

Illicit 901

Chapter 901 - She Is Indeed Amazing.

"I want you to be my lover today." Xiao Tian decided to joke around.

Even though Crystal and Yu Shi were beside him, Xiao Tian didn't show the slightest care about it and still teased Lan Ruoxi.

They knew that he was a playboy, so he would not hide his personality because there was no point in doing that.

The expression of deep shock blossomed on the faces of Crystal and Yu Shi. They found it hard to believe what they were hearing.

'Sigh. This young man. He even doesn't care about us and suddenly teases her as if we are air.'

Their purpose of meeting Lan Ruoxi was to ask her to help them find someone who could heal Yu Shi's wounds, not to see him tease her.

Despite that, Yu Shi and Crystal did not say anything and only stared at Xiao Tian.

As for Lan Ruoxi, she only giggled because she had gotten used to his personality. "Hehe. You don't even feel ashamed saying that in front of them."

Because Xiao Tian knew that he should stop joking around, he decided to tell her the reason why they came to her place. "Actually, we need your help. Can you find someone who can cure injuries?"

"Heal injuries? Why don't you go to the hospital? I'm sure many doctors can cure injuries." At this moment, Lan Ruoxi still didn't get his words. "And who is this injured person?"

"Lady Lan, it's not ordinary injuries. It's internal and fatal injuries, so not everyone can cure it." After saying that, Xiao Tian looked at Yu Shi. "You can tell her about your injuries."

Yu Shi then told Lan Ruoxi about her injuries and how she got these injuries. She also said that she had met many doctors, but none of them could cure her wounds.

"It's indeed fatal injuries." Lan Ruoxi stated after hearing Yu Shi's words.

"Do you know someone who can cure my master's injuries?" Crystal inquired.

"I think that person might be able to cure your master's injuries." Lan Ruoxi suddenly remembered a famous doctor who lived in Beijing.

That person had mastered both traditional and modern medicine. Even though he was not a martial artist, many people respected him for his skill in medicine.

A ray of hope appeared in the eyes of Yu Shi and Crystal. Even though they were not sure whether that person could cure Yu Shi's injuries later, but it still made them happy.

"Who is that person?" Yu Shi suddenly wanted to meet that person immediately so that she would know whether that person could heal her injuries or not.

"His name is Yi Yuan." Lan Ruoxi gave an honest answer. "He is living in Beijing."

"Beijing?" Crystal and Yu Shi thought Yi Yuan lived in Shanghai.

They did not expect that Yi Yuan lived in Beijing. But even though Yi Yuan resided in Beijing, Crystal and Yu Shi still wanted to meet him because there was a possibility that Yi Yuan could cure Yu Shi's injuries.

"Yes." Lan Ruoxi nodded her head. "But it's quite difficult to meet him because he is often not at home. He often goes from one place to another."

"It's fine. As long as we know the city he currently lives in, I'm sure we can find him later." Crystal would try to find him no matter what because it was related to her master's life.

"Maybe we can ask the Qing family later since they met him not too long ago. Maybe they know where he is." Lan Ruoxi got his information from Qing Xiulan when they were talking over the phone.

"Qing Family?" Crystal and Yu Shi were startled after hearing Lan Ruoxi's words.

Of course, they knew the Qing family because the Qing family was famous. If anyone wanted to put how famous the Qing family was, the Qing family was like the Li and Xiao families in Shanghai.

They controlled most of the market in Beijing. Of course, their companies were spread all over China because they own many companies.

'She is indeed amazing. She even has a relationship with the Qing family.'

Crystal and Yu Shi were amazed by Lan Ruoxi because not everyone could have a relationship with a high-upper-class family like the Qing family.

"Lady Lan, does this mean you will go to Beijing with us later?" Xiao Tian inquired.

Instead of answering, Lan Ruoxi asked, "Why do you want me to go to Beijing with you? We can ask them through phone, or you can meet them directly later, you know?"

The Qing Family had known Xiao Tian for a long time, but Xiao Tian lost his memory after a car accident when he was little.

That was why he didn't remember anything. What Xiao Tian knew was that he had only met the Qing family once, and that was when he traveled to Beijing with Lan Ruoxi.

Crystal and Yu Shi turned their heads towards Xiao Tian and asked in unison, "You know the Qing family too?"

"Well, I met them once when I traveled to Beijing with lady Lan." Xiao Tian gave an honest answer. "But I'm not close to them, so I doubt they will help us if lady Lan doesn't go with us."

"What are you saying, young master Xiao? Even without me, I'm sure they will welcome you warmly." Because the Qing family knew who Xiao Tian was, Lan Ruoxi was sure they would help him.

'Sigh. I want to tell him everything, but it's not the right time.'

She added in her mind.

"How can you be sure about that? You know that I only met them once, right? Xiao Tian uttered, "Wouldn't it be better if you came with us too?"

"Miss Lan, can you go to Beijing with us?" Crystal and Yu Shi asked in unison.

Lan Ruoxi touched her chin, "But I have something important that needs to be done. And young master Xiao, have you forgotten that you have to go to Elder Lian's house every day until he finishes making you a sword?"

"I will talk to him later." Xiao Tian answered, "Can you go with us later? I will help you with your business later."

Because Xiao Tian had promised to help Yu Shi, he wanted Lan Ruoxi to go with them because it would make everything much easier.

"Miss Lan, please go to Beijing with us?" Yu Shi and Crystal begged.

Lan Ruoxi wavered whether she should go with them or not. Sure, she could postpone her business, but she was thinking whether postponing her business and going to Beijing with them was worth it or not.

At this moment, Lan Ruoxi suddenly recalled the time when she called Bai Wenliang and Bai Zhenya.

'Wenlian and Zhanya also said they wanted to meet me a few days ago. Maybe this is a good chance to meet them.'

With that thought, Lan Ruoxi decided to go to Beijing with them.

"All right. I will go to Beijing with you later." after saying that, Lan Ruoxi shifted her gaze to Xiao Tian. "Young master Xiao, you should tell elder Lian later. Otherwise, he will get angry."

"Un." Xiao Tian nodded his head.

Yu Shi and Crystal were pleased after hearing her words. With Lan Ruoxi traveling with them, they were sure that everything would be easier later.

As Xiao Tian and the others were talking seriously, someone suddenly opened the door and entered the private room.

Chapter 902 - You Are Late!

6-7 minutes

Xiao Tian and the others instantly turned their heads towards the source of the sound.

'Isn't he....'

The feeling of deep shock blossomed in the hearts of Crystal and Yu Shi when they saw the person who had just entered the room.

They didn't expect to meet the young master of a famous family. Of course, they didn't show it on their faces and only stared at that person.

