Chapter 951 - Going To Lion Gang Headquarters

After arriving home, Lan Ruoxi changed her clothes and traveled to the Autumn Restaurant.

The reason why she went to the Autumn Restaurant was that she wanted to discuss something with her business partner.

They discussed their cooperation for about an hour before they finally left.

But when Lan Ruoxi was walking out of the Autumn Restaurant, she saw a little girl selling roses. Lan Ruoxi was a kind and caring lady, so she was sad when she saw a little girl trying to earn money.

For this reason, Lan Ruoxi walked towards the little girl and bought all the roses. She even gave extra money to the little girl, hoping that she could make the little girl happy.

However, something unexpected happened to her. Lan Ruoxi suddenly felt dizzy after sniffing the roses.

.

She tried to call her underlings, but she fainted before taking her smartphone out of her bag.

Not long after that, two young men suddenly walked towards her and put her into their car.

Lion Gang Headquarters, Front Yard.

A white car stopped in front of the Lion gang headquarters. Two young men suddenly came out of the vehicle while carrying a woman.

The woman had a pretty face and a sexy body. But something was off about that woman. She was unconscious. That young lady was none other than Lan Ruoxi.

At this moment, Wu Tang suddenly appeared in front of them and smiled happily. "Good job! Now take her inside and tie her to a chair."

"Understood, leader." Wu Tang's underlings responded in unison.

Wu Tang's lips curled into a grin when he saw Lan Ruoxi.

'Xiao Tian, your lover is in my hand now!'

Wu Tang really hated Xiao Tian because Xiao Tian humiliated him many times earlier.

At first, he wanted to teach Xiao Tian a lesson immediately, but he changed his mind when he remembered about Lan Ruoxi.

Wu Tang thought it would be much easier to beat Xiao Tian if he took Xiao Tian's girlfriend as a hostage. That was why he decided to kidnap Lan Ruoxi.

After tying Lan Ruoxi to a chair, Wu Tang took Lan Ruoxi's smartphone and sent a message to Xiao Tian.

Of course, he also sent a picture of Lan Ruoxi being tied to a chair to Xiao Tian because, with this, Xiao Tian would come to his base immediately.

Wu Tang also ordered all his underlings to stay on guard and immediately beat up Xiao Tian if they saw him later.

Xiao Tian clenched his fists, and a terrifying light flashed across his black eyes. He was about to explode with rage after finding out what was happening to Lan Ruoxi.

Lan Ruoxi was a martial artist at the grandmaster stage, so he did not expect that Wu Tang would manage to kidnap her.

When Crystal saw his expression, she was startled. "Xiao Tian, what's wrong?"

Xiao Tian showed the picture of Lan Ruoxi being tied to a chair. "Someone is kidnaping lady Lan."

A wave of fury crashed through Crystal. Crystal was enraged after learning someone was kidnaping Lan Ruoxi.

Lan Ruoxi had helped her once, and she had a good relationship with Lan Ruoxi, so she could not press down her anger. "Let's save her now!"

Xiao Tian then called Chun Hua. "Chun Hua, gather everyone now! We will have a war tonight!"

The expression of deep shock blossomed on Chun Hua's face. It was already 05:10 pm, and Xiao Tian suddenly said they would have a war.

'Just what is going on? Who is causing trouble for him now? is that his old enemy?'

Countless questions appeared in her mind.

"All right." Chun Hua knew that Xiao Tian was enraged because his words were filled with coldness.

Because Crystal always carried her daggers, they immediately traveled to the Blue Ice Lotus gang headquarters.

Blue Ice Lotus Gang Headquarters, Front Yard.

"What's going on? Why did our leader suddenly gather us like this?"

"I don't know."

"Did something bad happen to someone he cares about?"

"It seems so."

"Does that mean we will be fighting a few people later?"

"Idiot, our leader gathered us all here so we won't just fight a few people. We are going to have another war later."

"Oh! War?!"

"Ohhh! Another war! I like this!"

"Yeah, me too."

"My hands are trembling in excitement now."

"All we did in the past few months was just practice martial arts every day. We are finally going to beat someone now. I'm so excited!"

As usual, Xiao Tian's underlings were excited when they knew that they would have another war.

They really liked war because they preferred group fights to one-on-one battles.

They kept talking excitedly and only stopped when Xiao Tian and Crystal walked towards them.

"Sir, everyone is already here." Chun Hua spoke when she saw Xiao Tian.

"Boss, why are you gathering us at this time?" Mu Huo inquired.

"Senior brother, did someone cause trouble for you again?" Ren Aoxu also did not understand anything.

"It's the Lion gang!" Xiao Tian's every single word was filled with coldness.

"Lion gang?!" Ren Aoxu, Chun Hua and Mu Huo were startled.

"Yes." after saying that, Xiao Tian looked at his underlings. "I know you all want to know why I suddenly ordered all of you to gather here at this time. I will tell you the reason now. It's because the Lion gang has kidnapped lady Lan."

Like before, every single word that came out of his mouth was filled with coldness and hatred.

"Lion gang?"

"Is there a gang named Lion gang in Shanghai?"

"Is it a new gang?"

"Maybe."

Many of Xiao Tian's underlings never heard about the Lion gang because the Lion gang was a new gang.

Xiao Tian then looked at Chun Hua and inquired, "Chun Hua, do you know about the Lion gang?"

"I know." Chun Hua replied.

"Explain it to everyone." Xiao Tian also wanted to know about the Lion gang.

"Let me tell you about the Lion gang." Chun Hua shouted, "The Lion Gang is new gang, and the leader's name is Wu Tang. They have seventy members, and most of them are martial artists at the low-level master stage."

Chun Hua then continued, "Even though it's a new gang, we can't underestimate them because they defeated the Hawk gang last month and are now ranked fourth, replacing the Hawk gang. The location of the Lion gang is not far from the Hawk gang headquarters."

"Ah, so it's a new gang!"

"No wonder I've never heard of this Lion gang."

"So we're going to bully a new gang, huh?"

"Well, at least we can beat someone later."

"You are damn right!"

Xiao Tian's underlings finally knew about the Lion gang.

Chun Hua then looked at Xiao Tian and inquired, "Sir, what is your plan?"

"We will not use any plan this time. We will fight them head-on." Xiao Tian was sure they could destroy the Lion gang, so he didn't plan anything.

Chun Hua was startled because, usually, Xiao Tian always planned things out.

Xiao Tian then returned his attention to his underlings and spoke, "Let's go to Lion gang now."

Without waiting for another second, they traveled to the Lion gang. After several minutes, they finally arrived at the Lion gang headquarters.

'What?'

They saw something unexpected after they arrived at the Lion gang headquarters.

Chapter 952 - They Are In The Backyard

8-10 minutes

When Xiao Tian and the others arrived at the Lion gang headquarters, they saw something unexpected.

'What?'

The expression of deep shock blossomed on their faces.

They found it hard to believe what they were seeing. Some of Xiao Tian's underlings even rubbed their eyes to confirm whether their eyes were playing tricks on them or not.

"Oi. Did you see what I see?"

"Yes."

"What's going on here?"

"I don't know."

.

"Who beat them like this?"

Xiao Tian's underlings were shocked when they saw all the Lion gang members lying on the ground.

Their bodies were covered in blood and bruises. Not only were some of their body parts broken, some of them even died.

Like his underlings, Xiao Tian was also shocked.

'Who did this?'

Xiao Tian kept looking at the Lion gang members.

He had brought all his underlings to destroy the Lion gang, but he didn't expect someone to do it faster than him.

Terror overtook their faces when the Lion gang members who were still conscious saw Xiao Tian and underlings.

Previously, they had prepared to beat Xiao Tian and his underlings, but they did not expect that a group of martial artists would suddenly come and beat them ruthlessly.

Now they could not do anything to Xiao Tian because they were in a pitiful state. Not only were many of them still unconscious, but some of them also had even died.

If they tried to fight Xiao Tian, even a kid would know the result. No, they would not dare to have such wild thoughts because they even could not stand up.

"Damn it! I thought I could beat someone today!"

"I'm annoyed too. I was really excited before because I thought I could beat someone after practicing martial arts for a few months."

"Me too. I thought I could test my new skill today."

