Chapter 911 - My Love For You Is As Big As Gravel

"Oh right, big sister Yun. Little Xue is living with me now. When will you live with me too?" at this moment, Xiao Tian was only half-serious because he knew it was not the right time to ask that question.

Xiao Tian knew that her parents would disagree, especially her mother. Yun Xin Er was one of the most famous singers in China, so she had to prepare everything before revealing her relationship with Xiao Tian.

"Oh! She is living in your house now?!" Xiao Tian's words much surprised her. "Does this mean you get back with her?"

"Yes." Xiao Tian replied, "After we became lovers again, I asked her to live with me, and she agreed instantly."

"Of course, because she loves you so much." Yun Xin Er knew that Lin Xing Xue really loved Xiao Tian because when they met at Star Restaurant, Lin Xing Xue said she would do anything to make Xiao Tian happy.

Lin Xing Xue even said she would agree instantly if Xiao Tian wanted to have sex with her. At that time, Lin Xing Xue still didn't get back with Xiao Tian.

"How about you, big sister Yun? How big is your love for me?" Xiao Tian inquired.

Instead of answering his question, Yun Xin Er asked, "How big is your love for me?"

"My love for you is infinite. My love for you is as big as the universe and as deep as a black hole. For me, you are so important because you are my goddess of luck, and it will never change forever." Xiao Tian did not forget to use his sweet words.

"Hehe." Yun Xin Er was pleased with his words. "It seems like you can no longer live without me now."

"That's right." Xiao Tian replied. "So how big is your love for me, big sister Yun?"

"Hmmm...." At this moment, Yun Xin Er decided to tease Xiao Tian. "My love for you is as big as gravel."

The corner of Xiao Tian's lips twitched after hearing her words. "Gravel?"

"That's right. Gravel." Yun Xin Er repeated her words.

'Haha. I wonder what he will say later.'

She added in her mind.

"Well, even though your love for me is only as big as gravel, I'm fine with it." of course, Xiao Tian knew that Yun Xin Er was teasing him.

"Eh?!" his words much surprised Yun Xin Er. "You are not disappointed?!"

Previously, Yun Xin Er thought Xiao Tian would frown after hearing her remarks.

"Why should I be disappointed? At least, you have feelings for me." Xiao Tian replied. "Even though your love for me is only as big as gravel now, I can accept it because I will make you unable to live without me later."

"Hehe. How can you be so sure about it? There are many young men in China. With how famous and pretty I am, I can get a better young man than you, you know?" Yun Xin Er decided to continue teasing Xiao Tian.

"No, no, no. You are wrong there, big sister Yun. There is no better man than me because I am the perfect man in the world." Xiao Tian praised himself. "I'm kind, handsome, popular, cool, humble, polite, always help people in need and diligently saving money. Is there any man as perfect as me in this world?"

"Self-aggrandizing! Hehe." It had been a long time since Yun Xin Er heard Xiao Tian boasting himself like that.

"Hehe." Xiao Tian laughed.

"Alright, little brother, I will call you again later. I want to sleep now." even though it was still 09:30 pm, Yun Xin Er wanted to sleep because she was worn out.

"Alright. Have a nice dream, big sister Yun. Don't forget to dream about me. Hehe." Xiao Tian did not force her to keep talking with him because he knew she was busy and tired.

Sure, he still wanted to talk with her, but he also cared about her health. That was why Xiao Tian was fine with it.

"Un. I will dream about you because I want to hit you. Hehe." Like Xiao Tian, Yun Xin Er still desired to talk with him, but she had to manage her time or else her concert tour would be in a mess later.

"It's fine if you want to hit me in your dream, but don't forget to kiss me too." Xiao Tian teased Yun Xin Er again.

"I won't kiss you in my dream. I will keep hitting you." Yun Xin Er stated.

"I hope both of us are naked in your dream. Haha." Xiao Tian continued teasing her because her reaction was cute.

"Pervert! I don't want to talk with you anymore." After saying that, Yun Xin Er hung up the phone.

Xiao Tian could not help but burst into waves of laughter.

'It's a pity that I can't see her reaction.'

Suddenly Yun Xin Er pouting face appeared in his mind.

*Crying...

Xiao Tian received a new message.

'Oh, big sister Yun?'

Xiao Tian instantly opened the message.

[Good night, little brother. Have a nice dream. Don't forget to dream about your beautiful big sister Yun. Remember, don't do pervert things in your dream later. Hehe.]

A soft smile spread across his face after reading Yun Xin Er's message.

Before sleeping, Xiao Tian called his aunt for several minutes. He informed her what he did in Beijing or what had happened to him.

At 11:00 pm, Ye Qingyu hung up the phone because she was sleepy.

The following morning, Xiao Tian and Lan Ruoxi went to the Tea shop to meet Bai Wenliang and Bai Zhenya. Like yesterday, they talked for about an hour before finally, they left.

'It's still 08:00 am, there are still two hours before going to Yuji Hospital.'

With that idea in mind, Xiao Tian inquired, "Young lady, how about we go to Jifu now?"

Jifu was the place for outdoor exercise. Many people came to Jifu every morning and late afternoon. There are many places for sports in Jifu, such as soccer fields, basketball courts, etc.

"Alright." Lan Ruoxi agreed instantly.

Then they traveled to Jifu. And like they had guessed, there were many people in Jifu.

"Young lady, let's sit over there." Xiao Tian spoke as he pointed his right index finger at the public seating.

"Un." Lan Ruoxi replied.

After they sat on the public seating, Xiao Tian and Lan Ruoxi began to talk about many things.

When Lan Ruoxi noticed Xiao Tian looking at some women, who were running in front of them, she immediately spoke, "Now I know why you want us to come here. It's because you want to see women in workout clothes, right?"

"What are you saying? I suggest coming here because it's a good place to relax." Xiao Tian denied shamelessly.

"Really?" of course, Lan Ruoxi didn't believe his words.

"Amitabha. Young lady, I'm a monk, so there's no way I'd have such thoughts." Xiao Tian pretended as if he was a monk.

"Hehe." Lan Ruoxi laughed, "You really know how to make excuses."

"Huhf. This is much better." Xiao Tian said after taking off his silicon head mask.

"Why did you suddenly take off your silicon head mask?" Lan Ruoxi inquired.

"I have no enemy here, so there is no point in wearing it." Xiao Tian replied.

At this moment, Xiao Tian and Lan Ruoxi didn't know that a young lady was looking at them. She was shocked after seeing Xiao Tian's real face.

Chapter 912 - Going To The Yuji Hospital

7-8 minutes

'What? He is Xiao Tian?! So all this time, he is lying to me?'

The young lady gritted her teeth.

She was furious because all this time Xiao Tian was lying to her. At this moment, Xiao Tian's good image broke into pieces in the eyes of that young lady.

Xiao Tian was one of her idols, so it really hurt her feelings when she found out that Xiao Tian was lying to her all this time.

'So, you are Xue Yang, huh?'

Her eyes were filled with the flames of fury.

Previously, happiness glowed inside her because Xiao Tian would spend time with her later. But now, that happiness had turned into hatred after she found out that Xiao Tian was Xue Yang.

Even though Xiao Tian was one of her idols, the young lady still hated him. Now. The hatred within her even grew bigger every second.

'So you are that bastard, huh?'

The young lady had bad memories with Xiao Tian because he had insulted her many times, such as big boobs but no brain, crazy woman and many other rude words.

'We finally meet again, Xue Yang.'

Yes. That young lady was none other than Yi Wenxin, the police officer who always fought with Xiao Tian in the past.

'I'm going to take my revenge later.'

At first, Yi Wenxin wanted to vent her anger on Xiao Tian immediately, but she changed her mind and decided to go to Yuji Hospital.

At this moment, Xiao Tian and Lan Ruoxi didn't know that Yi Wenxin was near them earlier.

Yuji Hospital, Yi Yuan's Office.

*Click...

Yi Wenxin entered Yi Yuan's Office without knocking on the door first.

Yi Yuan, who was working, instantly shifted his gaze from the computer in front of him to his granddaughter.

When Yi Yuan saw the expression on Yi Wenxin's face, he knew that someone had irritated her. "Sigh. who are you fighting with this time?"

