

Illicit 861

Chapter 861 - Yu Shi

After Crystal walked out of the bathroom, a voice suddenly rang out. "Where were you yesterday?"

Crystal was startled and immediately made a fighting stance. At that time, she instantly forgot that she was only wearing a towel.

However, when she saw the person who had just spoken, Crystal let out a sigh of relief.

'Sigh. She always appears out of nowhere.'

Crystal's expression instantly turned normal.

In front of her, an old woman about sixty years old was sitting on the couch. She was sipping her tea and behaving as if it was her apartment.

That old woman was Yu Shi, Crystal's martial arts teacher.

After Crystal sat next to her, she inquired, "Master, when did you arrive? And what are you doing in my apartment? Can you stop appearing out of nowhere like this? You can give me a heart attack, you know?"

Crystal instantly threw out many questions at once. Even though she always told her master to stop appearing out of nowhere, but her master kept doing it.

"It seems like your instinct is getting worse nowadays." Like before, Yu Shi was sipping her tea. "If I were your enemy, you would have been death by now. A martial artist should always pay attention to their surroundings, especially an assassin like us. When I was young, my master always tra-"

Crystal instantly interrupted her master's words. "Master, disciple understands it. Can you tell me the reason why you are here?"

'If I don't stop her, she will keep talking about her past for more than thirty minutes like usual.'

Crystal had heard her master's story countless times. That was why she instantly interrupted Yu Shi's words because she didn't want to listen to it again.

In the past, every time she made a mistake or let her guard down, Yu Shi would tell her how hard she practiced martial arts.

At first, Crystal listened to her master's story with shining eyes. However, she soon grew tired of her master's story because Yu Shi kept telling the same story over and over again.

Due to how often Yu Shi told her about it, she even knew every single word Yu Shi was about to say.

"You, ungrateful disciple! How could you stop your Master when she was about to tell you something important?" even though Yu Shi raised her voice a little, she was not angry at Crystal.

Crystal was her favorite disciple, and Yu Shi had a high hope in Crystal. Not only was Crystal young and talented, but she could even learn everything from Yu Shi quickly. That was why Crystal was special to her.

"Where were you yesterday?" Yu Shi repeated her previous question.

"I was at Xiao Tian's apartment." Crystal decided to give an honest answer because she was afraid of the consequences if she lied to her master.

The expression of deep shock blossomed on Yu Shi's face.

'Xiao Tian?'

Of course, Yu Shi knew who Xiao Tian was because he was pretty famous now.

"What were you doing in his apartment?" Yu Shi remembered that her disciple had no relationship with Xiao Tian, so she wanted to know the reason why Crystal was at Xiao Tian's apartment.

At this moment, Crystal wavered whether she should tell Yu Shi the truth or not.

'What should I do?'

Crystal was afraid that her master would do something bad to Xiao Tian if Yu Shi knew the truth. Xiao Tian was now her friend, so she didn't want something bad to happen to him.

Because Crystal didn't say anything, Yu Shi asked again, "Why didn't you say anything?"

"Master, actually...." Crystal didn't know how to explain everything.

For this reason, she could not finish her words. She was afraid that she would say the wrong words, which could harm Xiao Tian.

"Actually, what?! Then let me change my question. Does he know who you are?" Yu Shi inquired,

They were assassins, so they had to keep hiding their true identities because the consequences would be fatal if anyone found out who they were.

Like before, Crystal didn't know what to say. She wanted to lie to her master, but she knew that her master would know about it later.

Yu Shi was good at gathering information, so Crystal decided not to say anything.

'What should I do? Xiao Tian already knows who I am, and I even told him my real name.'

At this moment, Crystal suddenly regretted telling Xiao Tian her real name because her actions would put him in danger.

"Since you didn't say anything, then I assume he already knows who you are." Yu Shi spoke and paused for a second before she continued, "Do you know that you just made a big mistake? We are assassins so we have to hide our real identity."

Like before, Crystal didn't say anything. She kept her head down because she knew that she had made a big mistake.

However, she really wanted to be friends with Xiao Tian. The beautiful memories they had when they lived in the forest made her unable to kill Xiao Tian and want to be friends with him even more.

"Now I will give you two choices. First, you kill him yourself, or secondly, I will kill him." Since Xiao Tian knew who Crystal was, Yu Shi had no choice but to kill him.

It was dangerous if Xiao Tian told everyone who they were. They were assassins and had made many enemies, so if everyone found out who they were, there was a high possibility that they would die later.

Upon hearing Yu Shi's words, Crystal instantly held Yu Shi's hands. "Master, can we let him go? He is my first friend. I don't want him to get hurt."

Since she was little, Crystal always practiced martial arts. She had no time for something like friends. Because of that, she was always envious whenever she saw people talking happily or hanging out with their friends.

Deep inside her, she always desired a friend. That was why she was pleased when she befriended Xiao Tian.

However, she could not blame Yu Shi because she thought of Yu Shi as her mother. When she was little, her parents passed away, and Yu Shi was the one who took care of her.

Yes. Yu Shi had been taking care of her since she was little, so there was no way she would blame Yu Shi for everything.

If it were not for Yu Shi, she would have been dead on the road. "Please."

Yu Shi's expression turned soft when she saw Crystal's face. "Crystal, I can allow you to befriend other people but they should not know about your real identity because it could be fatal for you. You must understand that I am doing this for you, for us."

"Can you make an exception?" of course, Crystal didn't give up because she didn't want Xiao Tian to die. "If it were not for him, I would have been death yesterday."

"No!" Yu Shi answered instantly. "If you don't want to do it, I'll be the one to kill him."

Crystal gritted her teeth. She then took the daggers that were hidden under the sofa table. "No! I won't let you hurt him!"

Because she didn't want anything bad to happen to Xiao Tian, Crystal decided to fight her Master.

"Do you really want to fight your master?" Yu Shi inquired.

Chapter 862 - Crystal Versus Yu Shi

7-8 minutes

"Do you really want to fight your master?" Yu Shi didn't expect Crystal to choose to fight her for the sake of protecting Xiao Tian.

'What is her relationship with Xiao Tian? Why is she doing this?'

She asked in her head.

"Xiao Tian is my first friend." Crystal answered, "I won't let you hurt him."

Crystal knew that she would not be able to defeat her master, but it was impossible for her to do nothing when her master wanted to kill her first and only friend.

For her, Xiao Tian was more than just a friend. He was like a benefactor to her, so she would try her best to stop her master from killing him.

"Now tell me, is he more important than me?" Yu Shi was startled by Crystal's actions.

Until now, Crystal had never opposed her decision. Crystal always did everything she was told. It was the first time Crystal did something like that.

However, she still could not get angry with Crystal because her love for Crystal was bigger than her anger.

Crystal could not answer Yu Shi's question. Of course, Yu Shi was more important than Xiao Tian, but Xiao Tian was her first friend.

Xiao Tian had helped and protected her many times, and she would have been dead if it were not for Xiao Tian.

Xiao Tian had a special place in her heart, so she could not choose between Xiao Tian and her master. "Master, can you let him go? I will make sure he won't tell anyone about me."

"Only the dead won't tell other people's secrets." Yu Shi stated.

Crystal was ready to fight again after hearing her master's words. From her words, Crystal knew that her master was determined to kill Xiao Tian.

Because Crystal still wanted to fight her, Yu Shi spoke, "Come here. If you can injury me once, I will let Xiao Tian go. I won't interfere with your relationship with him anymore."

"Really?" Crystal was delighted when she saw a glimmer of hope.

"I promise." Yu Shi had no intention of lying. She was telling the truth. "Come. It has been a long time since I last tested your skills."

