Chapter 941 - Eating Eggplant

"Hiiii...Ahhh..." Ye Xueyin gritted her teeth before letting out a seductive moan when Xiao Tian suddenly thrust his huge cock into her ass hole.

'He is thrusting his huge penis into my butt hole again.'

Even though Ye Xueyin was a little surprised by his action, she did not tell him to take his cock out of her ass hole because she had suspected that something like this could happen to her.

Since they had anal sex a few months ago, Xiao Tian often played with her butt hole whenever they were having sex.

It was as if Xiao Tian was addicted to her ass hole too. Of course, Ye Xueyin was fine with it because anal sex gave her pleasure too.

Like what he did when he thrust his penis into her vagina, Xiao Tian slid his cock into Ye Xueyin's butt hole slowly.

The pleasure and joy when Xiao Tian saw his penis slowly sliding into Ye Xueyin's tight ass hole was something that could not be described in words.

He loved it, especially when he could see his cock slide in and out of Ye Xueying's cute butt hole. It was as if Xiao Tian was exploring the unknown world with his huge penis.

"Tian... it feels good." even though her body was still in a weak state, Ye Xueyin's mind was filled with pleasure again. "Ah...ah...Ah..."

Xiao Tian's thrust was slowly getting faster and faster.

'I really love her ass hole. It's so tight!'

Even though they had anal sex a few times, but the pleasure he got was the same as when they had anal sex for the first time.

As Xiao Tian saw his penis sliding in and out of Ye Xueyin's butt hole, he suddenly recalled the first time they had anal sex.

'Oh right. I was the one who took her anal virginity in the past.'

The flames of lust within him suddenly grew bigger when he remembered the time he took his mother's anal virginity.

This made the beast within him roar lustfully, and as a result, his thrusts were getting faster every second.

"Ah...Ah....Ah....Tian, slow down a little bit...Ah...ah...." Ye Xueyin, who was leaning her breasts against the countertop cabinet, turned her head to look at Xiao Tian.

Sure, she also loved it rough, but her body was still in a weak state because she just had an orgasm a few seconds ago.

"But your butt hole feels so good!" Xiao Tian replied, "I can't slow down my thrust because my waist moves on its own."

At this moment, Xiao Tian was telling the truth. It had been almost two weeks since the last time they had anal sex, so he was unable to control himself.

Usually, Xiao Tian would only play with her ass hole whenever they were having sex.

For this reason, the wild beast within him roared happily when his cock was tasting Ye Xueyin's tight ass hole after a few days.

His words made Ye Xueyin happy. For this reason, she did not say anything anymore and only wailed in delight.

'Ah....Ah...Agh...my ass hole is being mess up by Tian's huge cock. Ah...it seems like he will keep fucking my butt hole until he has an orgasm...Ah...Ah...but it feels good!'

Even though she said that in her mind, but Ye Xueyin was delighted. She was thrilled because she could make her lover happy with her body.

As Xiao Tian was fucking Ye Xueyin's butt hole, his gaze suddenly fell on the eggplant in a plastic basin.

'That is...'

A wild idea suddenly emerged in his mind.

Xiao Tian stopped thrusting his cock and spoke, "Mother, do you want to try something new?"

Ye Xueyin turned her head to look at Xiao Tian and asked curiously, "What is it?"

Xiao Tian took the long eggplant and showed it to his mother. "This. Let's use this too."

Ye Xueyin instantly understood what Xiao Tian had in mind after seeing eggplant. She was not an innocent lady, so she knew the use of eggplant for lonely women.

'He wants to put this eggplant into my pussy?!'

At this moment, Ye Xueyin still had not said anything and only stared at Xiao Tian.

"Believe me. It will give you more pleasure later." if there were a dildo near them, Xiao Tian would not use eggplant.

However, all the sex toys were in his room, so he decided to use eggplant. He was feeling immense pleasure at that time, so he did not want to take his penis out of Ye Xueyin's butt hole.

"...alright." Ye Xueyin could not say no to her lover, so she decided to grand his wish.

Xiao Tian was pleased with her decision and kissed her back. "I will make your mind fly to the moon."

Ye Xueyin instantly shut her eyes.

'Will it really make my mind fly to moon?'

She had never had anything in both of her holes at the same time, so she was a little nervous.

"Mmmmmmm.....Aaaaaahhhhhh..." Ye Xueyin had a long moan when she felt the eggplant slowly entering her wet vagina.

'What is this feeling?'

It was the first time something was in both of her holes at the same time, so the pleasure she felt was still foreign to her.

"I will move now." after saying that, Xiao Tian moved his waist again and at the same time, he also thrust the eggplant with his right hand.

"Ah...Ah...Ah..." like before, Ye Xueyin began to wail in delight again.

The pleasure of having both of her holes being messed up by Xiao Tian's penis and eggplant was something she could not describe in words.

Her love juices suddenly dripped down like flowing water, and her wail was getting faster and louder. Due to the immense pleasure she was feeling, Ye Xueyin was unable to feel her body anymore.

It was as if her soul and body had been separated.

The way Xiao Tian gave her pleasure was amazing. When he slid in his cock, he slid out the eggplant.

The movements of his waist and eggplant were perfectly in sync, giving her a new sensation of pleasure.

Like Ye Xueyin, Xiao Tian also felt immense pleasure. Since he slid in the eggplant into Ye Xueyin's wet vagina, the way her ass hole muscles squeezing her penis changed drastically.

Not only did her butt hole become tighter, but her ass hole muscles also moved wilder.

"Ah...Ah....Ah..." Ye Xueyin's mind was already on cloud nine.

She even did not realize that her moans were getting faster and louder. At that time, she really could not feel her body anymore. She even thought that she could die from the pleasure later.

Seconds turned into minutes, and without realizing it, it had been twenty minutes since Ye Xueyin's two holes had been entered by two things at the same time.

Because of the immense pleasure, she finally reached her limit again. "I'm cumming... I'm cumming... I'm cumming...."

At the same time, Xiao Tian was about to have an orgasm too. This made him move his waist faster and faster because he wanted to have an orgasm at the same time as his mother.

"I'm cumming...." Xiao Tian and Ye Xueyin had an orgasm at the same time.

As Ye Xueyin's body was quivering, Xiao Tian was breathing heavily and leaning his body on her back.

'It was amazing!'

A satisfied smile appeared on his face.

At this moment, Ye Xueyin could not move her body anymore.. She even could not feel her body anymore, as if she didn't have a body.

Chapter 942 - You Are Right

7-8 minutes

The moonlight lit up the silent night.

The summer rain wet the dry roads.

Two people were standing in a luxurious kitchen.

The mature woman was standing with her breasts leaning against the countertop of the cabinet.

Her beautiful face had turned into a lewd expression, and a trace of saliva could be seen on the corners of her mouth.

Behind her, an attractive young man was leaning his upper body on the mature woman's back. Even though he was breathing heavily, a satisfied smile could be seen on his handsome face.

If anyone saw them, they would instantly know what these two people just did in a luxurious kitchen.

Sex!

Yes. Anyone could tell right away if they saw these two people because the evidence was still clearly visible.

First, the mature lady was wearing a sexy transparent lingerie robe without panties. Second, the young man's trousers were at his feet.

Third, the floor beneath them was wet from nectar. And fourth, half of the young man's huge cock was still in the mature woman's ass hole.

These four pieces of evidence were enough to prove that these people just had sex a few seconds ago.

Even satisfied smiles still could be seen on their faces.

Yes. These two people were none other than Xiao Tian and his mother, Ye Xueyin.

'It was so amazing! I should do this more often in the future.'

Xiao Tian planned to do the same thing with his other women in the future.

'Maybe, I should start with Fei first.'

Because Shi Fei was the lewdest woman in his harem, Xiao Tian decided to do it with Shi Fei first.

He was sure Shi Fei would accept his idea happily because she loved adventure and would do anything for him.

"It seems like mother is unable to move her body now." after saying that, Xiao Tian pulled the eggplant out of her pussy and placed it in the plastic basin.

When Xiao Tian saw his mother's fascinating face, the smile on his face grew bigger.

Even though he always managed to satisfy his mother, but seeing it directly like that made him happy and proud.

'I think it's better to take her to my room now.'

Because Xiao Tian knew that his mother would not be able to continue cooking dinner, he decided to take her to his room.

After placing her on the bed, Xiao Tian headed to the bathroom to take a quick bath.

'I feel so refreshed!'

Xiao Tian did not bother to wear his clothes and instantly lay down on the bed.

'It seems like she is still feeling the pleasure.'

A satisfied smile appeared on his face again after seeing his mother's fascinating face.

'Damn! It seems like my cock is still not satisfied.'

His penis was slowly erect again when Xiao Tian's gaze fell on Ye Xueyin's body.

