Chapter 891 - I Will Think About It

"Xiao Tian, I have something important to tell you." Crystal uttered, "Can we meet now?"

At first, Crystal wanted to say it over the phone, but she changed her mind when she remembered that what she wanted to say was something important.

And also it would be difficult to discuss it over the phone. That was why she decided to discuss it with Xiao Tian in person.

Xiao Tian was startled by her words.

'Something important? Is this related to her master?'

Xiao Tian suddenly suspected it was related to Yu Shi because Yu Shi was always forcing Crystal to do something lately like being his lover, going on a date with him or being his wife.

Xiao Tian really had no idea as to why Yu Shi wanted to match up Crystal with him so badly.

Sure, Xiao Tian knew that he was cool, good-looking, kind, popular, rich, genius, tall, and had beautiful smile, but he still didn't get her train of thought.

"We can meet if it's not long because I'm going to Lian Xun's house soon." actually, Xiao Tian wanted to meet Crystal because he was curious about what she wanted to say.

However, if he came late to Lian Xun's house, he was worried that Lian Xun would be angry and decided to stop making a sword for him.

"When do you have free time?" because there were many things she wanted to say, Crystal thought it would take a long time.

"How about we meet at 04:00 pm?" it was more than an hour to reach his house from Lian Xun's house, so Xiao Tian could only meet her at 04:00 pm.

"All right." Crystal answered, "Please inform me later."

"Un." After that, Xiao Tian hung up the phone.

"Your new lover want to go on a date with you again, huh?" Lan Ruoxi spoke abruptly.

"Isn't my new girlfriend you?" Xiao Tian said jokingly.

"You can still joke around, huh?" after saying that, Lan Ruoxi rose to her feet. "Let's go."

After rising from his seat, Xiao Tian spoke, "Lady Lan, how about you ride the motorbike this time?"

As usual, Xiao Tian tried to take advantage of the situation. It felt great to hug Lan Ruoxi from behind, so he wanted to be the pillion passenger.

Lan Ruoxi stopped her footsteps and turned her head to look at Xiao Tian. "You want to be the pillion passenger?"

"Yes." Xiao Tian replied as he nodded his head. "My right shoulder hurt a little now, so it will be dangerous for me to be the rider."

Of course, he was lying to her because his right shoulder was fine.

Lan Ruoxi's lips curled into a grin. "Sure. I will be the rider later."

'As usual, he wants to take advantage of the situation again. It seems like I have to punish him again.'

With that idea in mind, Lan Ruoxi wanted to ride the motorbike fast again, like what she did last time.

"But you have to ride the motorcycle slowly this time. Remember, safety always comes first." Xiao Tian didn't want to have an accident, so he gave her a warning to ride the motorcycle slowly later.

"I will think about it." Of course, Lan Ruoxi would ignore his words because she wanted to punish him for always wanting to take advantage of the situation.

Then Xiao Tian and Lan Ruoxi traveled to Lian Xun's house. Like what they had agreed before, Lan Ruoxi was the rider while Xiao Tian was the pillion passenger.

Because Lan Ruoxi wanted to punish him for always wanting to take advantage of the situation, Lan Ruoxi rode the motorbike fast.

Lan Ruoxi didn't care even though there were many cars and motorbikes on the road. She wanted to punish him, so she kept riding the motorbike fast.

Her actions made Xiao Tian afraid. Because he did not want to die for the second time, Xiao Tian told her to stop the motorbike.

Lan Ruoxi could not help but giggle when Xiao Tian said he would be the rider. She was pleased because she managed to punish him.

Like yesterday, Xiao Tian and Lan Ruoxi did their tasks after arriving at Lian Xun's house. They spent time at Lian Xun's house for several hours before finally, they went home.

Because Xiao Tian's body was full of sweat, he went home to take a shower. After that, he informed Crystal that he could meet her.

Xiao Tian and Crystal decided to meet at Bamboo Restaurant because it was close to their houses.

Bamboo Restaurant, Private Area.

"So, what do you want to say?" Xiao Tian asked curiously,

Currently, Xiao Tian and Crystal were sitting on the chairs, facing each other.

"My master wants us to have sex." after thinking for several seconds, Crystal decided to tell the truth.

Xiao Tian was startled by her words, but he did not show it on his face.

'Holy hell! Her master is really a crazy old woman. Why did her master do this? I know it's normal for lovers to have sex, but isn't this too fast?'

Xiao Tian really did not get Yu Shi's train of thought.

"So, what was your answer?" Xiao Tian asked curiously.

"I told her it was too fast for us to do that." Crystal gave an honest answer. "However, she insisted on wanting us to have sex."

Xiao Tian touched his chin and replied, "This is a complicated problem."

"Yes." Crystal nodded her head. "And I'm sure she will follow us in secret again later."

"Then, it will become a lot harder for us to fool her." actually, Xiao Tian had found one idea, but after remembering that Yu Shi would follow them in secret later, he decided not to use it because there was a high possibility that she would know everything.

Yu Shi still had no idea that Xiao Tian and Crystal were only fake lovers. If she had known the truth, she would have been disappointed, and the relationship between her and Crystal could be ruined later.

That was why they had to hide it no matter what happened.

'I need to find a flawless idea because this is very important.'

Even though he said that in his head, but finding a good idea was difficult.

Like Xiao Tian, Crystal was also trying to find a good idea.

'Sigh. Why does master want me to have sex with Xiao Tian so badly?'

Yu Shi knew that she was still a virgin, so Crystal did not get Yu Shi's train of thought.

At this time, Xiao Tian wanted to ask Lan Ruoxi and Zhao Sheng for help, but he changed his mind after remembering that no one should know that she was his fake lover.

*One second...Two seconds...Three seconds....

Because Xiao Tian and Crystal were trying to find a good idea to solve their problem, none of them said a word.

As if God took pity on Xiao Tian, he finally found a good idea. "Crystal, I have found a good idea."

Crystal instantly looked at Xiao Tian with a face full of curiosity. "What is it?"

She really wanted to know his idea.

Without waiting for another second, Xiao Tian answered, "My idea is...."

Chapter 892 - Will She Not Notice It Later?

7-8 minutes

Xiao Tian began telling Crystal about his idea. His idea was to pretend to have sex. They would stay in the same room and make noises as if they were having sex, like moaning.

At first, he wanted to pay prostitutes to have sex next to them to make it look more like they were having sex, but he changed his mind after thinking for a few seconds.

Xiao Tian also told her that they could download the sound of people having sex from the internet and play it later.

"Will she not notice it later?" Crystal inquired.

"I don't know." Xiao Tian was not God, so he had no idea what would happen in the future.

"Let's use your idea." Because Crystal could not come up with a better idea, she decided to use Xiao Tian's idea. "If she finds out later, let's just say sex is too fast for us."

"Yes. We can say it if we get busted later." Xiao Tian agreed with her words.

Because they had nothing to discuss anymore, they went home.

Xiao Tian's Mansion, His Bedroom.

"Big sister Yun, when will you return to Shanghai?" Xiao Tian inquired.

Currently, Xiao Tian was calling Yun Xin Er. Because Yun Xin Er had a concert tour, he could not meet her.

"Hehe. What's wrong? Do you miss me?" Yun Xin Er giggled happily.

Actually, Yun Xin Er also missed Xiao Tian because it had been more than two weeks since the last time they met.

However, because she was doing a concert tour, she still could not meet him. There were still several cities to visit. At least, it would take another two to three weeks until she finished her concert tour.

"Just resign from your job and be my sugar baby. I will spoil you every single day. Hehe." Xiao Tian said jokingly.

"Can you really spoil me? Did you know you would need a lot of money to spoil me?" of course, Yun Xin Er knew that Xiao Tian was only joking around because he had told her that he would let her do whatever she wanted.

