### Chapter 71 - Son, Happy Birthday

Today, after Xiao Tian accompanied Yun Xin Er to see his small company and finished all his work, he went straight home. Upon arriving at his house, he immediately took a shower because he felt he was sweating a lot.

"Ah! I feel fresh again," Xiao Tian said after he finished bathing. "Alright, let's head to the backyard."

Xiao Tian immediately headed to the backyard while carrying mats, lamps, and pillows. After he arranged everything neatly, he laid down and enjoyed the night alone.

The scenery at that night was breathtaking, the gentle breeze and the moon, which was surrounded by stars, made him feel calm in his heart.

Looking at the sky, he began thinking about his life.

'Oh, right. Now that I remember, this is another planet called earth. I did some research on this world, and it said this planet is called earth too. But this is not the same earth where I used to live before. Yes, it's different, and I live in China again, or more precisely in Shanghai.'

Shanghai was one of the biggest cities in China with the undisputed most populous and wealthiest city in China.

Shanghai was a global financial, innovation and technology, and transportation hub, with the world's busiest container port.

Due to the incomparable geographical advantages, Shanghai has grown from a little town to the world's largest city proper in the past century or so, as well as becoming the most significant center of commerce and finance in Mainland China.

Many Chinese companies open offices there, with Li family and Xiao family as the leader of the market.

'But....'

He touched his chin.

'But this is not the future of the earth I used to live too, because I don't remember a big family like Xiao family or Li family, where those two families are the market leader in Shanghai with net-worth multi-billion RMB.

This is not the past either, because if this is the past, there must be news about me or my past father. There is no way there could be no news about my previous father or me because my previous father was the sole market ruler in Beijing.

Ah! Thinking about my past father, Huang Feng, suddenly, I miss my previous life father. Even though he was a bastard or asshole father, but I had so much fun spending time with him. He also cared for me deeply. For him, I'm the most important person in the world.'

Little by little, Xiao Tian closed his eyes as a flash of memories appeared on his head.

"Son, what wrong with that face? Here, your awesome father brings two beautiful women home. You can choose one for you," Huang Feng walked closer to his son with two beautiful women in both his arms.

"Beautiful lady, can you make my son happy? Look! his face is like that. It's so pitiful. As a father, I can't bear looking at my son like that." Huang Feng said to one of the beautiful women in his arms.

"Alright." the beautiful woman said.

Another day...

"Son, let's go to the pub. Let's drink until morning. Tomorrow is a day off" Huang Feng said as he dragged his son to the pub

Another day...

"Son, happy birthday." Huang Feng said as he smiled beautifully. "Now tell father, what do you want? Woman? Woman? Or a woman?"

"What's wrong with that option?" Huang Chen said, dumbfounded.

[ Huang Chen is the person who took over Xiao Tian's body and Huang Feng's only child ]

"What do you mean by that?" Huang Feng asked

"Why is the option only a woman?" Huang Chen asked with puzzlement.

"Well, because the woman is the source of happiness. Father wants to give you happiness, that's why father will give you a woman. Son, if there aren't women in this world, this world will be like... hmm.. cooking without using seasoning, it will taste bland" Huang Feng said

Another day.....

BRAK

The sound of someone opening the door loudly could be heard.

"Son. Are you sick? Let's go to the hospital." Huang Feng said worriedly

"Father, I'm fine, I just need to rest, and I'll be fine," Huang Chen said.

"What do you mean by you're fine?" Huang Feng asked worriedly

Suddenly Huang Feng's smartphone rang.

"What wrong, assistant Hu?" Huang Feng said coldly

"Sir, there is a meeting in ten minutes. Please come back to the company." assistant Hu said

"Meeting my ass! Cancel all my schedules! My son is sick, and I want to accompany my son until he recovers." Huang Feng said coldly

"But Sir, if we canc--- " before assistant Hu had finished his words, Huang Feng hung up the phone.

"Father, you should go to the company," Huang Chen said.

"No! Father will accompany you" Huang Feng said

"Sigh. Up to you," Huang Chen said, "If you want to accompany me, just make me a hot soup so I can recover quickly."

"As you command, your highness," Huang Feng said before he headed to the kitchen

After remembering about his past life, Xiao Tian felt as if someone was stabbing his heart using a knife.

"Father, I miss you. I miss you. I really hope you are here with me now" Xiao Tian mused as tears fell down his cheeks.

Suddenly Xiao Tian's smartphone rang. Because Xiao Tian was in the middle of remembering about his past life, he ignored it.

Because his smartphone kept ringing, he was unhappy by it. He took his smartphone and looked at the smartphone's screen.

"Yun Xin Er?" he mused. "Why did she call me at this moment?"

Xiao Tian was unhappy because when he was in the middle of remembering his beautiful past life with his previous life father, Yun Xin Er suddenly called him.

He ignored the call again, but because she kept calling him, with a sigh, he picked up the phone. He knew that if he did not pick up the phone, she would keep on calling him.

"What is it, big sister Yun?" he tried his best not to scold her at that time.

"Little brother, why did you just pick up my phone?" Yun Xin Er was unhappy when he didn't immediately pick her call earlier. Something like that had never happened to her. Usually, whenever she called someone, that person would quickly pick up her call. That was why she immediately asked him that question after he picked up the phone.

"Sorry, I was busy earlier," he said, giving her an excuse.

What wrong with your tone? I should be the one who is unhappy, and here, I'm trying my best not to scold you and you... Sigh... He thought to himself.

"Oh! Busy? Are you not busy now?" Yun Xin Er inquired.

"No. I'm still busy right now. What is wrong?" Xiao Tian asked her curiously.

"I'll help you if you're still busy. After that, let's have dinner," Yun Xin Er said.

"Dinner? I can't, big sister Yun. How about next time?" Xiao Tian wanted to have a calm moment that night. If she invited him to dinner, his wonderful time would be ruined. That was why he refused her offer.

At that time, Xiao Tian wanted to remember his past life, remembering his previous life father, remembering the beautiful moment he had with his past father. Even though Xiao Tian liked women, but there was a time where he wanted to be alone, not get disturbed by any other people, including a woman.

"No. I want to have dinner with you tonight. I am near your house now" Yun Xin Er went straight to his house after she finished bathing, because she wanted to have dinner with him.

That was why she was unhappy when he refused her offer. There were a lot of people who wanted to spend time with her, but they couldn't do it, and here, she offered him to have dinner with her, but not only did he not feel happy, he even declined her offer.

"What, you're already near my house?" Xiao Tian said in surprise

Sigh. Now my beautiful moment will be ruined. He thought to himself

## **Chapter 72 - Hurry Up And Come Back Home**

Upon learning Yun Xin Er was already near his house, Xiao Tian immediately put everything inside the house and waited for Yun Xin Er in the living room.

Not long after that, Yun Xin Er arrived at his house. When Xiao Tian heard the sound of the car, he immediately headed to the guest room.

CLICK

Once he opened the door, a beautiful woman who wore a white ruffled silk blouse and ripped blue jeans could be seen.

Yun Xin Er looked so beautiful on these clothes, coupled with white hobo bag hung in her right hand, an elegant impression emanated from her, and sling-back open-toed shoes that she wore suited for her legs, it makes her legs looked long and beautiful.

"Oh, little brother, you're so good to this big sister. You know that big sister had arrived, so you immediately opened the door for this big sister," Yun Xin Er said as she smiled. "Are you still busy right now?"

"Please come in. I'll change my clothes first," After Xiao Tian let her sit on the couch in the guest room, Xiao Tian immediately headed to his bedroom. However, when he was in the living room, his mother and aunt looked at him. They wanted to know who the guest was.

"Who is it, Tian?" Ye Xueyin asked abruptly. It was rare for them to have guests at nighttime, so Ye Xueyin wanted to know who the guest was.

"It's Yun Xin Er. She wants to have dinner with me," Xiao Tian didn't want to lie to his family, so he told them the truth.

"Miss Yun? Did she come to our house again?" Ye Xueyin didn't know why suddenly Yun Xin Er tried to get close to her son. Today, in the morning, Yun Xin Er suddenly came to their house, telling her that Yun Xin Er wanted to see Xiao Tian's company and now, Yun Xin Er came to their home again, inviting her son to dinner. "Don't tell me..... she fell for you?"

"No, mother," Even though Xiao Tian also thought like that in the morning when Yun Xin Er suddenly held his hands in his company, but Xiao Tian thought Yun Xin Er only opened her heart for him and still hadn't fallen for him.

And after Xiao Tian thought about Yun Xin Er's behavior to him, he assumed that there were two things that Yun Xin Er wanted from him. "There are only two things that Yun Xin Er wants from me, and it's not because she has fallen for me,"

"Really? Then, are you falling in love with Miss Yun?" Ye Xueyin didn't know why suddenly she wanted to know about his feeling toward Yun Xin Er. At that time, she felt like she would lose her son forever.

