Chapter 791 - Spending Time With Ye Qingyu

"If so, we can lovey-dovey now." it had been a long time since Xiao Tian could spend time alone with Ye Qingyu.

"You are not thinking about dirty things, right?" even though Ye Qingyu said something like that, she still smiled happily.

"Now that you say it, I suddenly want to do dirty things with you. How about we do it now?" of course, Xiao Tian was joking around because he had no intention of doing adult things with Ye Qingyu.

It had been a long time since they could spend time alone like that, so he would rather go somewhere and make her happy than have sex with her.

Of course, it was not like he was bored with her body, but he felt bad if all they did was only have sex and have sex.

However, Ye Qingyu had different thoughts. She thought Xiao Tian desired to have sex with her.

For this reason, she grabbed the hem of her T-shirt and lifted it. "All right."

She was her lover, so she wanted to make him happy. If having sex with her could make him happy, she would do that without even thinking twice.

They had had sex many times, so having sex with him again was not a big deal for her. Actually, she also loved it because having sex with him felt great.

When Xiao Tian saw what she was doing, he instantly stopped her. "Wait. I was joking, you know? Don't take it seriously."

Xiao Tian had no idea whether he should be happy or not about this. Sure, this meant she loved him and would do anything to make him happy.

But her actions could also mean that he was a pervert in her eyes because if he were not a pervert, she would not believe his words easily when he showed signs of wanting to have sex with her.

"Ah! I thought you were serious." Ye Qingyu instantly dropped the hem of her T-shirt.

"How about we go somewhere now?" Xiao Tian inquired.

"But it's already 09:00 pm." It was not like she refused his idea, but because it was already 09:00 pm, their time would be limited if they went somewhere.

What she said was true. For some women, going out at 09:00 pm was already too late.

"Tian, why did you turn off the TV?" Ye Qingyu was shocked when Xiao Tian suddenly turned off the TV.

Instead of answering her question immediately, Xiao Tian carried her in a princess style.

His actions surprised her again. "Where are we going?"

"To your room." Xiao Tian gave an honest answer. "Let's watch TV in your room."

At this moment, Ye Qingyu knew that Xiao Tian wanted to lovey-dovey with her in her room. "Are you going to sleep in my room tonight?"

"Yes." Xiao Tian did intend to sleep in her room tonight.

Ye Qingyu's face blossomed into a smile after hearing his words. That night, they watched TV until 11:00 pm.

Maybe because it had been several days since they spent time alone, Ye Qingyu and Xiao Tian were thrilled.

They kept holding hands since they watched TV. And as if Xiao Tian didn't want to be separated from her, he embraced her before sleeping.

Of course, Ye Qingyu let him do whatever he wanted. She even smiled happily when Xiao Tian was hugging her.

Due to how happy they were, they didn't realize that their faces blossomed into a smile when they were sleeping.

At 04:00 am, Xiao Tian and Ye Qingyu suddenly woke up. Like last night, they talked again. However, because they didn't want to wake the others, they watched TV with a low volume.

Not only that, but they also talked in low voices. And, of course, they were also holding hands again. It was as if there was glue on their hands.

Because the show was not enjoyable, Ye Qingyu switched from one channel to another. Coincidentally, she switched to a channel where an actor and an actress were doing adult things.

Yes. The actor and the actress were having a deep kiss before having sex. This much surprised her. For this reason, she forgot to switch the channel.

When Ye Qingyu didn't switch the channel, Xiao Tian turned his head towards her.

'Why doesn't she switch the channel?'

Previously, he thought Ye Qingyu would change the channel immediately, but he was wrong.

Instead of changing the channel immediately, Ye Qingyu glanced at him. It was as if she was asking him to do the same thing as that actress and actor were doing.

But actually, she only wanted to see his reaction. At this time, the two of them had a misunderstanding.

Ye Qingyu thought Xiao Tian wanted to do what the actress and actor were doing, while Xiao Tian suspected that Ye Qingyu wanted to do adult things with him.

This misunderstanding caused Xiao Tian and Ye Qingyu to look at each other for a few seconds. Since none of them said a word, they kept misunderstanding each other.

At first, Xiao Tian didn't have any dirty thoughts, but when he saw Ye Qingyu opening her little mouth, the little devil on his left side whispered to him something pleasurable.

*Gulp...

Xiao Tian could not help but gulp his saliva.

Because Ye Qingyu was opening her mouth, he thought she was asking him to kiss her passionately.

'Is she horny because we haven't had sex in a few days?'

Xiao Tian didn't realize that he was the one who got aroused.

"Ah..." the actress wailed in delight.

Xiao Tian and Ye Qingyu immediately turned their heads towards the TV. However, they soon looked at each other again as if the TV was no longer interesting in their eyes.

As a man, Xiao Tian knew that he had to start first. With Ye Qingyu's personality, it was almost impossible for her to make the first move.

When Xiao Tian was bringing his head closer towards hers, Ye Qingyu slowly shut her eyes. Because Xiao Tian was moving his head slowly, their lips finally met after four seconds.

Chapter 792 - In Ye Qingyu's Room

9-11 minutes

At first, Ye Qingyu still closed her eyes. However, because Xiao Tian only pressed his lips against hers, she slowly opened her eyes.

*Thump...Thump...Thump...

Ye Qingyu's heart suddenly beat faster when she saw his beautiful black eyes.

She often saw his eyes, but at that moment, his eyes looked much more beautiful. It was so beautiful to the point she felt as if she was hypnotized by his beautiful eyes.

His white and clear sclera were so mesmerizing. Coupled with the way he stared at her made Ye Qingyu's mind could not stop praising his eyes.

At this moment, the desire to have a deep kiss with him suddenly appeared within her. But she still did nothing because she wanted him to make the first move.

She was sure Xiao Tian would kiss her passionately because he always did that every time they were in this situation. However, she was wrong.

She was utterly wrong. Not only did Xiao Tian not kiss her passionately, he even did nothing. He only pressed his lips against hers while staring at her eyes.

For this reason, Ye Qingyu began giving him signs that she wanted him to kiss her deeply. She tried to give him a sign using her eyes.

She even opened her mouth slightly, but still, Xiao Tian did nothing. It was as if he was testing her patience.

Because Ye Qingyu was unable to hold back the desire within her, she decided to make the first move. She put her soft pink tongue into Xiao Tian's mouth and immediately intertwined her tongue with his.

Even though they had kissed passionately many times, but the moment Xiao Tian welcomed her deep kiss, Ye Qingyu felt the happiness that she could not express in words.

The way Xiao Tian moved his tongue was so amazing. He knew what he had to do when they were having a hot kiss.

For this reason, she closed her eyes again and decided just to enjoy the kiss.

'It feels good.'

Due to how amazing it was, Ye Qingyu didn't want them to stop.

However, she had to break the kiss because she was out of breath. When she was ready to do another deep kiss, she thought Xiao Tian would make his move, but she was wrong.

Instead of kissing her deeply, Xiao Tian kissed her forehead. Forehead, eyes, nose, and cheeks. Xiao Tian kissed every part of her face before making his way down to her neck.

At this moment, the flames of lust had appeared within Ye Qingyu. His French kiss, a gentle kiss, made her body hot.

All what he did to her really made the flames of lust within her grow even bigger. It was as if he knew what he had to do or what she wanted him to do.

*Kiss...

At first, Xiao Tian only gave a peck on her neck.

He didn't instantly kiss her neck wildly. Xiao Tian only kissed her neck for a second before stopping the kiss. He repeated this process several times.

Even though he didn't kiss her neck hungrily, it still made Ye Qingyu hornier. Because it was still 04:05 am and everyone was still sleeping, Ye Qingyu tried her best not to wail.