"I hope you will keep your words later." after saying that, Crystal dashed towards her master and began attacking her master with her daggers.

She would try her best to injury her master because that was the only way to save Xiao Tian.

Sure, she knew that she would not be able to defeat her master because the difference between their strength was like heaven and earth.

She was a martial artist at the mid-level master stage while her master was already at the low-level grandmaster stage, so it was impossible for her to defeat her master.

'I can't give up.'

Despite the difference in strength, Crystal still tried her best to injure her master.

Left, right, front, back, above. Crystal attacked her master from all directions. However, the results were the same; she failed to injure her master.

No matter how many times she attacked her master, Yu Shi could block or avoid them. It was as if Yu Shi could read her attacks.

As Yu Shi was dodging Crystal's attacks, her lips curled into a smile.

'As expected of my disciple, she is stronger than before. Her attacks are much faster and all of them are aimed at my fatal areas.'

Yu Shi was pleased when she found out that Crystal was stronger than the last time they met.

"Is this all you got?" Yu Shi uttered, "It seems like you haven't practiced martial arts since the last time we met."

Yu Shi decided to say something like that because she wanted Crystal to be much stronger. She wanted her favorite disciple to be stronger than her.

At this moment, Crystal kept attacking Yu Shi. Even though she attacked Yu Shi non-stop, but she failed to injure Yu Shi.

It had been twenty seconds since Crystal started attacking Yu Shi, but she never managed to land an attack on Yu Shi's body.

It was either Yu Shi could block her attack or dodge them.

'What should I do?'

Crystal was thinking of a way to injure her master.

'Fighting an opponent two stages above me is so difficult.'

Because Yu Shi was the one who taught Crystal martial arts and she was also familiar with Crystal's movements, it was not difficult for her to block or dodge Crystal's attacks.

"What's wrong?" Yu Shi inquired, "You can't save Xiao Tian if it continues like this."

*Shui...

Crystal threw one of her daggers at Yu Shi's head.

Even though the speed of the dagger was fast, but Yu Shi was able to dodge it. She tilted her head to the left to avoid it.

Without waiting for another second, Crystal threw out a high kick, aiming at the left side of Yu Shi's head.

Because the speed of Crystal's kick was fast and the timing was also perfect, Yu Shi could not dodge it. For this reason, she decided to block Crystal's kick.

Yu Shi's placed her left hand on the left side of her head to block it.

Crystal, who knew about it, instantly pulled the dagger back. Yes, there was a string on her dagger to help her control the dagger.

*Shui...

The dagger which was about to hit the wall now headed to the back side of Yu Shi's head.

In order to make sure her surprise attack was successful, Crystal attacked Yu Shi again. If previously her kick was aimed at Yu Shi's head, this time, her kick was aimed at Yu Shi's mid-torso.

At first, Yu Shi wanted to block Crystal's attack, but she decided to dodge it when she noticed a dagger heading at the back side of her head.

'Not bad!'

Since she only blocked or dodged Crystal's attacks from the start, Yu Shi decided to attack Crystal.

Of course, Crystal tried her best to dodge the attack, but the speed of Yu Shi's attack was too fast for her. Crystal's body failed to follow the speed of Yu Shi's attacks.

"Your eyes can follow my speed but not your body." After saying that, Yu Shi hit the back side of Crystal's neck, causing Crystal to faint instantly.

'I'm sorry my disciple. I'm doing this for your sake.'

Yu Shi carried Crystal and placed Crystal in her bedroom.

'Xiao Tian, don't blame me. Blame yourself for knowing too much.'

Yu Shi's eyes gleamed with terrifying sharpness as she walked out of Crystal's apartment.

Inside the vast and luxurious family room, two young people were breathing heavily. The young man was sitting on the couch while the young woman was sitting on his lap, facing him.

They were wearing fascinating expressions, and the flames of lust were burning in their eyes. Yes. These young people were none other than Xiao Tian and Lin Xing Xue.

Previously, they watched a movie in the family room. But when the actor and the actress in the film were lovey-dovey, Xiao Tian suddenly desired to do the same thing.

For this reason, Xiao Tian grabbed Lin Xing Xue by the waist and made her sit on his lap. Like when they watched a movie in the cinema, they instantly imitated the scene in the movie.

That was why they had a passionate kiss earlier.

"How about we continue in your room?" Xiao Tian inquired.

"....Alright." Lin Xing Xue nodded her head.

Chapter 863 - Talking With Lin Xing Xue

7-8 minutes

Inside a vast and luxurious room, two young people were lying down on the bed, naked. Their bodies were full of sweat, and the sound of them breathing heavily echoed in the room.

From their appearances, anyone could tell that they just finished doing something that required a lot of stamina.

But instead of showing a tired expression, both of them wore a happy smile as if they just finished doing something that made them happy.

The smile on the young man's face grew bigger when he saw the beautiful face of the young woman. His long right hand slowly moved to the young woman's face.

After caressing the young woman's hair gently, the young man brought his face closer towards hers before finally pressing his lips against the forehead of the young woman.

Happiness glowed inside the young woman when the young man kissed her forehead gently. His gentle kiss made her body tremble in happiness.

At that moment, she could feel his love for her through that gentle kiss. Yes, these young people were none other than Lin Xing Xue and Xiao Tian.

Because the flames of lust had consumed their bodies, they immediately had sex after they entered her room.

They had sex for more than two hours before finally, they decided to stop. At that time, Lin Xing Xue wailed loudly. She didn't hold back her moans because they were the only people at home.

"It was amazing." Xiao Tian spoke as he smiled.

"Un." Lin Xing Xue nodded her head shyly.

As usual, Xiao Tian was able to satisfy her earlier. Not only did she have orgasm more than twice, she even had a massive orgasm.

When Xiao Tian saw her shy face, he decided to tease her. "Little Xue, let's have sex again tomorrow. Let's have a lot of sex tomorrow."

"....Alright." it took Lin Xing Xue three seconds before she could answer it.

It was not like she didn't want to have sex with him tomorrow, she was just surprised by his words.

Like Lin Xing Xue, Xiao Tian was also startled. He didn't expect her to agree like that. He thought she would say 'pervert' like usual.

"Pervert!" because Lin Xing Xue didn't say it, Xiao Tian decided to say it.

Lin Xing Xue smiled softly and pinched Xiao Tian's checks after hearing his word. "That should be my word. Not only did you suddenly want us to have sex, you even kept fucking me when I asked to rest a little bit. So, I should be the one saying that word to you."

"Well, your pussy was amazing so I could not stop fucking you." at this moment, Xiao Tian was telling the truth.

When Lin Xing Xue wanted them to rest for a little bit, Xiao Tian was unable to control himself, and as a result, he kept fucking her.

For this reason, Lin Xing Xue had orgasm twice in a row because Xiao Tian didn't give her a chance to rest. Of course, she was not angry at him because she could understand it.

"Little Xue, my cock suddenly wants to feel your pussy again." Xiao Tian spoke and paused for a second before he continued, "Can you give me a blowjob now?"

"You want to have sex with me again?" Lin Xing Xue was startled by Xiao Tian's words.

Previously, they had had sex for more than two hours, so she thought they would not have sex again for that day.

"I want to embrace you while being connected to you." Xiao Tian explained the reason why he wanted Lin Xing Xue to give him a blowjob.

Lin Xing Xue didn't say a word and stared at him.

"You don't want to?" Xiao Tian wore a sad expression.

A soft smile spread across her face.

'I really can't say no to him.'

