Chapter 831 - Meeting Chao Yang Sheng Again

After Xiao Tian finished telling everything, he moved his right arm in a circle. "See! My right arm has fully recovered. Doctor was even surprised by the speed of my recovery."

Of course, Xiao Tian had no idea what Flower had in mind. He thought she was sad because he was injured from protecting her.

At this moment, a nurse suddenly stepped into the patient room. "Miss, I will check your condition now. if you are already fine, you can go home later."

Flower then shifted her gaze from Xiao Tian to the nurse. "Un."

After the nurse checked Flower's condition, she did the same thing to Xiao Tian. Not long after that, the doctor said that they could go home if they wanted.

Since Xiao Tian and Flower didn't want to stay in the clinic for long, they left immediately.

At first, Flower refused when Xiao Tian wanted to drive her home, but she changed her mind because Xiao Tian insisted on sending her home.

To his surprise, Flower's apartment was near the Eternal Beauty company. This made Xiao Tian happy because he could visit her apartment later.

'Huft... I can finally feel in my soft bed again.'

It had been a week since Xiao Tian last slept in his soft bed. At this moment, he finally realized how comfortable it was to sleep in his bed.

The sound of someone opening the door echoed in Xiao Tian's room.

Xiao Tian's face broke into a smile when he saw the person who had just opened the door. "Aunt, come here."

Without waiting for another second, Ye Qingyu immediately laid down on Xiao Tian's left side with her head on his left arm.

She didn't say a single word after entering his room. It was as if all she wanted to do was lie beside him.

Xiao Tian rubbed her hair gently before kissing her forehead. He believed Ye Qingyu was still worried because he always did something dangerous lately.

Of course, Xiao Tian knew what she had in mind because he could tell everything by looking at her face. "Do you want to go somewhere with me now?"

Like before, Ye Qingyu still didn't say anything, but she shook her head, giving him a sign that she didn't want to go somewhere.

*Click...

The sound of someone opening the door echoed in Xiao Tian's room again.

Xiao Tian and Ye Qingyu instantly turned their heads towards the source of the sound. Previously, they thought it was Ye Xueyin, but they were wrong because the person who had just opened the door was none other than Liu Ning.

When Ye Qingyu saw Liu Ning, she reflexively wanted to get out of bed, but Xiao Tian stopped her. She was also his lover, so Liu Ning had to accept it.

"Ning'er come here." Xiao Tian said as he smiled.

Liu Ning looked at Ye Qingyu for about three seconds before walking closer towards them. She didn't close the door because she forgot to do that.

Since Ye Qingyu was lying on Xiao Tian's left side, Liu Ning decided to lie down on his right side.

Like what he did to Ye Qingyu earlier, Xiao Tian rubbed Liu Ning's hair before kissing her forehead. As Xiao Tian was enjoying himself with his women, his smartphone suddenly rang.

'Chao Yang Sheng?'

When he knew the person who called him was Chao Yang Sheng, he instantly ignored it because his women were more important than Chao Yang Sheng.

"Tian'er, your phone is ringing." Liu Ning spoke when Xiao Tian's smartphone kept ringing.

"Ignore it." Xiao Tian answered instantly.

"But that person keeps calling you. It seems like that person has something important to tell you." because Chao Yang Sheng kept calling Xiao Tian, Liu Ning thought he had something important to say to Xiao Tian.

"Tian, pick it up." Ye Qingyu added. "What if he has something important to tell you?"

"All right." Because his women said so, Xiao Tian decided to pick up the phone. "Hello, Mr. Chao. What's wrong?"

"Mr. Xiao, I can finally reach you." Chao Yang Sheng was pleased when Xiao Tian suddenly picked up the phone. "I have been trying to call you since a week ago. Did something happen to you, Mr. Xiao?"

"Mr. Chao. I'm busy right now." Xiao Tian lied to Chao Yang Sheng. "How about we meet at Red Flower Bar in three hours. I will explain it later."

It had been a week since Xiao Tian was able to spend time with his woman, so he didn't want to be disturbed.

"All right." Even though Chao Yang Sheng wanted to ask many things, he decided not to do that because Xiao Tian said they would meet at Red Flower Bar later.

When Xiao Tian noticed his aunt and Liu Ning staring at him, he smiled and asked, "Why are you looking at me like that? Is there something on my face?"

"Is it okay for you to end the call quickly like that?" Liu Ning inquired.

Xiao Tian kissed their foreheads again before answering. "It's fine because, in my view, both of you are much more important than him."

"Who is that person?" Ye Qingyu asked curiously.

"He is..." Xiao Tian began to tell them who Chao Yang Sheng was.

However, he didn't tell them everything because there was no point in doing that.

"I see." Liu Ning and Ye Qingyu answered in unison.

"Forget about him." Xiao Tian said, "Let's just enjoy ourselves."

"Un." Liu Ning and Ye Qingyu nodded their heads.

Then they decided to watch TV in his room.

Inside a luxurious apartment, a young woman was sitting on a chair by the window. Even though she was looking at the city through the window, but her expression showed something else.

From her expression, anyone could tell that she was thinking about something important.

Yes, that gorgeous young lady was none other than Flower, the young assassin who lived with her target in the forest for six days.

'Should I kill him or not?'

Flower's feelings were in a mess, and she could not make up her mind.

Xiao Tian was her target, and she had received money from Chao Ming Hai, but Xiao Tian had protected her many times.

It could even be said that Xiao Tian was her savior as she would most likely die if Xiao Tian had not brought her to the clinic yesterday.

'Master is right. Emotions are dangerous. It can interrupt my mind and my job as an assassin.'

Flower sighed in helplessness.

Ref Flower Bar, VIP Room.

"Mr. Xiao, I can finally see you." Chao Yang Sheng uttered, "Do you know how many times I tried to find you and call you? I thought something had happened to you. I'm glad you're okay."

Currently, Xiao Tian and Chao Yang Sheng were sitting on the couch in the VIP room. Previously, after spending time with his women for several minutes, Xiao Tian went straight to the Red Flower Bar to meet Chao Yang Sheng.

"I apologize for worrying you, Mr. Chao." Xiao Tian smiled. "Something indeed had happened to me. That was why you could not reach me."

"Did the assassin try to kill you again?" Chao Yang Sheng inquired.

"No, not that assassin." Xiao Tian answered. "It's just normal delinquents. But don't worry because I have erased their existences from this world."

"Erase their existences from this world?" Chao Yang Sheng said in surprise.

Of course, he knew the meaning of erasing one's existence from this world. He just didn't expect that Xiao Tian would say such a thing so easily, as if killing someone in this world was normal.

"Oh, right. How about the progress of our plans?" because Xiao Tian had no communication with Chao Yang Sheng for the past week, he didn't know the progress of their plans.

"Everything went smoothly." Chao Yang Sheng answered with a smile on his face. "I'm the CEO of the Fibers company now."

"Oh! Congratulation, Mr. Chao." Of course, Xiao Tian was not surprised because he had guessed that his plans would work smoothly.

"Hehe. Thank you, Mr. Xiao." Chao Yang Sheng could not hide the happiness he felt. "All of this is because of Mr. Xiao's help."

"So, have you carried out our next plan?" Xiao Tian asked curiously.

"No." Chao Yang Sheng shook his head. "I'm waiting for you Mr. Xiao. That's why I haven't carried out our next plan."

"Mr. Chao, let's change our plan a little." Xiao Tian spoke and paused for a second before he continued, "Instead of going to meet all the business partners with me, you should go see them with your subordinate. With this, your subordinate will know how great you are. Your subordinate will know that you are much better than your older brother."

Xiao Tian then continued, "Once your subordinate finds out that you got them to cooperate with your company again, I'm sure your subordinate will spread rumors about how great you are at the company. With this, not only will you get a better reputation, but they will also think that you are a great leader."

"Good idea, Mr. Xiao." Chao Yang Sheng agreed with Xiao Tian's idea because it was much better than their previous idea. "I really like this idea."

"Good." Xiao Tian answered, "Don't worry, I will send Mu Huo to be your bodyguard so they won't dare to do anything later."

