Chapter 931 - What Is It?

After Xiao Tian and Shi Fei got into the car, Xiao Tian instantly took off his jeans. At first, he wanted to have sex in the parking lot, but he changed his mind after seeing a few parking attendants.

Even though Xiao Tian didn't say directly what he wanted, Shi Fei knew what he had in mind when she saw Xiao Tian taking off his jeans.

She wasted no time and instantly licked and sucked Xiao Tian's cock again.

*Slurp...Slurp...Slurp...

The sound of her sucking Xiao Tian's penis echoed in the car.

Even though Shi Fei was giving him a blowjob, Xiao Tian was still driving his car. Of course, he was driving his car slowly because he wanted to minimize the chances of them having an accident.

*Pitter-patter...Pitter-patter...

Suddenly it rained heavily.

When Xiao Tian saw a quiet stopping area, his eyes shone with joy. It was pouring, and there were no people or cars around, so in his view, it was an excellent place to have sex with his sexy lover.

Shi Fei was startled when Xiao Tian suddenly stopped the car. Because she was busy sucking and licking Xiao Tian's cock earlier, she had no idea that Xiao Tian had found a good place to park his car.

After skimming her surroundings, Shi Fei knew it was an excellent place to have sex. She wasted no time and instantly took off her trousers.

She did not remove her T-shirt because she wanted to immediately put Xiao Tian's penis into her wet vagina.

Currently, Shi Fei was sitting on Xiao Tian's lap, facing him. Her lustful eyes were locked on his handsome face, and her little mouth was open slightly.

She stroked Xiao Tian's cock with her right hand and showed her lewd face as if she wanted to make him feel even more aroused.

And what she did was not in vain because Xiao Tian was indeed getting more and more aroused.

'I really want this huge cock.'

Shi Fei then placed Xiao Tian's penis at her vagina entrance.

"Mmmmm...." Shi Fei tilted her head back and half-closed her eyes when Xiao Tian's huge penis slowly entered her wet vagina. "Ah...."

After Xiao Tian's shaft had wholly entered her pussy, Shi Fei did not move her waist up and down immediately; instead, she brought her face closer towards his until the distance between their lips were so close.

Like before, Xiao Tian and Shi Fei were looking at each other in the eyes. The flames of lust within them grew even bigger when they could feel each other's hot breath.

They wasted no time and instantly kissed hungrily. Unlike usual, the way they moved their tongues was much wilder this time.

They kissed hungrily as if it would be their last deep kiss. The quiet place and the sound of raindrops hitting the rooftop of the car made Xiao Tian and Shi Fei even wilder.

It was as if his car was their own world, and they were separated from the outside world. As they were having a hot kiss, Xiao Tian wrapped his arms around Shi Fei's slender waist.

He didn't move her body up and down and only enjoyed the sensation of her little mouth.

Shi Fei's eyes widened for a second when she felt something.

'Ah. Little brother's cock is getting bigger again.'

Because Xiao Tian's penis was in her wet vagina, Shi Fei could feel it.

At this moment, she had no idea that she was the reason why Xiao Tian's penis was getting bigger. Yes, it was because her vagina muscles were squeezing his penis wildly.

"Huft..." After having a deep kiss with Xiao Tian for several seconds, Shi Fei broke the kiss.

She instantly placed her hands on Xiao Tian's shoulders before bouncing her body.

"Ahh...Ah...Ah..." Shi Fei wailed in delight when Xiao Tian's cock was spreading her vagina.

Because it was pouring, Shi Fei could moan as many as she wanted. Of course, she also controlled her wail because she did not want other people to know what she was doing with Xiao Tian in the car.

The car began to shake as Shi Fei bounced her sexy body on Xiao Tian's erect cock. Her face turned even lewder when Xiao Tian's penis hit her womb.

"Fei, your pussy is so delicious!" Xiao Tian helped Shi Fei bounced on his cock. "I love your pussy so much."

Shi Fei was thrilled after hearing his remarks, and as a result, she bounced her sexy body faster and faster.

Her heart always leaped up for joy every time Xiao Tian stated he loved having sex with her, or he loved her slutty pussy.

She was his lover and desired to live together with him forever, so his words meant a lot to her.

*Slick...Slick...Slick...

Shi Fei's love juices dripped down her thighs.

Some of her love juice even fell onto Xiao Tian's penis. Of course, none of them showed the slightest care about it because that meant both of them enjoyed the sex so much.

"Ah...Ah...Ah..." like before, Xiao Tian's car was filled with Shi Fei's lovely wails.

If it was not pouring outside, there was a possibility that other people could hear her cry because her moans were getting louder and louder.

At this moment, Xiao Tian didn't stop her because they were alone in the rest stop area, so he was sure that no one would know what they were doing in the car.

After bouncing her body for several minutes, Shi Fei stopped. "Huft...Huft...Huft..."

She was a little tired, so she leaned her back against the steering wheel. Luckily the engine was off, or else the car horn would have sounded.

"Huft...huft...Huft..." when Shi Fei noticed Xiao Tian staring at her breasts, she instantly grabbed the hem of her T-shirt and lifted it. "Come here and lick my breasts, little brother."

Shi Fei was wearing front closure bras, so it was easy for her to take off her bras. After throwing her bras to the passenger seat, Shi Fei pointed her breasts at Xiao Tian. "Here, lick and suck your favorite breasts."

Xiao Tian wasted no time and instantly licked Shi Fei's right breast. As he was playing with Shi Fei's right nipple, Xiao Tian squeezed her left breast gently.

"Hmmm..." Shi Fei half-closed her eyes and bit her right index finger.

She loved it when Xiao Tian was licking her breasts while his cock was still in her pussy because, with this, the pleasure she felt was double.

"Ahhhh..." Shi Fei cried out in pleasure when Xiao Tian suddenly bit her right nipple.

At that moment, Shi Fei unconsciously squeezed her vagina muscles tightly for a second. Her unconscious actions even almost made Xiao Tian have an orgasm.

'So tight!'

Xiao Tian felt as if Shi Fei's vagina had turned into an octopus who was squeezing his penis hard and wanting to suck his sperm dry.

At this moment, he wavered whether he should keep sucking Shi Fei's nipples or continue fucking her pussy.

"Little brother, my other breast also wants you to lick it." Shi Fei spoke before wailing.

Xiao Tian did what she wanted and immediately licked Shi Fei's other nipple.

Because Xiao Tian's cock was still in her pussy, the pleasure she felt was greater every second. She even suddenly wanted to continue feeling that pleasure forever.

After playing with Shi Fei's breasts for more than a minute, Xiao Tian could no longer hold back the lust within him.

He then placed his hands on Shi Fei's waist, ready to bounce her body.

Chapter 932 - I Won't Leave You. Ever!

6-7 minutes

The dark clouds covered the moon, and summer wind swayed the trees.

Countless raindrops fell on the rooftop of the car, creating loud noises.

Two young people were having a hot moment in the car; a young man and a young woman.

The young man was sitting in the driver seat with his jeans on his feet. His black eyes were filled with flames of lust, and both of his hands were on the young woman's hip.

In front of him, a sexy naked lady was bouncing her body repeatedly. Like the young man, the young woman also wore a lustful expression.

Every time she bounced her body, a lovely cry escaped from her little mouth. These two young people were none other than Xiao Tian and Shi Fei.

After playing with Shi Fei's beautiful breasts for several minutes, Xiao Tian decided to continue having sex with her because he was still not satisfied.

Of course, Shi Fei welcomed it happily because she also desired it. She even bounced her body fast, causing Xiao Tian's cock to hit her womb repeatedly.

