

## Illicit 721

### Chapter 721 - Big Sister Fei, Are You Already Awake?

Liu Ning and Shi Fei didn't answer his question immediately and only stared at Xiao Tian. They didn't expect him to ask something like that.

At this moment, Ye Qingyu and Ye Xueyin didn't say a word. Even though their eyes were focused on the TV, but their ears were focused on Shi Fei and Liu Ning.

'So, this is the reason why he suddenly wants us to watch a movie together.'

Ye Qingyu and Ye Xueyin finally understood the reason why Xiao Tian suddenly wanted them to watch a movie together.

Previously, they thought Xiao Tian would reveal their relationship to Shi Fei and Liu Ning directly, but they were wrong.

'His idea is good.'

Ye Qingyu and Ye Xueyin praised Xiao Tian.

"Well, I don't mind." Shi Fei answered, "Love is blind, you know? Whether it's forbidden love or not, as long as they love each other, I think it doesn't matter if they become lovers."

Xiao Tian was thrilled upon hearing Shi Fei's words.

'Good!'

Xiao Tian said in his head.

Not only Xiao Tian but Ye Qingyu and Ye Xueyin were also delighted.

'This is a good start.'

Now, they only needed to wait for Liu Ning's answer. As long as Liu Ning was also fine with it, they didn't need to hide their relationship with Xiao Tian anymore.

Xiao Tian then shifted his gaze from Shi Fei to Liu Ning, "What about you, Ning'er? What do you think about their relationship?"

"I.. I don't know." Liu Ning had no idea how to answer his question because she didn't know whether she was fine with a forbidden relationship or not.

It's true that illicit relationships were wrong and should not be done. Not only that, society would not accept it either.

"Why are you asking this question?" Liu Ning asked curiously.

"I just want to know what you think of this movie." Since Liu Ning didn't give a definite answer, Xiao Tian lied to her. "Now, let me change the question. Let's say you suddenly see a couple who is lovey-dovey at the park. But that couple is a brother and sister. Are you going to look at them in disgust or not?"

"I..I don't know." Like before, Liu Ning could not answer it again.

She agreed that people who loved each other could become lovers, but she was not sure whether they should be lovers or not if those people were blood-related.

When Liu Ning still could not come up with a definite answer, Ye Xueyin and Ye Qingyu were sad. They wanted to say something, but they felt as if the words were stuck in their throats.

At this moment, Xiao Tian knew that no matter how many times he asked Liu Ning questions, she would not be able to give a definite answer.

'Sigh. This is hard!'

Xiao Tian knew that he had to think of another way to make Liu Ning accept his relationship with his mother and aunt.

'I really want to tell them that my relationship with my mother and aunt is not a forbidden relationship because I'm not their family. I'm Huang Chen who is taking over Xiao Tian's body.'

There were so many times where he wanted to tell them that he was not Xiao Tian but Huang Chen. But he knew that they would not believe it and would think of him as a crazy person. That was why he never told them who he was.

"Alright, let's watch the second movie." Xiao Tian uttered.

"Eh! We are going to watch a movie again?!" Liu Ning and Shi Fei said in unison.

"Yes." Xiao Tian responded. "Why? Do you not want to watch it?"

"It's not like that." Liu Ning and Shi Fei thought they would only watch one movie. That was why they were startled when Xiao Tian wanted to play another movie.

"Then let's watch it." Xiao Tian then played the movie.

The second movie was not about an illicit relationship. It was about human who lived on Mars. Of course, there were a lot of lovey-dovey scenes in that movie.

After they watched the movie, they had dinner together before going to their rooms. Even though Liu Ning still didn't give a definite answer, Xiao Tian was pleased because he knew that Shi Fei was fine with forbidden relationships.

"Fei, should we have a little party tomorrow?" Xiao Tian spoke abruptly.

Currently, Xiao Tian was lying down on the bed in Shi Fei's room. After having dinner, Xiao Tian didn't go to his room; instead, he went to Shi Fei's room because he never slept with her lately.

"Good idea!" Shi Fei, who was lying down on his right side, agreed with his idea.

"Then it's decided. I will tell them tomorrow morning after breakfast." Xiao Tian spoke and paused for a second before he continued, "Now, how about we have sex? It has been a while since we last had sex."

"Hehe." Shi Fei giggled after hearing his words. "Sure. Let's have sex now."

It had been more than three weeks since the last time they had sex, so of course, Shi Fei would agree immediately because having sex with him felt so good.

Soon, they started having sex. Because it had been quite a while since they last had sex, they had wild sex. This made Shi Fei moan loudly, causing everyone to hear her moan.

However, because Ye Qingyu and the others knew that they were lovers, Xiao Tian and Shi Fei didn't show the slightest care about it.

"Huft...Huft...Huft..." Shi Fei was breathing heavily.

After having sex for more than two hours, they decided to stop.

"It was great!" Xiao Tian stated

Shi Fei turned her head to look at Xiao Tian and smiled, "It was amazing, little brother. I really love having sex with you."

"Me too." Xiao Tian responded instantly. "I also love having sex with you. I love how your pussy squeeze my cock when I'm fucking you. Hehe."

Because he was talking with Shi Fei, Xiao Tian said what he had in mind. Even though he said vulgar words, he didn't show the slightest care about it.

"Hehe." Shi Fei laughed. "I also love how your huge cock spreads my vagina widely and keeps hitting my womb. That feeling is so amazing until I can't describe it in words."

"Haha." Shi Fei and Xiao Tian laughed happily.

"Fei, come here and sleep on top of me." Even though they just finished having wild sex, Xiao Tian still wanted to feel the warmth of her body. That was why he wanted her to sleep on top of him.

Instead of sleeping on top of him immediately, Shi Fei did something different. She crawled towards his cock and immediately sucked it.

"Hehe. Does my sexy lover still want to have sex with me?" because Shi Fei suddenly gave him a blowjob, Xiao Tian thought Shi Fei was still not satisfied and wanted to continue having sex with him.

Shi Fei ignored Xiao Tian's words and kept giving him a blowjob. When his cock was fully erect, Shi Fei stopped what she was doing and positioned her pussy above his cock.

"Ahhh..." a seductive moan escaped Shi Fei's mouth as Xiao Tian's penis slowly spread her vagina to the size of his cock.

Because Xiao Tian thought Shi Fei desired to have sex with him again, he immediately placed his hands on her waist so that he could help her move her body later.

To his surprise, Shi Fei dropped her body on top of him. "Let's sleep."

Shi Fei wanted to sleep while still connected to him. That was why she suddenly gave him a blowjob and put his cock into her pussy.

"All right." Xiao Tian smiled softly and rubbed her hair.

Then they slept.

At 05:30 am, Xiao Tian woke up. At this time, his cock was no longer in Shi Fei's vagina. Last night, when Xiao Tian's cock became soft, his penis came out of her pussy by itself.

But now, because of the morning wood, his penis was erect again. Couple with her sleeping naked on top of him, it made his penis even harder than before.

This made Xiao Tian suddenly desire to put his cock in her pussy again. At first, he was against that idea, but because he could not hold back the desire within him, Xiao Tian grabbed his penis and thrust it into Shi Fei's vagina.

"Ahhh..." even though Shi Fei was still sleeping, but when Xiao Tian suddenly thrust his cock into her pussy, she let out a seductive moan.

Because Xiao Tian only wanted to put his penis into her pussy, he immediately wrapped his arms around her waist and smiled happily.

'Oh, right! What should I do to make Ning'er accept my relationship with mother and aunt?'

Xiao Tian started thinking of ways to get Liu Ning to accept his relationship with his mother and aunt.

Seconds turned into minutes, and without realizing it, it had been fifteen minutes since Xiao Tian woke up.

However, he still hadn't come up with a good idea to make Liu Ning accept his relationship with his mother and aunt.

Suddenly the sound of something knocking on the door could be heard.

'Is that Ning'er?'

Xiao Tian asked in his head.

"Big sister Fei, are you already awake?" Liu Ning's voice rang out from the opposite side of the door.

"She is still sleeping." Xiao Tian responded. "Ning'er come in. The door isn't locked."

Upon hearing Xiao Tian's words, Liu Ning immediately entered Shi Fei's room. She was not surprised when she saw Xiao Tian and Shi Fei naked because she knew they had sex last night. "You should lock the door."