"When are we going to carry out our next plan?" Actually, Chao Yang Sheng wanted to carry out their plan immediately, but he decided to follow Xiao Tian's words.

"Tomorrow. The faster, the better." Xiao Tian stated, "I will send Mu Huo to meet you tomorrow."

"I suddenly want tomorrow to come quickly." Chao Yang Sheng smiled happily.

"Haha." Xiao Tian laughed after hearing Chao Yang Sheng's words.

Chapter 832 - Talking With Shi Fei In His Office

9-11 minutes

Xiao Tian and Chao Yang Sheng talked for another thirty minutes before finally, Chao Yang Sheng left because he had something important to do in the company.

*Click...

The sound of something opening the door could be heard in Xiao Tian's ears.

"Young master Xiao, you just discharged from the clinic, and here, you are plotting something evil again." Lan Ruoxi said as she walked towards Xiao Tian.

"What are you talking about, lady Lan? Who is planning an evil thing?" Xiao Tian pretended as if he was not planning any evil things with Chao Yang Sheng.

After Lan Ruoxi sat on the opposite side of him, she uttered, "Are you not afraid of Karma?"

"God loves me so much, so there is no way I will get Karma from God." Xiao Tian behaved as if he was truly loved by God.

'God even gave me a second chance to live.'

He added in his head.

"So, what are you going to do with the assassin?" Xiao Tian had told her that he was attacked by an assassin twice.

"I don't know." Xiao Tian answered. "Chao Ming Hai is in prison right now, so I hope the assassin will stop targeting me."

'But if that assassin still dares to try to kill me, I will make that assassin disappear from this world later.'

Until now, Xiao Tian had no idea that the assassin was none other than Flower.

If he had known Flower was the assassin, Xiao Tian would definitely not have said such a thing because she had become one of his most important friends.

They lived together in the forest for six days, and they had faced many dangerous situations together. Sure, they had known each other for only a few days, but those few days were enough to make her one of his important friends.

"Oh right, lady Lan. Can you help me with something?" Xiao Tian inquired.

"What is it?" Lan Ruoxi asked curiously.

"It's like this...." Xiao Tian began to tell her what he wanted.

Because he was a sword martial artist, Xiao Tian would have fought much better if he used a sword. But carrying a sword everywhere was very troublesome, and many people would think badly of him.

Sure, he could wrap the sword with clothes or something but still carrying it around would raise suspicions.

That was why Xiao Tian wanted to know if there was someone who could make a sword that could be lengthened or shortened.

If he had a sword like that, it would be of great help to him. For example, a sword that could be shortened to eight centimeters or something like that.

"Young master Xiao, that kind of sword is very difficult to make. Not everyone can do that, you know? And I've never heard of someone who can make such a sword until now."

"I see." Even though Xiao Tian had guessed Lan Ruoxi would say something like that, he was still sad after hearing her words.

"But I will try to find someone who can do it." Lan Ruoxi stated.

"Thank you, lady Lan. You are indeed the best." Xiao Tian's eyes shone happily. "How about I kiss you as a reward?"

"Hehe." Lan Ruoxi could not help but giggle after hearing his words. "Kissing me as a reward for me? Why does that sound like a reward to you rather than to me?"

"Because it's not every day you can get a kiss from an attractive young man like me." As usual, Xiao Tian immediately praised himself. "How is it? Do you want me to kiss you?"

"I will pass." Lan Ruoxi refused instantly.

"Are you sure?" Xiao Tian asked again.

"One hundred per cent sure." like before, Lan Ruoxi answered instantly.

Xiao Tian then grabbed her hands and spoke, "Do you rea-"

However, before Xiao Tian had finished his words, Lan Ruoxi's underling's voice rang out from the opposite side of the door. "Big sister Ruoxi, your guest has arrived."

"Guest?" Xiao Tian uttered,

Lan Ruoxi then rose from the couch and answered, "Young master Xiao, I have an important guest now. let's talk again later."

"....Alright." Xiao Tian replied.

As Lan Ruoxi met her guest, Xiao Tian traveled to Star Clothes company to work.

"Huft, my neck hurts!" Xiao Tian spoke as he massaged his neck with his right hand.

After arriving at Star Clothes company, Xiao Tian went straight to work.

'It's already 05:00 pm. Working hours are over now.'

As Xiao Tian was looking at the documents in his hands, someone suddenly entered his office.

"Little brother...." Like usual, Shi Fei entered his office without knocking on the door.

Since Xiao Tian was used to it, he only smiled at her.

Without waiting for another second, Shi Fei sat on his lap with her back facing him. "Huft. I'm tired, little brother."

"Thanks for being so dedicated and hard-working!" Xiao Tian kissed her right cheek before wrapping his arms around her waist.

'I'm really lucky to have her.'

Among all of his women, Shi Fei was the one who helped him the most.

Xiao Tian didn't know what would happen to his Star Clothes company if Shi Fei was not around because he had only come to his company a few times in the past few months.

Everything was taken care of by her. It was as if Shi Fei was the CEO of the Star Clothes company.

"Little brother, why did you go to work?" previously, Shi Fei was startled when she found out that Xiao Tian was in his office.

Since he just arrived home today, she thought he would just rest at home. She just didn't expect him to go to his company immediately.

"Well, it's because I didn't go to the company for several days." Actually, Xiao Tian wanted to go home earlier.

But because he didn't go to his company for several days, he thought working for three hours was a good idea.

Shi Fei turned her head to look at Xiao Tian. "But you still haven't fully recovered. What would happen if your wound suddenly opened again?"

"Who said I still haven't fully recovered?" sure, his right arm still hurt a little, but Xiao Tian believed that he already could do anything.

"Are you sure you have fully recovered?" Shi Fei asked again.

"Yes." Xiao Tian answered as he nodded his head.

"You have to prove it to me first; otherwise, I won't believe it." Shi Fei was sure that Xiao Tian's right arm was still not fully recovered.

"How do I prove it to you?" Xiao Tian inquired.

Shi Fei immediately rose to her feet and bent over. After lifting her skirt to her waist, Shi Fei slid her panties to the other side and spoke, "Prove it to me now! I want to know whatever you are lying to me or not."

Her action much surprised him. But soon, his surprised expression turned into a smirk. It had been a week since the last time he had sex with his woman, so Xiao Tian immediately squatted down between her legs before finally licking her pussy.

"Hmmm..." Shi Fei shut her eyes and tilted her head back. "It looks like your tongue has fully recovered."

Even though she forgot to lock the door earlier, Shi Fei didn't show the slightest care about it. Many people already knew that she had a special relationship with Xiao Tian, so she thought it was fine to do adult things in his office.

Because it had been a week since Xiao Tian last licked her pussy, her vagina instantly wet from her love juices. "It feels good, little brother. I really miss this pleasure."

Due to how skilled Xiao Tian was at using his tongue, Shi Fei's hands felt weak, and as a result, it could not support her body anymore.

"Ah...More...thrust your tongue deeper into my vagina, little brother." Currently, Shi Fei's head was on Xiao Tian's desk.

However, instead of thrusting his tongue deeper into her pussy, Xiao Tian stopped licking her vagina.

"It seems like my lover is so horny after not having sex with me for a week." Xiao Tian could not help but gulp his saliva when he was looking at Shi Fei's beautiful vagina.

Her pussy was pulsing continuously, and her nectar was also dripping down non-stop. From the look of it, Xiao Tian knew that she was so horny.

Because Xiao Tian still did nothing, Shi Fei immediately spoke, "Little brother, hurry up and lick my vagina again. It has been a week since we last did adult things like this. My pussy is missing your skilled tongue and big cock. Hurry up and satisfy my slutty pussy."

"What a troublesome lover!" Instead of licking her vagina again, Xiao Tian thrust his right middle and index fingers into her wet cunt.

"Hiiii." Shi Fei was startled when Xiao Tian suddenly thrust two of his fingers into her vagina.

Even though Shi Fei loved Xiao Tian's tongue more than his fingers, but she didn't tell him to stop because it also gave her pleasure.

Maybe because it had been a week since they last did adult things, Shi Fei suddenly moved her ass to the left and right when Xiao Tian was thrusting his fingers into her wet vagina.