"But now our efforts to come here are in vain."

"Damn it! I can't accept this?"

"Agggghhh. I'm furious!" one of Xiao Tian's underlings, who had yellow hair walked towards the Lion gang members.

"Oi, what do you want to do?" one of the Blue Ice Lotus gang members inquired.

At this moment, Xiao Tian turned his head to look at the yellow-haired woman.

'What does she want to do?'

Xiao Tian was a little surprised when he saw the yellow-haired girl walking towards the Lion gang member who was still conscious.

"I want to vent my anger!" The yellow-haired girl immediately answered. "I will beat up all the Lion gang members who are still conscious."

"Oh. That's an excellent idea!"

"Why didn't I think of this before?"

"She is right. With this, our efforts to come to this place will not be in vain."

"I will do that too."

"Me too."

Several members of the Blue Ice Lotus gang suddenly walked towards the Lion gang members who were still conscious.

"Aaaahgggghhhhh."

"Aaaahgggghhhhh."

"Aaaahgggghhhhh."

"Aaaahgggghhhhh."

The front yard of the Lion gang's headquarters was suddenly filled with the screams of the Lion gang members.

Xiao Tian did not stop his underlings and only stared at them. The Lion gang dared to cause trouble for him, so there was no pity in his eyes.

At this moment, twelve people suddenly walked out of the Lion gang headquarters.

Xiao Tian and his underlings instantly turned their heads towards these people. When he knew who they were, Xiao Tian immediately walked towards them.

"Lady Lan, are you alright?" Xiao Tian's face was full of worry.

The people who had just walked out of the Lion gang's headquarters were Lian Xun, Lan Ruoxi and her ten underlings.

"Oh! So they are the ones who beat up the Lion gang members." Xiao Tian's underlings finally knew the people who beat up the Lion gang members viciously.

"Young master Xiao, you have come?!" Lan Ruoxi knew why Xiao Tian was in the Lion gang headquarters because Xiao Tian was the reason why Wu Tang ordered his underlings to kidnap her.

When Lian Xun saw Xiao Tian's underlings, he immediately spoke, "So, they are your underlings, huh? Not bad, not bad."

'He is still young but already has over a hundred underlings. it's not a bad start.'

He added in his mind.

At this moment, a few of Xiao Tian's underlings also walked towards them.

"How could something like this happen to you?" Xiao Tian asked curiously.

Lan Ruoxi was a powerful martial artist, so Xiao Tian wanted to know how the Lion gang managed to kidnap her.

"They used a child." Lan Ruoxi replied, "I bought a rose from a child, and when I sniffed the rose, my head suddenly got dizzy, and I immediately fainted not long after that."

"I see." Xiao Tian finally knew everything.

When Lan Ruoxi saw Crystal, she immediately smiled, "Crystal, you also came?!"

Lan Ruoxi could understand if Xiao Tian came with his underlings. But she did not expect that Crystal would come with Xiao Tian.

"Yes." Crystal replied. "I happened to be with him when he found out you were kidnapped."

"Oh right. What happened to that Wu Tang?" Xiao Tian inquired.

Before Lan Ruoxi could answer Xiao Tian's question, Lian Xun replied, "I crippled him. He won't be able to become a martial artist again in the future."

Xiao Tian then looked at Chun Hua. Even though Xiao Tian did not say anything, Chun Hua knew what she had to do.

She wasted no time and immediately entered the Lion gang base. Yes. She knew that Xiao Tian wanted to torture Wu Tang later.

"What do you want to do?" Lan Ruoxi inquired.

"My underlings are upset that they can't beat the Lion gang, so I want to take Wu Tang to my gang's headquarters." after saying that, Xiao Tian turned his head towards his underlings. "You all want a new toy, right?"

Of course, Xiao Tian would not forgive Wu Tang easily. Wu Tang dared to kidnap Lan Ruoxi, so he would let his underlings' torture Wu Tang later.

"You are damn right, leader. We really want new a new toy." Xiao Tian's underlings knew what he had in mind.

Lan Ruoxi and the others were at a loss for words.

'So cruel! Wu Tang has been crippled, and he still wants to torture Wu Tang?!'

Even though Lan Ruoxi and the others knew Xiao Tian's intentions, none of them said a word because they were also angry at Wu Tang.

"Oh right, young master Xiao. You want this, right?" Lan Ruoxi gave Zuxi gloves to Xiao Tian.

After beating up Wu Tang, Lan Ruoxi immediately looked for Zuxi gloves because she knew Xiao Tian wanted it.

She already had the Phoenix sword, so Lan Ruoxi didn't need Zuxi's gloves. That was why she gave the Zuxi gloves to Xiao Tian.

"Thank you, lady Lan." Xiao Tian took the Zuxi gloves immediately.

'Good! I finally got these Zuxi gloves. With this, Chun Hua will be much stronger later.'

He would give Zuxi gloves to Chun Hua later.

"Let's leave now." Lan Ruoxi did not want to be in the Lion gang any longer.

"All right." Xiao Tian replied.

On his way to the Blue Ice Lotus gang headquarters, Xiao Tian gave the Zuxi gloves to Chun Hua. She was pleasantly surprised when she found out what Zuxi gloves were.

Happiness swelled within her when she saw Zuxi gloves in her hands.

She knew that Xiao Tian always treated them nicely, but she still did not expect Xiao Tian to give her a precious item like Zuxi gloves.

'With these Zuxi gloves, I don't have to be afraid of martial artists who use weapons.'

Chun Hua was a martial artist who fought barehanded, so Zuxi gloves would greatly help her in the fight.

Xiao Tian only spent in his base for about fifteen minutes before he finally went to the Red Flower Bar.

After spending time at the Red Flower bar for about twenty minutes, Xiao Tian and Crystal went home.

"I'm home." Xiao Tian spoke after entering his house.

Xiao Tian was startled when he stepped into the family room because he only saw Feng Yu in the family room.

"Where are your mother and the others?" Xiao Tian asked after sitting on her right side.

"They are in the backyard." Feng Yu replied while still watching TV.

"Why are you here alone? Why aren't you with them?" Xiao Tian asked again.

"I want to watch my favorite anime." Feng Yu gave an honest answer. "Oh right, Xiao Tian. I've always been curious about this. why don't you impregnate your women?"

Chapter 953 - I'm Going There Now

7-8 minutes

"Xiao Tian, why don't you impregnate your women?" Feng Yu knew that Xiao Tian often had sex with his women.

Sometimes, she even heard his women's moans. With how often they did it, Feng Yu wondered why none of his women had gotten pregnant until now.

Her words much surprised him. Xiao Tian did not expect her to say something like that.

Yes. Xiao Tian did not expect a twelve-year-old kid to say something that a kid should not say.

'What is this? Does she want me to impregnate her mother? And how could she ask something like this with a straight face? Wait. Is she lonely?'

Countless questions emerged in his head.

.

Xiao Tian knew that Feng Yu was the only child in his house, so he suddenly thought that she was lonely.

"But we are still not married, so I can't get them pregnant right now." Xiao Tian made an excuse.

"But they are living together with you now." Feng Yu replied instantly. "And there are a lot of couples who already have children before getting married first."

Xiao Tian was shocked again.

"What? Are you lonely?" Xiao Tian asked as he teased Feng Yu.

Feng Yu glanced at him before returning her attention to the TV. "You were always busy with your women and never spent time with me. Anyone would feel lonely if they were alone in a big house like me."

"Hoh? So, how about I find a new girlfriend who already has a child later?" Xiao Tian asked jokingly.

"That's actually a good idea!" Feng Yu just wanted to have someone to talk to, so she agreed with his idea. "And it would be better if her child is around my age."

Even though Xiao Tian was startled by her answer, but he was pleased. "Good! I will do my best to find a new girlfriend who has a child around your age later."

At this moment, Liu Ning and the others returned to the family room.

"What are you talking about?" Liu Ning inquired.

"Ning'er, come here and sit between my legs." Xiao Tian spoke when he saw Liu Ning.

But instead of sitting between Xiao Tian's legs, Liu Ning sat next to Feng Yu. "Little Yu, what are you talking about?"

