Chapter 881 - Because I'm A Simple Woman

Crystal and Yu Shi instantly turned their heads towards Shi Fei. While Crystal wore a happy face, Yu Shi made a helpless expression.

With Shi Fei around them, Yu Shi knew that she would not be able to force Xiao Tian to marry her disciple anymore.

'Why did she have to show up now?'

Yu Shi was unhappy with it.

However, she could not do anything to Shi Fei. First, Shi Fei was stronger than her. Second, Shi Fei was Xiao Tian's lover and the last, she didn't have close relationship with Xiao Tian.

Yu Shi knew what would Shi Fei do if she kept forcing Xiao Tian to marry her disciple. For this reason, Yu Shi only stared at Shi Fei.

Like Crystal, Xiao Tian wore a happy face when he saw Shi Fei. He was sure that he could avoid everything with Shi Fei around them.

'Good job, Fei! Good job. I will reward you later.'

Xiao Tian said happily in his head.

At this moment, Xiao Tian felt as if Shi Fei was someone God sent to help him avoid the marriage.

"Oh! Isn't this Miss Crystal? And is she your mother?" even though Shi Fei knew who Yu Shi was, she pretended as if she knew nothing.

What Xiao Tian knew was that she only met Crystal, not Yu Shi. Her words were also a sign that she wanted Crystal and Yu Shi to hide her true identity.

When Yu Shi and Crystal saw Shi Fei's terrifying gaze, they knew what they had to do. They knew that Shi Fei didn't want Xiao Tian to know everything.

They also knew that Shi Fei didn't want Yu Shi to force Xiao Tian to marry Crystal.

"She is my martial arts teacher. Her name is Yu Shi." Crystal had no choice but to pretend to introduce her master to Shi Fei. "But for me, she is like my mother."

'She is so terrifying!'

Crystal felt as if a grim reaper was staring at her when she saw Shi Fei's terrifying gaze.

'Just the look in her eyes makes my body tremble in fear. It seems like the title of Devil Queen is not just an empty title.'

Crystal finally knew the reason why Shi Fei could beat her master easily.

Shi Fei then sat next to Xiao Tian and spoke, "Oh! Martial arts teacher? She must be a strong martial artist. So envious!"

Like usual, Shi Fei behaved as if she was not a martial artist. Her eyes even shone brightly.

'I won't let you force my lover to marry her!'

Actually, Shi Fei had heard everything.

When she was about to enter Xiao Tian's office earlier, she heard their conversation. Shi Fei was furious at Yu Shi because Yu Shi wanted to force Xiao Tian to marry Crystal.

She and his other women had been together for two years, and they still had not decided to get married yet, and here, Yu Shi wanted Xiao Tian to marry her disciple, a woman who had only known Xiao Tian for a few days.

Of course, Shi Fei didn't accept it. Everything had to go step by step first. She did not accept it if Yu Shi wanted to skip so many steps.

"Fei, your lover is also a strong martial artist, you know?" Xiao Tian praised himself.

"I know. Hehe" Shi Fei giggled after hearing his words. "I know that my lover is the best martial artist in the world."

Xiao Tian pinched Shi Fei's nose as he smiled softly.

Because Yu Shi knew that she would not be able to force Xiao Tian to marry her disciple, she rose to her feet.

Yu Shi decided to back off for now. "I will leave for today. I hope you think about my words again."

Because her master wanted to leave, Crystal also rose from her seat. "Xiao Tian, I will leave now."

"Un." Actually, Xiao Tian was startled when they suddenly wanted to leave.

But after thinking for several seconds, he knew the answer. Xiao Tian was sure that Yu Shi didn't want to force him to marry another woman in front of his lover.

That was why Yu Shi decided to leave.

'My sexy lover is the best.'

Xiao Tian praised Shi Fei in his head

Shi Fei's lips curled into a smirk.

'You made the right decision. Otherwise, I would beat you again later.'

Because Yu Shi and Crystal decided to leave, Shi Fei chose not to beat Yu Shi again.

After Yu Shi and Crystal left his office, Xiao Tian instantly cupped Shi Fei's face and gave her a peck on her lips. "Thank you, Fei."

"Eh! Why are you thanking me?" Shi Fei tilted her head to the left.

Shi Fei pretended as if she knew nothing because she didn't want Xiao Tian to know that she was eavesdropping on their conversation earlier.

"That crazy old woman suddenly wanted me to marry Crystal earlier." Xiao Tian gave an honest answer.

"Eh! Really?" Shi Fei pretended to be surprised.

"Yes." Xiao Tian replied as he nodded his head.

"As expected of little brother, you are amazing. Hehe." Shi Fei praised Xiao Tian.

Xiao Tian then made Shi Fei sit on his lap, facing him. "Because you have saved me from that crazy old woman, tell me. What do you want as a reward? I will grant it immediately."

Shi Fei touched her chin with her right index finger and began to think about it.

After thinking for several seconds, she replied, "First, I want you to kiss me. And second, I want us to go on a date today."

"So simple!" actually, Xiao Tian had guessed that Shi Fei would not ask something difficult.

"Hehe. Because I'm a simple woman." Shi Fei stated.

"And sexy." Xiao Tian added.

"Hehe." Shi Fei and Xiao Tian laughed happily.

After having a passionate kiss for about five minutes, Xiao Tian and Shi Fei went to Shenro Fountain. They decided to travel to Shenro Fountain because Shi Fei wanted to go there.

As a good lover, of course, Xiao Tian granted her wish with a smile on his face. It was already 04:00 pm, so it was a good time to go there.

Like a normal couple, Xiao Tian and Shi Fei enjoyed their time at Shenro fountain. They walked hand in hand, chatted, and laughed happily.

When Shi Fei saw a young man carrying his lover, she stopped her footsteps instantly. Sure she was already thirty years old, but she still wanted to do what they were doing.

Xiao Tian was startled when Shi Fei suddenly stopped her footsteps. When Xiao Tian saw the person she was looking at, a soft smile spread across his face.

Xiao Tian instantly stood in front of her and spread his arms. "Come here, my sexy lover."

Without waiting for another second, Shi Fei jumped into his arms. "Hehe."

She laughed happily when Xiao Tian knew what she wanted.

Like before, Xiao Tian continued walking while carrying his sexy and spoiled lover. "What a spoiled lover!"

"I'm indeed a spoiled woman." After saying that, Shi Fei cupped Xiao Tian's face and gave him a peck on the lips. "Mmmuch! This is a reward for spoiling me. After arriving home, I will reward you again, in bed. Hehe."

"I'm waiting for it." Xiao Tian uttered,

Chapter 882 - Little Brother, I Want Ice Cream

7-8 minutes

Under the grey clouds, many people were enjoying themselves at Shenro Fountain. Among them, there was a young couple who often became the center of attention.

Yes. Many people often stole glances at that young couple. The young man was walking while carrying his lover on his chest, facing him.

Even though the young man was unable to see the young woman's face, he was still pleased. A soft smile even never left his handsome face.

Like the young man, the young lady was also thrilled. She kept wrapping her long slender arms around the young man's neck while placing her head on his right shoulder.

Even though many people stole glances at them, the young man and young woman didn't show the slightest care about it.

They were used to use it, so they kept behaving normally and treating them as if they were air. Yes. that young couple was none other than Xiao Tian and Shi Fei.

Although Xiao Tian often carried her, Shi Fei was still delighted because being carried by her lover was one of the things she loved the most.

At this moment, Shi Fei suddenly saw someone consuming ice cream. For this reason, a desire to eat ice cream suddenly appeared within her.

'I want ice cream too.'