"Of course, I can. I have a lot of money, you know?" Xiao Tian said proudly.

"If you want to spoil me, you have to raise your family status to an upper-class family first. Hehe." Like the others, Yun Xin Er still had no idea that Qing Feng was Xiao Tian. "Otherwise, you won't be able to spoil me later."

It was not like Xiao Tian didn't want to tell her about it, but he could not reveal his secret identity to just anyone. Of course, he would tell the truth if she agreed to be his lover later.

"I will raise my family status soon. Just you wait. Hehe." Xiao Tian did not tell her that he had raised his family status to a mid-upper class family because it was not the right time to do that.

"Little brother, let's talk again. I have to go now." even though Yun Xin Er still wanted to talk with Xiao Tian, she had to end the phone because she had something important to do.

"Tell me when you are free. I will call you again." Because Xiao Tian knew that she was busy, he could not do anything.

He had to understand her position or else, they could fight later. He did not want them to fight for petty matters because he wanted to make her always happy.

"All right." After saying that, Yun Xin Er hung up the phone.

Xiao Tian then headed to the family room to talk with his women.

"Little Xue, Ning, where are my mother, aunt, and Fei?" Xiao Tian was startled when he only saw Lin Xing Xue and Liu Ning in the family room.

Usually, all of his women were in the living room at night.

"They are in the backyard." Liu Ning answered.

"I see." After saying that, Xiao Tian sat between them. "Then, let's enjoy ourselves."

On the terrace of a small house, an old woman was sitting on the rocking chair. A gentle breeze was hitting her old body, causing her hair to dance softly.

Even though she was looking at the beautiful moon, a hint of sadness could be seen on her old face. She let out a soft sigh before slowly lowering her head.

When she saw her old hands, she sighed softly again before closing her eyes. Yes. that old woman was none other than Yu Shi, Crystal's martial arts master.

As she was closing her eyes, a piece of memory suddenly appeared in her head.

"Elder Yu, I can't cure your injuries." A middle-aged man in a doctor's uniform shook his head. "I have asked many friends, but none of them know how to cure your injuries."

Yu Shi then opened her eyes and mused, "Crystal...."

Yu Shi had severe injuries, or more precisely, she had internal injuries. She got these injuries when she fought someone in the past.

Until now, her injuries still had not healed; instead, it was getting worse. She had met many doctors, but none of them could cure her wounds.

Some of them even said she would die soon. Yu Shi believed their words because she could feel that her body was getting weaker every day.

This was the reason why Yu Shi wanted Crystal to be Xiao Tian's lover. If she died later, Crystal would be alone in this world.

Crystal was an assassin and walking on a dangerous path, so it would be dangerous if no one could protect her.

At first, she wanted to match Crystal with someone else, but she changed her mind after learning about Crystal's relationship with Xiao Tian.

Xiao Tian had strong supporters like Lan Ruoxi and Shi Fei, so in her view, he was a perfect candidate to be Crystal's lover because, with this, Xiao Tian, Lan Ruoxi, and Shi Fei would help Crystal if Crystal was in danger later.

Her injuries were getting worse lately, and she could feel that she would die soon. Even though she had given her life to fate, but the truth was, she didn't want to die.

She did not want to leave Crystal alone in this cruel world. She still wanted to be by Crystal's side, seeing Crystal get married or seeing her children.

However, she could not do anything. She just hoped there would be a miracle later because deep inside her, she didn't want to die.

Yu Shi then lifted her head to the sky and prayed, "God, please give me your miracle."

Xiao Tian's Mansion, His Bedroom.

Currently, Xiao Tian, Liu Ning, and Lin Xing Xue were lying on the bed while watching TV. When they were talking in the living room earlier, Xiao Tian suddenly dragged them to his room, saying he wanted to spend time with them in his bedroom.

Of course, Liu Ning and Lin Xing Xue did not refuse his wish because they also loved spending time with him.

"This movie is good!" Xiao Tian spoke abruptly. "It's so funny."

"Un. This movie is funny." Lin Xing Xue and Liu Ning replied in unison.

"Tian. I want to ask something." Lin Xing Xue uttered,

"Hmm? What is it?" Xiao Tian inquired,

Lin Xing Xue opened her mouth and was ready to throw her question.

Chapter 893 - You Are Almost A Pervert King Now

6-8 minutes

There was one question she had always wanted to ask for a long time. However, she never had the right time to ask that question.

And the main reason was that she and Xiao Tian broke up at that time. That was why she felt as if the words stuck in her throat every time she wanted to ask that question.

But now she decided to ask that question because, in her view, it was the right time.

"Is Qing Feng your other identity?" it took Lin Xing Xue three seconds before asking this question.

"Yes." Xiao Tian gave an honest answer. "Qing Feng is one of my secret identities."

Because Lin Xing Xue was now one of his women, he decided to tell the truth. All his women already knew about it, so it would be unfair if he lied to her.

"Thank god." Lin Xing Xue was relieved when she found out that Qing Feng was Xiao Tian.

"Now it's my turn." Xiao Tian looked at Liu Ning and Lin Xing Xue. "How about we have sex now? We've never had a threesome before, so I wanted to do it now."

Of course, Xiao Tian was joking around because he wanted to tease them. However, Liu Ning and Lin Xing Xue had different thoughts.

Liu Ning and Lin Xing Xue instantly stared at Xiao Tian. Even though they had had sex with him many times before, but they had never had a threesome with Xiao Tian.

For this reason, Liu Ning and Lin Xing Xue were shy to answer it. Of course, they would welcome it happily if he really wanted to have sex with them, but at that time, none of them said a word.

"Pfft!" Xiao Tian tried to hold back his laughter, but he failed when he saw their expressions. "Hahaha."

Their expressions were so funny, causing Xiao Tian to laugh happily. Actually, he had expected that they would put on such expressions because he knew them well.

"I was joking, you know?" at this moment, Xiao Tian was still laughing. "I've always teased you two using this method, but I didn't expect you to still believe it."

"Because you are a big pervert!" Lin Xing Xue stated,

"Yes. You are a big pervert!" Liu Ning added.

Since Lin Xing Xue and Liu Ning knew that Xiao Tian was a pervert, they always thought he was telling the truth if it was related to sex.

"Big pervert?! Have I evolved from a pervert to a big pervert?" Xiao Tian did not mind it when they called him a big pervert because sometimes he behaved like a pervert when he was with his women.

"Yes." Lin Xing Xue replied, "You are almost a pervert king now."

"Pervert king?! It seems like I have to try my best now. I don't want to be a perverted king because my dream is to be a pervert emperor."

Xiao Tian behaved as if the pervert emperor was a supreme pervert and a title that all men dream of.

"Hehe." Lin Xing Xue and Liu Ning giggled after hearing his words.

"Sometimes, you are weird too." Liu Ning stated.

"Yes. I think so too." Lin Xing Xue added.

"Hehe." Like before, Xiao Tian laughed happily.

That night, Xiao Tian, Lin Xing Xue, and Liu Ning talked happily. They spoke until 11:00 pm before they finally slept.

The following morning, Xiao Tian went to Star Clothes company after having breakfast with his women.

As usual, Xiao Tian only worked for two hours before finally going to Lian Xun's house with Lan Ruoxi.

Xiao Tian was pleased because his sword would be finished soon. Because of this, Xiao Tian did his tasks with a smile on his face.

"Good! The plants have been watered, and the yard is clean. Now it's time to go to the waterfall." After saying that, Xiao Tian walked towards Lan Ruoxi.

Xiao Tian's mood was good today. He felt as if the Gods and goddesses blessed him.

Without giving her a warning, Xiao Tian held Lan Ruoxi's right hand and dragged her to the waterfall.