"I told him I was lonely and wanted him to get all of you pregnant so that I would have someone to talk to later." Feng Yu gave an honest answer.

"Yu'er, watch your words!" Lin Xing Xue was unhappy with her daughter's words.

"Why?" Feng Yu asked, "Mother, I'm not deaf. I could hear everything."

Lin Xing Xue could not say anything after hearing her daughter's words.

She knew that her daughter had heard her moans but hearing it from Feng Yu's mouth directly made her feel as if she had failed as a mother.

Shi Fei instantly sat between Xiao Tian's legs and spoke, "Little brother, how about you impregnate me today?"

"Fei!" Ye Qingyu raised her voice.

"Ops!" Shi Fei covered her mouth with her right hand. "So, what is your answer, little brother?"

Instead of answering Shi Fei's question immediately, Xiao Tian pinched her nose and spoke, "Did you forget that you have to call me big brother today?"

Xiao Tian had won a bet with Shi Fei earlier, so she had to call him big brother for the whole day.

"Big brother, what is your answer?" Shi Fei repeated her question.

Shi Fei forgot that she lost the bet earlier. That was why she called Xiao Tian little brother like usual.

"I said I would find a new girlfriend who already has a kid around her age so that she won't be lonely anymore later." Xiao Tian gave an honest answer.

Liu Ning and the others exchanged a glance before sighing. Xiao Tian was a playboy, so they knew that he would have a new lover in the future.

'Well, as long as he keeps loving me, I'm fine with it.'

These were the words that appeared in their minds.

Ye Xueyin then sat next to Xiao Tian before speaking, "Tian, how about you impregnate me now?"

"Good idea!" after saying that, Xiao Tian made Shi Fei stand up before carrying Ye Xueyin in a princess style. "Let's go now."

"Un." Ye Xueyin nodded her head happily.

Because Lin Xing Xue did not want her daughter to hear Ye Xueyin's moans, she immediately spoke, "Yu'er, let's head to the backyard now."

When her mother and the others dragged her to the backyard, Feng Yu was unhappy because she still wanted to watch her favorite anime.

'Sigh. Why did you drag me to the backyard? It's not like I've never heard her moan before.'

Feng Yu could not do anything when her mother dragged her to the backyard.

After Xiao Tian and Ye Xueyin stepped into his room, they immediately had wild sex. They had sex for about an hour before finally, they stopped.

"Tian, when are you going to let me stop taking birth control pills?" the reason why she never got pregnant was that she was always taking birth control pills.

Currently, Xiao Tian and Ye Xueyin were lying on the bed, naked. As usual, Ye Xueyin was lying prone on top of Xiao Tian's body with his cock still in her wet pussy.

"It's still not the right time to have children." Xiao Tian replied, "But don't worry. We will have many children in the future."

Xiao Tian was still not ready to have children. There were several reasons for this. And one of the reasons was that he still did not know how to take care of a child.

He was afraid that he would become a bad father later. That was why Xiao Tian kept telling them not to stop taking birth control pills.

"But, mother is already thirty-six years old now." Ye Xueyin was afraid that she would not be able to get pregnant because of her age later.

She was not as young as his other women, so she wanted him to impregnate her immediately.

"I forgot about this. I thought mother was still twenty years old because mother still looked young and beautiful." Of course, Xiao Tian did not forget to praise his mother.

"Yes, yes. Mother is still twenty years old." contentment filled her heart when Xiao Tian praised her beauty. "Mother is much much younger than Qingyu. Hehe."

Ye Xueyin giggled cutely. Even though she had no idea whether Xiao Tian was telling the truth or not, it still made her happy.

"Let's sleep now." Xiao Tian changed the topic.

"Un." Ye Xueyin nodded her head.

Then they slept.

The following morning, Xiao Tian went to Eternal Beauty company after having breakfast with his women.

But when he was working, his smartphone suddenly rang.

Xiao Tian instantly picked up the phone when he knew the person who was calling him. "Hello, big sister Yun."

"Xiao Tian, it's me Xin Er's manager." Fu Rou used Yun Xin Er's phone to call him. "Xin Er is in hospital right now. Can you visit her now?"

Xiao Tian's face turned worried, and he immediately walked towards the parking lot. "Tell me where she is now? And also tell me the name of the hospital."

"She is being treated in Life Hospital, Hong Kong." Fu Ruo replied.

"I'm going there now." Xiao Tian then went to the airport.

Chapter 954 - This Big Sister Will Spoil You Now

6-8 minutes

After Xiao Tian arrived in Hong Kong, he went straight to Life Hospital. Like before, his face was still full of worry.

On the way to the Life hospital, countless questions appeared in his mind. He wanted to know the reason why Yun Xin Er was in the hospital.

Previously, he forgot to ask Fu Ruo about it because he was too worried and went straight to the airport.

'Is she overworked?'

Xiao Tian knew that Yun Xin Er was doing a concert tour in several cities in China.

After arriving at the Life Hospital, Xiao Tian headed to the VIP patient room, the room where Yun Xin Er was being treated.

*Click...

Xiao Tian opened the door..

The VIP room was quite big and luxurious. A long grey sofa was placed on the right side of the patient's bed, with a small wooden table in front of it.

Two accent chairs were placed on the other side of the patient bed. But what made this patient room special was that the patient could see the beauty of Hong Kong from the patient room.

Yes. There were two huge windows behind the accent chairs, and anyone could see the beauty of Hong Kong through the windows.

However, Xiao Tian did not care about the room because he was still worried about Yun Xin Er's condition.

Yun Xin Er, who was sitting on the bed, turned her head towards the source of the sound.

The expression of deep shock blossomed on her face when she saw Xiao Tian in the hospital. "Little brother, why are y-"

When Xiao Tian saw Yun Xin Er's pale and tired face, sadness glowed inside him. "Big sister Yun, what happened to you?"

Instead of answering his question, Yun Xin Er asked, "Why are you here? And how did you know I'm being treated here?"

Before Xiao Tian could answer her question, Fu Ruo, who was sitting on Xiao Tian's left side, replied, "I was the one who called him earlier."

Yun Xin Er was startled. She did not expect that her manager would call Xiao Tian.

But what made her the happiest was that Xiao Tian was willing to go to Hong Kong when he found out that she was hospitalized.

If Yun Xin Er was not important to Xiao Tian, she was sure he would not have gone to Hong Kong just to visit her because the distance between Shanghai and Hong Kong was far.

Because Fu Ruo wanted to give Xiao Tian some alone time with Yun Xin Er, she rose to her feet and spoke, "I want to eat first. I haven't eaten anything since last night. Xiao Tian, I will leave Xin Er in your care now."

Xiao Tian turned his head towards Fu Ruo and replied, "Un. Just eat. You don't need to worry about her."

"All right." After saying that, Fu Ruo walked out of the patient room.

Xiao Tian then returned his attention to Yun Xin Er and asked, "How did you end up in a hospital like this?"

"I passed out right after the concert." Yun Xin Er fainted after she finished singing the last song.

Xiao Tian flicked Yun Xin Er's forehead gently before speaking, "Didn't I tell you to take care of your health?"

"I was so busy so I could not care good care of my health." Due to how busy she was, Yun Xin Er was unable to take care of herself.

"Little brother, you look really worried. You even came to Hong Kong when you found out I was in the hospital. Hehe." Yun Xin Er giggled happily after saying that.

Xiao Tian pinched her nose before smiling, "Silly girl. How could I not be worried when I found out you were in the hospital? I will have a short life if you keep making me worry like this, you know?"

Yun Xin Er then took the fresh-cut fruits and spoke, "Little brother, feed me. This big sister's body is still weak right now, so she needs someone to feed her."

Xiao Tian smiled softly before taking the plat that was full of fresh-cut fruits. "What a spoiled woman!"

"Hehe." happiness shimmered inside her, and her mood lightened when Xiao Tian was feeding her the fruits.

Yun Xin Er suddenly thought it would not be bad to be hospitalized because Xiao Tian kept showing his caring attitude as if she was the woman he loved the most.

Yun Xin Er then patted the bed and spoke, "Little brother, come here and sit next to me."

"I can't do that. The nurse will be angry at me if she sees me later." Xiao Tian refused to sit on the bed because it was for the patient.

