

Illicit 91

Chapter 91 - Exciting Moment 2

"Mmmmm," Ye Qingyu could feel that her nephew's cock slowly enter her pussy, spreading her pussy to his cock size.

After his cock was inside his aunt's pussy, Xiao Tian started moving his hips, making his aunt let out many moans.

Ye Xueyin, who was seeing her little sister's breasts moving in various directions every time her son thrust his cock in her little sister's pussy, suddenly wanted to play with her little sister's breasts. That was why she moved next to her little sister and squeezed her little sister's left breast while licking her little sister's right nipple.

"Ahhhhh," Ye Qingyu felt as if there was electricity running to every cell in her body when her big sister suddenly squeezed her left breast while licking her right nipple.

As he moved his hips, Xiao Tian placed his aunt's legs on his shoulders, allowing his cock to reach deeper on his aunt's pussy.

"Ahhhhh..." Ye Qingyu moaned louder when her nephew's cock suddenly hit her womb. Coupled with her big sister, who was playing with her breasts, Ye Qingyu let out many moans and opened her mouth, causing her saliva slowly dripping from the corner of her mouth.

As Ye Xueyin was seeing her little sister's fascinating expression, she decided to bit her little sister's right breast and pinch her little sister's left breast a little hard.

After biting and pinching her little sister's breasts, Ye Xueyin pulled her little sister's nipples before letting her little sister's nipples go.

"Ahhhh," Ye Qingyu tilted her head back "Big sister, don't do it hard. Gently. Please do it gently."

Even though her little sister requested her to play with her little sister's breasts gently, Ye Xueyin ignored her little sister's words, as if she heard nothing.

Ye Xueyin even bit and pinched her little sister's breasts harder, making her little sister moan louder.

At that moment, all Ye Qingyu did was only moaning, moaning and moaning. Her body had turned frail because her nephew's cock kept hitting her womb every time her nephew moved his hips.

Coupled with her big sister, who was biting and pinching her breasts, not only Ye Qingyu's body became weak, but her mind also started to go blank due to the pleasure that her big sister and her nephew gave to her was too much for her to endure.

After several minutes, Ye Qingyu felt like she was about to have an orgasm. With a low and unclear voice, she said, "Cumming. Cumming. I'm cummingggg."

When Ye Qingyu was having an orgasm, Ye Xueyin stopped playing with Ye Qingyu's breasts, and Xiao Tian also stopped moving his hips, giving Ye Qingyu a time to finish her orgasm first.

After having an orgasm, Ye Qingyu's body was twitching for a few seconds.

When Ye Xueyin saw her little sister had finished having an orgasm, she looked at her son intently because between the three of them; she was the only one who still hasn't had an orgasm.

"Tian, mother also wants you to give me pleasure." Ye Xueyin was directing her ass at her son while spreading her pussy with her left hand. She didn't bother to take off her lingerie and only slid her thong to the other side before spreading her pussy.

Upon seeing his mother spreading her pussy and asking him to put his cock in his mother's beautiful pussy, Xiao Tian pulled out his cock of his aunt's pussy.

After placing his cock in his mother's pussy entrance, Xiao Tian thrust his cock in his mother's pussy in one go.

"Ahhhh," Ye Xueyin was surprised when her son thrust his cock in one go. She thought her son would put his cock in her pussy slowly like what he did to her little sister. But, Ye Xueyin was not angry when her son put his cock in her pussy in one go, or rather she was pleased because finally, she could feel her son's amazing cock in her pussy again.

Feeling that his mother's muscles pussy was squeezing his cock wildly, Xiao Tian touched his mother's ass and started thrusting his cock.

After Ye Qingyu's breathes back to normal, she moved toward her big sister. After she was in front of her big sister, Ye Qingyu's hands went under her big sister's lingerie and started squeezing her big sister's breasts, making her big sister moan louder.

As Xiao Tian was moving his hips, he smiled after seeing his mother's cute ass hole. Using his left hand, Xiao Tian took his mother's love juice and rubbed it on his mother's lovely pink ass hole.

"Tian, wait. Don't pla...Ahhh.." before Ye Xueyin had finished her words, she moaned softly due to her son put one of his fingers into her asshole.

"Mother, your ass hole is cute. It looks like it want me to play with it" After putting his middle finger in his mother's ass, Xiao Tian began stirring it up.

"Tian, wai...Ahhhhh.." Ye Xueyin couldn't finish her words and only gritted her teeth when her son was playing with her ass hole while at the same time, her little sister was also pinching her breasts.

As her son and her little sister were giving her great pleasure, Ye Xueyin began to lose her strength, making her head fall into her little sister's pussy.

"Ahh," Ye Qingyu, who played with her big sister's breasts, was surprised when her big sister's mouth suddenly on her pussy.

Ye Qingyu stopped playing with her big sister's breasts due to her big sister was moaning or breathing on her pussy.

When her face was in her little sister's pussy, Ye Xueyin, who was having a hard time breathing due to her face was in her little sister's pussy, wanted to move her head. However, her little sister suddenly grabbed her head and pulled her head toward her little sister's pussy, making her unable to move her head.

Ye Qingyu was moaning softly when she unconsciously pressed her big sister's face to her pussy.

"Big sister, hurry up and lick my pussy!" Ye Qingyu started to move her hips up and down, forcing her big sister to lick her pussy.

After looking at her little sister for three seconds, Ye Xueyin started to lick her little sister's pussy.

Xiao Tian, who saw what his aunt was doing to his mother, was surprised. Usually, his mother was more dominant than his aunt, but at that time, it was the opposite because his mother was under his aunt's control.

"Ah...More... Big sister, put your tongue in my pussy" Ye Qingyu let go of her hands from her big sister's head and started to play with her breasts.

Upon hearing her little sister's words, Ye Xueyin inserted her tongue in her little sister's pussy and started moving her tongue.

The whole room was filled with their moans.

The moans were coming out from Ye Xueying's mouth due to her son kept penetrating her pussy with her son's huge cock. The cries were also coming from Ye Qingyu's mouth because her big sister's tongue was licking her sensitive part skillfully. Xiao Tian was groaning too when his mother's muscles pussy was squeezing his cock wildly.

After pleasing each other for several minutes, Xiao Tian had reached his limit.

"Mother, I'm cumming.... Cumminggg" Xiao Tian moved his hips faster and stopped playing with his mother ass hole.

Upon hearing her son's words, Ye Xueyin turned around and immediately put her son's cock in her mouth.

"I'm cummingggg...." Xiao Tian was holding his mother's head and was closing his eyes.

After a few seconds, Xiao Tian finally let out all his sperm in his mother's little mouth. When Xiao Tian pulled out his cock of his mother's mouth, Xiao Tian immediately laid on bed.

Ye Xueyin, who was receiving her son's sperm, moved closer to her little sister. When Ye Xueyin was in front of her little sister, she immediately kissed her little sister, sharing her son's sperm to her little sister.

When her big sister gave her nephew's sperm to her, Ye Qingyu accepted it gladly and drank it happily. After Ye Qingyu and Ye Xueyin swallowed Xiao Tian's sperm, they closed their eyes before smiling.

When Ye Qingyu saw that there was some sperm left on her nephew's cock, she moved closer to her nephew and started to lick her nephew's cock, cleaning her nephew's cock.

Chapter 92 - What Is It, Aunt?

"Ooooo" when his aunt was cleaning his cock with her pink tongue, Xiao Tian was startled. He didn't expect her to clean his cock on her own.

When his aunt finished cleaning his cock, Xiao Tian's cock was hard again. At that time, Ye Qingyu was looking at her nephew's cock intently, as if his cock was the most delicious candy in the world.