"Do you want to lie down naked too?" Xiao Tian inquired

### **Chapter 722 - Sweet Moment With Shi Fei**

"No. Thank you." Liu Ning refused without thinking twice.

She was sure they would end up having sex if she laid down on the bed naked. It was not like she didn't want to have sex with him. It was because she had to cook breakfast.

"Oh! You make me sad!" Xiao Tian pretended to be sad.

Actually, he had guessed that she would refuse because she always refused to have morning sex since they lived together with his mother and aunt.

Of course, it was not because she didn't want to serve him in bed. It was because she didn't want his mother and aunt to hate her.

Liu Ning was sure if she had sex with him in the morning and didn't help his mother and aunt cook breakfast, they would be disappointed with her.

She wanted to become his wife, so she had to make a good impression. Of course, she would gladly welcome it if they were alone.

At this moment, Shi Fei finally woke up. "Ning, why are you here? Do you want to sleep with little brother too?"

"I came to wake you up." Liu Ning gave an honest answer.

"Ahhh..." Shi Fei suddenly let out a soft moan when Xiao Tian's cock suddenly got bigger.

Liu Ning was startled by Shi Fei's moan. She then shifted her gaze from Shi Fei to Xiao Tian.

"I did nothing. Her pussy suddenly squeezed my cock." Xiao Tian lied to Liu Ning.

Of course, Liu Ning didn't believe it because she was sure that Xiao Tian was the reason why Shi Fei suddenly moaned like that.

As Xiao Tian and Liu Ning were looking at each other, Shi Fei did something unexpected. She slowly moved her waist up and down, causing Xiao Tian's cock to in and out of her vagina.

"Ahh...Ah...Ah...." Shi Fei began to cry out in pleasure.

Not only Liu Ning, but Xiao Tian was also shocked by Shi Fei's actions. He didn't expect her to do something like that.

Of course, he didn't stop her because having sex in the morning was a good idea. Even though Liu Ning was next to them, Xiao Tian didn't show the slightest bit of concern and enjoyed the sensation of Shi Fei's pussy squeezing his cock.

At this moment, Liu Ning didn't say a word and only stared at Shi Fei's waist. Even though she had seen them having sex many times, but she still felt awkward.

She didn't know what to do, and as a result, she only remained in her position without saying a single word.

"Ah...Ah...Ah...Ah...." the faster Shi Fei's movements were, the faster her moans were.

Even though Shi Fei knew that Liu Ning was beside them, she didn't care about it and kept moving her waist up and down as if all she had in mind were sex and sex.

Like before, Liu Ning only stared at them.

'Big sister Fei and Tian'er are such a pervert!'

Because she knew that she couldn't stop them, Liu Ning decided to get out of Shi Fei's room and go to the kitchen to cook breakfast with Ye Qingyu and Ye Xueyin.

As Shi Fei was moving her waist up and down, she looked at Xiao Tian for about three seconds before finally kissing his lips.

Because Xiao Tian knew that she wanted an intense kiss, he immediately put his tongue into her mouth and started intertwining his tongue with hers.

They had a passionate kiss for about forty seconds before finally, Shi Fei broke the kiss. The reason why she stopped the kiss was not that she was out of breath, but because she wanted to increase the pleasure they felt.

Shi Fei then sat on his waist before placing both of her hands on his chest. With the support of her hands, she could move her waist faster and faster.

"Ahh...Ah...Ah...Ah..." her lovely moans echoed in her room.

Shi Fei moved her body up and down for forty seconds before she finally changed her movements.

"Ohhh." Xiao Tian groaned when Shi Fei suddenly moved her waist forward, backward, left, right, and circular.

Seconds turned into minutes, and without realizing it, they had been having sex for about six minutes. In those six minutes, Shi Fei was the one who took the lead.

That was why Xiao Tian suddenly wanted to take the lead. With that idea in mind, Xiao Tian grabbed her waist and sat up.

"Kya..." Shi Fei was surprised when Xiao Tian suddenly sat up.

Because she fell on the bed and Xiao Tian was also holding her body, she didn't feel any pain.

"Now, it's my turn to take the lead." After saying that, Xiao Tian began to move his waist.

"Ahhh...Ah....Ah..." like before, Shi Fei cried out in pleasure.

The sound of Xiao Tian's waist hitting Shi Fei's butt could be heard in their ears. Not only that, but the sound of his cock spreading her vagina widely also echoed in her room.

"Amazing...Ah...Ah...Ah...You are amazing...Ah...Ah..." because last night they had wild sex for more than two hours, Shi Fei thought Xiao Tian had no more energy, but she was wrong.

Because Xiao Tian wanted to fuck her from behind, he turned her around. As usual, when Xiao Tian saw her cute asshole, he immediately played with it, causing Shi Fei to moan even faster and louder.

At this moment, Ye Xuyein, who was cooking breakfast with Ye Qingyu and Liu Ning, giggled. "Ning, why didn't you join them?"

"Yes. It's fine if you want to join them. You don't need to worry about breakfast because we can take care of it." Ye Qingyu added

Even though they said something like that, but deep inside, they were envious of Shi Fei because they also wanted to have morning sex with Xiao Tian.

Since they lived together with Shi Fei and Liu Ning, they never had morning sex with Xiao Tian. In their old house, they did it a lot.

However, because their relationship with Xiao Tian was still a secret, they knew that they could not do that. As long as Shi Fei and Liu Ning were at home, it was even hard for them to lovey-dovey with him.

"It's fine." Liu Ning replied, "I want to help cook breakfast today."

"But it seems like she really enjoys having sex with my son." Ye Xueyin spoke, "She even moans louder and faster. Hehe."

"You are right." Of course, Ye Qingyu knew about it because Xiao Tian never failed to satisfy her.

"Ning, is my son really good in bed?" Ye Xueyin pretended as if she didn't know anything.

Liu Ning's face turned red after hearing Ye Xueyin's question. She didn't answer Ye Xueyin's question, but she nodded her head, giving Ye Xueyin a sign that Xiao Tian was indeed good in bed.

"As expected of my son, he is sure amazing." Ye Xueyin said proudly as if Liu Ning was praising her.

"Ahh...Ah...Ah..." Shi Fei let out multiple moans. "Cumming...Cumming... I'm cumminggg.."

When she was having an orgasm, her body trembled for a few seconds. Her head fell on the bed, and saliva came out of her little mouth.

"Ahhhhh...." Shi Fei was surprised and moaned loudly when Xiao Tian suddenly thrust his cock into her ass hole.

Even though she had guessed that Xiao Tian would fuck her ass hole, but she didn't expect that he would do it a few seconds after she had an orgasm.

Of course, Shi Fei didn't stop him because her body already belonged to him, and she would let him do whatever he wanted.

"Having anal sex in the morning is the best." Xiao Tian stated.

Last night, they only had normal sex. That was why Xiao Tian suddenly wanted to have anal sex with her.

Because Shi Fei just had an orgasm, her body was still sensitive. For this reason, she could not move her body and only moaned and moaned. But she was still in a weak state, her buttock muscles were moving uncontrollably and wildly.

"Ohh. Fei, your ass hole is amazing." Xiao Tian felt immense pleasure. "The way your ass hole muscles squeezing my cock is so amazing. I really love this."

However, Shi Fei didn't answer and kept moaning. Even though her body was still in her room, but her mind was already on cloud nine.

Xiao Tian's upper body fell on Shi Fei's back. However, he still moved his waist as if his waist had its own thought.

At first, Xiao Tian wanted to play with Shi Fei's breasts, but because her breasts were pressing against the bed, he could not do that. For this reason, Xiao Tian decided to play with her clitoris.

"Ah....Ah....Ah.... Cumming...Cumming...Cumming..." Because her body was still sensitive when Xiao Tian thrust his cock into her ass hole, Shi Fei could not hold back the pleasure she felt, and as a result, she had another massive orgasm.

Because Xiao Tian also almost had an orgasm, he didn't stop moving his waist; instead, he moved faster and faster.

"Cumming..." Because he was fucking her butt hole, Xiao Tian immediately let out his white sperm without a second thought.

"Huft...Huft...Huft..." Shi Fei and Xiao Tian were breathing heavily.

At this moment, Xiao Tian's cock was still in Shi Fei's ass hole. They remained in the same position for several seconds before finally, Xiao Tian pulled his cock out of her butt hole.