"It's okay. We haven't seen each other in almost a month, so I know you miss me a lot. Come here. Big sister is going to spoil you now." actually, it was Yun Xin Er who wanted to cuddle with Xiao Tian.

It had been almost a month since she started her concert tour and since then she still had not seen him.

Whenever they missed each other, they could only talk over the phone. Now that they had met in person, Yun Xin Er wanted to lovey-dovey with him.

Sure, she knew that they were in the patient room, but so what. They were in the VIP patient room, and no one was around them, so in her view, it was fine to lovey-dovey.

Xiao Tian chuckled after hearing her words. "Are you sure you are not talking about you?"

"Little brother, you don't need to hide it because I can see everything from your face." Yun Xin Er still behaved as if Xiao Tian wanted to lovey-dovey with her.

Xiao Tian tapped his thighs and spoke, "Come here, big sister Yun."

Yun Xin Er wasted no time and instantly sat on Xiao Tian's lap. As usual, Xiao Tian wrapped his arms around her slender waist.

"How is it, little brother? Are you satisfied now? Are you satisfied that you can hug me after almost a month of not seeing me?" actually, it was Yun Xin Er who desired to be hugged by Xiao Tian, but she did not want to admit it.

'Finally I can feel the warmth of his embrace again after almost a month.'

She added in her mind.

"Yes, yes. I'm satisfied." After saying that, Xiao Tian kissed Yun Xin Er's hair gently.

'It seems like she really misses me.'

From her behavior, Xiao Tian knew that Yun Xin Er really missed him.

'Well, I also miss her, so what she said is not wrong.'

Like Yun Xin Er, Xiao Tian also missed her.

Xiao Tian and Yun Xin Er talked in the same position for several minutes. They talked about what happened to them during the time they didn't see each other.

Both Yun Xin Er and Xiao Tian were thrilled, and smiles never left their faces as they talked.

At 03:00 pm, Xiao Tian left the hospital because he had to go home. Even though Yun Xin Er was sad, she didn't stop him.

Unlike usual, where Xiao Tian always used business class on his flights. This time, he chose the economy class.

When he was walking towards his seat, he saw someone he knew sitting next to his seat.

Chapter 955 - Su Ruanyi

7-8 minutes

Xiao Tian was startled. He did not expect to meet someone he knew on the plane. And what's more, she was his professor when he was still a student at Sky University.

'Professor Su Ruanyi?'

Xiao Tian knew Su Ruanyi because he was one of her former students.

Su Ruanyi was thirty-three years old and had a beautiful face with jade-like skin. Her long black hair hung down till her waist, and her full breasts perfectly matched her slender and graceful figure.

But the most memorable thing about her was her pair of eyes. Her blue eyes were as clear as the sea. It was clear, but there was no bottom to be found.

Su Ruanyi was also the most popular professor at Sky University.. Not only did all male professors fall in love with her, even all male students desired to be her lover.

Her status as a married woman did not reduce her popularity in the slightest; instead, it was the opposite.

She became even more famous, to the point that almost all the men at Sky University cursed her husband for his luck in getting a woman like her.

"Professor Su?" Xiao Tian still had not sat down in his seat.

Like Xiao Tian, Su Ruanyi was also startled. "Student Xiao?"

After sitting in his seat, Xiao Tian spoke, "I didn't expect to meet you today. It has been a long time since we last saw each other."

Xiao Tian was expelled from Sky University last year, and he had never met Su Ruanyi since then.

"Yes. it has been a long time. You are famous now. I even saw you on TV and magazine before. It seems like the bookworm prince has turned into a real prince now." Su Ruanyi knew Xiao Tian's nickname because he was one of the most famous male students at Sky University.

Su Ruanyi even knew some female professors who were interested in Xiao Tian. It was a pity that Xiao Tian never cared about them.

"I'm just lucky." At first, Xiao Tian wanted to praise himself like usual, but he changed his mind because he was talking with Su Ruanyi.

"Actually, I know you will become a successful person because you are a clever young man." Xiao Tian was one of her most clever students, so Su Ruanyi knew that he would become a successful person.

If the person who praised him were Lan Ruoxi, Xiao Tian would have smiled happily. "What are you doing in Hong Kong?"

"I'm looking for investors." Su Ruanyi gave an honest answer.

"Investors?" Xiao Tian uttered,

"Yes." Su Ruanyi nodded her head. "My husband's film business has not been doing well since last year. That's why I'm helping him find investors because if this continues, his film business will go bankrupt later."

"Have you got investors?" Xiao Tian inquired,

"No." Su Ruanyi replied before sighing. "My husband's film business is only a medium-sized business and does not have a good reputation, so it is difficult to get investors."

Su Ruanyi and her husband had been looking for investors since several months ago, but no one wanted to invest their money into their film business.

"I see." Xiao Tian felt sorry for her.

"And what are you doing in Hong Kong? Is it for business too?" Su Ruanyi asked curiously.

"My friend is sick. I came to Hong Kong to visit her." Xiao Tian gave an honest answer.

"Your friend? Who is she?" Su Ruanyi asked again.

"Big sister Yun Xin Er." After thinking for several seconds, Xiao Tian decided to give an honest answer.

"Yun Xin Er? Is she the famous singer Yun Xin Er?" when Su Ruanyi heard the name Yun Xin Er, she suddenly remembered one of the most famous singers in China.

She was one of the professors who were sent overseas to represent Sky University when the scandal about Xiao Tian and Yun Xin Er happened, so she did not know anything.

All she knew was that Xiao Tian was expelled from Sky University, and she didn't think about it anymore because they had no special relationship.

"Yes." Xiao Tian nodded his head. "Currently, she is being treated in Life Hospital, Guangzhou."

"You are really amazing now. You even know someone like Yun Xin Er." Su Ruanyi did not expect that he would know someone like Yun Xin Er. "Well, you are famous now, so it's normal."

Xiao Tian only smiled at her. Xiao Tian and Su Ruanyi talked until they arrived in Shanghai.

After Xiao Tian arrived home, he took a shower before finally going to the hospital to visit Yu Shi. Yu Shi's condition was much better, and she was also pleased when Xiao Tian visited her.

And as usual, she tried to match her disciple with Xiao Tian. He talked with them for thirty minutes before finally, he went home.

That night, Xiao Tian called Yun Xin Er again. He also reminded her to take care of her body and never skip a meal.

Time went by quickly, and without realizing it, it had been a month since Xiao Tian met Su Ruanyi. In these thirty days, Xiao Tian worked really hard.

Yu Shi also had been discharged from the hospital and now lived with Crystal in her apartments. But she sometimes returned home because she could not forget her small house.

'Huft. I'm tired. I will go to Tea shop first before working again.'

With that idea in mind, Xiao Tian traveled to a nearby tea shop.

*Click....

Xiao Tian opened the door.

After getting his tea, Xiao Tian skimmed his surroundings to find an empty seat. To his surprise, he saw Su Ruanyi sitting on the couch next to the window.

'Did something bad happen to her?'

Su Ruanyi kept looking at the ceiling with a sad face.

Xiao Tian then walked towards her, and when he was next to her, he immediately said, "Professor Su, we meet again."

Su Ruanyi turned her head to look at Xiao Tian. "Oh, student Xiao. You are also here?!"

"Yes. I suddenly want to drink tea." Xiao Tian responded, "Are you alone?"

"Yes. I'm alone." even though Su Ruanyi had tried her best to hide her sad face, it was still visible on her pretty face.

"Can I sit here?" Xiao Tian inquired,

"Sure." Su Ruanyi thought it would not be a bad idea to get a companion.

After sitting on the couch, Xiao Tian inquired, "May I know why you are sad like this? Is it related to your husband's business?"

"Yes." Su Ruanyi gave an honest answer. "We can't keep the film business so we're looking for a buyer right now."

"If I may know, what is the price?" Xiao Tian had the intention to open a film business because he still remembered many famous movies and dramas from his previous life.

"140,000,000 Yuan." Su Ruanyi. "But I can lower it to 130,000,000 Yuan. But no one wants to buy it."

"130,000,000 Yuan?" the status of the Xiao Tian Family was mid-upper class family, and if he added the money from all his companies, he could buy it easily.

