Chapter 771 - How Did You Know Her?

After Xiao Tian arrived at the hotel, he didn't head to his room; instead, he went straight to Shi Fei's room. "Fei, it's me."

When Shi Fei knew Xiao Tian was already in front of her room, she immediately opened the door. "Come in."

After Xiao Tian stepped into her room, he saw his mother, aunt, and Liu Ning. They were talking happily as if they were good friends who hadn't seen each other in a long time.

This made Xiao Tian pleased and smiled softly.

'It seems like they are having a good time. Just where did they go earlier?'

Because Xiao Tian could not hold back the curiosity he had, he inquired, "Where did you go earlier?"

"We went somewhere to have girl-talk." Shi Fei responded instantly. "We just had a heart-to-heart talk earlier. Isn't that right, everyone?"

Liu Ning and the others nodded their heads.

"Talk heart to heart?" Xiao Tian tilted his head to the left.

"What about you, Tian'er?" Liu Ning inquired, "Where did you go earlier?"

"Because you all left me alone without saying anything, I traveled to Fusio with a lonely heart earlier." Xiao Tian gave an honest answer.

Upon hearing his words, Shi Fei cupped his face before kissing his forehead and lips. "Does your heart still feel lonely now?"

"Not anymore." Xiao Tian responded instantly.

Liu Ning and the others giggled.

'It's so easy to make him happy.'

Those were the words that appeared in their minds.

That night, they didn't have sex and only talked until 11:40 pm. Xiao Tian was delighted because from Liu Ning's behavior, he could tell that she was getting closer to his aunt and mother.

It was as if she had accepted his illicit relationship with his mother and aunt completely and thought of them as her sisters or his women.

The following morning, they went to several famous places after breakfast. At 11:00 am, they returned to the hotel.

Because Liu Ning had something she wanted to buy, Xiao Tian accompanied her to buy it. Ye Qingyu and the others didn't go with them because they were tired and wanted to rest at the hotel.

After that, they traveled to a famous restaurant for lunch. At first, he wanted to have lunch with Shi Fei and the others, but since Liu Ning was already starving, he changed his mind.

As they were consuming their food, a sweet voice suddenly rang out. "Young master Xiao, we meet again."

Xiao Tian and Liu Ning instantly stopped eating their food and turned their heads towards the source of the sound.

When Liu Ning saw Qing Xiulan, she suddenly felt jealous. Sure, her face belonged to the category of beautiful lady, but Qing Xiulan was prettier than her.

Her body, face, voice, and height. Everything about Qing Xiulan was perfect. It was as if God wanted to make her the most beautiful woman in the world.

And what made Liu Ning even more jealous was that there were two people closely following her.

From their appearance and behavior, anyone could tell that they were Qing Xiulan's bodyguards. Liu Ning was sure that Qing Xiulan was from a wealthy family because it was impossible for a low-income family to pay bodyguards to protect their daughter.

'What is her relationship with Tian'er?'

Liu Ning was suddenly curious about the relationship between Qing Xiulan and Xiao Tian. Both of them were from different cities, and the distance between their cities was very far, so she wanted to know how they got to know each other.

"Oh, lady Qing. Did you come here to eat too?" Xiao Tian asked as he smiled.

"No." Qing Xiulan gave an honest answer. "This restaurant is one of my family businesses and the reason why I came here is that I have business with the manager of this restaurant."

"I see." Xiao Tian did not expect that they were eating at the Qing family restaurant.

Qing Xiulan then shifted her gaze from Xiao Tian to Liu Ning. "Is she your lover?"

"Yes. She is my girlfriend." Xiao Tian gave an honest answer. "Her name is Liu Ning. Ning'er, she is lady Qing Xiulan. We met several times before."

Liu Ning was thrilled when Xiao Tian still introduced her as his lover in front of a pretty lady. "Hello Miss Qing Xiulan. I'm Liu Ning."

"Hello." after saying that, Qing Xiulan returned her attention to Xiao Tian. "It seems that young master Xiao's luck is very good. You even have a beautiful woman as your lover."

"It seems so." Xiao Tian smiled softly.

"All right. I won't disturb your time anymore." Qing Xiulan uttered, "Let's talk again next time."

"Yes." Xiao Tian responded as he nodded his head.

After that, Qing Xiulan and her bodyguards left.

When Xiao Tian noticed Liu Ning staring at him, he inquired, "What is it, Ning'er?"

Liu Ning said nothing and kept looking at him.

"If you want to know my relationship with her, I can tell you now." at this moment, Xiao Tian was sure that Liu Ning was curious about his relationship with Qing Xiulan. "We're just friends, no more than that."

"How did you know her?" Liu Ning asked curiously.

"Well, it's like this." Xiao Tian started telling her how he met Qing Xiulan.

He told her everything without hiding or lying to her. He also said that he had met Qing Xiulan's family when he was traveling to Beijing with Lan Ruoxi.

"I see." Liu Ning uttered, "It seems like her family knows you."

"What are you talking about? They only know lady Lan, not me." The reason why he could meet Qing Xiulan's family was that Qing Xiulan invited Lan Ruoxi to meet her family.

"She is so beautiful." Liu Ning said unconsciously.

"But in my eyes, you are prettier than her." as usual, Xiao Tian used his sweet words to make Liu Ning happy.

And his efforts were not in vain because after hearing his words, Liu Ning's face blossomed into a smile.

"My Ning'er is so pretty when smiling." Xiao Tian pinched her cheeks softly. "It makes me want to kiss you now."

"Not here. Other people will see us later." Xiao Tian had kissed her many times, so she didn't mind it if he wanted to do it again.

However, because there were many people around them, Liu Ning told him not to kiss her because she didn't want to be the center of attention again.

"Then let's quickly finish our meal and head back to the hotel so that I can kiss you." the reason why Xiao Tian said something like this was that he wanted to tease her.

"Pervert!" Liu Ning smiled softly.

After consuming their food, they returned to the hotel. At first, Xiao Tian wanted to talk with his other women, but when he saw Liu Ning making an expression as if she wanted to be alone with him and do adult things, he dragged her to his room.

Even though they didn't have sex, but they did lewd things like kissing passionately. Not only did Xiao Tian suck and lick her beautiful breasts, Liu Ning even gave him a blowjob and a titjob.

Liu Ning, who was lying face down, suddenly kissed Xiao Tian's forehead. Currently, she was only wearing a skirt.

Her T-shirt and bra were on the bed because she gave him a titjob earlier. As for Xiao Tian, he was only wearing shorts.

Suddenly Xiao Tian's smartphone rang. "Hello, Fei?"

"Little brother, are you done?" Shi Fei inquired.

Chapter 772 - Sweet Moment In The Hotel Room With Shi Fei

7-8 minutes

Shi Fei and the others knew that Xiao Tian did adult things with Liu Ning in his hotel room.

Of course, they knew this because they heard suspicious noises from inside his room when they were in front of his room.

When they found out it was the voices of Liu Ning and Xiao Tian, they knew that Xiao Tian and Liu Ning were doing something lewd in his hotel room.

"Yes." Xiao Tian answered, "Do you want to come to my room?"

"Yes." Shi Fei uttered, "We will head to your room now."

"I will open the door now." after saying that, Xiao Tian hung up the phone.

*knock...knock...knock...

"Little brother..." Shi Fei's voice could be heard from the opposite side of the door.