Shi Fei then threw her head back and looked at Xiao Tian's attractive face. "Little brother, I want ice cream."

Xiao Tian instantly stopped his footsteps. "Ice cream?"

He was startled by her words. He didn't expect her to want to eat ice cream suddenly. But because he loved her and wanted to spoil her, he decided to grant her wishes.

"Yes." Shi Fei replied as she nodded her head.

Xiao Tian then skimmed his surrounding to see if there was an ice cream stand near them or not.

'Ah! There is an ice cream stand over there.'

Xiao Tian saw an ice cream stand not far from them.

"Sure." Xiao Tian answered, "Let's buy it now."

Without waiting for another second, Xiao Tian walked towards the ice cream stand.

"Oh! What a spoiled lover you have there." The stand owner, who was about fifty-five years old, said when she saw Xiao Tian. "Do you want to buy ice cream?"

"Yes." Xiao Tian was not surprised by the old woman's words because he was still carrying Shi Fei.

"What flavor do you want?" the elder inquired,

Shi Fei then turned her head to look at the menu. "Elder, I want a strawberry and vanilla ice cream."

Even though Xiao Tian was shocked because Shi Fei suddenly ordered two ice creams, he only smiled.

"Elder, please give her one strawberry ice cream and vanilla ice cream."

"All right." The elder replied as she smiled.

Shi Fei then looked at Xiao Tian and spoke, "Little brother, you don't want ice cream?"

"I'm carrying you, so how can I hold the ice cream later?" Even though Xiao Tian also wanted to eat ice cream, but he decided not to buy it.

Shi Fei had ordered two ice creams, so she would not be able to hold his ice cream if he bought it.

"Then I will let you taste my ice cream later." Shi Fei finally knew the reason why Xiao Tian didn't order ice cream.

After paying for the ice cream, they continued walking again. Like before, Shi Fei placed her head on Xiao Tian's right shoulder while her hands held the ice cream.

There was a vanilla ice cream in her right hand while her other hand was holding a strawberry ice cream.

'This ice cream is good.'

Currently, Shi Fei was licking the vanilla ice cream. A happy smile could be seen on her face. She loved it when she could eat ice cream while being carried by the person she loved.

"Is the ice cream taste good?" Xiao Tian inquired,

"Yes." Shi Fei then placed her vanilla ice cream in front of Xiao Tian's face. "Here, taste it."

Xiao Tian instantly licked the ice cream. "Un. This ice cream tastes good."

When Xiao Tian saw a public seating, he sat on it with Shi Fei on his lap.

After Shi Fei licked the ice cream again, she let Xiao Tian taste it. "Here."

Like before, Xiao Tian ate the ice cream again. Xiao Tian and Shi Fei spent time at Shenro Fountain until 08:30 pm before finally, they went home.

"We are home." Shi Fei said when they were in the family room.

"Welcome home." Liu Ning and the others responded in unison.

Because Xiao Tian and Shi Fei still had not taken a bath, they immediately headed to her room to use her private bathroom.

Yes. Xiao Tian decided to take a bath with her because it was better to take a shower with his lover than alone.

When Xiao Tian saw Shi Fei's nude sexy body, he instantly walked closer towards her before embracing her from behind.

Even though Shi Fei was startled by his actions, she only smiled. "What is it, little brother? Do you want to have sex with me now? I'm fine if you want to do it now."

"No." Xiao Tian replied, "I only want to embrace you."

Xiao Tian was telling the truth because he only wanted to hug Shi Fei. He embraced her for several seconds before finally, he stopped the hug.

Like what he did earlier, Xiao Tian instantly carried Shi Fei after taking off his clothes.

"Let's take a bath now." Xiao Tian spoke as he walked towards the bathroom.

Shi Fei smiled happily because Xiao Tian kept spoiling her today. She liked it; no, she loved it when he spoiled her like that.

"Huft. Soaking in warm water is the best." Shi Fei spoke abruptly.

Currently, Xiao Tian and Shi Fei were in the bathtub. She was sitting between his legs with her back facing him.

"You are right." Unlike usual, where he always wrapped his arms around Shi Fei's waist, Xiao Tian was playing with her breasts this time.

"Hehe." Shi Fei could not help but giggle when she saw Xiao Tian's hands playing with her breasts. "It seems like my boyfriend loves my breasts so much."

"That's right." Xiao Tian gave an honest answer.

"Do you want to have sex now?" Shi Fei suddenly wanted to have sex with Xiao Tian when he played with her breasts.

When they were at Shenro Fountain earlier, they had agreed that they would have sex after arriving home. That was why she said something like that.

"Sure." unlike before, where he refused, this time he agreed instantly.

Shi Fei then rose to her feet. After placing her right hand on the wall, Shi Fei spread her pussy with her other hand. "Come here and eat my pussy, little brother."

Without waiting for another second, Xiao Tian stood up and began eating her vagina. Soon, the bathroom was filled with Shi Fei's moans.

"Little brother, why don't you ever ask us to have an orgy with you?" Shi Fei inquired,

Currently, Shi Fei and Xiao Tian were lying on the bed, naked. After having sex in the bathroom earlier, they immediately rested on her bed.

"It's still not the right time, Fei?" Xiao Tian answered.

"Do you need my help? If you want, I can ask them to have an orgy with you tomorrow." Shi Fei stated.

Chapter 883 - You Have To Take Responsibility

6-8 minutes

"Do you need my help? If you want, I can ask them to have an orgy with you tomorrow." Shi Fei stated.

Xiao Tian was startled by Shi Fei's words. However, his surprised face slowly turned into a smile. "Why do I feel like you are the one who wants to have an orgy?"

"Hehe. I just want to see you fucking five women at the same time." Shi Fei told him the reason why she wanted him to have an orgy with his women. "I want to see how you handle us. I'm curious whether you can satisfy us or not later."

"Oh! It seems like you are underestimating me again." After saying that, Xiao Tian turned around, causing him to be on top of Shi Fei. "How about I show you how I will handle them later?"

"Sure." Shi Fei answered as she smiled, "I will give you a score later."

Soon, her room was filled with their moans again.

"So, how is it?" Xiao Tian inquired.

Currently, Xiao Tian was lying on his back with Shi Fei on top of him. As usual, Xiao Tian's cock was still in her wet vagina because he loved it when he could embrace her while being connected with her.

"Ten out of ten." Shi Fei lifted her face to look at Xiao Tian. "Little brother, I really love you."

Xiao Tian pinched her nose and smiled, "Do you really love me or love to have sex with me?"

"I love you and also love having sex with you." Shi Fei gave an honest answer. "I hope you will keep having sex with me in the future."

Shi Fei was already addicted to having sex with Xiao Tian, so she hoped they would keep doing it in the future.

"Of course, I will keep having sex with you in the future." Xiao Tian spoke and paused for a second before he continued, "I will even make sure your pussy never forgets my cock, and I will make sure to eat your sexy body more often in the future."

"Great! I love that idea." Shi Fei spoke happily. "I will also make sure your cock can't forget my pussy later. Hehe. With this, you will always love me and want to live with me forever."

"Actually, you don't need to do that because I won't leave you forever." Xiao Tian was telling the truth when he said this. "You have become a part of me, so I would not be complete anymore if you were not by my side."

"Me too, little brother." Shi Fei voiced out her feelings. "I can no longer live without you now, so you have to take responsibility."

"I will." Xiao Tian replied as he smiled softly.

"Good!" Shi Fei smiled happily. "Little brother, I'm still your number one girlfriend, right?"

"Yes." Xiao Tian was not lying when he said this because Shi Fei was indeed the woman he loved the most at that time.

"If so, then, my mother is right." Shi Fei used sex to change her status in the past, so she thought her method was correct.

