ning. As usual, Shi Fei instantly welcomed the kiss.

She didn't care whether Ye Qingyu was near them or not because Ye Qingyu knew that Xiao Tian was her lover.

However, Liu Ning was different. She immediately stopped him when Xiao Tian was about to kiss her.

"Ning'er, why?" Xiao Tian wore a sad expression.

Actually, Xiao Tian knew the reason why Liu Ning stopped him from kissing her. However, he pretended as if he knew nothing.

Liu Ning didn't answer, but she gave him a sign not to kiss her in front of his aunt.

'Not now, Tian'er.'

Liu Ning replied in her head.

Of course, Xiao Tian still kissed her, causing Liu Ning to widen her eyes.

At this moment, Ye Qingyu stole glances. Even though she behaved normally, but deep inside, she was jealous.

Previously, they were also about to have a good morning kiss, but Shi Fei and Liu Ning suddenly walked into the dining room.

Not long after that, Ye Xueyin entered the dining room. She was surprised when she saw Xiao Tian because usually, he was still sleeping.

As Ye Qingyu and the others were cooking breakfast, Xiao Tian headed to his room to take a shower. After breakfast, Xiao Tian dragged Ye Qingyu to his room secretly.

In his room, they had a wet kiss for more than five minutes. Maybe because Ye Qingyu was jealous when Xiao Tian kissed Liu Ning and Shi Fei in front of her before, she kissed him aggressively as if it would be their last French kiss.

After that, Xiao Tian went to Star Clothes company to work. As he was working, his smartphone suddenly rang.

When he knew it was Zhao Sheng, he immediately picked up the phone, "Hello?"

"When will you come to my house?" Zhao Sheng went straight to the point.

"I will come at 03:00 pm." Xiao Tian answered.

"Oh! You are on your way to my house? Good! I will be waiting then." After saying that, Zhao Sheng hung up the phone.

The corner of Xiao Tian's lips twitched when Zhao Sheng suddenly hung up the phone.

**Chapter 657 - Before Going To Zhao Sheng's House**

8-11 minutes

---

Because Xiao Tian had promised to come to Zhao Sheng's house, he had no choice but to keep his words.

However, after he got into his car and was about to travel to Zhao Sheng's house, he suddenly remembered Lan Ruoxi.

'Because she told me to grant Zhao Sheng's wish, I will drag her with me now.'

With that in mind, Xiao Tian traveled to Red Flower bar. As usual, when Xiao Tian entered the bar, one of Lan Ruoxi's underlings escorted him to a private room.

Not long after that, Lan Ruoxi entered the private room. "Young master Xiao, what brings you to my place so early in the morning?"

"Let's go to Zhao Sheng's house." Xiao Tian went straight to the point.

"And why should I go to his house?" Lan Ruoxi had no idea as to why Xiao Tian wanted her to go to Zhao Sheng's house. "I don't have business there."

"What do you mean by that?" Xiao Tian answered. "Didn't you tell me to grant his wish yesterday? You should take responsibility and go to his house with me."

"Hehe." Lan Ruoxi finally understood the reason why Xiao Tian wanted her to go to Zhao Sheng's house. "I'm busy right now so I can't accompany you. Have a nice trip, young master Xiao. Be careful with Zhao Xun because I think he still dislikes you. Hehe."

Actually, Lan Ruoxi was lying when she said that she was busy. Even though she didn't mind going to Zhao Sheng's house with him, but in her view, it was better to stay at her bar.

Xiao Tian rose to his feet and grabbed her right hand. Of course, Xiao Tian knew that Lan Ruoxi was lying to him. That was why he wanted to bring her with him.

"Young master Xiao, what are you doing? You should not treat a lady like this, you know?" even though Lan Ruoxi said something like that, she didn't try to free herself from his grasp.

Upon hearing her words, Xiao Tian stopped his footsteps and cornered her against the wall.