If it were not raining heavily, the sound of Xiao Tian's huge cock spreading Shi Fei's wet pussy or the sound of her beautiful cries would have filled the car.

"Ahh...Ah...Ah..." Shi Fei's expression was getting lewder, and her saliva was also dripping down from the corner of her lips.

She felt as if she was doused with pleasure every time the tip of Xiao Tian's cock hit her womb.

It was one of the most sensitive parts of a woman's body, so no matter how many times she experienced it, the result was always the same; she was always drowning in pleasure.

"Ah...Ah...Ah..." Shi Fei kept wailing in delight as if she was singing with her moans. "Little brother, I'm cumming...."

Shi Fei pulled Xiao Tian's head towards her chest when she was having an orgasm.

'Ahhhhh...'

Because they were having sex in the car, Xiao Tian's lower body was wet from Shi Fei's nectar.

"Ahhh.... I just had an orgasm." Shi Fei spoke with a satisfied smile on her face.

"Hehe. You even made my lower body wet with your nectar." Of course, Xiao Tian did not mind it; instead, he was delighted because he could make her lover have an orgasm like usual.

Xiao Tian then adjusted his seat, putting the seat all the way down.

"Hehe." Shi Fei giggled cutely before kissing Xiao Tian passionately.

As usual, Xiao Tian welcomed the kiss happily. At first, Xiao Tian only wrapped his arms around Shi Fei's waist.

But when Shi Fei's vagina muscles suddenly squeezed his cock again, his hands moved from her waist to her butt.

"HmMMM..." Shi Fei moaned when Xiao Tian suddenly moved her hip up and down.

Sure, her body was still sensitive and in a weak state, but she let Xiao Tian do whatever he wanted because she knew that he still had not had an orgasm.

Like before, Shi Fei could not continue kissing him when Xiao Tian's huge penis was pleasuring her wet vagina again.

"Ah...Ah...Ah..." Shi Fei's little mouth opened, letting out multiple moans.

At this moment, the distance between their faces was very close. Shi Fei cried out right in front of his face on purpose because she knew it could make him hornier.

And her method was right because the flames of lust within him grew drastically. Seeing her lewd face up close and hearing multiples seductive moans from her little mouth left Xiao Tian stunned.

For this reason, Xiao Tian suddenly stopped moving Shi Fei's hip and only stared at her lewd face.

His actions much surprised Shi Fei. She thought Xiao Tian would not stop fucking her wet pussy until he had an orgasm, but she was wrong.

When Shi Fei saw the expression on Xiao Tian's face, she finally knew the reason.

"Hehe." Shi Fei giggled cutely before giving a peck on Xiao Tian's lips.

A soft smile spread across his face when Xiao Tian saw her cute giggle.

'I really can't live without her if it's continue like this.'

Shi Fei looked so cute in Xiao Tian's eyes.

Even though the flames of lust could still be seen in her green eyes, her cute giggle made her look like an innocent teenager.

"Mmmuuchh." Shi Fei kissed Xiao Tian's lips again before moving her waist up and down.

She knew that Xiao Tian desired to have an orgasm, so she tried her best to satisfy him with her wet vagina.

"Ahh...Ah...Ah..." like before, Shi Fei wailed right in front of Xiao Tian's face.

If previously, Xiao Tian moved her body up and down, this time, he only wrapped his arms around Shi Fei's waist while looking at her lewd face and hearing her seductive moans.

Because Shi Fei wanted to make Xiao Tian have an orgasm as quickly as possible, she tightened her pussy.

And what she did was right because not long after that, Xiao Tian finally reached his limit.

"Fei, I'm cumming...." As usual, Xiao Tian let out his white sperm deep inside Shi Fei's vagina.

"Ahhh..." Shi Fei could feel Xiao Tian's sperm in her pussy.

She was thrilled because she finally could make Xiao Tian have an orgasm.

At this moment, Xiao Tian was still wrapping his arms around Shi Fei's waist, and he showed no sign of stopping.

It felt amazing to embrace her sexy body after letting out his sperm deep in her pussy. That was why Xiao Tian kept hugging her.

"Hehe." Shi Fei kissed Xiao Tian's lips again. "I love you, little brother."

Xiao Tian embraced her tighter before answering, "It seems like I can no longer live without you now. You are so perfect in my eyes."

"Then, don't ever leave me in the future." Happiness glowed within her after hearing his remarks.

"I won't leave you. Ever!" Sure, Shi Fei was a naughty lady, but he still loved her.

His love for her even grew bigger every single day, to the point it almost made him find it hard to believe it.

'Thank you for giving her to me, God.'

Chapter 933 - Forget It!

7-9 minutes

The summer rain was wetting the road, and dozens of pebbles were swept away by the cold wind.

Two young people were embracing each other in the car.

The young man was lying on the driver's seat with a sexy lady in his arms. Happiness blossomed in the young man's heart when he saw the young woman's face.

As for the young woman, she continued to lie prone on top of the young man's body with her eyes closed.

Like the young man, a soft smile could be seen on her face as if she wanted to show the whole world that she was feeling secure and comfortable in her lover's embrace.

If anyone saw them, they would think that these young people were an innocent couple who was enjoying themselves or cuddling in the car.

But if they looked closely, they would be surprised and widen their eyes because the young woman was naked while the young man was half-naked.

Yes. The young man was hugging his naked sexy lover in his car!

But the most shocking thing was that the young man's huge penis was in the young woman's pussy.

Sure, their bodies were not full of sweat, but anyone could tell right away what these two young people were doing in the car earlier.

The answer was only one word, and all adult people knew what it was.

Sex!

Anyone who saw these two young people would immediately know that these young people had just had sex in the car because the evidence could be seen clearly.

The young man's penis was still in the young woman's wet vagina!

Yes. The young man's cock was still in the young woman's pussy as if he was putting his penis in its place.

Not only did they have sex in the car, the young man even let out his sperm inside the young woman's vagina because some of his sperm was coming out of the young woman's wet pussy.

But instead of feeling afraid and worried, the young woman kept resting in her lover's arms with a smile on her face as if she was delighted that her lover marked her pussy with his sperm.

These two young people were none other than Shi Fei and Xiao Tian. Previously, Xiao Tian stopped his car in the rest stop area because the flames of lust had consumed his body.

Because it was raining heavily and there was no one around them, Xiao Tian and Shi Fei, who were already horny, decided to have sex in the car.

They had sex in the car for about an hour before finally, they stopped. And because it was still pouring, Shi Fei decided to rest in her lover's arms.

Of course, Xiao Tian welcomed it happily because it felt good hugging his lover after having sex.

Not only did it feel great to hug her sexy body, but Xiao Tian was also able to feel the warmth of her body because she was still naked.

*Kiss...

Xiao Tian kissed Shi Fei's forehead before caressing her hair gently. His kiss was full of love.

Happiness shimmered inside her, and her heart was singing a joy song after Xiao Tian kissed her. Sure, Xiao Tian had kissed her many times, but she could feel that his kiss just now was special.

'I'm so happy today!'

The way Xiao Tian treated her at that moment gave her a sign that he really loved her. As Shi Fei was drowning in happiness, she suddenly opened her beautiful green eyes.

'Hmmm? This is...'

Shi Fei instantly cupped Xiao Tian's face.

"Hehe. Little brother, your cock is erect again. Do you want to go for another round?" Because Xiao Tian's penis was still in her pussy, Shi Fei could feel it when his cock was slowly erect.

"No. I just want to continue embracing you." Shi Fei's vagina muscles were squeezing his penis, so in his view, it was normal for his cock to erect again because he was a healthy young man.

