Chapter 711 - Zhao Sheng And Xiao Tian Vs Jufan Part 2

Like before, Xiao Tian and Zhao Sheng began to attack Jufan again. Even though they still hadn't managed to land an attack on Jufan's body, they didn't give up.

Cut, hang, point, thrust. Xiao Tian attacked Jufan non-stop and from all directions. Even though there was blood on his face, but he didn't show the slightest care about it and kept attacking Jufan.

*Uakkk.

Xiao Tian was thrown two meters back by Jufan's kick before falling to the ground.

Without waiting for another second, Xiao Tian instantly rose to his feet and began to attack Jufan again.

*Uakk...

Zhao Sheng was sent flying by Jufan's fist.

Like Xiao Tian, he immediately rose to his feet and began to attack Jufan.

'This is exciting.'

Even though his face was covered in blood, but a happy expression and a smile appeared on his face. It had been a long time since someone could injure him, so it made Zhao Sheng even more excited.

Lan Ruoxi, who was seeing Xiao Tian and Zhao Sheng, crossed her arms over her chest.

'Those two young men are truly a battle manic. Look at that expression! They are even still smiling when their faces are covered in blood.'

Lan Ruoxi then shifted her gaze from Xiao Tian to Yahui. At this time, Yahui was lying on the ground with a face covered in blood.

His eyes gleamed with terrifying sharpness as if he wanted to kill Lan Ruoxi with his gaze.

Because she knew that Yahui would not be able to fight her anymore, Lan Ruoxi ignored him and paid attention to Xiao Tian and Zhao Sheng.

At this moment, Jufan was annoyed.

'Damn it!'

Jufan was unhappy because no matter how many times he hit Xiao Tian and Zhao Sheng, they stood up again and again.

'Are they masochist?'

Jufan found it hard to believe what he was seeing. He had hit Xiao Tian and Zhao Sheng many times. But instead of giving up, they even smiled widely as if they were enjoying being beaten by him.

*Thrust...

Xiao Tian thrust his sword at Jufan's head.

However, Jufan was able to avoid it by moving to the left. He wasted no time and immediately counter-attacked.

Because he wanted to remove the sword from Xiao Tian's right hand, he kicked Xiao Tian's right wrist.

*Fly...

Xiao Tian's sword flew high into the air.

Jufan didn't stop there. He immediately threw a high kick, aiming at Xiao Tian's head.

However, Xiao Tian was able to block it by placing both of his hands in front of his head. Even though his sword had been thrown into the air, Xiao Tian didn't care and started attacking Jufan with his hands.

Attack, block, attack, avoid. Every time Xiao Tian attacked Jufan, Jufan was able to block or avoid it. The same thing happened when Jufan attacked him.

They exchanged strikes for a few seconds before finally, Xiao Tian's sword, which was thrown into the air, was falling next to him.

Xiao Tian instantly grabbed his sword and swung it.

*Slash....

Xiao Tian swung his sword horizontally, intending to cut Jufan's neck.

In order to avoid Xiao Tian's attack, Jufan took two steps back.

'That was dangerous!'

Jufan said in his head.

At this moment, Jufan didn't realize that Zhao Sheng was behind him. When he noticed it, it was already too late.

*Uakkk....

For the first time since he fought Xiao Tian and Zhao Sheng, Jufan got hit.

Xiao Tian, who saw Jufan lying on the ground, didn't waste time and instantly swung his sword vertically.

Jufan was skilled in martial arts and had a lot of fighting experience, so he knew what he had to do.

Jufan then rolled over to avoid Xiao Tian's attack.

However, the moment he stood up, he was welcomed by a kick from Zhao Sheng.

*Uakkk....

Blood splashed out of his mouth when Zhao Sheng kicked the right side of his head.

Jufan was furious, and his eyes were filled with killing intent. He was enraged because Zhao Sheng managed to kick him twice.

Lan Ruoxi, who saw them, smiled.

'It seems like they know what they have to do.'

Even though Jufan only got hit twice, but in her view, it was a good sign.

Since Zhao Sheng managed to hit Jufan, his teamwork with Xiao Tian got even better and better. Not only was Zhao Sheng successful in hitting Jufan, but Xiao Tian also managed to land an attack on Jufan's body.

"Huft...Huft...Huft..." blood dripped down from the corners of Jufan's mouth. "Just give up. Look around you! Your underlings are being beaten by my disciples. You have no chance of winning this war."

"Is that so?" Xiao Tian's lips curled into a grin.

*Ciutat....

Xiao Tian gave a signal to the Shadow gang members to make their moves.

*Dung...Dung...Dung...

The Shadow gang members dashed towards the front yard of the Blue Ice Lotus gang headquarters.

Jufan instantly turned his head toward the source of the sound. He gritted his teeth when he saw the Shadow gang members.

'Damn it!'

Jufan cursed venomously in his heart.

Like before, everyone instantly stopped fighting when the Shadow gang members were running towards the front yard of the Blue Ice Lotus gang headquarters.

'Good! They are coming.'

The members of the Blue Ice Lotus gang and the Hawk gang were pleased when they saw the Shadow gang members because with this, their strength would increase.

Unlike the Blue Ice Lotus gang members, Yahui's disciples and the others were not happy with the appearance of the Shadow gang members.

"How is it?" Xiao Tian inquired, "Do you still think that you will win the war?"

"Beat them to death!" the Shadow gang members instantly attacks their enemies.

"Why don't you say anything?" Xiao Tian asked with a mocking expression.

"Die!" Jufan began to attack Xiao Tian again. "As long as I can kill you, I'm sure your underlings will lose their fighting spirit. After that, it will be easy for us to defeat them."

Then they exchanged attacks again. Unlike the previous fight, this time, Xiao Tian managed to land attacks on Jufan's body several times. Of course, it was because Zhao Sheng was helping him.

*Uakkk....

Blood splashed out of Jufan's mouth.

'How could this be?'

Jufan hated to admit it, but the longer he fought Zhao Sheng and Xiao Tian, the better their teamwork was.

Even though he could still hit them, they also managed to land an attack on his body. It was as if they were martial artists at the same level.

'What?!'

The expression of deep shock blossomed on his face when he saw Yahui and Shuren.

'No! This is impossible. This is impossible.'

Jufan found it hard to believe what he was seeing. Yahui and Shuren were martial artists at the low-level grandmaster stage, so it was impossible for their enemies to defeat them.

Even though he didn't know how skilled Lan Ruoxi was, he was sure that Yahui could beat her, or at least, his martial arts skill was on par with Lan Ruoxi's skills.

Without waiting for another second, Jufan dashed towards Yahui and Shuren.

"Are you two alright?" Jufan helped them to stand up.

"Let's retreat." Yahui could no longer fight, so he wanted them to retreat.

"Yes. Let's retreat." Shuren had the same thoughts as Yahui.

Jufan didn't answer immediately and skimmed his surroundings. When he learned that Xiao Tian's underlings had the upper hand in the fight, he decided to agree with their idea. "Retreat!"

Jufan's disciples were surprised after hearing Jufan's words.

'What?! Retreat?!'

They thought they would fight their enemies to the last blood.

"Don't let them run away." Of course, Xiao Tian would not let them escape.

The Shadow gang members instantly stood in front of the gate so that Jufan and the others would not be able to escape.

"Do you think you can come and go as you please?" after saying that, Xiao Tian pointed his sword at them. "Beat them!"

"Attack them!" Xiao Tian's underlings and the Hawk gang members began to attack their enemies again.

As his underlings were attacking his enemies, Xiao Tian dashed towards Jufan to attack him. Like before, Zhao Sheng immediately helped him.

*Slash...Slash...Slash....

Xiao Tian attacked Jufan from all directions. However, Jufan was able to avoid all of his attacks.

'Moon style sword of drawing techniques- first ceremony- Mountain Splitter.'

Because Xiao Tian's stamina had been reduced by more than half, he decided to use the first secret technique.

At this moment, Ren Aoxu paid attention to Xiao Tian closely.

'It seems like senior brother is tired.'

Ren Aoxu was sure the reason why Xiao Tian only used the first secret technique was that Xiao Tian's stamina had decreased a lot.

Not only Xiao Tian, but Jufan was also tired. For this reason, he could not avoid all of Xiao Tian's attacks.

"Huft...Huft...Huft..." Jufan's clothes were full of holes. From the holes, anyone could see his bleeding chest.

"Huft...Huft...Huft..." Xiao Tian was breathing heavily. "Jufan, give up! You have lost the war."

"That's right. Just give up!" Zhao Sheng added.

Jufan gritted his teeth when he saw Yahui and Shuren in Xiao Tian's underlings' hands. He knew that they had lost the war, but he didn't want to admit it.

They had three martial artists at the grandmaster stage and many of them were at the master stage, but they still could not beat Xiao Tian and his underlings.

'No, I don't want to admit it. We can still turn the tables.'

With that in mind, Jufan dashed towards Xiao Tian again.

However, Lan Ruoxi suddenly spoke, "Stop it! Otherwise, we will kill Yahui and Shuren now."

Chapter 712 - Defeating Jufan

10-12 minutes

Jufan instantly stopped his footsteps and turned his head to look at Lan Ruoxi. "Coward!"

Even though Jufan wanted to kill Xiao Tian so badly, but he didn't want to see Yahui and Shuren die because they were his friends

They had been friends for over ten years, so their friendship was very good. They even wanted to help him beat Xiao Tian, so of course, he didn't want them to die.

"Coward?!" Lan Ruoxi was unhappy when Jufan labeled her as a coward. "Do you want to fight me one on one? I'm fine with it."

Everyone instantly turned their heads towards Lan Ruoxi. They didn't expect her to dare to challenge Jufan in public like that.

They had no idea that Xiao Tian had poisoned Jufan, so they thought Jufan was still a martial artist at the grandmaster stage, and challenging a martial artist who was already at the grandmaster stage was a foolish thing to do.

'What a fool!'

Those were the words that appeared on their minds.

Because they were busy fighting before, people who knew that Lan Ruoxi had defeated Yahui had died, so they thought that Xiao Tian's underlings ganged up on Yahui before. That was why Yahui lost the fight.

Yahui, who was looking at Jufan, shook his head, giving a sign to Jufan not to fight Lan Ruoxi.

Jufan was surprised. He didn't expect that Yahui would give him a sign not to fight Lan Ruoxi. It was true that Lan Ruoxi had defeated Yahui, but if he fought her, no one would know who would be the winner later.

Because Jufan still didn't say anything, Lan Ruoxi asked, "Why don't you say anything?"

Jufan's face turned red because of anger. He felt as if Lan Ruoxi was stepping on his pride. As a martial artist at the grandmaster stage, he could not accept it. "If you wan- "

However, before Jufan had finished his words, Xiao Tian spoke, "Jufan, how about this? Let's continue our fight now, and if you can defeat me, I will release Yahui and Shuren. How is it? I'm game."

