### Chapter 841 - I Want To Kiss MILF Too

At this moment, Xiao Tian and Lin Xing Xue remained in the same position.

"Little Xue, are you feeling cold?" it was getting colder and colder because it was raining, so Xiao Tian wanted to know if Lin Xing Xue was feeling cold or not.

Of course, Xiao Tian had tried his best to keep Lin Xing Xue's body warm by hugging her tighter, but since neither of them were wearing jackets, he didn't know if his efforts were in vain or not.

"No." even though it was cold, but Lin Xing Xue didn't feel cold at all because Xiao Tian was hugging her from behind.

'My body feels warm because you are hugging me.'

It was as if Xiao Tian's embrace was more than enough to warm up her body.

Xiao Tian felt relieved after hearing her words.

'If I had known it was going to rain, I would have brought my jacket earlier. Well, we don't know what will happen in the future, so it can't be hel- Hmmm?'

At this moment, Xiao Tian noticed the two young men, who were sitting near him, often stole glances at Lin Xing Xue.

Sure, they had tried their best to hide it, but Xiao Tian was still able to know when they stole glances at his lover.

'It seems like they are jealous of me. Well, I can understand it because my lover is so attractive. Sometimes, I even want the world to know how beautiful my women are.'

Of course, Xiao Tian knew the reason why they did something like that because having a MILF as a lover was one of the dreams of young men nowadays.

When Xiao Tian was looking at these two young men, they immediately turned their heads to the other side.

'If you want to see us so badly, I will show you something interesting then.'

Xiao Tian's lips curled into a grin.

A wicked idea suddenly appeared in his mind. Because they were jealous of him, he wanted to make them even more jealous.

For this reason, Xiao Tian immediately kissed Lin Xing Xue's left cheek when they stole a glance at Lin Xing Xue again.

'Hahaha. This is so fun.'

Xiao Tian could not help but laugh in his head when he saw their expression.

From their expressions, Xiao Tian knew that they also wanted to do the same thing as what he just did. This made the evil side of Xiao Tian laugh happily.

Lin Xing Xue instantly turned her head to look at Xiao Tian. She was startled when Xiao Tian suddenly kissed her left cheek.

'I'm happy he kissed my cheek, but isn't he embarrassed?'

At this moment, Lin Xing Xue still had no idea as to why Xiao Tian suddenly kissed her left cheek.

She wanted to tell him not to kiss her for now because there were two pairs of young couples near them, but she suddenly changed her mind.

She just got back to be his lover, so she wanted to make him happy. As long as it was only a kiss, Lin Xing Xue would not mind it.

At first, Xiao Tian wanted to kiss Lin Xing Xue passionately or squeeze her breasts when these two young men stole a glance at them again.

However, he changed his mind. Xiao Tian was sure that Lin Xing Xue would try to stop him if he did that because there were four young people near them.

Lin Xing Xue was different from Shi Fei. If Xiao Tian were with Shi Fei, he would have kissed her passionately because she was just like him.

Yes, Shi Fei was a wild young lady who loved adventure like Xiao Tian. This was one of the reasons why Shi Fei was still the most important woman in his heart.

But, Xiao Tian was still satisfied seeing the reactions of these young men.

'Well, I think this is enough. I'd rather pay attention to my lover than keep teasing them.'

However, Xiao Tian suddenly wanted to give a killing blow to these two young men before ignoring them.

'What is the best way to do a killing blow?'

After thinking for several seconds, Xiao Tian found the best way to give a killing blow to these two young men.

Xiao Tian then pushed Lin Xing Xue's body slightly forward before lowering her body. When these two young men were stealing a glance at them, Xiao Tian lifted Lin Xing Xue's face and kissed her soft pink lips from above.

As Xiao Tian was pressing his lips against hers, he stole a glance at these two young men. He didn't stop the kiss immediately because he wanted to make them burn in jealousy.

These two young men instantly forgot their girlfriends and traces of jealousy instantly appeared on their faces.

'Ah! He is kissing her lips. I'm sure her lips are so soft. He must be feeling happy kissing these soft lips.'

At this moment, these two young men suddenly wanted to switch places with Xiao Tian.

Lin Xing Xue's lips were kissable, so they wanted to know what it was like to kiss these beautiful soft pink lips.

\*Gulp...

They could not help but gulp their saliva.

Because they suddenly wanted to do what Xiao Tian was doing, they immediately kissed their girlfriends.

Lin Xing Xue widened her eyes for a second when she felt Xiao Tian's lips on hers. Previously, she thought Xiao Tian wanted to make her sleep in his embrace, but she was wrong.

At first, she wanted to stop the kiss, but she changed her mind when she noticed the two young couples next to them did the same thing.

For this reason, Lin Xing Xue shut her beautiful eyes and decided to enjoy the kiss.

\*One second...Two seconds...Three seconds...

When Xiao Tian noticed these two young people didn't pay attention to them anymore, he stopped the kiss.

"Little Xue, are you sleepy?" After saying that, Xiao Tian pulled up Lin Xing Xue's body, making them return to their previous position.

"Un." Actually, Lin Xing Xue had been feeling sleepy since a few minutes ago because the atmosphere was perfect for sleeping

"If so, then you can sleep." Xiao Tian uttered,

"All right." After saying that, Lin Xing Xue shut her eyes.

She was in her lover's arms, so she felt safe and comfortable. For this reason, Lin Xing Xue shut her eyes without thinking twice.

Because these two young men suddenly wanted to do the same, they made their girlfriends sit between their legs.

Seconds turned into minutes, and without realizing it, it had been forty minutes since it started raining. At this moment, Lin Xing Xue had fallen asleep.

Xiao Tian kissed Lin Xing Xue's hair before closing his eyes. Because he felt comfortable embracing Lin Xing Xue, he also fell asleep.

Not only Xiao Tian and Lin Xing Xue, but the other couples also fell asleep.

-----

'Hmm...'

Lin Xing Xue opened her eyes.

Her face broke into a smile when she saw Xiao Tian's arms around her waist.

'My lover is hugging me.'

Since Xiao Tian had agreed to get back with her, she dared to call him her lover.

'I'm so happy today. Thank you, God.'

Lin Xing Xue then put her hands in his.

## **Chapter 842 - I Will Never Let You Go This Time**

7-8 minutes

---

Lin Xing Xue's face blossomed into a smile. Previously, she thought today would be a boring day like usual.

However, that changed when Xiao Tian suddenly called her and asked her out on a date. She was pleased because she finally could spend time alone with him again after several days.

But what made her the happiest was that Xiao Tian agreed to be her boyfriend again. Yes, Lin Xing Xue and Xiao Tian finally became a couple again.

'I will never let you go this time, Tian.'

Happiness glowed inside her, and her spirits were flying high in the sky.

'Oh! They are sleeping too.'

Lin Xing Xue then shifted her gaze from the two young couples beside her to Xiao Tian.

At this moment, Xiao Tian had no idea that Lin Xing Xue was looking at him lovingly. If he had known about it, he would have teased her.

'Please take care of me again, my little lover.'

Lin Xing Xue then pressed her tender lips against Xiao Tian's forehead.

When Xiao Tian felt something soft on his forehead, he immediately opened his eyes, "Little Xue, you are already awake?!"

"I just woke up." Lin Xing Xue answered.

"Oh! The rain has stopped." Xiao Tian spoke and paused for a second before he continued, "Let's go home. It's almost dark now."

Even though Xiao Tian still wanted to spend time with her, he decided to send her home because he was sure that her daughter was alone at home.

"All right." After saying that, Lin Xing Xue rose to her feet.

Like what they did earlier, Xiao Tian and Lin Xing Xue walked towards the parking lot hand in hand.