"Lady Lan, let's enjoy ourselves in the waterfall."

The waterfall was the place for Xiao Tian and Lan Ruoxi to relax after doing their tasks. They felt their tiredness suddenly disappear when they were at the waterfall.

That was why Xiao Tian and Lan Ruoxi always headed to the waterfall after doing their tasks.

"It seems like someone is happy today." Of course, Lan Ruoxi knew the reason why Xiao Tian was thrilled.

"Don't you see the dazzling smile on my handsome face? This is a sign that I'm pleased right now." Xiao Tian did not forget to praise himself.

"As expected of young master Xiao, you never forget to praise yourself in any situation. Hehe." Lan Ruoxi could not help but giggle when Xiao Tian praised himself proudly as if he was the most attractive man in the world.

The smile on Xiao Tian's face grew bigger after hearing her words. He did not feel shy because he was indeed an attractive young man.

Inside the living room, two people were sitting on the couch; a young woman and an old woman.

The old woman was sipping her tea while closing her eyes. A soft smile formed on her old lips after sipping the tea.

As for the young lady, she was looking at the old woman with a surprised expression. Her lips repeatedly moved as if she wanted to say something to the old woman.

But despite that, no words came out of the young lady's mouth as if the words were stuck in her throat.

After the old woman put the tea on the table in front of her, she uttered, "Crystal, I have booked a room for you and Xiao Tian, so you can't refuse my idea or else, I will lose my money later because I can't refund the money."

"Master, you know I'm still a virgin, right? Do you want me to do it with Xiao Tian so badly?" Crystal replied, "You know it's important for me, right?"

"Wouldn't that be better?" of course, Yu Shi knew that Crystal was still a virgin because her disciple only trained martial arts all this time. "With this, Xiao Tian will treat you more special because you will give your virginity to him."

Crystal was speechless. She didn't know what to say anymore. She kept asking her master why her master wanted her to have sex with Xiao Tian so badly, but her master never gave her an answer.

Sure, she had discussed this with Xiao Tian, but she still hoped that she could change Yu Shi's mind. However, it seemed like Yu Shi would not change her mind no matter what.

Yu Shi had even booked a room for him and Xiao Tian to have sex.

"Please give me one more day to think about this." Crystal wanted to discuss this with Xiao Tian again later.

"All right." After saying that, Yu Shi rose to her feet. "Let me know when you've made up your mind."

"Un." Crystal nodded her head.

Yu Shi, who was about to leave, suddenly stopped her footsteps. "Crystal, please remember I did this for you. I hope you will agree with my idea."

Chapter 894 - Do You Want To Test It?

7-8 minutes

Under a big three, two young people were sitting on the wooden bench; a young man and a young woman.

The young woman wore a helpless face and kept letting out a soft sigh from her little mouth. On her right side, a young man was leaning his back against the backrest of the wooden bench.

Like the young woman, the young man also wore a helpless expression. He tilted his head back and looked at the blue sky.

From their faces, anyone could tell that they were facing a complicated problem. A problem that could make them feel helpless.

"I didn't expect it to be so fast." Xiao Tian spoke abruptly,

Xiao Tian immediately met Crystal after leaving Lian Xun's house. At first, they wanted to meet at Bamboo Restaurant like yesterday, but they changed their mind and decided to meet at the nearby park.

"Me too." Crystal uttered, "My master wants us to stay at the inn tomorrow. I hope you can tell your women tonight."

The reason why she met Xiao Tian was that she wanted to tell him to prepare himself. She didn't want Xiao Tian to fight with his women later because it would make her feel guilty.

"Un. I will tell them later." because he would stay at the inn with Crystal later, of course, Xiao Tian had to tell his women because he had promised not to hide anything from them.

He just hoped that they would understand his position later because he was doing this for the sake of helping his friend.

"How high is the percentage of your idea succeed later?" Yesterday, Xiao Tian gave her an idea, so Crystal wanted to know how high the percentage of his idea would be.

"Fifty percent." Xiao Tian gave an honest answer.

Their problem was very complicated so Xiao Tian did not dare to guarantee that they would succeed later.

"Fifty percent, huh?" Crystal uttered,

'Well, fifty percent is already high.'

Actually, Crystal hoped that Xiao Tian would say seventy percent or above that because this was something important for her.

However, she could not do anything because she knew that their problem was very complicated.

"What about you? Have you prepared everything?" Xiao Tian told her to download sex sounds from the internet yesterday.

"Yes." Crystal replied before sighing again.

"Well, it can't be helped." Xiao Tian could understand the anxiety Crystal was feeling. "Let's hope the goddess of luck will be on our side later."

Crystal rose to her feet and turned around, "I will inform you later."

"All right." Xiao Tian responded.

Then Xiao Tian and Crystal went home.

Xiao Tian's Mansion, His Room.

Currently, Xiao Tian was lying on the bed. He kept thinking about what he should do tomorrow because he didn't want the relationship between Crystal and her master to be ruined.

Previously, he had told his women that he would not go home tomorrow. Luckily, his women didn't ask many questions earlier.

Of course, he had told them the truth because he didn't want to hide anything from them anymore.

*Click...

Xiao Tian instantly turned his head when he heard someone opening the door and entering his room.

'Oh! My sexy lover has come.'

Xiao Tian's face broke into a smile when he saw Shi Fei.

Because Xiao Tian was lying down on the bed, Shi Fei instantly laid on his right side with her head on his right arm. "What are you thinking, little brother?"

"I'm thinking about my sexy lover." Xiao Tian smiled as he pinched Shi Fei's nose.

'I will think about it later. For now, I want to enjoy my time with my sexy lover.'

Because he was with Shi Fei, Xiao Tian did not want to think about another woman.

"You must be thinking about my naked sexy body, right? Hehe." Shi Fei giggled after saying that.

'It seems like that old hag did something to little brother again. Should I kill that old hag tomorrow?'

Shi Fei was sure it was related to Yu Shi. However, she decided not to ask more questions because she didn't want to make him uncomfortable.

Shi Fei didn't want to make the atmosphere heavy. That was why she decided to play along with his joke.

She just hoped that it could reduce his stress later. After all, she could not do anything because Xiao Tian did not want to tell her about it.

"Oh! It seems like my sexy lover can read my mind." Xiao Tian pretended as if what she said was true.

"Did you get superpowers like the actors and actresses in the movies?"

"That's right. Do you want to test it?" Shi Fei behaved as if she had a superpower.

"Sure. I really want to know what your power is." Xiao Tian wore a curious face as if he believed her words.

"My power is....to make people laugh." After saying that, Shi Fei tickled Xiao Tian.

"Hahaha." Xiao Tian laughed instantly when Shi Fei suddenly tickled his waist. "Hey, this is not a superpower. You are just tickling me."

Xiao Tian did not do anything when Shi Fei was tickling him. He only kept laughing.

"It's the same because the goal is to make people laugh." Shi Fei responded instantly. "How is it? Do you believe I have a superpower now?"

"Yes, yes. I believe it. I believe my sexy lover has a superpower." Xiao Tian uttered, "Now I'm sure that my lover is the best woman in the world."

"Of course." Shi Fei praised herself shamelessly. "I'm indeed the best woman in the world."

"Hehehe." Shi Fei and Xiao Tian laughed together.

Shi Fei and Xiao Tian then watched TV together in his room. That night, they really enjoyed their time and slept at 11:50 pm.

As usual, Shi Fei slept in Xiao Tian's embrace.

The following morning, Xiao Tian practiced martial arts for thirty minutes before going to the Red Flower bar.

He decided not to work because he had to finish his tasks quickly. Today, he would go somewhere with Crystal, so he had to finish everything quickly.