Ye Xueyin's perfect body that was clad in a transparent lingerie robe made her look incredibly sexy. Coupled with her fascinating face and naked pussy made the flame of lust within him resurface.

Xiao Tian immediately sat up and observed his mother's body carefully. Because Ye Xueyin's mind was still on cloud nine, she did nothing when Xiao Tian was spreading her legs widely.

*Gulp...

Xiao Tian could not help but gulp his saliva when he saw Ye Xueyin's beautiful vagina.

The memory of the time he had sex with his mother in the kitchen a few minutes ago suddenly appeared in his mind after spreading her vagina with his right middle and index fingers.

*Thump...Thump...Thump...

His heart suddenly beat faster, and his cock was fully erect again.

'Her pussy looks so delicious! Is her vagina always so alluring like this? I suddenly want to have sex with her again.'

With that idea in mind, Xiao Tian moved between Ye Xueyin's legs and placed the tip of his penis at her vagina entrance.

Sure, he knew that Ye Xueyin was still in a weak state, but he could not hold back his lust and desired to have sex with her again.

For this reason, Xiao Tian held Ye Xueyin's hip before thrusting his huge cock into her wet vagina.

"Ahh...Ah....Ah..." even though her mind was still on cloud nine, Ye Xueyin could still feel it when Xiao Tian's cock was sliding into her pussy.

For this reason, multiple seductive moans escaped from her little mouth again. But because Ye Xueyin was still in a weak state, she only looked like a doll that let out multiple seductive wails.

She did not move any part of her body. She even did not look at Xiao Tian. All she did was moaning and wailing.

Xiao Tian also had no idea as to why he kept wanting to have sex with Ye Xueyin like that. But then he realized it was related to her clothes.

Yes. The reason why Xiao Tian desired to keep having sex with her was that she wore a sexy transparent lingerie robe.

It was rare for her to wear a sexy transparent lingerie robe. Coupled with how perfect the transparent lingerie robe was on her body, the flames of lust kept burning within him.

Xiao Tian fucked his mother for about thirty minutes before finally, he stopped. After letting out his white sperm in his mother's vagina, Xiao Tian lay on his back with Ye Xueyin in his arms.

Not long after that, Ye Xueyin came to her senses. It was a wild thrill and pleasure, so it took her a few minutes before she could come to her senses.

'He is really a beast! He even kept fucking me even though he knew that my mind was still on cloud nine and my body was in a weak state.'

Ye Xueyin hit Xiao Tian's chest gently.

'Well, it's amazing, so I will forgive you.'

A smile slowly appeared on Ye Xueyin's pretty face.

Not long after that, both of them fell asleep.

The following morning, Ye Xueyin woke up at 05:00 am. She was startled when she noticed she was no longer on top of Xiao Tian's body.

'Where is he?'

Ye Xueyin smiled softly when she saw Xiao Tian sleeping on her right side with her younger sister on top of his body.

"Mrs. Ye, did you have wild sex with little brother last night?" Shi Fei, who was lying down on Ye Xueyin's left side, asked curiously.

Ye Xueyin turned her head to look at Shi Fei and replied, "That's right. Not only did we have wild sex, we even had anal sex."

Even though she was Xiao Tian's mother, she still told them the truth because they knew she was also his lover.

"Is it because you are wearing a sexy transparent lingerie robe?" actually, Shi Fei was startled when she saw Ye Xueyin wearing a sexy transparent lingerie robe last night.

But she finally understood everything after she saw Xiao Tian sleeping naked.

"You are right." Ye Xueyin gave an honest answer. "You should try wearing a transparent lingerie robe later. It will make him horny for sure. He even kept fucking me even though my mind had left my body."

Shi Fei then looked at Lin Xing Xue and Liu Ning. "Xue, Ning, maybe we should wear transparent lingerie robe later."

As usual, Liu Ning and Lin Xing Xue did not say anything.

'It seems like I need to buy a transparent lingerie robe later.'

But they agreed with Shi Fei's idea.

Chapter 943 - I Like That Idea!

6-7 minutes

As Shi Fei and the others were talking, Xiao Tian suddenly woke up. He was pleasantly surprised when he saw his aunt sleeping on top of him.

He remembered that his mother was the one who slept in his embrace last night. However, he didn't care about it because his aunt was also his lover.

When Shi Fei realized that Xiao Tian was already awake, she immediately spoke, "Little brother, we want a transparent lingerie robe too."

Xiao Tian's Star Clothes company also produced lingerie for women. That was why Shi Fei asked Xiao Tian to give them a transparent lingerie robe too.

Her words much surprised him.

'Don't tell me....'

When Xiao Tian saw his mother giggling cutely, he finally knew the reason why Shi Fei suddenly wanted a transparent lingerie robe.

'It seems like mother has told them what we did last night.'

"Sure. You can choose and take them as many as you want later." Xiao Tian loved to see his women in lingerie, so he granted her wish without thinking twice.

"Thank you, little brother." After saying that, Shi Fei looked at Liu Ning and Lin Xing Xue. "Let's choose together later."

"Un." Liu Ning and Lin Xing Xue nodded their heads.

At this moment, Ye Qingyu opened her eyes.

'Oh. They are already awake?!'

Ye Qingyu was not surprised when she saw Shi Fei and the others were already awake.

"Miss Ye, did you have good dream?" Liu Ning inquired,

Before Ye Qingyu could answer Liu Ning's question, Shi Fei spoke, "Of course. Because she was sleeping in little brother's arms."

At this moment, Xiao Tian suddenly realized something important.

His women still addressed each other politely.

'This needs to change!!'

Xiao Tian could not let that continue because it looked like they were not close as his girlfriends.

"By the way, why are you all still addressing each other politely?" Xiao Tian did not go straight to the point.

"Because of the age difference." Shi Fei gave an honest answer.

"I know about it but all of you are my girlfriends." Xiao Tian replied, "The way all of you call each other sounds like you all are not close and still awkward with each other."

"That's not it! We are close with each other." after saying that, Shi Fei looked at Liu Ning and the others. "Isn't that right?"

"Yes. We are close with each other." Liu Ning and the others replied in unison.

"Then, how about you change the way you address each other?" Xiao Tian showed them his true intentions.

Shi Fei and the others exchanged a glance with each other. Of course, they knew that his suggestion was good, but they still needed to think about their age difference.

"Mmm. How do you want us to call each other?" Liu Ning inquired.

"How about using a birth name and sister like sister Fei, or sister Ning." Xiao Tian replied, "With this, you all will look much closer later."

Like before, Liu Ning and the others exchanged a glance with each other.

'Let's grant his wish! His suggestion is also good for us.'

As if they could communicate through their eyes, Lin Xing Xue and the others nodded their heads.

"All right." Liu Ning and the others replied in unison.

'Good.' Xiao Tian smiled happily. "How about you call each other now? I want to hear it."

"Sister Fei, sister Ning, sister Xueyin, sister Qingyu." Liu Ning decided to be the first to do so.

"Good, good." Xiao Tian said good twice. "I like it! This is much better than before!"

After that, Lin Xing Xue, Ye Xueyin, and Ye Qingyu also said it.

Xiao Tian then looked at Shi Fei and spoke, "It's your turn now."

"Sister Qingyu, sister Xueyin, sister Ning, sister Xue." after saying that, Shi Fei kissed Xiao Tian's left cheek before smiling. "And I will still call you little brother."

"How about you call me big brother from now on? The reason is simple. It's because I'm not small, I'm big." Xiao Tian said jokingly.

"Pervert!" Shi Fei and the others said in unison.

"Hey, I'm not a pervert!" Xiao Tian denied shamelessly. "Mother, I'm telling the truth, right? In your view, is my cock big or small?"

"Big!" Ye Xueyin answered instantly. "Very big, to the point that it always makes inside me feel full."

Xiao Tian instantly turned his head to look at Shi Fei. "See! I'm not a small. I'm big, so you should call me big brother, not little brother."

"Sure. I will call you big brother, but on one condition." Shi Fei spoke and paused for a second before she continued, "You have to make me faint from having sex with you. Otherwise, I won't call you big brother."

"Challenge accepted!" even though Xiao Tian did not know whether he could make Shi Fei faint from having sex with him or not, he still said it.

"Good! Let's have sex after little Yu leaves for school." Actually, Shi Fei wanted to have sex with Xiao Tian immediately, but she changed her mind after thinking for several seconds.

"I like that idea!" Xiao Tian replied.

Not long after that, Liu Ning and the others headed to the kitchen to cook breakfast.

And like what Shi Fei and Xiao Tian had planned before, they instantly had wild sex in his room after Feng Yu went to school.

Because his main purpose was to make Shi Fei pass out from having sex with him, Xiao Tian instantly fucked her wildly.

He did not give her time to rest and kept fucking her even though she was in the middle of having an orgasm.