Yi Wenxin then sat on the couch and replied, "Xiao Tian."

"Xiao Tian?!" her words much surprised him.

Xiao Tian was one of her idols. She even kept talking about Xiao Tian since yesterday, as if she was in love with Xiao Tian.

"Yes." Yi Wenxin replied as she nodded her head.

Yi Yuan then walked closer towards her and sat on her right side.

"What did he do to you?" Yi Yuan wanted to know the reason why Yi Wenxin was angry at Xiao Tian.

"Grandfather, he is...." Yi Wenxin began to tell Yi Yuan everything.

At this moment, Yi Yuan finally understood why his granddaughter was furious at Xiao Tian. In the past, Yi Wenxin always told him how much she hated Xue Yang.

Even though Xiao Tian had helped her get promoted, but he always treated her badly. He even always called her a crazy officer.

Every time they met, they always ended up fighting or badmouthing each other as if they were born to be enemies.

Xiao Tian even still pissed her off when she treated him to noodles. For this reason, Yi Wenxin never forgot about Xiao Tian because, in her view, he was the most annoying man in the world.

"So, what are you going to do now?" Yi Yuan inquired.

"I want to take revenge on him." Yi Wenxin gave an honest answer.

It was a perfect time to take revenge on Xiao Tian, so Yi Wenxin would not let that opportunity slip away.

"Sigh. It's your problem. I will not be involved in this." Actually, Yi Yuan had guessed it because he knew her granddaughter's personality well. "But don't overdo it. Remember, you are a police officer now."

Yi Yuan knew that he would not be able to stop his granddaughter. Yi Wenxin was someone who wouldn't change her mind if she had decided to do something.

That was why he only said not to go overboard in her revenge. Otherwise, it would affect her reputation as a police officer.

"I know." Sure, Yi Wenxin really hated Xiao Tian, but she knew the limit or what she could not do.

"Good." Yi Yual felt relieved after hearing her words.

"But I need your help, grandfather." Yi Wenxin uttered,

"I have said I wouldn't get involved in your problem, so I won't help you." even though he said something like this, he would help her if her life were in danger.

Yi Wenxin was his only granddaughter, so he did not want anything bad to happen to her. Whatever happened, he would try his best to protect her.

"You don't need to do anything." Yi Wenxin knew that his grandfather would not help her if she were not in danger, so she was not surprised by his words.

"So?" at this moment, Yi Yuan still did not get her words.

"If Xiao Tian comes to our hospital later, I will tell him to apologize and kneel before me." Yi Wenxin uttered, "If he refuses, I want you not to heal Yu Shi's injuries."

"Wenxin, I'm a doctor. Saving people is my duty as a doctor." Yi Yuan replied, "I can't do that. If other people knew that I didn't keep my word, the good reputation of our hospital would be ruined later."

Yi Wenxin grabbed Yi Yuan's right arm and spoke, "Grandpa...."

Yi Wenxin had made up her mind. Whatever happened, she wanted Xiao Tian to kneel before her and apologize to her.

"Buts...." Yi Yuan really loved Yi Wenxin, so he wavered whether he should agree to her wish or not.

"I only want him to apologize and kneel before me. Nothing more than that." at this moment, Yi Wenxin was telling the truth.

Because of how much he loved Yi Wenxin, Yi Yuan decided to grant her wish. "Fine."

Yi Wenxin smiled happily. "Hehe. You are the best, grandfather."

'Xiao Tian, I will take my revenge on you later. Hehe.'

Yi Wenxin added in her head.

When Yi Yuan saw Yi Wenxin's smile, he sighed.

'I hope I won't regret this later.'

Yi Yuan would stop her if she wanted to injury Xiao Tian and the others later.

"Let's go now." Xiao Tian spoke abruptly.

Currently, Xiao Tian, Lan Ruoxi, Crystal and Yu Shi were in his hotel room. After Xiao Tian and Lan Ruoxi arrived at the hotel, they had breakfast together.

It was 09:30 am, so it was time to go to Yuji Hospital. Without waiting for another second, Xiao Tian and the others traveled to Yuji Hospital.

Since Xiao Tian and the others had made an appointment with Yi Yuan, one of the nurses guided them to Yi Yuan's office.

Yi Yuan's office was quite large, with his desk placed in front of the window. On the right side of Yi Yuan's desk, several awards were hanging on the wall.

It was as if Yu Yuan wanted everyone to know that he was an extraordinary doctor, a doctor who was skilled in traditional and modern medicine.

A beautiful red sofa was placed in front of his desk with an artificial plant on each corner of his office.

"Oh, you have come?" Yi Yuan spoke when he saw Xiao Tian and the others.

"Yes." Xiao Tian replied as he smiled. "We want Doctor Yi to treat Elder Yu Shi's wounds immediately. I hope Doctor Yi can understand it."

Before Yi Yuan could say anything, Yi Wenxin spoke, "Xiao Tian, if you want my grandfather to treat her injuries, you have to kneel before me and apologize to me."

Chapter 913 - I Believe You

7-8 minutes

Before Yi Yuan could say anything, Yi Wenxin spoke, "Xiao Tian, if you want my grandfather to treat her injuries, you have to kneel before me and apologize to me."

*Silence.

Yi Wenxin's words dropped the entire area into dead silence.

Xiao Tian, Lan Ruoxi, Crystal and Yu Shi instantly turned their heads towards Yi Wenxin. They wanted to know what was going on.

"If you don't want to apologize to me, my grandfather won't treat her injuries." Yi Wenxin spoke as she pointed her right index finger at Yu Shi.

Lan Ruoxi, Crystal and Yu Shi shifted their gazes from Yi Wenxin to Xiao Tian.

'Did he do something to her?'

That was the question that appeared in their minds.

"Young master Xiao, did you do something to her?" Lan Ruoxi asked curiously.

"I didn't do anything." Xiao Tian also didn't know what was going on. "She was not like this the last time we met."

"Are you sure?" Crystal inquired.

"Before we traveled to Yuji Hospital, I didn't meet her. Last night, you all knew that I immediately headed to my room and slept after arriving at the hotel, right? And this morning, I was with lady Lan the entire time." After saying that, Xiao Tian looked at Lan Ruoxi. "Isn't that right, lady Lan?"

"Yes." Lan Ruoxi replied as she nodded her head. "And we didn't meet Miss Yi earlier."

Because they wanted to know the answer, they returned their attention to Yi Wenxin.

"Lady Yi, what did I do wrong?" Xiao Tian wanted to know the reason why Yi Wenxin suddenly wanted him to apologize to her and kneel before her.

He was sure that he never irritated her when he was using his true identity.

'What's going on? Why is she suddenly mad at me? Am I not one of her idols?'

Yi Wenxin's behavior was different from when they met last night.

Last night, she always praised him, and a smile never left her face when she was talking with him. But now, she suddenly behaved like this as if he was her enemy.

'Did I do something to her?'

At this moment, Xiao Tian still didn't know that Yi Wenxin had found out that Xue Yang was his other identity.

"You have been lying to me this entire time!" Yi Wenxin replied. "You are Xue Yang, right?"

Xiao Tian finally understood the reason why Yi Wenxin's behavior suddenly changed drastically like that. It was because she had found out everything.

'I have to do something!'

Xiao Tian wanted to make an excuse because he believed she had no proof that he was Xue Yang.

However, when he was about to say something, Yi Wenxin spoke, "Don't try to lie to me. I saw you at Jifu this morning."

At this moment, Xiao Tian knew it was useless to make an excuse.

'So she was there when I took off my silicon head mask.'

Xiao Tian was sure that Yi Wenxin saw him when he was taking off his silicon head mask.

He then shifted his gaze from Yi Wenxin to Yi Yuan. "Doctor Yi, you had promised us last night. Are you not going to keep your word?"

At this moment, Xiao Tian hoped that Yi Yuan would keep his word because he and the others traveled to Beijing for the sake of meeting him.

Crystal, Lan Ruoxi and Yu Shi looked at Yi Yuan. They wanted to know what his answer would be.

Yi Yuan could only sigh. He wanted to treat Yu Shi's injuries, but at the same time, he did not want to make his granddaughter angry.

'I hate this situation.'

Yi Yuan didn't answer Xiao Tian's question and only sighed.

