

Illicit 801

Chapter 801 - Do You Like What You See?

"By the way, why are you wearing a short skirt?" Xiao Tian inquired, "Is today a special day?"

After saying that, Xiao Tian grabbed the hem of her skirt. The expression of deep shock blossomed on his face when he found out that Ye Xueyin was not wearing panties.

'What is this? Bare pussy?'

Xiao Tian was speechless when he saw her pussy. He then shifted his gaze from her vagina to her face.

Instead of feeling shy, Ye Xueyin smiled happily. "How is it, Tian? Do you like what you see?"

Actually, one of the reasons why Ye Xueyin decided to stay at home was that Xiao Tian had promised that he would have sex with her after returning home.

That was why she was wearing a short skirt without panties. Not only could it make Xiao Tian horny, but it would be easier for them to have sex because she would not have to take her panties off later.

After seeing her pussy, Xiao Tian finally remembered his promise. "I see. I remember now."

"I'm glad you remember it." Ye Xueyin smiled happily.

"So this is what you want, huh?" after saying that, Xiao Tian rubbed her vagina with his right index and middle fingers.

"Tian, how is it? Do you like playing with my vagina?" after saying that, she spread her legs as wide as she could.

Not only that, but she also spread her pussy as if she wanted him to play with her vagina immediately.

"This beautiful and soft pussy is indeed my favorite." Because she was spreading her pussy, Xiao Tian instantly rubbed her clitoris and vulva.

"Ahhh.." Ye Xueyin tilted her head back and let out a seductive moan.

Because she had been thinking about having sex with Xiao Tian since several minutes ago, her pussy was wet in no time.

When Xiao Tian noticed it, he immediately spoke, "What is this? Are you so horny? It seems like you have been thinking about dirty things since earlier."

"It's because I have been waiting for this moment since several minutes ago." Ye Xueyin gave an honest answer.

Because her pussy was already wet, Xiao Tian decided to thrust his right middle finger into her wet vagina.

"Hmm...Ah...Ah..." like before, Ye Xueyin instantly wailed in delight. Because they were alone at home, she didn't hold back her moan. "Tian, more...Ah...Ah...More...."

Instead of doing what she wanted, Xiao Tian stopped what he was doing.

Ye Xueyin looked at him and asked, "Why?"

Xiao Tian did not answer her question and instantly turned her body. Now she was sitting on his lap with her back facing him.

Because he wanted to play with her vagina again, Xiao Tian spread her legs widely. "Now I'm going to make you have an orgasm."

Without waiting for another second, Xiao Tian thrust his right middle and index fingers into her wet pussy. Because Ye Xueyin wanted to feel pleasure, Xiao Tian moved his fingers back and forth quickly.

"Ahh...Ah..." even though Ye Xueyin was startled when he suddenly thrust two of his fingers into her vagina, but she said nothing and only wailed.

The faster Xiao Tian moved his fingers, the faster her love juices came out of her vagina. Because of this, the sofa got wet in no time.

"Ah...Ah...Ah..." Ye Xueyin's head fell on Xiao Tian's left shoulder.

Her mouth was open, and her mind was already on cloud nine. Even though her saliva was dripping down from the corner of her mouth, she didn't show the slightest care about it. At that time, all she did was moan and wail.

Because she was already horny before Xiao Tian arrived home, it didn't take a long time for her to reach her limit. "Cumming...Cumming... I'm cumming...."

*Splurt...

Because she had a massive orgasm, and some of her nectar fell on the table while some dropped on the floor.

As usual, her body instantly quivered for several seconds after having an orgasm. However, because the flames of lust had consumed her body, she wanted to feel more pleasure. "Tian, let's have sex now. It's not enough. I want to do it now."

Because Xiao Tian knew that something like this would happen, he was not surprised by her words. "Sure."

After saying that, Xiao Tian put her down and took off his trousers. He didn't take off his shirt because there was no need to do that.

Ye Xueyin's face turned even more lustful after seeing his erect cock. Without waiting for another second, she stood in front of Xiao Tian.

They were facing each other at this time, so Xiao Tian could tell how much she desired to have sex with him because all of that could be seen on her face.

After grabbing Xiao Tian's cock and placing it on her vagina entrance, Ye Xueyin lowered her body, causing his cock to slowly enter her wet pussy. "Ahhh..."

And like this, the family room was filled with her moans.

"Are you satisfied now?" Xiao Tian inquired.

Currently, he was lying down on the sofa, naked. On top of him, Ye Xueyin was lying face down, naked.

Previously, they had sex for about an hour and a half. In that hour and a half, they did it in a variety of styles, from missionary to doggy style.

Their love juices were even in many places like on the sofa, table, or floor. As usual, none of them cared about that.

"I'm satisfied." Ye Xueyin smiled happily.

Today, she had a lot of sex with Xiao Tian, so she was pleased. Even though her pussy was now sore, it didn't reduce the happiness she felt.

"Tian, let's head to my room." Ye Xuein uttered, "I want you to sleep in my room tonight. You will agree, right?"

Xiao Tian pinched her cheeks and smiled, "How can I refuse my lover's wish."

"Hehe." Like before, Ye Xueyin smiled happily.

Then Xiao Tian and Ye Xueyin headed to her room. Because they watched TV naked, they ended up having sex again.

That night, Ye Xueyin was thrilled. It had been a long time since she could have a lot of sex with Xiao Tian in a day like that. That was why she slept with a smile on her face.

Chapter 802 - Going To Fuku City With Ren Aoxu

7-9 minutes

The following morning, Xiao Tian went to Eternal Beauty company to work. As he was working seriously, Ren Aoxu suddenly called him.

"Hello?" Xiao Tian spoke after picking up the phone.

"Senior Brother, I have got important information. Someone said he saw one of the senior disciples from our Martial Arts School in Fuku city." Ren Auxu went straight to the point.

"Really?" Xiao Tian said in surprise.

If what Ren Aoxu said was true, then it was good news for him. Not only could he learn about the history of Moon Sword Martial Arts in his current world, but he could recruit that person too.

Ren Aoxu said that person was a senior disciple, so there was a high chance that he/she was a strong martial artist. He just hoped that she/he was not a jerk.

[A/N=He doesn't know the gender.]

"I have no idea if it's true or not. That's why I want to go to Fuku city to confirm it." He and Xiao Tian were the only disciples of the Moon Sword Martial Arts School, so Ren Aoxu really wanted to confirm it.

If the information was accurate, it was good news for them. Maybe they could learn in detail about the disappearance of their martial arts school and find out who the mastermind was.

"Where are you right now?" Xiao Tian inquired, "I will go to Fuku city with you."

"I'm at home." Ren Aoxu responded.

"Wait there. I'm going to your house now." Without waiting for another second, Xiao Tian went to Ren Aoxu's house.

Because they didn't want to waste time, Xiao Tian and Ren Aoxu went straight to Fuku city. Fuku City was located in the southeastern part of the Jiazuo district.

It was a small city close to the villages. Because it was a small city, there were no tall buildings, and it still had many forests.

