

## Illicit 661

### Chapter 661 - Sorry, My Kick Is Too Strong

'Oh! It seems like he has a wicked idea.'

Because Lan Ruoxi paid attention to Xiao Tian carefully, she noticed his grin.

'I wonder what his idea is?'

Lan Ruoxi believed that Xiao Tian had found a way to defeat Zhao Sheng. However, she still didn't know what his idea was.

"It has been ten minutes and we still don't know who the winner will be." Zhao Chen was shocked when neither Xiao Tian nor Zhao Sheng could land an attack. It was as if the two of them could read each other's attacks.

At this moment, Zhao Sheng threw out a high kick, aiming his kick at the left side of Xiao Tian's head. Because Xiao Tian was late in avoiding Zhao Sheng's kick, he decided to block it using his wooden sword.

\*Crack...

Because of how strong Zhao Sheng's kick was, the wooden sword was broken. Luckily, Xiao Tian still managed to block Zhao Sheng's kick with his left arm.

"Ops! Sorry, my kick is too strong. Hahaha." Zhao Sheng laughed loudly when he could break the wooden sword with his kick.

"No worries." Because the wooden sword was broken near the handle, Xiao Tian threw it away. "Let's continue the fight."

"Sure." After saying that, Zhao Sheng dashed towards Xiao Tian and threw out his right fist at Xiao Tian's head.

Instead of avoiding the attack, Xiao Tian deflected Zhao Sheng's fist to the right side using his left hand. Without waiting for another second, Xiao Tian took one step forward and attacked Zhao Sheng's mid-torso using his right knee.

However, Zhao Sheng was able to block it using both of his hands. Xiao Tian and Zhao Sheng then started attacking each other at close range.

Every time Xiao Tian attacked, Zhao Sheng could block or avoid it. The same thing happened when Zhao Sheng attacked Xiao Tian.

Both of them tried their best to land an attack but always failed. They kept attacking each other until finally, both of them managed to land an attack at the same time.

\*Fall.

Both Xiao Tian and Zhao Sheng were sent flying two meters back when they managed to kick each other's mid-torso.

"Ho, interesting!" Zhao Chen said abruptly.

"Both of them managed to land an attack at the same time." Lan Ruoxi didn't expect that Xiao Tian and Zhao Sheng would manage to land an attack at the same time.

'I will use it now.'

Xiao Tian immediately rose to his feet, but he didn't attack Zhao Sheng immediately and stood still in his place.

Zhao Sheng was different. After standing up, he dashed towards Xiao Tian and raised his right arm, intending to throw his fist at Xiao Tian's head.

However, before Zhao Sheng's fist landed on his head, Xiao Tian spoke, "Wow! I didn't know Shinmei martial arts school has a beautiful disciple. She is so pretty. What a beauty!"

Upon hearing Xiao Tian's words, Zhao Sheng stopped his attack and looked at the direction Xiao Tian was looking at. "Beauty? Where? Why didn't I know that?"

Xiao Tian's lips curled into a grin before kicking Zhao Sheng's chin.

"Auuakk." Zhao Sheng was thrown into mid-air.

Before Zhao Sheng fell to the ground, Xiao Tian kicked Zhao Sheng's mid-torso, causing Zhao Sheng to be thrown four meters.

"Aish.... This grandson of mine...." Zhao Chen shook his head.

He knew that his grandson was a playboy, but he didn't expect that Zhao Sheng would still lose his concentration in the middle of the fight after hearing someone say there was a beautiful woman near Zhao Sheng.

"Hehehe." Lan Ruoxi covered her mouth with her right hand and giggled.

'So, this is his idea.'

She finally knew Xiao Tian's idea to defeat Zhao Sheng.

As for Zhao Xun, he only looked at Zhao Sheng without saying anything.

'This useless son! How could he lose his concentration in the middle of a fight?'

Zhao Xun was disappointed in his son.

Zhao Sheng instantly rose to his feet and pointed his right index finger at Xiao Tian. "Fuck you, Xiao Tian! you used a dirty method to attack me! Fight me fairly, cheater!"

"What's wrong with that? I don't see anything wrong with using a dirty method. In street fights, you can use anything to help you win the fight, including using dirty methods." Xiao Tian knew that he was using a dirty way earlier, but in his view, he was not wrong.

In street fights, the most important thing was how to beat your opponent. Even if they had to use dirty means, guns, or hostages, as long as it helped to win the fight, they would do that because there was no referee in street fights.

Zhao Sheng was unhappy with Xiao Tian's answer because previously, he thought they would fight fairly. "Damn you, Xiao Tian!"

Xiao Tian then turned his head towards Zhao Chen and asked, "Elder Zhao, do you agree with my words?"

"Brat, what he said is right. In street fights, you can use anything to defeat your opponents. You even can use a gun too." Even though Zhao Sheng was his grandson, Zhao Chen didn't defend his grandson because he agreed with Xiao Tian's words.

Zhao Sheng then sat under a big tree and said, "I want to take a break first. I'm annoyed now. I thought we agreed to fight fairly earlier. If I knew you would use a dirty method, I would have done it too earlier."

Xiao Tian walked towards Zhao Sheng before sitting on his right side, "Don't be angry like that. How about we go for a walk later?"

"Good! Let's go to Shanghai River after practicing martial arts." Zhao Sheng instantly forgot what Xiao Tian did to him after hearing Xiao Tian's words.

"Sure." Xiao Tian said as he laughed.

They took a break for thirty minutes before Xiao Tian, and Zhao Sheng practiced martial arts again. This time, Zhao Chen didn't tell them to spar, but he taught them how to make their attacks stronger.

After practicing martial arts, Xiao Tian, Zhao Sheng, and Lan Ruoxi went to Shanghai River. As usual, because of how attractive they were, everyone stole glances when they saw them.

They spent time at Shanghai River until 05:00 pm before finally, they left. After sending Lan Ruoxi home, Xiao Tian traveled to the Heart Hospital to visit Ren Aoxu. They talked for about thirty minutes before finally, Xiao Tian went home.

"I'm home." Xiao Tian said when he was in the guest room.

This time, he didn't go to the family room immediately; instead, he headed to the bathroom to take a bath.

As usual, Xiao Tian and his women spent time in the family room until 11:00 pm before finally, they went to their rooms.

'Oh, right! We agreed to sleep together tonight.'

With that in mind, Xiao Tian got out of his bed and headed to Ye Qingyu's bedroom.

\*Click.

Xiao Tian opened the door.

'Oh! She really didn't lock the door.'

After entering Ye Qingyu's room, Xiao Tian instantly locked the door.

"Oh! You came?" currently, Ye Qingyu was lying down on the bed. Previously, she thought Xiao Tian would not come to her room.

"Of course." Xiao Tian answered, "Because I want to sleep with my beautiful woman."

## **Chapter 662 - Going To Blue Ice Lotus Gang With Ren Aoxu**

7-8 minutes

---

"What are you doing?" Ye Qingyu asked when she saw Xiao Tian taking off his T-shirt.

"Didn't we agree to sleep naked together?" Xiao Tian answered instantly. "Hurry up and take off your clothes."

"Tian, we can't do that. if you really want to do it with me, let's go to the hotel now." Ye Qingyu thought Xiao Tian desired to have sex with her and sleeping naked was only his excuse.

Xiao Tian suddenly thought it was the right time to tease her. "Sure. Let's go to the hotel now. I also think it's better to do it in a hotel than here."

"Let me change my clothes first." Ye Qingyu got out of the bed and walked towards the wardrobe.

Her actions much surprised Xiao Tian. Previously, he thought Ye Qingyu would not agree so quickly like that.

'It seems like she really will do whatever I want.'

Xiao Tian walked closer towards her and embraced her from behind.

Ye Qingyu, who was choosing clothes, stopped what she was doing, "Please be patient. We can do it as long as you want later."

At this moment, Ye Qingyu thought Xiao Tian could no longer hold back the flames of lust within him. That was why he embraced her from behind.

"Haha." Xiao Tian couldn't help but burst into waves of laughter after hearing her remarks

Ye Qingyu was dumbfounded and turned around to face him. "Why are you laughing?"

"I was joking, you know." Xiao Tian gave an honest answer. "I only want to sleep with you, nothing more than that."

"Sigh! Why don't yo-kya." Before Ye Qingyu had finished her words, Xiao Tian suddenly carried her in a princess style.

After Xiao Tian put her on the bed, he laid down on her right side. "Why do you often think I want to have sex with you every time we are alone?"

"Because you are a young man who always has dirty minds. Hehe." Ye Qingyu answered before giggling.

"Because you said something like that, I changed my mind. Let's go to the hotel now." like before, Xiao Tian was lying again.