As for Xiao Tian and Lan Ruoxi, they behaved normally because they often met that person.

"Yo, Xiao Tian, big sister Ruoxi. Do you miss me?" as if Zhao Sheng was the owner of Red Flower Bar, he instantly sat next to Xiao Tian. "Oh! Aren't you the woman at that clinic? And who is this old woman? Is she your mother?"

Crystal and Yu Shi were shocked again because Zhao Sheng's behavior and the way he spoke were different when he was on TV.

For this reason, Crystal and Yu Shi forgot to answer his questions and only stared at him.

When Xiao Tian saw their expressions, he knew what they had in mind. "I'm sure you must be surprised by his behavior. Let me tell the truth. This is his real personality, and his personality on TV is fake."

"Fuck you, Xiao Tian! Don't ruin my good image in front of a gorgeous lady." As usual, Zhao Sheng cursed Xiao Tian instantly after hearing Xiao Tian's remarks.

"See! I'm not lying to you." at first, Xiao Tian wanted to curse back, but he changed his mind after remembering that he had to keep his good image.

"Tch! You are behaving as if you are not the same as me." Zhao Sheng uttered, "Well, at least, I have a good reputation in the eyes of the public. Haha."

Xiao Tian touched his chin and replied, "Hmm? Should I expose your bad personality on the internet now?"

"Damn you, Xiao Tian!" like before, Zhao Sheng cursed Xiao Tian again. "If you do that, I will also post about your bad deeds on the internet. Let's see what will happen to your life and companies in the future. Hahaha."

'They are like a kid!'

These were the words that appeared in the mind of Yu Shi and Crystal.

Lan Ruoxi then shifted her gaze from Zhao Sheng to Yu Shi and Crystal. "They always act like this whenever they meet, but despite that, they are good friends."

"I see." Yu Shi and Crystal nodded their heads.

"Oh right, why did you come here?" Xiao Tian inquired, "Did you run away from training martial arts again?"

"Yes. That old man always forced me to practice martial arts." The reason why Zhao Sheng didn't meet Xiao Tian and Lan Ruoxi lately was that his grandfather always forced him to practice martial arts.

"Well, your family is a martial arts family, so it's normal if they keep forcing you to practice martial arts." In Xiao Tian's view, it was normal for a martial arts family to force their children to keep practicing martial arts because they wanted their children to be skilled in martial arts.

Not only would they be able to make their children protect themselves, but that was also to avoid embarrassment.

And with Zhao Sheng's talent in martial arts, it would be weird if they did not force him to practice martial arts because he was one of the candidates to be the Ruler.

For a martial arts family, it would give them honor and increase their family's reputation if one of their descendants could become the strongest martial artist.

Zhao Sheng was one of the candidates to be the Ruler, so Xiao Tian knew that Zhao Sheng's family would not let his talent go to waste.

"Sigh. Sometimes, I envy you." when he said this, Zhao Sheng was telling the truth.

Xiao Tian was able to spend time with his women or hang out with his friends whenever he wanted, but he could not do that because his family always forced him to practice martial arts.

"You should be grateful because you have strong supporters like them." if Zhao Sheng was envy of his freedom, Xiao Tian was envy of Zhao Sheng's background.

If he had a strong family that would help him whenever he got into trouble, he would not feel stressed often. Sure, no one had ever seen him wearing a stressed face, but he often felt stressed.

First, he had to think about how to make his predecessor's dream come true. Second, he had to think about the safety of his women.

Third, he had to think about his underlings and make them strong. And there was much more that he had to think about every day.

Just because he never showed it to everyone did not mean he never felt stress like everyone else. He just chose to hide it because his father always told him to hide his weakness in front of others or else they would take advantage of his weakness later.

That was why Xiao Tian often spent time with his women and his friends because it could help him reduce his stress.

"Young master Xiao, I think we should go to elder Lian's house now." Lan Ruoxi changed the topic.

Xiao Tian immediately responded. "You are right. We have to go now because his house is so far."

"Where are you going?" Zhao Sheng inquired,

"To elder Lian's house." Xiao Tian then began to explain everything to Zhao Sheng.

"Oh! I will come with you." Zhao Sheng uttered,

As Xiao Tian, Zhao Sheng, and Lan Ruoxi traveled to Lian Xun's house, Crystal and Yu Shi went to Crystal's apartment.

Ru Village, Lian Xun's house.

"You are late!" Lian Xun stated.

'Eh! Isn't he the young master of the Zhao family? What is he doing in my place?'

Lian Xun was startled when he saw Zhao Sheng.

"Whoa! This place is not bad! There is even a waterfall near his house." Zhao Sheng didn't expect that the scenery in Lian Xun's house would be so stunning.

Xiao Tian then walked towards Lian Xun and spoke, "Elder Lian, I have something to say to you."

"What is it?" Lian Xun asked curiously.

"I can't come to your house in the next few days." Xiao Tian gave an honest answer.

Chapter 903 - Because We Are Men

7-8 minutes

"I can't come to your house in the next few days." Xiao Tian gave an honest answer.

Lian Xun was unhappy with his words because Xiao Tian had promised to do his tasks until he finished making swords for him.

"Why?" Lian Xun wanted to hear the reason first before deciding whether he would accept it or not.

"My friend's master has serious injuries, and I have to go to Beijing to help her." Xiao Tian replied, "But don't worry. I will call maid service to do my tasks during my absence."

Xiao Tian decided to use the maid service to do his tasks so it would count like he didn't break his promise.

"I refuse!" Lian Xun thought Xiao Tian's reason was not strong enough to break his promise. "If you don't do your tasks, I won't make a sword for you."

Xiao Tian clenched his right fist. He wanted Lian Xun to make a special sword for him, but at the same time, he didn't want to break his promise to Yu Shi and Crystal.

Not only could it ruin his friendship with Crystal, but it would also destroy his good image. "Elder Lian, isn't the result the same? I didn't break my promise. It's just that I will only pay for the maid service to do my tasks."

'This old man is so annoying!'

Xiao Tian added in his head.

"I refuse!" Lian Xun repeated his words. "Now choose! You keep doing your tasks, and I will continue making a sword for you, or you help your friend, and I won't make a sword for you."

If it were not for Lan Ruoxi, Lian Xun would not agree to make a special sword for Xiao Tian, and here, Xiao Tian wanted to ignore his task, so of course, Lian Xun was unhappy with it.

Sure, he had promised Lan Ruoxi to make a sword for Xiao Tian, but if Xiao Tian didn't do his tasks, he would break his promise because it would be unfair to him.

Xiao Tian was even more unhappy after hearing Lian Xun's words.

'What should I do?'

Of course, Crystal was more important than a sword, but he wanted a special sword so badly.

