

## Illicit 701

### Chapter 701 - How Many Girlfriends Does He Have?

"Wait! If you give me something that can make me happy, I will come to your house now." Even though Xiao Tian was in front of his underlings, he didn't care.

His underlings knew that he was a playboy, so he didn't need to hide anything. That was why he still teased Yun Xin Er even though he was in front of his underlings.

Black lines formed on the foreheads of Mu Huo and his underlings after hearing Xiao Tian's words.

"Our leader is indeed a playboy!"

"He is even still flirting with a woman in front of us."

"Our leader is so manly."

"Now I wonder, how many girlfriends does he have?"

"Maybe two?"

"No. I'm sure, he has more than two girlfriends."

"Maybe he has three women."

"I think our leader has four women."

"All of you are underestimating our leader. Our leader is so amazing, so I'm sure, he has at least five women. Maybe he has six girlfriends now."

"Yes, yes. I think so too."

One by one, Xiao Tian's underling started guessing how many girlfriends Xiao Tian had.

The corner of Xiao Tian's lips twitched after hearing their words. He didn't expect that his underlings would start guessing how many women he had.

"Oh! You want something that can make you happy?! Sure. I will give you something special if you come to my house now." Actually, Yun Xin Er knew that Xiao Tian was teasing her. That was why she decided to play along with it.

"Oh, really? What is it?" Xiao Tian inquired.

"Something that you will never forget until you die." Yun Xin Er replied, "So, how is it? Are you coming to my house now?"

"I will come to your house in a few days." Even though Xiao Tian also desired to meet her, but he could not do that because he didn't want to put her in a dangerous situation.

"Are you sure you don't want to meet me now?" Yun Xin Er spoke and paused for a second before she continued, "If you come to my house now, I will give you something you have wanted to do to me."

"Eh! What is it?" Xiao Tian's mind went dirty after hearing her words.

'Don't tell me. She will agree to have sex with me.'

Xiao Tian suddenly could not control his dirty imagination after hearing her words.

"Secret!" of course, Yun Xin Er would not tell him what it was because she wanted to make him curious.

"That is not fair!" Xiao Tian pretended to be sad. "Big sister Yun, you can't do this to me. Hurry up and tell me what is it?"

Instead of answering immediately, Yun Xin Er giggled, "Hehe."

"Alright. I have to go now. I will call you again if I have free time." Even though Xiao Tian still wanted to talk with Yun Xin Er, he decided to end the call because there were still important things he needed to do.

"What?! You want to hang up the phone?! Little brother, I hate you!" after saying that, Yun Xin Er hung up the phone.

The corner of Xiao Tian's eyes crinkled.

'This woman!'

Xiao Tian was used to her behavior, so he only sighed

To his surprise, he suddenly got a message from Yun Xin Er.

[Little brother, you have to take care of yourself. Don't let yourself get hurt by your enemies, or else this big sister will beat you to death later. And don't you dare forget your promise. Come to my house immediately after beating up your enemies.]

A soft smile spread across his face upon reading Yun Xin Er's message.

"So bright!"

"Help! My eyes hurt!"

"Wow! Our leader's smile is so beautiful!"

"You are right. How could a person who had such a beautiful smile be such a cruel person?"

"Hey! Don't say that. What if our leader gets angry later?"

"Ops! My bad."

Xiao Tian's underlings were startled when they saw a dazzling smile on his face.

Xiao Tian then discussed the plan with his underlings for another thirty minutes before he went home.

-----

"Fuck you, Xiao Tian! Where did you go just now?" Zhao Sheng was annoyed because he was alone at home since morning.

He had no friends to talk to or joke with. Xiao Tian suddenly disappeared without telling him anything, and Lan Ruoxi went to Ryu martial arts school to carry out the plan. That was why he was annoyed.

"Oh! So, she still hasn't come home yet?" because Zhao Sheng was annoyed, Xiao Tian thought that Lan Ruoxi was still at the Ryu martial arts school.

"Yes." Zhao Sheng replied. "It's so boring to be at home alone. Damn!"

"Haha." Xiao Tian laughed after seeing Zhao Sheng's expression.

"Damn! Why are you laughing?" Zhao Sheng said angrily.

"I'm home." Lan Ruoxi said when she was in the guest room.

"Oh! She has returned home." Zhao Sheng's mood brightened when he found out that Lan Ruoxi had arrived home.

"Huft!" Lan Ruoxi exhaled after sitting on the couch.

Xiao Tian then sat on her right side and inquired, "How is it? Did everything go according to plan?"

Lan Ruoxi turned her head to look at Xiao Tian and replied, "Everything went smoothly."

"Good!" Xiao Tian was pleased after hearing her words because with this, they didn't need to change their plans again.

"Because everything is going according to our plan, let's celebrate by going for a walk now." Zhao Sheng was lonely earlier because he was home alone since morning. That was why he wanted them to go on a walk.

"You want us to go for a walk?!" Lan Ruoxi was surprised after hearing Zhao Sheng's words.

They were at an important moment, so they should not waste their time doing something useless like that.

"Let's grant his wish. He is not happy because we left him alone at home earlier. "of course, Xiao Tian knew the reason why Zhao Sheng suddenly wanted them to go for a walk.

"Hehe." Lan Ruoxi giggled. "Sure. Let's go for a walk now."

"Good! Let's go now." Zhao Sheng said happily.

Then Xiao Tian, Zhao Sheng, and Lan Ruoxi went to many places to relax. They went out until 07:00 pm before finally, they returned home.

-----

'Should I meet Jie Ai now?'

Currently, Xiao Tian was in his room. After arriving home, he immediately took a shower and laid down on the bed.

'I think it's better to meet her now.'

With that in mind, Xiao Tian got out of bed and traveled to Jie Ai's house. Because Jie Ai's house was quite far, it took him about twenty minutes to reach his destination.

'Wait. I think this is not a good decision.'

Currently, Xiao Tian was standing not far from Jie Ai's house. However, he suddenly thought that visiting her house was not a good idea.

'I think it would be better if I met her at the Donlu Restaurant.'

The reason why Xiao Tian decided to meet Jie Ai at the Donlu Restaurant was that the Donlu Restaurant was close to Jie Ai's house.

Not only that, but Donlu Restaurant also had a private room, so in his view, it was a good place to meet Jie Ai.

Without waiting for another second, Xiao Tian traveled to Donlu Restaurant.

-----

"Welcome to Donlu Restaurant, sir." The waitress greeted Xiao Tian. "Do you want to eat in a private room or a regular room?"

"Private room." Xiao Tian answered instantly.

"Please follow me." The waitress uttered

Then the waitress guided Xiao Tian to the private room. After Xiao Tian stepped into the private room, he nodded his head in satisfaction.

The private room was about 5x5 meters with a couch and a small table in the middle of the room. The room was also filled with the scent of flowers so that it could make customers feel relaxed. And there was also a telephone hanging on the wall.

After Xiao Tian gave his order to the waitress, she immediately left. Without waiting for another second, Xiao Tian called Chun Hua and ordered her to bring Jie Ai to Donlu Restaurant.

Several minutes later, Chun Hua and Jie Ai entered the private room.

"Sir, I came with Mrs. Jie Ai." Chun Hua said when she was in front of Xiao Tian.

"Guard the room." Xiao Tian didn't want anyone overhearing his conversation with Jie Ai because it could cause big trouble for them later.

"Understood." After saying that, Chun Hua walked out of the private room and guarded it.

"I heard from big sister Crystal that you have finished your task." Xiao Tian spoke as he smiled.

"Yes." Jie Ai was not surprised when Xiao Tian knew that she had finished her task because she had guessed that Lan Ruoxi would tell Xiao Tian everything.

"Nothing bad happened to you, right?" Xiao Tian uttered

"No." Jie Ai shook her head.

Xiao Tian then took 100,000 Yuan from his wallet and gave it to Jie Ai. "Because you have finished your task, I will pay the rest."

"Thank you." Jie Ai said as she took the money. She then gave the phone to Xiao Tian. "This is your phone."

"You can keep the phone. I don't need it." There were many reasons why Xiao Tian gave the phone to Jie Ai.

One of the reasons was if Jufan and the others found out that Jie Ai didn't have a phone, they would suspect her later, and it could be dangerous for her and his plans.

"Thank you." Jie Ai could not express the happiness she felt in words.

"You are welcome." Xiao Tian's face broke into a smile when he saw her happy face.

## **Chapter 702 - Visiting The Hawk Gang Again**

9-11 minutes

---

After meeting Jie Ai, Xiao Tian went straight home. Of course, Xiao Tian ordered two of his underlings to keep following Jie Ai in secret because he needed to be careful.

The following morning, Xiao Tian, Lan Ruoxi, and Zhao Sheng traveled to Red Flower bar to carry out their next plan.

Their next plan was to make Xiao Tian's underlings pretend to be fighting with each other. However, since he needed more people, they would use Lan Ruoxi's underlings.

After that, they brought thirty of Lan Ruoxi's underlings to the abandoned factory. Of course, Xiao Tian also called his underlings to come to see them.

-----

"Everyone, this is what you have to do tomorrow." Xiao Tian, who was standing in front of everyone, started explaining their plan.

In their plan, Lan Ruoxi's underlings and Xiao Tian's Shadow gang would attack the Blue Ice Lotus gang. Of course, they didn't fight for real because Xiao Tian didn't want any of them to get hurt.

Later, Lan Ruoxi's underlings and his Shadow gang would pretend to lose. As for the Blue Ice Lotus gang members, they would pretend to be heavily injured later.

He told his Shadow gang to hide near the Blue Ice Lotus gang headquarters so that when Jufan and the others attacked the Blue Ice Lotus gang, the Shadow gang could give a surprise attack later.

After they discussed their plans, Lan Ruoxi traveled to Ryu martial arts school.

-----

"Grandmasters..." Lan Ruoxi greeted Jufan, Yahui, and Shuren after she stepped into the private room.

"Is there anything you want to inform us?" Yahui inquired.

"Yes." Lan Ruoxi answered instantly. "I was just spying on them and got information that they are going to attack the Blue Ice Lotus gang tomorrow."

"Oh! Tomorrow? Good!" Jufan was pleased after hearing Lan Ruoxi's words. "What a coincidence! We have finished preparing everything too."

"Can you explain it to me in detail, grandmaster Jufan?" Lan Ruoxi had no idea what they had prepared because they didn't tell her anything.

"Nothing special. We just got help from our friends." Jufan gave an honest answer. "Tomorrow, after they have a war, we will attack the Blue Ice Lotus gang with 170 people."

The feeling of deep shock blossomed within Lan Ruoxi's heart.

'What? 170 people?'

She found it hard to believe what she was hearing.

'I need to inform young master Xiao about this. We need to change the plan now, or else, it will be fatal for us later.'

Lan Ruoxi wanted to tell Xiao Tian about it immediately but decided against it because if she suddenly wanted to leave, Jufan and the others would suspect her later.

Even though Lan Ruoxi was unhappy with the news, but she still wore a happy expression, "Really? Great! With this, the chances of us being able to destroy the Blue Ice Lotus gang are very high."

"You are right." Shuren replied, "The reason why we decided to ask for help is that we wanted to make sure everything would go according to our plan. We don't want to make a single mistake because it can ruin our reputation later."