"Ah...Ah...Ah... little brother, my pussy feels good. it's amazi-Ahhh...." Shi Fei wailed louder when Xiao Tian suddenly touched her G-spot.

Shi Fei's pussy looked even more beautiful when her nectar was coming out non-stop. Coupled with her seductive moans, Xiao Tian could no longer hold back the lust within him.

His penis was already fully erect. For this reason, Xiao Tian stopped playing with her vagina and pulled down her trousers.

"Ahhh...Finally. We are finally going to have sex again." Shi Fei spoke happily when she saw Xiao Tian's erect cock.

Chapter 833 - It's So Delicious

6-7 minutes

"Little brother, hurry up and thrust your huge cock into my slutty vagina. My pussy really wants to taste your cock again." Shi Fei spoke as she moved her ass to the left and right.

Previously, she thought Xiao Tian would immediately thrust his cock into her vagina, but she was wrong.

Instead of thrusting his penis into her wet pussy, Xiao Tian rubbed his erect cock against her vulva. This made Shi Fei even hornier than before.

Because Xiao Tian was still rubbing his penis against her vulva, Shi Fei spoke again. "Little brother, please don't tease me. It has been a week since the last time my vagina could feel your penis again, so I'm so horny right now. Hurry up and eat my delicious pussy with your huge penis."

Xiao Tian really loved it when he heard her vulgar words. That was why he decided to tease her earlier. "Is your vagina really delicious?"

"Yes." Shi Fei nodded her head. "My pussy is really tasty. If you don't believe me, you can try it yourself."

"I will punish you if your pussy is not as delicious as you say." Xiao Tian behaved as if he never tasted her vagina previously.

"Believe me. My pussy is so delicious." Shi Fei uttered, "My vagina will take your mind directly to cloud nine and will make you won't be able to forget the taste of my pussy forever."

"If so, then I will taste your pussy now." after saying that, Xiao Tian thrust his huge penis into her wet vagina. However, he instantly stopped moving his cock when half of his penis was inside her vagina. "Fei, loosen your pussy a bit. Do you want to crush my penis?"

"Little brother, I don't tighten my vagina. Maybe it's because it has been a week since we last had sex." at this moment, Shi Fei was telling the truth.

She didn't tighten her pussy. Her vagina moved on its own the moment Xiao Tian's huge penis was entering her pussy.

Xiao Tian was startled after hearing her words.

'Holy hell. It seems like her slutty pussy misses my cock so badly.'

Due to how tight Shi Fei's vagina was, Xiao Tian felt as if her pussy was refusing his cock.

"Little brother, thrust your cock harder. Hit my womb with the tip of your penis like usual." At this moment, Shi Fei tried her best to loosen her vagina. "I really miss it. I really miss that immense pleasure when your penis hit my womb."

Because Shi Fei said so, Xiao Tian put more strength. Sure, it was still challenging to get his penis into her vagina completely, but Xiao Tian was able to do that when he pushed with more force.

"Ahhh..." Shi Fei wailed in delight when Xiao Tian's cock was completely in her pussy. "This feeling of pleasure. I really miss it."

'Ah! Little brother is fucking my wet pussy from behind.'

Shi Fei said in her mind.

At first, Xiao Tian wanted to move his waist immediately, but he decided not to do that when he felt immense pleasure.

'What is this? This feeling is so amazing.'

Xiao Tian felt as if countless small snakes were squeezing his penis.

He had had sex with Shi Fei many times, but it was the first time he had felt something like that "Fei, your vagina is indeed delicious. I'm sure you can make every man your slave with this kind of vagina. It's so amazing to the point I don't know how to put it into words."

Shi Fei was pleased after hearing his words. "See! I have told you that my pussy is special and delicious. Do you believe my word now?"

"I do." Xiao Tian answered instantly. "I believe it."

"Move your waist and you will feel more pleasure." Shi Fei wanted Xiao Tian to move his waist immediately. That was why she said something like that.

"I'm very curious now. Will fucking this wet pussy can take my mind to cloud nine later?" After saying that, Xiao Tian started to move his waist back and forth.

Because her pussy was still so tight, Xiao Tian decided to move his waist slowly. He would wait until her pussy loosened up before speeding it up.

However, the longer he fucked her wet pussy, the tighter her pussy had become. This made Xiao Tian even think as if Shi Fei wanted to crush his cock.

"Ah...Ah...Ah...Ah..." Shi Fei started to wailing. Even though Xiao Tian moved his waist slowly, it didn't reduce the pleasure she felt.

The sound of Xiao Tian's hips hitting Shi Fei's ass echoed in his office. Since work hours were over, Xiao Tian let her moan as loudly as she wanted.

Seconds turned into minutes, and without realizing it, it had been ten minutes since Xiao Tian stated fucking Shi Fei.

At this moment, they were still in the same position. But Xiao Tian was grabbing Shi Fei's hands and pulling her hands towards him.

Because Xiao Tian wanted to change position, he suddenly pulled his cock out of her wet vagina. "Fei, let's change position."

"All right." Shi Fei agreed with his idea.

Because Xiao Tian fucked her from behind before, he wanted to do it from the front this time. For this reason, he made Shi Fei sit on the edge of his desk while facing him.

"Ahh.. little brother, hurry up and thrust your cock into my vagina again." Shi Fei was looking at Xiao Tian's penis.

Currently, Xiao Tian was grabbing his cock with his right hand and rubbing the tip of his penis against Shi Fei's vagina.

However, instead of thrusting his cock into her wet vagina immediately, Xiao Tian unbuttoned her shirt.

Since the beginning, Xiao Tian still hadn't played around with her beautiful breasts. No, he hadn't even seen her breasts yet.

For this reason, Xiao Tian began unbuttoning her shirt. Sure, he also wanted to thrust his cock into her vagina, but Xiao Tian felt something was missing if he didn't play with her breasts.

*One button...two buttons...three buttons...

Xiao Tian unbuttoned her shirt one by one until he could see the purple bra she was wearing.

'I really miss this beautiful breasts.'

Without waiting for another second, Xiao Tian opened his mouth and was ready to lick and suck her breasts.

Chapter 834 - See! I Have Told You It's Delicious

6-7 minutes

Inside a luxurious office, two young people were doing adults things. The woman was sitting on the edge of the table with her legs spread widely.

Her lovely pussy didn't stop producing love juices to the point it made some part of the table wet from her nectar.

Multiple seductive moans escaped from her little mouth, and her purple panties were hanging on her right ankle.

In front of her, an attractive young man was licking her left nipple while his right hand was squeezing her other breast.

His trousers were on his feet, and his huge cock was standing mightily as if it was challenging the heaven to battle.

These two young people were none other than Shi Fei and Xiao Tian. Currently, Xiao Tian was licking Shi Fei's nipples while rubbing his erect penis against her vulva.

Even though his penis was throbbing non-stop and wanting to taste the lovely pussy in front of it, Xiao Tian still busied playing with Shi Fei's breasts.

"Little brother, hurry up and thrust your huge cock into my pussy again." Shi Fei could no longer hold back the lust within her. "Otherwise, I will go crazy later."

Upon hearing her words, Xiao Tian stopped licking and sucking her breasts and looked at her in the eyes.

At this moment, Shi Fei thought Xiao Tian finally would thrust his huge cock into her wet pussy, but she was wrong.

Instead of thrusting his cock into her vagina, Xiao Tian pressed his lips against hers before exploring her little mouth with his tongue. Even though it was not what she wanted the most, Shi Fei still welcomed the kiss.

As Xiao Tian was intertwining his tongue with hers, he placed his cock on Shi Fei's vagina entrance before finally thrusting his penis into her pussy slowly.

"Hmmm..." because she was having a deep kiss with Xiao Tian, Shi Fei was unable to moan properly.

'It feels good. little brother, fuck my slutty pussy fast. Mess my vagina with your huge cock. Make me can't think of anything but your dick.'

Due to how often they had sex, Shi Fei was already addicted to Xiao Tian's cock.

The size of his cock was so perfect for her pussy. She also liked the tightness of his penis and his stamina in bed.

Every time they had sex, Xiao Tian never failed to satisfy her; instead, he made her even more addicted to having sex with him.

