Chapter 671 - Having A Party With His Underlings And Lan Ruoxi

After they arrived at the Blue Ice Lotus gang headquarters, two of Xiao Tian's underlings immediately put Lishang in prison.

When Lishang saw the Hong and the Hawk gang members, his expression turned frightened.

'Am I going to be tortured by them later? And why don't they break my legs like what they did to the others? Is it because they want to torture me later?'

When Lishang saw the bruises on their faces, he knew that they were tortured not long ago. This made him deeply regret his actions.

If he had known that he would be tortured by Xiao Tian later, he would not have accepted the offer to beat Xiao Tian.

However, everything was already too late. He could not change anything or turn back time. He just hoped that Xiao Tian would release him soon or he could escape later.

Actually Xiao Tian had never tortured them again since four months ago. It was his underlings' doing. Every time they were pissed off by something, they always vented their anger by torturing the Hong or Hawk gang members.

They dared to do something like that because Xiao Tian said they could do anything to them as long as they didn't die.

After imprisoning Lishang, Xiao Tian's underlings returned to the room where they usually relax.

Like what they had planned before, Xiao Tian gave Chun Hua money and told her to buy various kinds of food and drinks so that they could immediately have a small party.

As Chun Hua went to buy food, Xiao Tian's other underlings immediately prepared everything.

However, because the room was too small for them to eat together, they decided to have a party in the front yard.

Of course, Xiao Tian also ordered his underlings, who were protecting his women and Yun Xin Er, to return to the Blue Ice Lotus gang headquarters.

Forty minutes later, Chun Hua and the others returned with various kinds of food and beverages in their hands.

"Wow! All the foods look delicious."

"There is so much variety of food and drinks."

"Whoa! Our leader is the best."

"Yes. Our leader is the best."

"I suddenly want to eat off of them immediately."

One by one, Xiao Tian's underlings praised Xiao Tian.

Xiao Tian, who was hearing their words and seeing their happy expressions, could not help but smile softly. Previously, he made a lot of money, so Xiao Tian told Chun Hua to buy various kinds of food and beverages.

Lan Ruoxi, who was sitting on Xiao Tian's right side, spoke abruptly, "It seems like your underlings are happy."

"Are you happy too?" Xiao Tian inquired

Instead of answering, Lan Ruoxi asked, "What do you think?"

"I don't know because your face is masked by a veil." Xiao Tian replied, "Are you going to take off your veil? Lady Mei, just take it off because you won't be able to eat or drink later."

"Who said I couldn't do that?" Lan Ruoxi was sure that she could eat or drink even though a veil still masked her face.

All she needed to do was lift her veil slightly, and she would be able to eat or drink.

Xiao Tian was a little disappointed after hearing her words, but he didn't say a word and only stared at her.

When Lan Ruoxi saw the expression on his face, she giggled, "Hehe. Why? Are you disappointed?"

"Yes." Xiao Tian gave an honest answer.

At this moment, Mu Huo, who was sitting on Xiao Tian's left side, said, "Boss, everything is ready. You should say something or else, they won't start the party."

Upon hearing Mu Huo's words, Xiao Tian rose to his feet and spoke, "Alright. I won't give you a long speech because I know that all of you want to enjoy the food immediately. Let's eat to our hearts' content!"

"Let's eat." Xiao Tian's underlings shouted happily before they started to eat.

"This Peking roasted duck is so delicious!"

"This crab salad is also yummy!"

"You should try this shrimp roll. It's so tasty!"

"No, no. You should try this chicken with bacon cheese topping. You won't regret it!"

"No, no, no, no. You should try this Kung Pao Chicken instead. This is the most delicious food!"

One by one, Xiao Tian's underlings recommended their friends to eat the food they were eating.

"Let me try all of them then." The blue-haired woman said before she took all the food and started eating them. "Yualrrit. Tufodisinddtsty."

She wanted to say that the foods they recommended were delicious, but she couldn't say it clearly because her mouth was full of food.

"Hey, eat it one by one, not all at once."

"Don't say anything when your mouth is full."

"Hahaha."

They laughed loudly when they saw her mouth was full of food.

Xiao Tian's face broke into a smile when he saw it.

'They are indeed interesting people.'

Every time he had a small party with his underlings, they always managed to make him smile with their funny behaviors.

This was of the reasons why Xiao Tian often had a small party with them. Sometimes, he felt as if they were not gang members but young people who were hanging out with their friends.

At this moment, Mu Huo was staring at Xiao Tian.

'Even though he is cruel to his enemies, but he treats his underlings very well. Every time his underlings got injured, he always told them to go to the hospital. He even often throws a party like this with his underlings.'

When Mu Huo learned that Xiao Tian was a leader of a gang, he thought Xiao Tian didn't care about his underlings' well-being, but he was wrong.

Not only did Xiao Tian treat them very well, but Xiao Tian often threw a party with them or supported them. This made Mu Huo feel glad that he chose to accept it when Xiao Tian asked him to work under Xiao Tian.

When Xiao Tian knew that Mu Huo was staring at him, he asked, "What's wrong? Do you have anything you want to tell me?"

"No." Mu Huo shook his head. "Nothing."

"I see." After saying that, Xiao Tian looked at Lan Ruoxi, "Lady Mei, do you want to go on a date with me after this?"

Black lines formed on Mu Huo's forehead after hearing Xiao Tian's words.

'Ah! I forgot that he is also a playboy!'

Mu Huo knew that Xiao Tian had two women and a special relationship with Yun Xin Er and Lin Xing Xue.

"Sure!" Lan Ruoxi answered instantly. "But you have to defeat me in a fight first."

"Pfftt!" a peal of suppressed laughter burst out. Even though Mu Huo knew that Xiao Tian was talented in martial arts, but he knew that Xiao Tian was weaker than Lan Ruoxi.

"Damn you, Mu Huo!" Xiao Tian retorted.

"Haha." Mu Huo could not help but laugh. "Sorry, boss. Sorry."

"Hehe." Lan Ruoxi giggled.

"Just you wait. Soon, I will be much stronger than all of you." After saying that, Xiao Tian returned his attention to Lan Ruoxi, "At that time, I will come to your house and force you to go on a date with me."

"I will be waiting." Lan Ruoxi replied.

Inside the patient room, three people were sitting on the chairs. In front of them, a young man was lying down on the bed. These people were none other than, Jufan, Yahui, Shuren, and Qigang.

Not long after that, a young man entered the patient room.

"How is it?" Jufan inquired.

"They failed." The young man replied.

Jufan instantly gritted his teeth and cursed venomously in his heart.

Chapter 672 - This Is So Funny

7-8 minutes

After having a party with his underlings, Xiao Tian sent Lan Ruoxi home. As usual, after he arrived home, Xiao Tian spent time with his women until 11:00 pm before finally, he slept.

The next day, after Xiao Tian worked at the Eternal Beauty company for about seven hours, Zhao Sheng suddenly called him and told him to come to Red Flower bar.

Without waiting for another second, Xiao Tian traveled to Red Flower bar. When he stepped into a private room, he saw Lan Ruoxi and Zhao Sheng sitting on the couch.

"Yo, Xiao Tian." Zhao Sheng waved his right arm. "Where is my money?"

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words. "What? Money is the first thing you ask me?!"

"Hehe." Lan Ruoxi giggled. "Young master Zhao, you are from an upper-class family, so you should not behave like this."

"What's wrong with that? Money is still money. You can't become an upper-class family if you don't have money." Actually, Zhao Sheng didn't care about money. He was only joking around.

"Fine. Tell me your bank account. I will transfer it now." because Xiao Tian had promised to give half of the money he got to Zhao Sheng, he decided to transfer it right away.

After receiving money from Xiao Tian, Zhao Sheng said happily, "Let's go somewhere and spend all the money we got from Jufan and the others."

"I agree. Let's go to Star Restaurant and spend all our money there." Of course, Xiao Tian was only joking around when he said that.

"Fuck you, Xiao Tian!" Zhao Sheng cursed instantly after hearing Xiao Tian's words.

"Haha." Lan Ruoxi could not help but burst into waves of laughter after hearing their words. "Both of you are indeed interesting young men."

"And handsome too." After saying that, Zhao Sheng turned his head towards Xiao Tian. "Isn't that right, Xiao Tian?"

"You are damn right!" Xiao Tian answered instantly.

"And overconfident too." Lan Ruoxi added before giggling again.

"So, where do you want to go?" Xiao Tian inquired.

Zhao Sheng touched his chin and began to think about it. "How about we go on a picnic to the Shanghai River?"

"I agree." Lan Ruoxi thought it was a good idea to go on a picnic.

It was already 03:00 pm, so the weather was not hot anymore. And at Shanghai River, they would be able to see sunset again later.