After finishing his tasks, Xiao Tian told Lian Xun that there was a possibility that he would not be able to come to his house tomorrow.

He also said that he would call maid service if he could not come tomorrow. After arguing with Xiao Tian for several minutes, Lian Xun finally agreed.

Xiao Tian then went home to prepare himself before traveling to Crystal's apartment.

Crystal's Apartment, Living Room.

"Where is your master?" Xiao Tian asked curiously.

Previously, he thought he would meet Yu Shi in her apartment, but he was wrong.

"I don't know." Crystal replied, "She came here early but only to give me the booking room documents."

Because Xiao Tian wanted to know the location of the inn, he immediately read the documents. "Zihu inn?"

'Isn't this city near the underground arena where I met my junior brother?'

Zihu inn was located in Wuzho city, the city where he met Ren Aoxu.

Xiao Tian then rose to his feet and spoke, "Let's go."

"All right." Crystal replied as she nodded her head.

Then Xiao Tian and Crystal went to Zihu inn using his car.

Chapter 895 - Your Lover Is So Attractive

7-8 minutes

After driving for more than forty minutes, Xiao Tian and Crystal finally arrived at Zihu Inn.

'Oh! So it's a traditional inn, huh?'

Xiao Tian was startled when he saw the inn.

He thought it was a modern inn, but he was wrong. Zihu inn was big, and the building was made of wood.

After getting out of the car, Xiao Tian and Crystal instantly entered the inn. The expression of deep shock blossomed on the faces of Xiao Tian and Crystal the moment they entered Zihu inn.

The person who they thought would follow them in secret was sitting on the couch in front of the reception area. She was sipping her tea calmly as if she was the owner of the inn.

Crystal walked towards Yu Shi and inquired, "Master, what are you doing here?"

After putting the tea on the table, Yu Shi looked at Crystal and responded, "Oh! You have arrived?"

"I thought you would follow us in secret later." Crystal inquired.

"Why should I do that?" at first, Yu Shi wanted to follow them in secret, but she changed her mind.

If she followed them in secret, she would not be able to carry out her plan or tell her disciple what she had to do later.

At this moment, Xiao Tian only sat on the opposite side of Yu Shi without saying anything. He was curious about Yu Shi's plan because everything was not like what he thought it would be.

Yu Shi then shifted her gaze from Crystal to Xiao Tian. "Xiao Tian, I want a grandson so that he can protect Crystal later."

Her words much surprised Xiao Tian, but he did not show it on his face.

'Holy hell! This old woman is crazy! I haven't even impregnated my woman, and she already wants me to impregnate Crystal? What kind of nonsense is this?'

Like before, Xiao Tian didn't say anything and behaved as if he heard nothing.

Like Xiao Tian, Crystal was also startled by Yu Shi's words. "Master, what are you saying?"

"Why? I only want a grandson. Is that wrong?" Yu Shi behaved as if Xiao Tian and Crystal were a married couple.

"It's not wrong, but Xiao Tian and I are only lovers, not a married couple." Crystal still found it hard to believe what she was hearing.

'Master is getting crazier nowadays.'

She added in her head.

First, Yu Shi wanted her to be Xiao Tian's wife, and now, Yu Shi wanted a grandson. Lately, she really didn't get Yu Shi's train of thought.

At this moment, an old woman about sixty years old walked towards them with a smile on her face. "It seems like all of you are having fun."

Yu Shi shifted her gaze from Crystal to the old woman. "Oh, Aki! I thought you were busy today."

Xiao Tian turned his head to look at the old woman.

'Hmm? Japanese person?'

From her face, Xiao Tian was sure that the old woman who just spoke was a Japanese person.

"It has been a long time since the last time we met, Yu Shi." After saying that, Aki looked at Crystal. "You have grown into a beautiful woman now, Crystal."

Crystal was still a high school student the last time Aki saw Crystal.

"You are?" Crystal didn't remember who Aki was.

"She is Kitahara Aki. You have met her twice in the past." Yu Shi introduced her friend to Crystal. "She is the owner of this inn."

"Nice to meet you, elder Kitahara." Crystal said politely.

Kitahara Aki smiled softly before turning her head towards Xiao Tian. "Is he your boyfriend?"

"Hello, elder. I'm Xiao Tian, Crystal's boyfriend." Xiao Tian introduced himself as he smiled.

Kitahara Aki returned her attention to Crystal and spoke, "Your lover is so attractive and has a beautiful smile too. Now I know what made you fall in love with him."

"Yeah." Because Xiao Tian was her fake lover, Crystal could not deny it.

"Oh right, how about I guide you to your room now?" Kitahara Aki knew the reason why Crystal and Xiao Tian were at her inn because Yu Shi had told her yesterday.

"All right." Xiao Tian and Crystal answered in unison.

When Xiao Tian, Crystal, and Kitahara Aki were heading to the room, Yu Shi did not move from her place.

As he was going to his room, Xiao Tian swept his gaze around

'As I thought, this is a traditional Japanese inn.'

After learning who the owner of the inn was, Xiao Tian thought it was normal.

Kitahara Aki opened the sliding door and spoke, "This is your room."

The room was big with a short-legged wooden table in the middle of it. Two chairs were placed facing each other next to the table, but the chairs had no chair legs.

Except for the chairs and table in the middle of the room, there was nothing. When Xiao Tian swept his gaze around, he saw a sliding door in each side of the room.

The bedroom was on their right while the lounge was in front of them. On their left side, there was a sliding door that would lead them to the bathroom and outdoor hot spring.

Kitahara Aki then looked at Xiao Tian and Crystal. "I hope you like the room."

"Yes. I like it." Xiao Tian and Crystal answered in unison.

"Then I will take my leave now. Enjoy yourself." After saying that, Kitahara Aki left.

After putting her bag on the floor, Crystal headed towards the lounge.

*Zsssss....

Crystal opened the sliding door.

Her face broke into a smile when she stepped into the lounge. "Beautiful!"

The room was not big, but it was pretty long. From the lounge, Crystal could see many trees.

'It's so beautiful.'

Crystal was able to see the beautiful scenery outside because half of the walls were made of glass.

Like in the main room, there was a wooden table and two chairs in the lounge. But the difference was that it was an ordinary wooden table and chairs.

Xiao Tian then entered the lounge and sat on the chair. "The scenery here is beautiful."

"You are right," Crystal responded as she nodded her head.

Under a big tree, two old women were sitting on the wooden bench. One of them was touching her chin with her right hand as if she was thinking about something important.

These two old women were none other than Yu Shi and Kitahara Aki.

"So, that's your plan, huh?" Kitahara Aki spoke abruptly.

"Yes." Yu Shi answered, "You know I have serious injuries, right? Some doctors even said I would not live long, so I wanted to ensure that Crystal would not be lonely if I died later. With this, not only would Crystal get a lover, but someone would also protect her. It's like killing two birds with one stone."

"Is there really no one who can heal your injuries?" Kitahara Aki inquired.

In the past, they often went out together, and Yu Shi's master was her parents' friend. It could be said that she was the only one who knew Yu Shi's true identity.

Yu Shi looked at the sky with a sad face. "If I could, I would like to live for a long time. I don't want to leave Crystal alone in this cruel world. That child had lost her parents when she was little. I really don't want her to be sad again."

At this moment, a voice suddenly rang out. "Master...."

Chapter 896 - Sadness

6-8 minutes

Kitahara Aki and Yu Shi instantly turned their heads towards the source of the sound. When Yu Shi saw the person who had just spoken, her face turned worried.

'Did she overhear your conversation just now?'

Yu Shi didn't expect that her disciple would be near her.

Previously, she thought Crystal was in Crystal's room with Xiao Tian, but she was wrong. "Crystal, what are you doing here?"

