Chapter 981 - Feeling Uncomfortable

'I wonder what is she doing in the kitchen?'

As Jing Liling was walking towards the kitchen, she kept asking the same question.

It had been more than ten minutes since her daughter went to the kitchen. In her view, it should not have been this long just to make tea.

As soon as Jing Liling stepped into the kitchen, she immediately asked, "Jingxian, what took you so long?"

Jing Liling was startled when she saw Xiao Tian.

'Xiao Tian?'

She remembered that Xiao Tian said he wanted to go to the toilet earlier. She just did not expect to see him in the kitchen.

"You are also here, Xiao Tian?" Jing Liling uttered.

Long Jingxian turned her head towards her mother and replied, "Sorry, mother. I broke the glass earlier. I'm going to make some tea now."

Long Jingxian had prepared an excuse so she could answer her mother's questions without arousing suspicion.

"Auntie, I heard the sound of something breaking after coming out of the toilet earlier, so I immediately headed to the kitchen." Xiao Tian lied to Jing Liling.

Actually, Xiao Tian wanted to hide earlier, but there was no place to hide in the kitchen. That was why he decided to stay where he was.

Jing Liling would be suspicious if he tried to hide but was caught by her later.

Xiao Tian and Long Jingxian exchanged a glance with each other.

'Lucky!'

That was the word that appeared in their minds after answering Jing Liling's question.

If they were late for even a second, they were sure Jing Liling would know what they had just done in the kitchen.

Previously, Xiao Tian heard someone walking towards the kitchen. Because he believed that person was one of Long Jingxian's family, he immediately told her to stop giving him a blowjob.

Sure, he still had not had an orgasm, but he had to stop Long Jingxian, or else Jing Liling would know what they did in the kitchen earlier.

'It's uncomfortable!'

Xiao Tian's penis felt uncomfortable because Long Jingxian stopped giving him a blowjob when he almost had an orgasm.

"I see." Jing Liling did not know that Xiao Tian and Long Jingxian were lying to her. "Just go to the front yard. I will make the tea."

"No, mother. I will do it." Long Jingxian refused instantly.

After looking at her daughter for about three seconds, Jing Liling replied, "All right. But make it quick. Your father and daughter are waiting now."

"All right." Long Jingxian responded as she nodded her head.

Jing Liling then returned to the front yard.

When Long Diyi saw her wife, he inquired, "Where is Jingxian? What took her so long?"

After sitting on his right side, Jing Liling responded, "She is in the kitchen. She broke a glass earlier."

"I see." Long Diyi was not suspicious of her daughter. "Why don't you help her?"

"Xiao Tian is helping her." Jing Liling replied, "He is in the kitchen with her."

"Hmm? He is in the kitchen with her?" Long Diyi was startled after hearing his wife's words.

'They don't do anything in the kitchen, do they?'

Even though Long Jingxian had tried her best to behave normally, Long Diyi could still tell that she had fallen for Xiao Tian.

And he also knew that Xiao Tian had the same feeling because the way Xiao Tian treated her or the way Xiao Tian stared at Long Jingxian looked like she was the most important woman in Xiao Tian's life.

When Jing Liling saw the expression on her husband's face, she immediately said, "What are you thinking about? Hurry up and add more tree branches to the bonfire."

"Nothing." After saying that, Long Diyi added more tree branches to the bonfire.

"Does your thing feel uncomfortable?" Long Jingxian, who was making tea, inquired.

"Yes." Xiao Tian gave an honest answer.

It was natural for Xiao Tian to feel uncomfortable because they stopped when he was about to orgasm.

"Do you want me to give you a blowjob again?" Because she gave him a blowjob for several minutes earlier, Long Jingxian was sure she could make him orgasm fast.

"It's fine." It was not like Xiao Tian did not want her to give him another blowjob. "It will raise suspicions if we stay here too long."

What Xiao Tian said was true. They had been in the kitchen too long, so her parents would be suspicious if they did not return to the front yard immediately.

After making tea, Xiao Tian and Long Jingxian returned to the front yard. Like before, they talked happily again.

Long Diyi did not ask anything to Xiao Tian or his daughter. He even behaved normally, as if he never suspected them of doing adult things in the kitchen.

As they were talking happily, Mu Ai suddenly sat on Xiao Tian's lap. Xiao Tian smiled softly before pinching her cute face.

"It seems like little Ai really loves you." Long Diyi spoke when he saw Mu Ai's happy face.

"They are really close to each other, father." Long Jingxian replied, "She is even closer to him than to me."

There was no hatred or jealousy in her words; instead, it was the opposite. She was pleased because Mu Ai was always happy when she was with Xiao Tian.

Jing Liling turned her head towards Mu Ai and inquired, "Is that true, little Ai?"

"Un." Mu Ai nodded her head cutely. "I like big brother so much!"

"Big brother also likes little Ai so much." When he said this, Xiao Tian was telling the truth.

"Hehe." Xiao Tian and Mu Ai laughed happily after that.

After chatting for more than two hours, they entered the house. Long Jingxian immediately brought her daughter to her room because it was time for Mu Ai to sleep.

'Today is a good day!'

Currently, Xiao Tian was lying on the bed.

Happiness danced through his thoughts because he had a good time with Mu Ai and the others. He even kept smiling when he remembered Mu Ai's cute expression.

'Damn! Little Ai is so adorable! I really want a daughter like her.'

Time went by quickly, and without realizing it, it was already 11:56 pm. At this moment, Xiao Tian was still awake.

'I should sleep now.'

Something unexpected happened when he was about to sleep.

Long Jingxian suddenly entered his room!

Yes. Xiao Tian did not lock the door because he was at Long Diyi's house. However, he did not expect Long Jingxian to come to his room.

She even did not knock on the door and immediately entered his room. But what surprised him most was that Long Jingxian was wearing sexy clothes.

She wore a short skirt and T-shirt. Due to how short her skirt was, her flawless thighs were visible to Xiao Tian's eyes.

'Lady Long?'

Even though Xiao Tian was startled, he did not show it on his face.

Xiao Tian was shocked again when Long Jingxian suddenly locked the door. At this moment, Xiao Tian's mind went dirty.

Yes. Long Jingxian suddenly came to his room in the middle of the night while wearing sexy clothes, so he could not help but think about dirty things.

'It seems like I will have some fun tonight!'

He said in his mind.

Chapter 982 - Happy Feeling

7-8 minutes

*Click...

After Long Jingxian entered his room and locked the door, she approached him slowly.

Of course, she knew what she was doing, but she did not feel nervous at all. She still behaved normally, as if it was normal for her to come to his room in the middle of the night.

Her main purpose for coming to Xiao Tian's room was only one thing.

She wanted to finish what she did not finish before, or in other words, she wanted to give Xiao Tian a blowjob again.

Xiao Tian instantly sat on the edge of the bed and paid attention to her carefully.

*Gulp...

Xiao Tian could not help but gulp his saliva when he saw Long Jingxian walking towards him slowly.

The way she walked towards him looked so alluring. Coupled with her wearing sexy clothes made Xiao Tian feel as if a succubus queen was walking towards him.

Yes. Long Jingxian looked much more alluring at that time.

Every step she took was enough to make the flame of lust within him tremble uncontrollably, especially when he stared at her eyes.

Long Jingxian's blue-violet eyes looked so sexy, to the point it made Xiao Tian feel as if he was under the control of her eyes.

After Long Jingxian stood right in front of Xiao Tian, she instantly sat on his lap, facing him. She still had not said a single word and only stared at him with her beautiful blue-violet eyes.

Long Jingxian cupped Xiao Tian's face before slowly bringing her lips closer to his.

*Kiss...

Long Jingxian pressed her tender lips against his.

She did not stop there and instantly put her soft tongue into Xiao Tian's mouth.

Soon, they had a passionate kiss, a kiss where they moved their tongues lewdly and drank each other's saliva.

However, the kiss did not last long because Long Jingxian suddenly stopped it. "Let me finish what I did not finish earlier."

Long Jingxian slid from Xiao Tian's lap before squatting down between his legs.