At this moment, Shi Fei still didn't realize the most important thing that Xiao Tian saw in her.

The reason why he loved her the most was not because her pussy felt great, but because she always supported him.

When he was down, Shi Fei and Liu Ning were the only ones who remained by his side. He could not forget it because it was the most harrowing situation for him.

If it were not for Shi Fei and Liu Ning, he didn't know what would happen to him. If Yun Xin Er was his goddess of luck, then Liu Ning and Shi Fei were his goddesses of life.

"Hmm?" Xiao Tian looked at her, confused.

"Did you forget that I was only a mistress in the past?" Shi Fei inquired.

"No." of course, Xiao Tian didn't forget it because, in the past, he only saw her as his mistress, nothing more than that.

"Then, I will maintain my sexy body for you so that you will keep loving me." Shi Fei thought one of the reasons why she could be the woman he loved the most was that she had a sexy body.

"Your personality is the reason why I love you the most, not because of your sexy body." Xiao Tian explained the reason why he loved Shi Fei the most because he didn't want her to misunderstand it.

"But will you still love me the same if I don't have a sexy body?" Shi Fei inquired,

"As long as you don't change, I will keep loving you." Xiao Tian gave an honest answer.

"Good! I will be showering you with my love from today onwa-" Shi Fei stopped and corrected her words. "I mean, I will continue showering you with my love from now on."

"Then I will do the same. Alright, let's sleep now." Xiao Tian uttered,

"Un." Shi Fei nodded as she shut her eyes.

Then Xiao Tian and Shi Fei slept.

The following morning, Xiao Tian practiced martial arts for an hour before going to his company. He was thrilled because he almost mastered the third secret technique.

There were several reasons why Xiao Tian still had not mastered the third secret technique. First, his predecessor's body was not as good as his past life's body.

Second, he was not diligent enough to practice martial arts. He often spent time with his women or worked at his companies.

Third, Zhao Sheng often asked him to hang out with him. And there were still many other reasons. Luckily, he was a genius, so his progress in martial arts was not bad.

"Huft. There is still a lot of unfinished work." Xiao Tian spoke as he saw the mountains of papers on his desk.

'Well, I will continue later. I have to go to that old man's house now. Otherwise, he will be lazing around, and my sword won't be ready soon.'

With that idea in mind, Xiao Tian traveled to Red Flower bar to pick up Lan Ruoxi.

Crystal's Apartment, Living Room.

"What? You want me to be Xiao Tian's lover?" Crystal said in surprise.

She found it hard to believe what she was hearing. She didn't expect that her master still wanted her to be with Xiao Tian.

"Yes." Yu Shi answered, "Since I can't force him to marry you now, the only option is to make you his lover."

Yu Shi knew that Xiao Tian had more than one girlfriend, so she was sure that Shi Fei would not stop them if Crystal became his lover.

"Master, can we drop this topic, please? Xiao Tian and I have become good friends. Isn't that enough?" it was not like she didn't want to be Xiao Tian's girlfriend, but love could not be forced.

"No." Yu Shi refused instantly. "Remember this, Crystal. I did this for you. If you can become his lover, your future will be brighter, and you will get many strong martial artists as your backup."

"But..." Crystal had no idea what to say to her master.

"No buts!" Yu Shi uttered, "Now go meet Xiao Tian and make him your lover!"

Because her master kept forcing her, Crystal left to find Xiao Tian.

Chapter 884 - Meeting Crystal At Park

7-8 minutes

As usual, Xiao Tian and Lan Ruoxi went to Lian Xun's house to sweep the yard and water the plants.

After they finished their tasks, they went home. Because Xiao Tian wanted to relax, he traveled to a nearby park.

'It's already 05:00 pm. Time went so fast today.'

Xiao Tian looked at the clock on his smartphone.

When he was about to go home, a voice suddenly rang out. "Xiao Tian.."

Xiao Tian, who was sitting on the public seating, turned his head towards the source of the sound.

'Crystal?'

Xiao Tian was startled when he found out the person who had just called him was none other than Crystal.

'What is she doing here?'

Xiao Tian did not expect to meet Crystal at the park.

When Crystal was in front of him, she uttered, "I finally found you."

Yes. Crystal had been looking for him because her master forced her to meet him, or more precisely, her master forced her to be Xiao Tian's girlfriend.

"Why are you looking for me?" Xiao Tian asked curiously.

Crystal then sat next to Xiao Tian before answering. "I want to apologize for my master's rude behavior yesterday."

Crystal could not tell the truth immediately because that would make the situation awkward in an instant.

That was why she said she wanted to apologize for her master's rude behavior to him yesterday.

"Ah!" Xiao Tian still did not know that Crystal was hiding something from him. "It's fine. Don't mind it."

Even though Xiao Tian was annoyed yesterday, he had already forgotten it. Yu Shi was Crystal's master, so he decided to ignore her rude behavior because he didn't want his relationship with Crystal to be ruined.

Crystal let out a sigh of relief after hearing his words. "To be honest, I was also startled yesterday. I didn't expect her to say something like that."

"Well, I knew she did that because she wanted to protect you. Even though her way is wrong, but her intentions are good." Xiao Tian knew the reason why Yu Shi suddenly wanted him to marry Crystal.

It was because Yu Shi was afraid that Xiao Tian would reveal Crystal's true identity. He just did not know why Yu Shi chose a weird way. He believed there were much better ways than her crazy idea.

"You are right." Crystal answered, "That's why I can't get angry at her."

Crystal agreed with Xiao Tian's words because she knew that Yu Shi never had any bad intentions towards her.

Like her who thought of Yu Shi as her mother, Yu Shi also thought of her as her daughter. Otherwise, it would be impossible for Yu Shi to take care of her since she was a little.

"So, does she still want me to marry you now?" Xiao Tian wanted to know whether Yu Shi had changed her mind or not.

At this moment, Crystal didn't answer immediately because it was hard for her to answer his question.

Sure, her master no longer wanted him to marry her, but Yu Shi wanted her to be his lover now. Even though it was not as crazy as her previous idea, Crystal thought that her master's idea was still absurd.

Because Crystal didn't say a word, Xiao Tian asked again, "So what is her idea this time?"

"She wants..." Crystal was unable to finish her words.

'Should I tell him the truth?'

Crystal was wavering whether she should tell the truth or not.

"She wants?" because Crystal didn't finish her words, Xiao Tian didn't get her words.

"She wants us....to be lovers." Crystal decided to tell the truth because she was sure that her master would tell Xiao Tian about it if she didn't say it.

"It seems like your master is still not giving up." Xiao Tian answered, "You can tell her to rest assured. Whatever happens, I won't reveal your identity to anyone."

"I believe you, but..." even though Crystal didn't finish her words, she was sure that Xiao Tian knew what she was about to say.

'And there is one more thing you still don't know.'

Actually, there were two reasons why Yu Shi wanted Crystal to be his wife or lover.

First, Yu Shi wanted to ensure that Xiao Tian would never reveal Crystal's identity to anyone. And second, Yu Shi wanted Crystal to have a brighter future.

Xiao Tian was close to Lan Ruoxi, and Shi Fei, the Devil Queen, was one of his women, so if Crystal could become his lover, her future would be much better later.

Not only would Crystal get strong supporters, but she would also get more connections with important people in China.

"So, what are you going to do now?" Xiao Tian inquired.

"I don't know," Crystal responded as she shook her head.

She knew Yu Shi did that for her sake, and Yu Shi was already like a mother to her. However, love was something that could not be forced, or else it would not work later.

