Chapter 961 - Is He Your Secret Lover?

Zi Ling turned her head towards Su Ruanyi and inquired, "Ruanyi, how about we eat together with him?"

Zi Ling's words much surprised Su Ruanyi. Earlier, she only wanted to greet Xiao Tian because he was her husband's boss now.

She did not expect that Zi Ling would say something like that.

Zi Ling returned her attention to Xiao Tian and asked, "You don't mind, right?"

"It would be my pleasure to have two gorgeous ladies accompany me." As usual, Xiao Tian replied while showing his charming smile.

Because Xiao Tian did not mind it, Zi Ling instantly sat on the opposite side of him.

She then looked at Su Ruanyi before tapping the chair next to her. "Ruanyi, sit here."

.

Su Ruanyi sat on the chair before speaking, "You should control your behavior."

"It's fine, it's fine." After saying that, Zi Ling turned her head towards Xiao Tian. "Isn't that right, prince Xiao?"

"Yes." of course, Xiao Tian did not mind it because it was something he liked the most, "Just behave like usual."

"By the way, you are more attractive now." Zi Ling uttered, "You look like a real prince!"

"What is this? Are you trying to seduce your former student?" even though Su Ruanyi said something like this, she also agreed that Xiao Tian was more attractive than when he was still a student at Sky University.

"Does it sound like I'm seducing him? If so, then I will try to seduce him now." Zi Ling spoke and paused for a second before she continued, "Prince Xiao, how about we become a couple now?"

Zi Ling was only joking around. Because the age difference between them was ten years, she thought it would be impossible for them to be lovers.

Of course, Xiao Tian knew that Zi Ling was only joking around because her personality was always like that.

"Sure, sure." Xiao Tian decided to joke around too.

"Woa!" Zi Ling made a surprised face. "Even though I'm already thirty years old, it seems like my charm is still amazing. Even prince Xiao can't resist my charm. Hehe."

"He is only joking around, you know?" Su Ruanyi destroyed the happiness in Zi Ling's heart in a second.

"Ruanyi, can't you let me be happy for a second?" Zi Ling pouted her lips and crossed her arms over her chest.

"Hehe." Xiao Tian and Su Ruanyi chuckled after seeing Zi Ling's face.

Then they talked for another thirty minutes before finally, they left.

When Xiao Tian was on his way to the Star Film company, he saw something unexpected.

Three young men were trying to kidnap Long Jingxian, the hot MILF who lived next door to Su Ruanyi's house.

Rage flowed through him like lava, and terrifying light gleamed in his black eyes. Xiao Tian instantly stopped his car and dashed towards them.

Because the three young men focused on Long Jingxian, they did not realize that Xiao Tian was next to them.

*Bang...

Xiao Tian kicked one of them.

The red-haired and blue-haired young men instantly turned their heads towards Xiao Tian. "Who ar- "

But before they had finished their words, Xiao Tian kicked their mid-torsos, causing them to fall to the ground instantly.

Because they knew that they would not be able to defeat Xiao Tian, they decided to run away.

"Mission has failed. Let's go!" they instantly got into the car and left.

Xiao Tian then walked towards Long Jingxian and inquired, "Are you alright?"

"I'm fine, thank you." Long Jingxian felt grateful to Xiao Tian because those young men would have kidnapped her if Xiao Tian had not helped her.

"Lady Long, do you know who they are? Why did they try to kidnap you? Or have you had any enemies recently?" Xiao Tian asked many questions at once.

At this moment, Long Jingxian only stared at Xiao Tian. Of course, she knew who they were because all of this was related to her husband.

'Should I tell him or not?'

Long Jingxian wavered whether she should tell the truth or not.

At this moment, Xiao Tian still didn't understand anything.

'Why do I feel like she is trying to hide something from me?'

Xiao Tian decided not to ask any more questions.

"Lady Long, how about I send you home?" Xiao Tian inquired, "I'm afraid they will try to kidnap you again later."

After thinking for several seconds, Long Jingxian agreed, "All right."

Then they got into his car and traveled to her house.

"Lady Long, you can call me if you need help." Xiao Tian took out his business card and gave it to her. "I know we've only met twice but I sincerely want to help you. I have no ill will towards you. I just don't want anything bad to happen to your daughter."

After looking at Xiao Tian for three seconds, Long Jingxian took his business card.

'The owner of Star Restaurant and Star Clothes company. He is still young but already become a successful person.'

Long Jingxian finally knew that Xiao Tian was a successful person.

"Thank you." Long Jingxian uttered,

Not long after that, they arrived at her house. Her house was just an ordinary house with a small garden in the front yard.

At this moment, a grown man about thirty-five years old saw Long Jingxian getting out of Xiao Tian's car through the window.

Anger rose in him like a tide as he looked at Long Jingxian.

'So you dare to have an affair behind my back, huh?'

This grown man was none other than Long Jingxian's husband, Mu Cheng.

"Lady Long, please remember to call me if you need help." Xiao Tian reminded Long Jingxian again.

"Alright." Long Jingxian nodded her head.

Because Xiao Tian had dropped her in front of her house, he decided to go to the Star Film company to continue writing the script.

Long Jingxian entered her house after Xiao Tian left.

But as soon as she stepped into the living room, Mu Cheng stopped her and asked angrily. "Who is he? Why is he driving you home? Is he your secret lover?"

Chapter 962 - Who Is He?

7-8 minutes

But as soon as she stepped into the living room, Mu Cheng stopped her and asked angrily. "Who is he? Why is he driving you home? Is he your secret lover?"

Long Jingxian stopped her footsteps and looked at her husband. "He is not my secret lover! He is Xiao Tian, my friend."

Of course, Mu Cheng did not believe her words. "Don't lie to me! If he were not your secret lover, why did he drive you home? You even look really close to him. Just admit it! He is your secret lover, right?"

Long Jingxian could not hold back her anger anymore. Earlier, three people almost kidnapped her, and here, her husband accused her of having an affair after arriving home.

She raised her voice and pointed her right index finger at him. "It's all because of you! Bai Yuzen's underlings tried to kidnap me earlier and Xiao Tian was the one who helped me. How dare you accuse me of having an affair with Xiao Tian? If it was not for him, Bai Yuzen's underlings would have kidnapped me earlier."

.

*Slap...

The sound of Mu Cheng slapping Long Jingxian's face echoed in the living room.

He was furious because Long Jingxian dared to raise her voice. "How dare you raise your voice when you are talking to me? Did you forget I'm your husband?"

"You don't deserve to call yourself as my husband!" Long Jingxian said angrily. "All you do is gamble and get drunk! Not only do you never do your job as a husband, you even keep giving me trouble."

Yes. The reason why these three young people wanted to kidnap her was related to her husband. Her husband always gambled and got drunk every day.

One day, he lost a lot of money and borrowed money from Bai Yuzen, a famous thug in that place.

Due to high-interest rates and always losing in gambling, Mu Cheng could not return the money in time. For this reason, Bai Yuzen was furious and ordered his underlings to beat Mu Cheng.

After getting beaten up by Bai Yuzen's underlings, Mu Cheng asked for forgiveness and told Bai Yuzen that he had a beautiful wife.

When Bai Yuzen saw how beautiful Long Jingxian was, he agreed to forgive Mu Cheng if he could spend one night with Long Jingxian.

Bai Yuzen even said that he would forget about the money. Of course, Mu Cheng accepted Bai Yuzen's condition immediately.

That was why Mu Cheng told his wife to spend one night with Bai Yuzen. However, Long Jingxian refused instantly.

That was why her relationship with her husband was getting worse every day because everything was Mu Cheng's fault!