"I don't want to. I'm sleepy and want to sleep now." after saying that, Ye Qingyu laid prone on top of Xiao Tian before finally drawing a circle on his chest.

Xiao Tian's face broke into a smile. He instantly wrapped his arms around her waist and spoke, "Have a nice dream, my love."

Not long after that, they slept.

-----

Time went by quickly, and without realizing it, six days had passed since Xiao Tian accepted the challenge from Hakken martial arts school.

Currently, he was in the Heart Hospital because Ren Aoxu was discharged from the hospital today.

"Junior brother, do you want to go home or go to my gang?" Xiao Tian inquired.

Since Xiao Tian put Wuji, Wuja, Guzuo, and Wuling in the underground prison, Ren Aoxu had never met them. That was why he asked Ren Aoxu whether Ren Aoxu wanted to go to his gang or not.

"Let's go to my house first. After that, we can travel to Blue Ice Lotus gang." It had been a week since Ren Aoxu didn't go home, so he really missed his house.

"All right." Because Ren Aoxu said so, Xiao Tian didn't force him.

Then they traveled to Ren Aoxu's house. Because the house was in a mess, they cleaned up the house. After that, they had lunch together.

Xiao Tian was surprised when Ren Aoxu could cook a lot of delicious food. At 03:00 pm, Xiao Tian and Ren Aoxu went to the Blue Ice Lotus gang headquarters.

As usual, when they arrived, they saw Xiao Tian's underlings training martial arts in the front yard. When Xiao Tian told them that he wanted to see Wuji and the others, Chun Hua and his three underlings followed them.

After walking for about a minute, they finally arrived at the prison where Guzuo and the others were being held.

When they saw Xiao Tian, the expression of deep fear blossomed on their faces. In the past six days, Xiao Tian ordered his underlings to torture them four times.

Every time Xiao Tian's underlings tortured them, the dungeon was filled with their cries.

"Senior brother, this is..." Ren Aoxu was a little shocked when he saw the faces of Wuji, Wuja, Guzuo, and Wuling covered in bruises.

"Oh! Do you want to know why their faces are covered in bruises?" Xiao Tian said, "Well, I'm bored, so I played with them a little."

Actually, Xiao Tian didn't want to torture them. However, when he came to their prison for the first time, they kept pissing him off.

They even spat in his face. That was why Xiao Tian was enraged and began to torture them every time he came to prison.

Ren Aoxu was at a loss for words. He knew that Xiao Tian was cruel to his enemy. But he didn't expect him to torture his enemy too.

"Junior brother, don't you want to take revenge?" Xiao Tian asked, "Aren't they the reason you were hospitalized for a week?"

Upon hearing Xiao Tian's words, Guzuo immediately begged Ren Aoxu, "Ren Aoxu, please forgive me. Please don't torture me. Please let me go. I promise I won't cause trouble for you again. Please release me from this hell place."

Wuji and the others instantly begged too. "Please forgive me. Please release me from this place. Please."

Ren Aoxu didn't answer and only stared at them. Actually, he felt sorry for them because his senior brother had tortured them.

However, when he wanted to ask Xiao Tian to release them, a memory where they beat him cruelly appeared in his head.

Ren Aoxu clenched his fists and gritted his teeth. Actually, he didn't want to hurt them, but at the same time, he also could not forgive them. At this moment, he wavered whether he should torture them or not.

When Xiao Tian saw Ren Aoxu's expression, he knew what Ren Aoxu had in mind.

'Forget it! It seems like torturing people is still too much for him.'

He often saw his father torturing his enemies in his past life, so his mind was different from Ren Aoxu's mind.

Xiao Tian tapped Ren Aoxu's right shoulder and spoke, "Junior brother, let's leave."

It took Ren Aoxu three seconds before answering. "All right."

Actually, Ren Aoxu was curious why Xiao Tian suddenly wanted them to leave. Previously, Xiao Tian asked him whether he wanted to torture Wuji and the others or not. Even though countless questions appeared in his mind, but Ren Aoxu didn't ask anything.

Before they walked out of the dungeon, Xiao Tian turned his head towards Chun Hua and gave her a sign to beat Wuji and the others after they left.

Even though Xiao Tian didn't say anything, but Chun Hua understood it because she knew his personality well.

At first, Xiao Tian wanted to take Ren Aoxu to the Shanghai River for sightseeing because Ren Aoxu was hospitalized for a week.

However, Zhao Sheng suddenly called him and told him to go to Red Flower bar. Zhao Sheng wanted to discuss his fight with the Qigang tomorrow.

For this reason, Xiao Tian changed his mind and traveled to Red Flower bar. As usual, one of Lan Ruoxi's underlings immediately escorted them to a private room.

### **Chapter 663 - I Will Give You My Heart**

7-8 minutes

---

As soon as Xiao Tian stepped into a private room, he saw Zhao Sheng and Lan Ruoxi.

"Yo, Xiao Tian." Zhao Sheng waved his right arm. "Oh! You were already discharged from hospital?"

Zhao Sheng was a little surprised when he saw Ren Aoxu because he thought Ren Aoxu was still in the hospital.

"Yes." Ren Aoxu answered as he nodded his head.

After Xiao Tian sat on the opposite side of Zhao Sheng, he immediately asked, "So, what do you want to talk about?"

"I have bad news for you." Zhao Sheng gave an honest answer.

"Bad news? What is it?" Xiao Tian inquired.

"You do know that you are going to fight Qigang at Hose town tomorrow, right?" Zhao Sheng said, "Earlier, one of my underlings saw Jufan meeting Yahui and Shuren. It seems like they plan to ambush you after the fight."

Three days ago, they agreed to fight at Hose town, one of the towns in Nanli district. At first, Jufan wanted Xiao Tian to fight Qigang at Hakken martial arts school, but Xiao Tian refused because it would be dangerous to fight Qigang in their place.

"I have suspected that they would do that. That's why I will bring all my underlings with me tomorrow." Because Xiao Tian had destroyed Hakken martial arts school's reputation, he knew that Jufan would not let him go easily.

Xiao Tian was sure that even if he defeated Qigang later, Jufan would still find a way to cause trouble for him or the people he loved. For this reason, Xiao Tian sent a few of his underlings to protect his women and Yun Xin Er in secret.

"I see." Zhao Sheng nodded his head. "So, are you going to order them to stand by near the meeting place?"

"Yes." Previously, Xiao Tian and Jufan agreed that they could only bring five people with them. That was why he would make his underlings stand by near the meeting place later.

"Senior brother, I will come with you too." all the problems Xiao Tian was facing were caused by him and Guzuo, so Ren Aoxu wanted to go with him.

Even though he knew that he still hadn't fully recovered, but at least he could still help Xiao Tian in fighting the disciples of Hakken martial arts school later.

"No." Xiao Tian refused instantly. "You just got discharged from the hospital, so you still need to rest. Don't worry, nothing will happen to me later."

"But all of this is because of me." Ren Aoxu didn't give up and still tried to go with Xiao Tian.

Xiao Tian sighed before answering. "Sigh. You don't need to blame yourself. You are my junior martial brother, so it's my duty to protect you."

"That's right. You don't need to worry about him." Zhao Sheng added. "Tomorrow, I will also come with my grandfather. Even though my grandfather can't interfere in the fight, but he has promised to protect Xiao Tian from Jufan later."

Ren Aoxu was relieved after hearing Zhao Sheng's words. With Zhao Chen around Xiao Tian, Ren Aoxu was sure that Jufan would not be able to hurt Xiao Tian.

However, when he remembered that Xiao Tian was going to fight Qigang, his face turned worried again, "Senior brother, are you sure you can defeat Qigang later? when I came to Hakken martial arts school, my master told me that Qigang was a high-level master martial artist. It's not that I doubt your skills in martial arts, it's ju-"

Before Ren Aoxu had finished his words, Zhao Sheng laughed. "Haha. Ren Aoxu, you don't need to worry about it. Xiao Tian will defeat Qigang for sure tomorrow."

Ren Aoxu didn't understand why Zhao Sheng was so confident that Xiao Tian wouldn't lose to Qigang tomorrow. He was sure that Xiao Tian was still not a high-level master stage, so the possibility that Xiao Tian would lose to Qigang was high.

When Xiao Tian saw Ren Aoxu's expression, he knew what Ren Aoxu had in mind. That was why he began to explain everything. "It's like this..."

"I see." Ren Aoxu was a little surprised after Xiao Tian finished explaining everything. He didn't expect that Xiao Tian and the others would poison Qigang.

"Ren Aoxu, you may not know this, but your senior brother and young master Zhao are bad people. Wait! Maybe evil is a better word to describe them. Hehe." Lan Ruoxi said before giggling.

"What do you mean by that?" of course, Zhao Sheng didn't want to admit it. "We are good people. Isn't that right, Xiao Tian?"