Without putting on his clothes, Xiao Tian got out of bed to open the door. They were his women, so he didn't mind it even if he only wore shorts because they had seen his naked body many times.

Unlike Xiao Tian, Liu Ning instantly wore her clothes. Sure, Shi Fei had seen her naked body many times, but Ye Qingyu and Ye Xueyin still hadn't seen her nude body.

Because Shi Fei wanted to tease Liu Ning, she walked towards her and asked, "Ning, what did you do with little brother earlier? Did you have sex with him?"

As she had expected, Liu Ning didn't answer and only stared at Xiao Tian.

Shi Fei then looked at Xiao Tian and inquired, "Little brother, did you have sex with Ning earlier?"

"No. We didn't have sex." Xiao Tian shook his head. "We only had passionate kisses and did other things."

Because they were his women, Xiao Tian gave an honest answer. In his view, there was no point in lying because they all knew that he had sex with all of them.

"Other things? Like what?" Shi Fei pretended not to know anything.

"Like blowjob and titjob." Xiao Tian answered. "I also sucked and licked her breasts earlier. Oh! I forgot that I also played with her vagina earlier."

'Hehe. This is your punishment for leaving me alone before, Ning'er.'

Xiao Tian glanced at Liu Ning for several seconds before returning his attention to Shi Fei.

Even though all of them were his women, Liu Ning still felt shy after hearing his remarks.

'Bully!'

Of course, she knew that he would give an honest answer because he never lied whenever his women asked him about something like that.

"I see. That's why your little brother is still standing mightily." Since Xiao Tian was wearing shorts, Shi Fei could see his erect penis through his shorts.

As usual, Xiao Tian didn't bother to cover it because he was not a shy person.

"Little brother, because you didn't have sex with Ning earlier, do you want to do it with me now?" after saying that, Shi Fei lifted the hem of her skirt, allowing Xiao Tian to see her sexy purple underwear.

Liu Ning and the others were shocked by her actions, but none of them said anything.

Even though Ye Qingyu and the others were staring at her, Shi Fei still behaved normally as if she was a slut who was horny and hadn't had sex in more than a month.

Instead of answering Shi Fei's question immediately, Xiao Tian pulled her towards him before making her sit on his lap. "It seems like I'm not the only pervert here."

Because his cock was erect, the tip of his penis hit Shi Fei's butt hole before his penis was pressed against her butt. "Little brother, if we were naked now, your big cock would have entered in my ass hole when you made me sit on your lap."

"Is that so?" Xiao Tian also had the same thought as her because he also felt it.

Ye Xueyin looked at Liu Ning and spoke, "Ning, how about we go out for a walk now?"

The reason why she invited Liu Ning to go out for a walk was that she wanted to let Xiao Tian and Shi Fei have some time alone because, from their behavior, she knew that they desired to have sex.

Even though Ye Xueyin didn't tell her directly what she wanted, Liu Ning could understand it. "All right."

Then Liu Ning, Ye Qingyu, and Ye Xueyin went to a place near the hotel. And like what they thought, Xiao Tian and Shi Fei immediately did adult things after they left.

Shi Fei instantly turned around and pushed him, causing Xiao Tian to fall onto the bed. Unlike usual, where she immediately kissed him passionately, this time she did something different.

Since his penis was already erect and her vagina was now pressing against his cock, Shi Fei placed her hands on his chest before moving her waist back and forth.

She knew that Xiao Tian was already aroused because he did adult things with Liu Ning before, but Shi Fei wanted to make him even more aroused.

"Hehe." As Shi Fei was trying to make him more aroused, she giggled seductively. "How about it, little brother? Does it feel good?"

Instead of answering, Xiao Tian pulled her towards him before kissing him passionately. Yes. What Shi Fei did indeed managed to make him even more aroused.

For this reason, his hands didn't stay still when they were having a passionate kiss. He lowered his shorts to his knees before sliding Shi Fei's underwear to the other side.

Shi Fei kissed him wildly when she found out that Xiao Tian was trying to thrust his huge cock into her vagina.

"HmMMM." Shi Fei widened her eyes for a second when a quarter of Xiao Tian's cock had entered her vagina.

Of course, Shi Fei did not stop the kiss. Actually, it was the moment she had been waiting for because when she saw his erect penis through his shorts, she immediately desired to have sex with him.

For this reason, Shi Fei started moving her waist up and down. Her kisses grew even lewder as Xiao Tian's cock moved in and out of her pussy.

Even though they were in the hotel room, they didn't show the slightest bit of care because many people had sex in the hotel, and his room was also a VIP room.

Not only did they get special treatment, but there was not much room around his room. And on either side of his room were his women's rooms, so it was pretty safe for them to have sex in his room.

*Slick...Slick...Slick...

The longer they had sex, the wetter her pussy had become. For this reason, every time Xiao Tian thrust his huge cock into her vagina, lewd sounds could be heard in their ears.

At this moment, Shi Fei suddenly broke the kiss. However, she didn't stop moving her waist. "Little brother, did you hear this lewd voice? It was the sound of your huge cock spreading my lewd pussy to the size of your penis."

"I didn't hear it." Xiao Tian pretended as if he heard nothing. "I only heard the moaning sound of a sexy lady."

After saying that, Xiao Tian placed his hands on her butt and moved his waist faster and faster.

"Ahh..." Shi Fei wailed in delight.

At this moment, what Shi Fei was doing was just wailing and moaning. Actually, she wanted to talk dirty with Xiao Tian again, but because he kept fucking her fast, she could only cry.

After several minutes, Shi Fei finally reached her limit. "Cumming...Cumming...Cumming... I'm cumming...."

Chapter 773 - Little Brother, My Neck Hurts

6-7 minutes

"Huft...Huft...Huft..." Shi Fei was breathing heavily, and her body was still quivering.

Of course, Xiao Tian's huge cock was still in her wet pussy because he wanted to continue having sex with her once she was ready for the second round.

Shi Fei kissed his lips before smiling, "As usual, you are amazing, little brother."

"Are you ready for the second round?" Xiao Tian inquired.

"Yes." Shi Fei answered, "Do you still want to fuck my pussy or my other hole? I'm yours so you can fuck all of my holes."

Lately, Xiao Tian often fucked her ass hole. That was why Shi Fei said something like that. She even didn't mind it if he wanted to fuck her little mouth and cum in it.

"Your vagina." Even though Xiao Tian also had the intention to fuck her ass hole, but he still was not satisfied fucking her wet pussy.

"Hmmm..." Shi Fei shut her eyes and wailed in delight when Xiao Tian's cock slowly came out of her vagina.

Since they wanted to continue having sex, Shi Fei started to take off her clothes so that it would be much easier for them to have sex.

Like Shi Fei, Xiao Tian also took off his shorts. After that, he positioned Shi Fei so that he could fuck her from behind. Yes, he wanted to have sex in doggy style.

Shi Fei, who was looking at Xiao Tian, spread her vagina widely with both of her hands. "I'm ready, little brother."

Without waiting for another second, Xiao Tian positioned his huge penis at the entrance of her vagina before thrusting his cock into her wet pussy.

"Ahh..." even though Shi Fei had tried her best not to cry, she still wailed in delight when Xiao Tian's penis was spreading her vagina widely.

Soon, Xiao Tian's room was filled with Shi Fei's seductive moans. Finally, after having sex for about an hour, Xiao Tian and Shi Fei stopped.

"Huft...Huft...Huft..." both of them were breathing heavily.