-----  
"We have arrived." Xiao Tian spoke abruptly.

"Do you want to come in?" Lin Xing Xue inquired.

"Sorry. I have to go home now." Xiao Tian answered, "Oh, right! When will you move to my house?"

"Tomorrow. I will talk to Yu'er later." Lin Xing Xue wanted to live with Xiao Tian as quickly as possible, so she decided to move to his house tomorrow.

"Great!" Xiao Tian said happily. "I will tell Shi Fei and the others later."

"Un." Lin Xing Xue nodded her head. "Then I'll go into my house now."

When Lin Xing Xue was about to get out of the car, Xiao Tian stopped her. "Wait, little Xue."

Lin Xing Xue sat in the passenger seat again. "Hmmm? What's wrong?"

Actually, Lin Xing Xue knew the reason why Xiao Tian suddenly stopped her from getting out of the car, but she pretended as if she didn't know anything about it.

Instead of answering her question, Xiao Tian tapped his thighs. As usual, Xiao Tian wanted a goodbye kiss before going home because it was something they always did whenever he sent her home.

Lin Xing Xue smiled softly before placing her bag on her seat. Because she was wearing jeans, it was easy for her to sit on his lap.

Because Lin Xing Xue knew that they would have a passionate kiss, she sat on his lap, facing him.

Actually, Lin Xing Xue also wanted a goodbye kiss. They always had a goodbye kiss before he went home, so she felt something was missing if they didn't do that.

As usual, they started it by pressing their lips against each other. However, it only lasted for three seconds before the gentle kiss turned into a passionate kiss where they intertwined their tongues lewdly.

Since previously they had only had a passionate kiss once, Lin Xing Xue and Xiao Tian kept moving their tongues lewdly as if neither of them wanted to stop the kiss.

\*One Second...Fifteen seconds...Thirty seconds...

They had a passionate kiss for more than thirty seconds before finally, Lin Xing Xue broke the kiss.

At this moment, both Xiao Tian and Lin Xing Xue had fascinating expressions. It was as if they were teenagers who had just discovered how amazing a passionate kiss was.

Maybe it was because they were a couple again now, or perhaps because it had been a week since they last spent time together, but at this moment, Lin Xing Xue was much braver than usual.

In less than five seconds after she broke the kiss, Lin Xing Xue cupped Xiao Tian's face and lifted it again. Unlike before, this time, Lin Xing Xue instantly kissed him passionately.

She was even more aggressive than Xiao Tian. The way she moved her soft tongue was so wild, as if she tried her best to dominate the kiss.

However, Lin Xing Xue had a short breath. That was why she stopped the kiss several times.

"Hehe. My little lover is so wild." Xiao Tian smiled as he teased her. "But I like it."

Lin Xing Xue said nothing and only stared at him with a fascinating expression.

Because Xiao Tian knew that she was still not satisfied, he immediately spoke, "Come here and let's continue our hot moment earlier."

If previously Xiao Tian let her dominate the kiss, this time, Xiao Tian did the opposite.

\*One minute...

After a minute, Lin Xing Xue stopped the kiss. "I give up. I really can't beat you in kissing."

'Of course, you won't be able to beat me in kissing. I have experience from two lives, you know? So there's no way you can beat me in something related to adult things.'

Xiao Tian answered in his head.

But he didn't say it and only smiled. "But you've done a good job. I'm sure you're much better than most women now."

"Well, it was because you always kissed me passionately every time we met." Lin Xing Xue was sure the reason why she was good at French kissing was that Xiao Tian often kissed her passionately.

"Hehe." Xiao Tian knew about it because she was not as skilled as she was now when he first kissed Lin Xing Xue passionately. "Then you should show me your gratitude."

"...thank you." Lin Xing Xue uttered,

"Haha." Xiao Tian laughed after hearing her words.

"Tian, thank you for inviting me to go out today. I'm really happy today." After saying that, Lin Xing Xue's face blossomed into a smile.

Xiao Tian smiled softly before answering. "I'm also happy. Today is one of the happiest days of my life."

Xiao Tian was telling the truth when he said this. Today was indeed a special day for him. Sure, he had gone on dates with her many times, but he felt today was different from usual.

The time they spent at the Rainbow Garden was so memorable. He was sure he would still remember it until he was old later.

"Thank you." Lin Xing Xue pulled Xiao Tian's head towards her chest before embracing him tightly.

As usual, Xiao Tian instantly wrapped his arms around her waist.

After hugging him for about a minute, Lin Xing Xue stopped the hug. "All right. I'll go into my house now."

"Un." Xiao Tian nodded his head.

After Lin Xing Xue entered her house, Xiao Tian went home.

-----

"I'm home." Xiao Tian spoke when he was in the family room.

"Welcome home." Shi Fei and the others answered in unison.

"Tian'er, where did you go today? Why are you smiling like that?" Liu Ning inquired.

"I went on a date with little Xue today." Xiao Tian gave an honest answer. "Oh, right. I have something to say to all of you."

"What is it?" Shi Fei and the others asked curiously.

"Little Xue will live with us tomorrow." Xiao Tian answered.

### **Chapter 843 - You Can Eat Me When We Are Alone Later**

6-8 minutes

---

"Little Xue will live with us from tomorrow onwards." Xiao Tian answered.

As Xiao Tian was saying this, his face blossomed into a smile. From his expression, anyone could tell that he was pleased about it.

The expression of deep shock blossomed on the faces of Liu Ning and the others. They knew that Lin Xing Xue was Xiao Tian's ex-lover, and she wanted to get back with him so badly.

However, they believed that Xiao Tian still had not agreed to get back with Lin Xing Xue. That was why Xiao Tian's words much surprised them.

'Don't tell me....'

Because Xiao Tian said that he went on a date with Lin Xing Xue, Shi Fei and the others suddenly thought that something good had happened to Xiao Tian and Lin Xing Xue earlier.

"Tian, did you get back with Mrs. Lin today?" Ye Xueyin asked curiously.

At this moment, everyone paid attention to Xiao Tian carefully because they wanted to hear his answer. Yes. They wanted to know the truth.

"Yes." Xiao Tian gave an honest answer. "I decided to accept her love again today. We are a couple now."

"Good job, little brother!" Shi Fei said happily. "Now all your women will live in this house."

Lin Xing Xue was her good friend, so Shi Fei was pleased when she found out that Xiao Tian and Lin Xing Xue were a couple again.

"Tian'er, why did you suddenly decide to go back with her?" it was not like Liu Ning didn't like Lin Xing Xue; it was because she was curious about it.

Xiao Tian didn't accept Lin Xing Xue's love for several months, so she wanted to know why did he suddenly decide to get back together with Lin Xing Xue again today?

Xiao Tian started telling them that he was touched by her efforts to get back together with him. Not only that, but even Lin Xing Xue's daughter also asked him to get back together with her mother.

Xiao Tian knew what Lin Xing Xue had gone through after breaking up with him. Of course, he knew about it from her daughter, Feng Yu.

And after seeing her determination to get back together with him, Xiao Tian decided to accept her love again.

Lin Xing Xue was the first woman he met after taking over Xiao Tian's body, so she was kind of special in his heart.

Sure, his behavior was quite cold towards Lin Xing Xue after breaking up with her, but deep inside him, he still loved her.

Yes, just like what happened to Lin Xing Xue, Xiao Tian also could not forget Lin Xing Xue.

Lin Xing Xue was the first woman he met, the first lady he teased, and the first woman he embraced. He did so many things for the first time with Lin Xing Xue, so there was no way Xiao Tian could forget her.

There were two reasons why Xiao Tian behaved quite cold to Lin Xing Xue in the past. First, he was unhappy and disappointed with her behavior after what he had done for her.