'Should I buy it?'

Xiao Tian wavered whether he should buy her husband's film company or not.

'I should talk to my women first.'

"Professor Su, can I get your number?" Xiao Tian uttered, "I have the intentions to buy your company, but I need to talk with my family first."

Chapter 956 - Buying Company

8-9 minutes

The expression of deep shock blossomed on Su Ruanyi's face. "What did you just say?"

"I have the intention of opening film business in the future, so I suddenly want to buy your husband's company." Xiao Tian replied, "But I need to discuss this with my family first. That's why I want to ask for your number, so that I can contact you later."

In the public's eyes, Xiao Tian was still a high-middle class family, so Su Ruanyi thought 130,000,000 Yuan was still a lot of money for Xiao Tian.

"Really?" Su Ruanyi wanted to make sure that Xiao Tian was not lying to her.

"Yes." Xiao Tian nodded his head.

Due to how happy she was, Su Ruanyi took her smartphone out of her bag and spoke, "I will give you my number now."

.

At this moment, Su Ruanyi still had not realized that she was about to give Xiao Tian her private number.

She had been looking for buyers for several days, and none of them were interested in buying her husband's film company.

Most of them were only interested in her. Some of them even dared to ask whether she wanted to be their mistress or not.

Sure, there was no guarantee that Xiao Tian would buy her husband's film company.

But at least, Xiao Tian had the intention to buy it and did not ask for conditions like she had to sleep with him or she had to be his mistress.

Su Ruanyi's words much surprised Xiao Tian.

'What?!'

Xiao Tian did not expect that she wanted to give her private number.

Without waiting for another second, Xiao Tian took his smartphone out of his pocket and smiled, "Let's exchange numbers now."

Xiao Tian was a playboy and liked beautiful women, so he wouldn't let the chance to get a beautiful woman's number slip away.

After exchanging numbers, Xiao Tian and Su Ruanyi began to talk about her husband's film company. They talked for about an hour before finally, they left. That night, Xiao Tian discussed it with his women.

They said everything was up to him, and whatever his decision was, they would always support him. For this reason, Xiao Tian decided to lovey-dovey with them in his room.

The following morning, Xiao Tian worked for about two hours before calling Su Ruanyi. Her heart pounded with happiness when Xiao Tian said he would buy her husband's film company.

Like yesterday, they decided to meet at Tea Shop to discuss it further.

'Which movie should I make first?'

Xiao Tian still remembered many popular movies from his past life.

"Student Xiao, you have arrived?!" Su Ruanyi's voice rang out.

Xiao Tian instantly turned his head towards the source of the sound.

'Oh, she has come. Is he her husband?'

Xiao Tian saw a mature man about forty years old next to Su Ruanyi.

After they sat on the opposite side of Xiao Tian, Su Ruanyi spoke, "Let me introduce you. He is my husband, Da Shan."

"Hello, Mr. Xiao Tian. I'm Da Shan, Ruanyi's husband." Da Shan spoke with a smile on his face.

"Hello, Mr. Da." Xiao Tian also smiled. "Just call me Xiao Tian."

"All right then. Oh right, I heard from Ruanyi you are one of her former students." Like before, Da Shan spoke in a friendly tone.

"Yes." Xiao Tian replied, "I was one of her students in the past."

"It seems like my wife is a good professor because she can make her student become a successful person. Haha." Da Shan cracked a little joke.

"She is indeed a good professor." Xiao Tian was telling the truth because Su Ruanyi was skilled in computers.

She even got several awards and became one of the honorable professors. One of the reasons why all the men at Sky University fell in love with her was that she was a perfect woman.

Yes. Su Ruanyi had a good body and brain. That was why they never cared whether she was already married or not.

Da Shan turned his head towards his wife and asked, "Wife, do you feel happy to get praise from your former student who has become a successful person?"

"He was also a good student." Su Ruanyi replied, "He was one of my smartest students."

"Of course, I know about this. Otherwise, it would be impossible for him to be a successful person in a short amount of time." Even though Da Shan had never met Xiao Tian before, but he had seen Xiao Tian on TV once.

Like before, Xiao Tian only smiled. He did not expect that they would continue praising him.

"Xiao Tian, do you want to see the company now or later?" Da Shan inquired.

"How about we see it now?" Xiao Tian did not want to waste his time because he still had a lot of work to do.

"All right." Da Shan responded.

Then they traveled to Xufang city to see the company. Xiao Tian was pleasantly surprised when he found out the company was located in Xufang city.

Xufang city was quite famous, and he often went to Xufang city with his women lately. Yes. Shenro Fountain, a place he often visited with his women recently, was located in Xufang city.

After looking at the company, Xiao Tian nodded his head in satisfaction. The company was quite big and had three floors.

Xiao Tian checked every corner of the company, and after that, he told Da Shan that he would buy the company.

Happiness swelled within Da Shan after hearing Xiao Tian's words. Like Da Shan, Su Ruanyi was also pleased.

Then they traveled to Coffee Shop to discuss it further. Da Shan said the documents for transferring ownership would be ready tomorrow.

Because Xiao Tian needed to work, he immediately left. He worked for about four hours before finally, he went home.

Xiao Tian's Mansion, Family Room.

"So, how is it?" Ye Qingyu wanted to know whether her nephew decided to buy Da Shan's company or not.

"I decided to buy it." Xiao Tian gave an honest answer. "The documents for transferring ownership will be ready tomorrow, so I will meet him again later."

"After that, what are you going to do?" Ye Qingyu asked curiously.

"I will make a movie later." At first, Xiao Tian wanted to make a drama, but he changed his mind after thinking for several minutes.

In his view, it would be better to make a movie first because making a movie was easier than drama.

"I see. Have you found a good scriptwriter?" Ye Qingyu asked again.

"I will be the scriptwriter." Of course, Xiao Tian would be the one who wrote it later.

"What?!" Ye Qingyu said in surprise. "You are joking, right?"

Sure, she knew that her nephew was a genius in business, but becoming a scriptwriter was not an easy thing.

Xiao Tian had suspected that his aunt would reach like that. "I'm not joking. Don't worry. My first movie will be hit and everyone will talk about it non-stop later."

Ye Qingyu still found it hard to believe what she was hearing. "Tian, thi-"

However, before she had finished her word, Xiao Tian interrupted her. "Believe me. You know my dream, right? Don't worry. I'm always serious when it's related to money."

Ye Qingyu did not say anything and only stared at him.

"Instead of talking about this, how about we go to my room and have some fun there?" Xiao Tian inquired.

Ye Qingyu pinched his nose before smiling. "Sometimes, I wonder. How can you always want to have sex with us? Aren't you tired?"

Yes. Ye Qingyu always wondered why her nephew had a lot of stamina like that.

Xiao Tian immediately replied, "It's because...."

Before Xiao Tian could finish his words, Ye Qingyu spoke, "It's because you are a pervert, right?"

"That's right." Xiao Tian admitted that he was a pervert.

"Sometimes, I wonder. Where did my shy nephew go?" sometimes, Ye Qingyu missed his shy personality because she would have the upper hand in everything.

"Aunt...why....why are you cupping my face?" Xiao Tian pretended to be shy.

"Your acting is suck!" Ye Qinyu stated. "Alright. Let's head to your room now."

Xiao Tian's shy face instantly turned happy after hearing her words.

He then rose to his feet and carried her to his room. At that time, what he had in mind was only one thing.

Sex!

Yes. he wanted to have sex with Ye Qingyu.

Chapter 957 - It's Delicious

6-8 minutes

"Ah...Ah...Ah...Ah..." multiple seductive moans escaped from Ye Qingyu's little mouth.

Currently, Ye Qingyu was lying on the bed, naked. Her long flawless legs were spreading widely, and her beautiful big breasts were bobbing up and down in rhythm with her wails.

Between her beautiful legs, an attractive young man was moving his waist back and forth. Yes. He was the reason why Ye Qingyu kept letting out seductive cries.

It was because the young man was sliding his huge cock in and out of Ye Qingyu's wet pussy. And the most unbelievable thing was that that young man was none other than her nephew, Xiao Tian.

Incest!

Yes. These two young people were doing forbidden things in a big and luxurious bedroom..

