Chapter 751 - My Boyfriend Is Amazing

Because Xiao Tian wanted to calm his mind, he decided to go for a walk. He continued walking aimlessly until he stopped in his footsteps when he saw the movie.

In a scene in the movie, a swordsman lived happily with his four wives. This made Xiao Tian very jealous.

'Sigh.'

Xiao Tian sighed softly before putting on his hoodie.

Like before, Xiao Tian walked aimlessly again. When he remembered his dream, his mood turned bad again. Liu Ning's expression when she said the word 'disgusting' flashed very clearly in his mind. It was as if she said it in the real world.

"Chao Dong, what's wrong with your face?" a blue-haired young woman about nineteen years old asked curiously when she saw the bruise on her lover's right cheek.

"Oh this?" Chao Dong, who was about twenty years old, touched his right cheek. "Last night, there were two thugs who wanted to take my money. I got this bruise for fighting them."

Actually, he was lying. He didn't fight two thugs last night. He got that bruise because he fell when a small dog chased him.

However, because it would embarrass him if he told the truth, he decided to lie. With this, not only was he able to maintain his image, but his lover would see him as a young man who was skilled in martial arts.

"What? You fought two thugs last night?!" the young woman was startled after hearing his remarks. Of course, she still didn't realize that he was lying to her.

"That's right, Mimi. Your lover is skilled in martial arts, so he could beat those two thugs easily last night." Chao Dong spoke proudly and behaved as if he really beat two thugs last night.

"Really? Wow! I didn't know you were skilled in martial arts." Mimi's eyes shone brightly.

She loved him even more when she learned that Chao Dong was skilled in martial arts because with this, he could protect her in the future.

"That's right. Your lover is an expert in martial arts." Chao Dong smiled happily when he saw the expression on her face. "That's why if anyone dares to bully you, just tell me. I'll immediately beat that person and make that person kneel in front of you later."

"Un, un." Mimi nodded her head as she smiled.

'My boyfriend is amazing. It seems I did not choose the wrong person to be my lover.'

She added in her head.

Chao Dong and Mimi walked happily. Because Xiao Tian's mind was full of thoughts on making Liu Ning accept his relationship with his mother and aunt, he didn't pay attention to the road.

At this moment, Chao Dong also didn't pay attention to the road because his eyes were focused on his lover, Mimi.

*Dum...

Xiao Tian's right shoulder bumped into Chao Dong's right shoulder. At this moment, both of them were wrong because they didn't pay attention to the road.

Xiao Tian, who was thinking about how to change Liu Ning's mindset about forbidden relationships, continued walking regardless of what just happened to them.

Chao Dong was unhappy with Xiao Tian's behavior because, in his eyes, it was Xiao Tian's fault. "Hey, stop!"

Because previously he lied to his lover about him beating two thugs, he wanted to pretend to be someone who was skilled in martial arts.

Because Xiao Tian had a tired and gloomy face, Chao Dong thought Xiao Tian was a coward, so he wanted to show his lover that he was the best and that she didn't choose the wrong man as her lover.

'Hehe. This is a perfect time to show off.'

Chao Dong wanted to make Mimi praise him by beating Xiao Tian.

However, Xiao Tian ignored Chao Dong's words because he didn't care about Chao Dong.

Chao Dong was furious. He felt as if Xiao Tian didn't put him in Xiao Tian's eyes. Chao Dong then glanced at his lover to see her reaction. When he saw the expression on her face, he gritted his teeth and dashed towards Xiao Tian.

"Hey! Are you deaf?" Chao Dong grabbed Xiao Tian's right shoulder from behind. "You just bumped into me so you have to apologize to me or else, I will beat you later."

'He looks like a coward. I'm sure he must be scared by now.'

Chao Dong was sure that Xiao Tian was afraid of him.

Xiao Tian instantly stopped his footsteps. He was unhappy when Chao Dong bothered him. He then turned his head to look at Chao Dong and spoke in a cold tone. "Don't touch me!"

Xiao Tian's eyes gleamed with terrifying sharpness as he stared at Chao Dong. He was in a bad mood, so he was enraged by Chao Dong's actions.

Chao Dong's body trembled for a second when he saw Xiao Tian's cold gaze.

'Hii! What is this? Why does he look so scary? Isn't he a coward?'

Chao Dong felt as if a grim reaper was staring at him and was ready to take his life.

Xiao Tian had killed many people in his past life and current life, so his cold gaze was not something ordinary people like Chao Dong could handle.

Because Chao Dong still grabbed his right shoulder, Xiao Tian spoke again, "I said do not touch me!"

His voice was even colder than before, causing Chao Dong's body to tremble again.

"Hey! What's wrong with your tone?" Mimi pointed her right index at Xiao Tian's face and spoke unhappily. "You are the wrong one here so why are you behaving like this? Hurry up and apologize to my boyfriend or else he will beat you later."

Because previously Chao Dong said that he beat two thugs last night, she was sure that her lover could beat Xiao Tian easily.

Chao Dong instantly looked at Mimi.

'Honey, why did you say something like that? He seems dangerous, you know?'

Previously, he didn't want to cause trouble to Xiao Tian anymore, but because his lover said something like that, he had no choice but to keep pretending to be a strong martial artist.

"Ye..yes. Hurry up and apologize to me." Chao Dong uttered, "Because I'm in a good mood now, if you apologize to me, I will forgive you."

Of course, he said something like that because he felt that Xiao Tian was a dangerous person.

"Did you hear that?" Mimi uttered, "My lover is a kind person, so he will forgive you if you apologize to him. Hurry up and apologize to him."

Instead of apologizing, Xiao Tian said in a cold voice again, "I will count to three. If you still don't take your hands off my shoulders, you will regret it later!"

Chao Dong became even more terrified after hearing Xiao Tian's remarks. Because Xiao Tian dared to say such things, he was sure that Xiao Tian was a delinquent.

"How dare you say something like that to my lover? Are you not afraid my boyfriend will beat you later?" after saying that, Mimi turned her head towards Chao Dong. "Honey, just beat him. Someone like him won't apologize if you don't teach him a lesson."

Chao Dong wanted to cry after hearing her words because, actually, he didn't know any martial arts. Previously, he just wanted to show off so that his lover would think of him as a great man.

Now he suddenly regretted saying he beat up two thugs last night, but he could not do anything about it or else he would lose his pride as a man.

'What should I do?'

Chao Dong then decided to try to bluff. "Hey. I'm master martial artist, you know? Hurry up and apol-"

However, before Chao Dong could finish his words, Xiao Tian hit Chao Dong in the face.

*Uak...

Blood splashed out of Chao Dong's mouth as he crashed to the ground.

"Noisy!" at this moment, Xiao Tian really thought that Chao Dong was a martial artist at the master stage, but he didn't show the slightest care about it.

Chao Dong, who fell to the ground, trembled when he saw the blood on his right hand.

'It hurts. Blood?'

Due to how hard Xiao Tian's punch was, Chao Dong felt his body hurt like hell.

"You! What are you doing?" after saying that, Mimi helped Chao Dong up. "Honey, are you alright?"

"I'm fine. It's nothing." Chao Dong still pretended to be a strong martial arts expert.

"Just beat him to death!" Mimi pointed her right index finger at Xiao Tian.

Since Chao Dong had no other choice, he decided to attack Xiao Tian.

"Die!" Chao Dong threw out his fist at Xiao Tian's head.

However, before he could hit Xiao Tian's head, he was welcomed by Xiao Tian's kick. After Xiao Tian kicked Chao Dong's chin, he didn't stop there.

Xiao Tian immediately did a spinning hook kick, kicking the right side of Chao Dong's head. And like before, blood splashed out of Chao Dong's mouth.

This time, Chao Dong could not stand up immediately and felt dizzy too.

"Honey." Mimi dashed towards Chao Dong.

Because Xiao Tian knew that Chao Dong could not stand up anymore, he continued walking again. In his eyes, there was no point in staying in that place anymore.

Chao Dong gritted his teeth, and he promised himself that he would take revenge later.

At this moment, Xiao Tian finally stopped at the park. Because the park was not famous, there were only a few people in the park.

'Huft. I still haven't come up with a good idea.'

Xiao Tian then sat on the swing.

'Should I just reveal everything?'

Because Xiao Tian could not find any ideas, he suddenly wanted just to reveal everything. If he weren't destined to be with Liu Ning, sooner or later, they would break up, so there was no point in worrying about the consequences.

At the same time, ten people were walking towards Xiao Tian. If Xiao Tian saw them, he would immediately know who they were because they were Chao Dong and the Hawk gang members.