*Slick...Slick...Slick...

The sound of Xiao Tian's cock spreading Shi Fei's vagina could be heard in their ears.

At this moment, Xiao Tian suddenly stopped the kiss and grabbed Shi Fei's legs. He wanted to give her more pleasure, and he also desired to feel more pleasure, so he decided to move his waist faster and faster.

"Ahh...Ah...Ah...Ah...Ah..." the faster Xiao Tian was moving his waist, the louder her moans were.

Because the tip of Xiao Tian's cock kept hitting her womb, Shi Fei's body was getting weaker every second.

Her hands could no longer support her body, and as a result, Shi Fei decided to lie on her back on the table.

When Xiao Tian saw Shi Fei's breasts bobbing up and down, he immediately squeezed them. Of course, he didn't stop moving his waist.

"Ahhh..." Shi Fei wailed even louder when Xiao Tian suddenly pinched her nipples.

Xiao Tian played with her breasts for several seconds before finally, he stopped. At this moment, his gaze was focused on Shi Fei's fascinating expression.

As Shi Fei was wailing in delight, Xiao Tian was looking at her sexy body carefully. Her attractive neck, beautiful breasts, slim waist and flat stomach. All parts of her body didn't escape from his gaze.

The longer Xiao Tian looked at her sexy body, the hornier he became. Shi Fei was already thirty years old, but her body became even sexier than last year.

It was as if the older she was, the more attractive she became.

This made Xiao Tian amazed and happy at the same time. "Fei, your body is so sexy. It makes me horny every time I see you."

"Ah...Ah...Ah...Ah..." As Shi Fei was moaning, she turned her head to look at Xiao Tian. "I keep my body in shape for you, little brother. Ah...Ah...Ah..."

Shi Fei suddenly felt happy to have a sexy body. Even though she was not as beautiful as his other women, but they were not as sexy as her.

It could be said that one of her trump cards was her sexy body. And every time Xiao Tian saw her sexy body, he always praised her.

This was the reason why she always kept her body in shape because it could make Xiao Tian happy and love her even more.

"So, you are saying that you keep your body in shape for me, huh?" Even though Xiao Tian behaved normally, but he was thrilled deep inside him. "Then I will make sure to enjoy your sexy body and taste this slutty pussy of yours every day now."

"Ah...Ah...Ah.. Yes. You can do that...Ah..." like before, Shi Fei answered while moaning. "You can enjoy my sexy body and fuck my slutty pussy every day. I will satisfy you whenever and wherever you want. Just come to me whenever you are horny. I will make sure to satisfy your lust and huge cock."

Xiao Tian was even hornier after hearing her remarks. At this moment, he really wished he could clone himself so that he could fuck her every day.

But he knew that it was impossible because God didn't give him that ability. God only gave him a second chance to live.

"Ah...Ah...Ah..." like before, Xiao Tian's office was filled with Shi Fei wails as if she was singing with her moans.

Seconds turned into minutes, and without realizing it, they had been having sex for more than forty minutes. At this moment, Shi Fei and Xiao Tian finally reached their limit.

"Ahh...Ah...Ah..." Shi Fei moaned. "Cumming...Cumming... I'm cumming...."

*Sprott...

The next second, Xiao Tian also had an orgasm. "I'm cumming...."

As Xiao Tian and Shi Fei were having an orgasm, they decided to kiss.

Chapter 835 - Shi Fei Wants Him To Get More Women

7-8 minutes

"Huft...Huft...Huft..." the sound of Xiao Tian and Shi Fei breathing heavily could be heard in their ears.

As usual, Xiao Tian let out his sperm inside her pussy. He did it because he knew that Shi Fei would let him do whatever he wanted.

And what he had guessed was right because when he was about to cum, Shi Fei wrapped her legs around his waist and embraced him tightly.

Yes. She wanted him to cum inside her slutty pussy!

Shi Fei really loved it when her vagina was filled with his sperm. That was why she wanted him to cum in her pussy.

Currently, Xiao Tian's cock was still inside Shi Fei's vagina. Because it was his first orgasm, his cock was still hard.

"Little brother, we had an orgasm at the same time." It was rare for them to have an orgasm at the same time because usually Shi Fei always had an orgasm faster than him. That was why she was pleased.

"Yes." Xiao Tian answered. "Your vagina is so amazing today."

"I'm glad I can satisfy you." because Xiao Tian's cock was still in her vagina, Shi Fei knew that he was still not satisfied. "Your penis is still hard. It seems like your cock still wants more."

"Have you forgotten that having an orgasm once won't satisfy me?" Xiao Tian inquired.

"No." of course, Shi Fei didn't forget it because she knew that one round was not enough to satisfy him.

Xiao Tian was even able to satisfy two women at the same time.

This was one of the reasons why she loved having sex with him because not only did he have a lot of stamina, but he also had a big penis and knew how to satisfy women.

Xiao Tian then lifted her body before carrying her to the couch. After that, he made her on all fours.

"Hehe. Do you want to fuck me from behind now?" Shi Fei giggled before asking.

'It seems like my pussy will be filled with his sperm before going home. This makes me so excited!'

At this moment, Shi Fei thought Xiao Tian wanted to fuck her pussy again, but she was wrong. Instead of fucking her vagina, Xiao Tian decided to fuck her ass hole.

"Hiiii.." Shi Fei was startled and tilted her head back when Xiao Tian suddenly thrust his huge cock into her ass hole.

Because it was not the first time she had anal sex and her body was still filled with the flames of lust, Shi Fei instantly felt immense pleasure when Xiao Tian moved his waist.

Soon, Xiao Tian's office was filled with Shi Fei's moans again.

'Hm?'

Currently, Shi Fei was sitting on the couch, naked. After having sex with Xiao Tian for more than an hour, she didn't bother to put on her clothes and directly read the message she received when she was having anal sex with Xiao Tian.

Xiao Tian, who was lying down on the couch next to her, inquired, "What's wrong?"

"Nothing." Shi Fei answered instantly.

Even though he just finished having sex with her, but the flames of lust suddenly appeared within him again when Xiao Tian saw her sexy body.

'Damn! The beast in me always manages to take over my body whenever I see her sexy body.'

Without waiting for another second, Xiao Tian sat up and squeezed her left breast.

Even though his actions much surprised her, Shi Fei only looked at his left hand before shifting her gaze to his face. "Hehe. What a pervert young man! We just finished having sex, and you still want to play with my body again?!"

"It's your fault for accepting a pervert young man like me as your lover." After saying that, Xiao Tian kissed her left cheek.

"Hehe." Shi Fei let him do whatever he wanted and replied to the message she received earlier.

As Shi Fei was replying to a message, Xiao Tian busied himself by playing with her breasts. He squeezed her pretty breasts and pinched her nipples gently.

He repeated the same process for a few seconds before finally, his gaze landed on her thighs.

Shi Fei immediately shifted her gaze from her phone to Xiao Tian's hands when he was spreading her legs. "Do you want to continue having sex with me or just want to play with my pussy?"

"I just want to play with your vagina before going home." Xiao Tian gave an honest answer.

"Hehe. Sometimes, it's hard to have a pervert boyfriend." Because Xiao Tian wanted to play with her vagina, Shi Fei laid down on the sofa with her pussy facing him. "All right. You can play with my pussy as much as you want now."

"You are indeed my best lover." Xiao Tian replied. "You always understand me well."

Licked, sucked, thrust. Xiao Tian ate Shi Fei's pussy like a wild beast, and his tongue moved skillfully. Xiao Tian only stopped devouring her vagina when she had an orgasm.

After that, they went home.

That night, Xiao Tian slept in Ye Qingyu's room. He didn't have sex with her because Ye Qingyu only wanted to lovey-dovey with him.

That night, they watched TV in her room until 01:00 am. They had a beautiful moment that night. The excellent movie, coupled with heavy rain, made the night even more special for them.

The following morning, Xiao Tian went to Star Clothes company after having breakfast with his women. He really worked hard because his company would open twenty branches later.

"Little brother, I think you should spend more time with Xue from now on." Shi Fei spoke abruptly.

Currently, Xiao Tian and Shi Fei were in his office. After giving him some documents, she didn't return to her office; instead, she continued sitting on the couch.

