

## Illicit 731

### Chapter 731 - Making Liu Ning Happy

"Ah...Ah...Ah..." in one of the steep ravines beach, the moans of two lovely women reverberated throughout the area.

None of them tried to hold back their moans as if they didn't care if anyone saw them having sex or not. Yes. Those lovely moans came from Liu Ning and Zi Qing.

Currently, Liu Ning was standing with her hands on the huge stone. Behind her, Xiao Tian was grabbing her waist while thrusting his huge cock into her wet vagina repeatedly.

Previously, she was against the idea of having sex with him in a public area, but now, anyone could tell that she enjoyed having outdoor sex with him.

Her moans which she had always suppressed earlier, now echoed throughout the entire area. It was as if she wanted to tell everyone that she was having outdoor sex with Xiao Tian.

"Ah...Ah...Ah..." at this moment, Liu Ning looked so alluring.

Her fascinating expression, coupled with her lovely moans, made her look so alluring. It was as if she was a succubus who wanted to seduce everyone with her lustful expression.

"Ah...Ah...Ah... Tian'er, it feels good...Ah...Ah...More..." even though Liu Ning knew that having sex with Xiao Tian always made her feel good, but at that time, the pleasure she felt was more than usual.

She could not describe the pleasure she felt in words. Maybe because it was her first time having outdoor sex, or perhaps it was because she was having sex with the person she loved in a public area.

The pleasure she felt was different from usual to the point of making her look like a horny succubus.

If anyone saw the expression on her face, they would think that she was a gorgeous lady who just found out how pleasurable sex was.

"Hiii..." Liu Ning tilted her head back when Xiao Tian suddenly thrust his left middle finger into her cute ass hole.

All this time, Xiao Tian never played with her butt hole. Even though he had asked her to have anal sex with him, they never did it because she was still afraid to have anal sex.

"Ah...Ah...Ah..." Liu Ning cried out louder when Xiao Tian stirred up her ass hole with his left middle finger.

Even though Liu Ning was still unfamiliar with that feeling, she didn't ask Xiao Tian to stop because all she had in mind was only sex and pleasure.

Zou Ma, who was fucking Zi Qing in a missionary position, was unhappy when Liu Ning suddenly cried out louder than before.

He felt as if Xiao Tian was more skilled in pleasuring women. For this reason, he turned Zi Qing around before fucking her in doggy style.

At this moment, Xiao Tian was still playing with Liu Ning's butt hole because since he had been playing with her ass hole, her pussy was squeezing his cock even tighter as if her pussy wanted to crush his penis.

"Ning'er, your vagina feels so good." because Liu Ning's pussy had become much tighter, Xiao Tian needed more effort to thrust his cock into her wet pussy.

"Ah...Ah...Ah...Ah..." even though Liu Ning kept wailing in delight, she could still hear what Xiao Tian just said.

She turned her head to look at Xiao Tian's expression. When she saw his expression, she was delighted because she was not the only one who enjoyed the sex.

"Tian'er...Ah...Ah...Ah...I want a kiss...Ah..." while still crying out in pleasure, Liu Ning still tried her best to tell Xiao Tian that she desired a kiss from him.

At first, Xiao Tian still wanted to play with her ass hole while fucking her pussy fast, but when he saw the expression on her face, he changed his mind.

He stopped what he was doing and turned her around. Currently, they were facing each other.

Because Liu Ning desired to kiss him passionately, she wasted no time and immediately pressed her lips against his.

And as if she was a slut who hadn't kissed a man for several months, Liu Ning immediately put her soft pink tongue into his mouth and moved her tongue lewdly.

At this moment, Xiao Tian let her dominate the kiss because he desired to fuck her again. Because Xiao Tian wanted to feel her tight pussy again, he lifted her right leg and thrust his cock into her vagina again.

"Hmmm...Hm..." even though Liu Ning almost wailed several times, but she didn't stop the kiss as if she could not live without kissing him.

Like before, Xiao Tian began thrusting his cock again. Even though he could not play with her ass hole anymore, Xiao Tian didn't mind it.

Fucking her wet pussy while having a deep kiss was also a good idea. That was why Xiao Tian didn't play with her butt hole again.

One minute...two minutes...three minutes...

It had been more than three minutes since Liu Ning kissed Xiao Tian passionately. Even though they stopped the kiss twice, but as soon as Liu Ning was ready, she immediately kissed Xiao Tian again.

At this moment, the expression on her face was getting even lewder. It was as if she wanted to make Xiao Tian more aroused with her expression.

And it really worked. Her lustful expression did make Xiao Tian even hornier.

'It feels good. It has been quite a while since I felt this good. This is amazing.'

It was one of the best sex he had ever had. He even suddenly thought that he wanted to continue having sex with her until they passed out.

Because Liu Ning was out of breath and could no longer hold back her moan, she decided to stop the kiss.

"Ah...Ah...Ah..." and like before, multiples seductive moans escaped from her mouth.

Because Xiao Tian wanted to thrust his cock into her wet pussy deeper, he lifted her other's leg.

"Ah..." Liu Ning threw her head back and cried out loudly when Xiao Tian's huge cock suddenly hit her womb.

Her moans made Zou Ma even more depressed because since they had sex, Zi Qing had never wailed louder than Liu Ning.

Because the huge stone had an octagon shape, Xiao Tian immediately put Liu Ning on the stone so that he could fuck her easier.

At first, Liu Ning wrapped her long slender arms around Xiao Tian's neck, but because his huge cock kept hitting her womb, her body suddenly turned weak, causing her to fall on the stone.

"Ahh...Ah...Ah...Ah..." as Liu Ning was wailing non-stop, saliva kept dripping down from the corner of her mouth.

Even though her body was still on earth, but her mind had left her body. Liu Ning's mind was already on cloud nine since a few minutes ago.

As Xiao Tian was fucking her non-stop, he also played with her breasts using his right hand. He squeezed, pinched, and pulled her nipples as he pleased.

Even though Xiao Tian didn't do that gently, but Liu Ning didn't feel any pain; instead, it increased the pleasure she felt.

One minute...Two minutes...Three minutes...Four minutes...Five minutes...

After feeling pleasure for more than thirty minutes, Liu Ning finally reached her limit.

"Cumming...Cumming...Cumming... I'm cumming..."

\*Spruttt...

Liu Ning had a massive orgasm before finally, her body quivered for several seconds.

As usual, Xiao Tian stopped fucking her and let her finish her orgasm. Of course, he would continue fucking her again because he was still not satisfied.

When Liu Ning had an orgasm, Zou Ma felt his pride as a man shattered into pieces. He had sex with Zi Qing first, but Xiao Tian still managed to make Liu Ning orgasm faster. This made him even more depressed.

**Chapter 732 - My Ning'er Is So Alluring**

7-8 minutes

---

"Pathetic!" Zi Qing unconsciously voiced out her feelings.

From Liu Ning's voice, she knew that Liu Ning just experienced a massive orgasm. As a woman, she also desired to have a massive orgasm because that was her dream every time she had sex with her lover.

Until now, Zou Ma always failed to give her immense pleasure. Sure, she had an orgasm a few times, but that feeling was not enough for her. She desired a massive orgasm!

They started having sex first, but Xiao Tian was even able to make Liu Ning orgasm faster. Zi Qing was at a loss for words and could only sigh.

Zou Ma instantly lowered his head. His pride as a man had been shattered by Xiao Tian. But what depressed him even more was that his lover called him a pathetic person.

'Am I not skilled in pleasuring women?'

Zou Ma inquired in his head.

When Zi Qing saw the expression on his face, she immediately covered her mouth with her hands.

'Ops! Did he hear it?'

Zi Qing believed that she said that in a tiny voice. But because Zou Ma suddenly wore a sad expression, she was sure Zou Ma had heard what she just said.

Because she didn't want to see her lover sad, she tapped his shoulders and spoke, "Don't be sad. Maybe he is already old, so he has more experience than you. You are still young, so I'm sure you will get better at pleasing women later."

Zou Ma raised his head to look at her. "Really?"

"Yes." Zi Qing responded as she nodded her head. "From now on, this big sister will teach you how to make women have massive orgasms, so don't be sad."

Even though they were the same age, but because Zi Qing was two months older than him, she often referred to herself as a big sister.

"Thank you, Qing. I will try my best to learn from you so that I can satisfy you later." Zou Ma smiled happily after hearing her remarks.

"Hehe." Zi Qing giggled. "Now, let's continue."