Then they traveled to the Shanghai River after buying food and drinks.

"Ah. The weather is perfect today!" Zhao Sheng spoke abruptly.

Currently, Xiao Tian, Zhao Sheng, and Lan Ruoxi were sitting on the mat. In front of them, various kinds of food and beverages were neatly arranged.

"By the way, Xiao Tian. Who is that lady?" Zhao Sheng inquired.

"That lady? Is there a beautiful lady around here? Where?" Xiao Tian turned his head to the left and right because he thought Zhao Sheng was talking about a beautiful lady around them.

"Why are you skimming your surrounding?" Zhao Sheng said, "I'm talking about the lady who helped you yesterday."

"Ah! You mean Mei Xing?" Xiao Tian finally understood that Zhao Sheng was talking about Lan Ruoxi.

"Yes. Where did you meet her? And is she beautiful?" because Zhao Sheng could not see Lan Ruoxi's face yesterday, he was still curious about it.

At this moment, Lan Ruoxi remained silent and only stared at Xiao Tian. She wanted to know what Xiao Tian would say to Zhao Sheng.

"Ah! She is stunning." Xiao Tian answered after glancing at Lan Ruoxi for a second. "Not only is she pretty, but she also has a sexy body."

"Really?" Zhao Sheng wanted to know about Mei Xing even more when he learned that she was a beautiful lady with a sexy body.

"Hehe." Lan Ruoxi giggled after seeing Zhao Sheng's expression. "Young master Zhao, it seems like you are attracted to her. Are you always like this when you talk about beautiful women?"

"Big sister Ruoxi, you are a woman, so you won't understand it. You could say that is the nature of men" After saying that, Zhao Sheng turned his head towards Xiao Tian, "Isn't that right, Xiao Tian?"

At this moment, Xiao Tian nodded his head while trying his best not to laugh.

'If only he knows that Mei Xing is sitting next to him.'

Xiao Tian suddenly wanted to know what his reaction would be if Zhao Sheng knew that Mei Xing was Lan Ruoxi.

"Tell me more about her." Zhao Sheng wanted to know about Mei Xing more. "Does she have a lover?"

"Why are you asking whether she has a lover or not?" Xiao Tian asked, "Do you want to make her yours?"

"Young master Zhao, even though she has no lover, but she dislikes a playboy, so you don't have a chance with her." even though Zhao Sheng asked Xiao Tian, but Lan Ruoxi was the one who answered him.

"Big sister Ruoxi, how do you know that?" Zhao Sheng was surprised after hearing Lan Ruoxi's words because he thought only Xiao Tian knew Mei Xing.

Xiao Tian covered his mouth and tried his best not to laugh.

'Haha. He got rejected before he even confessed. This is so funny! I really want to make fun of him now, but too bad, I can't do that.'

Xiao Tian really wanted to make fun of Zhao Sheng because something like this was rare for him.

'Wait! Wait a second!'

Xiao Tian suddenly remembered Lan Ruoxi's following words.

'She said that she dislikes a playboy. Does that mean she also dislikes me?'

Because he was also a playboy, Xiao Tian suddenly thought Lan Ruoxi also disliked him.

'No, no, no, no. I'm sure she only dislikes Zhao Sheng, not me.'

Because he had a passionate kiss with Lan Ruoxi many times, Xiao Tian was sure that his place in her heart was different from Zhao Sheng.

At this moment, Lan Ruoxi realized that she had made a mistake. Luckily, she found a good excuse.

"Well, young master Xiao Tian told me about her yesterday. Isn't that right, young master Xiao?"

".....Yes." actually, Xiao Tian wanted to deny it but decided against it because he didn't want to upset Lan Ruoxi.

If she were angry and didn't want to help him anymore in the future, it would be a bad thing for Xiao Tian because Lan Ruoxi was very useful to him.

"Hehe. big sister Ruoxi, you are underestimating me too much because there isn't a single woman that I can't seduce in this world." Zhao Sheng said proudly.

"Hahaha," Xiao Tian and Lan Ruoxi laughed after hearing Zhao Sheng's words.

"Hey! Why are you laughing?" Zhao Sheng had no idea as to why Xiao Tian and Lan Ruoxi suddenly laughed like that. "Now tell me about her?"

"Hmm. First, she is a martial arts expert. Second, she has a beautiful face and a sexy body. Third, she has beautiful lips. Her pink lips are so tender, and..." Xiao Tian stopped his words and glanced at Lan Ruoxi for a second before he continued, "...kissable."

"Kissable?" Zhao Sheng was shocked. "Xiao Tian, don't tell me. You have kissed her before? Tell me the truth!"

Chapter 673 - It's Easy

9-11 minutes

'Of course. I even lost count how many times I kissed her tender lips. Not only that, we even had a passionate kiss two days ago. Do you know how kissable her lips are? The feeling when you press your lips against hers or when you kiss her passionately is so amazing that I can't describe it in words.'

Xiao Tian answered instantly in his head.

Xiao Tian decided to keep everything he had done with Lan Ruoxi a secret because, in his view, it was better if Zhao Sheng didn't know anything about it.

Like before, Lan Ruoxi didn't say a word and only stared at Xiao Tian. She wanted to know whether Xiao Tian would tell the truth or not.

"Why didn't you say anything?" Zhao Sheng wanted to know even more when Xiao Tian didn't answer his question immediately.

Instead of answering, Xiao Tian asked, "What do you think?"

"I'm sure you've never kissed her before." Zhao Sheng replied. "She even pointed her sword at my neck when I only asked her to take off her veil yesterday. If you dared try to kiss her on the lips, I'm sure she would have stabbed you with her sword. Since you are still alive now, it means you never kissed her. "

Mei Xing or Lan Ruoxi had a cold personality when she met Zhao Sheng, so he believed it was challenging to kiss her.

"I think so too." Lan Ruoxi didn't expect Zhao Sheng to say something like that. "If young master Xiao tried to kiss that lady, I'm sure he would have died by now. That woman has a cold personality so she won't let anyone touch her easily, let alone kiss her lips."

Even though Xiao Tian had kissed her many times, but she still said something like that because she wanted Zhao Sheng to think of her as a cold lady.

The corner of Xiao Tian's lips twitched after hearing their words. "What do you mean by that? Don't underestimate me!"

"We are not underestimating you, but it's the truth." After saying that, Zhao Sheng turned his head towards Lan Ruoxi. "Isn't that right, big sister Ruoxi?"

"Yes." Lan Ruoxi replied as she nodded his head.

"Well, at least I'm better than you." of course, Xiao Tian was joking around when he said it.

"Damn! Do you want to test which of us is better at seducing a woman now?" Zhao Shen challenged Xiao Tian.

He could not accept it when Xiao Tian stated that Xiao Tian was better than him at seducing a woman.

"Sure." Xiao Tian was not afraid because he was sure that he was no less skilled than Zhao Sheng at seducing a woman.

Zhao Sheng then skimmed his surroundings before pointing his right index finger at a woman. "You see that pink-haired lady? Go and get her number in less than five minutes."

Several meters from them, a lady was sitting in the public seating with her friend. From their expressions, anyone could tell that they were talking about something interesting because they often laughed happily.

"Ahh! This is so hard!" Xiao Tian spoke and paused for a second before he continued, "There are so many ways to get her number. It's hard to decide which method I should use this time."

"Damn! Just do it!" Zhao Sheng said, "Prove it to me now!"

Lan Ruoxi, who was seeing them, could not help but giggle.

'I also want to know who is better at seducing woman among them.'

Lan Ruoxi knew that both Xiao Tian and Zhao Sheng were playboys, but she didn't know who was better at seducing a woman among them.

When Xiao Tian remembered that they bought a lot of foods and drinks before, he immediately grabbed a box of donuts and lemon tea. "Let me show you how to get a woman's number in less than five minutes."

After saying that, Xiao Tian marched towards the pink-haired woman confidently.

When Xiao Tian was in front of the pink-haired lady, he immediately put lemon tea and a box of donuts next to her and spoke, "Hello miss, your food delivery is here."

The pink-haired lady was surprised after hearing Xiao Tian's words because she didn't order anything. "I didn't order anything."

"Really?" Xiao Tian then took his smartphone out of his pocket and said, "Your number is 123-456-789-0, right?"

"No. That is not my number." The lady answered instantly.

"Then, what is your number?" Xiao Tian inquired.

In order to prove that she didn't lie to Xiao Tian, she told him her number. "My number is 222-222-22-2."

What she didn't know was that when she was telling him her number, Xiao Tian dialed the number.

*Ring.

The sound of a ringtone could be heard in their ears.

'Unknown number?'