Because Chao Dong wanted to teach Xiao Tian a lesson, he paid the Hawk gang to beat him. Because the Hawk gang was famous, he was sure that the Hawk gang could beat Xiao Tian easily later.

Chapter 752 - Why Did You Hit Me?

7-8 minutes

"Brother Ma Gen, please break his arms later." Chao Dong hated Xiao Tian so much because Xiao Tian had humiliated him in front of his lover earlier.

Even though he didn't break up with Mimi, but she was disappointed when she learned the truth.

"Don't worry. I will break his arms so you can take your revenge on him later." Ma Gen, the new vice leader of the Hawk gang, spoke confidently.

He dared to say something like that because he had no idea that Chao Dong's enemy was Xiao Tian, the person he feared the most.

Actually, he wanted to send his subordinates, but because Chao Dong asked him to beat Xiao Tian personally, he had no choice but to do that.

'Hmf! If he didn't pay us high, there was no way I would beat his enemy personally.'

The Hawk gang needed money, so Ma Gen had to accept Chao Dong's wish because Chao Dong paid them handsomely earlier.

"Great!" Chao Dong responded happily.

"Don't worry. We will beat your enemy to death later."

"That's right."

"You can also torture him later."

One by one, the Hawk gang members spoke confidently as if they could beat Xiao Tian later.

When they reached the park where Xiao Tian was, Chao Dong's lips curled into a smirk when he saw Xiao Tian.

Of course, Chao Dong immediately noticed Xiao Tian because he remembered Xiao Tian's jacket or face.

Chao Dong immediately pointed his right index finger at Xiao Tian and spoke, "Brother Ma, it's him. He was the person who beat me earlier."

"Alright, I will beat him now." because Xiao Tian was lowering his head, Ma Gen still didn't realize that Chao Dong's enemy was Xiao Tian.

"Hehe. We meet again, bastard!" Chao Dong said coldly when he was in front of Xiao Tian. "Today, I will make you regret for humiliating me earlier."

At this moment, Ma Gen and the rest of the Hawk gang members felt something familiar. It was as if their bodies reacted on their own when they were close to Xiao Tian.

Xiao Tian slowly raised his head and spoke, "Oh! It's you again?"

Terror overtook the faces of the Hawk gang members.

'My...god... the person who beat Chao Dong was...the devil king, Xiao Tian?!'

Some of the Hawk gang members' bodies stiffened. Some of them were trembling in fear, and some of them wanted to kneel in front of Xiao Tian and apologize immediately.

They still vividly remembered the time when Xiao Tian tortured them every day for over two hours.

If they had known that Chao Dong's enemy was Xiao Tian, they would have refused Chao Dong's offer. They wouldn't care whether Chao Dong paid them high or not because Xiao Tian was the person they feared the most.

"Brother Ma, please beat him quickly." At this moment, Chao Dong still didn't realize that the Hawk gang members were trembling in fear.

When Xiao Tian noticed the Hawk gang members, he crossed his arms over his chest and spoke, "Oh! Isn't this the mighty Hawk gang members? Do you want to play with me again?"

The Hawk gang members became even more terrified after hearing Xiao Tian's words. Of course, they knew the meaning of the word 'play' because when they were imprisoned in the Blue Ice Lotus gang headquarters, Xiao Tian always said 'he wanted to play with them' every time he wanted to torture them.

Since Ma Gen and the others still didn't beat Xiao Tian, Chao Dong spoke again, "Brother Ma, what are you doing? Please beat him immedi-

However, before Chao Dong could finish his words, Ma Gen punched him in the face, causing Chao Dong to fall to the ground.

"Brother Ma, why did you hit me?" Chao Dong had no idea as to why Ma Gen suddenly hit his face.

They should beat Xiao Tian, not him. So, he wanted to know why Ma Gen did something like that to him.

All the Hawk gang members instantly dropped to their knees. They were afraid that Xiao Tian would imprison and torture them again if they didn't apologize.

"Young master Xiao, no, I mean, master Xiao, we didn't know that this bastard's enemy was you. If master Xiao wants to beat him, we can do it for you now." Of course, Ma Gen tried to be on Xiao Tian's good side because that was the best choice for them.

"Yes, master Xiao. We really didn't know about this."

"That's right. If we had known it, we would have refused this job."

"Yes, yes."

"Master Xiao, I can break his arms if you want it."

One by one, the Hawk gang members tried to be on Xiao Tian's good side

This left Chao Dong dumbfounded. He found it hard to believe what he was seeing. Their enemy was only one person, so he wanted to know why the Hawk gang members were trembling in fear like that.

'What is this? This is not supposed to happen.'

Chao Dong gritted his teeth. Because he knew that the Hawk gang members were afraid of Xiao Tian, he decided to leave that place.

However, before he could run away, one of the Hawk gang members kicked him, causing him to fall to the ground again.

After that, Ma Gen grabbed Chao Dong's hair and dragged Chao Dong in front of Xiao Tian, "Bastard, apologize to master Xiao now!"

Like before, Xiao Tian only crossed his arms over his chest and smirked. It was as if Xiao Tian was making fun of Chao Dong.

Instead of apologizing immediately, Chao Dong stared at Xiao Tian. He was enraged when he saw Xiao Tian's expression. Of course, he knew that Xiao Tian was making fun of him.

Because Chao Dong still hadn't apologized to Xiao Tian, Ma Gen hit Chao Dong's left cheek, "Bastard, why are you silent? Hurry up and apologize to master Xiao."

Like before, Chao Dong still didn't want to apologize to Xiao Tian. This made the Hawk gang members furious, causing them to hit Chao Dong.

At this moment, Xiao Tian didn't say anything and only stared at Chao Dong. It was as if he was a King who was seeing his servant being punished for making a mistake.

Because the Hawk gang members kept beating him, Chao Dong decided to apologize, "Please stop it. I will apologize to him."

The Hawk gang members instantly stopped and knelt in front of Xiao Tian again.

"Please forgive me, master Xiao." Chao Dong knelt right in front of Xiao Tian.

Because Xiao Tian didn't say anything, Ma Gen pushed Chao Dong's head until Chao Dong's head hit the ground. "Put more sincerity into your words, bastard!"

"Master Xiao, please forgive my mistake." Chao Dong uttered, "I have eyes but fails to recognize Mt. Tai."

"Keep kneeling in front of me and I will forgive your mistake later." as if Xiao Tian wanted to continue humiliating Chao Dong, he put his foot on top of Chao Dong's head.

Even though Chao Dong was furious with Xiao Tian's actions, he tried his best not to get angry at Xiao Tian because it would make the situation worse for him.

At this moment, Ma Gen dashed towards Xiao Tian and stood behind him before massaging Xiao Tian's shoulders. "Master Xiao, let me massage your shoulders. I'm very good at massaging the shoulders."

"Not bad." Xiao Tian responded.

Ma Gen and the others Hawk gang were pleased when Xiao Tian was not angry at them.

Chapter 753 - Chao Ximeng

8-10 minutes

'No, I can't lose control now or else, I will get beaten up again later.'

Even though Xiao Tian kept humiliating him, Chao Dong tried his best to endure it. At this moment, Xiao Tian's feet were still on his head.

Of course, he wanted to remove Xiao Tian's foot from his head, but he knew that Xiao Tian would get angry if he did that.

Time went by quickly, and without realizing it, it had been ten minutes since Xiao Tian placed his feet on Chao Dong's head.

'This is boring.'

Xiao Tian removed his foot from Chao Dong's head and rose to his feet. "I want to go for a walk again. Ma Gen, break his right arm for me."

Because Chao Dong had bad intentions towards him, of course, Xiao Tian would not let Chao Dong go easily.

He kept walking without looking at the Hawk gang members because he was sure that Ma Gen would obey his words.

Fear crossed Chao Dong's face after hearing Xiao Tian's words.

'What?!'

Because he obeyed Xiao Tian's words, Chao Dong thought Xiao Tian would forgive him like what Xiao Tian promised him before.

"Liar!" Chao Dong shouted furiously.

However, Xiao Tian didn't show the slightest care about it and kept walking.

'Hmf! You should be grateful that I am trying to be a better person or else, I would have killed you.'

Xiao Tian then headed to the green tea shop.

Ma Gen looked at Chao Dong and spoke, "Chao Dong, don't blame me for this. Blame yourself for causing trouble to master Xiao."

"You...wh...what do you want to do?" Chao Dong crawled backwards "Sto..Ah..."

A soul-piercing howl of pain rent the air above the park.