Lin Xing Xue pinched his nose before giving him a blowjob. Because she was more skilled at giving a blowjob now, she could make Xiao Tian's cock erect in no time.

'I think this is enough.'

Because Xiao Tian said he only wanted to embrace her while being connected to her, Lin Xing Xue instantly stood with her knees above his erect cock.

"Ahhhhh...." Lin Xing Xue let out a seductive moan when Xiao Tian's cock slowly entered her wet vagina again.

After Xiao Tian's shaft fully entered her pussy, Lin Xing Xue dropped her body on top of Xiao Tian.

'My little lover is indeed a huge pervert!'

Lin Xing Xue could feel that Xiao Tian's cock was throbbing non-stop inside her pussy.

'Well, maybe I'm also a pervert because I love having sex with him.'

Lin Xing Xue then lifted her head to look at Xiao Tian's face.

"Are you happy now, my little lover?" Lin Xing Xue asked as she smiled.

"I'm happy." After saying that, Xiao Tian wrapped his arms around her waist.

Even though a desire to move his waist suddenly appeared within him, Xiao Tian tried his best not to do that.

"Let's sleep." Lin Xing Xue uttered, "I'm worn out after having sex with a wild beast like you for more than two hours."

"Hehe." Xiao Tian laughed after hearing her words. "This wild beast will eat you again tomorrow."

"Yes. You can eat me again tomorrow." Lin Xing Xue replied instantly. "But let's sleep for now."

Not long after that, Lin Xing Xue and Xiao Tian fell asleep. Time went by quickly, and without realizing it, it had been two hours since Xiao Tian and Lin Xing Xue fell asleep.

At this moment, Shi Fei and the others had arrived home. Because it was dinner time, Shi Fei decided to head to Xiao Tian's room.

She knew Xiao Tian was at home because his car was in the garage.

'Where is he?'

Because Xiao Tian was not in his room, Shi Fei headed to Lin Xing Xue's room.

*Knock...Knock...Knock....

"Xue, are you there? It's dinner time. Let's eat dinner together." Shi Fei spoke after knocking on the door.

However, no matter how many times she knocked on the door, Lin Xing Xue didn't answer her.

Xiao Tian and Lin Xing Xue were tired after having sex, so they slept soundly and didn't know that Shi Fei was in front of Lin Xing Xue's room.

'Is she not in her room?'

Shi Fei asked in her head.

*Click...

'Eh?'

Shi Fei was startled when she found out that Lin Xing Xue's door was unlocked.

"Xue, it's dinner ti-" Shi Fei stopped her words halfway when he saw Lin Xing Xue and Xiao Tian sleeping naked.

'Ah. I see.'

Shi Fei then walked closer towards them.

'It seems like they had wild sex earlier.'

Shi Fei noticed the wet parts of the bedsheet, and she was sure it was because of their nectar. She then walked to the front of the bed because she wanted to know whether Xiao Tian's cock was in Lin Xing Xue's vagina or not.

'It seemed like they were connected earlier.'

Shi Fei said in her head.

At this moment, Xiao Tian's cock was no longer in Lin Xing Xue's vagina. Because his penis had turned soft, his cock came out of Lin Xing Xue's pussy on its own.

'I will ask little brother to have sex with me tomorrow.'

Because she didn't want to disturb them, Shi Fei walked out of Lin Xing Xue's room.

Chapter 864 - Big Pervert

6-7 minutes

"Where are they?" Ye Xueyin asked when she saw Shi Fei stepping into the dining room.

Previously, they bought food for dinner before going home because they knew they didn't have time to cook dinner.

"They are sleeping in Xue's room, naked." Shi Fei gave an honest answer. "It seems like they are tired after having wild sex. Hehe."

"Fei!" Ye Qingyu raised her voice after hearing Shi Fei's words because Feng Yu was with them.

At this moment, Liu Ning was covering Feng Yu's ears because she didn't want Feng Yu to hear Shi Fei's words.

"Ops!" Shi Fei covered her mouth before sitting on the chair. "Let's eat dinner without them."

"All right." They agreed instantly because they knew that Xiao Tian and Lin Xing Xue would not wake up anytime soon.

As usual, they watched TV in the family room after dinner. They watched TV until 10:00 pm before finally heading to their rooms.

At this moment, Xiao Tian and Lin Xing Xue were still sleeping. Due to how comfortable it was to sleep together with the person they loved, they didn't realize that they had missed dinner.

Time went by quickly, and without realizing it, it was already 03:00 am. At this moment, Lin Xing Xue suddenly woke up.

As usual, her face broke into a smile when she saw Xiao Tian's sleeping face.

'Even though he is sleeping, he still looks so attractive.'

Lin Xing Xue had never thought that she would have a lover who was ten years younger than her after divorcing Feng Ao.

Not only was he attractive, but he was also even a successful young man. It was as if she was a winner in life. Lin Xing Xue was sure that many women were envious of her luck.

'But he is a pervert! A big pervert!'

Lin Xing Xue pinched Xiao Tian's nose gently.

Due to her action, Xiao Tian suddenly opened his eyes. "Little Xue, you are already awake?"

"Oh, the big pervert is already awake." When Lin Xing Xue realized what she just said, she instantly covered her mouth. "Ops!"

Actually, Lin Xing Xue wanted to say it in her head. She didn't expect that she would say it loudly.

The corner of Xiao Tian's lips twitched after hearing her remarks. He just woke up and was immediately called a pervert by his lover.

'Because you said something like that, I will behave like a pervert now.'

With that idea in mind, Xiao Tian turned around, causing Lin Xing Xue to be under his body.

"This big pervert will do something pervert now." after saying that, Xiao Tian kissed Lin Xing Xue passionately.

He wanted to punish her for calling him a pervert after waking up by kissing her passionately. To his surprise, Lin Xing Xue instantly intertwined her tongue with his.

Not only that, she even wrapped her long slender arms around his back. Because she was pulling him towards her, Xiao Tian's soft cock was pressing against her vagina.

This made Xiao Tian's cock slowly erect.

'Damn!'

Xiao Tian cursed venomously in his heart.

He realized that he was a big pervert now. He was even unable to control his little brother completely now. It was as if his little brother had a mind of its own.

Because Xiao Tian wanted to make his little brother happy, he instantly stopped the kiss. "Little Xue, I suddenly want to eat you now."

"Tian, it's still 03:00 am. What if we wake up the others later?" it was not like Lin Xing Xue didn't want to have sex with him, but it was still 03:00 am.

She was afraid that they would wake up the others later. If they were alone, she would accept it instantly because she also loved having sex with him.

"I will move slowly later." Because Xiao Tian desired to have sex with her, he didn't give up easily.

"....." Lin Xing Xue stared at him. From his expression, she knew that he really wanted to have sex with her. "All right. But remember, you have to move slowly. I don't want to wake up the others."

"Don't worry." Her decision made Xiao Tian love her even more because, with this, he knew that she loved him and always wanted to make him happy. "You can cover your mouth with a pillow if you can't hold back your moans later."

"All right." Lin Xing Xue nodded her head.

Then Xiao Tian and Lin Xing Xue had sex.

"Little Xue, thank you for always granting my wish." After saying that, Xiao Tian kissed her forehead.

He really meant it when he said that. Xiao Tian knew that not every woman would always welcome it when their boyfriends wanted to have sex with them.

That was why Xiao Tian felt lucky to have her. Not only was she attractive, she even always tried to make him happy and granted his wish.

"You are welcome, my little pervert." Lin Xing Xue answered as she smiled.

"Not little pervert, but big pervert." Xiao Tian corrected her words.

"Hehe." Lin Xing Xue could not help but giggle after hearing his words.

