Chapter 741 - Do You Believe Me Now?

After the judges finished giving them their scores, Xiao Yan and Yun Xin Er returned to their seats. And like before, Xiao Tian immediately teased Yun Xin Er again.

"Big sister Xin Yu, do you realize that you have become the enemy of many women?" After saying that, Xiao Tian tapped his thighs. "Come here and sit on my lap, so I can protect you later. Otherwise, it will be dangerous for you."

Yun Xin Er giggled and pinched his nose, "Why can't you just be honest and say that you want me to sit on your lap? You don't need to lie, you know? Because I won't fall into your trap."

Because Yun Xin Er ignored his words, Xiao Tian grabbed her by the waist before placing her on his lap. "It seems like my Xin Yu is getting smarter and smarter."

Instead of feeling shy, Yun Xin Er only giggled. "Hehe. Little brother, are you sure you want me to continue to sit on your lap? Look! Everyone is staring at you, you know?"

What Yun Xin Er said was true. When Xiao Tian placed her on his lap, everyone instantly turned their heads towards Xiao Tian.

'That young man is really shameless! Does he realize where he is now?'

Those were the words that appeared in their minds.

However, Xiao Tian didn't show the slightest care about it. "They are just jealous of me because a gorgeous lady is sitting on my lap."

The people around him were even more unhappy after hearing his remarks.

'Gorgeous lady my ass! I'm sure she is an ugly woman. There is no way a pretty lady will behave like her. I'm sure, her face score is three out of ten.'

Because Yun Xin Er was wearing a veil, they were unable to see her pretty face. Sure, Yun Xin Er had a perfect body, but what was the point of having such a fantastic body if her face was ugly.

At least that was what they thought after seeing Xiao Tian and Yun Xin Er lovey-dovey.

"Little brother, it seems like they want to beat you to death. Hehe." After saying that, Yun Xin Er giggled.

The corner of Xiao Tian's lips twitched after hearing her words. "Don't mind them."

Time went by quickly, and without realizing it, it was time for the host to announce the winners of the competition.

"All right, everyone. This is the moment you have been waiting for." Fu Chang Yi uttered, "Now I'm going to announce the winners of this competition."

"Do you think we will win?" Yun Xin Er inquired.

Like before, she was still sitting on Xiao Tian's lap. Even though many people were looking at her, she behaved as if they were air.

"Of course." Xiao Tian said confidently. "Don't worry. We will get first place."

"But before that, the judges please get on the stage." Fu Chang Yi wanted the judges to give trophies to the winners later.

Without waiting for another second, all the judges walked towards the stage.

"Now let me announce the third place in this competition." Fu Chang Yi spoke and paused for a second before she continued, "The third winner is Jin Ai and Wu Ji pair."

A young man and a young woman about twenty-one years old stepped onto the podium. Even though they only got third place, but from their expressions, anyone could tell that they were thrilled.

A trace of sadness appeared on Yun Xin Er's face.

'The third place is not us. I hope the second place is us.'

Even though Xiao Tian said they would get first place, but Yun Xin Er doubted it because everyone was wearing amazing outfits.

That was why she was a little sad when she learned that the third winner went to Jin Ai and Wu Ji.

"The second place is..." like before, Fu Chang Yi stopped her words halfway before continuing it. "Fu Cheng and Ming Ming pair."

Fu Cheng and Ming Ming walked towards the stage with a smile on their faces. They were the contestants who wore King and Queen outfits. The first contestant pair who performed on the stage.

Yun Xin Er was even sadder when Fu Cheng and Ming Ming won second place.

When Xiao Tian noticed the expression on her face, he pinched her left cheek gently and smiled. "Don't be sad. Of course, the host won't call our names because we are the first place winners."

At this moment, Yun Xin Er thought that Xiao Tian only wanted to cheer her. "Un."

'He is overconfident!'

Those were the words that appeared in the minds of contestants. Even though Xiao Tian and Yun Xin Er's performance was good, the other contestants' performances were also outstanding.

"Now it's time to announce the first place." Fu Chang Yi uttered, "Do you know who got the first place?"

She didn't immediately announce who got the first place; instead, she asked the audience. She was curious whether the audience knew who won first place or not.

One by one, the audiences mentioned the names of the winners in their opinion. There were about seven pairs of contestants mentioned by them. Xiao Tian and Yun Xin Er pair was one of them.

"Oh! So one of you can guess it right. That's right. The first winner is..." Fu Chang Yi turned her head towards Xiao Tian and Yun Xin Er. "Tie Yuan and Xin Yu pair."

Due to how happy she was, Yun Xin Er, who was still sitting on Xiao Tian's lap, wrapped her arms around his neck and smiled happily. "Little brother, we won first place."

"See! I told you we would get first place." Xiao Tian uttered,

'They really got first place.'

Those were the words that appeared in the minds of the contestants around Xiao Tian. Previously, they made fun of him when Xiao Tian said he would get first place. They didn't expect that Xiao Tian and Yun Xin Er would really win first place.

Yun Xin Er then slid from his lap and grabbed his right hand. "Let's go and get our trophy."

A soft smile spread across his face when Xiao Tian saw her behavior. Even though he could not see her face but he knew that Yun Xin Er was delighted.

"Congratulation." the blue-haired judge smiled before giving the trophy and money to Xiao Tian and Yun Xin Er.

"Thank you." Xiao Tian and Yun Xin Er responded in unison.

After that, the competition was over.

"So, what should we do with this money?" Xiao Tian inquired.

Currently, they were sitting on public seating. Of course, they were still in the Shanghai River.

"You can take the money. I don't need it." Even though 100,000 Yuan was a lot of money, but it was nothing for Yun Xin Er.

"How about we buy something with this money?" like Yun Xin Er, 100,000 Yuan was nothing for Xiao Tian.

Instead of keeping the money for himself, Xiao Tian would rather use the money to buy something for them.

"All right." Yun Xin Er rose to her feet and grabbed Xiao Tian's right hand. "Let's go."

Then they went somewhere and spent all the prize money. After that, they returned to Yun Xin Er's house.

"Huft. Today is a good day!" Yun Xin Er stated.

Currently, Xiao Tian and Yun Xin Er were sitting on the couch in the guest room.

"You are right." Xiao Tian responded, "Big sister Yun, since I have made you happy today, you should give me a reward now."

"Reward?" Yun Xin Er touched her chin. "Sure. I will give you a reward now. Close your eyes."

At this moment, Xiao Tian thought Yun Xin Er would kiss him. For this reason, he instantly shut his eyes. "I'm ready."

But Yun Xin Er had no intention of rewarding him.

'Hehe.'

When she saw Xiao Tian closing his eyes, Yun Xin Er covered her mouth and giggled.

Because Yun Xin Er still didn't kiss him, Xiao Tian slowly opened his eyes. When he saw her giggling, he pinched her nose and spoke, "So, you dare to lie to me, huh?"

"Lying? What are you talking about? I never said I would kiss you. I only told you to close your eyes. nothing more than that." because Yun Xin Er wanted to tease him, she had prepared the answer.

Black lines formed on his forehead after hearing her words. Xiao Tian suddenly remembered that Yun Xin Er never said she would kiss him earlier.

"Isn't that the beauty job to kiss the hero?" of course, Xiao Tian still tried to make Yun Xin Er kiss him. "You've heard the term of Hero saves Beauty, right?"

"No." Yun Xin Er pretended as if she never heard it.

His jaw dropped.

'This naughty girl is bullying me, huh?'

Those were the words that appeared in his mind.

When Yun Xin Er saw the expression on his face, she pressed her right index and middle fingers against his lips. "Mmmmuucchh. There, I have kissed your lips. Hehe."

Xiao Tian was at a loss for words. He didn't expect that she would do that.

Then Xiao Tian and Yun Xin Er talked for about fifteen minutes before finally, Xiao Tian left. Because Yun Xin Er's maid accidentally washed his clothes, Xiao Tian was still wearing Hanfu, Chinese historical clothes.

As Xiao Tian was on his way home, his smartphone suddenly rang.

'Lin Xing Xue?'

When he knew the person who called him was Lin Xing Xue, he immediately picked up the phone. "Hello?"

Xiao Tian thought Lin Xing Xue missed him and wanted to hear his voice. To his surprise, the person who spoke was not Lin Xing Xue but Feng Yu. "Xiao Tian, my mother... please come here and save my mother."

Chapter 742 - Everyone, Stop It!

8-11 minutes

Xiao Tian was shocked upon hearing her words, "Calm down. Take a deep breath and tell me what is going on."