Ye Xueyin felt like there were a thousand knives slicing her heart when she thought about his son leaving her. Even though she shared him with her little sister, but it was different because they were family. A lover's feelings started coming out within her body, and it suppressed her feelings as a mother.

"No," Even though Xiao Tian would love to share the warmth in bed with Yun Xin Er, but Xiao Tian hadn't fallen for her.

Well, not yet, but I don't know in the future. added Xiao Tian in his head.

"Are you sure you're not in love with her?" Ye Qingyu knew Yun Xin Er was a beautiful young woman who was successful in her career. In her view, every man who saw Yun Xin Er would fall in love with Yun Xin Er because Yun Xin Er was a perfect woman.

Yun Xin Er was young, beautiful, wealthy, and successful, so when Ye Qingyu heard that her nephew was not in love with Yun Xin Er, it was hard for her to believe it.

"1000% sure. Don't tell me, you don't believe me?" Xiao Tian said as he looked at his mother and aunt.

"No," Ye Qingyu and Ye Xueyin answered in unison.

The corner of Xiao Tian's lips twitched after hearing their words.

"Let's put it simply. the reason our relationship became like this is because of business, so don't get it wrong," Xiao Tian tried to explain his relationship with Yun Xin Er to his mother and aunt. "Alright, I'll dress up first, because I don't want to make Yun Xin Er wait too long."

After saying that, Xiao Tian headed to his bedroom to change his clothes. After changing his clothes, he looked at himself in the full-body mirror.

'Un. Un. As expected of myself. I'm so handsome, and perfect' Xiao Tian nodded his head in satisfaction.

Xiao Tian was wearing a roadster black, and grey checked casual shirt, paired with a tee underneath and matching black jeans, he looked so dazzling.

After coming out of his room, Xiao Tian headed to the living room first because he wanted to tell his mother and aunt that maybe he would come home late.

After saying that, Xiao Tian wanted to head to the guest room, but his mother suddenly grabbed his shirt.

When he felt someone grabbing his shirt, Xiao Tian turned his head. when Xiao Tian saw his mother looking at him as if she wanted to say something, he immediately turned around. Using both of his hands, he cupped her face and looked at her, lovingly, "What's wrong?"

"Tian, mother wants a kiss before you have dinner with Yun Xin Er," Ye Xueyin didn't know why she suddenly wanted her son to kiss her. Maybe, it was because she was jealous when she found out her son would have dinner with another woman.

Upon hearing his mother's words, Xiao Tian brought his face closer to hers. When Ye Xueyin saw his face coming closer to hers, she immediately shut her eyes. She wanted to feel the kiss before he left with another woman.

It was as if Ye Xueyin wanted to make sure that Xiao Tian was hers and always hers or to calm herself from the feeling that she felt at that moment.

After Xiao Tian's lips were touching hers, Ye Xueyin immediately wrapped her arms around his neck and kissed him passionately.

Xiao Tian widened his eyes when his mother suddenly kissed him passionately. He knew her feeling at that moment. He suddenly felt guilty for making his mother feel such a feeling like that.

That was why, at least, Xiao Tian could make her feel calm by proving that she would always be the most important person to him. That was why he kissed her back to make sure, she knew that she was the most important person to him.

After kissing for about two minutes, Xiao Tian broke the kiss and said, "Do you feel calm now?"

"Un" actually, Ye Xueyin wanted to continue kissing her son, but she knew that she couldn't do that.

After Xiao Tian finished kissing his mother, he turned his head toward his aunt, "Do you want a kiss too, aunt?"

"No. You can go with Yun Xin Er now," Ye Qingyu said as she turned her head.

After seeing his aunt's reaction, Xiao Tian knew that she had the same feelings as his mother. Because she didn't want to voice it out, she denied it and only turned her head to another side.

Xiao Tian walked closer to his aunt and immediately kissed his aunt's pink lips. To his surprise, when he kissed his aunt's lips, Ye Qingyu quickly wrapped her slender arms around his neck and kissed him passionately too.

Once again, Xiao Tian was stunned by this, but like what he did to his mother, he also immediately kissed her back.

They kissed for about three minutes before he broke the kiss and said, "Alright, let's continue after I get home later."

"Yes. that's why hurry up and come back home," Ye Xueyin said as she grabbed his right hand and looked at him cutely.

"Un" Ye Qingyu nodded her head

Once again, when Xiao Tian wanted to head to the guest room, Ye Xueyin suddenly said, "Tian...."

Xiao Tian stopped his footsteps and turned around, "What is it, mother?"

'Tian, don't go and stay with your mother.'

Ye Xueyin wanted to voice it out, but when she opened her mouth and tried to say it, she felt like the words stuck in her throat. She knew that she couldn't be selfish, but at that moment, she really wanted Xiao Tian not to go with Yun Xin Er.

After seeing his mother not saying a word, Xiao Tian decided to ask in a loving voice, "Do you want to say something to me?"

"Nothing," Ye Xueyin shook her head and continued, "Take care, Tian."

"Alright." Xiao Tian said as he smiled, "Please don't wait for me if I come home late."

After saying that, Xiao Tian headed to the guest room. When Ye Xueyin saw her son walking to the guest room, she raised her right hand and opened her mouth, like she wanted to say something.

### **Chapter 73 - Autumn Restaurant**

Upon sensing that Xiao Tian was walking closer to her, Yun Xin Er, who sat on the couch, said, "What took you so lo--" Yun Xin Er spoke halfway and couldn't finish her words after seeing Xiao Tian.

Yun Xin Er couldn't stop but stunned like a statue when staring at him from head to toe. She knew he was a handsome young man, but at that time, he was so dazzling and the clothes he wore suited him well, making him look more attractive and mature at the same time.

"Wow! Little brother, you're so perfect," Yun Xin Er said once she came to her senses. After saying that, she grabbed his hands and continued, "Let's go."

After Xiao Tian closed the door, they headed to Yun Xin Er's silver-colored BMW 8i.

"Can you drive?" Yun Xin Er asked, showing Xiao Tian the car keys.

"Of course." In his past life, his father owned a lot of cars, from ordinary cars to luxury cars, from antique cars to the newest cars.

he even drove a different car every day because his father owned so many cars, causing people who saw him burning with envy.

Yun Xin Er was surprised by his words.

At first, Yun Xin Er only wanted to give him a chance to look cool, because she thought, when going out on a date, a man would feel embarrassed when a woman was driving a car while the man was sitting in the passenger seat.

"Really?" Yun Xin Er wanted to make sure that he was telling the truth, not because he wanted to make himself look cool in front of her

"Yes" even though Xiao Tian had never driven a car in his new life, but in his past life, he had driven a car even when he was in his first year of high school.

Looking at his expression, Yun Xin Er threw the keys to him, "Here, drive it."

After seeing she threw the key to him, Xiao Tian caught it and nodded his head, "Alright."

At first, Xiao Tian drove at normal speed, but when he saw that there were only a few cars on the road, he suddenly changed the engine from normal mode to sport mode and drove faster.

BBRRRRR

the sound of a car's engine turned louder when it was changed from normal mode to sport mode.

"Haha... I miss this sound." Xiao Tian was thrilled upon hearing the sound of a car engine because, in his new life, he did not have a car, so he felt alive again after hearing the sound of a car engine in sports mode, making him remember his past life.

Actually, Xiao Tian wanted to buy a car but decided against it because in his view, it wasn't the right time to buy a car. He wanted to expand his business first before deciding to buy a car.

"I don't know you're good at driving." At first, Yun Xin Er wanted to ask him to drive more slowly but, after seeing his happy face when he was driving the car, she decided not to tell him and only smiled at him.

"Big sister, Yun, let me tell you something. One of the best things I can do is drive a car." Xiao Tian said proudly.

Xiao Tian was telling the truth, because, in his past life, he was even better at driving a car than his previous father. It was like he was born to drive a car.

"Oh! So, what is the other thing?" Yun Xin Er inquired.

"Secret." Xiao Tian winked his right eye

"Well, I'll know in the future." Yun Xin Er said as she smiled

"So, where are we going to have dinner?" Xiao Tian asked her.

"At Autumn restaurant. I've reserved a table at Autumn restaurant." after arriving at her house, Yun Xin Er suddenly wanted to have dinner with him at Autumn restaurant, that was why she immediately reserved the VIP table before coming to his house.

After hearing Autumn restaurant, a flash of memory appeared on Xiao Tian's head. Autumn restaurant was the most famous restaurant in Shanghai, many businessman, actresses, actors or upper-class people often have dinner at Autumn restaurant.