"How dare you say something like that?" Mu Cheng raised his right arm and was about to slap Long Jingxian's face again.

At the same time, Mu Ai suddenly appeared next to them and spoke, "Mother, father, don't fight again!"

Mu Cheng turned his head towards Mu Ai and said angrily. "Don't meddle in the affairs of adults! Go back to your room now!"

"Sob...Sob...Sob..." tears filled Mu Ai's eyes when her father yelled at her.

"DO NOT CRY AND GO BACK TO YOUR ROOM NOW!" Mu Cheng was even angrier when his daughter was crying.

He was furious because his wife had an affair with Xiao Tian, so he was angrier when his daughter tried to stop him and cried in front of him.

"Don't yell at my daughter!" Long Jingxian instantly carried her daughter and left.

"Hey! Long Jingxian, come back here! I still have not finished talking to you!" Mu Cheng roared as he pointed his right index finger at Long Jingxian.

As Long Jingxian was walking aimlessly, Mu Ai inquired, "Mother, why do you always fight with father?"

"I'm sorry for letting you see that." Long Jingxian could only apologize to her daughter.

"Can't you two go back to the way you used to be?" Mu Ai asked.

In the past, their family was filled with happiness. They always laughed and had a happy moment every single day.

"Your father has changed. It's impossible to go back to how it used to be." Long Jingxian gave an honest answer.

"Why did father change?" Mu Ai asked again.

Long Jingxian sighed before answering, "Stop asking a question."

"Then where are we going now?" Mu Ai inquired,

"Let's find a hotel to sleep tonight." Long Jingxian did not want to go home because she was still angry at her husband.

"Are we not going home tonight?" Mu Ai was startled by her mother's words.

"No." Long Jingxian replied, "We will go home tomorrow."

Coincidentally, Xiao Tian saw them.

'Aren't they lady Long and her daughter?'

Previously, Xiao Tian wanted to go to Eternal Beauty company because Liang Jun wanted him to sign some documents.

In order to make sure that they were Long Jingxian and Mu Ai, Xiao Tian paid attention to them carefully when his car passed them.

'It's them!'

Xiao Tian instantly stopped the car.

Because Long Jingxian was carrying her daughter after he sent her home, he knew that something bad had happened to her.

Xiao Tian instantly got out of the car and walked towards them, "Lady Long, why are you here?"

"Xiao Tian?" Long Jingxian was startled when she saw Xiao Tian.

"Don't get me wrong. I was about to go to my other company and suddenly saw you." Xiao Tian didn't want Long Jingxian to think he was stalking her. "So why are you here? And h-

Xiao Tian stopped his words halfway when he saw a red mark on Long Jingxian's face.

'This is...'

Xiao Tian instantly knew that someone had slapped Long Jingxian in the face before.

'Was it her husband?'

He suddenly thought it was her husband, the one who slapped her in the face.

"Lady Long, your face...." Xiao Tian did not finish his words on purpose.

"My husband was the one who did this to me." Long Jingxian gave an honest answer. "We had an argument after you left earlier."

"Was it because of me?" Xiao Tian had a feeling that everything was related to him because he drove her home earlier.

"It's not your fault. It's my husband's fault." Long Jingxian did not blame Xiao Tian because, in her eyes, it was her husband's fault.

If her husband had not always drunk and gambled, everything would have been different. However, she couldn't do anything because her husband never listened to her words.

"So, where are you going now?" Xiao Tian inquired,

"I don't know." Long Jingxian replied, "Maybe, I will find a hotel first."

"How about you stay in my apartment?" Xiao Tian gave a suggestion. "There's no one in my apartment, so you can stay there if you want."

"Xiao Tian, why do you always want to help me?" Long Jingxian was curious as to why Xiao Tian kept wanting to help her.

They had only met three times, so she thought it would be strange if he kept wanting to help her.

"Don't get me wrong. I just don't want something bad to happen to little Ai." Of course, Xiao Tian knew why Long Jingxian suddenly asked something like that. "If you don't want to, I won't force you."

"Mother, let's just stay in big brother's apartment." Mu Ai spoke abruptly.

At this moment, Long Jingxian only stared at her daughter without saying a single word.

Chapter 963 - Little Ai, I'm Back

6-7 minutes

"Mother, let's just stay in big brother's apartment." Mu Ai spoke abruptly.

Long Jingxian did not expect her daughter to say something like that.

At this moment, Xiao Tian only stared at Long Jingxian without saying a single word.

He did not want to force her to stay in his apartment because he was afraid that Long Jingxian would think that he had hidden intentions later.

"Mother, let's just stay in big brother's apartment." Mu Ai repeated her words.

Because her daughter wanted to stay in Xiao Tian's apartment, Long Jingxian agreed, "All right."

Long Jingxian was a little surprised when she found out that his apartment was located near the famous Yonhan beach because all the apartments in this area were costly..

*Click...

After entering the pin, Xiao Tian opened the door.

"Woa! This apartment is amazing." Mu Ai immediately ran towards the window. "I can also see the beach from here."

Xiao Tian smiled softly when he saw Mu Ai's happy face. He was pleased that Mu Ai liked his apartment.

When Xiao Tian was next to Mu Ai, he immediately spoke, "How about we play on the beach later?"

"Un." Mu Ai nodded her head happily before looking at her mother, "Mother, let's play on the beach later."

When Long Jingxian saw her daughter's happy face, she instantly agreed, "All right."

"Lady Long, I need to go to my company first." Xiao Tian uttered, "There are some documents I need to sign now."

"All right." Long Jingxian replied.

"Big brother, where do you want to go?" Mu Ai asked when she saw Xiao Tian opening the door. "Didn't you say we would play on the beach later?"

Long Jingxian walked towards her daughter and spoke, "Little Ai, big brother needs to work first. We can play on the beach later."

"Big brother has to go now, but big brother will return soon." Xiao Tian added, "Be a good girl and wait for big brother to come back. After that, we will play on the beach later."

Mu Ai raised her right little finger and spoke, "Promise?"

Xiao Tian intertwined his little finger with hers and smiled, "Promise."

"Be careful on the road, big brother." Mu Ai waved goodbye. "And don't forget to come back quickly."

"Un." After nodding his head, Xiao Tian closed the door.

'If only if Feng Yu were as adorable as little Ai.'

Xiao Tian's life would be much more colorful if Feng Yu were as adorable as Mu Ai.

Mu Ai then sat on the couch and spoke, "Mother, let's watch movie."

After sitting on the sofa, Long Jingxian replied, "All right."

After Xiao Tian arrived at the Eternal Beauty company, he immediately worked because he wanted to spend time with Mu Ai so badly.

Time went by quickly, and without realizing it, it was already 03:40 pm. Because Xiao Tian had finished his work, he immediately traveled to his apartment.

*Click...

Xiao Tian opened the door.

When Xiao Tian saw Mu Ai sitting on the couch alone, he walked towards her and sat next to her, "Little Ai, I'm back."

"Welcome back, big brother." Mu Ai spoke in a cheerful voice.

"What are you watching?" Xiao Tian asked curiously.

"Little Angel." Mu Ai replied, "I really like this anime."

"Oh!" Xiao Tian knew Little Angel anime because Feng Yu also liked it.

Because Xiao Tian suddenly wanted to pee, he dashed to the toilet. To his surprise, he saw Long Jingxian after opening the bathroom door.

Her beautiful long black hair was still wet, and her slender body was wrapped in a white towel. And because the towel was not big, Xiao Tian was able to see her upper breasts.

However, the most alluring thing was that the towel only covered her slender body until her secret place.