Xiao Tian clenched his right fist. "I didn't know the famous doctor Yi turned out to be a liar. How laughable! Rumors stated doctor Yi was kind and always helped people in need. Now I know these rumors are false because it's impossible for a liar to have a good heart. I'm disappointed!"

"You! Stop badmouthing my grandfather! My grandfather is not a liar!" Yi Wenxin pointed her right index finger at Xiao Tian and spoke angrily.

She was furious because Xiao Tian dared to slander her grandfather. If she had a gun, she would have pointed her gun at Xiao Tian's head right now.

"I'm not slandering your grandfather." Xiao Tian replied calmly. "It's the truth. Last night, he had promised to treat elder Yu Shi's injuries, but now he changed his mind. If he is not a liar, then what is it?"

Even though Xiao Tian was badmouthing him, Yi Yuan said nothing because he could understand Xiao Tian's feelings.

'Sigh.'

Yi Yuan suddenly regretted his actions. However, it was already too late now.

"You, apologize to me and my grandfather now!" like before, Yi Wenxin spoke angrily. "Otherwise, my grandfather won't treat her injuries. You know that she can die if she is not treated, right?"

Yi Wenxin tried to threaten Xiao Tian, hoping that Xiao Tian would immediately apologize to her and Yi Yuan.

Xiao Tian then looked at Crystal and the others. "Let's go. There is no point in staying in this place anymore."

From Yi Yuan's behavior, Xiao Tian knew that Yi Yuan really loved Yi Wenxin. With his bad memories with her, he was sure they would not treat Yu Shi's later.

Rather than wasting their time in that place, it would be better if they left. Xiao Tian was afraid that he could not control his anger if they stayed there longer.

Even though Crystal and Yu Shi still wanted Yi Yuan to treat Yu Shi's injuries, but they followed Xiao Tian's words.

Then Xiao Tian and the others left.

"You, come back!" Yi Wenxin shouted angrily because everything was not like what she wanted.

Yi Yuan sat on the couch and sighed. Since Xiao Tian arrived at his hospital, he had sighed many times.

Yi Wenxin then sat on Yi Yuan's right side and spoke, "Grandfather, look at them! They are rude!"

"Wenxin, you go home now! I want to calm my mind." Yi Yuan suddenly felt dizzy after what had just happened.

"Alright." Yi Wenxin knew that her grandfather would get angry if she didn't listen to his words.

Currently, Xiao Tian and the others were in the tea shop. At first, they wanted to return to the hotel, but they changed their minds.

"So, what's your plan?" Lan Ruoxi inquired, "You know that not everyone can heal her wounds, right?"

"I will ask Zhao Sheng for help later." the Zhao family had many connections, so Xiao Tian believed that Zhao Sheng could help them later.

"Ah, so you want to ask for his help, huh?" actually, Lan Ruoxi had guessed it because Xiao Tian did not have many friends.

Xiao Tian then looked at Yu Shi and spoke, "Don't worry. I will keep my promise. I'm different from that doctor. Whatever happens, I will keep my word."

"I believe you." Yu Shi believed that Xiao Tian would not break his word because her disciple was his good friend.

They spent time at the tea shop for an hour before finally, they returned to the hotel. After Xiao Tian stepped into his room, he immediately called Zhao Sheng.

However, when he was calling Zhao Sheng, he suddenly heard something unexpected.

Chapter 914 - Fuck You, Zhao Sheng

8-10 minutes

Because Xiao Tian did not want to waste his time, he decided to call Zhao Sheng. Xiao Tian was sure that Zhao Sheng could help him.

'This sound is...'

The corner of Xiao Tian's lips twitched when he heard something unexpected when he was calling Zhao Sheng.

'Damn! He is really something!'

Xiao Tian cursed venomously in his heart.

"Yo, Xiao Tian. Why are you calling me?" Zhao Sheng inquired after picking up the phone.

"Ah...Ah...Ah...Ah..." the seductive moans of a woman echoed through Xiao Tian's smartphone.

"Damn it, Zhao Sheng!" Xiao Tian spoke angrily. "Are you having sex with your lover right now?"

"What are you talking about? I'm having a meeting right now." Zhao Sheng denied shamelessly.

"Ah...Ah...Ah..." the woman didn't try to hold back her moans as if she wanted Xiao Tian to know that she was having sex with Zhao Sheng.

"Meeting my ass!" Xiao Tian was not an innocent young man, so he knew that Zhao Sheng was having sex with a woman. "Why did you pick up the phone if you are having sex with a woman now? Do you want to irritate me?"

"Why didn't you believe me? I'm not lying to you. I'm really having a meeting right now." actually, Zhao Sheng was telling the truth.

He was not having sex with one of his women; instead, he was having sex with one of his company's business partners.

Because his company's business partner sent a beautiful woman to discuss their project, Zhao Sheng decided to seduce her.

One thing led to another, and they ended up having sex in his office now.

"Do you think I'm three years old?" of course, Xiao Tian didn't believe Zhao Sheng's words.

Because Xiao Tian didn't believe his words, Zhao Sheng explained everything. "I'm really having a meeting right now. She is not my woman. She is the representative of my company's business partner. If you still don't believe me, you can talk with her now."

Black lines formed on Xiao Tian's forehead. "What? So you are having sex with your company's business partner representative? Are you not afraid of the consequences?"

"Don't worry. No one dares to mess with me. Haha." Zhao Sheng spoke proudly as if he was the strongest martial artist. "What is it? Are you jealous of me? Or do you want to have sex with her too?"

"Why should I envy you?" Xiao Tian replied, "I'm sure I can do what you can."

"Xiao Tian, do you want to have sex with her later? She is a gorgeous lady with a tight pussy. It feels good having sex with her." because she was not his woman, Zhao Sheng was fine if Xiao Tian wanted to have sex with her later.

Xiao Tian didn't answer Zhao Sheng's question.

'Sigh. Why do I have a weird friend like him?!

Xiao Tian didn't know why he agreed to be friends with Zhao Sheng in the past.

"Lady Qui, do you want to have sex with my friend Xiao Tian later?" Zhao Sheng inquired.

Currently, lady Qui was sitting on the edge of Zhao Sheng's desk with her legs spread widely. Her pretty pink pussy didn't stop producing love juices, to the point it made some part of the table wet from her nectar.

Even though she was still wearing her shirt, but her skirt was nowhere to be seen. Zhao Sheng had taken off her skirt, leaving only the sexy underwear hanging from her right ankle.

Lady Qui didn't answer Zhao Sheng's question and kept wailing as if she didn't hear it.

"Sorry about this, Xiao Tian. Her mind is already on cloud nine right now, so she doesn't hear my question." Zhao Sheng uttered, "Oh right, why are you calling me?"

"It's like this...." Xiao Tian told Zhao Sheng everything.

"Hahaha." Zhao Sheng laughed after Xiao Tian finished explaining everything. "Why didn't you beat them? If I were you, I would have beaten them earlier."

"Damn it! Don't laugh at other people's misery!" Xiao Tian said in annoyance. "So, how is it? Can you help me?"

"It's an easy thing for me." Zhao Sheng stated, "I will bring you to a doctor who is more amazing than that Yi Yuan."

"Good!" Xiao Tian was pleased by this.

"Oh right, Xiao Tian. Are you sure you don't want to have sex with lady Qui? Her pussy is amazing, you know? Even her moans are like a song. Here, hear it?" after saying that, Zhao Sheng placed his smartphone in front of lady Qui's mouth.

"Ah...Ah...Ah...Ah..." multiple seductive wails echoed through Xiao Tian's phone.

"Fuck you, Zhao Sheng!" Xiao Tian cursed venomously. "I'm in Beijing right now, so don't do that."

Xiao Tian was currently in Beijing, so he could not have sex with someone. That was why he was furious when Zhao Sheng did that.

"Haha. Xiao Tian, how about we have a threesome after you return to Shanghai later?" Zhao Sheng uttered, "I know some hot MILFs. We can fuck them together if you want."

"I don't want to." After saying that, Xiao Tian hung up the phone.

"Eh, he hung up the phone? It seems like he is jealous of me. Haha." Zhao Sheng then put his smartphone on his desk and continued fucking lady Qui, a pretty lady with a good body.