"Alright." Even though his predecessor had never eaten at Autumn restaurant, but his predecessor knew where the Autumn restaurant was.

At that time, Xiao Tian felt grateful because his predecessor knew where the Autumn restaurant was. If his predecessor did not know where the Autumn restaurant was, he did not know what to do because it was impossible to ask Yun Xin Er where the Autumn restaurant was located

Xiao Tian would lose face for asking silly things like that. He also couldn't search it on the internet because he was driving a car. That was why, for the first time after he took over Xiao Tian's body, he felt grateful to his predecessor.

Not long after that, they arrived at the Autumn restaurant. After parking the car in the parking lot, they immediately headed to the highest floor.

The autumn restaurant has six floors with the VIP room on the highest floor. Upon arriving at the highest floor, Xiao Tian and Yun Xin Er headed to the VIP room.

Xiao Tian nodded his head in satisfaction upon entering the VIP room.

'Nod bad....not bad.'

Xiao Tian nodded his head

In the VIP room, the room was circular with chairs arranged neatly by the window so that customers would be able to see the beauty of shanghai at night.

In the middle of the room, there was a small circular stage room with a glass wall as high as 50 centimeters where the singers entertain the customers to add to the atmosphere in the Autumn restaurant to becomes more beautiful. Behind a small circular stage, various types of wine were arranged with three waiters ready to serve customers.

Not long after they entered the VIP room, a waiter welcomed them and guided them to the table that had been reserved by Yun Xin Er

"What do you want to eat?" Yun Xin Er asked.

"I'll have steak and red wine" it had been a while for Xiao Tian to drink red wine again, so when he learned there was red wine on the menu, he decided to order red wine.

"Me too." Yun Xin Er said

After the waiter wrote it down, the waiter immediately left, and after a few minutes, the waiter came with their order.

Once the waiter finished placing the steak and red wine on the table, he put his right hand on his stomach and bowed slightly, "Please enjoy the meal, customers."

"Thank you," Xiao Tian, and Yun Xin Er said at the same time.

## **Chapter 74 - Let's Hold Hands**

When they were having dinner, two people walked to the small circular stage room. After those two people were on a small circular stage, one person sat in front of the grand piano and lifted the lid while the other person sat on the chair carrying a flute.

After those two people looked at each other and nodded their heads, a calm and beautiful melody came out and entered the customer's ears.

Upon hearing the sound of piano and flute, the customer immediately felt calm, as if all the burden in their life were lifted.

Autumn restaurant was famous for its beautiful view at night, and customers can see the beauty of Shanghai at night.

From Autumn restaurant, they could see various colors of lights illuminate the beauty of Shanghai. Coupled with soothing music, Autumn restaurant was the perfect place to enjoy the beauty of Shanghai.

For this reason, Autumn restaurant immediately became the most famous restaurant in Shanghai after they inaugurated the restaurant.

"Little brother, I've checked your online shop before, and knew that many people bought clothes in your online shop." Yun Xin Er said while slicing the steak using a steak knife, "The clothes that you sell in your online shop are now more numerous, there are already various types of clothing for men and women in your online shop."

Yun Xin Er thought Xiao Tian would only sell clothes for women, but when she checked his online shop last time, there were already various types of clothing for men too.

"Will you be adding various types of clothing for children too?" Yun Xin Er asked curiously

"Yes. I'll design it later, but not now, because I'm busy right now" Xiao Tian had various types of clothing designs for men, women or children, so naturally, he would sell various types of clothing for men, women or children. It was just, he had a limited time to design all of it.

Due to his limited time, he even thought that it was time to hire a designer to help him design the clothes.

"You know how to design clothes for children too?!" Yun Xin Er asked in surprise. "Wait, don't tell me, you designed all the clothes in your online store?"

"Un. I know how to design clothes for children, and yes, all the clothes are designed by me" Xiao Tian nodded his head

"Wow...ehm, little brother, you didn't forget about your promise, right?" Yun Xin Er asked as she smiled.

When she suddenly brought up the word promise, Xiao Tian stopped eating and looked at her. "Don't worry. I still remember it. alright, this dinner is on me?"

"No! This dinner is on me. I want little brother to take me to dinner at a special place, not at a place like this" For Yun Xin Er, eating at Autumn restaurant was normal. There was nothing special about it. Therefore, she wanted him to take her to have dinner at a special place, and that special place was up to him.

"Special place?" Xiao Tian asked with puzzlement. He thought he only needed to treat Yun Xin Er to dinner after she promoted his clothing designs because she only told him that he should treat her to dinner. "But, big sister Yun, isn't this dinner is special too? We are having dinner at the most famous restaurant, and the view from here is stunning. We can even see the beauty of Shanghai, coupled with the calm melody played by musicians, isn't this dinner special?"

"No. I don't want to have dinner in a place like this again when we have dinner later. Take me to a place that can make me happier than this place," prodded Yun Xin Er.

Upon seeing her behavior, Xiao Tian could only sigh. He thought she must have often eaten at a place like this. That was why she wanted him to take her somewhere she had never visited.

"Alright, alright. I'll think about it later." Xiao Tian said, giving up.

After hearing his words, her face broke into a smile, "Really? How about tomorrow?"

Yun Xin Er couldn't wait for that to happen and was curious to know where he would take her to have dinner later.

"I can't. Tomorrow, I need to go to central Shanghai. I want to open my first offline shop over there, and I need to find a suitable place to open it." At first, Xiao Tian wanted to look for a place to open his offline shop in the next few days, but suddenly he decided against it. He thought the faster he opened his offline store, the faster he could get more money.

Many people also asked him to open an offline shop as soon as possible, because they thought, with offline shops, they could try the clothes and know whether the clothes were suitable for them or not.

Even though all the clothes had a size, sometimes, the size didn't fit on their bodies. That was why some people prefer offline shops than online shops.

"What?" Yun Xin Er said in surprise.

It's hadn't been a month since she promoted his online shop, and he already wanted to open his first offline shop.

Isn't it too fast for him to open his first offline shop? Did he make a big profit in such a short time? I know his clothing designs are all excellent but isn't this too fast for him to open his first offline shop. She thought to herself

Yun Xin Er found it hard to believe what she was hearing, and what more was, Xiao Tian wanted to open his first offline shop in central Shanghai.

All the places in central Shanghai were expensive and yet he still wanted to open it in the center of Shanghai.

Just how much is the profit he gets per clothes? Yun Xin Er thought to herself.

Suddenly Yun Xin Er remembered something "Little brother, I know the most strategic place for your first offline shop."

"Oh! where is it?" Xiao Tian asked curiously.

"Yuwen Mall." Yun Xin Er said.

"Yuwen Mall. Is it Yuwen Mall, which is the biggest Mall in Shanghai?" Xiao Tian asked.

"Un. Un" Yun Xin Er nodded.

"No. No. I don't need to open my shop at the Mall, on the roadside is fine, as long as it's in central of Shanghai" Even though Xiao Tian was interested, but opening his first offline shop in the biggest Mall in Shanghai was a big NO for him. Not only the rent fee was high, but the taxes as well. Maybe in the future, he would consider opening his offline shop in the mall, but not now.

"Don't worry. I know someone who can reduce the rental fees and mall tax." Yun Xin Er said.

Upon hearing that, he was interested, but after thinking for a while, he thought to open his first offline shop in the mall was not the best choice.

"Big sister Yun, I think I'll pass for now." Xiao Tian declined her offer, "Do you know another strategic place to open my offline shop?"

Yun Xin Er was a famous singer and had a lot of money, so he thought she had a lot of connections or at least she knew a good place to open his offline shop.

Yun Xin Er touched her chin and thought for a moment before finally, she said, "I know. Let's go to that place tomorrow."

"Alright," Xiao Tian said happily

They chatted until 10.pm before finally, they went home.

-----

CLICK

Xiao Tian opened the door and wanted to head to his bedroom immediately, but when he was in the living room, he saw his mother and aunt watching TV.

When Ye Qingyu and Ye Xueyin sensed that there was someone behind them, they immediately turned their heads.

"Tian, you're already home!" After saying that, Ye Xueyin stood up and ran toward him. When she was close to him, she suddenly jumped into his arms.

Seeing his mother jump into his arms, Xiao Tian immediately caught his mother and smiled at her.

"Tian, mother misses you." Ye Xueyin said as she wrapped her arms around his neck.

"I miss you too, mother." Xiao Tian said as he smiled. After saying that, he walked toward the couch.

"I'm home, aunt." Xiao Tian said as he kissed his aunt's right cheek.

"Welcome home." Ye Qingyu said as she smiled.

Ye Xueyin, who saw him kissing her little sister, immediately wanted a kiss too.