She shut her eyes and bit her lower lip.

'Ahh...Tian....Hurry up and do it....'

Ye Qingyu was no longer able to hold back the lust within her, and as a result, she wanted him to kiss her neck wildly.

And as if Xiao Tian could read her mind, he started to kiss her neck hungrily. He even gave a hickey on her neck.

But because Ye Qingyu was already aroused, she let him do whatever he wanted. She even felt hornier when he was giving her a hickey.

*One second...Two seconds...Three seconds...

It had been several seconds since Xiao Tian kissed her neck wildly. Because he thought it was time to play with her breasts, he stopped the kiss and looked at her in the eyes.

Even though Xiao Tian said nothing, Ye Qingyu knew what he wanted because he was grabbing the hem of her T-shirt and lifting it.

Ye Qingyu knew that something like this was going to happen. So instead of stopping him, she lifted her arms high so that it would be easier for him to take off her T-shirt.

*Click....

After taking off her T-shirt, Xiao Tian unhooked her bra.

Like before, all Ye Qingyu did was look at Xiao Tian's hands or face. Maybe it was because the flames of lust had consumed her body, or perhaps it was because they had had sex many times before.

Ye Qingyu shifted her gaze from Xiao Tian's hands, which were touching her breasts, to his handsome face.

When she saw his face getting closer again, she immediately shut her eyes. And like before, they started kissing passionately again.

But this time, Xiao Tian also played with her breasts when they were having a deep kiss. He squeezed her beautiful breasts, played with her nipples, or pinched them.

At this moment, love juices started coming out of her pussy. She really could not hold back the lust within her, and as a result, her panties got wet.

Not only Ye Qingyu, but the same thing also happened to Xiao Tian. Because last night Xiao Tian only slept in his shorts, anyone could see through his shorts that his cock was fully erect now.

Not only that, some parts of his shorts were wet from his pre-cum. However, he didn't show the slightest bit of care about it.

"Ah..." because Ye Qingyu didn't want to wake Ye Xueyin and the others, she tried her best to wail as little as possible.

Currently, Xiao Tian was licking her right breast, or more precisely, licking her right nipple. Her love juices came out even faster when Xiao Tian put her right nipple into his mouth.

The way his tongue moved around her right nipple was amazing. He moved his tongue around her right nipple or thrust the tip of his tongue on her nipples.

Not only that, but he also bit her right nipple. His skills were excellent. It was as if he knew when she wanted him to bite her nipples or do other things.

After licking and sucking her breasts for several seconds, Xiao Tian stopped what he was doing and looked at her in the eyes.

Unlike before, where they immediately had a French kiss, this time, they only stared at each other as if they were communicating through their eyes.

*One second...Two seconds...Three seconds...

After looking at his handsome face for about five seconds, Ye Qingyu's gaze fell on his shorts.

*Gulp...

She could not help but gulp her saliva when she noticed Xiao Tian's cock was already erect.

'Some parts of his shorts are already wet from his pre-cum.'

Ye Qingyu suddenly desired to play with his cock.

She wanted to stroke, lick or suck his penis like she usually did before having sex with him. Because Xiao Tian had been playing with her breasts since three minutes ago, Ye Qingyu ventured to do what she wanted to do.

Xiao Tian shifted his gaze from her face to her right hand when Ye Qingyu suddenly grabbed his erect cock through his shorts.

But he didn't stop her and only stared at her right hand. Since three minutes ago, he had been playing with her breasts, so it would be unfair for her if he stopped her.

As Ye Qingyu was touching his cock through his shorts, her eyes were focused on the wet parts of his shorts.

'It's big...like usual.'

Of course, Ye Qingyu knew that his cock was huge because she had seen it many times before. Not only that, his huge cock even had tasted her pussy many times.

As Xiao Tian was playing with her breasts, he sometimes shifted his gaze from her breasts to her right hand, which was stroking his cock through his shorts.

At first, Xiao Tian thought she would keep doing that. To his surprise, she lowered his shorts slightly and grabbed his cock directly.

Xiao Tian then returned his attention to her pretty face. As they were playing with each other's bodies, none of them said a word.

They only stared at each other as if they were mesmerized by how attractive they were.

"Agh..." the actress on the TV wailed in delight.

However, Xiao Tian and Ye Qingyu paid no attention to it because they were busy pleasuring each other.

"Tian...." Ye Qingyu stopped stroking his cock, but she was still touching his huge penis.

Even though she didn't say it directly, Xiao Tian knew what she had in mind. So he instantly raised his waist so that it would be easier for Ye Qingyu to take off his shorts.

At first, Xiao Tian wanted to ask her to do the same, but when he realized that she was wearing a short skirt, he changed his mind.

At this moment, Xiao Tian's huge cock was already wet from his pre-cum. This made it easier for Ye Qingyu to stroke his cock.

And as if she wanted to make him have an orgasm as quickly as possible, she stroked his cock faster and faster.

However, her efforts were in vain because Xiao Tian was very good at controlling it. No matter how fast or long she stroked his penis, Xiao Tian never reached his limit.

But he had a fascinating expression. If anyone saw his face, they would know that he was feeling great pleasure. He even groaned a few times.

*One minute...Two minutes...Three minutes...

Without realizing it, it had been three minutes since they played with each other's bodies. At this moment, they could no longer hold back the lust within their bodies and were ready to have sex.

Chapter 793 - It's Already 04:15 Am

5-7 minutes

*Nod...

Even though Ye Qingyu didn't say anything, but she nodded her head, giving him a sign that she was ready to have sex with him.

She then laid on her back and spread her legs. Because Xiao Tian said nothing, she didn't take off her skirt or underwear.

Even though she was still wearing a skirt and underwear, she knew that they could still have sex.

After sliding her underwear to the other side, Xiao Tian placed his huge cock on her vagina entrance. Her pussy was already wet, so he knew that he could thrust his cock into her vagina immediately.

Because the flames of lust had consumed their bodies, they forgot that Liu Ning was still not ready to find out they had sex.

"Tian...please be gentle." Ye Qingyu said with lustful eyes.

When Xiao Tian saw the expression on her face, he suddenly desired to thrust his cock into her wet vagina in one go, but he knew it was dangerous to do that.

It was still 04:15 am, and everyone was still sleeping, so he could wake them up if he did that.

"Hmmm...." Ye Qingyu instantly covered her mouth with her hands when Xiao Tian's huge cock was spreading her vagina to the size of his penis.

Even though they had had sex many times, but the feeling when his penis was inside her vagina was so amazing.

Because Xiao Tian desired to kiss her passionately, he removed her hands from her mouth and devoured her cherry lips.

*Slick...Slick...Slick...

Since they didn't want others to know that they were having sex, Xiao Tian moved his waist slowly.

As usual, when Xiao Tian was fucking her wet pussy and kissing her pretty lips hungrily, Ye Qingyu wrapped her arms around his neck.

Even though Xiao Tian thrust his cock slowly, she was still feeling immense pleasure. Not only her, but Xiao Tian also felt the same way.

The size of his cock was so perfect with her vagina. This made both of them feel immense pleasure every time they had sex. It was as if they were born for each other.

After fucking her in missionary style, Xiao Tian turned her body because he wanted to do it in doggy style.

And because Ye Qingyu wanted to suppress her moans, she buried her face in the pillow. Actually, she wanted to moan loudly, but she didn't wish Liu Ning to know that she was having sex with Xiao Tian.

Like what he did to Shi Fei, when Xiao Tian saw her beautiful back, he decided to give her many hickeys. Of course, he didn't stop his waist.