Of course, Xiao Tian knew the meaning of her words because there was one thing she did, but she didn't finish it.

Blowjob!

Yes. Xiao Tian knew that Long Jingxian wanted to give him a blowjob again.

And what he had guessed was right because Long Jingxian instantly tried to take off his shorts after squatting between his legs.

Long Jingxian wasted no time and immediately sucked Xiao Tian's huge penis after taking off his shorts.

Like what she did in the kitchen before, Long Jingxian immediately used her skills to give Xiao Tian pleasure. She moved her soft pink tongue lewdly and squeezed his testicles with her hands.

Due to how skilled she was at giving blowjob, it did not take long for Xiao Tian's big penis to stand mightily.

Pleasure bubbled up inside of Xiao Tian when Long Jingxian sucked and licked his erect penis. However, something unexpected happened when Xiao Tian's mind was bathed in pleasure.

Long Jingxian stopped giving a blowjob!

Xiao Tian instantly lowered his head to look at Long Jingxian. He wanted to know why she suddenly stopped giving a blowjob.

Long Jingxian rose to her feet and spoke, "Lie down on the bed. Let's go to the main dish now."

Xiao Tian did not say anything and did what he was told. At that time, he decided to do whatever she wanted because it would not be a bad idea to switch roles.

Yes. Xiao Tian intended to let Long Jingxian take the lead.

After dropping her T-shirt to the floor, Long Jingxian crawled onto the bed. She did not remove her skirt because she did not need to do that.

Her skirt was short, and she also was not wearing any panties. Yes. Long Jingxian came to Xiao Tian's room without wearing panties.

The main reason why she came to Xiao Tian's room in the middle of the night was to have sex with him.

For this reason, Long Jingxian thought there was no point in wearing panties because she would end up taking them off later.

After sitting on Xiao Tian's thighs, Long Jingxian did not immediately put his penis into her vagina; instead, she bent over to kiss him passionately again.

As they were having a deep kiss, Long Jingxian moved her waist, rubbing her vagina against Xiao Tian's erect cock.

*Drip...

Love juices came out of her vagina faster than before.

Her pussy was already wet when she was giving a blowjob earlier, but now, her vagina was getting wetter when she rubbed her pussy against Xiao Tian's penis.

Her actions made the flame of lust within him grow drastically. Even though Xiao Tian wanted to put his penis into her vagina so badly, he did not do that and only wrapped his arms around her back.

Yes. Xiao Tian decided to enjoy the kiss and the sensation of her vagina rubbing against his erect penis.

To his surprise, Long Jingxian suddenly grabbed his huge penis and slid it into her wet vagina. She did not ask Xiao Tian to lick and suck her pussy because her vagina wanted his huge penis so badly.

Ever since she had sex with Xiao Tian in his apartment, she was addicted to having sex with him. The reason was simple. Xiao Tian was so amazing in bed.

First, Xiao Tian had the longest and biggest cock she had ever seen in her life. Second, he was the first person who could satisfy her and make her orgasm many times.

She did not have sex for six months before doing it with Xiao Tian.

Of course, she would be addicted to having sex with Xiao Tian because the first person she had sex with after not having sex for six months was an amazing young man like him.

His penis was huge and long. And his stamina was also limitless. Yes. Xiao Tian was a perfect man in Long Jingxian's eyes.

*Slick...Slick...Slick...

The sound of Xiao Tian's huge penis spreading Long Jingxian's wet vagina could be heard in their ears.

Even though she was having a deep kiss with Xiao Tian, Long Jingxian didn't stop moving her waist. Sure, her movement was not fast, but it was enough to give them immense pleasure.

Like before, Xiao Tian did nothing. He only enjoyed the kiss and the sensation of his cock sliding in and out of Long Jingxian's wet vagina.

'It feels good!'

When Long Jingxian suddenly changed her movements, Xiao Tian felt as if electricity was running through his body.

Previously, Long Jingxian only moved her waist up and down, but now she moved it to the left and right.

The pleasure Xiao Tian felt was different because the way Long Jingxian's vagina muscles squeezing his penis was also different.

At that moment, Long Jingxian suddenly stopped the kiss and sat on Xiao Tian's thighs. She immediately bounced her body after placing her hands on Xiao Tian's stomach.

Up, down, backward, forward, left, right, round. Long Jingxian moved her waist skillfully. But when she reached her limit, she instantly bent over again.

She wanted to have an orgasm in Xiao Tian's arms. That was why she asked him to embrace her before having an orgasm.

And not long after that, it was his turn to have an orgasm.. That night, they had sex for about two hours before finally, they stopped.

Chapter 983 - Xi Ran

6-8 minutes

'He is amazing!'

Currently, Long Jingxian was lying prone on top of Xiao Tian's body.

She was still wearing her short skirt, but her T-shirt and panties were nowhere to be found. Previously, she had sex with Xiao Tian for about two hours.

She had orgasms twice, while Xiao Tian was only once. She was happy with her decision to come to Xiao Tian's room in the middle of the night.

Not only did she have sex with Xiao Tian, she even had orgasms twice. This was something that she really loved when she had sex with him.

At this moment, Long Jingxian was still resting her head on Xiao Tian's chest.

Her body was still in a weak state, but she was happy about it because it was a sign that she had just experienced something amazing.

'I will sleep for an hour before going back to my room.'

With that idea in mind, Long Jingxian closed her blue-violet eyes.

Like Long Jingxian, Xiao Tian decided to sleep too. Time went by quickly, and without realizing it, it had been an hour since they had fallen asleep.

Long Jingxian suddenly woke up. Even though she still wanted to sleep in his arms, she had to return to her room or else her parents would know what they did later.

After getting out of bed, she stood next to Xiao Tian and stared at his sleeping face.

'Thank you for satisfying me, Xiao Tian.'

Long Jingxian gave a peck on Xiao Tian's lips before going to her room.

She immediately changed her clothes and lay next to her daughter. It was still 03:10 am, so she wanted to sleep again.

At 05:00 am, Long Jingxian woke up again and helped her mother cook breakfast. At this moment, Xiao Tian was still sleeping soundly.

He woke up at 05:40 am and immediately walked out of his room.

Because the sun had started to shine on the earth, Xiao Tian headed to the front yard and sat on the wooden bench under the mango tree.

He saw many people passing by, and all of them were farmers. They wore rice hats and carried hoes in their hands.

Xiao Tian's mind was calm. This kind of sight would not be found in a big city like the one he lived in.

As he was enjoying himself, a voice suddenly rang out. "Big brother..."

Xiao Tian instantly turned his head towards the source of the sound. His face broke into a smile when he saw the person who had just called him.

"Little Ai, you are already awake?" Xiao Tian thought Mu Ai was still sleeping, but he was wrong.

"Yes. I woke up a few minutes ago." Mu Ai rushed towards him.

After waking up, she went straight to his room because she wanted to spend time with him. She kept looking for him when she did not see him in his room.

She even asked her mother, grandfather and grandmother, where Xiao Tian was. That was why joy bubbled up inside of her when she found Xiao Tian.

Mu Ai instantly sat on Xiao Tian's lap as if his lap was her special seat. Of course, Xiao Tian welcomed it happily.

As usual, they chatted happily. Mu Ai even counted everyone who passed by in front of her. At 06:15 am, Xiao Tian had breakfast with Long Jingxian and the others.

Xiao Tian decided to take a walk after breakfast. At first, Long Jingxian wanted to accompany him, but she changed her mind when she found out her mother was going to the market to buy food supplies.

For this reason, Xiao Tian went out for a walk alone. He decided to go to Jindan Lake. Jindan Lake was an artificial lake and the most popular place in that area.

'The air is fresh and the weather is good.'

It was still 06:40 am, so the atmosphere was great.

As Xiao Tian was strolling around Jindan Lake, he saw a woman standing on the wall fence that surrounds Jindan lake.

"Hey, don't do it!" Xiao Tian rushed towards her because he thought she wanted to suicide by jumping into the Jindan Lake.

When he was behind her, Xiao Tian instantly grabbed her waist and pulled her down.