"I see." Lan Ruoxi touched her chin and nodded her head.

Then they talked for another thirty minutes before finally, Lan Ruoxi spoke, "Grandmasters, I will take my leave now. I want to spy on their moves again."

"Let one of my disciples accompany you." even though her mission was not dangerous, Yahui didn't want Lan Ruoxi to carry out her task alone.

Yahui didn't want Lan Ruoxi to think that they were mistreating her. That was why he wanted to send one of his disciples to accompany her.

This made Lan Ruoxi unhappy because the reason why she wanted to leave was that she wanted to tell Xiao Tian and Zhao Sheng about their plan.

However, she knew that she could not refuse. "All right."

"Zui Duzi, come here." Yahui called one of his disciples, who guarded the private room.

After Zui Duzi stepped into the private room, he immediately spoke, "Shifu, do you need anything?"

"Accompany lady Crystal in carrying out her mission." Yahui went straight to the point. "Protect her. Don't let anything bad happen to her."

"Understood, Shifu." After saying that, Zui Duzi turned to face Lan Ruoxi. "Lady Crystal, let's go."

"All right." Lan Ruoxi nodded her head.

'What should I do to inform young master Xiao about their plan.'

Lan Ruoxi could not call Xiao Tian because she was with Zui Duzi.

'Should I pretend to go to the restroom?'

After thinking for several seconds, Lan Ruoxi decided to pretend to go to the washroom.

"Instructor Zui, I have to go to the bathroom first. Please wait a second." Lan Ruoxi spoke abruptly.

"All right." Zui Duzi responded.

After Lan Ruoxi entered the washroom, she immediately sent a message to Xiao Tian, telling him about Jufan's plan.

Since she didn't want to leave any traces, she immediately deleted the message and walked out of the restroom.

Then Lan Ruoxi and Zui Duzi headed to the parking lot.

\*Gulp...

Zui Duzi could not help but gulp his saliva when he saw Lan Ruoxi's sexy body.

Lan Ruoxi looked very sexy in his eyes when she wore her black leather jacket. Coupled with her sitting in the seat of the motorbike and was about to wear her black full-face helmet, she looked like the sexiest woman in the world.

'If only she is mine.'

Zui Duzi suddenly desired to embrace Lan Ruoxi.

Even though Lan Ruoxi's current face was not as pretty as her real face, but in his eyes, she was still a perfect lady.

"Instructor Zui, why are you still standing there?" Lan Ruoxi inquired

'I really want to pry out his eyes.'

Of course, Lan Ruoxi knew that Zui Duzi was staring at her. However, because she had to maintain their friendship, she did nothing to him.

"Nothing." After saying that, he immediately walked towards his motorbike.

"Let's go." Lan Ruoxi uttered

"All right." Zui Duzi replied.

-----

Moze Village, Xiao Tian's house.

Currently, Xiao Tian and Zhao Sheng were in the family room. This time, they didn't discuss any plans. They only talked about normal things.

\*Cling....

Xiao Tian's smartphone rang, indicating he got a new message.

When he found out that the person who sent him the message was Lan Ruoxi, he immediately opened it. Xiao Tian immediately clenched his left fist after reading the message.

"What's wrong, Xiao Tian?" Zhao Sheng inquired.

"Here. Read it." Xiao Tian showed the message to Zhao Sheng.

"It seems like we need to change our plan now." Zhao Sheng said after reading the message.

"You are right. We need to change our pla-" Xiao Tian stopped his words halfway because he suddenly remembered something. "Wait. It seems like we don't need to change our plan."

"What do you mean by that? We are outnumbered now. If we don't change our plan, we can lose the war later." Zhao Sheng had no idea as to why Xiao Tian dared to say something like that.

"Have you forgotten that I imprisoned the members of the Hawk gang? We can use them to fight Jufan and the others later." actually, Xiao Tian wanted to use the Hawk gang to fight the Xiao family.

However, because he needed more people to fight against Jufan and the others, he changed his mind.

"Ah! You are right." Zhao Sheng forgot that Xiao Tian imprisoned the members of the Hawk gang. "What are you waiting for? Let's go to your gang."

Then Xiao Tian and Zhao Sheng traveled to the Blue Ice Lotus gang headquarters.

"Leader.."

"Leader.."

"Leader.."

"Leader.."

"Leader.."

One by one, Xiao Tian's underlings greeted him when they saw him.

Zhao Sheng and Xiao Tian immediately headed to the underground prison. Like usual, Chun Hua and four of his other underlings followed them.

When Xiao Tian was in front of the prison where the Hawk gang members were being held, he didn't say anything right away and just stared at them.

The expression of deep fear blossomed on the faces of the Hawk gang members. At that moment, they believed that Xiao Tian wanted to torture them again.

'The devil is here. It seems like we will be tortured again now.'

Their bodies began trembling, and terror overtook their faces when Xiao Tian stared at them. Even though Xiao Tian only looked at them with a normal gaze, they felt like a devil was staring at them.

'God, please save me from this devil.'

Due to how cruel Xiao Tian was, all Hawk gang members labeled him as a devil.

Xiao Tian's lips curled into a grin when he saw the expression on their faces. He was satisfied when he learned that they were afraid of him.

'It's so satisfying to see their terrified expressions.'

Xiao Tian suddenly remembered his past life where his father's enemies had the same expression when they looked at his father.

"It seems like they are afraid of you." Zhao Sheng spoke abruptly. "Just look at their faces! It seems like they are looking at a devil."

Xiao Tian glanced at Zhao Sheng for a second before returning his attention to the Hawk gang members. "All of you don't need to be terrified like that because I have no intention of torturing all of you today."

Of course, they didn't believe Xiao Tian's words because he once said the same thing, but he still ended up torturing them.

"I know that all of you doubt my words, but the reason why I came here is that I want to give you a chance to get out of this place." Xiao Tian spoke, "So, how is it? Do you want to get out of this place or not?"

### **Chapter 703 - Damn! She Is Bullying Me!**

10-12 minutes

---

'What?!'

Xiao Tian's underlings were startled after hearing his words.

Previously, they thought Xiao Tian was bored and wanted to torture the Hawk gang members because it had been quite a while since he last tortured them.

Of course, none of them said a word because he was their leader, so he could decide everything without asking their opinion.

Like before, the Hawk gang members didn't believe Xiao Tian's words. Xiao Tian loved torturing people, so there was no way he would release them.

"Why didn't any of you answer my question?" actually, Xiao Tian had guessed that they would not believe his words so quickly because he had told them that they had made a huge mistake when they tried to kidnap his mother and aunt.

"Hey! Aren't you guys from a well-known gang?" Zhao Sheng said with an expression of making fun of them. "Why are all of you behaving like cowards? Where was the mighty Hawk gang in the past? Tch, tch, tch. I'm disappointed in all of you."

Even though Zhao Sheng was making fun of them, but none of them tried to defend themselves. They believed that defending themselves would make them end up getting tortured by Xiao Tian's underlings later.

For this reason, none of them said a word as if all of them could not speak.

"Are you sure you don't want to get out of this place?" Xiao Tian knew the reason why none of them dared to say a word.

Of course, the Hawk gang members wanted to get out of that hellish place. None of them wanted to continue living in the underground jail because they didn't want to get tortured by Xiao Tian's underlings anymore.

"It seems like they love living in prison." After saying that, Xiao Tian looked at Zhao Sheng and his underlings. "Let's go. We are wasting our time here."

"What a stupid people!" Zhao Sheng stated.

When Xiao Tian and the others were about to leave, Ma Gen raised his right arm forward and spoke, "Wa...wait."

Xiao Tian and the others instantly stopped their footsteps and turned around when Ma Gen stopped them from leaving.

"Are...are you serious when you say you will give us a chance to get out of this place?" Ma Gen wanted to confirm first whether Xiao Tian was lying to them or not.

"Yes. but on one condition." Xiao Tian uttered, "So, how is it? Do you want to get out of this place?"

Upon hearing Xiao Tian's words, the Hawk gang members began to believe his words. If Xiao Tian said that he would release them without a single condition, they would not believe it because there was no way someone like Xiao Tian would let go of his enemy without doing anything to them first.

However, because Xiao Tian told them that he would release them on one condition, they started to believe his words.

"Wha...what is it?" Ma Shuhe inquired.

"You have to help me win the war." Xiao Tian went straight to the point.

"Wa..war?" the Hawk gang members were surprised after hearing his words.

Because they spent their life in the underground prison every day, they didn't know that Xiao Tian was facing big trouble.

"That's right. A war!" Xiao Tian replied, "How is it? Do you accept my offer?"

"What should we do later?" Ma Shuhe wanted to know what their task was before deciding whether he would accept the offer or not.

"Of course, you will fight my opponents with me and my underlings." Xiao Tian answered instantly.

"Can you explain it to us? I mean, can you tell us in detail what our mission will be?" Ma Shuhe wanted to know whether their mission was hazardous or not.

"You are asking too many questions!" Xiao Tian raised his tone. "Do you want to accept my offer or not? Hurry up and decide it! I don't have much free time like all of you."

"I accept it."

"I also accept it."

"Me too. I accept it."

"I accept it."

One by one, the Hawk gang members accepted Xiao Tian's offer. Even though they didn't know what their mission would be, but they didn't care about it.

As long as there was a little hope for them to get out of that hellish place, they would do anything. For them, it was better to die in war than to be tortured by Xiao Tian's underlings every day.

Ma Shuhe and Ma Gen looked at each other before nodding their heads, "We also accept the offer."

Xiao Tian had killed their leader, Jin Yimu, so they were afraid that they would get the same fate if they continued to live in the underground prison.

"Because all of you have accepted my offer, I will tell you what you have to do later." Xiao Tian then told them his plans.

Terror crossed their faces when Xiao Tian told them who their enemies were. They didn't expect that Xiao Tian would dare to have a war against three martial arts schools.

Not only did their enemies have three grandmaster level martial artists, but they were also even outnumbered by their enemies.

Even though fear slowly consumed their souls, but none of them changed their minds. Participating in the war was the only way to get out of that hellish place so they wouldn't let fear overtook their minds, or else they would regret it later.

Even if all their enemies were martial artists at the grandmaster stage, they would not change their minds because, in their eyes, Xiao Tian was far more terrifying than martial artists at the grandmaster stage.

Xiao Tian was startled when none of them changed their minds.

'Not bad, not bad!'

He just didn't expect that their determination was so much higher and bigger than their fear. That was why Xiao Tian praised them in his head.

"Don't worry, I will give you all weapons later." Xiao Tian knew that it would be difficult for them to fight barehanded because their enemy was skilled in martial arts.

That was why Xiao Tian would give them weapons later. Of course, he would only provide them with metal pipes. There was no way he would give them a weapon like a sword or a spear.

The Hawk gang members were relieved when they learned that Xiao Tian would give them weapons later. With weapons, the chances of them surviving on the battlefield were higher.

Xiao Tian then looked at Chun Hua and spoke, "Chun Hua, you will lead them in the war later. As long as it's for our gang, you can order them to do whatever you want."

"Understood, sir." Instead of feeling happy, Chun Hua stared at the Hawk gang members with hatred.