Sure, she had beautiful memories with Xiao Tian in the forest, but she only saw him as a good friend, and she was sure that Xiao Tian saw her as a friend too.

Crystal didn't expect her life to change drastically since she met Xiao Tian. In the past, Yu Shi only wanted her to diligently practice martial arts so that she would become a powerful martial artist.

But now, there was one more thing that Yu Shi wanted.

Yu Shi wanted her to be Xiao Tian's lover!

"To be honest, I'm really curious as to why your master wants you to be my wife or lover." Xiao Tian spoke and paused for a second before he continued, "Is she really afraid that I will reveal your identity?"

Actually, Xiao Tian suspected something. He suspected that Yu Shi wanted something from him. However, he could not say it directly because he did not want to hurt Crystal's feelings.

Crystal was startled after hearing his words.

'Because you have two strong supporters.'

She answered in her head.

"I also don't know." Crystal pretended as if she knew nothing. "Sometimes, I can't understand her train of thought."

At this moment, Xiao Tian wanted to bait her to tell the truth, but he changed his mind.

'She doesn't want to tell me the truth, huh? It seems like she really loves her master. Sigh. With this, I can't do anything now.'

Xiao Tian knew that Crystal was lying to him, but he pretended as if he knew nothing.

"I see." Xiao Tian uttered,

Suddenly there was a moment of awkward. The moment where they didn't say a single word for several seconds.

'Hey, hey, hey. Why don't you say anything now? This will give me a sign that you are lying to me, you know?'

Xiao Tian said in his head.

Actually, Crystal was thinking about something, something so important that could change her life later.

Because of how much she loved her master, she didn't want to disappoint her master. Crystal wanted to make her master always happy and make her master's dream come true.

Crystal then turned her head towards Xiao Tian and spoke, "Xiao Tian...."

"Mmm?" Xiao Tian was curious about what she wanted to say.

"Do you want to be my lover?" Crystal inquired.

Chapter 885 - I Finally Managed To Master The Third Secret Technique

7-8 minutes

"Do you want to be my lover?" Crystal inquired.

The expression of deep shock blossomed on Xiao Tian's face. He found it hard to believe what he was hearing.

'What?'

Xiao Tian was sure that Crystal only saw him as a good friend, so he was surprised by her words.

Of course, Xiao Tian could tell the reason why she suddenly said something like that. He believed she did that for her master.

'Is her master really important to her?'

Xiao Tian suddenly remembered her words.

When they were in his office, she told him that she saw Yu Shi as her mother because Yu Shi had been taking care of her since she was little.

'It seems like I underestimated her love for her master.'

Xiao Tian was amazed by her choice.

'What a good young woman!'

It was rare to find someone like Crystal.

Nowadays, people usually easily forget someone's kindness. They even could stab their benefactor in the back as long as they would get something or could avoid something.

However, Crystal was different from them. Crystal chose her master's wishes over her own happiness.

Because Xiao Tian still didn't say anything, Crystal uttered, "I want you to be my fake lover."

Crystal knew that asking him to be her real lover was out of option. Not only did they not have feelings for each other, but Crystal also didn't want to be someone's woman if she had no feelings for that person.

"Fake lover?" like before, Xiao Tian was startled again.

"Yes." Crystal nodded her head. "I know love can't be forced, and I know you only see me as your friend, but I want to make my master happy. That's why I want you to be my fake lover."

"Are you sure?" Xiao Tian wanted to make sure that Crystal was not lying to him.

"Un." Like before, Crystal nodded her head again.

"But what will you do if your master finds out about this later?" Xiao Tian inquired, "Wouldn't that make your master even angrier? Do you know your idea is dangerous? The consequences can be fatal, you know? There is even a chance it could ruin your relationship with your master later."

It was not like he didn't want to be her fake lover, but he was afraid that their actions would ruin her relationship with her master later.

Crystal didn't say anything. What Xiao Tian just said was true, but she had no idea what to do. She wanted to make her master happy, but at the same time, she had no feelings for Xiao Tian.

That was why Crystal chose to be his fake lover. "Then, do you have a better idea?"

Xiao Tian started thinking about it. However, no matter how many times he thought about it, the results were the same; he could not come up with a good idea.

"Well...I don't have a better idea." Xiao Tian gave an honest answer.

"Then, let's use my idea." Crystal uttered, "You will help me, right?"

"I will help you." Crystal was his good friend, so Xiao Tian would help her without thinking twice.

"Good. I will tell my master now." after saying that, Crystal rose to her feet and left.

"I hope you will not regret your decision later." because Xiao Tian suddenly wanted to meet his women, he went straight home.

"How is it?" Yu Shi inquired.

Currently, Yu Shi and Crystal were in her apartment, in the living room.

"He agreed to be my lover." At this moment, Crystal suddenly felt guilty for lying to her master.

'I am sorry, master.'

She added in her head.

"Good!" Yu Shi's eyes shone brightly. "With this, your future will be brighter."

At this moment, Yu Shi had no idea that Crystal was lying to her. Her disciple was gorgeous and skilled in martial arts, so there was no way any man would refuse to be Crystal's lover.

And Xiao Tian was a playboy, who had more than one woman, so Yu Shi knew that Xiao Tian would accept her disciple as his lover.

"I want you to go on a date with him tomorrow or the day after tomorrow." The reason why Yu Shi told her disciple to go on a date with Xiao Tian was that she wanted Xiao Tian to regard her disciple as someone more important than before.

Crystal was Xiao Tian's new lover, and he had more than one woman, so she needed more effort if she wanted to be even more special than before.

"What? You want me to go on a date with him?!" even though Crystal knew something like this would happen, she didn't expect it to happen so quickly.

"Yes." Yu Shi answered as she nodded her head. "Why? You two just became lovers, so you should try harder to make him love you more."

".....alright." Crystal knew that her master would not take no for an answer. "I will inform him tomorrow."

"Good. I hope you can make him fall in love with you deeper quickly." After saying that, Yu Shi rose to her feet and left

Crystal could only sigh.

'Did I make the wrong decision?'

Crystal felt that things had become more complicated. However, she could not do anything now because she had decided to lie to her master.

As usual, Xiao Tian spent time with his women after arriving home. That night, he did not have sex with any of his women.

However, he slept with three of his women; Ye Qingyu, Liu Ning, and Lin Xing Xue. Of course, there was a reason behind it.

And that reason was to make Liu Ning and Lin Xing Xue get used to seeing him lovey-dovey with his aunt.

And it seemed like his method worked because lately, Liu Ning and Lin Xing Xue were almost used to seeing him lovey-dovey with Ye Qingyu or Ye Xueyin.

The following morning, Xiao Tian immediately headed to the backyard after waking up. He wanted to practice martial arts.

"Huft...Huft...Huft..." Xiao Tian was breathing heavily. "I finally managed to master the third secret technique."

Currently, Xiao Tian was lying on the ground in the backyard.

'It took me almost two years to master up to the third secret technique. Well, I can understand it.'

Xiao Tian believed if he only practiced martial arts every single day, he would have mastered up to the sixth secret move.

'Well, at least, I have mastered up to the third secret technique now. With this, I can defeat any martial artist at the high-level master stage easily.'

Xiao Tian was already satisfied with the progress of his martial arts.

'And I can feel that my speed is faster than before. It seems like my speed is already in the category of the high-level master stage.'

Because his speed had increased significantly, Xiao Tian decided to test it at Lan Ruoxi's place later.

"I will take a bath first." Xiao Tian then rose to his feet and headed to the bathroom.

After that, he traveled to the Red Flower bar.

Red-Flower Bar, Private Room

"Hmm? You want to test your speed?" Lan Ruoxi inquired.