But instead of feeling guilty or ashamed, both of them felt immense pleasure. Fascinating expressions even could be seen on their faces.

It was as if they had been immersed in their own world and no longer cared about other things. All they cared and wanted was nothing but pleasure.

As usual, Xiao Tian's black eyes were locked on Ye Qingyu's face as he was fucking her wet vagina. He loved it.

He really loved it when he saw her fascinating expression. Not only would it make him hornier, but it also gave him happiness and satisfaction.

"Qingyu, your pussy is the best. It fits my penis very well." Xiao Tian stated as he kept sliding his huge penis in and out of Ye Qingyu's vagina.

Previously, Xiao Tian and Ye Qingyu instantly took off their clothes after entering his room.

Because Xiao Tian wanted to have sex with her so badly, he instantly thrust his huge cock into her vagina the moment her pussy was wet.

It had been more than an hour since they started having sex. Ye Qingyu had already had an orgasm twice while Xiao Tian had only once.

Even though Ye Qingyu did not say anything and only kept wailing, but she was pleased after hearing his words.

She kept looking at Xiao Tian with her lustful face as if she wanted to make him hornier. "Ah...Ah...Ah..."

Xiao Tian bent over and kissed Ye Qingyu hungrily. Of course, he did not stop fucking her wet pussy, but he was slowing down his thrust.

When Xiao Tian was kissing her passionately, Ye Qingyu instantly wrapped her arms around his back.

Not only that, she even locked her legs around Xiao Tian's waist. It was as if she wanted to be closer to him and would not let him go forever.

Because of how tight her pussy was, coupled with him kissing her hungrily, Xiao Tian finally reached his limit.

He instantly stopped the kiss and groaned, "Qingyu, I'm cumming... I'm cumming...."

But instead of unwrapping her legs, Ye Qingyu kept locking her legs around his waist, as if she wanted Xiao Tian to let out his white sperm deep inside her wet vagina.

"I'm cumming...." At first, Xiao Tian did not want to cum inside her, but he changed his mind because Ye Qingyu kept wrapping her legs around his waist.

"Ahhhh..." Ye Qingyu cried out louder when she felt his sperm deep inside her.

Even though it was Xiao Tian who had an orgasm, Ye Qingyu's body also quivered. The reason was simple.

It was because her body suddenly turned hot when Xiao Tian let out his sperm deep inside her.

After having an orgasm, Xiao Tian dropped his body onto Ye Qingyu's body. "Huft...Huft...Huft..."

Ye Qingyu stroked his hair gently and smiled softly. "It was amazing, Tian."

She had an orgasm twice, and her mind was on cloud nine when he was fucking her pussy, so Ye Qingyu was satisfied.

"Yes, it was as amazing as ever." After Xiao Tian pulled his cock out of Ye Qingyu's pussy, he placed his head on her breasts.

It felt good when he placed his head on her soft breasts as if he was resting his head on a soft pillow.

Due to how comfortable it was, Xiao Tian suddenly fell asleep. Ye Qingyu's face broke into a smile when she noticed it.

That night, Xiao Tian had a good dream because he was sleeping in his aunt's embrace.

The following morning, Xiao Tian worked at Star Clothes company for two hours before finally traveling to Bamboo Restaurant to meet Da Shan.

Like yesterday, Da Shan came with his pretty wife, Su Ruanyi.

"Xiao Tian, please check the documents." Da Shan gave the ownership transfer documents to Xiao Tian.

"Good." after Xiao Tian checked the documents, he took a suitcase full of money and put it on the table.

"Here is the money."

A smile suddenly appeared on Da Shan's face when he saw the money. But a trace of sadness suddenly emerged for a second.

"Hmm? What's wrong, Mr Da?" even though it only lasted for a second, Xiao Tian was still able to notice it.

"Nothing." Da Shan instantly smiled again.

"My husband is sad because he has worked for his company for twelve years." Su Ruanyi explained the reason why her husband was suddenly sad. "Now he has to sell it and find a new job. I hope you don't mind."

"I'm sorry, Xiao Tian. I could not control my emotion earlier." Da Shan apologized to Xiao Tian because he made the atmosphere suddenly become heavy. "I really love my job, but it seems like this business is not for me."

"How about you work for me, Mr Da?" Da Shan had twelve years of experience, so Xiao Tian thought it was not a bad idea to hire Da Shan to work at his new company.

"Really?" Da Shan said in surprise.

Not only Da Shan, Su Ruanyi was also startled. She did not expect that Xiao Tian wanted to hire her husband.

Usually, the buyers would not hire the sellers because everything could be complicated later, like a problem.

"Yes. Mr Da has twelve years of experience and also loves this job, so I think it's a good idea to hire Mr Da." Xiao Tian gave the reason why he suddenly wanted to hire Da Shan.

Da Shan and Su Ruanyi exchanged a glance with each other.

"Thank you, Xiao Tian. Then, I will b-" Da Shan stopped his words halfway before correcting it. "I mean, thank you, sir Xiao. I, Da Shan, promise will do my best later."

"Haha." Xiao Tian laughed. "Mr Da, you can call me Xiao Tian if we are not in the company. You don't need to behave like this."

"No, no, no. You are my boss now, so I have to act politely." Da Shan refused instantly.

Sure, Xiao Tian was much younger than him, but Xiao Tian was his boss, so he had to act politely in front of Xiao Tian because age did not matter in business.

Xiao Tian shifted his gaze from Da Shan to Su Ruanyi.

And as if Su Ruanyi could read his mind, she immediately spoke, "My husband is always like this. So, don't mind it."

"All right, then." Because Da Shan still wanted to speak politely, Xiao Tian let Da Shan do as he wanted.

"Oh right, sir Xiao. Do you have a lover?" Da Shan inquired

Chapter 958 - Sending Su Ruanyi Home

7-8 minutes

"Oh right, sir Xiao. Do you have a lover?" Da Shan inquired.

Da Shan knew that he was asking a personal question, but he did this because he wanted to get closer to Xiao Tian.

Not only did Xiao Tian help him, but Xiao Tian was also his boss now. That was why he wanted to get closer to Xiao Tian.

At this moment, Xiao Tian still had not answered Da Shan's question because Da Shan's question much surprised him.

.

"Husband, why are you asking this question?" like Xiao Tian, Su Ruanyi was also startled by her husband's question.

"Sir Xiao is a successful young man so I really want to know whether he already has a lover or not." Da Shan replied instantly.

"Of course, student Xiao already has a lover. Do you know his nickname when he was still study at Sky University?" Su Ruanyi behaved as if she knew Xiao Tian very well. "Every female called him a prince, you know? I even knew some female professors who fell in love with him."

Actually, Su Ruanyi wanted to tell her husband that Xiao Tian's nickname was the bookworm prince, but it would not be polite to say so. That was why she just said that his nickname was a prince.

Xiao Tian was shocked again.

'Mmm? Some professors also fell in love with my predecessor? Damn, my predecessor was amazing and stupid at the same time. If I were him, I would ha-'

He suddenly realized something wrong with his words.

'I mean, if I took over his body faster and was not expelled from the university, I would have made these professors my special friends,'

But Xiao Tian could not do anything now.

"What? Prince?" Da Shan said in surprise. "Well, I should have expected this because sir Xiao is good-looking."

As a man, Da Shan was actually a little jealous of Xiao Tian because Xiao Tian was young, rich, and handsome.

It was as if Xiao Tian was born to have everything.

"Isn't that right, student Xiao?" Su Ruanyi inquired.

"Yes. I already have a lover." Xiao Tian gave an honest answer.

Then they talked for another thirty minutes before finally, they decided to leave. However, something unexpected happened when Da Shan tried to start his car.

His car would not start.

Da Shan tried to start the car many times, but the results were the same.

"What's wrong, Mr Da?" Xiao Tian inquired.

"My car won't start." Da Shan replied, "I don't know what happened to my car. It was fine before."

"Have you called the mechanic?" Xiao Tian asked again.

"I was about to call them earlier." Da Shan replied, "Sir Xiao, can you help me with something?"

"What is it?" at this moment, Xiao Tian thought it was related to Da Shan's car.