As Xiao Tian was thinking, Lan Rouoxi suddenly asked, "Elder Lian, why are you doing this? Didn't you promise to make a sword for him? How can you break your promise so easily?"

'Master, this is not what you promised me.'

Lan Ruoxi said through her face.

"He is the one who wants to break his promise first." Lian Xun replied, "If he doesn't want to keep his promise, I will do the same."

Xiao Tian greeted his teeth.

'It seems like I'm not destined to have that special sword.'

After thinking for several seconds, Xiao Tian chose Crystal.

Sure, Xiao Tian still wanted Lian Xun to make a special sword for him, but Crystal was more important than a sword. "Fine. You can forget it because, for me, my friend is more important than a sword."

'I'm sure this old man does not have a single friend.'

Since Lian Xun still refused his terms, Xiao Tian was sure that Lian Xun had no friends. Someone who had a friend would understand his reasoning because Xiao Tian did it for his good friend.

"Oh! So you chose your friend, huh?" previously, Lian Xun thought Xiao Tian would choose a sword because he knew how much Xiao Tian wanted a special sword.

He did not expect that Xiao Tian would choose his friend over a sword.

Xiao Tian then looked at Zhao Sheng and spoke, "Zhao Sheng, let's go back to Red Flower Bar."

"Eh?! Why?" because Zhao Sheng was focused on looking at the waterfall, he didn't pay attention to their conversation.

"He has no business here anymore." Xiao Tian uttered, "Let's go."

"Damn it! I thought we would play in the waterfall later." even though Zhao Sheng said something like that, he still followed Xiao Tian.

As they were leaving Lian Xun's house, Lan Ruoxi looked at her master for several seconds.

'Master, you are a liar! I hate you!'

Lan Ruoxi was disappointed with her master's behavior because he did not keep his word.

Red Flower Bar, Private Room.

"So, that old man refused to continue making a special sword for you just because of that?!" Zhao Sheng finally knew the truth. "Tch! That old man is so unreasonable! I'm sure he does not have a single friend in his entire life."

Currently, Zhao Sheng, Lan Ruoxi, and Xiao Tian were sitting on the couch. Zhao Sheng had the same thought about Lian Xun and believed that Lian Xun didn't have any friends.

"Well, forget it. It makes me really annoyed remembering it." Xiao Tian had tried really hard to get a special sword, but all his efforts were in vain in the end.

Zhao Sheng tapped Xiao Tian's right shoulder and spoke, "Don't worry Xiao Tian. I know someone who can make a special sword for you. We can meet that person later."

"Really?" Xiao Tian was pleasantly surprised by Zhao Sheng's words.

"Yes." Zhao Sheng replied, "That person now lives in Guangzhou. We can meet that person after you return from Beijing later."

"Good!" Xiao Tian smiled happily.

'It seems like I'm destined to have a special sword.'

He added in his head.

"So, do you want to go with us later?" Xiao Tian inquired.

"I want to, but I can't go with you." Zhao Sheng was sure that his grandfather would kill him if he went to Beijing with them.

"Why?" previously, Xiao Tian thought Zhao Sheng would agree immediately because Zhao Sheng loved adventure.

"I have promised my grandfather to practice martial arts every day for the next three weeks." Zhao Sheng gave an honest answer. "And I was invited by a few TV shows, so I can't leave Shanghai for now."

"What a pity!" Xiao Tian uttered, "Zhao Sheng, let me tell you something. We are going to meet the Qing family later. In the Qing family, there is a gorgeous lady called Qing Xiulan. I'm sure you will regret it if you refuse to go with us."

"Oh, Qing Xiulan?! Well, it can't be helped. Even though I can't meet Qing Xiulan, but I will meet Li's family princess later. You still haven't met her, right?" of course, Zhao Sheng knew who Qing Xiulan was because he had met her several times.

"Li's family princess? Well, it's true that I still haven't met her, but I don't care about it because I will spend time with gorgeous ladies later." even though Xiao Tian said something like this, he still wanted to meet the Li's family princess.

He had heard about her several times, but he had never met her even once, so he was curious about her.

"Hehe." Lan Ruoxi giggled. "Both of you are always talking about women."

"Because we are men." Xiao Tian and Zhao Sheng replied in unison.

Then they talked for several minutes before Xiao Tian, and Zhao Sheng went home.

After arriving home, Xiao Tian took a shower before heading to the family room to spend time with his women.

After sitting on the couch, Xiao Tian looked at his women and inquired, "Do any of you want to go to Beijing with me tomorrow?"

Chapter 904 - I Doubt It!

5-7 minutes

Shi Fei and the others were startled by his question.

"Why do you suddenly want to go to Beijing?" they just had a vacation in Beijing not too long ago, so Liu Ning was curious why Xiao Tian suddenly wanted to go to Beijing again.

"It's like this." Xiao Tian began explaining the reason why he would travel to Beijing again.

He did not hide a single thing from them. He even wanted them to go with him.

"How long will you stay in Beijing this time?" Ye Xueyin asked curiously.

"I don't know." Xiao Tian replied as he shook his head. "But we will return to Shanghai immediately after everything is over."

Xiao Tian had many things to do, so he did not want to waste his time in Beijing.

"Little brother, I really want to go with you, but I have a lot of important work in the next two weeks." Star Clothes company just opened several branches, so Shi Fei had a lot of important work.

"I also can't go with you." Liu Ning and Lin Xing Xue spoke in unison.

Xiao Tian then looked at his mother and aunt. "What about you, mother, aunt?"

"Aunt can't go with you because aunt has seven important meetings in the next five days." If it were next week, Ye Qingyu would not refuse, but she was swamped with work this week because they were going to open a few branches as well.

"Mother also can't go with you." Ye Xueyin added.

"So, none of you can go with me, huh?" Xiao Tian's expression turned sad.

He really hoped that one of them would go with him. That was why he was sad.

When Shi Fei saw the expression on Xiao Tian's face, she immediately said, "Little brother, don't be sad. We can go somewhere together next month."

"That's right." Ye Xueyin added. "We can go to many beautiful places next month."

Xiao Tian's sad face turned into a smile. "Alright."

"So, who do you want to sleep with tonight?" Shi Fei inquired.

At this moment, Xiao Tian did not answer instantly. Of course, he wanted to sleep with all of his women, but his bed was not big enough for them to sleep together.

As if Shi Fei knew could read his mind, she immediately said, "I have told you to buy a bigger bed a few days ago. Now you're starting to regret it, aren't you?"

The corner of his lips twitched after hearing Shi Fei's words.

When they were swimming in the pool a few days ago, Shi Fei told him to change his bed to the bigger one so that he could sleep with all of his women together, but he still had not bought it until now.