Because Xiao Tian wanted to tell Crystal about the good news, he headed to her room.

*Knock...Knock...Knock...

Xiao Tian knocked on the door.

Not long after that, Crystal opened the door. "Oh, Xiao Tian? Come in."

Crystal's room was the same as his; big and luxurious.

After they sat on the couch, Crystal inquired, "Do you have anything you want to say to me?"

"I called Zhao Sheng just now, and he said he knew someone who could cure your master's injuries." Xiao Tian went straight to the point.

"Really? When can we meet that person?" Crystal wanted to meet that doctor immediately because Yu Shi's condition was getting bad every day.

"Let's meet Zhao Sheng after returning to Shanghai because he is the only one who knows where that doctor is." The reason why Xiao Tian said this was that he forgot to ask that doctor's address.

"Alright." Crystal nodded her head.

Because he had nothing to say anymore, Xiao Tian rose to his feet and spoke, "Then I will return to my room now."

"Xiao Tian, wait..." Crystal suddenly remembered that she had something to ask Xiao Tian.

For this reason, Crystal grabbed Xiao Tian's right hand. However, she unconsciously pulled Xiao Tian towards her, causing both of them to fall to the floor.

*Tit...Tit...Tit...Tit...Tit...Tit.

Yu Shi pressed the pin before entering Crystal's room. Since Yu Shi was her master, Crystal gave her room pin to her master.

"Crystal, let's g-" Yu Shi stopped her words halfway when she saw something unexpected in front of her.

'Hmmm? They are...'

Yu Shi's lips turned into a smile.

Currently, Crystal was lying on the floor with Xiao Tian on top of her body. After both of them fell to the floor, they wanted to get up immediately, but Yu Shi had entered Crystal's room before they rose to their feet.

"What?! You want to have sex on the floor?! Why don't you do it on the bed?" at this moment, Yu Shi misunderstood everything. "Alright. I won't disturb you two. I will leave now. You can continue your lovey-dovey moment again now."

Xiao Tian and Crystal knew that Yu Shi had misunderstood everything.

Crystal wanted to tell Yu Shi that Yu Shi had misunderstood everything. "Master, it's not li-"

However, before Crystal had finished her words, she was interrupted by Yu Shi.

"Crystal, you don't need to explain everything. I understand. I understand that young people love adventure in sex." Yu Shi then walked out of Crystal's room. However, when she was about to open the door, she turned her head to look at Crystal. "Crystal, it would be better if you gave me a grandson later. But I'm also fine if it's a granddaughter. As long as it's your child, I will love them with all my heart."

The corner of Xiao Tian's lips twitched after hearing Yu Shi's words.

'This old woman is really something!'

He said in his head.

*Click...

The sound of Yu Shi closing the door echoed in the room.

A smile suddenly emerged on Yu Shi's face after getting out of Crystal's room.

'As I thought, Xiao Tian could not resist my disciple's charm. I hope I will have a grandson soon.'

Chapter 915 - I Said, Give Me Your Money!

7-8 minutes

Inside a big and luxurious hotel room, two young people could be seen under a bright lamp; a young man and a young woman.

The young lady was lying on the floor with a young man on top of her body. If anyone saw them, they would definitely think that these young people were doing something immoral.

However, the reality was different because they just fell to the floor.

"Can you get up now?" Crystal spoke abruptly.

After Xiao Tian rose to his feet, he helped Crystal up. "Are you going to go after your master and explain everything?"

"No," Crystal replied as she shook her head. "It would be useless, so let her think whatever she wants."

Crystal was sure if she tried to explain everything to her master, Yu Shi would not believe it. She was even sure that Yu Shi would ask her to give Yu Shi a grandson soon.

"OH right. You said you wanted to ask something earlier. What is it?" Xiao Tian inquired.

"Sorry. I don't remember it." Crystal lied to him.

Actually, she wanted to know about Shi Fei, such as how Xiao Tian met Shi Fei, how they ended up as lovers and etc.

She also wanted to ask whether Xiao Tian knew that a powerful martial artist was backing him or not. However, Crystal was afraid that Shi Fei would get angry later.

"If so, then I will return to my room now." after saying that, Xiao Tian headed to his room.

'Huft. This is boring!'

Xiao Tian then took his smartphone out of his pocket and called Lan Ruoxi.

"What is it, young master Xiao?" Lan Ruoxi asked after picking up the phone.

"It's boring in the hotel. How about we go somewhere now?" Xiao Tian inquired.

"I'm tired, so I want to sleep now." Lan Ruoxi refused instantly.

"Alright." After hanging up the phone, Xiao Tian walked out of his room.

'It seems like I will stroll alone again.'

Xiao Tian suddenly remembered the time when he strolled alone in the past.

At that time, he also went to Beijing with Lan Ruoxi, but she left him alone in the hotel because she was busy with her friends.

Xiao Tian had come to Beijing several times, so he knew good places to relax. Xiao Tian went to many places, and even though he was alone, he still enjoyed it.

Time went by quickly, and without realizing it, it was already 07:15 pm. Since it was time for dinner, Xiao Tian started looking for a famous restaurant.

However, he changed his mind when he saw a street vendor filled with many customers.

'I will eat at that street vendor.'

Xiao Tian wasted no time and walked towards the street vendor.

When he was in front of the owner of the street vendor, he spoke, "Elder, please give me chicken chowmein and lemon tea."

"All right." The elder replied.

Xiao Tian then skimmed his surroundings to find an empty seat.

'There is an empty seat over there.'

Xiao Tian then sat on a plastic chair next to an old man around sixty years old.

'The moon is so beautiful tonight.'

Because it was an outdoor place, Xiao Tian was able to see the beautiful moon.

"Young man, is this your first time coming here?" the old man who was sitting on Xiao Tian's left side spoke abruptly.

Xiao Tian turned his head to look at the old man and replied, "Yes. This is my first time coming here."

"Where do you come from?" the old man inquired.

"I'm from Shanghai." Xiao Tian gave an honest answer.

"Oh, Shanghai?!" the old man was startled by Xiao Tian's words. "Why did you come to Beijing?"

"I came to Beijing to meet someone." Xiao Tian replied as he smiled.

Not long after that, the owner of the street vendor came with his orders. "Here, your orders, young man."

"Thank you, elder." Xiao Tian replied as he smiled.

Because Xiao Tian was eating, the old man who was sitting next to him didn't ask more questions. He wanted to let Xiao Tian finished eating first.

'It's delicious!'

Xiao Tian finally knew the reason why many people were eating at this street vendor.

At this moment, two delinquents suddenly appeared; a red-haired delinquent and a blue-haired delinquent.

From their appearance, anyone could tell that they were around twenty years old.

"Oh, this place is crowded as usual." The red-haired delinquent spoke abruptly.

"It seems like we will get a lot of money tonight." The blue-haired thug said before laughing happily.

"Agh. It's them again!"

"Sigh, why did they come here again?"

"Hurry up and call the police!"

"Do it if you want to get beaten up by them later."

"I really hate them!"

"Me too."

All of them knew these troublemakers because they came to that place almost every night. And the reason why they came to that place was to ask everyone to give them money.

If someone refused to give them money, they would beat that person before forcibly taking the money.

But even though all the customers hated these thugs, they didn't dare to fight these thugs because none of them were martial artists.

These troublemakers were martial artists at the low-level master stage, so they knew what would happen to them if they tried to fight these delinquents.

For this reason, all of them chose to give money to these thugs because they didn't want to be beaten by these delinquents.

"Hey! Give me money!" the blue-haired delinquent spoke.

Like what the blue-haired thug did, the red-haired delinquent started asking customers for money. For this reason, everyone's faces darkened.

But despite hating these delinquents' behavior, they still gave their money to these thugs.

At this moment, Xiao Tian kept eating normally as if there were no delinquents near him. Of course, Xiao Tian was aware of the situation around him, but he didn't show the slightest care about it.

As long as these thugs didn't bother him, he would pretend as if nothing had happened.

The old man who was sitting on Xiao Tian's left side was startled by Xiao Tian's behavior. Xiao Tian looked like an ordinary young man, so he thought Xiao Tian would be scared earlier.

However, he was wrong. Not only was Xiao Tian not afraid, he even behaved as if nothing would happen to him later.

