Chapter 971 - Holding Hands

"Do you mean you will take little Ai as your adopted daughter, or do you mean you want to be my husband?" Long Jingxian inquired.

Xiao Tian was startled again. Since earlier, Long Jingxian kept saying something that always surprised him.

'Hmm? Should I choose to be her husband? But what if she can't accept my polygamous relationship? I even have a forbidden relationship with my mother and aunt.'

Xiao Tian could not answer her question quickly like usual.

"If I choose to be your husband, will you accept me?" Long Jingxian was a gorgeous MILF, so of course, Xiao Tian would make her his lover if she agreed.

There were several reasons for this. First, he liked Mu Ai. Second, Long Jingxian matched the criteria that Feng Yu wanted.

Third, Long Jingxian was a pretty mature lady. She was even a doctor, so it would be of great help to him and his women if she could be one of his girlfriends.

And there were still a few more reasons.

Long Jingxian did not answer his question immediately. Sure, she had fallen in love with him because he was always there for her and her daughter when they needed someone or when they were in trouble.

And the most important thing was that he was close to her daughter.

"If you can promise to keep loving little Ai and me and never do anything cruel to us, I think I can accept you as my husband." Long Jingxian was different from Crystal, Yun Xin Er or Lan Ruoxi.

Xiao Tian was an attractive, young, kind and successful person. He also had helped them many times and was close to her daughter, so in her view, Xiao Tian was a perfect candidate to be her husband.

All the requirements to become her husband were already in Xiao Tian. Long Jingxian was sure if another woman were in her position, they would definitely make the same decision.

Xiao Tian did not expect Long Jingxian to dare to say it directly.

Xiao Tian was a playboy and loved beautiful women, so if a pretty lady offered herself to him, of course, he would accept it happily, especially a hot MILF like Long Jingxian.

'Should I eat her right now and right here?'

Xiao Tian's pervert side suddenly appeared.

At this moment, Xiao Tian and Long Jingxian were staring at each other.

*Thump...Thump...Thump...

Their hearts beat faster, and a desire suddenly appeared within them.

When Xiao Tian looked at Long Jingxian up close, she looked much more beautiful, especially her blue-violet eyes.

When Xiao Tian suddenly held her right hand, Long Jingxian did nothing and only stared at his left hand before returning her attention to his face.

One second...Two seconds...Three seconds...

Xiao Tian approached her slowly after staring at her pretty face for three seconds.

Despite knowing what he was about to do, Long Jingxian did not try to avoid it; instead, she opened her mouth slightly and half-closed her eyes.

*Kiss...

The moment their lips met, Xiao Tian was able to feel the tenderness of her pink lips. Not only that, but he could also smell the fragrance of her mouth. This made Xiao Tian hornier.

Long Jingxian slowly shut her eyes because she wanted to feel his kiss.

Xiao Tian broke the kiss after pressing his lips against hers for about four seconds. At this moment, the distance between their lips was so close.

When Long Jingxian looked at Xiao Tian's black eyes, she felt as if her soul was being sucked into his eyes.

Like Long Jingxian, Xiao Tian also felt like he was hypnotized when he saw her beautiful blue-violet eyes.

At that time, both of them felt like they were under the control of the flames of lust.

*Gulp...

They gulped their saliva at the same time.

And as if they could communicate through their eyes, they kissed again.

But unlike before, where they only pressed their lips against each other, this time, they instantly kissed hungrily and moved their tongues lewdly.

As they were having a deep kiss, Long Jingxian was amazed by his kissing skills.

'He is so skilled at deep kiss as if he knows what I want.'

When Long Jingxian remembered how attractive Xiao Tian was, she thought it was normal for him to be skilled at kissing.

She was even sure that Xiao Tian had a lot of experience with women because she had felt pleasure just by kissing him.

It made her wonder what it would be like if they did more than just kiss.

And as if Xiao Tian was God who knew what she had in mind, he suddenly touched Long Jingxian's big breasts before squeezing them.

Long Jingxian only widened her eyes for a second before focusing on the kiss again. She did not stop him because that was also what she wanted.

After several seconds, Xiao Tian broke the kiss and stopped squeezing Long Jingxian's big breasts. He then grabbed the hem of her T-shirt before looking at her pretty face.

Long Jingxian knew what he had in mind. She immediately nodded her head, giving him a sign that he could take off her T-shirt.

She then raised her arms high so that it would be much easier for Xiao Tian to take off her T-shirt.

Like her beautiful blue-violet eyes, she was also wearing violet bras. The color of her skin and bras matched each other.

Coupled with her slender body and flat stomach made her full breasts look more alluring.

*Click...

It was front clasp bras, so it was effortless for Xiao Tian to take off her bras. Like what he did before, Xiao Tian squeezed Long Jingxian's breasts gently.

"Mmmm..." because Long Jingxian did not want to wake up her daughter, she bit her left index finger when Xiao Tian was playing with her breasts.

At this moment, the flames of lust slowly consumed her body.

"Mmmm..." Long Jingxian let out a soft moan when Xiao Tian put her right nipple into his mouth and licked it skillfully.

Xiao Tian only licked her nipples for six seconds before grabbing Long Jingxian's left hand and removing her left index finger from her mouth.

Long Jingxian knew what he had in mind. For this reason, she instantly shut her eyes and opened her mouth slightly.

As they were having a deep kiss, Xiao Tian played with her breasts again. To his surprise, Long Jingxian suddenly rubbed his cock through his trousers.

But what surprised him most was that Long Jingxian suddenly unzipped and unbuttoned his trousers.

Yes. Long Jingxian wanted to feel and touch Xiao Tian's cock directly.

Of course, Xiao Tian let her do whatever she wanted because that was also what he wanted. If they kept going on, the possibility of them having sex in the living room was very high.

'It's hot!'

These were the first words that came to her mind when she touched Xiao Tian's erect cock directly.

As Xiao Tian was playing with her breasts, Long Jingxian was stroking his erect cock.

They kept pleasuring each other before finally, Long Jingxian spoke, "Xiao Tian, let me give you pleasure."

Xiao Tian did not answer, but he nodded his head.

Long Jingxian wasted no time and instantly knelt between his legs.. Then, without waiting for another second, she took off his trousers.

Chapter 972 - Playing With Long Jingxian

8-9 minutes

'It's huge and...long.'

Long Jingxian widened her eyes for a second when she saw Xiao Tian's erect cock.

Actually, she already knew that his cock was huge because she played with his penis earlier. But seeing it directly like that amazed her even more.

'I didn't expect him to have such a big penis. He is still young, but his cock is already big like this. Now I wonder if his cock will get bigger in the future.'

Xiao Tian's cock was the biggest and the longest cock she had ever seen in her life.

His penis was even bigger than her husband's dick. Sure, her husband also had a huge cock, but his penis was short, not long like Xiao Tian.

That was why her husband's dick never reached the deepest part of her pussy every time they had sex.

*Gulp...

Long Jingxian gulped her saliva, and her breath suddenly became heavier when she saw Xiao Tian's fantastic penis.

*Drip...

Her love juices suddenly dripped down faster than before.

Xiao Tian felt proud when he saw her expression. Of course, he knew what she had in mind because he could tell everything from her face.

'It seems like it's the first time she has seen such an amazing penis like mine. I will tease her with my cock then.'

With that idea in mind, Xiao Tian was throbbing his penis on purpose.

And what he did made Long Jingxian even more aroused and desire to taste his amazing penis even more.

Long Jingxian then stuck out her soft pink tongue before finally licking Xiao Tian's penis. She started from his shaft before making her way up to the tip of his cock.

"It has been a long time since I licked dick again. I almost forgot the pleasure of playing with a penis.'

Since her husband changed into a cruel person, she always refused whenever he wanted to have sex with her.

All her husband did in the last six months was just gamble, get drunk and be angry, so there was no way she would serve him in bed.

Her love for him diminished every day because of this. But now, there was no love left in her heart because her husband dared to do such cruel things to her daughter.