"What the hell are you doing?" Xiao Tian scolded her. "I know life is hard, but you should not give up on yourself like this!"

Currently, the young woman was lying on the brick road with Xiao Tian above her. His hands were on either side of her head and his knees on either side of her legs.

"What are you saying? Who wants to suicide?" the young woman, who was about twenty-four years old, had a puzzled face.

"You stood on the wall fence because you wanted to suicide, right?" Xiao Tian pointed his right index finger to the wall fence.

"I just want to enjoy some fresh air." The young woman replied, "I never have any suicidal intentions."

Xiao Tian was at a loss for words.

'Damn it! So embarrassing!'

He did not expect that he had misunderstood everything.

"Can you get up now?" the young woman inquired.

Xiao Tian instantly rose to his feet.

'Luckily, no one paid attention to us earlier.'

If anyone saw them, Xiao Tian was sure they would think badly of him because their previous position looked like he wanted to do bad things to her.

After standing up and cleaning the dirt on her clothes, the young woman looked at Xiao Tian.

At this moment, Xiao Tian realized something.

The young woman who was standing right in front of him was a beautiful lady!

She had an appearance that neared perfection. Her fine raised nose and pink lips perfectly matched her pretty face.

Her amazing body was clad in snow-white robes, and her long black hair was pinned together by a pine shaped hairpin that had a pine leaf as an ornament.

Her beauty was so incredibly, to the point it could outshine the moon and stars. It was as if she was an angel who was being punished to live on earth by God.

But the most beautiful thing about her was not her face.

It was her eyes!

Her emerald eyes were extremely attractive. Anyone who saw her emerald eyes would be immediately stunned and continued to praise her eyes.

It was so beautiful to the point these eyes should not belong to humans. Yes. Her emerald eyes were like those of the elves, fictional characters in many novels.

'Her eyes are so beautiful!'

Xiao Tian had seen many beautiful eyes in his two lives, but her eyes were the most beautiful ones. He even felt like his soul was under her control when he was staring at her emerald eyes.

"Your eyes are so beautiful!" Xiao Tian spoke unconsciously.

He suddenly realized what he just said, but he did not try to make excuses because her eyes were indeed so beautiful.

The young woman did not say a word and still behaved normally as if Xiao Tian did not praise her eyes.

She was used to hearing it, so Xiao Tian's words meant nothing to her.

As Xiao Tian was looking at the young woman in front of him, a voice suddenly rang out. "Xi Ran..."

Chapter 984 - Meeting Leng Nichang

7-8 minutes

Xiao Tian and Xi Ran instantly turned their heads towards the source of the sound.

When Xiao Tian saw the person who had just spoken, he was shocked again.

'Isn't she Leng Nichang?'

Of course, Xiao Tian behaved normally and only stared at Leng Nichang, who was walking toward them elegantly.

Like Xiao Tian, Leng Nichang was also surprised when she saw Xiao Tian.

'Isn't he that young man?'

Leng Nichang still remembered Xiao Tian because he almost got into a fight with Wu Tang at the Sun Auction House.

"I finally found you." Leng Nichang uttered when she was in front of Xi Ran. "Why did you suddenly disappear on me?'

"Sorry." Xi Ran only gave a short answer.

Leng Nichang shifted her gaze from Xi Ran to Xiao Tian. "Hello, we meet again."

As usual, Leng Nichang displayed her charming smile after speaking.

"Hello, I didn't expect to meet you in this place." Like Leng Nichang, Xiao Tian showed his charming smile.

His smile was so dazzling, to the point, it stunned Leng Nichang for a second.

'He has a charming smile!'

Leng Nichang did not see Xiao Tian's charming smile when they were at the auction house.

What she remembered about Xiao Tian were only his good look and a naughty attitude. She even still remembered clearly the time when Wu Tang was being played by Xiao Tian many times.

Like Leng Nichang, Xi Ran did not say anything after seeing Xiao Tian's smile. Even though she did not want to admit it, but Xiao Tian's smile was indeed very charming.

"Are you two friends?" Leng Nichang wanted to know whether Xiao Tian and Xi Ran were friends or not.

"No." Xi Ran gave an honest answer. "We met a few minutes ago. It was because he thought I wanted to suicide earlier."

"Oh!" Leng Nichang touched her tender pink lips with her right hand. "So it's only a misunderstanding, huh?"

"Yes." Xiao Tian nodded his head.

Xi Ran looked at Leng Nichang before speaking, "Nichang, let's go. I have a movie shoot in a few minutes."

"All right." Leng Nichang replied before smiling at Xiao Tian. "See you next time."

Like before, Xiao Tian showed his charming smile. After Leng Nichang and Xi Ran left, Xiao Tian continued strolling again.

Wushang City, Wu Market.

Currently, Long Jingxian was helping her mother pick fresh vegetables.

"Hey, isn't that Jingxian?"

"Ah, yes. You are right."

"So, she has returned to her hometown."

"She is as beautiful as ever!"

"That body of her is so freaking hot."

"You are damn right! Even though she already has a daughter, her body is still hot!"

"Un, un. She is much prettier than most women in this city."

"I agree with you, especially her beautiful face and amazing body."

"She doesn't look like a mother to me."

"You are right. If I did not know her, I would not believe it even if someone said she is the mother of a ten-year old child because she looks like a woman in her twenties to my eyes."

"I heard she divorced her husband."

"I also heard it!"

"That Mu Cheng is really stupid! If I were him, I would not divorce her."

"But I'm glad she divorced her husband. I heard Mu Cheng has changed now."

"I also heard about this. Rumor has it that he gambles and gets drunk every day."

"That stupid bastard really didn't notice that he just lost an angel."

"If I were him, I would definitely treat her well."

Several people instantly noticed Long Jingxian when she was helping her mother choosing fresh vegetables.

Long Jingxian was one of the most beautiful women in Wushang city, so all men instantly stole glances at her when they noticed her.

Of course, Long Jingxian knew that she had become the center of attention, but she did not show the slightest care about it because she was already used to it.

When Long Jingxian and her mother were picking fresh vegetables, a fat middle-aged woman dressed in red walked towards them.

"Jing Liling, do you want to buy vegetable?" the middle-aged woman inquired.

Jing Liling, Mu Ai, and Long Jingxian turned their heads towards the source of the sound.

When Jing Liling saw the person who had just spoken, she immediately smiled, "Dou Shuiro, do you want to buy vegetables too?"

Dou Shuiro's house was not far from Jing Liling's house, so they knew each other.

"Yes." after answering, Dou Shuiro shifted her gaze from Jing Liling to Long Jingxian. "Oh! Jingxian, you have returned home?"

"Yes." Long Jingxian replied, "How have you been, auntie?"

"I have been doing good." Dou Shuiro responded as she smiled, "How about you?"

"Me too. I have been doing good." like before, Long Jingxian spoke politely.

Then they began talking as they were picking fresh vegetables. In their conversation, Dou Shuiro kept trying to match Long Jingxian with her only son.

Dou Shuiro knew that Long Jingxian had divorced her husband, so in her view, it was a perfect time to match Long Jingxian with her son.

First, she kept praising her son, saying he had become a manager in the company where he worked and had a luxurious car and house.

Dou Shuiro really liked Long Jingxian because, in her view, Long Jingxian was a perfect woman for her son. Sure, Long Jingxian already had a daughter, but she did not mind it.

Long Jingxian was still young and had a beautiful face and slender body. Long Jingxian's personality was also good and what she liked the most about Long Jingxian was that Long Jingxian was a doctor.

Because Long Jingxian and her son were childhood friends, Dou Shuiro did not hide her true intentions.

Long Jingxian refused politely. The reason was simple.

First, she only saw Dou Shuiro's son as her friend, nothing more than that. Second, she had fallen in love with Xiao Tian.

And the last, it was related to her daughter. Yes. Her daughter disliked Dou Shuiro's son.

However, Long Jingxian did not say it directly and only stated that she wanted to be alone first because she just divorced Mu Cheng.