'Interesting!'

The old man began sipping his tea.

At this moment, the blue-haired thug finally stood on Xiao Tian's right side.

"Give me your money!" of course, he wanted to take Xiao Tian's money too.

However, Xiao Tian ignored the blue-haired delinquent's words and kept consuming his food as if he didn't hear anything.

The blue-haired thug was unhappy with Xiao Tian's behavior.

"Hey! I said, give me your money!" the blue-haired delinquent repeated his words.

This time he raised his voice, giving Xiao Tian a sign that he was furious with Xiao Tian's behavior.

Like before, Xiao Tian ignored the blue-haired delinquent's words. In his view, that delinquent was nothing, and he could beat that delinquent in less than five seconds.

The blue-haired thug gritted his teeth, and his eyes were burning with the flames of fury. It was the first time someone treated him like air, so the blue-haired delinquent was enraged.

"Die!" the blue-haired delinquent raised his right arm, intending to hit Xiao Tian.

Chapter 916 - I Only Know Martial Arts A Little

7-9 minutes

"Die!" the blue-haired delinquent threw out his right fist at Xiao Tian's head.

Because Xiao Tian didn't pay attention to him, the blue-haired thug was sure that he would succeed in hitting Xiao Tian's head later.

'Hmf! Because you dare to behave arrogantly in front of me, I will teach you a lesson now.'

The blue-haired thug's lips curled into a smirk.

He was still furious at Xiao Tian and decided to humiliate Xiao Tian in front of everyone. Because Xiao Tian looked like an ordinary young man, he was sure that he could beat Xiao Tian later.

He was a martial artist at the low-level master stage, so the speed of his attack was fast. And with how close he was to Xiao Tian, he was sure that Xiao Tian would not be able to block or avoid it.

However, he was wrong. He was utterly wrong because Xiao Tian could block the blue-haired thug's fist effortlessly.

Xiao Tian's reflexes were already in the category of the high-level master stage, so the speed of the blue-haired delinquent's fist was slow in his eyes.

After catching the blue-haired delinquent's fist with his right hand, Xiao Tian's eyes gleamed with terrifying sharpness as he stared at the blue-haired thug. "Don't disturb me!"

*Crack...

Because the blue-haired delinquent was disturbing his dinner time, Xiao Tian decided to break his right hand.

Actually, he would not do anything if the blue-haired thug didn't disturb him because he had no close relationship everyone in that place.

But because the blue-haired thug chose to disturb his time, Xiao Tian decided to teach the blue-haired delinquent a lesson.

"Aghh..." a soul-piercing howl of pain rent the air above the street vendor.

Because the blue-haired delinquent felt immense pain, he instantly fell to the ground while crying out in pain.

"He...He is..." some of the onlookers shivered in fear when they saw Xiao Tian breaking the blue-haired thug's right hand without thinking twice.

As the others, their hearts leaped up for joy because they really hated these delinquents.

They even hoped that Xiao Tian would also break the blue-haired thug's legs so that the blue-haired delinquent would stop doing bad things.

The old man, who was sitting on Xiao Tian's left side earlier, was startled by what he was seeing.

'Oh! It seems like I underestimated him earlier.'

At this moment, the old man knew that Xiao Tian was a martial art expert.

The way Xiao Tian caught the blue-haired delinquent's fist and how easy it was for him to break the blue-haired delinquent's right hand was a sign that Xiao Tian and the blue-haired thug were not on the same level.

Because Xiao Tian was able to catch the blue-haired thug's fist effortlessly, he was sure that Xiao Tian was at least one level above the blue-haired delinquent's martial arts level.

'From the speed of that blue-haired thug's attack, I'm sure he is a martial artist at the low-level master stage, so is this young man a martial artist at the mid-level master stage? or is he already at the high level master stage?'

The old man was not sure about Xiao Tian's martial arts level because everything happened too fast.

"He is amazing!"

"Good!"

"I hope that young man will injury these delinquents heavily later."

"Yes. I hope these thugs won't do bad things again from today onwards."

"But there is still one more thug!"

"I hope that young man can defeat that thug too later."

"I hope so."

Some of the onlookers voiced their feelings.

Not only was Xiao Tian not afraid of these delinquents, he even could beat the blue-haired delinquent effortlessly.

Previously, some of them mocked Xiao Tian because he ignored the blue-haired delinquent's words. They thought Xiao Tian was a weak person who pretended to be strong.

They did not expect that Xiao Tian was actually a strong martial artist.

The red-haired delinquent, who noticed his friend crying out in pain on the ground, helped his friend up. "Are you alright?"

"He broke my right hand!" the blue-haired thug pointed his left index finger at Xiao Tian. "Brother, beat him for me! I want you to break his hands! No, I want you to break his arms and legs!"

The red-haired delinquent looked at Xiao Tian and inquired, "Boy, break your hands and kneel before me!"

Like what Xiao Tian did earlier, he ignored the red-haired delinquent's question. In his view, consuming his food was more important than answering the red-haired thug's question.

"Brother, just beat him!" the blue-haired delinquent uttered,

"Die!" the red-haired thug raised his right arm, intending to hit Xiao Tian's face.

When Xiao Tian noticed it, he instantly rose to his feet and threw out his right fist at the red-haired delinquent's nose.

Xiao Tian was a martial artist at the mid-level master stage, but his speed and reflexes were already in the category of the high-level master stage, so the difference between his speed and the red-haired delinquent's speed was like heaven and earth.

*Aukkk...

Xiao Tian's attack broke the red-haired thug's nose.

Because Xiao Tian wanted to finish the red-haired delinquent quickly, he didn't stop there. He instantly kicked the right side of the red-haired thug's head.

*Bang....

The red-haired delinquent crashed to the ground, fainted.

After looking at the red-haired delinquent, Xiao Tian returned to his seat before consuming his food again.

He behaved as if he didn't do anything. He even ate his food without caring about the blue-haired thug who was standing behind him.

*Silence...

The entire area dropped into a dead silence.

Even though the onlookers knew that Xiao Tian was a strong martial artist, they did not expect him to be so strong.

He was even able to defeat the red-haired delinquent in less than five seconds. Something like this only happened when the gap between them was like heaven and earth.

Terror crossed the blue-haired delinquent's face.

'Mon...ster.'

Because he knew that he would not be able to defeat Xiao Tian, he grabbed his friend and left.

"They picked the wrong opponent this time!"

"Yes. I'm happy that young man beat them like that!"

"They deserve it!"

"I hate them since a long time ago!"

"It's a pity that young man didn't break their hands and legs."

"Well, we can't force him to do that or else, he will beat us later."

"You are right."

"At least, that young man beat them earlier."

Everyone was pleased because Xiao Tian beat these delinquents.

The old man who was sitting on Xiao Tian's left side spoke, "Young man, you were amazing earlier. I didn't know you were martial arts expert."

"I only know martial arts a little." Xiao Tian replied before eating again.

The old man touched his chin and spoke, "Only know a little, huh?"

'It seems like he is a humble person.'

He added in his head.

"Are you not afraid that they will come back with their friends later?" the old man inquired.

"No." Xiao Tian knew that they were weak martial artists because, in his view, delinquents were a group of weak people.

"I see." Actually, the old man had guessed that Xiao Tian would say something like that because Xiao Tian still behaved calmly as if everything was under his control.

At this moment, Xiao Tian could feel that everyone was looking at him, but he did not show the slightest care about it.

Several minutes later, a voice suddenly rang out. "Who was the one who beat up my friends earlier?"

Chapter 917 - Defeating Fifteen Delinquents

7-9 minutes

As Xiao Tian was consuming his food, a voice suddenly rang out. "Who was the person who beat my friends earlier?"

Fifteen delinquents suddenly appeared at the street vendor, and all of them were also holding weapons in their hands.

From their expressions, anyone could tell that they were furious and wanted to beat Xiao Tian.

"They came again!"

"As I thought, he came back with his friends."

"Sigh. I suddenly feel sorry for that young man."

"Me too."

"I hope someone will help that young man later."

"If I were a martial artist, I would definitely help that young man."

Because there were fifteen thugs, the onlookers were sure that Xiao Tian would get beaten up by these delinquents later.

Sure, Xiao Tian was skilled in martial arts, but they believed that he would not be able to beat fifteen delinquents.