What Xiao Tian and Ren Aoxu didn't know was that Flower was following them secretly. She was determined that she must succeed in killing Xiao Tian today.

After driving for about two hours, they finally reached their destination. Since Xiao Tian was tired of driving, they stopped at the coffee shop to rest for a while.

As usual, they chose an outdoor place because, in their view, it was better to drink coffee outdoors than indoors.

At this moment, Flower was sitting not far from them. As she was sipping her coffee, her eyes were focused on Xiao Tian.

'From the information, that person is Ren Aoxu. He is only a martial artist at the low-level master stage, so it's easy to handle him.'

Because Xiao Tian was only with Ren Aoxu, Flower thought it was an excellent opportunity to kill him.

'There will be a lot of opportunity to kill him so I don't need to rush everything.'

Of course, Flower knew the reason why Xiao Tian and Ren Aoxu went to Fuku city.

At this moment, two delinquents were walking past them. But when they saw Flower, they instantly stopped their footsteps and turned around.

Currently, Flower was wearing normal clothes, so anyone could see her pretty face. And because she had been practicing martial arts since a little, she had a good body too.

Fuku city was a small city, so it was rare for them to see a woman as beautiful as Flower.

'What a beautiful woman! That pretty face and perfect body, it's so amazing.'

Those delinquents exchanged a glance with each other before nodding their heads as if they had agreed on something.

It was very rare for them to see a woman as beautiful as Flower, so they didn't want to let the opportunity to play with her slip away.

Because Flower looked like a weak young lady, they had no idea who Flower was. In their eyes, Flower was a weak woman who could not do anything to them.

'It looks like today the heaven have sent us a gift.'

Those were the words that appeared in their minds.

Because Flower was focused on Xiao Tian, she didn't realize when those delinquents were walking towards her.

"Beauty, are you alone?" the green-haired delinquent spoke when he was next to Flower.

"If you are alone, how about we accompany you?" the red-haired delinquent added.

Flower shifted her gaze from Xiao Tian to those delinquents. Even though they had tried to hide their evil intentions towards her, she was still able to see it because they kept checking her body, like her breasts or legs.

'These bastard! It seems like they are tired of living.'

Because she had fought many martial artists and killed many people, she was not afraid of them.

She even wanted to kill those delinquents immediately because, in her eyes, they were trash; no, they were lower than trash.

Flower's eyes gleamed with terrifying sharpness as she stared at those delinquents. She was enraged because they were disturbing her job.

The hearts of those delinquents almost jumped out when they saw her terrifying gaze.

'Ehhhh! What is this? Why does she look so scary?'

Even though Flower only stared at them without saying a single word, they still felt uneasy.

But because they were only martial artists at the high-level apprentice stage, they could not feel the deadly aura around Flower's body.

They thought it was only their imagination. For this reason, they kept trying to seduce Flower.

"Beauty, stop looking at us like that." The green-haired delinquent uttered, "We have no bad intentions towards you. We just want to be friends with you."

"That's right." The red-haired delinquent added. "We have never seen you before. I'm sure you're new to this town. We know a lot of good places in this city, so how about we go to those places together now?"

Even though the red-haired delinquent did know a lot of good places but when he said that, what he meant was that a place to do adult things.

"Leave!" Flower only said one word.

At this moment, Ren Aoxu saw what those delinquents were doing. "Senior brother, there are two delinquents bullying a woman."

"Delinquent?" Xiao Tian turned his head to take a look.

'It's her?!'

Xiao Tian was startled when he saw Flower.

Of course, Xiao Tian remembered her because the way they met was always unique. Not only that, she even didn't show any interest in him when they sat side by side in the Juice shop.

No, she even treated him like air in the Juice shop. That was why he was curious about her. He just didn't expect to see her again.

'What is she doing here?'

Xiao Tian suddenly wanted to know what Flower was doing in Fuku city.

"Senior brother, do you know her?" Ren Aoxu inquired.

Xiao Tian had an expression as if he knew Flower when he saw her. That was why Ren Aoxu wanted to know Xiao Tian's relationship with Flower.

"No." Xiao Tian answered as he shook his head. "But we met twice in the last few days. And the way we meet was always unique."

"Unique?" Ren Aoxu tilted his head to the left.

"Yes. We always bumped into each other." Xiao Tian gave an honest answer.

"I said leave!" Flower could no longer hold back her anger when those delinquents kept bothering her.

Instead of leaving, those delinquents sat in front of her. The red-haired delinquent then said, "Beauty, you sho-"

"She wants you to leave so you should leave immediately." Xiao Tian's voice rang out.

Chapter 803 - I'm Her Friend

6-8 minutes

"She doesn't want to get disturbed, so you two should leave immediately." Xiao Tian spoke as he walked towards Flower and those delinquents.

Even though he was not a saint or a hero, but because they had bumped into each other and he was also curious about her, Xiao Tian decided to help her.

Like those delinquents, Xiao Tian also had no idea that Flower was skilled in martial arts. He thought she was a weak woman who knew nothing about martial arts or defending herself.

Because Xiao Tian chose to help Flower, Ren Aoxu instantly stood next to Xiao Tian. Because he was a good person, he could not stand it when bad people bullied a woman.

Flower instantly shifted her gaze from those delinquents to Xiao Tian.

'He is...'

Flower was surprised when Xiao Tian decided to help her. She didn't expect him to do that.

Of course, it didn't change her intention to kill him. Xiao Tian was her target, so whatever he did for her, she would still kill him.

One of her principles was she would kill her target after receiving the money. It was her motto so she would not change her mind just because Xiao Tian wanted to help her from those delinquents.

Those delinquents were unhappy when Xiao Tian suddenly disturbed them. They were trying to seduce Flower, so Xiao Tian's actions really annoyed them.

"Who are you?" the green-haired delinquent asked angrily.

"I'm her friend." Xiao Tian lied to them.

"We have important business with your friend, so don't disturb us." The red-haired delinquent stated. "Otherwise, you will regret it later."

Even though those delinquents made a terrifying expression, Xiao Tian still behaved normally. From their behavior, he was sure that they were weak martial artists.

At this moment, Flower still didn't say anything. She was only staring at Xiao Tian.

'Wait! Isn't this a good chance to injure him? If these delinquents can injure him, it will be easier for me to kill him later.'

Flower suddenly wanted Xiao Tian to fight those delinquents and hoped those delinquents could injure Xiao Tian later.

'Good! Fight, just fight.'

Since Xiao Tian had the intention to help her, she could not say it directly. She also could not show any signs that she wanted them to fight because he would be suspect of her later.

"Oh! I have heard those words a lot lately." Xiao Tian spoke and paused for a second before he continued, "But they all ended up either running away or fainting on the ground."

"It seems like you will continue disturbing us if we don't teach you a lesson." The green-haired delinquent uttered, "Brother, let's teach him a lesson."

"All right." The red-haired delinquent agreed.

Because Flower looked like a weak woman, they were sure that they would have conquered her if Xiao Tian had not bothered them.

At this moment, Flower laughed happily in her head.