"Un." After nodding his head, Zou Ma began to thrust his cock into Zi Qing's pussy again.

"Huft...Huft...Huft..." Liu Ning was breathing heavily.

'It feels good. As usual, Tian'er never failed to satisfy me. He is really amazing in this field.'

Even though her body was still quivering, Liu Ning didn't show the slightest care about it. She just experienced immense pleasure, so it was normal that her body was still quivering.

She was even delighted because she knew not all women could experience what she just felt. It was true that there were many men in the world, but not all of them could satisfy women in bed.

This was one of the reasons why Liu Ning never refused to have sex with Xiao Tian because he never failed to satisfy her.

When Xiao Tian saw the expression on her face, a soft smile spread across his face. He then slowly bent over to kiss her forehead.

Even though he still hadn't had an orgasm, but he was delighted because he could give immense pleasure to someone he loved.

'My Ning'er is so alluring.'

Even though Liu Ning's face belonged to the category of beautiful women, but her current expression showed the opposite. It was as if her face was made to make all men aroused.

'Oh! Her vagina is squeezing my cock wildly again.'

At this moment, Xiao Tian's huge cock was still in Liu Ning's wet vagina. He had no intention of taking his cock out of her pussy because he still desired to have sex with her.

He also believed that Liu Ning would agree to continue having sex with him because she always thought about his feelings.

"Tian'er..." Liu Ning stared at Xiao Tian's handsome face while stretching out her arms.

Even though Liu Ning didn't say what she wanted directly, but Xiao Tian knew what she had in mind. For this reason, Xiao Tian bent over and embraced her.

Liu Ning slowly shut her eyes. She really loved it when she could feel the warmth of his body.

Because Liu Ning was only wearing a bikini and Xiao Tian only wore shorts, she could feel his body even more.

But what made her happiest was that she could feel the warmth of his body while still connected to him.

"Ahh..." while still closing her eyes, Liu Ning suddenly let out a seductive moan.

'His penis is suddenly getting bigger again.'

At this moment, Liu Ning suddenly thought that Xiao Tian wanted to continue having sex with her immediately because she could feel his cock with her vaginal muscles.

Previously, Xiao Tian's cock softened a little, but now, his penis was fully erect again.

"Tian'er, you can move again if you want." Liu Ning said in a low voice.

She knew that Xiao Tian was still not satisfied and desired to continue having sex with her. That was why she said something like that because she was sure that Xiao Tian was eager to move his waist.

Of course, Liu Ning was still embracing him. She even wrapped her legs around his butt because she still wanted to feel the warmth of his body.

Xiao Tian was pleasantly surprised by her words. Since she had a massive orgasm, he had been trying his best not to move his waist because he knew that she wanted to rest for a bit.

"Are you sure?" Xiao Tian asked as he stared at her face.

"Un." Liu Ning nodded her head.

Without waiting for another second, Xiao Tian kissed her lips and began to move his waist again. And like before, Liu Ning cried out loudly until it made Zou Ma sad again.

Xiao Tian had sex with Liu Ning for about forty minutes before finally, they stopped. It was not like they didn't want to continue having sex, but it was because they had to come back.

"Ning'er, can you walk?" Xiao Tian inquired.

Currently, Xiao Tian was sitting on the sand with his back leaning against the stone.

Liu Ning, who was sitting between his legs, responded, "I think I can walk now."

"I think? Then let's continue sitting here for another five minutes." Xiao Tian didn't want to force her to walk, so he said something like that.

Liu Ning's face blossomed into a smile after hearing his words.

'Tian'er really cares about me.'

Liu Ning grabbed Xiao Tian's hands and placed them on her waist.

Xiao Tian then kissed her back gently and uttered, "I love you, Ning'er."

"I love you too." Even though Xiao Tian had said those words many times, but it never failed to make her happy.

Like Liu Ning, Xiao Tian was also delighted after hearing her words.

'I have to get stronger quickly and build undefeated underlings so that I can protect her and the others.'

Even though Xiao Tian's underlings were already strong, but he was still not satisfied. His dream was to become the wealthiest person in the whole of China, so he needed to build undefeated underlings.

'Should I take control of the underworld first?'

Suddenly a wild idea emerged on his head.

As Xiao Tian was thinking, Liu Ning suddenly spoke, "Tian'er, I'm fine now. Let's go back."

"Are you sure?" Xiao Tian inquired

"Yes." Liu Ning replied.

### **Chapter 733 - If Only He Were My Lover**

6-8 minutes

---

Xiao Tian and Liu Ning then rose to their feet. Because Xiao Tian still wanted to lovey-dovey with Liu Ning, he immediately held her right hand.

After shifting her gaze from her right hand to Xiao Tian, Liu Ning's face blossomed into a smile. As Xiao Tian and Liu Ning were walking hand in hand, they suddenly met Zi Qing and Zou Ma.

Zi Qing was stunned by Xiao Tian's beautiful smile.

'What a handsome man! Not only that, but he also has a beautiful smile. How could a man like him exist in this world?'

Zi Qing suddenly remembered something.

'Wait! Don't tell me. They are the people who have had sex near us earlier?!'

Zi Qing then skimmed her surroundings. When she saw no one other than Liu Ning and Xiao Tian, it made her even more sure that the people who had sex near her earlier were none other than Xiao Tian and Liu Ning.

'How could it be? Doesn't that make him a perfect man?! Not only is he good-looking and has a beautiful smile, but he is also even skilled at pleasuring women. If only he were my lover, I would definitely smile in my sleep.'

The difference between her lover and Xiao Tian was like heaven and earth. That was why she suddenly thought something like that.

'I wonder how skilled he is in bed? Why do I suddenly want to have sex with him? I really want to know his skills in sex, but...'

Zi Qing shifted her gaze from Xiao Tian to Liu Ning. A trace of jealousy suddenly emerged on her face when she realized how beautiful Liu Ning was.

'His girlfriend is so attractive. There is no way he will agree to do it with me.'

Even though Zi Qing had a beautiful face, but Liu Ning was much prettier than her.

When Zou Ma saw Liu Ning, he was also stunned.

'An angel! An angel has descended to the earth! I finally can see an angel.'

Due to how beautiful Liu Ning was in his eyes, Zou Ma instantly labeled her as an angel who descended from heaven.

When Xiao Tian noticed Zou Ma looking at Liu Ning, he was unhappy and stared at Zou Ma.

His eyes gleamed with terrifying sharpness as he stared at Zou Ma. It was as if Xiao Tian wanted to cut Zou Ma's body into pieces with his gaze.

Zou Ma, who saw Xiao Tian's eyes, suddenly trembled in fear.

'What is this? Why do I feel like a grim reaper staring at me?'

Zou Ma suddenly had the feeling that Xiao Tian was a dangerous man. His mind kept telling him not to piss Xiao Tian off or else he would regret it later.

When Zi Qing saw the expression on Zou Ma's face, she could only sigh.

'Why is he making an expression like that? What a coward! Maybe I should find a new boyfriend after this vacation.'

Zi Qing was disappointed when she saw Zou Ma's expression.

Even though Zou Ma was not as attractive as Xiao Tian and was not as skilled as Xiao Tian in sex, she didn't mind it.

But his behavior really disappointed her. Xiao Tian only stared at him, but Zou Ma immediately acted like a coward.

If he already acted like a coward just because Xiao Tian was staring at him, Zi Qing was sure Zou Ma would run away if a thug suddenly wanted to harass her.

Zi Qing was also a woman. She wanted a strong lover who could protect her from everything, including bad people.

'If he's still acting like this, I'll really look for a new boyfriend later.'

Even though Zi Qing was disappointed, she still gave Zou Ma a chance to change because they had been going out for about three months.

When Liu Ning noticed Zi Qing looking at Xiao Tian, she suddenly felt proud.

'My Tian'er is indeed amazing. He even can make a woman interested in him without doing or saying anything.'

Liu Ning was also a woman, so she could tell that Zi Qing was interested in Xiao Tian.

Because she wanted to see Xiao Tian's reaction, she raised her head to look at Xiao Tian. Liu Ning could not help but happy when she found out that Xiao Tian didn't show the slightest care about Zi Qing.

When Xiao Tian noticed Liu Ning looking at him, he smiled softly, "Hm? What is it? Are your legs hurting again? Do you want me to carry you?"

"No." Liu Ning shook her head before finally embracing his left arm.