In their view, it was impossible for one person to win against fifteen people. Something like that only happened in movies, and this was the real world, not movies.

At this moment, Xiao Tian was still consuming his food. He did not show the slightest care about these thugs because, in his eyes, they were a group of a weakling.

When the blue-haired delinquent saw Xiao Tian, he immediately pointed his left index finger at Xiao Tian. "Brothers, he was the one who beat us earlier. Beat him to death!"

Yes. This blue-haired thug was the person whose right arm was broken by Xiao Tian earlier. At this moment, the red-haired thug was not with them because he still fainted.

All the fifteen delinquents were unhappy when they saw Xiao Tian eating his food calmly. It was as if he didn't put them in his eyes.

They were martial artists at the low-level master stage, so it hurt their pride when Xiao Tian behaved as if they were nothing.

Two of them even could beat ordinary martial artists at the mid-level master stage, so they could not accept it when Xiao Tian was underestimating them like that.

They were enraged, and a desire to beat Xiao Tian slowly consumed their bodies.

The yellow-haired delinquent pointed his cold steel stick at Xiao Tian and spoke, "Kneel before us and apologize to my friend! If you do that, I will only break your arms later."

Xiao Tian stopped consuming his food and shifted his gaze from his food to these delinquents. His eyes were burned with flames of fury because he was disturbed again.

"Kneel before us and apologize to my friend!" the yellow-haired thug repeated his words.

Xiao Tian instantly snatched the yellow-haired delinquent's cold steel stick and hit the yellow-haired thug's head with that steel stick.

*Bang!

Due to how fast Xiao Tian's attack was, the yellow-haired thug could not block or avoid his attack.

For this reason, the yellow-haired delinquent instantly crashed to the ground, fainted.

"What?!"

"Is he not afraid of them?"

"I didn't expect him to attack that yellow-haired delinquent!"

"I thought he would apologize earlier."

The expression of deep shock blossomed on their faces.

The onlookers found it hard to believe what they were seeing. Because there were fifteen delinquents, they thought Xiao Tian would apologize instantly.

However, they were wrong. They were utterly wrong because Xiao Tian didn't show the slightest fear in his eyes. He even dared to attack the yellow-haired thug.

'Don't tell me. He wants to fight these delinquents alone?!'

The onlookers were amazed by Xiao Tian's braveness.

If they were in his position, they would have apologized to these delinquents.

When these thugs saw their friend passed out on the ground, they greet their teeth. Like the customers, they were also startled.

They thought Xiao Tian would behave like a coward because they came with fifteen people. All of them were even holding a weapon in their hands.

One of the delinquents roared angrily, "Attack hi-"

However, before he had finished his words, he was welcomed by Xiao Tian's attack on the head, causing him to fall to the ground and faint.

Because there were still thirteen delinquents, Xiao Tian didn't waste his time and instantly attacked them.

*Slash...Slash...Slash...

Xiao Tian's attacks were fast and deadly, but none of these delinquents died because he was only using a cold steel stick.

However, Xiao Tian didn't care about it and kept attacking them.

*Bang!

Three delinquents fainted on the ground after getting hit by Xiao Tian's attacks.

'There are still ten of them.'

Because Xiao Tian wanted to finish it quickly, he decided to use his secret technique.

At first, he wanted to use the second secret move, but he changed his mind when he remembered that he had mastered the third secret technique.

Xiao Tian had never used the third secret move on someone before, so in his view, it was a perfect moment to use it because there were ten guinea pigs in front of him.

'Moon style sword of drawing techniques- third ceremony- Desert Storm.'

Xiao Tian moved in a pentagram pattern before changing it into a triquetra pattern. Because it was the third secret technique, his attacks were faster and more deadly than the second secret move.

*Slash...Slash...Slash...

Due to how fast his attacks were, none of these delinquents could avoid his attacks, and as a result, they all fell to the ground with wounds all over their bodies.

Some of them fainted instantly, while others were still conscious.

'What was that attack just now!'

Terror overtook the faces of delinquents who were still conscious. If Xiao Tian had used a real sword, they believed they would all be dead by now.

*Silence...

The entire are dropped into a dead silence.

All the onlookers found it hard to believe what they were seeing. Some of them even rubbed their eyes to make sure that their eyes were not playing tricks on them.

However, what they saw was still the same. All the delinquents were on the ground while Xiao Tian was standing mightily in the middle of them.

"A...amazing!"

"He...he beat them?!"

"Oi...Are you seeing what I'm seeing?"

"Yes. I'm seeing what you are seeing. He beat all the delinquents!"

"I thought something like this would only happen in movies, but I was wrong."

"He is still young, but he is already skilled in martial arts."

Because there were fifteen delinquents, they thought Xiao Tian would end up losing the fight. They didn't expect that the result was different from what they thought.

At this moment, the old man who was drinking tea was shocked. He was startled when he saw Xiao Tian using his secret technique.

'Moon Sword Martial Arts?! He is..he is a disciple of Moon Sword Martial Arts?!'

The old man knew that Xiao Tian was from Moon Sword Martial Arts because he was one of the instructors in that school before an unknown group of martial artists destroyed the Moon Sword Martial Arts school.

'I need to talk with him!'

The old man put the tea on the table and walked closer towards Xiao Tian.

When he was in front of Xiao Tian, he spoke, "Young man, can we talk somewhere now?"

Xiao Tian was startled by the old man's words.

"Why don't we talk here?" Xiao Tian replied instantly.

"I'm from Moon Sword Martial Arts school." The old man revealed the truth.

Chapter 918 - Go Luo Di

7-8 minutes

Xiao Tian was startled, but he didn't show it on his face.

'Hmm? Moon Sword Martial Art school?!'

Because Xiao Tian did not want to get fooled by that old man, he wanted to make sure that the old man was telling the truth.

"Prove it to me!" they had never met before, so Xiao Tian did not want to believe that old man's words easily.

The old man was not surprised by Xiao Tian's words because it was normal for Xiao Tian not to believe his words.

He would be disappointed if Xiao Tian believed his words instantly. "How do I prove it to you?"

Xiao Tian gave the cold steel stick to the old man and responded, "Show me the first secret move from the Moon Sword Martial Arts school."

Moon Sword Martial Arts school had strict rules, and one of the rules was all disciples had to learn the secret techniques.

If they could not master the first secret move in six months, they would immediately be expelled from Moon Sword Martial Arts school.

They did not care about the background. All they wanted was a talented and hard-working disciple. For this reason, many disciples got expelled because mastering the secret moves was difficult.

'With this, I will know if he is telling the truth or not.'

Xiao Tian added in his mind.

If that old man were telling the truth, he would be able to do that because it was one of the rules.

"Fine." The old man spoke before taking the cold steel stick from Xiao Tian's right hand.

*Inhale...Exhale...

The old man began to focus, and his body slowly emitted a terrifying aura.

As the old man was showing the first secret technique of the Moon Sword Martial Arts school, everyone instantly turned their heads towards him.

"What's that old man doing?"

"I don't know."

"Does he want to show off too?"

"It seems so."

"But isn't it too late?"

"Yes. It's already too late because all the delinquents have gotten beaten up by that young man."

"Don't tell me. The fire of youth is burning inside him after seeing that young man."

"Maybe."

The onlookers had no idea as to why the old man suddenly did the first secret technique of the Moon Sword Martial Art school.

Xiao Tian had beaten up all the delinquents, so there was no point in showing off like that.

After the old man finished performing the first secret move, Xiao Tian immediately spoke, "All right. Let's talk now."

"Let's find a quiet place." The old man did not want to talk at that street vendor because there were many people there.

He wanted to talk to Xiao Tian about something important, so he preferred a quiet place to a crowded place.

"All right." Because Xiao Tian knew that the old man was from Moon Sword Martial Arts school, he agreed without thinking twice.

Then Xiao Tian and the old man looked for a quiet place to talk. Coincidentally, there was a good place not far from the street vendor.

There were only five people in that place, and these people were also quite far from them. Xiao Tian and the old man then sat on the wooden bench which was located under a big tree.

"Before we talk, let me introduce myself first. I'm Go Luo Di." Go Luo Di introduced himself. "Young man, what is your name?"