"Yes." Xiao Tian answered, "My speed has increased significantly, so I want to test my speed now."

"Sure." Lan Ruoxi stood up. "Let's go."

Then Xiao Tian and Lan Ruoxi headed to the training secret room.

Chapter 886 - Going To Shanghai River With Crystal

7-8 minutes

"Congratulation, young master Xiao." Lan Ruoxi walked closer towards him while clapping her hands. "Your speed is now in the category of the high-level master stage."

Even though Lan Ruoxi was smiling, but actually, she was surprised. Xiao Tian broke through to the mid-level master stage not long ago.

Not only that, he even managed to raise his speed to the high-level master stage category in less than a month.

This was something challenging to achieve. Not anyone could do something like him.

"Thank you." Xiao Tian responded as he smiled.

"With your reflexes and speed already in the category of the high-level master stage, it almost can be said that any martial artist at the high-level master stage is no big deal for you." Lan Ruoxi dared to say something like this because Xiao Tian still had two trump cards.

With the help of battle instinct and his secret techniques, Lan Ruoxi believed he could even defeat extraordinary martial artists at the high-level master stage.

"But I'm still not satisfied because this is not enough to defeat you." Xiao Tian knew that he was still too weak to fight Lan Ruoxi. "My goal is to defeat you."

"You should not set your goal on me." Lan Ruoxi responded, "There are many martial artists who are stronger than me in China. You just haven't met them yet. You should aim to be the strongest martial artist."

"But I don't want to be the strongest martial artist. I only want beauty." When Xiao Tian said this, he was telling the truth.

He indeed had no intention of becoming the strongest martial artist as it would be troublesome.

Xiao Tian was a simple man. He only wanted money and beautiful women. As long as he could protect the people he cared about, it was enough for him.

He did not care whether he would become the number 1000th or something like that because his dreams were to have a harem and make his predecessor's dream come true.

"Hehe. As expected of a playboy, your answer is exactly what playboy would say." Actually, Lan Ruoxi had guessed that he would say something like that because he had told her that he had no desire to become the strongest martial artist.

"Let's go to that old man's house now." Xiao Tian uttered,

"Alright." Lan Ruoxi answered.

Then Xiao Tian and Lan Ruoxi went straight to Lian Xun's house.

As usual, Xiao Tian and Lan Ruoxi rested at the waterfall after doing their tasks. Currently, they were sitting under a tree and enjoying the beautiful scenery in front of them.

At this moment, Xiao Tian's smartphone suddenly rang.

'Crystal?'

Xiao Tian was startled when he found out the person who was calling him was none other than Crystal.

'Does she have something he wants to say to me?'

Xiao Tian wasted no time and picked up the phone. "Hello?"

"Xiao Tian, do you have free time today?" Crystal inquired,

"Yes. What's wrong?" Xiao Tian actually had no idea whether he would have free time or not later.

However, because he thought it was something important, he decided to say something like that.

"Good," Crystal responded. "Let's go on a date later."

"...Alright. What time are we going on a date?" actually, Xiao Tian was startled by her words.

However, he instantly understood the reason why Crystal suddenly wanted them to go on a date. He believed that she was forced by her master to go on a date with him.

Because he had agreed to be her fake lover, he could not refuse, or else her master would be suspicious later.

"Let's meet at Shanghai River at 04:00 pm later." the reason why Crystal wanted them to meet at Shanghai River was that she only knew a few romantic places.

Until now, she only focused on her job as an assassin or practiced martial arts. That was why she only knew a few romantic places.

"Alright." Xiao Tian responded.

Because she had nothing to say to Xiao Tian anymore, Crystal hung up the phone.

"As expected of a playboy, it seems like you have a new lover now." even though Lan Ruoxi was not sure whether Crystal was Xiao Tian's lover or not, she still said that because Crystal and Xiao Tian would go on a date later.

"lady Lan, how about you become my lover too?" because Xiao Tian could not tell the truth, he did not deny it.

As usual, Lan Ruoxi's answer was the same. "You have to beat me in a fight fir-"

Before Lan Ruoxi had finished her words, she was interrupted by Xiao Tian. "You are going to say I have to beat you first, right?"

'Sigh. I'm tired of hearing these words.'

Xiao Tian added in his mind.

"That's right. Hehe." After saying that, Lan Ruoxi giggled because Xiao Tian's expression was funny in her eyes.

Xiao Tian pretended to be sad. "If we started practicing martial arts at the same time, I would definitely be stronger than you by now."

"You are just unlucky." Lan Ruoxi replied.

"This is the first time a woman keeps bullying me." In his two lives, he had never experienced anything like this.

However, he could not do anything because he was still weaker than her.

"Hehe." like before, Lan Ruoxi giggled. "I will continue bullying you as long as you keep saying these words. That's why I recommend you not to say it if you are still weaker than me."

Xiao Tian touched his chin and spoke, "Mmm. Maybe I should buy a gun later. With this, I'm sure I can beat you later."

Black lines formed on Lan Ruoxi's forehead after hearing his words.

Xiao Tian turned his head towards her and uttered, "That's not against the rules, is it?"

Lan Ruoxi did not say anything. She finally remembered that Xiao Tian was someone who would do anything as long as he could achieve his goals.

"Hahaha." Xiao Tian could not help but burst into waves of laughter after seeing her expression.

He didn't expect that Lan Ruoxi would take his words seriously.

"Don't worry. I was joking. I will fight you fairly in the future." Xiao Tian then rose to his feet. "Let's go see that old man."

"All right." Lan Ruoxi answered.

Time went by quickly, and without realizing it, it was already 03:00 pm. Currently, Xiao Tian was in his office.

Because Shanghai River was not far from his Star Clothes company headquarters, Xiao Tian kept working.

At 03:20 pm, Xiao Tian traveled to Shanghai River.

'It's still 03:50 pm.'

Without waiting for another second, Xiao Tian headed to the gate of Shanghai River. It was the place where they agreed to meet earlier.

To his surprise, he saw Crystal standing near the gate. "Crystal, you have arrived?"

Crystal turned her head to the source of the sound. "I just arrived."

"Let's go." Xiao Tian uttered,

"Un." Crystal nodded her head.

As Xiao Tian and Crystal were walking, they talked about many things. Even though it was their first date, they enjoyed it so much.

They were laughing, chatting, and joking together. Sure, they still saw each other as friends, but they looked like lovers at that time.

'I'm glad she is happy.'

As Xiao Tian was looking at her, Crystal suddenly did something unexpected.

Chapter 887 - Going On A Date With Crystal

7-8 minutes

Even though Xiao Tian was startled, he did not show it on his face.

'I didn't expect her to do something like this.'

Because he knew that she only saw him as a friend and it was also their first date, Xiao Tian thought she would not do that.

Her actions made Xiao Tian keep staring at her.

Even though Xiao Tian did not say anything, Crystal knew what he had in mind. "My master is following us in secret."

Crystal knew about this because she saw her master when she was waiting for Xiao Tian at the gate earlier.

"I see." Xiao Tian finally knew the reason why Crystal suddenly held his right hand.

Actually, Xiao Tian had guessed it. Because Yu Shi forced them to go on a date, he knew that there was a high possibility that Yu Shi would follow them in secret.

Yu Shi desired Xiao Tian to marry her disciple, so she wanted to know the progress of his relationship with her disciple.

Yu Shi, who was following Xiao Tian and Crystal in secret, smiled happily when she saw them holding hands.

'You did the right thing, Crystal.'

Previously, she told her disciple to be aggressive so that Xiao Tian would fall in love with her deeper quickly.

Even though Xiao Tian and Crystal knew that Yu Shi was following them, they behaved as if they did not know about it.