Yu Shi still behaved normally because she still didn't know whether Crystal overheard their conversation or not.

"Child, why are you not with your boyfriend?" Kitahara Aki inquired,

Instead of answering, Crystal inquired, "Answer me, is it true that you are sick?"

Previously, Crystal left her room because she wanted to talk with her master. She wanted to try to change her master's mind.

She did not expect that she would hear something shocking. But what saddened her the most was that it was not good news; instead, it was the opposite.

Yu Shi could only sigh.

'So, she heard everything, huh?'

From Crystal's expression and behavior, Yu Shi was sure that Crystal had heard her conversation with Kitahara Aki earlier.

Because Yu Shi didn't say anything, Crystal asked again, "Why didn't you say something? Is the reason why you want me to be Xiao Tian's wife because you are sick? And is it true that you won't have long to live? Tell me!"

Tears fell down Crystal's soft cheeks. Yu Shi was her only family, so the thought of her losing Yu Shi made her sink into sadness.

Her parents had passed away when she was little, and now Yu Shi was about to leave her forever too. Yu Shi was the reason why she could live until now, so she did not want Yu Shi to die.

She had no idea what would happen to her if Yu Shi died because Yu Shi was the only light in her life.

Yu Shi made Crystal sit next to her and wiped off Crystal's tears. "Crystal, I won't lie to you anymore. It's true that I'm sick now. I have serious internal injuries since a few years ago."

"Why didn't you tell me about this? Why did you hide it from me? Am I not important to you?" Crystal could not control her emotions, and as a result, tears kept falling down her cheeks.

"Child, it's not like she wants to hide everything from you. It's because she doesn't want to make you sad." Of course, Kitahara Aki understood Crystal's feelings.

She was sure anyone would behave like Crystal if they knew the most important person in their life was about to pass away.

"Crystal, stop crying." Yu Shi spoke softly. "I have tried to cure my injuries, but no one can do that. It's fate, and we can't change it."

Crystal was also important for Yu Shi, so she felt sad when she saw Crystal crying like that. This was the reason why she tried to hide everything from Crystal because she didn't want to make Crystal sad or cry.

"Is there really no one who can heal your injuries?" Crystal inquired

"Yes." Yu Shi replied as she nodded her head. "All the doctors I met said they could not cure my injuries."

Yu Shi had met more than twenty doctors in the past few years, but none of them could heal her injuries. That was why she would let fate decide everything.

"So the reason why you want me to be Xiao Tian's wife is that you don't want me to be alone after you die, right?" Crystal finally understood everything.

"Yes." this time, Yu Shi gave an honest answer, not lying like before. "I also hope you can give me a grandson or granddaughter before I die."

There were only two things that Yu Shi wanted now. First, she wanted Crystal to be happy, and second, she desired to have a grandson or granddaughter.

She was already old, so she wanted to resign from being an assassin and spend her time with her grandson or granddaughter.

That was why she wanted Crystal to have sex with Xiao Tian because he was the best candidate to be Crystal's husband.

Sure, Xiao Tian had a lot of women, but she didn't mind it. As long as Xiao Tian could make Crystal happy and give her a grandson or granddaughter, she would not care about anything else.

Crystal bit her lower lip, and complicated feelings suddenly arose within her. She did not want to have sex with Xiao Tian for now, but at the same time, she was afraid that it would be Yu Shi's last wish before she died.

Of course, Crystal didn't want Yu Shi to die because Yu Shi was everything for her. For this reason, Crystal rose to her feet and left.

Yu Shi raised her right arm forwards and spoke, "Crystal...."

"Yu Shi, don't stop her. She needs some alone time now." Kitahara Aki uttered,

Yu Shi could only sigh. She knew that Crystal's mind was in a mess now. She just hoped nothing bad would happen to Crystal later.

Crystal was walking aimlessly. She was thinking about everything, from Yu Shi's wishes to how to find a doctor who could heal Yu Shi's injuries.

She then sat on the wooden bench and stared at the sky. Like before, her face was still clouded with sadness.

She continued to sit on the wooden bench for hours without any sign of moving as if she were a statue.

Under the moonlight, a young man was enjoying himself in the hot spring. The hot spring was not big, but it was quite long.

On the right side of the young man, two wooden pool lounge chairs were placed next to each other, while the bathroom was located on his left side.

Even though it was an outdoor hot spring, he was not afraid that someone would peek at him because a three-meter-high bamboo wall surrounded the hot spring.

The smile on the young man's face grew bigger when he saw the beautiful moon in the sky. Yes. That young man was none other than Xiao Tian.

'Where did Crystal go?'

It had been more than three hours since she left, but she still had not returned until now.

He thought they would discuss their plan again, but he did not expect her to leave like that. Not only that, there was not even any sign of Yu Shi planning to do something to him.

'Well, forget it. It's better to enjoy this beautiful night.'

It had been a long time since he last came to the hot springs, so he wanted to enjoy himself.

After several minutes, Xiao Tian left the hot spring. He didn't want to soak in the hot springs for a long time because it would make him dizzy later.

After putting on his clothes, Xiao Tian sat on the chair in the main room.

*Szzz...

The sound of someone opening the sliding door could be heard in his ears.

Xiao Tian instantly turned his head towards the source of the sound. When he saw the person who had just opened the door, he smiled and spoke, "Oh, you have arrived?"

Crystal, who was standing in front of him, suddenly did something unexpected. Something he had never thought of before.

Chapter 897 - I Will Help You But On One Condition

7-8 minutes

The expression of deep shock blossomed on Xiao Tian's face.

He found it hard to believe what he was seeing. "Crystal, what are you doing?"

Xiao Tian had never thought that Crystal would do something like that. He knew that Crystal only saw him as her good friend, so he did not understand her actions because she did something she should not have done.

Crystal took off her clothes and stood naked in front of Xiao Tian!

"Xiao Tian, let's have sex now." Crystal went straight to the point.

Xiao Tian rose to his feet before grabbing her shoulders and looking at her in the eyes. "Crystal, what happened? Tell me what's going on, don't act like this!"

It was different from what they had previously planned. They would only pretend to have sex in their plan, not to do it for real, so he wanted to know what was going on.

However, Crystal ignored his words and spoke, "I want you to get me pregnant today."

Xiao Tian didn't understand her words even more. Suddenly getting naked in front of him and asking to have sex with him really confused him.

But what confused him the most was that she suddenly wanted him to impregnate her out of the blue.

'Just what had happened between her and her master earlier?'

Xiao Tian believed everything was related to Yu Shi. Otherwise, it would be impossible for Crystal to do something like that.

Xiao Tian knew Crystal's mind was in a mess. "Wait here. I'll get a blanket first."

He wanted to take a blanket to cover her naked body before having a long talk with her. He didn't want her to do something that she would regret later.

However, Crystal suddenly grabbed his right hand and pulled him towards her, causing both of them to fall to the floor.

Because Crystal was determined to have sex with Xiao Tian, she instantly laid prone on top of his body and kissed him passionately.

Yes. She forcefully kissed Xiao Tian passionately!

Xiao Tian instantly stopped the kiss. "Crystal, let's talk-"

Before Xiao Tian had finished his words, Crystal forcefully kissed him passionately again. Like before, Xiao Tian stopped her.

However, Crystal did the same thing. This process repeated three times before Xiao Tian decided to push her away.

Because Xiao Tian didn't want her to kiss him again, he decided to lock her movements. "Crystal, tell me now. Otherwise, I won't know anything."

Currently, Crystal was lying on her back with Xiao Tian's knees on either side of her hips. She wanted to move her arms, but she could not do that because Xiao Tian was grabbing her hands.

"Xiao Tian, please impregnate me today." Crystal could not control her emotion, and as a result, tears fell down her cheeks.