Xiao Tian was pleasantly surprised by her actions. He then kissed her forehead and spoke in a soft voice, "If your legs hurt again, tell me immediately. We can take a rest again later."

"Un." Liu Ning nodded her head.

It seems like they are deeply in love with each other. Qi Zing thought to herself.

When Xiao Tian and Liu Ning walked past Zi Qing and Zou Ma, they ignored Zi Qing and Zou Ma as if Zi Qing and Zou Ma were air.

"Hehe." Liu Ning laughed happily.

Currently, Xiao Tian and Liu Ning were walking by the beach. She really loved it when the waves hit her feet.

Coupled with her walking with Xiao Tian hand in hand, it made Liu Ning happy. For this reason, a happy smile never left her pretty face.

When Xiao Tian saw her smiling face, he was stunned.

'So cute!'

Unconsciously, Xiao Tian grabbed Liu Ning by the waist and lifted her before spinning her. "My lover is so cute."

"Kya." Liu Ning was shocked and immediately wrapped her arms around his neck.

Even though she was startled, but it quickly turned into a moment of happiness, causing her to look at him and smile dazzlingly.

After putting her down, Xiao Tian kissed her forehead again. "I'm thrilled to be able to spend time with you now."

"Me too." Liu Ning was also delighted to be able to spend time with him.

And like before, Xiao Tian and Liu Ning were walking hand in hand. At that moment, both of them were thrilled. It was as if the world belonged to them alone.

"Tian'er, look! There is a big crab over there!" Liu Ning spoke as she pointed her right index finger forward.

"Ah! You are right." Xiao Tian responded.

Liu Ning immediately ran and squatted down near the crab. "Cute."

Xiao Tian walked towards her with a smile on his face. It was rare for Liu Ning to behave like that, so it made Xiao Tian happy.

When Xiao Tian was beside her, he uttered, "But you are much cuter than that crab."

"What a glib tongue!" even though Liu Ning said something like that, but she was pleased by his words. She even smiled softly after Xiao Tian praised her.

Then they continued walking again.

"We are back." Xiao Tian spoke.

"Tian, where did you go?" Ye Qingyu inquired.

"Only around here." Xiao Tian lied to his aunt.

At this moment, Yun Xin Er suddenly walked towards Xiao Tian and asked, "How many rounds did you do it with her earlier? Hehe. Tell me, tell me. I want to know about it."

The corner of Xiao Tian's lips twitched after hearing her words. He didn't expect her to ask something like that.

## Chapter 734 - Spending Time With Shi Fei

8-11 minutes

---

Because Xiao Tian didn't say anything, Yun Xin Er asked again, "Why didn't you answer my question? Tell me, how many rounds did you do it with her earlier?"

Instead of answering, Xiao Tian inquired, "Why do you want to know about it so badly? Do you want to do it with me too? If so, let's find a quiet place now. Don't worry. I still have a lot of stamina."

Xiao Tian pinched Yun Xin Er's nose gently and laughed. It was not like he didn't want to answer her question, but it was because he didn't want to make Liu Ning feel embarrassed.

Even though Xiao Tian was sure that Yun Xin Er and the others would only giggle after learning the truth, but he believed that Liu Ning would feel shy if he gave an honest answer.

Yun Xin Er removed his right hand from her nose and pouted.

Because Xiao Tian didn't want to answer her question, Yun Xin Er turned her head to look at Liu Ning. "Miss Liu, can you tell me how many rounds did you do it with him earlier?"

Like Xiao Tian, Liu Ning didn't answer Yun Xin Er's question. She was too shy to answer it, so she only lowered her head and blushed.

Because Liu Ning didn't say a word, Yun Xin Er asked again, "Miss Liu, can you answer my que-"

However, before Yun Xin Er had finished her words, she was interrupted by Xiao Tian, "Big sister Yun, stop it. You are making my Ning'er shy with your question."

After saying that, Xiao Tian pulled Liu Ning towards him and embraced her.

Liu Ning stared at Xiao Tian before finally burying her face on his chest and wrapping her arms around his waist. Her face broke into a smile when Xiao Tian protected her from Yun Xin Er's question.

"My Ning'er? So now that we are with your women, you don't want to defend me anymore?! I'm so sad, little brother." Yun Xin Er pretended to be sad.

Of course, she knew that Xiao Tian would defend Liu Ning because Liu Ning was his lover, while her relationship with him was still unclear.

"Of course, I will defend my lover. That is why you should accept me as your lover now so that I will defend you later." because it was the right moment to ask Yun Xin Er to be his lover, Xiao Tian didn't let the opportunity slip away.

"Hehe." Yun Xin Er could not help but giggle after hearing his words.

Liu Ning stopped the hug and spoke, "I want to help the others now."

"Un." Xiao Tian didn't stop her because he knew that Liu Ning would feel bad if she didn't help the others.

"I want to continue cutting meat again." Yun Xin Er uttered.

After Xiao Tian helped them for about five minutes, he sat down on the mat.

'Should I take a picture of them again?'

As Xiao Tian was thinking whether he should take photos of them again or not, Shi Fei suddenly walked towards him.

At first, Xiao Tian thought she would sit next to him, but he was wrong. Shi Fei sat between Xiao Tian's legs before placing his hands on her waist.

"Little brother, how many times did you make Ning have orgasms earlier?" because Shi Fei didn't want others to hear her question, she whispered in Xiao Tian's right ear.

Xiao Tian didn't say a word, but he showed his three fingers to Shi Fei, giving her a sign that he had made Liu Ning have orgasms three times.

"Three times?! As expected of my lover, you are sure amazing." Actually, Shi Fei had guessed that Xiao Tian could make Liu Ning have an orgasm more than two times.

"Why are you asking this question? Do you want to have sex with me too?" Xiao Tian inquired.

"Yes. I desire to have sex with you." Shi Fei gave an honest answer. "But we can't do it now. Let's have a lot of sex when we get home later."

"Oh! You want us to have sex at home?! It seems like you are not afraid that my mom and aunt will find out later." Xiao Tian was not surprised by her words because he knew her personality.

"Well, they have heard my moans so there is no need to feel shy." This morning, Xiao Tian and Shi Fei had wild sex before breakfast, so in her view, they didn't need to hide it.

"Sure." of course, Xiao Tian would not refuse to have sex with her because having sex with her felt good.

Xiao Tian suddenly had a wild idea.

'Mother and the others are on my right side, and there is a medium sized table blocking their view. Even though this table can only cover our lower bodies maybe I can have a little fun with her now.'

Xiao Tian's mind went dirty.

Due to the medium-sized table on his right side blocking their view, Xiao Tian became even braver. Without waiting for another second, Xiao Tian grabbed Shi Fei's legs and spread them.

"Little brother, what are you doing?" Shi Fei was startled when Xiao Tian suddenly spread her legs.

"Let's have a little fun." Xiao Tian immediately put his right hand underneath her bottom bikini.

Shi Fei instantly covered her mouth when Xiao Tian suddenly played with her pussy directly. Even though his actions much surprised her, but Shi Fei didn't try to stop him; instead, she spread her legs wider as if she was giving him a sign to keep playing with her vagina.

'Owah. Little brother is playing with my vagina when everyone is beside us. This is kind of exciting.'

Shi Fei also loved adventure, so it excited her. Soon her pussy was wet with her love juices.

As Xiao Tian played with her tender pussy, he sometimes glanced at his mother and the others before returning his attention to Shi Fei.

'As I thought, she lets me do whatever I want.'

At this moment, Xiao Tian still didn't thrust his fingers into her vagina. He only rubbed her vulva and clitoris with his right index and middle fingers.

"Mmm..." even though Shi Fei had tried her best not to moan, but because Xiao Tian was skilled in pleasuring her, she almost cried out loudly.

Xiao Tian instantly turned his head to the right. He wanted to know whether his mother and the others noticed what they were doing or not.

"Fei, hold back your moan." Xiao Tian whispered in her right ear.

Shi Fei didn't answer, but she nodded her head, giving him a sign that she would try her best not to moan again.

Because her vagina was already wet, Xiao Tian slowly thrust his right middle finger into her pussy.

'So tight!'

Xiao Tian felt as if his right middle finger was being squeezed by a snake.

'What is this? Is it because we are doing it next to my mother and the others? If her vagina is already this tight when we are only doing it next to Xin Er and the other, then how tight her vagina would be if we did it next to stranger?'

Xiao Tian touched her G-spot gently because he didn't want her to let out a loud moan suddenly.