Of course, Xiao Tian was lying when he said that. There was no way he would let his enemies escape easily like that.

However, Xiao Tian's underlings thought that Xiao Tian was serious.

'What?!'

They found it hard to believe what they were hearing. Xiao Tian was someone who always remembered his enemies and never let them go easily.

"Sir..." Chun Hua wanted to express her disapproval.

If Xiao Tian let go of Yahui, Jufan and Shuren later, that meant everything would be meaningless later. All the sacrifices of his underlings would be in vain later.

Like Chun Hua, Xiao Tian's underlings also disagreed with Xiao Tian's idea. "Leader, we should not let them escape. Otherwise, they will cause trouble for us again later. We have to teach them a lesson for daring to cas-"

Xiao Tian raised his left hand, giving his underlings a sign to stop talking.

'I'm sure his strength has decreased again now.'

Even though Jufan's strength was still at the high-level master stage, but from their previous fights, Xiao Tian could feel that Jufan's strength would soon drop to the mid-level master stage.

Xiao Tian was sure that he would be able to defeat Jufan the moment Jufan's strength decreased to the mid-level master stage. That was why Xiao Tian dared to challenge Jufan like that.

Even though all of his underlings still disagreed with his idea, but none of them voiced it. Xiao Tian was their leader, so he could do whatever he wanted.

Unlike Xiao Tian's underlings, Lan Ruoxi and Zhao Sheng knew what Xiao Tian had in mind. They knew Xiao Tian's personality very well, so they knew that Xiao Tian would not let Jufan and the others escape later.

Lan Ruoxi and Zhao Sheng tried their best not to laugh. They even knew that Xiao Tian wanted to humiliate Jufan in front of everyone to satisfy his anger. That was why they said nothing.

"What?! Why don't you say something now? Don't tell me, you're afraid of me." Xiao Tian said with a mocking expression.

Jufan's eyes were filled with flames of fury when Xiao Tian mocked him. "Fine. But let's fight one on one. Do you dare?"

Jufan still thought of himself as a martial artist at the grandmaster stage, so he was sure that he could defeat Xiao Tian later.

The reason why he could not defeat Xiao Tian earlier was that Zhao Sheng helped Xiao Tian. If they were to fight one on one, he believed that he would have defeated Xiao Tian since they started fighting.

"Sure." Xiao Tian accepted instantly.

"Good!" Jufan took two steps forward. "Let's continue our fight."

Xiao Tian also walked closer towards Jufan.

At this moment, everyone had no intention of continuing their fight. They all wanted to see the fight between Jufan and Xiao Tian.

"Senior brother..." Ren Aoxu wanted to help Xiao Tian, but he knew that he was not Jufan's opponent.

"Die!" Jufan dashed towards Xiao Tian and threw out his fist.

He used both of his hands to attack Xiao Tian. Due to how fast his fists were, it seemed like he had more than two hands.

Xiao Tian's lips curled into a grin.

'Good! Keep attacking me.'

Because it was a one-on-one fight, Xiao Tian had no intention of counterattacking. He wanted to save his stamina and wait for the right moment to counterattack. That was why all he did was dodge Jufan's attacks.

"What's wrong? Why are you only running away? Haha." Because Xiao Tian never counterattacked, Jufan started to mock Xiao Tian.

"Haha. Look at him! He is like a cat being chased by a tiger."

"Tch, tch, tch! Where did his previous mighty behavior go?"

"Coward!"

"That's right. All he did is run and run."

"Of course, because he is not grandmaster Jufan's opponent."

"Ah, you are right. How could a martial artist like him be the opponent of grandmaster Jufan?!"

"I'm sure grandmaster Jufan will beat him to death later."

"I think so too."

"And here, I thought he was strong. I don't know how could a martial artist like him dare to fight grandmaster Jufan in a one-on-one fight?"

One by one, Xiao Tian's enemies started to underestimate Xiao Tian because since Xiao Tian fought Jufan, all he did was only run and run.

"Shut up, bastard! It's a tactic, you know? Tactics!" one of the Blue Ice Lotus gang members was furious when they spoke ill of Xiao Tian.

"That's right." Another member added. "The winner of this fight has yet to be decided."

"What do you mean by saying the winner hasn't decided yet? All your leader does is run and run. I'm sure my Shifu will beat him to death later." one of Jufan's disciples said in a mocking tone as if the winner of the fight between Xiao Tian and Jufan had been decided.

Xiao Tian's underlings gritted their teeth. They wanted to talk back, but what Jufan's disciple said was true.

At this moment, Xiao Tian was still dodging Jufan's attacks. "What's wrong, Jufan? Why are your attacks so slow? Aren't you a martial artist at the grandmaster stage?"

"You! I will kill yo- cough." Before Jufan had finished his words, he coughed up blood.

"Eh! What's wrong? Why did grandmaster Jufan cough up blood?"

"I...I don't know."

"I didn't see Xiao Tian attacking grandmaster Jufan earlier."

"I also didn't see it."

Yahui's disciples and the others were shocked when they saw Jufan coughing up blood.

Zhao Sheng, who noticed it, laughed in his head.

'Haha. Now his strength is only at the mid-level master stage. You are doomed now, Jufan.'

Zhao Sheng was pleased when he found out that Jufan's strength had dropped by one level again. With this, the chances of Xiao Tian winning the fight were high.

Lan Ruoxi shifted her gaze from Xiao Tian to Zhao Sheng.

'If my memory isn't playing tricks on me, young master Zhao said that Jufan's strength would decrease by one level every time he coughed up blood. Does that mean his strength is now at the mid-level master stage?'

Lan Ruoxi then returned her attention to Xiao Tian.

Xiao Tian's lips curled into a grin.

'Now it's the right time to counterattack.'

Because Jufan had coughed up blood, Xiao Tian knew it was time to attack Jufan.

"Jufan, you always say that I only know how to run. Now, I will attack you!" After saying that, Xiao Tian started to attack Jufan.

Cut, hang, point, thrust. Xiao Tian attacked Jufan non-stop and from all directions.

Because Jufan's strength had dropped to the mid-level master stage, he could not avoid all of Xiao Tian's attacks like before.

'What is this? Why did he suddenly become faster? Not only that, but his attacks are heavier than before too.'

Jufan was shocked when Xiao Tian's movements suddenly became faster, and his attacks became heavier. Actually, all of this was because of the poison.

Jufan's body was getting weaker, and his movements also became slower. That was why he felt Xiao Tian getting stronger.

"Eh! What is this? Why did Xiao Tian suddenly have the upper hand?"

"I also don't know. Are my eyes playing tricks on me?"

"Didn't Xiao Tian only know how to run? Why did he suddenly become stronger?"

"What happened to grandmaster Jufan? How could Xiao Tian suddenly turn the tables?"

Jufan's disciples and the others were shocked when Xiao Tian suddenly had the upper hand in the fight. Previously, they were sure that Xiao Tian was not Jufan's opponent.

"Haha. As I said, there is no way our leader will lose the fight." Xiao Tian's underlings were thrilled when Xiao Tian had the upper hand in the fight. They were sure that Xiao Tian could defeat Jufan later.

Because Xiao Tian wanted to finish the fight immediately, he decided to use his secret move.

'Moon style sword of drawing techniques- second ceremony- Earth Breaker.'

Because Jufan's strength had dropped to the mid-level master stage, Xiao Tian was sure that he could defeat Jufan with the second secret move.

*Slash...Slash...Slash....

Like what Xiao Tian had guessed, Jufan was unable to block or avoid his attacks. Jufan's body was getting weaker and weaker, so he could not defend himself.

'No! This is impossible! There is no way he can defeat me.'

Jufan didn't want to admit it. He was a martial artist at the grandmaster stage, so there was no way Xiao Tian could defeat him.

*Fell...

Jufan fell on his knees. Arms, legs, chest, head. All parts of his body were bleeding.

After finishing his secret move, Xiao Tian was standing behind Jufan, back to back. He then walked towards Jufan and stood in front of him. "You have lost the fight, Jufan."

Chapter 713 - End Of The War

9-11 minutes

The expression of deep shock blossomed on everyone's faces. Jufan was a martial artist at the grandmaster stage, but Xiao Tian was still able to defeat him.

Of course, everyone found it hard to believe what they saw, especially Xiao Tian's enemies.

No matter how many times they tried not to admit it, but they were unable to deny what they were seeing.

"No! Impossible! This is impossible!"

"Yes. This is impossible! There is no way grandmaster Jufan lost the fight."

"You are right. I'm sure my eyes are playing tricks on me."

"Yes, yes. All of this is only an illusion."

All of Xiao Tian's enemies hoped what they were seeing was only an illusion. They rubbed their eyes, hoping the illusion would disappear immediately.

However, no matter how many times they rubbed their eyes, what they saw remained the same.

Like everyone, Yahui and Shuren were also shocked. Previously, they thought they would be able to escape later because they were sure that Jufan could beat Xiao Tian in a one-on-one fight. But the reality showed different things.

"Hahaha. Did you see that? Did you see that?"

"Your Shifu has lost the fight. It's our victory."

"As I thought, our leader would not lose the fight."

"Haha. Didn't all of you mock our leader earlier? Why don't you do it again?"

"Haha. Our leader is indeed the best person in the world. Your Shifu, who is a martial artist at the grandmaster stage, is even kneeling before our leader. Hahaha."

"Haha. What grandmaster? He is a loser!"

One by one, Xiao Tian's underlings mocked Jufan. They were thrilled because Xiao Tian could defeat Jufan.

Xiao Tian then turned his head to look at his underlings and spoke, "Immobilize them!"

"Yes, leader." Without waiting for another second, Xiao Tian's underlings did what they were told.

Because Jufan, Yahui, and Shuren had been defeated, Xiao Tian's enemies lost their fighting spirit. Their leaders had been defeated, so it was impossible for them to turn the tables.

Because of this, Xiao Tian's underlings could immobilize them easily.

"We won the war! Long live the Blue Ice Lotus gang."

"Long live the Blue Ice Lotus gang."

"Long live the Blue Ice Lotus gang."

"Long live the Blue Ice Lotus gang."

Xiao Tian's underlings cheered in joy. They even forgot that they were injured.

Lan Ruoxi, Zhao Sheng, Mu Huo, Chun Hua, and Ren Aoxu walked towards Xiao Tian.

"What are you going to do to them?" Lan Ruoxi inquired.

"I will imprison Jufan, Yahui, Shuren, and the instructors." At first, Xiao Tian wanted to imprison all of them, but he changed his mind after thinking for several seconds.

"What about the others?" Lan Ruoxi asked again.

"The others?! Just throw them away after breaking their legs." Xiao Tian gave an honest answer.

The expression of deep shock emerged on their faces.

'What?!'

Previously, Lan Ruoxi and the others thought Xiao Tian would imprison all of them and torture them later because it was what he did to his previous enemies.