"Hmm?" Xiao Tian, who was reading a document, turned his head towards Shi Fei. "Why?"

Actually, he also had the intention to spend time with her later because when he was being treated at the Gozu clinic, she was always there for him.

"Xue really loves you, and she regrets breaking up with you." Shi Fei gave the reason why Xiao Tian should spend more time with Lin Xing Xue. "I want your relationship with her back to how it used to be."

Shi Fei suddenly remembered the time when they were just starting his company. At that time, his relationship with Lin Xing Xue was so good.

If it were not for Lin Xing Xue, she would not have met Xiao Tian, and she was sure that her life would be different from her current life. That was why she felt sorry for Lin Xing Xue.

"All right." Xiao Tian nodded his head. "I will meet her later."

"Good!" Shi Fei smiled happily. "And ask her to live with us later so that we can always be together later."

The corner of Xiao Tian's lips twitched after hearing her words.

'Why does she feel happier? It's as if she wants me to get more women.'

Xiao Tian said in his head.

After Xiao Tian finished signing all the paperwork, he called Mu Huo. Today was the day he was going to carry out his plan, so he ordered Mu Huo to accompany Chao Yang Sheng to meet all of Fibers company's business partners.

After that, he would spend time with Lin Xing Xue.

Chapter 836 - Going On A Date With Lin Xing Xue

6-8 minutes

Lin Xing Xue's House, Family Room.

Currently, Lin Xing Xue was sitting on the couch. Because she was on leave from work, she spent her time relaxing at her house.

At that moment, she was alone at home because her daughter was at a friend's house.

'This movie is good.'

As Lin Xing Xue was watching a movie, her smartphone suddenly rang. She immediately took her smartphone because she wanted to know who was calling her.

'Tian?'

Lin Xing Xue's eyes shone brightly. Even though she had no idea why Xiao Tian suddenly called her, it still made her happy.

Without waiting for another second, Lin Xing Xue picked up the phone. "Hello?"

"Little Xue, do you have any free time today?" Xiao Tian inquired.

"Yes." Lin Xing Xue gave an honest answer, "What's wrong?"

"Do you want to go somewhere with me?" Xiao Tian went straight to the point. "I really want to spend time with you today."

Xiao Tian didn't tell her that Shi Fei also wanted him to spend time with her earlier because, in his view, there was no point in saying that.

Lin Xing Xue was pleasantly surprised after hearing his words. She didn't expect Xiao Tian to ask her out.

However, Lin Xing Xue tried her best to hide her excitement because she was a mature lady. "All right. When will you come to my house?"

"Now. I will go to your house now." Xiao Tian had finished his work so he could go to her house immediately. "Can you prepare yourself now? So that we can go immediately after I arrive at your house."

It was not like Xiao Tian didn't want to wait for her to finish preparing herself, but it was because he wanted them to go on a date immediately. That was why he said something like that.

"All right." after saying that, Lin Xing Xue hang up the phone.

Her face blossomed into a smile as she embraced her phone. Her mood brightened, and happiness glowed inside her.

Because she did not want to waste time, she immediately headed to her room to prepare herself.

Like before, a gentle smile graced her pretty face. If anyone saw her happy expression, they would think that she was a teenager who was about to go on a date with her crush for the first time.

Because she wanted to look beautiful later, Lin Xing Xue stood in front of a full-body mirror while choosing the best clothes for her.

*One outfit...two outfits...three outfits...

There were seven clothes on Lin Xing Xue's bed now, but she still could not decide which one was the best to wear.

Even though all the clothes fit her body very well, but Lin Xing Xue felt that the clothes were not suitable for going on a date with Xiao Tian.

She wanted to wear special clothes. An outfit that could amaze Xiao Tian and make him unable to take his eyes off her.

'These clothes will make my figure look slimmer. It will also make me look more attractive.'

After choosing the clothes for about two minutes, Lin Xing Xue decided to wear blue jeans and a full-sleeved high-necked solid black top.

She then put on some make-up.

'This make-up will make my face look more beautiful.'

After applying the make-up, Lin Xing Xue took a step back to look at herself in the full-body mirror.

'I think I look pretty good.'

Upon looking at herself, Lin Xing Xue smiled.

Lin Xing Xue then headed to the living room and waited for Xiao Tian there. Seconds turned into minutes, and without realizing it, it had been ten minutes since Lin Xing Xue finished preparing herself.

'Tian?'

Lin Xing Xue instantly rose to her feet and dashed to the guest room when she heard Xiao Tian's voice coming from the terrace.

"Tian, you have arrived?" Lin Xing Xue smiled softly after opening the door.

Even though Xiao Tian knew that Lin Xing Xue was a pretty lady, but at that moment, he was taken aback by how attractive she was.

'Beautiful! And she looks kind of sexy too.'

Xiao Tian was so stunned that he didn't say anything.

At this moment, Xiao Tian was thrilled because he knew that Lin Xing Xue was looking forward to their date from her outfit.

When Lin Xing Xue saw the expression on Xiao Tian's face, she was pleased.

'I didn't choose the wrong outfit.'

Of course, Lin Xing Xue knew what he had in mind because she could tell everything from his face.

"Do you want to go now?" Lin Xing Xue inquired.

"Yes." Xiao Tian answered after nodding his head. "Let's go."

"Let me get my bag first." after saying that, Lin Xing Xue dashed to the living room before returning to the terrace. "Let's go."

'Why do I feel like he is different from usual? Is this only my imagination?'

Lin Xing Xue's gaze fell on her right hand when Xiao Tian suddenly held her right hand.

Not only did he suddenly hold her hands when they were heading to his car, but he also opened the car door for her.

Of course, his actions made Lin Xing Xue happy because the way he treated her now was the same as when he chased after her heart in the past.

'Where is he taking me today?'

Actually, Lin Xing Xue wanted to ask that question but decided against it. In her view, it would be better if she didn't know where they were going because she liked to get surprises from him.

'This makes me excited.'

Lin Xing Xue said in her head.

At first, Xiao Tian brought her to Shanghai Aquarium. Lin Xing Xue and Xiao Tian took a lot of pictures with animals there.

Even though it was not the first time Xiao Tian brought her to the Shanghai Aquarium, but it still made Lin Xing Xue happy.

They spent at the Shanghai Aquarium for about two hours before finally going to the cinema.

Because Xiao Tian didn't want others to disturb their time later, he chose the VIP seat or lover chair.

Of course, Xiao Tian didn't forget to buy a box of popcorn and soft drinks because there would be something missing if they watched a movie in the cinema without eating popcorn.

After entering the cinema, Xiao Tian and Lin Xing Xue headed to their seat which was located in the last row.

Unlike the regular audience seats, their chair was different. It was a red sofa that fits two people.

The sofa was equipped with a place to put popcorn and soft drinks. Not only that, the arms and back of the couch were also high, causing people from left, right, and back to not be able to see them.

After placing the soft drinks and popcorn in its places, Xiao Tian and Lin Xing Xue sat on the lover couch.

At this moment, Lin Xing Xue was sure that Xiao Tian would do something to her later. Otherwise, he would not choose the lover seat earlier.

But instead of feeling uncomfortable, Lin Xing Xue's heart was beating fast as if she was looking forward to what he would do to her later.

Not long after they sat in their seat, the movie started.

Chapter 837 - In The Cinema With Lin Xing Xue

6-7 minutes

Because Xiao Tian went to the cinema with Lin Xing Xue, he chose a romantic movie. At this moment, Lin Xing Xue was sitting on Xiao Tian's right side.

"The movie has started." Xiao Tian uttered.

At first, Xiao Tian and Lin Xing Xue only enjoyed the movie. They laughed and ate popcorn together.

Lin Xing Xue was thrilled. But what made her the happiest was that Xiao Tian kept holding her right hand since the movie started.

This made Lin Xing Xue often steal glances at Xiao Tian. At this moment, she felt that Xiao Tian was treating her as if she was his girlfriend or the woman he loved the most.

Since she broke up with Xiao Tian, a moment like this was what she desired the most. As she was squeezing his left hand, Lin Xing Xue's face blossomed into a smile.