At first, Ye Qingyu only wanted to clean her nephew's cock, but after seeing his erect cock, which was moving on its own, she started to feel aroused again.

And when the pre-cum was dripping down, Ye Qingyu moved her face closer to her nephew's cock and started to lick the pre-cum.

After licking the pre-cum, Ye Qingyu held her nephew's cock and pulled it to her face, sniffing and licking his cock.

When Xiao Tian saw what his aunt was doing, he smiled and said, "What is it, aunt? If yo— Mmmm."

However, before Xiao Tian had finished his words, his mother suddenly kissed his lips and put her tongue in his mouth, searching for his tongue.

After finding her son's tongue and intertwining their tongues, Ye Xueyin then sucked his tongue hungrily.

Xiao Tian let his mother do as she please, but when he saw her wet pussy, he suddenly thought of something. Using his right hand, Xiao Tian put his index and middle fingers into her pussy.

"Ahhhh..." Ye Xueyin cried out seductively and broke the kiss when she felt two of her son's fingers were in her pussy, but she showed no reaction of rejecting.

As she was moaning, Ye Xueyin only looked at her son for three seconds before finally kissing him again.

Ye Xueyin broke the kiss and moaned again when her son suddenly pinched her left breast. Once again, she let him do as he wanted and kissed him again. It was as if she couldn't live without kissing him.

Kissing her son was like taking a drug for Ye Xueyin. Once she kissed him, she wanted to kiss him over and over. With how skillfully her son uses his tongue, coupled with the sweet scent of his mouth, it's made Ye Xueyin addicted to kissing him.

At this time, Ye Qingyu, who was licking and sniffing her nephew's cock, stopped what she was doing. However, the reason she stopped licking and sniffing his cock was that she had reached her limit and unable to hold herself anymore.

After standing on her knees above her nephew's cock, Ye Qingyu lowered her body slowly, allowing his cock to enter her pink pussy.

"Ahhhhh," Ye Qingyu moaned and tilted her head back when her nephew's cock slowly entered her pussy.

When Xiao Tian felt his cock was inside his aunt's pussy, he groaned softly because he felt her pussy was so tight. He also felt as if her pussy muscles were squeezing his cock wildly like a snake wrapping around its prey.

That was why, Xiao Tian unconsciously pinched his mother left nipple hard and put his fingers deep in her pussy, making his mother also moan.

At that moment, the three of them moaned at the same time.

As Ye Qingyu was moving her hips, she started moaning and calling her nephew's name. The sound of his huge cock spreading her pussy could be heard on her ears.

Xiao Tian started moving his hands again, playing with his mother's pussy. As he kept thrusting his two fingers in his mother's pussy, the love juice started coming out and dripping down his hands.

Ye Xueyin was unable to kiss her son anymore when he thrust his two fingers in her pussy. However, several seconds after her son thrusting his fingers, Ye Xueyin started moving her hips forward and backward.

They kept pleasing each other for several minutes before finally, Ye Qingyu stopped moving her hips, intending to change to straddle sex position.

Ye Qingyu grabbed her nephew's left leg and made it slightly bends.

"Mmmmm," Ye Qingyu let out a soft moan when she turned her body while her nephew's cock was still in her pussy.

Now Ye Qingyu legs were on one side next to her nephew's bend legs. After placing her left hand on his chest and her right hand on his left knee, Ye Qingyu closed her thighs tightly to make her pussy tighter.

"Ohhh so tight," Xiao Tian exclaimed when his aunt started to move her hips again with her thighs close tightly.

The way his aunt's pussy wrapped around his cock was different when it was from sideways, making Xiao Tian groan and stop playing with his mother's pussy.

When her son stopped playing with her pussy, Ye Xueyin moved her body and placed her pussy in front of her son, asking him to lick her pussy.

Seeing that, Xiao Tian stuck out his tongue and began to lick his mother's pussy.

His mother started to moan when Xiao Tian was licking her pussy.

Intending to give her more pleasure, Ye Xueyin started playing with her breasts, squeezing and pinching her nipples.

"Ahh.... Ahhh.. Ah.... Ahhh," Ye Xueyin's legs became weak when her son suddenly bit her clitoris, making her pussy fall on his mouth.

"Mmm mmmm," Xiao Tian wanted to say that he couldn't breathe when his mother pressed her pussy on his mouth and nose.

"Noo. Ah.... Tian, don't talk when you're eating your mother's pussy. Ah...." Ye Xueyin grabbed her son's head and pressed her pussy harder.

Ye Xueyin had no idea that her son was in a position of hard to breath when she pressed her pussy on his face. She only moved her hips to the left and right while saying to her son not to talk on her pussy.

Because his mother was still pressing her pussy on his face, Xiao Tian had no choice but to insert two fingers in her ass hole to make his mother stop what she was doing.

"Ah..... Tian, not two fingers. Ah... Mother's ass hole still can't endure two fingers" Ye Xueyin stopped pressing her pussy on her son's face and raised her pussy slightly. "Tian, not two fingers. Please one finger, one finger. Ah..."

"What a bad mother!" Xiao Tian was relieved when he could breathe again. While his left hand was still playing with his mother's ass hole, Xiao Tian's right hand pinched her right nipple.

"Ahhh... I'm cumminggg" Ye Xueyin suddenly had an orgasm when her son pinched her right nipple hard while playing with her ass hole.

After Ye Xueyin had an orgasm, she laid down on the bed.

Because his mother was not above him anymore, Xiao Tian sat upright.

Ye Qingyu was surprised when her nephew suddenly sat upright.

Chapter 93 - What Happened?

6-7 minutes

Xiao Tian immediately grabbed his aunt's waist so she would not fall when he suddenly sat upright. After making his aunt's back face him, Xiao Tian squeezed her breasts from behind.

"Ah..." Ye Qingyu let out a soft moan.

After placing her hands on her nephew's legs, Ye Qingyu started to move her hips again.

As his aunt was moving her hips, Xiao Tian moved her hair to the left side and started to kiss the backside of her neck.

After a few minutes of moving her hips, Ye Qingyu stopped moving her hips and turned her head to her nephew.

Xiao Tian knew that his aunt wanted to ask for a kiss. That was why Xiao Tian opened his mouth and kissed her beautiful, pink lips.

They kissed for several seconds before finally, Ye Qingyu broke the kiss and began to move her hips again.

Seeing that, Xiao Tian also moved his hips, following his aunt's rhythm. As he moved his hips, Xiao Tian kissed her shoulders and moved his hands to her waist, intending to help his aunt move her hips.

The love juice started dripping from Ye Qingyu's pussy and it made a noise every time her nephew's cock moves in and out of her wet pussy.

Not long after that, due to her body became weak, Ye Qingyu's head fell on her nephew's right shoulder. That was why she stopped moving her hips.

When his aunt didn't move her hips anymore, Xiao Tian moved her body up and down.

Ye Qingyu only moaned when her nephew was moving her body up and down, and not long after that, Ye Qingyu felt like she was about to cum. With a weak voice, Ye Qingyu said, "Cumming..cumming... I'm cummingggg."

Xiao Tian stopped moving his aunt's hips and wrapped his hands around her waist when his aunt was having an orgasm.

He kissed his aunt's shoulders and waited until she finish her orgasm.

"Huft....Huft....Huft....Huft....Huft," the sound of his aunt breathing heavily could be heard on Xiao Tian's ears.

After several seconds, Ye Qingyu looked at her nephew and touched his left cheek with her left hand. "Tian....."