Even though they said nothing, but Xiao Tian knew what they had in mind. "Don't look at me like that. It's just that they don't deserve to be in my prison."

Black lines formed on the forehead of Mu Huo, Lan Ruoxi, Zhao Sheng, Chun Hua, and Ren Aoxu.

'What kind of excuse is that?'

Those were the words that appeared in their minds.

Xiao Tian then looked at Chun Hua and spoke, "Chun Hua, go and treat people who are injured."

"Understood." After saying that, Chun Hua walked towards the Blue Ice Lotus gang members who were injured.

"I will help her." Ren Aoxu then followed her.

Several members of the Blue Ice Lotus gang, who only had minor injuries, immediately broke their enemies' legs and threw them.

Of course, they threatened their enemies first before returning to the base. After that, they imprisoned Jufan, Yahui, Shuren, and the instructors.

"This is the place where you will live from now on." Currently, Xiao Tian was standing in front of the prison where Jufan, Yahui, Shuren, and the instructors were being held.

Yahui and the others didn't say anything and only stared at Xiao Tian. They knew that whatever they said would be useless, so they decided not to say anything.

"Well, enjoy your life." After saying that, Xiao Tian walked away before he suddenly stopped his footsteps and turned around. "Ops! I forgot to tell you that my underlings like torturing people, so don't cry later. Haha."

Currently, the Hawk gang members were standing in the front yard. Even though many of them were heavily injured, but all of them wore happy expressions.

Yesterday, Xiao Tian had promised that he would release them if they helped him defeat Jufan and the others.

Now that they had defeated Jufan and the others, they hoped Xiao Tian would keep his promise because none of them wanted to live in the underground prison anymore.

'God please make the devil remember his promise. Don't let him change his mind.'

The Hawk gang members kept prying in their heads, hoping Xiao Tian would keep his promise later.

*Thump...Thump...Thump...

As Xiao Tian was walking closer towards them, their hearts beat faster as if something big would happen to them. Their eyes were focused on Xiao Tian, and none of them dared to make a noise.

*Walk....

Xiao Tian instantly stopped his footsteps when he was in front of the Hawk gang members. "I know what you have in mind. All of you are waiting for me to say something, right?"

At this moment, forty of Xiao Tian's underlings were standing behind him.

"Don't worry. I, Xiao Tian, am a man of my word." Xiao Tian spoke and paused for a second before he continued, "Not only will I release you, I will even let you rebuild your gang later."

The Hawk gang members were pleased after hearing Xiao Tian's remarks. One by one, they smiled happily.

Not only did Xiao Tian keep his promise, but he would also even allow them to rebuild their gang later. Actually, they were afraid earlier. They were afraid that Xiao Tian would forbid them to rebuild their gang.

Even though their leader had died, but they still wanted to rebuild their gang because the Hawk gang was already like their home.

"But before I release you, I want to tell you something important." Xiao Tian's expression suddenly changed into terrifying.

This scared the Hawk gang members.

Xiao Tian's underlings giggled happily when they saw the Hawk gang members trembling in fear.

"If you dare to cause trouble for me or my underlings again, I promise you that you will die in our prison and will get tortured every single day later." Of course, Xiao Tian would threaten them before releasing them because he didn't want them to cause trouble for him or his underlings again, "Do you understand?"

"We understood." The Hawk gang members answered in unison.

Even if Xiao Tian didn't threaten them, they would not dare to cause trouble to him again because they were afraid of him.

Xiao Tian and his underlings were cruel people who loved torturing their enemies, so of course, they would stay away from them later.

"You can leave now!" Xiao Tian didn't want to see their faces anymore. That was why he told them to leave immediately.

"Thank you." the Hawk gang members spoke in unison.

"Mother, I finally got out of that hellish place."

"God, thank you for giving me another chance to breathe fresh air."

"I can't believe it. I'm free."

Due to how happy they were, some of them cried. They even forgot that they were injured.

Xiao Tian then turned around to look at his underlings, "Today was a tiring day for us, but we won the war!"

"We won the war!" Xiao Tian's underlings shouted happily.

A soft smile spread across his face when Xiao Tian saw his underlings.

'Thank you.'

Xiao Tian knew, without his underlings, he would not be able to defeat his enemies.

Xiao Tian then raised his right hand, giving them a signal to stop shouting. "After the others recover from their injuries, we will have a huge party later."

Xiao Tian's underlings were even happier after hearing his remarks.

"Ho! Party!"

"Party."

"Party!"

They really loved having a party with Xiao Tian because it could always bring them happiness.

"Alright, all of you can relax now." Xiao Tian uttered.

Xiao Tian's underlings instantly sat on the ground and began to talk with each other.

"Hey, I beat ten people earlier. What about you?"

"I beat twelve people earlier."

"Haha. I beat more people than you two then."

"How many people did you beat earlier?"

"Fifteen people."

"Damn! If only we didn't stop fighting earlier, I would have beat more than fifteen people."

"Me too."

Some of them talked about how many people they beat, and some of them chatted about what they should buy for the party later.

"So, what are you going to do now? Do you want to go to your luxurious house now?" Lan Ruoxi inquired.

"Look at my face!" Xiao Tian replied as he pointed his right index finger at his face. "There are many bruises and blood on my face so there is no way I will go home with a face like this."

Xiao Tian was sure that his women would be sad if they saw his face. That was why he decided not to go to his mansion.

"Hehe. You are right." Lan Ruoxi giggled after hearing his words. "Wait! Maybe I should take a picture of you now so that I can make fun of you later."

Xiao Tian's lips twitched.

'What?! You want to take a picture of me now?! Hell no.'

Xiao Tian said in his head.

Chapter 714 - Going Home

9-11 minutes

Lan Ruoxi knew that Xiao Tian didn't want her to take a photo of him because, in his view, it could ruin his good image.

But suddenly, a good idea appeared in her mind. With that idea in mind, Lan Ruoxi placed her left arm on Xiao Tian's right shoulder and spoke, "How about we take a photo together? With this, we will always be able to remember that today, we have won the war against three martial arts schools."

Because Lan Ruoxi kept wanting to take photos together, Xiao Tian then whispered in her left ear. "Sure. I agree to take a photo together, but I want us to take a nude photo."

Lan Ruoxi instantly walked towards Zhao Sheng and spoke, "Young master Zhao, young master Xiao said he wanted to take a nude photo with me. You have to stop him, or else, he will force me to take my clothes off later."

The corner of Xiao Tian's lips twitched after hearing her words.

'How could you say something like that? And what do you mean by saying I will force you to take off your clothes later? You are much stronger than me, so it's impossible for me to do that. if I could, I would have done that sinc- wait. I mean there is no way a gentleman like me would do something like that.'

Xiao Tian really wanted to punish Lan Ruoxi for slandering him, but he knew that he could not do that.

Mu Huo opened his mouth widely after hearing Lan Ruoxi's remarks.

'What?! Did he really say something like that? He is really something.'

Those were the words that appeared in his mind.

Zhao Sheng instantly looked at Xiao Tian and pointed his right index finger at Xiao Tian. "Damn you, Xiao Tian! How could you have a dirty mind when your face is covered in bruises and blood? And if you want to take a naked picture with big sister Ruoxi, you should invite me too."

Xiao Tian was startled by Zhao Sheng's words. "Haha. Sure, sure. Let's force her to take a naked picture with us."

"I agree." Zhao Sheng answered instantly.

Black lines formed on Lan Ruoxi's forehead after hearing their words.

After Xiao Tian, Zhao Sheng, and Lan Ruoxi chatted with Xiao Tian's underlings for about two hours, they went home.

"Ahhh. Finally, everything is over." After saying that, Xiao Tian sat on the couch.

"This is quite an exciting adventure." Zhao Sheng, who sat on Xiao Tian's right side, uttered, "What a pity. Now our adventure is over. I really don't want this to end. Sigh."

"Young master Zhao, are you sure about it?" Lan Ruoxi, who was sitting on Xiao Tian's left side, inquired, "Are you not afraid your family will beat you up if you still want to continue our adventure?"

"Oh, Shit!" Zhao Sheng cursed instantly after hearing her words. "Now that you mention it, I suddenly don't want to go home. I'm sure they are furious now and will force me to practice martial arts harder than before. Sigh."

Ever since Zhao Sheng left home, he was always happy because no one forced him to practice martial arts. Except for his mission, Zhao Sheng spent his time lazing around and playing games in his room.

It had been a long time since he was able to laze around and do whatever he wanted. That was why he wanted them to continue their adventure.

"By the way, lady Lan. Why don't you have any wounds? Both Zhao Sheng and I have many injuries but you have no injury as if you didn't participate in the war earlier. Just how strong are you?" Xiao Tian asked curiously.

He knew that they had poisoned Yahui, but defeating Yahui without getting any injury was something he never expected.

Of course, Xiao Tian knew that Yahui's strength had dropped to the high-level master stage, but still, what she did was absolutely amazing.

Instead of answering, Lan Ruoxi inquired, "How strong do you think I am?"

Xiao Tian touched his chin and replied, "High-level master stage?"

Lan Ruoxi didn't answer and only giggled.

'Hehe. It seems like he is really curious about my strength.'

Lan Ruoxi had no intention of telling him about how strong she was because, in her view, it was not the right time to say that.

"Wait! Don't tell me. You are already at the grandmaster stage?!" Xiao Tian suddenly thought that Lan Ruoxi was a martial artist at the grandmaster stage.

"Secret!" Lan Ruoxi responded as she winked her left eye.

The corner of Xiao Tian's lips twitched.

'Damn! She still doesn't want to tell me how strong she is.'

Xiao Tian had asked her many times, but Lan Ruoxi never answered his question. Because she was stronger than him, Xiao Tian could not force her to tell him about it.

Zhao Sheng suddenly rose from the couch and spoke, "I want to take a shower first. After that, how about we play a game together again?"

Even though he was injured, Zhao Sheng didn't care and still wanted to play a game with Lan Ruoxi and Xiao Tian.

"Sure." at first, Xiao Tian wanted to refuse, but when he saw Zhao Sheng's expression, he changed his mind.

"Good. This time, I will kill more than you. Haha." after saying that, Zhao Sheng walked towards the bathroom.

"It seems like he is addicted to games now." Xiao Tian uttered, "I hope his father and grandfather won't find out about his new hobby later."

Xiao Tian was the one who introduced the game to Zhao Sheng, so he was sure that Zhao Sheng's family would be angry with him if they found out about it.

"You are right. Lately, I often saw him playing a game." Lan Ruoxi had the same thoughts as Xiao Tian.

After Zhao Sheng finished taking a bath, they played games for about two hours before stopping.

Time went by quickly, and without realizing it, it had been six days since Xiao Tian imprisoned Jufan and the others.

In the last six days, Xiao Tian, Zhao Sheng, and Lan Ruoxi only spent time at home. They only went out of the house once, and it was when they wanted to have a party with Xiao Tian's underlings. Other than that, they didn't go anywhere.