"We're at the Mozu Park right now." even though Xiao Tian told her to calm down, Feng Yu was still panicked. "My mother suddenly fell to the ground and is now having trouble breathing. I don't know what to do. Xiao Tian, come here quickly."

"Send me your location. I will go there now." Xiao Tian didn't want something bad to happen to Lin Xing Xue and Feng Yu. That was why he told Feng Yu to send her location to him.

"I will send the location now." Feng Yu then hung up the phone.

Her lips curled into a smirk after sending her location. Actually, nothing bad had happened to Lin Xing Xue. She lied to Xiao Tian because she wanted to help her mother get closer to him.

Previously, she secretly took her mother's smartphone from her bag and called Xiao Tian because she knew her mother would disagree with her actions.

At this moment, Xiao Tian still didn't realize that Feng Fu was lying to him. He even forgot that he was still wearing Hanfu.

As soon as Xiao Tian arrived at the Mozu park, he called Lin Xing Xue again, but she didn't pick up her smartphone. Xiao Tian started running aimlessly, hoping he could meet Ling Xing Xue and Feng Yu quickly.

'Why didn't she pick up the phone?'

Without realizing it, Xiao Tian had been running aimlessly for about ten minutes, but he still could not find Lin Xing Xue and Feng Yu.

'Where are they?'

Even though many people were staring at him because he was wearing Hanfu, Xiao Tian didn't show the slightest care about it.

Because Feng Yu was panicked when she called him, he thought Lin Xing Xue's condition was in such a critical state, so he didn't want to waste his time on unnecessary things.

Xiao Tian suddenly saw two people who looked like Feng Yu and Lin Xing Xue. Both of them were sitting on the wooden bench.

He wasted no time and dashed towards them. When he found out it was Feng Yu, he immediately asked, "Feng Yu, how is your mot-"

Xiao Tian stopped his words halfway when he saw Lin Xing Xue sitting on Feng Yu's left side. At this moment, he still didn't realize that Feng Yu had lied to him.

Lin Xing Xue was startled when she saw Xiao Tian. But what surprised her most was that he wore a worried expression. Of course, she knew him because of his voice.

'What is going on? Why is he here? Why is he breathing heavily? Did he run earlier? And why is he wearing Hanfu?'

Countless questions appeared in her head.

Because Xiao Tian still didn't realize that Feng Yu had lied to him, he immediately asked, "Little Xue, how is your condition now? Do you want to go to the hospital?"

"What do you mean by that? Why do I have to go to the hospital?" Lin Xing Xue had no idea as to why Xiao Tian asked something like that.

Xiao Tian shifted his gaze from Lin Xing Xue to Feng Yu. At this moment, he finally understood that Feng Yu had lied to him.

Since Xiao Tian had found out everything, Feng Yu made up an excuse to leave. "I want to go to that playground."

"Tian, did Yu'er do something bad?" Lin Xing Xue inquired

"It's nothing. Forget it." After letting out a sigh of relief, Xiao Tian sat next to her.

Even though Xiao Tian denied it, Lin Xing Xue was sure that Feng Yu had done something bad just now.

'Did Yu'er call him using my smartphone?'

Lin Xing Xue then took her smartphone out of her bag. When she found out that there were many missed calls, she became even more sure that her daughter called Xiao Tian earlier.

'There are fifteen missed calls from him. He was also breathing heavily earlier. Did Yu'er say I was in danger earlier?'

Lin Xing Xue could not help but be happy when she found out that Xiao Tian was worried about her safety earlier. She then opened the history call.

'There is no history I called him today. Did Yu'er delete it?'

Lin Xing Xue didn't know whether she should be angry with her daughter or thank her. But she really hoped that Xiao Tian would not hate her daughter later. "Tian, I'm sorry for the trouble Yu'er caused. I hope you won't hate her because of this."

"It's fine." Even though Xiao Tian hated the method Feng Yu used to get him to meet her mother, but he could not hate her because he knew that she was doing it for her mother's sake. "By the way, what are you doing here?"

"Yu'er said she wanted to go to the park, so I brought her to this place." Lin Xing Xue gave an honest answer.

"I see." Xiao Tian responded.

At this moment, Feng Yu was looking at Xiao Tian and her mother from afar.

'Mother, don't let this opportunity slip away.'

Feng Yu, who was sitting on the swing, kept looking at her mother and Xiao Tian.

'By the way, why is he wearing Hanfu?'

Previously, Feng Yu was startled when she saw Xiao Tian wearing Hanfu, but she said nothing.

When Feng Yu realized the awkward silence between Xiao Tian and her mother, she could only sigh. She didn't expect that her mother would be so useless.

'You have to be more aggressive if you want to get back with him quickly. Sigh.'

She started thinking of ways to make her mother get closer to Xiao Tian. And after thinking for a few seconds, she found an excellent idea.

'Let's do that.'

Feng Yu then walked towards her mother and Xiao Tian.

When she was in front of them, she uttered, "Xiao Tian, I want to go to Shenro Fountain. Can you take me there now?"

Xiao Tian shifted his gaze from Lin Xing Xue to Feng Yu.

'What a smart child!'

Of course, Xiao Tian knew what she had in mind. Because she lied to him before, he knew that she wanted to create an opportunity for her mother to get closer to him.

"Yu'er, why do you suddenly want to go there?" Lin Xing Xue was still not aware of her daughter's intentions. "If you want to go to the Shenro Fountain, we can go there tomorrow."

"No." Feng Yu refused instantly. "I want to go there now."

'Mother, just shut up and leave everything to me.'

Feng Yu added in her mind.

"It's fine." Xiao Tian smiled softly. "If you really want to go to the Shenro Fountain, I will take you there now."

"Good!" Feng Yu nodded her head.

Lin Xing Xue didn't want to trouble Xiao Tian, so she immediately said, "Tian, you don't"

However, before she had finished her words, she was interrupted by Xiao Tian. "It's fine. Let's go."

"All right." Because Xiao Tian said so, Lin Xing Xue didn't say anything anymore.

Then they went to the Shenro Fountain. Shenro Fountain was located in Xufang city, Nanli district.

It was one of the most famous places in Xufang city. Every night, many people came to the Shenro Fountain to hang out with their friends.

They were chatting, joking, or making videos at Shenro Fountain. It was said that Shenro Fountain always full of people from morning to evening.

After driving for about forty minutes, they finally reached their destination. Because it was already 07:00 pm, many people had come to the Shenro Fountain.

Then Xiao Tian, Lin Xing Xue, and Feng Fu walked towards the Water Fountain. Because Xiao Tian was wearing Hanfu, many people were staring at him.

Actually, Xiao Tian knew that he would be the center of attention because people rarely came to the Shenro Fountain wearing Hanfu.

Some people even took photos of him, but Xiao Tian treated them like air and continued talking to Lin Xing Xue and Feng Yu.

The longer Xiao Tian was in the Shenro Fountain, the more often people took his photos. Maybe because he was wearing Hanfu or perhaps because he was so attractive, but he continued to be the center of attention.

Even though Xiao Tian was walking with a gorgeous mature lady and a child, they thought that the relationship between Xiao Tian and Lin Xing Xue was just a family member, not husband and wife or lovers.

For this reason, two young women about nineteen years old suddenly stopped Xiao Tian and spoke, "Excuse me. Can we take a picture together with you?"

Xiao Tian didn't answer immediately and turned his head to look at Lin Xing Xue. Sure, he didn't mind taking a photo with them, but he didn't want to make Lin Xing Xue sad.

"It's fine. You can take a picture with them." Even though Lin Xing Xue was jealous, she could not stop them.

Because Lin Xing Xue said so, Xiao Tian immediately spoke, "Sure."

"Thank you." after saying that, they immediately took pictures with Xiao Tian.

Since Xiao Tian agreed to take photos with them, many people also started asking him to take a picture with him.

This made Feng Yu unhappy because they were disturbing her plans to bring her mother and Xiao Tian closer.

For this reason, she immediately said, "Everyone, stop it! All of you are disturbing our family time. Father, you need to stop taking pictures with them. Did you realize that your actions made mother sad? How can you do this to your wife?"

Chapter 743 - Tian'er, I'm Sleepy.

8-11 minutes

The expression of deep shock blossomed on the faces of everyone who wanted to take a picture with Xiao Tian.

Previously, they thought the relationship between Xiao Tian and Lin Xing Xue was only a family member, nothing more than that. But after hearing Feng Yu's words, they suddenly changed their minds.