"What is it, Aunt?" Xiao Tian said with gentleness

"Huft....Huft. It feels great...Huft...Huft..." Ye Qingyu replied while still breathing slowly.

"Can you continue, aunt?" Xiao Tian still hasn't had an orgasm; that was why he wanted to continue having sex.

"Wait a minute. Huft,....Huft... Let me catch my breath first. Huft..." Ye Qingyu knew that her nephew still hasn't had an orgasm. That was why she planned to have sex with him until he have an orgasm, but to do that, Ye Qingyu needs to catch her breath first.

Upon hearing his aunt's words, Xiao Tian kissed her shoulders gently.

As he kissed his aunt's shoulders, Xiao Tian could smell her fragrance every time he breathed. At that time, Xiao Tian wished that he could stop time so that he could feel the warmth of his aunt's body while still being connected, forever.

"Aunt, I love you" Xiao Tian didn't know why he suddenly wanted to tell his aunt that he loved her dearly.

Xiao Tian felt that he still hadn't done anything special to his aunt, but his aunt had given him everything. With that on his mind, Xiao Tian promised in his heart that he would make his aunt happy and take her somewhere to make her happy and strengthen their relationship.

Upon hearing her nephew's words, Ye Qingyu's face broke into a smile. She didn't know why his nephew suddenly told her that he loved her. However, Ye Qingyu could feel that his words came out from the bottom of his heart.

Ye Qingyu touched her nephew's cheeks and looked at him. "Why did you suddenly say that?"

"Sorry for saying that at a time like this," Xiao Tian felt that it was not the right time to say 'I love you.' It was as if he only wanted her body and not her heart.

The light in Xiao Tian's eyes dimmed after remembering that he only takes advantage of his aunt's kindness. "Aunt..."

"What happened?" Ye Qingyu had no idea why her nephew suddenly became like that.

"Nothing" Xiao Tian shook his head. He also felt guilty because he was destroying the mood.

"If you have a problem, you can talk with Aunt. Aunt will help you solve the problem" Ye Qingyu didn't force her nephew to tell her what had happened to him or why did her nephew suddenly become like that. She would wait for her nephew to talk to her of his own accord

"Un." Xiao Tian nodded his head.

"Alright. Aunt can continue now. You still haven't cum, right?" Ye Qingyu felt that she was ready to continue having sex with her nephew after her breathing returned to normal.

"Alright," Xiao Tian started to move his hips again, making his aunt moans.

After several minutes, Xiao Tian finally felt like he was about to cum.

When Ye Qingyu knew that her nephew had reached his limit, she told him to cum in her little mouth.

Xiao Tian stopped moving his hips and cummed in his aunt's little mouth.

After drinking her nephew's sperm, Ye Qingyu brought her face closer to his face.

Seeing his aunt's face getting closer to his face, Xiao Tian knew what his aunt wanted to do.

'No, aunt! Please don't kiss me right now. No, aunt, no, no.'

When Xiao Tian tried to avoid his aunt's kiss by moving backward, Ye Qingyu followed her nephew, insisting to kiss her nephew.

'Aunt, please don't do that. I'm sorry for saying 'I Love You' at the wrong time. I'm sorry for destroying the mood earlier. You can kiss me anytime, but please don't kiss me right now.'

Xiao Tian was pleading on his head when he saw his aunt's face coming closer to his face.

"Tian, what is it? Why are you trying to avoid your aunt's kiss? You don't want to kiss your aunt?" Ye Qingyu said in a sad tone.

Upon hearing his aunt's sad voice, Xiao Tian could only accept his fate. He stopped trying to avoid his aunt's kiss because he didn't want to make his aunt sad, even though he knew that his aunt only pretended to be sad.

CHU...

His aunt kissed his lips.

Xiao Tian suddenly widened his eyes when his aunt put her tongue in his mouth.

'I want to puke.'

Xiao Tian shouted in his head when he could taste his sperm when his aunt's tongue intertwined with his tongue.

Ye Xueyin, who saw her son's reaction, giggled and covered her mouth.

Chapter 94 - We Should Work Professionally

8-11 minutes

In the bedroom, there were two gorgeous ladies and a good-looking young man lying down in bed.

A dazzling smile could be seen on the faces of the two ladies, while the handsome young man covered his mouth as if he wanted to vomit.

They were none other than Xiao Tian, his mother, and his aunt.

"Tian, why are you covering your mouth? Are you unwell?" Ye Xueyin, who saw her son covering his mouth, pretended to be concerned. Even though she knew the reason why he kept covering his mouth, she acted as if she knew nothing.

'Mother, stop making fun of me! Do you know what I feel right now?'

Xiao Tian shouted in his head while looking at his mother. He was unhappy after hearing his mother's words.

"Tian, your face is pale. Are you sick?" Ye Qingyu touched her nephew's forehead with her right hand as if she wanted to check whether her nephew was sick or not.

'Aunt, it's your fault! Can both of you stop it now because I know that the two of you are only pretending to be worried.'

Xiao Tian, who was unhappy because his mother and aunt made fun of him, resolved to take his revenge the next time they have sex. He decided that he will make them unable to walk the next time they have sex. After imagining that, a smile arose on his face.

"Mother, aunt, I'm going to take a shower" Xiao Tian rose from his bed before heading to the bathroom.

Ye Qingyu and Ye Xueyin immediately put on their lingerie before heading to the kitchen to prepare the breakfast.

After bathing and dressing, Xiao Tian headed to the dining room to have breakfast with his mother and aunt.

Xiao Tian went to his company after eating breakfast together with his mother and aunt. Not long after that, he arrived at his company.

When he was about to enter his office, he saw Lin Xing Xue standing in front of her office. With a smile on his face, Xiao Tian walked closer to Lin Xing Xue.

Upon seeing Xiao Tian walking closer to her, Lin Xing Xue smiled and said, "Si-"

Before Lin Xing Xue had finished her words, Xiao Tian suddenly hugged her.

"Sir, stop it. There are many people here. What if your employees see you hugging me like this?" Lin Xing Xue was shocked when Xiao Tian suddenly embraced her. They were at his company, so there were many employees near them. She didn't want his employees to think that she was seducing their boss.

Upon hearing Lin Xing Xue's words, Xiao Tian widened his eyes in disbelief. He felt as if there was a wall separating them. "Sir?"

Xiao Tian released Lin Xing Xue from his embrace and looked into her eyes. "Did you just call me 'Sir'?"

While Xiao Tian had a complicated feeling, Lin Xing Xue had no idea what he was thinking. "Yes. I think it's better to separate private and professional life. We should work professionally."

Upon hearing Lin Xing Xue's words, Xiao Tian was relieved. "Little Xue, I thought you want to distance yourself. I was worry to death earlier."

"You should stop calling me 'little Xue' when we are at your company. You, as the boss, have to work professionally. What if other people know that you're addressing me as little Xue?" it's fine if the one who hears it is her friend. She was ten years older than Xiao Tian, so if anyone besides her friend hears him call her 'little Xue,' she was sure that they would laugh at her.

"Let them hear it. Let them know that you're my girlf—" before Xiao Tian had finished his word he was interrupted by Lin Xing Xue

"I still have not accepted you as my boyfriend," Lin Xing Xue chuckled after saying that.

The corner of Xiao Tian's lips twitched after hearing Lin Xing Xue's words.

'Should I use a dirty trick to make her accept me faster?'

Xiao Tian suddenly thought something like that, but after thinking for several seconds, he shook his head.