Xiao Tian's face softened before speaking in a gentle voice, "Crystal, let's talk first. I won't know anything if you keep behaving like this. Please remember that you are not alone because I'm here. If you have a problem, tell me, and I will help you."

"My master is sick. She has serious internal injuries and won't live long. Her only wish is to have a grandson or granddaughter before she dies." Crystal explained the reason why she wanted him to impregnate her. "I want to make her wish come true because I'm afraid it will be her last wish."

Xiao Tian finally understood everything.

'So this is the reason why she did this?!

Xiao Tian knew how important Yu Shi was for Crystal, so he could understand her actions.

He then rose to his feet to take a blanket. After Crystal sat on the floor, he covered her naked body with a white blanket.

Xiao Tian then tried to calm her down and said that he would try to solve the problem. When Crystal had calmed down, Xiao Tian went out to meet Yu Shi.

Yu Shi, who knew that Xiao Tian would be looking for her, waited in the reception area. Then Xiao Tian and Yu Shi headed to her room.

"What do you want to ask?" Yu Shi inquired.

Currently, Xiao Tian and Yu Shi were sitting on the chairs in the lounge.

"Tell me about your injuries." When Xiao Tian asked about Yu Shi's injuries to Crystal earlier, she said she didn't know because she forgot to ask.

That was why Xiao Tian wanted to know about her injuries. With this, it would be easier for them to solve the problem.

"I have internal injuries from fighting someone in the past." Yu Shi answered, "But these injuries are getting worse now."

"How long you can live?" Xiao Tian inquired.

"I don't know." Yu Shi shook her head. "But the doctor said I could live between three months to a year and a half. It depends on my condition."

"I will ask my friends tomorrow. Maybe they know someone who can cure your injuries later." Xiao Tian planned to ask Lan Ruoxi and Zhao Sheng for help tomorrow because they had many connections.

"Do you want to ask Lan Ruoxi for help?" Yu Shi knew that Xiao Tian had a good relationship with Lan Ruoxi, so she thought he would ask Lan Ruoxi for help later.

"Yes." Xiao Tian gave an honest answer.

Yu Shi suddenly found a glimmer of hope. Lan Ruoxi had more connections than her, so there was a possibility that Lan Ruoxi knew someone who could cure her injuries.

"If she can't help you, I will ask Zhao Sheng for help." Xiao Tian's uttered, "The Zhao family is a well-known family in the whole of China, so I'm sure he can help you later."

The expression of deep shock blossomed on Yu Shi's face.

"Zhao Sheng? Do you mean the young master of the Zhao family?" Yu Shi only knew Xiao Tian for a few days, so she had no idea about his relationship with Zhao Sheng.

"Yes. He is my good friend." Actually, Xiao Tian was startled when he saw Yu Shi's surprised face.

But, when he remembered that the Zhao family was a well-known family, he suddenly thought it was normal to have an expression like that.

In the eyes of the public, Xiao Tian's status was still not equal to the Zhao family, so anyone would be surprised when they learned that the young master of the Zhao family was his friend.

Yu Shi was thrilled. With the help of Zhao Sheng and Lan Ruoxi, there was a high chance that she could change her fate later.

When Yu Shi knew there was a high possibility they could find someone who could cure her injuries, a happy smile spread across her face.

Sure, there was still a chance that she would lose her life, but now there was a possibility that she could heal his injuries, unlike before where she could only let fate decide her life.

"Thank you, Xiao Tian." Yu Shi felt grateful towards Xiao Tian from the bottom of her heart.

'I hope we can find someone who can cure my injuries later.'

At this moment, Yu Shi wanted Xiao Tian to be Crystal's husband even more because, in her eyes, Xiao Tian was a perfect candidate to be Crystal's husband.

"I will help you but on one condition." Xiao Tian uttered,

"What is it?" Yu Shi asked curiously.

Xiao Tian wanted to take advantage of the situation. "I want..."

Chapter 898 - What Did She Do Earlier?

6-8 minutes

It was an excellent chance to take advantage of the situation so Xiao Tian would not let the opportunity slip away.

Xiao Tian wanted to take this chance to make Yu Shi stop troubling him and Crystal. Because it was related to her life, Xiao Tian was sure she would not refuse it.

"I want you to stop forcing Crystal to be my wife or lover." Xiao Tian uttered, "She is already an adult so let her do whatever she wants with her life."

Xiao Tian felt sorry for Crystal because Yu Shi always forced her to do something she did not want. Crystal was his good friend so it hurt his feeling every time he saw Crystal wearing sad expression.

Yu Shi did not answer instantly because she had no idea what to say to him. In her eyes, Xiao Tian was already a perfect candidate for Crystal's husband, so she didn't want to lose him.

However, she was afraid that he would not help her if she refused his condition. At this moment, Yu Shi was wavering whether she should agree or not.

'Xiao Tian is perfect in everything, so it's hard to get his replacement. What should I do? Should I refuse his condition? But...'

Countless questions emerged in Yoshi's mind.

"I know you want her to be my lover or wife because you are sick, so you have to change your mind after you heal later. Sigh. She even did a crazy thing for your sake." Xiao Tian wanted Yu Shi to treat Crystal better so that she would not repeat the same mistake.

Sure, Xiao Tian understood Yu Shi's condition, but Yu Shi also should understand Crystal's feelings because it was related to Crystal's happiness.

One mistake could drown her in sorrow for the rest of her life, and Xiao Tian did not want it. Crystal was one of his good friends, so he wanted her to be happy forever.

"What did she do earlier?" actually, Yu Shi knew that Crystal would do something to Xiao Tian.

"She suddenly took off her clothes in front of me and asked me to impregnate her." Xiao Tian gave an honest answer.

"And why did you refuse her wish? My disciple is gorgeous. I'm sure any man would kill to sleep with her." because Xiao Tian was with her, Yu Shi knew that he had refused Crystal's wish.

Actually, Yu Shi was startled earlier. Xiao Tian was a playboy, so she thought he would take advantage of the situation later, but she was wrong.

Not only did he not take advantage of the situation, he even still wanted to help her. All of this was beyond his expectations.

In her view, any playboy would always take advantage of the situation; especially if the woman was gorgeous like her disciple.

But Xiao Tian was different. At this moment, Xiao Tian did not behave like a playboy, but a kind young man who would always help other people.

"Because her mind was in a mess." Xiao Tian gave an honest answer. "I'm not a good person or saint, but I won't sleep with someone who doesn't want to sleep with me."

Sure, Xiao Tian admitted that he was a playboy, but he also had principles of life. One of them was he would not sleep with someone who didn't want to sleep with him.

In this world, there were many women. If one woman didn't want to sleep with him, he could find another woman.

With his handsome face, it was easy for him to sleep with any woman. Of course, Xiao Tian would not do that because he already had five women now.

At this moment, Xiao Tian did not realize that his good image had increased in Yu Shi's eyes.

"So, how is it? Do you agree with my condition?" because Yu Shi still had no answered his question, Xiao Tian asked again.

Yu Shi touched her chin and began to think about the advantages and disadvantages.

'Wait. He said I could not force them. Then that means it will be fine if they fall in love by themselves. This is a good idea. I can create a good moment for them in the future so that their feelings will blossom later.'

After thinking for several seconds, Yu Shi knew what she had to do.

Xiao Tian was like the most delicious food in the world, so Yu Shi did not want to lose him. Whatever happened, she wanted Xiao Tian to be Crystal's husband.

Sure, Xiao Tian and Crystal only saw each other as friends now, but she was sure that she could change it in the future.

Yu Shi also believed that Xiao Tian would not be able to resist Crystal's charm for a long time.

"All right. I agree with your condition." Even though she could no longer force them to be lovers, that didn't mean they wouldn't be able to end up as lovers in the future.

