Chapter 871 - Xiao Tian Versus Lian Xun

"Haha." Lian Xun kept laughing without caring about Xiao Tian's feelings.

Sure, he knew that Xiao Tian was talented in martial arts, but his disciple was also a genius. She was even able to gain insight about battle instinct when she was still at the master stage.

'Young man, you're not the only one who earned the title of genius in martial arts. My disciple also got that title. I'm even sure she can defeat you in less than five minutes.'

Lian Xun was sure that Lan Ruoxi could defeat Xiao Tian in less than five minutes.

"Hehe." Lan Ruoxi could not help but giggle when she saw Xiao Tian's expression.

The corner of Xiao Tian's lips twitched when he saw Lan Ruoxi giggling. He could understand why Lian Xun was laughing, but he didn't expect her to make fun of him too.

"Young lady, why are you giggling?" Xiao Tian inquired, "Are you underestimating me too?"

"Ops! Sorry." Lan Ruoxi then covered her mouth and tried her best not to giggle.

"Young lady, your future lover is being underestimated by unimportant side character, so you should support me." Xiao Tian spoke and paused for a second before he continued, "How about you beat him for me?"

Of course, Xiao Tian was not serious when he asked Lan Ruoxi to fight Lian Xun.

Lan Ruoxi was amazed by his shamelessness. "Little guy, he is the one who is underestimating you, so why should I fight him? You should be the one fighting him, not me."

"Hiding behind a woman and asking her to beat me, huh? Tch, tch, tch! What a coward!" Lian Xun said as he shook his head.

"It's because I don't want to beat an old man like you." Xiao Tian made an excuse.

"How about this? If you can injury me once, I will make a good sword for you, but if you fail, you have to leave later." Lian Xun suddenly wanted to know how strong Xiao Tian was.

Lan Ruoxi instantly shifted her gaze from Xiao Tian to Lian Xun.

'Master, what are you saying? You are already at the high-level grandmaster stage and have a lot of fighting experience, so it's almost impossible for him to injury you. it's not like what you promised me earlier.'

Lan Ruoxi wanted to protest to Lian Xun because what he said was different from what they had agreed earlier. For this reason, she stared at him intently.

Of course, Lian Xun knew what she had in mind because he remembered his promise.

'Ruoxi, I only want to know how strong he is.'

Lian Xun also looked at Lan Ruoxi as if he was telling her through his gaze the reason why he wanted to fight Xiao Tian.

"Sure!" Xiao Tian agreed instantly.

Even though Xiao Tian knew that Lian Xun was a martial arts expert, he still wanted to try it.

'There is no harm in trying.'

Xiao Tian said in his head.

"Good! Wait here." After saying that, Lian Xun entered his house. Several seconds later, he returned to the front yard with a sword in his right hand. "Here, take it."

Xiao Tian was dumbfounded when Lian Xun gave him a real sword. "Are you sure you want me to use a real sword?"

"Why not?" Lian Xun was not afraid because he was much stronger than Xiao Tian. "I will give you fifteen minutes. If you can injury, it's your win."

"I hope you will keep your word later." after saying that, Xiao Tian looked at Lan Ruoxi. "Young lady, move a little. I don't want you to get hurt later."

After distancing herself from Xiao Tian and Lian Xun, Lan Ruoxi spoke, "Good luck, little guy."

"Un. I will win this fight for you." at this moment, Xiao Tian still had no idea that Lian Xun was a martial artist at the high-level grandmaster stage, so his defeat was already set in stone.

"Hey, are you going to fight me or flirt with her?" Lian Xun said as he crossed his arms over his chest.

*Inhale...Exhale...

Xiao Tian repeated the same process twice before focusing on Lian Xun.

'He is a martial arts expert, so I have to get serious.'

At this moment, Xiao Tian wavered whether he should use a secret technique immediately or not.

"You can attack me now." like before, Lian Xun was still acting calmly as if he was enjoying the beautiful scenery, not about to fight someone.

Without waiting for another second, Xiao Tian dashed towards Lian Xun and began attacking him.

*Slash...

Xiao Tian slashed his sword diagonally.

However, Lian Xun was able to dodge it easily. Both of his hands were even behind his back as if Xiao Tian was a child who wanted to attack him using a real sword.

Xiao Tian attacked Lian Xun again. He attacked from the left bottom towards the top left. Without pause, Xiao Tian changed his attack pattern to a 'Z' pattern.

His attacks flowed gently like flowing water. Because Xiao Tian knew that Lian Xun was an expert, he didn't want to give Lian Xun a chance to relax.

Left, right, front, back, above. Xiao Tian attacked Lian Xun from all directions. His attacks were fast and aimed at the fatal areas.

As Lian Xun was dodging Xiao Tian's attacks, he was a little amazed by Xiao Tian.

'His attacks are not bad! His attacks are flowing smoothly and aimed at the fatal areas too.'

But due to the big gap between them, Lian Xun was able to avoid Xiao Tian's attacks effortlessly.

"What's wrong?" Lian Xun uttered, "Didn't you say you would win the fight earlier? If it continues like this, you will lose later."

Lan Ruoxi, who was seeing the fight between Xiao Tian and Lian Xun from the sidelines, crossed her arms over her chest.

'It seems like young master Xiao is stronger than before.'

Lan Ruoxi knew that Xiao Tian had diligently practiced martial arts because his movements and attacks were faster than when he fought Jufan.

Upon hearing Lian Xun's words, Xiao Tian instantly stopped attacking him.

Lian Xun was startled by Xiao Tian's attacks. "Eh! What's wrong? Are you giving up? Did you realize that you will never hurt me?"

*Inhale...Exhale....

Xiao Tian was controlling his breath, and his eyes were focused on Lian Xun.

Like Lian Xun, Lan Ruoxi was also startled by Xiao Tian's action.

'No. He is not giving up; instead, it's the opposite.'

Lan Ruoxi saw it once when Xiao Tian was fighting Jufan.

'Secret move! He wants to use his secret technique.'

Lan Ruoxi was sure that Xiao Tian wanted to use his secret technique.

Because Lian Xun had never seen Xiao Tian fight before, he had no idea as to why Xiao Tian suddenly stopped attacking him.

'No! He is not giving up!'

Lian Xun suddenly felt a cold aura slowly forming around Xiao Tian's body.

Currently, Xiao Tian was in the lai stance.

'Moon style sword of drawing techniques- second ceremony- Earth Breaker.'

Because Xiao Tian wanted to win the fight quickly, he decided to use his secret technique.

*Slash... Slash... Slash... Slash... Slash...

Countless deadly slashes rained down on Lian Xun, intent on injuring him.

'Moon Sword Martial Arts!'

The expression of deep shock blossomed on Lian Xun's face when he learned that Xiao Tian was a Moon Sword Martial Arts School disciple.

Chapter 872 - His Attacks Are Getting Faster

7-8 minutes

The expression of deep shock blossomed on Lian Xun's face. He found it hard to believe what he was seeing.

It never crossed his mind that Xiao Tian was a disciple of the Moon Sword Martial Arts school because he thought Xiao Tian was a disciple of an unknown martial arts school.

'How could this be? I didn't expect him to be a disciple of the Moon Sword Martial Arts school.'

Lian Xun was sure that Moon Sword Martial Arts School had been destroyed by an unknown group several years ago, and rumors stated that everyone from that school had died.

Because Lian Xun had never met a disciple of Moon Sword Martial Arts before, he thought the rumor was true.

'So, there was a survivor from that school!'

At this moment, Lian Xun was sure that the rumor was false. Otherwise, it would be impossible for Xiao Tian to learn their martial arts.

Because Xiao Tian was using their secret techniques, Lian Xun believed there was at least one instructor or senior disciple who survived from that war.