Chun Hua hated the Hawk gang to the bone, so she was not happy even though she would later become their leader in the war, but she could not refuse Xiao Tian's order.

Of course, Xiao Tian knew about it. That was why he said she could do whatever with them later.

Xiao Tian then returned his attention to the Hawk gang members and spoke, "Remember this. Your freedom will depend on your actions."

After saying that, Xiao Tian and the others left the underground jail. Xiao Tian spent time at the Blue Ice Lotus gang headquarters for about thirty minutes before finally, he went home.

Because Zhao Sheng had something to do, Xiao Tian went home alone.

-----

To his surprise, when Xiao Tian stepped into the family room, he saw Lan Ruoxi sitting on the couch.

"Oh! You are alone?! Where is young master Zhao?" Lan Ruoxi thought Xiao Tian went somewhere with Zhao Sheng.

"He has something to do." After saying that, Xiao Tian sat on her right side.

"I see. By the way, have you figured out a way to solve the problem?" Lan Ruoxi inquired.

"Problem? What problem?" Xiao Tian had no idea what Lan Ruoxi was talking about.

"The thing I informed you through message." Lan Ruoxi answered instantly.

"Ah!" Xiao Tian finally understood her words. "You don't need to worry about it."

"Tell me about it." Lan Ruoxi wanted to know what his plan was to counter Jufan's plan.

"It's like this." Xiao Tian began to tell her everything.

"I see." Lan Ruoxi didn't expect that Xiao Tian would use the Hawk gang, but in her view, he made the right choice.

"By the way, are you angry over something?" Xiao Tian inquired.

"Oh! You knew it?!" Lan Ruoxi was not surprised when Xiao Tian found out that she was angry over something.

"Of course!" Xiao Tian answered instantly. "Even though you don't want me to know about it, but you can't hide it from me. Now tell me, what makes you angry? This big brother will seek justice for you later."

"Big brother?! Hehe." Lang Ruoxi giggled after hearing his words.

Xiao Tian was twelve years younger than her, so it was funny when he said something like that.

"Haish. Younger sister, why are you giggling like that? Tell this big brother who made you angry like this." Like before, Xiao Tian pretended as if he was older than Lan Ruoxi.

"Hehe." After giggling, Lan Ruoxi told him everything.

The reason why Lan Ruoxi was annoyed was that when she was carrying out her mission with Zui Duzi, he kept looking at her body.

Previously, she almost could not hold back her anger and wanted to beat Zui Duzi. Luckily, she didn't do that, or else, she could ruin their plans.

"I see. But in my opinion, his actions were normal." After saying that, Xiao Tian stared at Lan Ruoxi from her foot to head. "I mean, look at these beautiful long legs and your slende-"

Before Xiao Tian had finished his words, he was interrupted by Lan Ruoxi. "Young master Xiao, do you want to practice martial arts with me now?"

"No, thank you." Xiao Tian refused instantly.

Xiao Tian was sure that practicing martial arts was only an excuse to beat him. That was why Xiao Tian refused instantly.

"Hehe. Why? Didn't you want to get stronger quickly?" Like before, Lan Ruoxi was still giggling.

"The weather is hot right now so it's not the right time to practice martial arts." Of course, it was only an excuse because the weather was not hot. Xiao Tian said something like that because he didn't want to practice martial arts with her. "How about we practice martial arts in bed now? I'm sure it's more exciting this way."

"Sure." Lan Ruoxi spoke and paused for a second before she continued, "But you have to beat me in a real fight first. How is it? Do you want to try it now?"

The corner of Xiao Tian's lips twitched after hearing her words.

'Damn! She is bullying me!'

## **Chapter 704 - You Have To Beat Me In Fight First**

9-11 minutes

---

"Lady Lan, why do you always say I have to beat you in a fight first before I can sleep with you?" Lan Ruoxi had told him countless times that Xiao Tian had to beat her in a fight first if he wanted to bed her.

At first, Xiao Tian thought she was only joking around, but because she kept saying the same things, Xiao Tian started to feel that she was telling the truth.

"Because I want my future lover to be stronger than me." Lan Ruoxi gave an honest answer. "With him being stronger than me, he will always be able to protect me later."

Even though Lan Ruoxi was skilled in martial arts, she was still a woman and desired to be protected by her lover.

"But you are so skilled in martial arts, so isn't your condition too difficult for everyone?" Xiao Tian had no idea as to why Lan Ruoxi wanted her future lover to be stronger than her.

Usually, women only wanted handsome, kind, or rich men as their boyfriends. That was why he didn't get her train of thought.

"If my condition is too easy, then it can't be called a condition, right? Young master Xiao, if you want to bed me, you have to practice martial arts much harder than before, or else, you won't be able to bed me later. Hehe." even though Lan Ruoxi stated something that should not be said easily by a woman, but she still behaved normally as if what she just said was something a woman would normally say.

Xiao Tian didn't say a word and only stared at her. Deep inside, Xiao Tian was startled. From her words, it seemed like she was ready to have sex with him as long as he could beat her in a fight.

"After you manage to beat me in the fight," Lan Ruoxi brought her face closer towards Xiao Tian's right ear before she continued, "I will serve you on the bed until you are satisfied. Hehe."

Xiao Tian's mind went dirty upon hearing her words.

'Damn! I thought I could control myself, but I was wrong. The desire to make all beautiful and sexy women mine keep appearing within me as if I don't want to let another man have a pretty or sexy girlfriend.'

Xiao Tian immediately blamed his past life personality for this.

"Don't you want a handsome or rich boyfriend?" Xiao Tian asked curiously.

"Of course I want it. Who doesn't want a good-looking or rich boyfriend? I'm sure all women agree with me on this. But for me, money and good looks are not important." At this moment, Lan Ruoxi was telling the truth.

If she only wanted a good-looking or rich man as a boyfriend, she would have already had a lover because many handsome or wealthy men want to make her theirs.

"So, you only want a strong boyfriend, huh?" Xiao Tian suddenly thought of something. "Wait! Is your condition valid to everyone?"

The reason why Xiao Tian asked that question was that people who were stronger than her were usually already old, like Jufan and the others.

Lan Ruoxi was pretty and sexy, so Xiao Tian was not willing if an old man like Jufan could become her lover later.

"Hehe. Of course not." Lan Ruoxi giggled before replying. "Why would I want someone who is near death to be my lover? Wouldn't that unfair for me later? I prefer young men, you know."

Xiao Tian let out a sigh of relief after hearing her words.

"Hehe. Why do you feel relieved like that?" Lan Ruoxi inquired, "Don't tell me, you want to make me yours too."

"Yes. I suddenly want to make you mine." Even though Xiao Tian still hadn't fallen in love with her, but he was not willing to see her become another man's lover.

Of course, he knew that he was selfish, but he could not lie to his feelings.

"Then you have to practice martial arts even harder so that you can beat me immediately." Since Lan Ruoxi knew that Xiao Tian had no feelings for her, she thought Xiao Tian was only joking around.

"Because I can't bed you, how about we have a French kiss now?" Xiao Tian was not a coward, so he said what he had in mind.

Sure, Lan Ruoxi was much stronger than him, but so what? Xiao Tian didn't care the slightest bit about that. And they had kissed passionately many times, so Xiao Tian thought Lan Ruoxi had no objections to kissing.

"Young master Xiao, it seems like you are getting more and more pervert now." Lan Ruoxi uttered.

In the past, Xiao Tian was cautious whenever he was with her. But ever since their relationship had gotten closer, he always said what he had in mind without caring about the consequences.

"Because I'm a pervert from the start." Xiao Tian admitted it shamelessly.

"Hehe." Lan Ruoxi could not help but giggle when Xiao Tian behaved as if being a pervert was something to be proud of. "Sure. You can kiss me passionately if you want. But you have to bear the consequences later."

Even though Lan Ruoxi was threatening him, Xiao Tian was not afraid.

'Hmf! Don't think that I won't kiss you just because you are much stronger than me. I, Huang Chen, no. I mean, I, Xiao Tian, have no fear. In this world, nothing can scare me.'

With that in mind, Xiao Tian grabbed Lan Ruoxi by the chin and pressed his lips against hers.

At this moment, Lan Ruoxi still did nothing and let him do whatever he wanted. However, when he tried to put his tongue in her little mouth, she bit his lower lip.

"Agh!" Xiao Tian cried out in pain.

Instead of feeling sorry, Lan Ruoxi giggled. "Hehe. Didn't I tell you that you have to bear the consequences if you dare to kiss me? This is the punishment for daring to kiss me."

"Lady Lan. You are too cruel! Look! My lower lip is bleeding." Because Lan Ruoxi bit it hard, his lower lip was bleeding. "What if I can't kiss my women anymore because of this? Do you want to take responsibility?"

"It's your fault." After saying that, Lan Ruoxi shut her eyes. "Here. You can kiss me again if you want. However, I will not take responsibility for what will happen to you later."

From her words, Xiao Tian suspected that Lan Ruoxi would bite his lower lip again if he dared to kiss her.

'Does she think I will be scared?'

Because it would hurt his pride if he didn't kiss her, Xiao Tian immediately pushed her slowly, causing her to fall to the couch.

Currently, Xiao Tian was pressing her body with his. Because she challenged him to kiss her again, Xiao Tian wasted no time and immediately pressed his lips against hers.

Like before, Lan Ruoxi opened her eyes and bit his lower lip again. However, this time, Xiao Tian didn't stop the kiss.

Despite feeling the pain, Xiao Tian kept kissing her until finally, he managed to put his tongue into her little mouth.

As soon as Xiao Tian's tongue was in her mouth, he moved his tongue skillfully. This made Lan Ruoxi slowly lose herself in lust.

For this reason, she put her hands on his back and slowly moved her soft tongue in rhythm with his movements.

When Lan Ruoxi was welcoming the kiss, Xiao Tian laughed in his head.

'Haha.'

Even though Lan Ruoxi had already bitten his lower lip twice, but Xiao Tian didn't mind it because he could kiss her passionately again.

They had a passionate kiss for about thirty seconds before finally, Lan Ruoxi stopped the kiss. "Hehe. As expected of young master Xiao, you are sur-"

However, before Lan Ruoxi had finished her words, Xiao Tian kissed her passionately again. Like before, Lan Ruoxi immediately welcomed the kiss.

Their kiss was getting hotter and hotter, and none of them wanted to stop. As they were having a deep kiss, a voice suddenly rang out. "I'm home."

Upon hearing Zhao Sheng's words, Lan Ruoxi instantly pushed Xiao Tian away. Because she didn't want Zhao Sheng to know what they just did, Lan Ruoxi immediately sat upright and wiped off the saliva on her mouth.

Xiao Tian could only sigh when he knew that he could not kiss her anymore.

"Hehe." Lan Ruoxi giggled, "Are you disappointed?"

"Yes." Xiao Tian gave an honest answer. "How about we continue again later?"

"Continue what? Are you two playing a game?" Zhao Sheng, who had just entered the living room, asked curiously.

"Yes." Xiao Tian lied to Zhao Sheng. "We just finished playing a game on our smartphones."

"Not fair! I want to play too. Let's play together." Zhao Sheng didn't know that Xiao Tian was lying to him.

"Sure." Xiao Tian replied.