"Because there is nothing to discuss anymore, I will go back to my room now. Don't forget your promise." After saying that, Xiao Tian left.

*Szzz....

The sound of Xiao Tian opening the sliding door echoed in the room.

"Xiao Tian, what did you say to my master?" currently, Crystal was already wearing her clothes.

"I told her that I would ask Lan Ruoxi for help tomorrow." Xiao Tian gave an honest answer. "I also made her not to force you to be my lover or wife anymore. From today onwards, you can do whatever you want with your life."

"Are you sure Lan Ruoxi can find someone who can cure my master's injuries?" Crystal inquired.

"Don't worry. If she can't help your master, I will ask Zhao Sheng for help later." Xiao Tian uttered, "With the Zhao family's connections, I believe they can find someone who can heal your master's injuries."

'I hope.'

He added in his head.

"Xiao Tian, thank you." Crystal didn't expect that her previous target would be the one who helped her so much.

Crystal suddenly thought that life was strange and full of surprises. If Xiao Tian had not been her previous target, she was sure everything would be different now.

"Save those words until we heal your master." after saying that, Xiao Tian headed to the lounge and sat on the chair.

Crystal then sat on the chair in the main room and spoke, "Xiao Tian, I'm sorry for what I did to you earlier."

"It's fine. Don't mind it." Xiao Tian answered while looking at the beautiful moon.

Today was full moon, so the night became more beautiful. One of the things he loved the most was that look at the moon and stars.

At 10:00 pm, Crystal decided to sleep. The bedroom was not big, and there was only two Futon in it.

At 11:40 pm., Xiao Tian felt sleepy, so he rose to his feet and headed to the bedroom.

'I will sleep in the main room.'

After seeing the bedroom, he decided to sleep in the main room. However, Crystal did something unexpected when he was about to walk out of the bedroom.

Chapter 899 - This Is Too Much For Me

9-11 minutes

When Xiao Tian saw the bedroom, he decided to sleep in the main room.

It was not like he did not want to sleep in the same room as Crystal, but a few things made him think it would be better if he slept in the main room.

First, he didn't want something unexpected to happen to them. Second, Xiao Tian and Crystal were only friends.

Third, the main room was bigger than the bedroom, and there were still a few more reasons. That was why he decided to sleep in the main room.

However, Crystal did something unexpected when he was about to walk out of the bedroom.

She pulled him towards her!

Yes. When Xiao Tian was about to walk out of the bedroom, Crystal suddenly grabbed his right hand and pulled him towards her, causing him to fall on top of her body.

"Crystal, what are you doing?" Xiao Tian asked as he tried to stand up.

"Where are you going?" Crystal inquired, "Why don't you want to sleep in the same room as me? Is it because of what I did to you before? Are you afraid I'll do something bad to you later?"

The corner of Xiao Tian's lips twitched after hearing her words.

'What do you mean by that? It's because your mind is still a mess.'

Xiao Tian wanted to behave normally, but he knew that her mind was still in a mess.

That was why he decided to behave like a gentleman. "I just thought it would be better if I slept in the main room."

"I know you are lying to me." Crystal was sure that Xiao Tian was lying to her. "Why do you want to sleep in the main room? Did you forget we used to sleep together in the cave?"

Of course, Xiao Tian didn't forget it because it was the first time he slept in a cave like that. "Do you really want me to sleep in the same room as you?"

Crystal pointed her left index finger at the Futon next to her. "The Futon has been prepared for you."

"All right. I will sleep here, then." Xiao Tian knew if he insisted on sleeping in the main room, he would hurt her feelings.

"Sleeping in the same room as you made me remember the time when we lived in the forest." Crystal uttered, "Do you remember that we only slept on banana leaves when we were in the forest?"

"Yes." of course, Xiao Tian still remembered it because he had to endure the chill air every night.

Due to how cold the air was in the forest, he even thought that he was going to die every night. Luckily, nothing bad happened to them when they slept in the cave.

"I still remember the time when you tried to catch a fish but failed. Hehe." Crystal still thought Xiao Tian's behavior was funny when he was annoyed because he always failed to catch fish.

The corner of his lips twitched after hearing her words.

'Crystal, you should forget that embarrassing moment? At that time, my right leg was injured, so I couldn't catch fish.'

Even though Xiao Tian said that in his head, he was still pleased because the memories when he lived in the forest with Crystal were so beautiful.

"You even needed me to help you walk to the waterfall. Hehe." Crystal giggled happily. "Xiao Tian, I'm your friend, right?"

"Yes. You are my friend." Xiao Tian had no idea as to why she suddenly asked that question.

"I'm your real friend, right?" Crystal asked again.

"Yes." Xiao Tian replied, "Why are you suddenly asking this question?"

"You already know who I am, who my master is, and a lot about my life and myself." Crystal spoke and paused for a second before she continued, "But I know nothing about you. If you think of me as your real friend, can you tell me about you? I want to know you more."

Xiao Tian was a little surprised by her words. "What do you want to know?"

"Everything." Crystal gave an honest answer. "I want to know everything about you."

Xiao Tian touched his chin and replied, "So, where should I start this?"

"You can tell me from the simple thing." Crystal replied. "Simple things are also important for me."

"Alright. My name is Xiao Tian, and I'm twenty years old now." Xiao Tian started by introducing himself. "I started learning martial arts two years ago, and now I'm at the mid-le-"

However, before Xiao Tian had finished his words, he was interrupted by Crystal. "What? You started learning martial arts two years ago?"

"Yes." Xiao Tian gave an honest answer.

'Two years in my second life.'

He added in his head.

"Really?" Crystal wanted to make sure that Xiao Tian was not lying to her.

"Yes." Xiao Tian nodded his head. "You can ask my friends or family if you still don't believe me."

"Does that mean you reached the mid-level master stage in just two years?" Crystal inquired,

"Yes." like before, Xiao Tian nodded his head again.

Crystal found it hard to believe what she was hearing. Normally, it would take six years to reach the mid-level master stage, and it could only be achieved by extremely genius martial artists.

She had never heard anyone could reach a mid-level master stage in just two years before.

'Doesn't this mean that he is unparalleled genius?'

It took Crystal ten years to reach the mid-level master stage, and her master kept saying that she was a genius.

'Is he God's son?'

In the movies, someone who was the most genius in martial arts would be called the son of God. That was why she thought something like that.

Crystal suddenly felt goosebumps when she imagined if only Xiao Tian had practiced martial arts from a young age.

Because he could reach a mid-level master stage in just two years, Crystal was sure Xiao Tian would have been a martial artist at the grandmaster stage if he had practiced martial arts since he was little.

Until now, there was no twenty-year-old martial artist on the grandmaster stage. Xiao Tian would have been the first if he had practiced martial arts since he was little.

At this moment, Crystal finally realized the gap between Xiao Tian and her. In the past, she had always thought that they were on the same level or equal.

"Sigh." Crystal could only sigh because she didn't know how to describe her feelings in words. "You can continue now."

"What was the last thing I said before? Hmm.." Xiao Tian uttered, "Oh right. I'm a martial artist at the mid-level master stage. However, I can defeat martial artists at the high-level master stage with the help of secret techniques. In total, there are eight secret moves. If I could master all the secret techniques, I would be able to defeat a martial artist at the grandmaster stage. "

Crystal was startled again.

'Does that mean the martial arts he learned are ancient martial arts?'

Crystal knew only ancient martial arts had secret techniques. And not all ancient martial arts had secret techniques.

It could be said that only the best ancient martial arts had secret techniques. As long as they practiced martial arts seriously, people who learned ancient martial arts could be powerful martial artists.

When Xiao Tian saw the expression on Crystal's face, he immediately asked, "Crystal, are you alright?"