Because Shi Fei still had no idea that Ye Qingyu and Ye Xueyin were already his women, her sensitivity increased rapidly when Xiao Tian was playing with her wet pussy.

Shi Fei, who almost could not hold back her moan, stared at Xiao Tian. She wanted to tell him to stop for a moment, or else she would wail loudly.

However, she was afraid that she would cry out loudly the moment she removed her hands from her mouth. For this reason, Shi Fei could only stare at him, hoping he could understand the sign she gave.

"Mmm?" Xiao Tian instantly stopped what he was doing when he saw the expression on her face.

"Huft...Huft...Huft..." Shi Fei was breathing heavily after Xiao Tian removed his right hand from her wet vagina.

Xiao Tian, who noticed that his right middle finger was covered in her love juices, put it into his mouth. "Delicious!"

Shi Fei could not help but giggle after seeing it. "What a pervert young man!"

Xiao Tian took her love juices again and spoke, "Do you want to taste your love juices? It's delicious, you know?"

Shi Fei didn't answer and only stared at Xiao Tian. She didn't expect him to say something like that.

At this moment, Xiao Tian thought Shi Fei would not taste her love juices, but he was wrong. When he was about to lick her love juices again, Shi Fei suddenly put his right middle finger into her little mouth and began licking it.

After licking all the love juices that were on his right middle finger, Shi Fei uttered, "You are right. My love juices are delicious, but I still prefer your white sperm."

"You will get a lot of it soon, sexy lady." Xiao Tian pinched her nose and smiled.

"You had fun with Ning earlier, so I hope you will let out all of your sperm on me later." Shi Fei uttered, "And you are also welcome to make me unable to walk tomorrow."

Her words excited Xiao Tian. He suddenly wanted to fuck her right away. "Hehe. Then I won't hold back later."

"That's what I want." Not only Xiao Tian but Shi Fei also suddenly wanted to have sex with him right away, but she knew that they could not do that.

"Hehe. My lover is really such a slut!" Xiao Tian spoke as he wrapped his arms around her waist.

Shi Fei put her hands in his and said, "But you like it, right?"

"I love it." Xiao Tian responded.

### **Chapter 736 - Sweet Moment In The Car**

7-8 minutes

---

In less than three seconds, Xiao Tian pressed his lips against Lin Xing Xue's forehead. Maybe, it was because Xiao Tian loved kissing or maybe, it was because he still had feelings for her.

But the moment Xiao Tian pressed his lips against her forehead, several memories suddenly appeared in his head.

The memory when he first met her, the memory when they held hands, the memory when they hugged each other, and many other memories.

One by one, the memories when they were still lovers emerged in his head. This made him slowly close his eyes.

'Why are those memories suddenly appearing in my mind? Is it because I still love her? Is it because we are alone? Or is it because I kissed big sister Yun earlier?'

Countless questions appeared in his mind.

Lin Xing Xue was surprised when Xiao Tian was still kissing her.

'Tian, do you feel what I'm feeling right now?'

While still being kissed by Xiao Tian on the forehead, Lin Xing Xue suddenly smiled softly.

Even though she didn't know what he had in mind, but at that time, she suddenly felt that Xiao Tian's love for her was bigger than before.

The smile on her face grew even bigger when Xiao Tian stopped the kiss and looked at her softly.

Xiao Tian's gaze suddenly fell on her tender lips.

'It seems like I'm much more pervert now. No wonder they always call me pervert.'

Xiao Tian slowly rubbed her pretty lips with his right thumb.

At this moment, Lin Xing Xue was still looking at his black eyes.

'Is he going to kiss my lips now?'

Even though she wanted him to kiss her lips immediately, but she said nothing and only stared at him. She believed that Xiao Tian knew what she had in mind.

And what she had guessed was right because Xiao Tian brought his face closer to hers three seconds later.

Xiao Tian and Lin Xing Xue suddenly felt electricity running down their bodies when their lips met. But it didn't make them stop the kiss; instead, it was the opposite.

As they were kissing, they looked at each other in the eyes. It was as if they were communicating through their eyes.

They remained in the same position before finally, Xiao Tian tried to put his tongue in her mouth.

\*Pitter-patter

As if God wanted to make the atmosphere more romantic for them, it suddenly drizzled.

Because Lin Xing Xue and Xiao Tian were focused on their kiss, they didn't show the slightest care about it.

They kept kissing passionately as if they were lovers who had only met after a long separation.

Because there was no one around them and it was also difficult to see what was happening in the car, Xiao Tian and Lin Xing Xue had become even bolder.

They moved their tongues wildly while also tilting their heads to the left and right. Even though saliva began to drip down from the corners of their mouths, but none of them cared about it.

Lin Xing Xue was pleased. Previously, Xiao Tian only kissed Yun Xin Er's lips, but now not only did he do the same thing to her, he even kissed her passionately.

Even though Lin Xing Xue knew how close Xiao Tian and Yun Xin Er were, but at this moment, she felt as if she was more important than Yun Xin Er in his heart.

"Huft...Huft...Huft..." because Lin Xing Xue was out of breath and it was hard to have an intense kiss in that position, she decided to stop the kiss. Of course, she still desired to continue kissing him because she was still not satisfied.

Like Lin Xing Xue, Xiao Tian also didn't want to stop the kiss. For this reason, he grabbed Lin Xing Xue by the waist before placing her on his lap.

\*Thump...Thump...Thump

Lin Xing Xue's heart was beating faster when she saw his black eyes. Because they were facing each other, she could tell that the flames of lust had started consuming Xiao Tian's body.

And like before, they had a passionate kiss again. This time, they kissed longer than before. But Lin Xing Xue once again broke the kiss when she was out of breath.

At first, Lin Xing Xue thought Xiao Tian would kiss her lips again, but she was wrong because he suddenly grabbed the hem of her T-shirt and pulled it up.

Despite knowing what he was about to do, Lin Xing Xue only stared at her breasts before shifting her gaze to Xiao Tian's face.

At this moment, Xiao Tian didn't immediately lick her breasts; instead, he only stared at her as if he was asking a question whether he could suck her breasts or not.

Of course, Lin Xing Xue knew what he had in mind. Even though she didn't say a word, but she nodded her head, giving him a sign that he could do whatever he wanted.

It was raining and there was very little light in the car, so she was sure that no one would know what they were going to do later.

After getting permission from Lin Xing Xue, Xiao Tian wanted to lift her blue bra. But when he found out that she was wearing a front open bra, he slowly unhooked her bra.

Even though he had seen her breasts many times, but Xiao Tian was still amazed by how beautiful her breasts were.

"Hmmm..." Lin Xing Xue shut her eyes and tilted her head back when Xiao Tian licked her right nipple.

She wanted to cry out loudly when Xiao Tian suddenly bit her right nipple. Luckily, she could still hold back her moan.

Because she knew that Xiao Tian was skilled in pleasuring women, she immediately bit her right index finger so that she would not wail loudly later.

Seconds turned into minutes, and without realizing it, it had been more than ten minutes since Xiao Tian started licking and sucking her breasts.

At this moment, Lin Xing Xue's underwear was already wet with her love juices, and the flame of lust had consumed her body.

She wanted to tell him to put his cock into her pussy immediately, but she was too shy to say it. For this reason, she only hoped Xiao Tian could understand it.

Like Lin Xing Xue, Xiao Tian almost could not hold back the lust within him. His cock was already fully erect, and it made him feel uncomfortable.

Because he was sure that Lin Xing Xue was also unable to hold back her lust anymore, Xiao Tian stopped what he was doing and tried to take off her underwear.

\*Thump...Thump...Thump...

Even though Lin Xing Xue was pleased that they were finally going to have sex, but because they would do it in the car, her heart started beating faster again.

She cooperated without saying a word when Xiao Tian lifted her body and took off her underwear. Because she was wearing a skirt, it was effortless to take off her underwear.

'We are really going to have sex in the car.'

Lin Xing Xue was afraid and excited at the same time. She was scared because there was a high chance that people would know what they were going to do later.

Sure, it was raining. But that didn't mean everyone would be in their houses. And the reason she was excited was that it would be her first time having sex in a car.

'I hope no one will find out later.'

Lin Xing Xue prayed in her head.

### **Chapter 737 - How Can I Go To Work Tomorrow?**

9-11 minutes

---

After taking off Lin Xing Xue's underwear, Xiao Tian threw it on the passenger seat. He didn't take off her skirt because, in his view, he didn't need to do that.