Like before, they were talking, joking, and laughing together. Without realizing it, they had been walking for about fifteen minutes.

Crystal pointed her right index finger at the public seating and spoke, "Xiao Tian, let's sit over there."

"All right." Xiao Tian responded as he nodded his head.

Because Crystal wanted to make her master think that they were already much closer than before, she kept holding Xiao Tian's right hand.

It was as if she was in love with Xiao Tian or did not want to be separated from Xiao Tian.

At this moment, Yu Shi was sitting not far from them. She was sitting on their right side, so she could not clearly see Xiao Tian's face because he was sitting on Crystal's left side.

'Good. If it continues like this, it won't take long for Xiao Tian to consider her as one of his most important girlfriends.'

The smile on Yu Shi's face grew bigger when Crystal suddenly hugged Xiao Tian's right arm and leaned her head on his right shoulder.

And as if both Xiao Tian and Crystal were falling in love with each other, they talked while remaining in the same position.

"It seems like you really love your master." Xiao Tian decided not to tease or seduce Crystal because he knew it would be useless.

Sure, he knew that Yu Shi was sitting not far from them, but he believed that she would not be able to hear their conversation.

"Yes." Crystal gave an honest answer. "She is my only family in this world."

Of course, Xiao Tian knew about it. "How about we make your master happy?"

Crystal stopped hugging his right arm and turned her head to look at Xiao Tian. "How?"

Instead of answering her question, Xiao Tian immediately brought his face closer towards hers.

Crystal widened her eyes in surprise. Due to how surprised she was, she did nothing when Xiao Tian suddenly did something unexpected. It was as if she suddenly turned into a statue.

The expression of deep shock blossomed on Yu Shi's face.

'He....is kissing my disciple?!'

Yu Shi knew that Xiao Tian was a playboy, but she did not expect him to be so aggressive.

'I should have guessed this. My disciple is pretty, so there is no way Xiao Tian can resist her charm.'

Yu Shi's surprised face slowly turned into a smile. She was pleased because everything went according to her plans.

At this moment, she had no idea that Xiao Tian didn't kiss Crystal. Actually, Xiao Tian stopped moving his face when his lips were so close to Crystal's lips.

However, because Yu Shi was sitting on their right side, it looked like Xiao Tian was kissing Crystal's lips.

Xiao Tian gazed at Yu Shi for a second before speaking. "It seems like your master is happy now."

Currently, they were still in the same position. Xiao Tian did it because he wanted to make sure Yu Shi saw what he was doing.

Crystal finally understood his words.

'So this is what he meant earlier.'

Because he was not kissing her, she didn't push him.

Yu Shi wanted her to get closer to Xiao Tian as quickly as possible, so it was a good idea. With this, she was sure that Yu Shi was thrilled now.

In order to make Yu Shi think that she was getting closer to Xiao Tian, Crystal instantly hugged Xiao Tian's right arm again.

"Thank you, Xiao Tian." after saying that, Crystal leaned her head on his right shoulder.

"You are my good friend. I will do anything to help you." at this moment, Xiao Tian was telling the truth.

'I just hope nothing goes wrong later.'

He added in his head.

Like before, they continued talking again. Time went by quickly, and without realizing it, it was the time for the sun to set.

"Beautiful!" Crystal said when she saw the beautiful sunset.

"How about we take a picture now." Xiao Tian uttered, "With this, we will look more like a couple."

"Good idea!" after saying that, Crystal gave her smartphone to him.

Because they were pretending to be lovers, Xiao Tian and Crystal took several photos. Of course, they took lovers pictures, or else Yu Shi would be suspicious later.

After seeing the sunset, Xiao Tian and Crystal talked for another ten minutes before finally, they went home.

Crystal's Apartment, Bathroom.

Currently, Crystal was taking a shower. She was pleased because she could make her master happy today.

Sure, she knew that she was lying to her master, but she did it for her master.

'I'm sorry, master.'

Crystal walked out of the bathroom.

"It seems that Xiao Tian is starting to love you more." A voice suddenly rang out.

"Master, can you stop appearing out of nowhere like this?" Crystal sighed before sitting on the couch in the living room. "How did you know?"

Crystal pretended as if she did not know anything because it could ruin everything. If she said that she knew Yu Shi was following her earlier, there was a possibility that Yu Shi would know everything.

"I followed you in secret earlier." Yu Shi gave an honest answer. "I didn't expect him to kiss you on your first date. It seems like he is really a playboy."

Crystal pretended to be blush. "Isn't this what you wanted?"

'Thank god.'

Crystal was relieved when she found out Yu Shi didn't know that she and Xiao Tian were just faking it before.

"I was just surprised." Yu Shi answered, "But with this, you will become more important to him."

Crystal could only sigh.

'It seems like I can't change her mind now.'

Crystal said in her head.

"Now it's time to carry out my next plan." Yu Shi uttered,

"Next plan?" Crystal tilted her head to the left.

"Yes." Yu Shi replied, "The next plan is very important. In this plan, I want you to...."

Chapter 888 - It's Not Enough!

6-8 minutes

"What?!" the expression of deep shock blossomed on Crystal's face.

She found it hard to believe what she was hearing. Sure, she knew that her master wanted her to be Xiao Tian's lover, but her idea was too crazy.

She could not accept it because it was related to something important to her.

Her virginity!

Yes. Her master wanted her to have sex with Xiao Tian.

"Master, I can't do this." Crystal refused instantly. "We just became lovers, so it's too fast for us to have sex. No. I won't do this."

"Why?" Yu Shi inquired, "You are his lover now, so it's normal for you two to have sex. Do you know that sex can make the relationship between lovers closer? Do you know that sex can make couples love each other more? And do you know that sex can strengthen the relationship between lovers?"

"But...." Crystal could accept it if her master wanted her to go on a date with Xiao Tian again.

However, having sex with him was a big no for her. There were several reasons for this. First, she had no feelings for Xiao Tian.

Second, she only wanted to have sex with the person she loved. Sure, Xiao Tian was important for her, but she only saw him as a friend, nothing more than that.

Third, she was still a virgin, so her virginity was very important for her because she could only lose her virginity once in her life.

Fourth, Xiao Tian and her were only pretending to be lovers. And there were several more reasons. That was why she refused her master's idea.

"Crystal, listen to me. Xiao Tian has more than one girlfriend, and I'm sure he has had sex with them many times now." Yu Shi spoke and paused for a second before she continued, "If you didn't have sex with him, it would be hard for you to be equal with his other women."

Of course, Yu Shi knew that her idea was crazy, but she really wanted Xiao Tian to regard her disciple as a very important person to him.

She wanted Xiao Tian never to abandon her disciple and always protect her disciple. She wanted her disciple to get a powerful backer.

"But...." Crystal still didn't want to have sex with Xiao Tian.

Sure, Xiao Tian was a successful and attractive young man, but she had promised to herself that she would only have sex with the person she loved.

"Crystal, please remember that I'm doing this for you." Yu Shi uttered, "I'm doing this for your future."

"But isn't it enough to be his lover? With us being a couple, I'm sure he will protect me. Why should I be on par with his other women?" Crystal was still trying her best to reject Yu Shi's idea.

"It's not enough." Yu Shi responded as she shook her head.

"Master, Xiao Tian said he would protect me forever earlier, so we don't need to do this." of course, Crystal lied to her master because Xiao Tian didn't say it earlier.

However, because she wanted her master to change her idea, she could not help but lie to her master.

"No! You have to have sex with Xiao Tian. I won't take no for an answer." Yu Shi insisted on wanting Crystal to have sex with Xiao Tian.

And like that, Crystal and Yu Shi kept arguing.