At this moment, Shi Fei suddenly found an excellent idea. "How about this, little brother? You have sex with me, Ning, and Xue now, and you can sleep with your mother and aunt later. How is it? Isn't this a great idea? Hehe."

"Fei!" Ye Qingyu raised her voice because Feng Yu was with them.

"Ops!" Shi Fei instantly covered her mouth.

"Don't listen to her." Liu Ning spoke as she covered Feng Yu's ears.

Feng Yu could only sigh.

'So, none of them are normal, huh?'

Feng Yu only behaved normally because she was used to it.

At this moment, Xiao Tian suddenly wanted to bring them to the Love Hotel to have an orgy with them because he would not be able to have sex with them in the next few days.

However, he changed his mind after seeing Feng Yu. If he brought them to the Love Hotel, Feng Yu would be alone at home.

She was still a kid, so it was not a good idea. And he also wanted to win her heart, so it would be better if he continued to maintain his food image.

After discussing for several minutes, they agreed that Ye Qingyu and Lin Xing Xue would sleep with him later.

That night, Xiao Tian did not have sex with any of his women because he thought it would be unfair for his other women.

The following morning, Xiao Tian had breakfast earlier than usual because he had to go to Crystal's apartment first.

As usual, Xiao Tian had a passionate kiss with his women before traveling to Crystal's apartment.

He did not forget to bring his silicone head mask because Lan Ruoxi wanted him to accompany her to meet Bai Wenliang and Bai Zhenya later.

Xiao Tian and Lan Ruoxi pretended to be a couple when he traveled to Beijing with her a few months ago.

That was why Lan Ruoxi told him to pretend to be Xue Yang again later. Of course, Xiao Tian accepted it instantly because he could take advantage of the situation later.

After arriving in Beijing, they instantly went to Huju Hotel.

"So, when are we going to see the Qing family?" Xiao Tian inquired.

Currently, Xiao Tian and the others were in the hotel restaurant. Because it was already lunch time and they were still tired, they decided to have lunch at the hotel restaurant.

"I will call them later." Lan Ruoxi answered, "If they have free time, we will go meet them in the evening."

"And when are you going to meet your friends?" Xiao Tian asked again.

"Tomorrow." Lan Ruoxi knew that she would not be able to meet Bai Wenliang and Bai Zhenya today.

"But why do I feel like you will take advantage of the situation again later?"

"What are you talking about, lady Lan? I'm a gentleman, so there is no way I will do something like that." Xiao Tian behaved as if he had never taken advantage of the situation before.

"I doubt it! Hehe." Xiao Tian took advantage of the situation when they were pretending to be lovers, so Lan Ruoxi was sure that Xiao Tian would do it again.

"Xiao Tian, if you really want to do adult things with a woman, why don't you do it with Crystal?" because Yu Shi could not use force or dirty methods, she decided to tell what she had in mind.

Chapter 905 - Going To The Qing Family

6-7 minutes

"Xiao Tian, if you really want to do adult things with a woman, why don't you do it with Crystal?" Yu Shi inquired.

"Master, what are you saying?" Yu Shi's words much surprised Crystal.

The corner of Xiao Tian's lips twitched after hearing Yu Shi's question.

'It seems like this old woman still has not given up.'

Actually, Xiao Tian was also startled, but he did not show it on his face.

"Why? Even though there is a chance that I can recover from my injuries later, I still want you to give me a granddaughter or grandson." Yu Shi spoke and paused for a second before she continued, "I'm already old, So I just want to retire from my job and spend the rest of my life with your kids. That's why I hope you can give me a granddaughter or grandson soon."

"Master, stop it!" Lan Ruoxi was with them, so Crystal did not expect that her master would still say something like that.

'It seems like master still wants me and Xiao Tian to get married.'

She added in her mind.

At first, Lan Ruoxi wanted to tease Xiao Tian, but she changed her mind after seeing Crystal's face.

Lan Ruoxi knew that Crystal only saw Xiao Tian as a good friend, so it was not a good idea to tease Xiao Tian or Crystal.

Yu Shi shifted her gaze from Crystal to Xiao Tian. "So, how is it, Xiao Tian? Don't worry. My disciple is still a virgin. No man has touched her until now."

Xiao Tian was at a loss for words. He had no idea what to say to Yu Shi. If Crystal were another woman, Xiao Tian would have answered jokingly, but he could not do that to Crystal.

'This relationship is getting more and more complicated now.'

Xiao Tian could only sigh.

"Master, I will get angry if you continue behaving like this." Crystal wanted Yu Shi to stop talking like that because Lan Ruoxi was with them.

"Fine, fine." Yu Shi uttered, "But I hope you can give me a granddaughter or grandson before I die."

Because Yu Shi kept saying a granddaughter or grandson, Crystal decided to ignore Yu Shi.

Then Xiao Tian and the others talked for another fifteen minutes before finally, they returned to their rooms.

At 06:10 pm, Xiao Tian and the others went to the Qing family. Previously, Lan Ruoxi had called them, and they said they had free time.

After taking a taxi for about forty minutes, they finally arrived at the Qing family house.

'I didn't expect that I would come back to this place again.'

Xiao Tian said in his head as he saw the Qing family mansion.

After ringing the doorbell, one of the maids opened the door. "Please come in."

The maid knew that Xiao Tian and the others would come because Qing Yuhuan had told the maid to welcome Xiao Tian and the others earlier.

After Xiao Tian and the others sat on the couch, the maid informed Qing Yuhan. Xiao Tian and the others instantly rose to their feet when they saw Qing Yuhan and the others.

'What?! That crazy officer is here too?!'

Xiao Tian did not expect to see Yi Wenxin in the Qing family house.

"I didn't expect to meet you so quickly, Xiao Tian, Miss Lan." Qing Yuhan spoke as he smiled.

"Hello, Mr. Qing Yuhan." Xiao Tian and Lan Ruoxi spoke in unison.

"Please sit." After saying that, Qing Yuhan sat on the sofa. "So, can you tell me the reason why you came to my house?"

Xiao Tian and Lan Ruoxi exchanged a glance before finally, he spoke, "Mr. Qing, the reason why I came to your house is that I need your help?"

"Hmmm? What is it?" Qing Yuhand asked curiously.

Xiao Tian looked at Crystal and Yu Shi. "They are my friends, Crystal and elder Yu ShiElder Yu Shi has serious injuries and need to be treated quickly, or it will be fatal to her life."

Xiao Tian then continued, "We got information that a famous doctor named Yi Yuan lives in Beijing and the Qing family met that doctor not too long ago. So we want to ask if the Qing family knows where that person is now?"

"Oh, doctor Yi?! If you want to meet him, you can ask his granddaughter directly." Actually, Qing Yuhan was a little shocked by Xiao Tian's words.