"Let's go back to our base." Ma Gen uttered,

Then the Hawk gang members returned to their headquarters without caring about Chao Dong. Of course, they didn't return Chao Dong's money because Chao Dong almost made them Xiao Tian's enemy again.

At 06:00 pm, Xiao Tian went home because he knew that his women were already at home at this time.

And like what Xiao Tian had guessed, when he arrived home, he saw them in the family room. Xiao Tian spent time with them for about twenty minutes before finally heading to the bathroom to take a shower.

Like last night, Xiao Tian slept in Liu Ning's bedroom again.

The following morning, Xiao Tian traveled to Eternal Beauty company to work. However, he only worked for about five hours before finally going to Star Restaurant to spend time with his mother and aunt.

As Xiao Tian was lovey-dovey with his mother and aunt, Shi Fei went to Leaf Hotel to meet Chao Ximeng. Chao Ximeng was the owner of the Fibers Company, a material for making clothes.

Previously, Shi Fei had sent her subordinates to meet Chao Ximeng to discuss cooperation, but he always told them that he was busy.

For this reason, Shi Fei decided to meet Chao Ximeng herself. At first, he refused to meet her, but after learning that Shi Fei was the one who would meet him, he changed his mind.

After arriving at her destination, Shi Fei wasted no time and headed to the hotel restaurant, the place where they agreed to meet.

Even though Shi Fei's face only belonged to the category of standard pretty, but because of how perfect her body was, she instantly became the center of attention the moment she stepped into the hotel restaurant.

*Gulp...

Almost all men gulped their saliva when they saw how sexy Shi Fei was. Even though Shi Fei was wearing formal business attire, it didn't diminish her sexiness.

Chao Ximeng, who was seeing Shi Fei, could not take his eyes off her. Of course, he knew that the sexy lady, who was wearing the white formal business dress, was none other than Shi Fei.

'She is much sexier than the rumors.'

Even though Chao Ximeng had never met Shi Fei before, but because she was quite famous now, rumors about her had spread to many companies.

One of the reasons why Chao Ximeng agreed to discuss business with her was that he wanted to see her sexy body with his own eyes.

He wanted to know whether the rumors about her were true or not. But after seeing her with his own eyes, he finally learned that the rumors were true.

Not only did Shi Fei have a sexy body, but she was also a tall lady with smooth skin.

'What a pity! If only her face was prettier than her current face, I'm sure, she would be on an equal footing to the Li family's princess.'

Chao Ximeng spoke in his mind.

If Qing Xiulan was the most beautiful woman in Beijing, then the Li family's princess was the prettiest lady in Shanghai. Both of them were on an equal footing and had the same title; a goddess who descended from heaven.

When Shi Fei noticed Chao Ximeng, she immediately walked towards him. Of course, she realized that almost all men were looking at her, but she didn't show the slightest care about it because in her eyes, all of them were trash, and they were nothing compared to Xiao Tian.

After Shi Fei sat on the opposite side of Chao Ximeng, she smiled and spoke, "Hello CEO Chao, I'm Shi Fei from Star Clothes company. Nice to meet you."

"Hello lady Shi, I'm Chao Ximeng. You don't have to be so formal like this because we are not in the company." Chao Ximeng stretched out his right hand, intending to shake hands with Shi Fei.

At first, Shi Fei didn't want to shake hands with Chao Ximeng, but because she hoped they could work together later, she had no choice but to do that.

Her eyes widened for a second when Chao Ximeng suddenly rubbed her right hand with his right index finger while they were shaking hands.

'This bastard! I really want to beat him now.'

If it was in the past, Shi Fei would have beaten Chao Ximeng, but now Shi Fei tried her best to hold back her anger.

'For the sake of little brother, I won't beat you now.'

Shi Fei wanted to make Star Clothes company much bigger, so she only removed her right hand without doing or saying anything to Chao Ximeng.

Chao Ximeng's lips curled into a smirk when Shi Fei did nothing to him.

'It seems like I will get a companion tonight.'

He had no idea that Shi Fei was a martial arts expert, the founder of the Blue Ice Lotus gang who also earned the title Demon Queen.

If Bi Yu or Fu Jiyi were with Shi Fei, they would have beaten Chao Ximeng since Shi Fei sat in front of him. Shi Fei was their leader, so humiliating her was the same as humiliating them.

Because Shi Fei didn't want to be around Chao Ximeng for a long time, she took documents out of her bag and gave them to him. "CEO Chao, here is the proposal. Please read it. You can ask me if there is anything you want to know."

"Lady Shi, why don't we talk about normal things first? Like what you like or anything else." Chao Ximeng wanted to seduce Shi Fei, so he didn't want to talk about business right away. "After that, we can discuss business later. How is it? Isn't it better to know each other first before doing business?"

'Her company needs me, so she won't do anything to me later. And if I handle this carefully, I'm sure I will get a companion tonight. Hehe.'

Chao Ximeng laughed loudly in his head.

At this moment, he had no idea that Shi Fei already had a lover. Of course, there were rumors about her already having a boyfriend, but rumors were rumors, and he wouldn't believe it if he didn't see it with his own eyes.

"I'm sorry, CEO Chao. I'm very busy now, so I can't do that. Maybe next time." Even though Shi Fei said something like that, there was no way she would meet him if it wasn't for business because he wasn't worth her time.

In her view, Xiao Tian was a thousand times better than Chao Ximeng, and she would rather spend time with Xiao Tian than Chao Ximeng.

"I see. Then let me read the contract first." Chao Ximeng started reading the contract. "I have no problem with the contract. I'm even willing to give a 10% lower price but on one condition."

"What is it?" Shi Fei inquired.

"I want lady Shi to spend time with me tonight." Chao Ximeng gave an honest answer.

Chapter 754 - What Is This?

8-10 minutes

*Boom.

An aura of anger exploded from Shi Fei's body.

She was enraged when Chao Ximeng intended to bed her. Ever since she retired from the underworld, this was the first time she wanted to kill someone again.

Of course, Chao Ximeng could not feel the deadly aura because he was not a martial artist at the grandmaster stage. No, he was not even a martial artist.

'This bastard is getting braver and braver!'

Shi Fei still said nothing and only stared at Chao Ximeng.

Because Shi Fei remained silent, Chao Ximeng uttered, "How about it, lady Fei? If you were to agree, I will give you a price 10% less than what is written in the contract. We can manipulate the documents later so that 10% of the money will go into your pocket."

'Hehe. I'm sure she will not refuse it.'

At this moment, Chao Ximeng was sure that Shi Fei would agree immediately because, in his view, everyone loved money, and they would do anything for money.

But something unexpected happened. Shi Fei took the documents back and rose to her feet, ready to leave him.

'Eh?! What is this? She refused?!'

Chao Ximeng found it hard to believe what he was seeing. Something like this had never happened before.

Previously, he believed that Shi Fei was like any other girl. He was even sure that he could bed her later.

Because he didn't want Shi Fei to leave, Chao Ximeng grabbed Shi Fei's left hand and spoke, "Lady Shi, where do you want to go? I'm sorry if my words hurt your feelings. I have no intention of hurting your feelings."

Shi Fei stopped her footsteps and turned her head to look at Chao Ximeng, "CEO Chao, please let go of my hands."

"Lady Shi, I have apologized to you, so why do you still want to go?" of course, Chao Ximeng would not release Shi Fei's hands because she would leave immediately if he did that.

He wanted to bed her, so he would do anything to make his wish come true.

Shi Fei began to lose control. Since they met, Chao Ximeng kept annoying her.

"CEO Chao, release my hands!" Shi Fei raised her tone, and her expression was not as friendly as before.

Even though Chao Ximeng was not a martial artist, his instincts told him that he was in a dangerous situation.

'What is this? Why do I feel uneasy like this? What is going on?'

Because Shi Fei looked like an ordinary woman, Chao Ximeng didn't realize that the source of his uneasy feelings came from Shi Fei.

At this moment, everyone was looking at Shi Fei and Chao Ximeng. However, none of them wanted to help Shi Fei.

Sure, Shi Fei was very sexy, and they wished to bed her, but they didn't want to get in trouble for her. and not only that, Chao Ximeng looked like someone from a wealthy family too. This made them even more unwilling to help Shi Fei.

Chao Ximeng released Shi Fei's hands and spoke, "Fine. But please sit down again. Let's discuss business now."

He said something like this because he didn't want Shi Fei to leave. Chao Ximeng realized that he made his move too fast.

"No. I have changed my mind. I don't want to cooperate with someone like you." Shi Fei no longer wanted to cooperate with Chao Ximeng.

Sure, his company was good, but it didn't change her mind. There were many companies that were better than his company, so that instead of working with him, she preferred to work with other companies.