"Yes. We are good people." Xiao Tian denied shamelessly.

"You mean, good at lying, right? Hehe." Lan Ruoxi giggled.

Ren Aoxu didn't say a word, but a soft smile spread across his face. Then they talked for another thirty minutes before Xiao Tian finally sent Ren Aoxu home.

After Xiao Tian arrived home, he immediately headed to his room and laid down on the bed.

'Oh, right! Why don't I invite lady Lan too? She is martial arts expert so she will be of great help later.'

Even though Xiao Tian was sure that he could protect himself tomorrow, but he still wanted Lan Ruoxi to go with him.

'It's better safe than sorry.'

With that in mind, Xiao Tian took his smartphone out of his pocket and called Lan Ruoxi.

"Hello?" Lan Ruoxi said after picking up the phone.

"Lady Lan, do you want to go to Hose town with me tomorrow?" Xiao Tian inquired.

"Hehe. What is this? Do you want me to protect you tomorrow?" even though Xiao Tian didn't tell her what he wanted directly, Lan Ruoxi could tell what was on Xiao Tian's mind.

"I only want to take you to Hose down for sightseeing." Xiao Tian lied to her.

"Hehe. You don't need to lie to me." Of course, Lan Ruoxi knew that Xiao Tian was lying to her. "Young master Xiao, aren't you ashamed of asking a woman to protect you? Isn't it the duty of men to protect women?"

"Well, it's because you are much stronger than me." Because Lan Ruoxi already knew his intentions, Xiao Tian decided not to lie anymore. "How is it? Do you want to go to Hose town with me tomorrow?"

"What will I get as a reward if I go with you?" actually, Lan Ruoxi didn't need anything because she already had everything.

"Reward?" Xiao Tian said, "I will owe you a favor later."

"Young master Xiao, have you forgotten that you already owe me a lot?" since she knew Xiao Tian, she had helped him many times, and every time she helped him, Xiao Tian always said he owes her one.

"How about I give you money later?" Xiao Tian asked.

"I have money." Lan Ruoxi was the owner of the most famous bar in Shanghai, so money was not a problem for her.

"How about clothes?" Xiao Tian asked again.

"No." Lan Ruoxi refused instantly.

"Cosmetic?" Xiao Tian asked.

"No." once again, Lan Ruoxi refused.

"This is hard..." Xiao Tian said, "Ah! How about my heart? I will give you my heart."

"Haha." Lan Ruoxi could not help but burst into waves of laughter after hearing his remarks, "Young master Xiao, you have given your heart to many women. Are you sure you still have a heart now?"

"Of course." Xiao Tian answered instantly. "I have a big heart, you know? So how is it? Do you want to go to Hose town with me tomorrow?"

### **Chapter 664 - Beautiful Lady, May I Know Your Name?**

7-8 minutes

---

"Hmmm??" Lan Ruoxi pretended as if she was thinking whether she should go to Hose town with Xiao Tian or not.

Xiao Tian sighed. Because it seemed like Lan Ruoxi didn't want to go with him tomorrow, he could not force her.

To his surprise, Lan Ruoxi suddenly agreed. "Sure. I will go to Hose town with you tomorrow."

"Good!" Xiao Tian was pleasantly surprised after hearing her words.

"But, what if Qigang sees me tomorrow?" when she met Qigang seven days ago, she didn't wear a silicon head mask, so she was sure that Qigang would know who she was if they met.

"Ah!" Xiao Tian suddenly realized that it was dangerous if Qigang knew that Lan Ruoxi came with him.

Xiao Tian was sure that Qigang had realized something was wrong with his body ever since he met Lan Ruoxi, so if Qigang saw Lan Ruoxi with him, it could raise suspicion.

After thinking for several seconds, Xiao Tian suddenly found a good idea. "How about you wear a veil? With this, no one can see your face later."

"Veil? All right." Lan Ruoxi agreed with Xiao Tian's idea.

'Luckily, I still have it.'

Lan Ruoxi added in her head.

"Good." Xiao Tian answered. "I will come to pick you up tomorrow morning."

"All right." Lan Ruoxi replied.

After Xiao Tian hung up the phone, he headed to Shi Fei's room. As if her bedroom was his, Xiao Tian entered without knocking on the door.

"Little brother, do you want to sleep with me?" actually, Shi Fei was a little surprised when Xiao Tian suddenly entered her room, but she didn't show it on her face. "Or do you want to have sex with me?"

Xiao Tian laid down on her right side before answering, "I only want to sleep with you tonight."

'Why do all my girlfriends always think I want to have sex with them? Am I too perverted lately?'

Xiao Tian asked in his mind.

"Are you sure?" Shi Fei grabbed his right hand and placed it on her vagina.

Because her sleeping dress was thin, Xiao Tian could feel the softness of her pussy. However, because Xiao Tian only wanted to sleep with her, he instantly removed his right hand from her pussy. "Let's do it next time."

"Sure." Shi Fei answered. "Just tell me if you want to have sex with me. I will satisfy you whenever and wherever you want."

Xiao Tian pinched her nose and smiled, "It seems like my sexy lover is getting lewder and lewder."

"But you like it, right?" Shi Fei didn't deny when Xiao Tian said that she was getting lewder and lewder.

"I love it." Xiao Tian answered instantly.

Xiao Tian and Shi Fei talked for about thirty minutes before finally, they slept.

-----

The following morning, Xiao Tian went straight to Red Flower bar after having breakfast with his women. To his surprise, Lan Ruoxi was waiting for him in a private room.

'Wow!'

When Xiao Tian was looking at Lan Ruoxi, he felt as if he was in ancient China. Her sexy body was clad in snow-white robes, and an ice silk veil masked her face.

Even though her appearance was hidden, but anyone could tell that she was a beautiful lady with a sexy body.

"Beautiful lady, may I know your name?" Xiao Tian pretended as if he didn't know who Lan Ruoxi was.

"Mei Xing." Even though Lan Ruoxi knew that Xiao Tian was only joking around, but she still pretended as if it was their first meeting.

"Mei...Xing..." Xiao Tian widened his eyes in surprise.

He didn't expect her to say that name. He suddenly remembered Mei Xing from his past life.

'Sigh. It seems like I still can't forget her.'

Xiao Tian found it hard to believe that he still couldn't forget Mei Xing even after he had reincarnated into a parallel world.

"What's wrong, young master Xiao?" Lan Ruoxi had no idea as to why Xiao Tian was suddenly shocked like that.

"Nothing." Xiao Tian replied as he smiled. "Lady Lan, let's go to my gang now."

"Alright." Lan Ruoxi replied as she nodded her head.

After they arrived at Blue Ice Lotus gang headquarters, his underlings were surprised.

"Who is she?"

"Wow!"

"Is she from ancient China?"

"Is she a cultivator?"

"Can she fly?"

"Don't tell me. She is over a thousand years old now."

"You all read too many novels."

"Even though I can't see her face, I'm sure she is a pretty lady."

"Is she our leader's lover?"

"I don't know."

Because an ice silk veil masked Lan Ruoxi's face, his underlings didn't know who she was. This made Lan Ruoxi giggle. If she took off her veil, she was sure that all of them would be shocked.

"Leader, who is she?" one of Xiao Tian's underlings inquired.

"She? She is La-" before Xiao Tian had finished his words, he was interrupted by Lan Ruoxi.

"My name is Mei Xing." Lan Ruoxi pretended to be someone else.

At this moment, Xiao Tian cursed venomously in his heart. However, he didn't say a word and only looked at Lan Ruoxi.

"Leader, why did you come with her? Is she skilled in martial arts?" one of Xiao Tian's underlings asked curiously.

"Yes. She is martial arts expert." Xiao Tian then began explaining the reason why he came with Lan Ruoxi. "I got information from Zhao Sheng that there is high possibility that Jufan will ambush me later."

"But didn't we already beat them a few days ago? I think they are not our opponents." One of Xiao Tian's underlings said.

"It's true that Hakken martial arts school isn't our opponent, but can we still win against three martial arts schools? Not only that, they even have three martial artists at the grandmaster stage." Xiao Tian would not ask Lan Ruoxi to come with him if his enemy was only Hakken martial arts school.

"Three martial arts schools? Three martial artists at the grandmaster stage?" Xiao Tian's underlings were surprised after hearing his words.

"You don't need to worry." Xiao Tian said, "I only said 'if'. And elder Zhao has promised to protect me later, so you don't need to worry about those three grandmasters."

"Even though we have to fight against three martial artists at the grandmaster stage, so what?" one of Xiao Tian's underlings spoke. "They are also human being like us, so there's no need to be afraid of them. We have more than one hundred people, so I'm sure we can beat those three grandmasters later."