-----

The following morning, Jufan ordered Zui Duzi to go to Xiao Tian's house to carry out their next plan.

Knock...knock...knock

As soon as he arrived at Xiao Tian's house, Zui Duzi immediately knocked on the door.

Xiao Tian, who was sitting on the couch, rose to his feet and headed to the guest room to open the door.

"Oh! Ace, you have recovered?" Zui Dui was startled when he saw Xiao Tian because he thought Xiao Tian still hadn't fully recovered.

"Yes." actually, Xiao Tian was shocked, but he didn't show it on his face. "Please come in."

After Zui Duzi sat on the couch, he immediately asked, "How is Black?"

"He has recovered too." Xiao Tian answered as he smiled.

"Ace, who is i-" Lan Ruoxi stopped her words halfway when she saw Zui Duzi. "Oh! Instructor Zui."

"Good morning, Crystal. I have come to carry out our mission." Zui Duzi spoke.

## **Chapter 705 - Double Kill...Triple Kill...Ultra Kill...Rampage...**

8-11 minutes

---

Even though Lan Ruoxi was trying to hide her displeased expression, Xiao Tian could still tell.

'Is he the one who always stared at her body yesterday?'

Xiao Tian suddenly remembered the time where she said that she was annoyed by one of Yahui's disciples because he always looked at her body when she was carrying out her mission.

"I see. Please wait a moment. I will bring you a drink." Even though Lan Ruoxi was annoyed by his presence, she didn't show it on her face and acted in a friendly manner.

After Lan Ruoxi left, Xiao Tian immediately spoke, "Senior, I want to change my clothes first. I will be right back."

"All right." Zui Duzi responded as he nodded his head.

But instead of heading to his room, Xiao Tian went to the kitchen. When he stepped into the kitchen, he inquired, "Is he the one who always stared at your body yesterday?"

Even though Lan Ruoxi was startled, she didn't show it on her face.

"Yes." Lan Ruoxi gave an honest answer without looking at Xiao Tian's face.

When Xiao Tian was on her right side, he asked, "Do you want to teach him a little lesson?"

Lan Ruoxi stopped what she was doing and turned her head to the right side to look at Xiao Tian. "Do you have any idea in mind?"

"Of course." Xiao Tian then brought his face closer to her right ear and whispered, "Why don't you put salt in his drink?"

Actually, Xiao Tian had a more exciting idea but decided not to use it because his idea was too cruel for Zui Duzi.

"Hehe. You are indeed an evil person." Even though Lan Ruoxi said something like that, but she agreed to teach Zui Duzi a lesson using Xiao Tian's idea. "But your idea is not bad either."

With that in mind, Lan Ruoxi took some salt and put it into the tea, which she would give to Zui Duzi later.

After Lan Ruoxi went to the guest room to give Zui Duzi the tea, Xiao Tian headed to his room to change his clothes. Previously, he said that he wanted to change his clothes, so if he still wore the same clothes, Zui Duzi would question him later.

"Please drink the tea while it's still warm." Lan Ruoxi smiled as she put the tea on the table.

Because Zui Duzi didn't want to be rude, he grabbed the tea and took a sip. As the tea slid down his throat, his eyes widened in surprise.

'So salty!'

Zui Duzi almost spat out the tea earlier.

When Lan Ruoxi saw the expression on his face, she was thrilled.

'Hehe. This is the punishment for always staring at my body yesterday.'

At this moment, Lan Ruoxi tried her best not to laugh.

Because Lan Ruoxi didn't want Zui Duzi to know that she put salt in his drink on purpose, she smiled and inquired, "How is it?"

"It's delicious!" because Zui Duzi didn't want to hurt Lan Ruoxi's feelings, he decided to lie.

'But I prefer not to drink this tea anymore.'

He added in his head.

"Please drink it again." Lan Ruoxi wore a happy expression as if she was thrilled when Zui Duzi praised her tea.

"I...I will drink it again later." Zui Duzi refused instantly.

At this moment, Xiao Tian stepped into the guest room and sat on Lan Ruoxi's left side, "Senior Zui, can you tell me what your next plan is?"

Even though Xiao Tian knew what their next plan was, but he pretended as if he didn't know anything.

"We are going to spy on the gang that will attack the Blue Ice Lotus gang." Zui Duzi gave an honest answer. "From the information we got yesterday, there is a high chance that they will attack the Blue Ice Lotus gang today."

"I see." Xiao Tian nodded his head. "Can I come with you later?"

"Sure." Zui Duzi replied instantly.

"Great!" Xiao Tian pretended to be happy. "When are we leaving?"

"Once Lady Crystal is ready, we will leave immediately." Actually, Zui Duzi wanted to tell Lan Ruoxi to prepare herself immediately but decided against it because, in his view, it was not a bad idea to talk with Lan Ruoxi first before carrying out their mission.

"Then I will change my clothes first." After saying that, Lan Ruoxi rose to her feet and headed to her room to change her clothes.

"Where is Black?" Zui Duzi asked curiously.

"He is training martial arts in the backyard." Xiao Tian lied to Zui Duzi. "He wants to prepare himself before going to war with the Blue Ice Lotus gang."

"Oh! I didn't expect your brother to be so diligent in practicing martial arts." Zui Duzi was surprised by how diligent Zhao Sheng was in practicing martial arts.

If he knew that Zhao Sheng was playing a game in his room, Xiao Tian was sure that Zui Duzi would take back his words right away.

Not long after that, Lan Ruoxi returned to the guest room. "I'm ready."

Zui Duzi rose from his seat and spoke, "Let's go."

"Instructor Zui, please finish the tea first." Of course, Lan Ruoxi would not let Zui Duzi go without finishing his tea first because previously, he only drank the tea a little.

Upon hearing her words, Zui Duzi had no idea what to do. He didn't want to drink the tea again because the tea was so salty, but at the same time, he didn't want to be rude to Lan Ruoxi.

'I really want to tell her that her tea is so salty, but...'

Zui Duzi smiled awkwardly.

"Senior, please finish the tea first." Of course, Xiao Tian also wanted Zui Duzi to drink the tea because all of this was his idea.

Because Xiao Tian and Lan Ruoxi wanted him to drink the tea, Zui Duzi could not refuse.

'God, please make this tea taste sweet.'

Even though Zui Duzi kept praying to God, but the tea still tasted the same.

'So salty!'

He really wanted to stop drinking the tea and put it back on the table. However, when he noticed Lan Ruoxi and Xiao Tian staring at him, he forced himself to finish his tea.

After he finished his tea, he smiled, "De...delicious."

Even though he was smiling, but anyone could tell that he forced himself to smile.

"Let's go." Lan Ruoxi spoke.

"Un." Xiao Tian and Zui Duzi nodded their heads.

Then they headed to their motorbikes.

Like yesterday, Zui Duzi was stunned by her sexiness when Lan Ruoxi was sitting on her motorcycle while holding her helmet.

Xiao Tian, who noticed that, gave a cough. "Cough...cough..."

At this moment, Xiao Tian could not blame Zui Duzi because Lan Ruoxi looked sexier when she was sitting on her motorbike.

'Now I wonder how sexy Fei will be when she is sitting on the motorcycle?'

Even though Xiao Tian knew that Shi Fei would look so sexy when she sat on a motorbike, but he wanted to see it with his eyes.

'All right. I will go on a date with her using a motorcycle later.'

All this time, they always went somewhere by car. That was why Xiao Tian suddenly wanted to go on a date with a motorbike.

"Ace, do you want to go with me?" Zui Duzi felt embarrassed when Xiao Tian pretended to cough.

"Sorry, but I will go with big sister Crystal." At first, Xiao Tian wanted to use his motorcycle, but he suddenly changed his mind.

It was the perfect time to take advantage of the situation. That was why he decided to go with Lan Ruoxi.

Without asking for Lan Ruoxi's opinion, Xiao Tian immediately sat on her motorbike and wrapped his arms around her slender waist. "Big sister Crystal, I'm ready."

Lan Ruoxi was surprised by his actions.

'This young man never wants to miss an opportunity to take advantage of the situation.'

At first, Lan Ruoxi wanted to tell Xiao Tian to use his motorcycle, but after thinking for several seconds, she decided against it.

At this moment, Zui Duzi was jealous of Xiao Tian.

'If only Ace were me.'

He was envious of how lucky Xiao Tian was.

\*Gulp.

When he saw Xiao Tian's arms wrapping around Lan Ruoxi's slender waist, Zui Duzi could not help but gulp his saliva.

Xiao Tian then turned his head to look at Zui Duzi.

'Haha. I'm sure, he is jealous of me.'

Xiao Tian was sure that Zui Duzi was hoping that Xiao Tian was Zui Duzi.

When Lan Ruoxi noticed Xiao Tian embracing her tighter, she immediately spoke, "Ace, let's practice martial arts together again later."

"Sure." of course, Xiao Tian knew the reason why Lan Ruoxi suddenly wanted them to practice martial arts together, but he didn't show the slightest care about it.

After putting on her helmet, Lan Ruoxi looked at Zui Duzi, "Instructor Zui, let's go."

"Ah! Alright." Zui Dui responded.

Then they left.

At the same time, Zhao Sheng was still playing a game. Because he was too focused on his game, he had no idea that he was alone at home.

Suddenly the sound of the announcer from the game echoed in his room.

\*Double kill...Triple kill...Ultra kill...Rampage...

"Hahaha." Zhao Sheng laughed happily as his character killed five heroes at once. "As expected of myself, I'm indeed talented in everything!"

After killing all of his opponents, he immediately typed.

[Hahaha. All of you are so weak.]

He then sent it to All-chat so that his enemies could read it.

His enemies instantly cursed venomously in their hearts.

'Fuck! Who is this arrogant person?!'

## **Chapter 706 - What's Going On Here?**

9-11 minutes

---

Because Zhao Sheng wanted to play a game with Xiao Tian and Lan Ruoxi again, he dashed to the family room.

"Ace, Crystal, let's play a game together aga-" Zhao Sheng stopped his words halfway when he saw no one in the living room. "Where are they?"

He then headed to the kitchen and dining room to look for them. Because he still hadn't found them, he went to the backyard and front yard. However, the result was still the same; he still could not find them.

'Where are they?'

Zhao Sheng was unhappy when Xiao Tian and Lan Ruoxi left without telling him first. He tried to call them, but none of them picked up the phone.

'Damn it!'

-----

Currently, Xiao Tian and Lan Ruoxi were near the abandoned factory.

"Why are you still sitting on the motorbike?" Lan Ruoxi inquired.

"Eh! We have arrived at our destination?! So fast!" because hugging Lan Ruoxi from behind made Xiao Tian feel comfortable, he didn't notice that they had arrived at their destination.

"Do you still want to take advantage of the situation? Hehe." Lan Ruoxi giggled after asking him. "Hurry up and get off the motorbike."

Instead of getting off the motorcycle, Xiao Tian hugged Lan Ruoxi tighter. "Let's wait for Zui Duzi to arrive first. I will get off after he arrives."

Of course, Xiao Tian still wanted to take advantage of the situation because it was not every day he could embrace her like that.

"Maybe, after this, I will go see your women and tell them what you did to me today and yesterday. Hehe." Because Lan Ruoxi knew that whatever she said would be useless, she let him do whatever he wanted.