"Little brother, now that you can have sex with four women at the same time, will you really be able to satisfy us in bed later?" it was not like Shi Fei was underestimating Xiao Tian, but satisfying four women at the same time was extremely difficult to achieve.

Maybe out of ten men, only one man could do it. Sure, Xiao Tian had a lot of stamina, but she still was not sure if he could satisfy them later.

"I can." Even though Xiao Tian himself was not sure he could do that, he still behaved as if it was an easy thing to accomplish.

"Hehe. You look so confident about it." Shi Fei suddenly wanted to have an orgy so that she would know whether Xiao Tian was telling the truth or not.

Xiao Tian got off the bed and sat on the couch in the living room. The sofa was next to the bed, and there was no separation between the living room and bedroom, so Shi Fei could see what Xiao Tian was doing.

Because Xiao Tian wanted to relax, he turned on the TV. "You will know about it later."

As Xiao Tian was watching TV, he consumed the grapes on the table in front of him.

Shi Fei then sat down next to him and spoke, "Don't tell me. The reason why you practice martial arts is that you want to improve your stamina so that you can have sex with a lot of women at the same time. Hehe."

"Oh! So you finally noticed it, huh?" Xiao Tian pretended as if what she said was true. "One of my dreams is to have a harem. That's why I have to increase my stamina."

"Of course. Hehe." Shi Fei giggled happily.

"Fei..." Xiao Tian didn't finish his words, but he pointed his right index finger at his cock.

Even though Xiao Tian didn't say directly what he wanted, Shi Fei could understand it easily. Without waiting for another second, Shi Fei sat down between Xiao Tian's legs before grabbing his soft cock.

Before giving him a blowjob, Shi Fei raised her head to look at Xiao Tian's face. "You have fucked my vagina and ass hole. Is now the time to fuck my mouth?"

Xiao Tian grabbed her by the chin and answered, "That's right. Didn't you say I could fuck all of your holes?"

"Hehe. It seems like I'll be drinking a lot of sperm tonight." Shi Fei responded. "This makes me excited."

"If so then you have to give me pleasure." After saying that, Xiao Tian pinched her nose gently.

Because she wanted to lick his cock, Shi Fei didn't say anything anymore; instead, she grabbed Xiao Tian's soft cock with her left hand before sticking out her soft pink tongue.

Maybe because Xiao Tian's penis was still sensitive or perhaps because it was one of the most sensitive areas of his cock, when Shi Fei suddenly licked the tip of his penis, he felt as if electricity was running through his body.

Because Shi Fei had given him blowjobs many times, her skills had improved significantly. As a result, she could make his soft penis erect in no time.

Xiao Tian then took grapes and consumed them. "It's been a long time since I did this. Watching a movie and eating grapes while getting a blowjob is one of the best things in life."

Shi Fei stopped what she was doing and looked at Xiao Tian. When she saw his happy expression, she was delighted and gave him a blowjob again.

Maybe because they had sex earlier, or perhaps because Xiao Tian was so good at holding it back, no matter how long she gave him a blowjob, Xiao Tian still hadn't reached his limit.

It had been more than fifteen minutes, but there was no sign that he would cum soon. Shi Fei's neck was already hurt, so she stopped giving him a blowjob.

Xiao Tian shifted his gaze from the TV to her when Shi Fei suddenly stopped giving him a blowjob. He wanted to know why she wasn't sucking his cock anymore.

"Little brother, my neck hurts." Shi Fei uttered,

Xiao Tian smiled and tapped his thighs. "Come here and sit on my lap."

Chapter 774 - I Can Feel It

7-8 minutes

Shi Fei instantly rose to her feet. Because Xiao Tian wanted her to sit on his lap, Shi Fei positioned her pussy right above his erect cock.

Of course, she knew that he wanted her to sit on his lap with his huge cock in her cunt because it was one of the things that guys liked the most.

"Hmmm...Ahhh..." she was sitting on his lap with her back facing him.

Shi Fei tilted her head back before letting out a seductive moan.

'I'm cumming....'

She gritted her teeth and half-closed her eyes.

Xiao Tian was startled when he found out that she had just had an orgasm.

'Eh?'

Because they just finished having sex, he thought Shi Fei would not have an orgasm quickly, but he was wrong.

Actually, Shi Fei was already aroused when she was giving him a blowjob. The lust within her grew bigger when she smelled his cock.

For this reason, she also played with her pussy when she was giving him pleasure. Because the flames of lust had consumed her body, she immediately had a massive orgasm when Xiao Tian's penis had entered her vagina entirely.

"Huft... I have an orgasm again, little brother." Shi Fei spoke as she saw her nectar on the table and floor.

She didn't behave shyly; instead, she wore a happy expression because she could have a massive orgasm.

"And a massive orgasm on top of that." Xiao Tian then pointed his right index finger at the grapes. "Look, even some of your nectar fell on the grapes."

Instead of feeling ashamed, Shi Fei giggled happily. "Hehe. You are right. Almost half of the grapes are wet from my nectar."

"Who will eat the grapes now?" Xiao Tian pinched her cheeks softly.

"You." Shi Fei answered instantly. "Little brother, you have drunk my love juice many times, so you have no problem eating those grapes, right?"

"What?! You want me to eat those grapes?!" after saying that, Xiao Tian took a grape that contained her love juices. "How about you taste it yourself?"

At first, Xiao Tian thought Shi Fei would make an excuse, but he was wrong because she ate it without a second thought.

"Delicious! My nectar is so tasty." Because Shi Fei wanted Xiao Tian to consume it too, she fed him a grape. "Here, have a taste."

Like what she had said, Xiao Tian had drunk her love juices many times, so he had no problem eating a grape that contained her nectar. "You are right. It tastes good."

Because Xiao Tian wanted to enjoy Shi Fei's body, he played with her breasts as he watched TV.

Shi Fei couldn't help but giggle when Xiao Tian kept squeezing her breasts or playing with her nipples. "Little brother, it seems like you love my breasts so much."

"That's right." Xiao Tian admitted it. "You really have a great body, Fei. Your slim waist, flat stomach and the size of your breasts, everything about your body is perfect. Sometimes I wonder how you can have a perfect body like this?"

"Because I want you to be proud of me." Shi Fei lied to him.

Xiao Tian then touched Shi Fei's soft vagina and spoke, "Not only your body, even your pussy is amazing."

Shi Fei could not help but be happy when Xiao Tian kept praising her. For this reason, she kissed his left cheek and smiled. "Your cock is also amazing. It never fails to satisfy me in bed."

"Then we are an amazing couple." Like before, Xiao Tian was playing with Shi Fei's breasts.

It was as if Xiao Tian had never played with a woman's breasts before.

'Her breasts are really beautiful.'

Xiao Tian was always amazed by her breasts every time he saw them.

"Little brother, do you realize that you look like a pervert young man who has never seen a woman before?" Shi Fei spoke while looking at Xiao Tian's hands that were squeezing her breasts.

"Is that so?" of course, Xiao Tian did realize that he was behaving like a pervert, but he didn't show the slightest care about it.

"Yes." Shi Fei nodded her head.

"Well, I don't care about it because my lover is so perfect so there is no way I can hold back myself when I'm with my sexy lover." Xiao Tian didn't forget to praise Shi Fei in his answer.

"You really know how to answer everything, don't you?" at this moment, Shi Fei suddenly realized that Xiao Tian's cock was getting bigger. "Your penis is getting bigger again. Hehe."