Of course, Dou Shuiro did not give up and kept trying to get Long Jingxian to agree to be her son's lover or wife.

She even dared to say that her son could make her happy forever and would never make her sad or cry.

Long Jingxian would have laughed loudly if Dou Shuiro was not her neighbor because Mu Cheng also said the same things in the past.

But the reality was different. Not only did he often hurt her feelings, he even had the heart to take her daughter as a hostage.

Long Jingxian had experienced many things in life, so she would not believe everything easily.

Jing Liling looked at Long Jingxian and spoke, "Jingxian, let's go home. We have bought everything we need."

"All right." After saying that, Long Jingxian held Mu Ai's right hand.

"I have bought everything I need too. Let's go home together." Dou Shuiro wanted to go home with them because she wanted to try to match her son with Long Jingxian again.

Because the distance between their houses and Wu market was not far, they decided to walk again.

But as soon as they walked out of the Wu market, a voice rang out.. "Mother, I have come to pick you."

Chapter 985 - Che Hou

7-8 minutes

"Son, you have come?!" Dou Shuiro spoke when she saw her son.

Long Jingxian, Jing Liling, and Mu Ai looked at the person who had just spoken.

A grown man around thirty-three years old was standing five meters away from them. He wore branded clothes and just got out of his luxurious car.

A smile on his face grew bigger when he saw Long Jingxian. "Jingxian, it has been a while since the last time we met."

"Long time no see, Che Hou." Long Jingxian uttered as she smiled.

"I have heard everything about what had happened you and little Ai. I'm sorry for what happened to you. You did the right thing divorcing him because he doesn't deserve you." Che Hou was pleased when he knew that Long Jingxian divorced Mu Cheng because he had feelings for her since ten years ago.

"I'm fine now." Long Jingxian was not surprised because many people already knew what had happened to her and her daughter.

"Oh right. Why don't I drive you home too?" of course, Che Hou offered to drive her home because he wanted to try his luck later.

"You don't need to." Long Jingxian refused instantly.

Because the distance between Wu market and her house was not far, Long Jingxian and her mother decided to walk. That was why they did not use her father's vehicle.

But because Che Hou and Dou Shuiro insisted on sending her home, Long Jingxian had no choice but to accept it.

Actually, she still wanted to refuse, but she changed her mind when her mother agreed with their idea.

Like Long Jingxian, Jing Liling could not refuse their offer because she did not want them to feel offended later.

When they were on their way home, Dou Shuiro tried to match Long Jingxian with her son again. Even though Che Hou told his mother to stop, but deep inside him, he was happy with his mother's actions.

"Jingxian, my son has become a successful person now. His monthly salary is 200,000 Yuan." Dou Shuiro praised her son so that Long Jingxian knew how amazing her son was. "He is still thirty-three years old but he has managed to raise our family status to mid-middle class family."

She then continued, "If you become his wife, he will be able to support you financially. And I'm sure, he can make you happy forever too."

"Haha. Mother, stop it!" Che Hou uttered.

'Good job, mother! Keep praising me so that Jingxian know how amazing I am.'

He added in mind.

"What are you talking about, son?" Dou Shuiro replied, "You should be proud of yourself because not everyone can be like you. You even have a luxury car like this."

"It seems like you have become a successful person, Hou." Long Jingxian praised Che Hou because she did not want to be rude.

"Haha. It's nothing. My monthly salary is 200,000 Yuan, it's not much." Che Hou emphasized his words when he said his monthly salary to Long Jingxian.

Joy bubbled up inside of him when Long Jingxian praised him. At that moment, he wanted his mother to keep praising him.

"Jingxian, just be together with my son." Dou Shuiro repeated her words. "I'm sure you won't regret it later."

Long Jingxian did not answer and only smiled.

Dou Shuiro then looked at Jing Liling, "What do you think, Jing Liling? Don't you think our children are match with each other?"

"I don't want to get involved in her love life." Jing Liling replied, "If she agrees, I will agree too. If she doesn't agree, I can't force her. She is an adult now so she can decide everything on her own. I just want her to be happy."

"Then that means you agree because I'm sure my son can make her happy forever." like before, Dou Shuiro was confident that her son could make Long Jingxian happy forever.

Long Jingxian smiled awkwardly. Not long after that, they arrived at Long Jingxian's house. Long Jingxian was startled when Dou Shuiro and Che Hou also got out of the car.

When Che Hou saw BMW m5 gray metallic vehicle parked in the garage, he wanted to know whose car it was.

'Who's car is it? Is that Jingxian's car?'

Che Hou knew it was not Jing Liling's car because he knew her vehicle.

Because he could not hold back the curiosity within him, Che Hou looked at Long Jingxian and asked curiously, "Jingxian, is that your car?"

Long Jingxian did not answer instantly.

'Should I tell the truth or not?'

Long Jingxian wavered whether she should tell the truth or not because she was sure Che Hou would dislike Xiao Tian later.

Coincidentally, Xiao Tian returned from strolling. "Lady Long, auntie, you two have returned home?"

Che Hou and Dou Shuiro instantly turned their heads towards Xiao Tian.

'Who is he?'

That was the question that appeared in their minds when they saw Xiao Tian.

They knew that Xiao Tian was not Long Jingxian's family, and they were sure that Xiao Tian was not from Wushang city because they had never seen him before.

"Big brother...." Mu Ai dashed towards Xiao Tian when she saw him.

With a smile on his face, Xiao Tian spread his arms widely before carrying Mu Ai. "What did you buy earlier?"

"We bought fish, vegetables, chicken and many other things." As Mu Ai replied cutely, she counted what they bought with her fingers before spreading her arms widely.

Che Hou and Dou Shuiro were unhappy when they saw how close Xiao Tian was with Mu Ai.

'This is not good!'

Their eyes were filled with hatred when they saw Mu Ai talking to Xiao Tian with sparkling eyes.

They disliked it so much, especially Che Hou. He had tried to get close to Mu Ai many times before, but his efforts were always in vain.

Dou Shuiro shifted her gaze from Xiao Tian to Jing Liling and asked, "Jing Liling, who is he? Is he your relative?"

"No. He was the one who helped Jingxian when she had a trouble with Mu Cheng." Jing Liling gave an honest answer.

"The person who helped her?!" Che Hou shifted his gaze from Xiao Tian to the BMW car. "Is that his car?"

"Yes. It's his car." Jing Liling responded. "He was also the one who drove Jingxian home."

Long Jingxian looked at her mother before sighing.

'It seems like Xiao Tian will get a trouble later.'

When Long Jingxian saw the expression on Che Hou's face, she knew that Che Hou began to hate Xiao Tian.

'What should I do now?'

She did not want Che Hou to give trouble to Xiao Tian because Xiao Tian had helped her many times, and he was also the person she loved.

However, she knew that she could not do anything. For this reason, Long Jingxian decided to tell Xiao Tian to be careful later.

When Xiao Tian felt an angry aura, he shifted his gaze from Mu Ai to Che Hou.

'Hmmm? Don't tell me....'

Xiao Tian had gained insight about battle instinct so he could feel any aura around him.

At this moment, Xiao Tian knew that Che Hou disliked him, and he also knew the reason why an angry aura emitted from Che Hou's body.

It was because Che Hou had feelings for Long Jingxian.

'It seems like I will have some fun later.'

His lips curled into a grin.

Chapter 986 - Kissing Long Jingxian In The Backyard

7-8 minutes

Che Hou shifted his gaze from Xiao Tian to Long Jingxian. "Jingxian, does he stay in your house?"

"Yes." because Che Hou already knew everything, there was no point in hiding it. That was why Long Jingxian gave an honest answer.

Rage nearly consumed Che Hou after hearing her words. He had known her for more than ten years, but she treated Xiao Tian much better than she treated him.

Mu Ai even liked Xiao Tian too. He could not accept it, and he did not want to accept it.

'Damn it!'

Anger welled up in his chest.

However, he suppressed his anger because he did not want to show his bad side in front of Long Jingxian and Jing Liling.

Dou Shuiro looked at Jing Liling and asked, "Jing Liling, isn't it bad for him to stay in your house? What if bad rumors arise about your family later?"