'His penis is amazing!'

When Long Jingxian saw the pre-cum on the tip of his penis, the flames of lust roared within her, and as a result, she instantly put the tip of his penis into her little mouth.

'It's delicious!'

Long Jingxian sucked his pre-cum hungrily as if it was her first time tasting pre-cum.

"Hii..." Xiao Tian almost groaned when Long Jingxian used her soft tongue skillfully.

'Married women are indeed amazing! Their skills are on a different level.'

The way Long Jingxian moved her tongue was excellent, and the areas where she licked were exactly like what he wanted.

As Long Jingxian was licking Xiao Tian's huge penis, she did not forget to play with his testicles. She did this because she knew it would give him more pleasure.

Long Jingxian licked and sucked Xiao Tian's penis skillfully, to the point it made Xiao Tian almost groan many times.

Due to how skilled she was at giving a blowjob, Xiao Tian was sure any man who did not have any experience with women or only had a little experience with women would have an orgasm instantly.

Yes. Her skills were on par with Shi Fei's skills. At this moment, Xiao Tian suddenly wanted to fuck her little mouth so badly.

The sight of her pink lips licking and sucking his cock hungrily was so amazing.

Coupled with her beautiful blue-violet eyes that stared at him every few seconds made the flame of lust within him roar wildly.

"Lady Long, I want to lick your pussy too." Xiao Tian voiced out what he wanted.

Long Jingxian stopped licking and sucking Xiao Tian's penis before finally rising to her feet. "All right."

She instantly took off her skirt. It was normal for the man to lick the woman's vagina before having sex, so she was not surprised by his request.

Because the couch was quite big, Xiao Tian decided to do 69 on the sofa. He wasted no time and instantly lay on his back.

Long Jingxian, who knew what he had in mind, was immediately on top of him. She placed her vagina right in front of Xiao Tian's face before licking his penis again.

Xiao Tian did not lick Long Jingxian's pussy immediately. He wanted to see it first. That was why he spread her vagina with his fingers widely.

'It's still pink!'

Xiao Tian was a little surprised when he noticed that Long Jingxian's vagina was still pink.

'Does she rarely have sex with her husband?'

When Xiao Tian saw her love juices, he gulped his saliva.

'Her pussy looks so delicious! Her love juices even keep dripping down. It seems like she did not have sex with her husband in a long time.'

After remembering Mu Cheng's behavior, Xiao Tian thought it was normal for Long Jingxian not to have sex with her husband anymore.

'Mu Cheng, thank you for giving your gorgeous wife to me. Don't worry. I will satisfy her in your place from now on.'

With that idea in mind, Xiao Tian began to lick Long Jingxian's pussy.

"Mmmm..." Long Jingxian instantly stopped sucking Xiao Tian's penis when he began licking her wet pussy.

However, she did not give up. She tried to lick and suck his penis again. But the results were still the same.

'I should have guessed this!'

The way Xiao Tian moved his tongue was so fantastic, to the point it made Long Jingxian unable to lick or suck his penis.

"Ahhh...Ah..." at this moment, Long Jingxian only held Xiao Tian's erect cock with her hands.

She could not suck Xiao Tian's penis like before because her body suddenly turned weak when Xiao Tian was licking her wet pussy.

At this moment, all she did was moan and lick Xiao Tian's shaft with her soft pink tongue.

Long Jingxian put Xiao Tian's erect penis into her little mouth again. But she could only suck his cock for about two seconds before she stopped again.

The reason was simple. Xiao Tian was so skilled at licking her pussy. He was much more skilled than her husband.

This was the first time she felt so much pleasure just by being licked.

'I should return the favor.'

With that idea in mind, Long Jingxian sucked Xiao Tian's penis again.

Like before, she could only suck Xiao Tian's penis for two seconds. But she did not give up and sucked his penis again. This process was repeated several times.

As Xiao Tian was exploring Long Jingxian's vagina with his tongue, he also drank her love juices.

'As I thought, it has been a long time since she last had sex.'

As someone who had a lot of experience with women, Xiao Tian knew the criteria for a woman who had not had sex for a long time just by licking her vagina.

"Ahhh...Ah...Ah..." at this moment, Long Jingxian only wailed and stroked Xiao Tian's erect penis with her right hand.

Actually, she only wanted to enjoy the sensation of being licked by Xiao Tian, but she knew that she had to return the favor.

That was why she decided to stroke Xiao Tian's penis because her body was so weak at that time. Of course, she would suck and lick Xiao Tian's cock again later.

It was not every day she could get an amazing cock like his penis so Long Jingxian would not waste it.

At this moment, Xiao Tian wanted to ask why she always stopped sucking his cock. However, he decided not to ask it when he heard Long Jingxian's cries.

Yes. Xiao Tian knew the reason!

He was sure it was because he was so skilled in licking her vagina, to the point she could not move her body anymore.

Because Xiao Tian wanted her to suck his penis again, he decided to stop licking her vagina.

Long Jingxian wasted no time and instantly sucked Xiao Tian's penis non-stop. She was even deep-throating him too.

They kept pleasuring each other for several minutes before finally, Xiao Tian spoke, "Lady Long, I want to do it now."

Long Jingxian instantly stopped sucking Xiao Tian's penis and stood next to him.

After placing her right hand on the table, she spread her wet vagina with her left hand.. "Come here and put it in."

Chapter 973 - Buying Vegetables In The Market

7-9 minutes

After placing her right hand on the table, she spread her wet vagina with her other hand before looking at Xiao Tian. "Come here and put it in."

Xiao Tian wasted no time and instantly stood right behind her.

*Thump...Thump...

Xiao Tian had no idea as to why his heart suddenly beat faster again.

It was not the first time he had sex, and it was also not the first time he would have sex with a MILF, so he really wanted to know why his heart suddenly beat faster like that.

'What is this? What is so special about her? It's not the first time I will have sex with a MILF. Is it because she is little Ai's mother?'

When Xiao Tian put the tip of his penis at Long Jingxian's vagina entrance, the lust within him suddenly roared wildly.

It was as if the flames of lust wanted to take over his body and fuck Long Jingxian wildly.

'What is this?'

Xiao Tian tried his best to suppress the flames of lust within him.

'What's so special about her?'

The same question kept appearing in his mind.

For this reason, Xiao Tian only rubbed the tip of his penis against Long Jingxian's wet vagina.

At this moment, Long Jingxian had a different idea. Previously, she thought Xiao Tian would instantly thrust his huge penis into her vagina, but she was wrong.

'Why didn't he thrust his cock into my pussy immediately? Is he teasing me now?'

Because Long Jingxian could not read Xiao Tian's mind, she had no idea as to why Xiao Tian still didn't put his cock into her vagina.

She then turned her head to look at Xiao Tian and uttered, "Xi-Aahhhh...."

However, before she had finished her words, Xiao Tian's huge penis slowly slid into her vagina.

'So big!'

Long Jingxian half-closed her eyes and tried her best not to moan.

'Hiiii! It's hitting my womb!'

Long Jingxian gritted her teeth, and saliva suddenly dripped down from the corners of her mouth.

Like Long Jingxian, Xiao Tan also felt immense pleasure.

'I only put my cock into her vagina, but the pleasure is already immense like this.'

Sure, his women's pussies were also amazing, but there was something unique about Long Jingxian's vagina.

The way her vagina muscles squeezing his penis was so fantastic, to the point he could not put it in words.

'Is it because she has not had sex in a long time?'

Because Mu Cheng had turned into an asshole, Xiao Tian was sure Long Jingxian never had sex with him anymore.

Actually, what Xiao Tian had guessed was correct. There were two reasons why Long Jingxian's vagina muscles were squeezing wildly.

First, she had not had sex with anyone for more than six months. And second, Xiao Tian's penis was the biggest and longest she had ever taken.

'I didn't expect that I would have such an amazing cock in me after not having sex for six months.'