Because Xiao Tian let out a lot of sperm in her ass hole, when he pulled out his cock, his sperm immediately came out of her butt hole.

After Xiao Tian laid down next to Shi Fei, he smiled happily. "Haa. Having morning sex is the best."

### **Chapter 723 - I Will Take Care Of You Forever**

6-7 minutes

---

Shi Fei, who was still in a weak state, looked at Xiao Tian. As she was staring at his handsome face, she suddenly desired to feel the warmth of his body again.

For this reason, she crawled towards him. Even though her body was still weak, she didn't give up and kept crawling towards him.

Xiao Tian smiled softly and rubbed her hair when Shi Fei suddenly laid prone on top of him. "Does my lover want another hug?"

Shi Fei looked at him before finally nodding her head. She really loved it when Xiao Tian rubbed her hair gently because, with this, she could feel his love for her.

'I hope we can together forever, little brother.'

Shi Fei then grabbed Xiao Tian's left hand and placed it on her waist, giving him a sign to embrace her.

At first, Xiao Tian wanted to continue having sex with her because he was still not satisfied, but when he remembered that it was almost breakfast time, he changed his mind.

'Well, I can have sex with her whenever I want, so let's forget it for now.'

Xiao Tian planned to tell Ye Qingyu and the others that he would have a small party later. That was why he could not continue having sex with Shi Fei.

They remained in the same position for about ten minutes before finally, Xiao Tian spoke, "Let's take a bath now."

"Un." Even though Shi Fei nodded her head, she didn't move her body.

This made Xiao Tian smile softly. Because he knew that her body was still in a weak state, Xiao Tian carried her to the bathroom.

"Hehe." Shi Fei giggled happily when Xiao Tian was helping her taking a shower.

Currently, Shi Fei was sitting on a small stool with Xiao Tian standing in front of her.

"Why are you giggling?" Xiao Tian had no idea as to why Shi Fei suddenly giggled like that. "Is there something funny?"

"Nothing." Shi Fei answered as she shook her head. "Seeing your behavior like this, I can feel your love now."

"What?! So, all this time, you could not feel my love for you?! I'm sad. And you are older than me, so it should be you who help me take a shower, not the other way around." Even though Xiao Tian said something like that, but he was pleased.

He loved Shi Fei so much so he would do anything for her, including helping her take a shower.

"Even though I'm older than you, but I'm a woman, so it's your job to take care of me." Of course, Shi Fei didn't mind helping him take a bath, but at that time, she wanted him to spoil her.

Xiao Tian pinched her nose and smiled. "Yes, yes. I will take care of you forever, so don't you dare leave me in the future."

Shi Fei then raised her pinky finger and spoke, "Promise?"

"Promise." Xiao Tian intertwined his little finger with hers.

Even though she didn't know what would happen to them in the future, Shi Fei was pleased to hear his remarks.

She then pulled Xiao Tian's head towards her and gave him a soft peck on the lips. "I love you, little brother."

Xiao Tian's face broke into a smile. "I love you too."

Like before, after taking a bath, Xiao Tian carried her to his room again. Because Shi Fei didn't bring clothes, she wore her nightgown again.

Then Xiao Tian and Shi Fei walked towards the dining room hand in hand. As they were marching to the dining room, the happy smiles never left their faces.

At that time, they looked like newlyweds. From their expressions, anyone would think that the world was a beautiful place in the eyes of Xiao Tian and Shi Fei.

When Xiao Tian and Shi Fei stepped into the dining room, they saw Liu Ning, Ye Qingyu, and Ye Xueyin. The three of them were preparing breakfast.

Ye Xueyin covered her mouth and giggled when she saw Xiao Tian and Shi Fei. "Have you finished having sex? I thought you would not eat breakfast and keep having sex. Hehe."

"Well, I have something to say, so I decided not to skip breakfast." Xiao Tian didn't tell them what he would say because it was better to say it after breakfast.

"Oh! What is it?" Ye Qingyu asked curiously.

Not only Ye Qingyu, but Ye Xueyin and Liu Ning were also curious. They were curious about what he wanted to say until he decided to stop having sex with Shi Fei.

"Let's eat breakfast first." Like before, Xiao Tian didn't tell them immediately.

Ye Qingyu, Ye Xueyin, and Liu Ning looked at each other before answering in unison. "All right."

They knew that Xiao Tian would not tell them even if they forced him. That was why they stopped asking it.

After breakfast, Xiao Tian told them that he wanted to have a small party with them. This made Liu Ning and the others thrilled.

They had separated for over two weeks a few days ago, so they thought it was a good idea to have a little party together.

After that, Xiao Tian traveled to Eternal Beauty company to meet Liang Jun. He asked Liang Jun about the development of his company.

Xiao Tian worked at Eternal Beauty company for about three hours before finally going to Start Clothes company.

As if God had planned for him to run into Lin Xing Xue, he bumped into her when he entered his company, causing her to almost fall to the floor.

"Are you alright?" Xiao Tian inquired.

"I'm fine." Lin Xing Xue didn't expect to meet Xiao Tian when she wanted to go to the restroom. Of course, this made her happy because she finally could meet the person she loved.

"Then, I will go to my office now." Xiao Tian had a lot of work to do, so he didn't want to waste time.

Lin Xing Xue's expression turned sad because, from his behavior, it looked like he didn't want to be around her for a long time.

When Xiao Tian walked towards his office, Lin Xing Xue spoke, "Tian..."

## **Chapter 724 - Zhi Rou Meets Nalan Jiangge**

6-7 minutes

---

Xiao Tian instantly stopped his footsteps and turned around. "What's wrong?"

Lin Xing Xue didn't know what to say to him because she called his name on reflex earlier.

'What should I say?'

Because she still wanted him to be around her, Lin Xing Xue thought of a way to make Xiao Tian stay.

"Is there anything you want to say to me?" Xiao Tian asked again.

Like before, Lin Xing Xue didn't say a word. No, to be more precise, she wanted to say something to him but didn't know what to say.

At this moment, Xiao Tian suddenly remembered that he would have a small party with his mother and the others.

Because Lin Xing Xue had been trying her best to get back with him, Xiao Tian thought there was no harm in inviting her. "Oh, right! I'm going to have a little party with my mother and the others later. Do you want to join us?"

"Yes." Lin Xing Xue answered without thinking twice.

She was pleased when Xiao Tian invited her to his party because with this, she knew that all her efforts were not in vain.

Not only would she be able to spend time with him, but she would also have the opportunity to get close to Xiao Tian and the others.

"If everything goes according to plan, we will have a party on the beach later." Xiao Tian spoke and paused for a second before he continued, "Or you can come to my house so that we can go together later."

"Yes. I will go to your house later." Lin Xing Xue responded. "Can I bring my daughter?"

"Yes." Xiao Tian responded as he nodded his head. "Alright. I want to work first. I have a lot of work today."

"Un." This time, Lin Xing Xue didn't stop Xiao Tian.

Then Xiao Tian headed to his office and began to work. Xiao Tian worked for about three hours before finally he called Yun Xin Er and invited her to the party later.

-----

Nanli District, Bamboo Restaurant.

In the private area of the Bamboo Restaurant, three women were talking seriously. Two of them were wearing robes with veils on their faces while the other one was wearing luxurious clothes.

If Xiao Tian saw them, he would immediately recognize one of them because one of them was none other than Nalan Jiangge, Yun Xin Er's mother.

"So, what are you going to do to Xiao Tian now?" a lady who wore a blue robe with a white veil on her face inquired.

"I won't cause trouble to him for now." Nalan Jiangge still could not forget how scary Xiao Tian was.

Since Xiao Tian showed his terrifying expression, which made her body tremble, the feeling of deep fear emerged every time she wanted to cause trouble for him.

Of course, she still didn't approve of Xiao Tian's relationship with her daughter because, in her view, her daughter deserved a man who was much better than Xiao Tian.

"Why? Are you afraid of him now?" a lady who wore a black robe with a black veil on her face inquired.

"No." Nalan Jiangge lied to them. "Right now, I have a lot of important things to do, so I don't have time for him."

"Are you sure about it? If you did nothing to him, they would become closer, you know?" the lady who wore a white veil asked again.