"Sorry, this is too much for me." Crystal answered, "I didn't know you were God's son."

"God's son?" it was the first time Xiao Tian heard these words, so he had no idea about it.

"Ah! In movies, everyone says these words to people like you." Crystal explained the reason why she called Xiao Tian as God's son.

The corner of Xiao Tian's lips twitched after hearing her words.

'I thought there was God's son tittle in this world.'

Of course, Xiao Tian knew that Crystal loved martial arts movies.

At this moment, Crystal and Xiao Tian didn't realize that an old woman was eavesdropping on their conversation.

Yes. that old woman was none other than Yu Shi. Previously, she wanted to check Crystal's condition, but she didn't expect to hear something shocking.

'Reaching mid-level master stage in just two years?! Genius. No, the word genius is not enough to describe him. Yes. It's like what Crystal said. He is God's son.'

Yu Shi wanted Xiao Tian to be Crystal's husband even more now because she knew Xiao Tian was destined to become an extraordinary person.

If she were still young, she would have thrown herself to Xiao Tian and made him hers, but she was already sixty years old, so she could not do that.

'Crystal, I hope now you realize how amazing he is.'

Yu Shi knew that her disciple only saw Xiao Tian as a good friend. That was why Yu Shi hoped Crystal would change her view and saw Xiao Tian as her future husband.

Xiao Tian had everything, from talent, good looks, and money. Sure, he was a playboy, but in her view, someone like him was destined to be a playboy, so it was normal for her.

Yu Shi then returned to her room. She wanted to think of a way to make Crystal view Xiao Tian as a potential husband because Xiao Tian was too amazing to be just a friend.

'Should I buy aphrodisiac later?'

Yu Shi asked in her mind.

"Oh right, Xiao Tian. I'm really curious about your name." Crystal uttered, "Why do you have Xiao as your family name? Are you related to the Xiao family?"

Chapter 900 - I Want You To Be My Lover Today

7-8 minutes

Actually, Xiao Tian had guessed that Crystal would ask that question. Anyone who knew his family name would always be curious about it.

The Xiao Family had kicked out everyone who had Xiao as their surname as if the Xiao family name should only be used by them.

At this moment, Xiao Tian wavered whether he should tell the truth or not. However, because she wanted to be his real friend, Xiao Tian decided to tell the truth. "That's right. I'm from that Xiao family."

"Then why don't you live with them?" Crystal asked curiously. "I never even saw you when the Xiao family was on TV."

"Because they kicked me out of the Xiao family." Xiao Tian gave an honest answer. "It can be said that I'm an abandoned son. They kicked me out of the Xiao family when I was little."

Crystal suddenly felt sorry for Xiao Tian. She didn't expect that the Xiao family was so cruel to him. But the cruelest thing was that they kicked him out when he was still little.

'Well, rich family members always have a complicated relationship with each other.'

Crystal knew that almost all members of wealthy families did not get along with each other.

The reason was simple.

Inheritance!

Inheritance would give them a lot of money.

And everyone could change drastically because of money. If money was the source of happiness, it could be said that money was also the source of catastrophe.

"What about your father?" Crystal met his mother but never saw his father, so she was curious about his father.

"He has abandoned me." Xiao Tian gave an honest answer. "I even don't remember the last time I met him."

From his predecessor's memories, his father had never met him after the accident ten years ago.

"What about your mother's family?" Crystal inquired.

"They abandoned us too. They even removed us from the family tree." Xiao Tian knew about this because his mother had told him about it.

In the past, his predecessor asked this question to his mother. He asked his mother why her family never visited them, and his mother stated the Ye family had removed them from the family tree.

Crystal never expected that Xiao Tian's life was so miserable. Not only did his father's family expel him from their family, but even his mother's family also did the same.

It was as if Xiao Tian was trash that needed to be removed from the family.

"They are so cruel to you." Crystal stated.

"It's fine. I no longer care about it because I can still have a good life without them." Xiao Tian had promised his predecessor that he would teach them a lesson in the future, but now was not the right time to do that.

He would make them regret kicking him out of their families. Maybe the reason why his predecessor desired to be a successful person was that he wanted to show the Ye and Xiao families that he could become a successful person and have a good life without them.

'I will slowly dominate the Shanghai market and become the richest person in China later.'

Now his Star Clothes company had thirty branches, and his Eternal Beauty company had sixty branches all over China.

When Xiao Tian snatched Eternal Beauty company from the Hong family, he already had forty branches, and in just one year, he had opened another thirty branches.

Aunt and mother also had the intention to open several branches of Star Restaurant. If it continued like this, Xiao Tian was sure he could control Shanghai before he turned thirty.

"So, what dream do you most want to achieve?" Crystal asked curiously.

"I want to be the richest person in the whole of China." Xiao Tian gave an honest answer.

"The richest person? Not the strongest martial artist?" because Xiao Tian was talented in martial arts, Crystal thought his dream was to be the strongest martial artist, but she was wrong.

'Even though he is a playboy, he is different from the others.'

Crystal was sure if someone had the same talent as him in martial arts, they would dream of being the strongest martial artist, but Xiao Tian was different.

He only wanted to be the wealthiest person. It was as if the title of strongest martial artist meant nothing in his eyes.

"Yes. I don't care about it because I have no intention of becoming the strongest martial artist. I just want to have the power to protect the people I care about." even though Xiao Tian practiced martial arts, he had no intention of becoming the strongest martial artist.

His predecessor only wanted to be a successful person, and he only wanted to spend time with his women, so the title of strongest martial artist meant nothing in his eyes.

For him, it was already enough as long as he could protect his women from bad people.

"I'm sure any martial artist would definitely say you are an idiot if they heard what you just said." Crystal stated.

Xiao Tian was not surprised by her words because it was true. For example, Zhao Sheng. His family did everything to get him to stop doing business because he was talented in martial arts.

Xiao Tian and Crystal then talked for another twenty minutes before finally, they slept. That night, Crystal knew a lot about Xiao Tian, and she felt as if they had become a close friend.

Of course, Xiao Tian didn't tell her everything because everyone had secrets that they could not tell anyone, including him.

The following morning, Xiao Tian and Crystal had breakfast with Yu Shi and Kitahara Aki. At that time, Xiao Tian was startled because Yu Shi's behavior was different than usual.

Even though Yu Shi still wanted him to be Crystal's husband, but her way of making Xiao Tian and Crystal become husband and wife was different.

She behaved as if she was a mother who wanted to set her daughter up with him. What Xiao Tian didn't know was that she heard their conversation last night.

However, Xiao Tian had a different thought. He thought it was because he decided to help her find someone who could heal her wounds.

That was why Xiao Tian behaved normally. After breakfast, Xiao Tian, Crystal, and Yu Shi traveled to Red Flower bar because they wanted to meet Lan Ruoxi.

Red Flower Bar, Private Room.

Currently, Xiao Tian, Crystal, and Yu Shi were sitting on the couch. It was the same private room that Lan Ruoxi and Xiao Tian always used.

*Tak...Tak...Tak...Tak...

The sound of high heels slamming against the floor echoed in the private room.

"Oh! I didn't expect young master Xiao to come with his friends." Lan Ruoxi was startled when she saw Crystal and Yu Shi.

Previously, she thought they would go to Lian Xun's house immediately like usual, but she knew she was wrong because Xiao Tian came to her place with Crystal and Yu Shi.

After Lan Ruoxi sat on the couch, she looked at Xiao Tian and inquired, "So can you tell me the reason why you came to my place with your friends?"

"I came to your place with them because I have something important to say." Xiao Tian said with a serious face.

"What is it?" Lan Ruoxi asked curiously.

"I want you to be my lover today." Xiao Tian uttered.