Lian Xun suddenly wanted to know the person who taught Xiao Tian martial arts because the Moon Sword Martial Arts School was famous in the whole of China in the past.

Yes. it was stated that the Moon Sword Martial Arts School was the fastest sword art.

'I failed to injury him.'

Xiao Tian finally realized who strong Lian Xun was.

The gap between Xiao Tian and Lian Xun was too big. Lian Xun was a martial artist at the high-level grandmaster stage and had a lot of fighting experience, so he was able to avoid all of Xiao Tian's attacks.

"Your secret technique is not bad, but it's not enough to injury me." Even though Lian Xun said something like that, he was still amazed by how strong Xiao Tian was.

If the Moon Sword Martial Arts School had not been destroyed, Lian Xun was sure that Xiao Tian would have become one of their best disciples.

As Xiao Tian was attacking Lian Xun, he kept thinking of a way to injure Lian Xun because that was the only way for Lian Xun to make a sword for him.

"Ten minutes have passed." Lian Xun uttered, "You only have five more minutes."

Lan Ruoxi, who was seeing them, touched her chin.

'Now that your trump card has failed to injure my master, what are you going to do?'

Lan Ruoxi knew that secret technique was Xiao Tian's trump card in the fight.

However, Lian Xun was too strong, so Xiao Tian's secret move was useless against him.

Sure, it would be a different story if Xiao Tian could use the seventh or eighth secret technique, but he still had not mastered it.

He even still had not mastered the third secret technique because he was too busy spending time with his women or growing his companies. Otherwise, the progress of his training would not be that slow.

Like before, Xiao Tian didn't give up and kept attacking Lian Xun. Whatever happened, he had to injure Lian Xun, or else his efforts would be in vain later.

'What should I do? He is too strong for me.'

At this moment, Xiao Tian suspected that Lian Xun was a martial artist at the mid-level grandmaster stage.

The feeling of regret suddenly rose within him. He knew that he had made a huge mistake earlier. If he had known that Lian Xun was out of his league, he would have refused earlier.

'Forget it. There is nothing I can do about it.'

Xiao Tian knew there was no point in regretting his decision. All he had to do was think of a way to injure Lian Xun.

Even though Lian Xun was a martial artist at the grandmaster stage, he was still a human being like him, so Xiao Tian was sure nothing was impossible.

'Sigh! If only I had a gun, then I would not be in this difficult situation.'

Xiao Tian was sure if he had a gun, he would be able to injure Lian Xun. Maybe he even could kill Lian Xun.

"One more minute before the time runs out." Lian Xun stated, "What are you going to do now?"

Upon hearing Lian Xun's words, Xiao Tian suddenly stopped attacking Lian Xun.

*Inhale...Exhale... Inhale...Exhale...

'I can only use that move.'

Xiao Tian started to calm his mind and feel the energy around him.

Yes. Xiao Tian decided to fight Lian Xun in the battle instinct mode. Battle instinct would significantly increase his speed, reflexes, and strength, so he hoped he could injure Lian Xun later.

Lian Xun's lips curled into a grin.

'Battle instinct, huh? Interesting! Come. Let me see how strong you are in battle instinct mode.'

Since Lian Xun was sure that Xiao Tian would not be able to defeat him, he didn't attack Xiao Tian or try to interrupt Xiao Tian.

No, he had never even attacked Xiao Tian since the beginning. All he did was only dodge or block Xiao Tian's attacks.

Lan Ruoxi shifted her gaze from her master to Xiao Tian.

'Oh! I forget about this! He still has battle instinct as his other trump card. But he still hasn't fully mastered it, so I wonder if he can injure master or not later.'

Lan Ruoxi knew that Xiao Tian still hadn't mastered the battle instinct fully.

"Thirty seconds left." Lian Xun stated.

Cold and warm energy suddenly gathered around Xiao Tian.

"Ten seconds left." Lian Xun uttered, "Nine...eight...seven...six."

As soon as Xiao Tian was in battle instinct mode, he instantly attacked Lian Xun.

'I can only maintain this for six seconds. I have to injure him in six seconds.'

Because Xiao Tian was in battle instinct mode, his attacks were faster than before.

He could follow Lian Xun's movements in less than a second. Every time Lian Xun avoided Xiao Tian's attack, he was welcomed by Xiao Tian's another attack.

If previously Lian Xun could still play around, this time he could not do that. Xiao Tian was using a real sword, so it could be fatal if Xiao Tian's attack pierced him.

Because Xiao Tian was in the battle instinct mode, he could attack Lian Xun more than twice in a second.

Even though Lian Xun was rained by Xiao Tian's attacks, he was still able to dodge Xiao Tian's attacks.

Sure, Xiao Tian's reflexes, speed, attacks and strength had increased significantly, but he was still a martial artist at the mid-level master stage, so Lian Xun still had the upper hand.

'His attacks are getting faster.'

Lian Xun was startled because Xiao Tian's attacks were getting faster and faster.

Cut, hang, point, thrust. Xiao Tian's attacks were like flowing water, attacking Lian Xun continuously. At this moment, Lian Xun's reflection could be seen in Xiao Tian's eyes, as if Lian Xun was the only one Xiao Tian saw.

"Five...Four..." as Lian Xun was dodging Xiao Tian's attack, he kept on counting. "Three...two..."

'You fail!'

Lian Xun added in his head.

Lan Ruoxi sighed helplessly because she knew Xiao Tian would fail to injure her master.

"One..." when Lian Xun was about to say the time was up, something unexpected happened.

Xiao Tian managed to hit him. Yes. Xiao Tian succeeded in hitting his left cheek.

Chapter 873 - I Will Help You Later

7-8 minutes

"One...Time is u-" when Lian Xun was about to say the time was up, something unexpected happened.

Xiao Tian managed to hit him!

Yes. Xiao Tian succeeded in hitting Lian Xun's left cheek.

Something that should not have happened actually happened.

*Silence...

The entire area turned into a dead silence.

The expression of deep shock blossomed on Lian Xun's face. He, a martial artist at the high-level grandmaster stage who had a lot of fighting experience, got hit by his junior; a junior who was still at the mid-level master stage.

Sure, Xiao Tian's attacks, reflexes, strength, and speed had increased significantly because he was in battle instinct mode, but still, he did not expect Xiao Tian to succeed in hitting him in the face.

He was already at the high-level grandmaster stage, so Xiao Tian's speed, reflexes, attack, or strength should be useless in front of him.

'How could this happen? I should be able to dodge or avoid all of his attacks because the gap between us is so big.'

It didn't make sense. With the help of battle instinct, Xiao Tian's speed, reflexes, attack, or strength should be in the category of the high-level master stage or, at most, low-level grandmaster stage.

He didn't want to admit it, but the evidence was sticking to his cheeks. Xiao Tian's left fist was still on his cheek.

'Did I underestimate him too much?'

Due to how shocked he was, Lian Xun forgot to say anything and only stared at Xiao Tian.

Currently, Xiao Tian was breathing heavily because fighting in the battle instinct mode consumed a lot of his stamina.

Like Lian Xun, Lan Ruoxi was also startled. She did not expect Xiao Tian to succeed in hitting her master on the cheek.

Previously, Lan Ruoxi was sure that Xiao Tian would not be able to land an attack on her master's body because the gap between Xiao Tian and her master was like heaven and earth.

'As expected of genius, he is really something!'

Lan Ruoxi's lips curled into a seductive smile.

Unlike Lan Ruoxi and Lian Xun, who were surprised, Xiao Tian wore a sad expression.

'I failed.'

Xiao Tian sighed in helplessness before sitting on the ground.

Battle instinct had consumed his stamina greatly, so he was in a weak state now. He even could not keep standing.