"People like me?!" Chao Ximeng felt offended by Shi Fei's words. "What do you mean by that? Are you saying I'm a bad person?"

Shi Fei didn't answer, but she kept staring at him.

"Since we met, I have always tried to respect you but you still think of me badly." Chao Ximeng raised his voice. "Sure, I said something rude earlier, but you don't need to insult me and behave like a pure lady like this. Heh! I'm even sure that you got your current position from sleeping with your supervisors."

Everyone in the hotel restaurant was shocked by Chao Ximeng's words. They suddenly wanted to know whether his words were true or not.

*Crack...

Shi Fei, who was furious, kicked Chao Ximeng's crotch.

"Hiii!" Chao Ximeng instantly touched his crotch.

Even though Shi Fei didn't kick his crotch as hard as possible, the pain he felt was intense. He instantly fell to his knees, and tears flooded his eyes.

Every male who saw it unconsciously covered their crotch with their hands. Because that place was soft and sensitive, they knew how much pain Chao Ximeng felt.

And as if Shi Fei still wanted to humiliate Chao Ximeng, she took his drink and dropped the water on his head.

*Drip...

Chao Ximeng's face and clothes were wet because of it.

He was enraged and wanted to do something to her, but because he was still feeling immense pain, he could not move his body, and as a result, he could only stare at her.

Shi Fei was someone who lived in the underworld for several years, so his gaze didn't scare her at all. It was as if a child was threatening her using a fake knife.

Because Shi Fei didn't want to see his face anymore, she walked out of the hotel restaurant. Not long after that, the security guards entered the hotel restaurant, but everything was already too late.

Currently, Xiao Tian was at the Blue Ice Lotus gang headquarters, practicing martial arts.

Previously, after spending time with his mother and aunt for an hour and a half, he traveled to the Blue Ice Lotus gang to practice martial arts.

"Huft...Huft...Huft..." Xiao Tian sat on the ground and looked at the sky.

'Should I focus on practicing my reflexes, or secret moves?'

Even though his strength and speed were equivalent to that of martial artists at the mid-level master stage, but his reflexes were still in the category of the low-level master stage.

Sure, he could defeat martial artists at the mid-level master stage with the help of his secret moves, but defeating a high-level master stage was still impossible for him unless he used a gun.

If he wanted to defeat martial artists at the high-level master stage, there were only two options. First, he had to master the fourth secret technique.

And the second was, he needed to break through to the mid-level master stage with speed and strength, or strength and reflex, or speed and reflex equivalent to the martial artist at the high-level master stage.

With this, the possibility of him defeating martial artists at the high-level master stage was very high if he also used the second secret technique.

'Sigh.'

Xiao Tian sighed softly.

Xufang City, Chao Family's house.

Inside a vast house, two young men were sitting on the couch in the family room. From their expressions, anyone could tell that they were furious over something.

Yes. Those young men were none other than Chao Dong and Chao Ximeng.

"Big brother, I want revenge on him!" Chao Dong clenched his left hand. "I wanted to break his arms so he could feel how I feel now."

Even though the Hawk gang members were the ones who broke his right arm, but he still blamed Xiao Tian.

"Don't worry. We will take revenge on them later." Chao Ximeng's eyes were filled with flames of fury.

Previously, he paid someone to find information about Shi Fei and Xiao Tian. He just didn't expect that Shi Fei was Xiao Tian's lover.

This made Chao Ximeng hate Shi Fei even more because he was sure that Shi Fei got her current position from sleeping with Xiao Tian.

Shi Fei behaved like a pure lady earlier. She even embarrassed him in public. That was why he wanted to humiliate her too.

I hope master and madam come back soon or else they will cause trouble again later. One of the maids thought to herself.

Somewhere inside the car.

"Young master, do you think they will succeed later?" a middle-aged man inquired.

"No. But it's fine. I just want to continue giving trouble to Xiao Tian." A young man, who wore a mask, answered.

Yes. They were the ones who gave information about Xiao Tian and Shi Fei to Chao Ximeng. The mastermind of all the troubles Xiao Tian has had until now.

Chapter 755 - Well, It Can't Be Helped

7-8 minutes

Currently, Xiao Tian was at the Red Flower Bar, or more precisely, he was in the secret training room. The secret training room was located under the Red Flower Bar, underground.

After thinking for several minutes, Xiao Tian decided to focus on improving his reflexes so that he could break through to the mid-level master stage.

At first, he wanted to go to the Zhao family, but he changed his mind. In his view, it was better to go to the Red Flower Bar because he didn't want the Zhao family members to think that he was trying to get close to them.

"Young master Xiao, do you still want to continue practicing your reflexes?" Lan Ruoxi inquired.

Currently, she was above the secret training room, looking at Xiao Tian. The training room was circular. Because the training room's roof was made of unbreakable glass, she could see what was going on in the training room.

"Yes." Xiao Tian wanted to break through to the mid-level master stage as quickly as possible so he decided to continue training his reflexes.

"All right." Lan Ruoxi responded.

After Lan Ruoxi said that, ten arrows were shot towards Xiao Tian at high speed. Of course, the arrowheads were already covered with rubber and foam so it would not hurt Xiao Tian if he could not dodge the arrows.

Because the speed of the arrows was set for martial artists at the mid-level master stage, Xiao Tian was unable to dodge all of the arrows. Out of ten arrows, Xiao Tian could only dodge three to four arrows.

"Huft...Huft...Huft..." Xiao Tian sat on the floor as he breathed heavily.

'Even though the arrowheads are already covered by rubber and foam, but it still hurts when I got hit by the arrows.'

Xiao Tian rose to his feet.

'No. I can't be lazy around. I have to get stronger as soon as possible.'

With that thought, Xiao Tian wanted to practice again.

He lifted his head to look at Lan Ruoxi and spoke, "Lady Lan, please continue."

Lan Ruoxi knew that he had practiced martial arts before coming to her place.

'No wonder he is skilled in martial arts.'

She then looked at the person next to her, signaling him to shoot another arrow.

But just as he was about to press the green button, Lan Ruoxi uttered, "Shoot fifteen arrows and increase the speed a little higher."

'Young master Xiao, if you really want to get strong as quickly as possible, I will help you.'

The best way to improve his reflex was to have him dodge lots of arrows continuously.

"Understood." Even though he was startled, he did what he was told.

Xiao Tian was shocked when the arrows that were shooting towards him were faster and more numerous than before. But he said nothing and focused on avoiding it.

Time went by quickly and without realizing it, it had been an hour and a half since Xiao Tian trained his reflexes at Lan Ruoxi's place.

Because he had practiced martial arts before coming to her place, Xiao Tian could not continue anymore.

After Xiao Tian took a shower, they headed to a private room. They talked for about forty minutes before finally, Xiao Tian went home.

As usual, after arriving home, he spent time with his women until 10:00 pm. If Xiao Tian had always slept with Liu Ning in the past two days, this time he decided to sleep with Shi Fei.

Actually, he desired to sleep with Ye Qingyu and Ye Xueyin but he knew that he could not do that.

Even though Xiao Tian practiced martial arts for about three hours earlier, but he still had a lot of stamina after spending time with his women.

For this reason, he had wild sex with Shi Fei. Of course, she welcomed it happily because he was her lover. She had decided long ago that she would satisfy him whenever and wherever he wanted.

"Little brother, my ass hole hurts a lot." Shi Fei, who was lying down on Xiao Tian's right side, spoke abruptly.

Unlike usual, earlier, Xiao Tian kept fucking her butt hole. He only fucked her pussy for about ten minutes before thrusting his cock into her ass hole.

Xiao Tian kissed her forehead and replied, "Sorry. Your butt hole felt amazing so I could not stop fucking it."

Shi Fei smiled happily after hearing his remarks. "It's fine. I love anal sex too."

Xiao Tian had guessed that Shi Fei would not be angry with him, so he smiled softly. "Let's sleep."

"Un." Shi Fei nodded her head.

Then they slept.

The following morning, Xiao Tian traveled to Eternal Beauty company after having breakfast with his women.

He wanted to know the progress of the cooperation between his Eternal Beauty company and Star Clothes company.

When he learned that they would be launching new products and announce them to the public in less than ten days, he was pleased. That day, he worked at the Eternal Beauty company for the whole day.

Nanli District, Star Clothes Company.

"Huft...Finally, working hours are over." Liu Ning stretched out her arms.

'I really want to meet Tian'er.'

Because today was a special day, the working hours were only until 3:00 pm.

When Liu Ning was about to head to Shi Fei's office, a voice suddenly rang out. "Mrs. Liu, do you want to go to a drinking party with us?"