'Good. Hurry up and fight.'

Those were the words that appeared in her mind.

Without waiting for another second, those delinquents threw out their fists at Xiao Tian. However, because they were only martial artists at the high-level apprentice stage, the difference between them and Xiao Tian was like heaven and earth.

Whether it was speed, strength, or reflexes, Xiao Tian was far superior to them. For this reason, Xiao Tian managed to kick them before their fists landed on his face.

*Uaakk...

They were sent flying two meters back before falling to the ground.

Due to how strong Xiao Tian's kicks were, they felt immense pain. At this moment, they finally realized the difference in strength between them and Xiao Tian.

'He is a martial artist at the master stage!'

Even though they had no idea whether Xiao Tian was at a low, mid, or high level, but they were sure that Xiao Tian was a martial artist at the master stage.

They were already at the high-level apprentice stage, but Xiao Tian's kicks were much stronger and faster than theirs, so they knew that they would not be able to defeat Xiao Tian.

"Big...big brother, please forgive us. We were wrong...we were wrong." The green-haired delinquent said with terror in his eyes.

"Yes, big...brother. Please....please forgive us." The red-haired delinquent added.

Their bodies could not stop trembling when they saw Xiao Tian walking closer towards them. Because they had annoyed him earlier, they thought Xiao Tian wanted to keep beating them.

Since they didn't cause any trouble for him, Xiao Tian just kicked them in the head before speaking. "Leave!"

"Yes, yes...We will leave immediately." Those delinquents instantly ran away after rising to their feet.

They were afraid that Xiao Tian would change his mind if they remained in that place. Sure, Flower was a gorgeous lady, but they would rather save their lives than continue to seduce her.

Xiao Tian instantly turned around, and his terrifying expression was back to normal. "Lady, are you alright?"

"I'm fine." Flower answered as she smiled. "Thank you for helping me from those delinquents."

'What a pity!'

She was disappointed when she knew that Xiao Tian was fine.

Previously, she really hoped those delinquents could injure him, but she didn't expect that they were so weak.

"You are that lady, right?" Xiao Tian inquired, "What are you doing here?"

When Xiao Tian said 'that lady', Flower knew that he was referring to her. They always bumped into each other every time they met, and they didn't know each other's name, so it was normal for him to say she was that woman.

"Yes. It's me. I'm visiting my aunt. She lives in this city." Of course, Flower lied to him because the reason why she was in Fuku city was that she wanted to kill him.

"I see." Xiao Tian was not suspicious of her.

"What are you doing here?" Flower inquired.

"I have business in this city." Xiao Tian didn't tell her everything because there was no point in doing that.

At this moment, Flower suddenly found an excellent idea to kill Xiao Tian.

'Wait! If we become friends, we will have a lot of time together. Doesn't this mean there will be more opportunities for me to kill him?'

After thinking for several seconds, Flower decided to pretend she wanted to be his friend.

Chapter 804 - Bad News

6-7 minutes

Since Flower pretended to want to be friends with Xiao Tian, she immediately spoke, "Please have a seat."

At first, Xiao Tian and Ren Aoxu wanted to return to their seats, but they decided to sit in front of her because she said something like that.

Xiao Tian was still curious about her, so he would not refuse her offer. He thought it was an excellent opportunity to know more about her.

Flower then stretched out her right arm and smiled, "My name is Rose."

Of course, Rose was also her fake name. Because Xiao Tian was her target and she only pretended to want to be his friend, she thought there was no point in using her real name.

"Xiao Tian." at first, Xiao Tian wanted to use his fake name, but because he was not wearing a mask or silicon head mask, he decided to use his real name.

"Ren Aoxu." Like Xiao Tian, Ren Aoxu also gave his real name.

They then began to talk about many things.

Fibers Company, Chao Ming Hai's office.

'Huft. There is still no news from Miss Flower. It seems like Xiao Tian is still alive.'

Chao Ming Hai, who was sitting on his office chair, sighed.

Even though he said to Flower that he could wait more than a week, but deep inside him, he wanted Xiao Tian to die quickly.

As Chao Ming Hai was deep in thought, someone suddenly knocked on his door. "Come in."

A gorgeous lady about twenty-seven years old stepped into his office. "Sir, we have bad news."

"Bad news? What is it?" at this moment, Chao Ming Hai was still calm.

"All...all of our business partners suddenly decided to stop cooperating with us." She had a complicated face when she informed him about what had just happened to the Fibers company.

"What?!" Chao Ming Hai was shocked after hearing her words.

"Not only that, but there are a lot of bad rumors about you and your two sons on the internet." She spoke and paused for a second before she continued, "Because of these bad rumors, several companies that had accepted to cooperate with us suddenly changed their decision."

Chao Ming Hai gritted his teeth. He immediately looked for the news on the internet. Not only on social media, but even the company's website was full of hateful comments about him and his two sons.

At this moment, two people suddenly stepped into Chao Ming Hai's office. They entered his office without knocking on the door as if it was their office.

"Ming Hai, what have you done?! Why have all of our business partners suddenly decided to stop cooperating with our company?" an old man around sixty-five years old pointed his walking cane at Chao Ming Hai.

From his expression, anyone could tell that he was furious. His old eyes were filled with flames of fury as he stared at Chao Ming Hai.

Yes, this person was Chao Chang Lan, Chao Ming Hai's father. Previously, he was resting in his home, but he immediately traveled to the Fibers company after hearing bad news about his family company.

"Brother, what have you done to the company?" Chao Yang Sheng asked as he stepped into Chao Ming Hai's office.

Behind him, two people were standing quietly. Those people were the members of the Shadow gang. But since Xiao Tian didn't want anyone to get suspicious, he told them to wear silicone head masks.

"Father, you are also here?" Chao Yang Sheng was pleased when he saw his father.

'Good! With this, it will be easier to get him down from his position.'

He was even happier when he saw his father's angry face.

"Yes. I came here because your brother is causing big trouble for the company." Chao Chang Lan told Chao Yang Sheng the reason why he was in Chao Ming Hai's office.

"Father, calm down." Chao Ming Hai tried to calm his father.

"Calm down, your ass!" Chao Chang Lan was furious, so Chao Ming Hai's words were useless. "You and your two sons have caused a lot of troubles for the company, and you still want me to calm down? Where are your two sons? I want to talk to them now."

Chao Chang Lan didn't live together with Chao Ming Hai, so he had no idea that Chao Ximeng and Chao Dong had been missing since several days ago.

Chao Chang Lan also believed the rumors because he knew the personality of Chao Ximeng and Chao Dong.

"Father, my two sons are missing now." Chao Ming Hai replied, "I'm still looking for them now."

"Stop lying to me! You just want to protect them, right? Hurry up and call them here." Of course, Chao Chang Lan didn't believe Chao Ming Hai's words because he knew that Chao Ming Hai loved his two sons so much to the point he always granted their wishes.

"Father, I'm not lying. I'm telling the truth." Of course, Chao Ming Hai had guessed that his father would not believe his words.