"Tian, mother, wants a kiss too," Ye Xueyin said as she touched her right cheek using her index finger.

Upon seeing his mother's cute behavior, Xiao Tian immediately smiled and kissed her right cheek too.

"Tian, sit here. Sit between us," Ye Xueyin said as she grabbed his right hand. They immediately gave him space for him to sit between them

"Alright, alright," Xiao Tian said, sitting between his mother and aunt.

"Tian, let's hold hands," Ye Xueyin said as she slipped her finger into his and squeezed his hands.

Xiao Tian immediately squeezed his mother's hands back, and after that, he looked at his aunt and said, "Aunt, do you want to hold hands too?"

Ye Qingyu didn't answer Xiao Tian's question but, her hands had suddenly moved toward his. Upon seeing that, Xiao Tian slipped his fingers into hers and squeezed it too.

A smile appeared on Ye Qingyu's face when Xiao Tian squeezed her hand before she finally squeezed his hand back.

## **Chapter 75 - Why Are You Here?**

8-9 minutes

---

At that moment, Ye Qingyu and Ye Xueyin fell asleep on Xiao Tian's shoulders. Ye Qingyu was sleeping on his right side while Ye Xueyin was on his left side.

They slept while hugging Xiao Tian's hands closely.

Because he was getting drowsy, Xiao Tian wanted to go to his bedroom and sleep. However, after seeing his mother and aunt were in deep sleep, Xiao Tian didn't have the heart to wake them up.

Seeing his asleep mother and aunt, his face broke into a soft smile.

'Well, sleeping on the couch isn't bad either.' Xiao Tian thought to himself.

Just as Xiao Tian was about to close his eyes, Ye Qingyu and Ye Xueyin suddenly rose up.

Ye Qingyu who just got up, turned her head to Xiao Tian and questioned, "Tian, what time is it?"

"It's 1:00 am." He answered.

"Oh! It's already 1:00 am." Ye Qingyu cried while massaging her neck.

When Xiao Tian saw his aunt massaging her neck with her right hand, he inquired, "Aunt, does your neck hurt?"

Ye Qingyu gazed at her nephew before holding her nephew's right hand strongly again. She leaned her head on her nephew's right shoulder and replied, "Yes. But you don't need to worry about it"

"Aunt, you should relax on the bed. Your neck will hurt more if you continue to sleep in this position."

Xiao Tian spoke with gentleness. He would gladly lend his shoulders to his aunt, but after noticing his aunt's neck was in pain, he thought, it would be better for his aunt to rest on the bed rather than on his shoulders.

"No. Aunt wants to sleep on your shoulders for several more minutes." Ye Qingyu responded with, before closing her eyes.

"Tian, mother's neck hurts too, you know?" Ye Xueyin said abruptly,

Upon hearing his mother's words, Xiao Tian turned his head to his mother and grinned. "Mother, you should sl--"

As if Ye Xueyin knew what her son wanted to say, she interrupted him before he had finished his words. "No! Mother wants to sleep on your shoulders for longer."

After saying that, Ye Xueyin also held her son's left hand tightly and placed her head on his left shoulder before shutting her eyes.

The corner of Xiao Tian's lips twitched after seeing his mother's behavior.

"Are you two sure about this? What if both of your necks hurt more after this?" Xiao Tian said in a tone filled with tenderness. However, Ye Qingyu and Ye Xueyin didn't answer his questions.

Xiao Tian could only sigh when both of them ignored him.

After fifteen minutes, they finally headed to their bedroom.

When Xiao Tian was in his bedroom, he immediately changed into short pants and a loose T-shirt. After that, he laid down on the bed.

"Hahhh. So sleepy. Let's get some rest and get up early tomorrow." when Xiao Tian was about to lock his eyes, suddenly, someone opened his bedroom door.

After turning his head, he saw his mother and aunt were advancing toward him. They wore a sexy black transparent nightgown that reached almost to their knees.

The black nightgown Ye Qingyu and Ye Xueyin wear were so transparent that, it looked like they only wore a sexy black thong because Xiao Tian could see their pink nipples and perfect body clearly through their black nightgown.

"Mother, aunt, why are you here?" his mother and aunt were so dozy when they viewed the TV earlier, so Xiao Tian thought that when they headed to their room, they would immediately fall asleep.

Xiao Tian had no idea that they came to his bedroom while wearing a sexy black transparent nightgown. They even appeared together, as if they had planned it before.

"Mother and Qingyu desire to sleep together with you." Ye Xueyin replied .

"Come here," Xiao Tian uttered as he patted the bed, giving them a sign to lay down next to him.

Upon hearing Xiao Tian's words, Ye Xueyin and Ye Qingyu walked closer to him before laying down on both of his sides, Ye Xueyin was on his right side while Ye Qingyu was on his left side.

As they set down on both of Xiao Tian's sides, they held his hands firmly before his mother's right hand went to his short pants and touched his cock directly.

"Tian... Tian... " Ye Xueyin called her son's name several times while squeezing her son's testicles gently.

As Ye Xueyin was squeezing Xiao Tian's testicles, she slowly opened her mouth and brought her face next to his face.

Seeing his mother face coming closer, Xiao Tian knew that his mother wanted a kiss.

Not disappointing her, Xiao Tian opened his mouth to welcome her kiss. When Xiao Tian embraced her, his mother immediately started smooching him passionately.

Xiao Tian knew why she was behaving like that. That's why he also instantly started kissing his mother intensely too.

As he had a steamy kiss with his mother, using his left hand, Xiao Tian raised his aunt's transparent nightgown and touched her pussy through her black thong.

"Hmfff." Ye Qingyu raised her head a little when her nephew was playing with her pussy through her black thong.

When Ye Xueyin felt that Xiao Tian's cock was fully erect, she broke the kiss and looked at Xiao Tian for a few seconds.

"Tian, mother wants to have sex with you, right now!" Ye Xueyin said honestly.

When Xiao Tian went somewhere with Yun Xin Er to have dinner, Ye Xueyin was jealous. That was why she planned all of this with her little sister.

Ye Xueyin immediately dragged her little sister to the shop to buy that sexy black transparent nightgown and black thong after she felt envious.

Ye Xueyin planned to seduce her son and have a lot of sex to make sure that her son won't forget about her or her little sister.

After saying that, without waiting for Xiao Tian's answer, Ye Xueyin took off her black thong and sat on his waist, facing him.

Ye Xueyin didn't intend to do foreplay, because her pussy was already wet. She immediately grabbed her son's huge cock and placed it on her pussy entrance before she lowered her body.

"Ahhhhhh.... " Ye Xueyin moaned when she felt little by little her son's massive cock entering her pussy.

Ye Xueyin raised her head when her son's cock was entirely inside her pussy and hitting her womb. Without a second thought, she immediately moved her hips up and down while squeezing her breasts to give more stimulation.

Multiple moans escaped from Ye Xueyin's mouth as she moved her hips while Xiao Tian, who felt his mother's pussy muscles twitching wildly, stopped kissing his aunt and started to move his hips in rhythm with his mother's moves.

"Ahhh..So deep...Ah.....It feels good...Tian....Tian.....Ah..." Ye Xueyin exclaimed when Xiao Tian started moving his hip.

As he kept on moving his waist, Xiao Tian turned his head and looked at his aunt. "Aunt, I want to lick your breasts."

Hearing her nephew's words, Ye Qingyu took off her transparent nightgown and threw it on the bed. After sitting on her nephew's stomach, Ye Qingyu bent her body forward. Using her hands, she directed her breasts to her nephew's mouth.

"Ahhhh..." Ye Qingyu closed her eyes when Xiao Tian started sucking her right breast while playing with her left breast at the same time.

Many moans were coming out of his aunt's mouth as Xiao Tian licked and squeezed her breasts skillfully. Not long after that, Xiao Tian could feel his stomach was wet from the love juices that were coming out from his mother's pussy.

Ye Qingyu raised her head and gritted her teeth, some of her saliva also drooled from her little mouth when Xiao Tian suddenly bit her right nipple and pinched her left nipple at the same time.

While at the same time, Ye Xueyin, who moved her hips up and down, felt like she was about to reach her climax

Pinching her nipples harder, Ye Xueyin moved her hips faster and faster "Ahh...Tian.....Ahhh... Tian.....Mother's cumming.....cumming..... Ahhh."

Ye Xueyin pressed her nipples hard and closed her eyes when she reached a climax.

### **Chapter 76 - We Should Do This More Often**

After Ye Xueyin had climaxed, she pulled out her son's cock from her pussy and laid down on her back, catching her breath before continuing again later.

Knowing his mother was resting on the bed next to him, Xiao Tian stopped licking his aunt's breasts and wrapped his hands around his aunt's back.