Even though it was a call from an unknown number, she could not ignore it.

"Give me a moment. I have a call." After saying that, she picked up the phone. "Hello?"

Xiao Tian smiled before he pointed his right index finger at the donuts box and said, "Hello. This lovely food is for you."

When she realized that the one who called her was none other than Xiao Tian, she smiled slyly before covering her mouth.

"I specially bought this food for the most beautiful lady at the Shanghai River." Of course, Xiao Tian didn't forget to use his sweet words.

"Thank you." the pink-haired lady kept smiling.

She was pleasantly surprised after hearing his words. She even forgot that her friend was next to her and only paid attention to Xiao Tian.

At this moment, her friend was a little jealous. Not only was Xiao Tian attractive, he even knew how to please a lady.

Of course, she didn't voice out her feelings and only smiled while looking at Xiao Tian's handsome face.

"By the way, I still don't know your name. May I know your name?" Xiao Tian inquired.

"My name is Lisa." Lisa gave an honest answer.

"What a beautiful name! That name suits you very well." Xiao Tian praised her name. "My name is Huang Long. Alright. I have to go now because my friends are waiting for me. I hope you will like the food later."

"Thank you." Lisa thanked Xiao Tian again.

Before leaving, Xiao Tian smiled dazzlingly, causing Lisa and her friend to be stunned for a few seconds.

'What a beautiful smile! Not only is he good-looking, but he also has a beautiful smile. What a perfect man!'

Lisa and her friend were amazed by how beautiful his smile was. In their view, a beautiful smile was better than a handsome face because many people could become handsome, but not everyone had a beautiful smile.

After Xiao Tian sat in front of Lan Ruoxi and Zhao Sheng, he showed his smartphone to them and spoke, "In less than five minutes, I got her number and know her name."

"As expected of a playboy, you really can seduce any woman." Lan Ruoxi praised Xiao Tian.

'You are right. Any woman, including you.'

Xiao Tian added in his head.

"I can do that too." Zhao Sheng rose to his feet. "I will get that red-haired lady's number in less than five minutes too."

Like Xiao Tian, Zhao Sheng walked towards the red-haired woman confidently. Because Zhao Sheng was also skilled at seducing a lady, he managed to get the red-haired lady's number and knew her name in less than five minutes too.

"See! It's so easy!" Zhao Sheng said while showing his smartphone to Xiao Tian and Lan Ruoxi.

At this moment, Zhao Sheng and Xiao Tian suddenly turned their heads towards Lan Ruoxi.

"Why are you looking at me like that?" Lan Ruoxi had no idea as to why Xiao Tian and Zhao Sheng suddenly stared at her like that.

Xiao Tian and Zhao Sheng didn't answer and kept looking at her.

After thinking for several seconds, Lan Ruoxi finally knew the reason why Xiao Tian and Zhao Sheng were staring at her. "You want me to do that too?!"

Xiao Tian then looked at Zhao Sheng and spoke, "Zhao Sheng, it seems like she doesn't need to do that. I'm sure even if she only stood there doing or saying nothing, any man would instantly try to hit on her. Did you forget that all the men stole glances at her when we were walking earlier?"

"Ah! You are right." Zhao Sheng agreed with Xiao Tian's words. "Forget it!"

"That's right. I don't need to do that." Lan Ruoxi was pleased after hearing their words because she didn't want to do that. "I even can seduce two young playboys without doing anything. Hehe."

Black lines formed on the foreheads of Xiao Tian and Zhao Sheng. Of course, they knew that Lan Ruoxi was talking about them.

"You are overconfident, big sister Ruoxi. Who said we are interested in you? We only think of you as our friend. Nothing more than that." After saying that, Zhao Sheng turned his head towards Xiao Tian. "Isn't that right, Xiao Tian?"

Xiao Tian didn't answer and only smiled. Even though Xiao Tian still didn't have feelings for Lan Ruoxi, but he didn't deny that hanging out with her always made him happy.

"Really?" Lan Ruoxi glanced at Zhao Sheng before shifting her gaze at Xiao Tian.

"Even though we admit that you are gorgeous, but we also have women who are as attractive as you." like Xiao Tian, Zhao Sheng also had many women, and all of them were pretty or sexy.

Lan Ruoxi then grabbed Xiao Tian by the chin and said, "Young master Xiao, are you also not interested in me?"

Chapter 674 - Please Help Me Get Out Of This Place

9-11 minutes

'Of course, I'm interested in you, but I have no feelings for you. At least, for now.'

Xiao Tian answered instantly in his head.

Instead of answering her question, Xiao Tian decided to tease her, "Lady Lan, how about we go to the hotel after this? I will let you know whether I'm interested in you or not there."

"Hehe. What are we going to do in the hotel?" even though Lan Ruoxi knew what Xiao Tian had in mind, she pretended as if she didn't know anything.

"I will show you through actions whether I'm interested in you or not." Even though Zhao Sheng was in front of him, Xiao Tian didn't care and still teased Lan Ruoxi.

"Damn you, Xiao Tian! Remember our rules! Special relationship is not allowed between us!" Zhao Sheng shouted while pointing his right index finger at Xiao Tian.

"Haha." Lan Ruoxi and Xiao Tian laughed after seeing Zhao Sheng's reaction.

"By the way, what are you going to do to Jufan?" Zhao Sheng changed the subject. "Not only have you wreaked havoc at the Hakken martial arts school, but you've also humiliated him in front of several martial artists. I'm sure, he will immediately take revenge on you."

"Do you have a plan to deal with this?" Lan Ruoxi inquired.

"Of course, I have. I have two plans. My plans are like this...." Xiao Tian began to tell them his plans.

"Young master Xiao, both of your plans are really dangerous, especially your plan A." Lan Ruoxi said after Xiao Tian finished telling them everything. "I think your plan B is better."

"I agree." Zhao Sheng added. "If we use plan A, we have to remember everything about Lishang and a single mistake could be fatal for us. I chose plan B because it is safer for us."

"Alright. We will use plan B then." because Lan Ruoxi and Zhao Sheng chose plan B, Xiao Tian had no choice but to agree.

"When do you want to carry out this plan?" Zhao Sheng inquired.

"How about we make our move tomorrow night?" Xiao Tian said, "I will buy a house in the village tomorrow."

"All right." Lan Ruoxi and Zhao Sheng answered in unison.

Like what they had planned before, when the sun was setting, they enjoyed it together and took a lot of pictures. After that, they went home.

That night, Xiao Tian told his women that he would not be home for several days. He didn't say anything about what he was going to do because he knew that they would stop him later.

The following morning, Xiao Tian and Liang Jun went to Mozu village to buy a house. After that, Xiao Tian traveled to the Blue Ice Lotus gang headquarters to tell his underlings about his plan.

At first, Chun Hua and Mu Huo wanted to participate in his plan so that they could protect Xiao Tian, but Xiao Tian instantly refused.

After that, Xiao Tian went straight to Red Flower bar. As he had guessed, when he stepped into the private room, he saw Zhao Sheng and Lan Ruoxi.

"Have you finished preparing everything?" Zhao Sheng inquired.

"Yes." Xiao Tian then gave a silicone head mask to them. "Did you bring the poison?"

"Here." Zhao Sheng showed several poisons to Xiao Tian. "I brought several poisons with me. It has been a long time since I played with poison so I'm kind of excited now."

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words.

"Have you bought a house for us?" Lan Ruoxi inquired

"Yes." Xiao Tian answered instantly. "I have bought a small house at Mozu village. I also bought two motorbikes for us."

"By the way. This silicone head mask is so ugly." Zhao Sheng stated as he looked at the silicone head mask in his right hand.

The silicone head mask on his right hand had blue hair with green eyes. Even though the eyes were beautiful, but overall, the face was neither handsome nor ugly. It could be said that the good look of the silicone head mask was 6 out of 10.

"We are not going to seduce women, so it doesn't really matter to us." Like Zhao Sheng, Xiao Tian's silicone head mask was not handsome too.

They would pretend to be twins later so that their silicone head masks were similar. The difference was, Xiao Tian's silicone head mask had a suture scar running down under the left eyes.

"Big sister Ruoxi, what about yours?" Zhao Sheng inquired.

"Same. Not pretty or ugly." Lan Ruoxi answered instantly.

The reason why Xiao Tian didn't give Lan Ruoxi a pretty silicone head mask was that it could be a problem later if Lan Ruoxi used a lovely silicone head mask.

Then Xiao Tian and the others went to Mozu village to see the house. The house was small with two big trees in front of it.

When they stepped into the guest room, there was only an old sofa in it. Like the guest room, the family room also only had a couch in it: no TV or other furniture.

After they sat on the sofa, they started discussing their plans again because they didn't want to make a single mistake.