"Forget it!" Chao Chang Lan then sat on the couch. "Now tell me, what have you done?"

After sitting on the couch, Cha Ming Hai replied. "Father, I didn't do anything. I didn't know about that either."

Chao Chang Lan instantly hit Chao Ming Hao's right shoulder with his walking cane. "If you don't do anything, there's no way they suddenly decided to stop working with our company. Because of you, the good reputation of the company is destroyed."

"Brother, you better be honest with us." Chao Yang Sheng, who was sitting next to his father, spoke. "There are so many bad rumors about you and your two sons on the internet."

"We all know that your two sons have bad personalities, so you don't need to protect them." Chao Chang Lan uttered, "I never forbid you to spoil your two sons, but why don't you stop them when they want to do something to our company's business partners? They even kidnapped and injured family members and relatives of our business partners. Do you think your two sons are worth more than the family business?"

Chao Yang Sheng could not help but laugh in his head when his father was getting angrier at Chao Ming Hai.

'I can't let this chance slip away.'

Chao Yang Sheng planned to make his father even angrier with Chao Ming Hai or Chao Ming Hai's sons so that his father would remove Chao Ming Hai from his position.

Chapter 805 - Don't Disappoint Me Later, Sheng

7-8 minutes

"Not only did you make all of our business partners stop collaborating with our company, you even destroyed our company's good reputation." Chao Chang Lan was furious.

At this time, he suddenly regretted choosing Chao Ming Hai to inherit his position in the company. He had built the Fibers company from scratch since he was eighteen years old, and now all his efforts to earn a good reputation and become bigger, had been blown to pieces.

It would be difficult to regain the good image of the company, and as a result, it would be challenging to make the company bigger because everyone didn't want to cooperate with a company that had a bad reputation.

"Father, please believe me. I didn't do that. Someone has slandered my sons and me." Of course, Chao Ming Hai tried his best to calm his father down.

"I have called all the shareholders. If they still want you to remain in your position, I will let you go, but if they want you to step down, your brother will replace you later." even though Chao Chang Lan could immediately replace Chao Ming Hai with Chao Yang Sheng, he didn't do that.

Chao Ming Hai had contributed a lot since he inherited his position as CEO of Fibers company. That was why he wanted to hear the opinion of the shareholders.

"What?!" Chao Ming Hai found it hard to believe what he was hearing.

One mistake. Only one mistake and his position as the CEO of the company was a danger. He was furious, but he could not do anything to his father.

Unlike Chao Ming Hai, who was enraged, Chao Yang Sheng laughed happily in his head after hearing his father's words.

He had a good relationship with the shareholders, so he was sure they would choose him because his brother had caused a big problem.

After one of the employees informed them that all the shareholders had arrived, they immediately headed to the meeting room.

The meeting room was quite big and luxurious. There was a long black table with ten chairs on either side in the middle of the room. There was also a large screen hanging on the wall, in front of the table.

When Chao Chang Lan stepped into the meeting room, everyone in the meeting room rose to their feet and greeted him.

Chao Chang Lan only smiled and gave them a sign to sit down before sitting on the chair, which was located right in front of the huge screen.

When Chao Yang Sheng saw his brother sitting next to his father, his lips curled into a smirk.

'Soon, that chair will be mine.'

Chao Yang Sheng then sat down on the chair near his father.

"I will get straight to the point." Chao Chang Lan spoke and paused for a second before he continued, "I'm sure you all know what has happened to the Fibers company. I'm holding this meeting because I want to hear your opinion about my son, Chao Ming Hai. I would like to hear your opinion first before deciding whether I will get him step down from his position or not."

"Mr. Chao, can we know who will take Mr. Chao Ming Hai's position if you make him step down from his position?" one of the shareholders inquired, "Is that person, Mr. Chao Yang Sheng?"

"Yes. We want to know about it first." The other shareholders said in unison.

"Yes." Chao Chang Lan responded. "That person is my other son, Chao Yang Sheng."

Due to how happy he was, Chao Yang Sheng almost laughed happily. Luckily, he was still able to control himself.

'I have never had a problem with them, so I'm sure they all have a good impression of me. They also know my contribution to the company.'

Chao Yang Sheng was ninety-nine percent sure that they would choose him as the CEO later.

The shareholders exchanged a glance with each other. They were thinking about the advantages and disadvantages of everything.

After thinking for more than a minute, one of the shareholders spoke, "I think it's better to replace Mr. Chao Ming Hai with Mr. Chao Yang Sheng."

"I think so too." another shareholder uttered, "Many companies have decided to stop their cooperation with Fibers company because of what the sons of Chao Ming Hai have done to their families or relatives."

"I also agree." Another shareholder said, "Even all the potential business partners suddenly changed their minds. If we don't change the CEO now, it will be challenging for the company to grow bigger."

Chao Yang Sheng's blood boiled in excitement after hearing their words.

'One more step, and I will be the next CEO of the Fibers company.'

Chao Yang Sheng tried his best to remain calm because it could ruin his good image.

"Yes." another shareholder spoke, "We also know how much Mr. Chao Yang Sheng has contributed to the company."

Because his position was in danger, Chao Ming Hai suddenly defended himself. "Wait. Please think about this carefully. I know that my son and I have caused big trouble to the company, but I promise to resolve this problem immediately. Please give me a chance."

"Mr. Chao Ming Hai, I know you have been working hard for the company, but the trouble you have caused is not small." One of the shareholders spoke, "Even if you resolve the problem, it doesn't guarantee that things will go back to how they used to be."

"Yes." another shareholder spoke, "We need a new CEO so the company can get a better reputation instantly."

Of course, Chao Ming Hai could not accept it. "You ne-"

However, before Chao Ming Hai had finished his words, he was interrupted by Chao Chang Lan. "Ming Hai, stop it. You can't force them to do what you want."

"But father, I can resolve this problem in no time." Chao Ming Hai spoke, "I promise."

Chao Chang Lan ignored Chao Ming Hai's words and returned his attention to the shareholders. "Please raise your hand if you want Chao Ming Hai to step down from his position."

One by one, the shareholders raised their hands. There were only two people who didn't raise their hands.

However, because the shareholders, who did not raise their hands, were fewer, Chao Chang Lan knew what he had to say. "Now I announce that the new CEO of Fibers company is Chao Yang Sheng."

Chao Yang Sheng could no longer hold back the happiness he was feeling. His dream of becoming a CEO for a long time finally came true.

He then rose to his feet and spoke, "Thank you all for this opportunity. I promise to do my best to make the company bigger. I will also try to get all our business partners to cooperate with us again later."

"We will look forward to it, Mr. Chao Yang Sheng." The shareholders said in unison.

Chao Chang Lan turned his head towards Chao Yang Sheng and spoke, "Don't disappoint me later, Sheng."

Chao Yang Sheng looked at his father and replied, "Don't worry, father. I promise I won't let you down."

As Chao Yang Sheng had a happy smile on his face, Chao Ming Hai gritted his teeth.

Chapter 806 - Should I Kill Him Now?

6-7 minutes

Since most of the shareholders agreed to replace the CEO, he could not change his father's mind.