At this moment, Xiao Tian was still unaware that he had done something impossible. He was tired so he didn't see their expressions.

'Well, it can't be helped because he is a martial artist at the grandmaster stage. If I were a martial artist at the high-level master stage, I'm sure the results would be different. Forget it, forget it.'

Even though Xiao Tian said that in his head, but he was still sad.

His effort to reach Lian Xun's house were tough, such as driving for more than two hours, the road full of potholes until walking under the hot weather for several hundred meters.

Lan Ruoxi walked towards Xiao Tian and helped him up. "Little guy, you are amazing! You even managed to hit him."

Lan Ruoxi praised Xiao Tian as she smiled gently. She did not expect that Xiao Tian was stronger than before.

"What is the use of that? I still fail, you know?" Xiao Tian answered before sighing, "I only managed to hit him on the cheek, not injury him."

"It's because you don't know anything about him. If anyone saw your fight earlier, they would have praised you by now. That's why I said you are amazing." Lan Ruoxi was sure about it because her master was pretty famous.

'Master, hurry up and say you will help him.'

Lan Ruoxi said to Lian Xun through her gaze.

When Lian Xun noticed Lan Ruoxi's gaze, he gave cough before saying something to Xiao Tian. "Cough. Even though you failed to injury me, but you still managed to hit my face earlier. For this reason, I decided to make a word for you."

"Mmmm?" Lian Xun's words much surprised Xiao Tian.

Because he failed to injury Lian Xun, he thought Lian Xun would tell him to leave because it was their agreement earlier.

"You are lucky, little guy." Lan Ruoxi uttered.

'Well, he will still help you even though you fail to injury him because he has promised me before.'

Lan Ruoxi added in her head.

"But you have to do something for me in exchange." Of course, Lian Xun would not help Xiao Tian for free because it would be unfair for him.

"Sure? What is it?" Xiao Tian was not surprised with Lian Xun's words because he knew nothing was free in this world. "Do you want a woman? Or perhaps, do you want money?"

"Hmph! I'm not like you. I don't need a woman or your money." Lian Xun spoke and paused for a second before he continued, "I want you to sweep the yard, water the plants, and help me make that sword later."

"Sure. I can do that." after saying that, Xiao Tian took his smartphone.

"What are you doing?" Lian Xun asked curiously.

"Calling maid service to sweep the yard and water the plants." Xiao Tian gave an honest answer.

"No. I want you to do that." of course, Lian Xun would not let Xiao Tian call the maid service.

"Why?" Xiao Tian inquired, "Don't you want someone sweeping your yard and watering the plants?"

"Because I want you to do that." Lian Xun repeated his words.

"No way!" Xiao Tian refused instantly. "Why should I do that when I can pay people to do that?"

Xiao Tian was the young master of a wealthy family in his past life, so he didn't want to do that. in his view, it would ruin his good image if he did something like that.

"If you don't want to do that, then forget it." Lian Xun answered, "I won't make a sword for you."

"Hey! Why are you doing this to me?" Xiao Tian inquired, "Wouldn't the result be the same? You just want someone to sweep your yard and water your plants, right? So it shouldn't matter who does it."

"No! I want you to do that." Lian Xun was firm in his stance.

Xiao Tian didn't say anything.

'Damn! This old man is so annoying! What a troublesome old man!'

Xiao Tian cursed in his heart.

"So, how is it?" Lian Xun inquired,

Like before, Xiao Tian still didn't say anything.

"Little guy, just accept it." Lan Ruoxi said abruptly. "I will help you later."

Xiao Tian turned his head towards Lan Ruoxi.

"Really?" Xiao Tian was startled by her words.

"Yes." Lan Ruoxi replied as she nodded her head.

Xiao Tian then turned his head towards Lian Xun and spoke, "I agree with your condition."

At first, he would not do that no matter what because it would look like he was Lian Xun's servant, but he changed his mind when he found out that Lan Ruoxi would help him later.

Sure, sweeping the yard and watering the plants was troublesome, but if he was accompanied by a beautiful mature lady like Lan Ruoxi, it was not a bad idea too.

Lian Xun could only sigh after seeing Xiao Tian's behavior.

'Someday, his behavior can be a boomerang for him.'

In his view, liking a woman too much was a bad idea.

Chapter 874 - What Is Her Name?

6-8 minutes

"Oh, right. I have one more question for you." Lian Xun wanted to know what had happened to the Moon Sword Martial Art School.

"What is it?" at this moment, Xiao Tian thought Lian Xun would ask something related to the sword, like why he wanted a sword that could be lengthened or shortened.

"Who is your master?" Lian Xun inquired. "And can you tell me what had happened to your martial arts school?"

Because Xiao Tian was a disciple of the Moon Sword Martial Arts school, he wanted to know the person who taught Xiao Tian's martial arts and the details about what happened to his martial arts school.

"His name is Lin Feng." Like what Xiao Tian said when Zhao Chen asked the same question, Xiao Tian told Lian Xun who his master was.

Lin Feng was one of the most important people for Xiao Tian, so he would not lie no matter what.

"Lin Feng?" Lian Xun was sure that there was no martial arts expert named Lin Feng in the Moon Sword Martial Arts School. "Are you sure?"

"Well, elder Zhao said my master was using a fake name." Xiao Tian knew what Lian Xun had in mind because Lian Xun wore the same expression as Zhao Chen when he told Zhao Sheng who his master was.

"Can you let me meet him?" Lian Xun was sure that Xiao Tian's master was using a fake name, so he wanted to meet Xiao Tian's teacher.

"Sorry, I can't do that." Xiao Tian answered as he shook his head. "He is not in this world."

Because it was impossible for him to tell Lian Xun that he was not from this world, he said that his master was not in this world.

"Ah, I see." At this moment, Lian Xun misunderstood Xiao Tian's words. He thought Xiao Tian's master had passed away. "Are you the last disciple?"

"No." Xiao Tian answered as he shook his head. "I have one junior disciple. His name is Ren Aoxu. Oh! There was a rumor that someone saw a disciple of my martial arts school in Fuku city a few days ago, but I couldn't find her, so I stopped looking for her."

"I see." Lian Xun was startled when he learned the truth.

'I didn't expect there would be two disciples from that school. There seems to be more than one survivor.'

Upon hearing Xiao Tian's words, Lian Xun suspected there were still several disciples of the Moon Sword Martial Arts School, but they were currently hiding somewhere.

Somewhere near the park.

Next to the abandoned house, two women were staring at each other; an old woman and a young lady.

The old woman was lying on the ground with a body covered in blood. Head, arms, legs, stomach. Almost every part of the old woman's body was bleeding.

In front of the old woman, a sexy young lady was standing with a sword in her right hand. Unlike the old woman, who was covered in blood, the young woman was completely fine.

These people were none other than Shi Fei and Yu Shi.

Previously, Bi Yu informed Shi Fei that Yu Shi wanted to kill Xiao Tian. Because Yu Shi was a martial artist at the grandmaster stage, Shi Fei knew that Xiao Tian would not be able to defeat Yu Shi.

The gap between a mid-level master stage and the low-level grandmaster stage was like heaven and earth.

For this reason, Shi Fei decided to find Yu Shi. "Old woman, if your disciple were not a good friend of my lover, I would have killed you."

Shi Fei's cold voice echoed. She was furious when she knew that a senior martial artist wanted to bully junior. Shi Fei was sure if Xiao Tian were the same age as Yu Shi, he would definitely be able to beat Yu Shi as easily as turning a hand.

Yu Shi, who was lying on the ground, kept staring at Shi Fei.

'how could this be?'

Yu Shi didn't expect that Shi Fei was Xiao Tian's girlfriend.

Of course, she knew who Shi Fei was because Shi Fei was well-known when Shi Fei was still the leader of the Blue Ice Lotus gang.