Without waiting for another second, Xiao Tian grabbed his erect cock and placed it on her vagina entrance.

Xiao Tian lifted his head to look at her and spoke, "I'm going to put it in."

Even though Lin Xing Xue didn't say a word, but she nodded her head, giving him a sign that she was ready.

"Ahh-mmm." Lin Xing Xue wailed in delight before covering her mouth with her hands.

'His huge cock is spreading my wet vagina into the size of his cock.'

Lin Xing Xue said in her head.

\*Pitter...Pitter...

As if God wanted them to have sex in peace, the moment Xiao Tian thrust his cock into Lin Xing Xue's vagina, the rain suddenly grew heavier, covering her moaning.

\*Pitter-patter...

The sound of raindrops falling on the roof of the car could be heard in their ears.

Because it was pouring, Xiao Tian and Lin Xing Xue became braver than before. He immediately moved Lin Xing Xue's body up and down repeatedly.

"Ah...Ah...Ah...Ah..." Lin Xing Xue tried her best to cry out as small as possible.

When she thought she could not hold back her moan anymore, Lin Xing Xue cupped Xiao Tian's face and kissed him passionately.

\*Shake...Shake....

The car began shaking non-stop. If anyone saw it, they would immediately know that someone was having sex in the car. Luckily, no one was around the vehicle.

"Ah...Ah...Ah...Ah..." Lin Xing Xue wailed in delight.

Even though she wanted to keep kissing him, she had no choice but to stop the kiss because she was out of breath. For this reason, she let out multiple moans.

Seconds turned into minutes, and without realizing it, it had been twenty minutes since they started having sex.

Even though they didn't change positions, they could still feel immense pleasure. For this reason, Lin Xing Xue had finally reached her limit.

"Cumming...Cumming... I'm cumming..." Lin Xing Xue gritted her teeth and wrapped her arms around Xiao Tian's neck.

After having an orgasm, her upper body fell backwards, causing her back to hit the car horn. Luckily, the car engine died, or else it would be troublesome later.

"Huft...Huft...Huft..." Lin Xing Xue was breathing heavily.

Because Xiao Tian didn't pull his cock out of her vagina, his trousers were wet with her love juices.

"Hiiii...Ah...Ah..." Lin Xing Xue wailed in delight again when Xiao Tian suddenly moved his waist.

Even though her body was still sensitive, she didn't try to stop him because she knew that he was still not satisfied.

And like this, they continued having sex for another forty minutes before they stopped.

"Is it really fine?" at this moment, Xiao Tian's cock was still inside Lin Xing Xue's wet vagina. Since they started having sex, he still hadn't pulled his penis out of her pussy.

"It's fine. I will drink birth control pill later." Lin Xing Xue responded as she smiled.

Previously, when Xiao Tian was about to have an orgasm, he wanted to pull his cock out of her pussy, but Lin Xing Xue stopped him, saying it was fine to let out his sperm inside her vagina.

'And if I get pregnant later, it will be even more reasons for you to get back with me.'

Lin Xing Xue added in her mind.

"I knew I should have asked this earlier, but... would you like to come into my house?" Lin Xing Xue inquired.

"Sorry. I have to go back immediately." Xiao Tian had promised Shi Fei something, so he could not spend more time with her.

"I see." Lin Xing Xue pulled Xiao Tian towards her and embraced him. "But please let me hug you for a few minutes before you go home."

"Un." Xiao Tian could not refuse her wish.

Seconds turned into minutes, and without realizing it, it had been two minutes since Lin Xing Xue embraced Xiao Tian, but she showed no signs of stopping.

"Tian, I love you." Lin Xing Xue suddenly voiced out her feelings.

When Xiao Tian didn't say a word, traces of sadness appeared on her face. Because of this, she unconsciously hugged Xiao Tian even tighter and tighter.

'Are all my efforts still not enough?'

Lin Xing Xue asked in her head.

To her surprise, Xiao Tian suddenly said something that made her pleasantly surprised. "Me too."

Lin Xing Xue instantly stopped the hug and looked at him in the eyes. "Me too? There are two meanings in those words. First, you also love me. And second, you love yourself too. So, which one is it?"

"I love you too." Xiao Tian gave an honest answer. "I still have feelings for you, but it's still not enough to build a new relationship with you."

"It's fine. I'm willing to wait." Lin Xing Xue kissed his forehead before smiling softly.

Even though she knew that he still had feelings for her, but hearing it from his mouth really made her happy.

'I'm glad that all my efforts are not in vain.'

Lin Xing Xue was sure that she was one step closer to getting back with him. Thus, she promised herself that she would try even harder.

Even though Lin Xing Xue still wanted to spend time with him, she decided to slide off his lap because she knew that he had to go home.

"Ahhh..." Lin Xing Xue could not help but wail when Xiao Tian's cock slowly came out of her vagina.

Because Xiao Tian cummed inside her, his white sperm instantly came out of her vagina the moment his cock was no longer in her pussy.

She didn't wipe off his sperm because there was no tissue in his car. "All right, you can go home now. I know that your women are waiting for you now."

Xiao Tian kissed her forehead and lips before answering, "Good night, little Xue."

"Good night." After saying that, Lin Xing Xue entered her home.

After Xiao Tian arrived home, he didn't head to his room; instead, he went to Shi Fei's bedroom because he had promised her something earlier.

"Fei, your lover has arrived home." Xiao Tian spoke after opening the door.

"Welcome home, little brother." Shi Fei smiled happily when she saw Xiao Tian.

After Xiao Tian closed the door and locked it, he walked towards Shi Fei and said, "What is this? Hehe."

Actually, Xiao Tian was a little surprised when he saw Shi Fei lying down on the bed, naked. He didn't expect her to do that.

"Because I really want to do it with you." Shi Fei responded, "By the way, what took you so long to come back?"

"Oh! I had sex with little Xue in the car earlier." Xiao Tian gave an honest answer.

"Hehe. Xue is getting bolder and bolder." Shi Fei still behaved normally after hearing his remarks. "Wait! You still have stamina to do it with me, right?"

Xiao Tian had a lot of sex today. First, he had wild sex with her in the morning. After that, he had sex with Liu Ning on the beach.

Now that he said he just had sex with Lin Xing Xue in the car, Shi Fei was worried that Xiao Tian didn't have the stamina anymore.

"Dont worry. My stamina is still enough to make you unable to walk tomorrow." Xiao Tian responded as he gave a thumbs up.

"What about your sperm?" Shi Fei wanted to drink his white sperm because his sperm was so delicious.

"I still have a lot of sperm for you, but I want to take a bath first." Xiao Tian responded.

"All right. I will be waiting here." Even though she wanted to have sex with him immediately, but Shi Fei didn't stop him from taking a shower.

Xiao Tian didn't go to his bathroom; instead, he went to Shi Fei's washroom. After taking a shower, he didn't bother to wear his clothes and immediately entered Shi Fei's room.

"Oh! You have finished taking a bath? So fast!" like before, Shi Fei was still lying on the bed, naked.

Instead of answering immediately, Xiao Tian spread Shi Fei's legs widely. "Because I want to taste this beautiful vagina immediately."

"Hehe." Shi Fei could not help but giggle after hearing his words. "That pussy is yours, you know? You can lick, suck or fuck it. You can do whatever you want with my slutty pussy."

"That's what I want to do." After saying that, Xiao Tian began to lick her pussy.

"Ahhh." Shi Fei wailed in delight.

Soon, her room was filled with her moans.

"Little brother, I think I won't be able to walk tomorrow." Shi Fei uttered, "You are really amazing. How come you have so much stamina?"

Currently, Shi Fei was lying prone on top of Xiao Tian's body. And as usual, his cock was still in her wet vagina.

"Isn't that what you want?" Xiao Tian responded as he rubbed her hair gently.

"How can I go to work tomorrow?" Shi Fei inquired.

"Just take a day off." Xiao Tian didn't want anything bad to happen to her. That was why he told her to take a day off tomorrow.

Shi Fei looked at him and answered, "But I have a lot of work tomorrow."

"It's fine." Xiao Tian responded, "You can finish it the day after tomorrow."

Because Xiao Tian said so, she agreed. "Alright."

She had been working very hard lately, so she would take this opportunity to rest.

'Well, staying at home is not bad either.'

She added in her head.

