Chapter 761 - Spending Time With Shi Fei Again

When Chao Ximeng, Tianya and Yumi blamed each other, Xiao Tian didn't stop them and only stared at them.

However, Xiao Tian's underlings had different thoughts. They were annoyed by the behavior of Chao Ximeng and the others. As a result, they hit Chao Ximeng and the others in the face.

*Uakkk...

Blood splashed out of their mouths.

When Chao Ximeng and the others wanted to beg them to stop, they were welcomed by punches in their mid-torsos.

Like before, Xiao Tian said nothing when his underlings were torturing Chao Ximeng and the others. He let them do whatever they wanted.

This made Xiao Tian's underlings happy. They were people who liked to torture other people, so when they could torture people, their blood boiled in excitement.

Because Xiao Tian said nothing and didn't try to stop them, it made them even braver than before. They took sticks and started hitting Chao Ximeng and the others.

Legs, hands, stomach and head. Xiao Tian's underlings hit every part of their bodies. Now their bodies were covered in bruises and blood.

Even though Chao Ximeng and the others kept begging Xiao Tian to get his underling to stop beating them, Xiao Tian said nothing and behaved as if he didn't hear anything.

When they passed out, Xiao Tian's underlings woke them up again. And just like before, they started torturing Chao Ximeng and the others again.

At this moment, Chao Ximeng and the others felt immense pain. All part of their bodies were in pain. They even felt pain when they tried to move their bodies.

Lan Ruoxi turned her head towards Xiao Tian and spoke, "Young master Xiao, I think it's enough torturing them for today."

She felt sorry when she saw their condition. Of course, she knew it was their fault, but still, it was too much in her eyes.

Xiao Tian didn't answer and only glanced at her. Actually, he had guessed that she would ask him to stop torturing them later because, in the past, she did the same thing.

"Big sister Ruoxi, what are you saying?" Zhao Sheng spoke abruptly. "People like them deserve severe punishment. We should not be too soft to our enemy or else, they will think that it's fine to cause trouble to us. We have to teach them a lesson so that other people will think twice if they want to cause trouble to us. Isn't that right, Xiao Tian?"

"Un." Xiao Tian agreed with Zhao Sheng.

"We really are meant to be friends, Xiao Tian." Zhao Sheng smiled happily when Xiao Tian agreed with him. "We always have the same view in everything."

When Xiao Tian wanted to say something to Zhao Sheng, his smartphone suddenly rang. When he found out the person who called him was Shi Fei, he picked up the phone, "Hello, Fei? What's wrong?"

"Little brother, where are you right now?" Shi Fei inquired. "I'm now in Xufang city, or more precisely, I'm at Shenro Fountain. If you are not busy, come and accompany me."

Xiao Tian was a little surprised when he learned that Shi Fei was at the Shenro Fountain. Lately, he often went to Shenro Fountain.

First, he traveled to Shenro Fountain with Lin Xing Xue and Feng Yu. Then he went there with Yun Xin Er. Not long after that, he also traveled to Shenro Fountain with his mother and aunt.

And now, Shi Fei wanted him to go there too. "Alright. I will be there soon."

Lan Ruoxi and the others were surprised when Xiao Tian suddenly rose to his feet. Previously, they thought Xiao Tian wanted to keep torturing Chao Ximeng and the others, but they were wrong.

"Where do you want to go?" Zhao Sheng inquired. "Don't you want to continue torturing them?"

"One of my women want me to meet her at the Shenro Fountain so I have to go." Xiao Tian gave an honest answer. "I'll torture them again later."

"Tch! Boring." Like Xiao Tian's underlings, Zhao Sheng enjoyed seeing people being tortured, so he was unhappy when Xiao Tian wanted to leave.

Xiao Tian then looked at his underlings and spoke, "It's enough for today. If you still want to torture people, you can torture Jufan and the others."

After saying that, Xiao Tian, Lan Ruoxi and Zhao Sheng walked out of the torture room.

'Where is she?'

Currently, Xiao Tian was at the Shenro Fountain. After sending Zhao Sheng and Lan Ruoxi to the Red Flower Bar, he went straight to the Shenro Fountain.

'Why didn't she pick up the phone?'

Since the Shenro Fountain area was so big, it was hard to find Shi Fei.

'Maybe she is near the fountain.'

With that thought, Xiao Tian marched towards the fountain.

When he was in front of the fountain, he stopped his footsteps. He turned his head to the left and right, looking for Shi Fei.

'Where is she?'

Xiao Tian asked in his head.

"Little brother...." Shi Fei, who was behind him, ran towards him with a happy smile on her face.

Xiao Tian immediately turned towards the source of the sound. When he saw her running towards him, a soft smile spread across his face.

Because Shi Fei shouted loudly, many people were looking at her. However, she still behaved normally as if they were air.

With a soft smile on his face, Xiao Tian marched towards Shi Fei. When she jumped into his arms, Xiao Tian caught her and kept walking.

Shi Fei and Xiao Tian looked at each other with a happy smile on their faces. While still carrying her, Xiao Tian walked towards the public seating.

His actions made several people glance at them. And as if Xiao Tian wanted to show off his love to everyone, he sat on the public seating with Shi Fei on his lap.

"Why are you here?" Xiao Tian asked curiously.

"I just met someone and suddenly wanted to spend time with you in this place. That was why I called you earlier." Shi Fei gave an honest answer.

"I see." Xiao Tian uttered, "If so, then let's spend time here for the whole day."

"Good idea." Shi Fei smiled happily.

Then they spent time at the Shenro Fountain for about three hours before traveling to Xiao Tian's apartment.

The reason why they went to his apartment was that they wanted to have sex. Unlike usual, this time, it was Shi Fei who desired to do it. That was why she dragged him to his apartment.

"Haha." Shi Fei laughed when she saw the funny scene on TV.

Currently, Xiao Tian and Shi Fei were in the family room. Because they just finished having sex, both of them were still naked.

However, because no one was around them, they didn't show the slightest care about it.

Shi Fei suddenly put her head on his lap and spoke, "This movie is so funny."

Xiao Tian rubbed her hair gently and smiled.

'She is already thirty-year old but her face and behavior are still so cute.'

Xiao Tian suddenly thought of his mother because his mother almost had the same personality as Shi Fei.

'I did not realize that I have been living in this world for fifteen months.'

Xiao Tian suddenly felt lucky that God had given him a second chance to live and women who loved him dearly.

Chapter 762 - Dream

7-8 minutes

'It's already 06:00 pm.'

Xiao Tian lowered his head to look at Shi Fei and spoke, "Are you hungry?"

"Yes. Let's eat." even though she didn't move her body a lot, but having sex with a wild beast like him made her use a lot of energy, and as a result, she felt hungry faster than usual.

Because they hadn't taken a shower, Xiao Tian lifted her body and carried her to the bathroom.

A happy smile never left her face when they were heading to the restroom. And like what she had guessed, they ended up having sex again in the bathroom.

Of course, Shi Fei welcomed it happily. If they had normal sex earlier, now they had anal sex. Xiao Tian kept fucking her ass hole non-stop to the point it made Shi Fei start to feel pain in her butt hole.

As a good lover, she didn't stop him and tried her best to endure the pain. The feeling of both pain and pleasure made Shi Fei not want to end it.

Because they wanted to eat, they decided to stop. At first, Xiao Tian wanted them to eat at his restaurant, but he changed his mind after thinking for several seconds.

They went to a famous five-star restaurant for dinner. After dinner, they didn't go home; instead, they traveled to many places to enjoy themselves.

Because they had spent time together for more than eight hours, they decided to go home.