Inside a big and luxurious room, two young people were naked on the bed. The young woman was on all fours, facing the headboard of the bed.

Seductive yet lovely moans escaped from the young woman's little mouth every second. Her pretty eyes were filled with flames of lust and her beautiful breasts were moving uncontrollably.

If anyone saw the expression on her face, they would instantly felt aroused because at that moment, her pretty face had turned into lewd and seductive face.

Behind her, an attractive young man was grabbing the young woman's waist. Like the young woman, the young man also wore a fascinating expression.

But unlike the young woman who did nothing, the young man was moving his waist back and forth repeatedly and his black eyes were also locked on the beautiful back of the young woman.

And every time the young man moved his waist, a lovely moan escaped from the young woman's little mouth.

If anyone stood in front of the room, they would have known what the young woman and young man were doing because the room was filled with the moans of the young woman.

Yes. These two young people were doing adult things. They were doing something fun and pleasurable. Something that all people in the world loved and dreamed of.

Sex!

These young people were having sex, and they were doing it in doggy style.

"Qingyu, loosen your vagina a little. It's too tight. It's hard for me to thrust my cock." Even though Xiao Tian said something like that, he wanted her to tighten her pussy.

The tighter her pussy was, the more pleasurable they would feel. Sure, he had to put extra effort into thrusting his huge cock into Ye Qingyu's wet pussy, but it felt so much better.

"Ah...Ah...Ah....Ah...." because Ye Qingyu had lost herself in pleasure, she didn't answer and only moaned and wailed.

Previously, Xiao Tian dragged Ye Qingyu to his room after watching TV with the others. At first, they only watched TV in his room, but one thing led to another, and they ended up having sex.

*Click...

As Xiao Tian and Ye Qingyu were having sex, someone suddenly entered his room without knocking on the door.

Because Xiao Tian knew it was one of his women, he did not stop fucking Ye Qingyu. He only turned his head towards the source of the sound while still thrusting his cock into Ye Qingyu's vagina.

As for Ye Qingyu, she only turned her head towards the door. Because her mind was already filled with pleasure, she did not ask Xiao Tian to stop and kept wailing.

She just stared at Shi Fei while wailing repeatedly as if she wanted to seduce Shi Fei with her moans.

"Little brother, I want to have sex with you too." after closing the door, Shi Fei took off her clothes and dashed towards Xiao Tian and Ye Qingyu.

Xiao Tian was her lover and he had promised her that he would have lots of sex with her, so she knew that he would not refuse her wish.

Because Shi Fei wanted to join them, Xiao Tian turned Ye Qingyu's over, causing her to lie on her back.

Even though Xiao Tian did not say it directly, Shi Fei understood what he had in mind. Without waiting for another second, Shi Fei laid prone on top of Ye Qingyu's body.

With this, Xiao Tian could continue to fuck Ye Qingyu and give her pleasure at the same time or fuck their pussies in turn.

Even though this would be their first time doing a threesome, Ye Qingyu did not refuse the idea. Shi Fei was also Xiao Tian's girlfriend, so it was normal if she wanted to join them.

"Miss Ye, this will be our first time doing a threesome, so let's enjoy it to the fullest." Shi Fei uttered,

Chapter 889 - I Know

6-7 minutes

"Miss Ye, this will be our first time doing a threesome, so let's enjoy it to the fullest." After saying that, Shi Fei brought her face closer towards Ye Qingyu's face.

Ye Qingyu, who knew what Shi Fei had in mind, instantly opened her little mouth. She knew what Shi Fei wanted to do because she always did it every time she had a threesome with Ye Xueyin and Xiao Tian.

Shi Fei wasted no time and instantly kissed Ye Qingyu passionately. Because Ye Qingyu's mind was already filled with pleasure, she welcomed the kiss.

Soon, Shi Fei and Ye Qingyu moved their tongues lewdly and exchanged saliva. Shi Fei, who was already horny, felt even more aroused.

Her love juices came out of her pussy and fell down her thighs. She even moved her waist to the left and right, as if she was giving Xiao Tian a sign to play with her pussy quickly.

While still fucking Ye Qingyu, Xiao Tian played with Shi Fei's pussy using his right hand. Because Shi Fei's vagina was already wet, Xiao Tian instantly thrust his right index and middle fingers into her lovely pussy.

"Mmmm....mmmm...mmmm...." Because Shi Fei and Ye Qingyu were kissing passionately, they were unable to moan normally.

At this moment, Xiao Tian felt something different from Ye Qingyu's pussy. The way her pussy squeezing his cock suddenly changed.

'It seems like her pussy is sucking my penis.'

Xiao Tian knew the reason why the way Ye Qingyu's pussy squeezing his penis suddenly changed.

It was because of Shi Fei!

Even though they had known each other for more than a year and had lived together for more than four months, but it was the first time they had a threesome with Xiao Tian.

Usually, he only did it with Ye Xueyin and Ye Qingyu or with Shi Fei and Liu Ning every time Xiao Tian wanted to do a threesome.

It was not like he wanted this, but he knew they still needed time to have a threesome with him. Ye Qingyu and Ye Xueyin were his families, so Liu Ning or Lin Xing Xue still could not have a threesome with them.

Due to how much pleasure they felt, Ye Qingyu and Shi Fei could no longer kiss passionately.

"Ahh...Ah...Ah...Ah..." If Xiao Tian's room was filled with Ye Qingyu's wail, this time, his bedroom was filled with the moans of Shi Fei and Ye Qingyu.

"I'm cumming.... I'm cumming... I'm cumming...." It had been more than forty minutes since Ye Qingyu had sex with Xiao Tian. With how skilled he was in giving pleasure, Ye Qingyu finally reached her limit.

"I'm cumming....." as Ye Qingyu was having an orgasm, she hugged Shi Fei tightly and tilted her head back unconsciously.

As usual, her body was quivering for several seconds, and she was breathing heavily. Even though Ye Qingyu said nothing, but anyone could tell that she was satisfied.

"Miss Ye, it seems like yo-Ahh.." Shi Fei could not finish her words and instantly wailed because Xiao Tian suddenly thrust his huge cock into her vagina without giving her a warning.

Of course, she was not angry at him; instead, it was the opposite. The reason why she decided to join them was that she wanted to have sex with him and feel that immense pleasure.

"Ah...Ah...Ah..." Shi Fei's little mouth opened, letting out seductive moans.

"It feels good." because Xiao Tian had not had an orgasm yet, he decided to thrust his cock into Shi Fei's pussy.

Her vagina was already wet, and he knew that Shi Fei desired to have sex with him. That was why he thrust his huge cock into her pussy without giving her a warning because he knew that her pussy would welcome his cock with joy.

"Ahhh...Ah...Ah..." if previously only Shi Fei who was moaning in Xiao Tian's room, Ye Qingyu was also wailing this time.

The reason was simple. Xiao Tian was playing with her vagina using his left hand. Even though Ye Qingyu's body was still sensitive and in a weak state, she did not stop him.

The pleasure she felt was multiplied when Xiao Tian was playing with her body after she had an orgasm, so there was no way she would stop him.

"Ah...Ah...Ah..." currently, Shi Fei was still on top of Ye Qingyu's body.

Because Ye Qingyu kept hugging her, Shi Fei was unable to move her body. Of course, she didn't mind it because all she wanted to do was only moan and wail.

Seconds turned into minutes, and without realizing it, it had been twenty minutes since Ye Qingyu had an orgasm.

At this moment, Xiao Tian finally reached his limit. "Fei, I'm about to cum."

"Me too. Cum inside me, little brother. Let my pussy taste your sperm again." The pleasure Xiao Tian gave was immense, so Shi Fei also had reached her limit.