"Let's sleep." Xiao Tian uttered,

"Un." Shi Fei placed her head on his chest again

### **Chapter 738 - Going To Yun Xin Er's House**

10-12 minutes

---

The following morning, after having breakfast with his women, Xiao Tian went straight to Eternal Beauty company. He wasted no time and immediately headed to his office.

\*Sigh.

Xiao Tian let out a sigh after reading the documents in his hands. Currently, he was sitting on the office chair.

'Even though my Eternal Beauty company is growing, but I'm not satisfied with this.'

Xiao Tian put the documents on the workbench and tilted his head back.

'What should I do to make my company grow faster?'

Seconds turned into minutes, and without realizing it, Xiao Tian had been thinking for about fifteen minutes, but he still hadn't found a good idea.

'How could my Star Clothes company grow rapidly while my Eternal Beauty only gr- wait.'

Xiao Tian suddenly found an excellent idea. He then called Liang Jun and told Liang Jun to come to his office.

"Do you need anything, sir?" Liang Jun asked when he was in front of Xiao Tian.

Xiao Tian then sat on the couch and spoke, "Come and sit here."

Liang Jun did what he was told. Because Xiao Tian told him to sit on the sofa, he suddenly thought that Xiao Tian wanted to say something important.

"We are about to launch new products, right?" Xiao Tian inquired.

"Yes, sir. We are going to launch new products in three days." Liang Jun responded. "I have already put the documents on your desk. Is there anything you want to ask, sir?"

"Postpone it." Xiao Tian uttered.

"Postpone? Why?" Liang Jun had no idea as to why Xiao Tian suddenly wanted him to postpone the launch of the new products.

"It's like this." Xiao Tian began to explain the reason why he wanted Liang Jun to postpone the launch of new products.

It was because he wanted the Eternal Beauty company to cooperate with the Star Clothes company. Both of his companies were quite famous now, so it would benefit both of his companies greatly later.

Star Clothes company was about to launch new clothing designs too. Xiao Tian believed if both of his companies cooperated, the results would be amazing.

And his plan was to give discounts. He wanted Shi Fei and Liang Jun to announce to the public that their companies would cooperate on their new products.

In order to get these discount coupons, they needed to buy the new products from the Eternal Beauty company or Star Clothes company.

If they bought new products from the Eternal Beauty company, they would get discount coupons which they could use to purchase certain items at the Star Clothes company, and vice versa.

The discount coupons would be given based on the amount of money they spend on buying the new products. The more money they spent on purchasing new products, the more discount coupons they would get.

Of course, Xiao Tian would raise the prices first so that his companies would still be profitable.

Because it was new products, the customers would not know that the price had been increased before being promoted.

"It's an excellent idea, sir." Liang Jun agreed with Xiao Tian's idea.

"Good! You can go to Start Clothes company to meet Shi Fei later." Even though both the Eternal Beauty company and the Star Clothes company belonged to him, Xiao Tian wanted Liang Jun to go to the Star Clothes company to offer the contract officially because the public didn't know about it.

"I will go to Star Clothes company now." of course, Liang Jun knew what Xiao Tian had in mind because he knew who Xiao Tian was.

"You don't need to go now. She is not working today. You can go to meet her tomorrow." Shi Fei was at home today, so Xiao Tian told Liang Jun to meet her tomorrow.

"Eh! Is she sick?" Liang Jun inquired.

Xiao Tian took one of the documents that were on the table and skimmed it. "No."

"Is she on a business trip?" Liang Jun asked again.

"No." Xiao Tian gave an honest answer.

"Then why is she not working today? It's weird because lady Shi Fei is a hardworking woman." Liang Jun knew about it because every time he met Shi Fei, she was always busy with her work.

"Because she can't walk now." Xiao Tian slipped his tongue.

'Shit!'

Xiao Tian cursed venomously in his heart.

Because he wanted to know Liang Jun's reaction, he glanced at Liang Jun. Previously, because he was focused on the document in his right hand, he answered Liang Jun's question without thinking twice.

Liang Jun was surprised after hearing Xiao Tian's words.

'She is not on a business trip and not working today. She is also not sick, so why can't she walk?'

After thinking for several seconds, Liang Jun finally thought of something.

'Don't tell me, last night they were....!'

Liang Jun knew that Shi Fei had a special relationship with Xiao Tian.

Because Xiao Tian went out of the city for three weeks, Liang Jun was sure that Xiao Tian had always spent his time with his women ever since he returned to Shanghai.

From this information, Liang Jun was sure that Xiao Tian and Shi Fei had wild sex last night until she could not go to work today. "I understand. I will go meet lady Shi tomorrow."

Xiao Tian put the document on the table and uttered, "You can go back to your office now."

"Understood." After saying that, Liang Jun walked out of Xiao Tian's office.

Xiao Tian, who saw Liang Jun's back, let out a sigh.

'Sigh. Why is he so smart at this moment?'

Xiao Tian was sure that Liang Jun knew the reason why Shi Fei didn't work today.

'Forget it. I want to take a nap now.'

Xiao Tian then laid down on the couch. However, when he was about to close his eyes, he suddenly remembered something.

'Oh! I almost forgot about it!'

Xiao Tian had promised that he would meet Yun Xin Er today. Because he didn't want Yun Xin Er to be angry later, he wasted no time and immediately traveled to Yun Xin Er's house.

As Xiao Tian was waiting in the guest room, a voice suddenly rang out, "Oh! I thought you forgot to come to see me."

Upon hearing a familiar voice, Xiao Tian instantly turned his head towards the source of the sound. The expression of deep shock blossomed on his face when he saw Yun Xin Er.

Yun Xin Er was clad in snow-white robes, and an ice silk veil masked her pretty face. A snow colored ribbon was tied around her willow-thin waist, and a beautiful silver fake sword was in the grip of her left hand.

Her black hair had now turned into a sky blue color. Even though her appearance was hidden, but her figure alone was capable of making one's mind waver uncontrollably.

Just like when Xiao Tian saw Lan Ruoxi before he fought Qigang, he suddenly felt as if he was in ancient China.

If they weren't in her luxurious house, he would have thought that God had reincarnated him into the ancient world.

Xiao Tian was at a loss for words and could only stare at her. He wanted to ask why she was suddenly dressed like that, but her beauty made his mind go blank.

When Yun Xin Er saw the expression on his face, she could not help but giggle. "Hehe. How is it?"

"I don't know what to say." Xiao Tian really had no idea how to praise her.

Everything about her was perfect, from her robes until the beautiful fake sword in her left hand.

"You should change your clothes too now." after saying that, Yun Xin Er grabbed Xiao Tian's right hand and dragged him to her room.

"Why do I have to change my clothes too?" Xiao Tian suddenly had a bad feeling after hearing her words.

"Of course, it's because we'll be participating in the contest later." Yun Xin Er gave an honest answer.

"Contest?!" Xiao Tian said in surprise.

'Damn! I really have bad feelings about this.'

Xiao Tian added in his mind.

After they stepped into her room, he saw a green robe with a fake black sword on the bed. Because Yun Xin Er told him to change his clothes, he knew that the green robe had been prepared by Yun Xin Er for him.

"Hurry up and wear it." Yun Xin Er spoke as she pointed her right index finger at the green robe.

"Big sister Yun, can we not participate in the contest?" it was not like he didn't want to wear it, but that was because he would lose face if everyone saw him wearing that green robe.

Xiao Tian's business was rising, so if everyone saw him participating in that contest, it could ruin his good reputation.

Of course, he loved traditional clothes, but he didn't want to wear them in public places. If his women were the only ones who would see it, he would have worn it without a second thought.

"What?! Why?" Yun Xin Er inquired.

"Well, it's because..." Xiao Tian had no idea how to tell her about it.

He didn't want to make her sad, but at the same time, he also didn't want to participate in the contest. Yun Xin Er was wearing a veil so no one would know her.

"But didn't you say I was your Goddess of Luck?" Yun Xin Er uttered,

"Yes." Xiao Tian admitted that he had said it many times before.

"Then, as my follower, you have to do whatever I say." Whatever happened, Yun Xin Er would make Xiao Tian participate in the contest because she had no partner except him.

Xiao Tian's lips twitched after hearing her words.

'Since when did I become your follower?'

Xiao Tian asked in his mind.

"Little brother, I really want to participate in this contest. Didn't you say you love me? Then, shouldn't you make me happy? If you don't want to participate in the contest, I'll be sad, you know? do you have the heart to see me sad?" Yun Xin Er gave him many questions.