"Sure. You can do that later." Xiao Tian was not afraid because he was sure his women would not make a fuss about his perverted behavior. He was even sure that they would only giggle later.

They knew that he was a playboy and a pervert, so he didn't show the slightest care about it. All he wanted to do at that time was to enjoy the feeling of embracing Lan Ruoxi.

When Lan Ruoxi saw Zui Duzi, she immediately spoke, "He is here."

"Sigh." Xiao Tian was unhappy when he saw Zui Duzi. "Why is he here so fast? Can't he arrive five minutes later?"

"Hehe." Lan Ruoxi could not help but giggle after hearing his remarks, "Pervert young man, hurry up and get off the motorbike, or else, he will think you are lusting after your sister-in-law's body."

Xiao Tian sighed again before getting off the motorbike.

"Lady Crystal, Ace, let's go." Zui Duzi spoke abruptly.

"All right." Xiao Tian and Lan Ruoxi answered in unison.

In the abandoned factory's front yard, Xiao Tian and Lan Ruoxi's underlings were sitting on the ground.

But suddenly, one of them rose to his feet and shouted, "Everyone, today is the day we have been waiting for. Today, we are going to attack the Blue Ice Lotus gang and teach them a lesson!"

The person who was speaking was Yao, one of Xiao Tian's underlings from the Shadow gang. Yesterday, Xiao Tian chose him as their leader because he was skilled in martial arts and had suitable criteria to become their leader.

"Teach them a lesson!"

"Beat them to death!"

"Make them suffer!"

"Destroy the Blue Ice Lotus gang!"

One by one, Xiao Tian and Lan Ruoxi's underlings shouted.

After they stopped talking, Yao then continued, "All this time, they have been bullying us. They have been beating us and they have been humiliating us. But all of that will end today. Today, we will go to their base and teach them a lesson. Today, we will prove to them that we are different from before, and today, we will let them know that they won't be able to bully us anymore!"

"Hooooo."

"Hooooo."

"Hooooo."

All of them raised their right arms and shouted.

At this moment, Xiao Tian, Lan Ruoxi, and Zui Duzi were hiding not far from them.

"It seems like they really are going to attack the Blue Ice Lotus gang today." Xiao Tian pretended to be happy. "This is good news for us."

"You are right." Zui Duzi responded. "With this, we can take advantage of the situation later. Hehe. The Blue Ice Lotus gang is doomed today."

Because they would also attack the Blue Ice Lotus gang, Zui Duzi was sure that they could destroy the Blue Ice Lotus gang later.

"Should we inform grandmasters now?" Lan Ruoxi inquired.

"Not yet. It's still too early to inform them." Xiao Tian thought it would be better to inform Jufan and the others later.

"I agree with Ace. It's still too early to inform grandmasters." Zui Duzi had the same thought as Xiao Tian.

"They are leaving." Xiao Tian uttered when he saw his underlings leaving. "Let's follow them."

Xiao Tian and the others then followed them to the Blue Ice Lotus gang headquarters.

-----

\*Bang!

Yao and the others kicked the iron gate.

Ten of the Blue Ice Lotus gang members who were in the front yard pretended to be shocked when they saw Yao and the others.

"Oh! Aren't you guys the people we bully a lot?" one of the Blue Ice Lotus gang members spoke abruptly, "What do you want? Why did you come to our gang? Do you want us to bully you again? Haha."

"We are going to beat all of you and destroy your gang!" Yao's cold voice echoed in the front yard.

"What?! You want to beat us and destroy our gang?! Am I hearing it right?" one of the Blue Ice Lotus gang members spoke in a mocking tone.

"Maybe, they are still sleeping right now." another Blue Ice Lotus gang member uttered

"I'm sure of it." Another member spoke, "Otherwise, there is no way weak people like them will dare to say such things because usually, they always act like dogs in front of us."

"Haha." The Blue Ice Lotus gang members laughed loudly.

Yao and the others gritted their teeth. They were furious because the Blue Ice Lotus gang members kept humiliating them.

"Wow! The Blue Ice Lotus gang members are so brave!" Zui Duzi spoke abruptly. "Even though they are facing eighty people, there is not the slightest expression of fear in their eyes. They even still dare to humiliate their enemies. I'm amazed by their braveness."

Previously, Zui Duzi thought the Blue Ice Lotus gang members would panic when they saw Yao and the others, but he was wrong.

Not only did they not feel fear, they even still behaved all high and mighty. It was as if they didn't put Yao and the others in their eyes.

'As expected of the well-known gang, their braveness is on a different level.'

Even though the Blue Ice Lotus gang was his enemy, but Zui Duzi still praised them.

Because it was time for them to come out, Chun Hua and the others walked into the front yard.

"What's going on here?" Chun Hua pretended as if she didn't know anything.

"They suddenly came and said that they would destroy our gang. Haha." One of the Blue Ice Lotus gang members replied.

"Oh! You want to destroy our gang, huh?" of course, Chun Hua knew about it because all of this was their plan.

However, because she knew that Xiao Tian and the others were watching them, she pretended to be shocked.

"Yao, let's just beat them." One of the Shadow gang members spoke abruptly. "There is no point talking with them!"

"BEAT THEM TO DEATH!" Yao spoke coldly as he pointed his metal pipe towards the Blue Ice Lotus gang members.

Upon hearing Yao's words, the Shadow gang and Lan Ruoxi's underlings dashed to attack the Blue Ice Lotus gang members.

Because Xiao Tian didn't want Zui Duzi to know that his underlings were only pretending to fight, he immediately spoke, "Senior, should we inform the grandmasters now? I think now is the right time to inform them so that we can prepare to attack them later."

Xiao Tian was thinking of making Zui Duzi leave so that his underlings didn't need to continue pretending to be fighting.

"Good idea!" Zui Duzi also had the same thought as Xiao Tian. "I will call my Shifu now."

"Don't call him. In my view, it's better if we inform them directly." Of course, Xiao Tian would not let Zui Duzi call Yahui because, with that, he would not be able to make Zui Duzi leave.

"But we need to continue to monitor them." It was not that Zui Duzi didn't want to tell his Shifu directly, but in his view, they needed to continue to monitor them so that they would not make a single mistake later.

"How about the two of us inform the grandmaster directly?" Xiao Tian voiced out his idea. "Big sister Crystal will stay here and keep monitoring them. If we want to know the situation later, we can make a video call with her."

"I agree with his idea." Lan Ruoxi added.

"All right." It took Zui Duzi five seconds before answering.

"Good!" Xiao Tian was pleased after hearing Zui Duzi's words. "Senior, please take some photos of them so the grandmaster won't think we're lying later."

"All right." After saying that, Zui Duzi took some photos of Xiao Tian's underlings who were fighting each other.

Xiao Tian then turned his head towards Lan Ruoxi and spoke, "Big sister Crystal, please be careful. Remember, your safety comes first."

"All right." Lan Ruoxi responded as she nodded her head.

Xiao Tian then returned his attention to Zui Duzi, "Senior Zui, let's go."

"Un." Zui Duzi nodded his head.

Then Xiao Tian and Zui Duzi traveled to Ryu martial arts school.

### **Chapter 707 - I Will Count On You Later, Ace**

9-11 minutes

---

Hozu Town, Ryu Martial Art School.

Currently, Jufan, Yahui, and Shuren were talking in a private room. This time, they didn't discuss any plans; they were talking about normal things. As if the three of them had no problem, they laughed happily as they spoke.

Suddenly, one of Yahui's disciples entered the private room and spoke, "Grandmasters, Zui Duzi and Ace request an audience with you."

"Oh! Ace? He has recovered?!" Yahui was startled when he learned that Xiao Tian was in his place.

Not only Yahui, but Jufan and Shuren were also surprised. Of course, they were pleased because, with this, Xiao Tian could help them again later.

"Yes. He is outside with Zui Duzi now." Yahui's disciple replied.

"Let them in." Yahui replied answered.

"Understood." Yahui's disciple responded before walking out of the room.

Not long after that, Xiao Tian and Zui Duzi entered the room.

"Greeting grandmasters." Xiao Tian and Zui Duzi greeted Yahui and the others in unison.

"Oh! Ace, it seems like you have fully recovered now." because Xiao Tian's face was no longer pale, Shuren believed Xiao Tian had fully recovered.

"Yes." Xiao Tian gave a short answer.

"So, what do you want to talk about?" Jufan inquired.

As if Xiao Tian and Zui Duzi could communicate with their eyes, Zui Duzi spoke after Xiao Tian, and he nodded their heads at the same time, "Grandmasters, we have good news."

"Oh! What is it?" Jufan was even more curious after hearing Zui Duzi's words.

"Those small gangs are having a war with the Blue Ice Lotus gang as we speak." Zui Duzi went straight to the point. "Before I came here, I have taken several photos of them fighting each other."

Without waiting for another second, Zui Duzi showed Yahui the photos he took earlier so that Yahui would not think that he was lying to them.

After Zui Duzi gave his smartphone to Yahui, Jufan and Shuren instantly walked closer to Yahui to see the photos.

"Haha. Good, good, good." Jufan's laughter echoed in the private room.

He was thrilled when he learned that the Blue Ice Lotus gang was having a war with those small gangs.

"Grandmasters, today is the perfect time to attack the Blue Ice Lotus gang." Xiao Tian's eyes flashed with terrifying sharpness as he spoke. "We absolutely can't let this opportunity slip away because this is a gift from heaven."

"You are right, Ace." Yahui had the same thought as Xiao Tian. "Let's prepare everything now."

"I agree," Jufan added. "I will prepare everything now."

"I will call my brother." Xiao Tian needed Zhao Sheng later, so of course, he would bring Zhao Sheng with him.

"Good. Call Black now." Yahui uttered.

Xiao Tian immediately called Zhao Sheng and told Zhao Sheng to come to Ryu martial arts school. He also said to Zhao Sheng to bring two swords later, one for him and one for Lan Ruoxi.

-----

Nanli district, Blue Ice Lotus gang headquarters.

Because Xiao Tian and Zui Duzi had already left, Lan Ruoxi no longer needed to pretend to be hiding. After making sure that no one was around her, she walked towards the front yard of the Blue Ice Lotus gang headquarters.

"All right, stop it! All of you don't need to pretend to fight anymore." Lan Ruoxi spoke as she walked over to them.

They instantly stopped fighting and turned their heads towards her.

Lan Ruoxi then looked at her underlings and uttered, "Your task has been completed. Go back and guard my place now."

"Understood." Lan Ruoxi's underlings bowed slightly before leaving.

"Now, let's move to the next plan." Lan Ruoxi didn't want to waste time. That was why she wanted them to carry out their next plan immediately.

Xiao Tian's underlings immediately took the fake blood they had bought before. Without waiting for another second, they splashed the fake blood on their clothes.

Not only did they splash the fake blood on their clothes, but they even smeared it on their arms and heads so that they looked like they were severely injured.

After that, they headed to the underground jail and gave metal pipes to the Hawk gang members.

"Don't you dare try to run away later!" of course, Chun Hua didn't forget to threaten the Hawk gang members. "If you try to do that, we will catch you and torture you 24 hours a day, every day!"