A soft smile spread across Xiao Tian's face when he noticed Lin Xing Xue looking at him. He then took popcorn and fed her.

At this moment, the leading actor and the leading actress were lovey-dovey in the movie. This made Xiao Tian desire to do the same.

Because they were sitting on the lover sofa, Xiao Tian suddenly grabbed Lin Xing Xue by the waist and made her sit on his lap.

Lin Xing Xue was not surprised with his actions because she had guessed that he would do something like that when he chose the lover chair earlier.

She was even sure that he would kiss her lips later. However, she didn't hate that idea; instead, she was waiting for him to do that.

When Xiao Tian saw Lin Xing Xue drinking her soft drink, he immediately opened his mouth. "Little Xue..."

Even though Xiao Tian didn't finish his words, Lin Xing Xue knew what he wanted.

'Cute!'

They had had passionate kisses many times before. They had even had sex a few times, so sharing a drink with him didn't disgust her.

For this reason, Lin Xing Xue instantly placed the plastic straw in front of his mouth. "Here, drink it."

Without hesitating, Xiao Tian put the plastic straw into his mouth and began drinking it. And as if Lin Xing Xue had done a good deed, Xiao Tian kissed her forehead as a reward.

To their surprise, the moment they returned their attention to the movie, the actor and the actress were kissing.

This made Xiao Tian instantly turn his head towards Lin Xing Xue.

And as if Lin Xing Xue had guessed that Xiao Tian would look at her, she instantly turned her head towards him the moment she saw the actor and the actress kissing.

Xiao Tian and Lin Xing Xue were sitting on the lover couch, and the location of their sofa was in the last row.

Coupled with the high armrests and seatbacks, it made them bold. Everyone was focusing on the movie, so Xiao Tian and Lin Xing Xue believed that they would not know what they were going to do.

Xiao Tian and Lin Xing Xue had their eyes locked on each other.

'Is he going to kiss me now?'

When Lin Xing Xue saw the expression on Xiao Tian's face, she knew what he had in mind.

*Thump...Thump...Thump...

Xiao Tian and Lin Xing Xue's hearts suddenly beat faster.

*One second...Two seconds...Three seconds...

It had been four seconds, but Xiao Tian and Lin Xing Xue were still looking at each other. Neither of them made a move yet as if all they wanted to do was look at their faces.

'Why didn't he kiss me right away?'

Because Xiao Tian still did nothing, Lin Xing Xue decided to make the first move. However, she suddenly changed her mind.

Instead of bringing her face closer towards his, Lin Xing Xue only shut her eyes. Xiao Tian had a lot of experience, so Lin Xing Xue was sure that he would understand the sign she was giving him.

Because Lin Xing Xue was sitting on his lap with her face facing his left side, Xiao Tian tilted his head before pressing his lips against hers.

Maybe because they were in the cinema, or perhaps because there were many people near them, but the moment their lips met, Lin Xing Xue and Xiao Tian felt electricity running through their bodies.

Xiao Tian instantly stopped the kiss after pressing his lips against hers for about five seconds. The next second, their faces broke into a smile.

Like before, when they returned their attention to the movie, they were shocked again. If previously the actor and the actress only kissed normally, this time they were kissing passionately.

Lin Xing Xue instantly turned her head towards Xiao Tian because she wanted to see his reactions.

Previously, Xiao Tian mimicked the scene in the movie, so she wanted to know whether he would do that again or not.

Like before, Xiao Tian and Lin Xing Xue looked at each other again. It was as if they were communicating through their eyes about whether they should mimic the scene in the movie again or not.

At this moment, Lin Xing Xue suddenly opened her little mouth slightly. She had no idea as to why she suddenly did something like that.

She knew that they were many people near them and kissing passionately in the cinema was quite dangerous.

But her body did the opposite of what was in her mind, as if her body had a mind of its own.

Since Lin Xing Xue had given the green light, Xiao Tian wasted no time and immediately pressed his lips against hers.

Actually, he was startled when she gave him a sign to kiss her passionately because he thought she would not do that.

He didn't expect her to be quite daring. Of course, Xiao Tian didn't hate it; instead, he loved it.

As long as it was only a kiss, people, who sat in the lover chairs, could do it. Of course, the responsibility would fall on them later.

After Xiao Tian pressed his lips against hers, he immediately put his tongue into her little mouth.

Chapter 838 - In The Cinema

6-8 minutes

As Xiao Tian was pressing his lips against hers, his eyes were locked on Lin Xing Xue's pretty face.

The pleasure he felt suddenly became much more incredible when he intertwined his tongue with hers while gazing into her black eyes.

Xiao Tian felt as if Lin Xing Xue's black eyes suddenly turned into tiny black holes and tried to absorb him into them.

Sure, Lin Xing Xue was already thirty years old, but her beauty didn't decrease one bit; instead, she looked even more stunning than before.

She looked like a mature lady who would make any man drool with her charms. Xiao Tian was sure many younger women would be burning with envy if they saw how pretty she was.

*One second...Two seconds...Three seconds...

It had been three seconds since they started kissing passionately in the cinema.

At this moment, the actor and the actress in the movie no longer had a deep kiss, but Xiao Tian and Lin Xing Xue were still kissing passionately as if they forgot that they were in the cinema.

Sure, it was only a French kiss, but the pleasure they felt was so amazing to the point it made them forget everything.

"Hmmm..." Xiao Tian and Lin Xing Xue instantly broke the kiss when they heard a soft moan from their left side.

Xiao Tian and Lin Xing Xue turned their heads towards their left side, but they could not see anything because all the left and right side chairs were lover sofas.

"It seems like the people next to us are doing something pervert too." from the voice, Xiao Tian was sure that the people next to him also did adult things.

"I think so too." Lin Xing Xue had the same thought as Xiao Tian.

Xiao Tian then brought his face closer towards Lin Xing Xue's left ear and whispered, "How about we continue what we did earlier?"

"Pervert!" Lin Xing Xue hit Xiao Tian's chest gently.

"Little Xue, how can you say something like that? I'm a gentleman, not a pervert." Xiao Tian denied shamelessly.

Lin Xing Xue was amazed by Xiao Tian's shamelessness.

'You made me sit on your lap when you saw the actor and the actress lovey-dovey in the movie. And not only did you kiss my lips in the cinema, you even kissed me passionately just now.'

Lin Xing Xue wanted to say that but decided against it.

Because Lin Xing Xue didn't say anything, Xiao Tian spoke again. "We must not lose to the people next to us because they will look down on us later. So how about it, little Xue?"

Even though Xiao Tian could kiss her instantly, but he didn't do that because he wanted to tease her. It had been a long time since the last time he teased her. That was why he said something like that.

"What your women said is right." Lin Xing Xue spoke and paused for a second before she continued, "You are a big pervert now! You just kissed me passionately and you want to do that again?"

"But weren't you the one who gave me a sign to kiss you passionately earlier?" Xiao Tian blamed Lin Xing Xue for what he did to her earlier.

"Did I do something like that?" Lin Xing Xue denied shameless. "I'm sure you remembered it wrong."

"Oh! So this pretty lady doesn't want to admit it, huh?" Xiao Tian spoke and paused for a second before he continued, "It seems like I have to punish this attractive lady now."

Lin Xing Xue still didn't say a word. Her face blossomed into a smile when Xiao Tian stated that she was pretty and attractive.

For a woman her age, it was something that could not be described in words after being called pretty or attractive by a good-looking young man who was ten years younger than her.

'He really knows when to use sweet words'

Lin Xing Xue knew that Xiao Tian often used sweet words when he talked to a woman, so she was not surprised by his words.

He even seduced her instantly after helping her from thugs in the past.

'Hmmm? He is going to kiss me again?! Will he kiss me passionately again?'

When Xiao Tian was tilting his head, Lin Xing Xue knew that he wanted to kiss her lips again.

But despite knowing what he was about to do, Lin Xing Xue did not try to avoid it; instead, she shut her eyes again.

Unlike before, where he instantly kissed her deeply, Xiao Tian only pressed his lips against hers this time.

Sure, he said that he would kiss her passionately just now, but it was because he wanted to tease her, nothing more than that.

'It feels good.'