Ye Qingyu lowered her head and gazed at her nephew. She was curious to know why her nephew suddenly stopped licking her bosoms.

But not long after that, she was startled and hastily enveloped her hands around her nephew's neck, when her nephew suddenly sat on the bed, making her feel like she was about to fall.

When he sat on the bed with his legs outstretched, Xiao Tian looked at his aunt lovingly and said, "Aunt...."

At that time, Ye Qingyu and Xiao Tian stared at each other deeply for a few seconds, before finally, Ye Qingyu touched his cheeks and kissed his lips for two seconds.

Ye Qingyu knew what her nephew wanted, so after kissing her nephew's lips, she straddled his waist and positioned her feet on the bed. She then bent her knees to lower herself onto her nephew. Using her left hand, Ye Qingyu grabbed her nephew's cock and directed it to her pussy's entrance.

"Ahhhhhh..." Ye Qingyu wailed in delight when her nephew's cock entered her pussy slowly.

When Xiao Tian's cock fully entered his aunt's pussy, he placed his right hand on his aunt's hips while his left hand was on his aunt's buttocks.

Using both hands, Qingyu touched her nephew's cheeks before finally, raising her nephew's face and kissing him on the lips. At first, it was just a normal kiss, but it only lasted for a few seconds before turning into a passionate kiss.

As they kissed intensely, Ye Qingyu caressed her nephew's hair and started to move her hips up and down slowly, making her gorgeous breasts bounce as well.

Seeing Ye Qingyu's jugs that were moving around, Ye Xueyin, who now was breathing normally, relocated behind her little sister and squeezed her little sister's soft bosoms.

"Ahhhhh..." Ye Qingyu was startled and broke the kiss with her nephew because of her big sister abruptly clutching her breasts, but she didn't stop moving her hips and only moaned.

Seeing his mother milking his aunt's breasts, Xiao Tian moved his hands and clasped his mother's breasts.

"Ahhhh" Ye Xueyin cried out seductively as her son suddenly squeezed her breasts.

At the same time, Ye Qingyu also groaned loudly because when Xiao Tian pinched Ye Xueyin's nipples until making her gasp loudly, unconsciously, she also held Ye Qingyu's nipples strongly. This made her movements come to a pause.

Upon witnessing his aunt pausing her hips motion, Xiao Tian brought his face closer to her and entangled his lips with hers.

As her son was kissing her little sister's lips, using her right hand, Ye Xueyin pushed her little sister's hair to the other side and began licking her little sister's right neck while staying behind.

Ye Qingyu and her nephew kept satisfying each other for a few minutes until finally, Ye Qingyu, who was receiving pleasures from both her nephew and her big sister, couldn't hold it back anymore, making her end the kiss with her nephew and leaned her head on her big sister's shoulders.

Seeing that, Xiao Tian kissed his aunt's neck, making her let out multiple groans.

Enjoying the smooch, Ye Qingyu started calling her nephew's name as she moaned bewitchingly.

Upon hearing his aunt calling out his name as she was moaning, it felt as if it was the rain in the summertime, making Xiao Tian stop kissing his aunt's neck.

Xiao Tian then looked at his aunt's face, who had a fascinating expression, for a few seconds before he gazed at his aunt's neck again.

Seeing her smooth, milky white beautiful neck, Xiao Tian started tasting his aunt's neck before finally, he kissed it strongly, intending to give a hickey.

"Tian, don't leave a hickey in that place! Aunt can't cover it." Ye Qingyu said when she understood her nephew's plan to give her a hickey on her neck.

After presenting his aunt with a hickey on her neck, Xiao Tian looked at her and grasped her breasts, "So, if I give you a hickey on this place, you don't mind right?"

Xiao Tian kept pressing his aunt's breasts, providing his aunt with an indication that he desired to give a hickey on her bosoms.

When Ye Qingyu heard what Xiao Tian said, she blushed and didn't respond to him.

Seeing his aunt flushing and not say a single word, Xiao Tian knew that she didn't mind it if he gave her a hickey on her breasts.

With a smirk on his face, Xiao Tian kissed his aunt's neck, before working his way down to her breasts. After that, he smooched his aunt's right breast firmly.

Wrapping her hands around her nephew's head, Ye Qingyu held her nephew's head to her tits and bit her lower lips when her nephew was playing with her right breast intensely.

At that time, Xiao Tian felt like his aunt's pussy was clutching his cock tightly, and her pussy muscles were also moving wildly.

After he finished playing with his aunt's breast, Xiao Tian gazed at the place where he kissed her earlier. Xiao Tian smiled in a satisfied manner when he saw a red sign on his aunt's right breast.

Seeing his son giving her little sister a hickey, Ye Xueyin was full of envy.

"Tian, Mother, wants a hickey too!" Ye Xueyin expressed as she touched her neck using her index finger of the right hand.

Not like his aunt, his mother wanted him to give her a hickey where people can see it. Seeing that, Xiao Tian smiled, and replied, "Sure."

Xiao Tian then lowered his aunt's head to the left side while making his mother's head go to the right side so that he could give his mother a hickey.

"Hmmm..m.mm. " Ye Xueyin half-closed her eyes when her son started kissing her neck. She was delighted to have him giving her a hickey.

It's like a sign that she was his woman and not mother, well even though she knew that she was his woman and his mother at the same time.

But with a hickey on her neck where other people could view it, it gave everyone a clue that Ye Xueyin has a partner who loves her dearly, even though her beloved was her son.

After granting his mother a hickey, Xiao Tian immediately spoke, "Let's change positions."

They quickly changed their positions where Ye Qingyu was on top of Ye Xueyin. Ye Qingyu was facing Ye Xueyin while Ye Qingyu's ass was facing Tian.

After that, Xiao Tian placed his cock on his aunt's pussy opening before finally, ramming his cock inside her.

"Hiiii...Ahh" Ye Qingyu gritted her teeth when her nephew shoved his huge cock in her pussy in one go.

As Xiao Tian was thrusting his cock inside his aunt's pussy repeatedly, using his right hand, Xiao Tian inserted his index and middle finger in his mother's honeypot, making her wail in pleasure.

Xiao Tian's bedroom was full of his mother and aunt's moans, the sound of the immoral thing they were doing. As he kept shoving his cock in his aunt's honeypot and played with his mother's garden, his aunt and mother stared at each other for a while before beginning to kiss each other intensely.

As Ye Qingyu and Ye Xueyin were kissing, their nipples started to touch each other's, making them hornier every time those juicy pearls touched the others.

Not long after that, Xiao Tian stopped playing with his mother's garden. Using both of his hands, he grabbed his aunt's hips and raised her body, making her stand on her knees on the bed while Xiao Tian kept on ramming his rod deep inside his aunt from behind.

As Xiao Tian was thrusting his rod inside his aunt, her head leaned on his left shoulder, and the body was swaying backward and forward, following his rhythm.

Ye Qingyu kept gasping as her nephew was hitting her insides deeply with his cock, and she also opened her little mouth, making saliva ooze out from the corner of her mouth.

Seeing her little sister's bosoms swaying around, Ye Xueyin, stood up on her knees and licked her little sister's left nipple while her left hand, pinched her little sister's right nipple.

Not long after that, Ye Qingyu felt like she was about to climax, "Cumming, cumming,.ahh.ah.a. I'm cumming...nhhhh"

Her body twitched for a few seconds after she climaxed, while Xiao Tian ended his movement when he knew his aunt had done climaxing.

"Mother, please lay on your back again," There was a position that Xiao Tian wanted to try. That's why he asked his mother to lay on her back again.

"Why?" Ye Xueyin questioned. But despite that, she still did what her son had told her.

After his mother laid down on her back, Xiao Tian placed his aunt on top of his mother. Ye Xueyin was interested in what her son desired to do.

After placing his aunt on top of his mother while she was facing her big sister and his aunt's ass facing him, Xiao Tian planted his huge cock in between his mother's and aunt's gardens.

"Ahhhhh..., " his mother and aunt moaned at the same time as Xiao Tian was moving his cock between their pussys because, at that position, every time he pushed his cock, it was rubbing their clitorises.

Xiao Tian also felt great waves of pleasure when his rod was going in between their wet pussys. The feeling of two gardens rubbing his cock was so delightful, that it made him groan aloud in satisfaction

At that moment, Ye Qingyu was already so weak that she couldn't move her body anymore. Her frail head was leaning on her big sister's shoulder.

Ye Xueyin, who was feeling marvelous with her son's cock grinding her clitoris every time her son moved his waist, extended her hands forward, giving her son a signal that she wants a hug and kiss.

Not disappointing his mother, Xiao Tian lowered his upper body and kissed his mother. They smooched each other dearly for a few minutes before finally, he felt like he was about to reach climax.