When Xiao Tian stepped into the family room, he saw Liu Ning sitting on the couch, watching TV. Without giving her a warning, he sat on her right side and kissed her cheeks. "I'm home, Ning'er."

Liu Ning turned her head to look at him before smiling. "Welcome home."

"Where are my mother and aunt?" Xiao Tian inquired.

"I think they are in your aunt's room right now." previously, Liu Ning saw Ye Qingyu and Ye Xueyin entering Ye Qingyu's room.

Because they still hadn't come to the family room, she thought they were still in Ye Qingyu's bedroom.

"I see." Even though Xiao Tian desired to see Ye Qingyu and Ye Xueyin, he decided to spend time with Liu Ning because he didn't want her to be suspicious of him.

At this moment, Shi Fei had slept in her room. Because she spent time with Xiao Tian for the whole day earlier, a happy smile could be seen on her sleeping face.

"Ning'er, let's sleep." Even though it was still 09:20 pm, Xiao Tian already felt sleepy.

"Are you going to sleep in my room tonight?" Liu Ning inquired.

"Yes." Xiao Tian had spent time together with Shi Fei for the whole day, so he wanted to sleep in Liu Ning's room.

"All right. Let's sleep." Even though she was still not sleepy, but because Xiao Tian wanted to sleep in her room, she decided to sleep.

After turning off the TV, Xiao Tian carried her to her room. Coincidentally, they met Ye Qingyu and Ye Xueyin on the stairs.

Even though Ye Xueyin and Ye Qingyu smiled softly, Xiao Tian knew that they were sad and jealous because lately, he rarely spent time with them. He always spent time with Shi Fei or Liu Ning.

After stepping into Liu Ning's room, he closed the door. He didn't lock the door and immediately put her on the bed. Because he was already sleepy, Xiao Tian fell asleep in less than five minutes.

Liu Ning, who saw his sleeping face, smiled softly before kissing his forehead. "Have a nice dream, my love."

Because Liu Ning was still not sleepy, she turned on the TV and watched movies with no volume so that she wouldn't wake him up.

At 11:35 pm, Liu Ning finally felt sleepy, so she turned off the TV and slept. Soon the huge and luxurious room fell silent. It was as if no one was in the room.

However, something unexpected happened. Xiao Tian suddenly woke up from his sleep with a frightened expression.

"Huft...Huft...Huft..." Xiao Tian breathed heavily after sitting up.

'Dream?'

Yes. The reason why Xiao Tian suddenly woke up from his sleep was that he had a nightmare. In his dream, his mother and aunt cried non-stop every single day.

His cowardice in revealing everything made them sad and disappointed. They hoped that Xiao Tian would do something and solve the problem.

However, not only did he not do anything, he even continued to delay everything. This was one of the reasons why they cried every day in his dream.

They even stated that they want them to return to being a normal family again if he kept hiding everything. But what frightened him the most was that the real Xiao Tian also appeared in his dreams.

The real Xiao Tian appeared in his dream because he made Ye Xueyin and Ye Qingyu cry. The real Xiao Tian kept asking why he made them cry while punching his face non-stop.

The real Xiao Tian stated that the real Xiao Tian was disappointed in him. The real Xiao Tian had let him use his body, but he couldn't keep his promise.

Sure, they were much richer than before now, but what was the point of having a lot of money if Ye Xueyin and Ye Qingyu were sad every day.

The real Xiao Tian would have preferred them to be poor if Ye Qingyu and Ye Xueyin could be happy every day because their happiness was the most important thing for the real Xiao Tian.

For this reason, the real Xiao Tian kept punching his face non-stop.

Even though his face was covered in blood, he didn't feel any pain; instead, it was the real Xiao Tian who felt pain because the real Xiao Tian was beating him with tears in his eyes.

And the reason why he woke up from his dream was that the real Xiao Tian asked him to return his body because the real Xiao Tian didn't want Ye Qingyu and Ye Xueyin to be sad.

*Back to reality.

Xiao Tian turned his head to look at Liu Ning. Based on their answers, he suspected that Shi Fei would accept his relationship with Ye Qingyu and Ye Xueyin while he had no idea whether Liu Ning would accept it or not.

'I can't continue hiding our relationship. I have to reveal it as quickly as possible.'

Even though there was a high possibility that he would lose Liu Ning, but Xiao Tian decided to reveal everything today.

He had been hiding their relationship for a long time, and he didn't want his dream to come true. Xiao Tian didn't want Ye Xueyin and Ye Qingyu to be sad every day.

After lying down on the bed again, Xiao Tian put Liu Ning on top of him and wrapped his arms around her waist.

"Tian'er, what's wrong?" Liu Ning spoke while still closing her eyes.

"Nothing. I just want to embrace you." Xiao Tian lied to her.

'Because maybe this will be the last time I hug you.'

Xiao Tian added in his head.

"All right." Because Xiao Tian only wanted to embrace her, Liu Ning decided to sleep again.

It was not the first time they slept hugging each other, so she didn't suspect his weird behavior.

As Liu Ning was sleeping, Xiao Tian rubbed her hair gently.

'Ning'er, I hope you won't leave me later.'

Chapter 763 - Revealing Everything Part 1

7-8 minutes

The following morning, Xiao Tian headed to the dining room with Liu Ning hand in hand.

Even though it was normal for him to walk into the dining room holding hands with his lover, but there was something unusual today.

Xiao Tian kept treating Liu Ning with special care from when they woke up until she left for work.

When they were having breakfast, Xiao Tian kept feeding her. He treated her as if she was the most important woman in the world.

Actually, the reason why Xiao Tian treated her so special was that he was afraid that it would be the last time he could enjoy his time with her.

"Ning'er, Fei, I have something to say. Actually, I...I..." Xiao Tian could not finish his words before finally sighing. "This is very hard."

Currently, Xiao Tian was in the living room. After Liu Ning and the others left for work, Xiao Tian continued to practice arranging words to reveal everything to Liu Ning and Shi Fei so that he wouldn't be nervous when he did that later.

"Huft... I didn't expect this to be something that was too difficult." Xiao Tian kept walking forwards and backwards.

That day, he didn't go to work. He continued to practice the words he had to say later. At 01:30 pm, Xiao Tian called Ye Qingyu and Ye Xueyin and told them to go home.

Because Ye Qingyu and Ye Xueyin thought Xiao Tian had something important to say, they immediately went home.

"Tian, why do you suddenly want us to go home?" Ye Qingyu inquired.

"I will reveal everything today." Xiao Tian gave an honest answer. "I will tell them about our relationship."

The expression of deep shock blossomed on the faces of Ye Qingyu and Ye Xueyin.

"Are you sure?" Ye Qingyu wanted to make sure whether Xiao Tian was serious or not.

Xiao Tian shut his eyes, and he suddenly remembered what happened in his dream.

"If you keep hurting them, give me back my body." The real Xiao Tian hit him with tears in his eyes. "I let you take over my body because I was sure you would not hurt them, but now I know that I was wrong. Give me back my body now! Give my body back to me now!"

He did nothing when the real Xiao Tian kept punching his face. "I'm sorry. But can you give me one more chance?"

The real Xiao Tian suddenly stopped punching him, but from his expression, anyone could tell that the real Xiao Tian was still enraged.

*Hit...

The real Xiao Tian punched his face one last time before rising to his feet.

He then turned around and walked away. "This is your last chance. I won't forgive you again if you make the same mistake."

The real Xiao Tian's body suddenly turned into countless crystal shards before disappearing without a trace.

*back to reality.

"Yes." even though Xiao Tian knew the consequences, he was determined to reveal everything today.