"Zhi Rou, you don't have to worry about that because I will make sure that they will separate later." Nalan Jiangge spoke with determination in her eyes.

"All right, then." Zhi Rou then rose from the chair. "I still have something to do. If you need anything, you can call me."

"All right." Nalan Jiangge responded.

When Zhi Rou was walking away, the lady who wore a black robe followed her.

After they got into the car, the lady who wore a black robe inquired, "Master, it seems like Nalan Jiangge is getting softer to Xiao Tian now. What should we do now?"

"Don't worry. I still have a backup plan." Even though Zhi Rou didn't expect that Nalan Jiangge would stop causing trouble to Xiao Tian in the next few days, she didn't care about it. "What a pity. I thought Xiao Tian and Nalan Jiangge would continue fighting until one of them died. I didn't expect that Xiao Tian would not do anything to her."

Actually, Zhi Rou hated Xiao Tian and the Yun family because they had done something to her and her follower.

When she knew that there was an opportunity to make the two of them fight each other, of course, she would not let that opportunity slip away.

Zhi Rou immediately met Nalan Jiangge with a fake identity and told Nalan Jiangge that Xiao Tian had done something bad to her family and she wanted to take revenge on him.

Zhi Rou knew that Nalan Jiangge disliked Xiao Tian, so she was sure that Nalan Jiangge would agree to help her. And what she had guessed was right because Nalan Jiangge instantly agreed to help her.

If Guzuo was used by Nalan Jiangge, it could be said that Nalan Jiangge and Xiao Tian were used by her.

"When are we going to carry out your plan, master?" the lady who wore a black robe inquired.

"Not now because we have to go to Beijing first. There is something we should do before executing my plan." Actually, Zhi Rou wanted to carry out her plan immediately, but because there was something she had to do in Beijing, she could not do that.

"Beijing?" the lady who wore a black robe was surprised after hearing Zhi Rou's words. "When are we going?"

"Tomorrow morning." Zhi Rou responded. "Don't worry. As soon as we return to Shanghai, we will carry out the plan."

"Thank you, master." The lady who wore a black robe spoke.

Yes. She was the lady who hated Xiao Tian, not Zhi Rou.

Actually, Zhi Rou only hated the Yun family, but because her maid hated Xiao Tian, she decided to destroy Xiao Tian and the Yun family together.

"If you remain loyal to me, I will help you in everything." Zhi Rou uttered.

"I will remain loyal to you, master." The lady who wore a black robe responded.

## **Chapter 725 - Going To The Beach**

7-8 minutes

---

"Please check again and make sure nothing is left behind because it will be troublesome later." Xiao Tian spoke abruptly

Currently, Xiao Tian, Lin Xing Xue, Feng Yu, Yun Xin Er, Liu Ning, Shi Fei, Ye Qingyu, and Ye Xueyin were in front of Xiao Tian's house.

After making sure that nothing was left behind, they went straight to Duzio Beach. Duzio Beach was located in Jisha city, one of the cities in the Nanli district.

One of the reasons why they decided to travel to Duzio Beach was that only a few people went to Duzio Beach.

Even though Duzio Beach was not as beautiful as Yonhan beach, but they didn't mind it because they only wanted privacy.

There was a chance that Xiao Tian's girlfriends would be wearing swimsuits later, so he chose a quiet place so that other people would not see his women in swimsuits.

They arrived at their destination at 03:30 pm. And like what they had guessed, there were only a few people on Duzio Beach. Xiao Tian and the others immediately looked for a good place for them to have a small party.

After finding a good place to have a party, they started putting down the grills and other equipment. Shi Fei and the others were thrilled because it was their first time having a party together on the beach.

"Everyone, before we start cooking, I have something to say." Xiao Tian uttered.

Liu Ning and the others instantly stopped what they were doing and looked at Xiao Tian. They were curious about what he was going to say to them.

"In order to prevent our clothes from getting dirty, how about all of you wear swimsuits now? You all brought swimsuits right?" of course, Xiao Tian didn't forget to take advantage of the situation.

Even though he had seen them in swimsuits before, it did not reduce his desire to see them in swimsuits; instead, it made her even more eager to see them in more swimsuits.

"Hehehe." Liu Ning and the others giggled.

Actually, they had guessed that Xiao Tian would ask them to wear swimsuits because they knew that he was a pervert who would always take advantage of the situation.

"Why are you all laughing? We are on the beach so it's normal to wear swimsuits." Xiao Tian made an excuse so that he could see them in swimsuits. "I have seen all of you in swimsuits before so what's wrong with letting me see it again? In my view, it would be weird if all of you wore normal clothes."

Of course, Xiao Tian said something like that because he wanted to see them in swimsuits.

Lin Xing Xue and the others looked at each other before answering in unison. "Fine. But you have to prepare everything now."

Because they were also planning to wear swimsuits, they didn't refuse. Like what Xiao Tian said, he had seen them in swimsuits many times, so there was no need for them to feel embarrassed.

"Don't worry. Everything will be ready later." Xiao Tian smiled happily when they agreed to wear swimsuits.

'Hehe first step went smoothly. The next step is to take their photo later.'

Xiao Tian would not let the opportunity slip away, so he planned to take a lot of pictures later.

As Ye Qingyu and the others were heading to the changing rooms, Xiao Tian took off his T-shirt and began preparing everything.

Ten minutes later, Ye Qingyu and the others returned. Even though Xiao Tian had seen them in swimsuits several times, he was still amazed by how sexy they were in swimsuits.

Because Yun Xin Er wanted to tease Xiao Tian, she immediately stood in front of him and made a sexy pose, "How is it? Am I sexy?"

"Very sexy." Xiao Tian gave an honest answer.

"What about me, little brother?" Shi Fei also made a sexy pose.

Xiao Tian gave her a thumbs up and responded, "You are very sexy too."

"What about the others?" Shi Fei asked again.

"Everyone is very sexy." Xiao Tian stated.

"Hehe." Liu Ning and the others could not help but giggle when Xiao Tian kept repeating the words 'very sexy'.

"Alright everyone, let's start now." Shi Fei spoke happily as she raised her left arm high.

"Un." Lin Xing Xue and the others began to grill the food.

As usual, Xiao Tian immediately helped them.

'It's time to take their picture. Of course, I will also take romantic photos later.'

With that idea in mind, Xiao Tian grabbed his camera and started taking pictures of them.

At first, Xiao Tian only took photos of them grilling food, but suddenly an exciting idea popped into his head.

Xiao Tian wasted no time and immediately walked towards Shi Fei. Shi Fei, who was grilling chicken wings, thought Xiao Tian wanted to take a picture of her again.

For this reason, she looked at the camera and smiled brightly while also giving a peace sign.

To her surprise, Xiao Tian instantly kissed her left cheek and took a picture of them. Even though his actions much surprised her, Shi Fei didn't mind it. The smile on her face grew even wider when he kissed her.

At first, Shi Fei thought Xiao Tian would take a picture of others immediately, but she was wrong again.

What he did was something she had never thought of before. He pressed his lips against hers and took a picture again.

This made Shi Fei even happier than before. She immediately cupped his face and shut her eyes.

As if Xiao Tian could read her mind, he immediately took a picture of them. He did not take photos only once, but several times and from different angles too.

"Hehe." Yun Xin Er and the others, who saw them, giggled.

'What a pervert young man!'

Because Xiao Tian took advantage of the situation to kiss Shi Fei on the lips, they labeled him as a pervert.

After kissing Shi Fei, Xiao Tian took several photos with his mother and aunt. Because their relationship with Xiao Tian was still a secret, they didn't take romantic pictures.

Of course, Xiao Tian didn't stop there. He wasted no time and immediately walked towards his next target. And his next target was Liu Ning!

Because Liu Ning was one of his women, of course, Xiao Tian would take romantic photos with her like what he did to Shi Fei.

Liu Ning, who was making skewers, smiled softly when Xiao Tian suddenly embraced her from behind and took photos of them.

While still hugging her from behind, Xiao Tian kissed her right cheek and took a picture again.

"The result is good." Xiao Tian was satisfied with the result.

"Let me see it." After Liu Ning saw the result, she nodded her head. "It's good."

"It's because my lover is gorgeous so of course, the result will be amazing." Xiao Tian didn't forget to praise his girlfriend. "Let's take another picture."