Long Jingxian suddenly felt happy deciding to have sex with Xiao Tian because his penis was amazing.

"Xiao Tian, you can move now, but you have to move slowly first." Long Jingxian needed to get used to Xiao Tian's penis size first before having wild sex with Xiao Tian.

Otherwise, she would go crazy and moan loudly. Mu Ai was still sleeping now, so Long Jingxian had to hold back her wail.

"All right." After saying that, Xiao Tian began sliding in and out his penis slowly.

Despite moving slowly, the pleasure they felt was still incredible.

With how big Xiao Tian's cock was, coupled with how tight Long Jingxian's pussy was, a slow thrust was enough to give them immense pleasure.

"Ah...Ah...Ah..." even though Long Jingxian had tried her best not to moan, but she could not hold back the pleasure she felt.

Sure, she knew there was a possibility that her moan would wake her daughter. However, she did not ask Xiao Tian to slow down.

No. Actually, she wanted him to move faster and mess up her wet vagina. Her pussy was hungry and missed a real cock because she had not had sex for six months.

And the cock she had after so long was so amazing. The thickness and the size were perfect. This was the main reason why her pussy muscles moved wildly because the cock that was eating it was a fantastic penis.

As Xiao Tian was fucking Long Jingxian's wet vagina slowly, he bent over to play with her gorgeous breasts.

"Ahhhh..." Long Jingxian instantly covered her mouth with her right hand.

'It feels good! it feels good! it feels good!'

She felt more pleasure when Xiao Tian was fucking her vagina and playing with her breasts.

At this moment, there was one thing that made her a little disappointed.

Her daughter was sleeping not far from them!

Long Jingxian was sure that she would feel much more pleasure if her daughter was not around them.

However, she could not do anything because her daughter was also important to her. It could be said that her daughter meant the world to her, and nothing could replace her daughter.

Like Long Jingxian, Xiao Tian also wanted to move his waist faster. Her pussy was so amazing, so he really wanted to fuck her wildly.

However, he knew what they could do was limited. Of course, Xiao Tian did not hate Mu Ai because of this.

Xiao Tian would not have a chance to have sex with a gorgeous MILF if it were not for Mu Ai. It could be said that Mu Ai was a bridge between him and Long Jingxian.

'I will move a little faster.'

With that idea in mind, Xiao Tian increased his movement a little.

"Hmmm...Hm...Hm..." Long Jingxian's wail also became faster.

Even though she was startled, she did not say anything to Xiao Tian. All she did was try her best not to wail loudly.

Seconds turned into minutes, and without realizing it, it had been ten minutes since they started having sex.

At this moment, Long Jingxian could not hold back her cries anymore. "Ahh...Ah...Ah...Ah..."

Xiao Tian instantly stopped fucking her because he realized that Long Jingxian's moans were getting louder and louder.

When Xiao Tian suddenly took his penis out of her vagina, Long Jingxian looked at him and spoke, "Sorry. I can't hold back my moans."

Xiao Tian instantly sat on the couch and tapped his thighs. If they had sex while kissing, he was sure it could help her reduce her cries.

Long Jingxian was not an innocent lady, so she immediately understood when Xiao Tian suddenly sat on the couch and tapped his thighs.

Without waiting for another second, Long Jingxian sat on his lap, facing him.

After placing the tip of his cock at her vagina entrance, Long Jingxian lowered her body slowly, causing Xiao Tian's cock to slide into her vagina again.

"Mmmm..." like before, Long Jingxian half-closed her eyes when Xiao Tian's penis was sliding into her wet pussy.

As they were having a deep kiss, Xiao Tian grabbed Long Jingxian's ass and slowly moved her body up and down.

"Mmmm...Mmmm...Mmmm." because they were having a passionate kiss, her wails were not loud.

*Slick...Slick...Slick...

The sound of Xiao Tian's huge penis spreading Long Jingxian's wet pussy widely could be heard in their ears.

They had a deep kiss for about twenty seconds before finally, Long Jingxian stopped the kiss. "You are amazing, Xiao Tian."

"You too.." Xiao Tian replied as he smiled.

Chapter 974 - Strolling Alone

7-9 minutes

Inside a big and luxurious apartment, two young people were having a hot moment in the living room.

The young man was sitting on the couch with a gorgeous MILF on his lap. His black eyes were locked on her pretty face, and his long arms were around her slender waist.

As for the mature lady, her delicate hands were placed on the young man's shoulders, and her little mouth was slightly open.

She also tilted her head back and half-closed her eyes. From her expression, anyone could tell right away that she was enjoying something.

Despite being naked in the living room, both of them did not show the slightest care about it; instead, they kept enjoying themselves as if no one would see them later.

These two people were none other than Xiao Tian and the hot MILF, Long Jingxian.

Currently, Xiao Tian was fucking Long Jingxian in reversed lap dance or face-to-face sex position.

The sofa was squeaked, and the sex noises echoed in their ears every time Xiao Tian slid his huge cock in and out of Long Jingxian's wet pussy.

Even though Long Jingxian had tried her best to hold back her cries, her lovely wails still could be heard in Xiao Tian's ears.

She kept bouncing her body in rhythm with Xiao Tian's movements. "Ah...Ah...Ah..."

Both Xiao Tian and Long Jingxian suddenly stopped moving their bodies and stared at each other.

*Huft...Huft...Huft...

As they were breathing heavily, they were still staring at each other before they finally kissed deeply again.

When they were having a hot kiss, Xiao Tian pulled her body towards him and embraced her tightly.

He did not move her body up and down like before because he wanted to feel the warmth of her body as they were having a passionate kiss.

Like Xiao Tian, Long Jingxian also enjoyed the closeness of their bodies. Her kisses grew wilder and lewder as Xiao Tian hugged her tighter.

At this moment, both of them felt as if they were lovers who had been together for a long time. The way their bodies reacted and the pleasure they felt was familiar.

Sure, it was their first sex, but both Xiao Tian and Long Jingxian already felt something familiar deep inside them. It was as if their bodies were showing signs that they were born for each other.

The long passionate kiss came to a stop. But like before, they still did not move their bodies and only stared at each other.

*Hug...

Xiao Tian hugged Long Jingxian again before burying his head in her big and full breasts.

Like Xiao Tian, Long Jingxian instantly wrapped her slender arms around his head before kissing his hair gently.

'Why am I feeling so comfortable now? is it because he has helped me many times? Is it because I haven't had sex for a long time? Or is it because I have fallen in love with him?'

Countless questions emerged in her head.

It was not her first time having sex with someone, but it was the first time she felt so comfortable like that.

Not only could Xiao Tian give her immense pleasure, but he could also give her a sense of comfort when he was embracing her.

After Xiao Tian stopped the hug, Long Jingxian bounced her body on his cock again. Like before, she instantly felt immense pleasure, to the point she felt as if her soul had been separated from her body.

"Ahhh...Ah...Ah..." Long Jingxian let out multiples cries.

Of course, she tried her best to wail as little as possible. However, Xiao Tian's penis was so amazing, causing her to make loud moans occasionally.

After several minutes, Long Jingxian stopped moving her body and looked at Xiao Tian with her lustful eyes.

Xiao Tian knew it was his turn to move. At first, Xiao Tian wanted to move his waist immediately, but he changed his mind when he saw her beautiful big breasts.

"Ah..." Long Jingxian moaned loudly before covering her mouth with her hands.

She was unable to hold back her cries when Xiao Tian suddenly licked and sucked her right nipple.

Sure, Xiao Tian was fucking her wet vagina slowly, but the pleasure she felt was immense because he was also licking and sucking her nipples.

"Mmm...Mmm...Mmmm..." Long Jingxian could only tilt her head back while biting her right index finger to reduce her wails.

At that time, her alluring neck was visible, and her blue-violet eyes looked even more beautiful. If anyone saw her, they would instantly be horny and try to eat her.