And after fucking her for more than two hours continuously, Xiao Tian finally managed to make Shi Fei pass out.

"Huft...Huft...Huft...Huft..." Xiao Tian was tired from having sex with Shi Fei. "She is much stronger than I thought."

If Xiao Tian did not keep fucking Shi Fei when she was in the middle of having an orgasm, it would take more time to make her pass out.

Luckily, Xiao Tian could make her faint from having sex with him. Otherwise, it would hurt his pride as a man.

After resting for twenty minutes, Xiao Tian headed to the bathroom to take a shower.

Chapter 944 - Sun Auction House

6-8 minutes

After cleaning his body, Xiao Tian soaked in the tub.

'Oh right. I have to go to the auction this afternoon.'

When Xiao Tian was about to stand up, Shi Fei's voice rang out.

"Big brother, are you here?" Shi Fei entered the bathroom naked. "Ah, there you are!"

When Shi Fei saw Xiao Tian soaking in the tub, she wanted to sit between his legs immediately, but she suddenly remembered to clean her body first.

After cleaning her body, Shi Fei sat between Xiao Tian's legs and spoke, "Big brother, you are indeed amazing. You even managed to make me faint from having sex with you. I'm sure, not all men can do what you did to me just now."

"Of course, because I'm a special man." Xiao Tian replied proudly.

"Big brother, my pussy hurt so much." Shi Fei spread her legs wider and looked at her vagina. "You really did not give me time to rest earlier. You even did not stop fucking me when I was in the middle of having an orgasm."

"It was because you told me to make you faint from having sex with me. Otherwise, I would not do that." Xiao Tian would have let her rest if she did not challenge him to make her faint earlier. "Let me see it. I want to check whether your vagina is fine or not."

Shi Fei instantly rose to her feet before turning around. After spreading her vagina widely, she immediately spoke, "Here, check it."

When Xiao Tian saw her pussy right in front of his face, he instantly touched it.

"The softness of your pussy is still the same. The color is also the same. Now let me check the inside." After saying that, Xiao Tian stuck out his tongue and thrust it into Shi Fei's pussy.

"Ahhhh...." Shi Fei half-closed her eyes when Xiao Tian's tongue slowly slid into her vagina. "How is it, big brother? Do you think my pussy is fine?"

*Gulp...

Xiao Tian sucked Shi Fei's pussy and drank her love juices.

After Xiao Tian stopped sucking Shi Fei's vagina, he raised his head to look at her. "I think your vagina is fine. The taste of your nectar is as delicious as ever. And the way your vaginal muscles squeeze my

tongue is the same as the other day. You don't need to worry about it. There is nothing wrong with your vagina."

Shi Fei then sat between Xiao Tian's legs again, facing the same direction as him. "Thank god."

Like before, Xiao Tian wrapped his arms around Shi Fei's waist. Not only that, but he also kissed her back gently.

"It seems like we can't have sex again for today." Because her vagina hurt so much, Shi Fei would not be able to have sex with Xiao Tian for that day.

Xiao Tian's cock was huge and long, so it would make her feel even more pain if they did it.

"It's fine. We can still do it after your vagina doesn't hurt anymore." They had wild sex for more than two hours, so Xiao Tian was fine with it.

If he were horny later, he could have sex with his other woman because he had more than one girlfriend.

"It's a pi-" at this moment, Shi Fei suddenly remembered that she still had two other holes. "Big brother, I still have two other holes. You can fuck my mouth or ass hole if you are horny so just come to me if you want to do it with me later."

Xiao Tian smiled before pinching Shi Fei's nose. "Yes, yes. I will come and eat you again if I'm horny later."

"Hehe. Good." Shi Fei giggled happily.

Xiao Tian and Shi Fei spent in the bathroom for fifteen minutes before Xiao Tian finally went to Crystal's apartment.

As for Shi Fei, she went straight to Star Clothes company to choose a sexy transparent lingerie robe.

"Oh, you have arrived?!" Crystal spoke after opening the door. "Come in. I will change my clothes first."

Because Xiao Tian wanted to ensure the safety of Crystal's master, he told his underlings to add more people to guard Yu Shi's patient room.

After Crystal returned to the living room, she immediately spoke, "Let's go."

Before going to Lian Xun's house, Xiao Tian and Crystal traveled to Red Flower bar to pick up Lan Ruoxi.

Just like when Xiao Tian arrived at Lian Xun's house for the first time, Crystal was amazed by the beautiful scenery around Lian Xun's house.

If they were not in a hurry to go to Jisha city, she would have loved spending time at his house. She loved the view in his home; especially, at the waterfall.

After driving for about two hours, they finally reached their destination.

"It has been a long time since the last time I came to this place." Lian Xun spoke as he looked at the auction house.

The auction house was big and luxurious, with the words 'Sun Auction House' on the top of the building.

After they entered the auction house, a middle-aged man who wore formal clothes walked towards them.

"Grandmaster Lian, lady Lan, welcome to the Sun Auction House." the middle-aged man spoke politely. "Please let me guide you to your seat."

Xiao Tian was startled by the middle-aged man's behavior.

'What is this? How did this middle-aged man know this annoying old man Lian Xun?'

Xiao Tian could understand if the middle-aged man knew who Lan Ruoxi was because she was famous in Shanghai.

Sure, Lian Xun was skilled in martial arts, but that didn't mean everyone would know about him.

'Is this old man a famous person?'

However, no matter how hard Xiao Tian tried to find the answer, he still couldn't find the answer. For this reason, he decided not to think about it anymore.

"The security of this auction house is not bad.'

As they were heading to the second floor, Xiao Tian saw many people in black standing in every corner of the luxurious hall.

Some of them even held guns. From their appearance, anyone could tell that they were security guards assigned to control everything.

'Oh! This place is much better than the first floor.'

Several sofas were neatly arranged on the second floor, and the distance between one set of sofas and another was about four meters without anything separating them.

'So this place is for the VIP guests, huh?'

Xiao Tian then skimmed his surroundings.

'I don't know anyone in this place. Well, it's normal because I don't have many friends.'

Xiao Tian only had a few friends in his current life, so it was normal if he did not know anyone in that place.

After Xiao Tian and the others sat on the couch, Lan Ruoxi asked, "Have you ever come to this place, young master Xiao?"

"No." Xiao Tian gave an honest answer.

"Ops! I forgot that you always spend time with you women, so I should have guessed that you only know romantic places." Lan Ruoxi teased him.

The corner of Xiao Tian's lips twitched after hearing her words. He did not expect her to tease him like that.

'I really want to punish this mature lady.'

Xiao Tian said in his head.

Chapter 945 - Leng Nichang

9-11 minutes

As Xiao Tian and the others were chatting, a gorgeous lady about twenty-seven years old walked towards the center of the hall elegantly.

Everyone instantly stopped talking and turned their heads towards the young lady.

"Miss Leng Nichang is as beautiful as ever."

"That's right."

"If only I were her husband, I would definitely smile in my sleep."

"As long as I can spend one night with her, I don't even mind if I lose ten years of my life."

"How can she be so beautiful and sexy like that?"

"Maybe because God loves her so much."

"That's right. Otherwise, it would be impossible for her to be so perfect like that."

Several men instantly praised Leng Nichang when they saw her walking towards the center of the hall.

Leng Nichang was clad in a white cheongsam. Her body was exquisite to the extreme, and her skin seemed so soft that it would break with a single touch.

She was extremely alluring to the max. Her waist was as lithe as a water snake, and she was able to mesmerize people with a single glance.

She had a charming, misty look in her black eyes, a nose akin to jade, and a little mouth adorned with full red lips that were slightly curled upwards.

She gave off a feeling of absolute charm, to the point ordinary men would definitely fall for her the moment they saw her.

After Xiao Tian saw Leng Nichang, he instantly turned his head towards Lan Ruoxi, "She looks like you, extremely alluring to the max."

Lan Ruoxi giggled seductively before asking, "Hehe. So, do you want to bed her too?"

Xiao Tian returned his attention to Leng Nichang and replied, "Maybe."

Crystal, who was sitting on his right side, sighed after seeing his behavior.

'He is really a playboy!'

Of course, she was not surprised by his behavior because she knew that he was a playboy.

"Eh! Why are you sighing, Crystal?" Xiao Tian inquired,

Before Crystal could answer his question, Lan Ruoxi spoke, "She sighed because you always could not control your behavior every time you saw a pretty or sexy woman."

"Is that true?" Xiao Tian asked again.

Crystal did not answer his question, but she nodded her head, giving him a sign that what Lan Ruoxi said was exactly like what she had in mind.

"Well, I'm a healthy young man, so it's normal for me to behave like this." Xiao Tian made an excuse without feeling shy.