'Whatever happens, I will accept it.'

Xiao Tian added in his head.

Ye Xueyin was thrilled when she saw the determination in his eyes. For this reason, she jumped into his arms and smiled happily. "Tian, thank you."

Xiao Tian then sat on the couch and spoke, "But I hope both of you will stand by my side later."

Ye Xueyin, who was sitting on his lap, answered, "Un. I'll be by your side later."

Ye Qingyu sat on his left side and uttered, "What will you do if they don't accept our relationship and leave you later?"

"I don't know." Xiao Tian replied. "At least, I want to try first."

"What method will you use later?" Ye Qingyu inquired.

Xiao Tian was someone who always prepared everything before doing anything. He always made plans so that everything would be under his control. That was why she wanted to know what his plan was.

"Method? I won't use that." Xiao Tian spoke and paused for a second before he continued, "I will go straight to the point."

He had used several methods to change Liu Ning's mindset about illicit relationships, so he thought there was no point in using it again.

"Eh?!" Ye Qingyu and Ye Xueyin were shocked after hearing his words.

This would be the first time that Xiao Tian would do something without making any plans first. He had never done it before.

"That's why I want you two to be by my side later so that if they leave me later, I will depend on you two to comfort me." Xiao Tian lied to them.

"Don't worry. Mother will cheer you up if they leave you later." Ye Xueyin said while making a cute pose.

'Big sis, you should not say something like that. Your words seem like you want them to leave him.'

Ye Qingyu said in her head.

Xiao Tian kissed Ye Xueyin's cheeks and smiled, "Thank you."

Time went by quickly, and without realizing it, it was already 03:00 pm. At this moment, Xiao Tian, Ye Xueyin and Ye Qingyu were still in the family room.

*Thump...Thump...Thump...

Xiao Tian's heart beat faster and faster.

Because today was a special day, the working hours were only until 03:00 p.m. This meant Liu Ning and Shi Fei would return home soon.

'Why am I suddenly getting more scared like this?'

Previously, Xiao Tian didn't feel like this, but now, a fear suddenly appeared within him. And what made him uncomfortable was that the fear within him was getting bigger every second.

'This is not a bad sign, right?'

Xiao Tian tried to calm his mind but failed.

Ye Qingyu and Ye Xueyin, who saw his expression, held his hands and said in unison. "Don't be afraid. Whatever happens, we will always be by your side, supporting you."

Even though the fear within him did not disappear, it had significantly lessened after hearing their words. "Un."

"We are home." Shi Fei spoke when she was in the guest room.

"They have arrived home." Ye Qingyu uttered,

"Little brother..." Shi Fei instantly kissed Xiao Tian's right cheek after seeing him.

"I'm home." Liu Ning spoke as she smiled.

*Thump...Thump...Thump...

Xiao Tian's heart suddenly beat faster again after seeing Shi Fei and Liu Ning.

Not only that, the fear within him that had been reduced significantly suddenly exploded. Ye Qingyu and Ye Xueyin, who noticed his expression, instantly held his hands again.

Even though Xiao Tian didn't say anything, they knew that the fear within him had returned. They wanted to help him calm his mind, but they knew that now it was all up to him.

When Liu Ning saw his expression, she asked anxiously. "Tian'er, what's wrong? Do you have a problem again?"

"Little brother, if you have a trouble, you can share it with us, you know? We will do our best to help you solve your problem." After saying that, Shi Fei turned her head towards Liu Ning. "Isn't that right, Ning?"

"Yes." Liu Ning replied as she nodded her head.

Xiao Tian didn't immediately answer them and only stared at them.

'What's wrong, Xiao Tian? Hurry up and tell them everything. Didn't you say you would reveal everything today?'

After taking a deep breath, Xiao Tian opened his mouth and spoke, "Fei, Ning'er, I have something important to say."

Chapter 764 - Revealing Everything Part 2

6-7 minutes

"Mm? What is it?" Liu Ning asked curiously.

"Yes, little brother, what is it?" because Xiao Tian wore an unusual expression, Shi Fei was even more curious now.

Ye Qingyu and Ye Xueyin who were on either side of him looked at him before lowering their heads.

'Are you really going to reveal everything now?'

Even though it was the moment they had been waiting for, but at that time, Ye Xueyin and Ye Qingyu were also afraid.

There were two things that scared them. First, Liu Ning or Shi Fei would leave Xiao Tian and he would blame them later. And the second one was, Shi Fei and Liu Ning would look at them in disgust.

Xiao Tian held the hands of his mother and aunt. "Actually, my mother and aunt are also my women."

'I have finally said it.'

For some reason, Xiao Tian suddenly felt relieved.

Ye Qingyu and Ye Xueyin, who were lowering their heads, slowly raised it. Ye Qingyu and Ye Xueyin wanted to see what their reaction would be after learning the truth.

"Your women? What is this? Are you making a video now?" of course, Liu Ning would not believe his words easily.

Even though his words much surprised her, she thought that Xiao Tian was making a video or teasing her and Shi Fei.

"Little brother, are you making a challenge video for YouTube?" Like Liu Ning, Shi Fei didn't believe his words either.

At this moment, Xiao Tian suddenly wanted to say that he was just joking around, but he changed his mind after remembering his dream.

'No. I can't keep running away from this problem.'

Xiao Tian was very determined that he would reveal everything today.

"No. I'm serious." Because Xiao Tian had to prove that his mother and aunt were also his women, he kissed their lips.

*Silence...

Xiao Tian's words dropped the entire area into dead silence.

Even though it was normal to kiss family members, it was very rare for a young man like him to kiss his mother and aunt on the lips.

And from the behavior of Ye Qingyu and Ye Xueyin, Shi Fei and Liu Ning knew that Xiao Tian was telling the truth.

They were speechless. They found it hard to believe what they were hearing and seeing.

*One second...two seconds...three seconds...four seconds...

After a few seconds of silence, Liu Ning finally spoke, "Since when have you been dating your mother and aunt?"

Even though her mind was in a mess, Liu Ning tried her best to remain calm.

"They are my first lover." Xiao Tian gave an honest answer. "We were a couple before I met the two of you."

"Your first woman?" Liu Ning wanted to think that he was only joking around but from his expression, she could tell that he was telling the truth.

'His first woman? Does this mean he has been hiding their relationship from me since the start?'

Liu Ning had complicated feelings. She was angry, disappointed, and many others.

At this moment, Ye Qingyu and Ye Xueyin said nothing. They had no idea what to say or do. That was why they let Xiao Tian handle everything.

As for Shi Fei, she still looked at Xiao Tian without saying a single word. Even though she could accept his relationship with his mother and aunt, but she did not expect that her lover would have a special relationship with them.

"I know it's hard for you to believe it, but this is the truth." Xiao Tian spoke and paused for a second before he continued, "I love all of you the same. That's why I don't want to lie anymore."

"Little brother, is your love for them real?" Shi Fei inquired.

"Yes." Xiao Tian admitted it before looking at his mother and aunt lovingly. "Even though they are my family, but I love them as much as I love you. My feelings for them are the same as my feeling for you."

"If so, then I will try to accept your relationship with them." Shi Fei was someone who didn't have a problem with illicit relationships. That was why she could accept their relationship easily.

"Thank you, Fei." Even though Xiao Tian had guessed that Shi Fei would accept his relationship with his mother and aunt, but hearing it from her mouth made Xiao Tian happy.

Like Xiao Tian, Ye Qingyu and Ye Xueyin were pleased after hearing Shi Fei's words. They then turned their heads towards Liu Ning because they wanted to hear her answer.