'No. No. I don't want to use a dirty trick because I love Lin Xing Xue dearly. I can make her accept me faster using a dirty trick, but if she knows about it, she will hate me later. I should be patient, like when I seduced Mei Xing in my past life. Even though it's hard to get her heart, but I've got her body. It means soon I will be able to get her heart. Seducing Lin Xing Xue is much easier than seducing the cold beauty Mei Xing, so I'm sure that Lin Xing Xue will accept me faster than when Mei Xing accepted me in my past life.'

"Fine. Because little Xue still hasn't accepted me as your lover. Should I treat you like a princess so you can accept me faster?" Xiao Tian touched Lin Xing Xue's cheeks and smiled, "Or should I treat you like a queen?"

"I don't want to be treated like a princess or a queen." Lin Xing Xue turned around and walked away, "Let's get to work."

Seeing that, Xiao Tian ran after her and held her right hand, "Let's head to my office."

"Hey! I told you to work professionally!" even though she said that, but Lin Xing Xue didn't try to free herself from his grip.

"This subject understands, Your Highness. This subject will work professionally from now on" Xiao Tian put his right hand on his chest and pretended that he was talking to the Queen.

Upon seeing Xiao Tian behaving like that, Lin Xing Xue giggled and said, "What is this? Am I the Queen now?"

"Yes, Your Highness. Your Highness will always be a queen in this subject's heart." Xiao Tian still pretended as if he was talking to the Queen.

"Un. Good! This queen order you to work professionally. Do you understand?" Lin Xing Xue decided to play along after seeing Xiao Tian still pretend that he was talking to the Queen.

"Yes, Your Highness. This subject understood. This subject will work professionally and will not destroy Your Highness's reputation." Xiao Tian was surprised when Lin Xing Xue plays along with him. That was why he continued pretending that he was talking to the Queen.

"Un, good!" Lin Xing Xue nodded her head in satisfaction after hearing Xiao Tian's words." You should remem--- kyaaa."

Lin Xing Xue was shocked when Xiao Tian suddenly carried her in princess style. "What are you doing?"

"Please forgive this subject behavior, Your Highness. But there is an invader right now. This subject needs to take Your Highness to the safe place," Xiao Tian answered while carrying her to his office.

After entering his office, Xiao Tian sat on the couch and made Lin Xing Xue sit on his lap.

"Xiao Tian, you said that you would work professionally? Did you forget it?" Lin Xing Xue tried to get up, but Xiao Tian wrapped his hands around her waist, making her unable to get-up.

"Little Xue, I'm the boss here, so the rule does not apply to me." Xiao Tian replied. There was no way he wouldn't use his free time to be with Lin Xing Xue and act lovey-dovey with her.

"That's why you, as a boss, have to give a good example to your employees. Let me go and get to work," Lin Xing Xue said as she pinched Xiao Tian's cheeks.

Xiao Tian hugged Lin Xing Xue tighter and raised his head. "Why are you ordering me? I, your boss, should be the one who gives you the order."

Lin Xing Xue sighed and didn't know what to say anymore.

"I, as your boss, give you an order not to move." Xiao Tian tried to use his position as her boss to take advantage of Lin Xing Xue. "Oh! and you should entertain me too."

"Sigh. How could I have a boss like you" Lin Xing Xue didn't want to be paid just to sit like that or entertain him. That was why she tried to free herself from Xiao Tian's embrace, but because Xiao Tian was wrapping his hands around her waist tighter when she tried to free herself, she was unable to free herself.

"Hey! Don't be like this? I'm not the only one who work unprofessionally" Xiao Tian gave an excuse so he could act lovey-dovey with Lin Xing Xue a little longer.

"No! You are the only one who work unprofessionally!" Lin Xing Xue stated.

"What are you tal—" before Xiao Tian had finished his word, he suddenly heard someone knocking on his office door.

"Let me go." Lin Xing Xue didn't want the other employees to see her sit on her boss's lap. That was why she looked at Xiao Tian's eyes intensely as if saying that she won't take NO for an answer.

Xiao Tian sighed and let Lin Xing Xue go from his lap and said, "Come in."

After saying that, the sound of someone opening the door could be heard on their ears.

Once the door was opened, a mature lady with a sexy body could be seen.

"Little brother, good morning," Shi Fei said as she smiled.

"Did you hear that, Little Xue? She called me little brother." Xiao Tian turned his head to Lin Xing Xue. A smile appeared on his face when he had proof that he was not the only one who work unprofessionally.

Upon seeing Lin Xing Xue's expression, Shi Fei was stunned. "What happened? Did something happen in the company?"

After gritting her teeth, Lin Xing Xue looked at Shi Fei and said, "Fei, you should work professionally!"

Chapter 95 - Please Don't Flirt At The Company

6-7 minutes

Once again, Shi Fei was dumbfounded. She didn't know why Lin Xing Xue suddenly told her to work professionally. Shi Fei believed that she worked professionally until now. She even made sure to check the company's development every day. "Xue, what are you talking about? I don't get it."

After asking Lin Xing Xue a question, Shi Fei gazed at Xiao Tian because Lin Xing Xue didn't give her an answer and only stared at her.

"Little brother, did something happen?" Shi Fei asked Xiao Tian, hoping he would explain everything to her.

"No. Nothing happens," Xiao Tian replied.

"So, why did she suddenly ask me to work professionally?" Shi Fei asked while pointing her index finger at Lin Xing Xue

"I also don't know. Little Xue also asked me to work professionally earlier" Xiao Tian also had no idea why Lin Xing Xue suddenly behaved like that, so he was unable to explain anything to Shi Fei.

"Xue, did you take your medicine before coming here?" Shi Fei inquired jokingly.

Upon hearing Shi Fei word's, Lin Xing Xue looked at Xiao Tian before sighing. She gave up, suggesting them to work professionally at the company.

Seeing that, Shi Fei decided to change the topic. "Oh! little brother, Xue, let's discuss the development of the company."

"Oh! What a coincident. I also have something to discuss with you two" actually Xiao Tian also wanted to tell them that he has a few feature ideas that he wished to add to his online shop so that more people would buy clothes at his online shop. He thought it was the right time to tell them his ideas.

"Alright, let's have a meeting here because we don't have a meeting room" because there was no meeting room in the company, Lin Xing Xue suggested them to have a meeting in Xiao Tian's office.

"How about we go to Bamboo restaurant and have a meeting there" Xiao Tian was still astonished by the beautiful scenery at Bamboo restaurant. That was why he wanted to bring Lin Xing Xue and Shi Fei to the Bamboo restaurant.

"Really?" Shi Fei's eyes were sparkling when Xiao Tian suggested having a meeting at Bamboo restaurant.

"NO!" Lin Xing Xue knew how beautiful the view at Bamboo restaurant was, especially at night. However, the Bamboo restaurant was located in the center of Shanghai. It's mean they need around 40 minutes by taxi to arrive at Bamboo restaurant. Not only would they waste their time, but they would waste their money too.

"Why?" Shi Fei had no idea why Lin Xing Xue refused to go to the Bamboo restaurant. She thought Lin Xing Xue would agree to have a meeting at Bamboo restaurant.

"It will be wasting our time and money," Lin Xing Xue replied honestly. She thought it would be better to have a meeting at the company rather than at Bamboo restaurant.

The corner of Xiao Tian's lips twitched upon hearing Lin Xing Xue's words. He suddenly remembered his aunt because he was sure that if his aunt was with them, his aunt would say the same thing.

"Fei, let's have a meeting here. Next time we will go to the Bamboo restaurant together." Xiao Tian spoke

Upon hearing Xiao Tian's words, Shi Fei held his left hand and smiled. "Really?"