"Lady Lan, you are lying to me, right?" even though Lan Ruoxi was stronger than him, Xiao Tian didn't care and behaved as if she was at his mercy.

Like before, Lan Ruoxi did nothing when Xiao Tian cornered her against the wall. "Oh! You can tell that I was lying to you? As expected of young master Xiao, your instincts are amazing."

"God loves me so much so God gave me good instincts and luck. I thought you already knew about this." At this moment, Xiao Tian really thought that God did love him.

Ever since he took over Xiao Tian's body, he always felt uneasy every time something bad would happen to him or his loved ones. It was as if God gave him the warning to protect himself and the people he loved immediately.

"Is that so?" of course, Lan Ruoxi thought that Xiao Tian was saying nonsense because she didn't know that the person in front of her was not Xiao Tian, but Huang Chen.

Xiao Tian grabbed Lan Ruoxi's chin and raised her head slightly. "Doesn't this situation make you remember something?"

"Yes. This makes me remember the pervert young man named Xue Yang who I met in Beijing a few months ago." Lan Ruoxi understood Xiao Tian's words.

"You mean an attractive young man who is excellent in everything, right?" Xiao Tian denied shamelessly.

When he went to Beijing with her, Xiao Tian used Xue Yang as his fake name, so he knew that Lan Ruoxi was talking about him.

"Yes. He is excellent in everything." Lan Ruoxi replied. "He was even excellent in embarrassing himself like showing me his naked body, behaving like a pervert in front of my friends, and doing many other embarrassing things. Oh, right! If my memory isn't playing tricks on me, he also got labeled as a pervert by my friends. Hehe."

Xiao Tian was at a loss for words.

'Damn! I underestimate her too much.'

Previously, Xiao Tian thought he could tease her easily, but he was wrong.

Not only did he fail to tease her, she even could talk back. Of course, Xiao Tian would not admit defeat easily. "If my memory serves me right, there was a gorgeous lady who got labeled as a pervert too. What was her name again? Lan....Lan...Lan something."

"Lan Ming?" Lan Ruoxi knew that Xiao Tian was talking about her, but she pretended as if she didn't know anything.

"Wait! I suddenly remember it." Xiao Tian spoke and paused for a second before he continued, "I think her name is Lan Ruoxi. An attractive mature lady who is also a martial arts expert."

"Lan Ruoxi?" Lan Ruoxi said, "Who is she? From which family? There are many people named Lan Ruoxi all over China."

"Lan Ruoxi from Shanghai. She has a beautiful face, sexy body, and is the owner of the most famous bar in Shanghai. Oh right! She also has a friend who is good-looking, humble, humorous, and kind. What was his name again? Ah right, Xiao Tian! his name is Xiao Tian." of course, Xiao Tian didn't forget to praise himself.

"Hehe." Lan Ruoxi giggled after hearing his words. "You are really overconfident."

"Because men have to have confidence in themselves. Otherwise, they won't be able to achieve anything in their life." Xiao Tian made excuses.

"Are you not afraid that I will beat you up right now?" even though she said something like that, Lan Ruoxi would not do that. She also believed that Xiao Tian would not cross the line.

"No!" Xiao Tian answered instantly. "I know you are much stronger than me, but I'm not afraid of you because it will hurt my pride as a man."

Xiao Tian believed that Lan Ruoxi was at least a high-level master martial artist. However, he didn't care about it.

Ever since he knew her, Lan Ruoxi had never done anything bad to him. She even did nothing when he kissed her passionately in the past.

"Hurt your pride as a man, huh? If what you said is true, then I dare you to do something to me right now, but..." Lan Ruoxi spoke and paused for a second before she continued, "You will have to accept the consequences later. Hehe. Maybe, you will come to young master Zhao's house with face full of bruises later. How is it? Do you dare?"

Lan Ruoxi pretended to threaten Xiao Tian. She wanted to know whether Xiao Tian would still dare to do something to her or not after hearing her words.