At this moment, Liu Ning suddenly remembered something. "Don't tell me. Everything that happened in the Suzo park was part of your plan?!"

Since Xiao Tian had a special relationship with his mother and aunt, Liu Ning suddenly remembered what happened when they were in Suzo garden.

In Suzo park, she saw people who had illicit relationships like a forbidden relationship between nephew and aunt or son and mother.

"Yes." Even though Xiao Tian knew that his answer could make her even more disappointed, he still told the truth.

"And that movie too?" Liu Ning remembered the time when they watched a movie together.

"Yes." Xiao Tian gave an honest answer again.

Liu Ning suddenly felt dizzy. Her mind could not handle the truth. She could not express the feelings she felt. "I want to go to my room first. This truth is too much for me."

Without waiting for his answer, Liu Ning headed to her bedroom. She knew that she was running away from the problem, but at that time, her mind really could not handle it.

Ye Qingyu and Ye Xueyin wore sad expressions when they saw Liu Ning heading to her room. From her behavior, there was a high chance that she would not accept their relationship with Xiao Tian.

"I'll try to talk to her again." After saying that to his mother and aunt, Xiao Tian turned his gaze to Shi Fei. "Fei, please accompany my mother and my aunt."

"Un." Shi Fei nodded her head.

Xiao Tian tried his best to stay calm so as not to make another mistake.

'I hope she won't avoid me so that I can solve this problem quickly.'

Xiao Tian headed to Liu Ning's room.

Chapter 765 - Revealing Everything Part 3

6-8 minutes

Every step he took, Xiao Tian felt something heavy being put on his shoulders. The closer he was to Liu Ning's room, the heavier his footsteps were.

When he reached Liu Ning's room, he instantly stopped in front of her door. Unlike usual, this time, Xiao Tian didn't enter her room immediately.

"Ning'er, can I come in?" Xiao Tian inquired.

As if Liu Ning didn't want to talk to him, she said nothing. She kept sitting on the bed with a complicated expression.

She had no intention of ignoring Xiao Tian, but because her mind was in a mess, she had no idea what to say to Xiao Tian.

'Why it has to be you? Why did you lie to me all this time?'

Liu Ning still could not accept everything.

Previously, she was thrilled because the working hours finished earlier than usual so she could spend more time with him, but now, that feeling of happiness had disappeared without a trace.

Because Liu Ning was ignoring him, Xiao Tian tried to open the door.

*Click...

Xiao Tian was surprised when he found out the door was not locked.

At this moment, he wavered whether he should enter her room or not. He wanted to talk to her but at the same time, he was afraid that he would make the situation worse.

'Sigh. What should I do now?'

After thinking for several seconds, Xiao Tian decided to enter her room.

Despite knowing that Xiao Tian walked into her room, Liu Ning did not try to stop him or tell him to leave. She was even still sitting on the bed and behaving normally as if she were alone in her room.

When Xiao Tian was in front of her, he held her hands and spoke, "Ning'er, I know I've made a lot of mistakes. It's not that I want to hide everything from you, but it's because I don't know how to tell you about it."

Maybe because she still loved Xiao Tian, or maybe because she wanted to give him a chance to explain everything, but when he held her hands, Liu Ning did nothing.

Xiao Tian became even sadder when Liu Ning continued to ignore him. But what made him the saddest was that Liu Ning kept lowering her head as if she didn't want to see his face.

"I just want to tell you that I love you so much. I want us to live together until death do us part." Xiao Tian really meant it when he said this. "I hope you can accept my relationship with my mother and aunt or at least try to accept it."

He then continued, "But if you want to leave me, I won't stop you. I just want you to remember that my love for you will not fade, now or in the future."

Since Xiao Tian knew that Liu Ning would continue to ignore him, he walked out of her room. She needed some time alone to think about everything, so he didn't want to bother her anymore.

'Ning'er, I hope you will accept our relationship later.'

Xiao Tian then closed the door and walked towards the living room.

"How is it?" Ye Qingyu asked when she saw Xiao Tian.

Xiao Tian didn't answer and only shook his head.

Even though Ye Qingyu and Ye Xueyin had guessed it, it still made them even sadder when Liu Ning still could not accept their relationship with Xiao Tian.

Xiao Tian then sat on Shi Fei's left side and held her hands. "Fei, thank you."

Shi Fei nodded her head before speaking, "Don't be sad, little brother. Ning loves you very much, so I'm sure she will accept your relationship with your mother and aunt later."

She then continued, "I believe she won't leave you. She just needs some time alone to think about everything. All of this is too sudden for her and her mind couldn't handle it. That's why you have to give her some alone time."

Xiao Tian kissed Shi Fei's forehead and nodded his head.

'I hope so.'

Xiao Tian said in his head.

At the same time, Liu Ning was still sitting on the bed. She really had no idea what to say or do.

She still could not accept his relationship with his mother and aunt but at the same time, she didn't want to break up with him because she loved him so much.

She didn't know what would happen to her if she went through life without Xiao Tian. Until now, she had always believed that she would be with Xiao Tian forever, but now, she was not sure whether she would live with Xiao Tian forever or not.

Liu Ning dropped her body onto the bed. As she was closing her eyes, a memory suddenly flashed through her mind.

It was a memory of what happened to her three days ago. A memory where Xiao Tian was willing to get beaten up for the sake of her safety.

Even though she still could not accept his illicit relationship, but she became even more unwilling to leave him after remembering his sacrifice for her safety.

'What should I do?'

Time went by quickly and without realizing it, it was already 07:00 pm. Previously, Liu Ning laid down on the bed again after taking a bath.

'I'm hungry.'

Liu Ning got out of bed and headed to the dining room.

Xiao Tian could not express the happiness he felt when he saw Liu Ning because he thought she would not have dinner with them.

"Ning'er, come here and sit next to me." Even though Xiao Tian knew that Liu Ning would refuse, he still said it.

To his surprise, Liu Ning did sit next to him. Not only Xiao Tian, Shi Fei, and the others were also startled.

"Thank you." Liu Ning spoke after sitting on the chair.

Even though Liu Ning rarely said anything during dinner, Xiao Tian was pleased because she ate all the food he gave her.

After dinner, Liu Ning returned to her room. Because her mind was still in a mess, she decided to sleep.

"Little brother, you have to believe in Ning." Shi Fei spoke abruptly.

Currently, Shi Fei was lying prone on top of Xiao Tian, in her room. Because she wanted to cheer him up, she dragged him to her room after dinner.

"Sigh." Xiao Tian sighed before wrapping his arms around her waist.

"Do you want to have sex with me now? Maybe your mind will calm down after having sex with me." Because Xiao Tian loved having sex with her, Shi Fei decided to say that. Of course, she knew that her words were weird but she still said that.

"No. Let's do it next time." Xiao Tian refused without a second thought.

If it was a normal day, he would accept it immediately but right now, he was not in the mood to have sex.

"All right." Shi Fei responded.

Xiao Tian then shut his eyes.

'Huft. Never mind. I shouldn't keep thinking about it. It will only stress me out.'

Xiao Tian realized that he should not think about it too much, or else he would make his other women sad too.

'I should take care of my other women too.'

Chapter 766 - Who Are You?

7-8 minutes

The following morning, Xiao Tian went to the Star Clothes company to work. Even though he was not in the mood to work, he had no choice but to do so because it had been two days since he last worked.

That day, Shi Fei and Liang Jun announced to the public that Star Clothes company and Eternal Beauty company were cooperating on their new products.

Since they had planned it a few weeks ago, everything was going well. And not only that, the response from the public was much better than they thought.