"There is a reason why Leng Nichang is the top auctioneer of the Sun Auction House." Lian Xun spoke abruptly. "It's because she is pretty, sexy and an expert at creating the atmosphere."

What Lian Xun said was right. Leng Nichang was an expert at creating the atmosphere.

Her glances and smile even could make the price of the item go up exponentially. It could be said that the atmosphere within the auction house was kept at a climax with her charming smile.

At this moment, Xiao Tian returned his attention to Leng Nichang.

'Well, I can understand why she is the top auctioneer of the Sun Auction House.'

Xiao Tian then skimmed his surroundings to see everyone's reaction.

Currently, Leng Nichang was using her charming voice to describe the item in her hands. Under the numbing and clear sound of her voice, the item had its price increased at an exponential rate.

Every time the price was raised, she would send a charming smile to the person who just called out the latest price.

And that person would forget their pain of overpaying for the item when they saw her charming smile.

After auctioning the latest item, Leng Nichang spoke with her charming voice. "Everyone, I'm sure all of you will also be interested in the next item."

With a wave of her hand, the waitress quickly brought up a sword that was placed in a beautiful wooden sword plaque.

The sheath of the sword was green in color, and the quillon was designed in the shape of a phoenix wing.

Like the sheath of the sword, the grip of the sword that looked like a phoenix head was green in color.

Due to how beautiful the sword was, anyone who had no idea about that sword would think that the sword was made for display purposes.

At this moment, Lian Xun instantly turned his head towards Xiao Tian and spoke, "Xiao Tian, that is the sword I want."

"Don't worry. I will get this sword for you later." Xiao Tian had promised to get the sword for Lian Xun, so he would not break his word.

At this moment, Lan Ruoxi looked at the sword with a sad face. Her seductive expression was nowhere to be seen, and her eyes were locked on the beautiful green sword.

"The name of this sword is Phoenix sword." With her delicate hand picking up the beautiful sword, Leng Nicheng's charming voice calmed everyone for an instant. "If someone had been roaming in the martial arts world for a long time, I believe they would definitely know about this beautiful sword because this sword is no ordinary sword. Yes. This sword is made of a rare material which is very difficult to obtain."

"What?! Phoenix sword?!"

"Is that the real Phoenix sword?"

"What kind of sword is this Phoenix sword?"

"This Phoenix sword is an extraordinary sword. Rumor has it that this sword is very sharp."

"That's right. If you clashed this sword against ordinary sword, the ordinary sword would break instantly."

"What?! Really?"

"Yes. This sword is pretty famous in the past."

"I remember that the owner of this sword is a beautiful woman who is also a genius in martial arts. What happened to that woman? And why is her sword being auctioned here?"

"I don't know."

"Is she in need of money?"

"Maybe."

Several people began to talk about the Phoenix sword.

This much surprised Xiao Tian. He did not expect that many of them know about the Phoenix sword.

At this moment, Xiao Tian started to understand the reason why Lian Xun wanted him to get the phoenix sword.

"In order to prove that this sword is the real Phoenix sword, we will clash this sword with an ordinary sword." after saying that, Leng Nichang looked at the waitress.

The waitress quickly walked towards Leng Nichang with a sword in her right hand.

*Cling...

Without wasting time, Leng Nichang clashed the Phoenix sword with the ordinary sword.

*Clang...

The ordinary sword broke in one clash.

"It's the real Phoenix sword!"

"Wow! That sword is amazing."

"I suddenly want that sword."

"Me too."

Several people instantly desired to get the Phoenix sword, especially martial artists who practiced the way of the sword.

"Now that I have proven that this sword is the real Phoenix sword, let's begin the auction." Leng Nichang spoke and paused for a second before she continued, "The starting price for this Phoenix sword is 30,000 Yuan and each increment must be at least 200 Yuan."

"30,200!" right after Leng Nichang's voice stopped, a person yelled out a price.

"30,400!" another price came right after the first price had been called.

The price quickly went up, and within a couple of seconds, it got to 100,000 Yuan. At this moment, Xiao Tian did not call out a price immediately, waiting for the small fry calls to stop.

The price went up again, but soon the voices died out when someone yelled out a price. "140,000 Yuan."

The person, who just called out a price, was sitting in the VIP area. He was about thirty-five years old with stitches on his left cheek.

He was a swordsman, so he desired to get the Phoenix sword. In his view, he would be much stronger if he could get the Phoenix sword.

Lian Xun looked at Xiao Tian and asked, "Why didn't you call out for a price yet?"

"I'm still waiting." Xiao Tian replied, "Don't worry. I will keep my promise."

Everyone who sat on the first floor instantly looked at the person who just yelled out a price. Even though some of them still could compete, but they did not want to offend that person.

They believed that the people on the second floor had a strong background because not everyone could sit on the second floor.

Xiao Tian turned his head towards Lan Ruoxi and inquired, "Lady Lan, do you know that person?"

"No." Lan Ruoxi replied as she shook her head. "I have never seen him before."

Lan Ruoxi knew many famous and influential people in Shanghai, but she had never seen that person before.

"Crystal, what about you? Do you know him?" Xiao Tian inquired.

"No." like Lan Ruoxi, Crystal also had no idea who that person was.

"It seems like that person is not from Shanghai or he came to Shanghai not long ago." Lian Xun tried to remember who that person was, but he still didn't know anything about that person.

'Well, because I can't remember him, I'm sure he is unimportant person.'

Lian Xun had roamed in the martial arts world and met many people, so he believed the person who just called out a price was only a side character because he could not remember that person.

"Mr. Wu Tang has bid 140,000 Yuan. Is there anyone that wishes to raise the price?" Leng Nichang inquired.

After skimming his surroundings, Xiao Tian suspected that no one would raise the price.

'Why don't they raise the price again?'

Xiao Tian was sure many people still could raise the price because 140,000 Yuan was nothing to some of them.

When Leng Nichang saw that no one responded, she grabbed the small hammer on the table.

However, when she was about to tap the small hammer on the table, Xiao Tian yelled out a price..
"150,000 Yuan."

Chapter 946 - Mocking Wu Tang

8-11 minutes

Wu Tang was furious because Xiao Tian dared to yell out a price. Previously, he was already happy because he believed no one would dare to call out a price.

'Doesn't he know who I am?'

Rage nearly consumed Wu Tang.

"150,200." Because Wu Tang wanted to make sure that Xiao Tian would not dare to raise the price again, he looked at Xiao Tian with a terrifying gaze, hoping it was enough to scare Xiao Tian.

Because Wu Tang was sitting on the opposite side of him, Xiao Tian could see Wu Tang's terrifying gaze clearly.

'What is this? Do you think I will be afraid of you?'

Sure, Wu Tang's terrifying gaze could frighten ordinary martial artists, but it was nothing to Xiao Tian.

Xiao Tian was someone who had fought countless opponents since he started learning martial arts in his past life.

He even had fought against someone who was much scarier than Wu Tang, so Wu Tang's effort to scare Xiao Tian was utterly useless.

"151,000!" Xiao Tian yelled out a price before mocking Wu Tang with his face.

Wu Tang was angrier when Xiao Tian still dared to raise the price. But what annoyed him most was that Xiao Tian dared to mock him.

Wu Tang clenched his fist before speaking, "151,200!"

"154,000!" Right after Wu Tang yelled out a price, Xiao Tian raised it again.

Wu Tang was breathless with anger, and his hands were trembling with rage. He was enraged because Xiao Tian kept raising the price.

Not only did Xiao Tian ignore his warning, Xiao Tian even raised the price much higher every time he called out a price as if Xiao Tian wanted to show everyone how rich he was.

"154,200." Because Wu Tang desired to get the Phoenix sword, he still did not give up.

"160,000." Xiao Tian called out a price instantly.

"Xiao Tian, that person is angry at you." Crystal spoke abruptly.

"I know, but I don't care." Of course, Xiao Tian knew that Wu Tang was angry at him, but he did not show the slightest care about it.

"Are you not afraid of him?" Lian Xun asked curiously.

"Why should I be afraid of him? He is a human being like me." Even though there were ten Wu Tang, Xiao Tian would not feel afraid.

"It seems like young master Xiao will have another enemy later. Hehe." Lan Ruoxi giggled after saying it as if she was pleased that Xiao Tian would have another enemy.

"It seems so." Xiao Tian had fought many enemies since he was reincarnated into his current world, so having one more enemy was simply not a problem for him.

Wu Tang gritted his teeth as he stared at Xiao Tian. His eyes were like a snake that wanted to bite its prey.

Wu Tang then looked at his underling and asked, "Who is he?"

Wu Tang wanted to know who Xiao Tian was. Xiao Tian was still young, so he wanted to know where Xiao Tian's braveness came from.

"I don't know anything about him, leader." Wu Tang's underling, who was standing on his right side, responded.