"Good words!" Xiao Tian was pleased after hearing it. "After we return from Hose town, we will have a small party here."

"Yay."

"Party."

"Long live our leader."

"Long live our leader."

Xiao Tian's face broke into a smile when he saw his underlings' happy expression.

At this moment, Lan Ruoxi looked at Xiao Tian carefully.

'It seems like he is a good leader.'

Lan Ruoxi said in her head.

"Let's take our weapons and go to Hose town." Xiao Tian said.

Without waiting for another second, his underlings took their weapons. At this moment, Xiao Tian also took his black Katana.

"Why is there a chain in your Kanata?" Lan Ruoxi inquired.

'Why didn't he remove it?'

There was a white chain that tied the sheath with the handle part of the Katana as if the wielder was not allowed to unsheath the Katana.

"To humiliate them." Xiao Tian answered calmly.

## **Chapter 665 - Before Fighting**

7-9 minutes

---

Xiao Tian then brought his face closer to her right ear and whispered, "So, do I have to call you Mei Xing now?"

"Yes." Lan Ruoxi replied instantly. "Why? Do you dislike this name?"

"What if Zhao Sheng and elder Zhao ask me later? Should I tell them the truth?" actually, Xiao Tian wanted to tell her to change her fake name but decided against it.

"Do you think they will know my real identity later?" Lan Ruoxi inquired.

"As long as you keep silent, I think they won't know your real identity." Because her face was masked by the veil, Xiao Tian was sure that Zhao Sheng and Zhao Chen would not know her real identity later.

"All right. I will keep silent later." because Lan Ruoxi had lied to Xiao Tian's underlings, she decided to continue lying. "I will let you handle everything later."

"Handle everything? Really?" Xiao Tian's expression changed as if he was having bad ideas later.

Lan Ruoxi, who noticed it, immediately said, "Don't you dare take advantage of me or else, I will beat you later."

Her words much surprised him. "Eh! Why did your personality also change? You are so cold now. This is not like you. Where is lady Lan I know?"

"Young master Xiao, if I use my real personality then there is no point in hiding my real identity. Isn't that, right?" Lan Ruoxi answered calmly.

"Ah, you are right." Xiao Tian realized that her words made sense.

When Chun Hua and Mu Huo returned to the front yard, Xiao Tian immediately spoke, "Mu Huo, Chun Hua, you two will follow me later. Ah, and choose two more people too."

"All right." Mu Huo and Chun Hua replied in unison.

After Xiao Tian gave a sword to Lan Ruoxi, they left.

----

On their way to their destination, Lan Ruoxi spoke, "I think this is the area where they will ambush you later."

There were two reasons why Lan Ruoxi dared to say that. First, that area was not too far from their meeting place, Douming villa. And second, there were no buildings or houses in that area. There were only trees on both sides of the road.

"I think so too." Xiao Tian answered. "I will order my underlings to wait around here."

After saying that, Xiao Tian ordered his underlings to hide around that area. However, he didn't put all of his underlings in one area but two areas because there was another area that they thought was an excellent place to ambush someone.

After driving for another five minutes, Xiao Tian and the others finally arrived at their destination, Douming villa.

Two people in black, who were guarding the entrance gate, instantly stopped Xiao Tian's car. However, when Xiao Tian told them who he was, they immediately gave him a way.

Xiao Tian was a little surprised because after they entered the gate, he saw another gate with two people guarding it.

Xiao Tian then parked his car. It was an outdoor parking lot with a fountain in the middle of it. After getting out of the car, Xiao Tian and the others walked towards the gate.

Like before, they were stopped by two people who were guarding the gate. And after telling them who they were, the people in black immediately allowed them to enter the gate.

Because the fight arena was behind the villa, Xiao Tian and the others immediately headed to the backyard. Besides the fight arena, there was a swimming pool and a small building in the backyard.

The vast rectangular arena was made of stone tiles. Around the fight arena, there were many wooden chairs, which were neatly arranged.

'Who are they?'

Xiao Tian was startled when he saw fifteen people sitting on the chairs around the arena.

'Don't tell me. That Jufan bastard invited them to embarrass me?!'

Xiao Tian remembered that he didn't invite anyone, so there was a high possibility that those people were invited by Jufan.

When Xiao Tian was walking towards the chairs, he saw Jufan, Qigang, Deming, and Cheung. He also saw Zhao Sheng, Zhao Chen, and Xie Shang.

However, Zhao Sheng and the others pretended as if they didn't know Xiao Tian. Of course, Xiao Tian understood why they behaved like that. That was why he also acted as if he didn't know them.

Jufan and the others were surprised when they saw Lan Ruoxi.

'Who is she?'

That was the question that came to their minds.

"Who are they? I don't remember we agreed to invite people before!" Xiao Tian was enraged because Jufan invited people without saying anything to him.

Xiao Tian stared at Jufan coldly. Even though he was talking to a grandmaster-level martial artist, there was not the slightest fear in his eyes; instead, his eyes were filled with coldness as if he wanted to beat Jufan immediately.

"Oh! They are martial artists who wants to see the fight." Actually, they were martial artists who were invited by Jufan to come to Douming villa.

Because Xiao Tian had destroyed his reputation, Jufan wanted to embarrass Xiao Tian in front of other martial artists.

He wanted to let everyone know the consequences of offending the Hakken martial arts school. He wanted to let them know what would happen to anyone who dared to cause trouble for Hakken martial arts school.

"If you dare to play dirty, I will make you regret later." After saying that, Xiao Tian and the others continued walking before finally sitting on the chairs.

Jufan was unhappy with Xiao Tian's behavior.

'Arrogant kid! I will make you kneel before me later.'

Jufan was sure that Qigang could defeat Xiao Tian later.

"So, he is the one who wreaked havoc at Hakken martial arts school?"

"I didn't expect him to be so young."

"Me too. I thought he was about thirty years old, but I was wrong."

"Grandmaster Jufan said that he beat all the disciples and instructors using dirty methods."

"He is still young but already has bad behavior."

"I'm sure Qigang will beat him to death later."

"Qigang is already at high-level master stage, so I'm sure he can defeat that Roque easily later."

Because Jufan didn't want his reputation to be destroyed even more, he decided to slander Xiao Tian. He told everyone that Xiao Tian used dirty methods to injure his disciples. Not only that, he told them that Xiao Tian also used poison.

Upon hearing their words, Xiao Tian looked at Jufan with killing intent in his eyes.

'I will embarrass you even more later!'

Xiao Tian was enraged, but he didn't try to defend himself because he knew it was useless. They didn't know him, so whatever he said to them would be useless because they would believe Jufan's words.

Jufan's lips curled into a smirk.

'I will embarrass you even more later!'

Jufan said in his head.

At this moment, Zhao Chen, Zhao Sheng, and Xie Shang stared at Jufan. They didn't expect that Jufan would slander a junior.

'What a wicked person!'

Those were the words that appeared in their minds.

Qigang suddenly jumped into the arena and spoke, "Xiao Tian, come here!"

Because he had drunk Xushi poison, he was unable to control his anger. However, everyone thought it was normal because Xiao Tian had wreaked havoc at Hakken martial arts school.

Xiao Tian rose to his feet and walked towards the arena. "Before we fight, I want to say something first."

"What is it?" Qigang inquired.

## **Chapter 666 - He Is Indeed A Devil**

7-9 minutes

---

"Let's make a bet before fighting." Xiao Tian answered instantly. "Do you dare?"

His words dropped the entire area into dead silence.

Everyone didn't expect him to say such a thing. Of course, Lan Ruoxi and Zhao Sheng were not surprised because it was their plan from the start.

"Why does he suddenly want to make a bet?"

"I don't know. I was also surprised by his words earlier."

"Does he think his fight with Qigang is a game?"

"I didn't get his train of thought."

Countless questions appeared on the audiences' minds. They were curious why Xiao Tian suddenly wanted to make a bet.

Like the audiences, Jufan was also startled. But he didn't show it on his face and only stared at Xiao Tian.

At this moment, Zhao Chen and Xie Shang shifted their gaze from Xiao Tian to Zhao Sheng. Because they knew that Xiao Tian and Zhao Sheng were friends, they were sure that Zhao Sheng knew the reason why Xiao Tian suddenly wanted to make a bet like that.

'It seems like they are up to no good.'

Those were the words that appeared in their minds.

"Why do we have to make a bet? Let's just fight now." Qigang was furious because he wanted to beat Xiao Tian immediately, but Xiao Tian was buying time instead.

"Why? Are you afraid of losing to me? If you don't dare to bet, just tell me. There's no need to hide it." because he knew that Qigang could not control his anger, Xiao Tian purposely made Qigang even angrier.

Qigang was unhappy with his words and sneered, "Do you think you can defeat me?"