In less than two hours, seven thousand products from the Eternal Beauty company and the Star Clothes company were sold.

It was a new record for Xiao Tian companies. It was true that both of his companies were already well-known and on the rise, but selling seven thousand products in less than two hours was something that never happened before. This made Xiao Tian pleased and smiled from ear to ear.

The truth was, he himself also didn't expect it. Due to how happy he was, he had even forgotten about his problem with Liu Ning.

Wuzo Town, The Chao Family Home.

"So you're saying my two sons were jailed by the police for kidnapping a woman and after being released from prison, they had a car accident on their way home?" a middle-aged man about fifty-five years old uttered.

He was Chao Ming Hai, the father of Chao Ximeng and Chao Dong. Today he just returned to Shanghai from a business trip, but what greeted him was bad news about his sons.

"Yes. it's what the police officer told me." The maid responded. "I tried to call Madam and Sir, but...."

She wanted to say that both Chao Ming Hai and his wife, Zhu Luan, ignored her calls, but she didn't dare to finish her words because it would look like she was blaming them.

"So, until now the police still haven't found them?" Zhu Luan asked with tears in her eyes.

She knew that her two sons had bad personalities, but still, they were her sons, so as their mother, her heart broke into pieces after hearing the bad news about them.

"The police stated they would try to find them as soon as possible." the maid spoke and paused for a second before she continued, "But because they found the young master's car under the river, they suspected that ..."

She wanted to say that there was a high possibility that Chao Ximeng and Chao Dong had died, but she could not finish her words.

"No. I would not believe they died before seeing their corpses with my own eyes." After saying that, Zhu Luan looked at her husband. "Husband, you have to find him no matter what."

Chao Ximeng and Chao Dong were their only children, so she didn't want to lose them. And if they really were dead, she wanted to see their corpses.

"Don't worry. I will ask someone to investigate it." Like Zhu Luan, Chao Ming Hai was also sad.

Nanli District, Blue Ice Lotus Gang Headquarters.

"Tch, boring! They passed out too fast." One of Xiao Tian's underlings said unhappily.

In front of her, Chao Ximeng and the others passed out on the ground. Because Xiao Tian's underlings kept torturing them, their bodies were covered in blood and bruises.

Due to the injuries they had, Chao Ximeng and the others felt as if they were in hell. Xiao Tian's underling didn't care about their injuries and kept torturing them.

It was also pointless to beg Xiao Tian's underlings to stop because Xiao Tian's underlings never listened to their words.

It was as if they lived to entertain Xiao Tian's underlings or were tortured by his underlings.

Ever since they were imprisoned in the Blue Ice Lotus gang headquarters, Chao Ximeng and the others finally understood a little about how scary hell was.

If they could turn back time, they would not mess with Xiao Tian because he was a dangerous person. In their view, Xiao Tian was a devil in disguise. Even his underlings were cruel.

There were many times where they wished them died so that Xiao Tian's underlings would stop torturing them because they felt immense pain every time they were tortured by Xiao Tian or his underlings.

Xufang City, Shenro Fountain.

Currently, Liu Ning was sitting on the public seating near the fountain. Because she wanted to calm her mind and think about her problems, she traveled to Shenro Fountain after work.

As usual, due to how beautiful she was, many men stole glances at her. Not only men, but even some women also stole glances at her.

At the same time, two young men, about twenty-two years old, saw Liu Ning.

'What a beautiful woman!'

"Zen, there is a gorgeous lady in front of us." A red-haired young man spoke abruptly. "Let's get her number."

"Zun, she is really my ideal type of woman," Zun responded. "I didn't expect to meet a lady as beautiful as her in this place."

"Let's go." Zun wanted to get Liu Ning's number as quickly as possible, so he didn't want to waste time.

Then Zen and Zun, a twin brother, walked towards Liu Ning confidently.

"Hi, pretty lady. Can I get your number?" Zun behaved nicely so that he would get a good impression from Liu Ning. He even tried his best to smile as dazzling as possible.

"Yes. We want to be friends with you." Zen added. "Can you give us your number?"

Liu Ning only stared at them without saying a single word. Even though she was having a problem with Xiao Tian, but she was still his lover, so she decided to ignore them.

Zun and Zen were a little unhappy when Liu Ning was ignoring them. It was fine if she didn't want to give them her number, but at least, she should not ignore them like that.

Zun and Zen then sat on either side of her and spoke in unison, "Lady, don't be so cruel like this. We just want to be friends with you, no more than that."

Because Liu Ning didn't want to be near them, she rose to her feet and wanted to leave.

Zun and Zhen, who noticed that instantly blocked her path. "Lady, where do you want to go? We just want to be friends with you. Why did you reject it? Isn't it a good thing to have new friends?"

"Leave me alone!" maybe because Liu Ning's mind was already in a mess, she immediately lost control when they blocked her path.

At first, Zen and Zun had no bad intentions towards Liu Ning, but because she kept behaving rudely, they started to get angry too.

Zen raised his tone. "Lady, we only wan-"

However, before Zen had finished his words, Chun Hua grabbed his right shoulder from behind. "What are you doing?"

Zun and Zen instantly turned around. When they saw Chun Hua, Ren Aoxu, and two other Blue Ice Lotus gang members, they were shocked.

Currently, Xiao Tian was training martial arts at Lan Ruoxi's place, so he ordered his underlings to protect Liu Ning in secret.

"Who are you?" Zen and Zun asked in unison.

At this moment, they had no idea who Chun Hua and the others were because Chun Hua and the others wore normal clothes.

Chapter 767 - Liu Ning Gives Her Answer

6-8 minutes

"You don't need to know who we are." Chun Hua was too lazy to tell Zen and Zun who they were.

Ren Aoxu and the other two members of the Blue Ice Lotus gang had terrifying expressions. Liu Ning was Xiao Tian's lover, so they were furious when Zen and Zun displeased her.

Because Ren Aoxu had a small body while Chun Hua and the others were female, Zun and Zen suddenly became braver.

Zen removed Chun Hua's hands from his shoulders and spoke, "Then you don't need to disturb our business either."

Chun Hua and the others were enraged by Zen's words. Xiao Tian had ordered them to protect Liu Ning, so Xiao Tian would be furious if anything happened to her.

As Chun Hua and Zen were arguing, Liu Ning had a surprised expression. Of course, she knew who Chun Hua was because she had met Chun Hua several times.

'So Tian'er is ordering his underlings to protect me.'

Liu Ning felt happy, and unconsciously her face broke into a smile.

Because Zen and Zun wanted Chun Hua and the others to leave, they immediately attacked Chun Hua and Ren Aoxu.

They threw out their fists at Chun Hua and Ren Aoxu. However, Chun Hua and Ren Aoxu could block their attacks easily. After catching their fists, Chun Hua and Ren Aoxu twisted their arms.

"Agghhh." Zen and Zun cried out in pain. "Please stop. We will leave immediately."

"Leave!" Chun Hua and Ren Aoxu let them go. They didn't do anything to Zen and Zun because they were a lot of people around them.

When Liu Ning wanted to thank Chun Hua and the others, they left as if they were wind. This made Liu Ning sigh.

Red Flower Bar, Secret Training Room.

"Huft...Huft...Huft..." Xiao Tian was breathing heavily.

Currently, he was lying down on the ground. His clothes were wet with sweat as if he was caught in the rain.

"Young master Xiao, do you want to continue?" Lan Ruoxi inquired.

Xiao Tian rose to his feet and responded, "Yes."

"All right. Then get ready." Lan Ruoxi was amazed by Xiao Tian's spirit.

It had been three hours since Xiao Tian trained martial arts at her place, but he still wanted to continue practicing martial arts.