Lan Ruoxi believed Xiao Tian knew that she was much stronger than the current him, so she wanted to test his courage.

Xiao Tian, as a man, could not accept it. When he saw the expression on her face, he decided to do something to her.

'I don't care what will happen to me later.'

With that in mind, Xiao Tian brought his face closer to hers. In less than two seconds, their lips met.

At this moment, Xiao Tian only pressed his lips against hers. His black eyes were locked on hers, and his arms moved to her waist.

They kissed for about six seconds before finally, Xiao Tian stopped it. "How is it? Are you still doubting my courage?"

"Yes." Lan Ruoxi replied. "You only have a little courage."

Her words seemed like a challenge to him. Xiao Tian could not accept it. Previously, he only wanted to teach her a lesson by kissing her lips.

But because she said something like that, Xiao Tian decided to teach her a lesson again. Without waiting for another second, Xiao Tian pulled her towards him and kissed her lips again.

Unlike before, where he only pressed his lips against hers, this time, Xiao Tian did more than that. As soon as their lips met, Xiao Tian tried to put his tongue in her little mouth.

Of course, Lan Ruoxi didn't open her mouth. She would not let him kiss her passionately so easily.

However, Xiao Tian was experienced in this field. Even though Lan Ruoxi didn't open her mouth, he had many methods to put his tongue in her mouth.

One of the methods was to bit her lower lip. Like what Xiao Tian had guessed, when Xiao Tian bit her lower lip, she instantly opened her mouth.

When he noticed that the opportunity had arisen, Xiao Tian wasted no time and put his tongue into her mouth.

He started using his excellent skills to make her feel aroused. He explored every inch of her small mouth with his tongue.

Due to how skilled he was in a passionate kiss, Lan Ruoxi started to lose herself in lust. And as a result, she began intertwining her pink tongue with his.

Seconds turned into minutes, and without realizing it, it had been more than two minutes since they started kissing passionately.

Even though they stopped three times, but their lips never parted from each other. It was as if there was glue on their lips.

Currently, they stopped kissing, but their lips were still pressing against each other.

However, Lan Ruoxi suddenly pushed him away and spoke, "As expected of a playboy, you are indeed skilled in a passionate kiss."

"It feels good, right? Do you want to do it again?" Xiao Tian inquired.

'Of course. It's because I'm skilled at everything. I'm even amazing in bed.'

Xiao Tian added in his head.

"No. Let's go to young master Zhao's house now." Lan Ruoxi didn't wait for his answer and immediately walked out of the private room.

## **Chapter 658 - Going To Zhao Sheng's House**

6-7 minutes

---

'Hehe. As I thought, she didn't beat me up.'

Xiao Tian immediately ran after her, and when he was next to her, he immediately said, "Lady Lan, why are you running away? Didn't you say having a passionate kiss with me felt good? Let's do it again."

Lan Ruoxi instantly stopped her footsteps and turned her head towards him. Previously, Xiao Tian cornered her against the wall, but now it was her turn to do that.

"Oh! Are you going to do what I did to you before?" Xiao Tian didn't try to run away when he was being cornered against the wall by Lan Ruoxi.

"Youngster nowadays really can't control their lust, huh?" Lan Ruoxi touched Xiao Tian's neck using her right index finger for a second before making her way up to his chin. "You even want to kiss an old lady like me passionately."

"Old lady?" Xiao Tian said, "But you are still young and beautiful. I'm sure all men in this world will agree with me on this."

Even though Lan Ruoxi was already in her thirties, her beauty was not inferior to women in their twenties.

Her skin was still glowing, and she looked like a woman in her twenties. Due to how beautiful and sexy she was, Xiao Tian was sure that many men would prefer her to women in their twenties.

Her pretty long legs and sexy body really made any man want to bed her. Xiao Tian believed if she didn't have the support from some upper-class families or was not a martial arts expert, her beauty could become her downfall.

"Are you saying this because you want to bed me?" even though Lan Ruoxi said something like that, but deep inside, she was thrilled.