Wu Tang then looked at his other underling and asked, "What about you? Do you know who he is?"

"If my memory isn't playing a trick on me, his name is Xiao Tian." Wu Tang's underling, who was standing on his left side, replied.

"Xiao Tian?" Wu Tang still didn't know who Xiao Tian was.

"He is a young man who is quite famous now because he managed to become a successful person in such a short time." Wu Tang's underling replied.

"I see." Wu Tang finally knew the reason why Xiao Tian could keep raising the price.

'It seems like he has a lot of money now.'

He added in his head.

"What about his background?" Wu Tang suddenly wanted to know Xiao Tian's background because it could be fatal for him if Xiao Tian were from a famous and strong family.

"He has no background." Wu Tang's underling answered instantly.

Wu Tang was pleased after hearing it. "Are you sure?"

"Yes. I had read about him in the magazine before, and it stated that his parents' families had abandoned him and his mother." Because Wu Tang's underling had never met Xiao Tian before, he had no idea that Xiao Tian was a gang leader.

Wu Tang's lips curled into a smirk.

'He is only an abandoned son. There is nothing to be afraid of.'

If Xiao Tian were from a strong family, he would not annoy Xiao Tian.

But because Xiao Tian was only an abandoned son, Wu Tang was not afraid of Xiao Tian. "160,200."

"170,000!" Xiao Tian called out a price instantly.

At this moment, Leng Nichang was pleased because Xiao Tian and Wu Tang kept raising the price. Of course, she knew that hatred had begun to rise within Wu Tang's body.

However, she did not show the slightest care about it and kept showing her charming smile.

As long as Xiao Tian and Wu Tang did not fight in Sun Auction House, she would pretend as if nothing had happened.

Like Wu Tang, almost everyone who was on the first floor wanted to know who Xiao Tian was. Sure, Xiao Tian was quite famous, but not everyone knew who he was.

"170,200." After calling out a price, Wu Tang looked at Xiao Tian. "Young man, don't call out for a price anymore if you don't want to be my enemy."

"180,000!" Xiao Tian uttered, "Do you think I am afraid of you? We are in the auction house now, not on the street. If you want to compete with me, use your money, not your words."

Wu Tang rose to his feet and pointed his right index finger at Xiao Tian. "Bastard, you do want to die?"

"Do you think you can kill me?" Xiao Tian said in a mocking voice.

When Wu Tang was about to walk towards Xiao Tian, Leng Nichang spoke, "Mr. Wu Tang, please remember that fighting is prohibited here. Otherwise, don't blame me for kicking you out later."

Wu Tang instantly sat on the couch again.

'Damn it!'

Wu Tang cursed in his heart.

The Sun Auction House was guarded by thirty martial artists, and all of them were martial artists at the master stage.

Not only that, some of them even held guns. If Wu Tang kept causing trouble in the Sun Auction House, he knew what would happen to him later.

Wu Tang clenched his fist tightly. "180,200!"

"190,000!" Xiao Tian uttered,

Wu Tang rose to his feet again and roared angrily. "Bastard, do you want to die so badly?"

Since Xiao Tian wanted to mock Wu Tang again, he decided to raise the price.

"195,000!" Xiao Tian had raised his family status to a mid-upper class family, so this amount of money was nothing to him.

"Bastard, I'm the leader of the Lion gang. Are you sure you want to be my enemy?" Wu Tang tried to scare Xiao Tian using his status as a leader of a gang.

"200,000!" Xiao Tian had never heard of the Lion gang, so he was sure it was only a small gang.

Wu Tang's face was red from anger. "Good, good. It seems like you don't know anything about my gang. My gang is ranked fourth in Shanghai, so it's easy for me to destroy your company later. Think carefully. Are you sure you want to be my enemy?"

"205,000!" even though Xiao Tian was startled by Wu Tang's words, he did not show it on his face.

'Rank fourth?!'

Xiao Tian remembered that the Hawk gang was the fourth-ranked gang because the Hawk gang lost the war against his gang last year.

'What happened to the Hawk gang? Haven't they already rebuilt their gang?'

Xiao Tian only knew that Ma Gen and the others decided to rebuild the Hawk gang. However, he knew nothing after that.

Lian Xun was pleased with Xiao Tian's behavior.

'This young man is not bad! I like his current behavior!'

Lian Xun was pleased when Xiao Tian kept mocking Wu Tang by raising the price every time Wu Tang roared angrily at Xiao Tian.

Wu Tang gritted his teeth.

'Should I call out a price again? But if I do that, I won't be able to bid on the items I want later.'

There were two items that Wu Tang wanted to get from the Sun Auction House. If he kept calling out for a price, he would not be able to get these items later.

His gang was a new gang, so they only had a small amount of money. And a few days ago, they spent a lot of money to buy weapons and other things.

Because Wu Tang didn't call out a price anymore, Leng Nichang inquired, "Mr. Wu Tang, do you still want to bid?"

"No!" sure, Wu Tang was interested in the Phoenix sword, but the items he wanted were more important for him and his gang.

'I will let you win now, Xiao Tian. And keep the sword safe because I will take it from you later.'

Because Xiao Tian kept mocking him, Wu Tang decided to teach Xiao Tian a lesson later.

Of course, he would also snatch the Phoenix sword from Xiao Tian later.

Leng Nichang then looked at the audience and spoke, "Is there anyone that wishes to raise the price?"

None of the audience wanted to call out for a price because it was already very expensive. The auction had just started, and there were still many items, so they decided to save their money first.

Since no one was bidding anymore, Leng Nichang hit her small hummer on the table. "Congratulation to Mr. Xiao Tian. You can take this sword later."

"Thank you." Xiao Tian smiled happily.

Chapter 947 - It's Nothing

8-10 minutes

"Now, we will be auctioning the next item." Leng Nichang's charming voice echoed in the hall.

As soon as Leng Nichang gave a sign, a waitress brought up a pair of silver gloves which were placed in a luxurious wooden box.

"This pair of silver gloves are called Zuxi gloves." Leng Nichang carefully held up the Zuxi gloves. "These Zuxi gloves are made of titanium and some other rare materials."

Leng Nichang then continued, "Not only are these gloves strong and light, but even an ordinary sword also would not be able to cut through these gloves. These gloves are perfect for martial artists who fight barehanded because with these gloves, they don't have to be afraid of swordsmen."

After hearing Leng Nichang's words, Xiao Tian was suddenly interested in the Zuxi gloves.

'This item is perfect for Chun Hua..'

Chun Hua fought barehanded, so Xiao Tian suddenly wanted to buy it for her.

When Lan Ruoxi saw Xiao Tian's expression, she immediately asked, "Are you interested in this item, young master Xiao?"

"Yes." Xiao Tian nodded his head, "This item is perfect for Chun Hua."

"Chun Hua? Is she your other lover?" Because Xiao Tian was a playboy, Lian Xun thought Chun Hua was one of Xiao Tian's women.

"She is my underling." Xiao Tian replied instantly.

'Why does this old man always think every woman I mention is my lover?'

Xiao Tian knew that he was a playboy, but he would not make every woman his lover.

"Your underling?" Lian Xun was startled by Xiao Tian's words. "I didn't expect you to care about your underlings too."

Xiao Tian's face instantly turned ugly.

'This old man is so annoying!'

He wanted to curse, but he suddenly remembered Lan Ruoxi.

'Calm down, calm down!'

Xiao Tian said in his head.

"Hehe." Lan Ruoxi and Crystal giggled when they saw Xiao Tian's face.

Like Xiao Tian, Wu Tang was also interested in Zuxi gloves. Zuxi gloves were one of the reasons why he came to the Sun Auction House.

His brother, Wu Hang, was a martial artist who fought barehanded. If he could get the Zuxi gloves for his brother, their gang would be much stronger later.

He and his brother always fought together. They were really powerful when they fought together. If his brother had these Zuxi gloves, they would be much stronger later.

And their dream of becoming the number one gang in Shanghai would be much easier to achieve.

'Whatever happens, I have to get these Zuxi gloves.'

Wu Tang was determined to get these Zuxi gloves no matter what.

After Leng Nichang described the item with her charming voice, the luxurious hall was filled with excitement again.

"Lady Leng Nichang, can you set the bottom price already?" one of the auctioneers impatiently yelled out.

While still showing her charming smile, Leng Nichang uttered, "The bottom price for these Zuxi gloves is 30,000 Yuan, and each increment must be at least 200 Yuan."

The price of the Zuxi gloves was the same as the price of the Phoenix sword because both items were made of special materials.

Like before, the price went up quickly, and within a couple of seconds, it got to 150,000 Yuan.

"170,000!" Wu Tang yelled out his price.

"It's him again!" several people on the first floor looked at Wu Tang annoyingly.