At this moment, Xiao Tian was pleased because he would finally be able to meet his women.

'Finally, I can spend time with them again later.'

Xiao Tian suddenly wanted to see and embrace his women immediately.

Unlike Xiao Tian, Zhao Sheng had a worried expression. "I hope my grandfather won't do anything to me later."

"Haha." Lan Ruoxi and Xiao Tian laughed after hearing his words.

"Shut up!" Zhao Sheng shouted as he pointed his index finger at Xiao Tian and Lan Ruoxi.

After dropping Zhao Sheng at his house, Xiao Tian immediately sent Lan Ruoxi home.

When they reached their destination, Xiao Tian instantly stopped Lan Ruoxi from getting out of the car.

"Lady Lan, thank you for helping me."

"Don't mind it." Lan Ruoxi replied as she smiled.

"I will come again tomorrow." Xiao Tian uttered.

"I will be waiting." After saying that, Lan Ruoxi got out of the car and entered her bar.

Then Xiao Tian went home.

After Xiao Tian got out of the car, he immediately entered his house. "I'm home."

Liu Ning, Shi Fei, Ye Qingyu, and Ye Xueyin, who were in the family room, instantly rose from the couch.

"Tian'er has returned home." Liu Ning was pleased when she found out that Xiao Tian had returned home.

Not only Liu Ning, but Shi Fei, Ye Qingyu, and Ye Xueyin were also delighted. Without waiting for another second, they walked towards the guest room.

When they saw Xiao Tian, they instantly stopped their footsteps. Like them, Xiao Tian also did the same thing.

"I'm home." Xiao Tian smiled softly.

Shi Fei instantly dashed towards him and jumped into his arms. "Little brother."

Xiao Tian instantly caught Shi Fei. At this moment, Liu Ning walked closer to him.

After putting Shi Fei down, Xiao Tian spread his arms and spoke, "Ning'er, come here and let me hug you."

Because Liu Ning also desired to embrace him, she immediately did what she was told.

"I miss you, Ning'er." Xiao Tian hugged Liu Ning tighter.

"I miss you too." Liu Ning responded.

'Thank you, God, for protecting my lover.'

Liu Ning added in her head.

At this time, Ye Qingyu and Ye Xueyin remained in their places. Of course, they also desired to hug Xiao Tian, but they were afraid that Liu Ning and Shi Fei would get suspicious later. For this reason, they only stared at him.

Xiao Tian then turned his head to look at his mother and aunt. When he saw their expressions, he instantly stopped the hug and walked towards them.

Hugging each other for family members was normal, so Xiao Tian instantly embraced his aunt. "I'm home, aunt."

"Welcome home." Ye Qingyu responded as she smiled softly.

Because Xiao Tian knew that his mother wanted a hug too, he immediately embraced her. "I miss you, mother."

"I miss you too, Tian." Ye Xueyin hugged him tighter. Because she really missed him, tears suddenly fell down her soft cheeks.

When Liu Ning and Shi Fei saw Ye Xueyin crying, they didn't have the slightest suspicion. It was normal for a mother to miss her son like that.

Then they headed to the family room. Because Liu Ning and the others wanted to know what happened to him, they asked him many questions.

Of course, Xiao Tian answered all of their questions. This time, he also told them the truth. They chatted until 11:00 pm before finally, they went to their rooms.

'Huft. Finally, I can sleep on my soft bed again.'

Currently, Xiao Tian was lying down on the bed.

*Knock...Knock...Knock...

Suddenly someone knocked on his door.

Chapter 715 - Coming To Xiao Tian's Room

9-11 minutes

When Xiao Tian heard someone knocking on his door, he instantly got out of the bed. "Wait a second."

Even though Xiao Tian knew the person who knocked on the door was one of his women, he had no idea who she was.

When Xiao Tian opened the door, he saw a gorgeous lady wearing a grey nightgown "Mothe-"

Before Xiao Tian had finished his words, Ye Xueyin embraced him tightly. Even though they had spent time together for more than two hours earlier, Ye Xueyin still desired to spend time with him.

She knew what she did was dangerous, but she could not hold back her desire anymore. That was why she decided to head to his room.

"Come in." it would be dangerous if Shi Fei or Liu Ning saw them because Xiao Tian knew the reason why she came to his room.

After Xiao Tian shut the door, he instantly locked it. He also desired to spend time with her. That was why he didn't want their time to get disturbed later.

"Tian..." Ye Xueyin embraced Xiao Tian again.

At first, Xiao Tian wanted to stop the hug immediately because he wanted them to sit on the bed, but after seeing her behavior, he decided to change his mind.

*One second...two seconds...three seconds...four seconds...

Without realizing it, it had been fifty seconds since Ye Xueyin embraced him, but she showed no sign of stopping.

At this moment, Xiao Tian wanted to stop the hug, but he was afraid that he would make Ye Xueyin sad.

Of course, Ye Xueyin knew that Xiao Tian wanted to stop the hug because she had been hugging him for quite a long time.

However, since she hadn't seen him for several days, she still wanted to hug him. She didn't want to be apart from him for even a second.

Xiao Tian smiled softly before moving his hands from her waist to her butt.

His actions much surprised her. Ye Xueyin thought Xiao Tian was aroused. That was why she lifted her head slightly to look at Xiao Tian's face.

Of course, she would welcome it happily if Xiao Tian wanted to have sex with her because before coming to his room, she had prepared herself.

At this moment, Ye Xueyin was sure that Xiao Tian would lift the hem of her nightgown and feel his butt directly.

To her surprise, what Xiao Tian did was different from what she thought. Instead of playing with her butt directly, Xiao Tian lifted her body.

'Oh! So, he wants to carry me.'

Ye Xueyin had no idea as to why she was suddenly disappointed. Because Xiao Tian was carrying her, Ye Xueyin instantly wrapped her long slender arms around his neck.

Without waiting for another second, Xiao Tian walked towards his bed and sat on the edge of the bed. "Do you want to sleep with me tonight?"

Even though Ye Xueyin didn't answer his question, but she nodded her head, giving him a sign that she wanted to sleep with him.

Seconds turned into minutes, and without realizing it, it had been five minutes since Xiao Tian sat on the bed.

At this moment, they remained in the same position; Ye Xueyin was still hugging him while sitting on his lap.

Xiao Tian then cupped her face and kissed her forehead. Of course, Xiao Tian also wanted to kiss her pretty pink lips, but he decided to kiss her forehead because he wanted to show her that he missed her.

To his surprise, Ye Xueyin instantly pressed her lips against his when Xiao Tian stopped the kiss.

Actually, Ye Xueyin wanted to kiss him since Xiao Tian returned home, but because Shi Fei and Liu Ning were with them, she could not do that.

That was why when Xiao Tian kissed her forehead, she instantly pressed her lips against his.

'Tian, I love you so much.'

Ye Xueyin voiced out her feelings in her head.

*One second...two seconds...three seconds...four seconds...

It had been forty seconds since Ye Xueyin kissed Xiao Tian, but she was still pressing her lips against his as if she wanted to keep kissing him.

Like before, Xiao Tian was hesitating again. He had no idea what to say to make her stop. Since earlier, what she did was weird.

First, she hugged him for several minutes without saying anything. Second, she had been kissing him for several seconds without showing any signs of stopping.

Sure, he knew what she was feeling. But he'd prefer it if they chatted while cuddling. For this reason, Xiao Tian stopped the kiss, "Mothe-"

However, the moment Xiao Tian broke the kiss, Ye Xueyin instantly kissed his lips again as if she could not live without kissing his lips.

This left Xiao Tian speechless.

'Mother, what are you doing?'

Like before, Xiao Tian broke the kiss again. However, Ye Xueyin did the same thing.

'Sigh. What should I do now?'

Xiao Tian really had no idea what to do.

'Well, because you really want to kiss me, let's just have a French kiss.'

With that in mind, Xiao Tian tried to put his tongue in her mouth.

To his surprise, when Xiao Tian did that, Ye Xueyin instantly opened her little mouth. But what surprised him most was that she immediately wrapped her tongue with his as if she was aroused and desired to kiss him passionately.

As Xiao Tian and Ye Xueyin were having a deep kiss, someone suddenly knocked on the door. This made Ye Xueyin instantly stop the kiss.

"Tian..." Ye Xueyin wore a terrified expression because she thought the person who knocked on the door was either Shi Fei or Liu Ning.

Of course, Xiao Tian still had a calm expression because all of them were his women.

"Tian, open the door. It's me, your aunt." Ye Qingyu's voice could be heard from the opposite side of the door.

"Sigh." Ye Xueyin let out a sigh of relief when she found out that the person who knocked on the door was her younger sister.

"It's aunt. I want to open the door first." Xiao Tian then put his mother on the bed.

*Click...

Xiao Tian opened the door. Unlike Ye Xueyin, who instantly hugged Xiao Tian the moment Xiao Tian opened the door, Ye Qingyu did nothing and just stayed where she was while looking at him.

Because Xiao Tian didn't open the door completely, she had no idea that her older sister was in his room.

After skimming his surroundings, Xiao Tian instantly placed his hands on her butt and lifted her.

Even though his actions much surprised her, Ye Qingyu said nothing and instantly wrapped her arms around his neck.

*Click...

Xiao Tian closed the door and locked it again.

"Big sis, you are already here?" actually, Ye Qingyu had guessed that her big sister would come to Xiao Tian's room. She just didn't expect that her big sister would come to his room faster than her.

"Qingyu..." Ye Xueyin smiled at her younger sister.

After putting Ye Qingyu next to Ye Xueyin, Xiao Tian kissed Ye Qingyu's forehead. Then they sat on the bed with their backs leaning against the headboard.

"It has been quite a while since the three of us spend time together like this." Xiao Tian suddenly remembered the time when they were still living in their old house.

At that time, almost every night, they spent time together before sleeping. Now that they lived with Shi Fei and Liu Ning, it was hard for them to spend time together again.

"You are right." Ye Xueyin also missed a time when they could spend time together whenever they wanted.

Actually, she wanted to force Xiao Tian to tell Liu Ning and Shi Fei about their relationship quickly because she didn't want to hide their relationship anymore.

However, every time she was about to say it, she felt as if the words were stuck in her throat. She knew that it was not easy for Xiao Tian to do that, and there was nothing she could do either.

Xiao Tian then held their hands and spoke, "I will try to tell them tomorrow."

"Really?" Ye Qingyu and Ye Xueyin were surprised after hearing his remarks.

"Yes." Xiao Tian replied as he nodded his head.

"What if they don't accept our relationship later?" Ye Qingyu inquired, "What will you do?"

"I don't know. But I hope they won't leave me later." one of the reasons why Xiao Tian still hadn't told them about his relationship with his mother and aunt was that he was afraid that Liu Ning and Shi Fei would leave him after learning the truth.