Previously, he thought Xiao Tian came to the Qing family on business matters. He never thought that it was because of Yu Shi.

"His granddaughter?" Xiao Tian then turned his head towards Lan Ruoxi, hoping she would tell him who Yi Yuan's granddaughter was.

However, he suddenly heard something unexpected.

"My grandfather is busy today." Yi Wenxin stated. "But I can help you meet him tomorrow afternoon."

Since Xiao Tian came to the Qing family home with his true identity, Yi Wenxin did not hate him and was willing to help him.

At this moment, Crystal and Yu Shi were pleased. They did not expect it would be so easy to meet the famous doctor Yi Yuan.

Not only could they meet the famous doctor Yi Yuan tomorrow, but even his granddaughter would also help them later.

Even though Xiao Tian was startled, he did not show it on his face. "Thank you for the help, lady Yi."

Xiao Tian had met Yi Wenxin with his real identity once, so he did not behave rudely like when he was pretending to be Xue Yang.

"But on one condition." As usual, Yi Wenxin wanted to take advantage of the situation.

At this moment, Xiao Tian instantly cursed venomously in his heart.

'Damn it! I thought she had changed, but I was wrong.'

Xiao Tian suddenly remembered Yi Wenxin's annoying personality when he was pretending to be Xue Yang.

However, because he needed her help to meet her grandfather, Xiao Tian did not show a displeased expression.

It would be troublesome if she changed her mind and decided not to help them later. "What is it, lady Yi?"

Yi Wenxin then answered, "I want...."

Chapter 906 - Why Don't We Talk A Little Longer?

6-7 minutes

Because Xiao Tian needed her grandfather's help, Yi Wenxin decided to take advantage of the situation.

Her grandfather loved her so much, and she also did not have bad intentions towards Xiao Tian, so she was sure that he would not get angry at her.

Xiao Tian had become one of her idols because he could be a successful young man in a short amount of time.

That was why Yi Wenxin would not let this opportunity slip away. "I want you to give me your signature and spend time with me later."

Like before, her words much surprised Xiao Tian. Not only Xiao Tian but everyone was also surprised by her words.

"Haha. Wenxin, did you fall in love with Xiao Tian at first sight?" Qing Yuhan asked as he laughed.

"Xiao Tian is an attractive young man, so I can understand her feelings." Yu Nuan, Qing Yuhan's wife, added.

"Uncle, aunty, stop it. It's not like what you think." Actually, Yi Wenxin knew that they would tease her like that, but she still decided to take advantage of the situation.

"Xiao Tian, do you know that you are one of Wenxin's idols?" Qing Xiulan spoke abruptly.

"Xiulan, not you too. Stop it." Yi Wenxin did not expect Qing Xiulan to say something like that.

Because Xiao Tian had to maintain his good image, he only smiled before answering. "I'm happy that lady Yi thinks highly of me."

'I'm so unlucky.'

Xiao Tian disliked Yi Wenxin, so it did not make him happy when he learned that he was one of Yi Wenxin's idols.

Because Xiao Tian still had not answered her question, Yi Wenxin asked again. "So, how is it? Do you agree with my conditions?"

"Sure." Xiao Tian could not refuse her wishes because it would be troublesome if Yi Wenxin decided to stop them from meeting his grandfather.

"Good." Yi Wenxin smiled happily. "Give me your number. I will call you tomorrow."

Xiao Tian and Yi Wenxin then exchanged phone numbers.

At this moment, Yu Shi suddenly whispered to Crystal. "You should behave like her. Xiao Tian is a great young man, so you should not be satisfied with just being his friend. Aim more! Aim to be his wife, and I'm sure you won't regret it later."

"Master, stop it!" Crystal replied in a slow voice.

"Tch! You are so dumb!" Yi Shi whispered again. "Every woman dreams of being in your place, and here, you only want to be his friend."

Then they talked for an hour before finally Xiao Tian and the others returned to the hotel.

'Huft! I didn't expect that annoying woman to be Yi Yuan's granddaughter.'

Currently, Xiao Tian was lying on the bed in his room.

*Knock...Knock...Knock...

Xiao Tian suddenly heard someone knocking on his door.

'Who is it?'

He was sure that he didn't ask for any room service, so he wanted to know who was the person knocking on his door.

Without waiting for another second, Xiao Tian got out of bed to open the door.

A smile suddenly appeared on his face when he knew the person who had just knocked on the door was none other than Lan Ruoxi.

"Why do you come to my room at night, lady Lan? Do you want to sleep with me?" Xiao Tian decided to tease Lan Ruoxi.

"I just want to tell you that we will meet Wenlian and Zhanya tomorrow morning." Lan Ruoxi gave an honest answer.

After arriving at the hotel, Lan Ruoxi immediately called Bai Wenlian. She told Bai Wenlian that she was in Beijing.

Bai Wenliang was pleasantly surprised by Lan Ruoxi's words. For this reason, Bai Wenliang wanted them to meet tomorrow morning at the Furi Tea shop.

Because Lan Ruoxi also had the intention to meet her, she agreed without thinking twice. That was why she immediately informed Xiao Tian because Bai Wenliang wanted to meet Xiao Tian too.

"Sure." Xiao Tian knew that he would meet Bai Wenlian and Bai Zhenya, so he was fine with it.

"All right. I will return to my room now." because there was nothing to talk about with Xiao Tian anymore, Lan Ruoxi wanted to go back to her room.

However, something unexpected happened. When she was about to head back to her room, Xiao Tian suddenly grabbed her right hand and dragged her into his room.

"Why do you want to go back to your room so soon? Why don't we talk a little longer?" Xiao Tian inquired.

Currently, Xiao Tian was cornering Lan Ruoxi against the wall next to the door.

"If you only want to talk with me, why are you cornering me against the wall?" because it was not the first time Xiao Tian cornered her against the wall, Lan Ruoxi behaved normally.

Xiao Tian placed his right arm around Lan Ruoxi's waist before pulling her towards him. "Little lady, do you know what it means when a woman comes into a man's room at night?"

"What does it mean?" Lan Ruoxi pretended as if she did not understand it.

Like before, Lan Ruoxi still behaved normally as if she wanted him to do something to her.

Xiao Tian brought his face closer towards her left ear and whispered, "That means she wants to have sex with that man."

"But I have no intention of doing adult things with you." Lan Ruoxi uttered, "I only want to inform you that we will meet my friend tomorrow morning."

'This young man wants to take advantage of the situation again, huh?'

Actually, Lan Ruoxi had guessed what Xiao Tian would do to her later, but she did not show the slightest fear on her face.

"Young lady, it's just the two of us in my room now, so you don't need to lie to me." Xiao Tian behaved as if Lan Ruoxi wanted to have sex with him.