Even though Ye Qingyu knew what he was doing, she said nothing. She just wanted to enjoy the sensation of his cock spreading her vagina and also tried her best not to wail.

They had sex for about an hour before they stopped. They had sex in various styles in that one hour, from missionary, doggy style, and many other styles.

They only stopped having sex when both of them reached orgasm at the same time. But this time, Xiao Tian didn't cum inside her cunt because it wasn't a safe day, and she didn't have any birth control pills anymore.

"Huft...Huft...Huft..." Ye Qingyu and Xiao Tian were breathing heavily.

Currently, they were lying down on the bed, naked. Because Xiao Tian was thirsty, he headed to the dining room to drink water.

At first, Xiao Tian thought Ye Qingyu had already put on her clothes when he returned to her room, but he was wrong.

Not only was she still naked, she even spread her legs widely as if she wanted to show Xiao Tian her pretty pussy.

*Gulp...

Even though they just finished having sex, Xiao Tian felt aroused again when he saw her vagina. His soft cock was slowly erect, and pre-cum suddenly came out of his penis again.

'So beautiful!'

Because Ye Qingyu was closing her eyes, she had no idea that Xiao Tian was looking at her pink vagina.

At this moment, the desire to have sex with her again suddenly appeared within him. Sure, he had seen her vagina many times, but her pussy had never failed to make him feel aroused.

Her beautiful pink vagina looked so delicious when her love juices were coming out of her pussy.

For this reason, Xiao Tian placed his erect cock on her vagina entrance. Yes. He decided to have sex with her again.

Ye Qingyu instantly opened her eyes when she felt something hard touching her vagina entrance. But before she could say anything to Xiao Tian, he had thrust his erect cock into her vagina. "Hmmm..."

Because it was already 05:10 am, she thought he would not fuck her anymore because at this hour, Ye Xueyin and the others usually already woke up.

She wanted to tell him that it was dangerous to continue having sex because Liu Ning could find out later.

However, she immediately forgot about it when Xiao Tian's huge cock was in and out of her wet pussy. "It feels good. Ah...Ah...Ah..."

"Qingyu, your pussy is amazing." Xiao Tian uttered, "It fits my cock perfectly."

Xiao Tian then grabbed both of her legs and lifted them up high. With her legs straight high, he felt her pussy was tighter than before.

"Ahh...Ah...Ah..." Ye Qingyu wailed in delight when Xiao Tian kissed her legs gently.

It was rare for Xiao Tian to kiss her legs when they were having sex. Of course, she didn't hate it; instead, she loved it because his gentle kiss made her more aroused.

The feeling of his lips pressing against her legs, coupled with his huge cock going in and out of her wet pussy made Ye Qingyu feel as if electricity was running through her body.

She knew that they had to stop, but her mouth only let out seductive moans, not the words she wanted to say.

*Click...

As Xiao Tian and Ye Qingyu were enjoying the pleasure, someone suddenly opened the door.

Chapter 794 - It Seems Like Little Brother Is Busy Right Now

6-7 minutes

*Click...

As Xiao Tian and Ye Qingyu were enjoying the pleasure, someone suddenly opened the door.

They instantly turned their heads towards the source of the sound. Because they wanted to lovey-dovey so badly last night, they forgot to lock the door.

Ye Qingyu let out a sigh of relief when she learned the person who had just opened the door was her big sister. "Big sis, can you close the door?"

Ye Qingyu didn't ask Xiao Tian to stop or take out his cock; instead, she asked her big sister to close the door. It was as if she didn't want to stop having sex with Xiao Tian.

"I knew it." Ye Xueyin said when she saw what they were doing.

Previously, she wanted to ask her younger sister to cook breakfast with her, but when she heard multiple moans, she knew that her younger sister was having sex with Xiao Tian.

Sure, Ye Qingyu only moaned softly, but she could still hear it when she was in front of her room.

"Tian, mother wants to have sex with you too." without waiting for his answer, Ye Xueyin took off her clothes and walked towards them.

She threw her clothes on the floor before crawling onto the bed.

"Tian, lick my pussy." Ye Xueyin, who was standing in front of Xiao Tian, spread her pussy as wide as possible.

Even though she was standing above her younger sister, Ye Xueyin didn't show the slightest care about it.

Because Xiao Tian knew that he could not refuse her wish, he dropped Ye Qingyu's legs and began licking Ye Xueyin's vagina.

"Ahhh..." unlike Ye Qingyu, who tried her best not to moan loudly, Ye Xueyin did the opposite.

It was as if she wanted to tell everyone that she was going to have sex with her lover.

"Big sister, please don't moan loudly." Ye Qingyu didn't want Liu Ning and Shi Fei to know what they were doing.

As Xiao Tian was licking Ye Xueyin's vagina, he started moving his waist. He was used to doing a threesome with them, so he had no trouble handling them together.

"Ahh...More...More...Lick my pussy more..." Ye Xueyin grabbed Xiao Tian's head and pulled his head towards her vagina.

She tilted her head back and shut her eyes when Xiao Tian thrust his tongue into her vagina.

Maybe because it had been a long time since they had a threesome again, or perhaps it was because Xiao Tian was licking one of the most sensitive areas of her body, Ye Xueyin's vagina instantly became wet.

Her love juices came out of her vagina like flowing water, as if it was the first time someone had licked her pussy.

At this moment, Ye Qingyu was covering her mouth with her hands. She felt even more aroused when she saw Xiao Tian licking Ye Xueyin's pussy. Some of Ye Xueyin's love juices even fell on her stomach.

Due to how skilled Xiao Tian was, Ye Xueyin's body suddenly turned weak. As a result, she had a hard time continuing to stand in front of him.

However, she didn't want to stop feeling that pleasure. For this reason, Ye Xueyin placed her vagina right above Ye Qingyu's mouth. "Qingyu..."

Even though Ye Xueyin didn't say directly what she wanted, Ye Qingyu could understand it. Because she had licked her big sister's pussy several times, she didn't mind doing it again.

"Ah..." Ye Xueyin stuck out her pink tongue when Ye Qingyu began licking her wet vagina. "Tian...Kiss..."

While still fucking Ye Qingyu's wet pussy, Xiao Tian closed the distance between his face and Ye Xueyin's face before kissing her passionately.

Due to the immense pleasure she was feeling, Ye Qingyu had a hard time licking Ye Xueyin's vagina. But she didn't give up and continued to lick Ye Xueyin's wet pussy.

Because Ye Qingyu wanted to give her big sister more pleasure, she decided to play with Ye Xueyin's clitoris.

"Ah..." Ye Qingyu's actions made Ye Xueyin stop the kiss and start wailing. "Ah...Ah...It feels good...Ah...Ah...More...play with my clitoris more...."

Maybe it was because two people were giving her immense pleasure, or perhaps because it had been a long time since they hadn't had a threesome again, but at this moment, Ye Xueyin was behaving like a horny woman who had never had sex before.

Seconds turned into minutes, and without realizing it, it had been more than five minutes since Ye Xueyin joined them.

"Cumming...Cumming... I'm cumming..." as Ye Xueyin was having an orgasm, she lifted her vagina slightly, causing her nectar to hit Xiao Tian's body and also fall on Ye Qingyu's stomach.

Not long after Ye Xueyin had an orgasm, Ye Qingyu reached her limit. "Cumming...Cumming... I'm cumming again."

*Sprut...

Like before, Ye Qingyu had a massive orgasm.

At this time, Xiao Tian still had not reached his limit. Since he had been having sex with Ye Qingyu since 04:00 am, he decided to change his partner.