In other words, Xiao Tian would be able to see her pussy if he squatted down in front of her.

*Silence...

Due to how shock they were, none of them said a word and only stared at each other.

One second...two seconds...three seconds.

Even after three seconds, they only stared at each other without saying a single word, as if the words were stuck in their throats.

At this moment, Xiao Tian unconsciously lowered his gaze. He could not help but gulp his saliva when his gaze fell on her flawless long legs.

Long Jingxian instantly covered her breasts with her right hand while her private place with her other hand.

Sure, Xiao Tian was unable to see her breasts and vagina because she was wearing a towel, but she moved her hands in reflex.

Xiao Tian suddenly came to his senses and turned around. "Sorry, I did not know you were in the bathroom."

'There are two bathrooms in this apartment. Why doesn't she use a private one?'

Xiao Tian asked in his head.

"It's fine. Do you want to use the bathroom?" Long Jingxian was still covering her breasts and secret place with her hands.

She did not blame Xiao Tian because she knew it was just a coincidence.

"Yes." Xiao Tian answered, "I need to use the toilet."

"I have finished talking a shower, so you can use it now." Long Jingxian uttered,

"All right." After saying that, Xiao Tian entered the bathroom.

Even though he wanted to take a last look at her amazing body, he didn't do that because he didn't want to make her angry with him.

Then Long Jingxian headed to the bedroom to wear her clothes.

Not long after that, Xiao Tian returned to the living room and sat next to Mu Ai. "Little Ai, do you want to play on the beach now?"

"Yes." Mu Ai's eyes shone happily. "Let's play on the beach now."

"All right. But let's wait for your mother first." Xiao Tian was sure that Long Jingxian was still putting on her clothes.

Because Mu Ai wanted to play on the beach so badly, she ran towards the bedroom, "Mother, let's go to the beach now!"

Xiao Tian smiled softly when he saw Mu Ai.

'It seems like she really wants to play on the beach.'

Chapter 964 - Going To The Beach With Mu Ai And Long Jingxian

6-7 minutes

After Long Jingxian put on her clothes, they headed to the Yonhan beach. Because Yonhan beach was located next to Xiao Tian's apartment, they decided to walk.

As usual, they immediately became the center of attention. All the men were looking at Long Jingxian while the women were staring at Xiao Tian.

Because Long Jingxian and Xiao Tian were used to it, they behaved normally and kept walking.

At this moment, Mu Ai suddenly dashed towards the water and spoke, "Big brother, let's play with water."

Because Xiao Tian was wearing shorts, he rushed towards Mu Ai with a smile on his face, "Sure."

As Mu Ai was splashing water on Xiao Tian, she looked at her mother and spoke, "Mother, come here and play with us."

"I'm coming.." Long Jingxian joined them, playing with water.

After playing with water for about ten minutes, Long Jingxian stopped and sat on the sand.

"Hahaha." Xiao Tian and Mu Ai laughed happily as they played with water.

At this moment, Long Jignxian was staring at Xiao Tian and her daughter.

'If only it's my husband who is playing with her.'

A trace of sadness suddenly appeared on Long Jingxian's pretty face.

In the past, her family was a happy family, but everything changed six months ago. Now her loving and caring husband had changed into a cruel person.

All they did every day was fight and fight. There was not a single beautiful moment since six months ago.

He even still used violence in front of their daughter. It was as if both she and her daughter were no longer important to him.

'Thank you, Xiao Tian.'

Long Jingxian did not expect that the person who was always by her side when she was feeling down was someone she had recently met.

He even helped her a few times. She did not know what would happen to her if Xiao Tian was not by her side.

When Xiao Tian saw Long Jingxian's expression, he returned his attention to Mu Ai and spoke, "Little Ai, how about we make a sandcastle?"

"Sure." Mu Ai agreed instantly.

Then Xiao Tian and Mu Ai walked towards Long Jingxian and began to make a sandcastle.

Xiao Tian, who was sitting on Long Jingxian's right side, inquired, "Lady Long, why do you have such a long face?"

"I suddenly remembered my husband." Long Jingxian replied, "If only my husband were like you, I would be happy now."

"Speaking of your husband, can you tell me what happened to you earlier?" Xiao Tian inquired,

Long Jingxian did not answer immediately and only stared at Xiao Tian.

'Should I tell him the truth?'

After thinking for several seconds, Long Jingxian decided to tell everything to Xiao Tian because he had helped her a few times.

"My husband..." Long Jingxian began to tell everything.

She told Xiao Tian that her husband was always angry and used violence now.

All they did every day was fight and fight. He even did not care whether Mu Ai was near them or not. If he did not like something, he would use violence.

But what she hated the most was that her husband was always drunk and gambled every day. He even stole her saving to gamble.

Because of this, the money she saved over the years for Mu Ai's education was no longer left.

But because her husband was addicted to gambling and could not stop anymore, he decided to borrow money from Bai Yuzen at a high-interest rate.

She also told Xiao Tian that the three people who tried to kidnap her earlier were none other than Bai Yuzen's underlings.

Bai Yuzen tried to kidnap her because her husband could not pay his debt and decided to sell her to pay off his debt.

"So, your husband forced you to sleep with Bai Yuzen to pay off his debt?!" anger rose in him like a tide when he learned everything.

"Yes." Long Jingxian replied, "Bai Yuzen said he would forget my husband's debt if he could spend one night with me."

"He doesn't deserve to be your husband!" at this moment, Xiao Tian realized that he was speaking ill of her husband in front of her. "Ah, sorry for saying that."

Xiao Tian apologized because Mu Cheng was still her husband. He was afraid that Long Jingxian would get angry at him later.

"Hehe. It's fine." Long Jingxian giggled cutely when Xiao Tian suddenly apologized like that. "What you said is right. He doesn't deserve to be my husband."

She then continued, "Actually, I want to divorce him since a few months ago, but I can't do that because of little Ai. She is still young and needs a father. I'm afraid it will affect her growth if she doesn't have a father later."

If it were not for Mu Ai, Long Jingxian would have divorced Mu Cheng a few months ago because he was no longer worthy of being her husband.

At this moment, Xiao Tian wanted to say, 'how about I become her father?'. However, he knew it was not the right moment to joke like that.

"Yeah. It will affect her growth." At this moment, Xiao Tian suddenly remembered Feng Yu.

He was always sad when he saw Feng Yu. Because of the broken home, she could not act like a child her age. She was even forced to mature quickly.

"I hope little Ai will always stay like this." Xiao Tian really did not want Mu Ai to be the second Feng Yu.

"It seems like you really like my daughter." From how Xiao Tian treated her daughter, Long Jingxian knew that Xiao Tian really liked Mu Ai.

"Yeah." Xiao Tian replied as he looked at Mu Ai. "She is so adorable. I always feel happy and calm when I'm with her as if the burden on my shoulders has been lifted. I hope my future daughter will be like her later."

"You are right." Long Jingxian agreed with Xiao Tian.

Mu Ai was the reason why she could stay strong until now. Every time she was with her daughter, her mind suddenly felt calm.

At this moment, Mu Ai suddenly spoke, "Big brother, don't just always talk to my mother. Hurry up and help me build sandcastle."

"As you wish, little princess." After saying that, Xiao Tian helped Mu Ai build a sandcastle.

Chapter 965 - You Can Make Her Your Lover Too

7-8 minutes

"It's done!" Xiao Tian and Mu Ai finally finished building the sandcastle.

Long Jingxian's face broke into a smile when she saw the happy expression on the faces of Xiao Tian and her daughter.