Being called beautiful and young by an attractive man despite already thirty-two years old really made Lan Ruoxi pleased.

Instead of answering, Xiao Tian inquired, "What do you think?"

"Because you are a pervert young man, I believe it's because you want to bed me." Even though they were not lovers, but Lan Ruoxi knew that Xiao Tian was a pervert.

"Lady Lan, you know how attractive you are, so you should already know the answer." Xiao Tian didn't deny her words.

"Hehe. It seems like your mind is full of dirty things. I don't mind having sex with you, but..." Lan Ruoxi brought her face closer to his left ear. "you have to beat me in a fight first."

The corner of his lips twitched after hearing her words. Lan Ruoxi was much stronger than the current him, so it was impossible for him to defeat her.

"Let's go to young master Zhao's house." Lan Ruoxi didn't wait for his answer and continued walking.

When Xiao Tian was next to her, he immediately spoke, "I wonder, does Zhao Sheng still have Xushi poison in his house? Maybe I should ask him later."

"You want to beat me using a dirty method, huh?" Lan Ruoxi knew that Xiao Tian was only joking around. "Why don't you just put an aphrodisiac in my drink? Isn't this an easier way to fuck me?"

"Brilliant idea!" Xiao Tian answered instantly. "I will ask Zhao Sheng about it later."

"Hehe." Lan Ruoxi giggled. "It seems like you really want to bed me."

----

After driving for several minutes, Xiao Tian and Lan Ruoxi finally arrived at Zhao Sheng's house. Just like when they visited Zhao Sheng's house last time, all the disciples and instructors stole glances when Xiao Tian and Lan Ruoxi stepped into the front yard.

'What are they doing here? Does he want to challenge us again? Do they want to meet young master Zhao?'

Countless questions appeared in their minds. They wanted to know the reason why Xiao Tian and Lan Ruoxi came to the Zhao family's house.

"Xiao Tian, big sister Ruoxi.." Zhao Sheng shouted while waving his right hand.

Previously, Xiao Tian informed him when they were near his house. That was why he immediately headed to the front yard.

"My grandfather is waiting in the backyard." Zhao Sheng didn't want to train martial art in the front yard because he didn't want anyone to disturb them later. "Let's go."

When they were in the backyard, Xiao Tian saw Zhao Xun standing next to Zhao Chen.

'Damn! This bastard lied to me!'

Xiao Tian was unhappy when he saw Zhao Xun because he disliked Zhao Xun.

"Oh! You came with Lan Ruoxi?" Zhao Chen was a little surprised when he saw Lan Ruoxi because previously, Zhao Sheng didn't tell him about it.

"Greeting elder Zhao Chen, Greeting master Zhao Xun." Lan Ruoxi greeted them politely.

"I didn't know you would come with Xiao Tian." Zhao Chen said.

"Well, it's because young master Xiao dragged me with him." Lan Ruoxi gave an honest answer.

"Father, what are you doing here?" Zhao Sheng inquired.

Zhao Sheng knew that his father and Xiao Tian disliked each other, so he was afraid that his father's existence would make Xiao Tian uncomfortable.

"Why are you looking at me like that? This is also my home, so I can be anywhere I want." Previously, Zhao Xun overheard a conversation between Xiao Tian and Zhao Sheng on the phone.

When he learned that Xiao Tian would practice martial arts with his son in the backyard, he immediately canceled all his schedules because he wanted to see them practice martial arts together.

"Sorry, Xiao Tian." Zhao Sheng knew that he couldn't kick his father out of the backyard, so he apologized to Xiao Tian.

"It's fine." Xiao Tian understood Zhao Sheng's feelings.

"Why are you apologizing to him?" Zhao Xun had no idea as to why Zhao Sheng suddenly apologized to Xiao Tian.

"Because I know you will cause trouble for Xiao Tian later." Zhao Sheng replied instantly.