"Mmm...Mmmm...Mmm..." Long Jingxian's wails became faster and faster when Xiao Tian stopped playing with her breasts and focused on fucking her wet vagina. "Xiao Tian...Ah...Ah...please slow down...Ah...Ah...otherwise, I won't be able to hold back my moans...Ahh...Ah..."

Long Jingxian was sure that she would not be able to hold back her cries if Xiao Tian kept fucking her vagina fast like that.

It was not like she hated it; instead, it was the opposite. Since the beginning, she wanted Xiao Tian to mess up her hungry pussy because it had been a long time since the last time she had sex with someone.

But she was afraid that Mu Ai would wake up later. For this reason, Long Jingxian asked Xiao Tian to slow down his movements.

Xiao Tian slowed down his thrust before finally he stopped. Yes. He wanted to let her rest for a few seconds before screwing her again.

To his surprise, Long Jingxian suddenly took his penis out of her wet vagina. But when Xiao Tian wanted to say something, Long Jingxian suddenly did something unexpected.

She sucked his huge penis again!

Sure, Xiao Tian still wanted to fuck her wet vagina, but he did not say anything when Long Jingxian was sucking and licking his penis.

'Well, it's still giving me pleasure.'

Xiao Tian only stared at Long Jingxian's lewd face.

'I can taste my love juices on his penis.'

Because her pussy was wet, Long Jingxian could taste her love juices on Xiao Tian's cock.

Xiao Tian's huge penis looked even more delicious when it was covered with her love juices and his pre-cum.

Because Long Jingxian knew that Xiao Tian wanted to fuck her wet vagina again, she only licked his cock for several seconds before finally, she stopped.

Currently, Long Jingxian was standing right in front of Xiao Tian with her back facing him. After positioning his huge cock at her vagina entrance, Long Jingxian slowly lowered her body.

"Mmmmm..." Long Jingxian bit her lower lip and closed her eyes when Xiao Tian's penis was slowly sliding into her pussy.

Like before, she instantly bounced her body on his penis. With her hands on Xiao Tian's knees, Long Jingxian could move her body up and down fast.

At this moment, Xiao Tian did nothing and only stared at Long Jingxian's back. Her slender waist, coupled with her flawless back, made Xiao Tian unable to take his eyes off her back.

Not only that, the sight of his penis sliding in and out of Long Jingxian's wet vagina also looked amazing in his eyes.

"Mmm...Mmmm...Mmmm..." As Long Jingxian bounced her body on Xiao Tian's penis, a suppressed cry resounded in his ears.

'It feels good! it feels good! it feels good!'

Long Jingxian repeated the same words in her head many times.

As Xiao Tian and Long Jingxian were enjoying themselves in the living room, a voice suddenly rang out, "Big brother, where are you?"

Chapter 975 - I Think It's Normal

7-8 minutes

Currently, Xiao Tian and Long Jingxian were having sex in a lap dance position. Fascinating expressions could be seen on their faces, and lewd voices also echoed in the living room.

As both of them were enjoying themselves in hot sex, a voice suddenly rang out. "Big brother, where are you?"

Long Jingxian instantly stopped bouncing her body and turned her head towards Xiao Tian. "Xiao Tian..."

Even though she did not want to stop having sex with Xiao Tian, Long Jingxian decided to stop because she did not want her daughter to know what she was doing with Xiao Tian in the living room.

"Don't worry. Leave it to me." Of course, Xiao Tian knew what she had in mind.

"Un." After nodding her head, Long Jingxian took Xiao Tian's cock out of her pussy.

"Big brother, where are you?" Mu Ai repeated the same question.

"I'm coming." Xiao Tian rose to his feet and dashed towards the bedroom.

"Xiao Tian, wait!" Long Jingxian instantly stopped him when she noticed that Xiao Tian was still naked, "You are still naked."

Because Xiao Tian was in a hurry, he forgot that he was still naked.

'Luckily, lady Long remind me!'

Xiao Tian instantly put on his clothes before heading to the bedroom.

"What's wrong, little Ai?" Xiao Tian asked after stepping into the bedroom.

Mu Ai turned her head towards Xiao Tian and inquired, "Where did you go?"

After lying on her right side, Xiao Tian replied, "Big brother was eating earlier.'

'Eating your mother.'

He added in his mind.

"Where is mother?" Mu Ai asked again.

"I don't know." Xiao Tian lied to her. "Maybe she is in the bathroom right now."

"Don't leave again. I don't want to sleep alone." Mu Ai uttered,

"Yes, yes. Big brother won't leave again." Xiao Tian responded, "Let's sleep again."

"Un." After nodding her head, Mu Ai shut her eyes.

At this moment, Xiao Tian was looking at Mu Ai.

'Luckily, she didn't go to the living room earlier.'

Xiao Tian did not know what would happen to them if Mu Ai saw him having sex with her mother earlier.

As Xiao Tian was lying next to Mu Ai, Long Jingxian sat on the couch and watched TV. She did not put on her clothes because she believed Xiao Tian could make her daughter sleep again.

Seconds turned into minutes, and without realizing it, it had been twenty minutes since Xiao Tian entered the bedroom.

At this moment, Mu Ai had fallen asleep. When Xiao Tian was sure that Mu Ai had fallen asleep, he instantly got out of bed and headed to the living room.

Because he was still not satisfied and desired to have sex with Long Jingxian again, he took off his clothes after walking out of the bedroom.

*Erect...

Xiao Tian's penis was instantly erect when he saw Long Jingxian sitting on the couch, naked.

The thought of having sex with her again was enough to make his penis erect in seconds. Xiao Tian approached Long Jingxian slowly before finally standing next to her.

Long Jingxian, who was watching TV, turned her head when she noticed him. When she saw Xiao Tian standing naked with his erect cock, she knew what he had in mind.

A smile appeared on her pretty face. Like Xiao Tian, she was also still not satisfied. Previously, they stopped before neither of them had an orgasm.

This was the reason why Long Jingxian was still naked. She knew that the two of them still wanted to continue having sex.

Sure, there was a possibility that her daughter would wake up again, but she could not hold back the lust within her.

There were three reasons for this. First, it had been a long time since the last time she had sex with someone again.

Second, Xiao Tian had a fantastic penis, a huge and long cock. Third, Xiao Tian knew how to use it well, and the pleasure was immense.

Long Jingxian was sure any woman would choose the same. That was why Long Jingxian waited for him in the living room.

She then lay on her back before spreading her legs widely. After spreading her vagina with her right fingers, Long Jingxian spoke, "Come here, Xiao Tian."

Xiao Tian wasted no time and immediately sat between her legs before placing the tip of his penis on her vagina entrance.

He did not do foreplay again because he was unable to hold back the flames of lust within him and desired to have sex with Long Jingxian immediately.

And Xiao Tian was sure that Long Jingxian felt the same because he could tell everything from her face.

"Ahhhhh...." Long Jingxian's little mouth opened, letting out a seductive moan.

When Xiao Tian's shaft was completely in her pussy, Long Jingxian immediately locked her legs around Xiao Tian's butt.

Her actions much surprised him. With her wrapping her legs around his butt, it would be difficult for him to move his waist.

But when Xiao Tian was about to say something, Long Jingxian uttered, "Xiao Tian, embrace me."

It had been a long time since she last felt the warmth of a man's embrace. That was why Long Jingxian wanted Xiao Tian to hug her.

Long Jingxian instantly hugged him after Xiao Tian bent over. "Let's stay in this position for several seconds."

Xiao Tian looked at her pretty face before nodding his head. Even though he had no idea as to why Long Jingxian suddenly wanted to do that, but he let her do whatever she wanted.

As Long Jingxian was hugging Xiao Tian, she also kissed him passionately. Of course, Xiao Tian welcomed the kiss happily.

They had a deep kiss for more than a minute before finally, Long Jingxian unwrapped her legs. "You can move now."

Xiao Tian slowly moved his waist. At this moment, Long Jingxian was still wrapping her arms around Xiao Tian's back.