As the two of them kissed, Xiao Tian and Lin Xing Xue could not help but feel an indescribable sense of happiness.

The feeling of happiness was so strong that they could not help but feel like they were floating on air.

'This feeling....'

As a strong sense of happiness was spreading through their entire bodies, their hearts were beating faster and faster.

When Lin Xing Xue opened her eyes and looked at Xiao Tian's black eyes, she felt as if time had stopped.

Lin Xing Xue felt as if the people around her had suddenly stopped moving. She even felt as if the film was also stopped.

Inside the large room where there was only light from the screen, Xiao Tian's black eyes were like two black holes that sucked up her soul.

But instead of feeling insecure, Lin Xing Xue felt so comfortable as if Xiao Tian's black eyes were the source of happiness.

Lin Xing Xue herself had no idea as to why she always felt something like that every time Xiao Tian kissed her.

Sure, Xiao Tian was an attractive young man, but he was still a human being, like other men.

But whenever she was with him, she felt something that could not be described in words, as if he was different than other people or God created him to be special.

'It's as if he is different from other man.'

Lin Xing Xue suddenly came to her senses, and the world returned to normal when Xiao Tian stopped the kiss.

"What is it, little Xue?" Xiao Tian smiled happily when he saw her expression because he could see everything from her face.

Lin Xing Xue did not answer his question and only leaned her head on Xiao Tian's right shoulder.

'What was that feeling? That feeling felt so real.'

Lin Xing Xue did not tell him what she just experienced when he was kissing her lips. She was sure that he would praise himself if she told him about what she had just experienced.

At this moment, Xiao Tian wrapped his right arm around her waist. He kissed her hair before holding her right hand. Even though he only pressed his lips against hers, Xiao Tian was pleased.

Lin Xing Xue shifted her gaze to her right hand when Xiao Tian was holding her left hand.

'Tian, I love you. I hope you can accept me faster. I really want to get back with you.'

After saying that in her mind, Lin Xing Xue kissed the right side of Xiao Tian's neck.

Chapter 839 - Asking Lin Xing Xue To Live With Him

9-11 minutes

'Tian, I love you so much. I hope you can accept me faster.'

After saying that in her mind, Lin Xing Xue kissed the right side of Xiao Tian's neck.

Xiao Tian widened his eyes in surprise when he felt Lin Xing Xue's soft lips on the right side of his neck.

The next second, his surprised face blossomed into a smile. At this moment, Xiao Tian slowly squeezed Lin Xing Xue's right hand tighter.

Xiao Tian and Lin Xing Xue then returned their attention to the movie again. This time, they didn't do any adult things again.

They only enjoyed the closeness as they watched the movie. Because it was hard to watch the film from her position, Lin Xing Xue decided to sit between Xiao Tian's legs.

And as if she wanted to continue to feel the warmth of his body, she grabbed Xiao Tian's hands and placed them on her waist.

At that moment, Xiao Tian and Lin Xing Xue were thrilled. Enjoying the movie while cuddling with the person they loved was one of the things they loved the most.

Because the actress in the movie was consuming her food, Lin Xing Xue suddenly wanted to eat something too. For this reason, she grabbed the box of popcorn and consumed it.

Xiao Tian, who saw her eating popcorn, smiled softly. The smile on his face grew even bigger when Lin Xing Xue wanted to feed him popcorn.

At this moment, Lin Xing Xue didn't look at Xiao Tian. Her face was still focused on the movie in front of her.

She only placed two popcorns, which were on her right index finger and thumb, over her right shoulder.

Lin Xing Xue was sure that Xiao Tian would eat it. And what she had guessed was right because Xiao Tian instantly ate the popcorn.

Lin Xing Xue repeated the same process several times. Every time she ate popcorn, she also fed it to Xiao Tian.

Then Lin Xing Xue grabbed her soft drink with her right hand and drank it. Like what she did earlier, Lin Xing Xue immediately placed the plastic straw over her right shoulder.

Without waiting for another second, Xiao Tian put the plastic straw into his mouth and began drinking it. As they were watching the movie, they continued eating the popcorn and drinking their soft drinks.

Seconds turned into minutes, and without realizing it, it had been an hour and a half since the movie started.

"The movie is almost finished." Lin Xing Xue uttered,

"Yeah." Xiao Tian nodded his head. "And we missed a lot of great scenes before."

Because they were lovey-dovey and had a passionate kiss earlier, they didn't pay attention to the movie for several minutes.

Of course, Xiao Tian didn't care about it because the reason why he chose a romantic movie was that he wanted to lovey-dovey with her.

And because his wish had come true, Xiao Tian was fine with it.

*Movie soundtrack...

The movie closing credit song reverberated in the cinema.

"The movie has ended." Lin Xing Xue uttered,

"It's still 03:00 pm. Where should we go next?" Xiao Tian still wanted to spend time with Lin Xing Xue, so he didn't want them to go home yet.

At this moment, one by one, the audience began to leave the cinema.

"Up to you." Lin Xing Xue was already happy to be able to spend time with Xiao Tian, so she would let Xiao Tian decide everything.

"How about we go to Yonhan beach? I suddenly want to see you in swimsuit. I miss seeing your perfect body." at this moment, Xiao Tian was only joking around.

He said something like that because he wanted to tease her. It had been several days since they could spend time together again, so he wanted to keep teasing her.

However, Lin Xing Xue had different thoughts. "...pervert!"

Lin Xing Xue knew that Xiao Tian was a perverted young man, so she still behaved normally upon hearing his remarks.

"Hahaha." instead of denying it immediately, Xiao Tian only laughed.

"But I don't bring swimsuit with me." Lin Xing Xue answered, "How about we go to my house first to get my swimsuit? After that, we can go to the beach."

Xiao Tian smiled softly as he pinched Lin Xing Xue's nose. "I was joking, you know? Let's go."

"Un." Lin Xing Xue's face blossomed into a smile when Xiao Tian suddenly held her right hand.

However, instead of going to Yonhan Beach, Xiao Tian brought her to Rainbow Garden. Even though Lin Xing Xue was startled, she said nothing.

Rainbow Garden was a great place for a date, and she had never been there with Xiao Tian before, so it excited her.

At this moment, Xiao Tian suddenly remembered Yun Xin Er because every time he traveled to Rainbow garden, he always went with Yun Xin Er.

It could be said that Rainbow Garden was a special place for Xiao Tian and Yun Xin Er. However, because Xiao Tian was with Lin Xing Xue now, he immediately threw that thought away.

When Lin Xing Xue saw flowers with different colors, she immediately approached them. Lin Xing Xue was someone who loved flowers, so she was thrilled when she saw many beautiful flowers in front of her.

A soft smile spread across Xiao Tian's face when he saw her happy face.

'I'm glad she likes this place.'

Xiao Tian slowly approached her.

"Beautiful!" Lin Xing Xue could not help but be amazed by the beauty of the flowers in the Rainbow Garden.

After Xiao Tian stood next to her, he immediately spoke, "You are right. These flowers are so beautiful, but in my eyes, you are -"

However, before Xiao Tian had finished his words, Lin Xing Xue interrupted him. "You want to say I'm more beautiful than these flowers, right?"

The corner of Xiao Tian's lips twitched.

'Little Xue, how could you do that to me?'

Xiao Tian shouted in his mind.

"Haha." Lin Xing Xue could not help but giggle when she saw the expression on Xiao Tian's face.

Xiao Tian pinched her nose gently and smiled softly. "Bad lady, you should not have interrupted my words like that. I was about to seduce you earlier."

Lin Xing Xue did nothing when Xiao Tian was pinching her nose. "You don't need to do that because my heart is already yours."

Upon hearing her words, Xiao Tian kissed her forehead before hugging her. Of course, Lin Xing Xue welcomed it instantly.

She even smiled happily when she buried her head in Xiao Tian's chest because at that moment, she felt very close to Xiao Tian.

After stopping the hug, Xiao Tian cupped her face and looked at her in the eyes, "Little Xue, how about you live together with me in my house?"

*Fall....

Tears fell down Lin Xing Xue's soft cheeks. It was not because she was sad; instead, it was the opposite. It was tears of happiness.