"I want these Zuxi gloves!" Wu Tang behaved as if he was the king in the Sun Auction House. "Everyone who dares to raise the price will be my enemy later."

A satisfied smile appeared on his face when he saw everyone's expressions.

'Good! With this, I can get these Zuxi gloves later.'

Wu Tang was sure no one dared to raise the price.

However, his happiness only lasted for two seconds because someone suddenly called out a price.

"200,000 Yuan."

Wu Tang instantly turned his head towards the source of the sound.

'Xiao Tian!'

Rage pulsed through his veins when he knew Xiao Tian yelled out his price.

"Xiao Tian, you already got Phoenix sword! Why do you still want these Zuxi gloves?" Wu Tang smoldered with resentment.

Previously, Xiao Tian also competed with him for the Phoenix sword, and because of Xiao Tian, he was unable to obtain the Phoenix sword.

He did not expect that Xiao Tian wanted to compete with him again.

"It's a good item, so of course, I also want it." Xiao Tian replied calmly. "Why? Do you want to threaten me again? You know it won't work, right?"

"201,000!" Wu Tang called out his price.

"220,000!" Xiao Tian raised the price to a whole new level.

Wu Tang gritted his teeth and clenched his fist before calling out his price, "221,000!"

"230,000!" like before, Xiao Tian raised the price to a whole new level.

Fury roared through Wu Tang's mind. However, he could not give up Zuxi gloves because it was related to his future gang. "231,000!"

"250,000!" Xiao Tian calmly yelled out his price.

"Xiao Tian!!" Wu Tang roared, causing his voice to reverberate in the hall of the Sun Auction House.

"300,000!" like what he did before, Xiao Tian raised the price again when Wu Tang roared in anger as if it was his way of mocking Wu Tang.

"Xiao Tian, I will kill you later!" Wu Tang did not care even if everyone heard his words because his body had been consumed by anger.

At that time, all he wanted to do was kill Xiao Tian. If the Sun Auction House was not guarded by thirty martial artists at the master stage, he would have already dashed towards Xiao Tian and killed Xiao Tian right there.

"350,000!" Xiao Tian still raised his price as if he did not hear anything.

"Young master Xiao, it seems like you really want these Zuxi gloves." Lan Ruoxi spoke abruptly. "You are even willing to pay more than the Phoenix sword."

"Of course, because these gloves are perfect for my underling." Xiao Tian repeated his previous answer. "Whatever happens, I will get these Zuxi gloves for Chun Hua."

"351,000!" Wu Tang's eyes were bloodshot.

Right after Wu Tang yelled out his price, Xiao Tian rose to his feet and clasped his hand. "Congratulation, Mr. Wu, for obtaining Zuxi gloves!"

*Silence...

The entire area turned into a dead silence.

Previously, everyone thought Xiao Tian would keep raising the price. They did not expect that he would suddenly stop bidding.

Xiao Tian even congratulated Wu Tang. However, everyone knew that it was a fake congratulation because anyone could tell that Xiao Tian was taunting Wu Tang.

"Hahaha..." the silence hall broke out after Lian Xun burst into waves of laughter.

He finally understood that all this time, Wu Tang had been played by Xiao Tian.

At this moment, black lines formed on Lan Ruoxi's forehead.

'Young master Xiao, what happened to your previous words? Didn't you say you would get these Zuxi gloves for Chun Hua? How can you give up so easily like this? You even congratulated Wu Tang?'

Like everyone, Lan Ruoxi thought Xiao Tian would keep raising the price because he said he would get these Zuxi gloves for Chun Hua.

"He is really evil!" Crystal stated after understanding everything.

Wu Tang finally realized that he had been played by Xiao Tian this entire time.

"I will kill you later, Xiao Tian!" Wu Tang mused, "No, I will torture you before killing you. It's the price for humiliating me!"

"Boss, calm down." Wu Tang's underlings tried to calm him down. "We will take our revenge later."

Wu Tang pressed down his anger and looked at the stunned Leng Nichang, "Lady Leng Nichang, should the auction end?"

Leng Nichang instantly smiled and lightly tapped the small hammer in her right hand. "The Zuxi Gloves item auction was won by Mr. Wu Tang."

After Xiao Tian sat down on the couch, Lan Ruoxi inquired, "Young master Xiao, didn't you say you would get these gloves for Chun Hua? Why did you let Wu Tang get these gloves? Your actions are different from your words."

"It's fine." Xiao Tian replied calmly. "I will bring my underlings to Lion's gang headquarters tomorrow. Hehe. I will teach that Wu Tang a lesson and destroy his gang later. That's why it doesn't matter if he gets those Zuxi gloves now because it will end up in my hands later."

"You are not bad, Xiao Tian." Lian Xun stated, "I like your method!"

"It's nothing. It's nothing! Elder Lian is overpraising me. I just want to lighten the mood because the atmosphere here is too tense." Xiao Tian smiled brightly as if there had never been any hatred between Xiao Tian and Lian Xun.

Chapter 948 - I Only Want To Be Your Lover

8-9 minutes

The auction continued, but nothing caught Xiao Tian's eye. The same thing happened to Lian Xun and the others.

As a result, Xiao Tian only played with Wu Tang, causing him to overpay the item. Because they had nothing to do, they immediately returned to Lian Xun's house after taking the Phoenix sword.

Actually, Wu Tang wanted to stop Xiao Tian and the others immediately, but he changed his mind after finding out who Lian Xun was.

Lian Xun's house, Front Yard.

"Old man, I have kept my promise. Now is the time for you to fulfill your promise." After getting into his car earlier, Xiao Tian immediately gave the Phoenix sword to Lian Xun.

"Fine. Wait here." Because Xiao Tian had fulfilled his promise, Lian Xun immediately entered his house to take Xiao Tian's sword.

Happiness shimmered inside Xiao Tian when Lian Xun kept his word.

Not long after that, Lian Xun returned to the front yard and gave the special sword to Xiao Tian. "Here, take it."

Xiao Tian instantly took the special sword before swinging it twice.

'Good! This sword is finally mine.'

Xiao Tian was pleased because, with this, he could always fight his opponent with a sword later.

Lian Xun then turned around to face Lan Ruoxi. "Ruoxi, take this."

"Thank you, elder Lian." Lan Ruoxi took the Phoenix sword with a smile on her face.

*Silence...

Lian Xun's actions much surprised Xiao Tian.

'Why did he give the Phoenix sword to my future lover? Is he interested in my future lover? But isn't he a friend of lady Lan's parents? Has he forgotten how old he is?'

Countless questions emerged in Xiao Tian's mind.

Like Xiao Tian, Crystal was also startled. Because she had no idea about the relationship between Lan Ruoxi and Lian Xun, Crystal also thought Lian Xun was interested in Lan Ruoxi.

'Is this the so-called second puberty?'

However, Crystal did not say anything and only stared at Lian Xun and Lan Ruoxi.

When Lian Xun saw the expression on the faces of Xiao Tian and Crystal, he knew what they had in mind. "Don't get me wrong. I gave this sword to Ruoxi because her mother is the owner of this Phoenix sword."

Xiao Tian and Crystal were startled again.

"What elder Lian said is right. This sword belongs to my mother." After saying that, Lan Ruoxi embraced the sword with a smile on her face as if the sword was her mother.

"Then, does that mean the genius woman they spoke of in the Sun Auction House earlier is your mother?" Crystal asked curiously.

When they were at the Sun Action House earlier, everyone talked about the owner of the Phoenix sword.

"Un." Lan Ruoxi nodded her head.

"You are right. That genius woman is her mother." Lian Xun added, "Her mother was famous in the past and this Phoenix sword was the sword that always accompanied her when she was roaming in the world of martial artists."

Xiao Tian was not as surprised as before when he heard Lian Xun's words. Lan Ruoxi was a genius in martial arts so it was normal if her mother was also a prodigy in martial arts.

'The Phoenix sword belongs to her mother. Then why did the sword end up in the auction house?'

Xiao Tian widened his eyes when he realized something.

"Lady Lan, did something happen to your mother in the past?" Since Xiao Tian wanted to confirm whether what he had in mind was true or not, he decided to ask it.

"No. My mother lost her sword when she traveled to Beijing a few years ago." Lan Ruoxi lied to him.

"Lady Lan, tell me honestly. Where is your mother right now? And is your mother alright?" Xiao Tian felt something was wrong with her answer and behavior.

What she said was different from the expression on her face.

Lian Xun said the Phoenix sword was always with her mother, so it should be impossible for the Phoenix sword to end up in the auction house.

Lan Ruoxi's mother was skilled in martial arts and she lost her sword a few years ago, so it should be impossible for her not to look for her sword.

Several reasons appeared in Xiao Tian's mind and there was one thing that bothered him the most.