Because of this, Xiao Tian decided to kiss her while fucking her pussy too. Soon, countless cries escaped from Long Jingxian's little mouth.

They had sex for more than an hour, and both had orgasms more than once. Xiao Tian had two orgasms while Long Jingxian had three.

At that moment, Long Jingxian finally knew one more thing about Xiao Tian.

He had unlimited stamina!

Of course, she was pleased because, with this, he would be able to satisfy her again the next time they had sex.

"You are amazing, Xiao Tian." Long Jingxian uttered.

Currently, Xiao Tian was lying on the couch with Long Jingxian on top of his body.

"You too." Xiao Tian smiled softly as he stroked her hair gently.

Long Jingxian really liked it when Xiao Tian was caressing her hair gently. Coupled with him hugging her, she felt a whisper of happiness.

"It seems like you have a lot of experience with women." Due to how skilled Xiao Tian was, Long Jingxian was sure that Xiao Tian had a lot of experience with women.

'Well, he is young, attractive, rich and has unlimited stamina, so I think it's normal.'

She added in her head.

Xiao Tian did not answer and only smiled at her.

'I didn't expect to get another MILF today.'

Xiao Tian said in his head.

Chapter 976 - I Will Cook Fried Rice Now

6-8 minutes

"Oh right, Xiao Tian. Who were these two people who helped you earlier?" Long Jingxian wanted to know who Chun Hua and Ren Aoxu were.

At this moment, Xiao Tian wavered whether he should tell the truth or not. He was afraid Long Jingxian would put him on the same level as Bai Yuzen if he told the truth.

On the flip side, he was worried that Long Jingxian would be angry and not want to see him again if he lied to her.

'What should I say?'

Xiao Tian still did not answer her question and only stroked her hair gently.

Since Xiao Tian still didn't say anything, Long Jingxian asked again, "Mmmm? What's wrong, Xiao Tian? Why don't you answer my question? Is there something you can't tell me?"

"Lady Long, I can tell the truth if you can promise not to be angry with me later." Xiao Tian replied instantly, "Otherwise, I will not answer your question."

"Hehe." Long Jingxian giggled cutely. "What is this? Are you afraid that I will disappear from your life later?"

Xiao Tian nodded his head. "I don't want to lose you and little Ai, so I won't tell the truth if my answer can make you disappear from my life later."

"Cute!" Long Jingxian pinched Xiao Tian's nose. "Sure. I won't be angry or disappear from your life later. I will patiently listen to your explanation."

Xiao Tian raised his left little finger and spoke, "Promise?"

"Promise!" Long Jingxian intertwined her little finger with his. "You can tell me now."

"Actually..." Xiao Tian began explaining everything.

He told her who Chun Hua and Ren Aoxu were. He also said that he was a leader of a gang.

Because he did not want to be lumped in with Bai Yuzen, he said he only used his underlings to protect those he loved and help him when someone caused trouble for him.

He also told her that he never wanted to be a gang leader. He became the leader of the gang purely by coincidence.

He explained how he ended up as a gang leader. Xiao Tian did not hide a single thing from her because he already saw her as his lover.

"I see." Long Jingxian finally understood everything. "So that's how you ended up being the leader of the gang."

"Yes." Xiao Tian replied. "But I have never regretted my decision to become a gang leader because they have helped me and protected my loved ones many times."

"Well, I hope you won't change in the future." Even though Xiao Tian was a gang leader, but he looked like an ordinary young man in her eyes.

She would not even have believed it if she had not heard it directly from him because Xiao Tian looked like a nice young man from all angles.

"Even if there is a possibility of me changing in the future, I will still love my women and protect them until I die." Xiao Tian was not God, so he had no idea what would happen in the future.

But whatever happened, he would protect his women and keep loving them because they were part of him.

"Am I one of these people?" Long Jingxian asked jokingly.

Xiao Tian embraced her tighter before answering, "Yes. You and little Ai are already included in them."

Long Jingxian was pleased by his words. She did not doubt it because Xiao Tian always helped her when she was in trouble.

Then Xiao Tian and Long Jingxian talked about other things. At that time, they were still in the same position.

Sure, they only met a few times, and it was also their first sex, but they felt closer than ever.

They talked about many things, including about themselves. After several minutes, they decided to sleep.

To her surprise, Xiao Tian suddenly carried her in a princess style after putting on their clothes.

His actions much surprised her, but she was pleased because it had been a long time since someone carried her like that.

And what she loved the most was that Xiao Tian kept showering her with love. It was something that she could not get from her husband since six months ago.

For this reason, Long Jingxian felt that she was in love with him more deeply than before.

After putting her on the bed, Xiao Tian lay on her left side. At first, he wanted to lay next to Mu Ai, but he changed his mind.

"Why are you lying here?" Long Jingxian inquired.

Currently, Mu Ai was sleeping in the middle of the bed with Long Jingxian on her left side. As for Xiao Tian, he was lying on Long Jingxian's left side.

"I want to sleep next to you." Xiao Tian gave an honest answer.

Long Jingxian looked at her daughter before returning her attention to Xiao Tian.

'Well, I think it's fine.'

Actually, Long Jingxian wanted to sleep in Xiao Tian's arms because she felt comfortable resting in his embrace.

Long Jingxian instantly rested her head on Xiao Tian's right arm before looking at him. "You can sleep next to me."

Xiao Tian gave a peck on her lips before smiling, "Thank you."

Even though Xiao Tian just kissed her lips, Long Jingxian did not mind it. Earlier, they had a passionate kiss many times, so she was okay with it.

They even had sex in the living room earlier. Long Jingxian already saw Xiao Tian as Mu Ai's father or her future husband, so kissing on the lips was fine for her.

Long Jingxian placed her right hand on Xiao Tian's chest and uttered, "Good night, Xiao Tian."

"Good night, Jingxian." Since they were closer than before and had also had sex, Xiao Tian decided to call her by her birth name.

He already saw her as one of his women, so in his view, calling her by her birth name was normal.

Long Jingxian widened her eyes for a second.

'Did he just call me by my birth name?'

Her surprised face instantly blossomed into a beautiful smile.

Not long after that, they fell asleep.

At 05: 40 am, Mu Ai woke up.

'Why is big brother sleeping with my mother?'

Mu Ai was a little surprised when she saw Xiao Tian and her mother.

Currently, Long Jingxian's head was on Xiao Tian's chest. Her right leg was on Xiao Tian's legs, and Xiao Tian was wrapping his right arm around her back.

"Mother, big brother, wake up" Mu Ai tried to wake them up because she wanted to have breakfast with them.

Long Jingxian and Xiao Tian immediately woke up. Both of them were startled when they saw Mu Ai staring at them.

"Mother, why are you sleeping with big brother?" Mu Ai inquired.

At this moment, Long Jingxian did not know what to say to her daughter.

"Hehe. But it's fine. I like it when mother and big brother are close like this." Mu Ai liked her mother and Xiao Tian, so she was pleased when she knew they were close like that.

Long Jingxian and Xiao Tian let out a sigh of relief.

Long Jingxian then got out of bed and spoke, "I will cook fried rice now."

As Long Jingxian was cooking fried rice, Xiao Tian and Mu Ai talked happily in the bedroom.

Chapter 977 - Kissing Long Jingxian

7-9 minutes

"Hahaha." Xiao Tian and Mu Ai laughed happily.

Currently, they were still in the bedroom. After Long Jingxian went to the kitchen, Xiao Tian and Mu Ai remained in the bedroom.

They were talking, joking, and laughing together. From their expressions, anyone could tell right away that they were having a good moment.

As Xiao Tian and Mu Ai were talking happily, Long Jingxian entered the room and spoke, "Breakfast is ready."

After returning his attention to Mu Ai, Xiao Tian uttered, "Little Ai, let's eat now."

"Un." Mu Ai nodded her head happily.

Xiao Tian instantly carried Mu Ai to the dining room.