Zhao Xun was unhappy when his son accused him of having such bad intentions. "Brat, what do yo-"  
However, before he could finish his words, he was interrupted by Zhao Chen. "Both of you, stop it!"  
Zhao Sheng and Zhao Xun immediately shut their mouths.

Xiao Tian, who saw it, immediately praised Zhao Chen.

'As expected of elder Zhao, he is sure amazing!'

Xiao Tian said in his head.

## **Chapter 659 - Testing His Level**

7-9 minutes

---

"Xiao Tian, how skilled are you in martial arts?" Zhao Chen inquired. "I mean what is your current level?"

"I think, I'm at the low-level master stage, but I'm not sure." Xiao Tian had never tested his level, so he was not sure about his current rank. However, he was sure that he was at least at the low-level master stage.

"Have you never tested your level before?" because Xiao Tian was not sure about his level, Zhao Chen suspected that Xiao Tian never tested his strength before.

"No." Xiao Tian gave an honest answer.

"Do you want to test your level now?" Zhao Chen inquired.

Instead of answering, Xiao Tian asked, "Does the Zhao family have the tools to test someone's level?"

"Yes." Zhao Chen gave an honest answer. "If you want, we can test your level now."

"Sure." Xiao Tian replied.

"Follow me." Zhao Chen said.

Then they headed to the building which was located in the eastern part of the Zhao family's home. The building was quite large and had three floors.

From the outside, the building looked like it was built of wood, but from the inside, it could be seen that the building was built using cement.

Not only that, but all rooms were also filled with modern furniture. There was even an elevator in the building.

Since the test room was on the second floor, they went straight to the elevator.

'Oh! Are they going to test their level too?'

After they reached the second floor, Xiao Tian saw about twenty disciples. Because they were on the test floor, he thought they were going to test their level like him.

"Greeting Shifu. Greeting master Zhao. Greeting young master Zhao." all disciples said in unison.

"Oh! Do you want to test your level too?" Zhao Chen inquired.

"Yes, Shifu." All the disciples answered in unison.

Zhao Chen was pleased after hearing their words because, with this, the Zhao family would become stronger again. "I want to test Xiao Tian's level, so I will be cutting the line now. You don't mind it, do you?"

"No, Shifu." Once again, they answered in unison.

They suddenly wanted Xiao Tian to test his level immediately because they were curious about his strength.

'Is he already at the master stage?'

Those were the words that appeared in their minds. Because Xiao Tian had defeated Dandan, they were sure that Xiao Tian was at least already at the high-level disciple stage. Some of them even suspected that Xiao Tian was already at the master stage.

Then they entered the huge glass room. Inside the room, various kinds of tools were neatly arranged. In the middle of the room, there was a standing punching bag with a 25 inches monitor above it.

"In order to know your level, we need to test your strength, speed, and reflexes. This standing punching bag has sensors inside it. It can measure the strength of your attack accurately. After you hit this punching bag, your attack power score will be displayed on the monitor." Zhao Chen spoke as he pointed his right index finger at the monitor which was hanging on the ceiling.

Zhao Chen then continued explaining, "As you know, martial artists at the disciple stage, their scores are between 60-100 while those at the master stage have the scores of 110-200. As for the grandmaster stage, their scores are between 210-350 or maybe even more."

Actually, Xiao Tian knew about it a few days ago when Mu Huo explained it to him. Mu Huo said to him that the score was from 1 - 500. Mu Huo told him that martial artists at the low-level disciple stage had scores between 60-70, while those at the mid-level disciple stage had scores of 75-85. As for the high-level disciple stage, their scores were 90-100.

For martial artists at the master stage. Martial artists at the low-level master stage had scores between 110-130 and those at the mid-level had scores of 135-160. As for the high-level master stage, their scores were between 170-200.

'If my memory serves me right, elder Zhao is at high-level grandmaster stage, so his score should be around 300-350.'

On his way to Zhao Sheng's house, Lan Ruoxi told Xiao Tian that Zhao Chen was a martial artist at a high-level grandmaster stage.