He suspected that something bad had happened to Lan Ruoxi's mother and her mother's condition had not improved until now.

A trace of sadness flashed on Lan Ruoxi's eyes for a second.

'Why is he so smart?'

Lan Ruoxi knew that Xiao Tian was a clever young man, but sometimes, he was too smart, to the point it scared her.

He could understand everything easily and his guesses were often correct. It was as if he was God who knew everything.

At this moment, Lan Ruoxi still did not say anything.

'Should I tell him about it?'

Lan Ruoxi wavered whether she should tell the truth or not.

Because Lan Ruoxi still had not answered his question, Xiao Tian asked again, "Why are you not saying anything?"

When Lian Xun saw Lan Ruoxi's complicated face, he sighed. "Xiao Tian, don't ask this question anymore."

"Why? Can you tell me the reason?" Xiao Tian was even more certain that something bad had happened to Lan Ruoxi's mother.

However, he could not force Lan Ruoxi to answer his question because he did not want to make her sadder.

"First, you are too weak. And second, her enemy is no ordinary enemy. He is from a very strong family." Lian Xun spoke and paused for a second before he continued, "Even if you know everything, you won't be able to do anything."

Xiao Tian shifted his gaze from Lian Xun to Lan Ruoxi. "Is that true?"

Lan Ruoxi did not answer but she nodded her head, giving a sign that Lian Xun was not lying to him.

Xiao Tian finally understood everything.

'So this is the reason why she wants a lover who is stronger than her.'

Xiao Tian often asked Lan Ruoxi to be his lover, but she always refused and said he had to be stronger than her if he wanted to be her lover.

All this time, Xiao Tian thought it was only an excuse. But now he knew it was not an excuse because it was related to her family.

'She has many underlings who are skilled in martial arts. She even has a lot of connections and money. But I didn't think that she still can't do anything to her enemy with that much influence. Just who is her enemy?'

Countless questions appeared in his mind, but Xiao Tian didn't ask them because he knew that Lan Ruoxi and Lian Xun would not answer his questions.

Xiao Tian stood in front of Lan Ruoxi and held her hands. "Lady Lan, I promise to help you take revenge in the future. I know I am still weak and have nothing now, but I can promise you that I will become much stronger and have an undefeated army in the future."

Determination flashed in Xiao Tian's eyes.

Lan Ruoxi was his future lover and had helped him many times, so whatever happened, Xiao Tian was determined to help Lan Ruoxi get revenge.

He didn't care even if her enemy was from a very strong family. For her sake, he would do anything. He even would burn the world if he needed to.

"All you need to do is stay alive and always by my side. Let me handle everything later." At this moment, Xiao Tian was still holding Lan Ruoxi's hands.

Lan Ruoxi's giggled seductively. "Hehe. Stay alive and always by your side? Young master Xiao, are you trying to take advantage of the situation again? You even keep holding my hands. Do you want to bed me so badly?"

"His playboy side came out again." Crystal uttered,

"What a playboy!" Lian Xun spoke abruptly. "You should focus on getting stronger first before saying something like that. You even can't defeat me."

Xiao Tian turned his head towards Lian Xun before cursing venomously in his heart.

'Fuck!'

Because Xiao Tian did not want to argue with Lian Xun, he pretended as if he did not hear anything.

"I don't want to sleep with you. I only want to be your lover." Xiao Tian uttered, "So how about we officially become lovers now?"

Instead of answering immediately, Lan Ruoxi looked at Crystal and inquired, "Crystal, he wants you so badly, so how about you become his lover today?"

Chapter 949 - Mu Ai

7-9 minutes

Instead of answering Xiao Tian's question, Lan Ruoxi looked at Crystal and inquired, "Crystal, he wants you so badly, so how about you become his real lover now? He is young, successful, attractive, and skilled in martial arts. He is a perfect candidate to be a lover."

Lan Ruoxi knew that Xiao Tian and Crystal were only fake lovers because she overheard their conversation when Xiao Tian and Crystal revealed everything to Yu Shi.

"Not you too, Miss Lan." Crystal was startled by Lan Ruoxi's words. She did not expect that she wanted to match her with Xiao Tian too. "We just became friends not too long ago, so it's too soon for us to become lovers."

"Ho, too soon, huh?" actually, Lan Ruoxi was a little surprised by Crystal's words. "Does that mean you agree to be his lover in the future?"

Crystal could not answer it. Previously, she said what she had in mind without thinking twice, so she only realized what she had just said to Lan Ruoxi.

.

Lan Ruoxi turned her head towards Xiao Tian and spoke, "Young master Xiao, it seems like you will have an assassin lover in the future."

At this moment, Xiao Tian did not say anything and only stared at Crystal. The reason why he never seduced Crystal was that he was the one who wanted them to be friends.

Of course, he said he wanted them to be friends because they were enemies in the past. It would be strange if he suddenly wanted them to be lovers.

If they were not enemies in the past, Xiao Tian would say something else. At this moment, Xiao Tian and Crystal looked at each other without saying a word.

Xiao Tian could not behave like usual because the history of their relationship was quite complicated and unique.

Because the atmosphere suddenly became tense, Lan Ruoxi immediately spoke, "Let's go home now. I have something to do later."

"All right." Xiao Tian and Crystal replied in unison.

"What? You want to go home after getting the sword?! Where is your manner?" Lian Xun pretended to be annoyed.

"Elder Lian, we will definitely come again if we have free time." Lan Ruoxi answered instantly, "We love the scenery around your house, so of course, we will come to your house again in the future."

"Fine." Actually, Lian Xun only wanted to spend time with his disciple, but he could not say it.

After sending Lan Ruoxi home, Xiao Tian and Crystal immediately left.

"It seems like you are very happy now," Crystal spoke abruptly. "You even keep smiling."

Currently, Xiao Tian and Crystal were in his car.

"Yes." Xiao Tian gave an honest answer.

"So, now you ca-" Crystal stopped her words halfway when her stomach suddenly growled.

'So embarrassing!'

Crystal lowered her head.

"Hehe. Let's find something to eat." actually, Xiao Tian was also starving because they had not eaten anything since morning.

"Alright." Because Crystal was hungry, she agreed instantly.

"Where do you want to eat?" Xiao Tian inquired.

Coincidentally, Crystal saw a street vendor that had a lot of customers.

Crystal instantly pointed her right index finger at the street vendor and spoke, "Let's eat at that street vendor."

"All right." Actually, Xiao Tian was startled by her choice.

Usually, people would choose to eat at a famous restaurant, but Crystal did not do that. She chose to eat at a street vendor without caring about her image.

After parking the car, Xiao Tian and Crystal headed to the street vendor.

When the owner of the street vendor saw Xiao Tian and Crystal, she smiled, "Are you two hungry after the date?"

Xiao Tian and Crystal were stunned by the owner of the street vendor's words.

'How can she have thoughts like this? Do we look like a couple?'

Xiao Tian and Crystal exchanged a glance with each other.

"Young man, you should cherish your lover and never hurt her feelings." the owner of the street vendor uttered, "Your girlfriend is so gorgeous, but she did not complain when you brought her here. Usually, a young lady as pretty as her only wants to eat at a fancy restaurant. That's why you should cherish her."

"Thank you for the advice, elder." Xiao Tian thanked the owner of the street vendor.

"So what do you want to eat?" the elder inquired.

Xiao Tian looked at Crystal and inquired, "What do you want to eat, Crystal?"

After looking at the menu, Crystal replied, "I want lemon tea and grilled chicken."

Xiao Tian then returned his attention to the owner of the street vendor and spoke, "Elder, please give me two lemon teas and grilled chicken."

"All right." The elder replied.

Xiao Tian and Crystal instantly looked for an empty seat. After waiting for several minutes, the elder came with their orders in her hands.

After consuming the food, Xiao Tian spoke, "Crystal, how about we go for a walk in the park before going home?"

There was a park twenty meters from the street vendor. That was why Xiao Tian suddenly wanted to stroll in the park.

"All right." Crystal nodded.

After paying for the food, Xiao Tian and Crystal walked towards the park. As they were strolling in the park, Crystal suddenly saw a little girl around ten years old crying near the fountain.

Crystal rushed towards the little girl and inquired, "Little girl, why are you crying? Where are your parents?"

Xiao Tian, who was standing near Crystal, skimmed his surroundings.

'Where are her parents?'

Xiao Tian then squatted down in front of the little girl.

"Little girl, tell this big brother where are your parents?" Xiao Tian inquired.

The little girl looked at Xiao Tian and Crystal. "I don't know...sob...sob... I was with my mother earlier, but I don't know where my mother is now. Sob...Sob..."

Xiao Tian and Crystal exchanged a glance with each other.

'Let's help this little girl first.'

As if they could communicate through their eyes, Xiao Tian and Crystal nodded their heads at the same time.