"Whoa! it looks tasty." Mu Ai's eyes shone brightly when she saw the fried rice.

"Yes. It looks delicious!" Xiao Tian added.

Long Jingxian smiled softly when she saw their happy faces. "Let's eat now."

They then began eating their food.

"It's tasty!" after saying that, Mu Ai looked at Xiao Tian. "How is it, big brother? Is my mother's cooking delicious?"

"Delicious!" at this moment, Xiao Tian was telling the truth.

Long Jingxian's cooking was indeed tasty.

"Hehe." Mu Ai was pleased when Xiao Tian praised her mother's cooking. "I told you my mother is skilled in cooking."

"You are right." Xiao Tian responded.

They ate breakfast happily. Mu Ai even fed Xiao Tian her fried rice. After eating, Xiao Tian returned home.

He spent time with his women for about twenty minutes before Xiao Tian finally went to the Star Film company to continue writing the script.

Like yesterday, Xiao Tian also spent time with Long Jingxian and Mu Ai. That day, Long Jingxian stated that she wanted to divorce Mu Cheng.

For this reason, Xiao Tian had no choice but to free Mu Cheng from his gang. Long story short, Long Jingxian and Mu Cheng were divorced, and child custody fell to Long Jingxian.

Not only that but Mu Cheng was also imprisoned for what he had done to his daughter. Xiao Tian had Mu Cheng imprisoned for fifteen years.

Xiao Tian's Apartment, Living Room.

"Xiao Tian, thank you for everything." Long Jingxian uttered.

"I'm glad I can help you." like usual, Xiao Tian replied as he displayed his charming smile.

"I think we will return home today." it had been several days since she stayed in Xiao Tian's apartment, so Long Jingxian decided to go home.

"Let me send you home." Xiao Tian knew this day would come, so he could not do anything about it.

'This apartment will be lonely again.'

He added in his mind.

"All right." Long Jingxian nodded her head.

Then Xiao Tian drove them home.

Currently, Xiao Tian and the others were on the terrace.

At this moment, Xiao Tian and Long Jingxian were staring at each other.

Actually, Xiao Tian wanted to hug her before leaving, but he did not know whether he should do that because Mu Ai was next to them.

Of course, Long Jingxian knew what he had in mind because she wanted the same thing. However, none of them said a word.

One second...three seconds...five seconds...

Xiao Tian and Long Jingxin were still looking at each other.

Mu Ai touched her lips with her right index finger before looking at her mother and Xiao Tian. Because she was still a kid, she had no idea as to why Xiao Tian and her mother looked at each other like that.

Even though Xiao Tian desired to embrace Long Jingxian before leaving, he knew he could not do that.

"All right. I will leave now." Xiao Tian spoke abruptly.

Mu Ai instantly waved goodbye. "Be careful on the road, big brother. Don't forget to play with Ai again tomorrow."

Xiao Tian smiled softly. "Sure. Let's play again tomorrow."

"Un." Mu Ai nodded her head happily.

Xiao Tian shifted his gaze from Mu Ai to Long Jingxian and spoke, "Lady Long, I'm leaving."

Instead of saying something to Xiao Tian, Long Jingxian looked at her daughter and spoke, "Little Ai, you go inside first."

"All right." Mu Ai replied as she nodded her head.

Even though Mu Ai did not know why her mother suddenly wanted her to enter the house first, she did what she was told without asking any questions.

Xiao Tian was pleasantly surprised by Long Jingxian's actions. He did not expect her to do something like that.

'Lady Long...'

Happiness filled Xiao Tian's heart.

Long Jingxian spread her arms before speaking, "Xiao Tian, come here."

Xiao Tian knew what she had in mind because he wanted the same thing. Without waiting for another second, Xiao Tian approached her with a smile on his face.

*Hug...

Xiao Tian instantly embraced Long Jingxian.

One second...three seconds...five seconds...

It had been five seconds since they hugged each other, but they showed no sign of stopping.

At this moment, both Xiao Tian and Long Jingxian kept embracing each other tightly as if it would be their last hug.

Even though Xiao Tian wanted to keep hugging her, he decided to stop the hug.

Like before, Xiao Tian and Long Jingxian looked at each other in the eyes. However, it only lasted for three seconds before Xiao Tian finally pressed his lips against hers.

*Kiss....

Long Jingxian slowly shut her eyes.

Sure, she knew that they were on the terrace, and there was a possibility that someone would see them, but she did not show the slightest care about it.

After breaking the kiss, Xiao Tian stared at her blue-violet eyes and spoke, "I'm leaving, Jingxian."

Actually, Xiao Tian wanted to kiss her passionately, but he knew it was not the right place to have a deep kiss.

Long Jingxian nodded her head before answering, "Un. Be careful on the road."

She kept standing on the terrace until Xiao Tian's car disappeared off into the distance.

'Xiao Tian....'

Long Jingxian touched her tender pink lips with her left index finger. The memories of him kissing her lips suddenly emerged in her mind.

'Thank you...'

She turned around before entering her house.

After arriving at the Star Film company, Xiao Tian headed to his office and worked. He worked for about two hours before finally he called all his women.

Yes. Xiao Tian desired to spend time with all his women!

Shi Fei and the others were pleasantly surprised when Xiao Tian suddenly wanted to take them to romantic places.

After going to many romantic places, they went straight home. Like what they had planned before, they immediately had a small party in the backyard.

"Tian, you have to sleep with mother tonight." Ye Xueyin, who was sitting between Xiao Tian's legs, uttered.

"Sure." Xiao Tian knew that Ye Xueyin desired to lovey-dovey with him later.

"Not fair!" Shi Fei uttered, "Little brother, you have to sleep with all of us tonight."

"That's a brilliant idea!" like before, Xiao Tian answered instantly.

That night, they were thrilled. They even took a lot of pictures. After having a small party in the backyard, they immediately slept.

Xiao Tian did not have sex with any of his women because he only wanted to lovey-dovey with them.

The following morning, Xiao Tian went to Star Clothes company to work. But his smartphone suddenly rang. "Hello, lady Long?"

"Xiao Tian, can we meet now?" Long Jingxian uttered, "There is something I want to say to you."

Chapter 978 - Going To Wushang City To Meet Long Jingxian's Parents

7-9 minutes

"Xiao Tian, can we meet now?" Long Jingxian inquired, "There is something I want to tell you."

Her words much surprised him.

'Does she have a problem again?'

Xiao Tian knew that Long Jingxian had something important to say to him because he could tell right away from her voice.

"Sure." Xiao Tian replied, "Let's meet now."

"Great! How about we meet at Hozu Tea shop?" it was the place where they often met, so Long Jingxian suggested meeting there.

"All right." After saying that, Xiao Tian went to Hozu Tea shop.

Hozu Tea Shop.

Currently, Xiao Tian and Long Jingxian were sitting on the couch next to the window.

Xiao Tian, who was sitting on the opposite side of Long Jingxian, asked curiously, "What do you want to talk about?"

Instead of answering his question, Long Jingxian inquired, "Do you want to meet my parents tomorrow?"

The expression of deep shock blossomed on Xiao Tian's face.

'What? Meet her parents?'

Sure, Xiao Tian would love to meet her parents, but he did not expect that Long Jingxian wanted him to meet her parents so quickly like that.

He knew that they had had sex once, and he always said he wanted a daughter like Mu Ai, but he did not understand why she wanted him to meet her parent so quickly.

In a relationship, usually, they would only introduce their lover to their parents if they felt comfortable or had been in a relationship for a long time.

Of course, there were exceptions to this.

'I know I have helped her several times, but...'

Countless questions appeared in his mind.

However, Xiao Tian instantly stopped thinking about it because this was a perfect time to know her parents.

Xiao Tian already saw Long Jingxian as one of his girlfriends, so he would not refuse to meet her parents.

But before Xiao Tian could say something, Long Jingxian uttered, "I know this is so sudden but my parents really want to meet you. They want to meet the person who have helped me and my daughter."