Without realizing it, it was already 07:00 pm. At 9:00 pm, Xiao Tian and the others traveled to the Blue Ice Lotus gang headquarters.

Because Mozu village was located in the Wanhui district, it took them an hour to reach their destination. Then they parked their motorbikes not far from the Blue Ice Lotus gang headquarters.

Like what they had planned, there were only ten of Xiao Tian's underlings at the base. When Xiao Tian's underlings saw them, they knew that the plan had begun.

Previously, Xiao Tian's underlings had made over their faces. Currently, there were a lot of bruises and blood on their faces. Of course, they were all fake.

Xiao Tian then looked at Zhao Sheng and Lan Ruoxi. "Let's begin."

Lan Ruoxi and Zhao Sheng didn't answer, but they nodded their heads, giving him a sign that they were ready to carry out their plan.

After they were in the dungeon, Xiao Tian immediately dashed towards one of the prisons and said, "Not here."

Like Xiao Tian, Lan Ruoxi, and Zhao Sheng also did the same thing.

"Not here too." Zhao Sheng said.

"This prison is also empty." Lan Ruoxi uttered.

Xiao Tian then moved to another jail. "Not here."

"Not here." Zhao Sheng stated.

"Another empty jail." Lan Ruoxi said, "Where are they?"

When Xiao Tian was in front of the prison where the Hong family members were being held, their expressions brightened.

"Father, mother, brother, there is someone here." Hong Jun said,

At this moment, Xiao Tian only stared at them without saying anything. His lips curled into a grin when he saw them.

'What? You want me to help you get out of here?! Are you fucking kidding me? There is no way I gonna help you get out of here.'

Because Xiao Tian wanted to see their miserable expression, he stood there and crossed his arms over his chest.

Hong Guan Ji, Hong Duan, and Yi Yi instantly walked closer to Xiao Tian.

"Please help us get out of this prison." Hong Guan Ji looked at Xiao Tian with a pleading expression.

"Please help us get out of this hell place." Yi Yi begged Xiao Tian. "I don't want to be here anymore. Please."

"Please. We will remember your kindness and repay it later." Hong Duan added.

Previously, they had lost hope of getting out of prison and accepted their fate. But Xiao Tian's appearance gave them hope again. They thought they finally would be able to get out of the hell place.

However, Xiao Tian remained silent and only stared at them.

This made the Hong family members panic. Xiao Tian was the only person who could help them get out of prison, so they immediately thought of a way to get Xiao Tian to agree to help them.

Hong Jun instantly knelt in front of Xiao Tian and begged. "Please help us. We will definitely repay your kindness later."

The others instantly followed him. "Please."

At this moment, Zhao Sheng walked towards Xiao Tian and spoke, "What are you doing? Hurry up and find our family. We can't waste time now."

Without caring about the Hong family members, Xiao Tian walked away.

'You want me to help you get out of this place? In your fucking dream!'

Xiao Tian had given them a second chance, so he would not give them another chance.

"Don't leave. Please help us!" the Hong family members said in unison.

Their expression turned sad again when Xiao Tian decided not to help them. With this, their hopes of getting out of the prison were shattered to pieces again.

Like the Hong family members, the Hawk gang members also begged Xiao Tian to release them. Of course, Xiao Tian ignored them.

When Xiao Tian, Zhao Sheng, and Lan Ruoxi were in front of the prison where Lishang was being held, Lishang begged them. "Please help me get out of this place. Please."

From his face, anyone could tell that someone had beaten him up not long ago because his face was still covered in bruises. Not only that, blood was even still visible on the corners of his lips and head.

'It seems like my underlings tortured him earlier.'

Of course, Xiao Tian was not angry at his underlings; instead, he was pleased because Lishang was tortured before being released.

"What will you give me if I help you get out of here?" Xiao Tian inquired.

Chapter 675 - Releasing Lishang From Prison

8-10 minutes

"Everything!" Lishang answered without thinking twice. "I will give you whatever you want as long as you help me get out of this prison."

Lishang didn't want to be in prison anymore. He was already imprisoned by Xiao Tian for two days, but Xiao Tian's underlings had tortured him six times.

Every time they were pissed off by something, they vented their anger by torturing him. He knew that he was their enemy, but in his view, their actions were too much.

They beat him, kicked him, whipped him, and did many other cruel things to him. From his point of view, it didn't make sense for them to take their anger out on him when he wasn't the one who pissed them off.

It was unfair, and he disliked it very much. However, he knew that he could not do anything about it.

Lishang didn't dare to imagine what would happen to him if he remained in prison for more than a month. That was why he would do whatever Xiao Tian wanted as long as Xiao Tian was willing to help him get out of that hellish place.

"Anything?" Xiao Tian's lips curled into a grin.

"Yes. Anything." Lishang answered as he nodded his head.

At this moment, Lishang was pleased because, from Xiao Tian's behavior, there was a high chance that Xiao Tian would help him get out of the prison.

"Brother, what are you doing?" Zhao Sheng asked, "Hurry up and find our family. Otherwise, it will be dangerous for us later."

"Yes. We must find your family soon." Lan Ruoxi added.

Lishang finally understood the reason why Xiao Tian and the others were in the dungeon. "Is your family also imprisoned here? I can help you look for them later. Not only that, I'm also willing to help you get revenge later because we have the same enemy."

Lishang had no idea that the person he was talking to was none other than his enemy. He believed that they had the same enemy.

Xiao Tian then glanced at Zhao Sheng and asked, "What do you think, brother? Should we free him from jail?"

"Who are you?" Zhao Sheng inquired.

"I'm Lishang, the disciple of Ryu martial art school." Lishang introduced himself. "You may not believe it, but I have quite important position in the Ryu martial art school because I'm one of their best disciples."

When Zhao Sheng heard it, an evil smile appeared on his face.

'I didn't expect that he is from the Ryu martial arts school. This is going to be interesting.'

Zhao Sheng said in his head.

"If you dare lie to us, we will make you regret it later." Zhao Sheng didn't forget to threaten Lishang before they helped him get out of the prison.

"I promise." Lishang was delighted because he would finally be able to get out of that hellish place.

Xiao Tian then opened the jail and said, "Follow us. We need to find our family first."

"All right." Lishang nodded his head before following them.

After looking for all the prisons, Xiao Tian uttered, "Our parents are not here. Where are they?"

"Don't tell me..." Zhao Sheng wore a sad expression as if Xiao Tian had killed their parents.

Xiao Tian gritted his teeth and murmured, "Xiao Tian!!!"

When Lishang saw their expression, his face turned sad too. He thought Xiao Tian had killed their parents. "Don't lose hope. We still haven't seen their corpses, so there is still a chance that your parents are still alive."

"He is right." Lan Ruoxi added. "Let's get out of here now. We can make a plan again later."

"All right." Xiao Tian and Zhao Sheng replied in unison.

After they got out of the dungeon, Lishang was startled when he saw ten of Xiao Tian's underlings passed out on the ground. Their faces were full of bruises, and blood was splashed everywhere.

'Are they the ones who did this? But why are there only ten of them? Where is the others?'

Lishang then stared at Xiao Tian and the others.

'Did they investigate everything first before coming here? Seems like it. So, they decide to break in when there are only ten of Xiao Tian's underlings.'

Lishang believed that Xiao Tian and the others had investigated everything first before coming to the Blue Ice Lotus gang headquarters.

When they were in the front yard, a voice suddenly rang out. "Stop right there!"

Xiao Tian and the others instantly turned their heads towards the source of the sound. When they saw twenty of Xiao Tian's underlings, Xiao Tian immediately said, "Run!"

According to Xiao Tian's plan, Xiao Tian's underlings would chase Xiao Tian and the others for several minutes before returning to their base.

"Stop!" ten of Xiao Tian's underlings blocked their path.

"What should we do? Should we keep running away, or fight them?" Lishang inquired.

However, Xiao Tian, Zhao Sheng, and Lan Ruoxi kept running towards Xiao Tian's underlings before fighting them.

When Lishang saw them preparing to fight, he wanted to help them. To his surprise, Xiao Tian and the others could defeat Xiao Tian's underlings instantly.

'They are amazing!'

Lishang praised them.

'It seems like they are martial artists at the master stage. Maybe all of them are high-level master stage.'

Because Xiao Tian and the others could defeat Xiao Tian's underlings instantly, Lishang believed that they were martial artists at the master stage.

He had no idea that everything was only acting. Xiao Tian and the others didn't attack them hard, and Xiao Tian's underlings deliberately put on an expression of pain after being hit so that Lishang would think that Xiao Tian and the others hit them hard.

"Let's go." Xiao Tian uttered.