The second was, he wanted her to realize that there were many women in this world. Sure, he was the wrong one, but at the very least, she should give him a chance to explain everything and not behave like a child.

"I see." Liu Ning spoke after Xiao Tian finished telling them everything.

"But what if she doesn't accept our relationship?" Ye Xueyin didn't mind if Lin Xing Xue became Xiao Tian's lover again, but she didn't want to fight with Xiao Tian or Lin Xing Xue because of their relationship with Xiao Tian.

"Yes. Because our relationship is taboo." Ye Qingyu added.

"You don't need to worry about it because she can accept our relationship." Xiao Tian could understand their feelings. "Since I didn't want to hide anything anymore, I told her everything earlier. I told her that both of you are my women."

"Really?" Ye Xueyin didn't expect that. Of course, she was pleased by it.

"Yes." Xiao Tian replied as he nodded his head.

"Good!" Ye Xueyin smiled happily because that meant, she could lovey-dovey with Xiao Tian in front of Lin Xing Xue later.

Ye Qingyu felt relieved after hearing his words. Like her older sister, she was thrilled by Xiao Tian's words.

"Oh right, all of you don't need to go to work tomorrow. Let's have a small party tomorrow." Xiao Tian wanted them to have a small party to welcome Lin Xing Xue and Feng Yu later.

"Un." Liu Ning and the other nodded their heads.

After that, Xiao Tian took a shower before talking with them in the family room. That night, Xiao Tian decided to sleep in Liu Ning's room.

Because Xiao Tian didn't have sex with Liu Ning in a week, he decided to do it. Of course, Liu Ning welcomed it happily.

Xiao Tian was her lover, so she had the responsibility to serve him in bed. And having sex with him also felt great because he never failed to satisfy her.

After having sex for about an hour and a half, Liu Ning and Xiao Tian decided to sleep.

-----

The following morning, Xiao Tian traveled to Lin Xing Xue's house after having breakfast with Shi Fei and the others.

\*Knock...Knock...knock...

Xiao Tian immediately knocked on the door after arriving at Lin Xing Xue's house.

Not long after that, Lin Xing Xue opened the door. "Tian, you have arrived?"

Lin Xing Xue had guessed that Xiao Tian would come to her house because she would move to his house today.

When Xiao Tian saw Lin Xing Xue's pretty face, he immediately pulled her into his arms. A desire to kiss her suddenly emerged within him when he saw her pretty lips.

For this reason, Xiao Tian instantly pressed his lips against hers. Sure, there was a high chance her daughter would see what they were doing, but at the time, he didn't care about it.

Even though Xiao Tian's actions much surprised her, Lin Xing Xue immediately welcomed the kiss.

Like what they did last night before Xiao Tian went home, the gentle kiss instantly turned into a hot kiss where they danced their tongues wildly and lewdly.

However, Xiao Tian only kissed her passionately for twenty seconds this time. "Thank you for the breakfast."

"You still think of me as your food, huh?" Lin Xing Xue pinched Xiao Tian's nose with her right hand.

Even though she said something like that, she didn't pinch her nose hard, and even a beautiful smile slowly appeared on her face.

"Hehe." Xiao Tian laughed.

"You really haven't changed, huh?" in the past, Xiao Tian had often said that she was his food, so she suddenly remembered all of that after hearing his words.

"I can change if you want. For example, I can change to wild beast mode and eat you now." After saying that, Xiao Tian carried her in a princess style.

"Kya." Lin Xing Xue was startled by his actions. "Tian, don't change into a wild beast now. My daughter is in her room now. You can eat me when we are alone later."

"Good! I will remember it." Xiao Tian then walked towards the guest room.

## **Chapter 844 - I Want A Laptop**

6-8 minutes

---

Like what he often did to his women, Xiao Tian did not put Lin Xing Xue down when he was about to sit on the sofa.

Currently, Xiao Tian was sitting on the couch with Lin Xing Xue on his lap. They behaved as if they were a couple who had just met after being separated for a long time.

As usual, Xiao Tian was holding Lin Xing Xue's right hand with his left hand while his other hand was on her waist.

"My little lover, you look so beautiful when you smile like that." at this moment, Xiao Tian was telling the truth.

When Xiao Tian saw her smile, he felt as if the guest room had suddenly turned pink and many little stars had appeared around her.

It was as if he was watching a scene on TV where the producer manipulated the room using a computer.

Lin Xing Xue pinched Xiao Tian's nose before answering. "You are ten years younger than me, so how can you call me like that? I should be the one calling you little lover."

"But I'm not small." Xiao Tian then brought his face closer towards her left ear and whispered, "You do know how big I'm, right? Because you have seen it many times, and you even have tasted it."

"Pervert!" Lin Xing Xue's face turned red after hearing his words.

Of course, she knew what he meant by saying he was big, and she had seen it many times. Lin Xing Xue was not an innocent woman, so she knew that he was referring to his cock.

Because Lin Xing Xue agreed that his cock was huge, she didn't deny his words.

"Because you said I'm a pervert young man, then I will make you a pervert too later." As usual, Xiao Tian teased Lin Xing Xue.

"No. Please don't make me pervert like you." Lin Xing Xue knew the hidden meaning of his words.

Xiao Tian had a huge cock and knew how to use it very well. Coupled with his unlimited stamina, it was not difficult to make her into a pervert mature lady.

Lin Xing Xue was sure that she would turn into a pervert lady if they had sex every single day. That was why she said something like that.

But of course, she would not refuse if Xiao Tian suddenly wanted to have sex with her because he was her lover.

"Haha." Xiao Tian could not help but burst into a wave of laughter after hearing her remarks.

"Oh, you are already here?" Feng Yu, who had just entered the guest room, spoke.

Xiao Tian and Lin Xing Xue instantly turned their heads towards Feng Yu.

"Yu'er." Even though her daughter saw her sitting on Xiao Tian's lap, she still behaved normally because her daughter had promised to support her.

"Oh, Feng Yu." Like Lin Xing Xue, Xiao Tian also behaved normally. "Oh, right. I heard you rank one in your school. Tell me. What do you want? I will buy you anything as a reward for your hard work."

Lin Xing Xue told him that her daughter got first place in her school yesterday when they were at Rainbow Garden.

At that time, Xiao Tian was not surprised and instantly believed her words because she knew that Feng Yu was a clever child.

The way she behaved was also different from other children her age. She knew what she had to do and was able to control her emotions very well.

"Really?" Feng Yu asked.

"Yes." Xiao Tian nodded his head. "Just tell me what you want, and we can buy it tomorrow."

At this moment, Lin Xing Xue was staring at Xiao Tian.

'Thank you, Tian.'

She really loved it when Xiao Tian was treating her daughter well.

Ever since he helped her to live together with her daughter again, Xiao Tian had never mistreated Feng Yu even once.

He always treated her well, but unfortunately, Feng Yu disliked him at that time. That was why his relationship with Feng Yu was complicated.

"Laptop." Feng Yu really wanted a laptop to help her study. "I want a laptop."

"Laptop?" Xiao Tian was startled after hearing her words.

Not only Xiao Tian, but even Lin Xing Xue was also surprised with her daughter's words. "Yu'er, why do you want a laptop? You're still a kid, so I don't think you need it for now."

"Mother, I will be a middle-school student in a few days. I need a laptop to help me study." Feng Yu told her mother the reason why she wanted a laptop.

"Are you sure you're going to use it just for studying?" Xiao Tian wanted to make sure that Feng Yu didn't lie to him.

"I'm different from other people." Feng Yu stated. "I will only use it for studying. I won't use it for anything else."

At this moment, Feng Yu was telling the truth. She would use the laptop for studying so that she could become a successful woman in the future.