Xiao Tian was a little disappointed after hearing her words.

'So, this is the reason, huh?'

Xiao Tian was already happy earlier because he thought Long Jingxian wanted to introduce him to her parents.

"Sure." Xiao Tian did not show his disappointment and kept showing his charming smile.

Xiao Tian then started asking a lot of questions about Long Jingxian's parents, like their favorite food and others.

He was going to meet her parents, so he had to buy gifts before going to her house. His questions made Long Jingxian touched and happy.

Of course, she knew what he had in mind because she could tell everything from his questions. They talked for about an hour before finally, they left.

That day, Xiao Tian spent the whole day with his women because he would not be able to be with them tomorrow.

Unlike yesterday, Xiao Tian decided to have sex with his women that day. He had sex with Liu Ning, Ye Qingyu, and Lin Xing Xue in the afternoon and did it with Ye Xueyin and Shi Fei in the evening.

Xiao Tian told them that he would meet Long Jingxian's parents before sleeping. Like Xiao Tian's previous reaction, they were surprised by it.

But after Xiao Tian explained everything, they finally understood the reason why Long Jingxian wanted him to meet her parents.

Xiao Tian spent time with his women after breakfast. He even had some fun with his aunt in the kitchen.

At 08:00 am, Xiao Tian traveled to Long Jingxian's house. Long Jingxian had already prepared everything before Xiao Tian arrived, so they could immediately travel to her parents' house.

Her parents' house was located in Wushang city, one of the cities in the Jiazuo district. Wushang city was a small city and located in the eastern part of the Jiazuo district.

It was very far from Long Jingxian's house. It took them five hours to reach Wushang city. Since Xiao Tian was tired of driving, he decided to rest for a while.

Xiao Tian rested for about fifteen minutes before finally, he continued driving. Not long after that, they reached their destination.

Her parents' house was quite enough for a small city. There was a small garden and a mango tree in the front yard of the house.

Xiao Tian instantly took the gifts he prepared for Long Jingxian's parents. Yes. Xiao Tian prepared some gifts before coming to their house, such as their favorite food or family calendar.

He prepared a few gifts because he wanted to win their hearts later. He hoped they would like them.

"Father, mother, I'm home." Long Jingxian spoke when she was on the terrace.

Not long after that, two old people in their fifties walked towards the terrace. These two people were Long Jingxian's parents, Long Diyi and Jing Liling.

Long Diyi had white hair and blue eyes. As for Jing Liling, she had black hair and blue-violet eyes like Long Jingxian.

"Grandma, grandpa." Mu Ai spoke cheerfully when she saw Long Diyi and Jing Liling.

Jing Liling instantly squatted down before carrying Mu Ai. "My granddaughter is as adorable as ever."

Long Diyi turned his head towards Mu Ai and pinched her cheeks gently. "You are right. She is as adorable as ever."

Then Long Diyi and Jing Liling shifted their gaze from Mu Ai to Xiao Tian.

"Hello, uncle, auntie." Xiao Tian spoke as he smiled.

"Are you Xiao Tian?" Long Diyi inquired.

"Yes, I'm Xiao Tian." Xiao Tian replied politely before giving the gifts. "Uncle, I have some gifts for you and auntie."

Long Diyi and Jing Liling were pleased when they saw the gifts.

"Come in." Long Diyi uttered.

They then sat on the couch in the living room.

"Young man, thank you for helping my daughter." Long Diyi already knew everything because his daughter had told him beforehand.

"Uncle, you don't need to thank me because lady Long is my friend." Actually, Xiao Tian wanted to say that Long Jingxian was his lover, but he changed his mind.

Long Jingxian turned her head to look at Xiao Tian.

'Does he really only see me as his friend or is it because he is talking to my parents?'

At this moment, Long Jingxian was a little sad after hearing his words.

But she suddenly realized that Xiao Tian could not introduce himself as her lover because many things made him unable to say that.

'Well, he said I'm important to him so I'm sure it's because it's not the right time to reveal everything.'

Xiao Tian said that she and her daughter were important to him, so she kept reminding herself that it was not the right time to reveal everything.

Xiao Tian glanced at Long Jingxian.

'I want to introduce myself as your lover but I'm afraid that your parents will think of you as a bad woman later.'

Long Jingxian divorced Mu Cheng yesterday, so Xiao Tian was afraid her parents would think Xiao Tian had something to do with her divorce, such as she had an affair with Xiao Tian or something like that.

Xiao Tian had regarded her as his lover, so he did not want her parents to think of her as a bad woman.

As if Long Jingxian could read his mind, she nodded her head when Xiao Tian glanced at her.

'I know.'

She said in her mind.

Chapter 979 - Let Me Help You

7-8 minutes

Xiao Tian talked with Long Jingxian's parents for an hour before finally, they continued their previous activities.

He was relieved because her parents did not treat him badly. Even though they only treated him as Long Jingxian's savior, Xiao Tian did not mind it.

At least, it was better than being mistreated. Like usual, Xiao Tian spent time with Long Jingxian and Mu Ai.

After Long Diyi and Jing Liling finished their activities, they talked with Xiao Tian again. This time, they were closer than before.

They even did not realize that they had been talking for more than two hours because their conversation was engrossed.

When Xiao Tian was about to go home, Long Diyi and Jing Liling stopped him, saying it was better to spend the night at their place.

Of course, Xiao Tian accepted it gladly. After Xiao Tian informed his mother, he talked with Long Diyi and Jing Liling again.

At 04:30 pm, they finally stopped talking. Long Jingxian then brought him to his room. His bedroom was not big, and there were only a bed and cupboard in it.

Since Xiao Tian felt that his body was full of sweat, he decided to take a shower.

'I feel refreshed!'

Currently, Xiao Tian was in his room and only wore a white towel. But when he was about to put on his clothes, something unexpected happened.

Long Jingxian suddenly opened his door and entered his room!

Xiao Tian instantly turned around to look at her. Even though he was startled, he did not show it on his face.

He only stared at her without saying a single word.

At this moment, Long Jingxian suddenly realized what she had just done. Because they were at her parents' house, she forgot to knock on the door and immediately entered his room.

*Silence...

Xiao Tian and Long Jingxian were staring at each other without saying a single word.

After looking at Xiao Tian for several seconds, Long Jingxian's gaze fell on his perfect body.

'He really has a good body!'

She was amazed by Xiao Tian's perfect body.

His muscles were perfect and very attractive. Because he was only wearing a towel, his natural charm was immediately revealed.

She had seen his perfect body once when they were having sex in his apartment, but she did not pay attention to his body carefully at that time because what she had in mind was only pleasure and sex.

After Long Jingxian came to her senses, she inquired, "Xiao Tian, do you want to go for a walk?"

It was a good time to go out for a walk, so Long Jingxian wanted to take him around.

"Sure." it would be boring to continue staying at home, so Xiao Tian agreed instantly. "Let's go for a walk after I put on my clothes."

"All right. I will be waiting in the living room." after saying that, Long Jingxian closed the door and headed to the living room.

"Where is big brother?" Mu Ai, who was sitting on the couch, inquired.

"He is preparing himself." Long Jingxian spoke after sitting next to her daughter.

Not long after that, Xiao Tian stepped into the living room. They wasted no time and immediately went out for a walk.

Long Jingxian took him to many good places. Even though Wushang city was only a small city, but it had many good places.

They were pleased and happy smiles often blossomed on their faces. At that time, they looked like a happy family.

They were walking happily while holding hands. Mu Ai was walking in the middle of Xiao Tian and her mother.

She held Xiao Tian with her right hand while holding her mother with her other hand. After seeing the sunset, they decided to go home.

Unlike before, this time Xiao Tian was carrying Mu Ai. At 07:30 pm, they made a small bonfire in the front yard.

Xiao Tian and the others sat on the mat. Mu Ai was sitting on Xiao Tian's left side while Long Jingxian was sitting on Mu Ai's left side.