'Why am I having so much bad luck lately?'

Not only were his two sons missing, but his position as CEO was also even snatched away from him. It was as if he was being loved by bad luck.

*Click...

Two police officers suddenly entered the meeting room.

'Police?!'

The expression of deep shock blossomed on the faces of Chao Chang Lan and the shareholders.

Because Chao Yang Sheng knew something like this would happen, he was not surprised. But he still behaved normally because it would be suspicious if he showed a happy expression.

"Mr. Chao Ming Hai, please follow us to the police station." One of the police officers spoke while showing the arrest warrant.

Chao Chang Lan rose to his feet and walked towards the police officers, "Officer, why do you want to take my son to the police station?"

"Mr. Chao, your son, has committed many crimes, and I'm sure you already know about this." One of the police officers responded.

Chao Chang Lan had no idea what to say. There were many bad rumors about grandsons on the internet.

It was said that they had been harassing or kidnapping several people recently. Basically, Chao Ming Hai's two sons often did whatever they wanted.

The secret was only revealed now because all this time, Chao Ming Hai had protected his two sons with his connections and position as CEO of Fibers company.

Then, police officers took Chao Ming Hai to the police station for questioning.

"Maybe the information is not true." Ren Aoxu spoke abruptly.

Currently, Ren Aoxu and Xiao Tian were sitting on the public seating. After talking with Flower for about twenty minutes, they began to look for their martial brother/sister.

"Don't give up easily." Xiao Tian responded. "Maybe we can find a clue about him/her later."

"I hope so." They had asked many people before, but they all did not have accurate information.

"Let's go to the hotel first to take a shower. After that, we can continue looking for our martial brother/sister again." They had been looking for their martial brother/sister for several hours, so Xiao Tian's body was sweating now.

"All right." Ren Aoxu nodded his head.

After taking a shower, they rested at the hotel for about thirty minutes before looking for their martial brother/sister.

When Xiao Tian saw an old man around fifty-six years old, he immediately asked, "Excuse me, elder. We are looking for our martial arts brother/sister. He/she was the one who saved a little girl from robbers two days ago. Do you know where he/she lives?"

"Oh! That person?" the elder spoke.

The eyes of Ren Aoxu and Xiao Tian shone because it seemed like he knew about their martial brother/sister.

"Yesterday, I saw her in the abandoned house." The elder spoke, "That house is not far from here. You just need to walk straight for about six hundred meters, and you will see that house. The house is built of bamboo and is located near a small river."

"Thank you, elder." Xiao Tian and Ren Aoxu spoke in unison.

Without waiting for another second, they headed to that place.

"Is this the house the elder was referring to?" Xiao Tian asked.

"I think so." Ren Aoxu responded.

In front of them, there was a small house built of bamboo. Even though the house was small, the scenery around it was stunning.

There was a small river on the left side of the house. Coupled with the beautiful green forest around the house made it a great place to relax and unwind from the cruel world or the busy city.

Despite all the good things, there were also some bad things. First, there was not a single house around it. And secondly, it was pretty far from the central city, so they would have to walk more than a kilometer if they needed anything.

When Xiao Tian was in front of the bamboo house, he uttered, "This little garden seems to be often taken care of by someone."

In front of the house, there was a small garden with some flowers and vegetable plants. From the looks of it, Xiao Tian was sure that someone had taken care of the garden.

"Yeah. That's a sign that someone lives in this house." like Xiao Tian, Ren Aoxu was happy when he saw the garden. "I hope the person who lives here is our martial sister."

However, no matter how many times they knocked on the door, no one answered or opened the door.

Xiao Tian and Ren Aoxu exchanged a glance with each other.

'It seems like she is not at home.'

Since no one answered them, they knew that the house was empty.

"Let's try and find her around here." Xiao Tian uttered,

"All right." Ren Aoxu agreed with Xiao Tian's idea. "Senior Brother, you look in that direction, and I will search in this direction."

It would be better to look for their martial sister separately because, with this, their chances of finding her were higher.

"All right." Xiao Tian nodded. "Remember not to look for her too far."

Xiao Tian and Ren Aoxu began to look for their martial sister.

'Rose?'

Xiao Tian was startled when he saw Flower.

Without waiting for another second, he walked closer towards her. "Rose, what are you doing here?"

Flower pretended to be surprised when she saw Xiao Tian. "I'm here to find herb for my aunt."

'Of course, I lied because I'm here to kill you.'

Flower added in her mind.

"Herb? Is your aunt sick?" Xiao Tian asked again.

"Yes." Flower lied to Xiao Tian. "But her condition is not serious."

'There is no one around us. Should I kill him now?'

Xiao Tian then walked forward and stood on the edge of the cliff. "This place is so amazing. The air is still fresh, unlike in big cities where many places are polluted."

When Flower saw Xiao Tian standing on the edge of the cliff, she was pleased.

'Good. I just had to push him, and I'm sure he would die later.'

With that in mind, Flower walked towards Xiao Tian and was ready to push him off the cliff.

Chapter 807 - Fighting The Delinquents Again

7-9 minutes

Because Flower was behind him, Xiao Tian had no idea when she wanted to push him off the cliff.

'Thank you for saving me yesterday and goodbye.'

Even though Xiao Tian had helped her yesterday, her decision to kill Xiao Tian did not waver in the slightest.

However, something unexpected happened. When she was about to push Xiao Tian off the cliff, the delinquents, who disturbed her yesterday, suddenly appeared.

This time, they also came with their friends. They came with fifteen of their friends. The reason why they brought so many friends was that Xiao Tian was skilled in martial arts.

Half of them were martial artists at the low-level master stage, while the rest were at the high-level apprentice stage. With this many martial artists, they were sure that they could defeat Xiao Tian later.

"Oh! I didn't expect to see you in this place, beauty." The red-haired delinquent was startled when he saw Flower.

Actually, they only wanted to beat Xiao Tian. He just didn't expect to meet Flower again when he tried to teach Xiao Tian a lesson.

"It seems like the heaven is helping us, brother." The green-haired delinquent laughed happily when he saw Flower.

Xiao Tian instantly turned around. "Oh! Weren't you the delinquents from yesterday?"

Even though he was facing seventeen enemies, Xiao Tian still behaved normally as if they were children who wanted to take revenge on him.

"Yes. We are the delinquents from yesterday." the green-haired delinquent responded. "We came here to take revenge on you."

"This time, we will beat you to death." The red-haired delinquent uttered, "Don't ask for forgiveness because it's useless."

Actually, they were shocked when they saw Xiao Tian's expression. They came with fifteen of their friends, but Xiao Tian still had a calm face as if they were nothing in his eyes.

"Ask for forgiveness? Who wants to ask for forgiveness?" even though Xiao Tian said something like that, he still wanted to avoid the fight.

He didn't mind it if he was alone, but fighting while protecting Flower was very difficult to do because his enemies were seventeen people.

"Oh! You still act high and mighty, huh?" The green-haired delinquent said, "Is it because she is next to you?"