Dou Shuiro said something like this because she did not want Xiao Tian to stay in Long Jingxian's house.

"Why? He didn't do anything bad or immoral in my house, so why can't he stay in my home?" Jing Liling knew the reason why Dou Shuiro said something like that. "He is the savior of my daughter, so I will become a bad person if I kick him out of my house."

Long Jingxian and Xiao Tian exchanged a glance with each other after hearing Jing Liling's words.

'I wonder what her reaction would be if she knew what we did last night.'

Xiao Tian and Long Jingxian had sex last night. They even did it for two hours straight.

At this moment, Dou Shuiro and Che Hou knew that their words would be meaningless. Of course, they still wanted Xiao Tian to leave Long Jingxian's house.

Because they were afraid that they would not be able to hold back their anger, Dou Shuiro and Che Hou decided to leave.

Xiao Tian and the others then entered the house. When Long Jingxian was helping her mother cook lunch, Xiao Tian played with Mu Ai in the backyard.

He was a little surprised when he saw many rambutan trees in the backyard. And because it was harvest season, there was a lot of rambutan on the tree.

Xiao Tian took some rambutan and ate it with Mu Ai. As they were enjoying themselves in the backyard, Long Jingxian walked towards them.

"What are you doing here?" Long Jingxian asked curiously as she walked towards Xiao Tian and Mu Ai.

Mu Ai instantly turned her head towards her mother and replied, "Mother, come here and eat rambutan with us."

Long Jingxian smiled softly before sitting next to her daughter.

"Little Ai, feed me." After saying that, Long Jingxian opened her mouth slightly, giving her daughter a sign to feed her the rambutan.

Mu Ai instantly fed her the rambutan. "How is it, mother?"

"Delicious!" Long Jingxian replied.

Like before, they chatted while eating rambutan. They talked for a few minutes before Mu Ai finally came into the house to pick up her favorite doll.

When Xiao Tian noticed it was a perfect time to lovey-dovey with Long Jingxian, he brought himself closer towards her before finally holding her right hand.

Long Jingxian behaved normally as if it was normal for him to hold her hands. They chatted again while holding hands.

When Xiao Tian suddenly held her right hand tightly, Long Jingxian turned her head to look at his handsome face.

At this moment, they were looking at each other.

'Mmmm?'

Long Jingxian was startled when Xiao Tian suddenly turned his head to the left and right.

'Why is he skimming his surroundings?'

To her surprise, Xiao Tian suddenly did something that shocked her, but it also made her happy.

Xiao Tian kissed her lips!

Yes. The reason why Xiao Tian suddenly skimmed his surroundings was that he wanted to know whether they were alone in the backyard or not.

When he saw no one around them, Xiao Tian decided to kiss Long Jingxian's tender lips.

As she was being kissed by Xiao Tian in the lips, Long Jingxian slowly shut her eyes and held his hand tighter.

Long Jingxian knew that there was no one around them, or else Xiao Tian would not have kissed her.

When she realized there was a possibility that her parents or daughter could see what they were doing, her heart suddenly beat faster.

But instead of feeling afraid, Long Jingxian felt excited. The possibility of them being caught kissing in the backyard made her adrenaline tremble with excitement.

For this reason, Long Jingxian opened her blue-violet eyes and put her soft tongue into Xiao Tian's mouth.

Xiao Tian widened his eyes for a second because he did not expect her to do that. Actually, he had no intention of kissing her passionately and only wanted to feel her tender lips.

But because Long Jingxian suddenly put her soft tongue into his mouth, Xiao Tian decided to intertwine his tongue with hers.

As they moved their tongues lewdly and exchanged saliva, Xiao Tian and Long Jingxian began to tilt their heads to the left and right.

After having a deep kiss for more than a minute with Xiao Tian, Long Jingxian broke the kiss and leaned her head on Xiao Tian's left shoulder.

They began to talk again. In their conversation, Long Jingxian reminded Xiao Tian to be careful of Che Hou because she knew Che Hou already disliked him.

Xiao Tian told her not to worry about that because he could protect himself. Che Hou was not a martial artist, so he was nothing in Xiao Tian's eyes.

When Long Jingxian remembered that Xiao Tian was a gang leader, she asked him not to kill Che Hou because Che Hou was still her childhood friend.

Xiao Tian promised that he would not do anything to Che Hou if Che Hou did not cause him any trouble; otherwise, he would teach Che Hou a lesson.

Long Jingxian only wanted him not to kill Che Hou, so he could do anything but kill Che Hou.

"Big brother, mother, I'm back," Mu Ai chirped as she walked towards them.

As usual, Mu Ai immediately sat on Xiao Tian's lap. At this moment, Long Jingxian no longer held Xiao Tian's hands or leaned her head on his shoulders.

"Big brother, there will be a firework festival tonight. Let's watch it together later." there would be a firework festival not far from their house, so Mu Ai wanted them to watch it together.

She believed it would be interesting to watch the firework with her mother and Xiao Tian, so she did not want to let that opportunity slip away.

"Eh! But big brother will go home today." Xiao Tian planned to go home later.

Mu Ai's cheerful expression turned sad, "Big brother, can you not go home today? Let's watch firework together."

"How about you go home in four days?" Long Jingxian added. "My mother will also have her birthday in three days."

After thinking for several seconds, Xiao Tian agreed. "All right. I won't go home today."

"Yay!" Mu Ai instantly kissed Xiao Tian's right cheek. "Let's watch firework together tonight!"

Xiao Tian and Long Jingxian smiled softly when they saw Mu Ai's happy face.

Long Jingxian shifted her gaze from her daughter to Xiao Tian.

'Thank you, Xiao Tian.'

Long Jingxian held Xiao Tian's left hand again.

Chapter 987 - Che Hou's Plan

7-8 minutes

'Thank you, Xiao Tian.'

Long Jingxian knew the reason why Xiao Tian suddenly changed his mind.

She was sure it was because of her daughter and her mother's birthday. That was why his actions made Long Jingxian happy.

Xiao Tian was startled when Long Jingxian suddenly held his left hand again. Normally, she would not do something like this if Mu Ai was with them.

'Is it because I changed my mind? Is she happy with my decision?'

Xiao Tian suddenly suspected the reason why Long Jingxian suddenly held his left hand was that he decided not to go home.

This unexpected happiness suddenly made him feel as if his feet barely touched the ground.

When Mu Ai noticed Xiao Tian and her mother holding hands, she smiled cutely. "It seems like mother and big brother are getting closer."

"Do you hate it, little Ai?" Xiao Tian inquired.

"No." Mu Ai shook her head cutely. "I love it! I like it when mother and big brother are close like this."

Green light!

Xiao Tian already got a green light from Mu Ai.

'Now, I just have to think about how to win her parents' hearts.'

Xiao Tian wanted to make Long Jingxian his lover, so he also had to win her parents' hearts, and Jing Liling's birthday was a perfect time to do that.

"What if I kiss your mother? Will you allow it?" Xiao Tian asked again.

He wanted to know how far he could do something to Long Jingxian when Mu Ai was with them. That was why he asked this question.

The expression of deep shock blossomed on Long Jingxian's face.

'He is....'

She did not expect him to ask such a question.

She then shifted her gaze from Xiao Tian to her daughter because she wanted to know her daughter's answer.

"Un. Big brother can kiss my mother too." Mu Ai was a kid, so her mind was still simple.

Xiao Tian felt a surge of happiness. "Really?"

"Un." Mu Ai nodded her head. "I don't mind it as long as mother is also fine with that."

Xiao Tian instantly looked at Long Jingxian.

'Should I kiss her now?'

He suddenly wanted to kiss Long Jingxian again.

Long Jingxian also looked at Xiao Tian.

'Is he really going to kiss me in front of little Ai?'

She did not hate the idea because Mu Ai said he could kiss her. Long Jingxian's eyes widened for a second when she felt Xiao Tian's lips on her cheeks.

'He is kissing me!'

Long Jingxian was at a loss for words.