"But I really have no intention of doing adult things with you." Lan Ruoxi repeated her words.

"Because you keep lying to me, I will punish you now." after saying that, Xiao Tian brought his face closer towards hers.

Chapter 907 - Let Me Bring You To Your Room

7-9 minutes

When Lan Ruoxi saw Xiao Tian's face getting closer towards hers, she instantly placed her right index finger on his lips. "Little guy, it seems like you are the one who has dirty minds."

Xiao Tian removed Lan Ruoxi's index finger from his lips and denied it shamelessly. "I don't have dirty minds. I only want to help you get what you want."

"But I only want to inform you that we wi-" before Lan Ruoxi had finished her words, Xiao Tian pressed his lips against hers.

Lan Ruoxi only stared at his black eyes. Actually, she had guessed that something like this would happen to her. That was why she was not surprised by his actions.

At this moment, Lan Ruoxi and Xiao Tian did not know that someone was looking at them through the open door.

'What?! So he has this kind of relationship with her?!'

An old woman who was standing in front of Xiao Tian's room was startled by what she was seeing.

Because Xiao Tian forgot to close the door, she could see what Xiao Tian and Lan Ruoxi were doing in his room.

Yes. That old woman was none other than Yu Shi. Previously, Yu Shi wanted to say something to Xiao Tian. She just did not expect that she would see something shocking like that.

'I have to tell Crystal to behave more aggressively.'

With that idea in mind, Yu Shi headed to Crystal's room.

At this moment, Xiao Tian was still kissing Lan Ruoxi. He did not stop the kiss immediately because it had been quite a while since the last time he kissed her.

Xiao Tian was still weaker than Lan Ruoxi, so the limit he could do was only kiss her lips. If he did more than that, Xiao Tian was sure that Lan Ruoxi would push him away.

For this reason, Xiao Tian wanted to enjoy the sensation of kissing her tender lips. However, when Xiao Tian saw Lan Ruoxi's pretty eyes, the desire to kiss her passionately suddenly emerged within him.

They had several passionate kisses before, so Xiao Tian decided to do it again. With that idea in mind, Xiao Tian tried to put his tongue into Lan Ruoxi's little mouth.

However, Lan Ruoxi did something when Xiao Tian tried to kiss her hungrily.

Lan Ruoxi bit Xiao Tian's lower lip!

Her actions made Xiao Tian instantly stop the kiss. "Lady Lan, you are so cruel!"

Lan Ruoxi brought her face closer towards Xiao Tian's right ear and spoke, "Who told you to try kissing me passionately?"

"Didn't you say kisses meant nothing to you? We've done passionate kisses several times before, so why are you still doing this to me?" when they were at the waterfall behind Lian Xun's house, Lan Ruoxi told Xiao Tian that kissing meant nothing to her.

"Just because I said kisses meant nothing to me, doesn't mean you can kiss me passionately as you want. Practice martial arts hard and beat me in the fight. after that..." Lan Ruoxi spoke and paused for a second before she continued, "I will satisfy you in bed."

Because Lan Ruoxi still had something important to do, she pushed Xiao Tian away and returned to her room.

After closing the door, Xiao Tian headed to his bedroom.

'My lower lip hurts!'

Xiao Tian touched his lower lip.

'Just you wait. I will punish you until you beg for forgiveness in the future.'

Currently, Xiao Tian was lying down on the bed. Because he was alone, he decided to call Liu Ning.

"Hello?" Liu Ning spoke after picking up the phone.

"Ning'er, I miss you so much." Xiao Tian uttered,

"I miss you too." Liu Ning responded. "Where are you right now?"

"I'm in my hotel room, alone." Xiao Tian gave an honest answer. "I'm so lonely right now. I really want to embrace you and cuddle with you."

"Hehe." Liu Ning giggled after hearing his words. "Wait a second. I will let everyone know you are calling me."

"Good. I also want to talk with everyone." Xiao Tian spoke.

Inside a luxurious hotel room, two women were looking at each other; a young lady and an old woman.

The young lady wore a displeased expression as if she disagreed with something. As for the old woman, she was closing her eyes and crossing her arms over her chest.

These two young people were none other than Crystal and her master, Yu Shi.

"I refuse!" Crystal uttered, "Why are you still doing this? Didn't you promise not to do this kind of thing again?"

Previously, Yu Shi came to Crystal's room after seeing what Xiao Tian and Lan Ruoxi did. She wanted her disciple to get closer to Xiao Tian as quickly as possible, so she told Crystal to sleep in Xiao Tian's room tonight.

Yu Shi opened her eyes and responded, "Crystal, I'm not forcing you. I'm just giving you a way to get a better future."

"Master, I can create a better future myself. Believe me. I will become a powerful martial artist in the future." Crystal was sure that she could become a powerful martial artist in the future.

As long as she continued practicing martial arts, she believed nothing was impossible. Her master wanted her to be a strong martial artist, and she also desired it.

"I believe you. But the road to be a powerful martial artist is full of danger." Her disciple was talented in martial arts, so Yu Shi also believed that Crystal could become a powerful martial artist in the future, but in her view, a strong martial artist needed a powerful supporter too.

Of course, Crystal understood what Yu Shi had in mind. "I know. But I will try my best-"

*Cough...Cough...

Before Crystal had finished her words, Yu Shi coughed twice, and her face suddenly turned pale.

"Master, are you alright?" Crystal's face turned worried.

"Crystal, I really care about you. I always want to give you the best things in this world. That's why I alwa- cough...cough..." Yu Shi coughed again before she could finish her words.

This made Crystal even more worried about Yu Shi's condition. Because she knew that her master had serious injuries, she thought Yu Shi's injuries were getting worse.

She did not know that Yu Shi was only acting. Yu Shi pretended to cough and made her face turn pale so that Crystal would not refuse her idea.

Crystal loved her so much, so Yu Shi wanted to take advantage of Crystal's love. "Crystal, can you do it? Master only wants to give you a better future."

Crystal did not answer and only stared at Yu Shi. She wanted to refuse, but she was afraid that her words would make her condition worse.

"Crystal..." Yu Shi spoke with a pale face.

After thinking for several seconds, Crystal agreed with her idea. "Alright. I will talk to him later."

"You cho...cough...cough..." even though her plan went smoothly, Yu Shi still pretended to cough so that Crystal would not notice that she was lying.

"Master, stop talking." Crystal uttered, "Let me bring you to your room."

"All right." Yu Shi replied.

After sending Yu Shi to her room, Crystal headed to Xiao Tian's room. At this moment, Crystal only stood in front of Xiao Tian's room.