Xiao Tian broke the kiss and moved his waist quicker and quicker, making his aunt and mother moan faster too.

"Cumming..ahhnh..Cumming... I'm cumming...ahH..h," Xiao Tian groaned loudly when he reached his climax.

After a few seconds later, he finished cumming, and laid down on his back beside his mother's right side, while his mother, placed her little sister on her left side.

"Ah..Ah...Ah... It feels so great, mother," Xiao Tian mentioned while still panting heavily.

"Yes.. it feels wonderful! We should do this more often in the future," the pleasure that Ye Xueyin felt was excellent, making her want to do that again in the future.

Hearing his mother's words, Xiao Tian nodded his head, "Sure."

With that said, they laid on the bed for a few minutes before falling asleep.

### **Chapter 77 - Good Morning, Aunt**

TIT...TIT...TIT...TIT.

The sound of alarm echoed in Xiao Tian's bedroom. He slowly opened his eyes upon hearing the ringing of the alarm.

A smile appeared on Xiao Tian's face when he saw his mother and aunt, who were still sleeping naked on both sides, while hugging his hands.

A few seconds after Xiao Tian got up, his mother and aunt woke up too. Turning his head to the right side, Xiao Tian kissed his aunt's forehead and spoke tenderly, "Good Morning, aunt."

"Good Morning, Tian," Ye Qingyu replied as she kissed her nephew's right cheek.

"Tian, what about mother?" Ye Xueyin inquired with a pout.

Upon hearing his mother's words, Xiao Tian turned his head to the left and gave a peck on his mother's forehead and responded lovingly, "Good Morning, mother."

"Good Morning, Tian," Ye Xueyin smiled, then using her left hand, she touched her lips and continued, "Tian, here too."

"Sure." Xiao Tian immediately brought his face closer to his mother's face again.

Upon seeing her son's face getting closer to her face, Ye Xueyin slowly opened her little mouth, as if she was ready to welcome her son's lips with a passionate kiss.

When Xiao Tian's lips were touching his mother's lips, his mother's tongue instantly tried invading his mouth, like giving a signal that his mother wanted to do an intense kiss with him.

Not disappointing his mother, Xiao Tian opened his mouth and inserted his tongue, seeking for his mother's tongue. After a second, their tongues met and promptly intertwined.

Ye Qingyu, who saw them have a deep kiss, unconsciously opened her mouth and spoke hazily, "Tian... Aunt.., Aunt wants a kiss too."

Ye Qingyu, at first, was satisfied with a good morning kiss. But, when she witnessed her big sister and nephew doing a deep kiss after they woke up, suddenly, a feeling of desire to do an intense kiss with her beloved nephew erupted inside Ye Qingyu.

Upon hearing his aunt's words, Xiao Tian broke the heated kiss with his mother and directed his head, towards his aunt.

When Xiao Tian was facing his aunt, his aunt rapidly moved her face closer to his face. At first, his aunt only kissed him casually, but a few seconds later, his aunt began smooching him strongly.

When Ye Xueyin saw her son and little sister kissing so dearly, she quickly crawled to her son's lower body and spread her son's legs.

After that, Ye Xueyin sat down between her son's legs. Because they were sleeping naked until a moment ago, she could feel her son's cock directly.

At the same time, using his left hand, Xiao Tian pinched his aunt's erect pink nipples. However, because his aunt's lips were entangled with his lips, his aunt's moans were not clear.

Since Xiao Tian and his aunt were smooching in an uncomfortable position, Xiao Tian felt his neck tingling in pain, causing him to break the kiss.

Ye Qingyu knew the reason her nephew stopped the kiss, because she also felt her neck hurting. Since she wanted to continue kissing her nephew, Ye Qingyu shifted her body and stood on all fours. Her knees were on both sides of her nephew's waist while her hands were placed on her nephew's chest.

After Ye Qingyu positioned her body adequately, she instantly drew her face in front of her nephew's face, intending to resume where they left off earlier.

Upon seeing his aunt's face approaching his face, Xiao Tian opened his mouth to embrace his aunt's kiss.

As her son and her little sister smooched each other deeply, Ye Xueyin was startled when she saw her little sister's ass was in front of her.

While still stroking her son's cock using her right hand, utilizing her left hand, Ye Xueyin spread her little sister's pink pussy and put her tongue inside her little sister's pussy.

"Ahhhhhh.. Big sister's tongue is inside my pussy...Ah.." Ye Qingyu felt as if an electric jolt running through her entire body when her big sister's tongue abruptly entered her pussy.

Ye Qingyu raised her head and gritted her teeth when she felt her big sister's tongue skillfully moving inside her pink pussy. After she took deep breaths for a few seconds, Ye Qingyu got near her nephew's face and began battling with her nephew's tongue intensely again.

Love juice started dripping from Ye Xueyin's pussy when she was stroking her son's cock and playing with her little sister's pussy using her tongue, but she ignored it and continued what she was doing.

Not long after that, Ye Xueyin stopped caressing her son's cock and moved her hand to her little sister's ass hole.

"Ahhhh.. Big sis, not my ass hole too...Ah...Ahh..." Ye Qingyu moaned when she sensed one of her big sister's finger was going inside her ass hole.

When his aunt halted the kiss, using both hands, Xiao Tian lowered his aunt's head and began kissing her lovingly.

Ye Qingyu felt her body losing strength when her big sister and nephew were pleasing her simultaneously. Because the pleasure she was feeling was too marvelous, Ye Qingyu thought she was close to climaxing.

Ye Qingyu wanted to stop the kiss because she was almost at the edge, but because her nephew wrapped his hands around her neck and won't let it go, coupled with her body which was in a weakened state, she couldn't end the kiss and just decided to continue it

"Hmmm..Ahh.Mnmm..mm..Ah..," Ye Qingyu opened her eyes wide when she reached her climax. As she achieved her climax, love juices were spurting out, making Xiao Tian's waist and cock wet from her liquids before falling on the bedsheet.

Xiao Tian immediately broke the kiss after he saw his aunt was done with her climax.

"Huft...Huft...Huft...Huft..." the sound of Ye Qingyu breathing heavily could be heard in the room.

After her little sister finished her climax, Ye Xueyin lowered her head and put her son's massive cock into her mouth slowly.

When her son's rod was in her mouth, Ye Xueyin could taste her little sister's love juices on it. As she gave her son a blowjob, using her left hand, she played with her wet pussy before finally, she put two of her fingers in her pink pussy.

SLURP SLURP SLURP

The sound of Ye Xueyin giving her son a blowjob echoed in the bedroom.

As his mother was presenting him with a blowjob, Xiao Tian caressed his aunt's cheeks and gazed at her. Like she knew what he wanted, his aunt opened her mouth, ready to accept his kiss.

Seeing his aunt opening her mouth, Xiao Tian immediately lowered his aunt's head and kissed her. They had a hot kiss for a few minutes, before Xiao Tian felt like he was about to approach climax.

Xiao Tian instantly broke the kiss and kissed his aunt's neck strongly, leaving a hickey on it.

"Hmmm..mm.." Ye Qingyu shut her eyes when her nephew was kissing her neck strongly, giving her a hickey.

While Ye Xueyin, who knew that her son was close to climaxing, moved her head faster and faster before stopping when her son spurted inside her mouth and filling it with her son's semen.

After her son finished his climax, Ye Xueyin pulled out her son's cock and inched towards her little sister. Like they had the same thought, Ye Qingyu immediately opened her mouth.

When her little sister opened her mouth, using both of her hands, Ye Xueyin raised her little sister's head before opening her mouth, too, sharing her son's sperm with her little sister.

They had a satisfying expression when they drank Xiao Tian's sperm. After they shared her nephew's sperm, Ye Qingyu pushed her big sister down.

Upon seeing his aunt pushing his mother down on the bed, Xiao Tian knew what his aunt wanted to do. As Ye Qingyu was on top of her big sister, she began kissing her big sister's lips, which got welcomed by her big sister.

When Xiao Tian saw his mother and aunt having an intense kiss, he crawled towards his mother and licked his mother's pussy.

"Hmmm..mmm..nm..," Ye Xueyin cried out with pleasure when she felt her son licking her pussy.

As Xiao Tian licked his mother's pussy, using his right hand, he played with his mother's clitoris, too, making his mother moan again.

Because Ye Xueyin was already turned on before her little sister and son giving her pleasure, it didn't take a long time before she felt like she was about to orgasm.

Ye Xueyin immediately broke the kiss when she sensed she couldn't hold it back anymore, "Ah....Cumming...Cumming... I'm cumming...Anhh.." Ye Xueyin enveloped her hands around her little sister's neck when she started orgasming.

After she finished her climax, Ye Xueyin let go of her hands and was panting heavily "Huftt...Hufttt....Huft...."