He loved them so much and wanted to live with them forever. That was why he was so scared every time he tried to tell the truth.

However, Xiao Tian knew that he could not make his mother and aunt wait any longer because it would hurt them even more.

Ye Qingyu and Ye Xueyin were happy and scared at the same time. They were pleased because Xiao Tian finally would try to tell Shi Fei and Liu Ning about their relationship.

But they were also afraid because if Shi Fei and Liu Ning didn't accept their relationship and left him, Xiao Tian would be angry at them.

They didn't want Xiao Tian to hate them because they loved him so much. "Tian. we..."

Before they had finished their words, Xiao Tian interrupted them. "Don't say anything. I should have told them about our relationship a long time ago, but I'm a coward. Because of my cowardice, I keep hurting your feelings."

"No. You are not a coward because we know our relationship is taboo." Ye Xueyin and Ye Qingyu replied in unison.

"Don't say that." Xiao Tian replied, "Let's just hope they will accept our relationship later."

"Un." Ye Qingyu and Ye Xueyin nodded their heads.

Chapter 716 - Going On A Date With Lin Xing Xue

8-11 minutes

Xiao Tian then chatted with his mother and aunt until 1:00 am before finally they slept. Of course, Ye Qingyu and Ye Xueyin slept while hugging his arms.

At 04:20 am, Xiao Tian woke up. A soft smile spread across his face when he saw his mother and aunt.

'It seems like they are having a good dream.'

Xiao Tian then kissed their foreheads. At first, Xiao Tian wanted to go back to sleep immediately but suddenly changed his mind.

'How can I tell Ning'er and Fei about our relationship? Should I use that method?'

Actually, Xiao Tian had one method he could use to find out whether Shi Fei and Liu Ning could accept their relationship or not.

'It's decided. I will use that method later.'

After thinking for several minutes, Xiao Tian decided to use that method.

'My beautiful aunt is sleeping deeply.'

Xiao Tian suddenly desired to hug his aunt. He tried his best to hold back his desire because he didn't want to wake her up, but the desire within him was too big, causing Xiao Tian to be unable to hold back his desire.

For this reason, Xiao Tian removed his right arm from his mother's embrace and placed his aunt on top of him.

His actions made Ye Qingyu wake up. She spoke in a sleepy tone without opening her eyes, "Tian, what is it?"

Xiao Tian wrapped his arms around her waist and responded, "Nothing. I only want to hug you while sleeping."

"Alright." Because Ye Qingyu was still sleepy, she slept again.

As Ye Qingyu was sleeping, Xiao Tian rubbed her hair gently and looked at her with a loving expression.

'Aunt, I love you. I really do.'

Due to how comfortable it was to hug Ye Qingyu while lying down on the bed, Xiao Tian fell asleep again.

Seconds turned into minutes, and without realizing it, fifty minutes had passed since Ye Qingyu slept on top of Xiao Tian.

Xiao Tian slowly opened his eyes. He was a little surprised when he found out that Ye Qingyu had woken up.

"Oh! You are already awake?!" Ye Qingyu uttered,

"Good morning, my beautiful lover." Xiao Tian smiled softly, "How long have you been up?"

"Fifteen minutes ago." Ye Qingyu gave an honest answer.

Because Xiao Tian didn't see his mother, he inquired, "Where is mother?"

"She has returned to her room." previously, Ye Qingyu also had the intention to return to her room but suddenly changed her mind.

It had been a long time since she could sleep on top of him, so she didn't want it to end so quickly. She still wanted to feel the warmth of his body.

"I see." Xiao Tian was startled upon hearing her words because he knew that his mother loved sleeping with him.

'I'm sure it's because she doesn't want Shi Fei or Liu Ning to know that she slept in my room earlier.'

Xiao Tian suddenly felt guilty towards Ye Xueyin.

'I have to tell Ning'er and Fei about our relationship as soon as possible, so that aunt and mother don't have to sneak up if they want to sleep with me.'

Xiao Tian's unanimous determination grew even greater.

"So, why are you still in my room?" Xiao Tian inquired.

"Because I still want to sleep with you." like before, Ye Qingyu gave an honest answer.

Xiao Tian's face broke into a smile after hearing her remarks. "If so, then let's sleep until breakfast is ready."

"No. We can't do that. I have to go to the kitchen in a few minutes." it would be dangerous to keep sleeping in his room. That was why Ye Qingyu refused instantly.

"Then. It can't be helped." Xiao Tian knew that he could not force her to sleep with him until breakfast was ready because it was too risky.

Ye Qingyu then stared at Xiao Tian before cupping his face and kissing his forehead. "If you want, we can sleep together again tonight."

Xiao Tian didn't answer and only nodded his head, giving her a sign that he agreed.

At this moment, Ye Qingyu's eyes were focused on his black eyes. After looking at his eyes for several seconds, she slowly shut her eyes and pressed her lips against his.

Because Ye Qingyu suddenly kissed him, Xiao Tian decided to take advantage of the situation. With this idea in mind, Xiao Tian tried to put his tongue in her mouth.

Ye Qingyu, who had guessed that he would do that, instantly opened her mouth and let his tongue enter her little mouth.

Soon, they had a passionate kiss for more than a minute. After Ye Qingyu broke the kiss, she instantly rested her head on his chest again.

'His cock is erect. Is this because of what we did earlier? Or is this because of his morning wood?'

Ye Qingyu felt something hard pressing on her stomach. However, she pretended as if she didn't know anything.

Then Xiao Tian hugged her again. They remained in the same position for several minutes before finally, Ye Qingyu went to the kitchen to cook breakfast with the others.

After having breakfast with his women, Xiao Tian traveled to Star Clothes company because it had been a long time since he came to his Star Clothes company.

However, when Xiao Tian was about to enter his office, a voice suddenly rang out. "Tian..."

Xiao Tian instantly turned around. When he saw Lin Xing Xue, he smiled softly, "Hi. It's been a while since we last met. How are you?"

Lin Xing Xue then walked closer towards Xiao Tian before stopping in front of him. "When did you come back?"

Shi Fei told her that Xiao Tian went on a business trip. She still had no idea that Shi Fei lied to her. Actually, Shi Fei didn't want to lie to her, but because at that time, Xiao Tian was facing a big problem, Shi Fei had no choice but to do that. Shi Fei was sure if Lin Xing Xue met Xiao Tian, her life would be in danger.

"Last night." Xiao Tian gave an honest answer.

"I know I should not say this during work time, but would you like to go somewhere with me now?" Lin Xing Xue inquired, "It has been quite a while since I last saw you, so I want to spend some time with you now. I hope you can understand my feelings."

In order to be his woman again, Lin Xing Xue knew that she had to be aggressive because Xiao Tian wouldn't try to court her if she didn't do anything.

"Sure." at first, Xiao Tian wanted to refuse, but after thinking for several seconds, he changed his mind.

"Good. I will be right back." Lin Xing Xue dashed to her office to grab her wallet.

After that, they went to a nearby cake shop. At first, Lin Xing Xue wanted to choose a private room so that she could lovey-dovey with him, but after finding out that there were only a few people in the regular room, she changed her mind.

Even though the room was not big, but it was a comfortable place for lovers to be lovey-dovey. There were several sofas arranged facing each other on their left side, with wooden tables in the middle of it.

On their right side, several wooden tables were neatly arranged. Each table had two Windsor chairs. Because Lin Xing Xue wanted to sit by the window, she dragged Xiao Tian to sit on the sofa.

Not long after that, one of the waitresses came with their orders. Previously, Lin Xing Xue ordered a strawberry cake and lemon tea. As for Xiao Tian, he requested chocolate cake and lemon tea.

After putting their orders on the table, the waitress immediately left.

"Do you often come here?" Xiao Tian inquired.

Currently, Xiao Tian was sitting on the opposite side of Lin Xing Xue.

"No. This is the second time I have come here. A few days ago, I came to this shop with my female friend." Because Lin Xing Xue didn't want Xiao Tian to misunderstand, she told him that she came with her female friend.

Xiao Tian could not help but laugh after hearing her words. "Hehe."

Because Lin Xing Xue wanted to lovey-dovey with him, she rose to her feet and sat next to him.

Even though her actions much surprised him, Xiao Tian didn't show it on his face and only smiled softly at her.

"Tian, try this cake. It's tasty." Lin Xing Xue tried to feed Xiao Tian her cake.

"I would rather eat you than your cake. Hehe." Xiao Tian said jokingly.

"You can eat me later, but try eating this cake first." They had had sex many times, so Lin Xing Xue didn't mind it if he wanted to do it again with her later.

She had promised herself that she would do anything to get back with Xiao Tian, including having sex with him.

Xiao Tian instantly consumed the cake. "This cake is delicious, but not as delicious as you. Hehe."

"It seems like you're still the same pervert boy I know." Lin Xing Xue knew Xiao Tian's personality well. That was why she didn't take his words seriously. "Here. Eat the cake again."

Xiao Tian did what he was told and consumed the cake. "Why don't you eat the cake?"

"I will eat it too." After saying that, Lin Xing Xue ate her cake.

As she was consuming her cake, her face blossomed into a smile. She was thrilled because she finally could spend time with Xiao Tian again.

Xiao Tian rubbed her hair gently and smiled softly. But the two of them suddenly stopped smiling and looked into each other's eyes.

Chapter 717 - Meeting Nalan Jiangge Again

9-11 minutes

*Thump...Thump...Thump...

Lin Xing Xue's heart beat faster every second when Xiao Tian's eyes were focused on hers.

'Is he going to kiss me now?'

Even though they were inside the shop and several people were near them, Lin Xing Xue didn't care about it.

Because it was a shop for lovers, it was normal for a couple to kiss there. As long as they only had a normal kiss, no one would stop them.

Lin Xing Xue opened her mouth a little and slowly shut her eyes as if she was giving him a sign to kiss her.

At first, Xiao Tian had no intention of kissing her, but when he found out that she wanted a kiss, Xiao Tian slowly brought his face to hers and kissed her lips.

Xiao Tian knew that he would hurt her feelings if he didn't kiss her because she would think that she had no place in his heart again later.

Even though his love for Lin Xing Xue was not as big as before, but Xiao Tian still had feelings for her.

'She is really cute when she is like this.'

Xiao Tian didn't close his eyes and stared at her shutting eyes.

Because Xiao Tian knew that French kiss was forbidden, he broke the kiss. He was afraid that he would kiss her passionately if he didn't stop.

Lin Xing Xue then pointed her right index finger at Xiao Tian's cake and spoke, "Can you feed me your cake now?"

Actually, Lin Xing Xue didn't want his cake. She just wanted him to feed her. It had been a long time since Xiao Tian fed her again. That was why she said something like that.

Xiao Tian smiled softly before feeding her. "Here, try it."

Without waiting for another second, Lin Xing Xue consumed the cake.

Xiao Tian pinched her cheeks gently and spoke, "You are really cute when behaving like this."