Xiao Tian flicked Shi Fei's forehead gently and answered, "Un. I promise"

"Thank you, little brother. I'm pleased to hear that," Shi Fei said happily.

After saying that, Shi Fei wanted to kiss Xiao Tian's left cheek.

However, when Lin Xing Xue saw what Shi Fei was about to do, Lin Xing Xue placed her left palm on Xiao Tian's left cheek.

Shi Fei was unhappy when Lin Xing Xue interrupted her when she was about to kiss Xiao Tian. "Xue, what are you doing? Why did you interrupt me from kissing little brother? You're not his girlfriend!"

Upon hearing Shi Fei's words, Lin Xing Xue didn't know what to say to Shi Fei. She knew that Xiao Tian is not her lover, but when she saw Shi Fei was about to kiss Xiao Tian, her body suddenly moved on its own, as if her body had its own mind.

While Xiao Tian, on the other hand, turned his head to Lin Xing Xue. He had no idea that Lin Xing Xue would stop Shi Fei from kissing him. When he remembered that Lin Xing Xue stopped Shi Fei from kissing him, he smiled beautifully.

She is jealous. Xiao Tian thought to himself.

"We are at the company. Please DO NOT flirt at the company!" even though it was not the reason Lin Xing Xue stopped Shi Fei from kissing Xiao Tian, it was a good excuse for her. With that excuse, she wouldn't embarrass herself in front of them.

Using his right hand, Xiao Tian grabbed Lin Xing Xue waist and pulled her toward him, making her fall in his embrace.

"Xiao Tian, stop it. I've told you to stop flirting at the company" Lin Xing Xue wanted to free herself from Xiao Tian's embrace, but because of the difference in strength, she was unable to free herself from his embrace.

"Why? This is my company. I'm the boss here, so it's up to me whether I want to flirt with somebody or not," Xiao Tian replied as he smiled.

Upon hearing Xiao Tian's words, Lin Xing Xue looked into his eyes and said, "Please work professionally!"

The corner of Xiao Tian's lips twitched after hearing her words.

"Little brother, I want you to hug me too," Shi Fei said while placing Xiao Tian's left hand on her waist.

"Un. Un. This is good! Having two beautiful ladies in my embrace this early in the morning is gratifying. I'm delighted with this," Xiao Tian said as he nodded his head in satisfaction.

However, after saying that, Xiao Tian felt that Lin Xing Xue pinched his right waist.

"Hiiiiiiiiiiii" Xiao Tian gritted his teeth while enduring the pain.

Chapter 96 - You Are Indeed A Bad Person

6-7 minutes

"Little Xue, why did you pinch my waist?" even though Xiao Tian had guessed the reason why Lin Xing Xue pinched his waist, he still wanted to ask her.

Upon hearing Xiao Tian's words, Lin Xing Xue raised her head slightly and looked into his eyes. "I just wanted to pinch your waist. That was why I pinched your waist."

There was a black line on Xiao Tian's face after hearing Lin Xing Xue's words. He stopped hugging them and said, "Little Xue, since when did you become a naughty lady?"

"Since I know you," Lin Xing Xue replied as she smiled.

"What? Does that mean I'm a bad person who makes the people around me bad too?" Xiao Tian responded.

"Little brother, you're indeed a bad person," Shi Fei spoke and stopped for a second before she continued, "A big bad, handsome young man!"

Upon hearing Shi Fei's words, Xiao Tian turned his head to Shi Fei and nodded his head. "Un. Un. You're right—no, I mean, you're only half right. I'm indeed a handsome young man, but I'm not a bad person. I'm a good-looking young man who is kind, popular, cool, humble, gentle, loyal, and the most important thing is I'm diligently saving my money."

Lin Xing Xue and Shi Fei rolled their eyes after hearing Xiao Tian's words. Even though in their eyes, Xiao Tian was a perfect young man, but sometimes he was full of himself.

"Xiao Tian, you're are overconfident!" after saying that, Lin Xing Xue turned her head to Shi Fei and continued, "Fei, stop praising him or he will fly to the ninth cloud and won't come back again!"

"Un. I'm not going to praise him again. Look at his face! He is smiling from ear to ear and looks like he will fly to the ninth cloud if I continue praising him," Shi Fei stated after seeing Xiao Tian smile broadly.

After hearing Shi Fei's words, Xiao Tian gave a cough. "Cough! Of course, I smiled. How could I not smile when a sexy lady praises me? I'm sure anybody will also smile if they are in my position."

After saying that, Xiao Tian used his trump card. His trump card was his smile. However, this time, he didn't smile from ear to ear, but he smiled beautifully.

Shi Fei and Lin Xing Xue, who saw his beautiful smile, were stunned for a few seconds before they came to their senses.

"Little brother, I love you." After saying that, Shi Fei let Xiao Tian's left hand go. Using her hands, Shi Fei pulled Xiao Tian's head to her before kissing Xiao Tian's left cheek.

Xiao Tian was surprised when Shi Fei suddenly pulled his head toward her and kissed his left cheek, but he did nothing because being kissed by a sexy lady like Shi Fei feels good.

Lin Xing Xue, on the other hand, did nothing and only stared at Xiao Tian intently.

Before Shi Fei kissed Xiao Tian earlier, Lin Xing Xue wanted to stop Shi Fei again, but she was late. She was late because she was charmed by Xiao Tian's beautiful smile.

'I still can't believe that this handsome young man who has a beautiful smile wants me to become his woman. I'm even ten years older than him, but he still wants me to be his lover.'

Unconsciously, Lin Xing Xue wrapped her hands around Xiao Tian waist and leaned her head on his shoulders.

Xiao Tian was pleasantly surprised when Lin Xing Xue was wrapping her hands around his waist. After grabbing Lin Xing Xue's waist with his right hand, Xiao Tian's face broke into a smile. "Little Xue. Do you want to kiss me too?"

After hearing Xiao Tian's words, Lin Xing Xue raised her head slightly and kissed Xiao Tian's right neck.

Xiao Tian was only joking, but he had no idea that Lin Xing Xue would kiss him. However, he wasn't satisfied because Lin Xing Xue only kissed his right neck. "Little Xue, why did you only kiss my neck? You should kiss my forehead, cheeks, eyes, nose, chin, and my lips too."

"I don't want to," Lin Xing Xue answered without looking at Xiao Tian's face, but a tiny smile suddenly appeared on her face.

"Little brother, it's not fair. Hug me too" Shi Fei was envy after seeing Xiao Tian right hand was wrapping around Lin Xing Xue's waist.

Hearing that, Xiao Tian grabbed Shi Fei's waist with his left hand and pulled her to him, making Shi Fei fall in his embrace.

Xiao Tian was hugging Lin Xing Xue on his right side while Shi Fei on his left side. After seeing a beautiful mature lady and a sexy lady in his embrace at the same time, a soft smile spread across his face.

"Thank you for appearing in my life. I'm so happy to have both of you in my life," Xiao Tian said from the bottom of his heart. Xiao Tian didn't know why he suddenly become emotional after seeing them in his embrace.

Shi Fei and Lin Xing Xue were pleasantly surprised after hearing Xiao Tian's words. They didn't know why he suddenly became emotional like that. It was not like his usual self.

While Lin Xing Xue was only surprised and said nothing, Shi Fei, on the other hand, was happy because her dream to become his lover was near.

Shi Fei suddenly felt her day become brighter, and a beautiful smile appeared on her face.

After hugging them for several seconds, Xiao Tian stopped hugging them and said, "Alright, let's have a meeting now."