Shanbei Town, Xiao Tian's Mansion.

"I'm home." Liu Ning spoke when she was in the guest room.

"Ning, where did you go earlier?" Shi Fei inquired,

"Shenro Fountain." Liu Ning gave an honest answer. "What's wrong?"

"Nothing." Shi Fei responded as she shook her head.

"I want to take a bath first." After saying that, Liu Ning headed to her room.

Shi Fei could only sigh.

Not long after that, Xiao Tian arrived home. Because he was tired, he went straight to his room and slept.

Time went by quickly, and without realizing it, it had been three days since Xiao Tian revealed everything to Liu Ning and Shi Fei.

'I miss him.'

It had been three days since Liu Ning last spent time with Xiao Tian.

It was not like she didn't want to spend time with him, but she was too busy thinking about his relationship with Ye Qingyu and Ye Xueyin. As a result, she rarely spent time with him.

'It's already 11:46 pm. I think he is sleeping right now.'

Because Liu Ning could not hold back her desire to spend time with him or feel the warmth of his embrace, she got out of bed and headed to his room.

*Click...

As if Xiao Tian knew that she would come to his room, he didn't lock the door, allowing her to enter his room easily.

'He is sleeping.'

Like what Liu Ning had guessed, Xiao Tian was sleeping in his room.

After entering his room, she closed the door and stood by his bed, looking at his sleeping face. The longer she saw his sleeping face, the bigger her desire to feel the warmth of his body.

For this reason, Liu Ning crawled onto the bed before finally lying face down on top of him.

Xiao Tian suddenly woke up. He was pleasantly surprised when he found out the person who was lying face down on top of him was none other than Liu Ning.

Without waiting for another second, Xiao Tian kissed her hair before finally wrapping his arms around her waist. "Do you want to sleep with me tonight?"

Liu Ning didn't answer and only made a circle on his chest using her left index finger.

Even though Liu Ning was ignoring him, Xiao Tian was thrilled. It was a good sign that she desired to sleep with him because this meant the chances she would accept his relationship with his mother and aunt was higher than before.

That night, Xiao Tian slept with a smile on his face. Time went by quickly, and without realizing it, it was already 04:40 am.

At this moment, Xiao Tian suddenly woke up. A soft smile spread across his face when he saw her sleeping face. Xiao Tian had no idea as to why he suddenly felt as if he was happier than usual.

Maybe it was because Liu Ning showed signs that she would accept his relationship with his mother and aunt, or maybe because he could sleep with her again.

As Liu Ning was sleeping soundly, Xiao Tian looked at her lovingly while rubbing her hair gently. Because he was enjoying it so much, he didn't realize it was already 06:10 am.

At this moment, Liu Ning was still sleeping.

*Click...

As usual, Shi Fei entered his room without knocking on the door. "Little broth-"

Before Shi Fei had finished her words, Xiao Tian signaled her to be quiet.

The expression of deep shock blossomed on Shi Fei's face.

'Eh! What is this? Ning is sleeping in little brother's room?'

Previously, she thought Xiao Tian was sleeping alone. She just didn't expect that Liu Ning would sleep in his room.

Of course, Shi Fei was thrilled by this because it was a sign that the relationship between Xiao Tian and Liu Ning would return to the way it used before.

"Little brother, breakfast is ready." Shi Fei spoke in a low voice.

"I will go to the dining room later." Xiao Tian also said in a low voice.

"All right." After saying that, Shi Fei returned to the dining room.

Five minutes after Shi Fei left, Liu Ning woke up. "Morning, Tian'er."

"Good morning." Xiao Tian replied as he smiled. "Breakfast is ready. Do you want to eat now?"

"Yes." after saying that, Liu Ning got out of bed.

Because Xiao Tian wanted to go to the dining room with Liu Ning, he immediately held her left hand and smiled, "Let's go."

"Un." Liu Ning nodded her head.

When Xiao Tian and Liu Ning stepped into the dining room, Ye Xueyin and Ye Qingyu were shocked.

'Thank god.'

Their surprised expressions slowly turned into smiles.

After breakfast, Liu Ning suddenly spoke, "Tian'er, Miss Ye Qingyu and Mrs. Ye Xueyin, I have thought about it carefully and I think I can give you my answer now."

Xiao Tian and the others were shocked by her words. They instantly looked at Liu Ning seriously.

They wanted to know what her answer was.

Chapter 768 - Hey, This Is Unfair

7-9 minutes

*Thump...Thump...Thump...

the heart of Xiao Tian, Ye Qingyu and Ye Xueyin were beating faster.

At this moment, they were happy and worried at the same time.

"I think I can accept your relationship with him." Liu Ning uttered, "Yes. I will try to accept it."

after coming to their senses, Ye Qingyu and Ye Xueyin hugged Liu Ning. "Thank you, Ning. Thank you."

Tears of happiness rolled down Ye Xueyin's soft cheeks. She didn't expect that Liu Ning would try to accept her relationship with Xiao Tian so quickly.

The smile on Xiao Tian's face grew bigger when he knew that he didn't need to hide anything anymore.

Even though Liu Ning still could not fully accept their relationship, Xiao Tian was delighted because he was sure that he could make Liu Ning accept his forbidden relationship with his mother and aunt later.

'Now that she has decided to try to accept our relationship, it will be much easier for me to make her fully accept us later.'

After hugging Liu Ning for several seconds, Ye Qingyu and Ye Xueyin returned to their seats.

"How about we go somewhere and have some fun today?" it was a perfect time to make Liu Ning think of Ye Qingyu and Ye Xueyin as his women, so Xiao Tian wanted them to go somewhere to enjoy themselves.

"Good idea." Shi Fei spoke cheerfully.

"All right." Liu Ning replied as she nodded her head.

Because all of them agreed with his idea, they immediately traveled to Beijing after breakfast.

At first, Xiao Tian only wanted them to go somewhere in Shanghai, but since Shi Fei desired to go to Beijing, he decided to grant her wish.

After arriving at the hotel, they rested for about two hours before going out. They went to many places and bought a lot of things.

At 04:00 pm, they returned to the hotel. Because they suddenly wanted to swim, they decided to go to the hotel pool. The swimming pool was quite big and also an indoor pool.

Actually, it was a shared swimming pool, but since Xiao Tian didn't want other people to see his women in bikinis or disturb their time, he told the employees to prevent everyone who tried to use the pool.

Because Xiao Tian was a VIP customer, the employees allowed him to do that for an hour. After that, the pool would be opened for the public again.

Xiao Tian agreed because one hour was enough. Then Xiao Tian told employees to bring lemon juices and fruit to the swimming pool.

*Buarr...

Shi Fei jumped into water.

Xiao Tian's face broke into a smile when he saw Shi Fei swimming. Currently, Xiao Tian and Ye Qingyu were sitting by the pool with their feet in the water.

As for Liu Ning, she was sitting on a pool lounge chair.

"Tian, here eat it." Ye Xueyin walked towards Xiao Tian before feeding him the grapes.

Without thinking twice, Xiao Tian consumed it. "Delicious!"

As Xiao Tian was talking with Ye Qingyu and Ye Xueyin, Liu Ning kept staring at them.

'I just realized that their behavior is indeed like lovers.'

Because Xiao Tian had revealed everything to her, Liu Ning finally realized that the behavior of Xiao Tian, Ye Qingyu and Ye Xueyin was like lovers.

All this time, she didn't realize it and thought that it was love between families. She finally understood that she was too naive to think like that.

"Aunt, here eat it." Xiao Tian fed a grape to Ye Qingyu.