Liu Ning didn't answer, but she nodded her head, giving him a sign that she agreed to take another picture.

And like what he did to Shi Fei, Xiao Tian kissed Liu Ning's pretty lips and took a picture of them while kissing her. Of course, she let him do whatever he wanted because he was her lover.

After taking pictures with Liu Ning several times, Xiao Tian decided to stop.

'Who is my next target?'

Xiao Tian looked at Yun Xin Er and Lin Xing Xue.

## **Chapter 726 - Taking Pictures With Yun Xin ER And Lin Xing Xue**

6-8 minutes

---

Both Yun Xin Er and Lin Xing Xue were not his women yet, but he was sure that they would let him take romantic pictures with them later.

'Which one should I choose?'

Xiao Tian wavered whether he should take pictures with Lin Xing Xue first or with Yun Xin Er.

Lin Xing Xue glanced at Xiao Tian for a second before cutting the strawberries again.

'Is he going to take a photo with me now?'

There were only two people left who had not taken a photo with him; Yun Xin Er and her. Even though she knew that Yun Xin Er's place in Xiao Tian's heart was higher than her, but she really hoped that Xiao Tian would choose her.

And as if God wanted to grant her wish, Xiao Tian walked towards her with a smile on his face. "Little Xue, let's take a picture together."

Lin Xing Xue didn't answer and only smiled softly. She was pleased when Xiao Tian chose her over Yun Xin Er.

At first, Xiao Tian only took normal photos with her, but he changed his mind when he saw the expression on her face.

Even though Lin Xing Xue didn't say it directly, Xiao Tian knew that she also desired to take romantic pictures with him.

"Little Xue, kiss me." Xiao Tian spoke as he touched his left cheek.

His words much surprised her. Previously, she thought Xiao Tian would immediately hug her or kiss her. She didn't expect him to ask her to kiss him on the cheek.

Of course, Lin Xing Xue did not refuse because there was no difference between he kissed her and she kissed him.

Lin Xing Xue then wrapped her long slender arms around his neck and kissed his left cheek. When Xiao Tian was about to take a picture of them, she immediately shut her eyes.

\*Click...

The sound of the camera could be heard in their ears.

After that, they took a picture again. This time, it was Xiao Tian's turn to kiss her, but he didn't kiss her lips. Xiao Tian only kissed her forehead.

Even though Lin Xing Xue was disappointed, but she didn't voice it. She understood that Xiao Tian would not kiss her lips in front of others because they had broken up.

Of course, she desired him to kiss her pretty lips because she wanted him to treat her like how he treated Liu Ning and Shi Fei.

But still, she could not voice it out. She was already delighted to be able to take romantic photos with Xiao Tian.

To her surprise, when Lin Xing Xue thought Xiao Tian would go to Yun Xin Er, he turned her face towards him and kissed her lips.

Her eyes widened in a second before finally, she closed her eyes.

\*Click...

The sound of the camera could be heard in her ears.

Due to how happy she was, Lin Xing Xue kept pressing her lips against his. Her hands were still wrapped around his neck, and she also didn't open her eyes.

At this moment, Xiao Tian wanted to say that he had taken their photo, so they should stop kissing.

Lin Xing Xue suddenly came to her senses and opened her eyes. When she realized what she had done, she suddenly felt shy.

In order to hide her shyness from Xiao Tian, she instantly lowered her head. "Do you still want to take more photos?"

"Let's take more photos later." Xiao Tian felt that he had taken enough photos with her, so he wanted to take a picture with Yun Xin Er.

"All right." Because Xiao Tian had kissed her lips, she was not disappointed.

Without waiting for another second, Xiao Tian walked towards Yun Xin Er.

When Xiao Tian was on her right side, Yun Xin Er immediately asked, "Why are you here? Hehe. Don't tell me you want to take a romantic picture with me. Are you going to take a picture while kissing me now?"

"Yes." Xiao Tian gave an honest answer.

He had kissed her passionately many times, so in his view, there was no point in lying to her because he was sure that she would not reject him.

"Are you sure? Are you not afraid your women will get angry at you? They are close to us, you know?" Yun Xin Er gave him several questions at once.

"Why would they do that? They already know about our relationship, you know? Did you forget it?" after saying that, Xiao Tian immediately embraced Yun Xin Er from behind.

Yun Xin Er immediately turned her head to look at Liu Ning and Shi Fei. "Miss Shi, Mrs. Liu, look at your boyfriend! He is hugging me now. Not only that, he even told me that he wanted to take a picture while kissing my lips. Please tell him to let me go."

Even though Yun Xin Er said something like that, she didn't try to free herself from Xiao Tian's embrace.

Liu Ning and Shi Fei, who saw them, only giggled. They knew that Xiao Tian had a special relationship with Yun Xin Er, so they were not surprised by his actions.

"See! They didn't do anything, right?" Xiao Tian embraced her tighter.

Because Liu Ning and Shi Fei didn't say anything, Yun Xin Er then looked at Ye Xueyin. "Mrs. Ye, your son is harassing me. Please tell him to stop."

"Just hit him." Ye Xueyin responded. "You can also beat him if you want. Don't worry. I won't get angry later."

The corner of Xiao Tian's lips twitched after hearing his mother's words.

"Did you hear that? Your mother said I could hit or beat you." even though Yun Xin Er said something like that, but she only pinched Xiao Tian's nose. "A naughty kid should be punished."

Yun Xin Er then snatched the camera from Xiao Tian's right hand and took a picture of them.

"Hehe. The result is good." Yun Xin Er giggled happily when she saw the result.

In the picture, Yun Xin Er was pinching Xiao Tian's nose while being hugged by Xiao Tian from behind. She was satisfied with the photo because it was like she was punishing Xiao Tian.

"Let's take more photos." Xiao Tian didn't mind it because as long as Yun Xin Er liked the picture, he would keep it.

"Sure." Yun Xin Er took another picture.

This time, Yun Xin Er was pinching his right cheek. Of course, she was still being embraced by Xiao Tian from behind.

"Again." Since Xiao Tian had let her do whatever she wanted, he immediately pressed his lips against her right cheek.

At first, Xiao Tian thought Yun Xin Er would stop him. To his surprise, Yun Xin Er smiled dazzlingly before taking a picture of them.

"Oh! The result is good." Yun Xin Er spoke as she saw the picture.

"As expected of big sister Yun, you are indeed talented in everything." Xiao Tian praised her. "Let's take another photo."

"What?! You still want to take more pictures?! We have taken several photos. Is that still not enough?" actually, Yun Xin Er had guessed that Xiao Tian would say something like that because he still hadn't kissed her lips.

"Of course, I still want to take more picture!" Xiao Tian answered instantly. "Give me the camera. Now it's my turn to take a picture of us."

### **Chapter 727 - Tian'er, I'm Tired.**

8-10 minutes

---

After snatching the camera from Yun Xin Er's right hand, Xiao Tian immediately spoke, "Let's take pictures while kissing on the lips. I'm sure the results will be great later."

"Sure. But you have to shout 'big sister Yun, I want to kiss your pretty lips'. Hehe. How is it? Do you dare?" Actually, Yun Xin Er had guessed that Xiao Tian would say something like that because previously, he had kissed Liu Ning, Shi Fei, and Lin Xing Xue on the lips.

The corner of Xiao Tian's lips twitched upon hearing her words.

'What?! You want me to embarrass myself?! What a bad lady! But I still love her.'

At this moment, Xiao Tian had no idea whether she was serious or not. Of course, her condition did not reduce his desire to take a picture with her.

Instead of shouting, Xiao Tian brought his face closer to her right ear and whispered, "Big sister Yun, I want to kiss your pretty lips. Please let me kiss your tender lips."

Since shouting those words would be so embarrassing for him, Xiao Tian decided to whisper it in her ears.

"You have to shout, not whisper like that." Yun Xin Er was thrilled because she thought Xiao Tian was under her control now. "Hurry up and do it or else, I won't let you kiss my lips later."

Black lines formed on Xiao Tian's forehead. He would immediately do as he was told if they were alone, but with a few people around him, he didn't want to do that.

'It seems like I have to punish this bad lady now.'

Xiao Tian said in his head.

When Yun Xin Er saw the expression on his face, she covered her mouth with her left hand and giggled.

'Hehe. I win.'