Then Xiao Tian and Lin Xing Xue talked for about ten minutes before finally, they decided to sleep again.

The following morning, Xiao Tian and Lin Xing Xue ate a lot of food. They missed dinner last night, so they were starving.

Because of this, Liu Ning and the others giggled. Shi Fei even teased Xiao Tian and Lin Xing Xue when they were having breakfast.

But instead of feeling shy, Xiao Tian smiled happily. Liu Ning and the others were his women, so there was no need to be embarrassed, and he wasn't a shy person either.

After breakfast, Xiao Tian traveled to Eternal Beauty company to work. However, he only worked for about two hours before finally Lan Ruoxi called him.

Because Lan Ruoxi said she had found someone who could make a special sword for him, Xiao Tian went straight to the Red Flower bar to meet her.

He didn't want to waste time because he wanted a sword that could be extended or shortened immediately.

Chapter 865 - Then What Are We Waiting For?

7-8 minutes

"Lady Lan, where is that person's house?" Xiao Tian inquired.

Currently, Xiao Tian and Lan Ruoxi were sitting on the couch in a private room.

"In Ru Village." Lan Ruoxi gave an honest answer.

Ru village was located in the southeastern part of the Jiazuo district. It was twenty kilometers from Fuku city, the city where Xiao Tian almost died before.

"Then what are we waiting for? Let's go now." Xiao Tian wanted to meet that person as quickly as possible so that he could get a sword that could be extended or shortened.

"I still haven't finished talking, young master Xiao." Lan Ruoxi could understand Xiao Tian's feelings at that time.

Xiao Tian sat on the couch again and inquired, "What is it?"

"Let me warn you first before meeting this person." Lan Ruoxi spoke and paused for a second before she continued, "This person is...what should I say about his personality...mmmm... unique. Yes, unique. The personality of this person is unique, so it's difficult to get him to make a special sword for you."

"Unique? Don't tell me. This old man wants a beautiful young lady to serve him in bed later. And he wants more than one young women on top of that." at this moment, Xiao Tian thought the person who could make him a special sword was like him.

He dared to say something like that because most men became more perverted as they got older. It was like the older they got, the more pervert they were.

"Hehe." Lan Ruoxi could not help but giggle after hearing his words. "What are you talking about? Even though I said his personality was unique, he is not a playboy like you."

"Damn! Is he really a man?" Xiao Tian didn't expect that he was wrong. "So, what should I do to get him to make a special sword for me? Should I give him money?"

"No." Lan Ruoxi answered as she shook her head. "He doesn't want your money."

"Then what is it?" Xiao Tian asked curiously.

Usually, every man only wanted two things. If it was not a woman to please them in bed, they wanted money.

"I also don't know." Lan Ruoxi also had no idea because that person's personality was pretty unique.

"Damn!" Xiao Tian cursed. "Lady Lan, how about you help me later? You are pretty and sexy, so I'm sure you can seduce him to make a sword for me. Hehe."

At this moment, Xiao Tian was joking around. He would not let Lan Ruoxi seduce that person because that would mean that person would win big later.

However, Lan Ruoxi had a different thought. She thought Xiao Tian was serious. "What?! You want to use me again?"

"Don't worry. I won't let him touch you, because I'm the only one who can touch you. No man is allowed to do that other than me." Xiao Tian behaved as if they were already lovers. "Because you are mine."

"Hehe." Lan Ruoxi giggled when she saw Xiao Tian's behavior. "I'm not yours. Hehe."

'He is behaving like a possessive lover.'

Lan Ruoxi added in her head.

"What are you talking about?" Xiao Tian pretended to be sad. "We've had a lot of passionate kisses, so that means, you're mine now."

"Only based on that?" Lan Ruoxi uttered, "But to me, passionate kisses means nothing. You can call me yours and I won't deny it if you manage to sleep with me."

"Then, let's go to your room now." after saying that, Xiao Tian grabbed Lan Ruoxi's right hand and pulled her up.

"Sure." Lan Ruoxi agreed instantly, as if she knew what would happen later.

And as usual, when they were about to walk out of the private room, one of her underlings said something to her.

This made Xiao Tian curse venomously in his heart because every time they were about to head to her bedroom, her underling always disturbed them as if she had planned it beforehand.

"Damn!" Xiao Tian showed his annoyed face.

"Hehe." Lan Ruoxi could not help but laugh when she saw his expression. "It seems like you can't bed me again. Hehe."

"Lady Lan, just be honest with me. You have planned it beforehand, right?" Xiao Tian inquired, "Otherwise, it would be impossible for your underling to always stop us whenever we were about to head to your room."

"How knows?" Lan Ruoxi gave an ambiguous answer.

Because Xiao Tian failed to bed her again, he decided to corner Lan Ruoxi against the wall.

"What is this? Are you going to kiss me again?" Because Xiao Tian suddenly cornered her against the wall, Lan Ruoxi suspected that Xiao Tian wanted to kiss her.

"This is the compensation for playing with my heart." After saying that, Xiao Tian placed his right index finger on Lan Ruoxi's chin before raising her head.

"Playing with your heart? I don't remember ever doing anything like that to you." of course, Lan Ruoxi knew it was only Xiao Tian's excuse.

"Your underlings always stop us whenever we are about to head to your room, so that means, you have played with my heart." Xiao Tian knew that he was saying nonsense, but he didn't care about it.

"Then, you should blame my underling, not me. But if you want to kiss me, sure. I will grant your wish." After saying that, Lan Ruoxi shut her eyes.

"Oh, what a good lady! I like obedient lady." Because Lan Ruoxi was closing her eyes, Xiao Tian didn't want to waste time.

And as if God didn't want Xiao Tian to kiss Lan Ruoxi, one of Lan Ruoxi's underlings suddenly opened the door when their lips were already so close to each other.

The expression of deep shock blossomed on the face of Lan Ruoxi's underling. She didn't expect to see them like that.

At this moment, Lan Ruoxi still behaved normally. She only turned her head towards her underling without pushing Xiao Tian away. "What's wrong?"

"Young master Ji has come and wants to meet you." Lan Ruoxi's underling answered.

"Tell him I'm busy today." Lan Ruoxi didn't want to meet him.

"Understood." After saying that, Lan Ruoxi's underling left.

"Young master Ji? Who is that person?" Xiao Tian inquired.

"He is unimportant person." Lan Ruoxi answered instantly.

"Does he often bother you?" Xiao Tian asked again. "Do you want me to take care of him?"

"No need." Lan Ruoxi replied. "Let's go meet that person. You want to get that special sword quickly, right?"

"All right. Let's go." Xiao Tian spoke.

Then Lan Ruoxi and Xiao Tian went to Ru village.

"Where is master?" Crystal had been looking for her master since yesterday.

Last night, the first thing she did after regaining consciousness was to look for her master because her master said she wanted to kill Xiao Tian.

'I have to find master and stop her again.'

With that idea in mind, Crystal started looking for her master again.

"What is his relationship with Lan Ruoxi?" Yu Shi was startled when she saw Xiao Tian with Lan Ruoxi.

Last night, she wanted to kill Xiao Tian immediately, but she suddenly had something urgent to do. That was why she decided to kill Xiao Tian today.

'Sigh. I'd better wait until he is not with her anymore. Everything will be fatal if I cause trouble to her.'

With that idea in mind, Yu Shi left.

Chapter 866 - Going To Ru Village

7-8 minutes

"Lady Lan, is that person's house still far?" Xiao Tian wanted to know if they were close to their destination or not because he had driven the car for quite a while.

'The road is so terrible.'

Xiao Tian sighed helplessly.