Liu Ning turned her head towards the source of the sound. When she saw two young women walking towards her, she smiled softly. Those two young women were Yumi and Tianya, her co-workers.

Because they were from the same department, they were quite close, so Liu Ning had no idea how to refuse.

'What should I do?'

She desired to spend time with Xiao Tian so she wanted to go home immediately. But because she didn't want them to feel offended, Liu Ning had no idea what to say.

Yumi and Tianya held Liu Ning's hands and spoke in unison. "Mrs. Liu, let's go. And can you invite director Shi too?"

Everyone in the company knew that Liu Ning had a close relationship with Shi Fei. That was why they wanted her to invite Shi Fei too.

"I...will try." After saying that, Liu Ning called Shi Fei. But because Shi Fei was busy, she could not go with them.

"Well, it can't be helped." Tianya uttered, "Let's just go with the three of us. Let's have a drinking party."

"All...right." Liu Ning decided to go with them. She intended to hang out with them for an hour before going home.

Then they went to a nearby place.

"Mrs. Liu, why don't you drink your beer?" Yumi inquired, "If you're afraid of getting drunk, drinking a little is fine too."

"That's right," Tianya added. "We won't force you to drink a lot so you don't need to worry."

"Un." Liu Ning nodded her head.

Yumi raised her glass and spoke, "Let's have a toast!"

Liu Ning and Tianya raised their glasses and said, "Cheers!"

*Gulp...

They started drinking their beer.

Yumi and Tianya started to smirk when they saw Liu Ning drinking her beer. Liu Ning had no idea that her beer was already mixed with sleeping pills.

Chapter 756 - Tch! Shut Up!

7-8 minutes

*Bruak...

Liu Ning's head fell on the table.

Yumi, who saw Liu Ning passed out on the table, immediately called Chao Ximeng. Not long after that, Chao Ximeng came with three people.

From their appearance, anyone could tell that the people who had come with Chao Ximeng were thugs. Chao Ximeng's lips curled into a smirk when he saw Liu Ning who was passed out on the table.

'Even though we didn't succeed in kidnapping that slut, at least we did manage to kidnap this woman. With this, my younger brother will be happy later.'

Previously, Chao Ximeng wanted to kidnap Shi Fei and Liu Ning because his younger brother hated Xiao Tian while he wanted to teach Shi Fei a lesson.

Chao Ximeng took 50,000 Yuan out of his wallet and gave it to Yumi and Tianya. "Good job!"

"Thank you, master Chao." Yumi and Tianya smiled happily when Chao Ximeng gave them money.

Because they didn't want other people to see them, they immediately left. Then Chao Ximeng took Liu Ning to an abandoned factory.

Coincidentally, one of Liu Ning's co-workers saw them. Because she believed that Liu Ning was being kidnapped, she took several photos as evidence, such as when they put Liu Ning who was unconscious in the car, the car's color and license plate, and the place where they kidnapped Liu Ning.

And as if God wanted Xiao Tian to save Liu Ning immediately, Liu Ning's co-worker met Xiao Tian in front of Star Clothes company.

Xiao Tian's eyes gleamed with terrifying sharpness when he saw a photo of Liu Ning being kidnapped. He wasted no time and immediately tried to save Liu Ning.

Because it would be faster to find Liu Ning if his underlings also helped him, Xiao Tian called Chun Hua

"Hello, sir?" Chun Hua spoke after picking up the phone.

"Order everyone to find Liu Ning now! Someone just kidnapped her. I'll send you a picture of the car that kidnapped her later." Xiao Tian went straight to the point.

"Understood." Chun Hua responded.

After sending the pictures to Chun Hua, Xiao Tian hung up the phone. Even though he was worried for Liu Ning's safety, he tried his best to remain calm.

And as if the Goddess of Luck was by his side, Xiao Tian suddenly saw the same car as the car that kidnapped Liu Ning.

He immediately drove faster so as not to lose track of that car. When he saw them stop in front of the abandoned factory, Xiao Tian got out of the car.

Even though Xiao Tian was confident with his skills, he still informed his underlings because he didn't want to make a single mistake.

"Big brother, where is the other woman?" Chao Dong asked curiously when Chao Ximeng only managed to kidnap Liu Ning.

"Everything didn't go according to plan." Chao Ximeng gave an honest answer. "But it's fine because you can get your revenge on Xiao Tian later."

They knew that Shi Fei and Liu Ning were Xiao Tian's women so Chao Dong smiled evilly after hearing Chao Ximeng's words.

"Xiao Tian, I will break your arms and make you kneel before me later." Chao Dong could not help but laugh when he imagined Xiao Tian kneeling before him with broken arms.

Xiao Tian, who was peeking through the window, clenched his fists.

'There are ten people inside the abandoned factory and it looks like eight of them are martial artists.'

Xiao Tian didn't immediately save Liu Ning because it was dangerous for them later. Not only could he fail to save Liu Ning, but he could also become a hostage later.

'I need to separate them and attack them in secret.'

Xiao Tian decided not to fight them head-on because he would be at a disadvantage later. Liu Ning was in their hands so they could use her to beat him up.

However, they were much smarter than other kidnapers so when Xiao Tian tried to separate them, they knew that he was near them.

"Xiao Tian, come out now! Otherwise, I will torture your woman." Chao Dong shouted as he smiled evilly. Since Liu Ning was in their hands, he knew that they had the upper hand.

Of course, Xiao Tian didn't come out of his hiding place and continued looking at them in secret.

'It seems like they've done things like this a lot.'

Because they were smarter than other kidnappers, Xiao Tian suspected that Chao Ximeng and others often kidnapped people.

Chao Dong was furious when Xiao Tian ignored his words. "Xiao Tian, I said come out now!"

At this moment, Liu Ning was still unconscious. She still had no idea that she was being kidnapped

"Xiao Tian, I know you are looking at us right now. If you keep hiding, I will torture your lover now." after saying that, Chao Dong slapped Liu Ning's face with his left hand.

He wanted to slap her with his right hand but his right hand was broken.

*Slap...

The sound of him slapping Liu Ning's face echoed in the abandoned factory.

Because of the pain she felt, Liu Ning suddenly regained consciousness.

'Where is this?'

Liu Ning was dumbfounded when she found out that she was in an unfamiliar place.

She remembered that she was drinking with Yumi and Tianya earlier. After that, she didn't remember anything.

"Oh! She has regained consciousness." Chao Dong was pleased when Liu Ning regained consciousness because, with this, she would cry when he slapped her face.

When Liu Ning found out that her hands were tied, she knew that she was being kidnapped.

'Don't tell me. Tianya and Yumi are...'

Liu Ning was furious at Tianya and Yumi, but she could not do anything at that time.

"Xiao Tian, are you sure you want to continue hiding? I was not kidding when I said I would torture your lover, you know?" after saying that, Chao Dong slapped Liu Ning in the face again.

"Agh..." Liu Ning cried out in pain.

Even though Chao Dong slapped her using his left hand, but Liu Ning still felt pain.

"Hahaha." Chao Dong laughed happily when Liu Ning cried out in pain. "Did you hear that, Xiao Tian? if you don't come out of your hiding place, I will slap her face again, you know?"

*Boom...

An aura of anger exploded from Xiao Tian's body.

However, he still didn't come out of his hiding place. It wasn't that he didn't want to save Liu Ning right away, but he needed to think of a plan to save her. Otherwise, everything would be in vain.

'Two slaps.'

Xiao Tian counted how many slaps Chao Dong did to Liu Ning. He would paint it on his head so that he would not forget.

*Slap...

Chao Dong slapped Liu Ning's face again.

"Agh.." like before, Liu Ning's cry echoed through the abandoned factory. "Tian'er, don't come out. Leave! I'm fine."

"Tch! Shut up!" Chao Dong was furious. He then took a knife and placed it on Liu Ning's neck. "I will count to three. If you still don't want to come out, I will cut her beautiful neck."

"I'm here." Xiao Tian walked out of his hiding place and marched towards them with terrifying eyes. His eyes were so terrifying as if those eyes belonged to a demon king.

Chapter 757 - Keep Beating Him!

7-8 minutes

"Haha. Finally, the rat is coming out of his hiding place." Chao Dong was pleased when Xiao Tian came out of his hiding place because with this, it would be easier for him to teach Xiao Tian a lesson.

Xiao Tian didn't answer and only swept his gaze to his surroundings.

'There are four windows and two doors.'

Because it would be hard to fight while protecting Liu Ning, Xiao Tian looked for escape routes.

'But it will be difficult to escape through the window because all the windows are too high for Ning'er.'