Yun Xin Er was delighted and believed that Xiao Tian would not dare to do anything to her.

But she was wrong because Xiao Tian suddenly bit her right earlobe. "Ahhh..."

Actually, Xiao Tian didn't bite her right earlobe hard, but because she was shocked, Yun Xin Er screamed in reflex.

Ye Qingyu and the others instantly turned their heads towards Yun Xin Er. They were startled when Yun Xin Er suddenly let out a seductive moan.

"Little brother, this is a public place so you have to control yourself. Hehe." Shi Fei said as she giggled.

"That's right, Tian'er. You have to control yourself." Liu Ning added. "And don't hurt her too. You have to remember that she is a famous singer."

"Pervert!" Ye Qingyu stated.

Ye Xueyin and Lin Xing Xue didn't say a word, but both of them were giggling.

Because Yun Xin Er thought it was a good idea to take revenge on Xiao Tian, she immediately spoke, "Little brother, if you are horny, you should go to Mrs Liu or Miss Shi because they are your women. And you should stop squeezing my breasts. What if other people see us now? Are you not afraid?"

Because Xiao Tian was embracing her from behind, Ye Qingyu and the others thought Yun Xin Er was telling the truth.

Yun Xin Er's words much surprised Xiao Tian.

'Holy cow! This bad lady is slandering me.'

Xiao Tian didn't expect that she would say something like that.

'Hmf! Because you are slandering me, I will do as what you have said.'

With that idea in mind, Xiao Tian moved his hands from her waist to her breasts.

"Ahhh..." Yun Xin Er's little mouth opened, letting out a seductive moan.

Even though she knew that Xiao Tian was a pervert, she didn't expect that he would be squeezing her breasts in a public place.

Sure, they were in a quiet place. But squeezing her breasts in front of his mother and the others was too much.

'He is squeezing my breasts.'

Yun Xin Er finally understood that she was underestimating Xiao Tian.

Ye Qingyu and the others turned their heads towards Yun Xin Er again. Because Yun Xin Er let out a seductive moan, they were sure that Xiao Tian was squeezing Yun Xin Er's breasts again.

"Tian, what are you doing?" Ye Qingyu stared at Xiao Tian while smiling.

Even though she was smiling, but her smile was so terrifying. It was as if she wanted to kill someone.

"Well, big sister Yun slandered me, saying I was squeezing her breasts. Because of this I decided to do what she said." As Xiao Tian was answering Ye Qingyu's question, he was still squeezing Yun Xin Er's breasts.

Ye Xueyin then looked at Liu Ning and spoke, "Ning, go and stop my son before he causes trouble for us later."

Liu Ning wasted no time and did what she was told. She then dragged Xiao Tian away from Yun Xin Er. "Tian'er, you are not allowed to be near Miss Yun for now."

"Because my lover said so, I will obey it." After saying that, Xiao Tian carried Liu Ning in a princess style.

"Kya..." Liu Ning was startled when Xiao Tian suddenly carried her.

"Let's go for a walk. I want to spend time with my pretty girl." Because he could not tease Yun Xin Er anymore, Xiao Tian decided to spend time with Liu Ning.

Yun Xin Er giggled before saying, "Little brother, remember to find a quiet place before doing it so that no one will find out. Haha."

Xiao Tian stopped his footsteps and turned around. "What are you saying? I only want to go for a walk with my gorgeous lover. No more than that."

"Little brother, we know you are a pervert so you don't need to deny it." Shi Fei also thought that Xiao Tian wanted to have sex with Liu Ning. That was why she said something like that.

Xiao Tian could only sigh. Because he knew that whatever he said would be useless, he decided to ignore their words and walked again.

"Hehe." Liu Ning, who saw his expression, giggled happily.

"Ning'er, why are you giggling like that? Do you also have the same thoughts as them? Why don't you believe your lover? I, your boyfriend, am a good young man, you know? You make me sad." Xiao Tian pretended to be sad.

Instead of answering all of his questions, Liu Ning asked him. "What do you think?"

"Oh! So you don't want to tell your lover, huh? It seems like I have to punish you now." Xiao Tian suddenly remembered that he was carrying her. "Forget it. Because I'm a good lover, I will forgive you this time."

"Hehe." Of course, Liu Ning knew the reason why Xiao Tian didn't punish her.

Xiao Tian then put her down and held her left hand. "Let's walk while holding hand."

"Un." Liu Ning smiled as she nodded her head.

Then Xiao Tian and Liu Ning walked aimlessly. They were talking, teasing each other, and laughing together.

If anyone saw them, they would think that the world was a beautiful place in the eyes of Xiao Tian and Liu Ning because the smiles never left their faces.

"Tian'er, I'm tired. Let's take a break first." Because they had been walking for more than fifteen minutes, Liu Ning's legs started to hurt.

"All right." Xiao Tian responded. "Let's find a place to take a break."

Then Liu Ning and Xiao Tian looked for a place to rest.

Coincidentally, there was a steep ravine beach near them. The steep ravine beach was quite large, with a height of about ten meters.

[Dang! I don't know what this is called. I spent a few minutes trying to find this word and didn't know if it was the right word or not. Sigh. This is driving me crazy]

Xiao Tian pointed his right index finger towards the steep ravine beach and spoke, "Let's take a break there."

"All right." Liu Ning answered as she nodded her head.

After they sat on the sand, Liu Ning immediately hugged Xiao Tian's right arm and leaned her head on his right shoulder.

Xiao Tian kissed her hair and spoke, "Does it sti-"

Xiao Tian stopped his words halfway when a voice suddenly reverberated throughout the steep ravine beach.

Xiao Tian and Liu Ning instantly looked at each other. They knew what kind of voice it was because they were familiar with it. Yes. It was a woman's moans.

'Someone is having sex near us!'

Liu Ning and Xiao Tian only wanted to take a rest. They did not expect that there would be people having sex near them.

"Where are they?" Xiao Tian turned his head to the left and right, but he didn't see anyone.

Liu Ning pointed her right index finger at the huge stone on her right side, "The voice is from over there. It seems like they are behind that huge stone."

Xiao Tian suddenly wanted to know who they were. For this reason, he rose to his feet and spoke, "Ning'er, let's see who they are?"

"Tian'er, we can't do that. Let's leave." it was not a good idea to peek at people having sex. That was why Liu Ning tried to stop Xiao Tian.

Xiao Tian had guessed that Liu Ning would try to stop him because he knew her personality. "Let's take a look at them for a bit. Are you not curious?"

Of course, Liu Ning was also curious, but she was afraid of being caught by them later. "But.."

"It's fine. We won't get caught." After saying that, Xiao Tian dragged Liu Ning to peek at them.

Even though Liu Ning didn't want to peek at them but because Xiao Tian was dragging her, she could not help but follow him.

### **Chapter 728 - On The Beach With Liu Ning**

7-8 minutes

---

The huge stone was as high as Liu Ning's shoulders, so they could still see what was happening in front of them without putting in much effort.

'They are still young.'

Actually, Liu Ning had guessed that the lovers who were having sex near them were still young because usually, only young people loved outside sex.

Young people loved adventure, so many of them often had outdoor sex. Unlike old people, they usually only had sex at home. Of course, not everyone was like that.

"They are still young." Xiao Tian spoke in a low voice.

A young couple about twenty-one years old was having sex in front of them. The woman was standing with her hands on the cliff wall.

Behind her, a red-haired young man was grabbing her waist while thrusting his cock into her wet vagina repeatedly.

"Ahh...Ah....Ah...." because the woman thought they were alone, she didn't hold back her moans.

She kept moaning as her lover was fucking her from behind. If anyone saw her, they would immediately know that she loved having sex with her lover because, from her expression, anyone could tell that her mind was already on cloud nine.

As they were having sex, Xiao Tian kept paying attention to them.

'This is exciting!'

It was rare for him to see someone having sex, so Xiao Tian didn't want to let the chance slip away. Even though he often had sex with his women, but peeking at other people having sex was exciting too. For this reason, Xiao Tian wanted to keep looking at them.

"Ahh...Ah...Ah...Zou Ma, faster...Ah...Fuck me faster and deeper. Ah...Ah..." the woman wanted to feel more pleasure, so she told her lover to fuck her faster and deeper.

"Zi Qing, your pussy is so tight." After saying that, Zou Ma lifted Zi Qing's right leg so that he could fuck her faster and deeper.