Sure, Xiao Tian had a lot of money now and could give her whatever she wanted, but that was not what she wanted.

She wanted to be a successful woman without depending on others, including Xiao Tian.

When Xiao Tian saw the determination in Feng Yu's eyes, he instantly agreed. "Sure. We will buy the best laptop tomorrow. I will also install WIFI in my house so you can browse whenever you want later."

"Tian..." Lin Xing Xue was worried after hearing his words.

Xiao Tian shifted his gaze from Feng Yu to Lin Xing Xue. "Don't worry. I believe that she is not lying to me."

Upon hearing his words, Lin Xing Xue turned her head towards her daughter. "Yu'er, say thank you to him."

Instead of saying thank you, Feng Yu said different words. "I will repay your kindness in the future."

The corner of Xiao Tian's lips twitched after hearing her words.

'This child is really something.'

Xiao Tian could only sigh in helplessness.

"Yu'er. Say thank you to him." Lin Xing Xue was unhappy with her daughter's words.

"I want to prepare everything first. House moving service is almost here." After saying that, Feng Yu headed to her room.

She knew that her behavior was rude, but she didn't care about it. Even though she could accept his relationship with her mother, she still disliked him.

Lin Xing Xue then looked at Xiao Tian and spoke, "Tian, I'm sorry."

She knew the reason why her daughter behaved like that. She had tried to change her daughter's behavior towards Xiao Tian, but her efforts were in vain until now.

"Don't worry. I'm not angry." Xiao Tian answered as he smiled

'Well, she grew up in a difficult and complicated situation, so I can understand it.'

Growing up in a broken home was difficult, so Xiao Tian could not get angry with her.

Not long after that, the house moving service arrived. They immediately started moving Lin Xing Xue's belongings to Xiao Tian's house.

Lin Xing Xue could not control her emotions when she was about to leave her house. She had lived in that house for many years, but now she was going to live in Xiao Tian's house.

After looking at her house for about ten minutes, they traveled to Xiao Tian's home.

### **Chapter 845 - Lin Xing Xue And Feng YU Moves To Xiao Tian's House**

6-8 minutes

---

Xiao Tian's House, Guest Room.

Currently, Shi Fei and the others were sitting on the couch. Since Xiao Tian had informed them that Lin Xing Xue and her daughter would be arriving soon, they wanted to welcome Lin Xing Xue and Feng Yu.

Lin Xing Xue was now one of Xiao Tian's women, so they had to maintain their good relationship because having a good relationship would make them harmonious later.

"Mrs Liu, I heard you lived with Feng Yu in the past." Ye Qingyu spoke abruptly.

Ye Qingyu knew about it from Xiao Tian. After having sex with Xiao Tian in her room several months ago, Ye Qingyu asked him many things.

One of the things she asked about was about Lin Xing Xue. That was why she knew many things now, including about Shi Fei, Yun Xin Xue, and Liu Ning.

"Yes." Liu Ning nodded her head. "I lived with her for a few years."

"So this means you are close to her, right?" even though Shi Fei was Lin Xing Xue's good friend, she had no idea about this because Feng Yu lived with Feng Ao in the past.

And Lin Xing Xue always tried to avoid talking about anything related to her daughter because it would make Lin Xing Xue sad.

Of course, Shi Fei had seen Feng Yu but she had never met Feng Yu before.

"Well, it can be said that we are quite close." Liu Ning had a good relationship with Feng Yu because they had spent quite a lot of time together in the past.

"Then, you an-" Ye Qingyu stopped her words halfway when she heard the sound of two cars. "They have arrived!"

Ye Qingyu and the others instantly walked out of the guest room to welcome Lin Xing Xue and Feng Yu.

'They are here.'

Ye Qingyu and the others were waiting on the terrace in front of the door.

"Little Xue, they are welcoming you." Xiao Tian spoke when he saw his mother and the others.

Lin Xing Xue was touched by their actions. She didn't expect them to welcome her like that. This made her happy to the point that she almost cried.

'From today onwards, they will be my family.'

Because all of them were Xiao Tian's women, Shi Fei and the others would become her sisters later.

When Feng Yu saw Liu Ning, she instantly got out of the car and dashed towards Liu Ning. "Big sister Ning."

In the past, Liu Ning told Feng Yu to refer her as mother, but Feng Yu refused. Therefore, Liu Ning asked Feng Yu to refer her as big sister.

Because Liu Ning was still young, Feng Yu agreed to call her big sister. That was why she called Liu Ning big sister Ning.

Liu Ning immediately walked closer towards Feng Yu. She immediately squatted down and spread her arms when she was close to Feng Yu.

Without thinking twice, Feng Yu embraced Liu Ning. "I miss you, big sister Ning."

"Me too." Liu Ning hugged Feng Yu's small body.

"Hello?" Lin Xing Xue spoke abruptly.

Even though he had met them many times before, Lin Xing Xue suddenly felt nervous and awkward.

Maybe it was because Shi Fei and the others were Xiao Tian's women or perhaps, it was because she would join his harem later, but at that moment, Lin Xing Xue was really nervous.

However, when she remembered that they welcomed her and her daughter, a feeling of happiness suddenly rose within her again.

Sure, she knew that Xiao Tian had more than one woman, but letting another woman be his lover and welcoming a woman into his harem were two different things.

The former meant there was a high possibility that they would hate each other while the latter meant they would live in harmonious later.

"Xue, we can finally live together now." Shi Fei held Lin Xing Xue's hands.

She was pleased because her good friend would be living together with her later.

"Un." Lin Xing Xue nodded her head before looking at Ye Qingyu and the others. "Please take care of my daughter and me."

"What is this?" Xiao Tian was startled by Lin Xing Xue's words. "All of you will be sisters later, so just behave normally. Of course, I will be the king of this house now."

"Hehe." Shi Fei giggled after hearing his words. "Yes, yes. We will serve the king later."

"Those are the words I like the most." Xiao Tian said happily

"Hehe." Ye Qingyu and the others giggled when they saw his happy face.

After the moving house service finished their job, they immediately left.

Xiao Tian then took Lin Xing Xue and Feng Yu to their rooms. They could not help but feel happy when they saw their rooms.

Like his women's rooms, their rooms were big and luxurious. There were a soft bed and air conditioner in their rooms.

There was even a private bathroom and huge TV. It was much different from their previous rooms. The difference was like heaven and earth.

After helping Lin Xing Xue and Feng Yu arrange their rooms, Xiao Tian and the others headed to the backyard to have a party.

They had promised to throw a party to welcome Lin Xing Xue and Feng Yu.

-----

'Little Xue will be living with me from today onwards, so there is only one more woman left who has not lived with me.'

Xiao Tian also wanted to invite Yun Xin Er to live with him later, but he knew it was still not the right time to ask her.

However, Xiao Tian was confident that he could make Yun Xin Er live with him in the future.

'But the problem is her mother.'

Xiao Tian could only sigh when he remembered Yun Xin Er's mother.

"What are you thinking about, little brother?" Shi Fei asked curiously as she walked closer towards him.

Xiao Tian, who was lying down on the pool lounge chair, turned his head towards her. "I'm thinking about who I should sleep with tonight?"

"Oh! I thought you wanted to sleep with all of us in your room tonight. Hehe." After saying that, Shi Fei laid down on the pool lounge chair next to him.

"That's actually a brilliant idea." Xiao Tian replied. "However, my bed is not big enough for all of us to sleep together. Should I buy a new bed later?"

"You should change your bed to a bigger one, so that you can have sex with all of us at the same time later." Shi Fei spoke jokingly.

Liu Ning and the others, who heard Shi Fei's words, instantly turned their heads towards Xiao Tian.