However, he has no intention of continuing to have sex with her. All he wanted was to embrace her and enjoy the warmth of her body.

"Mmmucchhh." Shi Fei kissed Xiao Tian's lips before resting her head on his chest again.

Like before, Xiao Tian caressed her hair gently.

*Plung....

After cuddling for several minutes, Xiao Tian's cock suddenly came out of Shi Fei's pussy.

But Xiao Tian had no intention of putting his penis into her vagina again and only kept embracing her as if what he only cared about was hugging his sexy lover.

Time went by quickly, and without realizing it, it had been forty minutes since they stopped having sex.

'It's already 10:20 pm. We should go home now.'

With that idea in mind, Xiao Tian wanted to wake up Shi Fei.

"Fei, wake up. Let's go home." Xiao Tian spoke in a soft voice.

"All right." After rubbing her eyes, Shi Fei instantly sat on the passenger seat.

Xiao Tian smiled softly when Shi Fei only sat on the passenger seat without putting on her clothes.

'It seems like she is still sleepy.'

Because Shi Fei closed her eyes again after sitting on the passenger seat, Xiao Tian knew that she was still sleepy.

Xiao Tian took some tissues before cleaning his cock and the driver's seat. After putting on his clothes, Xiao Tian looked at Shi Fei. "Fei, put on your clothes first. You can sleep again later."

Xiao Tian did not want other people to see her naked body, so he told her to wear her clothes.

"All right." Shi Fei instantly took her T-shirt and put it on. "I've put my clothes on."

Actually, Shi Fei realized that she still had not put her trousers on, but she was too sleepy to wear them.

Like before, Xiao Tian could only smile.

'Well, I think this is fine.'

Because her T-shirt was long and the glove compartment car also blocked the view of her lower body, Xiao Tian did not force her to put on her trousers.

*Click...

After putting on the seat belt on Shi Fei's body, Xiao Tian started the engine. He was driving at a normal speed so he would not wake Shi Fei up later.

He kept checking on Shi Fei because he did not want something bad to happen to her.

Sure, he did not have anyone to talk to, but he was fine with it because seeing Shi Fei's sleeping face was enough.

After driving for more than an hour, they finally arrived home. At this moment, Shi Fei was still sleeping.

'She looks tired. Did I go too far earlier?'

Xiao Tian's gaze fell on Shi Fei's thighs.

At first, Xiao Tian wanted to carry her right away, but he sighed helplessly when he saw Shi Fei's half-naked body.

"Fei, we have arrived home." Xiao Tian touched Shi Fei's shoulders and said in a gentle voice.

Shi Fei opened her eyes and looked at Xiao Tian. "Little brother, carry me. I'm still sleepy."

"Put on your trousers first." Xiao Tian replied, "I will carry you later."

But instead of putting on her trousers, Shi Fei slept again.

Xiao Tian could only sigh.

'This sexy lady is really something! Did she not care if someone saw her body later?'

Of course, there was no one in except him, but in his view, she was too careless.

'It's already 11:45 pm. I'm sure everyone is sleeping right now.'

Because Shi Fei slept again, Xiao Tian tried to put her trousers on her body.

'This is really difficult!'

Because they were in the car and Shi Fei was sleeping, it was hard to put her trousers on her body.

'Sigh. Are you punishing me right now?'

Xiao Tian pinched Shi Fei's cheeks gently.

He then got out of the car and walked towards the passenger seat. Like before, Xiao Tian tried to put her trousers on her body after opening the car door.

'Forget it!'

Because it was hard, Xiao Tian decided to give up.

Even though he knew that they were alone, Xiao Tian still skimmed his surroundings. After he was sure there was no one around them, he carried Shi Fei and entered the house.

At this moment, Shi Fei was still half-naked, but she was sleeping comfortably.

'I will punish her tomorrow.'

Xiao Tian then headed to his room.. To his surprise, he saw something unexpected when he stepped into his room.

Chapter 934 - Discussion

6-8 minutes

Xiao Tian entered his house while carrying his sexy lover. Like what he had guessed, everyone was sleeping.

'Well, it's almost midnight, so it's normal.'

Because Xiao Tian knew everyone was already sleeping, he immediately headed to his room.

At first, he wanted to put Shi Fei in her room, but he changed his mind after thinking for several seconds.

Because Shi Fei gave him trouble just now, so he decided to comfort himself using her body.

Yes. Xiao Tian wanted to sleep while hugging her.

He would use her body as a bolster pillow later.

A happy smile suddenly appeared on his face when he imagined sleeping while hugging his sexy lover.

"My sexy lover is sleeping soundly." Xiao Tian uttered, "No. Maybe I should start calling her my pervert lover from now on because she didn't want to put on her trousers and chose to continue sleeping."

Even though Xiao Tian was talking to himself, a happy smile never left his handsome face.

*Click...

The expression of deep shock blossomed on Xiao Tian's face after he opened his door.

'They are....'

But his surprised face instantly turned into a soft smile.

'I didn't expect them to sleep in my room.'

Xiao Tian was pleasantly surprised when he saw his women sleeping on his bed.

Because he bought a new bed this morning, all his women could sleep in his room now. It was a pity that they fell asleep before he returned home.

After changing his clothes, Xiao Tian slept with his women. Of course, he slept while embracing Shi Fei.

"Did they have sex last night?"

"It seems so."

"But we didn't hear anything last night."

"Yeah. We didn't hear any moan last night."

"But if they didn't have sex last night, why is she sleeping half-naked?"

"Did we sleep soundly to the point we didn't hear anything?"

"But it was impossible for us not to notice it if they had sex in this room last night."

"Or maybe they had sex in another room last night."

"Maybe."

Liu Ning, Ye Qingyu, Ye Xueyin and Lin Xing Xue were startled when they saw Xiao Tian sleeping next to them.

But what surprised them most was that Shi Fei was sleeping on top of him while still half-naked.

They knew that Xiao Tian and Shi Fei really loved sex, so they were curious whether Xiao Tian and Shi Fei had sex or not last night.

"Well, we can ask them later." Ye Xueyin would ask Shi Fei or Xiao Tian later because she really wanted to know about it.

Coincidentally, Shi Fei suddenly woke up.

"Good morning." Shi Fei was startled when she noticed Liu Ning and the others looking at her intently.

"Why are you looking at me like that?"

At this moment, Shi Fei forgot that she was still half-naked. Last night, she fell asleep when they were on their way home.

She didn't even remember how she got into Xiao Tian's room. But after knowing that she was on top of Xiao Tian's body, she was sure he brought her to his room last night.

"Fei, did you have sex with Tian last night?" Ye Xueyin asked curiously.

Like before, Shi Fei was shocked again.

'Why is she asking that question in the morning?'

Shi Fei didn't expect the first question after she woke up was whether she had sex with Xiao Tian last night or not.

But when she realized that she was half-naked, she finally understood everything. "Yeah. I had sex with little brother last night."

Ye Xueyin and the others were Xiao Tian's women, so there was no point in hiding it. Shi Fei was sure they would not get angry at her because it was normal for lovers to have sex.

Shi Fei was one of Xiao Tian's women, so she had the right to have sex with him.

"As I thought, she had sex with Tian last night." Ye Xueyin then shifted her gaze from Shi Fei to Xiao Tian.

"But why didn't we hear anything last night?" Liu Ning inquired,

"Because we did not have sex at home." Shi Fei gave an honest answer. "We had sex in the car last night."

"In the car?" Lin Xing Xue said in surprise.

"Yes." Shi Fei then began telling everything.