After thinking for several seconds, Xiao Tian knew that the only route to escape was to use the door behind him because the other door was behind Chao Ximeng and the others.

"Tian'er, run! Don't mind me." Liu Ning had a complicated expression.

She was delighted that Xiao Tian had chosen to come out of his hiding place for her sake. But she was afraid at the same time because she thought Xiao Tian would not be able to beat those ten people.

"Brother, what are you waiting for?" Chao Ximeng uttered, "The mouse has come out of his hiding place. It's your turn to teach him a lesson."

"You are right, big brother." After saying that, Chao Dong looked at the thugs, who were paid for by his brother. "Beat him to death!"

Two of the eight thugs dashed towards Xiao Tian. Because they wanted to attack Xiao Tian from both sides, they ran towards Xiao Tian's right and left.

"Tian'er!" Liu Ning's face turned worried when two thugs wanted to attack Xiao Tian.

"Die!" both of the thugs roared.

The two of them immediately threw their kicks towards Xiao Tian. One of them tried to kick Xiao Tian's head from the right side, while the other wanted to kick Xiao Tian's mid-torso from the left side.

Because Xiao Tian was skilled in martial arts and used to fight more than one person, he was able to block their attacks easily.

Xiao Tian placed his right hand in front of his face to block the kick aimed at his head while his left hand caught the kick directed at his mid-torso.

Both of the thugs were shocked when Xiao Tian could block their kicks. Their attacks were fast and deadly, so they thought Xiao Tian would not be able to block or avoid it.

After blocking their attacks, Xiao Tian did a counter-attack.

'It seems like both of them are martial artists at the low-level master stage.'

From their speed and strength, Xiao Tian was sure that they were on the same level as him. However, Xiao Tian was different from them.

Not only was he more skilled in martial arts, but Xiao Tian's strength and speed already belonged to the category of the mid-level master stage.

*Uakk...

Those thugs were thrown back two meters by Xiao Tian's kick.

Chao Dong gritted his teeth. He didn't expect that Xiao Tian could beat two thugs easily.

"What are you waiting for? Attack him together!" Chao Dong said while pointing his right index finger at Xiao Tian.

The rest of the thugs dashed towards Xiao Tian. Even though they were unhappy with Chao Dong's behavior towards them, they didn't say anything because his older brother had paid them.

"No! Stop!" Liu Ning was even more scared when six thugs attacked Xiao Tian together.

Luckily, all of the thugs were only weak martial artists at the low-level master stage.

This made it easier for Xiao Tian to beat them. Even though they managed to land several strikes on his body, but Xiao Tian was able to beat them.

"Stop!" Chao Dong didn't expect that Xiao Tian was skilled in martial arts. "If you fight back, I will cut her neck."

Xiao Tian clenched his fists. What he was most afraid of finally happened.

Chao Dong then looked at the thugs again. "Hurry up and beat him!"

All the thugs rose to their feet and dashed towards Xiao Tian again. But like before, Xiao Tian had the upper hand when he was fighting them.

"I said don't fight back!" Chao Dong pressed the knife, causing blood to appear on Liu Ning's neck.

Xiao Tian instantly stopped fighting back when he saw blood on Liu Ning's neck. Because he knew that Chao Dong would hurt Liu Ning again if he fought back, he decided only to defend himself.

*Uakkk...

Blood splashed out of Xiao Tian's mouth.

Even though Xiao Tian was only focused on defending himself, but because eight thugs kept attacking him non-stop, he failed to block all of their attacks.

"Tian'er!" Liu Ning shouted worriedly.

"Hahaha." Chao Dong laughed happily when the thugs were beating Xiao Tian. "Good! Keep beating him!"

"Hahaha." Not only Chao Dong, but the thugs also laughed when they were beating Xiao Tian.

Previously, Xiao Tian always had the upper hand, but now, he was at a disadvantage.

"Take this, take this, take this." The thugs attacked Xiao Tian non-stop because they knew that Xiao Tian would not fight back.

Even though Xiao Tian's head was covered in blood and bruises, he refused to cry; instead, he was waiting for the right moment to save Liu Ning from Chao Dong.

At this moment, ten of Xiao Tian's underlings arrived. When they saw eight thugs beating Xiao Tian, they were furious.

"Beat them!" Chun Hua said coldly as she pointed her right index finger at the thugs who were beating Xiao Tian.

However, before Chun Hua and the others could help Xiao Tian, Chao Dong said again. "Don't move! Otherwise, I will cut her neck."

This made Chun Hua and the others stop their footsteps.

Xiao Tian looked at his underlings and spoke, "Don't move! Stay where you are!"

"But leader..." one of Xiao Tian's underlings could not accept it when those eight lowly thugs were beating their leader.

"I said do not move!" Xiao Tian repeated his words.

Xiao Tian's underlings gritted their teeth. Even though they wanted to beat up those eight thugs but because Xiao Tian ordered them to stay where they were, they could only clench their fists.

"Haha. You made the right decision. As a reward, we will keep beating you." the thugs laughed happily after hearing Xiao Tian's words.

"Tian'er!" tears fell down her soft cheeks.

Even though she knew that Xiao Tian loved her, but at this moment, Liu Ning could feel that she was very important in Xiao Tian's heart.

He was even willing to get beaten up for her safety. Even though his actions made her happy, Liu Ning didn't want Xiao Tian to continue to get beaten up.

It was harrowing for her when she saw her lover being beaten up before her eyes. She was even the reason it happened.

Chao Ximeng turned his head towards his younger brother and inquired, "How is it, brother? Are you happy now?"

"Yes. I'm happy, but this is not enough." Chao Dong responded, "I want to torture him more."

"If so then torture him to your heart's content." Chao Ximeng laughed happily after saying that.

*Uakk...

Xiao Tian was thrown two meters back before falling to the ground.

'I need to think of a way to save Ning'er?'

He rose to his feet and wiped off the blood on the corners of his mouth.

Chapter 758 - Taking Revenge

7-9 minutes

"Hahaha." Chao Dong laughed loudly when he saw Xiao Tian's face covered in blood and bruises.

Xiao Tian's underlings could not hold back their anger anymore. They wanted to help Xiao Tian, but they knew that he would be angry if they did that.

They believed that Xiao Tian had a plan because their leader was a person who always had many ideas.

Because Liu Ning could not bear to see Xiao Tian being beaten, she shut her eyes. She really hoped that a miracle would happen later so that Xiao Tian would not get injured again.

Even though Xiao Tian was still being beaten up by those eight thugs, but the distance between himself and Liu Ning was getting closer.

'I need to get closer.'

Currently, Xiao Tian was in front of Liu Ning with his back facing her.

'I can't make a single mistake now.'

When one of the thugs kicked his mid-torso, Xiao Tian threw himself back as far as he could so that he could get closer to Liu Ning.

Xiao Tian turned his head towards Chao Dong while he was being thrown backwards.

'Now!'

As soon as Xiao Tian fell to the ground, he instantly rose to his feet and grabbed Chao Dong's left hand.

Because Xiao Tian didn't want to give Chao Ximeng time to help Chao Dong, he immediately kicked Chao Ximeng in the head.

Chao Dong and Chao Ximeng were not martial artists, so they could not do anything when Xiao Tian suddenly attacked them.

"Now!" Chun Hua shouted.

Xiao Tian's underlings dashed towards those eight thugs. Because Xiao Tian had saved Liu Ning, they could beat those thugs as they pleased.

After removing the knife from Chao Dong's left hand, Xiao Tian hit Chao Dong in the head.

"Tian'er..." Liu Ning rose to her feet.

At the same time, four police officers arrived. "Stop, don't move!"

Xiao Tian was unhappy when he saw the four police officers because with this, he would not be able to take Chao Ximeng and the others to his gang headquarters.

Previously, he wanted to torture Chao Dong and Chao Ximeng, but now he knew it was impossible to do that.

'As usual, they always arrive late.'

In his past life, the police always came late too. That was why Xiao Tian was not surprised.

"Ning, are you alright?" Shi Fei dashed towards Liu Ning.

Previously, her subordinate who saw Liu Ning being kidnaped told her everything.

At first, she wanted to order her underlings to look for Liu Ning, but after remembering that Xiao Tian was also looking for Liu Ning, she decided to call the police.

She didn't want Xiao Tian to know who she was because it was not the right time to tell him the truth.

"I'm fine." Liu Ning was a little surprised when she saw Shi Fei.

Shi Fei's face turned worried when she saw Xiao Tian's face covered in blood and bruises. "Little brother, let's go to the hospital."