Xiao Tian could only smile when he saw her expression. Even though he still didn't want to participate in the contest, but for the sake of the one he loved, he decided to grant her wish.

"Fine. I will wear this robes and participate in the contest." Xiao Tian smiled as he rubbed her hair gently.

"Good!" Yun Xin Er was pleased upon hearing his words.

'Hehe. As I thought, little brother really cares about me.'

Yun Xin Er said in her head.

"Hm? Why are you still here?" Xiao Tian inquired.

"Little brother, I have seen your naked body twice, so you don't need to feel shy." Yun Xin Er responded as she raised two of her fingers.

It took Xiao Tian three seconds before answering. "Sure. You can stay if you want."

He was sure that Yun Xin Er would leave later. And what he had guessed was right because when he was about to take off his trousers, Yun Xin Er immediately walked out of the room.

"Hehe." Xiao Tian laughed happily.

### **Chapter 739 - I Forgot That I'm The Goddess Of Luck**

8-11 minutes

---

Inside a huge and luxurious room, a handsome young man, who wore green robes, was repeatedly swinging his fake black sword vertically and horizontally.

From the way he swung his fake sword, anyone could tell that he was a real swordsman because his fake sword moved so fast. Yes, that handsome young man was none other than Xiao Tian.

'As I thought, fake swords are far different from real swords.'

Xiao Tian suddenly wanted to bring his real sword, but after remembering that he would only participate in the contest, he decided against it. It would be troublesome if everyone knew that he brought a real sword.

\*Click...

The sound of someone opening the door could be heard in his ears.

"Little brother, how is the-" Yun Xin Er stopped her words halfway when he saw Xiao Tian.

Even though she had guessed that Xiao Tian would look great, she did not expect that he would look so much more impressive than she thought.

'He is like a real swordsman!'

Previously, Xiao Tian was stunned when he saw her, but now it was the opposite.

'Ops! I forgot that he was a martial artist.'

Yun Xin Er touched her chin and walked around Xiao Tian, observing him from every angle.

Xiao Tian crossed his arms over his chest and only looked at her. Because he knew that she would do something like that, Xiao Tian was not surprised by her actions.

Xiao Tian was an attractive young man, so whatever he wore, any outfit would look good on him.

"As expected of myself, I'm indeed excellent in choosing clothes." Yun Xin Er nodded her head and praised herself.

The corner of Xiao Tian's lips twitched after hearing her remarks. Previously, he thought Yun Xin Er would praise him. He just didn't expect that she would praise herself.

"Big sister Yun, can you make over my face and give me a wig?" Xiao Tian didn't want other people to know him later.

That was why he wanted Yun Xin Er to make over his face because with this, it would be hard for everyone to know who he was.

"Don't worry. I have prepared everything." After saying that, Yun Xin Er took a wig from her closet.

The wig had long black hair as if the wig was for a woman.

"Let me make over your face first before you wear this wig." It was better to make over his face first before wearing a wig. That was why she said something like that.

"Un." Xiao Tian agreed with her idea.

Without waiting for another second, Yun Xin Er began to make over his face. Because she was pretty skilled at makeup and Xiao Tian was also born with a handsome face, Xiao Tian looked more attractive than before.

After Xiao Tian put on the wig, Yun Xin Er immediately spoke, "Little brother, let's take a picture first before going to the contest."

Even though they could take a photo later, but Yun Xin Er suddenly wanted them to take a picture immediately.

"Sure." Xiao Tian responded instantly. "Let's take a picture while kissing passionately."

It was a perfect time to tease her, so Xiao Tian decided to do that.

Yun Xin Er smiled and pinched his nose. "It seems like your mind is full of dirty things. Hehe."

"You can't blame me because I'm a healthy young man." Xiao Tian answered without feeling embarrassed.

Because Yun Xin Er wanted to take a picture with him, Xiao Tian snatched her smartphone and embraced her from behind.

Even though his actions much surprised her, Yun Xin Er only smiled and gave a peace sign. But because she was wearing a veil, her beautiful smile could not be seen in the picture.

"The result is not bad." Xiao Tian stated.

"Let's take another picture." Yun Xin Er uttered,

"Sure." after saying that, Xiao Tian kissed her right cheek.

However, because she was wearing a veil, Xiao Tian could not feel the softness of her cheeks.

"Oh! The result is better." Yun Xin Er spoke after seeing the result.

Even though Xiao Tian was kissing her in the photo, she still behaved normally because she knew that he would do something like that.

"Let's take one last shot." Xiao Tian gave her smartphone to Yun Xin Er.

"Alright." After taking back her smartphone, Yun Xin Er wasted no time and immediately took a picture of them.

This time, Xiao Tian didn't kiss her like before. He only wrapped his arms around her slender waist and placed his head on her right shoulder. And when Yun Xin Er was about to take their photo, he looked at the camera and smiled happily.

"I like this the most." in his view, the result was much better than the previous ones.

Their poses, expressions, and angles of their photo, were all perfect. That was why Xiao Tian liked it more than the previous pictures.

"I also like this photo the most." Yun Xin Er had the same thoughts as him.

"So, where is the contest location?" Xiao Tian inquired.

"Shanghai River." Yun Xin Er knew about the contest two days ago when he saw an ad on the street banner

"When will the contest be held?" Xiao Tian asked again.

"At 03:00 pm." Yun Xin Er gave a short answer.

"Oh! We still have four hours, huh?" Xiao Tian uttered, "Do you want to go now or later?"

"Let's go now." the reason why Yun Xin Er wanted them to go to the Shanghai River immediately was that they needed to do registration first.

"All right." Xiao Tian responded.

Then they traveled to the Shanghai River.

Usually, the Shanghai River was filled with people who wore modern outfits, but now most of them were wearing ancient clothes because of the contest.

Everyone was wearing the clothes they chose, from martial arts clothes, queen outfits, king clothes, and many other outfits. But most of them were wearing martial arts clothes like what Xiao Tian and Yun Xin Er wore.

And as if Xiao Tian and Yun Xin Er were born to be the center of attention, many people glanced at them the moment they arrived at Shanghai River.

Both Xiao Tian and Yun Xin Er were used to it, so they still behaved normally as if they were alone in the Shanghai River.

'Oh! So this is where the contest will be held later, huh?'

Xiao Tian said in his head when he saw the stage.

The stage was quite big with a lot of chairs in front of it. The corner of Xiao Tian's lips twitched when he saw the registration booth on the right side of the stage.

'So many people are waiting in line!'

Because so many people wanted to participate in the contest, it took Xiao Tian and Yun Xin Er about two hours before they could finally register their names.

If it weren't for Yun Xin Er, Xiao Tian would have already left the moment he saw how many people were lining up to register themselves.

"There are so many people participating in this contest." Xiao Tian stated.

"You are right. I think there are about 40 pairs who are participating in this contest." Yun Xin Er responded, "And all of them look great in their clothes. It will be difficult for us to win the contest later."

"Big sister Yun, don't tell me you want to get the top three in this contest later." Xiao Tian uttered,

"Not the top three, but the first place." Yun Xin Er gave an honest answer.

Xiao Tian didn't say a word and only stared at her. Previously, he thought Yun Xin Er wanted them to participate in the contest for fun. That was why he was startled after hearing her words.

Yun Xin Er grabbed his hands and spoke, "Little brother, let's do our best and get the first place."

"U...n." Xiao Tian could not say no when he saw her shining eyes.

Xiao Tian and Yun Xin Er then sat in the public seating.

"Big sister Yun, why do you want to get first place?" Xiao Tian asked curiously. "It's not because of money, right?"

In this clothing contest, the first place winner was awarded a trophy and a cash prize of 100,000 Yuan. The second winner would receive a trophy and money of 75,000 Yuan.

As for the third place, they would get a trophy and a cash prize of 50,000 Yuan. Even though it was a lot of money for lower-class families, but for Xiao Tian and Yun Xin Er, that amount of money was nothing.

For this reason, Xiao Tian wanted to know the reason why Yun Xin Er wanted to participate in the contest. She even forced him to be her partner too.

"I have no interest in the prize. I just want to have happy memories with you in this contest." Yun Xin Er gave an honest answer. "Wouldn't it be even more beautiful memories for us if we won first place?"

"Don't worry. We will definitely get first place later." Xiao Tian spoke confidently.

"How can you be so sure about it?" Yun Xin Er inquired.