"Can you send my wife home?" Da Shan uttered, "An important guest will be coming to our house in thirty minutes so I wonder can sir Xiao send my wife home?"

This guest was important, and they had agreed to meet at their house. If Da Shan or his wife were not at home, they would make the guest angry later.

"Sure." Su Ruanyi was his former professor and a beautiful lady, so of course, Xiao Tian would not refuse.

"Great!" after saying that, Da Shan turned his head towards his wife, "Wife, let sir Xiao send you home now."

"All right." Su Ruanyi got out of the car and walked towards Xiao Tian's vehicle.

Then Xiao Tian sent Su Ruanyi home.

"I didn't expect that my former student would become my husband's boss." Su Ruanyi spoke abruptly.

Currently, they were on the way to her house.

"Well, I also never expected this." Xiao Tian also did not expect that he would become Da Shan's boss.

He never even expected to meet Su Ruanyi again after being expelled from Sky University.

"You are indeed amazing, student Xiao." Su Ruanyi spoke, "I'm suddenly starting to envy you now."

"I'm just lucky." As usual, Xiao Tian said he was just lucky in everything.

"Hehe. I really want your luck now. Maybe I can become a successful person like you later." Su Ruanyi knew that Xiao Tian was just being humble.

But Xiao Tian's behavior made Su Ruanyi like him even more because usually, anyone would show off or praised themselves if they were Xiao Tian.

"Professor Su, aren't you already a successful person? You get many awards and many people know you. You even have a high status in Sky University." In his view, Su Ruanyi was already a successful person because she had become one of the important professors at Sky University in her thirties.

"Hmm? Do you think I've become a successful person?" Su Ruanyi inquired.

"Yes." Xiao Tian replied, "Everyone even respects you."

"Respect me? Did you remember it correctly? I'm sure everyone doesn't respect me. They only want to bed me." Su Ruanyi knew that almost all men desired to bed her. Some of them even dared to say it directly.

"You are pretty and smart so it's normal." Xiao Tian was telling the truth because Su Ruanyi was indeed an attractive lady.

"Student Xiao, be honest with me. Were you also attracted to me when you were a student at Sky university? Su Ruanyi asked curiously.

"I was busy studying at that time so I had no time to think about woman. All I had in mind was study and study so that I could become a successful person." His predecessor never paid attention to the people who fell in love with him.

All his predecessor had in mind was study and study. He wanted to be a successful person so badly. That was why he spent his time studying all time.

"Why do I feel disappointed now? Hehe." Su Ruanyi said jokingly.

"Because I was a bookworm prince at that time." Xiao Tian knew that Su Ruanyi was only joking around.

"What about now?" at this moment, Su Ruanyi did not realize that the direction of their conversation was dangerous.

"Hmmm? If you are still not married, I will definitely try my best to make you fall in love with me." Xiao Tian gave an honest answer. "Now it's my turn to ask a question. Were you one of these professors who fell in love with me when I was still a student at Sky University?"

Instead of answering, Su Ruanyi asked, "What do you think?"

"I think....Yes." Xiao Tian replied.

"You are overconfident!" Sure, Xiao Tian was an attractive young man, and many women fell in love with him, but she was not one of them.

"Oh, you are not one of them. I suddenly feel disappointed." Xiao Tian pretended to be sad. "Well, it can't be helped. But I don't have a bad image in your eyes, do I?"

"No. You are only a bookworm prince in my eyes." because the real Xiao Tian had never tried to seduce her, Su Ruanyi did not have a bad image of him.

Sometimes, she even wondered why the real Xiao Tian never tried to seduce her because all men had tried their best to bed her.

"Well, at least a bookworm prince is better than an annoying man." Xiao Tian uttered.

"You are right." Su Ruanyi replied.

Not long after that, they reached her house. But when Xiao Tian was about to enter his car, a voice suddenly rang out. "Big brother...."

Chapter 959 - Meeting Mu Ai Again

6-7 minutes

"Big brother...." A voice rang out.

Xiao Tian instantly turned his head towards the source of the sound.

When he saw the person who just called him, Xiao Tian walked towards her with a smile on his face.

"Little Ai, we meet again."

Yes. The person who just called him was none other than Mu Ai, the little girl he met in the park last month.

"Hello, Xiao Tian. We meet again." the gorgeous MILF named Long Jingxian uttered,

"Hello, lady Long.." Even though they only met once, Xiao Tian still remembered her name because she was a gorgeous MILF.

"Big brother, what are you doing here?" Mu Ai inquired.

"Sending professor Su home." Xiao Tian gave an honest answer.

Long Jingxian finally knew the reason why Xiao Tian was standing in front of Su Ruanyi's house. "Are you one of her students?"

"I'm her former student." At first, Xiao Tian wanted to lie to her, but he changed his mind after thinking for several seconds.

"I see." Long Jingxian uttered.

"What are you doing here, lady Long?" Xiao Tian asked curiously.

Long Jingxian pointed her right index finger at the house twenty meters away from her and replied, "My house is in this area. That is my house."

Xiao Tian did not expect that the two MILFs he met recently were neighbors.

At this moment, Mu Ai was running around them, but suddenly an unexpected thing happened.

*Bruak...

Mu Ai fell to the ground, and her left elbow was injured.

"Sob...Sob...Uaaaa..." Mu Ai instantly cried when she felt pain in her left elbow.

"Little Ai..." Long Jingxian rushed towards her daughter with a worried face. "It's fine. Don't cry."

When Xiao Tian saw Mu Ai's injury, he immediately spoke, "Lady Long, how about we take little Ai to the clinic now?"

Sure, her injury was not serious, but Mu Ai was still a kid. In his view, it was better to take her to the clinic immediately.

"It's fine." Long Jingxian replied, "It's only a small injury."

Xiao Tian spoke again, "But sh-"

Before Xiao Tian had finished his words, he was interrupted by Long Jingxian. "I will treat her injury later. It's not a serious injury so it's fine. Don't worry, I'm a doctor so I know what to do."

"Oh! I did not expect lady Long to be a doctor." Long Jingxian's charm in Xiao Tian's eyes increased significantly.

Long Jingxian was a gorgeous MILF, so she looked even more attractive when he found out she was a doctor. At this moment, Xiao Tian suddenly wanted to see her in a doctor's uniform.

"I have to go home now." Long Jingxian uttered, "I need to treat my daughter's injury first."

"All right." After saying that, Xiao Tian shifted his gaze from Long Jingxian to Mu Ai. "Bye-bye, little Ai."

Even though Mu Ai was still crying, she still waved goodbye to Xiao Tian.

'She is so adorable!'

Mu Ai was so cute when she was crying and waving goodbye at the same time.

After that, Xiao Tian went to Eternal Beauty company to work. As usual, he worked for about two hours before finally, he traveled to Star Clothes company.

When Xiao Tian was working, he suddenly missed his aunt. For this reason, Xiao Tian went to Star Restaurant to meet her.

Xiao Tian wasted no time and headed to Ye Qingyu's office.

*Click...

Xiao Tian opened the door without knocking first.

"How dare you enter my office without knocking on the door first!" Because Ye Qingyu thought he was one of her subordinates, she instantly spoke coldly.

Xiao Tian was startled, and as a result, he stopped his footsteps in reflex.

'My lover is so scary! She is like a female lion.'

Because he wanted to lovey-dovey with her, Xiao Tian closed the door and locked it.

He then walked closer towards Ye Qingyu and spoke, "How can you yell at your boss? Do you want to be punished by your boss now?"

Ye Qingyu sighed before answering, "So it's you. I thought you were one of my subordinates earlier."

Currently, Ye Qingyu was sitting in an office chair with her hands on the computer keyboard.

Xiao Tian immediately wrapped his arms around her neck after standing behind her. "My love, how about you stop working and lovey-dovey with me now?"

Because Xiao Tian was standing behind her, Ye Qingyu lifted her head to look at him. "My young boyfriend, how about you sit on the couch and wait for me to finish my work first. After that, we can go anywhere you want later."

It took Xiao Tian three seconds before answering, "Fine. But I want a kiss first."

Ye Qingyu was still lifting her head. Because Xiao Tian wanted a kiss, she instantly shut her eyes as if she was giving a sign that she was ready to be kissed.