At this time, Shi Fei thought Xiao Tian would tease her, but she was wrong. She was utterly wrong because he did something she really liked.

He turned her body to face him and began to move her body up and down.

"Ahhh..." Shi Fei let out a seductive moan.

Actually, she had guessed that they would end up having sex again because Xiao Tian was someone who loved sex so much.

"Ah...Ah...Ah..." because Shi Fei also desired to have sex with him, she began to move her body up and down.

'It feels good.'

Shi Fei placed her hands on his shoulders and began to move her body faster and faster.

At this moment, Xiao Tian did nothing. He only sat on the sofa and stared at her body.

At first, Xiao Tian only looked at her beautiful breasts, but his gaze slowly moved down to her flat stomach before finally landing on his cock that was in and out of Shi Fei's wet pussy.

Xiao Tian shifted his gaze to her face when Shi Fei suddenly stopped moving her body. When he saw the expression on her face, he knew that she wanted a kiss.

Like before, Xiao Tian squeezed her breasts when they were having a deep kiss. He even pinched her nipples a little hard.

Instead of feeling pain, Shi Fei wailed in delight. It was as if whatever Xiao Tian did to her body would always bring pleasure.

"Ah...Ah..." Shi Fei broke the kiss and started to moan.

Unlike before, this time, Xiao Tian moved her body up and down as they were kissing. Because Shi Fei's vagina was very wet, the sound of his cock spreading her pussy could be heard in their ears.

Not only that, some of her love juices even fell to his thighs. However, Xiao Tian didn't care about it and kept fucking her.

Time went by quickly, and without realizing it, it had been more than forty minutes since they had sex.

At this moment, Xiao Tian finally reached his limit. "Fei, I'm about to cum."

Shi Fei moved her body up and down faster when she found out that Xiao Tian was about to cum. It was her safe day, so she wanted him to let out his white sperm deep in her vagina.

When she saw him gritting his teeth, she tried her best to move her body as fast as possible. "Little brother, don't hold back. Let it out. Let it out deep in my slutty pussy."

Xiao Tian finally could not hold back anymore after hearing her words. "I'm cumming...."

"Ah..." Shi Fei let out a seductive moan when she felt his sperm deep inside her vagina. "Ahhh... I can feel it. I can feel your sperm in my pussy, little brother."

Xiao Tian said nothing and only wrapped his arms around her waist.

'It feels good.'

Chapter 775 - Giving Shi Fei A Lot Of Hickeys

7-8 minutes

Shi Fei instantly tilted her head back and shut her eyes when Xiao Tian suddenly kissed her neck hard.

'Little brother wants to give me a hickey.'

Actually, his actions much surprised her.

It was rare for Xiao Tian to suddenly give her a hickey after sex. The last time he gave a hickey was a few months ago, so this made Shi Fei happy because she felt as if he was marking her as his belonging.

After giving her a hickey, Xiao Tian raised his head to look at her face. And as if they could communicate through their eyes, they instantly brought their faces closer to each other before finally having a deep kiss.

This time, they had a passionate kiss much longer than usual. It was as if this would be their last deep kiss.

Shi Fei instantly grabbed a few pieces of tissue after pulling his cock out of her vagina. "Little brother, you have had orgasm several times but you still have lots of sperm. Amazing."

Shi Fei was currently cleaning Xiao Tian's sperm that was in her pussy with a piece of tissue.

"Then, I will show you something even more amazing." After saying that, Xiao Tian pushed her, causing Shi Fei to fall onto the sofa.

"You want to do it again?" Shi Fei said in surprise.

"Didn't I say I would show you something even more amazing." Xiao Tian felt aroused again after seeing her clean her vagina.

Soon the room was filled with her moans again.

"One...two...three...four...twelve." Shi Fei finished counting the number of hickeys she had on her body.

"Little brother, what's wrong with you today? Why did you give me so many hickeys?"

Currently, Shi Fei was standing in front of the full-body mirror. After having sex with Xiao Tian for forty minutes, they decided to stop.

She knew that he loved sex so much, so she could understand why they had sex for many hours before.

But what she could not understand was why he suddenly gave so many hickeys to her body?

"It's because I want everyone to know that you are mine." After saying that, he carried her in a princess style and headed to the bathroom.

"If so, then you should have given me more hickeys in places everyone can see." Shi Fei was not surprised when Xiao Tian suddenly carried her.

"I will do that one day." after they stepped into the restroom, he put her down.

This time, they didn't have sex in the bathroom because they just had sex earlier. After bathing, they returned to the bedroom.

"Fei, let's sleep. I'm sleepy now." even though it was still 08:20 pm, Xiao Tian was already sleepy.

"Do you want us to sleep naked or with clothes on?" Shi Fei inquired.

Xiao Tian touched his chin and began to think about it. After thinking for several seconds, he responded, "Let's sleep naked."

Xiao Tian was too lazy to wear clothes, so he wanted them to sleep naked.

"All right." They had slept naked many times, so Shi Fei was fine with it.

After Xiao Tian laid down on the bed, Shi Fei lay face down on top of him. Xiao Tian smiled softly before kissing her hair.

"Little brother, do you want to sleep with your cock inside my pussy?" Shi Fei inquired.

"Didn't you say your vagina hurts?" Xiao Tian was startled after hearing her words.

"Yes. it's still sore." Shi Fei gave an honest answer.

"If so, then let's do that next time." Xiao Tian had no intention of sleeping with his cock in her vagina, so he was fine with it.

"All right." Shi Fei nodded her head.

Then they slept.

The following morning, Shi Fei woke up at 05:30 am. At this moment, Xiao Tian was still sleeping.

'It seems like he is having a good dream.'

Shi Fei's face blossomed into a smile when she saw his sleeping face.

'My pussy is still sore.'

Shi Fei felt a little pain when she moved her legs.

'Well, it can't be helped because we had a lot of sex last night.'

She then kissed his left cheeks before placing her head on his chest again.

'Because I don't need to cook breakfast, I will go back to sleep.'

With that idea in mind, she shut her eyes.

At 06:05 am, Shi Fei opened her eyes. A soft smile spread across her face when she was welcomed by Xiao Tian's smile after waking up.

"Good morning, my sexy lover." Xiao Tian spoke as he smiled.

Shi Fei gave a peck on his lips before replying, "Good morning, my handsome boyfriend."

Shi Fei was startled when Xiao Tian suddenly put her on the bed. Usually, they would stay in the same position for a few minutes before getting out of bed.

To her surprise, Xiao Tian suddenly carried her to the bathroom. "Let's take a shower now. After that, we will have breakfast."

Because all they did last night was having sex, Xiao Tian was starving.

*Cruuck...

Xiao Tian and Shi Fei exchanged a glance with each other before laughing. "Haha."

"I'm hungry too." Shi Fei uttered, "It seems like I will eat a lot later."

"If so, then we will order a lot of delicious food later." Xiao Tian had the intention of ordering a lot of delicious food later because he felt like he would also eat a lot later.

Shi Fei kissed his left cheek and smiled, "I love you, little brother."

After bathing, Xiao Tian headed to his women's rooms to invite them to have breakfast together. Then they traveled to a famous restaurant and ate a lot of delicious food.

"Ahh. I'm full." Xiao Tian spoke abruptly. "So, where should we go today?"