"Ah...Ah...Ah..." Zi Qing cried out in pleasure faster when Zou Ma increased his movements.

Xiao Tian and Liu Ning, who were seeing them, felt their bodies turn hot. The longer they looked at Zi Qing and Zou Ma having sex, the bigger the flames of lust within them.

\*Gulp....

Xiao Tian and Liu Ning could not help but gulp their saliva before finally they looked at each other.

From their expressions, anyone could tell that the flames of lust had started consuming their bodies. But they did nothing and returned their attention to Zi Qing and Zou Ma.

At this moment, Zi Qing and Zou Ma had changed positions. Of course, they were still having standing sex, but this time, he was fucking her from the front with her back leaning against the steep ravine wall.

Zi Qing's left leg was hanging on Zou Ma's right arm, and she placed both of her hands on his shoulders. "Ah...Ah...Ah...Ah..."

When Zou Ma saw the fascinating expression on her face, the desire to kiss her passionately emerged within him. He wasted no time and immediately kissed her intensely.

"Huft....Huft....Huft...Huft..." Liu Ning started to breathe heavily.

'We have to leave this place.'

Liu Ning knew that she would lose herself in lust if she kept looking at them having sex.

She wanted to tell Xiao Tian that they should leave that place, but her mouth betrayed her. She opened her mouth, but the words did not come out of her mouth.

Like Liu Ning, Xiao Tian almost could not hold back the flames of lust within him. The beast within him almost managed to take over his body.

Coincidentally, Xiao Tian and Liu Ning looked at each other at the same time. Because Xiao Tian was with his lover, he didn't try to fight back the lust within him.

For this reason, the flames of lust had almost consumed his entire body. "Ning'er..."

When Xiao Tian cupped her face, Liu Ning didn't say a word and only looked at him in the eyes.

She knew that she had to control her lust and immediately left that place. But like before, her body betrayed her.

Not only did she not try to stop Xiao Tian, she even wore a lustful expression as if she was telling Xiao Tian to do adult things to her immediately.

Because Xiao Tian had a lot of experience, he knew that the flames of lust had taken over Liu Ning's body.

And what he had guessed was right because when he was bringing his face closer towards hers, she slowly shut her blue eyes.

Maybe because they just saw Zi Qing and Zou Ma having sex, or perhaps because they were already aroused. But when their lips met, they felt electricity running down their whole bodies.

\*Thump...Thump...Thump...

Unlike usual, this time, their hearts were beating so fast until they could hear their heartbeat.

At this moment, Xiao Tian's hands were already on Liu Ning's waist. But he still did nothing to her and only pressed his lips against hers.

His actions much surprised Liu Ning. Previously, she thought Xiao Tian would immediately kiss her passionately because she knew that Xiao Tian was already aroused.

For this reason, she immediately opened her blue eyes and stared at Xiao Tian's black eyes. But like before, she didn't say anything to him.

After pressing his lips against hers for about seven seconds, Xiao Tian finally tried to put his tongue in her little mouth.

Because Liu Ning also desired to have a passionate kiss with him, she instantly opened her mouth and closed her eyes again.

Liu Ning knew that Xiao Tian was skilled in a deep kiss, but at that moment, she felt as if he was much more capable than usual.

'Is this because we just saw people having sex?'

Liu Ning suddenly thought that the reason why she felt Xiao Tian was much more skilled in a deep kiss was that they had just seen someone having sex.

As Xiao Tian was exploring her little mouth with his tongue, Liu Ning immediately wrapped her long slender arms around his neck and enjoyed the kiss.

They had a passionate kiss for about fifty seconds before finally, Liu Ning broke the kiss.

"Huft...Huft...Huft..."

'No! We have to stop. I have to tell him that we should not continue this.'

With that idea in mind, Liu Ning immediately tried to tell Xiao Tian that they should stop what they were doing.

However, the moment Xiao Tian kissed her passionately again, that idea disappeared without a trace. It was as if she didn't have that idea in the first place.

The flames of lust started consuming her body again, and the longer she had an intense kiss with Xiao Tian, the easier her will to stop Xiao Tian was defeated by her lust.

She began to move her soft pink tongue wildly, and not only that, but she also began tilting her head to the left and right.

"Ahh...Ah...Ah...Ah..." Zi Qing's cries echoed throughout the steep ravine beach again.

This made Xiao Tian and Liu Ning even hornier. Previously, Xiao Tian only wrapped his arms around her waist, but this time, he began to squeeze her breasts.

As Xiao Tian was squeezing her breasts, Liu Ning didn't stay still. She slowly moved her right hand to Xiao Tian's shorts before she finally put her right hand under his shorts and directly touched Xiao Tian's erect penis.

'It's hot.'

Those were the words that appeared in her mind when she was touching Xiao Tian's huge cock.

### **Chapter 729 - Playing With Liu Ning On The Beach**

7-8 minutes

---

At this moment, Xiao Tian and Liu Ning were still kissing intensely. It was as if none of them wanted to stop the kiss.

Liu Ning, who was holding his shaft, slowly moved her right hand to the tip of his cock. Because Xiao Tian was already aroused, the pre-cum came out of the tip of his penis.

Liu Ning immediately touched his pre-cum with her index and middle fingers before finally circling the tip of his cock with his fingers.

Because it was the most sensitive area for men, Xiao Tian could not control his body, and as a result, he broke the kiss.

He lowered his head to look at Liu Ning's right hand before returning his attention to her pretty face.

As Liu Ning was playing with his huge cock, she looked at Xiao Tian's black eyes. And like before, she didn't say anything, but her little mouth kept to open as if she could not breathe with her nose anymore.

\*Gulp...

Xiao Tian could not help but gulp his saliva when he saw her expression.

Her fascinating expression and a slightly open mouth made Xiao Tian no longer able to control his lust. At this moment, Xiao Tian had stopped squeezing her breasts.

He kept looking at her fascinating face before finally, his gaze fell on her alluring neck.

As if Liu Ning could read his mind, she slowly shut her eyes and tilted her head back so that Xiao Tian could kiss her neck easily.

Of course, Liu Ning was still playing with his cock. "HmMMMM..."

Because Liu Ning didn't want Zi Qing and Zou Ma to hear her moaning, she tried her best not to moan. As Xiao Tian was kissing her neck, Liu Ning started stroking his huge penis faster.

\*Kiss...

As Xiao Tian pressed his lips against her neck, he suddenly felt as if he was under a cherry tree with a gentle breeze blowing against his body.

The softness of her neck skin coupled with the fragrance of her body made Xiao Tian want to continue kissing her neck.

He pressed his lips against her neck for about a second before finally, he broke the kiss. He then kissed her neck and stopped the kiss again. He repeated the same process several times before finally, he started kissing her intensely.

"Hmmm...." Like before, Liu Ning tried not to moan.

Xiao Tian kept kissing her neck for several seconds before finally, he stopped.

When Liu Ning noticed Xiao Tian staring at her breasts, she knew that he wanted to play with boobs again.

Because she thought Xiao Tian wanted to squeeze her breasts again, Liu Ning slowly nodded her head, giving him a sign that he could squeeze her boobs.

To her surprise, instead of squeezing her breasts, Xiao Tian lifted her bikini top, allowing Xiao Tian to see her beautiful boobs.

His actions much surprised her. Liu Ning then looked at her erect nipples before shifting her gaze to Xiao Tian's face.

'Don't... don't tell me. We are going to do it here?!'

Even though her mind kept telling her to stop him because they were in a public area, but the flames of lust within her was bigger than her rationale.

Thus, Liu Ning did nothing when she saw Xiao Tian's face getting closer towards her left breast. Because she was already aroused, her bikini bottom was wet from her love juices.

"Hmmm..." Liu Ning bit her lower lip when Xiao Tian was licking her left erect nipple.

At this moment, Liu Ning stopped stroking his penis and focused on Xiao Tian, who was licking her left nipple.

She widened her eyes for a second when Xiao Tian suddenly bit her left nipple a little hard. Even though she knew that he would do that, but she was still shocked when he bit her left nipple.

Liu Ning started stroking Xiao Tian's penis again. This time, she stroked his cock fast as if she wanted to make him have an orgasm immediately.