Previously, Yu Shi was startled when Shi Fei suddenly appeared before her. And what surprised her the most was that Shi Fei instantly attacked her without explaining anything.

She didn't expect that the famous Devil Queen, Shi Fei, would become the lover of an unimportant person.

'Just what is so great about Xiao Tian?'

Yu Shi suddenly wanted to know what was great about Xiao Tian or why he had so much luck.

First, her disciple decided to fight her for the sake of protecting Xiao Tian. Second, Xiao Tian had a good relationship with Lan Ruoxi.

And what surprised her most was that Shi Fei was his lover. Shi Fei, a young woman who many young men from wealthy families desired, chose to be Xiao Tian's lover.

'Just what did he do in his past life? Did he do a good deed? How can one have so much luck?'

Countless questions appeared in Yu Shi's mind.

"I will let you go this time, but if you still try to kill my lover, I will kill all people related to you." after saying that, Shi Fei turned around and walked, "Remember my words if you don't want to die."

Five minutes after Shi Fei left, Crystal arrived. Her expression turned worried when she saw her master's condition. "Master, what happened to you?"

At this moment, Yu Shi was still sitting on the ground. When she heard her disciple's voice, she looked at Crystal. "Oh! It's you, Crystal."

"Master, who did this to you?" Crystal wanted to know the person who defeated her master.

Her master was a martial artist at the grandmaster stage, so not everyone could beat her.

After sighing, Yu Shi gave an honest answer. "It's the Devil Queen. She was the one who beat me. Sigh. She was ruthless. She even kept beating an old woman like me."

"Devil Queen? Why did she beat you?" Crystal was sure that her master had never caused trouble to Devil Queen, so she wanted to know the reason why the Devil Queen beat her master.

"Because she is Xiao Tian's lover. She instantly beat me when she found out I wanted to kill her lover." Yu Shi gave an honest answer.

"What?" Crystal was startled by her master's words. "Who is she? What is her name?"

She didn't expect that the famous Devil Queen was Xiao Tian's girlfriend. However, she remembered that Xiao Tian had three girlfriends, so she wanted to know who the Devil Queen was.

'Does that mean I have met the Devil Queen before? But who is she?'

All this time, she only heard about Shi Fei's legend from her master or someone else.

"What do you mean by that?" Yu Shi still had no idea that Xiao Tian had more than one girlfriend. "She is his lover."

"I mean, Xiao Tian has three girlfriends right now, so I don't know the person you are talking about." Crystal explained the reason why she didn't get Yu Shi's words.

"What? Three women?!" Yu Shi said in surprise.

Chapter 875 - Buying A Motorbike

7-8 minutes

"What? Really?" Yu Shi said in surprise. "You are not lying to me, right?"

Sure, there were some people who had more than one lover. However, these people were usually from upper class families or had strong influence.

And Yu Shi knew that Xiao Tian was not in these categories. Xiao Tian was just a young man who was on the rise in business and still had not raised his family status to an upper-class family.

So in her view, it was almost impossible for a grown woman to want to be his mistress because mature women had to think about their future, unlike young women.

A grown woman would not want to be the mistress of a man if the man was not rich or had no influence. They were different from when they were still in school.

"I'm not lying." Crystal replied as she shook her head. "I have met his women before. They introduced themselves as his girlfriends to me."

When Crystal stayed in Xiao Tian's apartment, Lin Xing Xue and Liu Ning introduced themselves as Xiao Tian's women.

And when she was being treated at the clinic after getting out of the forest, Shi Fei also introduced herself as his lover.

That was why Crystal knew that Xiao Tian had three girlfriends. But she still had no idea that Xiao Tian had five women.

Yu Shi found it hard to believe what she was hearing. Because of how skilled she was in martial arts, Shi Fei became one of the most desirable women in Shanghai.

Not only was she skilled in martial arts, she even had many underlings. Rumor stated that Shi Fei had two hundred underlings.

Another rumor said that she had three hundred underlings. Because she had so many underlings, no one knew the exact number of her underlings.

Yu Shi didn't expect that the famous Devil Queen would become the lover of unknown and unimportant young man like Xiao Tian.

And what surprised her most was that Shi Fei's lover had more than one girlfriend. Yu Shi did not expect that the Devil Queen would accept her lover's polygamous relationship.

After sighing, Yu Shi uttered, "Sigh. The world has gone crazy now."

"So, what does the Devil Queen look like?" Crystal repeated her question.

"She is..." Yu Shi began to describe Shi Fei's appearance.

"Shi Fei?" from Yu Shi's words, Crystal was sure that her master described Shi Fei's appearance.

"Shi Fei?" Yu Shi believed that the Devil Queen's real name was not Shi Fei.

'Is that her current name?'

Yu Shi believed that the Devil Queen had many names in the past, so she was not sure whether Shi Fei was the real name of the Devil Queen or not.

"Forget her for now. Let's go to my apartment. We need to treat your injuries first." After saying that, Crystal helped her master up.

Then they traveled to Crystal's apartment.

"Young lady, what do you think about this motorcycle?" Xiao Tian was standing in front of BMW R1200GS.

Currently, Xiao Tian and Lan Ruoxi were in the motorcycle showroom. Because Xiao Tian didn't want to walk to reach Lian Xun's house, he decided to buy a motorbike.

Xiao Tian also had the intention to buy a motorcycle in the past. That was why he immediately dragged Lan Ruoxi to the motorcycle showroom.

"Hmm?" Lan Ruoxi touched her chin. "I think this motorcycle is not bad."

"Good. then I will buy it." Xiao Tian stated.

After he finished doing the procedure, Xiao Tian got on the motorcycle and spoke, "Young lady, get on."

Previously, Xiao Tian and Lan Ruoxi went to the showroom by taxi. After leaving Lian Xun's house, Xiao Tian placed his car at his home.

Without waiting for another second, Lan Ruoxi got on the motorbike. "You seem so happy."

"Of course." Xiao Tian answered, "Let's go on a date."

"Sure. But let's buy a helmet first." It was not safe to ride a motorbike without wearing a helmet. That was why Lan Ruoxi wanted them to buy helmets first.

Coincidentally, there was a helmet shop near the showroom. After buying it, Xiao Tian and Lan Ruoxi got on the motorbike.

"Why don't you start the engine?" Lan Ruoxi inquired.

However, instead of starting the engine, Xiao Tian grabbed Lan Ruoxi's hands and placed them on his waist.

Lan Ruoxi could not help but giggle when Xiao Tian did that. "So, this is your intention, huh?"

"Hehe." Xiao Tian didn't deny it and only chuckled. "Hold on tight, young lady."

Because it was the first time he had a motorcycle date in his second life, he took her to many places, like Rainbow Garden, Shanghai Aquarium, a famous park, and many others.

When it was already 05:15 pm, Xiao Tian sent her home. At first, he wanted to talk to her, but he changed his mind and went straight home.

"Eh! Little brother, did you buy a motorcycle?" Shi Fei inquired.

Currently, Xiao Tian and Shi Fei were in the front yard. She was startled when she saw Xiao Tian riding a motorbike.

"Yes." Xiao Tian got off the motorcycle. "Let's have a motorbike date next time."

"Good idea!" Shi Fei suddenly wanted them to have a motorbike date immediately because they had never done it before. Every time they went on a date, they always used a car.

"Come here, my sexy lover." Xiao Tian said as he spread his arms, giving her a sign to hug him.

Without waiting for another second, Shi Fei ran towards him, and when she was near him, she jumped into his arms. "Hehe."

Because Xiao Tian wanted Shi Fei to kiss him, he immediately lifted his head and pouted his lips.

Shi Fei, who knew what he had in mind, instantly cupped Xiao Tian's face before pressing her lips against his.