'What?! So, they are husband and wife. But isn't the age difference between them too big? It's fine if the husband is the older one, but it's the wife who is much older than the husband.'

They suddenly felt awkward. Previously, they ignored Lin Xing Xue for the sake of taking a picture with Xiao Tian.

The corner of Xiao Tian's lips twitched after hearing Feng Yu's words. He knew that she was up to something, but he didn't expect that she would say something like that.

'What a cunning child! She really did anything to make her mother closer to me. She is just like me. She will do anything to achieve her goals.'

Xiao Tian remained silent and only stared at Feng Yu and the others.

At this moment, Lin Xing Xue had no idea what to say. Sure, she didn't care about her daughter's words, but at the same time, she was afraid that Xiao Tian would be angry with her daughter's actions.

Lin Xing Xue turned her head to look at Xiao Tian's reaction. When Xiao Tian didn't say a word, she was thrilled.

'He didn't deny it.'

Because Xiao Tian said nothing, Lin Xing Xue slowly lowered her head and smiled shyly. She could not express the happiness she felt in words.

'I'm glad. With this, there is a possibility that I can get back with him and live together with him forever.'

Lin Xing Xue dared to think something like that because if Xiao Tian didn't want to get back with her, he would immediately deny it. But now, Xiao Tian didn't even try to deny it as if he agreed to marry her in the future.

"We are sorry for disturbing your time." They immediately apologized to Lin Xing Xue.

"It's fine." Lin Xing Xue smiled softly. "If you want, you can still take pictures with my...husband."

'I...I just called him husband.'

Lin Xing Xue was shy when she called Xiao Tian husband. It had been a long time since she called someone with a nickname husband.

Previously, she had believed that she would no longer call someone with the nickname husband since she divorced Feng Ao because she was sure it would take a long time before she could take her daughter back from her ex-husband.

Since Lin Xing Xue met Xiao Tian, her life had become much easier. Not only was Xiao Tian able to help her take her daughter back from her ex-husband, he even made her life more colorful and gave her a high-paying job.

It could be said that Xiao Tian was very important in her life. That was why she wanted to get back with him.

"No, no. We've taken quite a number of photos. Well, then please excuse us." After saying that, they left.

Lin Xing Xue felt shy again when she was alone with Xiao Tian and Feng Yu. This made Feng Yu sigh.

"Mother, Xiao Tian, let's head to that fountain."

"Un." Lin Xing Xue nodded her head.

They spent about an hour and a half at the Shenro Fountain before they finally traveled to Lin Xing Xue's house.

Just like the last time Xiao Tian drove them home, Feng Yu immediately got out of the car and entered her house, leaving Xiao Tian and her mother alone in the car.

"Thank you for driving us home." Lin Xing Xue uttered,

"Un." Xiao Tian responded as he smiled softly.

'Hmm?'

Since Lin Xing Xue remained in her seat, Xiao Tian knew that she desired a goodbye kiss.

'It seems like she wants a goodbye kiss.'

And what Xiao Tian had guessed was right because the moment he cupped her face, Lin Xing Xue instantly shut her eyes.

*kiss...

Xiao Tian pressed his lips against hers.

And as usual, the normal kiss turned into a passionate kiss where they moved their tongues lewdly and explored each other's mouths.

They had a deep kiss for about two minutes before Xiao Tian finally stopped the kiss. "All right, I have to go home now."

"Un." Lin Xing Xue nodded her head.

Then Xiao Tian returned home.

Because Xiao Tian hadn't showered yet, he headed straight to the bathroom after arriving home.

'I suddenly want to lovey-dovey with Ning'er.'

With that idea in mind, Xiao Tian headed to Liu Ning's room.

And as if Liu Ning's bedroom was his, Xiao Tian entered her room without knocking on the door.

"Ning'er, what are you doing?"

Liu Ning, who was reading a book, turned her head towards Xiao Tian. "Tian'er, you have returned home?"

"Yes." Xiao Tian then sat on the bed with his back leaning against the headboard.

Liu Ning put her book on the small table on the right side of the bed and spoke, "Tian'er, can you accompany me shopping tomorrow?"

"Shopping? Sure." Xiao Tian responded without thinking twice.

It had been a long time since he accompanied his women shopping. Even though he knew that they always took a long time when they went shopping, but Xiao Tian didn't mind it.

Liu Ning embraced his right arm and placed her head on his right shoulder. "Thank you."

Xiao Tian kissed her hair gently. "Tomorrow is Sunday so how about we spend time together for the whole day?"

Liu Ning raised her head to look at Xiao Tian. "Really?"

"Un." Xiao Tian nodded his head as he smiled softly.

Due to how happy she was, Liu Ning cupped his face and kissed his forehead. "Thank you, Tian'er."

Xiao Tian touched his lips with his right index finger and uttered, "What about here?"

Liu Ning, who had guessed that Xiao Tian would say something like that, smiled softly before kissing his lips.

"Because you have kissed me, now it's my turn to kiss you." after saying that, Xiao Tian kissed her pretty lips.

The normal kiss instantly turned into a passionate kiss. As they had an intense kiss, he lowered her to the bed, shedding clothes as they went.

"Tian'er, I'm sleepy." Liu Ning uttered.

Currently, she was lying prone on top of Xiao Tian's body, naked. Previously, she had sex with Xiao Tian for about an hour before they finally stopped.

Unlike usual, this time, Xiao Tian's cock wasn't in her wet pussy because it was a dangerous day for her.

Xiao Tian rubbed her hair gently and spoke, "If you are sleepy, you can sleep now."

"Un." Liu Ning then slowly shut her eyes.

As Liu Ning was sleeping, Xiao Tian thought of a way to make Liu Ning accept his relationship with his mother and aunt.

'What's the best plan to get Ning'er to agree to our forbidden relationship?'

Seconds turned into minutes, and without realizing it, it had been twenty minutes since Liu Ning slept. But, Xiao Tian still hadn't come up with a good idea to make Liu Ning accept his relationship with his mother and aunt.

'Aghh! This is driving me crazy!'

Usually, it was easy for him to get any ideas, but this time, it was different. It was as if his mind refused to think of any ideas.

'Sigh! I really need opinions from other people, but...'

His problem was complicated, so Xiao Tian didn't know what to do. If it were a normal problem, he would have already gone to see either Lan Ruoxi or Zhao Sheng as they were the only ones who could almost help him in everything.

Xiao Tian wrapped his arms around Liu Ning's waist and sighed again.

'Ning'er, if I reveal my relationship with my mother and aunt to you, will you accept it? Will you still love me the same? Or will you look at me in disgust and leave me later?'

Xiao Tian then rubbed her hair gently with his right hand again.

'Ning'er tell me, what should I do at this time? What should I do to make you accept my relationship with my mother and aunt? Tell me the best decision I have to make at this time.'

Xiao Tian slowly shut his eyes.

'If my father were here, I believe he can help me solve my problem.'

Xiao Tian suddenly remembered his past life father.

*kiss....

Xiao Tian kissed Liu Ning's hair again.

Liu Ning, who was sleeping, suddenly spoke, "I love you, Tian'er."

"I love you too, Ning'er." Even though Xiao Tian knew that Liu Ning was sleeping, but he still said it. "I ready do."

As if Liu Ning could hear his words, she suddenly smiled softly.

Like before, Xiao Tian started to think of a way to get Liu Ning to accept his relationship with his mother and aunt.

However, the results were the same; he didn't get any idea. For this reason, Xiao Tian decided to sleep.

At 05:00 am, Xiao Tian opened his eyes. When he saw Liu Ning's sleeping face, his face broke into a smile.

'It seems like she is having a good dream.'

After kissing her hair, Xiao Tian began to think of a way to get Liu Ning to accept his relationship with his mother and aunt. But like last night, it wasn't easy for him to come up with any good ideas.

'God, please give me an idea.'

As if God was listening to his prayer, a good idea suddenly appeared in his mind.

'Good! I will use that idea.'

Xiao Tian said in his head.

Chapter 744 - You Look So Cute

7-8 minutes

Actually, his plan was similar to the scene from the movie he watched with his women, but he wanted to use it in real life.

With this, Liu Ning would think that many people had forbidden relationships in this world.

As Xiao Tian was feeling happy because he finally found an idea, Liu Ning slowly opened her eyes.

"Tian'er, you are already awake?!"

Xiao Tian smiled softly before nodding his head. "Yes. I woke up a few minutes ago."

It was still 05:10 am, so Liu Ning wanted to go back to sleep. She kissed his lips before placing her head on his chest again. "I'm still sleepy. I want to sleep again."