He made Ye Xueyin lie face down on top of Ye Qingyu. He knew that Ye Xueyin's body was still sensitive, but he didn't care. He wanted to continue having sex because he still hadn't had an orgasm.

Ye Xueyin, who was still in a weak state, could not do anything when Xiao Tian made her lie face down on top of her younger sister.

She knew that her body was still sensitive, but because she desired to have sex with Xiao Tian, she said nothing and waited for him to thrust his huge cock into her wet vagina.

"Hm...m..." Ye Xueyin tilted her head back and shut her eyes when Xiao Tian slowly thrust his huge cock into her vagina.

At this moment, Ye Qingyu only stared at her big sister's lustful face. To her surprise, Ye Xueyin suddenly kissed her lips.

Because they always had a deep kiss every time they had a threesome, Ye Qingyu immediately welcomed the kiss.

"Hm..." Ye Qingyu widened her eyes for a second when Xiao Tian thrust two of his fingers into her wet vagina.

At this moment, they didn't realize that Shi Fei was standing in front of Ye Qingyu's room.

'It seems like little brother is busy right now.'

Because she didn't want to disturb them, Shi Fei headed to Liu Ning's room.

Chapter 795 - I Know

6-7 minutes

After Shi Fei reached Liu Ning's room, she immediately knocked on the door. "Ning, are you awake?"

"I'm already awake." Liu Ning instantly opened the door. "Let's head to Miss Ye Qingyu and Mrs. Ye Xueyin's room now."

"Ning, let's cook breakfast with just the two of us." Shi Fei didn't tell Liu Ning that Xiao Tian was currently having sex with Ye Qingyu and Ye Xueyin.

"Why?" Liu Ning wanted to know the reason why Shi Fei said something like that.

"Well, it's because..." Shi Fei had no idea what to say to Liu Ning.

*Click...

After closing the door, Liu Ning spoke, "Let's head to their rooms."

"Ahhhh.." Shi Fei and Liu Ning were startled when they suddenly heard Ye Xueyin's moan.

Because Xiao Tian had revealed everything to her, Liu Ning suddenly suspected that Xiao Tian was having sex with Ye Qingyu and Ye Xueyin. "Don't tell me. They are...."

"Yes. They are having sex right now." because she could not hide it anymore, Shi Fei decided to tell the truth.

Liu Ning's expression instantly turned complicated. Sure, she had told them that she would try to accept their relationship, but she was still not ready to find out or see them having sex.

She knew it was normal for lovers to have sex, but at that moment, she didn't know what she was feeling.

Because Shi Fei understood Liu Ning's feelings, she grabbed Liu Ning's right hand and spoke, "Let's head to the kitchen."

Liu Ning didn't answer. As she was heading to the kitchen with Shi Fei, she turned her head towards Ye Qingyu's room for several seconds.

"Ah...Ah...Ah..." Ye Qingyu's little mouth opened, letting out multiple seductive moans.

Currently, she was sitting on the bed with her back leaning against the headboard. Both of her hands were grabbing her legs and spreading them widely.

In front of her, Ye Xueyin was licking her pussy with lustful eyes. If she gave Ye Xueyin pleasure before, this time it was Ye Xueyin's turn to do that.

"Mother, your butt hole feels amazing." Xiao Tian, who was fucking Ye Xueyin's ass hole from behind, said with a fascinating expression.

Previously, he had sex with Ye Xueyin in doggy style, but when he saw her cute ass hole, he instantly pulled his cock out of her pussy and thrust his penis into her butt hole without telling her.

Because it was not the first time they had anal sex, Ye Xueyin let him do whatever he wanted. For her, having anal sex or normal sex was the same. Both of them still gave her immense pleasure.

"Big sis, thrust your tongue into my pussy deeper." Ye Qingyu tilted her head back while grabbing Ye Xueyin's head.

"Hmmm...Hmmm...Hm..." Ye Xueyin wanted to tell Ye Qingyu not to pull her head towards Ye Qingyu's vagina because it made her hard to breathe.

But because Xiao Tian was fucking her ass hole, and Ye Qingyu kept grabbing her head, she could not say that.

At this moment, Xiao Tian finally reached his limit. Because he was fucking Ye Xueyin's butt hole, he didn't bother pulling out his cock. "I'm cumming...."

At the same time, Ye Qingyu also reached her limit. "I'm cumming...."

*Splurt...

Because Ye Qingyu was still grabbing Ye Xueyin's head, Ye Qingyu's nectar was hitting Ye Xueyin's face.

Ye Xueyin, who was unable to do anything, could only close her eyes so that her younger sister's nectar would not hit her eyes.

"Huft...Huft...Huft..." because Xiao had had sex with them for more than an hour, he instantly fell onto the bed after having an orgasm. "It feels good. Having a threesome is amazing."

"Qingyu, you were so cruel earlier." Ye Xueyin said after Ye Qingyu no longer held her head.

"I'm sorry, big sister." Ye Qingyu suddenly realized what she was doing earlier.

"As punishment, you must taste your nectar." After saying that, Ye Xueyin grabbed Ye Qingyu's shoulders and pushed her, causing Ye Qingyu to fall onto the bed next to Xiao Tian.

Without waiting for another second, Ye Xueyin lay face down on top of Ye Qingyu before kissing her passionately.

Xiao Tian, who saw what Ye Xueyin was doing, was startled.

'Eh! What is this?'

Even though he saw Ye Xueyin and Ye Qingyu kissing passionately, he did not stop them; instead, he looked at them with a smile on his face.

Whenever they had a threesome, Ye Qingyu and Ye Xeyin always had a passionate kiss, so Xiao Tian was not surprised when he saw them kissing deeply.

Ye Qingyu and Ye Xueyin had a passionate kiss for several seconds before finally, they stop. However, they remained in the same position.

"Tian, why are you looking at us like that?" Ye Xueyin inquired.

"Both of you looked so hot when you two were having a deep kiss." Xiao Tian gave an honest answer.

"Do you want to see us have another French kiss?" Ye Xueyin inquired.

"Sure." Xiao Tian replied. "If you want to."

Ye Xueyin instantly returned her attention to her younger sister. "Qingyu, did you hear that? He wants to see us kiss deeply. Let's do it again."

Ye Qingyu didn't answer, but when Ye Xueyin kissed her lips, she instantly welcomed the kiss. And like before, they had a deep kiss in front of Xiao Tian for several seconds.

"Ning, you have to remember that they are his women too." Shi Fei spoke abruptly. "You can't be selfish and forbid them to have sex because it's normal for lovers to have sex."

Even though she was also startled earlier, but she could understand their actions.

"Un." Although Liu Ning was nodding her head, she still had a complicated expression.

"Didn't you say you wanted to live with little brother forever?" Shi Fei grabbed Liu Ning's right shoulder. "If so, you have to understand his position even more."

Like before, Liu Ning only nodded her head.

Shi Fei then pulled Liu Ning into her arms and spoke, "I know it's hard to accept their relationship but we can't do anything about this."

Liu Ning wrapped her arms around Shi Fei's waist and spoke, "I know."

Chapter 796 - Going To The Blue Ice Lotus Gang Headquarters

7-8 minutes

After having a deep kiss with her younger sister, Ye Xueyin stopped the kiss and lay face down on top of Xiao Tian. "Tian, it's your turn to have a passionate kiss with me."

Without waiting for his answer, Ye Xueyin kissed Xiao Tian's lips.

Of course, Xiao Tian welcomed the kiss happily. It was his lover who wanted to have a hot kiss with him, so there was no way he would refuse it.

And like what she did to her younger sister, Ye Xueyin stopped the kiss after several seconds. "Hehe. How is it, Tian? Do you like it?"