Before Xiao Tian could say anything, one of the police officers spoke, "I'm sorry for disturbing your time, but can you go to police station to help us collect information first?"

"All right." Liu Ning and Shi Fei spoke in unison.

At this moment, Xiao Tian said nothing and only stared at the police officers. He was still unhappy because he wanted to torture Chao Dong and the others.

After filling out the report, Xiao Tian and the others went to the Heart Hospital to treat his injuries. He then told Chun Hua and the others to return to his base.

Like Shi Fei, the faces of Ye Qingyu and Ye Xueyin turned worried when they saw the bandages and bruises on Xiao Tian's head.

Because Liu Ning felt guilty, she instantly wore a sad face.

'If only I didn't go with Yumi and Tianya, something like this would not have happened.'

Liu Ning blamed herself for what happened to Xiao Tian.

When Xiao Tian saw the expression on Liu Ning's face, he cupped her face gently and spoke, "It's fine. This kind of injuries are nothing to me. You are my lover so it's my duty to protect you."

Liu Ning didn't say anything, but she squeezed Xiao Tian's hands tightly. At this time, she felt grateful that she had chosen Xiao Tian as her lover because he would do anything to protect her or make her happy.

That night, Xiao Tian didn't have sex with any of his women because he was injured. Of course, Xiao Tian asked Liu Ning many questions because he wanted to know the truth.

The following morning, Xiao Tian only watched TV after having breakfast with his women. He decided not to go to work because he would lose face if his subordinates saw his current condition.

'I can't forgive them! I have to get my revenge on them!'

After thinking for several minutes, Xiao Tian called Zhao Sheng and Lan Ruoxi and told them to come to his house.

He also called Chun Hua and told her to find Tianya and Yumi because they were involved in everything.

"Hahaha." Zhao Sheng laughed loudly when he saw Xiao Tian's face.

Currently, Xiao Tian, Zhao Sheng and Lan Ruoxi were in the guest room. Because they had free time, Lan Ruoxi and Zhao Sheng immediately traveled to his house.

Xiao Tian knew that Zhao Sheng would laugh after seeing his condition, so he wasn't surprised by Zhao Sheng's behavior. "Can you two help me to free Chao Ximeng and Chao Dong from jail?"

"What? You want us to release them from prison?!" Lan Ruoxi was startled upon hearing Xiao Tian's words.

Previously, she thought Xiao Tian wanted Chao Ximeng and Chao Dong to die in jail, but she was wrong.

"Why do you want us to release them from prison? Aren't they your enemy?" Zhao Sheng asked curiously.

"Their sentences are too light if they are only held in prison. I want them to be free from prison so that I can torture them later." Xiao Tian's eyes gleamed with terrifying sharpness when he said that.

He couldn't forget when Chao Dong slapped Liu Ning in the face. He had used Liu Ning in the past, and he regretted it, so he promised that he would not let anyone hurt her again.

"I see." Zhao Sheng and Lan Ruoxi finally understood the reason why Xiao Tian wanted them to release Chao Ximeng and Chao Dong from prison.

"I can help you." Zhao Sheng spoke confidently. "When do you want me to free them from jail?"

The Zhao family had many connections in the police and military, so it was easy for him to release Chao Ximeng and Chao Dong from prison.

"Today!" Xiao Tian desired to torture them immediately, so he wanted Zhao Sheng to release them as quickly as possible.

"All right. Let me call my family lawyer first." After saying that, Zhao Sheng called his family lawyer.

Lan Ruoxi started feeling sorry for Chao Ximeng and Chao Dong. From Xiao Tian's expression, she could tell that Xiao Tian was furious, and she was sure that he would torture them right away.

"Done! My family lawyer will release them from prison in thirty minutes." Zhao Sheng put his smartphone back in his pocket.

Xiao Tian rose to his feet and spoke, "Good! let's go."

"Un." Zhao Sheng and Lan Ruoxi nodded their heads.

On the way to the police station, Xiao Tian told them his plan. When they were close to the police station, Xiao Tian stopped the car.

'Chao Ximeng, Chao Dong, Tianya, Yumi, I will make you regret your actions later.'

Xiao Tian clenched his fists.

Chapter 759 - Sorry, Can You Repeat Your Word?

8-10 minutes

Chao Ximeng and Chao Dong were pleasantly surprised when a lawyer suddenly visited them and stated that he would free them from prison immediately.

Of course, the Zhao family lawyer only released Chao Ximeng and Chao Dong. He didn't care about the eight thugs who beat Xiao Tian because Zhao Sheng never told him to free them.

Chao Ximeng and Chao Dong wore a happy expression when they were walking out of the police station.

'Xiao Tian, I will take revenge on you soon.'

The first thing they wanted to do was take revenge on Xiao Tian.

He nearly got them imprisoned for over a year, so the hatred in their hearts was even much bigger than before.

"Young master, that is a car prepared by your family." the Zhao Family lawyer pretended to be sent by their family because that was the perfect reason to release them.

The Zhao family lawyer was not afraid to lie to the police because Zhao Sheng promised that Zhao Sheng would protect him later.

"Thank you, Mr. lawyer." Chao Ximeng and Chao Dong expressed their gratitude before getting into the vehicle.

"It's my job, young masters." The Zhao family lawyer smiled softly before getting into his car.

'The targets are ready to be captured.'

He sent a message to Zhao Sheng.

When Zhao Sheng and the others knew about it, they immediately got into the vehicle and were ready to capture Chao Ximeng and Chao Dong.

"I will leave first, young masters. I still have work that needs to be done immediately." the Zhao family lawyer uttered.

Chao Ximeng and Chao Dong smiled politely. Even though they were not good people, but they still showed their gratitude because he had released them from prison.

"Let's go home, big brother." Chao Dong spoke abruptly.

"All right." Chao Ximeng started the engine and drove away.

When Xiao Tian saw Chao Ximeng's car, he followed them. He didn't stop them right away because he had already decided where to catch them.

At this moment, Chao Ximeng and Chao Dong still didn't realize that Xiao Tian had been following them since they left the police station.

When it was time to carry out his plan, Xiao Tian stopped his car in front of Chao Ximeng's vehicle.

"Bastard, can you drive a car? Your actions are dangerous, you know?" Chao Ximeng got out of the car and shouted angrily.

Not only Chao Ximeng, but his younger brother, Chao Dong, also got out of the vehicle. They wanted to yell at the people who nearly caused the car accident.

Of course, they still didn't realize it was Xiao Tian's car because he was using his other vehicle.

'Your happiness is over now!'

Xiao Tian got out of the car and walked towards Chao Ximeng and Chao Dong with a terrifying expression.

At this moment, Lan Ruoxi and Zhao Sheng remained in the car. Even though Xiao Tian still hadn't fully recovered from his injuries, but they were sure that he didn't need their help.

"Xi....Xiao Tian?!" terror crossed on the faces of Chao Ximeng and Chao Dong.

They didn't expect to meet Xiao Tian right after being released from prison. Even though Xiao Tian still hadn't fully recovered from his injuries, they were not sure that they could beat Xiao Tian because Xiao Tian was a martial artist.

'What should we do?'

Chao Ximeng and Chao Dong exchanged a glance with each other. Previously, they wanted to pay twenty thugs to beat Xiao Tian because he was skilled in martial arts.

They swept their gaze to their surroundings to find a tool to defend themselves or attack Xiao Tian. Even though they were not martial artist, they believed they could beat Xiao Tian if they used weapons because Xiao Tian still hadn't fully recovered from his injuries.

However, they found nothing. They didn't see anything that could be used as a weapon. After looking at each other and nodding their heads, they dashed towards their car.

They decided to run away because there was no way they could defeat Xiao Tian without a weapon. It would be a foolish action to fight him head-on.

That was why they decided to run away. After they managed to escape from Xiao Tian later, they would pay twenty thugs to take revenge on Xiao Tian.

However, everything didn't end the way they wanted. Because Xiao Tian's speed belonged to the category of the mid-level master stage, he could run faster than Chao Ximeng and Chao Dong.

For this reason, Xiao Tian managed to stop Chao Ximeng when Chao Ximeng was about to open the car door. Xiao Tian decided to stop Chao Ximeng first because Chao Ximeng ran towards the driver's seat.

"Where do you want to go?" Xiao Tian spoke coldly as he grabbed Chao Ximeng's right shoulder from behind.

Chao Ximeng turned around and threw out his right fist at Xiao Tian's head. At this moment, he really hoped he would manage to hit Xiao Tian's head so that he could run away later.

But because he was not a martial artist, the speed of his punch was slow. This made Xiao Tian could read his attack and dodge easily.