"Mother, Qingyu, and Ning had discussed it last night and we decided that we wanted to visit these places." Ye Xueyin gave Xiao Tian a list of the places they wanted to visit. "Tomorrow, we will return to Shanghai so we want to visit these places before going home."

The corner of Xiao Tian's lips twitched when he saw the list of the places they wanted to visit.

'So many!'

There were seven places they wanted to visit, and all of them were famous places. It was a place where everyone would visit when they came to Beijing.

Because Xiao Tian wanted to make his mother and the others happy, he decided to grant their wish.

"Alright. Since you have many places you want to visit, let's go now."

"Yay." Ye Xueyin smiled happily.

Even though Liu Ning and the others knew that Xiao Tian would not refuse their wish, they were still delighted after hearing his words.

After Xiao Tian paid the bill, they traveled to the places that Ye Xueyin and the others wanted to visit. Because the scenery in those places was so stunning, they took a lot of photos.

For this reason, it was already 04:00 pm when they finished visiting the fifth place.

'Next place is the beach, huh?'

Xiao Tian was excited when he remembered that they were going to the beach. Sure, they had gone to the beach many times, but he was never bored because he could spend time with his women.

'This will be one of the good memories in Beijing later.'

Chapter 776 - He Left A Lot Of Hickeys On Me Last Night

6-7 minutes

After they arrived at the beach, Ye Xueyin and the others ran towards the water while laughing happily. "Haha."

Since they knew that Xiao Tian didn't like other men seeing them in bikinis, they wore jackets. But, of course, underneath the jackets, they were wearing bikinis.

They didn't look for a quiet place; instead, they went straight into the water. However, the distance between them and the others was quite far, around fifteen meters.

Xiao Tian smiled softly when he saw his mother playing with water. He dashed towards Liu Ning and embraced her from behind when she was about to take off her jacket. "Ning'er, what are you doing?"

"I want to play water so I want to take off my jacket." Liu Ning gave an honest answer.

"Can you not do that?" Xiao Tian didn't want other men to see his women in bikinis because their bodies could only be seen by him.

Of course, he knew that he was selfish, but he really didn't want other men to see their perfect bodies.

"But my jacket will be wet if I don't take it off." Liu Ning knew that Xiao Tian didn't want any man to see their bodies, but she really wanted to take off her jacket.

"Tian, can you let us take off our jackets and just wear our bikinis here?" Ye Xueyin also wanted to take off her jacket.

"Yes. We want to wear only bikini here." Ye Qingyu added.

Xiao Tian could only sigh. However, he could not help but accept it because they would get angry if he kept forbidding them to take off their jackets.

"Fine." Xiao Tian relented. "But don't go to crowded places and just stay in this area."

Ye Qingyu and the others smiled happily before taking off their jackets. They also kissed Xiao Tian's cheeks before running towards the water.

"Huft. It's hard to say 'no' to them." Xiao Tian sat on the sand.

'Hmm?'

Xiao Tian was startled when he saw Shi Fei still wearing her jacket. He thought she had taken off her jacket too.

After Shi Fei sat next to him, she inquired, "What are you thinking about, little brother?"

Instead of answering her question, Xiao Tian asked, "Why are you here? Why don't you play water with them?"

"I'm afraid that you will be lonely so I want to accompany you." if usually, it was something Xiao Tian always said to her, this time it was her turn to say it to him.

Xiao Tian kissed her cheeks before answering. "My lover understands me so well."

Shi Fei smiled happily after being kissed by Xiao Tian. As she was talking happily with Xiao Tian, Liu Ning and the others walked towards her.

"Fei, let's play water together." Ye Xueyin grabbed Shi Fei's hands before pulling her up.

"All right." Even though Shi Fei still wanted to talk to Xiao Tian, she accepted it.

Playing water together could strengthen their relationship as sisters, so she accepted it without thinking twice.

When Liu Ning saw Shi Fei still wearing a jacket, she immediately spoke, "Big sister Fei, why are you still wearing a jacket? Just take it off or else, your jacket will get wet later."

"That's right." Ye Qingyu added. "Just take it off."

"But little brother left a lot of hickeys on me last night." Actually, she didn't care about it, but Xiao Tian wanted her to cover it up. "He lost himself in lust last night and as a result, he gave me a lot of hickeys."

Shi Fei did not feel embarrassed when she told them the truth. Xiao Tian only told her to cover the hickeys on her body, not hide it.

Ye Qingyu and the others instantly stared at Xiao Tian. Of course, they knew that Xiao Tian and Shi Fei had sex last night, but they didn't expect him to do that.

Not only did he leave a hickey on Shi Fei's body, but he even gave her a lot of hickeys. And since Shi Fei was still wearing her jacket, they were sure that the hickeys were in places everyone could see.

Xiao Tian smiled awkwardly when his women were staring at him. "Well, she was so amazing last night, so...."

Xiao Tian could not finish his words because he did lose himself in lust. That was why he left a lot of hickeys on Shi Fei's body.

Because Shi Fei suddenly wanted to tease Xiao Tian, she took off her jacket and threw it towards him.

After that, she showed all the hickeys that were on her body to Liu Ning and the others. "See? These are all the hickeys he gave me last night. He really looked like a beast last night. I couldn't stop him and almost fainted because of that. Hehe."

After saying that, Shi Fei glanced at Xiao Tian.

Xiao Tian's lips twitched after seeing her actions.

'It seems like this bad lady wants to get punished.'

Actually, he had guessed that she would do something like that because he knew her personality very well.

"One...Two...Three...Seven." Ye Xueyin counted the number of hickeys on Shi Fei's body.

"Not, seven, but twelve hickeys." Shi Fei corrected it. "Five more hickeys are on my breasts."

"Twelve hickeys?" Ye Qingyu and the others said in surprise.

"What a beast!" Ye Qingyu uttered,

Even though Liu Ning didn't say anything, but she nodded her head, giving a sign that she agreed with Ye Qingyu's words.

At this moment, Ye Xueyin said something unexpected. "Tian, mother wants a hickey too. Give me a hickey now."

"What are you saying, big sis?" Ye Qingyu stopped Ye Xueyin, who was trying to run towards Xiao Tian, by hugging her from behind.

"Qingyu, I want a hickey too." Ye Xueyin voiced out her feelings.

"Haha." Xiao Tian laughed. "Sure. I will give you a hickey later."

Shi Fei giggled after seeing Ye Xueyin's behavior. After that, Shi Fei and the others played water.

Even though there were many hickeys on her body, she didn't show the slightest care about it because Xiao Tian said nothing to her.

Because Xiao Tian also wanted to enjoy himself, he decided to play water with them.

Chapter 777 - Little Xue, I Have Something For You

6-7 minutes

After playing water for several minutes, Xiao Tian and the others stopped and sat on the sand. It was time for the sun to set, so they wanted to enjoy the beautiful scenery in front of them.

As usual, they took a lot of pictures again. It was their first time going to Beijing together, so they wanted to create lots of memories.

And with them taking a lot of photos, they could recall it in the future or show the pictures to their children later.

Because there were still several places they wanted to visit, they returned to the hotel to take a shower. After that, they left again.

Like before, they took a lot of photos again. They were thrilled to the point they wanted that moment to last forever.

Not only that, but Xiao Tian could also tell that Liu Ning was getting closer to his mother and aunt.

Since it was their last day in Beijing, they were out until 11:40 pm. That night, they didn't have sex because they had to go back to Shanghai tomorrow.

The following morning, they returned to Shanghai at 11:00 am. After arriving home, Xiao Tian and the others relaxed in the family room.