"Hehehe." Shi Fei and Xiao Tian laughed happily after breaking the kiss.

Without putting her down, Xiao Tian entered his house. "Is my sexy lover having a good day today?"

"No." Shi Fei answered as she shook her head. "Because I could not spend time with you earlier. You even didn't come to the company today."

"I will explain everything later." Xiao Tian also felt bad because he always made Shi Fei handle everything.

"Good." Shi Fei spoke happily. "By the way, why did you buy BMW R1200GS? Why don't you buy a sport motorbike?"

"Because it's hard to lovey-dovey on the sport motorcycle." At first, Xiao Tian also wanted to buy a sport motorbike, but he changed his mind when he remembered the reason why he wanted to buy a motorcycle.

"But little brother, we can't have sex if we go on a motorbike date." Shi Fei stated.

Having a motorcycle date was different from having a car date. If they used a car, they could have sex inside the car, but they could not do that if they had a motorbike date because other people would see them later.

"It seems like my sexy lover has really turned into a pervert." Xiao Tian spoke as he smiled.

"Because I love having sex with you." Shi Fei said with a straight face.

"I also love having sex with you." Xiao Tian replied.

"How about we have sex tonight?" Shi Fei inquired.

"Sure." Xiao Tian answered without a second thought.

Chapter 876 - Your Father Is Good At Driving A Car

7-8 minutes

After they entered the house, Xiao Tian brought Shi Fei to his room.

At first, he wanted to head to the family room and spend time there like usual, but he changed his mind when he remembered that they had not taken a shower yet.

After taking off his clothes, Xiao Tian immediately removed Shi Fei's clothes. Since they had promised to have sex later, they didn't do it in the bathroom.

They only took a bath before heading to the family room. At this moment, Liu Ning and the others still had not arrived home.

They went somewhere after work. They went to many places together. At first, they invited Shi Fei to go with them, but Shi Fei refused because she was tired and wanted to relax at home.

"The movie is good." Xiao Tian stated.

Currently, Xiao Tian and Shi Fei were sitting on the couch side by side.

However, it only lasted for a minute before Shi Fei finally sat between his legs with her back facing him. "Yes. It's good."

As usual, Xiao Tian instantly wrapped his arms around her waist before kissing her hair. Shi Fei and Xiao Tian watched TV until 09:40 pm before finally going to her bedroom.

Like what they agreed before, they immediately had sex after entering her room. Because Liu Ning and the others still had not returned home, Shi Fei wailed loudly.

She was even wilder than usual, and her words were more vulgar too. Of course, Xiao Tian let her do whatever she wanted because it would make their hot moment spicier.

Xiao Tian and Shi Fei had sex for about two hours before finally, they stopped. As usual, they were still naked.

That night, they watched TV in her room for several minutes before finally, they slept.

The following morning, Xiao Tian went to Star Clothes company after having breakfast with his women.

Since he would go to Lian Xun's house again later, he decided to come to his company earlier than usual. He arrived at the company at 06:40 am and went straight to work.

The security guards were even startled when they saw Xiao Tian. It had been more than a year since Xiao Tian came to the company so early like that.

Time went by quickly, and without realizing it, it was already 08:30 am. Without waiting for another second, Xiao Tian traveled to the Red Flower Bar to pick up Lan Ruoxi.

"Lady Lan, I have arrived at your bar." Xiao Tian, who was calling Lan Ruoxi, uttered, "I'm waiting in front of your bar right now."

"All right. Wait a second." After saying that, Lan Ruoxi hang up the phone.

After changing her clothes, Lan Ruoxi walked out of her room. Currently, she was wearing black jeans and a white jacket.

At first, she only wore black jeans and a blue T-shirt, but when she remembered that they would go to Lian Xun's house using a motorbike, she decided to wear a jacket.

When Xiao Tian saw Lan Ruoxi, he instantly got off the motorcycle.

His action surprised Lan Ruoxi a little. "Why did you get off the motorbike?"

"Because I want you to be the rider." When he went on a motorcycle date with her yesterday, she was the pillion passenger, so it was his turn now.

'With this, I can keep hugging her later.'

Xiao Tian could not help but smile when he imagined what would happen later.

"So, you want to take advantage of the situation, huh?" of course, Lan Ruoxi knew what he had in mind.

"Of course. Ehm, I mean, I'm tired now." Xiao Tian made an excuse. "It would be dangerous if I were the rider."

Lan Ruoxi covered her mouth and giggled. Of course, she knew that he was lying to her.

'What a pervert, young man! Hehe. Wait!'

Lan Ruoxi suddenly got an excellent idea to punish him.

'I will use that idea.'

Lan Ruoxi's lips curled into a smirk.

With that idea in mind, Lan Ruoxi got on the motorcycle and spoke, "Get on."

Xiao Tian got on the motorbike with a smile on his face. He was pleased because his plan went smoothly.

'Hehe.'

Without waiting for another second, Xiao Tian wrapped his arms around Lan Ruoxi's slender waist.

Lan Ruoxi instantly lowered her head to look at Xiao Tian's hands.

'I will let you happy for now.'

Shen then turned on the engine and began riding the motorcycle.

The smile on Xiao Tian's face grew bigger. However, it only lasted for five minutes because Lan Ruoxi suddenly sped up the motorbike.

'Holy Hell!'

The smile on his face froze instantly.

Because Lan Ruoxi rode the motorbike so fast, Xiao Tian's face turned worried. "Lady Lan, can you slow down the motorbike? I don't want to die because I still have a lot of things I want to achieve."

There were many cars and motorbikes on the road, so it was very dangerous to do that. At this moment, the memory of his past life suddenly appeared in his mind.

"Haha. Son, don't worry. Your father is good at driving a car." His past life father stated.

"Young master Xiao, don't worry. I'm good at riding a motorbike." Lan Ruoxi uttered,

Xiao Tian was even more worried after hearing her words.

'Please don't raise the death flag, lady Lan. I'm still twenty years old now.'

Xiao Tian shouted in his head.

What Lan Ruoxi said was the same as what his father said. And what scared him the most was that he died at the age of twenty in his past life.

Everything was similar. Lan Ruoxi said the same words as his father said, and he was also twenty years old now, the age at which he died in his past life.

Because Lan Ruoxi didn't slow down the motorbike, Xiao Tian cursed again.

'Damn it! Fuck! If she doesn't slow down the motorbike, I will die again later. I don't want to die again because my current life is amazing.'

Xiao Tian kept cursing in his head.

'Damn! There are many cars and motorbikes, and she still dares to ride the motorcycle so fast like this.'

Xiao Tian didn't know that Lan Ruoxi was a woman like that.

Lan Ruoxi could not help but giggle after hearing his words.

'Hehe. It's so fun. This is your punishment for always wanting to take advantage of the situation.'

Lan Ruoxi was pleased.

"Lady Lan, if you don't slow down, I will squeeze your breasts now!" Xiao Tian had no choice but to threaten Lan Ruoxi because he didn't want to die again.

He didn't want to leave this world yet because his predecessor's dream still had not come true. And he also didn't want to leave his women because he loved them so much.

Of course, Xiao Tian knew that he was behaving like a loser, but in his view, he did the right thing. Speeding on the road full of cars and motorbikes was stupid.

'Shit! I will punish her later. I will kiss her passionately and won't stop until I'm satisfied.'

Xiao Tian decided to punish Lan Ruoxi after they arrived at Lian Xun's house. Sure, Lan Ruoxi was stronger than him, but he did not care about it.

Whatever happened, he had to punish Lan Ruoxi or else, she would keep doing that later.

"Hehe." Lan Ruoxi kept giggling.