Xiao Tian then held the little girl's right hand and spoke, "Let's find your mother together."

"Sob...alright...Sob...Sob..." the little girl replied while still crying.

"Little girl, what is your name?" Crystal inquired.

"Mu Ai." Mu Ai replied.

"Little Ai, what is your mother's name? And what kind of clothes does your mother wear?" Crystal asked questions about Mu Ai's mother because it would be hard to find Mu Ai's mother if they didn't know anything about her.

"My mother's name is Long Jingxian." Mu Ai responded, "She is wearing a blue jacket and white trousers."

"Little Ai, don't worry. We will find your mother later." Xiao Tian tried to calm Mu Ai.

"Un." Because Xiao Tian and Crystal were with her, Mu Ai stopped crying.

Then they began to look for Mu Ai's mother. However, Mu Ai suddenly stopped her footsteps.

Xiao Tian and Crystal were startled by her actions and stopped their footsteps in reflex.

'Did she see her mother?'

Xiao Tian and Crystal then looked in the direction that Mu Ai was looking at.

But because there were a lot of people in the area that Mu Ai was looking at, Xiao Tian didn't know whether one of them was Mu Ai's mother or not. "Little Ai, did you see your mother?"

Chapter 950 - Long Jingxian

8-10 minutes

But because there were many people in the area that Mu Ai was looking at, Xiao Tian didn't know whether one of them was Mu Ai's mother or not. "Little Ai, did you see your mother?"

Mu Ai only turned her head towards Xiao Tian without saying a single word.

'I want ice cream.'

The reason why Mu Ai suddenly stopped her footsteps was that she wanted ice cream when she saw an ice cream stall.

However, she did not dare to say it to Xiao Tian.

Xiao Tian, who didn't know what Mu Ai had in mind, shifted his gaze from Mu Ai to Crystal. "Crystal, do you know why she suddenly stopped her footsteps?"

Xiao Tian had never taken care of children, so he could not guess their way of thinking. This was the main reason why he still could not win Feng Yu's heart because children's hearts were complicated in his eyes.

.

Crystal shook her head. She was also like Xiao Tian; she never took care of children.

Because Crystal was also clueless like him, Xiao Tian returned his attention to Mu Ai. "Little Ai, can you tell big brother why you suddenly stopped here?"

Like before, Mu Ai did not say anything and kept shifting her gaze from Xiao Tian to the ice cream stall.

Crystal and Xiao Tian were confused!

As Xiao Tian and Crystal were trying to find the reason why Mu Ai suddenly stopped her footsteps, a voice suddenly rang out from Xiao Tian's right side. "Young man, your daughter wants ice cream."

Xiao Tian and Crystal instantly turned their heads towards the source of the sound.

'Was he the one who just spoke?'

Xiao Tian saw an old man about sixty years old walking closer towards him.

"Do you still not understand? Your daughter is looking at the ice cream stall." The old man pointed his right index finger at the ice cream stall.

Xiao Tian and Crystal did see an ice cream stall in the area where Mu Ai was looking at.

Xiao Tian then looked at Mu Ai and inquired, "Little Ai, do you want ice cream?"

Like before, Mu Ai did not answer his question and only lowered her head.

"Young man, I know you are a young father, but you should not be like this or else other people will think you are a bad father later. Spend more time with your daughter so that you can understand more about her." after saying that, the old man squatted down in front of Mu Ai. "Little girl, why don't you tell your father what you want?"

Xiao Tian and Crystal exchanged a glance with each other again.

'Daughter?!'

They finally realized that the old man in front of them misunderstood something.

He misunderstood them as a young married couple!

Previously, Xiao Tian and Crystal focused on Mu Ai, so they didn't pay attention to the old man's words.

But now they knew that the old man thought Mu Ai was their daughter.

'Do we look like a young married couple?'

That was the question that appeared in their minds.

Because Xiao Tian wanted to clear up the misunderstanding, he immediately spoke, "Elder, she is not ou-"

However, before Xiao Tian had finished his words, he was interrupted by the elder. "It's fine, it's fine. I can understand it. Just spend more time with your daughter in the future. Now, hurry up and bring your daughter to that ice cream stall. She wants an ice cream so badly."

".....All right." It took Xiao Tian three seconds before he answered. "Little Ai, let's buy ice cream."

"Thank you, elder." Crystal uttered,

The elder smiled softly before answering, "Don't forget to spend more time with your daughter."

'What attractive young married couple! And that little girl is also adorable. I'm sure she will become a gorgeous woman like her mother in the future.'

The old man turned around before walking again.

"Little Ai, if you want something, just say it." Xiao Tian uttered, "Don't worry. Big brother has a lot of money."

"I'm sorry." Mu Ai could only apologize.

Xiao Tian gently stroked Mu Ai's hair before smiling softly, "It's fine. You don't need to apologize."

When they were in front of the ice cream stall, the owner looked at Mu Ai and smiled softly, "Little girl, are you on vacation with your parents?"

'Again?!'

Xiao Tian shouted in his head.

'What's wrong with all old people nowadays?!'

It was the third time people had misunderstood his relationship with Crystal.

Like Xiao Tian, Crystal was also startled. However, she did not say anything and only looked at Xiao Tian.

'Do we really look like a young married couple?'

The same question appeared in her mind again.

"Little girl, tell this grandma what flavor do you like?" the owner of the ice cream stall inquired, "Chocolate, strawberry, or vanilla? Or do you want the other flavor?"

When Mu Ai looked at Xiao Tian, he smiled before speaking, "Choose whatever flavor you like. You can also buy as many as you want."

"Oh. It seems like your father really loves you." the elder said after seeing Xiao Tian's gently and caring behavior.

Xiao Tian decided to ignore the elder's words. Like Xiao Tian, Crystal also did not try to clear up the misunderstanding.

Mu Ai pointed her little index finger forwards and spoke, "I want strawberry and vanilla ice cream."

Xiao Tian then looked at the stall's owner again. "Elder, please give her one strawberry and vanilla ice cream."

"All right." After saying that, the elder gave two ice creams to Mu Ai. "Little girl, here are your ice creams."

Xiao Tian then lifted Mu Ai's small body so that she could take the ice cream.

After taking the ice cream with her small hands, Mu Ai spoke, "Thank you, grandma."

"Yes." the elder smiled softly.

Then they began to look for Mu Ai's mother again.

When Mu Ai saw a woman who was tall and pretty, she shouted immediately, "Mother!"

Xiao Tian and Crystal immediately looked in the direction that Mu Ai was looking at.

'Is she Mu Ai's mother?'

They immediately followed Mu Ai when she suddenly ran towards a gorgeous lady. This attractive lady was Long Jingxian, Mu Ai's mother.

"Little Ai!" the gorgeous lady instantly hugged Mu Ai's small body. "I was so afraid earlier."

At this moment, Xiao Tian and Crystal only stood behind Mu Ai without saying a word. They were relieved because they finally could find Long Jingxian.

'She is her mother?!'

When Xiao Tian saw Long Jingxian from up close, he was sure she was about thirty-three years old.

Long Jingxian had a pair of extremely beautiful blue-violet eyes and a delicate oval face. Beautiful black hair was flowing down on her shoulders.

Not only that, but she also had a slender body with noticeably big breasts. Xiao Tian was sure Long Jingxian was very popular.

Long Jingxian instantly rose to her feet before bowing slightly. "Thank you for helping me find my daughter."

"You are welcome." Xiao Tian and Crystal replied in unison.

Long Jingxian then looked at Mu Ai and spoke, "Little Ai, say thank you to big brother and big sister."

"Thank you, big brother. Thank you, big sister." Mu Ai bowed after saying that.

*Fall...

Because she was bowing too low, her two ice creams fell to the ground.

"Sob...Sob... my ice cream...." Mu Ai's blue-violet eyes suddenly flooded with tears.

Long Jingxian suddenly tried to calm her daughter. "Don't cry. We will buy ice cream again."

"Really?" after hearing her mother's words, Mu Ai rubbed her eyes and tried her best not to cry again.

'Cute! She is really cute!'

Xiao Tian said in his head.

The way Mu Ai tried her best not to cry was so adorable in his eyes.

'I hope my future daughter is as adorable as her.'

Xiao Tian suddenly hoped his future daughter would be as cute as Mu Ai.

"Yes. We will buy ice cream again later." Long Jingxian wiped off Mu Ai's tears.

"Un. Let's buy now." Mu Ai responded.

"Once again, thank you for helping me find my daughter." After saying that, Long Jingxian and her daughter walked towards the ice cream stall.

Xiao Tian and Crystal then sat on the wooden bench near the fountain. As he was talking with Crystal, suddenly his smartphone rang.

'Oh! A message from lady Lan?'

When Xiao Tian opened the message, he was startled.