Lin Xing Xue had tried her best to get back with Xiao Tian since several months ago. For this reason, tears fell down from her beautiful eyes after feeling immense happiness.

Sure, Xiao Tian did not say it directly, but from his words, Lin Xing Xue knew that he had accepted her love again.

He had agreed to be her boyfriend because it would be impossible for him to invite her to live with him if he did not accept her love.

"Tian..." due to how happy she was, Lin Xing Xue could not finish her words.

No, it was not like she could not finish her words; instead, she had no idea what to say to him.

Xiao Tian instantly wiped off the tears on her pretty face and spoke. "Don't cry."

Instead of stopping, Lin Xing Xue's tears fell down even faster. She knew that she should stop crying, but at that moment, she could not control her tears.

"Tian..." if previously, Xiao Tian was the one who hugged her, this time, it was her turn to embrace him.

Because she was unable to describe the happiness she felt in words, Lin Xing Xue decided to hug him.

At this moment, Xiao Tian rubbed her hair gently. He knew that Lin Xing Xue loved him and desired to get back with him, but he didn't expect her to cry like that after hearing his words.

*One second...two seconds...three seconds...

They hugged each other for about twenty seconds before Xiao Tian finally stopped the hug.

Like what he did before, Xiao Tian cupped her face and asked, "So, how is it? Do you agree to live together with me in my house?"

Because Lin Xing Xue had not answered his question before, Xiao Tian decided to ask again. Sure, he knew what the answer would be based on her reaction, but Xiao Tian wanted to hear it from her mouth.

"Yes." Lin Xing Xue replied as she nodded her head. "I agree to live together with you."

Even though Lin Xing Xue still had not asked her daughter's opinion, she didn't care because her daughter knew what she desired the most.

Her daughter even told Xiao Tian to get back with her immediately. That was why Lin Xing Xue dared to accept it without thinking twice.

"Good." Xiao Tian smiled softly.

At this moment, Xiao Tian suddenly remembered something important. Because Lin Xing Xue would live together with him later, Xiao Tian decided to reveal everything.

Xiao Tian did not want to repeat the same mistake. "But before that, I have something important to tell you."

"What is it?" Lin Xing Xue inquired.

"My mother and aunt are also my women." Xiao Tian answered.

Chapter 840 - I Want A MILF As My Lover Too

7-8 minutes

"My mother and aunt are also my women." Xiao Tian answered.

Xiao Tian's words much surprised Lin Xing Xue. She didn't expect him to say something like that. Like Liu Ning when she first learned the truth, Lin Xing Xue had no idea what to say or do.

Sure, she knew that many people had illicit relationships in this world, but she didn't expect that Xiao Tian was one of them.

At this moment, Lin Xing Xue could only stare at Xiao Tian without saying a single word.

Of course, Xiao Tian knew that Lin Xing Xue would react like that because it was normal to have that reaction after hearing his words.

Xiao Tian was sure everyone would react like that if they knew about his relationship with his mother and aunt. "If you can't accept my relationship with them, I think it will be better if we forget everything because no matter what happens, I will not break up with them."

Xiao Tian told her that Ye Qingyu and Ye Xueyin were very important to him, and he would rather forget Lin Xing Xue than break up with them.

It scared Lin Xing Xue. She finally managed to get back with Xiao Tian after trying so hard, so she didn't want to break up with him instantly because it would make all her efforts in vain.

"Did Fei and Mrs. Liu already know about this?" Lin Xing Xue wanted to know whether Shi Fei and Liu Ning already knew about it or not.

"Yes." Xiao Tian replied as he nodded his head.

"What is their answer?" Lin Xing Xue asked again.

"They can accept my relationship with them." Xiao Tian gave an honest answer.

"If so, then I can accept your relationship with them too." Lin Xing Xue didn't want to break up with Xiao Tian, so she decided to accept his relationship with them.

Sure, she would need some time to accept his relationship with them fully, but if Shi Fei and Liu Ning could do that, she believed that she could do that too.

Xiao Tian smiled happily after hearing her words. He then grabbed her by the waist before spinning her. "Good!"

"Kya..." Lin Xing Xue was startled when Xiao Tian suddenly spun her body like that.

However, her surprised face instantly turned into a happy expression where a beautiful smile suddenly appeared on her pretty face.

After spinning her body twice, Xiao Tian put her down and kissed her forehead. "Let's enjoy the beauty of Rainbow Garden again."

"Un." Lin Xing Xue nodded her head.

Like before, Xiao Tian and Lin Xing Xue walked hand in hand again. Because now they were lovers again, a happy smile never left Lin Xing Xue's pretty face.

Her mood lightened, joy engulfed her, and happiness glowed inside her. She suddenly felt as if she was the happiest woman in the world.

When Xiao Tian saw the beautiful flower, he immediately took it and placed it in Lin Xing Xue's hair, just above her right earlobe. "As I thought, this flower suits you very well. You look more attractive with this flower."

The smile on her face grew bigger after hearing his words. Sure, she had listened to his sweet words many times, but still, it made her happy every time she heard it.

Because Xiao Tian wanted to remember that beautiful moment forever, he took his smartphone out of his pocket and spoke, "Let's take a picture together."

Lin Xing Xue instantly embraced Xiao Tian's right arm and showed her most beautiful smile.

Because the two of them were good-looking, the result was wonderful. Lin Xing Xue looked stunning in the photo.

Her pretty smile, coupled with a beautiful flower on her hair, made her look like an angel who descended from heaven.

After Xiao Tian kissed her forehead, they continued walking again. Even though they had been walking for a few minutes, but none of them felt tired.

At that time, they took a lot of photos. Every time they found an excellent place to take a picture, they immediately took a photo.

Because they just got back to being a couple, Xiao Tian and Lin Xing Xue took many couple photos, such as when they were holding hands, when he was kissing her forehead, and many other things.

Some people were even envious of their lovey-dovey behavior because they knew that Xiao Tian and Lin Xing Xue truly loved each other from their behavior.

Because they had been walking for more than fifteen minutes, Xiao Tian and Lin Xing Xue decided to rest.

Rainbow Garden had many buildings specially made for visitors to rest after enjoying the beauty of the flowers.

These buildings were rectangular in shape with a size of 4x5 meters. The buildings were built of wood with roofs made of rice straw, so the roofs of the buildings would not make any noise when it rained.

The building walls were made of wood as high as one and a half meters so that visitors could still enjoy the beauty of the flowers in Rainbow Garden.

After entering the building, Xiao Tian immediately sat on the floor with his back leaning against the wall.

Because he still wanted to lovey-dovey with Lin Xing Xue, he tapped his thighs and spoke, "Little Xue, come here and sit between my legs."

"It seems like you really love to hug me from behind." Even though she said something like that, Lin Xing Xue still did what she was told.

"Because my lover is an attractive lady, of course, I always want to embrace you." After saying that, Xiao Tian wrapped his arms around Lin Xing Xue's waist.

Lin Xing Xue almost cried again upon hearing his words. It had been a long time since Xiao Tian referred to her as his lover again. "Yes, you can hug me wherever and whenever you want."

"I love that idea." Xiao Tian smiled softly.

*Pitter-patter....

Five minutes after they sat inside the building, it suddenly rained.

At this moment, two pairs of couples suddenly entered the building

'He got MILF as his lover!'

The two young men were startled when they saw Lin Xing Xue.

A trace of jealousy suddenly appeared on their faces. Sure, their girlfriends were not ugly but having a MILF as a lover was one of the dreams of men.

In the eyes of young men nowadays, MILF was like the best wine. The older they were, the better they tasted.

Most young men nowadays referred to MILF as a goddess because the older they were, the more attractive they were.

Not only did they have a lot of experience, but almost all of them didn't behave as childishly as most young ladies. That was why having a MILF as a lover was one of the dreams of young men.

'His lover is so beautiful too. It seems like he is really enjoying himself. Hugging a MILF in this cold weather must be so comfortable. I want a MILF as my lover too!'

The two young men suddenly desired a MILF as their girlfriends too.

Even though Lin Xing Xue and Xiao Tian knew that there were four people near them, they didn't show the slightest care about it.

They remained in the same position as if they were alone inside the building.