Upon hearing Xiao Tian's words, Lin Xing Xue and Shi Fei headed to their office to take some documents for the meeting. After taking all the materials needed in the meeting, Shi Fei and Lin Xing Xue returned to Xiao Tian's office.

Because they didn't have a meeting room, they have a meeting at Xiao Tian's office. After they were sitting on the couch, Xiao Tian said, "Let's start the meeting."

"Yes," Shi Fei and Lin Xing Xue said at the same time.

Chapter 97 - Feature Ideas

7-8 minutes

"Fei, how is our company developing in the last few days?" Xiao Tian inquired

"Our company development is good. But I think it would be better if we add some interesting feature ideas to make the sale more in demand than before" Shi Fei thought if they add few feature ideas, the company sales will rise significantly.

Xiao Tian had guessed that Shi Fei has the same thought as him. That's why Xiao Tian wanted to hear her opinions first before telling his ideas. "What do you have in mind?"

"We should give a discount on some clothes or to people who buy many clothes at once. I think many people will like it, especially women." as a woman, Shi Fei knew that women really like discounts, especially women from lower-class families. Maybe some of the middle-class families also love discounts. If they give a discount on some good quality clothing, she was sure that the clothes would be more in demand.

"Especially women?" Xiao Tian spoke and paused for a second before he continued, "Give me a reason."

"Women likes a discount, especially a discount on good quality clothing. I'm sure more people from middle-class families, and lower-class families will buy it. However, it's different for men. I agree that some men pay attention to what they wear, but many men don't care about what they wear, especially T-shirts or shirts. As long as they can wear it and feel comfortable, they don't care about anything else. Some men even don't care about trendy clothes or something like that." Shi Fei knew that because many of her male friends never care about the clothes.

Xiao Tian nodded his head after hearing Shi Fei's explanation. He knew that what she said was the truth. "I agree with you."

"Yes. Shi Fei is right. Men usually only wear casual T-shirt and then cover it with a jacket. I think, for men, it would be better to give a discount on the jacket and jeans. Oh, we're almost in new season, so it would be better to design clothes or jacket for the new season as well." Lin Xing Xue gave her opinion.

Wow! Not only beautiful, but they are also smart. Xiao Tian thought to himself

"Yes. Let's do that. We will give lots of discounts on women's clothing and men's jackets. We will also give discounts for popular men's T-shirts and shirts lately. Do you have any other ideas?" Before telling them his idea, Xiao Tian wanted to know whether they had other ideas or not.

However, because they were still thinking about it, Xiao Tian decided to tell them his idea. "I have a few ideas."

Shi Fei and Lin Xing Xue looked at Xiao Tian after he said that he had some idea.

"I have three ideas." Xiao Tian spoke and stopped for a second before he continued, "First, we will give free shipping to people who buy a lot of clothes on certain days. Second, we will add some feature, such as cash on delivery. The last one is, lucky egg feature."

"Lucky egg?" Shi Fei and Lin Xing Xue said at the same time. They knew that the first and the second ideas were excellent, but they didn't understand what he means by lucky egg.

Upon seeing their faces, Xiao Tian spoke, "This is called a lucky egg because it can give us surprises. Member accounts will get a lucky egg every day where they can get a surprise like discounts, cashback, or something like that by breaking the egg, but there is an expiration time for it. For examples, I get a 3% discount voucher for jeans after breaking the egg, and the time limit is three days, so the discount voucher will be expired after three days even though I don't use it. The discount range will be around 1-5 percent because we give the lucky egg for free, so we can't give a high discount."

Shi Fei and Lin Xing Xue were stunned after hearing his explanation. They thought that his idea was brilliant.

"It's a good idea," Shi Fei said

"Yes. It's a brilliant idea," Lin Xing Xue nodded her head.

"I'm glad you like my idea," Xiao Tian said as he smiled. "Fei, I've rented a building for our first offline shop in the center of Shanghai. Can you make an ad and put the ad on our company online shop? With this, we don't need to spend more money on the ads."

"Oh! I can do that." Shi Fei was surprised after hearing Xiao Tian's words. He just opened his business a few weeks ago, but he will open his first offline shop in the next few days. She felt lucky because she accepted his offer when he asked her to work for him.

If she refuses him at that time, maybe she would still work as a tailor and freelance until now.

"How long do you think that you can finish making the ad and putting it on our company online shop?" Xiao Tian didn't want to make her work overtime. If she needs two to three days to finish it, he will postpone the recruitment day and tell Yun Xin Er about it too.

"If it's only an ad, I can finish it today" Shi Fei was confident that she could finish it in a day because she was used to making advertisements.

"Really?" Xiao Tian didn't expect that she could finish it within a day. "Fei, I don't want to make you work overtime, so if you can't finish it today, don't force it."

"No. For me, making an ad is easy. We only need to take a picture of someone and edit it on photoshop," Shi Fei said confidently.

"Take a picture of someone? How about both of you become the models? I think it will be better if both of you become the models for this ad rather than we use someone else" Xiao Tian thought, not only they don't need to spend money, if Shi Fei and Lin Xing Xue become the models, he can also take a picture with Lin Xing Xue and Shi Fei later. It's like killing two birds with one stone.

"I'm fine with it," Shi Fei immediately agreed. Shi Fei was curious about how it feels to be a model. That's why she was excited after hearing Xiao Tian's words.

"I'll pass," Lin Xing Xue refused. "Because Shi Fei has agreed, I think we don't need me to be the model as well."

Xiao Tian looked at Lin Xing Xue intently after hearing her words. The smile froze on his face. He didn't expect that the happiness that he had just felt suddenly shattered into dust in several seconds. "Why?"

"As I said, Shi Fei has agreed to become the model, so why do you want me to be the model as well?" Lin Xing Xue thought it was not very meaningful if she becomes a model too because they only need one person to become the model.

"Xue, let's become the model together." Shi Fei really wanted to become a model on the ad with Lin Xing Xue, the former campus goddess. This is one in a million chances to stand next to the former campus goddess in the same advertisement and maybe, they will be famous together after it.

"No," Lin Xing Xue said.

However, because Xiao Tian and Shi Fei kept asking Lin Xing Xue to be the model for the ad, Lin Xing Xue finally gave in.

They ended the meeting and ready to make the ad.

Chapter 98 - Are You Tired?

6-7 minutes

After they finished taking a picture of Shi Fei and Lin Xing Xue, Lin Xing Xue immediately went home because she had something to do.

At that time, Xiao Tian was happy because he managed to take a picture with Lin Xing Xue and Shi Fei several times.

Xiao Tian immediately headed to his office to continue working while Shi Fei headed to her office to edit the picture so that it could be used as an advertisement.

Time went by quickly, and it was already 07:00 pm. Xiao Tian immediately headed to Shi Fei's office to tell her that she should go home because he didn't want her to work overtime.

KNOCK KNOCK KNOCK

Xiao Tian knocked on the door.

"Come in," Shi Fei knew that the one who knocked on the door was Xiao Tian because usually, he was the last one to leaves the company.

After opening the door, Xiao Tian walked closer to Shi Fei and said, "Why are you still working?"

"Oh! I just finished my work. Little brother, check it out" Shi Fei showed Xiao Tian the ad she just made.

After seeing the ad, Xiao Tian nodded his head in satisfaction. He had no idea that Shi Fei could make a fantastic ad in a day.

"How is it, Little brother?" Shi Fei asked for Xiao Tian's opinion.

"Excellent" Xiao Tian stated the truth.

"Little brother, because I did such an amazing work, you should reward me?" Shi Fei grabbed Xiao Tian's left hand and looked into his eyes.