Xiao Tian grabbed the blanket and pulled it up to Liu Ning's waist.

'Should I carry out my plan today?'

After thinking for several seconds, Xiao Tian decided to carry out his plan immediately. Today, he was going to accompany Liu Ning shopping, so he thought it was the right time to carry out his plan.

'But who should I pay to help me carry out my plan?'

Xiao Tian asked in his head.

'Wait! I can use some prostitutes to help me carry out my plan. Yes, let's use them.'

Xiao Tian was pleased and hoped Liu Ning would change her mind about the forbidden relationship later.

If she found out that many people had an illicit relationship, maybe she would have a different view regarding the forbidden relationship later.

At 05:35 am, Liu Ning woke up again. Because she wanted to cook breakfast with Ye Qingyu and the others, she tried to put on her clothes and get out of bed.

However, when she was about to do that, Xiao Tian embraced her tighter, causing her to be unable to move her body. "Tian'er, I want to cook breakfast."

"It's fine. Let mother and the others do that." Xiao Tian still wanted to sleep with her and also feel the warmth of her body, so he did not want to let her go.

"But...." Liu Ning had no idea what to do. She wanted to help cook breakfast, but at the same time, she didn't want to make her lover sad.

At this moment, Shi Fei suddenly knocked on the door. "Ning, are you awake?"

Before Liu Ning could answer, Xiao Tian uttered, "Fei, come in. The door isn't locked."

Even though Liu Ning was surprised by his words, she said nothing because Shi Fei was also his lover.

Shi Fei wasted no time and immediately entered Liu Ning's bedroom. "As I thought, you two are still naked. Little brother, did you enjoy having sex with Ning last night? Hehe."

"Yes. I did enjoy it." Xiao Tian gave an honest answer. "Did you come to ask Ning'er to cook breakfast together with you?"

"Yes." Shi Fei nodded her head.

"Can you cook breakfast without her?" Xiao Tian inquired, "I still want to spend time with her."

"All right." Shi Fei was fine even though Liu Ning didn't help her cook breakfast because Ye Qingyu and Ye Xueyin would help her later.

"My lover really understands me very well." Xiao Tian uttered,

Shi Fei kissed Xiao Tian's lips before walking out of Liu Ning's room. Before she closed the door, Shi Fei spoke, "Little brother, I hope you can finish it before breakfast is ready. Oh! Don't forget to control yourself, or else your mother and aunt will hear Ning's moan again like last night. Hehe."

Shi Fei thought Xiao Tian intended to have quick sex with Liu Ning. That was why she said something like that.

The corner of Xiao Tian's lips twitched after hearing her remarks.

'This lady...'

Xiao Tian then looked at Liu Ning and rubbed her hair gently.

Liu Ning raised her head and inquired, "Tian'er, do you have any intention of having sex with me again?"

"No. I just want to embrace you." at this moment, Xiao Tian was telling the truth. He really had no intention of having sex with her. "Oh right, Ning'er. I just remember that I have to go somewhere later. I will be home at 09:00 am later. Can you wait for me?"

"All right." Liu Ning responded as she nodded her head.

Then Xiao Tian and Liu Ning talked about many things. When it was time for breakfast, Shi Fei headed to Liu Ning's room again.

After breakfast, Xiao Tian took a shower and went somewhere to find prostitutes. At first, he only paid two prostitutes to help him carry out his plan, but after thinking for a few seconds, he changed his mind.

Because he wanted Liu Ning to know that there were many people who had illicit relationships, Xiao Tian decided to pay four prostitutes.

Of course, Xiao Tian also told them to keep everything a secret. He also threatened to kill them if his plan became known to the public.

Because Xiao Tian gave each of them 30,000 Yuan, they promised that they would not say anything until they died. After Xiao Tian told them what they should do later, he returned home.

"Ning'er, your lover has returned home." Xiao Tian spoke when he was in the guest room.

"Tian'er, I'm in my room." Liu Ning replied.

Without waiting for another second, Xiao Tian headed to her bedroom. As usual, Xiao Tian entered her room without knocking on the door.

To his surprise, Liu Ning was standing in front of her cupboard, naked. "Ning'er, why are you naked?"

"I'm choosing clothes to wear." Xiao Tian was her lover and had seen her naked body many times, so Liu Ning behaved normally.

A wicked idea suddenly appeared in Xiao Tian's mind. With this idea in mind, Xiao Tian immediately walked towards her and embraced her from behind.

Not only did he hug her from behind, but Xiao Tian also squeezed her breasts and kissed the right side of her neck.

Liu Ning, who was choosing clothes, stopped what she was doing. "Tian'er, can you stop it? I'm choosing clothes right now."

Xiao Tian ignored her words and turned her around.

Because Liu Ning thought Xiao Tian wanted to kiss her lips, she immediately shut her eyes.

Xiao Tian, who was it, almost laughed.

'She is so cute! Look at her cute face. I really want to see it forever- wait.'

Xiao Tian suddenly took his smartphone out of his pocket and took a picture of Liu Ning's cute face.

*Cluck...

Because Xiao Tian forgot to turn off the camera shutter sound, Liu Ning immediately knew that Xiao Tian had just taken her photo.

She opened her eyes and spoke, "Tian'er, did you just take a picture of me?"

"Yes. Look! You look so cute." because Xiao Tian could not lie to her, he decided to tell the truth.

Liu Ning shifted her gaze from Xiao Tian's face to his smartphone. In the picture, Liu Ning was closing her eyes while also pouting her lips. She also agreed that she looked so cute.

"I will make your photo as my phone wallpaper so that I can see your cute face whenever I want." After setting her photo as wallpaper, Xiao Tian showed it to Liu Ning. "Look! You look so cute on my phone."

Previously, Liu Ning wanted to tell him to delete the photo, but because he set it as his cellphone wallpaper, she changed her mind.

Chapter 745 - Going To Suzo Park With Liu Ning

7-8 minutes

After Liu Ning put on her clothes, she uttered, "Let's go."

Xiao Tian, who was sitting on the bed, rose to his feet and nodded his head. "Un."

Xiao Tian accompanied her to many places. She bought many things such as shoes, bags, and hats.

By the time she finished shopping, it was already 03:00 pm. Yes, she spent more than five hours shopping.

"Tian'er, let's go home." Because she had bought everything she wanted, Liu Ning thought there was no point in staying in the mall.

"Ning'er, how about we go to Suzo park?" of course, Xiao Tian refused to go home because he still hadn't carried out his plan.

"Suzo park? Sure." Liu Ning was a little surprised, but she didn't have the heart to refuse his wish because he was her lover.

'Well, spending time in the park after shopping is also a good thing.'

She added in her head.

"Good!" Xiao Tian smiled happily because, with this, he could carry out his plan later.

Then they traveled to Suzo park. Suzo park was located in Xufang city. It was close to the Shenro Fountain, a place where he went with Lin Xing Xue and Feng Yu.

Unlike other parks, this park was unique because it was only visited by lovers. Not only that, but Suzo Park was also a famous place for couples to have outdoor sex.

There were many good or hidden places in Suzo park. Usually, one of the reasons they went to Suzo park was to have outdoor sex.

Of course, Liu Ning didn't know anything about it because she had never been to Suzo park before. After driving for about fifteen minutes, they finally reached their destination.

Without waiting for another second, Xiao Tian dragged Liu Ning to the designated place.

"Ning'er, let's sit over there." Xiao Tian spoke as he pointed his right index finger at the wooden bench under the big tree.

"Un." Liu Ning nodded her head.

Xiao Tian then held Liu Ning's right hand and walked towards the wooden bench with a smile on his face.

After they sat on the wooden bench, Liu Ning uttered, "Tian'er, don't you feel that there is something strange in this place?"

"Something strange? No. In my eyes, this park is like any other park." Xiao Tian lied to her. "Why?"

'Wait! Don't tell me, she has realized my plan?!

Xiao Tian was suddenly worried that Liu Ning had realized his plan.

'No. I'm sure, she didn't realize it.'

Xiao Tian had spent 120,000 Yuan, so he really hoped that everything would go according to his plan.

Even though he had no idea what would happen later, but at least he wanted Liu Ning to know that many people had forbidden relationships in this world.

With this, it would be easier for him to make her accept his relationship with his mother and aunt.

"Because I haven't seen a single child since we arrived at this park." Liu Ning told him the reason why she felt there was something strange about Suzu garden. "Not only that, but all I saw were only lovers as if this place was made for lovers. Don't tell me. This is a couple park. "

Xiao Tian was amazed by her instincts and analysis. Even though she didn't know anything about Suzu park, but she could guess what kind of place it was in less than five minutes.