"Fei, don't use vulgar words now." Ye Qingyu spoke abruptly. "There is a child here."

Shi Fei instantly covered her mouth with her right hand. "Ops!"

Feng Yu shifted her gaze from Shi Fei to the food in her right hand.

'What's so great about him? Why are they so easy to accept his polygamous relationship? Not only does he have five women, he even makes his mother and aunt his women too.'

Feng Yu knew everything because Lin Xing Xue had told her about it. But because she was a smart child, she knew what she had to do.

### **Chapter 846 - You Don't Need To Feel Shy**

6-8 minutes

---

Time went by quickly, and without realizing it, it was already 04:10 pm. At this moment, they were still in the backyard.

"I want to go to my room." after saying that, Feng Yu headed to her room.

"Yu'er, do you want me to accompany you?" Lin Xing Xue inquired.

Feng Yu stopped her footsteps and turned around. "No. I just want to take a shower before studying."

"All right." Lin Xing Xue answered.

"Where are you going, Fei?" Xiao Tian asked curiously when he saw Shi Fei heading to the house.

"Secret!" Shi Fei winked her left eye before she continued walking.

Like before, Liu Ning and the others were chatting while eating their food. As for Xiao Tian, he continued lying down on the pool lounge chair.

He decided not to lovey-dovey with his women because he wanted to give them time to chat together.

'I really like it when I see them happy like that.'

Xiao Tian's face broke into a smile when he saw his women talking happily.

Maybe because they already knew Lin Xing Xue, or perhaps because they were women, but at that time, they were talking happily as if they were best friends.

'Just what is Fei doing now?'

Xiao Tian was curious as to why Shi Fei suddenly entered the house.

At first, Xiao Tian wanted to enter the house to see what she was doing but he changed his mind because he was sure that Shi Fei would return to the backyard later.

'Is my sexy girlfriend up to something?'

Xiao Tian then shut his eyes and enjoyed the good weather.

Ten minutes later, Xiao Tian heard someone walking closer towards him.

'Is my sexy girlfriend back?'

Xiao Tian then opened his eyes and turned his head to the right side.

The expression of deep shock blossomed on Xiao Tian's face when he saw Shi Fei. Currently, Shi Fei was wearing a black bikini.

'Damn! No matter how many times I see her body, I'm always amazed by how sexy she is. As expected of myself, I did a good job of finding a lover.'

Xiao Tian was sure if Shi Fei had a pretty face like Liu Ning, she would be the most desirable woman in Shanghai.

Of course, Xiao Tian still loved Shi Fei because she was the most important lover to him. Not only did Shi Fei always support him in everything, but she also never made him angry even once.

She also had done a lot for him, including helping him grow his Star Clothes company. For him, Shi Fei was irreplaceable because she had been helping him since he was nobody.

When Shi Fei noticed Xiao Tian looking at her, she smiled happily. She kept walking towards him before she finally stopped when she was two meters away from him.

"How is it, little brother? Does this bikini suit me?" Shi Fei asked while making a sexy pose.

Yes, the reason why she entered the house earlier was that she wanted to show Xiao Tian her new bikini.

"Sexy!" Xiao Tian gave a thumbs up. "That bikini is perfect for you. You look a lot sexier in that bikini."

At this moment, Liu Ning and the others were staring at Shi Fei. Like Xiao Tian, they were startled when they saw Shi Fei wearing a bikini.

"Big sister Fei, why are you wearing a bikini?" Liu Ning asked curiously.

"I bought this bikini a few days ago, and little brother still hasn't seen me in this bikini." Shi Fei spoke and paused for a second before she continued, "That's why I'm wearing it now. I want to know his opinion about my new bikini. And from his expression and response, it looks like this bikini suits me."

"I see." Liu Ning finally knew the reason why Shi Fei suddenly wore a bikini.

Because she was wearing a bikini and there was a pool next to her, Shi Fei decided to go for a swim. For this reason, she slowly walked into the water.

Xiao Tian smiled gently when he saw Shi Fei swimming.

'It seems like she loves swimming.'

Xiao Tian said in his head.

Shi Fei swam for a few seconds before finally stopping in front of Xiao Tian. "Little brother, come swim with me."

"I will pass." Xiao Tian wanted to continue lying down on the pool lounge chair, so he refused.

However, Shi Fei would not take no for an answer. For this reason, she got out of the pool and walked towards Xiao Tian. "Let's swim together."

Xiao Tian suddenly had a bad feeling when he saw Shi Fei walking towards him.

'What? Do you want to force me to swim with you?'

Xiao Tian suddenly thought that Shi Fei wanted to force him to swim with her. And what he had guessed was right because Shi Fei immediately pushed him into the pool.

\*Burr...

The sound of Xiao Tian falling into the water echoed in the backyard.

"Bad lady!" Xiao Tian did not expect her to push him into the water like that.

"Hehe." Instead of apologizing, Shi Fei giggled happily.

Liu Ning and the others instantly turned their heads towards Xiao Tian. When they saw Shi Fei giggling, they knew that Shi Fei just pushed Xiao Tian into the pool.

"Little brother, I'm coming." After saying that, Shi Fei jumped into the water.

\*Burr....

Shi Fei jumped near Xiao Tian. "Hehe."

Even though Xiao Tian was unhappy with her actions but he could not get angry at Shi Fei. The anger in his heart disappeared instantly when he saw her cheerful smile.

"It seems like I have to punish this bad lady now." After saying that, Xiao Tian splashed water on Shi Fei's face

"Hehe." Of course, Shi Fei didn't stay still and instantly fought back.

"Take this...take this...take this...." Xiao Tian splashed water on her as he laughed happily.

Because they were having a water fight one on one, Shi Fei could not defeat Xiao Tian. "Little brother, I give up."

Xiao Tian instantly stopped what he was doing and pinched her nose. "If you dare to do bad things to me again, I will slap your ass later."

Instead of feeling afraid, Shi Fei was happy. "Oh! That is actually not a bad idea."

The corner of Xiao Tian's lips twitched after hearing her remarks.

'It seems like my sexy lover is getting more pervert every day.'

Of course, Xiao Tian didn't mind it; instead, he would be happy if she became more pervert.

"Little brother, let's swim together." Shi Fei uttered.

Since they were in the pool, Shi Fei wanted them to swim together.

"All right." Because he wanted to swim, Xiao Tian decided to take off his clothes because it would be easier for him to swim later. Currently, he was only wearing shorts.

Because it was a perfect time to tease him, Shi Fei immediately spoke, "Why don't you take off your shorts too? We are your women, and we have seen your naked body many times, so you don't need to feel shy. Just get naked already. Maybe, you will get a surprise later."

"I will do that if you take off your bikini too." Xiao Tian uttered,

"Sure." Shi Fei replied without a second thought.

Black lines formed on Xiao Tian's forehead.

### **Chapter 847 - I Am Not A Pervert, I'm A Good Lover**

6-8 minutes

---

"Sure. But I want you to get naked too." Xiao Tian uttered,

"Sure." Shi Fei replied without thinking twice.

"I'm waiting." At this moment, Xiao Tian had no idea whether Shi Fei would really take off her bikini or not.

If she were his aunt, Liu Ning or Lin Xing Xue, Xiao Tian was sure they would not dare to do that. However, Shi Fei was different from them.

Shi Fei was a wild young lady who was naughty and loved adventure, so Xiao Tian had no idea whether she would really take off her bikini or not.

At this moment, Ye Qingyu and the others were still chatting happily near the swimming pool. They talked about many things, from fashion to idols.

When Shi Fei noticed Xiao Tian looking at her intently, her lips curled into a smirk. "I suddenly changed my mind. I have decided not to take off my bikini."