Xiao Tian remembered that a low-level grandmaster stage had scores between 210-250 and the scores of a mid-level grandmaster stage were between 255-295.

"You can test your strength now." Zhao Chen spoke and paused for a second before he continued, "You can choose whether you want to kick it or punch it. Just hit this punching bag as hard as you can."

"All right." After saying that, Xiao Tian stood in front of the standing punching bag.

Because Xiao Tian wanted to test his strength, Zhao Chen and the others instantly made space for him.

"What do you think his score will be?"

"I think his score will be around between 90-100."

"I think so too."

"But didn't he defeat Dandan last month? Dandan is a martial artist at the high-level disciple stage so I think Xiao Tian is at a low-level master stage."

"Did you forget that he was using a wooden sword at that time?"

"Ah, you are right."

One by one the disciples voiced out their curiosity. They even began to guess his score. Some of them thought Xiao Tian's score would be around 90-100. But some of them also thought that his strength was between 110-130.

At this moment, Zhao Xun and Zhao Chen were paying attention to Xiao Tian carefully. Like their disciples, they were also curious about Xiao Tian's strength.

Even though Moon Sword Martial Arts focused on speed and reflex, but their strength wasn't bad either.

I think his score will be around 90-110. Zhao Xun thought to himself.

He knew that Moon Sword Martial Arts was focused on speed and reflex, so Zhao Xun was sure that Xiao Tian's strength was not high.

"Young master Zhao, what is your score?" Lan Ruoxi inquired.

"My score is 131." Zhao Sheng gave an honest answer.

Zhao Chen turned his head towards his grandson and spoke, "Brat, if you practice martial arts seriously, your current strength won't be that low."

"Shut up, old man!" Zhao Sheng answered instantly.

"Hehe." Lan Ruoxi giggled after hearing Zhao Sheng's words.

"You can start now, Xiao Tian." Zhao Chen spoke.

After nodding his head, Xiao Tian began to focus. At this moment, a memory of his master from his past life suddenly appeared.

"Chen, if you want to beat your opponent with one hit, you need to gather your energy on a single point." His master said, "Put all your energy in your arms if you want to punch your opponent. The same goes if you want to kick your opponent. Breath, posture, speed, and concentration are important in this. Don't ever forget about this."

Xiao Tian shut his eyes and took a deep breath before exhaling it slowly. He repeated the same process three times before finally gathering his energy in his right leg.

Because his kick was stronger than his punch, Xiao Tian decided to kick the standing punching bag.

At this moment, everyone was focused on Xiao Tian. None of them talked or moved. The noisy room instantly became quiet as if no one was in the room.

As soon as Xiao Tian opened his eyes, he instantly raised his right leg and threw a high kick at the punching bag.

\*Bang!

The sound of him kicking the punching bag echoed in the room.

## **Chapter 660 - Result**

9-11 minutes

---

Everyone instantly raised their heads to look at the monitor above the standing punching bag. Two seconds later, the result appeared on the monitor.

"135??"

"What? His score is 135?!"

"I thought he was a high-level disciple, but I was wrong."

"I think so too."

"His strength is even stronger than a low-level master stage."

"Previously, I believed that his score would be 130 at most."

"No wonder he could defeat Dandan last month."

"Yes. His strength is in the category of a mid-level master."

All the disciples were shocked after seeing Xiao Tian's score on the board. They knew that Xiao Tian was strong, but they didn't expect him to be that strong.

Not only the disciples, Zhao Chen and Zhao Xun were also startled. Previously, they believed that Xiao Tian's score would be in the category of a low-level master stage.

Xiao Tian, who saw his score, was pleasantly surprised. He also didn't expect that his score would be that high.

"Damn it! His strength is stronger than me." Even though Zhao Sheng was cursing in his heart, but he was happy for Xiao Tian. "It seems like I have to practice more from now on."