Lin Xing Xue smiled happily. She really loved it when Xiao Tian praised her.

"Here. Eat again." Xiao Tian fed Lin Xing Xue again.

After Lin Xing Xue consumed the cake, she hugged his right arm and stared at his eyes. "Tian, I love you."

Xiao Tian didn't answer, but a soft smile spread across his face.

"I just want you to know that I want to get back with you and will wait for you to accept me fully again."
Lin Xing Xue voiced out her feelings. "I really want us to go back to the way we were before."

Wanhui district, Yun's family house.

Inside the big, luxurious house, a woman in her mid-forty was standing in the family room. She clenched her fists, and her eyes were filled with the flames of fury.

From her expression, anyone could tell that she was enraged. That woman was none other than Nalan Jiangge, Yun Xin Er's mother.

'Useless! All of them are useless! I need to think of another way to teach him a lesson so that he won't get close to my daughter again.'

Nalan Jiangge was furious when she learned nothing had happened to Xiao Tian. Actually, she was the mastermind behind everything that happened to Xiao Tian lately.

She hated it when she found out Xiao Tian still had a special relationship with her daughter because, in her view, Xiao Tian didn't deserve her daughter.

The hatred in her heart grew bigger when Xiao Tian behaved rudely and injured her hands a few days ago.

That was why she always wanted to teach him a lesson so that Xiao Tian would know his place and would not meet her daughter again.

When she learned that Ren Aoxu was Xiao Tian's junior brother, she suddenly had an excellent idea. She then began to gather information about Ren Aoxu.

When she found out that Guzuo had enmity with Ren Aoxu, she immediately met Guzuo and told Guzuo to beat Ren Aoxu. Of course, she gave Guzuo money too.

With this, she knew that Xiao Tian would get involved in their fight. If Ren Aoxu lost the fight, she told Guzuo to break Ren Aoxu's arms.

With Xiao Tian's personality, she was sure that Xiao Tian would take revenge for Ren Aoxu. If Guzuo lost the fight, she told him to bring his senior to beat Ren Aoxu. Whatever happened, Guzuo had to beat Ren Aoxu severely.

Nalan Jiangge knew that Xiao Tian was the leader of a gang, so if Guzuo beat Ren Aoxu severely, Xiao Tian would bring his underlings to wreak havoc at the Hakken martial arts school.

She didn't care whether Xiao Tian would succeed in beating Guzuo or not because the moment Xiao Tian brought his underlings to the Hakken martial arts school, they would become enemies.

Nalan Jiangge didn't care even if Xiao Tian was the leader of a gang because, from her point of view, the Hakken martial arts school would beat Xiao Tian and destroy his gang.

There were several reasons why Nalan Jiangge could be sure that the Hakken martial arts school could destroy Xiao Tian's gang.

First, the Hakken martial arts school had many instructors and disciples who were skilled in martial arts. Second, their Shifu was a martial artist at the grandmaster stage. Third, their Shifu had best friends who would help him in anything.

Nalan Jiangge was sure whatever Xiao Tian did, he was doomed. With this, she could teach Xiao Tian a lesson without the need to intervene.

At that time, she believed that her plan was flawless. But she didn't expect that Xiao Tian would win the war against three martial arts schools.

This was the reason why she was enraged. She didn't expect it would be so difficult to teach Xiao Tian a lesson.

Today, she just returned to Shanghai. That was why she wanted to teach Xiao Tian a lesson again.

'Wait! I have found a good idea!'

After thinking for several minutes, Nalan Jiangge suddenly found an excellent idea to teach Xiao Tian a lesson.

With that idea in mind, she went out.

'I hope everything goes according to plan later.'

Currently, Xiao Tian was sitting on the couch in his office. After going on a date with Lin Xing Xue, Xiao Tian returned to Star Clothes company.

'I suddenly want to see Ning'er.'

With that in mind, Xiao Tian called Liu Ning and told her to come to his office.

*Knock...Knock...Knock...

Liu Ning immediately knocked on the door after she reached Xiao Tian's office. "Tian'er..."

"Come in. The door isn't locked." Xiao Tian uttered.

After Liu Ning entered his office, she immediately closed the door. "Do you need anything?"

"No. I only want to lovey-dovey with you." Xiao Tian patted his thighs. "Come here and sit between my legs."

With a smile on her face, Liu Ning walked closer to Xiao Tian. She then sat between his legs with her back facing him. "Why do you suddenly want to lovey-dovey with me?"

Xiao Tian wrapped his arms around her waist and placed his head on her right shoulder. "Why are you asking this question? Is it strange if I want to be lovey-dovey with my lover?"

At this moment, Xiao Tian was lying. When he remembered that he would try to tell her about his relationship with his mother and aunt, Xiao Tian suddenly felt afraid.

He was scared that Liu Ning would look at him in disgust and leave him later. "Ning'er, I really want to live with you forever. You won't leave me, right?"

His words much surprised her. Liu Ning had no idea as to why Xiao Tian suddenly said something like that.

"What's wrong? Did something happen?" Liu Ning was sure that something had happened to Xiao Tian because usually, Xiao Tian would immediately tease or seduce her. "Do you have an enemy again?"

"No." Xiao Tian answered instantly.

Liu Ning put her hands in his and responded, "As long as you keep loving me, care about me and always spend time with me, I won't leave you."

"I will remember it." Xiao Tian uttered.

After spending time with Liu Ning for a few minutes, Xiao Tian went out to buy something. But suddenly, his smartphone rang, indicating he received a message.

When Xiao Tian found out the person who sent him the message was Yun Xin Er, he immediately read it.

[Come to my house now. I will be waiting.]

The corner of Xiao Tian's lips twitched after reading the message.

'She seems like my boss who is giving me an order now.'

Because Xiao Tian also had promised to meet her as soon as he resolved his problem, he went straight to her house.

After Xiao Tian got out of the car, he immediately knocked on the door.

*Knock...Knock...Knock...

Not long after that, a maid opened the door. "Miss Yun is waiting in the backyard right now."

"Oh! Please bring me there." Xiao Tian uttered.

Then the maid guided Xiao Tian to the backyard. Even though Xiao Tian had come to Yun Xin Er's house several times, but he was never in the backyard.

The backyard was huge, with a swimming pool and a few palm trees. After that, the maid left.

'Where is big sister Yun?'

Because Xiao Tian didn't see Yun Xin Er, he turned his head to the left and right. He tried to find her but his efforts were in vain.

'Something is not right.'

Currently, Xiao Tian was standing near the pool.

'Don't tell me.'

Xiao Tian suddenly thought that it was Nalan Jiangge who sent the message to him.

And what he had guessed was right because when Xiao Tian was about to look for Yun Xin Er, suddenly Nalan Jiangge appeared behind him. "We meet again, Xiao Tian."

Chapter 718 - Releasing Yun Xin Er

9-11 minutes

Nalan Jiangge crossed her arms over her chest. Behind her, there were ten martial artists at the low-level master stage.

Even though she knew that Xiao Tian was skilled in martial arts, she was sure that Xiao Tian would not be able to beat ten martial artists at the low-level master stage.

*Boom...

An aura of anger exploded from Xiao Tian's body. His eyes were filled with flames of fury. However, Nalan Jiangge and the others could not sense his aura.

'I have fallen into her trap!'

Xiao Tian didn't expect that he would fall into her trap. Previously, he thought he would be able to lovey-dovey with Yun Xin Er, but he was wrong.

Not only was he unable to do that, he even fell into Nalan Jiangge's trap.

'Where is big sister Yun?'

"I have told you many times not to meet my daughter again, but you keep ignoring my words." Nalan Jiangge spoke and paused for a second before she continued, "How many times do I have to tell you that you are not worthy of my daughter? Because you always ignored my words, I have decided to teach you a lesson. With this, you will know your place!"

At this moment, Xiao Tian still said nothing and only stared at Nalan Jiangge.

Because Nalan Jiangge wanted to beat Xiao Tian immediately, she pointed her right index finger at him and spoke, "Beat him to death!"

Without waiting for another second, ten people who were standing behind her, dashed towards Xiao Tian.

Actually, it was easy for Xiao Tian to beat them, but because he didn't bring his sword, it was hard to defeat them.

One of them immediately threw out his fist at Xiao Tian's head. However, Xiao Tian was able to dodge and counterattack.

They attacked Xiao Tian non-stop. Even though Xiao Tian was skilled in martial arts, he could not dodge or block all of their attacks. As a result, he was hit by their kicks and fists several times.

'This is annoying!'

Previously, Xiao Tian tried to find something that could be used as a weapon, but he found nothing.

*Drip...

Blood drip down from the corners of Xiao Tian's lips.

At this moment, Nalan Jiangge's lips curled into a smirk. She was pleased when she saw the people she paid beating Xiao Tian.

'This is what you get for daring to get close to my daughter.'

Nalan Jiangge was sure that the people she paid would be able to beat Xiao Tian later.

Of course, Xiao Tian didn't give up and kept fighting them because he needed to save Yun Xin Er. Fists, kicks, blocks, dodges, counterattacks. There was no fear in Xiao Tian's eyes when he fought ten martial artists at the same level.

He was fighting his enemies bravely. After fighting for several minutes, Xiao Tian was finally able to defeat all of his enemies. However, he was also injured. There was blood on his head and some bruises on his face.

Terror crossed Nalan Jiangge's face.

'Impossible! This is impossible!'

She found it hard to believe what she was seeing. Previously, she was sure that the people she paid would be able to beat Xiao Tian.

However, the reality was different. All the people she paid to beat Xiao Tian were lying on the ground, fainted.

*One step...two steps...three steps...

Xiao Tian walked closer to Nalan Jiangge with a cold gaze. His eyes gleamed with terrifying sharpness as he stared at her.

Nalan Jiangge's body started to tremble. Every time Xiao Tian took one step forward, she instantly took one step backwards.

"What....what are you going to do to me? Remember, I'm Xin Er's mother. You can't hurt me, or else, she will hate you later. You don't want her to hate you, right?" Nalan Jiangge threatened Xiao Tian, hoping that he would not hurt her later.

Xiao Tian remained silent and kept walking closer to her. This made Nalan Jiangge even more scared. When she saw Xiao Tian's cold eyes, she felt as if something was squeezing her body, causing her to have difficulty breathing.

"Where is big sister Yun?" Xiao Tian asked coldly.

Due to how terrifying Xiao Tian's expression was, Nalan Jiangge forgot to answer his question.

"I will ask more one time. Where is big sister Yun right now?" Xiao Tian's expression turned even more terrifying than before.

Nalan Jiangge felt the atmosphere suddenly turn cold after hearing Xiao Tian's voice. Terror overtook her face, and she slowly pointed her left index finger towards where Yun Xin Er was. "She is in her room."

Xiao Tian really wanted to teach her a lesson, but every time he was about to do that, Yun Xin Er's crying face appeared on his head.