Xiao Tian didn't move his body. He only tilted his head to the right to avoid Chao Ximeng's fist.

"Uak..." Chao Ximeng felt immense pain when Xiao Tian hit his mid-torso.

When Chao Dong knew that they couldn't run by a car, he decided to run.

'He is dangerous! I need to run from this place.'

He tried to run as fast as he could.

When Xiao Tian noticed it, he immediately hit the back side of Chao Ximeng's neck, causing Chao Ximeng to faint instantly.

Because Xiao Tian didn't want to let Chao Dong escape from his hands, he picked up a stone and threw it at Chao Dong.

*Bruak...

The stone hit Chao Dong's right leg, causing him to fall to the ground instantly.

"Hiii.." Chao Dong gritted his teeth and tried his best to endure the pain.

Because he didn't want Xiao Tian to catch him, he rose to his feet and tried to run away again.

However, because he felt immense pain in his right leg, he was unable to run normally. He could only run with a limp. For this reason, his running speed was like someone walking at normal speed.

"Where are you going?" because Xiao Tian knew that Chao Dong would not be able to run away, he walked towards Chao Dong at an average speed.

The expression of deep fear blossomed on Chao Dong's face when Xiao Tian was getting closer and closer to him.

"Help! Someone please help me!" Chao Dong said with terror in his eyes. "Help. Please. Someone please help me."

Xiao Tian grabbed another stone and threw it at Chao Dong.

*Bruakk...

Chao Dong fell to the ground again when the stone hit his left leg.

He tried to stand up, but he fell to the ground again when he felt immense pain in both of his legs. "No! Don't come closer!"

Every time Xiao Tian took a single step, the fear within him grew even bigger. In his eyes, Xiao Tian suddenly turned bigger and bigger until finally, it was as if he was looking at the giant Xiao Tian.

Chao Dong could no longer hold back the fear within himself when he saw the terrifying smile on Xiao Tian's face.

"Xi...Xiao Tian, please forgive me. I'm sorry for causing you a trouble. I...I promise I will never do that again. Please forgive me." Chao Dong begged for forgiveness.

When Xiao Tian was in front of Chao Dong, he squatted down and responded, "Did you say something just now?"

Of course, Xiao Tian pretended as if he didn't hear anything. Chao Dong had injured Liu Ning, so there was no way he would forgive Chao Dong.

"Ple..please forgive me." Chao Dong begged again. "If you forgive me, I will give you as much money as you want."

*Slap...

Instead of forgiving him, Xiao Tian slapped Chao Dong in the face.

Xiao Tian clearly remembered when Chao Dong slapped Liu Ning in the face, so he did the same thing to Chao Dong. He wanted Chao Dong to feel the pain Liu Ning was feeling.

Even though Xiao Tian just slapped his face, Chao Dong behaved normally because he was afraid that Xiao Tian would be much angrier if he showed displeasure.

"Sorry, I can't hear you. Your voice is too small." Xiao Tian responded.

Chapter 760 - Capturing Chao Dong And The Others

6-7 minutes

Chao Dong knew that Xiao Tian was playing with him, but he could not do anything to Xiao Tian. If he made Xiao Tian angrier, it would not be good for him.

*Slap...

Xiao Tian slapped Chao Dong in the face again.

This time, Xiao Tian used more power when he slapped Chao Dong's face. And because of how hard the slap was, one of Chao Dong's teeth fell out.

'It hurts!'

Of course, Chao Dong could only endure the pain he felt. He knew the reason why Xiao Tian slapped him in the face.

Because it would be troublesome if Chao Dong was still conscious, Xiao Tian hit the back side of Chao Dong's neck.

After Chao Dong passed out, Xiao Tian grabbed Chao Dong's hair and dragged Chao Dong to his car. He didn't care whether his behavior was cruel or not.

Chao Dong dared to kidnap and injure Liu Ning, so in his eyes, he didn't need to feel sorry for Chao Dong. After Xiao Tian put Chao Dong and Chao Ximeng into his car, he headed for Chao Ximeng's vehicle.

He wanted to make it look as if Chao Dong and Chao Ximeng had a car accident, so he made Chao Ximeng's vehicle crash into a roadblock and drown in the river.

Xiao Tian's lips curled into a smirk. With this, he could torture them as long as he wanted.

When Xiao Tian was about to head to his car, Chun Hua called him, "Sir, we have captured them."

Previously, Xiao Tian ordered her to capture Yumi and Tianya because they were involved in everything.

"Good! Prepare everything. I will be there soon." Because Xiao Tian wanted to torture them as soon as possible, he got into his car and traveled to the Blue Ice Lotus gang headquarters.

After they arrived at their destination, Xiao Tian and the others wasted no time and headed to the torture room.

Of course, Xiao Tian dragged Chao Ximeng and Chao Dong into the torture room by grabbing their hair. His underlings said nothing when they saw that because they knew that he was enraged.

When Xiao Tian stepped into the torture room, he saw Yumi and Tiannya. They were tied in an X-shaped wood.

Xiao Tian threw Chao Ximeng and Chao Dong on the ground and spoke, "Tie them up too."

His underlings immediately tied them in an X-shaped wood.

After Xiao Tian sat on the chair, he uttered, "Wake them up."

*Slap...

Xiao Tian's underlings immediately slapped them in the face.

"Wake up, bastard!" his underlings kept slapping their faces.

Due to how much pain they felt, Chao Ximeng and the others regained consciousness.

Xiao Tian crossed his arms over his chest and uttered, "Welcome to the Blue Ice Lotus gang headquarters."

His words left them dumbfounded.

'The Blue Ice Lotus gang headquarters?!'

Chao Ximeng and the others swept their gaze to their surroundings.

'Don't...don't tell me...'

They suddenly thought that Xiao Tian was the leader of the Blue Ice Lotus gang, but when they saw Zhao Sheng, they changed their minds.

Zhao Sheng was from a well-known family and also his family was a martial arts family so it made more sense for him to be the leader of the Blue Ice Lotus gang.

Chao Ximeng looked at Zhao Sheng and begged, "Young master Zhao, we have no enmity. Can you release us?"

Zhao Sheng, who was sitting on Xiao Tian's right side, responded, "What?! You are talking to me?!"

Xiao Tian's underlings were furious when Chao Ximeng thought Zhao Sheng was their leader because his words sounded like Xiao Tian was someone who didn't deserve to be the leader of a gang.

"Agggghh. Young Master Zhao, can you order your underlings to stop whipping us? Can you let us talk first?" Chao Ximeng still thought that Zhao Sheng was the leader of the Blue Ice Lotus gang.

"My underlings? You are talking to the wrong person because they are not my underlings." Zhao Sheng gave an honest answer.

Chao Ximeng and the others were startled by Zhao Sheng's words. They then shifted their gaze from Zhao Sheng to Lan Ruoxi.

Xiao Tian's underlings were even more furious and as a result, they whipped Chao Ximeng and the others even harder than before.

Xiao Tian, on the other hand, said nothing and only stared at them.

"Agghhh." Chao Ximeng and the others cried out in pain again.

Even though they didn't say it directly, Lan Ruoxi knew what they had in mind. "I'm not their leader either."

Chao Ximeng and the others finally shifted their gaze to Xiao Tian.

'The water is too deep. He is very good at maintaining his good image.'

Xiao Tian had a good reputation and seemed like someone who would never be involved in something like a gang or the underworld, so they still found it hard to believe what they were seeing.

"How dare you put on a face like that in front of our leader?!" Xiao Tian's underlings wanted to torture them so all their actions were always wrong in the eyes of Xiao Tian's underlings.

'He...he is really the leader of the gang?!'

Those were the words that appeared in the mind of Chao Ximeng and the others.

Previously, Chao Ximeng and Chao Dong only thought Xiao Tian was a disciple from a martial arts school, not a gang leader.

Xiao Tian shifted his gaze from Chao Ximeng to Yumi and Tianya. "Do you know the reason why you are here?"

Of course, Yumi and Tianya knew the reason why Xiao Tian captured them and brought them to the Blue Ice Lotus gang headquarters.

"Boss, please forgive us. We were forced by Chao Ximeng to drug Mrs. Liu." Of course, Yumi and Tianya were lying when they said it.

They didn't want to be tortured by Xiao Tian so they would do anything to get him to release them, including lying and blaming Chao Ximeng.

"Sluts, when did I force you to drug his lover? You did it gladly when I said I would give you money as a reward." Chao Ximeng was furious after hearing their words.

Xiao Tian's lips curled into a smirk when they started blaming each other.

'Just blame each other before I torture you. Let me see your true color.'