She told them that they had a motorbike date after buying a bed. But they changed the motorbike to a car before going to Star Hill because Xiao Tian didn't want Shi Fei to get cold.

She also told Ye Xueyin and the others what they did at Star Hill. One thing led to another, and they ended up having sex in the car.

After hearing everything, Ye Xueyin and the others nodded their heads.

"If you want, you can have sex with him later." at this moment, Shi Fei suddenly remembered something important. "Wait! How about this? Because this bed is big enough for all of us, how about, we have an orgy with him later?"

"I agree." Ye Xueyin answered instantly.

Ye Qingyu could only sigh after seeing her big sister's happy face. Actually, she knew that her big sister would agree instantly because Ye Xueyin was already addicted to having sex with Xiao Tian.

Ye Qingyu, Liu Ning and Lin Xing Xue exchanged a glance at each other.

"I think it's better to do everything step by step. And from my point of view, we should do foursome first before doing an orgy with him." Lin Xing Xue's voice was getting smaller and smaller when she said these words.

"I agree with her idea." Liu Ning uttered, "Sometimes we are also still awkward during a threesome with him. So, my suggestion is to change partners every time we have sex with him. With this, we won't feel awkward again later. After that, we can start thinking about an orgy."

What she said was true. When she had a threesome with Xiao Tian and Ye Qingyu, there was still a slightly awkward feeling between him and Ye Qingyu.

Of course, that awkward feeling didn't last long because Xiao Tian always managed to drown them in pleasure.

"So, who will have sex with him today?" Ye Xueyin inquired.

"I had sex with him last night, so I won't be participating today." It was not like Shi Fei did not want to have sex with Xiao Tian, but she had to think about his other women's feelings.

As a good lover, she had to let Xiao Tian have sex with his other women, or else Liu Ning and the others would think that she wanted to monopolize him later.

Ye Xueyin raised her right arm and replied, "I want to have sex with him today!"

Ye Qingyu looked at Lin Xing Xue and Liu Ning before speaking, "Both of you can have sex with him today. I will do it with him tomorrow."

"...Alright." Liu Ning and Lin Xing Xue replied in unison.

At this moment, Xiao Tian was still sleeping. Otherwise, he would be drowned in happiness and would choose to have an orgy with them.

Ye Qingyu shifted her gaze from Liu Ning to Shi Fei. "Fei, let's go to the kitchen and cook breakfast."

"All right." Shi Fei nodded her head.

After Shi Fei and Ye Qingyu left, Liu Ning inquired, "So should we have sex with him now?"

Chapter 935 - So, Whose Idea Is This?

5-7 minutes

After Shi Fei and Ye Qingyu left, Liu Ning inquired, "So, should we have sex with him now?"

"Yes. We should have sex with him now!" as usual, Ye Xueyin answered without thinking twice.

Liu Ning and Lin Xing Xue were already used to her behavior, so they acted normally after hearing her words.

"But what if Yu'er finds out later?" it was still very early, so Lin Xing Xue didn't want to wake her daughter up with her moans.

Sure, she believed that her daughter already knew she had had sex with Xiao Tian, but waking her daughter up with a wail was a big no for her.

"How about we have sex with him after Yu leaves for school?" Ye Xueyin voiced her opinion.

"It's a good idea." Liu Ning responded.

"Un." Like Liu Ning, Lin Xing Xue also agreed with Ye Xueyin's idea.

"Because it's still 05:15 am, let's sleep with him again." Because it was Shi Fei and her younger sister who cooked breakfast, Ye Xueyin wanted to sleep with Xiao Tian again.

"Un." Liu Ning and Lin Xing Xue nodded their heads.

"I will sleep on top of him and both of you can lie on either side of him." Ye Xueyin uttered, "You can hug his arms later."

And they did as Ye Xueyin suggested. Lin Xing Xue was lying down on Xiao Tian's left side while Liu Ning was on his other side.

As for Ye Xueyin, she immediately lay prone on top of Xiao Tian with a smile on her pretty face.

She really loved it when she could lie on top of his body because with this, she could feel the warmth of his body.

Even though it would be better if Xiao Tian embraced her, but Ye Xueyin was fine with it because she also had to think about Liu Ning and Lin Xing Xue's feelings.

At this moment, Xiao Tian finally opened his face. He was pleasantly surprised when he knew what was going on.

Because Liu Ning, Ye Xueyin, and Lin Xing Xue were closing their eyes, Xiao Tian decided to go back to sleep.

Time went by quickly, and without realizing it, it had been an hour since Liu Ning and the others slept again.

At this moment, Shi Fei entered his room because she wanted to inform them that breakfast was ready.

'Oh! They are sleeping?!'

Shi Fei thought Liu Ning and the others would do lewd things with Xiao Tian, but she was wrong.

After waking them up, they had breakfast together. Like what they had planned earlier, Liu Ning, Lin Xing Xue, and Ye Xueyin dragged Xiao Tian to his room after Feng Yu went to school.

"Eh! What is this?" Xiao Tian was startled when they suddenly dragged him to his room.

Because he was sleeping earlier, he did not hear their conversation. That was why he had no idea what was going on.

But what surprised him most was that Liu Ning and the others suddenly took off their clothes after stepping into his room.

Xiao Tian's surprised face instantly turned lewd.

'It seems like I'm going to have some fun with my woman before going to work.'

Because Xiao Tian knew they desired to have sex with him, he wasted no time and immediately removed his clothes.

With a big smile on his face, Xiao Tian spoke, "Let's make this morning one of the best mornings of our lives!"

Liu Ning and the others giggled cutely when they saw his happy face.

"You are indeed a pervert young man!" Liu Ning and the others spoke in unison.

"That's right." Xiao Tian did not deny it. "And this pervert young man will do some pervert things to all of you now."

And with that, his room was filled with moans for more than two hours.

"So, whose idea is this?" Xiao Tian inquired,

Currently, Xiao Tian and the others were lying on the bed, naked. Lin Xing Xue was on his right side, while Ye Xueyin was on his other side. As for Liu Ning, she was resting on top of him.

"It's our idea." Ye Xueyin gave an honest answer.

"I see." Even though Xiao Tian was startled, he did not show it on his face. "Does this mean, I will have sex with Fei and Qingyu later?"

"No." Ye Xueyin shook her head. "You can lovey-dovey with them but it's our turn today. You can only have sex with them tomorrow."

Xiao Tian looked at Lin Xing Xue to know if Ye Xueyin was lying or not. When he saw Lin Xing Xue nodding her head, he knew his mother was telling the truth.

'It's true that this idea is good but in my view, it's not the best idea. What if I suddenly want to have sex with Fei or my aunt later?'

At first, Xiao Tian wanted to protest, but he chose not to say anything when he remembered that they had decided everything earlier.

After spending time with his women for another thirty minutes, Xiao Tian took a bath and went to Eternal Beauty company.

He worked for about an hour before traveling to Star Clothes company. Like before, he only worked for an hour because he had to go to Lian Xun's house to get his special sword.

Red Flower Bar, Private Room.

"It seems like you are delighted now." Lan Ruoxi, who was sitting on the couch, spoke abruptly.

Of course, she knew the reason why Xiao Tian was thrilled because they would go to Lian Xun's house to get his special sword.

"Because I'm with an attractive lady right now." Xiao Tian, who was sitting on the opposite side of Lan Ruoxi, responded.

"Hmmm, really?" actually, Lan Ruoxi had guessed that Xiao Tian would say something like that because he was someone who always praised her and tried to be her lover.

"Yes." Xiao Tian replied without thinking twice.

"If so then how about we cancel our plans to go to elder Lian's house and go on a date instead?" Lan Ruoxi inquired.