'You are lucky, woman!'

Even though she had caused trouble for him many times, Xiao Tian still forgave her.

Xiao Tian then walked away. But when he was three meters away from her, Xiao Tian stopped his footsteps and spoke without looking at her. "If something bad happens to big sister Yun, I won't forgive you!"

After saying that, Xiao Tian walked again.

*Bruak...

Nalan Jiangge fell to her knees.

'He is so scary!'

Due to how scary Xiao Tian's expression was, her body was still trembling.

After Xiao Tian reached Yun Xin Er's room, he immediately spoke, "Big sister Yun, are you alright?"

Yun Xin Er, who was sitting on the bed, instantly rose to her feet and walked closer to the door. "Little brother, is that you?"

Yun Xin Er was startled when she found out that Xiao Tian was in her house. She remembered that she never told him to come to her home.

'Don't tell me....!'

Yun Xin Er suddenly thought it was her mother who told him to come over to her house.

Previously, her mother suddenly came to her house and instantly locked her in her room. Not only that, her mother even took her smartphone.

At first, she had no idea as to why her mother suddenly did something like that. She thought her mother would matchmaking her again. Now she finally knew the reason why her mother suddenly locked her in her room and took her smartphone.

*Click...click...

Xiao Tian tried to open the door, but the door was locked.

"My mother locked the door." Yun Xin Er spoke, "She also took the key so I can't open the door."

"Wait here. I will be right back." Xiao Tian then walked to the backyard to get the key.

"All right." Yun Xin Er responded

After returning to her room, Xiao Tian immediately opened the door.

"Little brother." Yun Xin Er instantly embraced Xiao Tian the moment he opened the door.

"It's fine now. I'm here." Xiao Tian hugged her and rubbed her hair with his left hand gently.

While still embracing him, Yun Xin Er lifted her head to look at Xiao Tian, "Why did yo-

She stopped her words halfway when she saw blood on Xiao Tian's head. Previously, because she immediately hugged him the moment Xiao Tian opened the door, she didn't see his face.

"Little brother, your head...." Yun Xin Er's hands trembled when she saw Xiao Tian's head covered in blood. "Don't tell me..."

Yun Xin Er suddenly thought the reason why Xiao Tian's head was covered in blood was that her mother did something to him.

"It's fine." Xiao Tian smiled softly. "You don't need to worry about it."

"Where is my mother?" Yun Xin Er was furious because the person she loved got hurt because of her mother.

"I'm fine." Xiao Tian was pleased when he saw her caring expression.

"No. I have to talk to her now." after saying that, Yun Xin Er stopped the hug and started looking for her mother.

"Xin Er." Xiao Tian followed her because he didn't want something bad to happen to her.

When Yun Xin Er saw her mother in the backyard, she shouted furiously. "Mother, what did you do to him?"

"Xin Er..." At this moment, Nalan Jiangge was standing near the people she paid to beat Xiao Tian.

"Why did his hea-" Yun Xin Er stopped her words halfway when she saw ten people passed out on the ground

She gritted her teeth and clenched her fists. She finally knew the reason why Xiao Tian's head was covered in blood.

At this moment, Xiao Tian only stood behind Yun Xin Er.

Yun Xin Er pointed her right index finger towards the people who fainted on the ground and inquired, "Did you pay them to beat him up?"

"Xin Er, I did this for you." Nalan Jiangge responded. "He doesn't deserve you."

"Those words again?!" Yun Xin Er's body hardened after hearing her mother's words. "I have told you many times to stop meddling with my life. Why are you still doing it? When will you understand me? I'm your daughter, not your tool!"

"Xin Er, he is not good for you." Nalan Jiangge answered, "He is a devil! He will hurt your feelings in the future."

"Devil?! Hurt My feeling?!" Yun Xin Er found it hard to believe what she was hearing. She didn't expect that her mother would label Xiao Tian as a devil. "Mother, if he were a devil, he would have beaten you to death a long time ago because you have caused trouble for him so many times. But look at you? Has he done anything to you until now?"

Yun Xin Er then continued, "Not only does he not beat you, but he always forgives you and thinks about our relationship. He never wants us to fight. Why can't you understand it? Why?"

Nalan Jiangge was at a loss for words. Although she hated to admit it, but what Yun Xin Er said was true. Xiao Tian never beat him.

Chapter 719 - I'm Fine

8-11 minutes

Nalan Jiangge shifted her gaze from her daughter to Xiao Tian for about three seconds before finally returning her attention to Yun Xin Er again.

At this moment, Xiao Tian said nothing. Even though he remained silent, but deep inside, he was pleased.

'My Xin Er understands me so well.'

Xiao Tian could no longer hold back the happiness he felt, and finally, a soft smile spread across his face.

Yun Xin Er pointed her right index finger at the door and spoke, "Go away! Get out of my house now!"

Even though Nalan Jiangge had hurt Xiao Tian, Yun Xin Er did nothing to Nalan Jiangge because Nalan Jiangge was her mother.

Because Nalan Jiangge didn't want to be around Xiao Tian either, she left immediately without caring about the people she paid to beat him.

After her mother left, Yun Xin Er turned around and grabbed Xiao Tian's hands, "Little brother, let's get inside. I will bandage your injuries."

Xiao Tian didn't answer, but he nodded his head, giving her a sign that he agreed with her idea.

Then they headed to the family room. After cleaning his wounds, Yun Xin Er started to bandage his injuries.

Xiao Tian could not help but smile when Yun Xin Er showed her caring attitude.

'My future girlfriend is the best.'

Xiao Tian praised Yun Xin Er.

After bandaging his head, Yun Xin Er held Xiao Tian's hands and looked at him in the eyes.

'Little brother....'

Tears formed in her pretty eyes. She felt as if someone was slicing her heart when she saw his wounds.

Xiao Tian cupped her face and spoke in a soft voice, "Don't cry. I'm fine."

Yun Xin Er embraced Xiao Tian again.

'Thank you. Thank you for not giving up on me and for not hurting my mother.'

Even though Yun Xin Er had tried to fight back her tears, but her efforts were in vain.

*Drop...

Tears ran down her soft cheeks. Yun Xin Er instantly hugged Xiao Tian tighter.

'I hope you will keep loving me.'

Her love for Xiao Tian grew even bigger when she knew how big his sacrifice was.

After embracing Xiao Tian for several seconds, Yun Xin Er stopped the hug and kissed his forehead.

'I love you, little brother.'

Yun Xin Er voiced out her feelings in her head.

"I love you too." Xiao Tian spoke abruptly.

His words much surprised her. Yun Xin Er didn't expect him to say something like that.

'It must be a coincident.'

Yun Xin Er's face blossomed into a smile.

"You are much prettier when you smile so stop crying." Xiao Tian wiped off her tears. "Do you want to go on a date with me now?"

"But you are..." of course, Yun Xin Er wanted to go on a date with him, but because Xiao Tian was injured, she thought it was not a good idea.

"Don't worry." Xiao Tian knew what she had in mind. "How about this? We travel to the hospital first before going on a date."

Yun Xin Er nodded her head before answering, "Let me put this first aid first."

Then, they traveled to the Heart Hospital before going on a date. Because it had been quite a while since they spent time together, they went to many places.

"Xin Er, I'm leaving." Xiao Tian uttered.

Currently, Xiao Tian's car was in front of Yun Xin Er's house. After spending time with her for about three hours, Xiao Tian sent her home.

Actually, he still desired to spend time with her, but he could not do that because there was something he had to do.

Yun Xin Er, who was standing next to his car, nodded her head. "Be careful."

At first, Xiao Tian wanted to leave immediately, but the desire to embrace her suddenly appeared within him. For this reason, Xiao Tian got out of the car.

At this moment, Yun Xin Er was pleased. Of course, she knew what he was going to do. But because she also desired it, she didn't try to avoid him.

Without waiting for another second, Xiao Tian embraced her. He didn't say anything and kept hugging her for more than a minute.

Yun Xin Er shut her eyes and embraced him too.

'Little brother...'

She really loved it when Xiao Tian hugged her because, with this, she could feel the warmth of his body.

After embracing her for about two minutes, Xiao Tian stopped the hug and kissed her forehead, a kiss full of love.

When Xiao Tian stopped the kiss, he looked at her in the eyes. And like before, he remained silent.

At this time, Yun Xin Er thought that Xiao Tian was not satisfied just by kissing her forehead. For this reason, she slowly shut her eyes, giving him a sign that it was fine to kiss her lips.

Xiao Tian wasted no time and immediately pressed his lips against hers. This time, he didn't try to kiss her passionately and only kept pressing his lips against hers.

To his surprise, Yun Xin Er suddenly opened her mouth as if she was giving him a sign to kiss her intensely.

Because Yun Xin Er wanted him to kiss her deeply, Xiao Tian, as a man, decided to grant her wish.

'I miss this.'

It had been quite a while since the two of them had a passionate kiss again. Her soft tongue, the fragrant of her mouth, and her tender lips. Xiao Tian missed all of them.

At first, Xiao Tian only wanted to kiss her deeply for about twenty seconds, but because of how amazing it felt to kiss her passionately, he ended up kissing her for over a minute.

"Hurt...Huft...Huft..." because Yun Xin Er was out of breath, she decided to stop the kiss.

However, she didn't say that they should stop kissing and just stared at him as if she was telling him she was ready for another deep kiss.

*One step...two steps...

Xiao Tian walked two steps forward, causing Yun Xin Er's back to hit the right front door of his car.

However, Yun Xin Er paid no heed to it and immediately wrapped her long slender arms around his neck before pulling him towards her.

Like before, they had a deep kiss again. Even though there was a high chance that her maids could see what she was doing with Xiao Tian, Yun Xin Er didn't care about it.

She was sure that all of her maids already knew that she had a special relationship with Xiao Tian. That was why she just focused on kissing him and enjoying the kiss.

This time, they kissed longer than before. They had a hot kiss for about two minutes before finally, Yun Xin Er stopped the kiss. "Huft...Huft...Huft...Do you want to continue again?"

"Let's stop here for today. I will come again tomorrow." Even though Xiao Tian still wanted to kiss her passionately, he decided to stop.

"All right." Yun Xin Er nodded her head.

Xiao Tian then kissed her forehead before getting into his car and leaving.

At first, Xiao Tian wanted to return to his Star Clothes company, but after remembering that he had promised to meet Lan Ruoxi, he traveled to the Red Flower bar.

He spent time at the Red Flower bar for about an hour before returning to his company. As soon as he entered his office, Xiao Tian called Shi Fei and Liu Ning.

"Little brother..." as usual, Shi Fei entered his office without knocking on the door.

"Come here and sit next to me." Xiao Tian spoke as he smiled.

Liu Ning and Shi Fei were worried when they saw the bandage on Xiao Tian's head.

"Tian'er, what happened to you?" Liu Ning asked worriedly.

"Who did this to you?" Shi Fei added.