The Hawk gang members shivered in fear after hearing Chun Hua's words.

'Hii!'

Actually, some of them intended to run away later, but as soon as they heard what she said, they immediately erased the idea because they were afraid of the consequences.

Because the task of the Shadow gang and the Hawk gang was to give surprise attacks and block Jufan and the others if they tried to escape, they immediately hid near the headquarters of the Blue Ice Lotus gang.

-----

Hози Town, Ryu Martial Art School.

In the front yard of the Ryu Martial School, 170 people were lined up neatly. These people were a combination of the Ryu martial arts school, Hakken martial arts school, Tiger martial arts school, and several people who decided to help them.

In front of them, an old man was standing proudly with his hands clasped behind his back. That old man was none other than Jufan.

At this moment, Zhao Sheng finally arrived at the Ryu martial arts school. Zhao Sheng was wearing his favorite titanium glove and carrying two swords in his left hand.

'Finally, I can have fun later.'

Zhao Sheng was like Xiao Tian. Both of them were battle maniacs, so when he found out that they would have a war later, his body trembled in excitement.

That was why when Xiao Tian told him that they would have a war, he instantly stopped playing a game and prepared himself.

"Oh! Your brother has arrived." Yahui spoke abruptly when he saw Zhao Sheng.

When Zhao Sheng was in front of Xiao Tian, he gave these two swords to Xiao Tian. "Here, take it."

"Thank you." Xiao Tian instantly took these two swords.

Yahui and Shuren were dumbfounded when Zhao Sheng gave two swords to Xiao Tian.

Because Yahui could not hold back the curiosity he had, he inquired, "Ace, what is this? Why did your brother give you two swords? Are you a swordsman?"

"Grandmaster Yahui, our master has taught me swordsmanship, so I know how to use swords a little." Xiao Tian lied to Yahui. "Since we are going to have a war with the Blue Ice Lotus gang, I thought it would be better if I used a sword to fight them."

"Grandmaster Yahui, my brother is good at using swords." Zhao Sheng uttered, "Perhaps, he is better at fighting with swords than barehanded."

"Really?" Shuren was startled because all this time, he thought Xiao Tian was not a swordsman.

Like Shure, Yahui was also surprised.

'Now I wonder how skilled his swordsmanship is?'

Yahui asked in his head.

"Don't listen to him, grandmasters." Xiao Tian spoke, "My brother is overpraising me. I only know how to use swords a little."

"What's wrong? Is there a problem?" Jufan, who was walking over to them, inquired.

Since he didn't hear their conversation clearly, he thought there was some problem.

"No." Yahui responded. "We are just surprised that Ace is a swordsman."

"Eh! Really?" like Yahui and Shuren, Jufan was startled when he found out that Xiao Tian was a swordsman.

"Yes." Zhao Sheng spoke proudly as if they were praising him. "I'm sure, my brother will kill a lot of his enemies later."

'And his enemies are all of you.'

He added in his head.

At this time, Xiao Tian only smiled awkwardly.

"I see." Jufan then touched Xiao Tian's right shoulder. "Then, I will count on you later, Ace."

"I will do my best to kill my enemies." At this moment, Jufan and the others didn't realize that when Xiao Tian said that, what he meant was that he would kill them later, not his gang.

Jufan then looked at Yahui and inquired, "How is the situation?"

Instead of answering, Yahui looked at Xiao Tian and inquired, "Can you call your sister-in-law now? We want to hear the situation from her now."

"All right." Xiao Tian took his smartphone out of his pocket and called Lan Ruoxi. Of course, Xiao Tian video called her.

"Hello?" Lan Ruoxi said after picking up the phone.

In order to make Jufan and the others hear Lan Ruoxi's voice, too, Xiao Tian put on the speaker mode.  
"Big sister Crystal, how is the situation?"

"The war has ended. The Blue Ice Lotus gang won the war, but many of them are heavily injured now." after saying that, Lan Ruoxi pointed the camera at the Blue Ice Lotus gang members, who were in the front yard.

From his smartphone, Xiao Tian and the others could see many of the Blue Ice Lotus gang members lying on the ground.

Jufan and the others were pleased after seeing it. They didn't know that they had fallen into Xiao Tian's trap.

"Good. We'll be right there. Wait for us." After saying that, Xiao Tian hung up the phone.

Then Jufan, Yahui, and Shuren walked towards their disciples and stood in front of them.

"Everyone, I'm sure all of you know the reason why you all are here." Jufan spoke, "Today, we are going to destroy the Blue Ice Lotus gang. We will let them know what the consequences is for daring to cause trouble to us."

At this moment, Xiao Tian stared at Jufan intently.

'I will make you regret your actions later.'

Xiao Tian spoke in his head.

Jufan then continued, "Let's go the Blue Ice Lotus gang headquarters now!"

With that, they traveled to the Blue Ice Lotus gang headquarters.

### **Chapter 708 - Who Is Speaking Ill Of Me?**

9-11 minutes

---

Forty minutes later, Jufan and the others arrived at their destination.

"Big sister Crystal, here." Xiao Tian immediately passed one of the swords to Lan Ruoxi the moment he saw her.

"Thank you." Lan Ruoxi took it with her right hand.

Like before, Jufan, Yahui, and Shuren were shocked. However, after remembering what Xiao Tian had said earlier, they didn't ask anything.

"Let's go." Jufan wanted to destroy the Blue Ice Lotus gang and teach Xiao Tian a lesson immediately, so he didn't want to waste time.

"All right." Everyone had the same thought as Jufan.

\*Dung...Dung...Dung...

Because 176 people were walking at the same time, the sound of their footsteps echoed every time they took a step.

The Blue Ice Lotus gang members, who were pretending to be injured and lying on the ground, turned their heads towards the gate.

'They are coming.'

Even though Jufan and the others still hadn't entered the front yard of the Blue Ice Lotus gang headquarters, they knew the people who were walking towards them, were none other than Jufan and the others.

The Blue Ice Lotus gang members looked at each other before nodding their heads. Even though they knew that they would face 173 enemies, none of them showed the slightest fear on their faces.

Some of them even trembled in excitement because they would beat their enemies later. Of course, they believed that they would win the war later because they had many skilled martial artists.

"Hahaha." As soon as Jufan entered the front yard, he laughed loudly. His laughter echoed in the entire area.

Like what they had planned, all the Blue Ice Lotus gang members pretended to be shocked. Then, one by one, they rose to their feet.

"Jufan..!" Chun Hua's eyes gleamed with terrifying sharpness as she stared at Jufan and the others.

"Hahaha. What is this? Isn't this the well-known Blue Ice Lotus gang? Why is your condition so pathetic like this?" when Jufan saw the condition of the Blue Ice Lotus gang members, he was pleased and immediately made fun of them.

The Blue Ice Lotus gang members gritted their teeth. From their expressions, anyone could tell that they were furious when Jufan made fun of them. Of course, all of them were only pretending to be enraged.

"Even though our condition now is pitiful, but none of us are cowards!" As Ren Aoxu said that, he tried to stand up with the help of his sword.

"What?! Cowards?!" Yahui was unhappy when Ren Aoxu stated that they were cowards. "Just because we want to attack you when you are heavily injured, you call us cowards?! Young man, it's not because we are cowards; instead, it's the opposite. It's because we are smart and heaven loves us."

At this moment, Xiao Tian, Zhao Sheng, and Lan Ruoxi didn't say anything. They only stared at Jufan, Yahui, and Shuren.

"Even though we are heavily injured, we are not afraid of you." Chun Hua uttered, "We, members of the Blue Ice Lotus gang, are not cowards!"

"Yes. We are not cowards like you."

"If you want to fight, let's fight."

"Yes. Let's fight."

"We would rather die than beg to a coward like you."

"Yes. that's right."

One by one, the Blue Ice Lotus gang members showed their unyielding courage.

"Where is your leader, Xiao Tian?" Xiao Tian asked abruptly. "Don't tell me, he has run away because he is afraid of us."

"Don't you dare insult our leader!" one of the Blue Ice Lotus gang members pointed her tonfa at Xiao Tian. "And our leader is not a coward like all of you. He is an amazing person who will rule the whole of China in the future."

Xiao Tian almost vomited blood after hearing his underling's words.

'Since when did I want to rule the whole of China?'

It was true that he wanted to become someone who could make others fear and admire him at the same time. However, he had never wanted to rule the whole of China because it was almost impossible to do that.

"What?! Rule the whole of China?! Haha." Zhao Sheng laughed loudly. "If he had such a big dream, then where is he now? Why is he not with his underlings now? Just admit that your leader is a coward!"

"I dare you to say that again!" one of Xiao Tian's underlings said furiously.

"Your leader, Xiao Tian, is a coward, lame, stupid, ugly, playboy, evil, and there are many other bad things about him. If I were to say all of it, I would definitely die first before I could finish telling you all the bad things about him." Of course, Zhao Sheng would not let the opportunity to make fun of Xiao Tian slip away.

'Haha.'

Zhao Sheng laughed in his head after glancing at Xiao Tian for a second.

The corner of Xiao Tian's lips twitched.

'This bastard!'

Of course, Xiao Tian was not angry at Zhao Sheng because he knew Zhao Sheng's personality very well.

At this moment, Lan Ruoxi tried her best not to laugh.

'Young master Zhao is indeed a bad person. Every time the chance to make fun of young master Xiao arose, he had never let that opportunity slip away.'

Of course, Lan Ruoxi knew that Zhao Sheng was not serious and only wanted to make fun of Xiao Tian.

"Who is the person who dares to speak ill of me?" Mizu, who was pretending to be Xiao Tian, walked out of the base.

The reason why Xiao Tian chose Mizu to pretend to be him was that Mizu could imitate his voice very well.

Not only did he almost have the same posture as Xiao Tian, but Mizu was also a swordsman. Of course, in terms of talent, he was nothing compared to Xiao Tian because he was still at the high-level apprentice stage.

[I decided to change the 'Disciple stage to Apprentice stage'. I did this to avoid confusion between the disciple stage and the disciple of someone. Sigh. I am very inexperienced at this, so sorry. Perhaps, I will change the 'master stage in the future to avoid confusion. Maybe]

"I ask again. Who is the person who dares to speak ill of me?" Mizu, who was walking towards Jufan and the others, spoke coldly.

"Me!" Xiao Tian's eyes were filled with flames of fury when he saw Mizu. An aura of hatred exploded from his body.

Jufan, Yahui, and Shuren instantly turned their heads towards Xiao Tian. Because they were martial artists at the grandmaster stage, they could feel an aura of hatred emitting from Xiao Tian's body.

'It seems like he hates Xiao Tian to the bone. Look at those eyes! it seems like those eyes want to cut Xiao Tian's body into pieces.'

Jufan, Yahui, and Shuren were shocked when they found out how much hatred Xiao Tian had. At this moment, they were sure he wanted to torture Mizu to satisfy his hatred.

"Oh, it's you again?! I didn't expect you to be here. Eee, what was your name again?" Mizu then looked at the Blue Ice Lotus gang members. "Can any of you tell me his name again? Because I forget his name."

"Sir, he is Ace." Chun Hua replied politely.

"Ah, right. Ace. I remember you now." Mizu uttered, "You are the son of someone who betrayed me, right?"