Qigang was enraged after seeing Xiao Tian's behavior because he felt as if Xiao Tian didn't put him in his eyes.

He was a martial artist at the high-level master stage, so he was furious when he knew that Xiao Tian underestimated him.

Instead of answering, Xiao Tian asked, "Do you dare to bet with me or not?"

"Fine! Let's bet." Because Qigang was under poison control, he could not think straight. "What do you want to stake as a bet?"

"Money." Xiao Tian was pleased when his plan went smoothly.

'I will make you cry blood later.'

His lips curled into a grin.

"I will give you 100,000 Yuan if you can defeat me!" Qigang stated.

"100,000 Yuan? So little! Let's bet 1,000,000 Yuan." Of course, Xiao Tian raised their stakes because the winner was already determined.

Even though 100,000 Yuan was already a lot, but in his eyes, that amount of money was so little.

\*Silence.

Once again, the entire area turned into dead silence.

"What? He wants to bet 1,000,000 Yuan?"

"Did I hear it right?"

"Is he crazy?"

"Is he so confident he can defeat Qigang?"

"Qigang is already at the high-level master stage, so how can he have that much confidence?"

"I also want to know where his confidence comes from."

"Don't tell me, he is also already at the high-level master stage."

"Impossible."

"Yes. it's impossible."

Everyone found it hard to believe what they were hearing. Previously, they were already surprised when Xiao Tian suddenly wanted to make a bet.

But what surprised them most was that Xiao Tian wanted to bet 1,000,000 Yuan. 1,000,000 Yuan was a lot of money, and not everyone would have that much money in their lifetime. And here, Xiao Tian wanted to bet with that amount of money.

Qigang gritted his teeth. He wanted to accept it, but he didn't have that much money. "I don't have that much money. I only have 400,000 Yuan in my bank account. How is it? You won't reject it, right?"

"Tch, only 400,000 Yuan. Fine. Let's bet 400,000 Yuan." After saying that, Xiao Tian turned his head towards Jufan. "What about you? Do you dare to bet with me?"

Of course, Xiao Tian also wanted to bet with Jufan because he had the intention of making Jufan cry blood later.

'You have slandered me, so I will take your money in exchange.'

Xiao Tian said in his head.

Jufan didn't answer immediately and only stared at Xiao Tian.

'Why did he dare to do all of this? Is he confident that he can defeat Qigang later? No. impossible. Qigang is already at the high-level master stage, and I'm sure this bastard is weaker than Qigang.'

Jufan tried to find the answer to Xiao Tian's behavior but failed. He felt like something was wrong, but he didn't know what it was.

Because Jufan didn't say a word, Xiao Tian asked again, "Why didn't you say anything? Are you afraid?"

Jufan gritted his teeth. He was furious. He wanted to embarrass Xiao Tian, but it was Xiao Tian who humiliated him instead.

"Wait! Don't tell me. You don't have that amount of money?!" Xiao Tian said mockingly. "It's fine if you don't have 1,000,000 Yuan. You can bet with 400,000 Yuan like your disciple. Oh! I forgot that Hakken martial arts school is a small martial arts school, so there was no way their Shifu has 1,000,000 Yuan. Haha. Silly me."

At this moment, Jufan tried his best to hold back his anger. He wanted to beat Xiao Tian immediately, but he could not do that.

There were Zhao Chen, Xie Shang and other martial artists near him, so it would destroy his reputation even more if he did something like that.

'Fuck! I really want to beat this bastard so badly.'

Jufan cursed venomously in his heart.

"Ah wait! Don't tell me it's not because you don't have that amount of money. But it's because you have no confidence in your disciple." With this, Xiao Tian was sure that Jufan would accept the bet immediately.

Jufan was a grandmaster level martial artists, so his pride was high. He would not accept it if someone tried to destroy his reputation.

At this moment, Zhao Sheng, Zhao Chen, Xie Shang and Lan Ruoxi tried their best to hold back their laughter.

'He is indeed a devil. He is really good at annoying people.'

Those were the words that appeared in their minds.

At this moment, Zhao Sheng really wanted to join the fun, but he knew that he could not do that because it could raise suspicion.

Damn it! I really want to join the fun. It seems like Xiao Tian enjoys bullying them very much. Zhao Sheng thought to himself.

"Shifu, accept it! You don't need to worry about losing your money because there is no way he can beat me." Qigang was sure that he could trounce Xiao Tian later.

Like before, Jufan was still silent because he felt something was wrong, yet he didn't know what it was.

Qigang gritted his teeth when his Shifu still didn't say a word. Because he was unable to think straight, Qigang thought his Shifu didn't have confidence in himself.

'Why doesn't he accept it right away? This so annoying!'

Xushi poison had corrupted his mind. That was why Qingang began to angry at his Shifu.

"Hahaha." Xiao Tian could not help but burst into waves of laughter when Jufan still didn't say anything. "Qigang, it seems like your Shifu doesn't have confidence in you."

"Grandmaster Fudan, just accept it."

"Yes. Accept it."

"Qigang is already at the high-level master stage, so I'm sure he can beat that Roque."

One by one, the audiences began to voice out their opinions.

After gritting his teeth for about three seconds, Jufan immediately answered. "Fine. Let's bet 1,000,000 Yuan."

Xiao Tian's lips curled into a smirk after hearing Jufan's words.

### **Chapter 667 - Xiao Tian Versus Qigang**

7-9 minutes

---

Xiao Tian turned around to face Zhao Chen and asked, "Elder Zhao, can you be the witness?"

"Sigh. Sure." after saying that, Zhao Chen looked at Jufan. "Are you sure you want to bet 1,000,000 Yuan? Let me tell you one thing. Even though we have known each other for quite a while, but if Xiao Tian wins the fight, I will still ask you to give him the money later."

"Sure." because he had said so, Jufan could not take back his words.

"Grandmaster Jufan, you don't need to worry. I'm sure Qigang will win the fight later."

"Yes. I believe it too."

"Qigang is not ordinary high-level master stage martial artist. I'm sure he will defeat Xiao Tian in less than ten minutes."

"Maybe even less than five minutes."

A few martial artists thought Xiao Tian was much weaker than Qigang. It was true that Qigang was stronger than Xiao Tian, but that was if he was in good shape.

After Xiao Tian and the others poisoned him, Qigang's strength dropped a lot. There was even a high possibility that he was weaker than Xiao Tian.

You all are wrong! I'm sure the winner will be Xiao Tian later. Zhao Chen thought to himself.

Upon hearing the audiences' words, Xiao Tian immediately, "Seniors, if you also want to bet with me, I'm fine with it. How is it? I'm game."

"Sure." five martial artists said in unison.

Two of them were Jufan's friends. And those two people were Yahui and Shuren. The other three people were martial artists from different martial arts schools.

Xiao Tian was pleased after hearing their words.

'Hahaha.'

Xiao Tian laughed loudly in his head.

Not only Xiao Tian, but Zhao Sheng and Lan Ruoxi were also happy.

'What an idiot!'

Those were the words that appeared in Zhao Sheng's mind.

At this moment, Zhao Chen and Xie Shang didn't say a word.

'They will regret it later.'

Zhao Chen and Xie Shang were sure that Qigang would lose the fight later.

"Good! How much do you want to bet?" Xiao Tian inquired. "1,000,000 Yuan too?"

"Sure. We will bet 1,000,000 Yuan." they said in unison. They still believed that Qigang would win the fight later. "But, what if you lose? Do you have enough money to pay us?"

"Of course." Xiao Tian answered instantly. "I'm the owner of Star Clothes company. Right now, my company's net worth is around 100,000,000 Yuan, so six million Yuan is nothing to me."

[A/N= 6 million including Jufan.]

"Good!" they answered in unison.

Xiao Tian then turned around to face Qigang. "Now it's time for us to fight."

"I have been waiting for this." After saying that, Qigang dashed towards Xiao Tian and began to attack Xiao Tian.

Because it was a street fight, there was no referee. Actually, it was Jufan's idea to have a street fight because he wanted Qigang to break Xiao Tian's arms and legs.

If there were a referee, Qigang would not be able to do that later. That was why Jufan wanted them to fight without a referee.

Of course, Xiao Tian accepted it gladly because he would still win the fight later.

When Jufan saw Qigang attacking Xiao Tian, an evil smile appeared on his face. He was sure that Qigang would immediately beat Xiao Tian to death.

To his surprise, something unexpected happened. Instead of beating Xiao Tian, it was Qigang who got beat up by Xiao Tian. Not only did Xiao Tian not draw his Katana, but he was also even still fighting using one hand.

'What?! How could something like this happen?'

Jufan found it hard to believe what he was seeing. Qigang was his best disciple and already at the high-level master stage. But he didn't have the upper hand in the fight.