"I'm Xiao Tian." at first, Xiao Tian wanted to use his fake identity, but he changed his mind after remembering that Go Luo Di was from Moon Sword Martial Arts school.

His master always told him to treat everyone from Moon Sword Martial Arts school as his friends. That was why Xiao Tian didn't lie to Go Luo Di.

"Xiao Tian?! Are you from the Xiao family in Shanghai?" because there were many Xiao families, Go Luo Di wanted to know about Xiao Tian's family.

"Yes." Xiao Tian gave an honest answer. "I'm indeed from that Xiao family, but they have abandoned me since I was little."

"Abandon you?! Are you Mrs. Ye Xueyin's son?" Even though Go Luo Di had never met Xiao Tian or Ye Xueyin before, but he had heard about them in the past.

"How do you know my mother's name?" Xiao Tian asked in surprise, "Do you know something about my family?"

"I have never met your parents before, but I have heard about them in the past." Go Luo Di gave an honest answer.

"Tell me about them!" Xiao Tian wanted to know about his predecessor's past life since he took over his predecessor's body.

Until now, Xiao Tian could only remember a few of his predecessor's memories. And he finally knew one of the reasons why he could not remember all of his predecessor's memories.

It was because his predecessor had a car accident when he was a child, causing him to forget some of his memories.

And his predecessor also did not want to remember his childhood life because his childhood life was a nightmare to him.

"Sorry. I didn't know anything except that your father was kind person and also a genius in business." Go Luo Di replied, "I think you should ask your mother about this."

Xiao Tian could only sigh. Of course, Xiao Tian had tried to ask his mother about this, but she didn't want to answer any of his questions.

He once forced his mother to tell everything, but his mother instantly cried. That was why Xiao Tian never forced her to tell everything anymore because he suspected that her past life was a nightmare to her.

'Sigh. I thought I could learn about my predecessor's past life today.'

Xiao Tian could only sigh.

"Oh right, who is your master?" Go Luo Di inquired.

Like how he responded when Lian Xun asked the same question, he also gave the same answer. He also told Go Luo Di that his master was no longer in this world.

Like Lian Xun, Go Luo Di misunderstood his words and thought that his master had passed away. Then Xiao Tian asked him about the Moon Sword Martial Arts school.

He asked Go Luo Di many things like how he survived the massacre, how many people survived besides him, and many other questions.

Go Luo Di said he was in Beijing when an unknown group of martial artists suddenly massacred the Moon Sword Martial Arts school.

Go Luo Di had also tried to find anyone from the Moon Sword Martial Arts school until now but to no avail.

For this reason, he was pleased when he knew that Xiao Tian was a disciple of the Moon Sword Martial Arts school.

He was even happier when he knew that Xiao Tian had a junior brother. Go Luo Di asked a few questions about Ren Aoxu.

"It's really fate." Go Luo Di uttered, "It seems like God has plan everything beforehand."

Xiao Tian didn't get Go Luo Di's words. "What do you mean by that?"

Go Luo Di began to explain the reason why he said something like that, "In the last few years, I have been investigating about that unknown group of martial artists or why they destroyed our martial arts school."

Go Luo Di then continued, "Lately, I found something unexpected. Something that I have never thought of before."

"And what is it?" Xiao Tian asked curiously.

Chapter 919 - Shocking Information!

8-9 minutes

"And what is it?" Xiao Tian asked curiously.

Xiao Tian was curious about what Go Luo Di found in his investigation because he also wanted to know about the Moon Sword Martial Arts school in his current life.

Sure, he was from a different world, but still, he was a disciple of the Moon Sword Martial arts school, and his master always told him to regard his fellow disciples as his brothers or sisters.

His master always reminded him that wherever he was, never cause trouble to his fellow disciples and always help them if they were in trouble.

He always respected his master and remembered his words because his master was one of the few people who was always there for him and helped him whenever he had a problem.

That was why Xiao Tian helped Ren Aoxu and went to Fuku city several days ago.

Go Luo Di looked at Xiao Tian carefully and spoke, "I'm seventy percent sure the reason why our martial arts school was destroyed is related to your Xiao family."

The expression of deep shock blossomed on Xiao Tian's face.

"What?!" Xiao Tian said in surprise. "How can you be so sure about this?"

"First, our martial arts school was destroyed right after you got a car incident." Go Luo Di responded instantly, "Second, the survivor I managed to find said something to me before he died. He said our martial arts school chose the wrong decision. And lastly, I got information that your father met the grandmaster of our martial arts school several times before you got the car incident."

A few months ago, Go Luo Di managed to find one survivor from the Moon Sword Martial Arts school, but he died two days after they met because he had serious injuries from fighting that unknown group of martial artists.

From the information he got, he suspected that the disaster that happened to the Moon Sword Martial Arts school was related to the Xiao family.

"Why don't you ask your father about this later?" Go Luo Di had no idea that Xiao Tian's father had never visited him since that car incident several years ago. "I'm sure he knows the answer. Or maybe, he even knows everything."

He was too busy investigating that unknown group of martial artists, so he did not know some of the latest news.

"He hasn't visited me since the car incident a few years ago." Xiao Tian gave an honest answer. "I even forget what he looks like now."

Actually, Xiao Tian also wanted to meet his current life father because he had many things that he wanted to know.

His mother, the only one in his family who knew everything, did not want to reveal what had happened to them a few years ago, so his other option was to ask his father about it.

However, his father never visited him even once, and he also had no idea who his father was.

"I see." Go Luo Di did not ask about his family anymore because he knew that Xiao Tian also had a difficult time because of his family. "So you also can't meet him, huh?"

Go Luo Di had tried to meet Xiao Tian's father, but his efforts were in vain until now. And Xiao Tian's father also never appeared in public anymore after that car incident a few years ago.

Actually, Go Luo Di was pleased after meeting Xiao Tian because Xiao Tian was from the Xiao family.

He thought he would get information about what had happened to his martial arts school several years ago, but now that hope had disappeared without a trace.

Since Xiao Tian could not meet his father and his mother did not want to reveal everything, Go Luo Di had to investigate everything alone again.

They talked for about an hour before finally, they went home.

Before going home, Go Luo Di said that Xiao Tian could meet him if Xiao Tian had a question about martial arts because he was one of the instructors of the Moon Sword Martial Art school.

'Is it true that the destruction of the Moon Sword Martial Arts school is related to my Xiao family?'

Currently, Xiao Tian was lying down on the bed in his room. After arriving at the hotel, he immediately relaxed in his bedroom.

'Sigh. This is a piece of shocking information! I didn't expect to get this information.'

Xiao Tian suddenly hoped that the information was false because he was afraid that his fellow disciples would blame him later.

'Forget it! Let's think about a woman! Thinking about a woman, I suddenly want to call my girlfriend.'

With that idea in mind, Xiao Tian decided to call Lin Xin Xue. Previously, he had called Yun Xin Er, Shi Fei, Liu Ning, Ye Qingyu, and Ye Xueyin, so it was time to call Lin Xing Xue.

Lin Xing Xue, who was in her room, was thrilled when she found out that Xiao Tian was calling her.
"Hello, Tian?"

"Little Xue, I miss you so much." Xiao Tian was telling the truth.

If Shanghai and Beijing were close, he would have come to see her by now.

"Me too. I miss you too." Lin Xing Xue replied, "When will you return to Shanghai?"

"If nothing changes, I will return to Shanghai tomorrow afternoon." Xiao Tian and the others had agreed that they would return to Shanghai tomorrow afternoon if nothing changed.

Yi Yuan had refused to treat Yu Shi's injuries, so there was no point for them to stay in Beijing anymore.

"So fast!" previously, Lin Xing Xue thought Xiao Tian and the others would stay in Beijing for at least four days.

Of course, she was delighted by this because with this, she would be able to meet him and lovey-dovey with him later.

"Because I want to lovey-dovey with you." Xiao Tian used his sweet words. "After not seeing you for two days, it makes every piece of me aches for you. I think I'm going crazy from missing you now."

"Hehe." Lin Xin Xue giggled, "If you really miss me, why didn't you return to Shanghai now? If you return now, I will do whatever you want later."

"Really?" Xiao Tian replied in a cheerful voice.