Chapter 877 - What You Did Earlier Was Dangerous

6-7 minutes

"Lady Lan, if you don't slow down, I will squeeze your breasts right now." Xiao Tian had no choice but to threaten Lan Ruoxi because he didn't want to die again.

Lan Ruoxi found it hard to believe what she was hearing. She thought Xiao Tian would keep begging her to slow down, but she was wrong.

Not only did he not do that, he even threatened her. This made Lan Ruoxi want to punish him again, so she drove the motorbike faster.

Because Lan Ruoxi ignored his words, Xiao Tian decided to squeeze her breasts.

'It's soft and feels good.'

Even though Lan Ruoxi was wearing a jacket, but he was still able to feel the softness of her breasts because she was not wearing a leather jacket.

'No, no, no.'

Xiao Tian shook his head.

He suddenly remembered that he had to make Lan Ruoxi slow down the motorbike. Sure, it felt good squeezing Lan Ruoxi's breasts, but there was something more important than that.

And that was to avoid accidents!

"I have to make her stop the motorbike or slow it down."

At this moment, Xiao Tian forgot that he put them in an even more dangerous situation.

"Ahhh..." Lan Ruoxi let out a seductive moan. "Young master Xiao, what are you doing?"

'I didn't expect he would actually squeeze my breasts.'

Lan Ruoxi thought Xiao Tian was only joking around, but now she finally understood that he was serious when he said he would squeeze her breasts if she didn't slow down the motorbike.

"Lady Lan, stop now! Let me become the rider, or else I will keep squeezing your breasts." Xiao Tian threatened her again, hoping that Lan Ruoxi would stop the motorbike immediately.

Because Lan Ruoxi knew that Xiao Tian was not joking around, she decided to stop the motorbike. It would be dangerous if he kept squeezing her breasts because she could lose control of herself later.

Xiao Tian let out a sigh of relief when Lan Ruoxi stopped the motorbike.

'Luckily, I don't die again.'

Because Lan Ruoxi had stopped the motorcycle, he no longer squeezed her breasts.

"Alright, you can be a pillion passenger now." after saying that, Xiao Tian got off the motorcycle.

"Hehe." At this moment, Lan Ruoxi was still sitting on the motorcycle.

Xiao Tian didn't ask her to get off the motorcycle, but he just put her in the passenger seat before getting on the motorbike.

"Young master Xiao, you look so cute right now." Lan Ruoxi teased Xiao Tian.

'I finally know one of his weaknesses.'

Lan Ruoxi was pleased because, with this, she could tease him again in the future.

Like what he did yesterday, Xiao Tian grabbed Lan Ruoxi's hands and placed them on his waist. "Hold on to me."

At this moment, Lan Ruoxi suddenly did something unexpected. She moved her hands and placed them on Xiao Tian's chest. "Too bad you don't have breasts like me."

The corner of Xiao Tian's lips twitched after hearing her remarks. "I'm a male, so my breasts are flat."

Unlike Lan Ruoxi, Xiao Tian rode the motorcycle at normal speed. Actually, he wanted to ride it slow because he was with a gorgeous lady, but he changed his mind.

"Lady Lan, this is how to ride a motorcycle, unlike what you did before." Xiao Tian uttered, "What you did earlier was dangerous."

"Yes, yes. Hehe." Lan Ruoxi giggled, "I didn't expect you to be so scared like that."

"Because I don't want to die." Xiao Tian replied.

'There are still many things I want to do in this world, so I don't want to reincarnate again.'

Xiao Tian added in his head.

Lan Ruoxi finally understood the reason why Xiao Tian never drove his car fast.

'Usually, young people like to speed on the highway. I didn't expect him to be different from most young people.'

Lan Ruoxi said in her head.

"Doesn't it feel good to ride a motorbike at this speed?" Xiao Tian uttered, "We can enjoy the beautiful scenery and avoid accidents too."

"I'm sure you said something like that because you were with a gorgeous lady, right?" Lan Ruoxi was not embarrassed when she referred to herself as a beautiful lady because she knew she was pretty.

"You are right." Xiao Tian didn't deny her words.

After two hours, they finally arrived at Lian Xun's house.

"Oh! You have arrived?!" Lian Xun said when he saw Xiao Tian and Lan Ruoxi.

'Did he buy a new motorcycle?'

He was startled when he saw Xiao Tian's motorbike.

'Damn! Rich people always waste their money!'

He knew that Xiao Tian had a lot of money now because Xiao Tian's company was quite famous.

"All right, you can start sweeping my yard now." Lian Xun uttered, "After that, water all my plants."

Xiao Tian was unhappy when Lian Xun was treating him like a slave. For this reason, he just stood there looking at Lian Xun.

When Xiao Tian was about to protest to Lian Xun, Lan Ruoxi hugged his right arm and dragged him away from Lian Xun.

She knew that Xiao Tian would fight with Lian Xun again if she did nothing, "Let's sweep the yard first."

Xiao Tian sighed before answering, "All right."

"Do your job well. I will make your sword now." After saying that, Lian Xun headed to his backyard.

After sweeping the yard for more than twenty minutes, Xiao Tian and Lan Ruoxi finally finished.

"Let's get a bucket and water the plants." Lan Ruoxi spoke abruptly.

"Lady Lan, why don't we rest for a bit?" Even though Xiao Tian was not tired, he did not want to water the plants immediately.

"Alright. But let's take a break at the waterfall." In her view, it was better for them to take a break at the waterfall because they could play with water later.

Upon hearing her words, Xiao Tian rose to his feet and uttered, "Let's go to the waterfall now."

Xiao Tian agreed with Lan Ruoxi's idea. After taking four buckets, they headed to the waterfall.

Chapter 878 - Lady Lan, I Challenge You To A Duel Right Here Right Now

6-8 minutes

"As I thought, the scenery here is breathtaking, and the air is also fresh." Xiao Tian spoke abruptly.

"What an amazing place! I really like this place."

Xiao Tian and Lan Ruoxi were currently sitting on a large flat rock with their feet in the water. A soft smile could be seen on their faces as they enjoyed the beautiful scenery in front of them.

"You are right. The atmosphere here can really make anyone feel calm. I also like this place." After saying that, Lan Ruoxi tilted her head back before closing her eyes.

*Inhale....

Lan Ruoxi took a deep breath and slowly exhaled it.

*Click...

The sound of someone taking a picture could be heard in her ears.

Lan Ruoxi instantly opened her eyes and looked at Xiao Tian. "Young master Xiao, did you just take a picture of me?"

"Yes. Lady Lan, you look so gorgeous in this picture." After saying that, Xiao Tian showed her the picture of her.

Because Lan Ruoxi was a pretty woman, the result was amazing; she looked like an angel who relaxed in the waterfall.

"You like taking pictures of other people, huh?" Lan Ruoxi didn't ask him to delete the picture. "Why don't you take a picture of yourself?"

"That's what I want to do now." After saying that, Xiao Tian placed his right arm around Lan Ruoxi's waist before pulling her closer to him.

*Click...

The sound of the camera could be heard in their ears.

Because Lan Ruoxi didn't look at the camera, Xiao Tian wanted to take another picture. "Lady Lan, look at the camera."

Lan Ruoxi shifted her gaze from Xiao Tian's right arm to the camera. And as if Lan Ruoxi wanted to dazzle Xiao Tian with her smile, she immediately showed her charming smile.

"As expected of a gorgeous lady, your smile is so dazzling." Xiao Tian zoomed in on Lan Ruoxi's photo until only the image of Lan Ruoxi's face was left on the screen of his smartphone.

When Lan Ruoxi noticed that Xiao Tian's right arm was still on her waist, she immediately spoke, "Young master Xiao, you have taken a picture of us, so why are you still embracing me?"

Instead of removing his right arm from her waist, Xiao Tian embraced her tighter. "What's wrong with hugging my future lover? Isn't that a normal thing?"