"Ah! Actually, I also have the same thoughts as you. This is my first time coming to this park so I didn't know it was a garden for couples." Of course, Xiao Tian lied to her because he had planned everything. "It's fine. We're also lovers so let's just think that this place was made for us."

"Un." Liu Ning nodded her head.

As Xiao Tian and Liu Ning were chatting, a couple suddenly walked past them. That couple was like them; the woman was older than the man.

Of course, it was the prostitutes that Xiao Tian paid to help him carry out his plan.

At first, Liu Ning didn't care about them, but because they were sitting on the opposite side of her, she could not help but glance at them.

Even though they were not right in front of her, Liu Ning could still hear their conversation and see what they were doing.

"Are you sure this place is safe?" the female prostitute named Di Xiu spoke abruptly.

"Dont worry. Everyone in this garden is lovers." The male prostitute named Da Shufan responded.

"But..." Di Xiu pretended to be shy.

"Aunt, don't be afraid. They won't care about us because they are busy with their lovers." Da Shufan tried to calm Di Xiu down.

The expression of deep shock blossomed on Liu Ning's face.

'What?! Aunt?! Don't... don't tell me....'

Liu Ning found it hard to believe what she was hearing.

Previously, she thought they were ordinary lovers like Xiao Tian and her, but she was wrong. They were lovers who were also family members.

'Incest?'

It was the first time she had seen people having an illicit relationship. Sure, there were a lot of movies about illicit relationships, but it was hard to find people like them in the real world. She just didn't expect that she would run into one of them.

Because Xiao Tian wanted to know her reaction, he looked at her.

'As I thought, she was shocked.'

Actually, Xiao Tian had expected that she would be shocked because when they watched the incest movie, she was also startled.

"Ning'er, do you see that lovers? They seem to be enjoying themselves so much." Xiao Tian spoke in a low voice.

At this moment, Xiao Tian pretended as if he didn't hear what Da Shufan said earlier.

Liu Ning then glanced at Da Shufan and Di Xiu again. "Un."

Da Shufan and Di Xiu did look so happy. They were chatting, joking, and laughing together. They also fed each other food.

They looked like normal lovers who fell in love with each other. There was no difference between an ordinary couple and them.

If she hadn't heard what Da Shufan had said before, she would have thought that they were just normal lovers.

'They look so happy.'

Liu Ning kept glancing at them to the point she almost forgot about Xiao Tian.

"Haha." Da Shufan and Di Xiu laughed happily.

"They look so happy." Xiao Tian uttered, "It's as if the world is a beautiful place in their eyes."

'Ning'er, I just want you to know that incest is not a bad thing.'

Xiao Tian added in his head.

Like before, Liu Ning kept glancing at Da Shufan and Di Xue.

'Have I been wrong all this time?'

Even though Liu Ning did not hate people who had forbidden relationships, but in her view, forbidden relationships should not be done because there was no future in it.

As Liu Ning was thinking, Xiao Tian suddenly grabbed her waist and placed her between his legs. "Ning'er, what are you thinking about?"

Even though Xiao Tian knew what she had in mind, but he pretended as if he didn't know anything.

Liu Ning raised her head and replied, "Nothing."

Xiao Tian kissed her lips before wrapping his arms around her waist. "Let's show them that we are also a happy couple."

Liu Ning's face broke into a smile. "Un."

Chapter 746 - What? Another Illicit Relationship?

7-8 minutes

As Liu Ning was chatting with Xiao Tian happily, she sometimes glanced at Di Xiu and Da Shufan.

Even though Xiao Tian noticed her actions, he didn't say anything because that was what he wanted. He wanted her to know that having an illicit relationship was not a bad thing.

Time went by quickly, and without realizing it, it had been thirty minutes since Di Xiu and Da Shufan appeared in front of them. Because they had completed their task, Di Xiu and Da Shufan left.

"Ning'er, let's go for a walk." the reason why Xiao Tian wanted them to take a walk was that he wanted to carry out his next plan.

"Un." Liu Ning, who didn't know anything, nodded her head happily.

Then Xiao Tian and Liu Ning walked hand in hand with a smile on their faces. Even though they didn't say a word, but both of them were delighted.

The happy smile never left their faces. Due to how happy they were, sometimes Xiao Tian kissed her forehead.

Of course, his kiss was always welcomed by her cheerful smile. Xiao Tian was the person she loved, and the atmosphere was also good, so his kiss made Liu Ning even happier.

But the smile on her face froze as they walked near the public toilet.

"Ah...Ah...Ah..." A woman's moans echoed throughout the entire area.

Liu Ning and Xiao Tian instantly stopped their footsteps.

'This sound is....'

Xiao Tian and Liu Ning were shocked.

Of course, Xiao Tian was only pretending to be shocked because he knew something like this would happen.

Yes. The people who were having sex near the public toilet were the prostitutes who Xiao Tian paid to carry out his plan.

Previously, Xiao Tian had shown Liu Ning that people who had forbidden relationship could have a happy life. Now he wanted to show her how people, who had forbidden relationship, had sex.

Unlike Xiao Tian, who was only pretending to be startled, Liu Ning, on the flip side, was really shocked.

Xiao Tian and Liu Ning slowly turned their heads towards the source of the sound. Even though there were many flower trees around the public restroom, but because the flower trees were only as high as Xiao Tian's chest, Liu Ning and Xiao Tian could still see what was going on in front of them.

Although her mind kept telling her to leave, but Liu Ning remained in her position.

'They....they are having sex?!'

In front of her, a woman about forty years old was hugging a tree with a fascinating expression.

Behind that woman, a young man about twenty years old was grabbing her waist while thrusting his cock into her wet vagina repeatedly.

Of course, both of them were still wearing clothes. Because the woman was wearing a short skirt, it was easy for the young man to fuck her from behind.

All he needed to do was lift her skirt and slide her panties to the other side. After that, he only needed to take down his trousers, and he could fuck her right away.

Yes. They were having sex while still wearing their clothes. And those people were none other than Bai Chuan and Yi Yi, prostitutes who Xiao Tian paid to carry out his plan.

"Mother, your vagina feels so good." Bai Chuan, who was fucking Yi Yi from behind, spoke abruptly.

While still moaning, Yi Yi looked at Bai Chuan and responded, "Son, your cock is also amazing. Your huge cock keeps hitting my womb. It feels good."

Because the distance between Liu Ning and them was not far away, she could hear their words clearly.

'What?! Son? Mother?'

Liu Ning found it hard to believe what she was hearing.

Previously, because the age difference between them was huge, Liu Ning thought Yi Yi was a slut or a lonely rich woman.

It never occurred to her that the people who were having sex in front of her were none other than a mother and her son.

'Another illicit relationship?'

Previously, she saw an aunt and nephew who became lovers, but now she saw a mother and her son having outdoor sex.

'What's wrong with today? Why do I keep seeing something like this?'

Countless questions emerged in her head.

'Wait! Don't tell me....'

Liu Ning turned her head to look at Xiao Tian.

'No! There is no way Tian'er is the mastermind behind all of this because there is no benefit for him to do this.'

Even though Liu Ning suddenly suspected Xiao Tian as the mastermind behind everything, but she immediately threw away that thought because, from his expression, she could tell that he was also shocked.

*Thump...

Xiao Tian suddenly felt uneasy.

'What is this feeling?'

Xiao Tian then turned his head to look at Liu Ning.

'She is...not suspecting me, is she?'

At this moment, Xiao Tian realized that his plan had flaws.

'Damn it! I made a mistake. I hope she doesn't realize it.'

Xiao Tian realized that he should not take Liu Ning to see Bai Chuan and Yi Yi too soon as it could raise suspicion.

First, he brought her to couple park. Then a couple who were also family members suddenly appeared in front of them and showed off their love. And now, a pair of mother and her son were having outdoor sex.

Xiao Tian was sure that Liu Ning must have felt something was wrong. But because he couldn't stop his plan, he could only behave innocently as if he was surprised like Liu Ning.

"Ah...Ah...Ah... Son, faster. Fuck your mother's pussy faster." Because Yi Yi knew that Xiao Tian and Liu Ning were watching them, she moaned louder and louder.

This morning, Xiao Tian told them to have outdoor sex in front of him and Liu Ning. They only needed to show Liu Ning that they enjoyed it a lot.

Of course, it was an easy job for Yi Yi and Bai Chuan because it was something they did every single day.