Xiao Tian wasted no time and approached her really slowly.

*Kiss...

Because Xiao Tian was kissing her from above, the sensation when their lips met was different than usual.

Yes. His upper lip met Ye Qingyu's lower lip, and her upper lip touched his lower lip. At this moment, neither of them wanted a passionate kiss.

They only wanted to feel the softness of their lips. The kiss lasted much longer than usual. Xiao Tian only broke the kiss after pressing his lips against hers for about ten seconds.

Because Xiao Tian had stopped the kiss, Ye Qingyu immediately spoke, "Now that you have kissed me, be a good boy and wait for me on the couch."

"All right." After saying that, Xiao Tian walked towards the sofa before sitting on it.

Time went by quickly, and without realizing it, it had been an hour since Xiao Tian entered Ye Qingyu's office.

At this time, Ye Qingyu was still working. As for Xiao Tian, he already fell asleep on the couch.

"I'm finally done with work for today." Ye Qingyu stretched out her hand before walking towards Xiao Tian.

A soft smile spread across her face when she saw Xiao Tian's sleeping face.

'It seems like I worked too long.'

Ye Qingyu squatted down next to Xiao Tian's face before finally she kissed his forehead gently.

Chapter 960 - Star Film Company

8-10 minutes

When Ye Qingyu kissed Xiao Tian's forehead, he suddenly woke up.

Sure, it was only a gentle kiss, but Xiao Tian could still feel it because there was love in her kiss. "Qingyu, have you finished your work?"

"Yes." Ye Qingyu nodded her head as she smiled softly. "Do you still want to go on a date with me or go home?"

"Date!" Xiao Tian chose without thinking twice.

Ye Qingyu, who had guessed that Xiao Tian would choose to go on a date with her, rose to her feet before stretching out her right hand. "Let's go."

"Un." Happiness filled Xiao Tian's heart as he held her right hand.

.

Then Xiao Tian and Ye Qingyu went to many romantic places. They decided to go home when it was already 09:00 pm.

After arriving home, they took a bath together. One thing led to another, and they ended up having sex in the bathroom.

Not only that, when they continued having sex in his room, Lin Xing Xue suddenly appeared and joined them.

They finally stopped having sex after Xiao Tian satisfied them for an hour and a half. And as usual, he slept with his women that night.

The following morning, Xiao Tian traveled to his new company to learn everything about his new company.

He then had a meeting with his subordinates and told them that he wanted to change the name of the company to Star Film company.

He also ordered his subordinates to call some reporters and tell them that he had bought the company.

The reason was simple. Xiao Tian wanted the Star Film company to gain a new reputation under his famous name.

If the public learned that he had bought the company from Da Shan, they would forget the previous reputation of the company.

Xiao Tian also told them that he would be the scriptwriter for the next few movies or dramas. His words dropped the meeting room into a dead silence.

Da Shan and the others instantly tried to change his mind. They believed that Xiao Tian could pay a professional scriptwriter to make a script for them with his reputation and money.

Sure, they knew that Xiao Tian was a genius in business. But scriptwriter and business were two different things.

However, Xiao Tian refused and insisted on becoming the scriptwriter. There were two reasons why he declined their idea.

First, paying a professional scriptwriter would cost a lot of money. Second, the film was not guaranteed to be 100 percent successful later.

It would be the first movie under his name, so Xiao Tian wanted to make sure that it was a big hit later.

At first, Da Shan and the others still disagreed. But they finally gave in and let Xiao Tian be the scriptwriter because he was the owner of the company.

After meeting, Da Shan and the others instantly called a few reporters and informed them that Xiao Tian was the owner of the company.

'Which movie should I choose now?'

Currently, Xiao Tian was in his office.

His office was not as big as his other two offices. There was only a couch, desk, and four small trees in his office.

The desk was placed on the right side of the large window while the sofa was placed right in front of the desk.

Because Xiao Tian wanted the air in his office to be fresh, he put a small tree in every corner of his office.

'Should I choose martial arts movie first?'

In his previous life, there was one viral martial arts movie. Not only did this film get many awards, but even the actors and actresses also became more popular after participating in the film.

The movie became a hot topic for several months and earned a lot of money. The title of the film was called The Ruler.

The Ruler was a movie about a young man who was abandoned by his family because he could not cultivate.

However, that young man suddenly found a divine item that allowed him to stand at the pinnacle of martial artists.

Not only had he become the strongest martial artist in the world, he even owned three thousand harems and had put many green hats on many men.

After thinking for several minutes, Xiao Tian chose that movie. Without waiting for a second, Xiao Tian started writing it on his laptop.

Time went by quickly, and without realizing it, it had been four hours since Xiao Tian started writing the script.

He was tired, and his eyes hurt because he kept looking at his laptop non-stop.

'I will take a break first.'

When Xiao Tian knew it was lunchtime, he immediately called Yun Xin Er and invited her to have lunch together.

Bamboo Restaurant, Private Area.

"So, you bought Da Shan's film company?" Yun Xin Er inquired.

"Yes." Xiao Tian replied as he nodded his head.

"Good job, little brother. It seems like you will be richer soon. Do you want me to introduce you an amazing scriptwriter?" Yun Xin Er knew some excellent scriptwriters.

"No." Xiao Tian shook his head. "I will be the scriptwriter."

"What?!" Yun Xin Er said in surprise. "Little brother, it's not easy to be a scriptwriter, you know? You can lose a lot of money if your movie fails later. Why don't you pay a professional screenwriter for your film?"

Yun Xin Er did not want Xiao Tian to lose a lot of money. That was why she suggested him to pay a professional screenwriter.

Xiao Tian had guessed that she would say something like this, so he was not surprised by her words, "Big sister Yun, you don't need to worry about it. I'm one hundred percent sure my first movie will be popular later."

Of course, Yun Xin Er still did not believe his words because she knew that Xiao Tian had never written any stories before.

For this reason, she still wanted to change his mind, "But you ne-"

However, before she had finished her words, she was interrupted by Xiao Tian. "Big sister Yun, I'm always serious when it's related to money. Don't worry. I still remember our promise."

"Then this big sister will believe in you now." after hearing his words, Yun Xin Er decided to believe in Xiao Tian.

In the past, Xiao Tian promised to raise his family status to a mid-upper class family so that her mother would accept him later.

"But you have to make su-" Yun Xin Er stopped her words halfway when her manager suddenly called her.

"Xin Er, where are you right now? Why did you disappear on me again?" Fu Rou felt relieved when Yun Xin Er picked up the phone.

"I'm eating with little brother now." Yun Xin Er gave an honest answer.

"I'm not forbidding you to spend time with him, but you should also think about your work." Fu Rou replied, "Did you forget that you have work in fifteen minutes?"

"I will be right there." After saying that, Yun Xin Er hung up the phone.

Xiao Tian wore a sad face when he knew that Yun Xin Er would leave.

"Don't be sad. We can spend time together again later." After saying that, Yun Xin Er rose to her feet and kissed Xiao Tian's right cheek. "This is compensation for making you sad."

Xiao Tian's sad face instantly turned happy. "Be careful, big sister Yun."

"Un." Yun Xin Er giggled happily after seeing Xiao Tian's face.

'It's so easy to make him happy.'

She added in her mind.

Then Yun Xin Er left for work.

"Sigh. Now I'm alone." Xiao Tian sighed after Yun Xin Er left.

"Student Xiao, you are eating here too?" a voice suddenly rang out.

Xiao Tian instantly turned his head towards the source of the sound. "Professor Su?"

"Oh, isn't this the bookworm prince?" a woman who was standing next to Su Ruanyi spoke.

She was also a professor at Sky University. She was thirty years old and quite famous for her easy-going personality.

Even though she was not in the category of pretty lady, but she had a cute face and voice. Her name was Zi Ling.

"Oh, professor Zi Ling. I didn't expect to meet you today." Previously, Xiao Tian thought Su Ruanyi was with her husband, but he was wrong.

"Are you eating alone?" Zi Ling inquired.

"I was with someone earlier but I'm alone now." Xiao Tian replied before sighing.

Zi Ling then turned her head towards Su Ruanyi and inquired, "Ruanyi, how about we eat with him?"