Ye Qingyu smiled dazzlingly after consuming the grapes. The grapes became even more delicious when the one who fed her was none other than her lover.

As usual, Xiao Tian suddenly desired to feed her from mouth to mouth. Even though he realized that Liu Ning was staring at them, but he still wanted to do that.

He had revealed everything, so in his view, there was no point in holding back what he wanted. This could also make Liu Ning get used to seeing him lovey-dovey with Ye Qingyu and Ye Xueyin.

Without waiting for another second, Xiao Tian put half a grape in his mouth and spoke, "Aunt...."

Even though Xiao Tian didn't say directly what he wanted, Ye Qingyu could tell that he tried to feed her from mouth to mouth.

Ye Qingyu instantly glanced at Liu Ning. When she found out that Liu Ning was staring at them, she wavered whether she should accept it or not.

Liu Ning had just started to accept their relationship, so Ye Qingyu was afraid that Liu Ning would change her mind later.

It was not like she didn't want to lovey-dovey with Xiao Tian in front of Liu Ning, but in her view, it was too fast to do that.

However, Xiao Tian had a different thought. He wanted Liu Ning to see them lovey-dovey.

Liu Ning's eyes widened for several seconds when she saw Xiao Tian feeding a grape to Ye Qingyu from mouth to mouth.

But what surprised her most was that they immediately had a passionate kiss after consuming a grape as if they were alone in the pool.

'They...'

Liu Ning had complicated feelings.

Sure, she had seen films about illicit relationships but seeing it in the real world was different. The difference was like heaven and earth.

She could not describe her feelings when she saw them kissing passionately.

[A/N= She knew that people she saw at the Suzo park were prostitutes who Xiao Tian paid, so she never saw people who had an illicit relationship in the real world.]

After Xiao Tian broke the kiss, he rose to his feet and walked towards Liu Ning. "Ning'er are you not going to swim?"

"No." Liu Ning answered, "I just want to relax."

When Xiao Tian saw her expression, he knew what she had in mind.

'It seems like my dream of having an orgy won't come true in the next few days.'

Liu Ning already had complicated feelings just seeing him kissing passionately with Ye Qingyu. He had no idea what her reaction would be if she saw him having sex with Ye Qingyu or Ye Xueyin.

'Well, I can understand her feelings.'

Xiao Tian knew that accepting forbidden relationships was hard.

"Little brother, let's swim together." Shi Fei said as she dragged him to the water.

Actually, Xiao Tian still wanted to talk to Liu Ning, but because Shi Fei was dragging him, he changed his mind.

*Splash...

Shi Fei splashed water on Xiao Tian's face after jumping into the water.

Of course, Xiao Tian immediately fought back.

"Haha." Xiao Tian and Shi Fei laughed happily.

When his mother and aunt were near him, Xiao Tian pulled them into the water, causing them to fall into the water.

"Kya." Ye Qingyu and Ye Xueyin instantly splashed water on Xiao Tian's face as punishment for pulling them into the water.

Because it was three versus one, Xiao Tian lost the water fight, and as a result, he could only protect his face.

"Hehe." Liu Ning, who saw them, could not help but giggle.

Shi Fei turned her head towards Liu Ning and spoke, "Ning, come here and join us."

Because Liu Ning said she only wanted to relax, Shi Fei thought Liu Ning would refuse. To her surprise, Liu Ning immediately jumped into water before splashing water on Xiao Tian's face too.

"Hey, this is unfair. How can I win a water fight against four people?" Xiao Tian said as he protected his face.

"It's a fair fight because it's a water fight between male and female." Shi Fei replied.

Even though Xiao Tian lost a water fight, he was pleased.

Chapter 769 - Meeting The Crazy Officer Again

7-8 minutes

Because Xiao Tian knew that he could not fight back, he decided to protect his face.

'This is one of the downsides of having more than one woman.'

Xiao Tian dashed towards Shi Fei and hid behind her.

"Little brother, don't hide behind me. Fight us fairly. Aren't you a man?" even though Shi Fei said so, she didn't move from her place.

"Tian, stop hiding behind her." Ye Xueyin added. "A man should not hide behind a woman."

The corner of Xiao Tian's lips twitched upon hearing their words.

'Holy hell. So they think I'm not a man? Hmf! Let me show you how manly I am.'

With that idea in mind, Xiao Tian turned Shi Fei's body to face him before kissing her lips.

Even though his actions much surprised her, Shi Fei instantly welcomed the kiss. As usual, the normal kiss turned into a wet kiss where they moved their tongues lewdly and tilted their heads to the left and right.

"Hey, pervert young man, what are you doing?" Ye Xueyin and the others splashed water on Xiao Tian's face.

At this moment, Shi Fei and Xiao Tian were still kissing passionately. Xiao Tian's hands were on Shi Fei's waist while her arms were wrapped around his neck.

Even though Ye Qingyu and the others were splashing water on their bodies, they didn't show the slightest care about it, as if Ye Qingyu and the others were cheering them on.

Xiao Tian kissed Shi Fei for several seconds before finally, he broke the kiss. Of course, the reason why he stopped the kiss was that he wanted to kiss Liu Ning.

However, when he was walking towards Liu Ning, Ye Qingyu and the others splashed water on his face again, causing him to stop his footsteps.

Of course, Xiao Tian could continue walking towards Liu Ning, but he decided not to do that. "Haha."

As Xiao Tian was protecting his face, he tried to fight back. He splashed water on their faces. And like before, he could not win the water fight.

Time went by quickly, and without realizing it, it had been almost an hour since they entered the pool.

Because Xiao Tian didn't want other people to see his women in their bikinis, he immediately spoke, "Let's stop for today."

"All right." Shi Fei responded as she nodded her head.

The others also agreed because they had been in the water for a long time. Then they headed to their rooms.

After taking a warm shower, Xiao Tian didn't head to his women's rooms; instead, he laid down on the bed for several minutes.

'I think now is a good time to go to romantic places with them.'

With that idea in mind, Xiao Tian headed to his women's rooms. However, something unexpected happened. They were not in their rooms.

'Where are they?'

Suddenly Xiao Tian's smartphone rang.

'Fei?'

When he found out the person who was calling him was Shi Fei, he immediately picked up the phone. "Fei, where are you?"

"Little brother, we decided to go somewhere together without you." Shi Fei gave an honest answer. "We want to strengthen our relationship as sisters, so you don't need to look for us. We'll come back later."

The corner of Xiao Tian's lips twitched when Shi Fei suddenly hung up the phone.

'Holy hell. I spent a lot of money on this vacation and all of you left me alone like this?'

Xiao Tian could only sigh. He suddenly remembered the time when he went to Beijing with Lan Ruoxi. At that time, she also left him alone like this.

'Well, it can't be helped.'

Xiao Tian went out alone. Because he had been to Beijing several times, he knew a lot of good places.

'I will punish them later.'

Xiao Tian hoped that they would become much closer later. Not as daughter-in-law and mother-in-law, but as his women or sisters.

Then Xiao Tian decided to go to Fusio. Fusio was one of the most famous places in Beijing. Every day, many people went to Fusio, and it became even crowded after 07:00 pm because it was an excellent place to hang out.

As Xiao Tian was walking alone and enjoying himself, a voice suddenly rang out. "Police, don't move!"

Even though Xiao Tian had no idea whether the police officer was talking to him or not, he stopped his footsteps reflexively.

'Don't... don't tell me...'

The reason why Xiao Tian suddenly stopped his footsteps was that he was pretty familiar with the voice. Yes. It was the voice of the police officer he hated the most.