Before Xiao Tian could answer her questions, Ye Qingyu spoke, "Of course, he loves it. See! Even his cock is erect again now."

Ye Xueyin instantly turned her head to look at Xiao Tian's cock. When she saw his erect cock, she giggled happily. "Hehe."

"Not only do you have a lot of stamina, even your penis has unlimited energy." Actually, Ye Qingyu was surprised when she found out that his penis was erect again.

They had had sex for over an hour, and he also did it with two women, so she thought his cock would not be erect again for the next few hours.

But now, she finally realized that she underestimated his stamina. Sure, he had heavy breathing earlier, but now he looked like he was ready to go for another round.

Ye Xueyin instantly crawled towards Xiao Tian's feet. "Tian, your cock is so huge."

The corner of Xiao Tian's lips twitched.

'What are you doing? Don't you often see my penis?'

Xiao Tian was speechless when he saw Ye Xueyin's behavior. It was as if she had never seen his cock before.

"Sometimes, I can't believe that a penis of this size often goes in and out of my vagina and butt hole." Ye Xueyin touched the tip of Xiao Tian's cock. "Hehe. So cute. Since you ate my pussy earlier, now is the time for me to eat you."

After saying that, Ye Xueyin put Xiao Tian's huge penis into her mouth. Not only that, but she also immediately moved her head up and down fast as if she wanted to make him cum again.

Her actions much surprised Xiao Tian and Ye Qingyu. They didn't expect her to give another blowjob.

"Mother, stop it." Xiao Tian uttered, "It's almost time for breakfast now so we can't continue having sex again."

Upon hearing his words, Ye Xueyin instantly stopped giving him a blowjob. "What a pity. Tian, let's have sex again later."

"Sure." Xiao Tian smiled softly.

"Breakfast is ready." Shi Fei's voice could be heard from the opposite side of the door.

"Did you hear that?" Xiao Tian inquired, "Breakfast is ready."

After Ye Xueyin got out of bed, she replied, "Yes. Let's have breakfast with the others."

Xiao Tian and the others instantly put on their clothes before heading to the dining room. Since he knew that Liu Ning and Shi Fei had heard Ye Xueyin's moans before, he decided to sit next to Liu Ning.

"Morning, Fei, Ning'er." Xiao Tian spoke after sitting on the chair.

"Morning." Shi Fei and Liu Ning responded in unison.

Even though Liu Ning had tried her best to hide her complicated expression, Xiao Tian could still see it. "Ning'er, did you sleep well last night?"

"Un." Liu Ning nodded her head.

At this moment, Ye Qingyu and Ye Xueyin were looking at Liu Ning. From her behavior, they could tell that she heard Ye Xueyin's wail earlier.

Ye Qingyu instantly shifted her gaze from Liu Ning to her big sister.

When Ye Xueyin saw her younger sister looking at her, she lowered her head and apologized, "I'm sorry."

During the breakfast, Xiao Tian treated Liu Ning special. He did this because he didn't want her to get angry at his mother and aunt.

And his actions were not in vain. Not only did Liu Ning's complicated face return to normal, she even spoke to Ye Qingyu and Ye Xueyin normally again.

Like usual, Xiao Tian went to the Star Clothes company after breakfast. However, he only worked for about two hours before finally traveling to the Bamboo Restaurant to meet Chao Yang Sheng.

This time, he went alone because Mu Huo was teaching his underlings martial arts. "Hello, Mr. Chang."

"Hello, Mr Xiao." Even though Xiao Tian was much younger than him, Chao Yang Sheng treated Xiao Tian politely because he knew who Xiao Tian was.

"Did you bring the contract documents?" Xiao Tian inquired.

"Here are the contract documents." Chao Yang Sheng placed the documents on the table.

After reading it, Xiao Tian immediately signed it. Since he had promised to take Chao Yang Sheng to his gang yesterday, Xiao Tian immediately spoke, "Do you want to go to my gang now?"

"Sure." actually, Chao Yang Sheng really wanted to go to the Blue Ice Lotus gang headquarters because he had never been there before.

The Blue Ice Lotus gang headquarters was guarded by many of its members every day, so not everyone could enter it.

Since Xiao Tian claimed that he was the leader of the Blue Ice Lotus gang and wanted to take him there, Chao Yang Sheng thought this was an excellent time to see how great the Blue Ice Lotus gang was.

Xiao Tian rose to his feet and spoke, "Let's go."

When they entered the front yard of the Blue Ice Lotus gang headquarters, Chao Yang Sheng was amazed by what he was seeing.

Their base was not like a gang's base; instead, it was like a rich man's house. Because none of the Blue Ice Lotus gang members stopped them, Chao Yang Sheng now believed that Xiao Tian was not lying when he said that he was the leader of the Blue Ice Lotus gang.

After they got out of their cars, they immediately walked towards Mu Huo.

"Boss..."

"Boss..."

"Boss..."

"Boss..."

Coincidentally, it was break time, so they immediately walked over to Xiao Tian and greeted him when they saw him.

"Who is he?"

"I don't know."

"Is he a friend of our leader?"

"It seems so."

Since they had never seen Chao Yang Sheng before, none of the Blue Ice Lotus gang members knew who Chao Yang Sheng was.

"Everyone, let me introduce you to my friend." Xiao Tian uttered, "He is Mr. Chao. He is my friend and my business partner too."

Chao Yang Sheng could not help but smile happily when Xiao Tian introduced him as his friend.

'I have to build a good relationship with Mr. Xiao later.'

Having a friend who was a gang leader was a good thing for him because it could help him in the future.

For this reason, he smiled softly as he introduced himself. "Hello, everyone. My name is Chao Yang Sheng."

Even though most of the Blue Ice Lotus gang members ignored him, Chao Yang Sheng still smiled softly. He knew that he was nobody, so their reactions were normal.

Xiao Tian then returned his attention to Chao Yang Sheng and spoke, "Mr. Chao, let's go to the guest room to further discuss our plans."

"All right." Chao Yang Sheng answered as he nodded his head.

"Mu Huo, come with us." Xiao Tian uttered,

Then Xiao Tian, Mu Huo, and Chao Yang Sheng headed to the guest room.

Chapter 797 - Going To The Red Flower Bar

6-7 minutes

"Mr. Chao, can you give me information about all of your family's business partners?" Xiao Tian inquired.

Currently, Xiao Tian, Chao Yang Sheng, and Mu Huo were sitting on the couch.

Yesterday, Xiao Tian told Chao Yang Sheng to collect information about the owners of the companies that cooperated with the Fibers company so that they could prepare themselves.

"Here is information about them." Chao Yang Sheng gave the reports to Xiao Tian.

Currently, they were ten companies that collaborated with the Fibers company. Even though those companies were not big, but it was not small either.

After Xiao Tian read it, he gave the documents to Mu Huo so that Mu Huo could read them too. "I have read all the information about them, and I think we can carry out our plan today. Since the owners of those companies are from middle-class families, it will take at most two days to do that. But there is a chance we can finish it today."

"Good." Chao Yang Sheng beamed after hearing Xiao Tian's words.

"How is it, Mu Huo?" Xiao Tian inquired.

"There is no problem, boss." Mu Huo responded instantly. "Most of their bodyguards are only at the mid-level master stage. There is only one person who has a bodyguard at the high-level master stage."

"Call Chun Hua now." Xiao Tian uttered,

"All right." After saying that, Mu Huo called Chun Hua.

"Since Ji Fuan is the only person who has a bodyguard at the high-level master stage, let's start with him." Xiao Tian decided to start with the hardest one first.