"Where are our parents?" Xiao Tian asked coldly.

"Your parents? I don't know. I threw them away after beating them up." Mizu lied to them. "If you want to find them, you shouldn't be looking for them here because they aren't here."

"As I thought, you are indeed an evil person. I'm sure you have killed Ace's parents. That's why they are not here." The reason why Jufan slandered Mizu was that he wanted to make Xiao Tian hate Mizu even more.

With this, Xiao Tian's mind would be filled with hatred, and he would fight the Blue Ice Lotus gang members until he died.

Xiao Tian glanced at Jufan after hearing Jufan's words.

'This old bastard is also a cunning man.'

Of course, Xiao Tian knew the reason why Jufan said something like that. However, because he was pretending to be Ace, Xiao Tian had no choice but to agree with Jufan's words.

"Jufan oh Jufan. You are already old but you still like to slander other people. At your age, you should try to be a better person, not like this. You should know that you will not live much longer in this world. Isn't it better to do good deeds before dying?" Mizu spoke in a mocking tone.

"Haha." The Blue Ice Lotus gang members laughed loudly after hearing Mizu's words.

As for Xiao Tian and Zhao Sheng, they were pleased and agreed with Mizu's words.

'Good words!'

Xiao Tian and Zhao Sheng spoke in their minds.

Jufan gritted his teeth. He was furious when Mizu stated that he was going to die soon.

'Bastard!'

Jufan cursed venomously in his heart.

"Why are you making a face like that? I'm telling the truth, you know?" Mizu then looked at the Blue Ice Lotus gang members, "You guys agree with my words, right?"

"Yes. We agree." The Blue Ice Lotus gang members replied in unison.

"Bastard!" Jufan could no longer hold back his anger. His face turned red because of anger.

"Jufan, calm down," Shuren spoke abruptly. "Let them laugh because it will be their last laugh."

"You are right." Jufan calmed down immediately upon hearing Shuren's words.

"Our last laugh? How can you be so sure it will be our last laugh?" like before, Mizu wore a mocking expression.

"Because from today onwards, the Blue Ice Lotus gang will disappear from this world." Because Jufan didn't want to wait any longer, he decided to attack them. "Attack them!"

### **Chapter 709 - Xiao Tian, The Pig Is Angry.**

10-12 minutes

---

"Because from today onwards, the Blue Ice Lotus gang will disappear from this world." Jufan pointed his right index finger at the Blue Ice Lotus gang members. "Kill them!"

"Kill all of the Blue Ice Lotus gang members!" Jufan's disciples and the others roared.

They dashed towards the Blue Ice Lotus gang members to attack them. Because they thought the Blue Ice Lotus gang members were heavily injured, they were sure that they could defeat the Blue Ice Lotus gang members easily.

At this moment, all of them began to attack the Blue Ice Lotus gang members. Only Jufan, Yahui, Shuren, Zhao Sheng, Xiao Tian, and Lan Ruoxi remained in their positions.

\*Cling...

Xiao Tian unsheathed his sword.

\*Cling...

Lan Ruoxi also unsheathed her sword.

"Hehe." Zhao Sheng's body trembled in excitement.

'I have been waiting for this.'

Zhao Sheng said in his head.

Zhao Sheng and Lan Ruoxi then turned their heads to look at Xiao Tian. They would attack Jufan's disciples and the others if Xiao Tian made his move.

Jufan, Shuren, and Yahui glanced at them.

'Good! Attack them now! Kill them All!'

They wanted to see Xiao Tian, Lan Ruoxi, and Zhao Sheng attack the Blue Ice Lotus gang members first before making their moves.

\*Inhale... Exhale... Inhale ... Exhale ... Inhale ... Exhale ...

Because Xiao Tian wanted to reduce the number of his enemies quickly, he decided to use his secret move.

He slowly shut his eyes and controlled his breath. His inner energy instantly flowed to every part of his body.

\*Open eyes.

Xiao Tian slowly opened his black eyes.

'Moon style sword of drawing techniques- second ceremony- Earth Breaker.'

Xiao Tian moved in zig-zag five times before finally, he changed his movements to an 'X' pattern and finished it with an 'O' pattern.

Because he had mastered the second secret move, his movements were fast, and his attacks were also deadly.

\*Splash... Splash... Splash... Splash...

Every time Xiao Tan swung his sword, blood splashed out of the bodies of his enemies.

\*Fall...

One by one, Xiao Tian's enemies fell to the ground, dead.

Not only were Xiao Tian's attacks fast and deadly, but Xiao Tian also attacked them from behind. Because of that, none of his enemies could block or dodge his attacks.

At this moment, Xiao Tian was like the God of War, who entered the battlefield. One attack from him instantly killed one enemy.

"It's a show time!" Because Xiao Tian had attacked his enemies, Zhao Sheng also dashed to attack. "Shinmei secret move – second move – Asura's Wrath!"

Like Xiao Tian, Zhao Sheng's attacks were also fast and deadly. Because he knew that Xiao Tian wanted to reduce the number of his enemies as quickly as possible, Zhao Sheng used his family's martial arts secret move.

Zhao Sheng threw out his fists endlessly to the point that he looked like he had more than two hands.

"Hahaha." As Zhao Sheng was killing his enemies, he laughed loudly.

Like Zhao Sheng and Xiao Tian, Lan Ruoxi also began attacking her enemies. However, her movements and attacks were different from those of Zhao Sheng and Xiao Tian.

Unlike Xiao Tian's fast and violent attacks, Lan Ruoxi's attacks were fast but gentle. Her attacks were flowing like water, and she didn't look like she was fighting her enemies; instead, she looked like she was dancing.

It was as if a Goddess was dancing to bring happiness to people around her before ending their life.

\*Slash...Slash...Slash... Slash...

Even though Lan Ruoxi had killed many people, but her sword was still clean, as if she never used it before.

In less than six seconds, Zhao Sheng, Xiao Tian, and Lan Ruoxi had killed about twenty people.

"Ace, Black, Crystal, why are you guys killing our disciples?" Jufan roared angrily.

Because Jufan had never seen the second secret move of the Moon Sword Martial Arts school, he still didn't know that Ace was Xiao Tian.

Like Jufan, Yahui and Shuren were shocked when they saw Xiao Tian, Zhao Sheng, and Lan Ruoxi killing their disciples. "Ace..."

Everyone instantly stopped fighting when Shuren and Yahui shouted angrily.

"You ask me why I kill your disciples?! The answer is simple." Xiao Tian walked towards his underlings before standing in front of them. After turning around to face Jufan, he took off his silicon head mask. "It's because I'm their leader."

All of Xiao Tian's underlings instantly dropped to one knee and spoke in unison, "Welcome back, leader."

\*Silence.

The entire area dropped into a dead silence.

Jufan, Yahui, and Shuren gritted their teeth. Their faces darkened, and their eyes gleamed with terrifying sharpness as they stared at Xiao Tian.

"So, all this time, you have been fooling us?!" all of his fingers dug into his palm as Jufan stared at Xiao Tian. From his expression, anyone could tell that he was enraged.

"That's right. How does it feel to be fooled by a young man?" Xiao Tian said in a mocking tone.

Of course, Xiao Tian knew that they were eager to beat him. It would not even be strange if they wanted to kill him and dismember his body because he had humiliated them so many times.

At this moment, Zhao Sheng and Lan Ruoxi said nothing and only stood on Xiao Tian's right side. Unlike Xiao Tian, they were still wearing their silicon head masks.

"Haha. A sixty-one years old man could still be fooled by a twenty-year-old young man. If everyone knew about this, I'm sure they would laugh at you until their stomachs hurt." Xiao Tian continued to mock Jufan, Yahui, and Shuren.

'I have to make them even angrier so that the poison will take effect immediately.'

Xiao Tian added in his head,

Jufan, Yahui, and Shuren had drunk Shui poison, and today, the poison should have taken its effect. The Shui poison was a bit unique because the effect would work faster if the person who drank it lost himself in anger. That was why Xiao Tian kept mocking them.

Jufan, Yahui, and Shuren still did not say anything. They were enraged because all this time, Xiao Tian had been fooling them.

They were already over sixty years old and martial artists at the grandmaster stage, but they could still be fooled by their juniors. It really hurt their pride as martial artists.

Now they finally understood the reason why they always failed every time they used Xiao Tian's ideas. It was because they had been working with his enemies this entire time.

Jufan, Yahui, and Shuren shifted their gaze from Xiao Tian to Lan Ruoxi.

'So, she is also here.'

They believed that Lan Ruoxi was the lady who helped Xiao Tian when Xiao Tian fought against Qigang several days ago.

Then they shifted their gaze again. This time, their gaze landed on Zhao Sheng.

'Who is he? Is he his friend?'

Of course, Jufan and the others still didn't know that the young man who was helping Xiao Tian was none other than Zhao Sheng, the young master of the famous Zhao family.

As if Zhao Sheng could read their minds, he immediately spoke, "Don't ask who I am because this young master won't answer it."

Of course, Zhao Sheng would not reveal his identity because if his father and grandfather knew what he was doing, he was sure that they would punish him later.

Xiao Tian then whispered in Zhao Sheng's left ear, "Zhao Sheng, do you think that their strength has decreased now?"

"Their strength should have reduced to the high-level master stage by now." Zhao Sheng answered immediately. "If we want to reduce their strength even more, we have to make them angrier."

"Good!" Xiao Tian then returned his attention to Jufan. "Jufan, you pig. Why don't you say anything? Aren't you a martial artist at the grandmaster stage? Why don't you do something now? You are not afraid of me, are you?"

"Xiao Tian, I'm sure he's scared right now." Zhao Sheng added. "Maybe, he has peed in his pants."

"No wonder I smelled urine since earlier, so he peed in his pants." Xiao Tian uttered as he covered his nose.

"Hahaha." Xiao Tian's underlings laughed loudly after hearing their words.

'They are so fearless.'

Xiao Tian's underlings were amazed by their braveness. Even though Jufan was a martial artist at the grandmaster stage, but Xiao Tian and Zhao Sheng still dared to humiliate them.

Black lines formed on the foreheads of Lan Ruoxi, Ren Aoxu, Mu Huo, and Chun Hua. While Lan Ruoxi knew the reason why Xiao Tian and Zhao Sheng kept mocking Jufan, Mu Huo, Chun Hua, and Ren Aoxu had no idea about it.

They thought that Xiao Tian was purposely mocking Jufan to make Jufan angry because it would be easier to beat a martial artist who was lost in anger.

\*Boom!

An aura of anger exploded from Jufan's body.

He was furious because Xiao Tian and Zhao Sheng kept humiliating him.

"Oh! Xiao Tian, the pig is angry. Haha." Zhao Sheng was pleased when Jufan could not hold back his anger anymore.

"Hahaha." Xiao Tian and his underlings laughed loudly.

"Zhao Sheng, how do we know when his strength has decreased again?" Xiao Tian asked in a low voice.

"It's easy." Zhao Sheng replied instantly. "Zhui poison is unique, and it takes three days for the effect to take work. After three days, every time he coughed up blood, it meant that his strength had decreased by one level. Because he is still fine, that means his strength is still at the high-level master stage. Let's attack them after Jufan, Shuren, and Yahui cough up blood."