At 03:00 pm, Xiao Tian went to Lin Xing Xue's house to give souvenirs.

*Knock...Knock...Knock...

Not long after Xiao Tian knocked on the door, Lin Xing Xue opened the door. "Tian?"

She was startled when she saw Xiao Tian. She thought Xiao Tian was still in Beijing. Actually, she was sad when she learned that Xiao Tian went to Beijing with Shi Fei and the others without telling her.

She was feeling down because he didn't invite her. But after remembering that they had broken up, she could not do anything about it.

"Little Xue, I have something for you." Xiao Tian gave her the souvenirs.

"Come in." Lin Xing Xue smiled softly as she accepted the souvenirs.

'He still remembers me.'

The sadness in her heart suddenly disappeared without a trace.

After Xiao Tian sat on the couch, Lin Xing Xue spoke, "Please wait. I will make tea first."

Xiao Tian only smiled and nodded his head.

Lin Xing Xue's face broke into a smile when she put the souvenirs in the family room. After giving tea to Xiao Tian, they chatted for several minutes.

They talked about many things. Xiao Tian also told her a little about his vacation to Beijing with Shi Fei and the others.

"Little Xue, how about we go to Shanghai River now?" since Xiao Tian didn't invite her to Beijing, he wanted to make up for it.

"Un." Lin Xing Xue nodded her head.

She agreed to go to Shanghai River with Xiao Tian without thinking twice. Even though she had tried her best to hide the happiness she was feeling, Xiao Tian could still tell.

"Good!" Xiao Tian grabbed her hands before rising to his feet and looking at her. "Let's go now."

"Wait. Let me change my clothes first." Lin Xing Xue would go to Shanghai River with Xiao Tian, so she wanted to look pretty.

Xiao Tian was a successful and attractive young man, so she didn't want other people to think that she was not suitable to hang out with him.

She knew that Xiao Tian would not care about what she was wearing, but she was sure others would care about it.

"All right." Actually, Xiao Tian wanted to tell her not to change her clothes because he was sure it would take her a long time to prepare herself.

However, he suddenly remembered that all women always wanted to look beautiful when going out.

"Don't worry. It won't take long." Even though Xiao Tian didn't say it directly, Lin Xing Xue knew what he had in mind.

She just wanted to change her clothes and put on light makeup because she also desired to spend time with him.

Maybe her desire to spend time together was much bigger than Xiao Tian's desire.

"Un." Xiao Tian smiled softly.

Without waiting for another second, Lin Xing Xue headed to her room. And like what she just said, it only took her less than five minutes to prepare herself.

Then they traveled to the Shanghai River.

"By the way, where is Feng Yu? I didn't see her earlier." Previously, he forgot about Feng Yu. That was why he asked that question now.

"She is at a friend's house." Lin Xing Xue gave an honest answer.

"I see." Xiao Tian responded as he nodded his head.

'Wow! it seems like the world is going to end soon.'

Xiao Tian found it hard to believe what he was hearing.

In his eyes, Feng Yu did not have a good personality, so he was startled when he learned that Feng Yu had friends.

*Bruakk...

Because Xiao Tian was focused on talking to Lin Xing Xue, he didn't pay attention to the road, and as a result, he bumped into someone.

"Aghh." A young woman's voice could be heard in his ears.

Luckily, she didn't fall to the ground.

Xiao Tian instantly stopped his footsteps and spoke, "Lady, are you alright?"

In front of him, a young lady about twenty-six years old was grabbing her left shoulder with her right hand.

"I'm fine." After saying that, the young woman walked away.

"Hey..." Xiao Tian raised his right arm forwards and tried to stop her, but she ignored him and kept walking away.

*Sigh.

Xiao Tian could only sigh.

'Well, she looks fine.'

Xiao Tian then returned his attention to Lin Xing Xue.

"Do you know her?" Lin Xing Xue inquired.

"No." Xiao Tian answered as he shook his head. "I just wanted to know whether she was fine or not earlier."

Then Xiao Tian and Lin Xing Xue walked again. They spent time at the Shanghai River for about two hours.

Because it was already 05:50 pm, Xiao Tian sent her home. He didn't want Feng Yu to be alone at home because it was dangerous for her.

After driving for several minutes, they finally arrived at her home.

"We have arrived." Xiao Tian uttered,

"Do you want to come in?" Lin Xing Xue inquired.

"Sorry. I have to go home now." Xiao Tian responded.

"Alright." Even though Lin Xing Xue was a little disappointed, she could not do anything about it.

Then Xiao Tian went home.

Chapter 778 - Meeting That Lady Again

6-7 minutes

After arriving home, Xiao Tian spent time with his women in the family room. They talked until 10:30 pm before finally going to their rooms.

Unlike usual, that night, Xiao Tian didn't sleep in his room or Shi Fei's bedroom or Liu Ning's room; he slept in Ye Xueyin's room.

Even though both of them desired to have sex, but they decided not to do that because they were sure that Ye Xueyin would not be able to hold back her moan later.

Liu Ning was still not ready to hear her moan. That was why they chose to have sex tomorrow. But as an exchange, they decided to sleep naked.

"Tian, you had sex with Shi Fei many times lately. You even still had sex with her when we traveled to Beijing. Mother wants to have a lot of sex with you tomorrow. You can't refuse. Do you understand?" it had been several days since they last had sex, so she really wanted to do it.

She admitted that she was jealous of Liu Ning and Shi Fei because not only did Xiao Tian spend a lot of time with them lately, but he also always had sex with them.

When they were still living in their old house, they often had sex. They even almost did it every day. That was why having sex with him was almost like a drug for her now.

"I promise." Xiao Tian understood her feelings, so he could not refuse her wish.

Ye Xueyin then lay face down on top of his body and smiled. "Good. Let's have a lot of sex tomorrow. Let's do it until we can't walk anymore."

The corner of his lips twitched after hearing her words.

'It seems like she really desires to have sex with me.'

Xiao Tian spoke in his mind.

Xiao Tian then kissed her hair and smiled. "Let's sleep now."

"Un." Ye Xueyin nodded her head.

The following morning, Xiao Tian went to Eternal Beauty Company after having breakfast with his women.

Because he had promised that he would have sex with Ye Xueyin later, he only worked for two hours before traveling to the Star Restaurant to pick her up.

Ye Xueyin was thrilled when Xiao Tian kept his promise. Without waiting for another second, they traveled to his apartment.

They had sex from 10:00 am to 03:00 pm. Yes. Because Ye Xueyin said that she wanted them to have sex until they could not walk anymore, he decided to fuck her for five hours straight.

They only stopped when it was lunch time. They even didn't finish their food because Xiao Tian decided to fuck her in the middle of eating their food.

"Tian, it seems like mother really can't walk now." even though she felt pain in her pussy, Ye Xueyin was delighted.

"What is this? Are you complaining now? Didn't you say you wanted us to have sex until we couldn't walk anymore?" actually, Xiao Tian also felt pain in his cock, but he could endure it.

'Well, I had sex with her for five hours straight so it's normal if I feel pain in my cock now.'

Of course, Xiao Tian would not say it because it was related to his good image.

"Aghh." When Ye Xueyin tried to get out of bed, she felt immense pain in her vagina. As a result, she gave up and continued to lie in bed.

"What is it, mother?" Xiao Tian inquired, "Why do you want to get out of bed?"