"Ahhh..." Liu Ning finally could not hold back her moan when Xiao Tian suddenly played with her vagina directly while still licking her left nipple.

"Ahh...Ah...Ah... Zou Ma, did you hear it? Ah...Ah...Ah..." Zi Qing was surprised after hearing Liu Ning's moan.

"Hear what? I don't hear anything." Because Zou Ma was focused on fucking Zi Qing, he did not realize it.

While still crying out in pleasure, Zi Qing tried to tell him. "Ahh...Ah...Ah... I just heard a woman's moan. Ah...Ah..."

"A woman's moan?! Maybe it's only your imagination." Zou Ma responded. "Let's focus on ourselves."

"Ha...Ah...Ah..." Zi Qing wailed in delight when Zou Ma moved his waist faster.

At this moment, Liu Ning stopped stroking Xiao Tian's penis and covered her mouth with both of her hands because she was afraid that she could not hold back her moan again.

Like before, Xiao Tian was still licking her nipples and playing with her pussy directly. He then thrust his right middle finger into Liu Ning's wet vagina, causing her to tilt her head back.

In order to make sure that she would not moan again, Liu Ning squeezed her eyes shut and enjoyed the pleasure.

At first, Liu Ning thought Xiao Tian would keep playing with her pussy and nipples, but she was wrong because not long after Xiao Tian thrust his right middle finger into her vagina, he stopped what he was doing.

For this reason, Liu Ning opened her eyes and looked at him in confusion. She wanted to know why he suddenly stopped like that.

Before Liu Ning could ask him, Xiao Tian suddenly spoke, "Ning'er, I want to lick your pussy. Turn around and place your hands on this huge stone."

Liu Ning didn't answer, but she nodded her head. Because she knew that Xiao Tian wanted to lick her vagina immediately, Liu Ning turned around and placed both of her hands on the big stone.

After spreading her legs, Liu Ning turned her head to look at Xiao Tian, giving him a sign that she was ready.

Xiao Tian wasted no time and immediately stood behind her.

\*Gulp...

Xiao Tian could not help but gulp his saliva when he saw her wet bikini bottom.

Without waiting for another second, Xiao Tian slid her bikini bottom to the other side. When Xiao Tian saw her pretty vagina, he wanted to immediately thrust his cock into her pussy, but he tried his best not to do that.

At this moment, Liu Ning was still looking at Xiao Tian.

'Tian'er is about to lick my vagina in a public place. I know I should stop him, but....'

Even though her mind kept telling her to stop him, but her body desired him to lick her pussy.

Like before, because she didn't want to let Zou Ma and Zi Qing hear her moan later, Liu Ning bit her lower lip.

"Hmmm..." Liu Ning almost wailed when Xiao Tian's tongue touched her wet pussy.

Xiao Tian didn't thrust his tongue into her vagina immediately; instead, he moved his tongue vertically. He moved her tongue slowly and began licking every part of her vagina.

He repeated the same process several times before finally thrusting his tongue into Liu Ning's wet vagina.

"Hiiii..." Liu Ning gritted her teeth and tilted her head back.

One of the most dangerous moments had finally come. At this moment, she hoped she could hold back her moan later.

### **Chapter 730 - Playing With Liu Ning On The Beach**

6-7 minutes

---

\*Gulp...

As Xiao Tian's tongue was exploring Liu Ning's vagina, he also drank her love juices. The longer Xiao Tian explored her pussy with his tongue, the faster her love juices came out of her cunt.

Because of this, Xiao Tian had no choice but to keep drinking it. Of course, Xiao Tian didn't hate it because her love juices were delicious. He had consumed her love juices many times, so he didn't mind it.

'Her love juices keep coming out. It seems like she is very horny right now.'

Liu Ning's vagina muscles kept squeezing his tongue, making it even more difficult for Xiao Tian to move his tongue.

"Ah...Ah...Ah..." Liu Ning wailed in delight.

Because she didn't want Zou Ma and Zi Qing to hear it, Liu Ning suppressed her moans as small as possible.

'It feels good. Is it because we are doing it in a public place?'

The longer Xiao Tian licked her pussy, the weaker her legs were. This almost made Liu Ning fall to the ground.

However, she tried her best to keep standing because she knew that Xiao Tian still wanted to lick her pussy.

Seconds turned into minutes, and without realizing it, it had been more than three minutes since Xiao Tian licked Liu Ning's vagina.

At this moment, Liu Ning almost could not stand up anymore. Her body had quivered several times, and her legs could no longer stand straight. Not only that, some of her love juices even had dripped down her thighs.

"Ah...Ah...Ah..." Liu Ning kept crying out in pleasure, but like before, she tried her best to moan as small as possible.

'Ah...I want to moan as loud as I can.'

Liu Ning suddenly wished they were at home alone because she wanted to cry out as loud as she could.

However, she suddenly thought she would not feel that immense pleasure if they were at home because the difference between having sex outdoors and having sex at home was like heaven and earth.

The thought of being caught by someone made her heart beat faster every second, and not only that, but she also felt that her sensitivity had increased rapidly.

Of course, that didn't mean making love at home was not pleasurable because every time she had sex with Xiao Tian, she always felt immense pleasure, or in other words, Xiao Tian never failed to satisfy her.

"Ah...Ah...Ah..." Liu Ning suddenly wanted Xiao Tian to put his cock into her wet vagina immediately.

She no longer cared whether they would get caught by someone or not because at this moment, all she had in mind was only sex and sex.

And as if Xiao Tian could read her mind, he immediately stopped licking her pussy and rose to his feet. Actually, his cock had been throbbing wildly since he started licking her wet pussy.

But at that time, his desire to lick her vagina was too big. That was why he didn't put his penis into her pussy immediately.

Now that his huge cock wanted to feel her wet vagina so badly, Xiao Tian could no longer control the flames of lust within him.

At first, Liu Ning wanted to ask why Xiao Tian suddenly stopped licking her wet vagina. But when she saw Xiao Tian pulling down his shorts and placing his erect cock on her pussy, she could not help but pleased.

"Ah..." Liu Ning moaned loudly when Xiao Tian thrust his huge penis into her wet vagina in one go.

Previously, she thought Xiao Tian would thrust his cock into her pussy slowly. Of course, she knew that her pussy was already wet, but still, she didn't expect him to do that.

However, she didn't say a word because she thought Xiao Tian was very horny and could no longer control the flames of lust within him.

Zi Qing and Zou Ma, who were having sex, were startled and paused what they were doing.

"See! I told you there was someone having sex near us." Zi Qing uttered, "Are you still doubting my words now?"

"I didn't expect something like this to happen." Previously, Zi Qing told him that someone was having sex near them, but Zou Ma kept saying that it was her imagination.

Now he finally knew that all this time, they were not alone. Of course, they would not leave that place because the people near them were also having sex, so in his view, they didn't need to find another place to have sex.

"Ahhh...Ah...Ah..." because she was so horny and Xiao Tian's huge cock kept hitting her womb, Liu Ning's moans were getting louder and louder.

This made Zi Qing look at Zou Ma with a pitiful gaze. From how loudly Liu Ning's moans were, Zi Qing was sure that Liu Ning's lover was very skilled in pleasuring Liu Ning.

Zi Qing was suddenly curious about how skilled Liu Ning's lover was or how big his cock was until he could make Liu Ning wail like that.

'Who are they? Since when were they here? And... is he really that good? Or is his penis big? I suddenly want to know who he is.'

Countless questions emerged on Zi Qing's head.

When Zou Ma saw the expression on her face, he suddenly felt as if someone had destroyed his pride as a man.

Even though Zi Qing didn't say anything, Zou Ma knew what she had in mind. "Qing, prepare yourself. I'm going all out now. I won't stop until you say I'm the best man in the world."

"Hehe." Zi Qing could not help but giggle after hearing his remarks.

'It seems like he feels someone is stepping on his pride.'

Zi Qing suddenly wanted to know what he would do later.

"Sure," she responded. "Make me unable to walk, and I will admit that you are the best man in the world."

"Your challenge has been accepted." After saying that, Zou Ma moved his waist faster than before.

He tried his best to make Zi Qing moan as loudly as possible so that Xiao Tian and Liu Ning would know that he was more skilled than Xiao Tian.

And thus, without Xiao Tian noticing it, he was put into a competition. A competition about who was more skilled at satisfying women.