Chapter 936 - I Changed My Mind

5-7 minutes

"If so then how about we cancel our plans to go to elder Lian's house and go on a date instead?" because Xiao Tian kept trying to seduce her, Lan Ruoxi decided to tease him. "We can go somewhere and lovey-dovey there later. I will even let you hug me and kiss me later. So, how is it?"

One of the things she liked the most when she was alone with Xiao Tian was teasing him because his answers always surprised her.

Yes. In her view, Xiao Tian was good at making excuses. Sometimes, he was overconfident and praised himself too highly, but most of the excuses had to do with women, or in other words, he always used his sweet words.

That was why she was always curious about his answer after teasing him.

Her words surprised him because it was the first time Lan Ruoxi asked him to go on a date with her.

Not only that, she even said she would let him hug and kiss her later. This made Xiao Tian touch his chin and think about it very carefully.

Sure, he would love to spend time and lovey-dovey with her, but at the same time, he desired to get his special sword as soon as possible.

'Which one should I choose at this time?'

Xiao Tian was thinking about the advantages and disadvantages.

"It seems like young master Xiao doesn't want to go on a date with me today." Lan Ruoxi pretended to be sad. "I thought I could spend time and lovey-dovey with you today, but it looks like my wish won't come true. This makes me sad."

Because Lan Ruoxi knew what Xiao Tian had in mind, she decided to continue teasing him.

'Hehe. I wonder. Which one will he choose now?'

Lan Ruoxi could not help but giggle in her head.

Xiao Tian shifted his gaze to Lan Ruoxi.

'Spending time with her will surely makes me happy but I want to get that special sword immediately because with this, I can protect the people I care about much better than before.'

It was a difficult choice, so Xiao Tian could not make up his mind quickly.

"So, which one do you choose, young master Xiao?" Lan Ruoxi asked curiously.

"I choose...." Xiao Tian spoke and paused for three seconds before he continued, "..sword."

Xiao Tian chose a sword because he could protect the people he cared about much better with a special sword in his hands.

Sure, going on a date with Lan Ruoxi would make him happy, but he believed that he could do that in the future.

Lan Ruoxi lived in Shanghai, and the distance between their houses was not too far either, so Xiao Tian did not change his mind.

If he wanted to go on a date with Lan Ruoxi, he could just go to Red Flower Bar. And he also needed a sword if he wanted to protect her because he was a swordsman.

"Oh, what a pity! If you chose to go on a date with me, I would reward you later." Lan Ruoxi uttered, "If you chose to spend time with me for a whole day, I would let you sleep with me tonight. It's a pity that you didn't choose me."

Of course, Lan Ruoxi was lying because she only wanted to tease Xiao Tian. Whatever happened, she wanted her lover to be stronger than her.

And if Xiao Tian wanted to be her boyfriend, he had to defeat her in a fight first, like what they had agreed on before.

Xiao Tian instantly grabbed Lan Ruoxi's right hand and spoke, "Then, what are we waiting for? Let's go on a date now!"

Xiao Tian instantly changed his mind after hearing the reward. It had been more than four months since he wanted to bed her, so Xiao Tian would not let the opportunity slip away.

Sure, Xiao Tian knew that Lan Ruoxi was teasing him, but there was still a chance he could sleep with her later.

Xiao Tian was someone who did not give up easily. As long as there was a chance to get what he wanted, he would do anything.

He did not care even if the chance was small because, in his view, it was better to try first than to give up immediately.

It was one of the things his father taught him in his previous life. His father said someone who gave up quickly would get nothing and become a loser in their life, and he did not want that.

"Hehehe." As usual, Lan Ruoxi covered her mouth with her right hand and giggled seductively. "It seems like you are more pervert now. You even instantly changed your mind after hearing the reward."

"Because I'm a pervert since I was born." Xiao Tian did not deny it. "Let's go on a date now."

"I changed my mind. I no longer want to go on a date with you because you chose the sword over me before." Lan Ruoxi made an excuse. "You hurt my feelings earlier and it won't heal easily."

Lan Ruoxi pretended to get hurt by Xiao Tian's previous words. She even wore a sad face as if Xiao Tian really hurt her feelings.

"Lady Lan, the reason why I chose sword over you is that I can't protect you without a sword in my hands." Xiao Tian told her the reason why he chose the sword over her earlier.

"Hmm? Really?" at this moment, Lan Ruoxi thought Xiao Tian was only making an excuse.

"Of course. Have I ever lied to you before?" Xiao Tian wanted to make sure Lan Ruoxi believed his words. "So, how about we go on a date after leaving Lian Xun's house? I promise, you won't regret it later."

"Sure." Lan Ruoxi replied, "But I want you to take me to a new place today."

"Don't worry. I know many romantic places." Xiao Tian often went on a date with his women, so he knew a lot of a good place for a date.

"Alright. Let's go to elder's Lian's house." Lan Ruoxi uttered.

"Un." Xiao Tian nodded his head.

Then Xiao Tian and Lan Ruoxo traveled to Lian Xun's house.

Chapter 937 - Sword

6-8 minutes

Under a big tree in the front yard of a small house, an old man was sitting on the ground with his back leaning against the trunk of the tree.

He was tilting his head back while closing his eyes. His white hair and clothes danced softly as the summer wind hit his old body.

Even though he was alone in the front yard of his small house, he was not lonely because the gentle sound of the summer wind hitting the trees and the beautiful sound of birds chirping were accompanying him.

That old man was none other than Lian Xun, Lan Ruoxi's martial arts master.

At this moment, he was still closing his eyes and enjoying himself. His mind became calm, and he also felt as if he had become one with nature.

This was the main reason why he bought a house in a rural area because the air in a rural was still fresh, and the scenery was also breathtaking.

'This is paradise.'

Lian Xun said in his head.

He slowly opened his eyes and turned his head when he felt two people walking closer towards him.

"Oh, you came?!" Lian Xun spoke when he saw Lan Ruoxi and Xiao Tian.

Of course, he knew that Xiao Tian and Lan Ruoxi would visit him because he had told Lan Ruoxi that Xiao Tian's sword was finished.

He just did not expect that Xiao Tian would only come to his house now because he gave information to Lan Ruoxi two days ago.

Because Lian Xun knew that Xiao Tian wanted that special sword so badly, he thought Xiao Tian would come to his house immediately, but he was wrong.

'Well, I'm sure it's because of woman again.'

Because Lian Xun knew that Xiao Tian was a playboy, he believed Xiao Tian did not come to his house immediately because of a woman.

For a playboy like Xiao Tian, only a woman could make him forget everything.

If Xiao Tian could read his mind, he would be surprised because what Lian Xun's guess was correct.

The reason why he did not come to Lian Xun's house immediately was that he busied spending time with his women and had sex with them.

Xiao Tian even almost canceled his plan to go to Lian Xun's house when Lan Ruoxi teased him and said she wanted to spend time with him for a whole day earlier.

If Lan Ruoxi did not change her mind, they would not be at Lian Xun's house now.

"Good morning, elder Lian." Xiao Tian wore a friendly face because Lan Ruoxi wanted him to get along with Lian Xun.

"Who are you? Are you that annoying young man's twin brother?" Lian Xun was shocked after seeing Xiao Tian's behavior.

'Is he possessed by something? Why is he behaving like this? Wait. Is he acting like this because he hit his head with something before coming to my house?'

Countless questions appeared in his head.

Lian Xun still found it hard to believe what he was seeing because they had an argument before Xiao Tian traveled to Beijing.

Xiao Tian pointed his right index finger at his face and replied, "It's me, Xiao Tian. It's only four days since the last time we met. How could you have forgotten me?"