After that, they laid down on the bed for a few minutes before taking a shower.

## **Chapter 78 - Both Of You Look Beautiful**

After they had satisfied themselves in pleasure, they laid down on the bed for five minutes, before finally, Ye Qingyu and Ye Xueyin headed to their room to take a shower.

After bathing, they immediately began eating breakfast together in the dining room.

"Ahhh. I'm full!" Xiao Tian spoke after he finished his breakfast, "Mother, aunt, we will leave after washing the dishes."

Last night Xiao Tian told his mother and aunt that he would go to the center of Shanghai to find a place for his offline shop.

Xiao Tian questioned them whether they wanted to go with him or not.

Upon hearing his words, his mother and aunt nodded their heads, agreeing to go to the center of Shanghai with him.

However, when he told them that Yun Xin Er would be helping him in finding the places, Xiao Tian could see jealousy in their eyes, even though they didn't say a single word about it.

After washing the plates, they immediately headed to their room to change to another outfit.

Five minutes later, Xiao Tian finished changing his outfits and waited for his aunt and mother in the living room.

Seconds turned into minutes, and minutes changed into hours, but his aunt and mother still weren't over with switching to different clothes.

At that time, Xiao Tian could only sigh and shook his head.

Not long after that, his mother and aunt came out of their bedroom.

His mother wore a white blazer, paired with a black T-shirt underneath and matching black jeans, while his aunt wore a pink blazer, paired with a black T-shirt beneath and white jeans.

Upon seeing his mother and aunt, Xiao Tian wasn't able to turn his gaze away and just stand like a statue as if the world lost its color. After a few seconds, Xiao Tian came back to his senses and said, "Mother, Aunt, both of you look so gorgeous."

Ye Xueyin was pleasantly surprised by hearing her son's words and smiled wonderfully, "Thank you."

While Ye Qingyu only turned her head and spoke nothing, but a smile arose on her face after turning her head.

Looking at how beautiful his aunt and mother looked in their clothes, Tian lowered his head and gazed at his clothes.

Xiao Tian was wearing black jeans and a dark grey turtleneck sweater. The neck of the sweater was loose and high enough to touch his chin.

At that time, Xiao Tian wondered whether he should change his outfits or not because, after seeing his mother and aunt, he felt that his clothes were not right to stand beside them.

My aunt and mother look so pretty in their clothes. Does my outfit look good when I am standing next to them? Xiao Tian thought to himself.

Upon seeing her son, who was lost in his thought, Ye Xueyin walked closer to her son and stated, "Tian, what's wrong?"

Xiao Tian instantly comes to his senses after hearing his mother's voice. "I was pondering, should I change my clothes or not? Because Mother and aunt look so gorgeous in your clothes."

"Tian, you don't need to change your clothes. This outfit suits you very well. You look so handsome wearing those outfits," Ye Xueyin replied and paused for a few seconds before looking at her little sister and continued, "Isn't that right, Qingyu?"

"Un. I think you don't need to change your outfits. The clothes you wear right now are befitting of you," Ye Qingyu responded with, telling the truth. In her eyes, her nephew looked more handsome and cool in those clothes, making her unable to turn her gaze.

But, of course, she didn't want to say that her nephew was so dazzling in her eyes. She only indicated that the clothes her nephew wore suited him.

Upon hearing his mother and his aunt's words, Xiao Tian decided not to change his attire. If his mother and his aunt didn't mind his clothes, he'd wear it.

After taking a taxi for about forty minutes, they finally reached in the center of Shanghai.

Xiao Tian immediately took his smartphone from his pocket and called Yun Xin Er. After waiting for around ten minutes, Yun Xin Er came and quickly brought them to the place that she told him about.

When they reached their destination, a middle-aged man was waiting for them. They thought that he was the owner of the building that Xiao Tian wanted to rent.

The building was around 18x16 meters with a large parking area. The building was at the edge of the main road so, people will notice the establishment when they pass by.

When Xiao Tian knew that there weren't many clothing stores near the building, making him like that building more.

After inspecting the outside of the establishment, Xiao Tian and others entered it, intending to observe the inside of the building.

Inside the building, there was one bathroom, two restrooms, and one large room. After checking inside the building, Xiao Tian nodded his head in satisfaction. Xiao Tian then asked the owner about the rent fee, etc.

At first, the establishment fee was too high, but because Yun Xin Er assisted him bid the price, the owner ultimately reduced the price. After they have a deal with the price, Xiao Tian decided to rent that building for one year.

After he was done with everything, they went to eat someplace because it was time for lunch.

## **Chapter 79 - Bamboo Restaurant**

After driving for about ten minutes, they finally arrived at the restaurant.

The name of the restaurant was Bamboo restaurant. It's called Bamboo restaurant because the building was made from bamboos and there were several small bamboo trees near the restaurant.

When Xiao Tian and the others were almost at the restaurant entrance, they saw a middle-aged man standing at the entrance. The middle-aged man was wearing a suit, and a beautiful smile appeared on his face after seeing Yun Xin Er.

"Good afternoon Miss Yun. Do you want to eat in the usual place?" the middle-aged man asked after Yun Xin Er, and the others were in front of him.

Yun Xin Er stopped her footsteps when she was in front of the middle-aged man. "Good afternoon, manager Chu. Please take us to the usual place."

"I understand," manager Chu replied. After that, Manager Chu escorted them to the table where Yun Xin Er usually ate.

Before coming to the Bamboo restaurant, Yun Xin Er had sent a message to the manager Chu, telling him that she would have lunch at Bamboo restaurant.

After manager Chu received a message from Yun Xin Er, he immediately ordered two waiters to prepare the table where she usually ate. After that, he waited for Yun Xin Er to arrive at the restaurant entrance.

The restaurant has two different places for customers to eat. One for ordinary customers and one for important customers. The place for ordinary people was rectangular, with tables and chairs neatly arranged.

They walked past the building for ordinary costumers, and after walking for about 40 seconds, they finally saw the place to eat for essential costumers.

To get to that place, they need to walk on a white rectangular stone. The white stone has a length of about two meters and a width of about one meter, which was neatly arranged as a bridge to the building because a pond surrounded the building.

After crossing the stone bridge, manager Chu and the others headed to the table where Yun Xin Er usually ate. When they arrived, two professional waiters, who wore a white shirt and black trousers, smiled at them.

The two professional waiters bowed slightly after seeing their manager and the others.

"Welcome costumers. Please have a seat," one of the waiters said as he smiled.

Yun Xin Er and others immediately sat on the chairs. The dining table was rectangular with four chairs. The table was covered with a white tablecloth, and there was a candle in the middle of the table.

After one of the waiters wrote down their orders, the manager said, "Alright, I will take my leave. If Miss Yun and the others need anything else, please don't hesitate to ask me."

'Wow'

Xiao Tian Looked at Yun Xin Er after seeing how Manager Chu behave in front of Yun Xin Er.

"Alright," Yun Xin Er answered while Xiao Tian, Ye Qingyu, and Ye Xueyin only smiled.

The waiters and manager Chu immediately left.

"This place is beautiful!" Xiao Tian said,

The building was circular, and of course, it was built by bamboo too.

The table and chairs were close to the pond, allowing Xiao Tian, who was sitting near the pond, to touch the water if he wants to.

In the middle of the pond, several small bamboo trees were decorated with lights. The distance between one bamboo tree and the other bamboo tree was around four meters.

This restaurant is exquisite. I'm sure; this restaurant will look more beautiful at night. Xiao Tian thought to himself.

"That's right," Yun Xin Er spoke and stopped for a second before she continued, "But the scenery here will be more beautiful at night."

Xiao Tian nodded his head, agreeing with Yun Xin Er's words.

"Miss Yun, do you often eat here?" Ye Xueyin was curious about it because they treated Yun Xin Er very well. Even the manager waited for them at the entrance.

"Oh! Lately, I often come here, especially at night. This restaurant is wonderful at night. It makes me feel calm when eating here," Yun Xin Er knew Bamboo restaurant after meeting with a clothing designer for her concert in the past. The clothing designer arranged a meeting at Bamboo restaurant.

When Yun Xin Er first came to the Bamboo Restaurant, she was amazed at how beautiful the restaurant was at night.

The lights that emitted yellow rays, the bamboo trees which were decorated with colorful lights, the dining table which was located close to the pond, all of that made Yun Xin Er feel calm. That was why she came to the bamboo restaurant several times after she had a meeting with the clothing designer.

Too bad it's still daytime so they can't see the beautiful landscape in this Bamboo Restaurant. Yun Xin Er thought to herself.