"Yes." at this moment, Lin Xing Xue was sure that Xiao Tian was thinking about dirty things.

"Alright, I will return to Shanghai now. Little Xue, where are you? Your lover has returned home." Xiao Tian pretended as if he was already home.

Lin Xing Xue didn't expect him to say that. Because Xiao Tian wanted to play like that, she decided to play along. "I'm in my room. Come here. The door is not locked."

"I'm coming...." Xiao Tian pretended as if he was heading to her room. "Wow! Little Xue, you look so sexy."

"Do you like what you see?" Lin Xing Xue pretended as if she was wearing sexy clothes and lying down on the bed. "Come here, my pervert lover."

"Let's stop this. It makes me want to see you even more now." Xiao Tian really wanted to meet her after their conversation just now. "Why didn't any of you want to come with me to Beijing? It made me sad, you know?"

Before traveling to Beijing, Xiao Tian asked his women whether they wanted to go to Beijing with him or not.

But all of them refused, saying that they were busy with their jobs. If one of his women were with him, he would not be so lonely like that.

"We are busy." Lin Xing Xue replied. "That was why we decided not to go with you."

"All of you are so cruel." Xiao Tian said in sad words.

"We will spoil you after you return to Shanghai later." of course, Lin Xing Xue knew his feelings because he was sad when they decided not to go to Beijing with him.

"I love that idea!" Xiao Tian spoke happily.

Under the bright moon, an old man was walking on the road. His old hands were on his back, and soft sighs kept coming out of his mouth.

On a quiet street, the old man kept walking slowly as if he wanted to enjoy the night. However, the old man suddenly felt something.

Go Luo Di turned around and spoke, "Who are you? Wh-"

Before Go Luo Di could finish his words, his neck was sliced by a sharp dagger. He fell to the ground, dead.

"Don't leave a single trace!" A man dressed in black spoke abruptly.

"Understood." His two subordinates replied in unison.

Chapter 920 - Who Dares To Slander My Family Hospital?

7-9 minutes

"Yuji Hospital is trash! They kicked out their patients!"

"Yes, that hospital is trash!"

"You are right. Not only did they not keep their word after promising to treat that patient's injuries, they even kicked that patient before fulfilling their promise."

"I didn't expect their behavior to be like that! Trash hospital!"

"I'm feeling sorry for that old woman."

"Not only did they not respect their elder, they even lied to her. That hospital is indeed trash!"

"All of you are right. Last month, one of the doctors also yelled at my grandmother when we were at that trash hospital."

"What?! Really?"

"Why did that doctor yell at your grandmother?"

"My grandmother is already old, so her hearing is not good anymore. That asshole doctor was furious and yelled at my grandmother because he had to repeated his words many times."

"That doctor is an asshole! As a doctor, he is not allowed to act like that."

"You are right. He should already know that the hearing of older people is no longer good. They should treat them patiently, not yelling and getting angry like that!"

"You are right. Maybe they forget that they will also get older in the future."

"I really want to punch that doctor now! I'm furious, I'm enraged right now."

"I also had bad memory at that trash hospital. My mother accidentally bumped into one of the nurses and fell to the floor two weeks ago. Not only did the nurse not help my mother up, she even yelled at my mother, saying that my mother should use her eyes if she walked."

"Damn! That hospital is indeed filled with trash people!"

"I wonder, why did the hospital hire trash people?"

"Because it's a trash hospital."

"That makes sense. Trash hired trash!"

"Let's attack their official website now."

"All right. Let's make that trash hospital go bankrupt."

Soon the official website of Yuji Hospital was filled with hate comments. All of them spoke ill of Yuji Hospital and its employees.

Some of them even said that the government had to close Yuji Hospital because they didn't need trash hospital, a hospital that treated their patients poorly.

At this moment, someone smirked when that person read the hate comments on the official website of Yuji Hospital. "I only add a little fuel to the fire and the result is amazing."

Inside a big and luxurious living room, two young women were sitting on the couch. One of them had the appearance of an angel, while the other had big boobs.

Both of them laughed happily as they watched a martial arts movie. From their laughter, anyone could tell that they were enjoying themselves.

"Wenxin, I heard you fought with Xiao Tian again today." Qing Xiulan spoke abruptly.

Of course, she knew about it because the Qing family had many eyes in Beijing. She even knew the reason why Yi Wenxin fought with Xiao Tian today.

"That's right." Yi Wenxin gave an honest answer.

Qing Xiulan let out a soft sigh before speaking again, "You should stop fighting with him. Wouldn't it be better to have more friends than enemies?"

"Hmf!" Yi Wenxin grimaced. "He and I are enemies and can't be friends forever! I hate him to the bone so there is no way I will ever be friends with him."

Qing Xiulan sighed again after hearing Yi Wenxin's words. "You know his real identity, right?"

"I know." Yi Wenxin knew Xiao Tian's identity last month when Qing Xiulan told her about it. "I know he is from the Xiao family, but the Xiao family has abandoned him. To me, he is only an abandoned son, so there is nothing to be afraid of."

At this moment, one of Qing Xiulan's bodyguards walked towards her before whispering something.

After hearing it, Qing Xiulan returned her attention to Yi Wenxin and spoke, "Wenxin, something bad happened to your family hospital."

"What?" Yi Wenxin said in surprise. "What's going on with my family hospital?"

"Check your hospital's official website." Qing Xiulan replied.

Yi Wenxin instantly grabbed her smartphone and checked the official website of Yuji Hospital. She gritted her teeth, and her eyes were filled with flames of fury after reading the comments.

"Who dares to slander my family hospital?" Yi Wenxin could not control the anger within her.

Anger flooded her veins, and she really wanted to torture the person who slandered her family hospital.

Qing Xiulan rose to her feet and uttered, "Let's go to your home now."

"All right." Yi Wenxin responded.

Then they traveled to Yi Wenxin's house.

Under the bright lamp, three people were sitting on the couch; two men and one woman.

The woman was holding a smartphone in her left hand while clenching her other hand. Rage flowed through the woman like lava, and fury roared through her mind.

She was enraged because someone dared to cause trouble to her family.

As for the two men, their faces darkened. Even though they were also furious, they kept pressing their anger.

All of them did not expect that something bad would happen to their family, or more precisely, to their family hospital.

"Father, we have to investigate this quickly or else, the government will close our hospital later." Yi Sunu, Yi Wenxin's mother, spoke abruptly.

"I have informed my right hand to find the mastermind." Yi Yuan instantly informed his right hand after learning someone was causing trouble for his family hospital.

"Father, should we ask the Qing family for help?" Ku Wude, Yi Wenxin's father, uttered,

"We should try to solve the problem ourselves first." The Qing family had helped them many times, so Yi Yuan didn't want to ask for their help immediately.

Of course, they would come to the Qing family if they could not handle the problem, but they had to try to solve the problem first.

As they were talking seriously, the sound of someone slamming the door open echoed in the room.

"Father, mother, grandfather, we have a problem!" Yi Wenxin shouted loudly.

Yi Wenxin and the others instantly headed to the family room.

After stepping into the family room and seeing her family, Yi Wenxin spoke again, "Mother, father, grandfather, someone sla-

However, before Yi Wenxin had finished her words, Yi Yuan interrupted her. "We already know."

"Xiulan, you also came?" Yi Sunu was startled when she saw Qing Xiulan and two of her bodyguards.

"Hello, aunty, uncle, grandfather Yi." Qing Xiulan greeted Yi Wenxin's family.

"Come here, sit next to me." Yi Sunu made Qing Xiulan sit on her right side.

As usual, Qing Xiulan's bodyguards stood behind her instantly. Yi Sunu did not mind it because she was used to it.

After sitting on the couch, Yi Wenxin looked at her grandfather. "Grandfather, have you found the mastermind behind this?"

"No." Yi Yuan replied as he shook his old head. "My right hand is still trying to find the mastermind right now."

"Grandpa, I think I know who the mastermind is." Yi Wenxin thought of the one person she thought was the mastermind of the trouble that had occurred at her family hospital.

"Who is it?" Yi Yuan asked curiously.

At this moment, everyone was paying attention to Yi Wenxin because they wanted to know her answer.

Yi Wenxin replied instantly. "I'm ninety-nine percent sure that the mastermind behind all of this is..."