Several months ago, when he traveled to Beijing with Lan Ruoxi, he always argued with this police officer every time they met.

This police officer even almost killed him many times because she fired her gun as she pleased, as if she was the owner of Beijing.

Even though it had been several months since he last heard this voice again, Xiao Tian had never forgotten this voice. Yes, this police officer was none other than Yi Wenxin.

Yi Wenxin dashed towards Xiao Tian and stood in front of him. Even though she was wearing normal clothes, she still behaved like a police officer on duty.

"You are Xiao Tian, right?" Yi Wenxin spoke happily. "I'm Yi Wenxin, your fan."

The expression of deep shock blossomed on Xiao Tian's face.

'What?!'

He found it hard to believe what he was seeing.

Previously, Xiao Tian thought Yi Wenxin would behave crazily again like usual, but he was wrong. Not only did she act like a fan who had just met her idol, but her behavior changed completely. It was as if she was a different person.

'What is this? Is she the same crazy officer I knew before?'

Usually, Yi Wenxin would always point her gun at his face every time they met, so Xiao Tian felt weird when she didn't do that.

At this moment, Xiao Tian finally remembered that he was using his real identity, so Yi Wenxin had no idea that he was Xue Yang, the person she hated the most.

Even though Xiao Tian didn't say anything, Yi Wenxin was not angry at him. "Xiao Tian, what are you doing here? Are you on vacation or on a business trip? And did you come to Beijing alone?"

Yes. Xiao Tian was someone she greatly idolized. She was amazed by Xiao Tian because he could become a successful person in a short amount of time.

He was even able to raise the status of his family from low-lower class family to high-middle class family in less than a year. That was something that was very difficult to achieve. That was why he became one of her idols.

"Yes, I came to Beijing to relax." Xiao Tian smiled softly. "Lady, are you a police officer?"

Even though Xiao Tian knew that she was a police officer, he pretended as if he knew nothing because she had no idea that he was Xue Yang.

"That's right." Ye Wenxin placed her right hand on her chest and answered proudly. "That's why if you need anything, I can help you."

"A...alright." Like before, Xiao Tian responded.

'I wonder what her reaction would be if she knew I was Xue Yang.'

Xiao Tian asked in his head.

As Xiao Tian was talking with Ye Wenxin, a voice suddenly rang out. "Wenxin, what took you so long?"

Chapter 770 - He Is Amazing

6-7 minutes

Xiao Tian and Yi Wenxin turned their heads towards the source of the sound. When Xiao Tian saw the person who had just spoken, he was shocked.

Of course, he knew who that person was because she was the person who he met and helped him when he traveled to Beijing with Lan Ruoxi last time.

Yes. That person was none other than Qing Xiulan, the goddess of Beijing and the most beautiful woman he met in his second life.

When Qing Xiulan saw Xiao Tian, she smiled softly. "We meet again, young master Xiao."

"Eh! Meet again?!" Yi Wenxin was startled upon hearing Qing Xiulan's words.

She often hung out with Qing Xiulan, and she was sure that Qing Xiulan had never met Xiao Tian before. "When did you two meet? Isn't this the first time you two have met?"

Qing Xiulan finally realized that she had slipped her tongue. Because she didn't tell Yi Wenxin that Xue Yang was Xiao Tian, Yi Wenxin had no idea that she had met Xiao Tian twice.

Of course, Qing Xiulan knew that Yi Wenxin had a grudge with Xiao Tian because Yi Wenxin kept telling her that Yi Wenxin had met the most annoying person in the world and that person was none other than Xue Yang.

Since Qing Xiulan didn't want to reveal Xiao Tian's fake identity, she wanted to make an excuse.
"Actually, we m-"

However, Xiao Tian had a different thought. He thought Qing Xiulan wanted to reveal his fake identity to Yi Wenxin.

For this reason, he wanted to cover her mouth so that she would not be able to say a single word.

When Xiao Tian was about to do that, a young man and woman around twenty-seven years old, who were pretending to be lovers and sitting near Qing Xiulan, dashed towards him.

Yes. Actually, those people were not lovers, but they were Qing Xiulan's bodyguards who were pretending to be lovers.

When Xiao Tian wanted to cover Qing Xiulan's mouth, they thought he had bad intentions towards her. For this reason, the female bodyguard instantly stood in front of Qing Xiulan while the male bodyguard attacked Xiao Tian.

Because Xiao Tian's reflexes had improved significantly since he practiced martial arts at Lan Ruoxi's place and sparred with her, he was able to block the kick that was aimed at his head.

No. It could be said that Xiao Tian was lucky to be able to block the attack.

'This speed and strength. Don't tell me. He is a martial artist at the high level master stage?'

Even though Xiao Tian was able to block it, he was still thrown back two meters. Luckily he was still standing.

Yi Wenxin and Qing Xiulan, who saw it, were surprised.

'Oh! It seems like he is much stronger now.'

Qing Xiulan knew that Xiao Tian was a martial artist.

She just didn't expect that he would still be able to stand after blocking the attack from one of her bodyguards because her bodyguards were extraordinary martial artists.

Something like this was rare because usually, almost everyone would have been thrown to the ground and injured after receiving an attack from her bodyguards.

Yi Wenxin's eyes shone brightly. As Qing Xiulan's close friends, she knew how strong Qing Xiulan's bodyguards were.

'He is amazing!'

She idolized Xiao Tian even more after learning that Xiao Tian was skilled in martial arts.

When her bodyguards wanted to attack Xiao Tian again, Qing Xiulan spoke, "Stop!"

Her bodyguards instantly stood behind her without saying a single word. They also didn't ask why Qing Xiulan forbade them to attack Xiao Tian again.

Qing Xiulan walked closer towards Xiao Tian and apologized. "Young master Xiao, please forgive my bodyguards. They thought you had bad intentions towards me. That was why they attacked you earlier."

"It's fine. Don't mind it." Xiao Tian could not blame them because it was their job, and he looked like someone who had bad intentions towards Qing Xiulan earlier.

"Xiao Tian, you are amazing." Yi Wenxin spoke abruptly. "I didn't know you were a martial artist. If I may know, what stage are you at now? For information, not everyone could still stand up after receiving an attack from Xiulan's bodyguards."

She then continued, "Many of them were instantly thrown to the ground. Some of them even fainted or were immediately taken to the hospital because her bodyguards are not ordinary martial artists."

At this moment, Xiao Tian could only smile. Actually, both of his arms hurt so much after blocking the attack, but he behaved as if he was fine.

It was related to his good image, so of course, he would try his best to endure the pain.

"Hey, look! Isn't that the goddess Xiulan?"

"Woa! You are right."

"I didn't expect to see her in this place. It seems like I'm going to have a good dream tonight."

"She is so beautiful."

Due to how beautiful Qing Xiulan was, one by one, the people around them praised her beauty. Not only men but even some women also praised her and kept stealing glances at her.

One of Qing Xiulan's bodyguards suddenly whispered, "Young miss, we have to go home now. You have to meet Mu family in thirty minutes."

"Young master Xiao, I still have something to do." Qing Xiulan uttered, "Let's talk again next time."

"All right." Xiao Tian responded as he smiled.

"See you again, Xiao Tian." Yi Wenxin waved goodbye to Xiao Tian.

Then they left.

Xiao Tian then sat on the public seating, enjoying himself. Time went by quickly, and without realizing it, it had been two hours since he arrived at Fusio.

At this moment, Xiao Tian's smartphone suddenly rang. When he learned it was Shi Fei who was calling him, he immediately picked up the phone. "Hello?"

"Little brother, where are you right now?" Shi Fei inquired. "We're at the hotel now."