He didn't feel envy or something like that because they were best friends. He was also sure that he could increase his strength in the near future.

Even though Zhao Sheng said in a low voice, but Zhao Chen and Zhao Xun could hear it.

'It seems like testing Xiao Tian's level is a good idea.'

Zhao Chen and Zhao Xun were delighted when they saw an expression of determination slowly filling Zhao Sheng's eyes.

"Brat, his score is higher than you." Zhao Chen spoke abruptly.

"Shut up, old man!" Zhao Sheng pretended to be annoyed.

"Hehe." Lan Ruoxi giggled.

Zhao Chen then walked over to Xiao Tian and stood on his right side. "Now, let's test your speed."

"All right." Xiao Tian answered as he nodded his head.

On their right side, there was a machine for testing the speed of martial artists. The device was like a treadmill with 21 inches monitor above it.

Zhao Chen then spoke, "To test your speed, you need to run for 100 meters on this machine."

He then explained the speed of martial artists based on their level. For martial artists at the low-level disciple stage, their speed was between 16 - 15,1 seconds to reach 100 meters. The mid-level disciple stage had a speed of 15 - 14,1 seconds to reach 100 meters. As for those at the high-level disciple stage, their speed was between 14 - 13 seconds to reach 100 meters.

For martial artists at the low-level master stage, their speed was between 12,5 – 12,1 seconds to reach 100 meters. The mid-level master stage had a speed of 12 – 11,6 seconds to reach 100 meters. As for those at the high-level master stage, their speed was between 11,5 – 11,1 seconds to reach 100 meters.

For martial artists at the low-level grandmaster stage, their speed was between 11 - 10,6 seconds to reach 100 meters. The mid-level grandmaster stage had a speed of 10,5 – 10 seconds to reach 100 meters. As for those at the grandmaster stage, it took them less than 10 seconds to reach 100 meters.

Because Xiao Tian was from Moon Sword Martial Arts, Zhao Chen suspected that his speed was in the category of a mid-level master stage.

And what he had guessed was right because it only took Xiao Tian 11,7 seconds to run 100 meters. This caused all the disciples to be shocked again.

This time, Zhao Xun was not surprised because, based on his previous results and remembering that Xiao Tian was from the Moon Sword Martial Arts, he had guessed that Xiao Tian's speed was in the category of a mid-level master.

At this moment, Zhao Chen and Zhao Xun thought Xiao Tian was already a mid-level master stage. However, they were wrong because when Xiao Tian tested his reflex, his score was in the low-level master stage category.

On the third test, Xiao Tian walked into a large circular room where he had to dodge dozens of arrows at high speed. Of course, the tip of the arrow had been replaced with foam wrapped in cloth.

Even though his strength and speed were in the category of the mid-level master stage, but because his reflex was in the low-level master stage, Xiao Tian was still a martial artist at the low-level master stage.

If he wanted to raise his level to mid-level, he had to make his reflex in the category of a mid-level master stage.

After they tested Xiao Tian's level, they returned to the backyard. Currently, Xiao Tian, Zhao Chen, Zhao Sheng, Zhao Xun, and Lan Ruoxi were standing under a big tree.

There were two big trees in the vast backyard, and they were standing under one of them.

"Zhao Sheng, what is your level?" Xiao Tian inquired.

"We are on the same level." Zhao Sheng gave an honest answer.

"I see." Xiao Tian nodded his head.

Zhao Chen looked at Xiao Tian and spoke, "Because you have tested your strength, now it's time to practice martial arts."

"Finally, it's practice time." Zhao Sheng said happily. "I've been waiting for this."

Zhao Xun and Zhao Chen, who heard Zhao Sheng's words, were surprised. It was the first time Zhao Sheng looked so happy before practicing martial arts.

Usually, he always complained or made excuses before practicing martial arts. However, today was different. Zhao Sheng looked like a young man who loved martial arts very much.

'Maybe I should ask Xiao Tian to practice martial art with Zhao Sheng often later.'