"Hehe. Mother, how is it?" like before, Mu Ai behaved cheerfully as if it was normal for Xiao Tian to kiss her mother.

Long Jingxian could not say anything because the person who asked that question was none other than her daughter.

"Now it's turn to kiss my little angel!" after saying that, Xiao Tian kissed Mu Ai's cheeks.

He did this because he did not want the atmosphere to be awkward. Xiao Tian knew what Long Jingxian felt because it was the first time he kissed her in front of her daughter.

"Hehe." Mu Ai laughed happily when Xiao Tian kissed her. "Then I will kiss big brother too."

Mu Ai rose to her feet and kissed Xiao Tian's cheeks. After kissing him, she sat on his lap again. They then talked again.

Che Family House, Living Room.

"Son, you have to do something later." Dou Shuiro spoke abruptly. "Otherwise, you will lose Jingxian to another man again later."

"I know, mother." Of course, Che Hou knew about it because he could tell how close Xiao Tian was with Mu Ai and Long Jingxian.

But what he hated the most was that Xiao Tian was staying at Long Jingxian's house.

"You did nothing to Mu Cheng in the past, but now, you can't do that again. How about you pay someone to beat him up and tell him to stay away from Jingxian?" Dou Shuiro gave a suggestion.

She knew the only way to make Xiao Tian stay away from Long Jingxian was using violence because Long Jingxian, Mu Ai, and Jing Liling liked Xiao Tian.

"I know, mother. I won't repeat the same mistake." In the past, Che Hou behaved like a gentleman when Long Jingxian was close to Mu Cheng.

But he soon regretted his decision. He regretted it so much, to the point that he was drowned in sorrow for days.

Since then, he dated many women, but he still could not forget Long Jingxian. No woman could compare to Long Jingxian because she was so perfect in his eyes.

Her good personality, pretty face, perfect body, or her beautiful blue-violet eyes. He could not describe how perfect Long Jingxian was in words. For him, no words could describe Long Jingxian.

"Good! You made the right choice." Dou Shuiro was pleased after hearing her son's words. "How about you pay thugs to beat Xiao Tian later?"

"Brilliant idea! I will do that later." Che Hou agreed with his mother's idea because with this, he did not need to intervene, and he could make an excuse if Xiao Tian snitched to Long Jingxian.

Currently, Xiao Tian was in his room, calling his mother. He told her that he would not go home for the next four days.

Even though Ye Xueyin was sad, she allowed it. Xiao Tian then talked with Long Jingxian's parents again like yesterday.

Time went by quickly, and without realizing it, it was already 05:40 pm. Xiao Tian and Long Jingxian agreed to leave early to get a good place to watch the fireworks festival later.

"Big brother, are you ready?" Mu Ai spoke after stepping into Xiao Tian's room.

"Un." Previously, Xiao Tian bought some new clothes because he would watch the fireworks festival with them and would also be staying at their house for the next four days.

When Xiao Tian saw Long Jingxian, a desire to hug her suddenly arose within him.

'She is so beautiful!'

Xiao Tian knew that Long Jingxian was a gorgeous lady, but she looked much more attractive at that time.

Her snow-white skin and stunning figure matched her red cheongsam outfit perfectly.

And even though she only put on light make-up, it still increased her beauty many times, to the point Xiao Tian could not describe what he felt in words.

"Lady Long, it seems like you will become the center of attention later." with how attractive she was in her red cheongsam outfit, Xiao Tian was sure that she would become the center of attention later.

First, she looked much more attractive than usual. And second, her perfect figure was clearly visible in her red cheongsam clothes.

Her big breasts, slender waist, and long legs. There was not a single part of her body that did not show charm and attractiveness.

It was as if Long Jingxian just consumed a beauty pill, especially her big breasts that looked like it was about to get out of her clothes.

"You're saying this because you haven't seen another girl." Even though she said something like that, but she was pleased deep inside her.

Xiao Tian then shifted his gaze from Long Jingxian to Mu Ai, "Little Ai, can you close your eyes and count to twenty?"

Chapter 988 - Hugging Long Jingxian

8-9 minutes

Xiao Tian shifted his gaze from Long Jingxian to Mu Ai and spoke, "Little Ai, can you close your eyes and count to twenty?"

"All right." Mu Ai agreed without a second thought. "1...2...3.."

Long Jingxian was curious as to why Xiao Tian suddenly wanted her daughter to close her eyes and count to twenty.

'What does he want to do? Does he want to give little Ai surprise? But would not that be too long if she had to count to twenty?'

Countless questions emerged in Long Jingxian's mind.

No matter how many times she tried to find the answer, she could not find it, and for this reason, she just stared at him.

To her surprise, Xiao Tian suddenly approached her. But what surprised her most was that Xiao Tian suddenly embraced her.

Due to how surprised she was, Long Jingxian's body suddenly turned stiff. However, her surprised face slowly blossomed into a smile.

'I see. So he wants to hug me, huh?'

Long Jingxian finally understood the reason why Xiao Tian suddenly wanted her daughter to close her eyes and count to twenty.

Since the door was ajar and her daughter had only counted to seven, Long Jingxian decided to hug him too.

She loved it when they could embrace each other like that. It was as if the world suddenly turned into a beautiful place in her eyes.

"You look so beautiful, Jingxian." While still embracing her, Xiao Tian whispered in her right ear. "So beautiful, to the point I can't describe it in words."

At this moment, Xiao Tian was telling the truth because Long Jingxian looked so beautiful as if she was an angel who had just descended from heaven.

"Thank you." happiness danced through her thoughts when Xiao Tian praised her beauty.

Even though she often heard someone praising her beauty, but it was different when the person who praised her was Xiao Tian because she loved him.

"11...12...13...." Mu Ai was still counting to twenty.

Even though Xiao Tian was hugging her mother next to her, Mu Ai did not about it because she was closing her eyes.

Xiao Tian stopped the hug because Mu Ai was almost counting to twenty.

'Her red lips are also beautiful.'

Xiao Tian cupped Long Jingxian's face and stared at her lips.

Like before, Long Jingxian did nothing and only looked at him.

'Is he going to kiss me now?'

Because Xiao Tian was looking at her red lips, Long Jingxian suddenly wanted to know whether he would kiss her or not.

Even though it was quite dangerous, Long Jingxian did not hate the idea. That was why she did not say anything and only stared at him.

The longer Xiao Tian looked at Long Jingxian's red lips, the bigger the desire to kiss her. He suddenly remembered the time when they were in the backyard a few hours ago.

Yes. Xiao Tian and Long Jingxian had a passionate kiss when they were alone in the backyard a few hours ago.

For this reason, Xiao Tian pressed his lips against hers. He did not kiss Long Jingxian passionately because Mu Ai was already counted to sixteen.

Even though it only lasted for two seconds, it was enough to make Xiao Tian feel a flush of happiness.

"19...20..." after counting to twenty, Mu Ai opened her eyes.

Happiness shimmered inside Mu Ai when she saw a bar of chocolate in Xiao Tian's hands. Her eyes sparkled, and a big smile appeared on her cute face.

"Here, take it." Xiao Tian had prepared a bar of chocolate for Mu Ai, so he immediately gave it to her.

He bought a bar of chocolate after buying clothes. Actually, he wanted to give it later, but he changed his mind when he saw how gorgeous Long Jingxian was.

That was why he used chocolate to create a situation where he could embrace the hot MILF, Long Jingxian.

Long Jingxian's face blossomed into a smile when she saw her daughter's happy face.

Actually, she did not know that Xiao Tian had chocolate in his pocket, but she did not question it because, with this, there was a reason why Xiao Tian asked her daughter to close her eyes and count to twenty.

Xiao Tian held Mu Ai's left hand and spoke, "Let's go."

"Un." Mu Ai nodded her head happily.

Happiness filled Xiao Tian's heart. However, the joy within him suddenly disappeared without a trace when he saw Che Hou on the terrace.

'Damn it!'

Xiao Tian cursed venomously in his heart.

If he had not promised anything to Long Jingxian this afternoon, he would have immediately beaten Che Hou because he knew Che Hou would be intruding on their time.