"Good idea." Chao Yang Sheng agreed with Xiao Tian's idea because, in his view, it was better to start with Ji Fuan first.

"Mr. Chao, please call this Ji Fuan and invite him to meet you at the Red Flower bar." At first, Xiao Tian wanted to ask Chao Yang Sheng to invite Ji Fuan to the Bamboo Restaurant but suddenly changed his mind.

Xiao Tian did not have a close relationship with the manager of the Bamboo Restaurant, so if they fought there, it could cause trouble later.

But it was different if they fought at the Red Flower bar. Xiao Tian only needed to apologize to Lan Ruoxi and pay for all the damage that they caused later.

With how close they were, Xiao Tian was sure Lan Ruoxi would not mind. Of course, he would prefer if he didn't have to resort to violence later on because he didn't want to cause trouble at Lan Ruoxi's place.

"Red Flower bar?" Chao Yang Sheng was startled upon hearing Xiao Tian's words.

"Yes." Xiao Tian replied. "I know the owner of the Red Flower bar, so I think this is the best place for us to meet Ji Fuan."

The expression of deep shock blossomed on Chao Yang Sheng's face. "Mr. Xiao, you know Miss Lan Ruoxi?!"

Almost every man with status knew who Lan Ruoxi was. Not only was she the owner of the most famous bar in Shanghai, but she was also one of the most beautiful and sexiest women in Shanghai.

Many men desired to be her lover, but none had succeeded in conquering her heart until now. Of course, Chao Yang Sheng was one of them.

He also wanted to make her his lover, but he knew it was impossible. Not only did she have a lot of people who adored her, but it was also very difficult to meet her because not everyone could meet her.

"Yeah. We're pretty close too." from Chao Yang Sheng's expression, Xiao Tian knew that Chao Yang Sheng was also someone who adored Lan Ruoxi.

'Look at his expression! I don't know what his expression would be like if he found out what I've done with lady Lan.'

Xiao Tian added in his mind.

At this moment, Chao Yang Sheng was still wearing a surprised expression.

'I didn't expect him to have a close relationship with Miss Lan Ruoxi. It looks like he is not as simple as he seems on the surface.'

Yesterday, Chao Yang Sheng was astonished when Xiao Tian told him that Xiao Tian was the leader of the Blue Ice Lotus gang.

Now, Xiao Tian surprised him again when Xiao Tian stated that Xiao Tian had a close relationship with Lan Ruoxi. He thought Xiao Tian was just a lucky person, but now he knew that he was wrong.

At this moment, Mu Huo had a calm expression. Because he had been working under Xiao Tian for several months, he knew a lot about Xiao Tian.

'I'm sure this guy would have opened his mouth very wide if he found out that my boss's best friend is the young master of the Zhao family and his future lover is one of the most famous singers in China.'

In the past, Mu Huo's expression was like Chao Yang Sheng's when he found out about it, so he knew Chao Yang Sheng's feelings.

"Sir, do you need anything?" Chun Hua spoke after entering the guest room.

"Follow me to the Red Flower Bar." After saying that, Xiao Tian turned his head towards Chao Yang Sheng. "Mr. Chao, let's go."

"All right." Chao Yang Sheng nodded his head.

Then, Xiao Tian, Mu Huo, Chun Hua, and Chao Yang Sheng traveled to the Red Flower bar.

After they stepped into the Red Flower bar, one of Lan Ruoxi's underlings walked towards Xiao Tian. "Young master Xiao, do you want to meet big sister Ruoxi?"

"Yes." Xiao Tian replied as he smiled. "Please let her know that I have something important to say to her."

"Understood." Lan Ruoxi's underling responded. "Let me guide you to a private room."

Chao Yang Sheng now fully believed that Xiao Tian had a close relationship with Lan Ruoxi because only special people could enter the private waiting room when they wanted to meet her.

Normally, Lan Ruoxi's underlings would only take them to normal guest room when they wanted to meet Lan Ruoxi.

After Xiao Tian and the others stepped into the private room, Lan Ruoxi's underling spoke, "Please wait a moment. I will call big sister Ruoxi now."

"All right." Like before, Xiao Tian smiled as he answered.

Chapter 798 - Carrying Out Their Plans

7-8 minutes

*Click.

The sound of someone opening the door echoed in a private room. Xiao Tian and the others instantly turned their heads towards the source of the sound.

When Chao Yang Sheng saw the person who had just opened the door, he gulped her saliva and could not take his eyes off that person.

Yes, that person was none other than Lan Ruoxi, the owner of the Red Flower bar. Even though she was only wearing a cheongsam, it didn't reduce her sexiness.

Unlike Chao Yang Sheng, Xiao Tian behaved normally. Sure, Lan Ruoxi was a beautiful woman who also had a sexy body, but he had gotten used to seeing her sexy body and pretty face because he often met her.

After sitting on the opposite side of Xiao Tian, Lan Ruoxi uttered, "What brings you to my place, young master Xiao? You even came with a few people."

Lan Ruoxi shifted her gaze from Xiao Tian to Chun Hua and the others. She was curious as to why Xiao Tian suddenly came to her place with them.

"Lady Lan, actually...." Xiao Tian began explaining the reason why he came to the Red Flower bar with Mu Huo and the others.

"I see." Lan Ruoxi said after Xiao Tian finished telling her everything. "Sure. You can use one of my private rooms later."

'This evil young man wants to do the bad thing again, huh? I suddenly feel sorry for this Chao Ming Hai guy.'

Lan Ruoxi knew that Chao Ming Hai would end up in a sorry situation later.

Even though Xiao Tian knew that Lan Ruoxi would agree, he was still pleased after hearing it from her mouth.

"Thank you, lady Lan." After saying that, Xiao Tian turned his head towards Chao Yang Sheng. "Mr. Cao, you can wait in the private room now. We will carry out our plan after he arrives here."

"All right." Chao Yang Sheng rose to his feet and left.

Xiao Tian then looked at Chun Hua and Mu Huo. "Chun Hua, Mu Huo, you two wait outside. Tell me if Ji Fuan arrives later."

"Understood." Chun Hua and Mu Huo left.

"Why did you order them to wait outside?" Lan Ruoxi asked curiously.

"Because I want to be alone with you." Xiao Tian lied to her. "I don't want them to disturb our time."

"Hehe." At this moment, Lan Ruoxi thought he was telling the truth. "You have important things to do later, but here you still have time to think about dirty things."

"Because I'm a pervert young man." Xiao Tian said without feeling shy.

"Hehe." Like before, Lan Ruoxi giggled after hearing his remarks. "Usually, everyone would try their best to deny it, but you are saying the opposite as if it's something to be proud of."

"Lady Lan, actually, I'm not a pervert. I'm someone who is kind, mature, gentle, and likes to help others." Xiao Tian uttered, "But my women always say I'm a pervert. What do you think of me, lady Lan? Do you think of me as a pervert young man too?"

"Yes." Lan Ruoxi answered and nodded her head. "I also think of you as a pervert young man."

The corner of Xiao Tian's lips twitched when Lan Ruoxi said that without thinking twice. "Because you said I'm a pervert young man, how about we do dirty things now? We are alone in this private room, so no one will disturb us."

"Hehe. You finally voice out your true intentions." Lan Ruoxi had known Xiao Tian for a long time, so she was not surprised by his words.

"How could you sa-" Xiao Tian stopped his words halfway when Chun Hua suddenly said something.

"Sir, he has arrived and is heading to the private room." Chun Hua's voice rang out from the opposite side of the door.

Black lines formed on Xiao Tian's forehead.

'Damn you, Ji Fuan!'

Xiao Tian cursed venomously in his heart.