'What?! Are my eyes playing tricks on me?'

Jufan rubbed his eyes and looked at the arena again. However, what he saw was the same thing, Xiao Tian beat Qigang.

Because he thought his eyes were still playing tricks on him, he rubbed his eyes again. However, he saw the same time. He repeated this process a few more times before finally he began believing what he was seeing.

Not only Jufan, but everyone also found it hard to believe what they were seeing. Qigang was a martial artist at the high-level master stage and not an ordinary one too.

"How could this be?"

"Is Xiao Tian a martial artist at the high-level master stage too?"

"I don't know."

"But only martial artists at the high-level master stage or above can beat Qigang like that."

"Don't tell me. He is already at the high-level master stage."

"Is this the reason he confident he can defeat Qigang earlier?"

"It seems so."

One by one, the audiences began to think that Xiao Tian was a martial artist at the high-level master stage.

At this moment, people who agreed to bet with Xiao Tian, wore a worried expression because ever since the fight started, Xiao Tian had the upper hand.

"Unsheathe your sword!" Qigang was unhappy because Xiao Tian was fighting him without using his sword.

"What? You want me to unsheathe my sword? You haven't even been able to force me to use both of my hands. You should try harder if you want me to unsheathe my sword." at this moment, Xiao Tian was sure that his words would make the Qigang even angrier.

It had been two minutes since they fought, but Qigang still couldn't get Xiao Tian to draw his sword.

If I want to, I can defeat you immediately, but I want to humiliate you and Jufan first. Xiao Tian thought to himself.

"Dieeeee," Qigang roared as he threw out his fist at Xiao Tian's head.

However, Xiao Tian could avoid it easily by moving to the left side. After that, Xiao Tian kicked Qigang in the back, causing Qigang to be thrown three meters.

Because Xiao Tian wanted to humiliate Jufan, he looked at Jufan and sneered, "Is he really your best disciple? His skills in martial arts are lousy! Since we fight, he never even manages to hit me. But the most ridiculous thing is that he even can't force me to use both of my hands and has been kicked by me many times."

Xiao Tian then continued, "Now I know why Hakken martial arts school is not popular. It's because their martial arts skill is suck. Haha."

Jufan gritted his teeth after hearing Xiao Tian's words. Ever since they met, not only did he always fail to embarrass Xiao Tian, but Xiao Tian kept humiliating him.

Xiao Tian even said Hakken martial arts school was suck. For martial artists, it was humiliating when someone said something like that.

"Xiao Tian.." Jufan clenched his fists and looked at Xiao Tian with killing intent.

He really wanted to jump into the arena and beat Xiao Tian to death. However, he knew that he could not do that. Otherwise, he would lose his reputation even more, and he was also sure that other martial artists would stop him later.

'I will make you pay for your actions later.'

Jufan promised to himself that he would torture Xiao Tian if Xiao Tian fell into his hands.

"Dieee," Qigang roared again.

"Let me teach you the most important thing in martial arts. and that thing is don't shout when you want to launch a surprise attack." After saying that, Xiao Tian kicked the Qigang's head, causing Qigang to be thrown three meters away.

## **Chapter 668 - This Is Getting Annoying**

10-12 minutes

---

\*Uakk...

Blood was splashed out of his mouth before Qigang fell to the ground.

'Why? Why do I always fail to hit him? Ever since we fought, he always managed to hit me, but the same thing never happened to me. Why?'

Qigang found it hard to believe what was happening to him. He was a martial artist at the high-level master stage, so he didn't believe that he could not hit Xiao Tian even once.

Even though he had lost several fights, but this was the first time, he always failed to land an attack on his opponent. Something like this had never happened before. Every time he lost a fight, his enemy was also severely injured.

'Don't tell me. He is already at the high-level master stage too?! But even so, I should be able to hit him at least once. However, this Xiao Tian always managed to avoid or block my attacks. Not only that, but it seemed like he could read my attacks pattern too.'

Qigang believed that his attacks were fast and strong, but still, Xiao Tian could avoid or block his attacks easily as if his attacks were slow in Xiao Tian's eyes.

'Fuck! Is he really much stronger than me? Why has everything gone wrong lately? What did I do? What did I do wrong?'

Qigang was furious because lately, everything went wrong. First, he could not meet or call Lan Ruoxi after they parted ways at the restaurant.

He kept calling and looking for Lan Ruoxi, but all his efforts were in vain. Because he had no idea where Lan Ruoxi lived, he could not go to her house.

Second, everyone always annoyed him. And now, he could not land an attack on Xiao Tian when many martial artists were watching them.

[A/N= actually, no one annoyed him, but because of the poison, he gets angry and irritated easily. In this case, he is blaming everyone around him. So, everything is because of the poison.]

Not only that, Xiao Tian even kept humiliating him. But what annoyed him most was that several martial artists began looking at him as if they were telling him through their expression that he was very weak and useless.

After gritting his teeth, Qigang rose to his feet and dashed towards Xiao Tian again, "Die!"

Like before, Qigang threw out his fist at Xiao Tian's head. However, before he could hit Xiao Tian's head, he was kicked by Xiao Tian in his mid-torso, causing him to be thrown once again.

\*Uaaakk...

Qigang immediately wiped off the blood from the corner of his mouth with his right hand.

'His attacks are so strong! It felt as if I was hit by a large hammer!'

Due to the effect of Xushi poison, Qigang felt twice as much pain as usual.

'Is he already at the low-level grandmaster stage?'

Because of how powerful Xiao Tian's attacks were, Qigang began to think that Xiao Tian was already at the low-level grandmaster stage.

'No. Impossible. I have never heard of a grandmaster martial artist as young as him.'

Of course, Qigang immediately thought that Xiao Tian was not a martial artist at grandmaster stage.

"Sigh! This fight is boring."

"Yes. You are right. This fight is really boring."

"Can you even can this a fight? It's clear that Xiao Tian is bullying Qigang."

"That's right. This is a one-sided fight."

"If I knew the fight would be this boring, I would not come to Douming villa earlier."

"Me too. I'm starting to regret my decision to come here. I thought the fight would be interesting, but I was wrong."

"I didn't know that Qigang was this weak."

"I thought he was strong."

"Previously, I thought he would beat Xiao Tian instantly. But instead of beating Xiao Tian, he is the one who gets beaten by Xiao Tian."

Several martial artists began voicing their disappointment in Qigong. Because Qigang never managed to hit Xiao Tian even once, they knew that Qigang would not be able to beat Xiao Tian later.

They even believed that Xiao Tian was playing around with Qigang because, in their view, Xiao Tian could defeat Qigang instantly if he wanted.

Qigang, who saw their expression, gritted his teeth. He was furious and could not accept it. He was a martial artist at the high-level master stage and quite famous in the Wanhui district.

"What? You still want to fight?" Xiao Tian said when he saw Qigang trying to stand up. "Don't you already know that you are not my opponent?"

Of course, Qigang didn't give up because it would hurt his pride as a martial artist. "Aaaaaaa."

Qigang attacked Xiao Tian again. However, the result was still the same. Qigang never managed to land an attack on Xiao Tian's body and got hit by Xiao Tian many times. This process repeated a few more times until it made Xiao Tian annoyed.

"Qigang, stop this useless fight!" Xiao Tian said coldly. "I don't want to play with you anymore. If you don't leave the arena now, you will regret it later. This is the last warning."

Xiao Tian decided to stop playing around with Qigang because he had humiliated Qigang and Jufan in front of everyone.

Of course, Qigang ignored Xiao Tian's words and began to attack Xiao Tian again. Qigang's actions made Xiao Tian furious.

"Tch! What an annoying person!" when Qigang tried to hit his head again, Xiao Tian moved to the left to avoid it and threw out a low kick, aiming at Qigang's left leg.

\*Fell.

When Qigang fell to his knees, Xiao Tian wasted no time and hopped on Qigang's left leg powerfully.

\*Crack...

Because of how strong it was, Xiao Tian ended up breaking Qigang's left leg.

"Aaaggghhh." Qigang cried out in pain.

"Stop!" Jufan shouted. "This is a friendly fight! Why did you break his left leg? You have crossed the line here."

"Friendly fight. Haha." Xiao Tian laughed after hearing Jufan's words. "Do you think I'm three years old? If this is a friendly fight, why is there no referee?"

"What he said is right. If this is a friendly fight, there should be a referee in the arena now."

"Actually, I was surprised when I didn't see a referee earlier."

"Me too. I thought they didn't use a referee on purpose."

"This fight was a bit of suspicion."

"I think so too."

Several martial artists voiced their opinions. They agreed with Xiao Tian's words.

At this moment, Jufan immediately made an excuse. "What do you mean by saying there is no referee? We are the referees here."