'They have only met four times but they are already so close like this.'

Long Jingxian could not express the happiness she felt when she saw her daughter's big smile.

Because she always fought with her husband, it was rare for her daughter to smile like that.

Sometimes, she was even afraid it could affect her daughter's growth because Mu Ai often saw them arguing.

'Thank you, Xiao Tian.'

Long Jingxian was grateful to Xiao Tian..

Not only did he help her a few times, he even could make her daughter happy.

"I'm princess Ai." Mu Ai stated while placing her small hands on her waist.

"And I'm knight Xiao." Xiao Tian uttered while making the same pose as Mu Ai.

"Hehe." Xiao Tian and Mu Ai laughed happily.

"Mother, can you take a picture of us?" Mu Ai suddenly wanted her mother to take a picture of her and Xiao Tian.

"All right." After saying that, Long Jingxian took her smartphone out of her pocket and prepared to take a photo of her daughter and Xiao Tian.

Xiao Tian and Mu Ai were standing on their knees behind the castle sand. A big smile appeared on their faces.

Not only that, but they also made a peace hands sign. From their expression, anyone could tell that they were thrilled.

*Click...

Long Jingxian took a picture of Xiao Tian and her daughter.

Mu Ai then looked at Xiao Tian and giggled cutely. "Hehe."

At that moment, Mu Ai looked so adorable in Xiao Tian's eyes.

'She is so adorable! I really want a daughter like her.'

Xiao Tian was sure his life would be happier if he had a daughter like Mu Ai.

They then played on the beach for another thirty minutes before finally, they returned to his apartment.

When Xiao Tian was about to go home, Mu Ai spoke, "Big brother, will you play with Ai again tomorrow?"

"Sure." Xiao Tian replied without thinking twice. "We will play again tomorrow."

"Good!" Mu Ai then waved goodbye to Xiao Tian. "Be careful on the road."

"Un." Xiao Tian then went home.

That night Mu Ai and Long Jingxian stayed the night in Xiao Tian's apartment.

Xiao Tian's Mansion, His Bedroom.

"Tian'er, did something good happen today?" Liu Ning, who was lying on his right side, asked curiously when she saw Xiao Tian's happy face.

"I suddenly want to have a daughter!" Xiao Tian unconsciously said what he had in mind.

"What?" Liu Ning, Lin Xing Xue, Shi Fei, Ye Qingyu, and Ye Xueyin were startled by his words.

All this time, Xiao Tian always said it was not the right time to have children. But now, he suddenly stated he wanted a daughter.

"Tian, let's make a daughter now." what Ye Xueyin meant was to have sex and get her pregnant.

"Little brother, I don't mind if you want to have a daughter with me." As usual, Shi Fei would do whatever he wanted.

At this moment, Ye Qingyu, Liu Ning, and Lin Xing Xue did not say anything. But they would agree instantly if Xiao Tian wanted to have a daughter with them.

"Tian'er, why do you suddenly want a daughter?" Liu Ning asked curiously.

"It's like this.." Xiao Tian told them everything.

"I see." Liu Ning and the others finally understood the reason why Xiao Tian suddenly wanted a daughter.

"Little brother, is she our future sister?" Shi Fei suddenly wanted to know whether Long Jingxian would become Xiao Tian's girlfriend or not later.

Xiao Tian pinched Shi Fei's nose and asked, "Why are you asking this question?"

"Because you are a playboy." Shi Fei gave an honest answer. "So I want to know whether she will become our sister or not later."

"Tian'er, you have to help her." Liu Ning suddenly remembered her dark past when Xiao Tian was telling everything.

"Yes." Lin Xing Xue added. "You have to help her."

Not only Lin Xing Xue and Liu Ning, but Shi Fei, Ye Qingyu, and Ye Xueyin also felt the same. They felt sorry for Long Jingxian.

In their view, her husband was no longer worthy of Long Jingxian. Someone who tried to sell his wife and take his daughter as a hostage did not deserve to be called a husband.

They believed if Long Jingxian were still together with Mu Chang, something bad would happen to her and her daughter later. That was why they hoped Xiao Tian would help Long Jingxian.

"Don't worry. I will help her." Xiao Tian also had the intention to help Long Jingxian because he did not want something bad to happen to her and her daughter.

"Good!" Shi Fei was pleased after hearing his words. "I even won't mind if you make her your lover too. With this, Feng Yu will have a friend later."

What Shi Fei said made sense. Feng Yu said she was lonely and wanted someone to talk to a few days ago.

She even said that she wanted a younger sister. All she wanted really suited Mu Ai perfectly.

Xiao Tian looked at his other women after hearing Shi Fei's words. At that moment, Liu Ning and the others instantly nodded their heads.

Xiao Tian's Apartment, Bedroom.

Currently, Mu Ai was sleeping soundly on the bed. As for Long Jingxian, she was lying next to her daughter, looking at pictures on her smartphone.

Yes. It was the picture of her daughter and Xiao Tian, the photo when Xiao Tian and Mu Ai smiled happily.

'He is an attractive young man!'

The longer she stared at the photo, the more she realized that Xiao Tian was an attractive young man.

Ever since he helped her and could get along with her daughter well, Long Jingxian felt something familiar within her.

However, Xiao Tian was thirteen years younger than her, and she was also a married woman. Xiao Tian was a successful young man and also had such a handsome face, so she did not know what to do with her feelings.

Sure, she believed her beauty was not inferior to these women in their twenties, but she had two shortfalls.

First, she was much older than him, and second, she was already married. She was sure any man would not choose a woman like her, especially if they were like Xiao Tian, who was attractive and rich.

'Huft! What am I thinking about?'

Long Jingxian sighed when her mind kept thinking about Xiao Tian.

"Mother, why are you still awake?" Mu Ai's cute voice echoed in the bedroom.

Long Jingxian instantly turned her head towards her daughter and replied, "I was about to sleep earlier."

When Mu Ai noticed Xiao Tian's photo on her mother's phone, she immediately asked, "Are you looking at big brother's photo?"

"No. I was looking at your picture." Long Jingxian replied before putting her smartphone on the table next to the bed. "Let's sleep."

"Mother, I really like big brother." Mu Ai was always happy when she was with Xiao Tian, unlike his father, who was always angry at her. "If only father were like big brother."

Long Jingxian's face turned sad after hearing Mu Ai's words. "Don't be sad. We will play with big brother again tomorrow."

"Un." Mu Ai nodded her head.

Chapter 966 - Trouble

6-8 minutes

The following morning, Xiao Tian went to the Star Film company to continue writing the script. He wanted to finish the script immediately so that they could start making a movie.

Time went by quickly, and without realizing it, it had been two hours since Xiao Tian started writing the script.

As Xiao Tian focused on his work, his smartphone suddenly rang.

'New number? Who is this person?'

Since the number was not registered on his phone, Xiao Tian did not know the person who called him.

"Hello?" Xiao Tian spoke after picking up the phone.

"Xiao Tian, it's me, Long Jingxian." She knew Xiao Tian's number because he gave her his business card yesterday. "Xiao Tian, I can't find little Ai.."

Xiao Tian instantly rose to his feet and walked out of his office, "Send me your location now. I will be there soon."

"All right." After hanging up the phone, Long Jingxian sent her location.

Currently, Long Jingxian was in the park. Because her daughter suddenly wanted to take a walk, she brought her daughter to the park.

However, she lost her daughter when she was buying ice cream. She had been looking for her daughter, but she still could not find Mu Ai.

For this reason, she called Xiao Tian and asked him for help because two people were better than one person.