Xiao Tian, who was seeing Yi Yi and Bai Chuan having sex, praised their acting.

'I didn't expect their acting to be so good.'

Xiao Tian then returned his attention to Liu Ning and spoke, "Ning'er, did you hear their words? they are..."

Xiao Tian didn't finish his words on purpose because he wanted Liu Ning to finish it.

"Yes. Incest!" Liu Ning stated. "Illicit relationship."

'They seem to be enjoying themselves so much.'

Liu Ning's body suddenly felt hot.

'What's wrong with me?'

Even though she had sex with Xiao Tian last night, but because she kept looking at Bai Chuan and Yi Yi having sex, the flames of lust began to appear within her.

For this reason, Liu Ning held Xiao Tian's right hand and looked at him with lustful eyes.

'No! We can't have outdoor sex again.'

Even though her mind kept telling her to control herself, but her body refused to listen.

"Ning'er, let's go to my apartment." Xiao Tian knew that many people had sex in Suzo park, but he didn't want to do it there because he didn't want other people to see Liu Ning's naked body.

"Un." Even though Xiao Tian didn't say it directly, Liu Ning understood that he wanted to have sex with her.

Then they traveled to Xiao Tian's apartment to have sex.

Chapter 747 - Because I'm A Kind Lady, I Will Grant Your Wish

7-8 minutes

Inside a huge and luxurious room, a young man and a young woman were lying on the bed, naked. Their bodies were covered in sweat, and both of them were breathing heavily.

But from their expressions, anyone could tell that they just finished doing something that made them happy. Yes. Those people were none other than Xiao Tian and Liu Ning.

Previously, because both of them were aroused, they immediately had wild sex after arriving at Xiao Tian's apartment. They had sex for more than an hour before finally, they decided to stop.

Liu Ning, who was still breathing heavily, got out of bed and walked towards the window. After opening the curtains, her face broke into a smile, "Beautiful."

Because Xiao Tian's apartment was located near the Yonhan beach, Liu Ning could see the beauty of Yonhan beach.

Of course, Liu Ning was still naked. But she didn't show the slightest care about it because there were no buildings around her and Xiao Tian's room was on a high floor so no one could see her naked body.

Xiao Tian grabbed a bathrobe and placed it on Liu Ning's body. "My love, please wear clothes before opening the curtains."

Liu Ning immediately wore the bathrobe and smiled softly. She liked it a lot when he showed his caring attitude.

'It seems like he doesn't want any man to see my naked body.'

Liu Ning knew the reason why Xiao Tian brought her to his apartment.

Previously, he could fuck her in Suzo park, but he didn't do that because the possibility of other people seeing her naked body was high. This made Liu Ning happy.

"Do you want to go for a walk?" Xiao Tian inquired.

It was already 04:45 pm, so it was a perfect time to enjoy the beauty of Yonhan beach.

"Sure." Liu Ning nodded her head. "But let's take a quick bath first."

Their bodies were still covered in sweat. That was why Liu Ning wanted them to take a shower first.

"Then, let's take a bath together." After saying that, Xiao Tian carried her in a princess style and walked towards the bathroom.

Even though they just finished having sex, but Xiao Tian and Liu Ning still did adult things in the bathroom. Of course, they did it fast because they wanted to enjoy the beauty of Yonhan beach.

As they were walking hand in hand, Liu Ning suddenly remembered the time when she met Xiao Tian in Yonhan beach.

At that time, their relationship was only friends because she was still Feng Ao's wife. She just didn't expect that she would love Xiao Tian and become his woman too.

When Xiao Tian noticed the happy smile on her face, he inquired, "What is it, Ning'er? Is there anything funny here?"

"Nothing. I just suddenly remember a young man." Liu Ning didn't say that the young man was him.

This made Xiao Tian jealous. "A young man? Who is he?"

When Liu Ning saw the expression on his face, she decided to tease him. "He is a young man I admire the most. He is young, attractive, and smart. It isn't easy to find someone like him in China. Everything about him is extraordinary as if he is loved by all the gods and goddesses."

'Hehe. I'm sure Tian'er still doesn't know that I'm talking about him.'

Liu Ning added in her head.

Xiao Tian was even more jealous when Liu Ning kept praising him. "Oh! There is someone as good as me?! Can you tell me who he is? I'm curious now."

'Damn! Why do I suddenly have an extraordinary rival?'

Like what Liu Ning had guessed, Xiao Tian still didn't realize that she was talking about him.

"Do you really want to know his name?" Liu Ning inquired.

At this moment, she almost laughed. Even though Xiao Tian tried his best to stay calm, but Liu Ning knew that he was jealous.

"Yes." Xiao Tian responded as he nodded his head. "I'm curious about him now."

"If my memory isn't playing tricks on me, his name is...." Liu Ning touched her chin. "the third wheel young man."

"The third wheel young man?!" Xiao Tian was startled after hearing her remarks.

'What kind of name is that?'

Xiao Tian shouted in his head.

"Yes. His name is the third wheel young man." Liu Ning spoke and paused for a second before she continued, "But he is not the third wheel young man anymore because he is a playboy now. A playboy who has a lot of stamina."

The corner of Xiao Tian's lips twitched after hearing her words.

'Wait! Don't tell me....'

Xiao Tian finally understood that Liu Ning was talking about him.

"So, my little lover is teasing me, huh?" Xiao Tian smiled softly as he pinched her nose.

"Who is your little lover? I'm older than you, you know?" Liu Ning removed his right hand from her nose. "I should be the one who called you little lover. Hehe."

"How could you say I'm your little lover?" after saying that, Xiao Tian brought his face closer towards her right ear and whispered, "Didn't you say I was huge when we were in bed earlier? Did you forget it?"

"Pervert!" Liu Ning pinched his left cheek.

"Agh!" Xiao Tian cried out in pain. "My love, please stop pinching my cheeks. How about we hold hands instead?"

"Because I'm a kind lady, I will grant your wish." After saying that, Liu Ning held his left hand.

And like that, they enjoyed the beauty of Yonhan beach hand in hand. As usual, when the sun was setting, Xiao Tian and Liu Ning sat on the sand and enjoyed the breathtaking scenery in front of them.

'Thank you, Tian'er.'

Liu Ning held Xiao Tian's left hand tighter and leaned her head on his left shoulder.

Xiao Tian smiled softly before kissing her hair. Like Liu Ning, he was delighted to be able to spend time with his lover at Yonhan beach.

After that, they returned to his apartment. At 06:20 pm, Liu Ning and Xiao Tian decided to go home.

'If I reveal my relationship to Ning'er now, will she accept our relationship later?'

Currently, Xiao Tian was lying down on his bed. After arriving home, he spent time with Shi Fei and Liu Ning in the family room for about twenty minutes before going to his room.

Even though Xiao Tian knew that Liu Ning had slightly changed her mindset towards forbidden relationships, but he was still not sure whether she could accept his relationship with his mother and aunt or not.

'What should I do next?'

As Xiao Tian was thinking about what he should do next, his smartphone suddenly vibrated, indicating that he got a new message.

'Mother?'

When he found out that it was a message from his mother, he immediately opened it.

[Tian, can we spend time together now? Mother...mother misses you so much.]

Without waiting for another second, Xiao Tian replied to her message.

[All right. Meet me at my apartment.]

Ye Xueyin was pleased after receiving his message.

[Un.]

Currently, Ye Xueyin and Ye Qingyu were near Xiao Tian's apartment. At 03:00 pm earlier, they went out and still hadn't returned home. Because Ye Xueyin suddenly wanted to spend time together with her son, she decided to message him.

Xiao Tian wasted no time and immediately got out of bed to meet his mother.

Chapter 748 - Should I Just Reveal Our Relationship And Accept The Consequences Later?

8-9 minutes

When Shi Fei was about to head to the kitchen, she saw Xiao Tian closing the door. "Little brother, do you want to go somewhere again?"

After closing the door, Xiao Tian walked towards her and responded, "Yes. Zhao Sheng invited me to go somewhere."

Because Xiao Tian could not tell the truth, he decided to lie.

"When will you be back?" Shi Fei inquired.

"I don't know. It seems like I will be home late later." because Xiao Tian had no idea when he would come back, he could not give a definite answer.

"I see." As a good lover, Shi Fei decided not to stop him from hanging out with his friends. "Be careful little brother."

Xiao Tian kissed her forehead and smiled, "Un."

Because he knew that his mother wanted to meet him as quickly as possible, Xiao Tian wasted no time and went straight to his apartment.