'Damn! Is this old man doing this on purpose?'

Xiao Tian cursed venomously in his heart.

"I thought you were someone else because you didn't behave annoyingly like the last time we met." Xiao Tian behaved rudely the last time they met, so Lian Xun did not expect Xiao Tian to act nicely like that. "Well, you don't need to continue acting like this because I know you are not a good young man."

"Hehe." Lan Ruoxi covered her mouth and giggled cutely after seeing the behavior of Xiao Tian and her master.

However, she was pleased deep inside her.

'Thank you, young master Xiao.'

Lan Ruoxi knew the reason why Xiao Tian suddenly behaved friendly like that.

She suddenly felt glad that Xiao Tian decided to listen to her words and hoped they could get along well later because both Xiao Tian and Lian Xun were important to her.

Xiao Tian was unhappy with Lian Xun's words, but he did not show it on his face.

'This old man is as annoying as ever!'

If Lan Ruoxi did not tell him who Lian Xun was, Xiao Tian would not want to talk to Lian Xun.

Lan Ruoxi was his future lover and had helped him many times, so Xiao Tian tried his best to get along with Lian Xun.

'Calm down, calm down. Remember Xiao Tian. All of this is for the sake of your future lover. No, no. for the sake of your future wife.'

Xiao Tian tried his best to suppress his anger.

"Elder Lian, you said the sword for young master Xiao is ready. Can we see it now?" Lan Ruoxi was also curious about Xiao Tian's sword, so she wanted to see it.

Of course, she did not doubt her master's skills in making swords because one of the reasons why her master was famous in the past was that he was a skilled blacksmith.

Lian Xun shifted his gaze from Xiao Tian to Lan Ruoxi,

'Why is she curious about his sword? Did he ask her to do this?'

Lian Xun suddenly thought Xiao Tian asked Lan Ruoxi to do that before coming to his house.

Because it was his disciple's request, Lian Xun agreed instantly. "Wait here. I will take the sword now."

He then entered his house because he put Xiao Tian's sword in his home. Several seconds later, Lian Xun returned to the front yard with a black sword in his right hand.

"Take this." Lian Xun threw the sword at Xiao Tian.

Like before, Xiao Tian cursed in his heart after catching the sword.

Xiao Tian and Lan Ruoxi began inspecting the sword. The sword was made of special iron because Xiao Tian wanted to have a sword that could be shortened and extended.

'This sword is amazing! Hmm? Are these little buttons the controllers?'

Xiao Tian saw three small buttons on the quillon of the sword.

"This sword is amazing!" Lan Ruoxi stated.

Xiao Tian nodded his head.

"The circular button on the quillon of the sword is to lengthen the sword, and the rectangular button is to shorten the sword." Lian Xun explained the use of the small buttons. "For the triangle button, it acts as a lock, so the sword doesn't lengthen or shorten by itself later. In short, it's for safety."

Without waiting for another second, Xiao Tian tested the sword. First, he tried to shorten the sword before lengthening it again.

The length of the sword was 28 inches when he lengthened it, and it decreased to 8,6 inches when he shortened the sword.

After lengthening the sword again, he swung the sword a few times.

'This sword is perfect!'

The length and weight of the sword were perfect for Xiao Tian, so he liked the sword very much.

"How is it?" Lian Xun inquired.

"Perfect!" Xiao Tian replied.

"You can have the sword immediately but on one condition." Lian Xun stated.

"What is it?" Xiao Tian inquired.

Lian Xun responded, "I want...."

Chapter 938 - Whatever

7-8 minutes

"You can take that sword on one condition." There was something that Lian Xun suddenly wanted to get.

That was why he wanted Xiao Tian to get it for him because it was as payment for the special sword he made for Xiao Tian.

"What is it?" Xiao Tian was not surprised by Lian Xun's words because he had guessed something like this would happen.

Xiao Tian knew nothing was free in this world!

As long as the condition was reasonable and not excessive, Xiao Tian would accept it immediately. But if Lian Xun wanted something beyond his reach, Xiao Tian would refuse it.

Sure, he really liked that special sword, but he would not force himself to do something impossible because his life was also important.

Yes. He was not stupid enough to throw his life for a sword!

He did not want to die because it would make his women sad. He had not even made his predecessor's dream come true, so he did not want anything bad to happen to him.

Zhao Sheng had told him that he also knew a skilled blacksmith, so he would meet that person if Lian Xun's condition was beyond his reach.

"There is an auction tomorrow afternoon at Jisha city." Lian Xun responded, "One of the auction items is Phoenix sword. I want you to get that sword for me."

Because Xiao Tian was a rich young man, Lian Xun knew that Xiao Tian could get that Phoenix sword for him.

When Lan Ruoxi heard Lian Xun's words, her eyes widened in surprise.

'Phoenix sword? Don't tell me. It's that Phoenix sword?!'

Lan Ruoxi slowly clenched her left fist.

She knew about Phoenix sword. That was why she was startled after hearing Lian Xun's words.

When Lian Xun said Jisha city, Xiao Tian suddenly remembered the time when he went to Jisha city with his women.

At that time, Xiao Tian and his women traveled to Duzio beach, which was located in Jisha city. He even had outdoor sex with Liu Ning for the first time there.

'Phoenix sword?'

Xiao Tian was amazed by the name of the sword.

'It seems like this sword is not ordinary sword.'

Xiao Tian suddenly wanted to see it.

'Wait! He is a blacksmith so why does he want a sword? Does this sword have a history with him? Or is it his lost sword?'

Countless questions appeared in his mind.

Because Xiao Tian could not find the answer, he decided to ask it, "Why do you want this Phoenix sword? Aren't you a blacksmith? If you want a sword, why don't you make it yourself?"

"It's not about the sword, but the owner of the sword." Lian Xun replied, "So how is it? Do you agree with my condition?"

"Do you only want this Phoenix sword?" Xiao Tian inquired,

"Yes." Lian Xun responded, "After you give me this Phoenix sword, you can take that special sword immediately."

"All right. I will get that sword tomorrow." Because Lian Xun only wanted a Phoenix sword, he agreed instantly.

He had a lot of money now, so he was sure he could get the Phoenix sword from the auction later.

Lian Xun stretched out his right arm and spoke, "Give me back that sword."

Xiao Tian immediately gave the sword to Lian Xun.

"You can come back again tomorrow." after saying that, Lian Xun entered his house to put the sword.

Xiao Tian then turned around and spoke, "Lady Lan, let's go on a date now."

Of course, Xiao Tian did not forget what Lan Ruoxi said before going to Lian Xun's house because it was related to his happiness.

Date!

Yes. They agreed to go on a date before going to Lian Xun's house.

"Sure." Lan Ruoxi replied as she smiled.

Then Xiao Tian and Lan Ruoxi went to many romantic places.

After spending time with Lan Ruoxi for about three hours, Xiao Tian decided to visit Yu Shi in hospital.

"How is your master's condition?" Xiao Tian asked when he was in front of Crystal.

Crystal, who was sitting in front of the patient room, rose to her feet and dashed towards him.

"Xiao Tian, thank you!" due to how happy she was, Crystal hugged Xiao Tian without thinking twice.

She was thrilled because the operation was a big success. Sure, Yu Shi could no longer be a martial artist now, but she did not care about it. At least, Yu Shi was still alive and could always be by her side.

Because Crystal was in a good mood, Xiao Tian knew that the operation was success. "Don't mind it."

After stopping the hug, Crystal uttered, "The operation was success and master is resting right now. Doctor said master still needs to stay in the hospital for a few days as they have to keep checking on her condition every day."