They continued running away, and like what they had planned, Xiao Tian's underlings kept chasing them. After running for more than thirty minutes, Xiao Tian's underlings pretended to lose them and returned to their base. Then Xiao Tian and the others went to their house.

"Luckily, we managed to escape earlier." Zhao Sheng spoke abruptly. Currently, they were in the guest room. "I didn't expect them to come back earlier than we predicted."

"Brothers, sister. Thank you for helping me." Lishang thanked them. "I still don't know your name. May I know your name."

"My name is Black." After saying that, Zhao Sheng pointed his right index finger at Xiao Tian before shifting it to Lan Ruoxi. "He is my twin brother, Ace. And she is our sister-in-law, Crystal."

Zhao Sheng's words much surprised Lishang.

'Their names are not Chinese names. Are they using fake names?'

Even though Lishang thought that Xiao Tian and the others were using fake names, he didn't ask them anything because he was sure they had a reason for it.

"How did you end up in prison?" Zhao Sheng inquired.

Even though Xiao Tian had told him everything, Zhao Sheng pretended as if he didn't know anything.

"The name of my Shifu is Yahui and grandmaster Jufan is his friend." Lishang gave an honest answer.

"Because grandmaster Jufan has enmity with Xiao Tian, my Shifu decided to help him. My master sent

me to beat Xiao Tian, but I didn't know that Xiao Tian had many underlings. I was imprisoned for about two days but his underlings had beaten me six times. Every times they were pissed off by something, they vented their anger by beating me. They are so cruel!"

"You are right. Xiao Tian's underlings are indeed cruel." Zhao Sheng stated. "Not only that, but their leader is worse than them. Not only is he bad person, but he is also ugly, pervert, immature, and cruel. There are so many bad things about him until I can't remember all of it."

'Fuck you, Zhao Sheng!'

Xiao Tian cursed venomously in his heart after hearing Zhao Sheng's words. He wanted to curse Zhao Sheng, but he knew that he could not do that. Otherwise, their disguise would be exposed.

At this moment, Lan Ruoxi tried her best not to laugh. She didn't expect that Zhao Sheng would say something like that.

'Young master Zhao is indeed a bad person. Whenever an opportunity to badmouth Xiao Tian arose, he didn't let it slide.'

Lan Ruoxi said in her head.

At this time, Lishang didn't have the slightest suspicion after hearing Zhao Sheng's words because he believed that Zhao Sheng and the others had investigated everything about Xiao Tian before. That was why Zhao Sheng knew many things about Xiao Tian.

'It seems like they hate Xiao Tian to the bone.'

Lishang said in his head.

Chapter 676 - Meeting Jufan Again

7-8 minutes

"Do you want to go home now?" Zhao Sheng inquired.

"Brother Ace, brother Black, sister Crystal, I want to go home now. But I will come here again tomorrow. I will introduce you to my Shifu tomorrow." It had been two days since he didn't return home. He wanted to treat his wound first before sleeping on his soft bed.

"I will be waiting then." Because Lishang said that he would come to their house again tomorrow, Xiao Tian didn't force Lishang to stay.

After Lishang left, Zhao Sheng immediately said, "I suddenly found an exciting idea!"

"What is it?" Lan Ruoxi and Xiao Tian asked curiously.

"My idea is like this..." Zhao Sheng began to tell them his idea.

"Good idea!" Xiao Tian uttered, "Let's do that after beating them later."

"Both of you are really evil!" Lan Ruoxi stated. "Now I wonder, how come you two have so many evil ideas like that?"

Not only did they have so many good ideas for their companies, but they also had so many wicked ideas for their enemies. This made Lan Ruoxi wonder and want to know. It was as if the two of them were used to face many enemies.

"Secret!" in his past life, Xiao Tian did many evil things with his father. That was why he had so many wicked ideas in his head.

After that, they slept. The following morning, Lishang came to bring them to the Ryu martial arts school to meet his Shifu.

The Ryu martial arts school was located not far from the Hakken martial arts school. However, from their house, it took them about fifty minutes to reach the Ryu martial arts school.

As usual, when Xiao Tian and the others stepped into the front yard, almost all the disciples of Ryu martial arts school stole glances at them.

When they entered the guest room, they saw Yahui sitting on the chair. The guest was quite long, with a lot of furniture decorating the room, from ancient to modern furniture. Even all the chairs and tables were made of wood.

"Shifu, they are the ones who have helped me." Lishang said when he was in front of Yahui.

Yahui then rose to his feet and clasped hands in greeting. "Welcome to Ryu martial arts school. I, Yahui, thank all of you for helping my disciple escape from the Blue Ice Lotus gang headquarters."

"Don't mind it." Zhao Sheng replied as he smiled.

At this moment, Xiao Tian didn't answer and only stared at Yahui. He decided that he would use a cold personality. That was why he ignored Yahui.

As for Lan Ruoxi, even though she didn't say anything, but she still smiled.

Although Xiao Tian was rude to him, Yahui was not angry at Xiao Tian. "Please sit."

Xiao Tian and the others immediately sat on the chairs. Not long after that, a servant brought green tea and put it on the table.

"Please drink it." Yahui said as he smiled. "I heard from Lishang, the three of you sneaked into the Blue Ice Lotus gang headquarters to save your parents."

"That's right." Zhao Sheng answered. "But my parents were not there."

"Xiao Tian told me that our parents stole his clothing designs. We had tried to tell him that someone was making our parents scapegoats, but he didn't care." Xiao Tian made up a story. "Xiao Tian ordered his underlings to beat them before bringing our parents to his base."

"This Xiao Tian is indeed a devil!" Yahui stated, "Not too long ago, he also wreaked havoc at the Hakken martial arts school. Because of this, my friend lost his reputation. Currently, we are planning to attack the Blue Ice Lotus gang and teach him a lesson."

"Grandmaster Yahui, can we join you later?" Zhao Sheng inquired. "We also want to beat Xiao Tian to death! We won't let him go easily. We want to make him pay for his actions."

"Of course. We have the same enemy so it can be said that we are friends." Yahui instantly agreed because Lishang had told him that Xiao Tian and the others were skilled in martial arts.

With Xiao Tian and the others helping them, the possibility of them being able to destroy the Blue Ice Lotus gang was higher.

At this moment, Yahui did not realize that he had fallen into their trap. He thought Xiao Tian and the others also wanted to destroy the Blue Ice Lotus gang.

Not long after that, one of Yahui's disciples entered the guest room and said, "Shifu, grandmaster Jufan and grandmaster Shuren came to visit you."

"Let them in." Yahui answered instantly.

"Yahui, sorry to disturb your time." Shuren and Jufan said in unison when they stepped into the guest room.

Yahui rose to his feet and smiled, "What are you saying? We are friends. Instead of saying that, you two should often visit me."

"We will do that from now on." Jufan and Shuren answered in unison.

At this moment, Lan Ruoxi and Zhao Sheng looked at Xiao Tian. They wanted to know his expression.

'Good! He is good at controlling his emotions.'

When they knew that Xiao Tian was behaving normally, they were relieved. Previously, they were worried that Xiao Tian would look at Jufan with killing intent.

Jufan was a martial artist at the grandmaster stage, so it would be easy for him to feel the killing intent.

When Jufan noticed Xiao Tian and the others, he immediately said, "Oh! You have guests?!"

"Yes. They are the ones who helped Lishang escape from the Blue Ice Lotus gang headquarters." Yahui responded, "They also have enmity with Xiao Tian like us."

After Shuren sat on the chair, he immediately asked, "So, you managed to sneak into the Blue Ice Lotus gang headquarters, huh? It seems like all of you are skilled in martial arts."

"You are right, grandmaster Shuren." Lishang spoke abruptly. "When we were escaping from the Blue Ice Lotus gang headquarters, ten of Xiao Tian's underlings suddenly blocked our path, but they were able to defeat them instantly. I even didn't have the chance to help them and the fight was already over."

"It seems like all of you are talented in martial arts." Jufan asked, "Can you tell me your name?"

"My name is Crystal." Lan Ruoxi introduced herself.

"I'm Black." Zhao Sheng answered instantly.

"Ace." Xiao Tian replied expressionlessly.

"Haha. Grandmaster, please forgive my brother." Zhao Sheng said, "He doesn't like to talk, so he often gives short answers. And because Xiao Tian separated us from our parents, his personality is getting worse and worse by the day."

"It's fine." Jufan was not angry at Xiao Tian. He even smiled. "I can understand your brother's feelings."

"It seems like your brother hates Xiao Tian very much. I can see it on his face. Is the scar under his left eye also because of Xiao Tian?" Shuren noticed a suture scar running down under Xiao Tian's left eye.

"He got this scar when he was fighting Xiao Tian's underlings." Zhao Sheng lied to them.