"Haha." Xiao Tian found Jufan's words funny. "You don't need to lie to me because it's pointless."

It seems like this young man is also smart. He immediately notices that Jufan had ill intentions towards him. Xie Shang thought to himself.

"Seniors, let me tell you something." Because Jufan had slandered him, Xiao Tian tried to clear his name. "I indeed wreaked havoc at Hakken martial arts school, but I didn't use dirty methods. I beat them directly. I came to Hakken martial arts school with my underlings and beat them in their place."

Even though Xiao Tian knew it was difficult to make everyone believe his words, Xiao Tian still tried his best.

Xiao Tian then continued, "Actually, I didn't want to beat his disciples, but they kept annoying me, so I decided to teach them a lesson."

Xiao Tian then began to explain everything. He told them the reason why Xiao Tian and the Hakken martial arts school had enmity. He explained why he decided to wreak havoc at Hakken martial arts school.

"He is lying!" of course, Jufan would not let Xiao Tian tell the truth because it would ruin the reputation of Hakken martial arts school.

"What?! Lying?! Seniors, I know that all of you still doubt my words, but I swear to God that I'm not lying." Xiao Tian then raised his right arm towards the sky. "I, Xiao Tian, swear, if I lie, I will die from being struck by lightning. If I lie, all my family will die tomorrow."

\*Silence.

The entire area dropped into a dead silence.

They didn't expect him to swear like that. Of course, Xiao Tian dared to swear like that because he was telling the truth.

"He dares to swear like that?!"

"Isn't he too reckless?"

"He should not bring his family into this."

"Does that mean he is telling the truth?"

"It seems so."

"I think so too. If he were lying, he would not dare to swear like that."

One by one, the audiences turned their heads towards Jufan. They wanted to know what he would say after hearing Xiao Tian's words.

"Hmf! Just because you dare to swear doesn't mean you're right." Jufan answered. "The fact that you have beaten up my disciples is true. Now tell me, where are Wuji and the others?"

"I don't know. After I beat them, I threw them on the street." Xiao Tian lied to them.

"Don't lie to me!" Of course, Jufan would not believe Xiao Tian's words easily. "If you threw them on the street, why didn't they come to see me? A cruel person like you must have beat them. There is no way you will let them go easily. Maybe you even have killed them."

"Sigh. You want to slander me again, huh?" Xiao Tian sighed before answering, "It seems that the Hakken martial arts school is full of bad people. Bad people who like to lie and always slander others."

"What did you say? I dare you to repeat your words!" Jufan's face turned red because of anger. Ever since he met Xiao Tian, Xiao Tian always humiliated him and the Hakken martial arts school.

"The Hakken martial arts school is full of bad people who like to lie and always slander others." Xiao Tian repeated his words.

Even though Jufan was a martial artist at the low-level grandmaster stage, there was no slightest fear in his eyes. Even some of the audience began to praise his braveness.

Jufan gritted his teeth. His eyes were filled with a flame of fury. Because he could no longer hold back his anger, he jumped into the arena and threw out his right fist. "Die!"

Everyone was surprised by Jufan's actions. They didn't expect that Jufan would attack Xiao Tian.

'Danger!'

Zhao Sheng rose from his seat and wanted to help Xiao Tian.

At this moment, Lan Ruoxi unsheathed her sword and immediately jumped into the arena.

Danger! Xiao Tian thought to himself.

Because it was too late to avoid Jufan's attack, Xiao Tian decided to take the defensive position.

However, before Jufan's right fist could hit Xiao Tian's head, Lan Ruoxi's sword was already in front of his neck. This made Jufan instantly stopped the attack.

"Stop!" Lan Ruoxi said coldly.

## Chapter 669 - Who Is She?

7-8 minutes

---

The expression of deep shock blossomed on the audiences' faces. Jufan was a martial artist at the low-level grandmaster stage, but the lady, who was wearing a snow-white robe with an ice silk veil covering her face, moved faster than him.

"Who is she?"

"I don't know."

"Her movement is so fast."

"Yeah."

"She is even faster than grandmaster Jufan. Is she also at the low level grandmaster stage?"

"Her speed should be in the category of low-level grandmaster stage or maybe higher."

"But isn't she too young to be a grandmaster martial artist? I'm sure she is in her twenties. Maybe she is at the high-level master stage but has the speed at the low-level grandmaster stage."

"I think so too. Even though we can only see her eyes and forehead, but we can tell that she is still young."

"Where did Xiao Tian find a talented martial artist like her?"

The audiences suddenly wanted to know how skilled Lan Ruoxi was in martial arts. Even though her movement was faster than Jufan, there was no guarantee that she was a grandmaster level martial artist.

People who were talented in martial arts could have the speed, strength, or reflex above their level, for example, like Xiao Tian. Despite still in the category of low-level master stage martial artist, he had the speed and strength equivalent to the mid-level master stage.

Like the audiences, Jufan was also startled.

'Who is she? Is she also a martial artist at the low-level grandmaster stage like me? She seems so much younger than me so how can she be faster than me? Did she learn ancient martial arts? Or does she have a martial arts background?'

Countless question appeared in Jufan's mind. Previously, he had thought either Zhao Chen or Xie Shang would be the first to stop him, but he was wrong.

He was utterly wrong because the one who stopped him was a lady who masked her face with a silk veil and wore ancient China clothes.

Zhao Sheng sat on his chair again.

'Huft! Luckily nothing happened to Xiao Tian. But who is that woman? Where did Xiao Tian meet her? she seems very skilled in martial arts. She is even faster than that bastard Jufan. I will ask him later.'

Like Jufan, countless questions also appeared in Zhao Sheng's mind.

Xie Shang looked at Zhao Chen and inquired, "Do you know who she is?"

"No. Because her face is masked by a silk veil, I can't see her face clearly so I don't know who she is. But what I'm sure is that she is a lot younger than us." actually, Zhao Chen also wanted to know who she was.

At this moment, Xiao Tian was staring at Lan Ruoxi.

'Lady Lan, how skilled are you in martial arts?'

Xiao Tian suddenly felt happy because he invited Lan Ruoxi to come with him. Even though Zhao Chen had promised to protect him, but he preferred Lan Ruoxi over Zhao Chen because he was closer to Lan Ruoxi than Zhao Chen.

"Get off the arena now! This is not your fight." Lan Ruoxi's cold voice echoed in the back yard.

Everyone was startled again after hearing her words. The way she spoke and behaved was like a strong person talking to a weak person.

Because she changed her voice, Zhao Sheng and Zhao Chen still didn't know that the woman in front of them was none other than Lan Ruoxi.

At this moment, Jufan wavered whether he should get off the arena or not. Because Lan Ruoxi was faster than him, there was a high possibility that she was stronger than him.

'Should I get off the arena? But doesn't that make me look like I'm scared of her? should I fight her?'

Jufan then skimmed his surroundings to see everyone's expression.

As Jufan was thinking, Qigang suddenly said, "Shifu, you don't need to interfere. I can still fight."

Jufan instantly turned his head towards Qigang. Even though Qigang had embarrassed him and the Hakken martial arts school, but he still could not get angry at Qigang because Qigang was his best disciple.

Jufan then returned his attention to Xiao Tian and asked, "Are you a man? Why are you hiding behind a woman? Don't you feel ashamed?"

"Hiding behind a woman? Feeling Ashamed? Jufan, are you aware of the age difference between us? You are already more than sixty years old while I'm still twenty years old, and you still want me to fight you? Are you kidding me?" Xiao Tian spoke and paused for a second before he continued, "If we were in the same age, I'm sure I can defeat you easily. Just because you practice martial arts longer than me doesn't mean you can bully me."

At this moment, Zhao Chen jumped into the arena and spoke, "Jufan, you should stop this. I think it's better if you treat your disciple's wounds immediately. Otherwise, his condition will get worse later."

"What Zhao Chen said is right." Xie Shang added. "Don't embarrass yourself here. There are many juniors here."

"Tch! You are lucky this time." Because Zhao Chen and Xie Shang said something like that, Jufan could not do anything to Xiao Tian.

'Just you wait. You better pray that you won't fall into my hands.'

Jufan helped Qigang stand up because he wanted to bring Qigang to the hospital.

However, Xiao Tian suddenly stopped them. "Where are you going?"

Upon hearing his words, Jufan instantly stopped his footsteps and turned his head towards Xiao Tian.

"What do you want?"

"Did you forget our bet? Do you want to run away without giving the money to me?" After saying that, Xiao Tian looked at Zhao Chen. "Elder Zhao, I want the money now. Otherwise, he won't give the money to me later."

Zhao Chen sighed before answering. "Sigh. Jufan, can you transfer the money now?"