"Mother is thirsty." They had sex for a few hours, and it drained all of her energy, so she was thirsty.

Because Xiao Tian knew that she could not walk, he got out of bed and uttered, "I'll bring you some water now."

However, when Xiao Tian was about to walk out of his room, Ye Xueyin suddenly changed her mind.

"Tian, mother suddenly wants to drink juice. Can you buy it?"

"Juice?" Xiao Tian was startled by her words.

"Yes. Juice." Ye Xueyin answered as she nodded her head. "Mother wants grapes juice, apple juice and avocado juice."

Xiao Tian was speechless. He was already startled when Ye Xueyin suddenly wanted to drink juice after sex because she had never done it before. But what surprised him most was that she wanted to drink three juices at once.

"Tian, why are you still standing there? Can you buy it quickly?" Ye Xueyin really wanted to drink juice, so she wanted him to buy it immediately.

"A...alright." Because Xiao Tian had to buy it at the juice shop, he put on his clothes.

'Just why does she suddenly want to drink juice?'

Xiao Tian asked in his head.

After putting on his clothes and kissing her forehead, Xiao Tian spoke, "Wait here. I will be back soon."

"Un." Ye Xueyin nodded her head.

Then Xiao Tian went to the juice shop.

"Order number 189 with the name Mr. Xiao Tian." the waiter spoke, signaling that Xiao Tian's orders were ready.

Xiao Tian, who was sitting on the chair, rose to his feet to take his orders. Previously, he ordered grape juice, apple juice, avocado juice, and blueberry juice.

Because his mother wanted to drink juice, he also bought one for him.

"Thank you for buying in our shop." The waiter smiled as he gave the juices to Xiao Tian.

Xiao Tian didn't reply and only smiled. However, when Xiao Tian was about to walk out of the shop, someone bumped into him, causing the juices to fall to the floor.

*Bang....

The juices were in a mess and undrinkable anymore. But because the juices were wrapped in plastic, it didn't wet the floor.

"I'm sorry." The person who had just bumped into Xiao Tian immediately apologized. "I will pay for it."

Xiao Tian was unhappy by this. His mother wanted the juices as soon as possible, but now he had to order them again.

The expression of deep shock blossomed on his face when he saw the person who had just bumped into him.

'It's her?!'

Yes, she was the lady who bumped into him yesterday when he went to Shanghai River with Lin Xing Xue.

"It's you?!" the lady was also startled when she saw Xiao Tian.

Chapter 779 - What A Beast!

7-8 minutes

Not only did they meet two days in a row, but the way they met was also the same; bump into each other.

At first, Xiao Tian was unhappy, but after finding out the person who had just bumped into him was the same lady he met yesterday, he decided to hold back his anger.

Yesterday, he was the wrong one, so he could not get angry at her even though now she was the one who bumped into him.

'Never mind.'

At this moment, Xiao Tian still didn't say anything.

Because she wanted to take responsibility, she grabbed Xiao Tian's right hand and dragged him to the waiter.

She looked at Xiao Tian and inquired, "What juice did you buy earlier?"

"Grape juice, apple juice, avocado juice and blueberry juice." Because she wanted to take responsibility, Xiao Tian gave an honest answer.

She then looked at the waiter and spoke, "Please give me those juices and add strawberry juice for me."

"All right." The waiter answered.

As they were waiting, none of them said anything. This left Xiao Tian dumbfounded because something like this had never happened before.

'What is this?'

Xiao Tian was an attractive and successful young man. Wherever he went, many women always said 'kya' or praised his good looks.

But the lady next to him didn't do any of that. She even behaved as if he was air. This made him curious about her, and as a result, he glanced at her several times.

Of course, she knew that Xiao Tian kept glancing at her, but she didn't show the slightest care about it.

Sure, he was an attractive young man or the most handsome young man she had ever met, but so what.

After his orders were ready, Xiao Tian went straight to his apartment. Even though he was still curious about that lady, he decided to leave because his mother was waiting for him.

*Click...

After Xiao Tian closed the door, he headed to his room. Because his mother could not walk, he knew that she was still in his room.

And what he had guessed was right because when he stepped into his room, he saw her lying down on the bed. "Mother, I brought the juice you wanted."

"Yay. Agh." Ye Xueyin felt pain in her vagina when she tried to sit up. "Tian, it hurts."

Tears flooded her eyes. Because she could not drink the juice while lying down on the bed, he helped her sit up.

Xiao Tian put all the juices on the table next to the bed and inquired, "What juice would you like to drink now?"

"Grape juice." Ye Xueyin answered instantly.

Xiao Tian took grape juice and helped her drink it. However, instead of drinking it immediately, Ye Xueyin pouted her lips, giving him a sign to kiss her lips first.

Xiao Tian smiled gently before giving her a peck on the lips. "Drink this first, so you can walk again later."

'Wait. Can juice help someone recover faster?'

Xiao Tian had no idea whether drinking juice could help Ye Xueyin recover faster or not.

'Well, it's a healthy fruit juice so I'm sure it's good for her body.'

Xiao Tian, who knew nothing about it, just assumed that fruit juice was good for the body.

As Ye Xueyin was drinking her juice, she stared at Xiao Tian. She suddenly stopped drinking it and spoke, "Do you want to taste it?"

"No. Just drink it." Xiao Tian patted her head gently. "I also bought one for me but I will drink it later."

"All right." As soon as Ye Xueyin finished drinking the grape juice, she immediately drank the avocado juice.

Xiao Tian was startled because she finished it quickly. "Do you want to drink the apple juice now?"

"No." Ye Xueyin shook her head. "Because you still haven't drunk your juice."

The reason why Ye Xueyin didn't drink the apple juice right away was that she wanted to drink it with Xiao Tian.

Wuzo Town, The Chao Family Home.

"Mr. Chao, I have been investigating it carefully over the past few days and I dare say that the mastermind behind everything is this person." A mature man about thirty-five years old put a photo on the table.

Yes. He was Bing, a detective who Chao Ming Hai hired to investigate the case of the disappearance of his sons.

Chao Ming Hai took the picture and spoke, "Him? Are you sure?"

"Yes. 100 percent." Bing said with confidence in his eyes.

Chao Ming Hai instantly squeezed the photo in his right hand, and a terrifying light suddenly flashed across his eyes.

'Xiao Tian.'

"Mother, can you walk now?" Xiao Tian inquired.

"I...I don't know." Ye Xueyin instantly got out of bed.

However, when she tried to walk, she suddenly fell to the floor.

'It hurts!'

Maybe because she was already thirty-six years old, or perhaps the pain she felt was so great, Ye Xueyin couldn't even take a step.

"Mother..." Xiao Tian's face turned worried when his mother suddenly fell to the floor. "Are you alright?"

After helping her stand up, Xiao Tian put her on the bed again. He didn't want anything bad to happen to her, so he would not allow her to walk until she fully recovered.

"How about you sleep here today?" because she still could not walk, Xiao Tian was sure she felt immense pain.

He suddenly felt guilty. If he knew something like this would happen, he wouldn't have fucked her five hours straight.

"No." Ye Xueyin refused instantly. "I don't want to sleep alone."

She would feel lonely if she slept in his apartment alone. Liu Ning and Shi Fei knew that she was his lover, so she was fine if they found out about her condition.

Actually, Xiao Tian had guessed that Ye Xueyin would refuse because she hated being alone. So Xiao Tian took his smartphone out of his pocket and called Shi Fei.