"Since when have you been here?" Xiao Tian asked. "You weren't here since yesterday, right?"

Because Xiao Tian knew how deep her love for Yu Shi was, he was afraid that Crystal would keep staying in the hospital.

"Two hours ago. Don't worry. I know what I have to do." Crystal knew that Xiao Tian was worried about her health.

This made her feel warm because, with this, she knew that she was very important to him.

"Good." Xiao Tian was relieved after hearing her words. "If you want, I can order my underling to guard this room later."

"No." Crystal did not want to keep bothering Xiao Tian, so she refused instantly. "So, how is it? Have you met that blacksmith?"

"I didn't meet that blacksmith because Lian Xun had finished the sword and would give it to me later." Xiao Tian gave an honest answer.

"Didn't he say he wouldn't continue making that sword?" Crystal knew about this from Lan Ruoxi.

"Well, it's like this...." Xiao Tian began to explain everything.

He also told Crystal the condition for him to get that special sword.

"I see." Crystal replied after Xiao Tian finished telling everything.

"Do you want to go to the auction with us tomorrow?" Xiao Tian inquired, "Maybe there is something that can catch your attention later."

"But there will be no one to look after my master if I go." Actually, Crystal wanted to go to the auction with Xiao Tian.

"I can order a few of my underlings to guard this room and look after your master later." of course, Xiao Tian knew what she had in mind.

Crystal began to think about it.

'Should I go with him?'

After thinking for several seconds, Crystal agreed.

"All right." Crystal replied, "I will go with you tomorrow."

"Great! I will pick you up tomorrow." after saying that, Xiao Tian called Chun Hua and ordered her to send four people to guard Yu Shi's room.

Xiao Tian then talked with Crystal for several minutes before finally, he went home.

"I'm home!" Xiao Tian spoke after entering his house.

'Eh! Where are they?'

Xiao Tian was startled when he did not see his women in the family room.

'Are they cooking dinner?'

Without waiting for another second, Xiao Tian headed to the kitchen.

The expression of deep shock blossomed on his face after he stepped into the kitchen.

Chapter 939 - Cooking Rice

7-8 minutes

The expression of deep shock blossomed on Xiao Tian's face after he stepped into the kitchen. Due to how shocked he was, he even stopped his footsteps reflexively.

'This is....'

Xiao Tian did not expect to see something he really loved after arriving home.

'I see. it seems like she wants to have some fun with me now.'

Xiao Tian's lips curled into a smirk.

Currently, Ye Xueyin was washing vegetables. The reason why Xiao Tian was shocked was that Ye Xueyin was wearing a sexy black lingerie robe.

Not only was the lingerie robe transparent, but it also only covered half of her ass, allowing Xiao Tian to be able to see the lower part of her buttocks.

But what surprised him most was that she was not wearing panties. Yes. Ye Xueyin was not wearing underwear as if she wanted to show everyone her sexy butt.

As Xiao Tian was walking towards his mother and seeing her perfect body through the transparent lingerie robe, the flames of lust slowly emerged within him.

Sure, he had had sex with her many times since they became lovers, but her perfect body had never failed to arouse him.

Her transparent black lingerie robe perfectly matched her white skin, and her flawless long legs made her even sexier.

*Gulp....

The longer Xiao Tian looked at Ye Xueyin's back, the bigger the flames of lust within him.

At this moment, Xiao Tian was determined that whatever happened, he would have sex with Ye Xueyin because his mind was already filled with her sexy appearance.

After Xiao Tian was right behind Ye Xueyin, he instantly embraced her. But because the flame of lust had begun consuming his body, the beast within him started to take over his body.

For this reason, Xiao Tian instantly squeezed Ye Xueyin's breasts and kissed the right side of her neck.

"Kya..." Xiao Tian's actions much surprised Ye Xueyin.

Due to how surprised she was, the cabbage in her hands fell to the plastic basin.

"Why are you wearing a sexy transparent lingerie robe?" like before, Xiao Tian was still squeezing Ye Xueyin's breasts. "You are even not wearing panties. Are you trying to seduce me?"

At first, Ye Xueyin wanted to push him away. However, she decided not to do that after she knew the person who was hugging her from behind and squeezing her breasts was her lover, or more precisely, her dearest son.

"Ah...Yes, mother wants to seduce you because mother desires to have sex with you. Ah..." Ye Xueyin did not hide her intentions because there was no point in doing that.

She was his lover, and they had had sex many times before, so it was better to tell the truth.

"Are you not afraid that Feng Yu will see you in this sexy lingerie?" Xiao Tian inquired.

"No. Everyone is going somewhere now and they won't return home until 10:00 pm." Ye Xueyin replied instantly, "That's why mother wants to have some fun with you tonight."

Because Feng Yu said she was bored at home, Lin Xing Xue and the others decided to bring her somewhere.

At first, they invited Ye Xueyin to go with them, but she refused because no one would accompany Xiao Tian later.

"I see." Xiao Tian finally knew the reason why there was no one in the family room.

'Well, I should have guessed it because it would be impossible for her to wear transparent lingerie robe without panties in the kitchen if she was not alone at home.'

Sure, Xiao Tian knew that his mother loved having sex with him, but she always controlled herself in front of Feng Yu because Feng Yu was still a kid.

"Because you desire to have sex with me, I will grant your wish now." After saying that, Xiao Tian stopped squeezing Ye Xueyin's breasts and squatted down.

He wasted no time and instantly licked Ye Xueyin's beautiful pussy.

"Ahhh...." Ye Xueyin's little mouth opened, letting out a seduce moan.

Because this was something she had wanted to happen since she was alone at home, Ye Xueyin only wailed when Xiao Tian suddenly licked her vagina.

She even spread her legs wider so that Xiao Tian could lick her vagina easier.

*Drip...

Xiao Tian was shocked when Ye Xueyin's vagina was instantly wet, and her love juices kept coming out of her vagina.

At this moment, Xiao Tian finally knew that Ye Xueyin was already aroused and desired to have sex with him before he even got home.

"Ahhh...Ahh...." Due to how skilled Xiao Tian was at licking her vagina, Ye Xueyin's legs turned weak.

She did not wash the vegetables anymore and only kept crying out in pleasure.

"Ahhhh....." she wailed louder when a soft tongue suddenly entered her secret place.

'It feels good!'

Because her legs were getting weaker and weaker, Ye Xueyin decided to bend over, causing her breasts to rest on the countertop of the base cabinet.

*Gulp...Gulp...Gulp...

As Xiao Tian was licking Ye Xueyin's pussy, he had no choice but to drink her love juices because it kept coming out of her vagina.

Of course, Xiao Tian did not mind it because he had drunk it many times in the past. Actually, he quite liked it because it had a unique taste.

"Ahh...Ah...Ah..." like before, countless moans escaped from Ye Xueyin's little mouth.

Her pretty face had turned into a lewd look. If anyone saw her current expression, they would instantly dream of being in Xiao Tian's shoes, licking her pretty pussy.

Sure, she was already thirty-six years old, but she still had the appearance of a woman in her twenties due to her healthy lifestyle.

As Ye Xueyin's mind slowly flew into the clouds, Xiao Tian suddenly stopped licking her vagina. His action much surprised her.

But when she was about to say something to Xiao Tian, something unexpected happened.

Xiao Tian thrust his right middle and index fingers into her wet vagina in one go!

"Ahhhh...." Due to how shocked she was, Ye Xueyin cried out louder than before.

Luckily, they were alone at home, or else other people would be surprised by her cry earlier.

*Slick...Slick...Slick...