After Xiao Tian arrived at the park, he immediately called Long Jingxian. When they met, he felt an ache in his heart when he saw her worried expression.

Of course, he could understand her feelings because he also felt the same. "Lady Long, please calm down. We will definitely find little Ai later."

Even though Long Jingxian had tried her best to calm herself, but the feeling of worry kept appearing within her. She was afraid that something bad had happened to her daughter.

At this moment, Xiao Tian sent Mu Ai's picture to Chun Hua. He ordered her to find Mu Ai no matter what.

Even though Chun Hua had many questions, she did not ask anything. She instantly ordered the others to find Mu Ai.

However, something unexpected happened when Xiao Tian and Long Jingxian were looking for Mu Ai.

Her husband suddenly sent her a message!

The content of his message was that he wanted Long Jingxian to return home.

But what made them furious was that there was a photo of Mu Ai being tied to a chair.

Long Jingxian gritted her teeth. Rage filled her. She did not expect that her husband had the heart to tie their daughter to a chair like that.

Her daughter was still ten years old, but her husband still treated her as if she was not his daughter.

Not only Long Jingxian, but Xiao Tian was also furious. He was about to explode with rage when he saw Mu Ai being tied to a chair.

Xiao Tian tried his best to suppress his anger and spoke, "Let's save little Ai."

"Un." Long Jingxian nodded her head.

Xiao Tian and Long Jingxian went straight to her house. Of course, Xiao Tian did not forget to inform his underlings and told them to come to her house too.

"Little Ai!" as soon as they arrived at her house, Long Jingxian got out of Xiao Tian's car and dashed towards her house.

"Wait!" actually, Xiao Tian wanted to make a plan first.

'Well, I can understand her feelings.'

Xiao Tian knew that Long Jingxian was worried about her daughter's safety, and as a result, she could not think straight.

Xiao Tian instantly entered her house. To his surprise, he saw five people standing next to Mu Cheng.

"Big brother, mother." Mu Ai was frightened by these five people, and as a result, tears filled her eyes.

Long Jingxian pointed her right index finger at her husband and roared, "Mu Cheng, how could you do this to her? Did you forget she is your daughter?"

"I know she is my daughter, but I will die if I don't do this. It's all your fault! It's because you don't want to sleep with Mr. Bai!" Mu Cheng blamed Long Jingxian for everything.

It was the day to pay his debts, but he had no money. Because Long Jingxian refused to spend one night with Bai Yuzen, Bai Yuzen would kill him if he did not give Bai Yuzen money.

That was why he had no choice but to kidnap his daughter so that he could save his life later.

"You really don't deserve to be her father!" Long Jingxian spoke before correcting her words. "No, you don't even deserve to be called a human because your behavior is like that of a beast! Even some beasts are still better than you."

Long Jingxian could not forgive her husband anymore. His actions had crossed the line. All this time, she always forgave him.

She even still forgave him when he stole her money for gambling. But now, all she had for her husband was only one thing.

Hatred!

Long Jingxian could not forgive her husband anymore.

"Don't act like you are a good person too! You did not return home yesterday and I'm sure you were with him last night." Mu Chang pointed his right index finger at Xiao Tian. "Have you forgotten you are still my wife? How dare you spend the night with him?"

At this moment, the bald guy who had a tiger tattoo on his left cheek asked, "Is what your husband said true, Mrs Long?"

This bald man was Bai Yuzen, the thug who desired to sleep with Long Jingxian.

At this moment, Xiao Tian still did not say anything and only skimmed his surroundings.

'We have disadvantage in this place.'

Currently, Xiao Tian and the others were in the living room.

There was a red couch with a small wooden table on his left side. Mu Ai, Mu Cheng, and these five thugs were right in front of him.

And there was a TV and a tall fan behind these five thugs. Because these thugs were standing next to Mu Ai, Xiao Tian could not save her immediately.

'Damn it!'

Xiao Tian cursed venomously in his heart.

If Mu Ai were not beside them, Xiao Tian would have immediately attacked these thugs.

Sure, Xiao Tian could kill these thugs, but he did not want Mu Ai to see him kill people. There were several reasons for this.

Firstly, Mu Ai was still a child, so it could traumatize her to see a dead person right in front of her. Second, his good image could be ruined later.

Third, there was a possibility that Mu Ai did not want to meet him again if he killed people in front of her.

Xiao Tian really liked Mu Ai, so he did not want something like this to happen.

Fourth, it would be difficult to protect Mu Ai and Long Jingxian at the same time. And there were still several reasons why Xiao Tian did not attack these thugs immediately.

"That's right. Why? Are you disappointed?" because Bai Yuzen wanted to bed her so badly, she decided to say this.

Bai Yuzen turned his head towards Xiao Tian and asked with a cold voice, "Boy, did you have sex with her last night?"

Chapter 967 - Bai Yuzen Is Doomed

7-8 minutes

Bai Yuzen turned his head towards Xiao Tian and asked with a cold voice, "Boy, did you have sex with her last night?"

All his fingers dug into his palm as a terrifying gleam flashed across his eyes. Bai Yuzen was enraged. He had wanted to bed Long Jingxian since six months ago, and until now, he still could not do that.

That was why he was furious when Long Jingxian said she had spent the night with Xiao Tian yesterday.

He could not accept it, and he did not want to accept it. He was sure Xiao Tian had only known Long Jingxian not too long ago, but he managed to bed her.

And here, he had been trying to bed her since six months ago but still could not do that. He felt a flash of irritation, and a feeling of envy roared within him.

When Xiao Tian saw Bai Yuzen's terrifying eyes, he behaved normally.

.

'Ah! I see.'

When Xiao Tian remembered Long Jingxian's beauty, he understood everything.

Xiao Tian's lips curled into a smirk before grabbing Long Jingxian's slender waist and pulling her towards him. "That's right. We had some fun last night. Isn't that right?"

"Yes." Long Jingxian replied instantly. "We really had a good time last night."

Mu Cheng was breathless with anger and pointed his right index finger at Long Jingxian. "You! How dare you have an affair behind my back?! Have you forgotten that you still have a husband?!"

"In my eyes, you no longer deserve to be my husband." Long Jingxian spoke and paused for a second before she continued, "And Xiao Tian is much better than you. Not only is he young, attractive, and successful, he is even good in bed, unlike you. And the most important thing is that he loves little Ai too."

Long Jingxian wanted to make her husband feel irritated because she was enraged with his action.

"All of this is because of money, right? Tell me, how much is his debt? I will pay for it now." of course, Xiao Tian would take his money back later.

He needed to save Mu Ai first, so he could not act aggressively for now. He would wait for the right moment to strike back.

"It seems like you have a lot of money." Bai Yuzen uttered, "His debt is 500,000 Yuan but added with interest, it becomes 1,000,000 Yuan."

"Sure, I will give you 1,000,000 Yuan now." Xiao Tian would get his money back later, so he did not mind it.

'I will let you happy for now.'

He added in his head.

"Xiao Tian..." Long Jingxian was touched by his actions.

"Don't worry. Let me handle it." Xiao Tian smiled and said in a soft voice.

Because Xiao Tian could pay 1,000,000 Yuan, Bai Yuzen changed his words. "Ops! I forgot. It should be 3,000,000 Yuan, not 1,000,000 Yuan."

"You!" Long Jingxian knew Bai Yuzen had increased the debt.

"Sure. I will pay it now." like before, Xiao Tian behaved normally as if 3,000,000 Yuan was nothing to him.

"Xiao Tian..." 3,000,000 Yuan was a lot of money, so Long Jingxian suddenly had complicated feelings.