"But we are not a couple now." after saying that, Lan Ruoxi pinched Xiao Tian's right hand hard, causing him to remove her right arm from her waist.

"Sigh." Xiao Tian sighed, "You want to say that I'm weak, right?"

'I blame my predecessor for this.'

Because he didn't want to blame himself, he decided to blame his predecessor.

Actually, he realized that he often wasted time taking care of his companies and making out with his women. He was sure that if he only focused on martial arts, he would have been much stronger now.

'Well, it can't be helped because my predecessor desired to be a successful young man, and my inner self wanted to spend time with my girlfriends.'

Like before, he made an excuse again.

"That right. You are..." Lan Ruoxi stopped her words and whispered in his ears. "...weak."

The corner of Xiao Tian's lips twitched after hearing her words. "Lady Lan, I challenge you to a duel right here right now."

"Oh!" Lan Ruoxi was startled by his words. "Sure. Let's fight now."

'I just wanted to tease him, but I didn't expect him to challenge me instantly. It seems like my words hurt his pride.'

Actually, Lan Ruoxi said these cruel words on purpose because she wanted him to focus on training martial arts.

Xiao Tian was a genius martial artist and could reach the mid-level master stage in just two years, so Lan Ruoxi wanted to give him motivation.

It would be a pity if he didn't use his talent to the fullest because it was rare for a martial artist to have talent like him.

"Good! But I want you not to use your hands and feet." Xiao Tian knew that he was talking nonsense, but he didn't care.

Lan Ruoxi could not help but laugh after hearing his words. "Hahaha. You want me not to use my hands and feet?!"

"Yes." Xiao Tian answered without feeling shy.

"Hahaha." Lan Ruoxi could not hold back her laughter. "Why don't you just tie me up and put me in your bed instead? Wouldn't that be much easier?"

"Oh! That's a brilliant idea." Xiao Tian stated. "Wait here. Let me find something that can be used to tie you up."

When Xiao Tian saw a plant that could be used to bind Lan Ruoxi's hands and feet, he immediately took it.

Sure, he knew that Lan Ruoxi would be able to free herself later if he tied her hands and feet with a plant, but he didn't mind because he didn't intend to tie her up with something hard.

When Lan Ruoxi saw the plant in Xiao Tian's hands, she uttered, "Young master Xiao, are you sure you want to tie me up using that plant?"

"Yes." Xiao Tian answered as he nodded his head.

Actually, Lan Ruoxi had guessed that Xiao Tian was not serious when he said he wanted to tie her up.

When Xiao Tian was tying her hands, Lan Ruoxi did nothing and only looked at her hands. "Now that you have tied up my hands, what are you going to do next?"

"I'm going to eat you now!" after saying that, Xiao Tian made a claw hand and opened his mouth as if he was a beast, which was about to eat its prey.

Instead of feeling afraid, Lan Ruoxi laughed. "Hahaha."

Xiao Tian instantly laughed too. "Haha."

They laughed together.

When Xiao Tian saw the fish in the water, he uttered, "Lady Lan, do you want to eat grilled fish?"

"Fish?" Lan Ruoxi was startled by his words.

"Yes." Xiao Tian replied as he nodded his head. "There is a lot of fish here. If you want, I'll catch some fish, and we can eat grilled fish later."

"Sure." Lan Ruoxi thought eating fish was not a bad idea.

"Wait here. I will take the fishing net first." After saying that, Xiao Tian left.

Previously, he saw a fishing net in the backyard. That was why he wanted to take it. The fishing net was about thirty centimeters long, and even though the net was not big, Xiao Tian was already satisfied.

After grabbing the fishing net, Xiao Tian returned to the waterfall. "I have got the fishing net."

Because Xiao Tian didn't want his jeans to get wet, he decided to take off his jeans. Even though Lan Ruoxi was in front of him, he didn't care about it because he was not a shy person.

"Why did you take off your jeans?" Lan Ruoxi was startled when Xiao Tian suddenly took off his jeans.

"I don't want my jeans to get wet." Xiao Tian gave an honest answer.

Currently, Xiao Tian was wearing a T-shirt and shorts. At this moment, Lan Ruoxi shifted her gaze from Xiao Tian's face to his shorts.

'It's big!'

Lan Ruoxi could not help but check his little brother, which was hidden underneath his shorts.

Chapter 879 - Yu Shi And Crystal Went To Xiao Tian's Company

7-8 minutes

Currently, Xiao Tian was trying to catch fish in the water. Because he was using a fishing net, it was not difficult for him to catch fish.

Even though the fish had good instincts, but his movements were fast. He was able to catch the fish before the fish could run away.

Xiao Tian decided to catch six big fish before he stopped. In his view, there was no point in catching a lot of fish because they would go home soon.

After that, they began roasting the fish. At this moment, Xiao Tian suddenly remembered Crystal. He remembered the time when they were living in the forest.

At that time, they also grilled fish at the waterfall. That beautiful memory was clearly visible in his mind.

"Young master Xiao, why don't you wear your jeans?" Lan Ruoxi inquired, "Don't tell me. You want to show off your huge little brother. Hehe."

"Lady Lan, you have seen me naked before, so I think it's fine to wear shorts in front of you." when he traveled to Beijing with Lan Ruoxi, something went wrong when he was teasing her, causing her to see his naked body.

"Oh! I forgot about it." Lan Ruoxi suddenly recalled it.

'At that time, his little brother was huge. I wonder about it now.'

She added in her mind.

"Oh! Do you want me to show it again?" Xiao Tian asked jokingly.

"Sure." Lan Ruoxi would not refuse if Xiao Tian wanted to show it again.

"But you have to be my lover after that." Xiao Tian tried to take advantage of the situation.

Actually, Lan Ruoxi had guessed that Xiao Tian would say that. "Sure. But you have to beat me in fig-"

Before Lan Ruoxi had finished her words, she was interrupted by Xiao Tian. "You want me to beat you in a fight first, right? It's unfair to me because you trained in martial arts much earlier than me. You know I started practicing martial arts two years ago, right?"

"Sure. I will give you a different condition this time." Lan Ruoxi replied, "But only for today."

"Oh! What is it?" Xiao Tian asked happily.

'It seems like she will fall into my embrace today.'

Xiao Tian was sure he could do anything other than beat her in a fight.

Lan Ruoxi pointed her right index finger at the water and spoke, "If you could walk on water, I would be your lover today."

The corner of Xiao Tian's lips twitched after hearing her words.

'Holy hell! She wants me to walk on water?! Are you kidding me?'

At this moment, Xiao Tian finally knew that Lan Ruoxi was giving him false hope.

"Lady Lan, you know this is the real world, right?" Xiao Tian uttered, "Something like that only happens in movies. There is no way a human can walk on water in the real world."

"I know." Lan Ruoxi almost laughed when she saw the expression on his face.

'Cute!'

She added in her head.

When the fish was already cooked, he gave one of the fish to Lan Ruoxi, "Here."

Lan Ruoxi took the fish and spoke, "Thank you."

After consuming the fish, Xiao Tian and Lan Ruoxi continued talking. They talked for a few minutes before they finally watered the plants.

Because Xiao Tian and Lan Ruoxi had something important to do, they left after finishing their task.

Crystal's Apartment, Living Room.

"Master, why do you want to meet Xiao Tian?" Crystal was startled when her master said she wanted to meet Xiao Tian. "What if the Devil Queen did something bad to you again? You can get killed, you know?"

"I have no bad intentions this time." Of course, Yu Shi knew what would happen to her if she still wanted to kill Xiao Tian.

"Then why do you want to meet him?" Crystal repeated her question.

"To make sure he won't reveal your identity." Yu Shi gave an honest answer.