Currently, Xiao Tian and Lan Ruoxi were in his car. He had been driving for more than an hour but Lan Ruoxi kept saying that they still had not reached their destination.

This made Xiao Tian kept sighing helplessly. Not only was that person's house far, but the road was also terrible.

There were many potholes in the road, so it was difficult for cars to pass. Some of the potholes were even deep and dangerous.

Xiao Tian did not expect that the road would be so bad like that.

"Don't complain," Lan Ruoxi didn't answer his question. "His house is in a rural area so you should have expected something like this. But if you don't want to go there, we can go back now."

Lan Ruoxi did not mind if Xiao Tian wanted to go back because she only wanted to accompany him.

'Ops! I forgot to tell him about the terrible road.'

Lan Ruoxi added in her head.

"No. I don't want to go back." He had been driving for more than an hour, so he didn't want his efforts to be in vain.

After driving for about thirty minutes, they finally stopped. The reason why they stopped the car was that they could not continue using a car. The road was too small for cars to pass.

'This road can only be passed by motorbikes. Lady Lan, why didn't you tell me about this before?'

If he had known that they would not be able to use a car, he would have used a motorbike.

"Hehehe." Lan Ruoxi could not help but giggle when she saw the expression on Xiao Tian's face. "Don't blame me. You didn't ask me anything earlier and instantly dragged me."

'Cute! His expression is so cute.'

Of course, Lan Ruoxi knew what he had in mind.

Xiao Tian was speechless. He could not say anything because what she said was true. He wanted to make an excuse, but he had no idea what to say to her.

'Sigh. Forget it, forget it. We have reached this far, so there is no point in continuing to complain.'

Xiao Tian kept reminding himself that all of this was for the sake of his special sword or else he would continue to complain later.

Because Lan Ruoxi wanted to tease Xiao Tian, she immediately spoke, "Young master Xiao, are you tired? I can carry you if you are tired. Hehe. After all, it's normal for a young man to feel tired quickly."

At this moment, Lan Ruoxi wanted to hear his answer so badly. She knew Xiao Tian's personality well, so she was curious about his answer.

The corner of Xiao Tian's lips twitched when Lan Ruoxi was making fun of him. There were several reasons why Xiao Tian kept sighing or wearing a tired face.

First, he was tired of driving for more than two hours on the road with many potholes. Second, he was unhappy because he could not use his car to reach that person's house.

Third, the weather was so hot; the sun was right above his head, as if the sun wanted to burn him alive.

And the last was, he was thirsty because he was walking under the hot weather. It was as if God wanted to punish him for having so much luck.

Lan Ruoxi kept giggling. "Hehe. How is it, young master Xiao? Do you want me to carr-"

However, before Lan Ruoxi had finished her words, Xiao Tian did something unexpected. And his actions much surprised her.

"Are you doubting my stamina, young lady?" Xiao Tian spoke as he looked at Lan Ruoxi's surprised face.

Because Lan Ruoxi offered to carry him earlier, Xiao Tian decided to carry her in a princess style. He was a man, so he would not let her to keep teasing him.

Instead of answering immediately, Lan Ruoxi asked, "Are you sure you want to carry me like this until we reach our destination?"

"It seems like you are really underestimating my stamina." At this moment, Xiao Tian wanted to pinch Lan Ruoxi's cheeks, but he could not do that because he was carrying her with both of his hands.

"Hehe. I really want to know whether you can carry me until we reach our destination or not." Lan Ruoxi was pleased when Xiao Tian was carrying her because that meant she didn't need to walk under the hot weather and could save her energy.

*Ten meters...Fifty meters...Ninety meters...

Because the weather was scorching hot, Xiao Tian could no longer carry her in a princess style. He was thirsty, so he decided to put her down.

Sure, he could still carry her if he forced himself, but he didn't want to do that because there was no point in doing that.

If Lan Ruoxi promised to reward him, he would have forced himself, but Lan Ruoxi didn't promise anything earlier.

"Oh! What's wrong, strong young man?" Lan Ruoxi made fun of Xiao Tian again when he put her down. "Didn't you say you would carry me until we reach our destination?"

The corner of Xiao Tian's lips twitched after hearing her remarks. Without waiting for another second, Xiao Tian squatted down and spoke, "Come, I will give you a piggyback ride."

And as if Lan Ruoxi was a child who loved piggyback, she instantly jumped onto Xiao Tian's back, causing him to nearly fall.

The weather was scorching hot, so Lan Ruoxi wanted to save her energy as much as possible. If it was usually Xiao Tian who continued to take advantage of the situation, this time, she wanted to do the same.

"How is it, young lady? Do you like it?" Xiao Tian inquired.

"Not bad." Lan Ruoxi answered instantly.

"Let's buy a motorcycle later." Xiao Tian was sure that they would go to that person's house again tomorrow, so he wanted to buy a motorbike, or else he would walk again later.

Actually, he wanted to buy a motorcycle since a few months ago because he desired to do a motorbike date.

"What happened to that motorcycle?" Lan Ruoxi inquired.

When they were about to go on a war against three martial arts schools, Xiao Tian bought a motorcycle. Even though it was not a new motorcycle, but the motorbike was not bad.

"I have sold it." Xiao Tian didn't like that motorcycle, so he sold it.

"Well, buying a motorcycle is a good idea because we will often go to this place later." Lan Ruoxi knew that making a sword would take a long time.

Coupled with Xiao Tian wanting a sword that could be lengthened or shortened, it would take even more time.

Xiao Tian had a lot of money now, so spending a little money on a motorcycle would not bankrupt him.

"Oh! You like my idea too?!" Xiao Tian did not expect her to agree instantly. "Next time we go to this place, we will use motorcycle and at that time, I will be the pillion passenger so that I can hug you from behind."

As usual, Xiao Tian always wanted to take advantage of the situation.

"Pervert!" Lan Ruoxi was not surprised by his words because she knew that he was a pervert.

"Hehe." Xiao Tian laughed after hearing her word

Chapter 867 - I'm Also Rank Top 100 Right Now

6-8 minutes

"Young lady, you already know that I'm a pervert so why did you agree to be carried by me?" Xiao Tian inquired, "Don't you realize that I can feel the softness of your breasts right now?"

Xiao Tian did not feel embarrassed when he said this because he believed that Lan Ruoxi already knew a lot about him.

They had been friends for two years and were often hangout together so it was not hard for her to know his personality.

Instead of moving her breasts away from Xiao Tian's back, Lan Ruoxi pushed her body even more, making him feel the softness of her breasts even more. "How was it? Did you like it?"

"I love it!" Xiao Tian answered instantly. "It's a pity that I can't feel them with my hands."

At this moment, Xiao Tian really wanted to feel the softness of her breasts with his hands. Sure, they had hot kisses several times, but he only felt her tender breasts once. And it was only a short time.

"Hehe." Lan Ruoxi could not help but giggle after hearing his remarks. "You already have a lot of women, and here, you still dare to have dirty thoughts towards me."

'No wonder he has a lot of women. It's because he is a big pervert and harem-seeking young man.'

Lan Ruoxi added in her head.

"Because I have a lot of women, my mind always goes dirty." Xiao Tian was not embarrassed when he said this, as if it was something to be proud of.

"How often do you have sex with them?" Lan Ruoxi suddenly wanted to know about Xiao Tian's sexual life.

"Almost every day." Because Xiao Tian was talking with Lan Ruoxi, he decided to give an honest answer.

"How envious! It seems like you enjoy your life every day." Actually, Lan Ruoxi was not surprised by Xiao Tian's words because he had more than one woman. "Well, you are still young, so I can understand it."