A lewd sound entered his ears every time Xiao Tian thrust his right index and middle fingers into Ye Xueyin's wet vagina.

Some of her love juices even splashed on his face or fell to the floor. And as usual, Ye Xueyin did not show the slightest care about it and kept wailing and moaning.

Xiao Tian had seen everything about her, and they even had done many lewd things. Not only that, they even had anal sex a few times before.

As Xiao Tian was playing with Ye Xueyin's wet vagina, his cock was slowly erect. He even had to fix his trousers because he started to feel uncomfortable down there.

At this moment, Xiao Tian's lower body could no longer contain the flames of lust within him. His huge cock wanted to taste the delicious pussy in front of his face.

For this reason, Xiao Tian rose to his feet and pulled down his trousers. He wasted no time and instantly placed the tip of his penis at Ye Xueyin's vagina entrance.

"I'm going to put it in, mother." Xiao Tian uttered,

Chapter 940 - Eating Delicious Food

7-8 minutes

"I'm going to put it in, mother." At first, Xiao Tian wanted to immediately fuck her vagina wildly, but he changed his mind.

Sure, Ye Xueyin's pussy was already wet, and the wild beast within him had woken up from its slumber, but he tried his best to control the flame of lust within him.

Ye Xueyin was startled by his words. Previously, she thought he would make her have an orgasm first before thrusting his cock into her wet vagina.

Of course, she would welcome it happily because the main reason why she was wearing a sexy transparent lingerie robe was to have sex with him.

However, Ye Xueyin did not answer him and only nodded her head, giving Xiao Tian a sign that she was ready to welcome his huge penis in her wet pussy.

'Ahhh... Tian's huge penis is about to enter my vagina again...Ah..'

Because the flame of lust had consumed her body, Ye Xueyin's body quivered for two seconds when the tip of Xiao Tian's cock was on her vagina entrance.

"Mmm.....Ahhhh..." seductive moan escaped from her little mouth when Xiao Tian thrust his huge penis into her vagina slowly.

Sure, they had had sex many times since they became lovers, but the pleasure when his huge cock was spreading her vagina to the size of his penis had never diminished in the slightest; instead, it was the opposite.

Yes. Ye Xueyun was getting more and more addicted to having sex with Xiao Tian every time his huge penis gave her pussy immense pleasure.

That was why she always wanted to have sex with him.

Like Ye Xueyin, Xiao Tian also felt immense pleasure. The deeper he thrust his penis into his mother's pussy, the bigger the pleasure he felt.

It was as if there were multiple layers inside Ye Xueyin's vagina, and the pleasure Xiao Tian felt was getting bigger every time his cock penetrated the next layer.

Maybe it was because Xiao Tian played with her vagina for several minutes earlier. Or perhaps it was because Ye Xueyin was already horny before Xiao Tian arrived home, but at that time, Ye Xueyin had a small orgasm when Xiao Tian's shaft was completely inside her vagina.

"Hiii..." Ye Xueyin gritted her teeth and tilted her head back.

'Ahhh...I had a small orgasm!'

Ye Xueyin knew that she was already horny before Xiao Tian arrived home.

However, she did not expect that she would have a small orgasm the moment Xiao Tian's shaft was completely inside her vagina.

Unlike usual, where Xiao Tian moved his waist back and forth immediately, this time he did not do that.

Xiao Tian was still mesmerized by Ye Xueyin's perfect body. The sight of the sexy transparent lingerie robe cladding her body made Xiao Tian keep staring at her back.

Because Xiao Tian did nothing, Ye Xueyin turned her head to look at him. "Tian, what's wrong? Why didn't you do anything?"

Previously, Ye Xueyin thought Xiao Tian would immediately fuck her wildly like usual because she knew the flames of lust had consumed his body too.

Otherwise, it would be impossible for Xiao Tian to thrust his huge penis into her wet vagina before making her have an orgasm first.

Instead of answering her question, Xiao Tian squeezed Ye Xueyin's breasts and kissed the right side of her neck again.

Actually, the wild beast within him had fully taken over his body. That was why Xiao Tian wanted to taste every inch of Ye Xueyin's body because, in his eyes, her body was like the most delicious food in the world.

"Hmmm...." Ye Xueyin half-closed her eyes.

Even though she wanted him to fuck her wildly immediately, she did not say it and only enjoyed the pleasure.

She only clenched her vagina muscles tightly, hoping Xiao Tian would move his waist immediately.

Since it was quite difficult to play with Ye Xueyin's breasts, Xiao Tian took off her black bra and dropped it on the floor.

"Ahhh...." Ye Xueyin wailed loudly when Xiao Tian pinched her nipples.

Even though she felt immense pleasure, Ye Xueyin hoped Xiao Tian would move his waist immediately because it would add the pleasure she felt.

And as if Xiao Tian could read her mind, he slowly moved his waist back and forth, causing his huge dick to slide in and out of Ye Xueyin's wet pussy repeatedly.

"Ahh...Ah...Ah...Ah..." Although Xiao Tian only moved his waist slowly, Ye Xueyin kept wailing non-stop because he was fucking her wet pussy and playing with her breasts at the same time.

The longer Xiao Tian fucked his mother, the tighter her vagina had become. This made Xiao Tian stop playing with her breasts and focused on fucking her.

He wanted to feel more pleasure!

*Slick...Slick...Slick....

Multiple lewd sounds could be heard every time Xiao Tian's penis slid in and out of Ye Xueyin wet vagina.

Not only that, but the sound of Xiao Tian's waist hitting Ye Xueyin's butt also reverberated in the kitchen. Now the quiet kitchen was filled with sex sounds.

Seconds turned into minutes, and without realizing it, it had been thirty minutes since Xiao Tian thrust his huge penis into his mother's pussy.

At this moment, Ye Xueyin finally reached her limit. There were several reasons why Ye Xueyin reached her limit faster than Xiao Tian.

First, Xiao Tian played with her pussy for several minutes before thrusting his huge penis into her wet cunt. Second, she was already aroused before Xiao Tian arrived home.

Third, the tip of Xiao Tian's cock kept hitting her womb as if his penis wanted to mark her vagina as its territory.

And there were still a few more reasons. For this reason, Ye Xueyin reached her limit faster than Xiao Tian.

"I'm cumming... I'm cumming... I'm cumming....." as usual, Ye Xueyin's body quivered for several seconds after having an orgasm.

Even though Ye Xueyin knew that her son would manage to satisfy her, she was still delighted when she could have an orgasm like that.

At this moment, Xiao Tian stopped moving his waist and looked at her sexy back. At first, he only stared at her flawless back, but it only lasted for two seconds before finally, his gaze fell on her lovely ass hole.

*Thump...Thump...

When Xiao Tian saw Ye Xueyin's ass hole throbbing non-stop, his heart suddenly beat faster, and the desire to put his cock into her butt hole suddenly arose within him.

Xiao Tian took Ye Xueyin's nectar and placed it on her ass hole, rubbing it with his left middle and index fingers.

"Huft...Huft...Huft...." Even though Ye Xueyin realized what Xiao Tian was doing, she did not tell him to stop.

Since they had anal sex several times, Xiao Tian often played with her ass hole when they were having sex, so she was not surprised by his action.

*Gulp...

Xiao Tian gulped his saliva when he remembered the time he had anal sex with Ye Xueyin for the first time.

Ye Xueyin turned her head to look at her son when Xiao Tian's kept rubbing her ass hole. "Tian, it seems like you also love your mother's ass ho- Ahhhh.... "

Before Ye Xueyin had finished her words, Xiao Tian did something unexpected.

He thrust his huge penis into her ass hole without telling her first!