"Even though you beat us yesterday, but don't expect the same thing to happen again. We have brought fifteen people with us so we already know what will happen later." The red-haired delinquent was sure that Xiao Tian would not be able to defeat them.

Sure, Xiao Tian was a martial artist at the master stage, but they also had a martial artist at the master stage. There was even more than one.

Xiao Tian grabbed Flower's right hand and spoke, "Rose, stand behind me."

Flower was startled by his words.

'He still wants to protect me?!'

Because his enemies were seventeen people, Flower thought Xiao Tian would run away and leave her.

It was normal for people to think about their safety first in a dangerous situation because humans were born selfish.

Sure, something like that sometimes would not happen if they were lovers or family, but the relationship between Xiao Tian and Flower was not like that. She even wanted to kill him many times.

Flower wanted to know why Xiao Tian still chose to protect her. "Why are you doing this? Would not it be easier for you to escape from this situation if you left me behind?"

Xiao Tian didn't answer her questions because he had no idea what to say. Yes. They were not friends, lovers, or family. They even only met a few times.

Sure, they had chatted for a few minutes, yesterday. But their relationship was only at the level of knowing each other.

But at that time, his little heart told him to protect her. That was why he did something like that.

"I really admire your courage." The red-haired delinquent stated. "Because of this, I have decided to give you a quick death later."

Like before, Xiao Tian said nothing.

"Why didn't you say anything?" The green-haired delinquent was annoyed with Xiao Tian's behavior. "You should thank my brother."

"Are you sure you still want to protect me?" Flower inquired, "We can't run away together because they are surrounding us, you know?"

'And there is also a cliff behind us.'

She added in her mind.

"Don't worry. We will be fine." Even though Xiao Tian said something like that, he was not sure whether he would be able to protect her or not later.

He thought Flower was frightened by them. That was why he wanted to calm her down because it was dangerous if she panicked.

'I hope junior brother will come to help us later.'

With the help of Ren Aoxu, Xiao Tian was sure they could escape from that place. But the problem was that Ren Aoxu had no idea about their dangerous situation.

"Brother, attack him!" The green-haired delinquent pointed his right index finger at Xiao Tian.

Without waiting for another second, all of them dashed towards Xiao Tian.

"Stay back!" Xiao Tian dashed towards them.

Because Xiao Tian was a martial artist at the mid-level master stage and his opponents were only at the low-level master stage or high-level apprentice stage, he had the upper hand in the fight.

However, he could not defeat them instantly because there were too many of them. And because they also attacked at the same time, it made it even more difficult to defeat them quickly.

Flower, who saw Xiao Tian fighting more than ten people, had a complicated feeling.

'What should I do? Should I help him?'

She was wavering whether she should help Xiao Tian or not.

'But if I help him, he will know that I'm also a martial artist.'

She was afraid that Xiao Tian would be suspicious of her if he found out that she was skilled in martial arts.

After thinking about the advantages and disadvantages, Flower decided not to help Xiao Tian and behave like a weak girl.

"Hehe. Beauty, how about we go somewhere now? Hehe." the green-haired delinquent walked towards Flower.

Because he still had no idea that Flower was skilled in martial arts, the green-haired delinquent was sure that she was thinking about the best decision for her.

Xiao Tian was fighting more than ten people, and there was a cliff behind her, so there was only one option if she didn't want anything to happen to her.

Flower's eyes were filled with flames of fury when she saw the green-haired delinquent's lustful face.

'If you dare to touch me, I will kill you.'

Flower decided that she would kill him if he dared touch her. There was a cliff behind her, so she would pretend as if he fell on a cliff later.

Xiao Tian was busy fighting, so she was sure that he would not know the truth later.

"Hehe." The green-haired delinquent smiled evilly.

Xiao Tian, who saw a green-haired delinquent walking towards Flower, dashed towards him. Without waiting for another second, he threw a high kick, aiming at the green-haired delinquent's head.

However, something unexpected happened. When Flower took two steps back because she didn't want to be hit by Xiao Tian's kick, she fell off a cliff.

"Rose!" Xiao Tian jumped forward to grab her hands.

But just as he was about to pull her up, he was attacked by another delinquent, causing him and Flower to fall off a cliff.

Chapter 808 - Do You Think I'm Afraid Of You?

6-8 minutes

Xiao Tian's House, Kitchen.

*Tarrr...

The sound of a plate falling to the floor echoed in the kitchen.

Ye Qingyu, who heard it, dashed towards the kitchen. "Big sister, what happened? What was that sound?"

Ye Xueyin instantly turned her head towards her younger sister, but she didn't say anything to her.

When Ye Qingyu saw the broken plate on the floor, she immediately spoke, "Are you alright?"

"I'm fine." Ye Xueyin responded. "Qingyu, I have a bad feeling. I have a feeling that something bad is happening to Tian right now."

Ye Qingyu instantly embraced her big sister and spoke, "It's only your imagination. Nothing bad will happen to him."

'Tian, I hope nothing bad will happen to you.'

She added in her mind.

Xufang City, Shenro Fountain.

'Why do I suddenly feel like this?'

Liu Ning had no idea as to why she suddenly felt that something bad had happened to Xiao Tian.

'Tian'er, I hope you are fine now.'

She then prayed to God, hoping God would protect Xiao Tian.

"Ning, what's wrong?" Shi Fei, who was holding two ice creams, walked towards her. "Here, your ice cream."

After taking the ice cream, Liu Ning responded. "Nothing."

Bamboo Restaurant, VIP Area.

"Why can't I reach Mr. Xiao by phone? Is he busy right now?" Chao Yang Sheng wanted to tell Xiao Tian the good news, but no matter how many times he called Xiao Tian, he couldn't reach Xiao Tian

"Where is senior brother?" currently, Ren Aoxu was standing in front of the bamboo house.

He had searched for his martial sister for several hours, but to no avail. For this reason, he returned to the bamboo house.

'I will wait here.'

He then sat down on a chair on the terrace.

Currently, Xiao Tian and Flower were unconscious on the ground. Even though they fell from a high cliff, they managed to survive.

However, they had many injuries, especially Xiao Tian because he protected her when they were falling off the cliff earlier.

Seconds turned into minutes, and without realizing it, they were unconscious for about an hour.

Because Xiao Tian protected her when they were falling off the cliff, Flower didn't have any severe injuries. For this reason, she regained consciousness faster than Xiao Tian.

"Agh.. My body hurts!" Flower cried out in pain.

'I thought I was going to die earlier.'

She added in her mind.

"He is still unconscious." Flower said when she saw Xiao Tian fainting next to her.

'Wait! Isn't this the best opportunity to kill him? He's still unconscious now so he won't know anything later.'

If she killed Xiao Tian, she would have finished her work immediately. Not only that, but everyone would also blame those delinquents for his death because they were the reason why they fell off the cliff.

'Yes. This is the best opportunity to kill him. I can't let this chance slip away.'

Flower then took her dagger, which was hidden under her jacket.

However, when she was about to stab Xiao Tian's heart, several memories suddenly appeared in her mind.