"How are you going to do that?" Crystal asked curiously.

Since violence was not an option to ensure Xiao Tian didn't reveal her identity, she wanted to know her master's plan.

Yu Shi didn't answer Crystal's question and walked out of her apartment.

"Master, wait. I will go with you." Crystal didn't want something bad to happen to Xiao Tian or her master, so she decided to follow Yu Shi.

Then Yu Shi and Crystal went to Red Flower bar. They didn't enter Lan Ruoxi's bar and only waited in the front yard. Because of that, they almost got into a fight with Lan Ruoxi's underlings.

Luckily, Lan Ruoxi knew about it and told them that Xiao Tian was at Star Clothes company. Without waiting for another second, Yu Shi and Crystal traveled to Star Clothes company.

Star Clothes Company, Xiao Tian's Office.

Currently, Xiao Tian was working hard. Because his company had just opened many branches, he had a lot of work.

There were even three mountains of papers on his desk. At this moment, Xiao Tian had no idea whether he should be happy or not.

As Xiao Tian was working, someone suddenly knocked on the door. "Come in."

"Sir, there are two people who request to meet you." his subordinate spoke when he was in front of Xiao Tian.

"Who are they?" Xiao Tian inquired.

"They are Crystal and Yu Shi." His subordinate replied.

"Tell them to come in." Xiao Tian was startled when he found out that Crystal came to his company.

'Why did she suddenly come to my company?'

At this moment, Xiao Tian suddenly remembered the time when he offered her to work at his company.

He was sure they came to his company because they wanted him to hire Crystal.

"Understood, sir." After saying that, his subordinate walked out of his office to call Yu Shi and Crystal.

Several seconds later, Yu Shi and Crystal entered his office.

When Xiao Tian saw Yu Shi and Crystal, he immediately rose from his seat.

'Who is she? Is she Crystal's mother?'

Because Xiao Tian had never met Yu Shi before, he had no idea who Yu Shi was.

"Please sit." Xiao Tian said as he smiled.

Then Xiao Tian, Yu Shi and Crystal sat on the couch.

"I didn't expect you to come to my company." Xiao Tian spoke and paused for a second before he continued, "So, do you have something you want to say to me?"

"I'm sorry for coming to your company suddenly like this." At this moment, Crystal suddenly remembered that Xiao Tian had never met her master. "Ah. Let me introduce you to my martial arts teacher. Her name is Yu Shi. She is the one who taught me martial arts."

"Nice to meet you." because Yu Shi was Crystal's martial arts teacher, he behaved politely.

'Damn! She is ignoring me!'

Xiao Tian cursed venomously in his heart.

He was unhappy when Yu Shi ignored him, but he didn't voice it because Crystal was his good friend.

At this moment, Yu Shi still didn't say a word and continued to stare at Xiao Tian.

'I really want to know what is so great about him?'

Yu Shi wanted to know the reason why Shi Fei accepted him as her lover.

"Like what she said just now, I'm her martial arts master." Yu Shi spoke, "The reason why we came to your company is that I want you to marry my disciple."

Chapter 880 - I Want You To Marry My Disciple

6-7 minutes

"Like what she said just now, I'm her martial arts master. The reason why we came to your company is that I want you to marry my disciple." Yu Shi went straight to the point.

Her word much surprised Xiao Tian.

'What?!'

He found it hard to believe what he was hearing. Previously, he thought they wanted him to accept Crystal to work at his company, but he was wrong.

He was utterly wrong because Yu Shi's intentions were completely different. Earlier, Xiao Tian was startled when Yu Shi, Crystal's martial arts teacher, suddenly came to his company.

But what surprised him most was that Yu Shi suddenly said that she wanted him to marry Crystal. She didn't ask Xiao Tian to be her disciple's lover, but she wanted him to be her disciple's husband.

The order was not like that. Yu Shi wanted them to skip many steps. It was as if marrying someone was an easy thing.

Like Xiao Tian, Crystal was also surprised. Previously, her master refused to tell her when she asked about Yu Shi's plan.

It never crossed her mind that her master wanted her to marry Xiao Tian. Sure, Xiao Tian was not a bad person in her eyes, but marrying him was something that had never crossed her mind.

First, they only knew each other for a few days. Second, she still didn't know him completely. Third, she only thought of him as a good friend and she was sure Xiao Tian was the same.

Crystal did not want to marry someone without a love bond between them because it would be useless later.

She was a young woman who dreamed of marrying once and being able to spend the time of her life with her lover later.

There was no love between Xiao Tian and her so Crystal didn't agree with Yu Shi's idea. "Master, what are you saying? Why are you saying something like that?"

"Crystal, I did this for you." Yu Shi then returned her attention to Xiao Tian. "Crystal no longer has parents in this world. They had passed away when she was a little. And I have been taking care of her until now so you can say I'm her guardian."

Yu Shi didn't ask Xiao Tian to hide Crystal's identity. With her being his wife, Yu Shi was sure that Xiao Tian would protect Crystal and hide her real identity.

Xiao Tian had two strong supporters like Shi Fei and Lan Ruoxi. Yu Shi was sure that Crystal's safety would be guaranteed if Crystal could become Xiao Tian's wife because Shi Fei and Lan Ruoxi would support them too.

"So how is it?" Yu Shi asked,

Xiao Tian didn't say a word because he had no idea what to say. He was only staring at Crystal, hoping she would say something to Yu Shi.

It was not like he didn't want to marry Crystal, but he only saw her as a friend and he was still young so he didn't want to get married quickly.

At this moment, he was wavering. If he revealed the truth, he was afraid that Crystal would be offended by his words later, but if he didn't tell the truth, Xiao Tian was sure that Yu Shi would ask him to marry Crystal as quickly as possible.

Xiao Tian's women would be furious if he suddenly married someone and not them. "Why do you want me to marry her? You know that we are still young, right?"

"What's wrong with that? There are many young married couples, you know?" Yu Shi insisted on getting Xiao Tian to marry her disciple.

Her words were true because there were many young married couples in Shanghai, no, even in the whole of China.

"Master, stop it! You are making Xiao Tian uncomfortable right now." After saying that, Crystal looked at Xiao Tian. "Xiao Tian, sorry. Actually, she only wants you to hide my identity. That is the reason why we came to your company."

Because she didn't want her master to keep telling Xiao Tian to marry her, Crystal decided to tell the truth.

"Ah! I see." Xiao Tian finally understood the reason why Yu Shi suddenly wanted him to marry Crystal.

Even though Yu Shi's idea was crazy, but it was not a bad idea. If Xiao Tian were to marry Crystal, he would protect her and hide her identity.

"Crystal is my good friend, so you don't need to worry. I promise I will never reveal her real identity to anyone." Actually, Xiao Tian was startled.

Usually, anyone would use violence to shut someone's mouth, but Yu Shi didn't do that. She even wanted him and her disciple to get married

Because Xiao Tian didn't know the truth, he saw Yu Shi as a good old woman because she cared about her disciple.

"How can you be sure about that?" Yu Shi spoke, "I can believe that you will keep Crystal's identity a secret now, but what would you do if someone took your loved ones as hostages and asked you to reveal Crystal's identity in exchange? Or when you're drunk?"

What Yu Shi said made sense because at that time, anyone could change completely.

"Master, stop forcing him to marry me!" Crystal said when she saw the complicated expression on Xiao Tian's face. "I'm still young so I don't want to get married fast. And we are only friends, nothing more than that."

At this moment, Crystal was thinking of a way to get her master to stop forcing Xiao Tian to marry her.

Like Crystal, Xiao Tian was also thinking of a way to make Yu Shi believe that he would never reveal Crystal's true identity.

However, no matter how long he thought about it, he couldn't find a solution because what Yu Shi said was true.