"Jingxian, let's go watch firework festival together." There were three reasons why Che Hou invited Long Jingxian to watch the firework festival with him.

First, he wanted to spend time with Long Jingxian. It was a perfect time to spend time with Long Jingxian so he would not let the opportunity slip away.

Second, he would not let Xiao Tian watch the firework festival with Long Jingxian alone. And the last, he wanted to teach Xiao Tian a lesson later.

He had paid five thugs this morning, so he was sure they could beat Xiao Tian later. Che Hou could not help but laugh in his head when he imagined Xiao Tian's battered face.

Like Xiao Tian, Long Jingxian was also unhappy when she saw Che Hou, but she did not show it on her face.

"Che Hou, sorry, but I'm going to watch firework festival with Xiao Tian." because Che Hou was her friend, Long Jingxian refused politely.

Even though Che Hou disliked Long Jingxian's answer, he was still smiling. "But isn't the merrier the better?"

Of course, he did not give up because he had to watch the fireworks festival with Long Jingxian no matter what.

Xiao Tian suppressed his anger. "Dude, she said she wanted to go with me alone."

'Damn it! I really want to beat him.'

Xiao Tian disliked it when his time with Mu Ai and Long Jingxian was disturbed by someone like Che Hou.

Che Hou shifted his gaze from Long Jingxian to Xiao Tian before answering, "Who are you? You have no right to stop me!"

"Do you know you are disturbing us now?" Xiao Tian raised his voice a little.

"I never disturb you!" Che Hou replied, "I only want to invite Jingxian to watch firework festival with me, her childhood friend."

Che Hou emphasized his words when he stated he was Long Jingxian's childhood friend. He did this because he wanted to show Xiao Tian the difference between them.

"What's going on here? Why is there a commotion on the terrace?" Jing Liling asked as she stepped onto the terrace.

Xiao Tian and the others turned their heads towards Jing Liling.

"Hello Auntie Jing. Actually, I don't want to make a fuss but this Xiao Tian forbids me to go see the fireworks festival with Jingxian." Che Hou blamed Xiao Tian for everything.

Xiao Tian clenched his right fist, but he kept suppressing his anger because Jing Liling was in front of him. "Auntie, I never wanted to make a fuss, but he kept bothering us."

"Who keep bothering you?! I only want to invite Jingxian to watch firework festival with me." Che Hou raised his tone.

Xiao Tian glanced at Che Hou, and a terrifying light flashed across his eyes for a second.

'Calm down, Xiao Tian, calm down.'

Xiao Tian kept saying the same words as if he was chanting a magic spell.

Of course, Xiao Tian would teach Che Hou a lesson later because Che Hou dared to disturb his time with Long Jingxian. Che Hou even snitched to Jing Liling.

"Alright, alright. I know the problem now. Just go together and stop arguing." Because Che Hou was Long Jingxian's childhood friend and his family was her neighbor, Jing Liling told them to watch the firework festival together.

Xiao Tian's face darkened, but he said nothing because it was Jing Liling's decision. However, he decided to separate Che Hou from them later so that Che Hou would not continue disturbing his time with Long Jingxian and Mu Ai.

As Xiao Tian was feeling unhappy, Che Hou was filled with happiness. "I will do what auntie said."

'I will make him separate from us later.'

Che Hou added in his mind.

Chapter 989 - Going To The Fireworks Festival

7-8 minutes

Che Hou, Xiao Tian, Mu Ai and Long Jingxian went to the firework festival. Because the place was not far, they decided to walk.

When Che Hou saw Mu Ai eating chocolate, he took out chocolate from his pocket. "Little Ai, I have chocolate too. Here, take it."

Che Hou knew that Mu Ai liked chocolate. That was why he bought chocolate before coming to Long Jingxian's house.

"I don't want to." Mu Ai refused instantly. "I already have chocolate from big brother."

Mu Ai disliked Che Hou, so she did not want to accept his chocolate. Even though Che Hou tried to pretend to be a good person, Mu Ai knew that he was not a good person.

In the past, Che Hou yelled at her several times when they were alone. Che Hou did not treat her nicely like how Xiao Tian treated her.

Che Hou showed his true personality when her mother was not around. This was the main reason why she disliked Che Hou.

"Pfft!" a peal of suppressed laughter burst out.

'Good job, little Ai.'

Xiao Tian was happy with how Mu Ai treated Che Hou.

Che Hou glanced at Xiao Tian angrily. He knew that Xiao Tian was making fun of him.

Even though he was furious with how Mu Ai treated him, he still smiled softly because Long Jingxian was next to him.

At this moment, Long Jingxian only stared at Mu Ai and Che Hou without saying anything. She was not surprised by her daughter's behavior because she knew that her daughter disliked Che Hou.

"Little Ai, why don't you want my chocolate? This chocolate is also tasty." Che Hou kept trying to get Mu Ai to accept the chocolate because it would be embarrassing if Mu Ai refused it.

"I don't want to. Big brother's chocolate is better." Like before, Mu Ai refused instantly.

Che Hou stopped smiling.

'Damn it! I would have taught you a lesson if you were not Jingxian's daughter.'

Che Hou still disliked Mu Ai's personality. Because Mu Ai refused to accept his chocolate, Che Hou decided to eat it.

Not long after that, they reached their destination. The fireworks festival venue was in a very wide-open field.

Since they came early, they managed to get a good spot. They immediately rolled out a mat for them to sit on.

At this moment, Che Hou was unhappy because he still did not have the chance to carry out his plan. He really wanted to teach Xiao Tian a lesson because he disliked Xiao Tian even more now.

Since they left her house, Long Jingxian and Mu Ai often ignored his words. But what made him so angry was that Xiao Tian still dared to flirt with Long Jingxian when he was next to them.

Long Jingxian was even happy when Xiao Tian flirted with her. For this reason, Che Hou wanted to teach Xiao Tian a lesson so badly.

He could not accept it and could not stand watching them flirt with each other. Che Hou's lips curled into a smirk when Xiao Tian wanted to buy snacks for them.

'This is a perfect time to teach him a lesson.'

Che Hou instantly informed the thugs and told them to carry out the plan.

He did not follow Xiao Tian and remained in the same position. There were two reasons for this. First, he wanted to spend time with Long Jingxian. Second, he did not want Long Jingxian to be suspicious of him.

As Xiao Tian was buying snacks, five thugs stared at him from behind the trees.

There were many trees around the field, and coincidentally, the stall where Xiao Tian was buying snacks was close to the trees.

"Thank you, elder." Xiao Tian smiled before turning around.

'Little Ai will like this food.'

As Xiao Tian was walking, a happy smile appeared on his handsome face. But his happy face instantly turned cold when five thugs suddenly stopped him.

"Stop! You ca-"the red-haired thug instantly stopped his words halfway when he saw Xiao Tian.

Terror overtook his face, and his legs turned weak before finally, he fell to the ground. Not only him, but the other four thugs also trembled in fear.

"The..the devil?!" these five thugs finally knew who their target was.

Since Che Hou only said to wait at the fireworks festival venue, they had no idea that Xiao Tian was their target.

Otherwise, they would refuse instantly. Yes, they would not accept it if they knew their target was Xiao Tian because they were terrified of him.

The time when Xiao Tian ordered his underlings to torture them for more than a month was something that they would not be able to forget until they died.

Because of how cruel and terrifying Xiao Tian was, they even began to call him devil in disguise.

Yes. These five thugs were the former members of the Hawk gang!

Xiao Tian's lips curled into a grin when he remembered who they were. "Ah! Aren't you members of the Hawk gang? Hmm? What is this? Do you want to play with me again? I don't mind if you want to play with me because I'm in a bad mood today."

At this moment, Xiao Tian was sure Che Hou was the one who paid them because Che Hou was the only person who hated him.

The other four thugs instantly dropped to their knees. "Devil...no I mean, young master Xiao, please forgive us. We didn't know it's you or else, we won't take this job."

"That's right." The red-haired thug added. "Please forgive us."