"Well, you can call me if you are lonely and need companion in bed. Hehe." Xiao Tian said jokingly. "I will make sure to come to you as fast as lightening."

"Sigh, young people. I really hope that I can return to a younger version of myself." Lan Ruoxi was already thirty-two years old, so she was envious of Xiao Tian.

Sure, her age was still in the category of young people, but in her view, she was already old. That was why she said something like that.

"Why are you sighing?" Xiao Tian inquired, "You are still young, you know? That's why I'm calling you a young lady now."

"You really know how to please a woman, huh?" after saying that, Lan Ruoxi's face blossomed into a smile.

'Well, being called a young lady by a young man who is twelve years younger than me is not bad too.'

She added in her mind.

"Do you still think you are old?" Xiao Tian inquired, "If so, then I will keep calling you young lady for today so that you will always remember that you are still young."

"Because you will call me young lady for today, then I will call you...." Lan Ruoxi stopped her words and began to think about what to call Xiao Tian. "Little guy. I will call you little guy for today, not young master."

"But I'm not a little." Xiao Tian spoke and paused for a second before he continued, "You will know about it in the future."

Of course, Lan Ruoxi knew the meaning of his words. "But I don't want to see it in the future."

"But you will want to taste it in the future." Xiao Tian responded.

"Well, let's see if you can beat me in the future or not." Lan Ruoxi spoke.

The corner of Xiao Tian's lips twitched. Until now, Xiao Tian had no idea how strong Lan Ruoxi was.

"Hehe. Why are you suddenly silent, little guy?" of course, Lan Ruoxi knew the reason why Xiao Tian didn't say anything after hearing her words. That was why she decided to tease him.

"Young lady, did you know that I reached the mid-level master stage in just two years?" Because Lan Ruoxi kept teasing him, Xiao Tian decided to show off his talent in martial arts.

"I know." Of course, Lan Ruoxi knew about it. "I know you are a genius in martial arts but you are still much weaker than me."

"Two years. Give me two years and I will beat you at that time." Xiao Tian was sure that he could break through to the grandmaster stage in two years.

He had the experience from his previous life, so breaking through was much easier for him.

"Then you should stop thinking about sleeping with me for the next two years." Lan Ruoxi spoke and paused for a second before she whispered in his right ear. "Of right, let me tell you two secrets. My master told me that I was a genius in martial arts and I also gained insight about battle instinct when I was still at the high-level master stage."

Xiao Tian instantly stopped his footsteps.

'Holy hell! It seems like my wish to bed her is much harder than I thought.'

Like what Zhao Chen said, a martial artist usual had a chance to gain insight about battle instinct when they were at the low-level grandmaster stage.

Because Lan Ruoxi had gained insight about battle instinct when she was still at the high-level master stage, then there was only one word to describe her.

Genius!

Maybe the word genius was still not enough. Xiao Tian was sure that Lan Ruoxi was a genius among geniuses.

Because Xiao Tian suddenly stopped his footstep, Lan Ruoxi decided to tease him again. "What? Are you depressed now? Then let me tell you another secret to make you more depressed. I'm also rank top 100 right now."

"Rank 100? What is that?" Xiao Tian had no idea about it, so he didn't get her words.

"You are still too weak to know about it." Lan Ruoxi answered, "When you are strong enough, you will know about it later."

At this moment, Xiao Tian suddenly thought of something.

'Don't tell me, there is a ranking for martial artists? Does that mean there is also competition to get into that rank? But where is it? Are there any rules for entering the competition? And is that ranking for only Shanghai or all of China?'

Countless questions appeared in his head.

Actually, he wanted to ask these questions, but he changed his mind because he knew Lan Ruoxi would not answer them.

'Well, forget it. It's not important too.'

The reason why Xiao Tian practiced martial arts was to protect his family and the people he cared, not to become the strongest martial artist.

As long as he could protect people he loved, it was already enough for him.

Lan Ruoxi, who noticed his expression, was startled.

'What? What's wrong with his expression?'

Previously, Lan Ruoxi was sure Xiao Tian would be curious and kept asking her about it. She just didn't expect him to behave like he didn't care about what she just said.

'Sometimes, I really don't get his train of thought, but that's the reason why it's so fun hanging out with him.'

Chapter 868 - Meeting The Old Man

7-8 minutes

"Young lady, are we still far from that person's house?" Xiao Tian inquired.

"We're almost there." Lan Ruoxi then pointed her right index finger forward. "Did you see that house?"

"House?" Xiao Tian said, "Do you mean that house?"

There was a house several meters from them. The house was surrounded by many trees. Even though the house was small, but the scenery around the house was breathtaking.

Not only were there a lot of green trees around the small house, but there was also a waterfall shed on the right side of the house.

Even though the waterfall was only about two meters high, it still made the scenery around the house even more impressive.

"Yes." Lan Ruoxi answered as she nodded her head.

"Beautiful!" Xiao Tian could only describe the scenery in front of him with one word.

Beautiful!

"Living here must be comfortable." Even though there was no other house except that small house, Xiao Tian was sure the owner of the house must be living happily every day.

The scenery was beautiful, the air was still fresh, and there was also a waterfall near the house. It was as if that place was heaven on earth.

After they arrived at that house, Xiao Tian stood in the front yard, facing the waterfall. "Young lady, let's go to that waterfall later."

"Sure." Lan Ruoxi agreed instantly.

After putting Lan Ruoxi down, Xiao Tian knocked on the door.

*Knock...Knock...Knock....

Xiao Tian kept knocking on the door, but no one answered him.

'Is he not home?'

Like before, Xiao Tian kept knocking on the door.

"Maybe he is not home right now." Lan Ruoxi uttered,

"I think so too." Xiao Tian answered. "Let's sit on that chairs and wait for him to return home."

Then Xiao Tian and Lan Ruoxi sat on the chairs in front of the house.

"Young lady, when you become my girlfriend later, do you want me to build you a house in a good place like this?" Xiao Tian suddenly wanted to own a house in a nice rural area.

The beautiful scenery and fresh air made him really want to do that.

"Hehe." Lan Ruoxi giggled after hearing his words. "Instead of thinking that far, you should think how to get stronger first because I won't accept you as my lover if you are weaker than me."

The corner of Xiao Tian's lips twitched, "Can you change your condition?"

"No." Lan Ruoxi answered instantly. "If you really want to be my lover, you have to beat me in fight first."

"But you won't change your mind after I beat you later, will you? Like saying, you don't like me because I have a lot of women." Xiao Tian wanted to make sure that Lan Ruoxi would keep her word later.

"You don't need to worry about it." Lan Ruoxi replied. "I can accept your polygamous relationship. All you need to do is beat me in a fight."

Then Xiao Tian and Lan Ruoxi talked about many things. Seconds turned into minutes, and without realizing it, it had been an hour since they arrived at that house.

"Just where is he?" Xiao Tian could not help but sigh.

"Be patience." Lan Ruoxi could understand Xiao Tian's feelings. "Remember, we are the ones who need his help, so we must not anger him or else our efforts will be in vain later."

"I know." Of course, Xiao Tian knew about that rule. "Luckily, a beautiful young lady is accompanying me. Otherwise, I would have died of boredom by now."

Lan Ruoxi only giggled because she was used to hearing his sweet words. "But didn't you sa-"

Before Lan Ruoxi had finished her words, a voice suddenly rang out from their left side. "What are you doing in front of my house?"

Xiao Tian and Lan Ruoxi instantly turned their heads towards the source of the sound.

"Is he the person lady Lan was referring to?"

Xiao Tian looked at the old man, who was around fifty-seven years old.