Black lines formed on Xiao Tian's forehead. "My little lover dares to tease me, huh? It seems like I have to punish her again now."

However, before Xiao Tian could do anything to her, Shi Fei swam, running away from him. "Hehe. Catch me if you can."

Without waiting for another second, Xiao Tian chased her. Because they were in the swimming pool, Shi Fei could not run away from him, and as a result, he was able to catch her easily.

"Haha." Shi Fei and Xiao Tian laughed happily.

At this moment, Liu Ning and the others didn't pay attention to Xiao Tian and Shi Fei. They enjoyed chatting about many things.

"It's beautiful!" currently, Shi Fei was floating in the swimming pool, facing the sky.

"Yes." like Shi Fei, Xiao Tian was also floating on the water.

Because they could swim, they could control their bodies easily. That was why they didn't sink in the water.

Xiao Tian then moved his right arm before finally holding Shi Fei's left hand.

'Thank you, God.'

Xiao Tian thanked God before turning his head towards Shi Fei.

"What is it, little brother?" Shi Fei asked curiously.

"Nothing." Xiao Tian replied as he shook his head.

"Are you fascinated by my sexy body? Hehe." Shi Fei asked before giggling. "Is your penis erect now?"

Xiao Tian was speechless.

'This lady!'

Xiao Tian didn't know what to say to her.

"Have I turned her into a pervert?"

Xiao Tian suddenly remembered that Shi Fei used vulgar words more often when they were alone now.

'No, no, no. I'm sure it's not because of me.'

Actually, Xiao Tian was the reason why Shi Fei became more perverted, but he didn't want to admit it because, in his view, Shi Fei was already a pervert when they first met.

Because Xiao Tian didn't say anything, Shi Fei asked again, "Why didn't you say anything? Don't tell me. You're thinking dirty about things right now?!"

"I'm not." Xiao Tian answered, "I'm sure you're the one who think about the dirty things right now."

"Actually, you are right, little brother." Shi Fei gave an honest answer. "Whenever I see you naked or half-naked, I always remember your big cock."

Xiao Tian smiled and pinched her cheek. "What a pervert lady!"

"Isn't that a coincidence? Because you are also a pervert young man." Shi Fei didn't deny when Xiao Tian stated that she was a pervert. "I'm sure you always remember my vagina or when we were having sex every time you saw me naked or wearing a bikini. Isn't that right?"

Xiao Tian didn't answer. Sure, he was always amazed whenever he saw her sexy body, but he didn't always have dirty thoughts every time he saw her wearing a bikini.

Of course, it would be a different story if he saw her naked body because he was a healthy young man. Xiao Tian was sure any man would instantly get aroused if they saw her sexy nude body.

"Little brother, do you know that it was you who made me a pervert like this?" Shi Fei inquired.

"What? Weren't you already a pervert the first time we met?" since Shi Fei was already a pervert when they first met, Xiao Tian thought it was not his fault.

"What are you talking about? Sure, I've masturbated quite a lot in the past, but I'm definitely not a pervert." Shi Fei replied, "I didn't even date any man for over a year before meeting you. You are the reason why I became like this."

"Mmm...are you blaming me now?" Xiao Tian inquired.

"Not." Shi Fei never blamed Xiao Tian for anything. "I just want to ask. Are you going to make all your women into perverts like me?"

"No." Xiao Tian never had any intention of turning all of his women into perverts. "I just wanted to make you a pervert. Hehe. Only you. Hehe."

"Only me? Does that mean you will have sex with me more often than your other women?" Shi Fei asked curiously.

"Yes. I'm going to have a lot of sex with you later." of course, Xiao Tian was lying to her.

He had more than one woman, so he would make his other women unhappy if he continued to have sex with Shi Fei.

Xiao Tian had promised to treat them equally, so he had to think about the feelings of his other women.

Sure, Shi Fei was the woman he loved the most now, but his other women were also important to him, and he didn't want to make them sad.

"If so, then how about we have sex now? In this place." They had never had sex in the water before, so Shi Fei wanted to try doing it in the water.

The corner of Xiao Tian's lips twitched after hearing her words.

'Holy hell! This woman is totally addicted to having sex with me. She even wants to do it with me whenever and wherever we are.'

Of course, Xiao Tian knew the reason why Shi Fei suddenly wanted to have sex with him in the swimming pool.

He instantly widened his eyes in surprise when Shi Fei suddenly moved her left hand underneath his shorts. Xiao Tian didn't expect her to be serious about it.

He then turned his head to look at her and spoke, "Are you sure you want to do it here?"

"Of course." Shi Fei answered without thinking twice. "We have never done it in the water before, so I'm really excited now. I really want to know what it's like to have sex in the water."

Xiao Tian really didn't know whether he should be happy about this or not.

Because Xiao Tian still didn't do anything to her, Shi Fei grabbed his right hand and placed it on her left breast. "Here, you can play with my left breast."

'Ning and the others are chatting happily over there, so I think they won't know what we are doing here.'

Shi Fei added in her head.

Even if they found out what they were doing, Shi Fei was not afraid because they were his women. They would understand why she wanted to have sex with him.

Since Shi Fei was so determined to have sex in the pool, Xiao Tian decided to grant her wish.

'Yes. I'm not a pervert. I'm just a good lover, and as a good lover, I have to satisfy my lover whenever she needs me.'

Xiao Tian said in his head.

### **Chapter 848 - Floating In The Water**

7-8 minutes

---

In the vast backyard, two young people were floating in the swimming pool; a young man and a young woman. They were floating in the water, facing the sky.

The sexy body of the young woman was clad in a beautiful black bikini. Her body was so sexy to the point anyone would think of her as a supermodel if they didn't know who she was.

On her left side, an attractive young man was also floating in the water. If anyone saw them from afar, they would think that these two young people were enjoying themselves in the pool.

However, if they saw these two young people up close, they would widen their eyes in surprise because these two young people were doing something while floating in the water.

Yes. These two young people were doing adult things while floating in the pool!

The young woman's left hand was underneath the young man's shorts, while the young man's right hand was grabbing something soft, something that every man loved.

These two young people were none other than Xiao Tian and Shi Fei.

Currently, Shi Fei was playing with Xiao Tian's cock using her left hand. Even though her eyes were focused on the grey clouds in the sky, but her left hand was focused on something else.

Yes. Her left hand was focused on something big, long and thick. Or in other words, her left hand was focused on the cock of the young man who was floating in the water next to her.

As for Xiao Tian, his right hand was enjoying the softness of Shi Fei's left breast. Since Shi Fei was playing his cock directly, Xiao Tian decided to do the same.

He lifted her bras and played with Shi Fei's left breast directly. Like what Shi Fei did, Xiao Tian was also staring at the sky as he was playing with her left breast.

\*One second...twenty seconds...forty seconds...

It had been more than forty seconds since they were pleasuring each other. At this moment, their normal faces had turned into fascinating expressions.

They had been pleasuring each other for more than a minute, so the flames of lust had appeared in their bodies.

"Ahhh..." Shi Fei's little mouth opened, letting out a seductive moan.

Because Xiao Tian was playing with her left breast directly and she was also rubbing his erect cock, Shi Fei almost could not hold back the flames of lust within her.

For this reason, Shi Fei dragged Xiao Tian to the corner of the swimming pool. "Little brother, I can't hold back anymore. I want it now. I want your huge and amazing cock right now."

Currently, Xiao Tian and Shi Fei were standing in the water, facing each other. Because they were at the corner of the pool, the water was not as deep as in the middle of the pool.

It was only as deep as Shi Fei's breasts. She thought it was a perfect place to continue what they did before.

Without waiting for another second, Xiao Tian pressed his lips against hers before finally kissing her passionately.