"Little brother, it seems you were born to become a businessman. You started your business a few days ago, and now you already want to open your first offline shop," Yun Xin Er still had a hard time believing that Xiao Tian would open his offline shop in a few days. Even though it was her, who was promoting his online shop but, his business growth was too fast.

Yun Xin Er thought, at least Xiao Tian needs a few months for his business to grow rapidly and open his first offline shop, but she was wrong. It only took a few days, and Xiao Tian's company had developed very well.

Well, all the clothes in his online shop have an excellent design, so it's naturally that his business is developing rapidly. He is even still nineteen years old. He is still young, very young, but his clothing designs are on a par with professional designers who has many years of experience. Just who is his teacher? Yun Xin Er thought to herself,

"Big sister Yun is overpraising me. I'm just a typical college student. It's because big sister Yun helped me promote my online shop. That's why my online shop can grow until it reaches what it is now," Xiao Tian stated the truth. Even though he has good clothing design, without Yun Xin Er's help, his business will not be developing very rapidly like that. Because it's hard to make other people know about his online shop if he tries to make other people know his online shop by himself.

He at least needs to advertise his online shop, but it won't be as good as Yun Xin Er promoting his online shop. There was a lot of online shop advertisements on TV, but the people who watched the ads were only slightly interested or maybe not interested at all.

It's different if he advertises his online shop using famous people, many people will check his online shop, or at least that renowned person's fans will check his online shop.

Yun Xin Er was very famous in China, coupled with his excellent clothing design, which he knew from his previous life, Xiao Tian was 100 % sure that his business will grow rapidly.

"Yes, Miss Yun. All of Tian's successes are due to Miss Yun had promoted Tian's online shop," Ye Xueyin was sure all of this was due to Yun Xin Er, who helped her son promote her son's online shop.

"No, No. I'm only promoting little brother's online shop, nothing more than that. It's because little brother's clothing design is perfect. That's why his business is developing rapidly," Yun Xin Er was sure all

of that was because Xiao Tian's clothing design was perfect. "Mrs. Ye is fortunate to have a son like little brother. Little brother is still young, but little brother has become a successful businessman."

"Miss Yun, you should stop praising Tian, or he will fly to the ninth cloud," Ye Qingyu asserted when she saw her nephew smiling after hearing Yun Xin Er praise him.

"What are you talking about, aunt?" Xiao Tian was happy because a pretty lady praised him, making him smile from ear to ear. However, his happiness was shattered to dust after hearing his aunt's words.

"What am I talking about?" Ye Qingyu stared at her nephew, "You were smiling like an idiot when Miss Yun praised you."

"No. No. No. You're wrong there, aunt!" Xiao Tian shook his head and denied shamelessly, "I smiled because I'm happy to be able to eat with beautiful ladies."

Did I look like an idiot just now? Not good, not good. I need to maintain my good image. As a handsome young man with a bright future, I need to maintain my good image. Xiao Tian thought to himself,

"You always know how to answer," Ye Qingyu stated,

Yun Xin Er and Ye Xueyin, who saw them behaving like that, smiled beautifully.

### **Chapter 80 - Tian, There Is Something On Your Trouser**

Not long after that, two waiters came in with their food. After placing all the orders on the table, they bowed a little, then one of the waiters stated, "Please enjoy the meal. If customers want something, please tell us."

"Alright, " Yun Xin Er replied with a smile.

After that, the waiters left, giving them privacy.

Previously, Yun Xin Er ordered salt and pepper seafood with lemon tea. Xiao Tian asked for sizzling beef and a vanilla milkshake. Ye Xueyin requested for stir-fried beef and broccoli with lemon tea, while Ye Qingyu wanted beef snow pea with lemon tea.

As they ate, Yun Xin Er suddenly inquired, "So little brother, when will you hire an employee?"

"Maybe in two or three days. I need to make an ad in my online shop first so, I don't need to spend more money on advertisement," Xiao Tian responded.

Xiao Tian had already thought about it. Tomorrow he planned to have a meeting with Shi Fei to make her put the ad on his online shop, so he doesn't need to spend more money on recruitment.

Xiao Tian also has a few featuring ideas that he desired to put on his online shop to make the sale more in demand than before. For example, like giving a discount on some clothes, free delivery if the people buy a lot of clothes on certain days, cash on delivery, lucky egg where you can get a surprise discount, cashback or something like that by breaking the egg, every day.

He imagined with the new features that he will add, his business will get more costumers.

"Two or three days?" Yun Xin Er mumbled. She then paused her eating and tried to remember something before continuing, "Oh, in two or three days, my schedule will not be tight. Maybe I'll come to little brother's shop to see the recruitment."

When Yun Xin Er told that, Ye Qingyu and Ye Xueyin abruptly stopped eating and turned their heads, both looking at Xiao Tian.

Ye Qingyu and Ye Xueyin stared at Xiao Tian seriously like they wanted to know what his answer is. The corner of Xiao Tian's lips twitched when he felt their intent gaze.

'Are they jealous over something like this?' He pondered inside his head.

"Sure, I'll be pleased if big sister Yun can come to my shop later," Xiao Tian replied as he smiled.

When Xiao Tian was done with saying that, Ye Qingyu, who sat in front of him, using her right leg, she kicked his leg. But because she hit Xiao Tian leg's under the table, Yun Xin Er didn't notice that.

While at the same time, Ye Xueyin, who sat on her son's right side, using her left hand, pinched her son's waist.

Xiao Tian was in pain when his aunt kicked his legs, and his mother pinched his waist, but he only smiled as if nothing happened.

'Mother, aunt, stop that! Yun Xin Er is the one who wants to come to my shop later so, why did both of you start hurting me. I am not even seducing her,' he mused to himself.

'What a playboy! Why am I falling in love with my nephew who is like that,' Ye Qingyu pondered to herself.

"Really!?" Yun Xin Er happily exclaimed, "Alright, I'll inform little brother if I can come to your shop later."

"Un" Xiao Tian nodded.

"Tian, there is something on your trouser," Ye Xueyin remarked, pointing at her son's trouser's right side.

After hearing his mother's words, using his right hand, Xiao Tian patted the side of his trouser. However, what he didn't expect was, when he began cleaning his trouser, his mother grabbed his hands, slide her fingers into his palm, and tightened her hands.

Xiao Tian was startled when his mother slid her fingers into his palm. Turning his head, he gazed directly into his mother's eyes, while at the same time, his mother also looked at him.

Looking at his mother's eyes, Xiao Tian could tell that she was jealous. At that time, he smiled and tightened his fingers too. Even though he only ate a little, after looking at his mother's face, he decided to stop eating.

When Xiao Tian squeezed her fingers, a smile blossomed on Ye Xueyin's face, and the jealousy in her heart lessened significantly.

When Xiao Tian saw his mother's smile, Xiao Tian felt relaxed and turned his head to glance at his aunt's face. He wanted to see his aunt's face, but because he was sitting while facing his aunt, he couldn't comfort her and reduce her jealousy.

"Eh, little brother, why are not you eating anymore?" Yun Xin Er was curious why he suddenly quit eating.

"I'm already full, big sister Yun," Xiao Tian replied.

Yun Xin Er had no idea that the reason Xiao Tian was not eating anymore was because of him holding hands with his mother, but since the chair between Xiao Tian and his mother was close, Yun Xin Er didn't know about it.

"Oh, so you're a person who doesn't eat much but how can you have a cool body like that when little brother only eats this much," Yun Xin Er probed.

Upon hearing Yun Xin Er's words, Xiao Tian wanted to cry because, at that moment, he was starving. However, when he saw his mother's envious face, he chose to give up consuming more and held his mother's hands.

When Yun Xin Er mentioned that, Ye Xueyin tightened her fingers again. At that time, Xiao Tian could only sigh.

"Thank You," Xiao Tian replied as he smiled.

"Little brother, do you exercise regularly?" Yun Xin Er wanted to know what he did to have a body like that.

"Yes, I exercise every day," Xiao Tian answered.

'My predecessor exercised every day before he passed away while for me, I did some exercise with my aunt and mother... of course, on the bed,' he added in his mind.

'Liar... you never exercise,' thought Ye Xueyin and Ye Qingyu at the same time.

Ye Qingyu and Ye Xueyin had never seen Xiao Tian do exercises because the owner of the original body always did the exercises at the gym near his university.

"Oh. What workout does little brother do?" Yun Xin Er inquired again.

After hearing Yun Xin Er's words, he didn't know how to answer it so, he decided to lie, "Jogging or gym."

'Stop saying lies. You never go jogging or the gym. If you don't have anything to do, you even wake up late, sleeping like a log on the bed, treating bed like your dear wife,' thought Ye Xueyin and Ye Qingyu at the same time.

"Oh," Yun Xin Er covered her mouth.

After that, they talked for about an hour before finishing their lunch.