The old man had white hair and blue eyes. Even though he was already old, but his body was still full of vitality.

'My instinct told me that he is a martial arts expert.'

Even though it was his first time meeting the old man, Xiao Tian was ninety-nine percent sure that the old man, who was standing in front of him, was a martial arts expert.

"Hello elder. My name is Xiao Tian and she is Lan Ruoxi." Xiao Tian introduced themselves to that old man. "The reason why we came to your house is that I wish you can help me with something."

Because Xiao Tian needed that old man's help, he spoke and behaved politely. He didn't want the old man to have a bad impression of him on their first meeting because that would make things difficult later on.

"Hello." Lan Ruoxi spoke.

"What is it?" the old man inquired.

"I wish you could make me a sword that can be lengthened or shortened." Xiao Tian gave an honest answer. "If you can help me, I will return the favor later. As long as it's within my reach, I'll do whatever you want."

"I can't help you." the elder refused instantly. "I stop making a sword ten years ago."

When the elder was about to enter his house, Lan Ruoxi instantly stopped him and stood in front of the door. "Elder, can you help him? He will remember your kindness and return the favor later."

"Elder, this sword is important to me." Xiao Tian added, "I will remember your kindness forever."

The elder then turned his head towards Xiao Tian and inquired, "Why did you come to my house? There are many blacksmiths in China."

"To be honest, she was the one who recommended you to me." Xiao Tian gave an honest answer. "I believe in her. That's why we came to your house."

The elder shifted her gaze from Xiao Tian to Lan Ruoxi, "Her?"

"Yes. I was the one who recommended you to him." Lan Ruoxi uttered,

"You, follow me." The elder said to Lan Ruoxi. "I want to talk with you alone."

Because Xiao Tian thought the elder had bad intentions, he immediately stood in front of Lan Ruoxi.

"Elder, I'm the one who needs your help. You can talk to me if you have something to say."

Lan Ruoxi and the elder were startled by Xiao Tian's actions.

"I want to talk to her, not you!" the elder raised his voice a little.

At this moment, a hint of anger was emitting from his body.

Xiao Tian was someone who had gained insight about battle instinct, so he could feel the anger aura around the elder's body.

'Why does he suddenly want to talk to lady Lan?'

Lan Ruoxi was important to him, so he would not let anything bad to happen to her.

Sure, she was much stronger than him, but as a man, it was his job to protect her. "Elder, if you don't"

However, before Xiao Tian had finished his words, Lan Ruoxi spoke, "Little guy, it's fine. Nothing bad will happen to me."

"Young lady, I can feel the aura of anger around him." Xiao Tian said in a low voice. "For this reason, I can't let him talk to you alone."

As Xiao Tian and Lan Ruoxi were talking, the elder was shocked by their words.

'What?! Young lady? Little guy?'

Chapter 869 - Lian Xun

7-8 minutes

As Xiao Tian and Lan Ruoxi were talking, the elder was shocked by their words.

'What?! Young lady? Little guy?'

The elder found it hard to believe what he was hearing.

Lan Ruoxi was much older than Xiao Tian, but Xiao Tian still called her young lady. It was as if Xiao Tian saw Lan Ruoxi as a teenager.

Sure, Lan Ruoxi was still young, but from her appearance, anyone could tell that she was a mature lady, not a young lady.

And not only Xiao Tian but the way Lan Ruoxi addressed Xiao Tian was also weird. She called Xiao Tian by the nickname little guy.

It was as if Xiao Tian was someone less than twelve years old. And what made him confused was that Lan Ruoxi and Xiao Tian were fine with the nickname.

'What is this? Do they have a close relationship?'

The elder suddenly wanted to know the relationship between Xiao Tian and Lan Ruoxi.

'And what did he say earlier? Anger aura? Can he feel it?'

The elder intentionally emitted an aura of anger before.

'Wait! Could he really feel my aura earlier? Or was it just a coincidence?'

The elder knew that only a martial artist who had gained insight about battle instinct could sense the aura from another person's body.

And in order to gain insight about battle instinct, they had to be at least a martial artist at the grandmaster stage.

However, the elder knew that there was no way Xiao Tian was a martial artist at the grandmaster stage because he was still very young.

The elder was sure that Xiao Tian was still at the master stage. But he had no idea whether Xiao Tian was at the low, mid, or high level.

'Don't tell me.'

The elder suddenly recalled something important. Yes. He remembered that some martial artists gained insight about battle instinct when they were still at the master stage.

And they were all called candidates for Ruler. Even if they didn't end up as the Ruler, they would become extremely powerful martial artists.

For this reason, there were only two choices that others could make if they knew there was someone who had gained insight about battle instincts when he/she was still at the master stage.

These two options were, kill that person or build a good relationship.

'Interesting!'

"Young man, I said I want to talk to her." the elder repeated his words, "Maybe I will change my mind later."

Xiao Tian didn't say anything, but he started at the elder.

'What? There is a possibility that he will change his mind if he can talk with lady Lan alone?!

At this moment, an aura of anger slowly emitted from Xiao Tian's body.

From the elder's words, it seemed like he was interested in Lan Ruoxi. Otherwise, there was no way the elder would say something like that.

There was only one meaning! The elder was interested in Lan Ruoxi's pretty face or sexy body and wanted to try his luck.

When the elder felt an aura of anger coming out of Xiao Tian's body, his lips curled into a smirk.

'Interesting! I'm sure his instincts tell him that I'm much stronger than him, but here, he still dares to show me his anger. It seems like he is not afraid of me. Interesting. It's extremely rare for a weak martial artist not to be afraid of a strong martial artist.'

In order to test Xiao Tian's bravery, the elder also let out an aura of anger.

At this moment, both Xiao Tian and the elder were staring at each other. It was as if they were ready to attack each other at any moment.

However, something unexpected happened. Lan Ruoxi suddenly stood between them and spoke, "I agree. Elder, if you want to talk to me, I will grant your wish."

"Young lady..." Xiao Tian still didn't want Lan Ruoxi to talk to the elder, because he suspected that the elder had bad intentions towards her.

Xiao Tian had forgotten his purpose of coming to the elder's house. For him, Lan Ruoxi was far more important than the sword.

Lan Ruoxi turned her head to look at Xiao Tian and spoke, "Don't worry. Nothing bad will happen to me."

"But..." Xiao Tian knew that Lan Ruoxi was a strong martial artist, but he was sure that the elder was stronger than her.

"It's fine." Lan Ruoxi was touched by Xiao Tian's actions.

"Good!" the elder spoke, "Follow me."

Then Lan Ruoxi and the elder walked towards the waterfall. And because Xiao Tian was still worried about Lan Ruoxi's safety, he followed them in secret.

Of course, the elder knew about it. "Stop following us!"

"Little guy, just wait at his house." Lan Ruoxi added.

Xiao Tian was not surprised when the elder knew he was following them in secret. He then pretended to stop following them.

However, the elder still found out about it. When Lan Ruoxi assured Xiao Tian that nothing bad would happen to her, he decided to return to the elder's home.

"It seems like he is worried about you." the elder uttered,

"Well, we've known each other for about two years so we're pretty close." Lan Ruoxi gave an honest answer.

"Pretty close, huh?" the elder was not surprised by Lan Ruoxi's words because he could tell from Xiao Tian's behavior that Lan Ruoxi was important to Xiao Tian.

Currently, Lan Ruoxi and the elder were in front of the waterfall.

The elder then turned around and spoke, "You, ungrateful disciple! So, you finally remember your master after ten years?!"

Lan Ruoxi instantly cupped her hands and answered, "Master, please forgive me. I have a reason why I haven't visited you for the past five years."