"I see." Shuren said.

"Jufan, they also want to join us later. You don't mind, right?" Yahui said.

"Sure. We will accept them with open arms." Of course, Jufan would not refuse because he knew that they hated Xiao Tian too.

"Great!" Yahui said.

Chapter 677 - Where Do You Live?

7-9 minutes

Xiao Tian, Zhao Sheng, and Lan Ruoxi were delighted after hearing their words. With this, the second step of their plan went smoothly.

"Grandmasters, when are you planning to attack the Blue Ice Lotus gang?" Lan Ruoxi inquired.

In order to prepare everything, they had to know when Jufan and the others would attack the Blue Ice Lotus gang.

"We just found the location of the Blue Ice Lotus gang headquarters, so we still didn't know when the right time to attack them." Jufan gave an honest answer. "To make sure there isn't a single mistake later, we have to plan it carefully. We need to know about their base and activities first."

"Why don't we just attack them?" Zhao Sheng was surprised after hearing Jufan's words. He didn't expect that they would make a plan first before attacking the Blue Ice Lotus gang. "Even though Xiao Tian has many underlings, but we also have a lot of people, right?"

"We can't do that," Yahui answered instantly. "Even though we have a lot of people, but we shouldn't underestimate them."

"Yahui is right." Shuren added, "Xiao Tian is skilled in martial arts and his underlings are well-known gang members so I'm sure they already have a lot of fighting experience."

"Not only that, there are three people who are at least, a high-level master stage." Jufan spoke and paused for a second before he continued, "And I think, most of his underlings are martial artists at the low-level master stage too."

"Are you referring to the people who came with Xiao Tian to the Douming villa last time?" Yahui inquired.

"I have a feeling that they are very skilled in martial arts, especially the lady who wore a veil. Maybe she is already at the low-level grandmaster stage now." Jufan still could not forget how Lan Ruoxi embarrassed him at the Douming villa last time.

She was half his age but their martial arts skills were on the same level. This made Jufan furious and want to teach her a lesson too.

"Grandmaster stage?" Yahui and Shuren found it hard to believe what they were hearing.

"Are you sure?" Shuren asked.

"I don't know about her strength or reflexes because I have never seen her fight before." Jufan shook his head. "But I'm sure her speed is in the category of low-level grandmaster stage."

"How high is the percentage of her being a martial artist at the low-level grandmaster stage?" Yahui Inquired.

"Fifty percent," Jufan answered instantly.

"Fifty percent, huh?" Shuren touched his chin.

"Grandmasters, don't you also have many disciples who are skilled in martial arts?" Lan Ruoxi asked, "With three martial arts schools attacking them together, wouldn't it be easy to destroy them?"

"Most of them are still at the disciple stage so they won't be of much help later." Yahui wasn't sure whether he should bring all the disciples or not later as most of them still had no fighting experience.

Fighting with fellow disciples was different from real fights and the fighting experience was very influential in a fight.

Martial artists, who were at the mid-level disciple stage, had a rather high percentage of defeating high-level disciple stage martial artists if they had more experience in a real fight.

At this moment, Xiao Tian wanted to ask them how many people they would bring to attack the Blue Ice Lotus gang later but decided against it because it could raise suspicion.

Because he would join them later, he would know how many people they would bring to attack his underlings later.

"I see." Zhao Sheng was pleased because he got important information.

"Let's discuss this tomorrow," Yahui uttered before looking at Xiao Tian. "By the way, where do you live?"

"We live in Donwi village." Xiao Tian gave an honest answer.

"Oh! It's far from here." Yahui responded, "Oh, right. I still don't know who your martial arts master is?"

"The name of our martial arts master is Lin Feng." Xiao Tian gave the name of his martial arts master in his previous life.

"Lin Feng?" Yahui didn't know who Lin Feng was. "What is the name of your martial arts school?"

"We are not disciples of any martial arts school." Xiao Tian answered instantly. "And we also don't know the name of our martial arts. Our master only teaches us how to defend ourselves from bad people. He never told us anything other than that."

"My brother is right." Zhao Sheng added. "Every time we asked him about it, he never answered."

"I see." Yahui thought that their martial arts master wanted to hide his identity.

Then they talked for another thirty minutes before finally, they headed to the front yard.

"Oh! They are doing sparring?" Xiao Tian said abruptly.

In the vast rectangular arena which was made of stone tiles, two disciples were having a friendly fight. Next to them, an instructor was paying attention to them carefully so that nothing bad would happen to them later.

As for the other disciples, they were sitting on the ground while seeing their fellow disciples sparring in the arena.

"Do you want to see them sparring, Ace?" Yahui inquired.

It took Xiao Tian two seconds before answering, "Yes. if grandmaster Yahui doesn't mind, I'd like to see them sparring."

"Sure." Yahui answered as he smiled, "Let's watch them."

When the disciples and instructors noticed Yahui walking closer towards them, they immediately greeted him. "Shifu."

Even the disciples who were sparring in the arena, stopped and greeted him too.

"Don't mind me. You can continue." Yahui gave them a sign with his right hand that they could continue what they were doing.

At this moment, Xiao Tian paid attention to his surroundings.

'There are about sixty disciples and fifteen instructors.'

Actually, the reason why Xiao Tian said he wanted to see them sparring was that he wanted to gather information about Ryu martial arts school.

He was not interested in seeing them sparring. However, in order to make Yahui and the others not suspect him, he had no choice but to say he wanted to see them sparring.

'I think twenty of them won't participate in the plan later.'

Xiao Tian dared to say something like that because twenty of them were still young. He was sure that they were new disciples of Ryu martial arts school.

'So, there is a high chance that fifty-five people will participate in the plan later.'

Xiao Tian was unhappy by this because fifty-five people were a lot. Not only that, his opponents were three martial arts schools, so there was a possibility that his underlings would be outnumbered later.

Like Xiao Tian, Lan Ruoxi, and Zhao Sheng were also skimming their surroundings.

'It seems like we need to change the plan a little later.'

Those were the words that appeared in their minds.

In order not to arouse suspicion, Xiao Tian, Zhao Sheng, and Lan Ruoxi immediately paid attention to the disciples who were sparring in the arena.

"The brown-haired man's attacks are fast." Xiao Tian stated.

Yahui, who was standing next to Xiao Tian, instantly smiled when Xiao Tian praised his disciple. "He's one of the best disciples of the younger generation"

"I see." Xiao Tian responded.

Not long after that, the match ended with the brown-haired man's victory.

Yahui turned his head towards Xiao Tian and inquired, "Ace, do you want to try it?"

Chapter 678 - Fighting Against Two Disciples Of Ryu Martial Arts School

8-10 minutes

Yahui's words much surprised Xiao Tian. Of course, he didn't show it on his face.

"Sure." it was an excellent opportunity to test the skills of the Ryu martial arts school disciples, so Xiao Tian decided not to let that opportunity slip away.

Yahui then looked at the instructor who was in the arena and spoke, "Bai Long, Ace wants to spar with our disciples. Choose an opponent for him."

Everyone was surprised by Yahui's words. They thought Xiao Tian only wanted to visit their Shifu, nothing more than that. They just didn't expect that Xiao Tian would challenge them.

"Alright," Bai Long skimmed his surroundings before finally pointing his right index finger at one of the disciples. "Wuwei, you will be his opponent."

Wuwei rose to his feet and replied, "Alright."

Then Xiao Tian and Wuwei walked towards the arena.

"Hello. My name is Wuwei." Wuwei clasped his hands and introduced himself.

"Ace." Xiao Tian replied as he clasped his hands.

"Who do you think will win the fight later?"

"I don't know."

"I think Wuwei will win the fight later."

"How did you know that? You don't even know anything about that person."

"But, Wuwei is one of the best disciples in the younger generation."

"Just because he is one of the best disciples in the younger generation doesn't mean he will win the fight later."

"I agree with you."

"I have a feeling that Ace is a strong martial artist."

"I think so too. Maybe he is even stronger than Wuwei."

"But Wuwei is already at the high-level disciple stage, so I think he will win the fight later."

"You fool! Above disciple stage, there are still master and grandmaster stages."

"That person is still young, so I think he is still at the disciple stage."

"But I have a feeling that he is stronger than we thought."

"We'll find out about it later."

One by one, Ryu martial arts school disciples began to guess who was stronger between Xiao Tian and Wuwei.

When Zhao Sheng heard their conversation, he wanted to laugh loudly.

'You fool! Xiao Tian is almost at the mid-level master stage and you are ordering a martial artist at the disciple stage to fight him?! Are you kidding me? Do you think he is so weak like your disciples?'