To his surprise, when he stepped into his apartment, he saw his aunt too. But what surprised him most was that his mother was sitting on the couch, naked.

Not only that, his aunt was even wearing sexy and transparent lingerie to the point it was easy for him to see her pink nipples.

'Eh! What is this?'

Previously, Xiao Tian thought his mother only wanted to spend time together with him, but after seeing her naked body, he was sure that she desired to have sex with him.

'Did they plan this beforehand?'

Xiao Tian asked in his mind.

When Ye Xueyin saw her son, she immediately ran towards him with a smile on her face.

Like she used to do when they were still living in their old house, Ye Xueyin instantly jumped into his arms. "Tian..."

Because Xiao Tian had guessed that his mother would do something like that, he was able to catch his mother in time.

He then walked towards the couch and sat on it. Because his mother didn't want to be apart from him for even a second, Xiao Tian let her sit on his lap.

Xiao Tian kissed his aunt's left cheek and spoke, "I thought only mother would come to my apartment. I didn't expect you to be here too."

"I have been with big sister since the afternoon." Ye Qingyu gave an honest answer.

"I see. So, why are you wearing sexy lingerie?" after asking his aunt a question, Xiao Tian looked at his mother, "And you too, mother. Why are you naked? Is today a special day?"

Even though Xiao Tian had guessed what they would say, he still asked that question because he wanted to hear the answer from their mouths.

"Because mother desires to have sex with you." although Xiao Tian was her son, but he was also her lover, so she didn't lie to him.

As Ye Xueyin was telling the truth about the reason why she was naked, Ye Qingyu, on the flip side, didn't say a word and only stared at him.

"What about you, aunt?" Xiao Tian asked again.

Like before, Ye Qingyu didn't answer his question because she was too shy to answer it.

"Tian, Qingyu also wants to have sex with you, but she is too shy to answer it." Of course, Ye Xueyin knew it because Ye Qingyu had the same feelings as her.

Because it was a perfect time to tease his aunt, Xiao Tian immediately spoke, "Is that so? Then, can you kiss me passionately as proof? Otherwise, I won't believe it, and maybe I won't agree to have sex with you later."

Like before, Ye Qingyu didn't say anything, but if Xiao Tian wanted to have a French kiss with her, she would welcome it happily.

Because Ye Qingyu remained silent, Xiao Tian asked again, "If you said nothing, then I woul-"

However, before Xiao Tian had finished his words, Ye Xueyin cupped his face and kissed him passionately.

Even though her actions surprised him, Xiao Tian didn't try to stop her and immediately kissed her intensely.

As Xiao Tian and Ye Xueyin were having a deep kiss, Ye Qingyu kept looking at them as if she was waiting for her turn to have a French kiss with him.

Ye Xueyin and Xiao Tian had a passionate kiss for about forty seconds before Ye Xueyin broke the kiss. "Tian, let's have sex now."

Ye Xueyin desired to have sex with him ever since she messaged him. Now that they had just kissed passionately, it made her unable to control the flames of lust within her anymore.

"Sure." it had been more than three days since he last had sex with Ye Xueyin, so of course, Xiao Tian would not refuse her wish. Sure, he had a lot of sex today, but it would not stop him from having sex with them.

When Xiao Tian placed his hands on her butt and was about to stand up, Ye Xueyin immediately spoke, "Tian, let's have sex here."

"Here? Hehe. It seems like my lover can't hold back herself anymore." After saying that, Xiao Tian began to take off his clothes.

Like what Ye Xueyin wanted, they immediately had sex in the living room. Of course, Ye Qingyu also joined them because she also desired to have sex with him.

But because it was not easy to have a threesome on the couch, they decided to continue in his room. They had sex for about two hours before finally, they decided to stop.

"Tian, have you told Liu Ning and Shi Fei about our relationship?" Ye Xueyin, who was lying down on Xiao Tian's left side with her head on his left arm, inquired

"Sorry." Xiao Tian could only apologize.

"Can you tell them quickly? Mother is tired of playing hide-and-seek like this because it's hard to spend time alone with you or lovey-dovey with you." Ye Xueyin uttered.

Xiao Tian could not say anything. Of course, he understood his mother's feelings, but he could not do anything for now.

He had tried many ways to change Liu Ning's mindset about illicit relationships, but he was still not sure whether she could accept their relationship or not later.

Sure, it was easy for him to reveal their relationship, but he was afraid of the consequences because the possibility of him losing Liu Ning was high if he didn't handle it properly.

"Big sis, you have to understand his position too. I'm sure he doesn't want this to continue either, but it's also not easy for him to reveal our relationship. Remember that our problems are not simple where we can solve them easily." Ye Qingyu, who was lying on Xiao Tian's right side, uttered.

Of course, she also didn't want to continue hiding their relationship, but she understood how hard it was for Xiao Tian to reveal their relationship to Liu Ning and Shi Fei.

Xiao Tian shut his eyes.

'Should I just reveal our relationship and accept the consequences later?'

Xiao Tian asked in his head.

"But...But.." they had hidden their relationship for too long so Ye Xueyin could not endure it anymore.

"Tian, ignore big sister's words." Ye Qingyu uttered, "Aunt knows that you have tried to tell Shi Fei and Liu Ning about our relationship, and it must be difficult for you. If you can't do it fast, that's okay. Aunt doesn't want you to regret your actions later because the chances of them leaving you are very high if you tell them the truth."

"Qingyu, do you hate me now?" Ye Xueyin asked in a sad tone.

"No. I will never hate you." Ye Qingyu responded, "I just want you to understand Tian's feelings. Nothing more than that."

"I'm sorry." Ye Xueyin apologized.

After lying down on the bed for about thirty minutes, Ye Qingyu and Ye Xueyin went home. Because Xiao Tian didn't want Liu Ning and Shi Fei to suspect him, he went home an hour after them.

After arriving home, Xiao Tian didn't head to his room; instead, he went to Liu Ning's bedroom. And as if Liu Ning knew that Xiao Tian would come to her room later, her door was unlocked, allowing Xiao Tian to enter her room easily.

When he was lying down next to her, Liu Ning opened her eyes and spoke, "Tian'er, you have returned home?"

Xiao Tian placed her head on his right arm and kissed her forehead. "Yes. Good night, Ning'er."

"Good night." Liu Ning shut her eyes again.

As Liu Ning was sleeping, Xiao Tian remembered his mother's words. This made him unable to sleep because her words kept ringing in his head.

Chapter 749 - Do You Have A Problem Again?

7-8 minutes

As Liu Ning was sleeping soundly, Xiao Tian could not sleep at all. Every time he tried to sleep, his mother's words appeared in his mind. Yes. Her words kept ringing in his head to the point where it kept him from sleeping.

Because his mother didn't want to hide their relationship anymore, Xiao Tian kept thinking about how to make Liu Ning accept their relationship all night.

Time went by quickly, and without realizing it, it was already 05:00 am, but Xiao Tian still could not sleep. Dark circles appeared under his eyes as if he had not slept for more than three days.

'Why is my mind blank? Why can't I find any solutions? What's wrong me with?'

No matter how many times Xiao Tian tried to find a solution to solve his problems, his mind kept refusing to think of any ideas.

At 05:20 am, Liu Ning woke up. When she noticed Xiao Tian looking at the ceiling, she immediately spoke, "Tian'er, since when did you wake up?"

Instead of answering her question, Xiao Tian smiled softly before kissing her forehead.

When Liu Ning noticed his tired face, her expression turned anxious, "Tian'er, what's wrong? Do you have a problem again?"

"Nothing." Like before, Xiao Tian only smiled softly.

Maybe because he still hadn't slept, or perhaps because he had been thinking all night, but Xiao Tian's face really looked tired.

Liu Ning didn't say a word and kept staring at him.

'Tian'er, why are you always like this? Why are you always hiding your problems and trying to solve them yourself? Am I not good enough to share your problems?'

Liu Ning began to misunderstand. Because Xiao Tian always tried to solve his problem alone, she thought that she was not good enough to share his problems.

This made her sad. She knew that Xiao Tian was an extraordinary young man, but still, she was his lover too. At the very least, he had to tell her what the problem was so that she could help him solve it.

When Xiao Tian saw the expression on her face, he immediately placed her on top of him and wrapped his arms around her waist.

Of course, he knew what she had in mind. "Ning'er, it's not like I don't want to tell you about my problem but I really can't do it. I promise you, once I resolve this matter, I won't hide a single thing from you anymore. I will always tell you everything."