"All right." After saying that, Xiao Tian looked at Yahui. "Yahui, your disciples are so weak! Well, I can understand it because they are learning trash martial arts, unlike mine."

While Yahui still had a calm expression, the same thing didn't happen to his disciples. They were enraged when Xiao Tian spoke ill of their martial arts.

Xiao Tian was startled when he saw Yahui's calm expression.

'Eh! Failed?!'

Previously, Xiao Tian thought Yahui would get angry soon because he spoke ill of Yahui's martial arts.

For martial artists, the martial arts they had learned were their pride, so when someone spoke ill of their martial arts, that meant that person was humiliating them.

Yahui then turned his head towards Jufan, "Jufan, calm down. Fighting your enemy with anger like that is a bad idea."

"Huft." Jufan instantly calmed down after hearing Yahui's words.

"Xiao Tian, it looks like we won't be able to make them angry anymore." Zhao Sheng spoke, "Let's just fight them now."

"All right." Xiao Tian agreed with Zhao Sheng's words.

\*Ciutt....

Xiao Tian gave a signal to the Hawk gang members to make their moves.

\*Dung...Dung...Dung...

The Hawk gang members walked towards the front yard of the Blue Ice Lotus gang headquarters.

## **Chapter 710 - Xiao Tian And Zhao Sheng Versus Jufan**

10-12 minutes

---

Jufan and the others instantly turned their heads towards the source of the sound. Their faces darkened when they saw the Hawk gang members walking towards them with weapons in their hands.

Even though they were surrounded by Xiao Tian's underlings and the Hawk gang members, but neither of them had a panicked expression on their faces.

They still had about 150 people, and many of them were also skilled in martial arts like the martial arts school instructors.

"Everyone, calm down. Even though they got help, but they are still outnumbered by us. As long as we calm down, everything will be fine." Even though their enemies surrounded them, Yahui wanted them to remain calm because the moment they panicked, it would be the end for them.

And Yahui was sure that even though they were surrounded by their enemies, they would be able to turn the tables because he believed most of his enemies were weak martial artists.

"Yahui is right. Don't be afraid because the winner hasn't been decided yet." Shuren had the same thoughts as Yahui.

Xiao Tian stared at Yahui and Shuren unhappily.

'Yahui and Shuren are the most dangerous ones. As long as the two of them are still with them, it will be hard to make them overwhelmed by fear.'

Xiao Tian was sure if Yahui and Shuren were not with Jufan, it would not be difficult to defeat them. It was easy to make Jufan angry, but Shuren and Yahui were different from Jufan.

Xiao Tian didn't want to waste time anymore because he wanted to spend time with his women. "Beat them to death!"

"Kill them! This is our only chance to get freedom!" Ma Shuhe pointed his metal pipe at Jufan's disciples.

"Hooo." For the sake of freedom, the Hawk gang members attacked Xiao Tian's enemies bravely.

Ma Gen and Ma Shuhe instantly attacked the instructors of Hakken martial arts school because they were a threat to them.

"Attack!" Ren Aoxu roared before dashing towards his enemies.

\*Cling...Clang....

The sound of weapons clashing reverberated throughout the entire area. Blood was splattered everywhere, and one by one, people collapsed onto the ground.

Some of them died. Some of them were heavily injured, and some of them only passed out. Soon many people were lying on the ground as if the apocalypse had befallen the earth.

In the middle of the battlefield, Xiao Tian, Zhao Sheng, Lan Ruoxi, Chun Hua, Mu Huo, Jufan, Yahui and Shuren remained in their positions.

\*Wooosshhhh...

The wind was blowing, causing one of the leaves to fall from the tree.

Xiao Tian, Zhao Sheng, Lan Ruoxi, Chun Hua, Mu Huo, Jufan, Yahui and Shuren shifted their gaze to the falling leaf.

The leaf was blown towards them before slowly falling to the ground. As if they had agreed earlier, they began to attack each other the moment the leaf hit the ground.

Xiao Tian and Zhao Sheng instantly dashed towards Jufan while Chun Hua and Mu Huo ran towards Shuren. Because Lan Ruoxi was very skilled in martial arts, she faced Yahui alone.

\*Slash...

Xiao Tian swung his sword diagonally.

Because Jufan was fighting empty-handed, he moved to the left to avoid Xiao Tian's attack.

'Die!'

Jufan threw out his right kick, aiming at Xiao Tian's mid-torso. Because the distance between them was close, Jufan was sure that Xiao Tian would not be able to block or avoid his kick.

To his surprise, Zhao Sheng, who was on his left side, also attacked him. Zhao Sheng threw out a high kick, aiming at the back side of Jufan's head.

'Danger!'

Because Jufan felt that Zhao Sheng's kick was dangerous, he stopped his kick and immediately blocked Zhao Sheng's attack with his hands.

Due to how strong Zhao Sheng's kick was, Jufan was thrown one meter. Of course, he was still standing. "Not bad! You two have great teamwork."

'What is this? Why do I feel like I have no strength?'

Jufan felt that his strength was not as strong as usual. However, he immediately ignored it, thinking that it was just his imagination.

Xiao Tian was a little annoyed when he and Zhao Sheng could not defeat Jufan instantly.

'As I thought, his strength only dropped by one level.'

Even though Xiao Tian and Zhao Sheng were talented in martial arts, due to the difference in strength between them and Jufan, it was difficult for them to defeat Jufan.

'Let's attack him together again.'

Zhao Sheng and Xiao Tian looked at each other before nodding their heads. Like before, they attacked Jufan together again.

However, the result was the same; they could not injure Jufan. Not only that, Jufan even managed to land attacks on their bodies several times.

Xiao Tian and Zhao Sheng wiped off the blood on the corners of their mouths before attacking Jufan again.

Even though they always failed to hit Jufan, but they didn't give up. They were sure that they would be able to land an attack on Jufan's body later.

\*One attack...Two attacks...Three attacks...

They exchanged thirty strikes, but still, the result was the same.

'The difference in our strength is too big.'

Zhao Sheng and Xiao Tian were martial artists at the low-level master stage while Jufan was at the high-level master stage. That was why they still hadn't managed to defeat Jufan.

At this moment, Jufan was annoyed. He gritted his teeth as he stared at Xiao Tian and Zhao Sheng.

'How could this be? How could I still be unable to defeat them? They are much weaker than me, but why are they still standing?'

Jufan still thought of himself as a martial artist at the low-level grandmaster stage, so when he could not defeat Xiao Tian and Zhao Sheng instantly, he was furious.

'Did they get stronger?'

Previously, Jufan thought that he would be able to defeat Xiao Tian and Zhao Sheng easily, but he was wrong.

"Die!" Zhao Sheng dashed towards Jufan and began attacking Jufan non-stop again.

\*Inhale...Exhale...Inhale...Exhale... Inhale...Exhale...

'Moon style sword of drawing techniques- second ceremony- Earth Breaker.'

Because Xiao Tian could not defeat Jufan with normal attacks, he decided to use his secret move.

When Zhao Sheng noticed that Xiao Tian was using his secret move, he instantly stopped attacking Jufan and stayed away from Jufan so that he would not get hit by Xiao Tian's attacks.

Even though Xiao Tian's attacks succeeded in injuring Jufan, but it was only minor injuries, so it was nothing for Jufan.

Because they didn't want to give Jufan a chance to counterattack, when Xiao Tian finished his secret move, Zhao Sheng immediately attacked Jufan with his secret move.

'Shinmei secret move - second move - Asura's Wrath.'

Zhao Sheng attacked Jufan non-stop. Due to how fast his fists were, it looked like Zhao Sheng had more than two hands. However, the result was the same; Jufan was still standing.

"Your secret moves are not bad," Jufan admitted that their secret moves were dangerous for martial artists at the same level. "Now it's my turn to attack!"

Without waiting for another second, Jufan dashed towards Xiao Tian and Zhao Sheng. He then started attacking them mercilessly.

Zhao Sheng and Xiao Tian immediately changed from offensive to defensive poses. However, due to the difference in strength between them, they were unable to block or dodge all of the attacks successfully. Some of Jufan's attacks landed on their bodies, causing blood to spill out of their mouths.

\*Uakkk....

Xiao Tian and Zhao Sheng were thrown two meters back before falling to the ground.

"Haha. How is it?" even though Jufan still could not defeat them, but he was pleased because he had the upper hand in the fight.

Xiao Tian instantly rose to his feet and wiped off the blood on the corner of his mouth. "We still haven't lost."

As Xiao Tian and Zhao Sheng were struggling to beat Jufan, Lan Ruoxi had the upper hand when she was fighting Yahui.

No, it was not a fight. It was a one-sided fight because Lan Ruoxi was not injured while Yahui's face was covered in blood.

'How could this be?'

Yahui had a hard time believing what was going on. Even though he knew that Lan Ruoxi was skilled in martial arts, but he was also a strong martial artist.

'So, she is also a martial artist at the low-level grandmaster stage too?!'

At this moment, Yahui still had no idea that his strength had been reduced to the high-level master stage.

Even though he realized that his strength was not as strong as usual, but he thought it was because he was tired.

"Die!" Yahui roared as he threw out his right fist at Lan Ruoxi's head.

However, before he could hit Lan Ruoxi, he was thrown two meters back by Lan Ruoxi's kick.

\*Uakkk...

Blood splashed out of Yahui's mouth when Lan Ruoxi kicked his mid-torso.

Lan Ruoxi then turned her head to look at Xiao Tian and Zhao Sheng.

'It seems like Jufan is still too strong for them.'

When Lan Ruoxi saw blood on their faces, she wanted to help them immediately. However, after thinking for several seconds, she decided against it. She thought it would be a good experience for Xiao Tian and Zhao Sheng.

Like Lan Ruoxi, Chun Hua and Mu Huo also had the upper hand when they fought against Shuren. Mu Huo himself was a martial artist at the high-level master stage. Coupled with Chun Hua helping him, it was not difficult for him to defeat Shuren.

'Boss is in danger! We have to help them immediately.'

When Mu Huo saw blood on Xiao Tian's face, he immediately spoke, "Chun Hua, go and help them."

Mu Huo was sure that he could defeat Shuren alone because Shuren had drunk poison. That was why he told Chun Hua to help Xiao Tian and Zhao Sheng.

"All right." Chun Hua replied as she nodded her head.

However, when Chun Hua was about to help Xiao Tian and Zhao Sheng, Lan Ruoxi stopped her. "Stop! Don't help them. It will be a good experience for them. You can help them if their lives are in danger."

Chun Hua then looked at Mu Huo, who immediately nodded his head, giving her a sign that he agreed with Lan Ruoxi's idea.

"Haha. It has been a long time since someone can injury me. I'm fired up now." all this time, Zhao Sheng was able to defeat his opponents easily. That was why he was fired up.

"Me too." Xiao Tian uttered, "Don't think that you have won the fight because until now, it's just a warm-up. let's show him our true strength and make him kneel before us."

"That's what I have in mind." Zhao Sheng added. "Jufan, we will show you our true strength now, so prepare yourself."

What a battle maniac. Lan Ruoxi thought to herself.

With that, Xiao Tian and Zhao Sheng began to attack Jufan again.