Zhao Sheng began to feel sorry for Wuwei because he knew that Xiao Tian would humiliate him later.

'Sigh. This Bai Long is really bad at judging someone's skills. Now I wonder, how could someone like him become a martial arts instructor?'

Zhao Sheng sighed at how bad Bai Long was in judging someone's level.

As for Lan Ruoxi, she didn't say anything. Because she knew that Xiao Tian would win the fight, she was not interested in seeing the fight.

'I think most of them are at the high-level disciple stage. As for the seniors, there is a high possibility that they are at the low-level master stage.'

Lan Ruoxi kept looking at the disciples of Ryu martial art school.

"Are you ready?" Bai Long said after looking at Xiao Tian and Wuwei.

Xiao Tian and Wuwei nodded their heads, giving Bai Long a sign that they were ready.

Bai Long raised his right arm before dropping it. "Fight."

Without waiting for another second, Xiao Tian dashed towards Wuwei and kicked his mid-torso.

Due to how fast Xiao Tian was, Wuwei didn't have the chance to block or avoid his kick, causing him to be thrown out of the arena.

*Aukkkk.

Blood splashed out of Wuwei's mouth before falling to the ground.

*Silence.

The entire area dropped into dead silence.

At this moment, only Zhao Sheng and Lan Ruoxi had calm expressions. Everyone was surprised by what they saw, especially the instructors and Yahui.

Wuwei was one of the best disciples, but Xiao Tian could defeat him in a second. A martial artist at the high-level disciple stage was defeated in one second.

They found it hard to believe what they were seeing. Previously, they thought Wuwei would win the fight, or if he lost the fight, Xiao Tian would take a long time to beat him, but they were wrong.

They were utterly wrong because it only took Xiao Tian a second to defeat Wuwei.

Previously, Lishang told him that Xiao Tian was skilled in martial arts, but Yahui just didn't expect that Xiao Tian was a martial arts prodigy.

'Interesting.'

Of course, Yahui was not angry at Xiao Tian; instead, he was pleased because he would have strong support in defeating the Blue Ice Lotus gang later.

"I didn't expect him to be this strong." Jufan spoke abruptly.

"Me too. I was surprised earlier." Shuren was also shocked when Xiao Tian defeated Wuwei instantly earlier.

"We were wrong. He is much stronger than Wuwei."

"I didn't expect the outcome to be like this."

"I thought Wuwei would win the fight earlier."

"Not only that, he even defeated Wuwei in a second."

"He is amazing!"

"Now I'm sure he is already at the master stage."

"You don't need to say it because I'm sure everyone knows about it now."

"Look at him! He still has a calm expression after defeating his opponent in a second."

"He is so cool."

At this moment, several disciples began to praise Xiao Tian.

Because Xiao Tian had to maintain their friendship, he jumped out of the arena and walked towards Wuwei.

"Are you alright?" Xiao Tian stretched out his right arm, intending to help Wuwei up.

His actions made Yahui smile and nod his head.

Wuwei gripped Xiao Tian's right palm and spoke, "You are very strong."

"Thank you." Xiao Tian said.

"Do you still want to fight?" Yahui inquired.

"Yes." Xiao Tian still wanted to test the abilities of Yahui's disciples, so he didn't want to stop.

This time, Bai Long chose a stronger opponent for Xiao Tian. His name was Kuangsheng. Like Xiao Tian, he was a martial artist at the low-level master stage. However, unlike Xiao Tian, there was nothing extraordinary about him.

When Xiao Tian returned to the arena, Bai Long said, "Kuangsheng, you will be his opponent this time."

"Alright." Kuangsheng rose to his feet and walked towards the arena.

"Who will be the winner this time?"

"I don't know because Kuangsheng is already at the low-level master stage."

"I think Ace won't be able to win easily this time."

"Or maybe, Kuangsheng will be the winner later."

"We will know about it later."

Like before, the disciples of Ryu martial arts school began to discuss who was stronger between Xiao Tian and Kuangsheng.

"Fight." Bai Long said.

Like before, Xiao Tian chose to attack first. His master had told him that the one who attacked first had a higher chance of winning the fight.

When Xiao Tian was in front of Kuangsheng, he threw a high kick, aiming at the left side of Kuangsheng's head.

However, Kuangsheng was able to block it by placing both of his arms on the left side of his head.

Even though Kuangsheng managed to block his kick, Xiao Tian was not annoyed. He immediately moved behind Kuangsheng and kicked Kuangsheng in the back.

Although Kuangsheng knew that Xiao Tian was behind him, he could not block or avoid Xiao Tian's attack because Xiao Tian had kicked him before he could turn around or avoid it.

*Uakkk.

Like Wuwei, Kuangsheng was sent flying out of the arena by Xiao Tian's kick.

*Silence.

Once again, the entire area turned into dead silence.

The expression of deep shock blossomed on their faces. They could understand if Xiao Tian was able to defeat Wuwei in a second because he was still at the disciple stage.

However, defeating a martial artist who was already at the low-level master stage in less than ten seconds was very difficult.

They believed that Xiao Tian and Kuangsheng were at the same level, but they did not expect that the difference in their strength was like heaven and earth.

"Don't tell me, he is already at the mid-level master stage." Because Xiao Tian could trounce Kuangsheng, Yahui began to think that Xiao Tian was a martial artist at the mid-level master stage.

"It seems so." Jufan had the same thought as Yahui.

"I didn't expect him to be this strong." Shuren mused.

Xiao Tian, who saw Kuangsheng on the ground, jumped out of the arena and walked towards Kuangsheng.

Like what he did to Wuwei earlier, he helped Kuangsheng stand up. "Are you alright?"

"I'm fine." Kuangsheng replied. "You are very strong."

"Thank you." Xiao Tian replied.

'It's because you are very weak!'

Xiao Tian added in his head.

Chapter 679 - Changing The Plan

7-9 minutes

After that, Xiao Tian fought against two more disciples, and just like before, Xiao Tian won all the fights. However, he didn't win the fight as easily as in the previous match because his opponents were stronger than before. He needed to put in extra effort to win the fight.

Because it could ruin his plans if he continued to fight and win the match, Xiao Tian decided to stop. He didn't want Yahui to think that he was trying to humiliate Yahui because it was not the right time to embarrass Yahui.

He still needed to maintain their relationship because it was important to his plans. If Yahui disliked him, everything would be in vain.

"I didn't know that you are very strong, Ace." Yahui still behaved like before. The smile on his face never disappeared when he talked to Xiao Tian.

Even though Xiao Tian had defeated four of his disciples, but because Xiao Tian never underestimated them and always helped them get up after defeating them, Yahui was not angry at Xiao Tian.

"I was surprised too." Jufan and Shuren spoke in unison.

'He is really talented in martial arts! He will be very useful later.'

Those were the words that appeared in their minds.

"Thank you." Xiao Tian didn't show a happy expression when three grandmasters were praising him.

'It's because they are so weak.'

Xiao Tian added in his mind.

"My brother is indeed strong but I'm stronger than him. I'm much much stronger than him." Zhao Sheng placed his right hand on his chest and said proudly.

The corner of Xiao Tian's lips twitched after hearing Zhao Sheng's words.

"Haha." Jufan and the others laughed.

'Even though they are twins, but their personalities are different. Black has an easygoing personality while Ace is a serious type of person and doesn't talk much. Well, with everything that happened to his parents, I can understand why Ace has a personality like that.'

Those were the words that appeared in the minds of Jufan, Yahui, and Shuren.

"Grandmasters, we will take our leave now because we still have something to do." Lan Ruoxi said abruptly.

They needed to change their plans a little. That was why Lan Ruoxi wanted them to leave so that they could discuss their plans immediately.

"All right." Even though Yahui still wanted to talk with them, he didn't force them to stay. "Lishang will come to your house tomorrow. We will discuss our plans here tomorrow."

"All right." Lan Ruoxi and Zhao Sheng answered in unison while Xiao Tian only nodded his head.

Then Xiao Tian, Zhao Sheng, and Lan Ruoxi went home.

"So, there is a possibility that fifty-five people from Ryu martial arts school will participate in the war later." Xiao Tian spoke abruptly. "This is annoying! Very annoying!"

Currently, Xiao Tian, Lan Ruoxi, and Zhao Sheng were in the family room. After they arrived home, they immediately discussed their plans because they needed to change their plans a little.

"Well, we can't poison them immediately because it's still not the right time to do that." Zhao Sheng was also unhappy because they would have a lot of enemies later.

"In your opinion, how many people from the Hakken martial arts school will participate in the war later?" Lan Ruoxi inquired.

"I think about fifty people." Xiao Tian suspected that the Hakken martial arts school would send fifty people later.