"Hallo?" Shi Fei spoke after picking up the phone.

"Fei, tell my aunt and Ning'er that my mother and I can't go home today." Xiao Tian went straight to the point.

Ye Xueyin was pleasantly surprised upon hearing his words.

'What? So we will be alone today?'

Sure, she said that she didn't want to sleep in his apartment earlier, but she said that because she didn't want to be alone.

If she were together with Xiao Tian, she would agree to sleep in his apartment. As long as she was with him, she didn't care about everything.

"Why?" Shi Fei wanted to know the reason why Xiao Tian and Ye Xueyin wouldn't be home today.

"She can't walk." since Shi Fei had accepted his illicit relationship, Xiao Tian decided to give an honest answer.

"Hehe. Just how long did you have sex with her earlier?" Shi Fei understood the reason why Ye Xueyin suddenly could not walk.

"Five hour straight." Like before, he gave an honest answer.

"What a beast! Hehe." Shi Fei uttered, "All right. I will tell them later."

"Thanks." Xiao Tian then hung up the phone.

Somewhere in the park.

"How is it?" a young man who wore a mask asked.

"I did everything you told me." Bing answered

"Good." the young man then gave Bing money. "This is your payment."

"Thank you, young master." Bing said with shining eyes.

Yes. That young man was the same young man who continuously caused trouble for Xiao Tian.

Chapter 780 - Watching A Movie With Ye Xueyin

7-8 minutes

Because it was already 05:30 pm, Xiao Tian entered his room and spoke, "Mother, do you want to take a bath now?"

"Yes." even though her vagina still hurt, Ye Xueyin didn't want to skip a bath because she was someone who loved cleanliness. So for her, bathing twice a day was something she had to do.

"Wait a minute, let me prepare it first." When Xiao Tian stepped into the bathroom, he suddenly remembered the time when he had sex with Shi Fei.

At that time, they had a lot of sex in the bathroom. They have sex in the shower cubicle, in the tub, or in front of the sink.

'Too bad I forgot to have sex in the bathroom earlier.'

Xiao Tian took a small stool and placed it beside the bathtub. He also filled the tub and checked the temperature of the water.

When everything was ready, Xiao Tian returned to his room. Because he also wanted to take a shower, Xiao Tian immediately took off his clothes.

Because Ye Xueyin knew that Xiao Tian would carry her, she immediately raised both her arms forward, giving him a sign that she was ready to be carried by him.

Xiao Tian smiled softly before hitting her forehead with his right middle finger gently. "What a spoiled lover."

"Hehe." Ye Xueyin smiled happily.

It had been a long time since they did something like that again. When they were still living in their old house, they often did something like that. That was why she was delighted.

"You are the reason why I can't walk right now, so you have to take responsibility." Ye Xueyin made an excuse.

"Yes, yes. I'm the one who is wrong." After carrying her, he walked towards the bathroom.

After stepping into the washroom, Xiao Tian made her sit on a stool. Since he was going to help her take a bath, he grabbed the showerhead.

"Mother, you are like a child right now." Xiao Tian smiled gently when he saw her cute behavior when he was helping her take a bath. "Just who is the mother here."

"Tian, mother also helped you take a bath when you were little, so now is your time." Ye Xueyin replied. "Did you know that you still showered with me when you were ten years old?"

Black lines formed on Xiao Tian's forehead after hearing her remarks.

'My predecessor, you are embarrassing me.'

He found it hard to believe that his predecessor was still bathing with his mother when he was already ten years old. After they finished bathing, Xiao Tian put her in the bathtub.

"How is it? Is the water too hot?" Xiao Tian inquired.

Currently, Xiao Tian and Ye Xueyin were in the tub. Of course, she was in front of him because with this, he could embrace her from behind.

"No. The water temperature is perfect" Ye Xueyin grabbed his hands and placed it on her waist. "Tian, what are we going to do after bathing?"

"How about we watch a movie together in my room? we'll turn off the lights later so it will feel as if we're watching a movie in the cinema." Since she still couldn't walk normally, Xiao Tian suggested watching a movie in his room.

There was a big TV in his room, so it would feel like they were watching a movie in the cinema.

"Good idea." Ye Xueyin agreed with his idea.

For this reason, they only soaked in the bathtub for about ten minutes before returning to his room. And as if it was a naked day, they immediately watched a movie without putting on their clothes.

Even though there was a romance movie, Xiao Tian chose a funny film because, in his view, laughing together while watching a movie could become a good memory.

At first, Ye Xueyin and Xiao Tian sat on the bed with their backs leaning against the headboard.

However, in the middle of the movie, Ye Xueyin suddenly sat down between his legs. Xiao Tian welcomed her by wrapping his arms around her waist and kissing her hair.

*Ramble...Buzz...Tar....

The sound of thunderclap echoed in the entire area.

Xiao Tian was shocked when it suddenly rained.

'It's pouring.'

Because they were still naked, Xiao Tian immediately said, "Mother, let's put on our clothes. It's raining now. The weather will be cold later."

"Un." Ye Xueyin nodded her head.

Even though she could already walk, Ye Xueyin only sat on the bed and waited for Xiao Tian to help her put on her clothes.

She was thrilled when Xiao Tian was spoiling her, so she wanted him to keep doing that. Like before, they continued watching the movie again after putting on the clothes.

They were laughing together, holding hands, and many other things. Both of them were delighted to the point they didn't realize it was already 00:15 am.

Because it was already late, they decided to sleep. The following morning, they ate at his restaurant. They consumed a lot of food because they didn't eat anything last night.

After that, Xiao Tian traveled to the Star Clothes company to work. He worked for about five hours before going to the Blue Ice Lotus gang headquarters.

"Mu Huo, how strong are my underlings now?" Xiao Tian inquired.

"Ten of them are martial artists at the high-level master stage, twenty of them are at the mid-level master stage and fifty of them are at the low-level master stage." Mu Huo spoke and paused for a second before he continued, "The rest of your underlings are still at the high level apprentice stage."

"I see." Even though it was still not enough, Xiao Tian was still pleased. "What about you?"

"I'm still at the high-level master stage." Since Xiao Tian was his boss, he gave an honest answer. "But my strength and reflexes are already on the same level as that of a low-level grandmaster stage martial artist. As long as it's an ordinary martial artist at the low-level grandmaster stage, I believe I can fight on par with them."

Xiao Tian smiled happily when he learned that Mu Huo was as strong as an ordinary martial artist at the low-level grandmaster stage. "If you can break through to the low-level grandmaster stage in less than a year, I will keep my promise and raise your salary."

In the past, Xiao Tian had promised Mu Huo two things. Firstly, he promised to raise Mu Huo's salary if he could break through to the low-level grandmaster stage, and secondly, he would give him a bonus if Mu Huo could make his underlings strong faster.

"Thank you, boss. I will try my best to break through to the low level grandmaster stage as quickly as possible." Mu Huo really liked working under Xiao Tian because Xiao Tian had always treated him well.

Even though he sometimes did the dirty work for Xiao Tian, he didn't mind because it was part of the work contract.

"If you need more tools for practice, just let me know." Xiao Tian uttered, "Just make them stronger as quickly as possible. You can also take them to practice in the forest if you want."

"That's what I want to do in the future." Mu Huo did intend to bring Xiao Tian's underlings to train in the forest because it could make them stronger faster

"All right. I'm leaving." Xiao Tian then went to Red Flower Bar.