Shi Fei, who knew that he would do that, immediately welcomed the kiss. However, because the flames of lust had consumed her body, her hands didn't stay still.

Yes. She wanted to feel that huge, long and thick rod of his again.

For this reason, Shi Fei moved her hands underneath Xiao Tian's shorts again. If previously, she only used one hand, this time she stroked Xiao Tian's huge penis with both of her hands.

Xiao Tian, who knew that she would do that, kept kissing her passionately. Like what Shi Fei did, his hands also didn't stay still.

If Shi Fei used her hands to rub his huge cock, Xiao Tian used his hands to play with her soft breasts.

At this moment, Liu Ning and the others still didn't know what they were doing because Shi Fei's back was facing them.

Because they were in the water, Shi Fei had a hard time stroking Xiao Tian's penis. For this reason, she lowered Xiao Tian's shorts to his thighs to make it easier for her to caress his big penis.

'Ah... this huge, long and thick rod of his is amazing. It's so wonderful. No matter how many times I feel and see it, I can't help but praise it. And this amazing rod is the reason why I turned into a pervert, but I don't regret it; instead, I love it.'

Because Xiao Tian's cock was already fully erect, Shi Fei wanted to stroke his penis faster.

However, because his cock was underwater, she was unable to do that. Of course, Shi Fei was not disappointed because she could still play with his penis that she loved so much.

"Huft...Huft...Huft..." after having a deep kiss for several seconds, they decided to stop.

Like before, they still had lustful expressions. If anyone saw their faces, they would know instantly that Xiao Tian and Shi Fei were so horny.

After looking at her pretty lips, Xiao Tian's gaze fell on Shi Fei's breasts. At this moment, the desire to suck and lick her breasts suddenly emerged within him.

But because her breasts were underwater, Xiao Tian knew that he was unable to do that. For this reason, he decided to do something else.

"Hmmm..." Shi Fei shut her eyes when Xiao Tian suddenly thrust his right middle finger into her vagina.

Because she knew that Xiao Tian would do something like that, Shi Fei let him do whatever he wanted and only focused on playing with the tip of his cock.

"Fei..." it had been more than two years since the last time Xiao Tian had sex in the water.

The last time he did it in the water was in his previous life. For this reason, he was so excited, and as a result, the flames of lust devoured his body faster than usual.

Even though Xiao Tian didn't say directly what he wanted, Shi Fei was still able to understand it because she felt the same.

"Come here, little brother." Currently, Shi Fei was standing in the pool with her back against the wall pool. "Come here and eat me like what you did yesterday. eat my slutty pussy and fill it with your delicious white sperm."

Even though Xiao Tian wanted to fuck Shi Fei immediately, he still approached her slowly. He didn't take off his shorts and let them hang on his right leg.

When Xiao Tian was lifting her left leg, Shi Fei lowered her head to look at his cock.

'Ahh.. little brother is about to thrust his huge cock into my pussy again. We are about to have sex in the pool. It's so exciting.'

The excitement within her grew even greater when Xiao Tian's cock was at the entrance of her pussy.

At this moment, she really hoped that Xiao Tian would thrust his huge cock into her pussy immediately because she could no longer hold back the flames of lust within her.

Yes. She desired to feel that fantastic pleasure again, and she wanted Xiao Tian's huge cock to penetrate her slutty pussy immediately.

'Little brother, hurry up. Hurry up and thrust your huge penis into my slutty pussy.'

Shi Fei shouted in her mind.

## **Chapter 849 - Playing In The Swimming Pool**

6-8 minutes

---

In the vast swimming pool, two young people were standing at the corner of the pool. Both of them were wearing lustful expressions and also breathing heavily.

The young woman was standing in the water with her back leaning against the pool wall. Both of her hands were on the young man's shoulders, and her left leg was hanging on the young man's right arm.

Her beautiful green eyes were locked on the young man's handsome face, and her small mouth was open slightly.

Seductive yet lovely voices escaped from the young woman's little mouth as if she was singing in a different way.

In front of her, an attractive young man was standing very close to her. His expression was no different from hers, and he also opened his mouth slightly.

But unlike the young woman who was only standing in the water, the young man stood in the water while moving his waist.

Yes. He was standing in the water while moving his waist back and forth repeatedly. Every time he moved his waist, a lovely voice escaped from the young lady's mouth.

Not only that, his movements also caused the blue water to move uncontrollably. It was as if he was able to control water with his waist.

\*Shui...Shui...

The sound of water moving around could be heard in their ears.

However, none of them showed the slightest care about it as if they had sunk into their own world. These two young people were none other than Xiao Tian and Shi Fei.

Currently, Xiao Tian's huge penis was spreading Shi Fei's vagina to the size of his cock. Unlike usual, where he could hear the sound of his waist hitting her hips, this time, he didn't hear any of these sounds.

He even could not hear the sound of his huge cock spreading her pussy repeatedly. However, he was able to hear the sound of water moving around when he moved his waist.

The water moved in rhythm with his movements as if he had become one with the water and could control it.

"Ahh...Ah...Ah..." even though Xiao Tian didn't move his waist fast, Shi Fei was still able to feel the pleasure. "Little brother, kiss me. Seal my lips so that I can hold back my moan."

Even though all the people around them were Xiao Tian's women, but at that time, Shi Fei thought of them as strangers.

She thought of them as strangers because it would make her more excited. Yes. Shi Fei was a naughty lady who loved adventure, so she would get more excited if she had sex in a public place or there were people around her.

This was one of the reasons why Shi Fei had more outdoors sex with Xiao Tian than indoors.

"Ah...Ah...Ah... little brother, hurry up and kiss me. Kiss me passionately so that I can hold back my moans." Because the flames of lust had consumed her sexy body, it took her several seconds to finish her words because she always wailed in the middle of her words.

When Xiao Tian saw Shi Fei opening her little mouth and sticking out her soft pink tongue, he instantly kissed her passionately.

At that moment, Xiao Tian felt as if he was under Shi Fei's control. Her lustful face coupled with her seductive moans made Xiao Tian almost lose control.

'Her vagina feels good. It's like her pussy suddenly becomes an octopus and is squeezing my penis wildly.'

If they weren't having a hot kiss, Xiao Tian would have been groaning now.

'I want to thrust my cock into her vagina faster.'

Because he wanted to feel more pleasure, Xiao Tian wanted to move his waist faster but what a pity, he was unable to do that.

The water always stopped him every time he wanted to thrust his penis faster. However, he could not do anything about it because that was one of the downsides of having sex in the water.

Despite that, Xiao Tian didn't regret it because the pleasure he felt was much different when he did it in bed.

Yes, the way Shi Fei's vaginal muscles moved was much different.

Maybe it was because they were having sex in the water, or perhaps because it was the first time she was doing it in the water, but at that moment, her vaginal muscles were twitching wildly.

Despite doing it in the water, the tightness of her vagina was no different from when they had sex in bed.

"Ahhh...Ah...Ah...Ah...Ah..." multiple seductive moans escaped from Shi Fei's little mouth after she stopped the kiss. "Little brother, faster. Move your waist faster. Ah..."

At this moment, Shi Fei had already completely lost herself in lust. All she wanted to feel was pleasure and pleasure.

But instead of moving his waist faster, Xiao Tian grabbed Shi Fei's other leg and lifted her body slightly.

Shi Fei, who was startled, instantly put both of her hands on the edge of the pool so that she would not fall into the water.

"I can't move faster, Fei." Xiao Tian answered. "It's hard to move in the water."

Of course, Xiao Tian also desired to move his waist faster because he wanted to mess up her vagina so badly when he saw her lustful face.

He wanted to fill her slutty pussy with his sperm and make her think of nothing but his big cock.