"So in total, we are going to face one hundred and five enemies later." Zhao Sheng spoke and paused for a second before he continued, "Wait! We still haven't added the people from the Tiger martial arts school! Ah, shit!"

Tiger martial arts school belonged to Shuren. Because he was Jufan's friend, they were sure that Shuren would also send some of his disciples to participate in the war later.

"It seems like we will be outnumbered later." Xiao Tian uttered.

He only had one hundred and twenty underlings, and he was sure that his enemies would be at least one hundred and forty people.

"Don't worry. We can still defeat them if everything goes according to our plans." Zhao Sheng was sure that they would be able to defeat their enemies if their plans were successful later. "What we need to worry about are their grandmasters and instructors. It would be hard to beat them, especially their grandmasters."

"We need to reduce the number of instructors first because they are also a big threat to our plans." even though there would be less than fifty instructors, but Lan Ruoxi thought they would be a big threat to their plans.

Xiao Tian's underlings were not strong enough to fight the instructors one by one. At least, they need three to four people to fight one instructor.

They were already outnumbered, so they could not do that, or else they would lose the war later.

After thinking for several seconds, Xiao Tian found an excellent idea, "I have an idea to reduce the number of their instructors."

"What is it?" Zhao Sheng and Lan Ruoxi asked curiously.

"It's like this..." Xiao Tian began to explain his idea to Lan Ruoxi and Zhao Sheng.

"It's a good idea." Lan Ruoxi stated.

"Yes. This idea will work." Zhao Sheng agreed with Xiao Tian's idea. "But I think this plan will only work once."

"It's fine." Xiao Tian answered. "At least we can reduce the number of instructors. We can make a plan again later."

"But what if they don't want to send their instructors later?" Lan Ruoxi inquired

"We have to make sure they will agree to send their instructors later." Xiao Tian responded. "We can say that it's too dangerous for disciples to do that."

"I really hope that they will make plans at the Tiger martial arts school later so that we can gather information about them." Zhao Sheng really hoped that they could visit the Tiger martial arts school as guests so that they could gather information without being suspected. "Too bad. It's not going to happen."

"Why don't you go home and find information about them?" Xiao Tian inquired.

"No. I can't do that." Zhao Sheng refused instantly. "If my father or grandfather sees me later, I won't be able to leave the house again. I only left a letter, saying I have a business out of the city. I'm even sure that they are furious right now."

Xiao Tian and Zhao Sheng then turned their heads towards Lan Ruoxi. They remembered that Lan Ruoxi also had many connections.

Lan Ruoxi pointed her right index finger at her face and spoke, "You want me to find information about them?!"

"Yes." Xiao Tian and Zhao Sheng answered in unison. "It would be better if you could get all the instructors' information too."

Lan Ruoxi sighed before answering, "Fine. But it will take one to two days to get their information."

"Good!" Xiao Tian was pleased after hearing her words.

Hozi town, Ryu martial arts school.

In the guest room, three people were sitting on the chairs. They were none other than Yahui, Shuren, and Jufan,

"So, what do you think of them?" Yahui inquired.

"I think they will be useful to us later," Shuren answered. "Not only that, but they are also skilled in martial arts, so they will be of great help to us later."

"And if something bad happens later, we can make them our scapegoats later," Jufan added.

"You are right." Yahui and Shuren agreed with Jufan's words.

Chapter 680 - You Are Too Soft

6-7 minutes

After Xiao Tian discussed his plans with Lan Ruoxi and Zhao Sheng, he went to the Blue Ice Lotus gang.

"I have something to say to all of you." Xiao Tian said abruptly.

Currently, they were inside their base. After Xiao Tian arrived, he immediately told Chun Hua to gather all of his underlings.

"What is it, boss?" Mu Huo asked curiously.

"It's like this." Xiao Tian then told them his plan to reduce their enemies later. "I will tell you when we will carry out our plan, so wait for my information."

"Understood." Xiao Tian's underlings answered in unison.

Xiao Tian then turned his head towards Ren Aoxu and asked, "Junior brother, have you tortured them?"

Even though Xiao Tian didn't say directly who they were, but Ren Aoxu understood what he meant. "No. Your underlings have tortured them many times so I think I don't need to do that too."

Xiao Tian sighed after hearing Ren Aoxu's words. "You are too soft."

"That's right, Ren Aoxu. You are too soft."

"You should have tortured them with us yesterday."

"Torturing them is really fun, you know?"

"That's right. The sound of them crying out in pain was so beautiful to my ears."

"Yes, yes. especially, when they begged us to stop torturing them."

"And the expression of their pleas."

"Ren Aoxu, you should learn from our leader."

"How about we torture them together later?"

"Let's torture them together. We will teach you how to torture someone later."

One by one, Xiao Tian's underlings asked Ren Aoxu to torture Wuji and the others with them.

The corner of Xiao Tian's lips twitched after hearing their words.

'It seems like they enjoy torturing people.'

Of course, Xiao Tian let them do whatever they wanted with the people who were being held in prisons because those people were their enemies.

At this moment, Ren Aoxu didn't answer and only stared at Xiao Tian's underlings. Now he knew that all of his friends were cruel people.

Xiao Tian then looked at Mizu and spoke, "Mizu, I want you to pretend to be me until we destroy our enemies. If our enemies don't see me, they'll suspect something is wrong later."

"Understood, leader," Mizu answered instantly.

Xiao Tian then looked at his underlings and said, "All of you must obey his words when he is in front of our enemies later. You have to pretend as if he is me. Do you understand?"

"Understood." Xiao Tian's underlings replied in unison.

"I can't be here for too long. Wait for my order." After saying that, Xiao Tian went home.

"How is it?" Lan Ruoxi inquired.

"I have told them our plan." Xiao Tian answered instantly. "I also told them to guard the base with at least fifty people so they wouldn't make a single mistake later."

"Good!" Lan Ruoxi thought Xiao Tian made a good decision.

"I want to practice martial arts now." after saying that, Xiao Tian took his wooden sword and began to practice martial arts.

He practiced martial arts in the front yard because the atmosphere was good. There were two big trees in the front yard, so the weather was not hot.

At this moment, Lan Ruoxi was sitting on the wooden bench while watching Xiao Tian.

As usual, after warming up, Xiao Tian started swinging his wooden sword vertically. Even though he knew that Lan Ruoxi was looking at him, Xiao Tian behaved as if he was alone in the front yard.

Lan Ruoxi was curious as to why Xiao Tian only swung his wooden sword vertically.

'Why is he only doing the same move?'

Previously, Lan Ruoxi thought Xiao Tian would train with many moves, but she was wrong.

Because she could not hold back the curiosity she had, she rose to her feet and walked towards Xiao Tian.

When she was next to him, she immediately asked, "Young master Xiao, why are you doing the same move?"

While still swinging his wooden sword vertically, Xiao Tian answered without looking at her. "Even though this is only a basic move, but it's important to strengthen my foundation."

"Can I practice martial art with you?" Lan Ruoxi suddenly wanted to practice martial arts too because it was boring to sit around doing nothing.

Xiao Tian instantly stopped what he was doing and turned his head towards her. "What?! You want to practice martial arts with me?!"

Her words much surprised Xiao Tian. Previously, he thought Lan Ruoxi would only sit and watch him practice martial arts.

"Yes." Lan Ruoxi replied as she nodded her head.

"Sure." practicing martial arts with friends was better than alone. That was why Xiao Tian instantly agreed.

"I want to change my clothes first." After saying that, Lan Ruoxi headed to her room to change her clothes.

Xiao Tian then continued swinging his wooden sword vertically.

Five minutes later, Lan Ruoxi returned to the front yard. "I'm ready."

When Xiao Tian saw what she was wearing, he immediately said, "Wow! Lady Lan, be honest with me. Do you really want to practice martial arts with me or do you want to seduce me?"

Lan Ruoxi was wearing a High-Waist Airbrush legging and Bra Tank. Because she was wearing yoga clothes, Xiao Tian could see her flat stomach.

'There are so many clothes to wear, so why did she choose yoga clothes?'

Of course, Xiao Tian didn't complain because, with her wearing yoga clothes, he was able to see her sexy body clearly.

"What do you think?" actually, Lan Ruoxi wanted to wear normal clothes but suddenly changed her mind because she wouldn't be able to move freely if she wore regular clothes.

At this moment, Xiao Tian realized that it was a perfect time to tease her. "How about we exercise in bed now?"

"Hehe." Lan Ruoxi covered her mouth and giggled after hearing his words.

Of course, she knew that he was only joking around. She just didn't expect that he would tease her immediately when the opportunity arose.

"You have to do a warm-up first before we practice martial arts together." Xiao Tian said.

"All right." Lan Ruoxi then began to warm up.