Whenever she was about to knock on the door, her hands suddenly stopped. This happened three times before finally, Crystal sighed.

'For the sake of master, I have to do this.'

She ventured to knock on the door.

Not long after that, Xiao Tian opened the door. "Oh, Crystal. Do you need anything?"

It took Crystal three seconds before she could reply, "Can you let me sleep in your room tonight?"

Chapter 908 - As I Thought, You Were Lying To Us

Chapter 909 - Going To The Yi Family

7-8 minutes

"Ruoxi, did Xue Yang force you to have sex with him again last night?" Bai Wenliang inquired.

When they met last month, Lan Ruoxi stated that Xiao Tian forced her to have sex with him. Even though it was not true, but Bai Wenliang believed it.

Even though Xiao Tian had been labeled a pervert in Bai Wenliang and Bai Zhenya's eyes, but they still thought Xiao Tian was a good lover.

In the past, Lan Ruoxi also told a lot of good things about Xiao Tian after he made her happy. That was why Bai Wenliang and Bai Zhenya thought Xiao Tian was a good lover.

"No." Lan Ruoxi shook her head. "He has been a good boy lately."

Lan Ruoxi's words much surprised Xiao Tian. Previously, he thought she would ruin his good image again.

"I have been a good boy lately, but she has turned into a bad lady now. Look!" Xiao Tian showed his lower lip to Bai Wenliang and Bai Zhenya. "She bit my lower lip last night. Because of this, I can't eat normally until now."

Bai Wenliang and Bai Zhenya shifted their gaze from Xiao Tian to Lan Ruoxi.

Because Lan Ruoxi knew that they wanted to hear the reason, she immediately spoke, "It was because he tr-"

However, before Lan Ruoxi had finished her words, Xiao Tian interrupted her. "It was because she was jealous. Three women asked my number yesterday, so she was jealous. Because of this, she bit my lower lip."

"Is that true?" Bai Wenliang and Bai Zhenya asked in unison.

It was true that Xiao Tian was an attractive young man, so they wanted to know whether Xiao Tian was telling the truth or not.

"He is lying." Lan Ruoxi replied.

Xiao Tian pulled Lan Ruoxi closer towards him before turning her face towards him. "Ruoxi, you don't need to lie anymore. Just admit that you were jealous yesterday. It's fine to admit it because that means our love is real."

"E... can you not lovey-dovey in front of us?" Bai Wenliang felt awkward seeing Xiao Tian and Lan Ruoxi like that.

"Yes. This is not a romantic place." Bai Zhenya added.

Xiao Tian shifted his gaze from Lan Ruoxi to Bai Wenliang. "Lady Bai, aren't you always curious about our love affair? You even asked about our sex life. Then, seeing us like this should not be a problem for you."

"Ruoxi, your lover is a pervert!" Bai Wenliang stated.

"He is indeed a pervert!" Lan Ruoxi responded.

Xiao Tian was speechless and could not say anything.

After talking with Bai Wenliang and Bai Zhenya for about an hour, Xiao Tian and Lan Ruoxi returned to the hotel.

'Sigh. I really miss big sister Yun.'

Xiao Tian then called Yun Xin Er, but she didn't pick up the phone. He sent her a message, but she didn't read it.

'It seems like she is very busy now.'

Because he could not call Yun Xin Er, he called his women. First, he called Lin Xing Xue. They talked over the phone for about thirty minutes before Xiao Tian finally called his aunt.

After calling all his women, Xiao Tian had lunch with Lan Ruoxi and the others. Time went by quickly, and without realizing it, it was already 03:00 pm.

When Xiao Tian was talking with Lan Ruoxi and the others, Yi Wenxin suddenly called him. She told him that she was already in front of Huju hotel.

Last night, Xiao Tian told Yi Wenxin where he stayed. Xiao Tian and the others wasted no time and immediately walked out of the hotel to meet Yi Wenxin.

After that, they traveled to Yi Wenxin's house to meet Yi Yuan, the famous doctor. Yi Wenxin's house was quite far from Huju hotel.

It took them forty minutes to reach Yi Wenxin's house. Her house was quite big and had two floors.

A beautiful fountain was placed in the center of the large front yard, and a three-meter-high wall surrounded the luxurious house.

After Yi Wenxin got out of the car, she spoke, "Welcome to my house. Come in"

Xiao Tian and the others immediately followed Yi Wenxin.

"Father, mother, grandfather, I'm home." Yi Wenxin spoke after opening the door. "Wait here. I will call my grandfather."

"All right." Xiao Tian and the others then sat on the couch in the living room.

The living room was quite big, with some luxury items decorating the room. Not long after that, Ye Wenxin returned to the living room with an old man around sixty years old.

Xiao Tian and the others instantly rose to their feet. At this moment, a ray of hope suddenly appeared in the eyes of Yu Shi and Crystal.

"Please sit." Yi Yuan spoke as he smiled.

Xiao Tian and the others sat on the couch again.

"I know the reason why you came to my house because my granddaughter has told me about it." Yi Yuan spoke and pause for a second before he continued, "And because my granddaughter wants me to help you, I will try my best to cure her injuries later."

"Thank you, doctor Yi." Yu Shi uttered,

"Thank you, doctor Yi." Crystal spoke politely.

"Hehe. Xiao Tian, I have kept my promise, so you have to spend time with me later." the reason why Yi Wenxin wanted to help them was that Xiao Tian was one of her idols.

"Don't worry, lady Yi. I will keep my word." Xiao Tian spoke as he smiled.

"It seems like young master Xiao's charm is so great." Lan Ruoxi teased Xiao Tian.

At this moment, Xiao Tian wanted to tease Lan Ruoxi, but he changed his mind because he had to maintain his good image in front of Yi Wenxin and Yi Yuan.

Yi Wenxin then turned her head towards her grandfather and spoke, "Grandfather, you have to cure her injuries or else I will get angry at you later."

"Hahaha." Yi Yuan could not help but laugh after hearing her words. "It seems like you idolize Xiao Tian so much."

Yi Yuan knew that Yi Wenxin was idolizing Xiao Tian because she talked about Xiao Tian quite often yesterday.

Xiao Tian, on the flip side, was startled by her behavior.

'So the crazy officer has this kind of attitude too, huh?'

Because Yi Wenxin was police who did whatever she wanted, Xiao Tian thought she would always behave crazily, but he was wrong.

'Well, I hope she doesn't know my other identity.'

Xiao Tian was sure Yi Wenxin would not behave nicely if she found out that Xue Yang was him. He was even sure that she would point her gun at his head again, like what she did in the past.

Yi Yuan looked at Yu Shi and spoke, "Alright. Let's go to my private clinic room. I will check your condition now."