"Fine!" Jufan didn't want to be labelled as someone who didn't keep his promise, so he immediately transferred the money to Xiao Tian's bank account.

Xiao Tian then turned around and spoke, "Seniors, I win the fight."

"Sigh. We will transfer the money now." they answered before transferring the money to Xiao Tian's bank account.

"Sigh. I didn't expect to lose one million Yuan in less than an hour."

"If I knew Qigang was so weak, I would not agree to bet with Xiao Tian."

"Me too."

"I really regretted it now."

"Yes. One million Yuan is a lot of money. Sigh."

"Well, it can't be helped."

"If only I could turn back time. Sigh."

The people, who agreed to bet with Xiao Tian, began to regret their actions. However, they could not do anything about it.

"Thank you, seniors." Xiao Tian said happily.

Not only Xiao Tian, but Zhao Sheng was also happy.

'Xiao Tian got 6,400,000 Yuan from them. That mean, I will get 3,200,000 Yuan later. Haha. Making money is really easy.'

Xiao Tian had promised that half of the money would belong to him later. That was why Zhao Sheng laughed happily in his head.

Even though that amount of money was nothing to him, but Zhao Sheng was still delighted because, in his view, money was still money.

Because Zhao Chen was still curious about the lady who had helped Xiao Tian earlier, he immediately asked, "Xiao Tian, who is she?"

## **Chapter 670 - We Were Only Joking**

8-10 minutes

---

At first, Zhao Chen wanted to ask that question to Lan Ruoxi directly, but he suddenly changed his mind. That was why he asked Xiao Tian instead.

"I also want to know who she is." Zhao Sheng rose from his seat and jumped into the arena.

Because Lan Ruoxi had told Xiao Tian that she would let him handle everything, she didn't introduce herself and only stared at Xiao Tian.

"She is Mei Xing." Xiao Tian lied to them.

Previously, Lan Ruoxi told him to introduce her as Mei Xing if someone asked her name. At this moment, Xiao Tian really hoped that none of them would realize that she was Lan Ruoxi because if they found out who she was, their friendship could be ruined later.

"Mei Xing?" Zhao Chen tried to remember the names of all the martial artists he knew.

'I don't know a strong martial artist named Mei Xing.'

The Zhao Family almost had all the information about strong martial artists, but he had never heard of a strong martial artist named Mei Xing.

Because Lan Ruoxi managed to stop Jufan from attacking Xiao Tian, he was sure that Lan Ruoxi was a strong martial artist.

"Lady, why are you wearing a veil? Can you let me see your fa-" Zhao Sheng instantly stopped his words halfway when Lan Ruoxi suddenly pointed her sword at his neck.

'Holy hell! I only want to see her face but she instantly pointed her sword at me. Hey! A handsome young man is asking your name, you know? You should have told me your name, not pointing your sword at me like this. This is dangerous, you know?'

Zhao Sheng shouted in his head.

Previously, Zhao Sheng behaved as if he wanted to take off the veil from her face. That was why Lan Ruoxi suddenly pointed her sword at his neck.

"Beautiful lady, you ... you don't have to overdo like this, you know?" Zhao Sheng said, "This is a real sword, not a toy. What if you accidentally hurt me? "

Lan Ruoxi didn't say anything and immediately sheathed her sword.

"Haha." Xiao Tian could not help but burst into waves of laughter after seeing Zhao Sheng's expression.

As for Zhao Chen, he only sighed before shaking his head.

'Women are really his weakness. I'm starting to worry about his future now.'

Zhao Chen said in his head.

Xiao Tian then returned his attention to Zhao Chen and spoke, "Elder Zhao, thank you for your help."

"Don't mind it." Actually, Zhao Chen wanted to ask many questions to Xiao Tian but suddenly decided against it.

At this moment, Lan Ruoxi gave Xiao Tian a sign to leave immediately because the longer they were with Zhao Sheng and Zhao Chen, the higher the chance that they would find out her real identity.

Even though Lan Ruoxi didn't say what she wanted directly, Xiao Tian was still able to understand it.

"Elder Zhao, we will take our leave now. there is still something we have to do."

"All right. Be careful with Jufan and his friends." Zhao Chen gave a warning to Xiao Tian.

After nodding his head, Xiao Tian looked at his underlings and said, "Let's go."

Then they left. And like what they had guessed, on their way to the Blue Ice Lotus gang headquarters, they were intercepted by many people.

Because the road was blocked by their cars, Xiao Tian had to stop the vehicle.

'There are about thirty of them. But who are they?'

Even though Xiao Tian knew who the mastermind was, he didn't know who they were because he had never seen them before,

'Fortunately, this area is close to the place where I ordered my underlings to wait for me.'

Without waiting for another second, Xiao Tian called his underling and told them to come as fast as possible.

"It seems like they want to beat you to death." Lan Ruoxi spoke abruptly.

Everyone who blocked their path was wielding metal pipes in their hands. From their expressions, Lan Ruoxi could tell that they wanted to beat Xiao Tian to death before taking him to Jufan.

"Well, I'm very popular so what can I do?" After saying that, Xiao Tian started to untie the chains that bound his Katana.

Black lines formed on the foreheads of Mu Huo and his underlings. They didn't expect Xiao Tian to be joking around when they were in such a dangerous situation.

"Hehe." Lan Ruoxi giggled. "Oh! You want to unsheathe your Katana?"

"They have bad intentions towards me, so I will teach them a lesson." Xiao Tian answered, "Let's get out of the car."

Even though they were going to fight thirty people, Xiao Tian and the others still had calm expressions as if they didn't put their opponents in their eyes.

\*Clap...Clap...Clap...

The sound of someone clapping reverberated throughout the area.

"Wow! I'm amazed by your courage." A red-haired man about twenty-four years old said abruptly. "You are facing thirty people but there is not the slightest fear in your eyes."

"Lishang, I think they're idiots." A green-haired man spoke, "Instead of running away, they decide to face us. Do they think they can beat us with only six people? We have thirty people here. It's impossible for them to beat us."

"Well, I don't care about it. To me, it's just a number." Like before, Xiao Tian still had a calm expression. "So, where is Jufan? I thought he was here earlier."

"Only a number? Hahaha." Lishang could not help but laugh after hearing Xiao Tian's remarks. "Do you think you can beat us with only six people? And grandmaster Jufan is not with us. We don't need his help to beat you because we are more than enough to do that."

Because his opponents were only six people, Lishang was sure that they could beat them easily.

"Is that so?" When Xiao Tian heard the sound of several cars, his lips curled into a smirk because he was sure it was his underlings' vehicles. And what he had guessed was right because several cars stopped near them.

This made Lishang and the others instantly panic.

"Who are they?"

"We are surrounded by them."

"Ah, Shit!"

"What should we do now?"

Lishang and the others were surrounded by Xiao Tian's underlings. They didn't expect that something like this would happen to them.

"Who said we only have six people?" Xiao Tian asked, "We have more than one hundred people here."

Lishang skimmed his surroundings before cursing viciously in his head.

'Fuck!'

Not only were they outnumbered, but all of Xiao Tian's underlings were also holding weapons in their hands. With this, Lishang knew that the possibility of them escaping from Xiao Tian and his underlings was zero.

"Eh! Why did your expression suddenly change?" Xiao Tian asked in a mocking tone. "Where was your mighty behavior earlier?"

Lishang gritted his teeth before answering. "Young master Xiao, we were only joking earlier. We have no bad intentions towards you. Isn't that right, everyone?"

"Yes."

"We were only joking."

"Young master Xiao, you should not treat it seriously."

Even though they knew that Xiao Tian would not believe their words easily, but they still said it, hoping that Xiao Tian would let them go later.

"Is that so?" of course, Xiao Tian knew that they were lying to him. "Isn't the reason you stop my car because you want to beat me to death?"

"No,no,no,no." Lishang denied instantly. "Our car broke down. That's why our cars are on the road. "

"Break their legs and throw them into the forest. Whatever they live or not later, let fate decide it. Ah! Bring him to our base later." Xiao Tian pointed his right index finger towards Lishang.

"Understood." Xiao Tian's underlings answered in unison.

Without waiting for another second, Xiao Tian's underlings began to attack Lishang and the others.

"Aggghhhh."

"Agghhh."

"My legs...Agghhhh."

"My hands...agghhh."

As soon as Xiao Tian's underlings attacked Lishang and the others, a soul-piercing howl of pain echoed in the entire area. Blood was splattered everywhere, and one by one, people collapsed on the ground.

At this moment, Xiao Tian only looked at them expressionlessly. Since Lishang and the others wanted to hurt him, Xiao Tian would not forgive them easily.

Ten minutes later, Xiao Tian's underlings had beaten up Lishang and the others. After breaking their legs and throwing them into the forest, Xiao Tian and the others left.