His huge cock spread her tight pussy repeatedly and reached the deepest part of her vagina, so Shi Fei finally reached her limit after having sex with Xiao Tian for about thirty minutes.

With the tip of his cock hitting her womb repeatedly, Shi Fei was sure every woman would reach their limit faster than usual, including her.

"Fei... I'm cumming... I'm cumming..." Xiao Tian stopped playing with Ye Qingyu's vagina and moved his waist as fast as possible.

Because of how fast his movements were, the sound of his waist hitting Shi Fei's butt echoed in his room. Ye Qingyu's body was even shaking because of this.

"I'm cumming...." Shi Fei and Xiao Tian had an orgasm at the same time.

*Spurtt....

Xiao Tian's white sperm slid into Shi Fei's wet pussy.

"Huft...Huft...Huft..." Shi Fei and Xiao Tian were breathing heavily after having an orgasm.

Because Xiao Tian wanted to rest for a while, he took his cock out of Shi Fei's pussy. However, because his cock was still erect, he stood on his knees beside Ye Qingyu's head right. "Qingyu..."

Even though Xiao Tian did not say directly what he wanted, Ye Qingyu could understand it. She immediately opened her mouth and began cleaning Xiao Tian's cock.

Chapter 890 - Teasing Shi Fei

7-8 minutes

Under the bright electric light, three young people were naked on the bed; two young women and a young man.

The three of them were naked, and a happy smile could be seen on their faces. Even though they were naked, none of them showed the slightest care about it, as if it was normal for them to be naked.

The young man was lying on his back with a gorgeous young woman on top of his body. On his right side, a sexy young lady was hugging his right arm with a smile on her face.

Unlike before, where the room was filled with moans, this time, only the sound of the TV echoed in the room.

"Little brother, do you have any intention of doing foursome with Xue, Ning, and Mrs Ye tomorrow?" Shi Fei inquired.

Because they just finished having a threesome, Shi Fei wanted to know whether Xiao Tian had any intention of doing a foursome with Liu Ning, Lin Xing Xue, and Ye Xueyin or not.

Xiao Tian was startled by her words.

'Why do I feel like my sexy lover always wants me to have a threesome, foursome, or orgy?'

It was not the first time Shi Fei said something like that, so Xiao Tian only smiled at her.

Instead of answering her question, Xiao Tian asked, "Why? Do you want to join again?"

"Hehe. If you can handle four women at the same time, of course, I will join again." Shi Fei answered as she giggled happily. "Because I love having sex with you."

"Are you not afraid I will get tired of having sex with you?" when Xiao Tian asked this question, he only wanted to tease her.

However, Shi Fei had a different thought. Her happy face instantly turned sad, "Little brother, are you tired of having sex with me? You...you won't abandon me, right?"

Her usual cheerful behavior was nowhere to be seen. Shi Fei could not joke around because it was related to something important like that.

She loved Xiao Tian and desired to live together with him forever, so she didn't want him to abandon her.

"Pfft." A suppressed laughter burst out.

It was rare for Shi Fei to behave like that, so it was funny to him. Usually, Shi Fei would take everything positively, unlike her current behavior.

Actually, Xiao Tian himself was also startled earlier. Previously, he thought she would say something like he would never abandon her or something like that.

But he was wrong. He was utterly wrong because she did the opposite.

'Cute!'

Despite that, Xiao Tian was thrilled because, with this, he knew that Shi Fei really loved him and was afraid of losing him.

"Little brother...." Like before, Shi Fei was still wearing a sad expression.

Because Xiao Tian knew that he should stop teasing her, he smiled softly. "Don't worry. I won't do that. Whatever happens, I will always love you. And I also love having sex with you, so there is no way I will get tired of having sex with you. Did you forget what I said the other day at the pool?"

When Xiao Tian and Shi Fei had sex in the swimming pool a few days ago, Xiao Tian said that he would have a lot of sex with her in the future.

When Shi Fei remembered it, her sad face instantly turned into a smile. "I knew it. I knew you were joking around. Hehehe."

"Eh! You are not sad anymore?" Xiao Tian teased her again.

"Of course not! Because I know you really love me and will never abandon me." Shi Fei's behavior returned to normal. "I also know that you will keep loving me and spoiling me. Hehe."

"And I will keep having sex with you too." Xiao Tian added before chuckling.

"Yes. We will have a lot of sex in the future." Shi Fei spoke excitedly. "I'll make you think of nothing but my naked body and my pussy every day."

"Oh! That's actually not a bad idea." Xiao Tian uttered,

"Haha." Xiao Tian and Shi Fei chuckled happily.

Shi Fei then shifted her gaze from Xiao Tian to Ye Qingyu, who was sleeping on top of Xiao Tian. "It seems like Miss Ye has a good dream."

After having sex for two hours, Ye Qingyu instantly fell asleep. She was tired and satisfied at the same time. That was why she was sleeping soundly.

Xiao Tian's face broke into a smile when he saw Ye Qingyu's sleeping face. "She is older than me, but it seems like I'm the older one here."

At this moment, Ye Qingyu looked like a teenager who was sleeping in her lover's embrace. Her peaceful face gave a sign that she felt comfortable sleeping in her lover's embrace.

"Oh, right, little brother. All your women are older than you. Are you planning to find a new lover later? A lover who is younger than you?" Shi Fei inquired.

Ye Qingyu, Ye Xueyin, Shi Fei, Liu Ning, Lin Xing Xue, or Yun Xin Er. All of them were older than him. The gap between their ages was even quite big, especially the age gap between Xiao Tian and Ye Xueyin.

Ye Xueyin was already thirty-six years old, while Xiao Tian was still twenty years old. The age gap between them was sixteen years old.

Not only that, the age gap between Xiao Tian, Shi Fei, and Lin Xing Xue was also quite big. Both Shi Fei and Lin Xing Xue were thirty years old now.

Even Ye Qingyu was already twenty-nine years old. Only Yun Xin Er, who was still twenty-four years old.

"Why are you asking this question?" Xiao Tian inquired, "Isn't it the same? Whether she is older or younger than me, I never cared about it. As long as I love someone, I will love that person."

Xiao Tian never cared about age. As long as he loved someone, he would love that person unconditionally.

"I just want to know." Shi Fei answered honestly.

"Alright. Stop asking a question. Let's sleep now." Xiao Tian uttered,

"Un." Shi Fei then shut her eyes.

The following morning, Xiao Tian woke up at 06:10 am. He could only sigh when he noticed he was alone in his room.

'It seems like Fei and aunt are cooking breakfast.'

Xiao Tian then headed to the bathroom to take a shower.

'Ah! A cold shower in the morning is the best.'

After putting on clothes, Xiao Tian headed to the dining room to eat breakfast with his women. As usual, Xiao Tian went straight to his Eternal Beauty company after breakfast.

Xiao Tian worked for about two hours before finally traveling to Red Flower Bar.

Red Flower Bar, Private Room.

"I really don't want to go to that old man's house today." Xiao Tian had a lot of work, so he didn't want to go to Lian Xun's house.

Every second was important for him, so instead of going to Lian Xun's house, he preferred to work so that he could finish all his work.

"Well, it can't be helped." Lan Ruoxi uttered, "If you want a sword, you have to work. Otherwise, you will get nothing later."

"Sigh." Xiao Tian sighed helplessly again.

As Xiao Tian was thinking about his bad luck, his smartphone suddenly rang.

'Crystal?'

Without waiting for another second, he picked up the phone. "Hello?"

"Xiao Tian, I have something important to tell you." Crystal uttered, "Can we meet now?"