Lan Ruoxi could not help but giggle when she saw his expression.

Xiao Tian rose to his feet and spoke, "Lady Lan, let's continue our hot conversation later. I have to take care of something first."

"Sure." Lan Ruoxi answered. "Let's have a long and hot conversation later."

After saying that, Lan Ruoxi winked her left eye. Because Xiao Tian said something like that to her, she decided to tease him.

"Mr. Chao, have you waited long?" Ji Fuan spoke after stepping into the private room.

As usual, he came with his bodyguard, a bodyguard who always accompanied him wherever he went.

After Chao Yang Sheng rose from the couch, he smiled and answered, "No. I just arrived too."

"What does Mr. Chao want to talk about?" Ji Fuan asked curiously.

Since Chao Yang Sheng had only invited him to the Red Flower bar, he had no idea why Chao Yang Sheng suddenly wanted them to meet.

"It's about our cooperation." Chao Yang Sheng lied to Ji Fuan because he was waiting for Xiao Tian before executing their plan.

"Cooperation? Is there a problem with our cooperation?" Ji Fuan was sure that his company's cooperation with Fibers company was good.

Both companies had made good profits until now, so he was curious about Chao Yang Sheng's words.

"That's not it." Chao Yang Sheng smiled.

'Where is Mr. Xiao?'

Chao Yang Sheng thought Xiao Tian would enter the private room immediately after Ji Fuan arrived.

'Should I start now?'

He wanted to carry out their plan, but he was worried that he could destroy their plans.

Even though he knew that Mu Huo was close to the private room, but he was alone inside the private room.

He was not a martial artist, so there was no way he could beat Ji Fuan's bodyguard. His only choice was to rely on Chun Hua or Mu Huo to defeat Ji Fuan's bodyguard.

"Then what is it?" Ji Fuan asked again.

*Click...

The sound of someone opening the door echoed in the private room.

When Chao Yang Sheng found out it was Xiao Tian, he let out a sigh of relief. Since Xiao Tian had entered the private room, he knew that they would soon carry out their plans.

Ji Fuan was startled when he saw Xiao Tian, Mu Huo, and Chun Hua. He turned his head toward Chao Yang Sheng and asked, "Mr. Chao, is he someone you invited too?"

Even though he had a bad feeling when Xiao Tian stepped into the private room, he didn't want to have any prejudice against Chao Yang Sheng.

At this moment, Chao Yang Sheng didn't answer Ji Fuan's question because, in his view, there was no point in doing that.

After Xiao Tian sat on the opposite side of Ji Fuan, he smiled, "Hello, Mr. Ji. I believe this is our first time meeting each other, so let me introduce myself. My name is Xiao Tian. I'm Mr. Chao's friend."

Ji Fuan shifted his gaze from Xiao Tian to Mu Huo and Chun Hua. At this moment, he suddenly felt uneasy.

Even though Xiao Tian behaved normally and also smiled softly, he still had an uncomfortable feeling deep within him. "Mr. Xiao, may I know the reason why you are here?"

"The reason why I came here is to tell you to stop cooperating with the Fibers company." Xiao Tian gave an honest answer.

"What?" Ji Fuan said in surprise.

Chapter 799 - I Won't Take No For An Answer

7-8 minutes

"The reason why I came here is to tell you to stop cooperating with the Fibers company." Xiao Tian gave an honest answer.

"What?" Ji Fuan said in surprise.

Ji Fuan found it hard to believe what he was hearing. He was curious about why Xiao Tian wanted him to stop collaborating with the Fibers company.

'Does he have any enmity with the Chao family?'

He was sure that he had no hostility with Xiao Tian, so he believed the reason why Xiao Tian suddenly wanted him to stop cooperating with the Fibers company was that Xiao Tian had animosity with the Chao family.

But what surprised him most was that Chao Yang Sheng said nothing to Xiao Tian as if Chao Yang Sheng was under Xiao Tian's control.

'Did Xiao Tian threaten Mr. Chao?'

Chao Yang Sheng was from the Chao family, so he thought it was impossible for him to agree with Xiao Tian's words.

"Yes. I want you to stop cooperating with the Fibers company." Xiao Tian repeated his words.

Instead of answering immediately, Ji Fuan shifted his gaze from Xiao Tian to Chao Yang Sheng. "Mr. Chao, are you fine with this?"

"Yes." Chao Yang Sheng answered instantly. "I also want you to stop collaborating with my family company."

Ji Fuan was puzzled.

'What is this? Why does he also want me to stop cooperating with his family company?'

Even though the result of their partnership was not fantastic, but their two companies made quite a big profit, so he did not get Chao Yang Sheng's words.

"Why?" Ji Fuan wanted to know the reason why Chao Yang Sheng agreed with Xiao Tian's words. "Is he threatening you?"

"No. Mr. Xiao is my friend, so how can he threaten me?" Chao Yang Sheng answered calmly.

Actually, he had guessed that Ji Fuan would behave like this. He was from the Chao family, so Ji Fuan's reaction was normal in his eyes.

"Mr. Ji, you don't have to worry because we only want you to stop cooperating with the Fibers company temporarily." Xiao Tian uttered, "You can cooperate with the Fibers company again after Chao Ming Hai steps down from his position."

"That's right." Chao Yang Sheng added.

"Steps down from his position?" Ji Fuan finally understood everything.

'So it's a family matter, huh?'

From their words, Ji Fuan was sure that Chao Yang Sheng wanted to take Chao Ming Hai's position. It wasn't the first time he'd seen family members fight over family assets, so he wasn't surprised when he found out that Chao Yang Sheng wanted to take over Chao Ming Hai's position.

Ji Fuan started to think about who was better between Chao Yang Sheng and Chao Ming Hai. Of course, he would choose the most profitable person for him because it was a business.

"How is it, Mr. Ji?" Xiao Tian inquired.

After thinking for about a minute, Ji Fuan decided to disagree. "I disagree."

"Oh! It looks like we need to do violate because I won't take no for an answer." Xiao Tian turned his head towards Mu Huo. "Mu Huo, do it quickly. Don't break anything in this room."

"All right." Mu Huo nodded his head.

Ji Fuan instantly stood behind his bodyguard. "Do you think you can force me to agree with your words?"

His bodyguard was a martial artist at the high-level master stage, so he was sure that his bodyguard could protect him and defeat Xiao Tian and the others.

Mu Huo dashed towards Ji Fuan's bodyguard. Even though they were at the same level, but because Mu Huo's strength and reflexes were already in the category of low-level grandmaster stage and he also had a lot of fighting experience, he was able to defeat Ji Fuan's bodyguard easily.

This left Ji Fuan dumbfounded.

'What?! How can this be?'

All this time, his bodyguard had never failed to protect him. Not only did his bodyguard lose the fight, his bodyguard even lost so quickly.

It was as if the difference between Mu Huo and his bodyguard was like heaven and earth.

Chao Yang Sheng smiled happily when Mu Huo won the fight easily. Actually, he was a little worried earlier. He was afraid that Mu Huo would lose the fight.

'As expected of one of the most famous gangs in Shanghai, he is sure amazing.'

Chao Yang Sheng walked towards Ji Fuan and spoke, "Mr. Ji, I don't want to hurt you because I respect you as a business partner. If you agree with our idea, we will let you go. Otherwise...."

Even though Chao Yang Sheng didn't finish his words, he was sure that Ji Fuan knew what would happen to him if he refused their idea.

Xiao Tian, who had been sitting on the sofa from the start, spoke, "So, what is your choice, Mr. Ji?"

"I refuse!" Ji Fuan was still firm with his choice. "If you do something to me, I will report you to the police later."