As for Long Jingxian's parents, they were sitting on Long Jingxian's left side. Like before, they talked again. They were happy and enjoyed their time so much.

When Mu Ai saw Xiao Tian rising to his feet, she immediately asked, "Big brother, where do you want to go?"

Xiao Tian looked at Mu Ai and replied, "Big brother needs to go to the toilet."

"All right." Mu Ai replied instantly.

Because the tea had run out, Long Jingxian spoke, "I will make some more tea."

"Bring some snacks too." her father uttered. "The snacks are almost run out."

"All right." After saying that, Long Jingxian headed to the kitchen.

Coincidentally, Xiao Tian saw Long Jingxian walking towards the kitchen after getting out of the toilet.

He approached her before speaking, "Lady Long, what are you doing?"

The kitchen was not big, but it was quite long. Xiao Tian immediately saw two medium-sized windows right in front of him after stepping into the kitchen.

There was a kitchen set cabinet on the right side of the window with a sink in front of the window. As for the refrigerator, it was placed on the other side of the windows.

Long Jingxian, who was standing in front of the kitchen set cabinet, turned her head towards Xiao Tian.
"Ah, Xiao Tian? I want to make tea again."

When Xiao Tian was standing next to her, he immediately spoke, "Let me help you."

"I can do this alone. You can return to the front yard if you want." It was just making tea, so she could do it herself.

"It's fine. Let me help you." Xiao Tian wanted to spend time with her, so he insisted on helping her.

"All right." Long Jingxian gave in.

When Long Jingxian wanted to get the tea on the countertop of the base cabinet, Xiao Tian coincidentally tried to get the tea as well.

For this reason, he held her right hand by accident. Xiao Tian did not immediately let go of her hand; instead, he turned his head to look at her.

Like Xiao Tian, Long Jingxian also turned her head to look at him. And thus, they looked at each other in the eyes.

One second...three seconds...five seconds...

Xiao Tian was still holding Long Jingxian's right hand because he forgot to let go of her right hand when he saw her beautiful blue-violet eyes.

As if Long Jingxian was hypnotized by Xiao Tian's good look, she also did not say anything and only stared at him.

*Thump...Thump...Thump...

Long Jingxian's heart beat faster, and Xiao Tian suddenly looked more attractive.

After looking at each other for several seconds, both of them turned around, facing each other. At this moment, Xiao Tian and Long Jingxian still did not say anything.

However, they kept looking at each other in the eyes as if there was a magnet in their eyes.

Xiao Tian took one step forward, closing the distance between them. Now they were standing close to each other.

And as if they could communicate through their eyes, they opened their mouths slightly at the same time.

Xiao Tian slowly approached her, bringing his lips closer towards hers.. Because he brought his face slowly, it took him three seconds before their lips finally met.

Chapter 980 - Making Tea Together

6-7 minutes

The stars were surrounding the moon.

The summer wind was swaying the trees.

Two attractive people were standing in the kitchen.

The young man was placing his hands on the young woman's slender waist while the young woman was putting her hands on the young man's chest.

Both of them did not move their bodies for several seconds as if they were statues.

These two young people were none other than Xiao Tian and the hot MILF, Long Jingxian.

Currently, Xiao Tian was kissing Long Jingxian's tender lips. He did not kiss her passionately and only pressed his lips against hers.

As for Long Jingxian, she was closing her eyes as if she wanted to feel his kiss. Even though she knew where they were, she did not try to stop Xiao Tian.

Long Jingxian already saw Xiao Tian as her future husband, so she was fine if Xiao Tian kissed her tender lips.

Xiao Tian broke the kiss after pressing his lips against hers for several seconds. Like before, his hands were still on her slender waist.

The silent moment happened again.

However, it only lasted for two seconds before finally, Long Jingxian uttered, "Xiao Tian...."

At this moment, both Xiao Tian and Long Jingxian had forgotten about making tea. Their minds were filled with something else, something that burned in their bodies.

Even though Long Jingxian did not say directly what she wanted, Xiao Tian was able to understand it.

He wasted no time and immediately kissed her again. But unlike before, where he only pressed his lips against hers, this time, he immediately kissed her passionately.

Because it was something she wanted to happen, Long Jingxian welcomed the kiss happily and moved her soft tongue lewdly.

Saliva started dripping from the corners of their mouths, but neither of them showed the slightest bit of care about that.

All they had in mind was only one thing.

Kiss!

Yes. Their minds were filled with the desire to kiss.

Even though they only had a deep kiss, but it was enough to awaken the flames of lust within them. Xiao Tian's hands began moving from her slender waist before finally landing on Long Jingxian's butt.

Of course, he still remembered where they were, but the flames of lust had taken over his mind.

As he was exploring Long Jingxian's little mouth with his tongue, he squeezed her butt and enjoyed the tenderness of her ass.

Long Jingxian only widened her eyes for a second.

'His huge cock is already erect.'

She felt something hard pressing against her stomach, and even though she did not see it, she knew it was Xiao Tian's huge cock.

The longer they kissed, the bigger the lust within her. Coupled with him squeezing her ass made Long Jingxian unable to control her lust anymore.

For this reason, she moved her right hand from his chest and landed it on Xiao Tian's penis.

Yes. Long Jingxian wanted to play with Xiao Tian's erect cock!

She wasted no time and instantly stroked Xiao Tian's penis through his trousers.

As they were pleasuring each other, their kiss got much hotter. Their tongues moved more lewdly every second.

They had a hot kiss for several seconds before finally, Long Jingxian broke the kiss. "Huft...Huft..."

While her right hand was still stroking Xiao Tian's erect penis through his trousers, her other hand was cupping his face.

She looked at his black eyes while continuously blowing hot breath. It was as if she wanted to make Xiao Tian hornier and hornier.

Like before, they only stared at each other without saying a single word. At that moment, Long Jingxian suddenly did something unexpected.

She suddenly squatted down in front of him before unbuttoning his trousers!

Her actions much surprised him. Previously, Xiao Tian thought Long Jingxian would kiss him passionately again, but he was wrong.

However, he did not show it on his face and only stared at her. Even though he still wanted to kiss her passionately, Xiao Tian did not say anything because Long Jingxian would give him more pleasure later.

*Zzzzz....

The sound of zippers echoed in her ears.

Long Jingxian could not help but gulp her saliva when she saw Xiao Tian's huge penis.

Sure, it was not the first time she had seen his cock, but his penis still amazed her and managed to make her more aroused.

The thickness, size, and length were perfect. Not only was his penis amazing, but it was also beautiful in her eyes, especially his pink glans.

Long Jingxian looked at Xiao Tian again before finally opening her little mouth and licking his penis.

She started licking from his shaft before making her way up to his glans. When Long Jingxian noticed the pre-cum on the tip of his cock, she instantly licked and sucked it.

Xiao Tian almost groaned when Long Jingxian sucked his penis hungrily.

'She is really skilled at giving a blowjob!'

His legs suddenly turned weak.

*Slurp...Slurp...Slurp....

The sound of Long Jingxian sucking Xiao Tian's penis hungrily reverberated in the kitchen.

At that time, Long Jingxian looked like a slut who had not seen a penis for more than a month. Her expression and the way she sucked his penis were so erotic.

It was as if she was a succubus who wanted to suck Xiao Tian dry.

"Where is Jingxian? What took her so long?" Long Diyi wanted to know why his daughter still had not returned to the front yard.

"You are right." Jing Liling added. "It has been more than ten minutes since she went into the kitchen. it should not have been this long just to make tea."

"Big brother has not come back from the toilet either." Mu Ai spoke abruptly.

Long Diyi looked at his wife and spoke, "Why don't you go and check on her?"

"All right." After saying that, Jing Liling rose to her feet and headed to the kitchen.

'What took her so long?'

At this moment, Jing Liling was already close to the kitchen.

*Walk...Walk...Walk...

In less than ten seconds, Jing Liling finally reached the kitchen.