At that time, they were the only one who still in the company because the other employees had returned to their homes.

Using his right hand, Xiao Tian touched Shi Fei's chin and said, "Yes, you did an excellent job. So, what do you want?"

Upon hearing Xiao Tian's words, Shi Fei raised her skirt to her waist and sat on the workbench. After spreading her legs and sliding her white thong to the other side, Shi Fei spread her pussy widely, allowing Xiao Tian to see her beautiful pussy.

"SEX" Shi Fei answered

"What a horny girl" Xiao Tian rubbed Shi Fei's pussy with his right hand.

"Ahhhh... Yes, I'm a horny lady who wants my boss's cock to penetrate my horny pussy and cum inside my pussy" Shi Fei didn't hide what she wanted and stated the truth to Xiao Tian.

After pulling down his pants to his feet and placing his cock on Shi Fei's entrance pussy, Xiao Tian rubbed his cock on Shi Fei's pussy to make his cock erect faster.

"Ahh. Little brother's cock is rubbing my pussy" Shi Fei moved her hips forward and backwards to make Xiao Tian's cock erect faster.

After rubbing his cock on Shi Fei's pussy several times, Xiao Tian cock was fully erect, ready to penetrate Shi Fei's pussy.

Upon seeing Shi Fei's wet pussy, Xiao Tian didn't intend to do a warm-up and thrust his cock in Shi Fei's pussy.

"Ahhh..." Because there was no one else besides them in the company, Shi Fei moaned loudly.

And then multiple moans echoed on Shi Fei's office.

After Xiao Tian had quick sex with Shi Fei, he went straight home

CLICK

Xiao Tian opened the door. He immediately headed to the living room to relax on the sofa.

However, when he was in the living room, he saw his aunt watching TV alone. After sitting next to his aunt, Xiao Tian kissed his aunt's cheeks. "I'm home, aunt."

"Welcome home, Tian" Ye Qingyu said as she smiled.

"Aunt, where is mother?" usually, her aunt always watches TV with his mother. Because he didn't see his mother, he wanted to know where his mother was.

"Big sister went to the supermarket to buy groceries" when Ye Qingyu and Ye Xueyin were about to make dinner, they suddenly saw that many groceries had already been used up.

At first, Ye Qingyu was the one who wanted to buy groceries, not her big sister, but her big sister said that she wanted to buy something too, that's why her big sister was the one who went to buy groceries

Because Xiao Tian was tired from working hard all day, so he placed his head on his aunt's lap and straightened his legs.

Ye Qingyu immediately looked at her nephew after her nephew put his head on her lap. Using her right hand, she rubbed her nephew's hair and said, "Are you tired?"

"Un. I'm tired," Xiao Tian replied.

"If you're tired, you can sleep on aunt's lap," Ye Qingyu could see that her nephew was tired. She could see it on her nephew's face. She kept stroking her nephew's hair. She remembered that when her nephew was a child, he liked it when she stroked his hair.

Using his hands, Xiao Tian pulled his aunt's face toward him, intending to kiss his aunt's lips. His aunt showed no reaction of rejecting when he was pulling his aunt's face to him.

Ye Qingyu knew what her nephew was about to do but she did nothing and only looked into her nephew's eyes.

Slowly, her face was coming closer to her nephew's face before finally, their lips met.

When her lips were touching her nephew's lips, Ye Qingyu closed her eyes.

Xiao Tian only kissed his aunt for three seconds because he knew if he kisses his aunt longer, his aunt's back will be hurt.

After kissing his aunt's lips, Xiao Tian's face broke into a soft smile. "Aunt, I love you."

Upon seeing her nephew's beautiful smile, a soft smile spread across her face. "I love you too, Tian."

Xiao Tian then wrapped his hands around his aunt's waist and pressed his head on his aunt's stomach. At that time, he didn't have dirty thoughts. He only wanted to feel his aunt's body, nothing more than that.

Ye Qingyu rubbed her nephew's hair again when her nephew was wrapping his hands around her waist.

Not long after that, Xiao Tian fell asleep on his aunt's lap.

Ten minutes after that, Ye Xueyin returned home. When she was in the living room, she saw her son sleeping on her little sister's lap.

Ye Xueyin walked closer to her son and kissed her son's hair.

"Qingyu, I will cook for dinner now. You don't need to help me." Ye Xueyin didn't want to wake her son, so she told her little sister that she would be the one who cooks for dinner.

"Alright," Ye Qingyu said in a low voice, afraid that she would wake her nephew.

Chapter 99 - Go To Your Bedroom And Wait There

6-7 minutes

After finished cooking dinner, Ye Xueyin brought the food to the living room. After placing the food on the table, Ye Xueyin looked at her son, who was still sleeping deeply on her little sister's lap.

After seeing her son's happy sleeping face, Ye Xueyin didn't have the heart to wake up her son, but it was dinner time. If her son skips dinner, her son will be starving later. That was why she had no choice but to wake up her son.

Ye Xueyin then rubbed her son's hair and said in gentleness. "Tian, wake up. Let's eat dinner first, after that, you can sleep again."

After rubbing his eyes, Xiao Tian slowly opened his eyes and looked at his mother. "Mother, you have returned home?"

"Un. I'm home," Ye Xueyin smiled and nodded her head.

"Welcome home, mother" Xiao Tian pulled his mother's head to his chest.

"Tian, let's eat first before the food gets cold. Mother has prepared the dinner for us," even though Ye Xueyin still wanted to spend her time with her son, but the food will get cold if they don't eat it immediately. Ye Xueyin thought food would taste better if the food is still warm.

Upon hearing his mother's words, Xiao Tian kissed his mother's lips and smiled, "Alright, let's eat."

A beautiful smile appeared on Ye Xueyin's face after her son kissed her lips. After that, Ye Xueyin immediately sat on the couch.

Xiao Tian sat up between his mother and his aunt. His mother was on his left side while his aunt was on his right side.

They ate dinner happily that night. After dinner, Ye Xueyin and Ye Qingyu headed to the kitchen to wash the dishes.

While Xiao Tian, on the other hand, was watching TV in the living room. However, because there were no exciting shows on TV, Xiao Tian turned off the TV and headed to the kitchen.

Upon entering the kitchen, Xiao Tian saw his mother and aunt washing the plates. Xiao Tian then walked toward his aunt, and after he was behind his aunt, Xiao Tian embraced his aunt from behind and kissed his aunt's right shoulder.

Ye Qingyu's body trembled for a second when her nephew suddenly embraced and kissed her right shoulder. "What is it, Tian?"

"Aunt, I want to do it" Xiao Tian had no idea why he suddenly wanted to have sex with his aunt after hugging her.

Usually, he had no dirty thoughts when hugging his aunt, but that time was different.

Ye Qingyu stopped washing the dishes for two seconds before she continued. "You want to have sex with your aunt?"

"Yes," Xiao Tian nodded his head and hugged his aunt tighter.

"Go to your bedroom and wait there. Aunt wants to wash the dishes first," Ye Qingyu said. "After washing the dishes, aunt will head to your bedroom. We will have sex in your bedroom."

"Un" Xiao Tian kissed his aunt's shoulders for the last time before heading to his bedroom. Once he was in his bedroom, Xiao Tian took off his clothes and laid down on the bed.

Ten minutes later, Ye Qingyu finished washing the dishes. After washing her hands, Ye Qingyu headed to her nephew's bedroom.

This time, Ye Qingyu headed to her nephew's bedroom alone because her big sister was doing something else in the kitchen.

CLICK

Ye Qingyu opened the door and saw her nephew laying on the bed naked.