"Aish..." Xiao Tian then looked at Chun Hua, who was standing behind him. "Chun Hua, how is it?"

"They are all in position and ready to take your orders, sir." Chun Hua replied.

"Mr. Ji, your daughter is so adorable. How old is she? Is she in middle school?" Xiao Tian looked at his smartphone. "Oh! I didn't know you had a pretty wife."

Ji Fuan gritted his teeth, and his eyes were filled with killing intent. If gazes could kill people, Xiao Tian would have been dead since he mentioned his wife and daughter.

"Just for information, my underlings are following them in secret right now." After saying that, Xiao Tian drank the red wine. "If you still don't agree with my words, I don't know what will happen to your beautiful wife and a lovely daughter."

Xiao Tian knew that he was using dirty methods, but he didn't show the slightest care about it. He was a person who would do anything as long as it could help him achieve his goals.

"Hey, stop looking at me like that. Nothing will change even if you look at me like that, you know?" like before, Xiao Tian behaved calmly again.

Chao Yang Sheng shifted his gaze from Ji Fuan to Xiao Tian.

'When I saw him on TV last year, I thought he was an innocent and kind young man, but I was wrong. I didn't expect that under his brilliant smile, there was an evil side of him that was hidden.'

Chao Yang Shen was sure that many people would not believe that a young man who looked kind and innocent was the leader of a famous gang.

"Mr. Ji, can you decide it quickly? I don't have much free time, you know." Xiao Tian still had a lot of things to do, so he wanted Ji Fuan to decide quickly "Or do you want me to capture and torture your daughter and wife first?"

Ji Fuan shifted his gaze from Xiao Tian to his bodyguard. Because his bodyguard was unconscious on the floor, he knew that he could not fight back.

Ji Fuan clenched his right hand. This was the first time someone had humiliated or treated him like that.

And what made him enraged was that the person who did that was much younger than him. He could accept it if Xiao Tian was from an upper-class family, but he knew that Xiao Tian was not from an upper-class family.

"Aish. It seems I have no other choice." Xiao Tian uttered,

When Xiao Tian was about to call his underlings, Ji Fuan spoke, "I accept it. I will do as you say."

Chapter 800 - Mr. Chao, Tomorrow Is Your Turn To Take Action

6-7 minutes

"I will do as you say." Ji Fuan had no choice but to do what they wanted or else, Xiao Tian would order his underlings to kidnap and torture his wife and daughter.

He loved his family so much, so he didn't want anything bad to happen to them. He would rather do as they please than see his daughter and wife being tortured by Xiao Tian's underlings.

"Good." Xiao Tian smiled happily after hearing Ji Fuan's remarks. "Don't worry, Mr. Ji. Like I said earlier, this is only temporary. You can cooperate with the Fibers company again later. You just need to wait when you can do that."

Like Xiao Tian, Chao Yang Sheng also smiled happily. "Mr. Fu. I want you to inform this to my family company tomorrow morning at 10:00 am."

"Oh right. If they ask you the reason, tell them that Chao Ming Hai's sons have harassed your family or relatives." Xiao Tian uttered, "Do you understand?"

"I understand." Ji Fuan answered.

"Good. You can go now." there were still several people he needed to deal with, so Xiao Tian wanted Ji Fuan to leave immediately. "And don't think about doing anything stupid because my underlings will continue to follow you in secret."

After Ji Fuan left, Chao Yang Sheng sat on the couch. "Mr. Xiao, the first step went smoothly."

"It seems like we can finish it today." Xiao Tian answered. "Mr. Chao, you can call the next target."

"All right." After seeing what had just happened, Chao Yang Sheng was sure that everything would go according to their plan later.

In the next few hours, Xiao Tian and Chao Yang Sheng met up with all of the Chao family's business partners. Out of nine people, six of them immediately agreed.

For the three people who disagreed with Xiao Tian and Chao Yang Sheng's words, their fate was the same as Ji Fuan's.

Of course, they ended up doing what Xiao Tian and Chao Yang Sheng wanted because they didn't want anything bad to happen to their family.

"Huft...Finally finish." Chao Yang Sheng spoke abruptly. "Mr. Xiao, how about we eat now?"

Because they were busy bullying ten people earlier, they forgot to eat lunch. It was already 04:00 pm, so Chao Yang Sheng was starving.

"Good idea." Xiao Tian was also hungry, so he agreed instantly.

After talking with Lan Ruoxi for about ten minutes, they traveled to the Bamboo Restaurant.

"Mr. Chao, tomorrow is your turn to take action." Xiao Tian spoke abruptly. "If you can take this opportunity well, I believe you can get your big brother down from his position. Maybe you can even take his position directly."

"Haha. Don't worry, Mr. Xiao. I know what I have to do tomorrow." Chao Yang Sheng laughed happily.

He had been eyeing the Fibers company for a long time, but now the opportunity to take over his elder brother's position was right before his eyes.

All he needed to do was take it, and he could control the Fibers company.

'I can't wait for tomorrow to come.'

Chao Yang Sheng's blood boiled in excitement when he imagined what would happen tomorrow.

"Mr. Chao, in order to prevent something bad from happening to you, I will send two martial artists to be your bodyguards tomorrow." Xiao Tian uttered, "Tomorrow is an important day for you, so we must not make a single mistake."

"Thank you, Mr. Xiao." Chao Yang Sheng answered.

They talked for another fifteen minutes before finally, they left.

'Damn it! There is no opportunity to kill him today.'

Flower gritted her teeth.

She had been following Xiao Tian since morning but had no chance to kill him.

It had been three days, and she still could not kill Xiao Tian, so she was annoyed by this. She didn't expect it to be so difficult to kill Xiao Tian.

At first, she wanted to attack Xiao Tian, but she changed her mind after seeing Mu Huo and Chun Hua. She didn't care about Chun Hua, but her mind told her that Mu Huo was a dangerous person.

After arriving home, Xiao Tian was surprised when he only saw Ye Xueyin in the family room. He tried to find Liu Ning and the others but could not find them.

He finally found out that they went somewhere together. And the reason why Ye Xueyin was alone at home was that she didn't want him to be lonely later.

For this reason, Xiao Tian headed to the family room to spend time with her after taking a shower. "Do you know when they will go back later?"

"I don't know." Ye Xueyin responded. "Maybe, at 09:00 pm."

"09:00 pm, huh?" Xiao Tian then turned his head towards the clock which was hanging on the wall, above the TV.

'It's still 6:30 pm, so there's still another two and a half hours before they get back home.'

Xiao Tian added in his head.

"And why are you wearing a very short skirt?" previously, Xiao Tian was surprised when he saw what she was wearing.

Ye Xueyin was wearing a blue T-shirt and a very short gray skirt. Her skirt was so short that it only covered her private place.

Instead of answering his question, Ye Xueyin inquired, "Did you forget our promise this morning?"

"Promise?" Xiao Tian tilted his head to the left side.

Today he had so many things to do and think, so Xiao Tian forgot their promise. Of course, he remembered that he had promised her something this morning, but he forgot what his promise was.

Ye Xueyin pouted after seeing Xiao Tian's face. From his expression, she could tell that Xiao Tian had forgotten his promise to her.

Xiao Tian pinched her cheeks and smiled, "Don't be sulky like this. It will reduce your beauty, you know?"

After saying that, Xiao Tian gave her a peck on the lips. Ye Xueyin smiled happily after being kissed by Xiao Tian.

'It's so easy to make her happy.'

Xiao Tian said in his head.

Because he wanted to lovey-dovey with her, he made her sit on his lap. "Let's just enjoy ourselves now."