They were afraid that Xiao Tian would take them to the Blue Ice Lotus gang headquarters again.

Xiao Tian released them because he was in war against three martial arts schools, so they were sure he would not let them go again if they dared to cause trouble for him.

"Did Che Hou pay you guys?" Xiao Tian wanted to confirm whether his guess was correct or not.

"Yes. It's him." They answered in unison.

They did not dare to lie to him because they were afraid of the consequences. They just hoped that Xiao Tian would not take them to the Blue Ice Lotus gang headquarters again later.

"Why are you here? And what happened to the Hawk gang?" Xiao Tian wanted to know what happened to the Hawk gang because the Lion gang was ranked third before being slaughtered by Lan Ruoxi's underlings and Lian Xun.

They began to tell him what had happened to the Hawk gang. They said to him that Ma Gen and his brother wanted to rebuild the Hawk gang.

However, many of them decided to stop being thugs because they were still traumatized by what they had just experienced.

Yes. They were afraid that they would get tortured again like what Xiao Tian did to them. For this reason, only twenty people agreed to rebuild the Hawk gang.

And not long after they rebuilt the Hawk gang, the Lion gang suddenly attacked them. Because they were outnumbered, they lost the war.

For this reason, all the members left the Hawk gang and decided to return to their hometowns.

"I see." Xiao Tian replied, "Now back to the topic. What punishment should I give you guys?"

Chapter 990 - Watching Fireworks

7-8 minutes

The red-haired thug and the others trembled in fear again after hearing Xiao Tian's words. "Young master Xiao, please forgive us."

Because they did not do anything bad to him or the people he cared about, Xiao Tian decided not to take them to the Blue Ice Lotus gang headquarters again.

"I will give you two choices." Xiao Tian spoke and paused for a second before he continued, "I will take you to my gang's base again or, you beat up Che Hou for me."

Sure, Xiao Tian could let them go, but he would not do the same to Che Hou. There were several reasons for this.

First, Che Hou kept disturbing his time with Long Jingxian and Mu Ai. Second, Che Hou had paid these thugs to beat him.

Third, he hated Che Hou so much and wanted to teach Che Hou a lesson. That was why he wanted these thugs to beat Che Hou because it was a perfect time to teach Che Hou a lesson.

"We chose to beat Che Hou." these thugs answered instantly.

They knew how cruel Xiao Tian was, so they chose to beat Che Hou. Only a fool would prefer to be tortured by him again.

"Good!" Xiao Tian was satisfied with their answer. "I want you to beat him now!"

Xiao Tian wanted them to beat Che Hou immediately because, with this, Che Hou would not disturb his time with Long Jingxian and Mu Ai anymore.

Xiao Tian was sure Che Hou would not dare to show up with a battered face.

"We will beat them immediately." They were relieved when Xiao Tian decided to let them go.

Xiao Tian continued walking again. "Don't tell him anything about me."

"Mother, why is big brother still not back?" it had been more than ten minutes since Xiao Tian went to buy snacks, so Mu Ai wanted to know why Xiao Tian still had not returned yet.

"He will be back soon." Actually, Long Jingxian wanted to know about this too.

A sinister smile formed on Che Hou's lips.

'He won't be back.'

Che Hou had no idea who Xiao Tian was, so he was sure Xiao Tian had already been beaten up by the thugs he paid this afternoon.

'That is the punishment for daring to get in my way.'

Che Hou was sure Xiao Tian would not dare to show up later.

"I'm back." Xiao Tian spoke when he was next to Long Jingxian. "I bought many snacks."

"Big brother." Mu Ai's eyes shone happily when she saw Xiao Tian.

"Oh, you have returned?" Long Jingxian was relieved when she saw Xiao Tian.

Previously, she was worried that something bad had happened to him.

But she suddenly realized that she was only overthinking because there was no sign of violence happening on his body.

The expression of deep shock blossomed on Che Hou's face.

'What? What's going on? Why is he still fine?'

Countless questions appeared in his mind.

Because he had paid five thugs, he was sure that Xiao Tian would get beaten up by these thugs. But there was no sign of violence happening on Xiao Tian's body.

'What's going on? Are the thugs not doing their job?'

Che Hou wanted to know why Xiao Tian was still fine.

He then rose to his feet before looking at Long Jingxian. "Jingxian, I want to buy something first."

Che Hou wanted to meet these thugs. He wanted to know why Xiao Tian was still fine.

Long Jingxian shifted her gaze from Xiao Tian to Che Hou and responded, "All right."

When Che Hou saw these thugs, he retorted. "Why is Xiao Tian st-"

But before he had finished his words, one of the thugs hit his face hard, causing him to fall to the ground instantly.

Che Hou was furious, "Why did yo-"

Like before, he was welcomed with a punch before he could finish his words. Not only that, but the other thugs also joined in beating him.

Because Che Hou was not a martial artist, he could not do anything when these thugs were beating him.

After beating Che Hou for more than three minutes, these thugs stopped. Che Hou's face was already covered in bruises and blood, so they thought it was enough.

"You should feel lucky we didn't kill you!" the red-haired thug said with an annoyed face.

He was still enraged that Che Hou almost had him tortured by Xiao Tian again.

"That's right." The other thugs added in unison.

The red-haired thug then looked at his friends and spoke, "Brothers, let's go."

"All right." Then they left.

Che Hou, who was lying on the ground, gritted his teeth and clenched his fists.

'Xiao Tian!'

His eyes were filled with hatred. At that time, he promised to take revenge on Xiao Tian later.

"Where is Che Hou?" Long Jingxian inquired.

"I don't know." Xiao Tian behaved as if he did not know anything. "Forget about him and let's enjoy this."

Long Jingxian did not answer, but she nodded her head.

Actually, she was pleased because, with this, she could enjoy her time with Xiao Tian and her daughter without being disturbed by Che Hou.

"The firework is about to begin." Mu Ai spoke abruptly.

"Little Ai, come here and sit on big brother's lap." Xiao Tian spoke as he tapped his thighs.

Mu Ai wasted no time and immediately sat on his lap.

Long Jingxian smiled softly when she saw Xiao Tian and her daughter.

'They are really like father and daughter.'

As she was looking at her daughter, something unexpected happened.

Xiao Tian held her left hand!

This unexpected happiness streaked through her like a comet. She did not hate it; instead, she loved it.

"6...5...4..." everyone suddenly started counting down.

"3...2..." Mu Ai also joined.

"1..0.." Xiao Tian and Long Jingxian joined too.

*Buzzing...

A beam of dazzling light flew into the sky.

*Boom... Boom... Boom... Boom... Boom... Boom...

After a burst of firecrackers, the beam of light suddenly burst open.

Golden, silvery, red, green, blue, pink.

The fireworks burst into a series of strings in the night sky, and finally, like countless meteors with long tails, they reluctantly slipped through the night sky.

"So beautiful!" Mu Ai stated when she saw the colorful fireworks.

"Yes. It's so beautiful!" Xiao Tian held Long Jingxian's left hand tighter.

"Un. It's so beautiful!" Long Jingxian added.

She slowly dropped her head on Xiao Tian's right shoulder. Happiness blossomed within her like the burst of firework.

Long Jingxian was happy that she decided to watch the fireworks festival with Xiao Tian and her daughter.

A beautiful night became even more beautiful because she was with the people she loved.

*Buzzing...

Another beam of dazzling light flew into the sky.

At this moment, Long Jingxian lifted her head to look at Xiao Tian. Coincidentally, Xiao Tian was also looking at him.

*Boom... Boom... Boom... Boom... Boom... Boom...

The night sky was like a colorful garden.

When the fireworks burst into a series of strings in the night sky, Xiao Tian pressed his lips against hers.

It was a beautiful night, so Xiao Tian wanted to make a beautiful memory with Long Jingxian, the hot MILF who he loved dearly.

Long Jingxian slowly shut her eyes and enjoyed the kiss.

Somewhere in the open field, Che Hou gritted his teeth when he saw the fireworks. It was a beautiful night for everyone, but not for him.

For Che Hou, it was the worst day of his life.