She did not want Xiao Tian to pay 3,000,000 Yuan, but at the same time, she wanted to save her daughter.

"It's fine. Let's me handle this." Xiao Tian repeated his words.

"Ops! It seems like my memory is getting worse now. I suddenly remember that his debt is not 3,000,000 Yuan, but 10,000,000 Yuan." The reason why Bai Yuzen kept increasing the debt was that his main purpose was not money but Long Jingxian.

Yes. Actually, he was the mastermind of everything. Bai Yuzen saw Long Jingxian when he was visiting his underling in the hospital six months ago.

It could be said that he fell in love with Long Jingxian at first sight. However, anger suddenly consumed him when he learned that Long Jingxian was already married with Mu Cheng.

He kept thinking about how to get Long Jingxian. And after thinking for three days, he finally found a perfect idea to get Long Jingxian.

Coincidentally, Mu Cheng's friend was someone he knew, so he used Mu Cheng's friend to carry out his plan.

First, Mu Cheng's friend would make Mu Cheng addicted to gambling and drunk. And when Mu Cheng did not have money, he would lend money to Mu Cheng at a high interest rate.

And when Mu Cheng could not pay his debt, Bai Yuzen would show his true intention, and that was Mu Cheng's wife, Long Jingxian.

His plan was perfect!

If it were not for Xiao Tian, Bai Yuzen was sure that his plan would have been successful now. He had been waiting patiently for several months, so there was no way Bai Yuzen would give up now.

Whatever happened, he had to take Long Jingxian home today. This was the reason why Bai Yuzen kept increasing Mu Cheng's debt.

"Oh! 10,000,000 Yuan?" Xiao Tian still had a calm face.

At this moment, Chun Hua and Ren Aoxu appeared behind these thugs. Their main mission was to save Mu Ai.

*Shuui...

Ren Aoxu instantly dashed towards Mu Ai and saved her.

As for Chun Hua, she immediately attacked these thugs.

*Bang...Bang...Bang....

Chun Hua was a martial artist at the high-level master stage, so her attacks were extremely fast.

Coupled with her attacking these thugs from behind, they could not avoid or block her attacks. And as a result, they fell to the floor with bruises and blood on their faces.

Xiao Tian did not stay still. He dashed towards Bai Yuzen and hit Bai Yuzen's chin.

*Bang...

Xiao Tian did not stop and kept hitting Bai Yuzen.

He immediately hit Bai Yuzen's right cheek hard, causing Bai Yuzen to fall to the floor. When Bai Yuzen realized what was going on, he knew that he was at a disadvantage.

For this reason, Bai Yuzen chose to run away. Xiao Tian did not chase Bai Yuzen because his underlings had surrounded Long Jingxian's house.

Xiao Tian believed that Bai Yuzen would not be able to escape from his underlings.

Long Jingxian dashed towards her daughter and spoke, "Little Ai...."

Bai Yuzen, who thought he had managed to escape, grinned.

'Fool! He doesn't chase after me. Hmph! I will take my revenge later.'

However, his happiness suddenly turned into terror when he saw more than one hundred people standing in front of him.

"Who....who are you?" terror overtook his face.

Bai Yuzen knew they were members of a gang.

"Tch! A person like him dares to cause trouble to our leader!"

"You are right. I'm amazed by his braveness!"

"Does he think he is great?"

"He is nothing compare to our leader!"

"Can I skin him alive now?"

Xiao Tian's underlings looked at Bai Yuzen with annoyed faces.

Bai Yuzen's body instantly trembled in fear.

'Leader? Who is their leader?'

Bai Yuzen knew that Long Jingxian was only a doctor, not a member of a gang.

'Don't tell me....'

His eyes widened when he suddenly remembered Xiao Tian.

'Don't tell me. He...he is their leader?!'

Because Xiao Tian was still young and looked like an innocent person, he did not expect Xiao Tian to be a leader of a gang. Not only that, Xiao Tian even had more than one hundred underlings.

At this moment, Bai Yuzen suddenly realized something.

He was doomed!

Chapter 968 - Torturing Mu Cheng And Bai Yuzen

7-8 minutes

Long Jingxian's House, Living Room.

Currently, Long Jingxian was embracing her daughter. Tears still could be seen in her blue-violet eyes, but she was relieved because they finally could save her daughter.

Previously, she was afraid because her daughter became a hostage. Luckily, nothing bad happened to her daughter.

At this moment, all of Bai Yuzen's underlings fainted on the floor. Their bodies were covered in blood and bruises. Chun Hua beat them mercilessly earlier.

Xiao Tian then looked at Chun Hua and spoke, "Chun Hua, take them to my apartment now."

In his view, it was better for Long Jingxian and Mu Ai to stay in his apartment because they just had a bad experience at their house..

Xiao Tian was afraid they would not be able to calm down later, especially Mu Ai. That was why he ordered Chun Hua to take them to his apartment.

"Understood." Chun Hua replied.

At this moment, Mu Cheng looked at Xiao Tian with terror in his eyes. He did not expect that everything would be different from what he had previously thought.

"What...what are you going to do to me?" like before, Mu Cheng asked with terror in his eyes.

Xiao Tian looked like a devil in his eyes. His body kept trembling in fear when Xiao Tian saw him with his terrifying gaze.

Xiao Tian had killed many people in his current or previous life, so his killing intent was not something a normal person like Mu Cheng could handle.

"We will have some fun later." Xiao Tian would torture Mu Cheng later because Mu Cheng dared to do a cruel thing to Mu Ai.

Sure, Mu Cheng was Mu Ai's father, but that what made Xiao Tian hate Mu Cheng even more.

Crystal's Apartment, Living Room.

"Crystal, I saw Xiao Tian with a gorgeous lady on the Yonhan beach yesterday." Yu Shi uttered, "She is not one of his women."

Yu Shi had seen Shi Fei, Lin Xing Xue, and Liu Ning, so she knew Long Jingxian was not one of his women.

"So?" actually, Crystal knew the direction of their conversation because her master still wanted her to be Xiao Tian's wife.

"You know Xiao Tian before that woman, so you should not lose to her." Yu Shi revealed her true intentions. "Aren't you afraid that she will become Xiao Tian's girlfriend sooner than you?"

Crystal sighed after hearing her master's words. "Master, we became friends not too long ago. If we were meant to be together, I would definitely end up with him later. Can we change the topic now?"

"You are really stupid!" Yu Shi stated, "Your perfect appearance is a waste on you."

Crystal had a slender waist with jade-like skin. Her long black hair perfectly matched her beautiful oval face.

Coupled with her big breasts and beautiful purple eyes, she could charm any man instantly. Yu Shi could only sigh because her disciple never used her perfect body to seduce Xiao Tian.

In her view, Crystal's perfect body was a waste on her because she never used it.

*Sigh...

Like before, Crystal only sighed after hearing her master's words.

Blue Ice Lotus Gang Headquarters, Torture Room.

"Agghhhh..." a soul-piercing howl of pain echoed in the torture room.

Currently, Mu Cheng and Bai Yuzen were being tied up on an 'X' shaped wood. They wore nothing but shorts.

Their bodies were full of whip marks. Head, arms, chest, legs. All parts of their bodies were full of whip marks. Blood even began to come out of their bodies.

At this moment, Xiao Tian was sitting on the chair while looking at them emotionlessly. He did not show the slightest care even though Mu Cheng and Bai Yuzen kept begging for forgiveness.

Both of them had done something cruel to Mu Ai, so Xiao Tian would not forgive them.

*Slash...

Xiao Tian's underlings continued to whip them without showing the slightest expression of pity.