The memory where he saved her from the thugs, the memory when he fought more than ten delinquents to protect her, or the memory where he protected her when they were falling off the cliff.

Her little heart began to waver whether she should kill Xiao Tian or not. Even though she had killed many people before, but she was not someone who replied good for evil.

At this moment, the tip of the dagger was so close to Xiao Tian's heart. Of course, Xiao Tian had no idea about this because he was still unconscious.

'What should I do?'

At this moment, a little devil suddenly appeared on the left side of her head and whispered, "What are you waiting for? Just kill him already. Remember, he is your target. You have been waiting for this opportunity for three days so don't let this chance to kill him slip away."

The little devil tried his best to get Flower to kill Xiao Tian right away. He whispered many things to her, like Xiao Tian was her target or she had no relationship with Xiao Tian.

Due to how skilled the little devil was with his words, Flower's eyes suddenly shone with a frightening sharpness. She then raised her right arm high, ready to kill Xiao Tian.

'Hehe. Good. kill him, just kill him.'

The corner of little devil's lips curled into a grin when Flower was about to stab Xiao Tian's heart with her dagger.

Since there was no one around them and they were also in the forest, the little devil was sure Xiao Tian would die if Flower pierced his heart with a dagger.

However, before the dagger reached Xiao Tian's heart, a little angel appeared on the right side of Flower's head.

"Stop, don't kill him!" The little angel uttered, "Do you really want to kill your savior? Is your heart so cold now? Remember that he has saved you many times. He even still protected you when the two of you fell off the cliff."

Flower instantly stopped the dagger before it reached Xiao Tian's heart. After hearing the little angel's words, her heart began to waver again.

The little devil was unhappy by this.

'So close. Damn it.'

The little devil whispered again. "Why did you stop? Hurry up and kill him."

"Stop!" Like before, the little angel forbade Flower to kill Xiao Tian. "Instead of killing him, you should save him because he is your savior."

Of course, the little devil didn't give up. "Don't listen to him! Just kill him. Remember, he is your target."

"Ignore his words!" the little angel uttered, "Hurry up and save him! Remember, he is your savior."

"Bastard, shut up!" the little devil could not hold back his anger anymore.

"You are the one who should shut your mouth, asshole!" the little angel responded.

"It seems like you will keep interrupting my job if I don't teach you a lesson." The little devil pointed his Neptune Trident weapon towards the little angel.

"Come here, if you dare. Do you think I'm afraid of you?" suddenly, a golden sword appeared in the little angel's right hand.

And thus, the little devil and little angel began to fight.

[A/N= I want to make this funny but fail. *cry]

After thinking for several seconds, Flower raised her right arm high before dropping it.

Chapter 809 - In The Forest With Flower

6-8 minutes

"Where is senior brother? Why hasn't he come back yet?" currently, Ren Aoxu was in the hotel room.

Because it was dark and the person he was looking for had not returned to her house, he decided to return to the hotel.

'Did something happen to senior brother?'

Previously, they agreed to meet in front of the bamboo house, but since Xiao Tian didn't come, Ren Aoxu thought Xiao Tian had returned to the hotel.

'Maybe he went somewhere.'

At this time, Ren Aoxu still didn't have a bad feeling because he thought Xiao Tian was going somewhere to relax after being tired of looking for their martial sister.

'Oh right, today is Friday. That movie will be showing on TV soon.'

With that idea in mind, Ren Aoxu headed to the living room to watch TV.

Xiao Tian's House, Family Room.

"Where is little brother?" it was already 07:00 pm, so Shi Fei wanted to know where Xiao Tian was because usually, he was already home at this time.

"I can't reach his phone." Liu Ning's face turned worried.

'Tian'er, where are you?'

Because she had a bad feeling before, Liu Ning was unable to control her anxiety.

"Zhao Sheng and Miss Lan Ruoxi also have no idea where he is." Ye Qingyu uttered, "Just where is he now?"

"We can only wait for him now." Shi Fei uttered, "Let's hope nothing bad happens to him now."

Even though she said something like that, the feeling of worry in her heart was getting bigger every second.

She was afraid that something bad would happen to her lover. However, she had to remain calm so that she would not make the others even more anxious.

Inside the big cave, two young people were sitting on the ground. The young man was younger than the young woman, and he also had many injuries on his body.

Yes. Those people were none other than Xiao Tian and Flower. Previously, Flower suddenly changed her mind when she was about to kill Xiao Tian.

He had protected her many times before, so she decided to let him go for now. That was what she had in mind earlier.

So instead of piercing Xiao Tian's heart, she stabbed the centipede that was walking towards Xiao Tian's head.

"I didn't expect you could start a fire using natural objects." Xiao Tian spoke as he looked at the little fire in front of him.

Previously, he was startled when he found himself inside the cave. He remembered that he was unconscious after falling off a cliff.

But since there was no one beside him except Flower, Xiao Tian knew that she was the one who brought him into the cave.

'As I thought, she is a good woman.'

Xiao Tian still had no idea that Flower wanted to kill him many times when he was unconscious or else he would not think like that.

"I was just lucky." Flower lied to Xiao Tian.

Actually, she had been taught how to survive alone in the forest, so starting a fire was an easy thing for her.

She even knew a lot of medicinal herbs or what to eat when she was in the forest. She was a professional assassin, so she knew a lot of things.

"Thank you for bringing me to this cave." If Flower didn't bring him into the cave, Xiao Tian had no idea what would happen to him.

They were in the forest, and there were many wild beasts, so if she didn't bring him into the cave, there was a high possibility that he had already died being eaten by a wild beast now.

"You don't need to say that," Flower responded. "It can be said that all of this is because of me, and you have also protected me many times, so it's only natural for me to help you."

Xiao Tian suddenly remembered something important.

'Luckily, my phone is still in my pocket.'

But Xiao Tian was instantly disappointed when he learned that there was no signal.

"We are in the forest now, so there is no signal here." Previously, Flower also tried to call someone, but she could only sigh when she found out there was no signal. "I will try to find a way back to Fuku city tomorrow."

"I will help you." as a man, of course, Xiao Tian wanted to help her find a way back to Fuku city.

At this time, he was still unaware that his right leg was injured.

"No. You don't need to help me." Flower understood his condition because, in her view, it would be troublesome if he wanted to go with her tomorrow. "Don't worry. I won't leave you when I find a way back to the city tomorrow."

"I can he-Hiiii." Xiao Tian cried out in pain before he could finish his words.

He had wounds on his right knee and his right ankle. That was why he could not use his right leg for a while now.

"Do you understand it now?" Flower inquired. "That's why I told you to wait here."

After sighing, Xiao Tian answered, "All right."

'Out of my whole body, why it has to be my right leg?'

With this, Xiao Tian knew that he would have to depend on Flower later. It could be said that his life was in her hands now.

That night, they talked for several minutes before finally, they slept.

"Oh! It's already morning." Xiao Tian, who had just woken up, sat up. "Where is she?"

Xiao Tian turned his head to the left and right when he could not find Flower.