Instead of answering immediately, Xiao Tian only smiled. "Sit first."

Liu Ning and Shi Fei looked at each other before sitting on the sofa.

"Can you tell us now?" Liu Ning and Shi Fei asked in unison.

"It's like this..." Xiao Tian began to tell them everything. He told them the truth and didn't hide a single thing from them.

Liu Ning and Shi Fei's expressions turned even more worried when they found out that Xiao Tian fought ten people at Yun Xin Er's house earlier.

Because of how worried they were, they wanted to tell him to stop seeing Yun Xin Er. They didn't want him to keep getting hurt.

However, they knew that Xiao Tian loved Yun Xin Er. They didn't want Xiao Tian to think that they disliked Yun Xin Er. They just didn't want him to get hurt.

"Don't make an expression like that. I'm fine." Xiao Tian uttered.

"Un." Liu Ning and Shi Fei could not tell him even more when they saw his smile.

Xiao Tian then held their hands and spoke, "Oh, right! I just bought a DVD. How about we watch a movie together at home now?"

"DVD?" Liu Ning and Shi Fei had no idea as to why Xiao Tian suddenly wanted them to watch a movie together.

"Yes." Xiao Tian responded. "I heard this movie is good. I will also call my mother and aunt so that we can watch the movie together later."

"What kind of movie is that?" Shi Fei asked curiously.

"It's a survival movie." Xiao Tian answered instantly. "People said the romance is also good, and many women like it. That's why I want us to watch it together."

"All right." Liu Ning and Shi Fei answered in unison.

After that, Xiao Tian called his aunt and told her to go home with his mother immediately. Even though Ye Qingyu and Ye Xueyin still had a lot of work to do, they granted his wish.

Chapter 720 - Watching Movie Together

10-13 minutes

Because it was already 05:00 pm, Xiao Tian, Shi Fei, and Liu Ning immediately took a shower after they arrived home.

As they were taking a bath, Ye Qingyu and Ye Xueyin arrived home. Like Xiao Tian, they also immediately took a shower. After that, all of them headed to the family room.

"Tian, why do you suddenly want to watch a movie with us at home?" Ye Qingyu inquired.

"Secret!" Xiao Tian winked his left eye.

Actually, the reason why he wanted to watch a movie with them was that he wanted to know Shi Fei and Liu Ning's opinion on illicit relationships. With this, Xiao Tian would know what moves he had to take later.

Ye Qingyu didn't ask another question because she knew that Xiao Tian would not answer it.

"Let's watch it." Xiao Tian uttered.

Currently, they were sitting on the couch. Liu Ning and Shi Fei were sitting on his right side while Ye Qingyu and Ye Xueyin were on the other side.

The movie started with a scene of a happy family playing on the beach. Even though they were not rich, but they were always happy every day.

The family consisted of three family members; a forty-three-year-old father, thirty-eight years old mother, and eighteen years old son.

All of them were good-looking. Every time people saw them, they always stole glances at them. Even the father and mother looked like they were still in their twenties.

Because of this, the father and mother got a new title; people who stopped aging.

At that time, the three of them went to the beach to enjoy themselves. However, something unexpected happened when they were on their way home. They had a car accident!

Because of this incident, the father passed away. This made the mother and the son heartbroken. They even didn't leave the house for two days because of this.

However, the son realized that they should not continue to live like that, or else their family would get destroyed.

The son then tried his best to cheer up his mother, but she still could not overcome her sadness. All she did was sit in her room or family room. She even didn't say a word since her husband passed away.

Thus, the son started taking care of his mother. Luckily, they had a small restaurant, so it was not difficult for him to support his family.

Xiao Tian then glanced at Ye Xueyin.

'Was she also sad like that when she divorced with father?'

Xiao Tian wanted to ask that question but suddenly decided against it.

As if Ye Xueyin could read his mind, she turned her head towards Xiao Tian and smiled. She also shook her head, giving him a sign that she was no longer sad.

At this moment, Shi Fei and the others still hadn't realized that it was a movie about a taboo relationship.

*Drop...

Tears fell down her cheeks. Liu Ning could no longer fight her tears, causing them to run down her soft cheeks.

The reason why Liu Ning suddenly cried was that she positioned herself as the mother. Because of how big her love was for Xiao Tian, she was sure that she would also be downhearted if Xiao Tian suddenly died.

Xiao Tian, who noticed it, immediately wiped off her tears and held her left hand. Actually, he had guessed that Liu Ning would be sad because she had a soft heart. He didn't expect that she would cry like that.

Liu Ning turned her head to look at Xiao Tian. "Tian'er..."

Lately, Xiao Tian was often in a dangerous position where he could lose his life at any time. This made her even sadder.

Xiao Tian smiled softly and spoke in a soft voice, "Don't worry. Nothing will happen to me."

"That's right, Ning." Shi Fei added. "Don't be sad."

Even though Shi Fei said something like that, but she was also sad. However, she tried her best not to look sad.

Liu Ning looked at her left hand, which was being held by Xiao Tian, before shifting her gaze to Xiao Tian's face.

"Un." Liu Ning nodded her head.

'I hope we can live together forever.'

Liu Ning said in her head.

Xiao Tian and the others then paid attention to the movie again.

The movie scene then skipped by two years. Now the son was twenty years old while the mother was forty years old.

Even though two years had passed, but the mother still could not overcome her sadness. She still needed her son to take care of everything.

But her mental state was much better. Now, she started to talk and didn't refuse when her son wanted them to take a walk.

"Mother, let's go on vacation next week." His son, whose name was Ling Yun, spoke with his mother.

"Vacation? Where are we going?" Fu Anya, Ling Yun's mother, answered.

"Japan. Let's go to Okinawa." In the last two years, their family business had been very good. That was why he had enough money to go on vacation.

It took Fu Anya about five seconds before answering. "All right."

"Good!" Ling Yun smiled happily before kissing his mother's forehead.

Time went by quickly, and without realizing it, it had been a week since Ling Yun invited his mother to go on vacation.

In the morning before they went to the airport, a gorgeous girl came to their house with a huge bag in her right hand. The name of that girl was Li Shinya. She was Ling Yun's lover.

When Fu Anya learned who Li Shinya was, she was shocked and sad at the same time. She was shocked because all this time, her son never told her that he had a lover.

And she was sad because she thought Li Shinya would steal her son from her. She had lost her husband, so she didn't want to lose her son too.

For this reason, she immediately grabbed Ling Yun's right hand and stared at him with a sad expression.

She became even sadder when she found out that Li Shinya would go with them. Fu Anya wanted to tell her son that she disagreed if Li Shinya would go with them.

However, she was afraid that her son would be angry at her. She was scared that her son would leave her later.

For this reason, she only lowered her head and said nothing. After that, they traveled to the airport.

At first, their vacation was going well, but something big suddenly happened when they were on the plane. There was a malfunction in the aircraft engine!

Luckily, the pilot was an expert, so he could land the plane safely. However, because they landed on an isolated island, they couldn't communicate with the headquarters.

In order to survive, they started building houses and looking for food. Ling Yun, his mother, and lover, built a small house and lived together.

There were many romantic scenes between Ling Yun and Li Shinya in the movie, such as how they looked for food hand in hand or how Ling Yun protected Li Shinya from wild beasts.

At this moment, Shi Fei suddenly rose from the couch and sat between Xiao Tian's legs.

Her actions much surprised Xiao Tian. After wrapped his arms around her waist, Xiao Tian spoke, "Why does my lover suddenly want to sit with me?"

Shi Fei put her hands in his and inquired, "Little brother, if we were in the same position as that film, you will protect us, right? You will do what Ling Yun did, right?"

"Of course!" Xiao Tian answered without thinking twice. "Not only wild beasts, even if the whole world becomes your enemy, I will always protect you."

Shi Fei kissed Xiao Tian's left cheek and smiled happily. "I love you, little brother."

Xiao Tian kissed Shi Fei's right cheek and responded, "I love you too."

At this moment, Liu Ning grabbed Xiao Tian's T-shirt and stared at him.

When Xiao Tian noticed it, he immediately kissed her lips and smiled, "I also love you, Ning'er."

Liu Ning's face blossomed into a smile before placing her head on his right shoulder.

Then Xiao Tian and the others paid attention to the movie again.

Like before, there was a time skip in the movie. It had been two weeks since the plane landed on the isolated island.

Fu Anya was sad. But the thing that saddened her most was that her son's attention to her was not as big as before.

She felt that Ling Yun spent more time with his lover, Li Shinya. This made her sad and angry at the same time.

One day, Fu Anya followed her son and Li Shinya to look for food in secret. To her surprise, Ling Yun and Li Shinya had sex when no one was around them.

Now she finally understood the reason why her son and Li Shinya always smiled happily whenever they returned home.

Because she was afraid that her son would forget and abandon her in the future, Fu Anya began to think of ways to make her son pay more attention to her.

It took her one day before finally, she found an excellent idea. Her idea was sex!

At this moment, she was sure the reason why her son always paid attention to his lover was that they had sex every day. That was why Fu Anya wanted to use the same method.

Of course, she knew that her idea was crazy, but she didn't care about it. As long as her son would care about her like before again, she would do anything, including having sex with him.

With this, she started planning when or how she would carry out her plans. Fu Anya finally found a good idea about it.

The next day, she told her son that she would look for food with him, and Li Shinya didn't need to go with them.

At first, Ling Yun refused because he didn't want his mother to work hard, but because his mother insisted on looking for the food with him, he finally agreed.

Then Ling Yun and his mother went out to look for food. When they were alone, Fu Anya began to seduce her son so that he would have sex with her later.

Of course, Ling Yun did nothing and only thought that his mother was lonely.

Because Fu Anya failed to seduce him, she had no choice but to rape him. No matter what, they had to have sex because it was the only way to make him care about her like before.

When Fu Anya was raping him, Ling Yun's expression turned sad. He kept asking her why she did something like that to him.

After raping him, Fu Anya kept crying while telling him the reason why she did something like that to him.

At first, Ling Yun was furious, but he didn't have the heart to get angry at her after hearing her words. He then embraced her and told her that he would never leave her.

He also stated that she was the most important person in his life. Nothing could replace her, including his lover.

Fu Anya cried even louder upon hearing his remarks. She could not express the happiness she felt in words, and as a result, she could only cry.

At this moment, Li Shinya, who saw everything and hid behind a tree, walked towards them.

Of course, Ling Yun and Fu Anya were shocked because they were naked. Li Shinya then told them that they didn't need to explain anything.

Three months later, rescue teams arrived and brought them back. Ling Yun and the others were finally able to return home.

Five years later, Ling Yun and Li Shinya got married. They lived with Fu Anya, and the three of them lived happily.

Shi Fei and Liu Ning were shocked.

Because it was the right time to ask their opinion, Xiao Tian inquired, "Ning'er, Fei, what do you think about the relationship between Ling Yun and his mother?"