Yes, the elder who was standing in front of Lan Ruoxi was none other than her master. His name was Lian Xun.

"A reason? What is it?" Lian Xun inquired, "Don't tell me. It's because you don't want to see my old face anymore."

"I'm sorry, master. I can't tell you the reason." Lan Ruoxi answered.

"Sigh." Lian Xun could only sigh. "Now let me ask a different question. Why are you friends with him?"

"Him? Do you mean, young master Xiao?" Lan Ruoxi inquired.

"Yes." Lian Xun actually knew who Xiao Tian was. "You know that he is the abandoned child, right?"

"I know." Of course, Lan Ruoxi knew about it.

"If you know about it, then why are you still friends with him? You know how dangerous it is to be his friend, right?" Lian Xun wanted to know the reason why Lan Ruoxi was still friends with Xiao Tian.

"Master, I will be honest with you." Lan Ruoxi spoke and paused for a second before she continued, "The reason why I decided to be friends with him is that I hope he can help my parents later."

Lian Xun could only sigh again after hearing her words. Of course, he knew what had happened to her parents.

"What is so special about him?" Lian Xun inquired.

"He reached mid-level master stage in just two years." Lan Ruoxi stated.

"Two years?!" her words much surprised Lian Xun

"And there's one more thing that makes him special." Lan Rouoxi uttered,

"What is it?" Lian Xun asked again.

"He gained insight about battle instinct when he was still at the mid-level master stage." Like before, Lan Ruoxi told him the truth.

"What?" Lian Xun was surprised again.

Chapter 870 - What Is Your Relationship With Him?

6-8 minutes

Lian Xun found it hard to believe what he was hearing.

Sure, he had heard some martial artists who gained insight about battle instinct when they were still at the master stage, but he had never heard of someone reaching the mid-level master stage in just two years.

'I understand now! Reaching the mid-level master stage in just two years and gaining insight about battle instinct while he was still at the mid-level master stage was nearly impossible to achieve. That abandoned son is indeed a genius among geniuses.'

Lian Xun thought being friends with Xiao Tian was not a bad idea.

'Not only that, he can even become a successful person at a young age. It seems like the Xiao and Ye families make a big mistake, especially the Ye family. I'm sure they are starting to regret their decision now.'

He knew who Xiao Tian was because he was dragged into their family conflict a few years ago.

Even though Lan Ruoxi would face danger later, but it was worth it. "Your choice is not bad!"

"That's why I want you to make a sword for him." Lan Ruoxi uttered, "Master, please make a good sword, a suitable sword for him."

Lian Xun stared at Lan Ruoxi in the eyes and inquired, "You know what will happen to us if they learn about our relationship with Xiao Tian, right? If he dies, we will follow him for sure."

"I know." Lan Ruoxi answered instantly. "Master, he is also building a strong army right now. And not only that, but the Devil Queen also supports him."

"Devil Queen?" Lian Xun said in surprise. "Didn't she say she would resign from the underworld?"

Of course, Lian Xun knew who Devil Queen was because she was the only woman who shook the whole of Shanghai alone.

Not only was she incredibly strong, but even her underlings were also powerful. She was the first woman who stood at the top and on par with many top martial artists at the grandmaster stage.

"How can he get her support?" Lian Xun wanted to know what Xiao Tian had done that he managed to gain the support of the Devil Queen.

In the past, countless families wanted to recruit her to be their protector, but she refused. So, he wanted to know how could a nobody and an abandoned son like Xiao Tian have the support of the Devil Queen?

She even refused when countless rich and famous families tried to recruit her. This almost made no sense.

"To be honest, he has no idea that a powerful martial artist is supporting him." Lan Ruoxi gave an honest answer.

Lian Xun didn't get her words. "What do you mean by that?"

"The Devil Queen is one of his women and pretending to be an ordinary woman." Lan Ruoxi told him the truth.

"Cough!" Lian Xun almost vomited blood after hearing her words. "One of his women?"

"Yes." Lan Ruoxi answered as she nodded her head. "And she let him to be the leader of the Blue Ice Lotus gang."

"I see." Lian Xun touched his chin. "All right. I will make a sword for him."

"Thank you, master." Lan Ruoxi was pleased after hearing his words because with this, their efforts were not in vain.

"By the way, what is your relationship with him?" Lian Xun asked curiously, "The way you two call each other is even unique. Hehe."

"You are already old, so you don't need to know about it." After saying that, Lan Ruoxi walked towards his house.

When Lian Xun saw Lan Ruoxi's back, he could only sigh.

At this moment, Lan Ruoxi's body slowly became smaller in his eyes until finally, the cheerful little Ruoxi was the only thing in his eyes.

Yes. He remembered the cheerful Lan Ruoxi when she was still a little. Now that little girl had grown up and changed completely.

'The weight in her shoulders is too heavy. I really miss seeing her cheerful behavior and smile. Sigh. The world is so cruel to her.'

After sighing, Lian Xun walked towards his house.

When Xiao Tian saw Lan Ruoxi walking towards him, he rushed with a worried face, "Young lady, did he do something to you?"

"No. He did nothing to me." At first, Lan Ruoxi wanted to say the opposite, but she changed her mind because she didn't want Xiao Tian to misunderstand her master.

She was afraid that Xiao Tian would take her joke seriously. That was why she decided not to tease him because the consequences could be fatal.

"Really?" Xiao Tian wanted to make sure that she was telling the truth.

"Yes." Lan Ruoxi answered as she nodded his head.

"He didn't threaten you, right?" Xiao Tian asked again.

"I didn't do anything to her." Lian Xun's words rang out from behind Lan Ruoxi. "And why do you think I want to do something bad to her? Do I look like a bad person?"

"Because she is a pretty lady with a sexy body." Xiao Tian gave an honest answer. "Anyone would instantly fall in love with her if they saw her. That's why I want to make sure you didn't do anything bad to her."

"Do you think every man is a playboy like you?" Lian Xun inquired, "Sigh. You came to my house to ask for my help, and here, you are behaving rudely to me. Don't you want me to make a sword for you? You should treat me nicely, not the opposite like this."

If it were not for Lan Ruoxi, Lian Xun would have changed his mind because Xiao Tian kept treating him badly.

Lian Xun didn't know why Xiao Tian had so much luck. First, he was talented in martial arts. Second, he could become a successful person in a short amount of time. Third, his disciple was treating him nicely. And last, the Devil Queen was even supporting him.

"Of course, I still want it, but I don't want you to do something bad to her." Xiao Tian behaved like a boyfriend who wanted to protect his lover.

When Lian Xun saw Xiao Tian's act, he uttered, "You two don't even have a special relationship, so why are you behaving like her lover?"

"Because she will be mine in the future." Xiao Tian was sure that he would be able to beat Lan Ruoxi in the future. That was why he dared to say something like that.

Lan Ruoxi giggled after hearing his remarks.

'Hehe. How could he be so sure I would be his lover in the future?'

She was amazed by his shamelessness.

After shifting his gaze from Lan Ruoxi to Xiao Tian, Lian Xun inquired, "Did she say it? Why are you so sure he will be yours in the future?"

"Because she said she would be mine if I could defeat her in a fight." Xiao Tian told Lian Xun the reason why he dared to say something like that.

"Hahaha." Lian Xun could not help but burst into waves of laughter. "You? Defeat her? Did I hear it right? Hahaha."

Xiao Tian was unhappy with Lian Xun's words.

'Damn! This old man is underestimating me!'

If Xiao Tian were stronger than Lian Xun, he would have been hit Lian Xun's head at that time.