'Don't tell me, she is looking for a way back to the city now?'

Xiao Tian then tried to stand up, but because his right leg was injured, he fell to the ground again.

'Sigh. I can't even walk now.'

Xiao Tian could only sit on the ground and wait for Flower to return.

"Oh! You are already awake?" Flower, who stepped into the cave, was startled when he saw Xiao Tian because she thought he was still sleeping.

"Where did you go earlier?" Xiao Tian inquired.

"I went out to find food." She then gave three strange fruits to Xiao Tian. "Here, eat it."

Instead of eating the fruit immediately, Xiao Tian only stared at it.

'What kind of fruit is this?'

Xiao Tian shouted in his head.

"Don't worry. It's edible." After saying that, Flower bit the fruit in her right hand.

*Kriukk...

The sign that Xiao Tian was hungry could be heard in his ears

'I'm hungry.'

Xiao Tian then shifted his gaze from Flower to the fruit in his hands.

"Just eat it." Flower uttered, "If you don't want it, let me eat it."

"I will eat it now." after saying that, Xiao Tian bit the fruit in his right hand.

'I want to puke!'

The taste of the fruit was really weird and bad. It made Xiao Tian almost vomit.

'How can she eat this fruit with a normal expression? It's as if she is eating delicious fruit.'

Xiao Tian was amazed by Flower.

"How does the fruit taste?" Flower inquired.

"Very bad!" Xiao Tian gave an honest answer.

"Hehe." Flower giggled when she saw Xiao Tian's face.

Oh! She is so cute when smiling like this. Xiao Tian thought to himself.

Chapter 810 - Looking For Xiao Tian

6-7 minutes

After consuming the fruit, Flower said, "I want to find a way back to the city now. You stay here."

"Be careful." Xiao Tian still hoped that he could help her, but he knew that he could not do anything at that moment.

He even could not walk properly, so there was no way he could help her find a way back to the city. He would only be a burden if he followed her.

"All right." After saying that, Flower left.

Xu Hotel, Ren Aoxu's Room.

"Where is senior brother?" Ren Aoxu started to panic when he found out that Xiao Tian didn't come back to the hotel last night.

He had tried to call Xiao Tian many times, but he still could not reach Xiao Tian's phone until now.

'Should I call senior Mu Huo and the others?'

After thinking carefully, Ren Aoxu decided to call Mu Huo.

"What's wrong, Ren?" Mu Huo said after picking up the phone.

As usual, he was currently teaching Xiao Tian's underlings martial arts.

"Senior Mu Huo, can you come to Fuku city now?" Ren Aoxu responded. "Senior Brother still hasn't returned to the hotel since yesterday. I want you to help me find him."

"What?" Mu Huo said in surprise. "Did something happen to him?"

"I don't know." Ren Aoxu responded. "But I can't reach his phone since yesterday."

"All right. I will be there soon." After saying that, Mu Huo hung up the phone. "Everyone, let's stop for today."

"Eh!" Xiao Tian's underlings were startled after hearing Mu Huo's words.

Mu Huo was a strict person, so they found it hard to believe what they were hearing. Something like this only happened when Xiao Tian told him to stop the training.

"It's like this...." Mu Huo began to tell them the reason why he told them to stop practicing martial arts.

"Let's go to Fuku city."

"Damn! If someone dares to hurt our leader, I will skin that person alive."

"I will do that too. I will torture that person until that person begs to die."

"Instructor, what are we waiting for? Let's go to Fuku city now."

One by one, Xiao Tian's underlings wanted to find him.

"I know how you feel, but half of you have to remain here to protect our base." Mu Huo uttered, "It would be dangerous if no one guarded our base."

"He is right." Chun Hua spoke abruptly. "Half of us is more than enough to find our leader."

Since only half of them were able to go to Fuku city, they started arguing over who would look for Xiao Tian.

Mu Huo, who saw that, was amazed by Xiao Tian.

'It seems like they really like their leader.'

These were the words that appeared in his mind.

After they decided who would go to Fuku City, they immediately left.

Xiao Tian's House, Ye Xueyin's room.

After walking out of her room, Ye Xueyin dashed towards Xiao Tian. "Tian, where did you do last night?"

'He is not in his room? Don't tell me..'

She rushed towards the garage to check Xiao Tian's car.

'His car is not here.'

She then ran towards Ye Qingyu's room.

Because she was worried about Xiao Tian's safety, she entered Ye Qingyu's room without knocking on the door. "Qingyu, Tian still hasn't returned home."

Ye Qingyu instantly woke up from her sleep. "Big sister, what's wrong?"

"Tian...he...he still hasn't returned home." Ye Xueyin's eyes were flooded with tears.

Ye Qingyu instantly got out of bed and embraced her big sister. "Don't cry. We will look for him later."

At the same time, Shi Fei appeared in front of Ye Qingyu's room. "Miss Qingyu, let's cook bre--"

She stopped her words halfway when she saw Ye Qingyu hugging Ye Xueyin.

'What is this? Did something happen to them?'

Shi Fei asked in her head.

Ye Xueyin then stopped the hug and turned around. "Fei, Tian still hasn't returned home."

"What?" Shi Fei said in surprise.

She could understand why Ye Xueyin was crying like that. Usually, Xiao Tian would always tell them if he didn't return home, but now, not only did he not do so, his phone was even out of reach.

"Don't worry. We will look for him later." Shi Fei tried to calm Ye Xueyin down.

'I have to do something.'

She added in her head.

After cooking breakfast, Shi Fei headed to her room to call Bi Yu.

"Hello, leader?" Bi Yu spoke in a sleepy voice.

"Bi Yu, tell all the members to look for little brother now." Shi Fei went straight to the point. "You don't need to go to work. I want you to find him as quickly as possible."

"All members?" Bi Yu was startled upon hearing Shi Fei's words.

"Do I need to repeat my words?" Shi Fei's voice turned cold.

"No, no." Bi Yu's body shivered for a second. "I will inform them right away."

After Shi Fei hung up the phone, she went to work.

"It's boring here." Xiao Tian uttered,

It had been three hours since Flower left looking for a way back to the city, so he felt lonely. He was alone in the big cave, and he could not call anyone either because there was no signal.

That was why he hoped Flower would return soon.

'It's boring.'

Xiao Tian sighed.

"I still can't find a way to the city." Flower spoke as she stepped into the cave.

"Rose!" Xiao Tian's eyes shone happily when he saw her.

"Why are you looking at me like that?" after saying that, she gave Xiao Tian something. "Here. It can help you walk around later. I know it's boring to keep sitting in the same place."

She gave a wooden crutch to Xiao Tian. The wooden crutch was 'Y' shaped so it could help Xiao Tian walk.

"Thank you." Xiao Tian then rose to his feet with the help of the wooden crutch.

"I found a waterfall earlier. The water is clean, so we can take a bath and drink later." coincidentally, Flower found a waterfall not far from the cave earlier.

This made her happy because they could take a shower later.

"Good." Xiao Tian responded. "Let's go there now."

"Un." Flower nodded her head.