Even though they looked good in their outfit, but everyone also looked amazing in their clothes. In fact, she was not even sure if they would make it to the top three later.

"Eh! Have you forgotten who you are? You are my Goddess of Luck, so as long as you are beside me, I will be showered with luck later." As usual, Xiao Tian used his sweet words.

"Hehe." Yun Xin Er could not help but giggle after hearing his words. "You are right. I forgot that I'm the Goddess of Luck."

## **Chapter 740 - Competition**

9-11 minutes

---

"Little brother, because we are pretending to be someone else, let's hide the fact that we are from rich families." Yun Xin Er uttered, "Most of them are from lower-class families, so I think it will be better if we also pretend to be someone from lower-class families."

Previously, Xiao Tian and Yun Xin Er registered themselves using fake names. Xiao Tian used Tie Yuan as his fake name, while Yun Xin Er chose Xin Yu as her fake name.

"Sure." Xiao Tian didn't mind it because he was also from a lower-class family last year.

"Good!" Yun Xin Er grabbed his hands. "And please behave as if we really want the prize."

"U...n." Xiao Tian had no idea what to say to her.

'Well, if that is what you want, I can't help but do that.'

Xiao Tian added in his head.

Time went by quickly, and without realizing it, it was 03:00 pm. At this moment, the host, who wore swordswomen robes, walked towards the stage.

"Everyone, welcome to the Ancient Fashion Contest. I, Fu Chang Yi, am your host for this contest." Fu Chang Yi introduced herself.

Everyone who participated in the competition immediately sat down on the chairs located on the right side of the stage. It was a place prepared for the contestants.

In front of the stage, four judges were sitting on the chairs; two women and two men. Each of them had mineral water and a box of cake on the long table. Of course, the judges were also wearing ancient clothes.

Behind the judges, countless people were sitting on their chairs with an exciting expression. Many of them brought their cameras because they wanted to take pictures of the contestants.

"I know all of you are looking forward to it, but let me tell you something first." Fu Chang Yi uttered, "First, the judges will give the judgment. Second, the judgment will be given based on the clothes you wear."

Fu Chang Yi then continued, "Since this is a pairs competition, the judges will look at your partner's clothes too. Lastly, the judges will also assess your cohesiveness on the stage later."

At this moment, all the contestants were excited. All of them wanted to get first place because 100,000 Yuan was a lot of money for them.

Unlike them, Xiao Tian was busy teasing Yun Xin Er as if he had no interest in the contest. The people around him even thought that he participated in the competition only for fun.

"All right. Let's stop talking and start the competition." Fu Chang Yi spoke, "The first contestant, please step into the stage."

Previously, all the contestants had taken a ballot inside the blue box. It was to decide who would perform first.

Fu Cheng and Ming Ming climbed the ladder, which only had four rungs. Because both of them wanted to win first place, they did their best.

Fu Cheng was wearing a king outfit while Ming Ming wore queen clothes. Both of them looked great in their costumes.

The judges were satisfied with their performance. Not only did their clothes fit their bodies, but their compactness and the way they walked were amazing. It was as if they were a real king and a queen.

'These contestants are good.'

The judges wrote their score on the book.

More than twenty audiences began taking photos of Fu Cheng and Ming Ming. Like the judges, they also thought Fu Cheng and Ming Ming were amazing.

Xiao Tian shifted his gaze from Yun Xin Er to Fu Cheng and Ming Ming.

'Big sister Yun and I got number 38, so that means, we have plenty of time before it's our turn to perform.'

Because he still had plenty of time before it was his turn to perform, Xiao Tian teased Yun Xin Er again, "Big sister Xin Yu, how about we have dinner together later? I found a good place for dinner yesterday, so how about we go to that place?"

Upon hearing his words, Yun Xin Er turned her head to look at him and answered, "We are in a competition and you still have thoughts of seducing a woman? Hehe. You really are a playboy. All you have in mind are women and women. Hehe."

Instead of denying it, Xiao Tian only laughed, "Hehe. So, how is it? Do you want to have dinner with me later?"

"Sure. But..." Yun Xin Er spoke and paused for a second before she continued, "You have to help me get first place or else I won't have dinner with you later."

"Don't take back your words later." Xiao Tian responded.

'Is it too late to bribe the judges now?'

Xiao Tian asked in his head.

Like before, when many contestants were feeling nervous, Xiao Tian was busy teasing Yun Xin Er.

"Get ready, next is our turn to perform." Yun Xin Er uttered.

"Un." Xiao Tian nodded his head.

"Now let's welcome the contestants number 38." Fu Chang Yi uttered.

Yun Xin Er and Xiao Tian immediately stepped onto the stage.

"Wow! They look amazing!"

"I agree with you."

"They are much better than the previous contestants."

"You are right. The way they walk and their outfits match them perfectly."

"And look at that young man. He is so handsome."

"Yes. He is so attractive. If only he were my lover, I would have participated in this competition."

"I..I think I know him."

"Who is he?"

"He was the swordsman who stole my heart yesterday."

"Hey, wake up! Why does he want to steal your heart?"

"Yes. I think you are still sleeping now because he was the person who saved me from the thugs yesterday. We even had dinner together last night."

"You too, wake up! Don't make up a story."

Due to how attractive Xiao Tian was, many female audiences began talking about him.

\*Click...Click...Click...

All the audiences who brought their cameras immediately took pictures of Xiao Tian and Yun Xin Er. They even took a lot of photos of Xiao Tian and Yun Xin Er.

In their view, Xiao Tian and Yun Xin Er were much better than the previous contestants. Even though they had no idea whether Yun Xin Er was a pretty lady or not, but from her body, they believed that she was also an attractive lady.

After Xiao Tian and Yun Xin Er finished performing, it was time for the judges to say something to them.

"I have no comment." The two female judges spoke in unison.

"I also don't have anything to say. Their performance is great." The red-haired judge uttered,

"Oh! You all have nothing to say?! Then it's my turn." The blue-haired judge, who was wearing General armor, looked at Xiao Tian. "Tie Yuan, do you know what you are lacking the most in yourself?"

"Money?" because Yun Xin Er told him to pretend to be someone from a lower-class family, he decided to say something like that.

"Hahaha." The audiences couldn't help but burst into waves of laughter.

Not only audiences but even the judges and the host also laughed after hearing his words.

"Hehe." Yun Xin Er covered her mouth and giggled.

The corner of Xiao Tian's lips twitched when he noticed Yun Xin Er giggling.

'Big sister Yun, why are you laughing too? Aren't you the one who told me to act like this? I did this because of you, you know?'

Xiao Tian suddenly remembered the time where he participated in the piano competition. At that time, he also made the audience laugh.

"Not only is he attractive, but he is also cute. I really want a boyfriend like him." One of the audiences uttered.

The blue-haired judge then tried his best not to laugh anymore. "I'm sorry for laughing earlier. I know you need money, but your answer is wrong. What you lack the most is only one thing; You are overconfident."

The blue-haired judge then continued, "It's good to have confidence but overconfidence is like a double edged sword. Even though you didn't make a mistake now, but I'm sure that your personality will make you suffer in the future."

"I understand." Xiao Tian didn't take the blue-haired man's words seriously.

The blue-haired judge then shifted his gaze from Xiao Tian to Yun Xin Er and inquired, "By the way, is she your lover?"

"Not yet." Xiao Tian gave an honest answer. "But soon, she will be mine."

The blue-haired judge asked, "Miss Xin Yu, may I know the reason why you still haven't accepted him as your lover? Even though he is poor, but isn't he attractive?"

"I still want to test his love for me." Even though Yun Xin Er could lie to them, but she chose to give an honest answer.

"Test his love?! Damn! She has the guts to say something like that."

"Tie Yuan, just forget her and be mine. I will treat you nicely."

"No! Be my lover. I will treat you like the most precious human in the world."

"No! Just be my mine."

One by one, the female audiences told Xiao Tian to become their boyfriend and forget Yun Xin Er.

Yun Xin Er ignored their words and looked at Xiao Tian. "As expected of little brother, you are sure amazing. Why don't you make them your women too?"

"Sure. I will meet them later." Xiao Tian was only joking around because he wanted to see her reaction.

"What?! You will meet them later?! It seems like I will eat dinner alone tonight." a trace of jealousy suddenly appeared on her face. However, because she was wearing a veil, Xiao Tian could not see it.

"Hehe." Xiao Tian chuckled.

'She is jealous.'

Xiao Tian said in his head.