"Agghhhh." Like before, Mu Cheng and Bai Yuzen cried out in pain.

It never crossed their minds that they would be tortured by someone today. That person was even much younger than them.

When Xiao Tian walked towards Mu Cheng, his underling stopped whipping Mu Cheng.

Xiao Tian grabbed Mu Cheng's face and said coldly. "Previously, I was very jealous of you because you have a little angel like Mu Ai. But not only did you not treat her well, you even did something cruel to her."

At that moment, Xiao Tian's black eyes were like a scarlet abyss, and every single one of his words was filled with coldness and hate.

Mu Ai was like a little angel in his eyes, so Xiao Tian was unable to control his anger.

And what he hated the most was that the person who did such a cruel thing to Mu Ai was her own father, the one who brought her into this world.

*Bang...

Xiao Tian hit Mu Cheng in the face very hard, causing Mu Cheng's two teeth to fall to the floor.

"This punch is for your wife." like before, Xiao Tian's words were filled with coldness and hate.

*Bang...Bang...Bang...Bang...

Head, stomach, chest. Xiao Tian hit Mu Cheng's body for several seconds.

"This is for little Ai." After saying that, Xiao Tian hit Mu Cheng's face again.

*Bang...

Xiao Tian then turned his head to look at Bai Yuzen. When Bai Yuzen saw Xiao Tian's terrifying eyes, his body trembled continuously.

'De..devil...he is a devil! He is not a human being! He is a devil in disguise!'

Due to how scary Xiao Tian was, Bai Yuzen felt as if Xiao Tian was a devil.

"Agghhhh...." When Xiao Tian was walking towards Bai Yuzen, his underling started whipping Mu Cheng again.

"Ple...please forgive me....please forgive me." the closer Xiao Tian got to him, the scarier Xiao Tian became.

Bai Yuzen lived for thirty years, but this was the first time he had seen someone so terrifying like Xiao Tian.

Previously, he thought Xiao Tian was only an innocent young man, but now he realized that he was wrong.

He was utterly wrong because an innocent young man would not be so terrifying like him. Bai Yuzen was even sure that Xiao Tian was used to killing and torturing people.

When Xiao Tian was in front of Bai Yuzen, he immediately spoke, "Where did your previous mighty behavior go? Why didn't you ask for money again now?"

When Xiao Tian met Bai Yuzen at Long Jingxian's house earlier, Bai Yuzen behaved mightily as if he was the king of the world.

But now Bai Yuzen looked like a cat in front of Lion. His body even trembled non-stop.

"I... I'm sorry. I...I didn't know anything about you earlier....plea...please forgive me." Due to how scary Xiao Tian was, Bai Yuzen could not finish his words in one go.

*Bang...

Xiao Tian hit Bai Yuzen's face hard.

However, Bai Yuzen didn't complain or make an annoyed face. He even kept asking for forgiveness.

*Bang...

Xiao Tian hit Bai Yuzen's face again.

Xiao Tian repeated the same process five times before returning to his seat. "Keep whipping them!"

Bai Yuzen and Mu Cheng felt immense pain, especially when the whip hit their wounds. However, they could not do anything but try to endure the pain.

They had begged for forgiveness, but Xiao Tian ignored it. That day, they finally knew what it was like to be tortured.

Chapter 969 - What A Big Teddy Bear Doll!

7-8 minutes

As Xiao Tian was looking at his underlings torturing Mu Cheng and Bai Yuzen, his smartphone suddenly rang.

When he knew the person who was calling him, Xiao Tian instantly raised his right arm, giving his underlings a sign to stop torturing Mu Cheng and Bai Yuzen.

"Hello?" actually, Xiao Tian was startled when Long Jingxian suddenly called him.

But he suddenly thought that she wanted to thank him.

To his surprise, the one who answered him was not Long Jingxian, but Mu Ai, "Big brother, where are you right now?"

Xiao Tian's terrifying face instantly turned soft, "Oh, little Ai?! Big brother is working right now. What's wrong?"

Of course, Xiao Tian could not tell her that he was torturing her father in his gang headquarters because Xiao Tian did not want Mu Ai to hate him.

"Working? When will you play with Ai?" Mu Ai suddenly wanted to play with Xiao Tian after experiencing something terrifying earlier.

.

Like Xiao Tian, who loved to spend time with Mu Ai, she also liked spending time with Xiao Tian. When she was with him, she felt happy. That was why she wanted to spend time with him again.

"Oh! You want to play with big brother again? Sure. Big brother will come to see you now." Xiao Tian rose to his feet and walked out of the torture room.

Before leaving, he gave his underlings a sign to keep torturing Mu Cheng and Bai Yuzen because he still could not forgive them.

"Really?" Mu Ai spoke happily.

"Yes. Big brother is on his way to meet you now." Xiao Tian felt relieved after hearing Mu Ai's cheerful voice.

Actually, he was afraid that she would change after experiencing something terrifying earlier.

It cheered her soul after hearing Xiao Tian's words. "Then I will be waiting."

After Xiao Tian hung up the phone, he went straight to his apartment. But he suddenly stopped his car when he saw a doll shop.

Because Mu Ai just experienced a terrible thing, he wanted to make her forget it. That was why Xiao Tian decided to buy a doll for her.

After choosing for about five minutes, Xiao Tian decided to buy a teddy bear doll. The color of the doll was pink, with a height of about 134 centimeters. It was as tall as Mu Ai.

'I hope she will like this later.'

The soft smile on Xiao Tian's face never disappeared when he was carrying a teddy bear doll to his car.

Xiao Tian wasted no time and went straight to his apartment.

*Click...

After entering his apartment, Xiao Tian spoke with a smile on his face, "Little Ai, big brother has come."

Mu Ai, who was sitting on the couch and watching anime, turned her head towards Xiao Tian.

When Xiao Tian was in front of Mu Ai, he immediately showed the teddy bear doll to her, "Big brother has a gift for you."

"Whoa! What a big teddy bear doll!" Mu Ai spoke with sparkling eyes.

Long Jingxian, who was sitting on her daughter's right side, smiled softly.

'He treats my daughter very well.'

Long Jingxian had complicated feelings when Xiao Tian treated her daughter very well. Sure, she was happy, but there was a small feeling she could not be described in words.

Mu Cheng, who was Mu Ai's father, treated her cruelly, and here, Xiao Tian, who was not related by blood to her, treated her very well.

He even helped them many times. And one could say something terrible would have happened to them if Xiao Tian had not been there for them.

"Do you like it?" Xiao Tian inquired.

"Un. I love it!" Mu Ai nodded her head happily.

"Here, take it." Xiao Tian gave the teddy bear doll to Mu Ai.

"Thank you, big brother." Like before, Mu Ai spoke happily.

Xiao Tian's heart throbbed with happiness when he saw Mu Ai's happy face.

Then they talked for about thirty minutes before they finally decided to take a walk on Yonhan beach like yesterday.

After seeing the sunset together, Xiao Tian went home to spend time with his women.

"So, is her problem solved now?" Shi Fei inquired.

Currently, Xiao Tian and his women were in the family room.

"Yes." Xiao Tian began to explain everything to them.

"Thank god, she is fine now." Shi Fei and the others were relieved because, with this, Long Jingxian and her daughter would be fine from now on.

"So, when will you invite them to live together with us?" Shi Fei was sure that Long Jingxian already had feelings for Xiao Tian.

Liu Ning and the others stared at Xiao Tian. Like Shi Fei, they also believed that Long Jingxian had already fallen in love with him.

In their view, it was better to live with them than live in Xiao Tian's apartment because with this, Long Jingxian would have someone to talk to besides her daughter.

