

ILLICIT RELATIONSHIP

Chapter 8 - The Legendary Relationship Part 2

Ye Xueyin immediately touched Xiao Tian's cock gently with her left hand before lifting it.

"Qingyu, look at these testicles!" after saying that, she lifted Xiao Tian's testicles with her right hand. "It's heavy! I'm sure there is a lot of sperm in these testicles."

The expression of deep shock blossomed on Xiao Tian's face. He found it hard to believe what he was seeing.

When she saw what her big sister was doing to her nephew, Ye Qingyu became braver and immediately touched his testicles too, "It's soft and heavy. It feels good to touch his testicles!"

"Isn't it?" Ye Xueyin said proudly

"Are you not embarrassed to do something immoral like this to me?" Xiao Tian did not expect that his mother and aunt would dare to play with his testicles.

"Shut up and let us enjoy this!" Ye Xueyin and Ye Qingyu said in unison

Xiao Tian was unhappy with their answer and immediately responded, "How could I do that? Both of you are touching my cock right now. What about me? At least, make me happy too!"

"What?! You want us to serve you?!" at this moment, Ye Qingyu was still playing with his testicles. She had forgotten that the testicles she was touching belonged to her nephew.

"At least, let me touch your breasts now! Ah! I don't mind if you two choose to give me a handjob or a blowjob." Xiao Tian answered instantly without hiding anything.

They were the ones who started it, so he decided not to hold back anymore. If they didn't do something immoral to him, Xiao Tian would never say such things until he died. He had never even thought about doing forbidden things with them before.

Upon hearing Xiao Tian's words, their eyes widened in surprise. "What?!"

Ye Qingyu and Ye Xueyin found it hard to believe what they were hearing.

Xiao Tian cleared his throat and uttered, "Ehmm. Have both of you ever heard about mutual concession? For example, give and take?"

"You want us to give you pleasure?! How shameless and immoral! How could you dare ask such a thing to your aunt and mother?" Ye Qingyu forgot that she was doing something immoral.

At this moment, Ye Qingyu and Ye Xueyin were still playing with his penis and testicles.

"I won't take NO for an answer!" Xiao Tian then squeezed Ye Xueyin's right breast using his right hand while his other hand was squeezing Ye Qingyu's left breast.

Ye Qingyu and Ye Xueyin let out a soft moan when Xiao Tian was squeezing their breasts,

When Xiao Tian found out that they were not wearing a bra under their nightgowns, his penis slowly stood up until it was completely erect.

This much surprised Ye Qingyu and Ye Xueyin.

'His cock is completely erect.'

Ye Qingyu and Ye Xueyin could not take their eyes off Xiao Tian's cock.

"It got bigger again!" Ye Qingyu said in amazement. "So big!"

"As expected of my son, he makes me proud!" Ye Xueyin raised her head to look at Xiao Tian's face before returning her attention to his cock again.

She grabbed his cock and began moving her right hand up and down. As she was giving a handjob, she unconsciously opened her mouth before finally gulping her saliva.

Ye Qingyu, on the flip side, stopped playing with Xiao Tian's testicles and looked at her big sister. Her eyes were focused on Xiao Tian's cock and her big sister's right hand.

Not long after that, their nipples were slowly erect, allowing Xiao Tian to see their erect nipples due to how thin their nightgowns were.

"Are you enjoying it, mother?" Xiao Tian asked as he pinched his mother's right nipple through the thin nightgown.

"Ahh..." Ye Xueyin tried her best not to moan but failed.

Then Ye Qingyu began to play with Xiao Tian's testicles again. Not long after that, she brought her face closer to his cock and sniffed his testicles.

At this moment, both his aunt and mother were already enjoying themselves, and because of this, the flames of lust within their bodies began to grow rapidly.

"What is it, aunt? Do you want to lick and suck my testicles?" Xiao Tian inquired, "You can do that, you know."

When he noticed his aunt sniffing his testicles, Xiao Tian knew that his aunt wanted to taste his testicles.

However, Ye Qingyu didn't answer and only opened her mouth before sticking out her pink tongue.

"If you can't hold back anymore, you can do whatever you want, you know." After saying that, Xiao Tian pinched Ye Qingyu's left nipple through her thin nightgown.

"Ahhh..." Ye Qingyu wailed in delight before licking Xiao Tian's testicles.

Because both his mother and aunt were giving him pleasure, Xiao Tian suddenly felt as if his mind was on cloud nine.

He had never thought that the first thing he did in the morning after taking over Xiao Tian's body was something immoral like this. However, he enjoyed it and thanked heaven for the gift.

Not only was he given a second chance to live again, but he was also able to do something immoral with his beautiful mother and aunt.

"Tian, does it feel good?" Ye Xueyin inquired while still giving a handjob.

Her eyes were full of lust, and she no longer cared that they were doing something immoral at that time.

"It feels good." When Xiao Tian suddenly felt a tongue licking the tip of his cock, he lowered his head and looked at his cock.

He was startled when he saw his mother licking the tip of his cock while still giving him a handjob.

At this time, Ye Xueyin no longer cared if someone would label her as an immoral mother or something like that because it had been a long time since she saw a cock again, so she just wanted to satisfy herself.

After divorce, she never had a boyfriend or thought about remarriage because all she had in mind was how to give happiness to her son and younger sister.

Because Ye Qingyu felt that her thong was wet with her love juices, she immediately touched her wet thong using her left hand while still licking Xiao Tian's testicles.

Xiao Tian didn't want to lose to them, so his hands went under their nightgowns from the top of their nightgowns to directly feel their bare breasts and play with their erect nipples.

"Ahhh..." Ye Qingyu and Ye Xueyin cried out when Xiao Tian was pinching their nipples.