Xiao Tian turned his head after hearing someone open his the door. A smile appeared on his face after seeing his aunt.

"Aunt, come here," Xiao Tian patted the bed, giving her a sign to lay down next to him.

Ye Qingyu walked closer to her nephew before lying down on his left side. Ye Qingyu didn't bother closing the door because she was sure that her big sister would also come to her nephew's bedroom to have sex with him later.

"Are you looking forward to have sex with your aunt?" Ye Qingyu smiled after seeing her nephew's naked body. She had never thought that her nephew would be waiting for her in his bedroom, fully nude.

"Yes, because you're such a beautiful aunt. I'm so happy that I can have sex with my beautiful aunt. I'm sure many people will envy me if they know our relationship." Xiao Tian said honestly.

"Hehe. Aunt can tell by looking at your erect cock," Ye Qingyu touched her nephew's cock and started stroking her nephew's cock. "It's hot."

Ye Qingyu could feel her nephew's hot cock when she was stroking his cock.

"Ughhh," Xiao Tian groaned when his aunt suddenly gave him a handjob.

After that, they had wild sex, and because of Ye Qingyu's moaned, Ye Xueyin, who was doing something in the kitchen, felt aroused.

Because she was unable to hold it anymore, Ye Xueyin headed to her son's bedroom to join them.

Next day in the morning.

Xiao Tian got up at 5:00 am and immediately headed to the dining room to drink water.

After drinking water, Xiao Tian sat on the chair with his right hand on his chin, as if he was thinking something important.

"Alright. I will surprise my mother and aunt by cooking breakfast" Xiao Tian rose from his seat and headed to the kitchen.

Thinking that his mother and aunt will be surprised and happy when they see the breakfast after they wake up later, Xiao Tian was overwhelmed with happiness.

After entering the kitchen with a smile on his face, Xiao Tian prepared everything that was needed to make breakfast.

But his smile suddenly froze on his face after remembering something important.

"I don't know how to cook!" Xiao Tian touched his head while walking back and forth. "What should I make for breakfast?"

Because in his past life, his father was the wealthiest person in Beijing, Xiao Tian rarely cook anything. That was why he only knew how to boil water or cooking eggs.

"Should I order fast food?" because Xiao Tian only knew how to boil the water or cooking eggs, he suddenly thought about ordering a fast food.

"No, no, no. There will be no meaning if I buy fast food for breakfast" the main reason Xiao Tian wanted to make breakfast was because he wanted to surprise his mother and aunt. That was why if he buys fast food, there would be no meaning on it.

"Hmph! I'm not the person who will give up before trying" Xiao Tian stated

Chapter 100 - This Video Tutorial Is Complete And Utter Lie

6-7 minutes

Xiao Tian immediately headed to his bedroom to take his smartphone and returned to the kitchen.

"I will watch a breakfast cooking tutorial on YourTube" Xiao Tian started looking for the cooking tutorial video. He then chose to make soup for breakfast. Youtube is a site where anyone can share the videos they make or in a short video sharing platform made by a genius young man from the West

"It's as easy as flipping my hands!" Xiao Tian mused after he finished watching a breakfast cooking tutorial video. Xiao Tian then started to cook by following every step based on the tutorial.

However, it was not as easy as he thought because even though he was following the instruction, he still failed or the food had a bad taste.

"What is wrong with this video? I'm following every step base on the tutorial but why are the results different? Hmph! I'm sure this is not because of me, it's because this tutorial is complete and utter lie." Xiao Tian was annoyed because he failed many times in making the breakfast and blaming the content creator for his failure.

"I never knew how hard it was to cook food until I try it first-hand." Xiao Tian started to give up after failing so many times.

After seeing the kitchen which was in a mess because he failed so many times in making the breakfast, Xiao Tian sat on the chair and tilted his head back. "Huft! What should I do now? Mother and aunt will wake up soon but not only I'm not success in making the breakfast but the kitchen is also in a mess because of me"

Xiao Tian then looked at the food that he had just made. Even though the food looked delicious but the taste was very bad. "There is no way that I will let aunt and mother eat this food. I'm sure they will puke or have stomachache after tasting the food"

After saying that, Xiao Tian slowly closed his eyes.

At the same time, Ye Qingyu and Ye Xueyin woke up and headed to the kitchen, intending to make a breakfast.

But when Ye Qingyu and Ye Xueyin reached the kitchen, they were surprised when they saw that the kitchen was in mess.

"Tian, what are you doing here?" Ye Xueyin was surprised when she saw her son sitting on the chair while closing his eyes. "Why is the kitchen become like this?"

Xiao Tian immediately opened his eyes after hearing his mother's voice. He was lost in his own thought, that was why he didn't know that his mother and aunt were in the kitchen.

"Mother, aunt, this is ah----" Xiao Tian didn't know how to explain it to his mother and aunt.

At first he wanted to surprise his mother and aunt but apparently he failed because his mother and aunt had woken up before he could make a delicious breakfast.

Ye Qingyu and Ye Xueyin suddenly saw the food that Xiao Tian had just made and immediately understood that Xiao Tian was planning to make a breakfast for them.

Even though the kitchen was in mess because of him, Ye Xueyin and Ye Qingyu did not scold him after knowing his good intentions.

With a smile on her face, Ye Xueyin walked toward the food that her son just made, intending to get a taste of the food.

Xiao Tian immediately rose from his chair and said, "Mother, don—"

But Xiao Tian was late because his mother had tasted it.

"Mother, are you alright?" Xiao Tian walked toward his mother with a worried face.

"Tian, are you making a poison?" Ye Xueyin covered her mouth, trying her best not to puke.

The corner of Xiao Tian's lips twitched after hearing his mother's words. "Why don't you ask me first before tasting this food?"

"Because this food looks delicious. That was why I wanted to get a taste" Ye Xueyin thought the food was delicious but she was wrong.

"Big sister, are you alright?" Ye Qingyu asked after she was in front of her big sister. She then looked at her nephew intently.

Xiao Tian could only sigh when his aunt stared at him.

Using his right hand, Xiao Tian caressed his mother hair and kissed his mother's forehead. "Mother, I'm sorry. I should have thrown this food away the moment I knew that this food has a bad taste."

Upon seeing her son's guilty face, Ye Xueyin raised her head and smiled "It's fine. You have never cooked before so it's normal that the food has a bad taste"

Ye Xueyin didn't blame her son for what had happened. She was even delighted when she knew that her son wanted to make breakfast for them, even though in the end the food taste bad. "Why did you suddenly want to make breakfast?"

"I wanted to surprise mother and aunt but I failed." Xiao Tian answered honestly.

"You should make a simple food if you want to make a breakfast because you have never cooked before" Ye Qingyu thought the food that her nephew tried to make was too hard for him, that was why her nephew failed in making it.

'Aunt, it's a simple food. It's just that the video tutorial is complete and utter lie'

Xiao Tian shouted in his head. He was still blaming the content creator for his failure.

"Alright. You go and take a shower. Aunt and big sister will make a breakfast for us" Ye Qingyu started preparing to make a breakfast for them.

"Alright. I will go and take a shower" Xiao Tian kissed his mother and aunt's cheeks before heading to the bathroom.

Ten minutes later, Xiao Tian finished bathing. Because he knew that his mother and aunt were still cooking a breakfast, Xiao Tian decided to wait in the living room.

Forty minutes later, Ye Qingyu and Ye Xueyin finished cooking a breakfast. Ye Xueyin then headed to the living room to tell her son that the breakfast was ready.

After turning off the TV, Xiao Tian headed to the dining room with a smile on his face.