Xiao Tian and the others then headed to Yi Yuan's private clinic room. The private clinic room was quite big with a patient bed and some medical equipment in it.

After Yu Shi lay on the patient's bed, Yi Yuan began to check her condition. At this moment, Xiao Tian and the others were standing behind Yi Yuan because they didn't want to disturb him.

After Yi Yuan finished checking Yu Shi's condition, Crystal inquired, "Doctor Yi, how is it? Can you cure my master's injuries?"

Chapter 910 - I Don't Miss You

6-8 minutes

"Doctor Yi, how is it? Can you cure my master's injuries?" at this moment, Crystal was feeling anxious because she was afraid that Yi Yuan would say that he could not cure her master's injuries.

Like Crystal, Yu Shi also felt the same. However, she did not give up and hoped that Yi Yuan could cure her injuries later.

"Grandfather, can you cure her injuries?" Yi Wenxin inquired.

Yi Yuan sighed before answering. "I can cure her injuries, but...."

Yi Yuan could not finish his words because he was sure that Yu Shi would not be able to accept it later. Yu Shi was a martial artist, so he suspected that her world would fall apart after hearing his words.

"But what?" Crystal's expression turned worried because she thought the side effects would be dangerous or critical.

"Doctor Yi, please just say it. I want to hear it." Yu Shi was also curious about it.

Yi Yuan began to explain. "You are suffering a very serious mechanical injury to your chest with multiple muscle tears and ligamentous contusions."

Yi Yuan also told them that Yu Shi's left hand and chest had crushed fractures in multiple key areas and would leave sequelae after recovery.

For this reason, Yu Shi could not become a martial artist anymore because violent collisions could easily make her injuries recur.

"It's fine. I can accept it." Yu Shi also had the intention to resign as an assassin because she was already old.

That was why she could accept it easily. For her, as long as she could see Crystal grow up, it was already enough.

However, there was a little sadness deep inside her because, with this, she would not be able to protect Crystal anymore.

Xiao Tian was startled when Yu Shi could accept it easily.

'Well, I'm sure she realizes that she is already old, so it's time for her to resign as an assassin.'

Xiao Tian was sure if Yu Shi were still young, she would not be able to accept it.

"Doctor Yi, please heal my master's injuries." After saying that, Crystal looked at Yu Shi. "Master, don't worry. I will protect you from today onwards."

"But I don't want you to protect me." Yu Shi uttered, "I only want you to give me a granddaughter or grandson quickly."

The corner of Xiao Tian's lips twitched after hearing Yu Shi's words.

'This old woman is really something.'

He did not expect Yu Shi to say something like that.

"Master, stop it!" Crystal uttered, "Otherwise, I will get angry at you now."

"Alright. You can come to Yuji Hospital tomorrow. I will treat you there." Yi Yuan could not treat Yu Shi's injuries immediately because the medical equipment at his house was limited.

"All right." Yu Shi responded as she nodded her head.

Xiao Tian and the others then returned to the living room. After talking with Yi Yuan and Yi Wenxin for an hour, they returned to the hotel.

"Thank you, Xiao Tian," Crystal spoke abruptly.

Currently, Xiao Tian and Crystal were in his room. Because she wanted to show her gratitude to him, she immediately headed to his room after arriving at the hotel.

"Don't mind it." Xiao Tian responded as he smiled.

"Oh right, master also said we didn't need to pretend to be a fake couple anymore." Crystal uttered.

Because Yi Yuan could cure Yu Shi's injuries, Xiao Tian and Crystal decided to reveal everything because she didn't want to keep lying to Yu Shi.

"I see." Xiao Tian was pleased by this news.

"But it seems like she still wants me to be your wife because she keeps asking me to give her a granddaughter or grandson." Before going to Xiao Tian's room, Yu Shi even encouraged Crystal to take advantage of the situation later.

Xiao Tian was not surprised by her words because he already knew about them. Yu Shi even said that she wanted Crystal to give her a granddaughter or grandson when they were at Yi Wenxin's house.

"Don't mind it. Maybe she will forget it later." Xiao Tian was sure that Yu Shi would give up if her plan never worked out later.

"I will go to my room now." because there was nothing to discuss anymore, Crystal decided to return to her room.

"Un." Xiao Tan nodded his head.

After Crystal left, Xiao Tian immediately laid down on the bed.

'I'm bored. Maybe there is a good show or movie on TV.'

Xiao Tian then turned on the TV.

'Oh! It's big sister Yun?!'

Coincidentally, Xiao Tian saw Yun Xin Er on TV.

'I miss her even more now. Sigh. It has been quite a while since the last time I met her. Is she still busy now?'

Previously, Xiao Tian had called and messaged Yun Xin Er, but there was no answer from her. As Xiao Tian was thinking about Yun Xin Er, his smartphone rang.

'Big sister Yun?'

Happiness glowed inside him when he knew the person who was calling him was none other than Yun Xin Er.

Xiao Tian instantly picked up the phone and spoke in a happy voice, "Hello, big sister Yun?"

"Hehe. Little brother, are you so happy that you can finally hear my voice?" even though Yun Xin Er could not see Xiao Tian's expression, she knew that Xiao Tian was happy from his voice.

"Yes." Xiao Tian gave an honest answer.

"It seems like you miss me so much." Actually, Yun Xin Er was also pleased because she missed Xiao Tian too.

However, she still could not meet him because her concert tour still wasn't over. There were still several cities she had to visit, so they still could not see each other.

"Yes. I miss you so much." Xiao Tian replied, "How about you? Do you miss me?"

"I don't miss you. Hehe." Yun Xin Er lied to Xiao Tian. "Oh right, if you really miss me, why don't you meet me now? I'm at Yusu city now."

"If I had some free time, I would have met you by now." at this moment, Xiao Tian was telling the truth.

"Hmm? Are you telling the truth? Why do I feel like you are lying to me?" Yun Xin Er wanted to know whether he was telling the truth or not.

"I'm not lying." Xiao Tian responded. "I'm in Beijing right now, or more precisely, I'm in Huju Hotel."

"What are you doing in Beijing?" Yun Xin Er asked curiously.

"It's like this...." Xiao Tian began to tell her the reason why he went to Beijing.

Because he had a close relationship with Yun Xin Er and she was also his future lover, Xiao Tian did not hide a single thing from her.

He also told everything that had happened to him since the last time they met.

"I see." Yun Xin Er replied. "It seems like a lot has happened to you since the last time we met."

"That's right." Xiao Tian replied, "Because you are my goddess of luck, it's normal that I'm always unlucky because you're not by my side now."

"Hehe." Yun Xin Er could not help but giggle after hearing his remarks.

"Oh right, big sister Yun. Little Xue is living with me now. When will you live with me too?" Xiao Tian inquired.