'Ning'er, this problem is related to you, so how can I tell you about it?'

Xiao Tian added in his head.

Liu Ning was pleased after hearing his words, "Promise?"

"Promise." Xiao Tian responded instantly.

At first, Liu Ning wanted to get out of bed to cook breakfast, but because Xiao Tian kept embracing her and didn't want to let her go, she had no choice but to continue sleeping with him.

When it was time for breakfast, Liu Ning and Xiao Tian walked towards the dining room hand in hand. Even though he was pleased but he still had a tired face.

When Shi Fei noticed his tiredness, her face turned worried, "Little brother, what happened to you? Why do you look so tired?"

Shi Fei knew that Xiao Tian didn't have sex with Liu Ning last night, so he should not have such a tired expression. With this, there was only one possibility; he had a big problem and kept thinking about it all night.

"It's nothing." Xiao Tian replied as he smiled. Like before, he didn't say anything about his problem.

Because Xiao Tian didn't want to tell the truth, Shi Fei looked at Liu Ning. "Ning, why is little brother like this?"

"He also didn't want to tell me about it." Liu Ning responded as she shook her head.

At this moment, Ye Xueyin lowered her head and wore a sad expression.

'Is it because of what I said yesterday?'

Ye Xueyin suddenly thought the reason why Xiao Tian looked tired was that he kept remembering her words until he could not sleep last night.

'Tian...'

She didn't expect that her words would affect his condition. Sure, she didn't want to hide their relationship anymore, but at the same time, she didn't want to add trouble for him either.

Ye Qingyu, on the flip side, could only sigh.

'Big sister, you are adding more pressure on his shoulders. You should think first before saying something yesterday.'

For the first time in her life, Ye Qingyu was a little angry at her big sister.

After breakfast, Xiao Tian headed to his room. Like before, he thought of a way to make Liu Ning accept his relationship with his mother and aunt.

Even though his mind refused to think of any ideas, but Xiao Tian still forced his mind to find a solution to his problem.

At this moment, Xiao Tian was at home alone because his mother and others had gone to work. Previously, he wanted to work, but he decided to stay at home because he was not in the mood to work.

'Maybe I should calm my mind first.'

With that idea in mind, Xiao Tian grabbed his wooden sword and headed to the backyard. Practicing martial arts could help him calm his mind. That was why he decided to practice martial arts.

After warming up, Xiao Tian tried to master the third secret move. He moved in a pentagram pattern before changing it into a triquetra pattern.

Because he wanted to feel his movements, he did it slowly. He repeated the same process about twenty times before falling to the ground.

As he was breathing heavily, he looked at the sky.

'Father, where are you right now? Has God also reincarnated you?'

Xiao Tian raised his right arm to the sky before dropping it slowly to the ground.

Because the weather was getting hotter, Xiao Tian decided to stop practicing martial arts and headed to the bathroom to shower.

After taking a bath, Xiao Tian lay on the bed with his feet hanging on the edge of the bed. He continued to stare at the ceiling before finally falling asleep.

Not long after that, someone suddenly entered his room. This made Xiao Tian open his eyes and stand up. "Ning'er, you have returned home?"

"Can you explain this to me?" Liu Ning gave several photos to Xiao Tian.

Xiao Tian's eyes widened in surprise, and his body stiffened.

'What is this? Who did this?'

Xiao Tian gritted his teeth.

There were more than ten pictures in his hands, and those photos were about him, his aunt, and mother. There was a picture of him lovey-dovey with his mother and aunt.

There were photos of him kissing his mother and aunt on the lips. And there was a picture of him lying down on the bed with his mother and aunt naked.

From those pictures, anyone could tell that he had a forbidden relationship with his mother and aunt. There was even a picture of him having sex with his mother and aunt.

Xiao Tian's mind went blank, and he had no idea what to say to Liu Ning. He knew that he had to explain everything, but he didn't know what to say.

Chapter 750 - It Really Scared Me

5-7 minutes

At this moment, Xiao Tian realized that there was no point in hiding his relationship with his mother and aunt anymore.

The proof was in his hands. If he still tried to hide or deny it, he would make Liu Ning even angrier. Even though Xiao Tian wanted to beat the mastermind behind all of this, he knew that he should explain everything to Liu Ning first.

"I do have a special relationship with my mother and aunt." Xiao Tian admitted it. "Even though they are my family, but they are also my women."

Although there was a high possibility that Liu Ning would leave him, but Xiao Tian felt that the burden on his shoulders had been lifted.

'What genius? I'm such a stupid person. I even made the same mistake twice.'

Xiao Tian laughed at himself in his head.

People always thought of him as a genius, but he finally realized that he was not a genius because no genius made the same mistake twice.

"I see." Liu Ning's face turned disappointed. "Now I finally understood why I often saw people who had illicit relationships in recent days."

Actually, Liu Ning hoped that Xiao Tian would deny it. She wished that he would say those photos were fake.

But since Xiao Tian admitted it, she knew that he really had a special relationship with his mother and aunt.

This left Liu Ning speechless. Even though her mindset had changed slightly, but she still thought that illicit relationships should not be done.

Sure, she loved Xiao Tian, but at this moment, she had no idea whether she wanted to continue their relationship or not.

She even tried to think of it all as a dream, but no, it wasn't a dream. Everything was real.

"I'm sorry for hiding everything." Xiao Tian could only apologize.

He had never been in this situation before, so he really had no idea what to do or say. Sure, he didn't want to lose her, but forcing her to be together with him was not good for her.

"Out of all the people I know in this world, why it has to be you?" Liu Ning raised her tone. "Do you know what you did was wrong? Why are you committing incest? Do you want to keep your blood pure?"

At this moment, he wanted to say that he was not Xiao Tian, but Huang Chen, so his relationship with Ye Qingyu and Ye Xueyin was not incest.

But he knew that he could not say it because he was using Xiao Tian's body. She would think of him as crazy or try to avoid the problem.

"I know they are my family, but my love for them is real." Xiao Tian uttered, "I know it must be hard for you to accept all of this, but I can't say they are not my women because that means, I will be lying to myself."

"Did you know that your relationship with them has no future? Do you know what other people would think if they found out about your relationship with your mother and aunt? Do you know what big sister Fei will think of you later? Did you know that you can destroy everything that you have built up to now? do you know all this?" Liu Ning gave him a lot of questions at once.

"I know." Xiao Tian knew that his relationship with his mother and aunt could destroy everything, but he didn't want to lie to himself.

He had gotten used to seeing them as his women, so he couldn't see them as a family anymore.

"Then, do you know that it can also affect our relationship?" Liu Ning asked again.

"I know." After saying that, Xiao Tian shut his eyes for several seconds.

"Now if I asked you to break up with your mother and aunt, what would you do?" Liu Ning began to lose herself in anger.

"I can't do that because I love them as much as I love you." Xiao Tian had the intention to live with his mother and aunt forever, so he would not break up with them.

"I see." Actually, Liu Ning had guessed that Xiao Tian would say something like that. "Since you don't want to break up with them, now you have to choose between your mother and aunt or me because I can't accept your relationship."

Xiao Tian grabbed her shoulders and responded, "Ning'er, I can't do that becasu-"

However, before Xiao Tian had finished his words, Liu Ning removed his hands from her shoulders. "No. You have to choose one of us."

"I..." Xiao Tian could not finish his words because he didn't want to lose any of his women. He loved them all and wanted to live with them forever.

"I what?" Liu Ning raised her tone again.

"Ning'er, calm down. We can't solv-" like before, when Xiao Tian wanted to touch her shoulders, Liu Ning stopped him. From behavior, anyone could tell that she was angry and disappointed at the same time. "Ning'er, all of you are important for me. I really can't choose between you and them."

"I see. Then let's break up. Let's end our relationship because I can't accept your relationship with your mother and aunt." Liu Ning then walked out of his room. But before she closed the door, she said something that really shocked Xiao Tian. "Disgusting!"

Due to how shocked he was, Xiao Tian immediately opened his eyes. "Huft...Huft...Huft...Huft..."

'Dream?'

Xiao Tian was relieved that it was all a dream. He then sat up on the bed before tilting his head back and sighing softly.

'This dream felt so real. It really scared me.'

Xiao Tian knew if he didn't do anything, his dream could become a reality sooner or later.

'I need to think of more plans.'

Because Xiao Tian wanted to calm himself, he grabbed his jacket and walked out of his room.

'What should I do?'

Xiao Tian walked aimlessly.

'This is driving me crazy.'

Xiao Tian sighed.