"If you want me to move my waist faster than this, then we have to get out of this pool. On the ground, I can satisfy your vagina easily." Xiao Tian was sure that he could satisfy Shi Fei's pussy easily if they had sex on the ground because he would be able to move his waist as fast as he could.

"No. I want us to keep having sex in the water." It was her first time having sex in the water, so she didn't want to stop.

She wanted them to continue having sex in the pool until they reached orgasm later. Otherwise, it would have ruined her first experience of having sex in the water.

"Ah...Ah...Ah..." As Shi Fei was wailing non-stop, she tilted her head back.

Her eyes were focused on the blue sky. She really loved it when she could moan while looking at the beautiful sky.

\*Shu...Shu...Shu...

Like before, the water around them was also moving and making sounds every time Xiao Tian moved his waist.

"Yes. Kiss my neck wildly and devour it as you please. Make me feel much more pleasure than I'm feeling right now." When Xiao Tian was kissing her neck, Shi Fei felt more pleasure. "Make me think of nothing but pleasure."

At this moment, Xiao Tian had to exert more strength to thrust his cock into Shi Fei's vagina. Since he kissed her neck hungrily, her vagina suddenly became much tighter.

Coupled with them having sex in the water, it made Xiao Tian have to use extra effort to move his waist.

Of course, Xiao Tian didn't complain about it because having sex with Shi Fei felt amazing. Yes. He loved having sex with Shi Fei.

As Xiao Tian and Shi Fei were enjoying themselves, a voice suddenly rang out. "What are you doing? Eh! Are you having sex right now?"

### **Chapter 850 - Lin Xing Xue Is Shocked**

6-8 minutes

---

Xiao Tian and Shi Fei instantly turned their heads towards the source of the sound.

Xiao Tian immediately stopped moving his waist reflexively. "Mother?"

Xiao Tian suddenly felt relieved when he found out the person who had just spoken was none other than his mother.

'Well, I should have expected this because all the people here are my women.'

Actually, Xiao Tian forgot about it earlier.

"Mrs. Ye?" Shi Fei said in surprise.

Previously, Xiao Tian and Shi Fei had drowned in their own world. For this reason, they did not realize that Ye Xueyin was standing beside them.

"Yes. We are having sex right now. It feels amazing." Shi Fei didn't feel shy when she gave an honest answer. "Even though we are having sex in the water, little brother can still satisfy me. I really love little brother and his huge penis."

Ye Xueyin was also Xiao Tian's lover, and she was sure that they had had sex before, so in her view, there was no point in denying or making excuses.

At this moment, Ye Qingyu, Lin Xing Xue and Liu Ning walked closer towards them. The expression of deep shock blossomed on their faces when they saw what was going on.

Because the distance between them was quite far before, Ye Qingyu and the others had no idea that Xiao Tian and Shi Fei were having sex in the pool.

"Beast!" Ye Qingyu said a single word.

She knew that her nephew had become a big pervert, but she didn't expect him to have sex with Shi Fei in the backyard. No, they were even having sex in the water.

The corner of Xiao Tian's lips twitched after hearing his aunt's word. Because they were his women, Xiao Tian didn't make an excuse or take his penis out of Shi Fei's vagina.

He even remained in the same position as if it was normal for him and Shi Fei to have sex wherever and whenever they were.

At this moment, Liu Ning and Lin Xing Xue didn't say anything. Lin Xing Xue was unable to take her eyes off them because it was the first time she saw Xiao Tian having sex with another woman.

She knew that she would be seeing that a lot from now on, but at that time, she really could not hide the feeling of shock that appeared inside of her.

Xiao Tian widened his eyes for a second.

'This woman. Does she get more excited when people watch her have sex? It seems like my sexy girlfriend has completely turned into a pervert. But I love it.'

Xiao Tian was startled when Shi Fei's vagina muscles suddenly squeezed his penis tightly.

Because Liu Ning and the others were his women, Xiao Tian decided to move his waist again. He wanted to punish Shi Fei by making her moan in front of his other women.

"Ahh...Ah...Ah..." like what Xiao Tian wanted, Shi Fei instantly wailed in delight and wore a lustful expression when he thrust his cock again.

Shi Fei didn't try to hold back her moan or hide her fascinating expression. She knew that sooner or later they would see it, so she decided to enjoy the sensation of Xiao Tian's penis spreading her vagina widely.

At this moment, Liu Ning could only sigh when she saw Shi Fei's lustful expression. In the past, she often had a threesome with Xiao Tian and Shi Fei, so she had seen Shi Fei's lustful face many times.

Unlike Liu Ning, Lin Xing Xue did the opposite. She had been friends with Shi Fei for more than five years, but it was the first time she had seen Shi Fei's lustful face or heard Shi Fei's moans.

Lin Xing Xue kept shifting her gaze from Xiao Tian to Shi Fei or vice versa every two seconds. It was the first time she saw Xiao Tian having sex with another woman, so Lin Xing Xue could not take her eyes off them.

As for Ye Qingyu, she decided to sit on the pool lounge chair in front of them. She chose to act as if she didn't see anything because she knew that her nephew was a perverted young man, so it was normal for him to have sex with his women whenever he had the chance to do so.

At this moment, Ye Xueyin bit her right index finger when she saw Xiao Tian and Shi Fei having sex right before her eyes.

She knew that she had had sex with Xiao Tian two days ago, but when she saw them having sex in front of her, the desire to do it again suddenly rose within her.

'I want to do it too. I want to have sex with Tian.'

Without waiting for another second, Ye Xueyin jumped into the swimming pool. "Tian, mother desires to have sex with you too."

As Xiao Tian was moving his waist, he turned his head towards his mother. He was not surprised by her words because he had guessed that she would join them later.

Lin Xing Xue's eyes widened in surprise after hearing Ye Xueyin's words.

'Her behavior...'

Lin Xing Xue was not surprised by Ye Xueyin's words; instead, she was startled by Ye Xueyin's behavior.

All this time, Lin Xing Xue had always seen Ye Xueyin as a mature and elegant woman, but Ye Xueyin's behavior just now was far different from what she had previously thought.

Yes. Lin Xing Xue was startled when she saw Ye Xueyin's childish behavior. It was as if Ye Xueyin was not a mature lady; instead, she was a teenager.

"Tian, hurry up and give your mother pleasure too." Ye Xueyin uttered, "And do you want me to take my clothes off or not?"

Even though Lin Xing Xue was beside her, Ye Xueyin didn't hide her true personality. She still behaved childishly and cutely.

Lin Xing Xue would live with them from today onwards, so she knew that Lin Xing Xue would find out her true personality later.

"No." Xiao Tian answered. "You don't need to take off your clothes."

Because Ye Xueyin was wearing a T-shirt and skirt, Xiao Tian thought she didn't need to take off her clothes.

"All right." After saying that, Ye Xueyin lifted her skirt to her waist and slid her panties to the other side.  
"Tian, hurry up."

Because Xiao Tian knew that Ye Xueyin could no longer hold back the lust within her, he instantly thrust his right middle and index fingers into her pussy from behind.

"Ahhhh..." Because her pussy was already wet when she saw Xiao Tian and Shi Fei having sex earlier, Ye Xueyin didn't feel hurt when Xiao Tian suddenly thrust two of his fingers into her vagina.

Like before, Lin Xing Xue was unable to take her eyes off them.

When Liu Ning saw the expression on Lin Xing Xue's face, she immediately spoke, "I know what you are feeling right now. Actually, I'm still not used to seeing it until now, but we have to try to get used to it because we will see it often later."

"I know." Lin Xing Xue replied.

And like that, Xiao Tian was pleasuring two of his women in front of them.