Xiao Tian sighed when he saw his women. Sure, he already had feelings for Long Jingxian, but it was too soon to invite them to live together with him.

"I will invi-" Xiao Tian stopped his words halfway when his smartphone suddenly rang.

'Lady Long?'

Xiao Tian was startled when he knew the person who called him was none other than Long Jingxian.

"Who is it, little brother?" Shi Fei asked curiously.

"It's lady Long." Xiao Tian gave an honest answer.

"Then hurry up and pick up the phone." Shi Fei responded.

"Hello?" Xiao Tian spoke after picking up the phone.

"Big brother, can you sleep with me tonight?" the person who spoke was not Long Jingxian but Mu Ai.

"Little Ai?" Xiao Tian was a little startled. "What's wrong?"

Like Xiao Tian, Shi Fei and the others were also surprised. They thought it was Long Jingxian.

"I... I'm afraid." Every time Mu Ai closed her eyes, the memory of her being tied to a chair always appeared in her mind.

This was the reason why she could not sleep and suddenly wanted to sleep with Xiao Tian.

Anger welled up in his chest. Of course, Xiao Tian knew the reason why Mu Ai was afraid like that. "Big brother will be there soon."

"Then I will be waiting." Mu Ai's spirits brightened after hearing his words.

After Xiao Tian hung up the phone, he looked at his women and spoke, "Little Ai is afraid and can't sleep. I believe it's because of what happened to her today, so I will accompany her tonight."

"All right." His women knew what had happened to Mu Ai, so they did not mind it.

Actually, they were also sad because Mu Ai had experienced horrible things when she was still a kid.

"I'm leaving now." after kissing his women, Xiao Tian went straight to his apartment.

Because of how deep the hatred was inside him, Xiao Tian sent a message to his underling, telling them to torture Mu Cheng and Bai Yuzen again.

*Click...

After entering his apartment, Xiao Tian spoke, "Little Ai, big brother has come."

Mu Ai instantly got out of bed and rushed towards him, "Big brother..."

Xiao Tian instantly carried her. "Does little Ai want to sleep with big brother tonight?"

"Un." Mu Ai nodded her head.

When Xiao Tian stepped into the bedroom, he saw Long Jingxian lying on the bed. "I'm sorry about this, Xiao Tian."

"It's fine." Xiao Tian replied as he smiled.

Chapter 970 - I Will Take Her As My Daughter

5-7 minutes

Xiao Tian then put Mu Ai on the bed before lying down beside her.

Currently, Mu Ai was lying in the middle of the bed with Xiao Tian on her right side and her mother on the other side.

"Big brother, you won't leave after I fall asleep, will you?" Mu Ai wanted to sleep with Xiao Tian tonight, so she did not want him to leave later.

"No." Xiao Tian shook his head. "I will sleep with you tonight."

Happiness glowed inside Mu Ai. "Good. Then we can eat breakfast together tomorrow morning."

"Sure." Xiao Tian had told his women that he would not return home, so he agreed instantly.

Mu Ai touched her lips with her right index finger and spoke, "Mmm? What should we eat for breakfast tomorrow?"

"How about fried rice?" Xiao Tian gave a suggestion.

"Fried rice? Un. I like fried rice." after saying that, Mu Ai turned her head to look at her mother, "Mother, can you cook fried rice for us tomorrow morning?"

"All right." Long Jingxian was pleased when she saw her daughter's happy face.

'It seems like little Ai really likes Xiao Tian. They are close to each other like a father and a daughter.'

Long Jingxian realized what she had just said in her mind.

'A father and a daughter?'

She then turned her head to look at Xiao Tian.

'Should I ask him to be her father?'

A wild idea suddenly appeared in her mind, but she did not hate that idea.

Mu Ai returned her attention to Xiao Tian and spoke, "Big brother, my mother will cook fried rice for us tomorrow morning. My mother is skilled at cooking. I'm sure you will like it later."

"Is that so? Then I'm looking forward to it." Xiao Tian put on a happy face as if he really wanted to taste Long Jingxian's cooking.

"I'm one hundred percent sure you will like it later." Mu Ai kept praising her mother.

"All right. Let's sleep now." Xiao Tian uttered,

"Un." Mu Ai nodded her head. "Good night, big brother."

"Good night, little Ai." Xiao Tian uttered,

Mu Ai then looked at her mother and spoke, "Good night, mother."

"Good night, my angel." Long Jingxian replied as she smiled softly.

After Mu Ai and Long Jingxian fell asleep, Xiao Tian got out of bed and headed to the living room.

'I want to watch TV.'

After sitting on the couch, Xiao Tian turned on the TV.

He watched TV with a low volume because he did not want to wake Long Jingxian and Mu Ai.

Fifteen minutes later, Long Jingxian entered the living room. "What are you doing here?"

Xiao Tian turned his head towards Long Jingxian and replied, "Oh, lady Long. I'm watching TV now."

After sitting next to Xiao Tian, Long Jingxian uttered, "Thank you, Xiao Tian."

"Why are you thanking me?" Xiao Tian inquired.

"Little Ai was really scared earlier. I even could not calm her down. Luckily you were there for her." before calling Xiao Tian, Mu Ai could not sleep because the memory of her being tied to a chair by her father kept appearing in her mind.

At first, Long Jingxian panicked and tried to calm her down, but her efforts were in vain. Luckily, she remembered Xiao Tian or else, her daughter would still be scared now.

"Well, we can't blame her because she has experienced a cruel thing today." Xiao Tian could understand Mu Ai's feelings.

In his view, it was normal to be scared like that because what she had experienced was one of the cruelest things in the world.

Xiao Tian just hoped that Mu Ai would not be traumatized later.

"Xiao Tian, I have been curious about this until now." Long Jingxian spoke and paused for a second before she continued, "Why did you always help us? I mean, we were not close before, but you kept helping us."

"Hmm? Didn't I already answer this question?" Xiao Tian replied, "Little Ai is like a little angel in my eyes. She is so adorable, to the point I always want to see her smile. I really hope that my future daughter will be as cute as her later."

Xiao Tian did not swing that way. He was not a lolicon, and he had joined the MILF sect, so he only saw Mu Ai as an adorable kid.

"Then why don't you take her as your daughter?" after realizing what she had just said, Long Jingxian could not say anything anymore, and as a result, she only stared at him.

'Aren't I being too straight with what I want?'

Actually, Long Jingxian only wanted to say it in her head.

*Silence...

Long Jingxian's word dropped the living room into a dead silence.

Her words much surprised Xiao Tian, to the point he could not answer her question immediately. Of course, Xiao Tian understood the meaning of her words.

He just did not expect her to say it directly like that.

One second...three seconds...five seconds...

It had been five seconds, but they still did not say anything.

"I mean, you really like little Ai, and she also likes you, so..." Long Jingxian did not finish her words on purpose because she was sure Xiao Tian knew what she wanted to say.

"Sure. I will take her as my daughter if you allow it." Xiao Tian loved Mu Ai, so he agreed.

Long Jingxian looked at him carefully.

'What is the meaning of his words?'

There were two meanings in Xiao Tian's words, so Long Jingxian wanted to know which one it was.

First, Xiao Tian would only take Mu Ai as his adopted daughter. Second, he would become her husband later.

Long Jingxian tried to find the answer, but her efforts were in vain.

'I really want to know the meaning of his words.'

Because she could not hold back the curiosity within her, Long Jingxian decided to ask it.

"Do you mean you will take little Ai as your adopted daughter, or do you mean you want to be my husband?" Long Jingxian asked curiously.