These were the words that appeared in Zhao Chen's mind.

Zhao Chen then looked at Lan Ruoxi and asked, "Do you want to practice martial arts too?"

"No. I only want to them." Lan Ruoxi refused instantly.

"All right." Zhao Chen then returned his attention to Xiao Tian and Zhao Sheng. "Let's warm-up first."

After warming up, Xiao Tian thought Zhao Chen would train them, but he was wrong because Zhao Chen told them to spar.

"Use this." Zhao Chen gave a wooden sword to Xiao Tian before throwing forearm guard at Zhao Sheng.

"Grandfather, I'm your family. Why are you treating Xiao Tian better than me?" even though Zhao Sheng looked angry, but the truth was he was not mad at all.

"What? Do you have a problem with that?" Zhao Chen inquired.

Zhao Sheng pointed his right index finger at his grandfather and spoke, "You are lucky that you are old. Otherwise, I would have beat you to death by now."

"Oh? Why don't you do that now?" Zhao Chen challenged Zhao Sheng to fight him.

At this moment, Xiao Tian unconsciously made a sad expression.

'If only father is with me now.'

In his past life, he was very close to his father. Even though his mother passed away when he was still in junior high school, but he was never sad because his father was always with him.

When Zhao Sheng and the others saw Xiao Tian's expression, they misunderstood it. They thought Xiao Tian was sad because he had never met his father since he was a child.

All of them knew about his family background and what had happened to him when he was a child. For this reason, Zhao Sheng tapped Xiao Tian's shoulders and smiled, "Xiao Tian, let's spar now. But don't blame me if I beat you later. Hehe."

"The same goes for you." Xiao Tian was touched by Zhao Sheng's actions. Of course, Xiao Tian knew the reason why Zhao Sheng said something like that.

After that, they prepared to spar.

"Xiao Tian, you can attack me first." Zhao Sheng said.

"I hope you won't regret it later." after saying that, Xiao Tian dashed towards Zhao Sheng and began to attack Zhao Sheng.

Cut, hung, point, thrust, and slash. Xiao Tian attacked Zhao Sheng non-stop. Even though Xiao Tian's attacks were fast, but Zhao Sheng could block or avoid all of them.

'His attacks are fast and strong. If I didn't wear forearm guard, my arms would have been injured by now.'

Even though Zhao Sheng was only blocking or avoiding Xiao Tian's attacks, but he was also looking for an opportunity to counterattack. When the opportunity had arisen, Zhao Sheng instantly threw a high kick.

However, Xiao Tian was able to avoid it by taking one step back. Because Xiao Tian didn't want to give Zhao Sheng another chance to attack him, he dashed towards Zhao Sheng and slashed his wooden sword diagonally.

Even though Xiao Tian kept attacking Zhao Sheng, but Zhao Sheng was still able to counterattack.

"It seems like that brat finally finds an opponent that is as strong as him." Zhao Chen said as he touched his chin.

Previously, he thought Zhao Sheng would have the upper hand in the fight, but he was wrong. He didn't expect Xiao Tian to be as strong as his grandson.

Like Zhao Chen, Zhao Xun was also surprised when Xiao Tian could fight his son equally.

I didn't expect him to be that strong. It seems like this Xiao Tian is as talented as my son in martial arts. Zhao Xun thought to himself.

Seconds turned into minutes, and without realizing it, ten minutes had passed since Xiao Tian and Zhao Sheng fought.

However, the winner was still undetermined. Even none of them managed to land an attack. Whenever Xiao Tian attacked, Zhao Sheng could always avoid or block it. The same thing happened when Zhao Sheng attacked Xiao Tian.

At this moment, Xiao Tian realized that defeating Zhao Sheng was very hard.

'What should I do at a time like this?'

After thinking for several seconds, Xiao Tian finally found a way to beat Zhao Sheng.

'I'm sure I can defeat him using this method.'

Xiao Tian's lips curled into a grin.
